3. Assign in an account.
To him that worketh is the reward not *reckoned* of grace, but of debt.—*Romans*, iv. 4.

Réckon. *v. n.*
1. Compute; calculate.
We may fairly *reckon* that this first age of apostles, with that second generation of many who were their immediate converts, extended to the middle of the second century.—*Addison.*
2. State an account: (it has *with* before the other party).
We shall not spend a large expence of time,
Before we *reckon with* your several loves,
And make us even with you.
Shakespear, Macbeth, v. 7.
3. Charge to account: (with *on*).
I call posterity
Into the debt, and *reckon on* her head. *B. Jonson.*
4. Give an account; assign reasons of action.
All flesh shall rise and *reckon*. — *Archbishop Sandys, Sermons*, fol. 173.
5. Pay a penalty: (with *for*). *Rare.*
If they fail in their bounden duty, they shall *reckon for* it one day.—*Bishop Sanderson.*
6. Call to punishment: (with *with*).
God suffers the most grievous sins of particular persons to go unpunished in this world, because his justice will have another opportunity to meet and *reckon with* them.—*Archbishop Tillotson.*
7. Lay stress or dependence upon anything; calculate; take into calculation: (with *on*; in French *compter sur* = count on).
You *reckon upon* losing your friends' kindness, when you have sufficiently convinced them, they can never hope for any of yours.—*Sir W. Temple, Miscellanies.*
The Mayor went up to London in a fury, and told the King that the Dissenters were all knaves and rebels, and that in the whole corporation the government could not *reckon on* more than four votes. —*Macaulay, History of England*, ch. viii.

Réckoner. *s.* One who, that which, reckons, computes, or calculates.
Reckoners without their host must reckon twice. —*Camden.*

Réckoning. *verbal abs.*
1. Computation; calculation.
2. Account of time.
Canst thou their *reck'nings* keep? the time compute?
When their swoln bellies shall enlarge their fruit.
Sandys.
3. Account of debtor and creditor.
They that know how their own *reckoning* goes,
Account not what they have, but what they lose.
Daniel.
It is with a man and his conscience, as with one man and another; even *reckoning* makes lasting friends; and the way to make *reckonings* even, is to make them often.—*South, Sermons.*
4. Money charged by an host.
His industry is up stairs and down; his eloquence the parcel of a *reckoning*.—*Shakespear, Henry IV. Part I.* ii. 4.
When a man's verses cannot be understood, it strikes a man more dead than a great *reckoning* in a little room.—*Id., As you like it*, iii. 3.
A coin would have a nobler use than to pay a *reckoning*.—*Addison.*
5. Account taken.
There was no *reckoning* made with them of the money delivered into their hand.—2 *Kings*, xxii. 7.
6. Esteem; account; estimation.
Beauty, though in a great excellency in yourself as in any, yet you make no further *reckoning* of it, than of an outward fading benefit nature bestowed.—*Sir P. Sidney.*
Were they all of as great account as the best among them, with us notwithstanding they ought not to be of such *reckoning*, that their opinion should cause the laws of the church to give place.—*Hooker, Ecclesiastical Polity*, preface.

Reclaím. *v. a.* [Fr. *reclamer*; Lat. *reclamo*, from *clamo* = I cry out; pass. part. *reclamatus*; *reclamatio, -onis.*]
1. Reform; correct.
He spared not the heads of any mischievous practices, but shewed sharp judgment on them for ensample sake, that all the meaner sort which were infected with that evil might, by terror thereof, be *reclaimed* and saved.—*Spenser.*
Reclaim your wife from strolling up and down
To all assizes. *Dryden, Translation of Juvenal.*
'Tis the intention of Providence in all the various expressions of his goodness, to *reclaim* mankind, and to engage their obedience.—*Rogers, Sermons.*
The penal laws in being against papists have been found ineffectual, and rather confirm than *reclaim* men from their errors.—*Swift.*
2. Recall; cry out against.
The headstrong horses hurried Octavius, the trembling charioteer, along, and were deaf to his *reclaiming* them.—*Dryden.*
3. Reduce to the state desired.
It was for him to hasten to let his people see, that he meant to govern by law, howsoever he came in by the sword; and fit also to *reclaim* them, to know him for their king, whom they had so lately talked of as an enemy.—*Bacon.*
Much labour is required in trees, to tame
Their wild disorder, and in ranks *reclaim*.
Dryden, Translation of the Georgics, ii. 85.
Minds she the dangers of the Lycian coast? ...
Or is her towering flight *reclaim'd*,
By seas from Icarus's downfal named?
Vain is the call, and useless the advice.
Prior, Carmen Seculare for the year 1700.
4. Tame.
Upon his fist he bore, for his delight,
An eagle well *reclaim'd*.
Dryden, Palamon and Arcite, iii. 88.
Are not hawks brought to the hand, and lions, tygers, and bears *reclaimed* by good usage?—*Sir R. L'Estrange.*
5. Recover.
So shall the Briton-blood their crowne agayn *reclaim*. *Spenser, Faerie Queen*, iii. 3, 48.
All who were banished for their crimes, or who went away to escape from trial, all runaway slaves, all ruined debtors, found a place of safety in Alexandria; and by enrolling themselves in the Egyptian army, they joined in bonds of fellowship with thousands like themselves, who made it a point of honour to screen one another from being overtaken by justice or *reclaimed* by their masters.—*Sharpe, History of Egypt*, ch. ix.

Reclaím. *v. n.* Raise a voice of remonstrance.
O, tyrant Love! ...
Wisdom and Wit in vain *reclaim*;
And arts but soften as to feel the flame.
Pope, Chorus to the Tragedy of Brutus.

Reclaím. *s.*
1. Reformation. *Obsolete.*
The concealing of Solomon's *reclaim* hath occasioned some, upon acknowledgement of the necessity of repentance, to suppose that Solomon past away without it.—*Hales, Golden Remains*, p. 93.
2. Recovery. *Obsolete.*
The loving couple neede no reskew feare,
But leasure had and liberty to frame
Their purpost flight, free from all man's *reclame*.
Spenser, Faerie Queene, iii. 10, 16.

Reclaímable. *adj.* Capable of being reclaimed.
He said that he was young, and so *reclaimable*; that this was his first fault.—*Dr. Cockburn, Remarks on Burnet*, p. 41.

Reclaímant. *s.* One who remonstrates.
In the year 325, as is well known, the Arian doctrines were proscribed and anathematized in the famous Council of Nice, consisting of three hundred and eighteen bishops, very unanimous in their resolutions, excepting a few *reclaimants*.—*Bishop Waterland.*

Reclaímless. *adj.* Not to be reclaimed.
And look on Guise as a *reclaimless* rebel.
Dryden and Lee, Duke of Guise.

Reclamátion. *s.*
1. Recovery.
I shall willingly frame myself to all companies, not for a partnership in their vice, but for their *reclamation* from evil, or encouragement in good.—*Bishop Hall, Tempter Repelled*, iii. 5.
These, out of many such irregular practices, I write for his *reclamation*.—*Tatler*, no. 71.
2. Remonstrance.
Innocent was compelled to return: he passed by Narni, and again he was received with outward demonstrations of joy; but now secret murmurs and even violent *reclamations* were heard that the Pope owed the people of Rome great sums for the losses sustained by his long absence.—*Milman, History of Latin Christianity*, b. x. ch. v.

Recline. *v. a.* [Lat. *reclino.*] Lean back; lean sidewise.
The mother
Reclined her dying head upon his breast. *Dryden.*
While thus she rested, on her arm *reclined*,
The purling streams that through the meadow stray'd,
In drowsy murmurs lull'd the gentle maid.
Addison.

Recline. *v. n.* Rest; repose; lean.
She ceased, and on a lily'd bank *reclined*;
Her flowing robe waved wanton with the wind.
Shenstone.

Recline. *adj.* [Lat. *reclinis.*] Having a leaning posture
They sat *recline*
On the soft downy bank, damask'd with flowers.
Milton, Paradise Lost, iv. 333.

Reclóse. *v. a.* Close again.
The silver ring she pull'd, the door *reclosed*;
The bolt, obedient to the silken cord,
To the strong staple's inmost depth restored,
Secured the valves.
Pope, Translation of the Odyssey, i. 552.

Reclúde. *v. a.* [Lat. *recludo* = unbar, unlock, open; pass. part. *reclusus*; mistaken for *shut up afresh*; *shut up*, as in Recluse.] Set free.
The ingredients absorb the intestinal superfluities, *recludo* oppilations, and mundify the blood.—*Harvey.*

Reclúse. *s.* [see Recluse; Fr. *reclus.*] One shut up; retired person.
Recluses, according to the true meaning of the word, signify those which are set wide open, or left at liberty; though that barbarous age mistook the sense of the word for such as were shut up, and might not stirre out of their cloyster.—*Fuller, Holy State*, p. 28: 1648.
It seems you have not lived such an obstinate *recluse* from the disputes and transactions of men. —*Hammond.*
This must be the inference of a *recluse*, that converses only with his own meditations.—*Dr. H More, Decay of Christian Piety.*
His [Hutcheson's] views, for instance, respecting the nature and objects of legislation, criminal, as well as civil, might have been written by a *recluse* who had never quitted his hermitage, and whose purity was still unsoiled by the realities of the world.—*Buckle, History of Civilization in England*, vol. i. ch. vi.

Reclúse. *adj.* Shut up; retired. *Rare.*
The nymphs,
Melissan, sacred and *recluse*, to Ceres,
Pour streams select, and purity of waters.
Prior, Second Hymn of Callimachus.
I all the live-long day
Consume in meditation deep, *recluse*
From human converse. *J. Philips, Cyder*, i. 366.

Reclúse. *v. a.* Shut up. *Rare.*
She sees at once the virgin mother stay
Reclused at home, publick at Golgotha.
Donne, Divine Poems, p. 333.

Reclúsed. *part. adj.* Shut up.
The *reclused* orders, and other regulars excepted. —*Howell, Letters*, iv. 7.

Reclúseness. *s.* Attribute suggested by Recluse.
He may live most at ease that has least to do in the world. A kind of calm *recluseness* is like rest to the overlaboured man; but a multitude is not pleasing.—*Fellitham, On Ecclesiastes*, ii. 11.
The precepts of speculative piety are natural in the element of contemplation, which is *recluseness* and solitude. — *Bishop Mountague, Devout Essays*, pt. i. p. 47.

Reclúsive. *adj.* Affording concealment. *Rare.*
You may conceal her
In some *reclusive* and religious life.
Shakespear, Much Ado about Nothing, iv. 1.

Recoagulátion. *s.* Second coagulation.
This salt, dissolved in a convenient quantity of water, does upon its *recoagulation* dispose of the aqueous particles among its own saline ones, and shoot into crystals.—*Boyle.*

Recóct. *v. a.* [Lat. *recoctus*, pass. part. of *recoquo* = I cook afresh.] Vamp up.
Old women and men too ... seek, as it were, by Medea's charms, to *recoct* their corps, as she did Æson's, from feeble deformities to sprightly handsomeness.—*Jeremy Taylor, Artificial Handsomeness*, p. 71.

Recognisable. *adj.* Capable of being recognized.
The disguise was sufficient.... They would scarcely have been *recognisable* by their oldest acquaintances. —*H. Smith, Brambletye House.*

Recógnisance. *s.* [Fr.]
1. Acknowledgement of person or thing.
2. Badge.
Apparent it is, that all men are either Christians or not; if by external profession they be Christians, then are they of the visible church of Christ; and Christians by external profession they are all, whose mark of *recognizance* hath in it those things mentioned, yet although they be impious idolaters and wicked hereticks.—*Hooker, Ecclesiastical Polity.*
She did gratify his amorous works
With that *recognizance* and pledge of love,
Which I first gave her; an handkerchief.
Shakespear, Othello, v. 2.
3. In *Law*. See second extract.
The English should not marry with any Irish, unless bound by *recognizance* with sureties to continue loyal.—*Sir J. Davies, Discourse on the State of Ireland.*

A bond of record testifying the *recognisor* to owe unto the *recognisee* a certain sum of money; and is acknowledged in some court of record; and those that are mere *recognizances* are not sealed but enrolled: it is also used for the verdict of the twelve men empannelled upon an assize.—*Cowell.*

The question whether a peer could be required to enter into *recognisances* on a charge of libel was argued at great length, and decided by a majority of the judges in favour of the crown. The prisoners then pleaded Not Guilty. That day fortnight, the twenty-ninth of June, was fixed for their trial. In the meantime they were allowed to be at large on their own *recognisances*. The crown lawyers acted prudently in not requiring sureties.—*Macaulay, History of England*, ch. viii.

Récognise. *v. a.* [Lat. *recognitus*, from *cognosco* = know; *cognitio, -onis.*]

1. Acknowledge; recover and avow knowledge of any person or thing.

He brought several of them, even under their own hands, to *recognize* their sense of their undue procedure used by them unto him.—*Bishop Fell, Life of Hammond.*

Starting from his oozy bed,
The asserted ocean rears his reverend head,
To view and *recognise* his ancient lord.
Dryden, Threnodia Augustalis, 513.

Then first he *recognised* the ethereal guest,
Wonder and joy alternate fire his breast.
Pope, Translation of the Odyssey, i. 415.

Speak, vassal, *recognize* thy sov'reign queen:
Hast thou ne'er seen me? know'st thou not me seen?
Harte.

2. Review; re-examine; take cognizance of afresh. *Rare.*

However their causes speed in your tribunals, Christ will *recognize* them at a greater.—*South, Sermons.*

Recognisée. *s.* In *Law.* One in whose favour the bond is drawn.

(For example see under Recognisance.)

Recógnisor. *s.* In *Law.* One who gives the recognisance.

(For example see under Recognisance.)

Recognition. *s.*

1. Review; renovation of knowledge.

The virtues of some being thought expedient to be annually had in remembrance, brought in a fourth kind of public reading, whereby the lives of such saints had, at the time of their yearly memorials, solemn *recognition* in the church of God.—*Hooker, Ecclesiastical Polity.*

2. Knowledge confessed.

Every species of fancy hath three modes; *recognition* of a thing, as present; memory of it, as past; and foresight of it, as to come.—*Grew, Cosmologia Sacra.*

3. Acknowledgement; memorial.

If the *recognition* or acknowledgment of a final concord, upon any writ of covenant finally, be taken by justice of assize, and the yearly value of those lands be declared by affidavit made before the same justice; then is the *recognition* and value signed with the handwriting of that justice.—*Bacon.*

The Israelites, in Moses' days, were redeemed out of Egypt; in memory and *recognition* whereof they were commanded to observe the weekly sabbath.—*White.*

Recoíl. *v. n.* [Fr. *reculer*, from *cul* = rump, posteriors.]

1. Rush back in consequence of resistance, which cannot be overcome by the force impressed.

The very thought of my revenges that way
Recoil upon me; in himself too mighty.
Shakespear, Winter's Tale, ii. 3.

Amazement seized
All the host of heaven; back they *recoil'd*, afraid
At first.
Milton, Paradise Lost, ii. 758.

Revenge, at first though sweet,
Bitter ere long, back on itself *recoils.*
Ibid., ix. 171.

Evil on itself shall back *recoil.*
Id., Comus, 593.

Who in deep mines for hidden knowledge toils,
Like guns o'ercharged, breaks, misses, or *recoils.*
Sir J. Denham, Progress of Learning.

My hand's so soft, his heart so hard,
The blow *recoils*, and hurts me while I strike!
Dryden, Cleomenes, v. 1.

Whatever violence may be offered to nature by endeavouring to reason men into a contrary persuasion, nature will still *recoil*, and at last return to itself.—*Archbishop Tillotson.*

2. Fall back.

Ye both forewearied be; therefore a while
I read you rest, and to your bowers *recoil.*
Spenser, Faerie Queen.

Ten paces huge
He back *recoil'd*; the tenth on bended knee
His massy spear upstay'd.
Milton, Paradise Lost, vi. 193.

3. Fail; shrink.

A good and virtuous nature may *recoil*
In an imperial charge. *Shakespear, Macbeth*, iv. 3.

Recoíl. *v. a.* Drive back; cause to recoil. *Obsolete.*

But neither toil nor travel might her back *recoil.*
Spenser, Faerie Queen.

Recoíl. *s.* Falling back.

Against mountains dashes,
And in *recoil* makes meadows standing splashes.
Browne, Britannia's Pastorals, i. 2.

On a sudden open fly
With impetuous *recoil* and jarring sound
The infernal doors. *Milton, Paradise Lost*, ii. 879.

Recoíler. *s.* One who recoils; one who shrinks, who falls back from his promise or profession; revolter. *Rare.*

As if this *recoiler* had told him no news, he spake but little, and dismissed him.—*Hacket, Life of Archbishop Williams*, p. 98.

Recoíling. *verbal abs.* Act of shrinking back; revolt.

As long as these *recoilings* of the mind continue, the sinner will find his accounts of pleasure very poor and short.—*South, Sermons*, ii. 171.

Recoín. *v. a.* Coin over again.

Among the Romans, to preserve great events upon their coins, when any particular piece of money grew very scarce, it was often *recoined* by a succeeding emperor.—*Addison.*

Recoínage. *s.* Act of coining anew.

The mint gained upon the late statute, by the *recoinage* of groats and half-groats, now twelvepences and sixpences.—*Bacon.*

Meanwhile strenuous exertions were making to hasten the *recoinage.*—*Macaulay, History of England*, ch. xxii.

Recolléct. *v. a.*

1. Recover to memory.

Recollect every day the things seen, heard, or read, which made any addition to your understanding.—*Watts, Logick.*

2. Recover reason or resolution.

The Tyrian queen . . .
Admired his fortunes, more admired the man;
Then *recollected* stood.
Dryden, Translation of the Æneid, i. 866.

3. Gather what is scattered; gather again.

If I were but mere dust and ashes, I might speak unto the Lord; for the Lord's hand made me of this dust, and the Lord's hand shall *recollect* these ashes.—*Donne, Devotions*, p. 9: 1624.

God will one day raise the dead, *recollecting* our scattered dust, and rearing our dissolved frame.—*Barrow, Sermons*, vol. ii. serm. ii.

Now that God hath made his light radiate in his word, men may *recollect* those scattered divine beams, and kindling with them the topicks proper to warm our affections, enflame holy zeal.—*Boyle.*

Recolléction. *s.* Recovery of notion; revival in the memory.

Let us take care that we sleep not without such a *recollection* of the actions of the day, as may represent any thing that is remarkable, as matter of sorrow or thanksgiving.—*Jeremy Taylor.*

Recollection is when an idea is sought after by the mind, and with pain and endeavour found, and brought again in view.—*Locke.*

Finding the *recollection* of his thoughts disturb his sleep, he remitted the particular care of the composition.—*Bishop Fell, Life of Hammond.*

The last image of that troubled heap,
When sense subsides, and fancy sports in sleep,
Though past the recollection of the thought,
Becomes the stuff of which our dream is wrought.
Pope.

Recombíne. *v. a.* Combine, arrange, collect, join together again.

. . . That fair hand . . .
When first it joyn'd her virgin snow to thine,
Which when to-day the priest shall *recombine*,
From the mysterious holy touch such charms
Will flow, as shall unlock her wreathed arms.
Carew, Poems, p. 113.

Recómfort. *v. a.*

1. Comfort or console again.

What place is there left, we may hope our woes to *recomfort?*—*Sir P. Sidney.*

Ne'er through an arch so hurried the blown tides,
As the *recomforted* through th' gates.
Shakespear, Coriolanus, v. 4.

As one from sad dismay
Recomforted, and, after thoughts disturb'd,
Submitting to what seem'd remediless.
Milton, Paradise Lost, ix. 917.

2. Give new strength.

In strawberries, it is usual to help the ground with muck; and likewise to *recomfort* it sometimes with muck put to the roots; but to water with muck water is not practised.—*Bacon.*

Recómfortless. *adj.* Without comfort.

There all that night remained Britomart,
Restless, *recomfortless.*
Spenser, Faerie Queen, v. 6, 24.

Recommence. *v. a.* Begin anew.

Recommend. *v. a.*

1. Praise to another; advance by praise to the kindness of another.

Mæcenas *recommended* Virgil and Horace to Augustus, whose praises helped to make him popular while alive, and after his death have made him precious to posterity.—*Dryden.*

2. Make acceptable.

A decent boldness ever meets with friends,
Succeeds, and ev'n a stranger *recommends.* *Pope.*

3. Commit with prayers.

They had been *recommended* to the grace of God.—*Acts*, xiv. 26.

Recommendable. *adj.* Capable of being, fit to be, recommended; worthy of recommendation or praise.

A right *recommendable* thing in heven and in erthe is a true tunge.—*Lord Rivers, Dictes and Sayings of the Philosophers*, A. vii.: 1477.

Though these pursuits should make out no pretence to advantage, yet, upon the account of honour, they are *recommendable.*—*Glanville, Scepsis Scientifica*, preface.

Recommendableness. *s.* Attribute suggested by Recommendable; quality of being recommendable.

The last rule to try opinions by, is the *recommendableness* of our religion to strangers, or those that are without.—*Dr. H. More, Mystery of Godliness*, b. x. ch. iii.: 1660.

Recommendation. *s.*

1. Act of recommending.

2. That which secures to one a kind reception from another.

Poplicola's doors were opened on the outside, to save the people even the common civility of asking entrance; where misfortune was a powerful *recommendation*; and where want itself was a powerful mediator.—*Dryden.*

Recommendatory. *adj.* Having the character of a recommendation.

Verses *recommendatory* they have commanded me to prefix before my book.—*Swift.*

He was received, on the presentation of *recommendatory* letters from his bishop, with condescending welcome.—*Milman, History of Latin Christianity*, b. iv. ch. v.

Recommender. *s.* One who recommends.

St. Chrysostom, as great a lover and *recommender* of the solitary state as he was, declares it to be no proper school for those who are to be leaders of Christ's flock.—*Bishop Atterbury.*

Recommít. *v. a.* Commit anew.

When they had bailed the twelve bishops, who were in the Tower, the house of Commons expostulated with them, and caused them to be *recommitted.*—*Lord Clarendon, History of the Grand Rebellion.*

Recompáct. *v. a.* Join anew.

Repair
And *recompact* my scatter'd body. *Donne.*

Récompense. *v. a.* [Fr. *récompenser.*]

1. Repay; requite.

Continue faithful, and we will *recompense* you.—1 *Maccabees*, x. 27.

Hear from heaven, and requite the wicked, by *recompensing* his way upon his own head.—2 *Chronicles*, vi. 23.

2. Give in requital.

Thou wast begotten of them, and how canst thou *recompense* them the things they have done for thee?—*Ecclesiasticus*, viii. 28.

Recompense to no man evil for evil.—*Romans*, xii. 17.

3. Compensate; make up for by something equivalent.

French wheat, which is bearded, requireth the best soil, *recompensing* the same with a profitable plenty.—*Carew.*

Solyman, willing them to be of good cheer, said, that he would in short time find occasion for them to *recompense* that disgrace, and again to shew their approved valour.—*Knolles, History of the Turks.*

He is long ripening, but then his maturity, and the compliment thereof, *recompenseth* the slowness of his maturation.—*Sir M. Hale, Origination of Mankind.*

4. Redeem; pay for.

If the man have no kinsman to *recompense* the trespass unto, let the trespass be *recompensed* unto the Lord.—*Numbers*, v. 8.

Récompense. *s.* [Fr. *récompense.* An

ciently, *recompence* was the spelling of the substantive; and many now write it so; distinguishing, as in *practise* the verb, and *practice* the substantive.]

1. Reward; something given as an acknowledgement of merit.

Thou'rt so far before,
That swiftest wing of *recompense* is slow
To overtake thee. *Shakespear, Macbeth*, i. 4.

2. Equivalent; compensation.

Wise men thought the vast advantage from their learning and integrity an ample *recompense* for any inconvenience from their passion.—*Lord Clarendon, History of the Grand Rebellion.*

Your mother's wrongs a *recompense* shall meet,
I lay my sceptre at her daughter's feet.
Dryden, Indian Emperor, i. 2.

Récompensive. *adj.* Constituted by, consisting in, having the character of, a recompense.

Reduce the seeming inequalities and respective distributions in this world to an equality and *recompensive* justice in the next.—*Sir T. Browne, Religio Medici.* (Ord MS.)

Recompílement. *s.* New, or fresh, compilement.

Although I had a purpose to make a particular digest or *recompilement* of the laws, I laid it aside. —*Bacon.*

Recompóse. *v. a.*

1 Settle or quiet anew.

Elijah was so transported, that he could not receive answer from God, till by music he was *recomposed.—Jeremy Taylor.*

2. Form or adjust anew.

We produced a lovely purple, which we can destroy or *recompose* at pleasure, by severing or reapproaching the edges of the two irises.—*Boyle, Experiments and Considerations touching Colours.*

Recomposition. *s.* Composition renewed.

I have taken great pains with the *recomposition* of this scene.—*Lamb, Letter to Coleridge.*

Reconcílable. *adj.*

1. Capable of renewed kindness.

2. Consistent; possible to be made consistent.

What we did was against the dictates of our own conscience; and consequently never makes that act *reconcilable* with a regenerate estate, which otherwise would not be so.—*Hammond.*

The different accounts of the numbers of ships are *reconcilable*, by supposing that some spoke of the men of war only, and others added the transports.—*Arbuthnot.*

The bones, to be the most convenient, ought to have been as light as was *reconcilable* with sufficient strength.—*Cheyne.*

Worldly affairs and recreations may hinder our attendance upon the worship of God, and are not *reconcilable* with solemn assemblies.—*Nelson.*

Reconcílableness. *s.* Attribute suggested by Reconcilable.

1. Consistence; possibility to be reconciled.

The cylinder is a lifeless trunk, which hath nothing of choice or will in it; and therefore cannot be a fit resemblance to shew the *reconcilableness* of fate with choice.—*Hammond.*

Discerning how the several parts of Scripture are fitted to several times, persons, and occurrences, we shall discover not only a *reconcilableness*, but a friendship and perfect harmony betwixt texts, that here seem most at variance.—*Boyle.*

2. Disposition to renew love.

Réconcile. *v. a.*

1. Make to like again.

This noble passion,
Child of integrity, hath from my soul
Wiped the black scruples, *reconciled* my thoughts
To thy good truth and honour.
Shakespear, Macbeth, iv. 3.

Submit to Cæsar;
And *reconcile* thy mighty soul to life.
Addison, Cato.

With *self.* Bring one's self to be satisfied with anything; get over one's dislike to, or disapproval of, anything.

Many wise men, who knew the treasurer's talent in removing prejudice, and *reconciling himself* to wavering affections, believed the loss of the duke was unseasonable.—*Lord Clarendon, History of the Grand Rebellion.*

He that has accustomed himself to take up with what easily offers itself, has reason to fear he shall never *reconcile himself* to the fatigue of turning things in his mind, to discover their more retired secrets.—*Locke.*

2. Make anything consistent.

The great men among the ancients understood how to *reconcile* manual labour with affairs of state. —*Locke.*

Questions of right and wrong
Which though our consciences have *reconciled*,
My learning cannot answer.
Southern, Spartan Dame.

Some figures monstrous and mishaped appear,
Considered singly, or beheld too near;
Which but proportion'd to their light or place,
Due distance *reconciles* to form and grace.
Pope, Essay on Criticism, i. 171.

3. Restore to favour.

So thou shalt do . . . for every one that erreth and for him that is simple; so shall ye *reconcile* the house.—*Ezekiel*, xlv. 20.

Let him live before thee *reconciled.*
Milton, Paradise Lost, xi. 39.

4. Reconsecrate a church.

Not consecrating and *reconciling* churchyards with so many ceremonies, and opinion of efficacy and necessity, as in the church of Rome.—*Fuller, Moderation of the Church of England*, p. 327.

5. Re-establish. *Latinism.*

She them besought, during their quiet treague,
Into her lodging to repaire awhile
To rest themselves, and grace to *reconcile.*
Spenser, Faerie Queen, ii. 2. 33.

Réconcile. *v. n.* Become reconciled.

Your thoughts, though much startled at first, *reconcile* to it.—*Archbishop Sancroft, Sermons*, p. 104.

Reconcílement. *s.*

1. Renewal of kindness; favour restored; reconciliation: (this latter being the *commoner* word).

Injury went beyond all degree of *reconcilement.*—*Sir P. Sidney.*

Creature so fair! his *reconcilement* seeking,
His counsel whom she had displeased.
Milton, Paradise Lost, x. 943.

On one side great reserve, and very great resentment on the other, have enflamed animosities, so as to make all *reconcilement* impracticable.—*Swift.*

2. Friendship renewed.

No cloud
Of anger shall remain; but peace assured
And *reconcilement. Milton, Paradise Lost*, iii. 262.

Reconcíler. *s.* One who reconciles.

a. By renewing friendship between others.

He not only attained his purpose of uniting distant parties unto each other, but, contrary to the usual fate of *reconcilers*, gained them to himself.—*Bishop Fell, Life of Hammond.*

Thus the clergy stood between the two hostile races in the new constitution of society—the *reconcilers*, the pacifiers, the harmonisers of the hostile elements.—*Milman, History of Latin Christianity*, b. iii. ch. v.

b. By discovering the consistence between propositions.

Part of the world know how to accommodate St. James and St. Paul better than some late *reconcilers.—Norris.*

Reconciliátion. *s.*

1. Renewal of friendship.

2. Agreement of things seemingly opposite; solution of seeming contrarieties.

These distinctions of the fear of God give us a clear and easy *reconciliation* of those seeming inconsistencies of Scripture, with respect to this affection.—*Rogers.*

3. Atonement; expiation.

He might be a merciful and faithful high priest in things pertaining to God, to make *reconciliation* for the sins of the people.—*Hebrews*, ii. 17.

Reconcíliatory. *adj.* Able, having the tendency to, reconcile.

These *reconciliatory* papers fell under the eyes of some grave divines.—*Bishop Hall, Specialities of his Life.*

Recondénse. *v. a.* Condense anew.

In the heads of stills and necks of eolipiles, such vapours quickly are by a very little cold *recondensed* into water.—*Boyle.*

Récondite. *adj.* [Lat. *reconditus.*] Hidden; secret; profound; abstruse.

Doubtless there will be great plenty of unctuous spirituous matter, when the most inward and *recondite* spirits of all things shall be dislodged from their old close residences, and scattered into the air. —*Glanville, On the Pre-existence of Souls*, ch. xiv.

He asserts that this was the *recondite* sense of Moses his words.—*Bishop Bull, Works*, iii. 1168.

A disagreement between thought and expression seldom happens, but among men of more *recondite* studies and deep learning.—*Felton, Dissertation on Reading the Classicks.*

Recondúct. *v. a.* Conduct again.

Wander'st thou within this lucid orb,
And stray'd from those fair fields of light above,
Amidst this new creation want'st a guide,
To *reconduct* thy steps?
Dryden, State of Innocence, ii. 1.

Reconfírm. *v. a.* Establish again.

And so being *reconfirmed*, upon the thirtieth of August in the year 1667, he sent Secretary Maurice, &c.—*Lord Clarendon, Life*, iii. 835.

Reconjoín. *v. a.* Join anew.

Some liquors, although colourless themselves, when elevated into exhalations, exhibit a conspicuous colour, which they lose again when *reconjoined* into a liquor.—*Boyle.*

Recónnaissance. *s.* [Fr.] In *Strategy.* Exploration; view of field.

A day or two were necessarily devoted by the generals and admirals to a personal examination of the Bay of Bomarsund, and the fortifications to be attacked. They all went in in the Lightning, and the *reconnaissance* resulted in their cordial adoption of the plans previously proposed by the admirals.—*Yonge, Naval History of Great Britain.*

Reconnoíter. *v. a.* [Fr. *reconnaître*, pres. part. *reconnaissant.*] Examine; view.

The histories of all our former wars are transmitted to us in our vernacular idiom. I do not find, in any of our chronicles, that Edward the third *reconnoitered* the enemy, though he often discovered the posture of the French, and as often vanquished them.—*Addison.*

She *reconnoitres* fancy's airy band.
Young, Night Thoughts, night ii.

Porus had stationed posts at various points up and down the river to watch the enemy's motions, and Alexander spent some time *reconnoitring* the country on the right bank.—*Bishop Thirlwall, History of Greece*, ch. liii.

Recónquer. *v. a.* Conquer again.

Chatterton undertook to *reconquer* Ogier.—*Sir J. Davies.*

Recónsecrate. *v. a.* Consecrate anew.

If a church should be consumed by fire, it shall, in such a case, be *reconsecrated.—Ayliffe, Parergon Juris Canonici.*

Reconsíder. *v. a.* Turn in the mind over and over.

Reconsider from time to time, and retain the friendly advice which I send you.—*Lord Chesterfield.*

Reconsíderation. *s.* Consideration afresh.

If an induction conflicts with stronger inductions, or with conclusions capable of being correctly deduced from them, then, unless on *re-consideration* it should appear that some of the stronger inductions have been expressed with greater universality than their evidence warrants, the weaker one must give way.—*J. S. Mill, System of Logic*, b. iii. ch. iv. § 3.

Recónsolate. *v. a.* Comfort again, or afresh. *Rare.*

I should think myself unworthy for ever of that love she bare me, if in this case I were fit to comfort you. But it is that only God who can *reconsolate* us both; who, when he hath called now one and then another of his own creatures unto himself, will unclasp the final book of his decrees, and dissolve the whole.—*Sir H. Wotton, Remains*, p. 439.

Reconstrúct. *v. a.* Build up, constitute, construct, afresh.

He had to *reconstruct* what he had been so successful in demolishing.—*Macaulay, History of England*, ch. x.

Reconstrúction. *s.* Reconstitution.

He had pulled a government down. The far harder task of *reconstruction* was now to be performed.—*Macaulay, History of England*, ch. x.

Reconvéne. *v. n.* Assemble anew.

A worse accident fell out about the time of the two houses *reconvening*, which made a wonderful impression.—*Lord Clarendon, History of the Grand Rebellion.*

Reconvérsion. *s.* Second conversion.

Pope Gregory the first, being zealously moved for the *reconversion* of this English nation, sent hither Austin the monke with other his associates.—*Weever.*

That he did return to the communion of the Church of Rome is certain. The date of his *reconversion*, as far as we know, has never been mentioned by any biographer. We believe that, if we place it at this time, we do no injustice to the character either of Wycherley or James.—*Macaulay, Critical and Historical Essays, Comic Dramatists of the Restoration.*

Reconvért. *v. a.* Convert again.

The East-Saxons, who had expelled their bishop Mellitus and renounced the faith, were by the means of Oswi *reconverted.*—*Milton, History of England*, b. iv.

Reconvéy. *v. a.* Convey again.

As rivers lost in seas, some secret vein
Thence *reconveys*, there to be lost again.
Sir J. Denham, Cooper's Hill.

Récord. *v. a.* [Fr. *recorder*; Lat. *recordor.*]

1. Register anything so that its memory may not be lost.

I call heaven and earth to *record* this day against you, that I have set before you life and death.—*Deuteronomy*, xx. 19.

Those things that are *recorded* of him, and of his uncleanness and impiety, are written in the chronicles of the kings.—1 *Esdras*, i. 42.

I made him my book, where my soul *recorded*
The history of all my secret thoughts.
Shakespear, Richard III. iii. 5.

He shall *record* a gift
Here in the court, of all he dies possess'd,
Unto his son Lorenzo.
Id., Merchant of Venice, iv. 1.

They gave complex ideas names, that they might the more easily *record* and discourse of those things they were daily conversant in.—*Locke.*

2. Celebrate; cause to be remembered solemnly.

So even and morn *recorded* the third day.
Milton, Paradise Lost, vii. 338.

3. Recite; repeat; tune. *Obsolete.*

If his ditties bene so trimly dight,
I pray thee, Hobbinol, *record* some one.
Spenser, Shepherd's Calendar, April.

They long'd to see the day, to hear the lark
Record her hymns, and chant her carols blest.
Fairfax.

4. Call to mind. *Latinism.*

Being returned to his mother's bowre,
In solitary silence far from wight,
He gan *record* the miserable stowre,
In which his wretched love lay day and night
For his deare sake.
Spenser, Faerie Queen, iv. 12, 19.

Recórd. *v. n.* Sing a tune; play a tune.

To the lute
She sung, and made the night-bird mute,
That still *records* with moan.
Shakespear, Pericles, iv. Gower.

Ye may *record* a little, or ye may whistle,
As time shall minister: but for main singing,
Pray ye satisfy yourselves; away, be careful.
Beaumont and Fletcher, Monsieur Thomas.

O sweet, sweet; how the birds *record* too!
Id., Pilgrim.

Récord. *s.* [the accent of the verb is *always* on the last syllable; of the noun it is, theoretically, on the first; the legal pronunciation, however, is *recórd.*] Register; authentic memorial.

The king made a *record* of these things, and Mardocheus also wrote thereof. — *Esther*, xii. 4, apocrypha.

Is it upon *record?* or else reported
Successively, from age to age?
Shakespear, Richard III. iii. 1.

It cannot be
The Volscians dare break with us.—
We have *record* that very well it can;
And three examples of the like have been.
Id., Coriolanus, iv. 6.

An ark, and in the ark his testimony,
The *records* of his covenant.
Milton, Paradise Lost, xii. 251.

Of such a goddess no time leaves *record*,
Who burn'd the temple where she was adored.
Dryden.

If he affirms such a monarchy continued to the flood, I would know what *records* he has it from.—*—Locke.*

Though the attested copy of a *record* be good proof, yet the copy of a copy, never so well attested, will not be admitted as a proof in judicature.—*Id.*

Thy elder look, great Janus! cast
Into the long *records* of ages past;
Review the years in fairest action drest.
Prior, Carmen Seculare for the year 1700.

Recórdance. *s.* Remembrance. *Rare.*

The state of Israel, Judah, and their kings,
This booke againe againe *recordance* brings.
Howell, Familiar Epistles: 1656. (Nares by H. and W.)

Recordátion. *s.* [Lat. *recordatio, -onis.*] Remembrance. *Rare.*

I never shall have length of life enough,
To rain upon remembrance with mine eyes,
That it may grow and sprout as high as heaven
For *recordation* to my noble husband.
Shakespear, Henry IV. Part II. ii. 3.

Make a *recordation* to my soul
Of every syllable that here was spoke.
Id., Troilus and Cressida, v. 2.

A man of the primitive temper, when the church by lowliness did flourish in high examples, which I have inserted as a due *recordation* of his virtues, having been much obliged to him for many favours. —*Sir H. Wotton.*

Recórder. *s.* One who records.

1. As one whose business is to register any events.

I but your *recorder* am in this,
Or mouth and speaker of the universe,
A ministerial notary; for 'tis
Not I, but you and fame that make this verse.
Donne, Poems, p. 167.

2. Judicial officer in a city or borough who kept the rolls, and sat in minor causes.

I ask'd, what meant this wilful silence?
His answer was, the people were not used
To be spoke to except by the *recorder.*
Shakespear, Richard III. iii. 7.

The office of *recorder* to this city being vacant, five or six persons are soliciting to succeed him.—*Swift.*

3. Kind of flute; wind instrument.

The shepherds went among them and sang an eclogue, while the other shepherds, pulling out *recorders*, which possest the place of pipes, accorded their musick to the other's voice.—*Sir P. Sidney.*

In a *recorder*, the three uppermost holes yield one tone, which is a note lower than the tone of the first three.—*Bacon.*

The figures of *recorders*, and flutes and pipes, are straight; but the *recorder* hath a less bore, and a greater above and below.—*Id.*

Recoúch. *v. n.* Lie down again.

Thou mak'st the night to overvail the day:
Then lions' whelps lie roaring for their prey,
And at thy powerful hand demand their food;
Who when at morn they all *recouch* again;
Then toiling man till eve pursues his pain.
Sir H. Wotton.

Recoúnt. *v. a.* [Fr. *raconter.*] Relate in detail; tell distinctly.

Bid him *recount* the fore-recited practices.
Shakespear, Henry VIII. i. 2.

How I have thought of these times,
I shall *recount* hereafter.
Id., Julius Cæsar, i. 2.

Plato in Timæo produces an Egyptian priest, who *recounted* to Solon out of the holy books of Egypt the story of the flood universal, which happened long before the Grecian inundation.—*Sir W. Raleigh, History of the World.*

The talk of worldly affairs hindereth much, although *recounted* with a fair intention: we speak willingly, but seldom return to silence.—*Jeremy Taylor, Guide to Devotion.*

Say, from these glorious seeds what harvest flows,
Recount our blessings, and compare our woes.
Dryden.

Recoúntment. *s.* Relation; recital.

When from the first to last, betwixt us two,
Tears our *recountments* had most finely bathed;
As how I came into that desart place.
Shakespear, As you like it, iv. 3.

Recoúp. *v. a.* [Fr. *recouper*, from *coup* = blow, stroke.] Make good.

Why should the manager be grudged his ten per cent. when . . . it would be the means of securing to the shareholders dividends that in three or four years would *recoup* their whole capital?—*Saturday Review*, p. 151, August 1, 1868.

Recoúrse. *s.* [Lat. *recursus*; Fr. *recours.*]

1. Frequent passage.

Not Priamus and Hecuba on knees,
Their eyes o'ergalled with *recourse* of tears.
Shakespear, Troilus and Cressida, v. 3.

2. Return; new attack.

Preventive physick, by purging noxious humours and the causes of diseases, preventeth sickness in the healthy, or the *recourse* thereof in the valetudinary.—*Sir T. Browne, Vulgar Errours.*

3. Return; recurrence.

The course and *recourse* of times and accidents.—*Proceedings against Garnet*, Ee. 2, b.: 1606.

How necessary, or how convenient at least, the certain *recourses* of seasons made by the heavenly bodies are!—*Barrow, Exposition on the Creed.*

4. Application as for help or protection.

Thus died this great peer, in a time of great *recourse* unto him and dependance upon him, the house and town full of servants and suitors.—*Sir H. Wotton, Life of the Duke of Buckingham.*

The council of Trent commends the making *recourse* not only to the prayers of the saints, but to their aid and assistance.—*Bishop Stillingfleet.*

Can any man think, that this privilege was at first conferred upon the church of Rome, and the Christians in all ages had constant *recourse* to it for determining their differences; and yet that that very church should now be at a loss where to find it?—*Archbishop Tillotson.*

All other means have fail'd to move her heart,
Our last *recourse* is therefore to your art.
Dryden, Tyrannick Love, iv. 1.

5. Access.

The doors be lockt,
That no man hath *recourse* to her by night.
Shakespear, Two Gentlemen of Verona, iii. 1.

Recoúrse. *v. n.* Return.

For a little pause, he stood without flame; the flame departing and *recoursing* thrice ere the wood tooke strength to be the sharper to consume him.—*Fox, Acts and Monuments of the Church. Thomas Bilney.*

Recoúrseful. *adj.* Moving alternately.

In that *recourseful* deep.
Drayton, Polyolbion, song i.

Recóver. *v. a.* [Fr. *recouvrer*; Lat. *recupero.*]

1. Restore from sickness or disorder.

Would God my lord were with the prophet that is in Samaria; for he would *recover* him of his leprosy. —2 *Kings*, v. 3.

The clouds dispell'd, the sky resumed her light,
And nature stood *recover'd* of her fright.
Dryden, Theodore and Honoria, 336.

2. Repair.

Should we apply this precept only to those who are concerned to *recover* time they have lost, it would extend to the whole race of mankind.—*Rogers.*

Even good men have many failings and lapses to lament and *recover.*—*Id.*

3. Regain; get again.

Every of us, each for his self, laboured how to *recover* him, while he rather daily sent us companions of our deceit, than ever returned in any sound and faithful manner.—*Sir P. Sidney.*

Stay a while; and we'll debate,
By what safe means the crown may be *recovered.*
Shakespear, Henry VI. Part III. iv. 7.

The spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor . . . and *recovering* of sight to the blind.—*Luke*, iv. 18.

Once in forty years cometh a pope, that casteth his eye upon the kingdom of Naples, to *recover* it to the church.—*Bacon.*

These Italians, in despight of what could be done, *recovered* Tilliaventum. —*Knolles, History of the Turks.*

I who erewhile the happy garden sung,
By one man's disobedience lost, now sing
Recover'd Paradise to all mankind,
By one man's firm obedience.
Milton, Paradise Regained, i. 1.

Any other person may join with him that is injured, and assist him in *recovering* from the offender so much as may make satisfaction.—*Locke.*

4. Release.

That they may *recover* themselves out of the snare of the devil, who are taken captive by him at his will.—2 *Timothy*, ii. 26.

5. Attain; reach; come up to.

Isaiah said, Take a lump of figs. And they took and laid it on the boil, and he *recovered.*—2 *Kings*, xx. 7.

Adam, by this from the cold sudden damp
Recovering, his scatter'd spirits return'd.
Milton, Paradise Lost, xi. 293.

Recóver. *s.* Recovery. *Rare.*

I'le witness when I had recovered him,
The prince's head being split against a rocke
Past all *recover.*
Tragedy of Hoffman: 1631. (Nares by H. and W.)

Recóverable. *adj.* [Fr. *recouvrable.*] Capable of being recovered.

1. Possible to be restored from sickness.

2. Possible to be regained.

A prodigal's course
Is like the sun's, but not like his, *recoverable*, I fear.
Shakespear, Timon of Athens, iii. 4.

They promised the good people ease in the matter of protections, by which the debts from parliament men and their followers were not *recoverable.*—*Lord Clarendon, History of the Grand Rebellion.*

Recóvery. *s.*

1. Restoration from sickness.

Your hopes are regular and reasonable, though in temporal affairs; such as are deliverance from enemies, and *recovery* from sickness.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

The sweat sometimes acid, is a sign of *recovery* after acute distempers.—*Arbuthnot, On the Nature and Choice of Aliments.*

2. Power or act of regaining.

What should move me to undertake the *recovery* of this drum, being not ignorant of the impossibility?—*Shakespear, All's well that ends well*, iv. 1.

These counties were the keys of Normandy:
But wherefore weeps Warwick, my valiant son?—
For grief that they are past *recovery.*
Id., Henry VI. Part II. i. 1.

Mario Sanudo lived about the fourteenth age, a man full of zeal for the *recovery* of the Holy Land. —*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

1. Cowardly; meanspirited; subdued.

Let be that lady debonaire,
Thou *recreant* knight, and soon thyself prepare
To battle. *Spenser, Faerie Queen.*

Dost
Thou wear a lion's hide? doff it for shame,
And hang a calf's skin on those *recreant* limbs.
Shakespear, King John, iii. 1.

Here standeth Thomas Mowbray, duke of Norfolk,
On pain to be found false and *recreant*,
Id., Richard II. i. 3.

The knight, whom fate and happy chance
Shall with his friends to victory advance,
And grace his arms so far in equal fight
From out the bars to force his opposite,
Or kill, or make him *recreant* on the plain,
The prize of valour and of love shall gain.
Dryden, Palamon and Arcite, ii. 411.

2. Apostate; false.

Like a *recreant* Jew, he calls for stones.—*Milton, Apology for Smectymnuus.*

Who for so many benefits received,
Turn'd *recreant* to God, ingrate and false,
And so of all true good himself despoil'd.
Milton, Paradise Regained, iii. 137.

Recreáte. *v. a.* Create anew.

Father of heaven! . . .
Thou mad'st, and govern'st ever; come,
And *re-create* me, now grown ruinous.
Donne, Poems, p. 336.

Récreate. *v. a.* [Lat. *recreatus*, pass. part. of *recreo*, from *creo* = I create; *recreatio*, *-onis*; Fr. *récréer*.]

1. Refresh after toil; amuse or divert in weariness.

He hath left you all his walks,
And to your heirs for ever: common pleasures,
To walk abroad and *recreate* yourselves.
Shakespear, Julius Cæsar, iii. 2.

Necessity and the example of St. John, who *recreated* himself with sporting with a tame partridge, teach us, that it is lawful to relax our bow, but not suffer it to be unstrung.—*Jeremy Taylor.*

Painters, when they work on white grounds, place before them colours mixt with blue and green, to *recreate* their eyes, white wearying and paining the sight more than any.—*Dryden.*

2. Delight; gratify.

These ripe fruits *recreate* the nostrils with their aromatick scent.—*Dr. H. More, Divine Dialogues.*

He walked abroad, which he did not so much to *recreate* himself, as to obey the prescripts of his physician.—*Bishop Fell, Life of Hammond.*

3. Relieve; revive.

Take a walk to refresh yourself with the open air, which inspired fresh doth exceedingly *recreate* the lungs, heart, and vital spirits.—*Harvey, Discourse on Consumptions.*

Récreate. *v. n.* Take recreation.

They suppose the souls in purgatory have liberty to *recreate*.—*L. Addison, Account of the present State of the Jews*, p. 121.

Recreáted. *part. adj.* Created anew.

Where then are the regenerated thrones and dominions? where are the *re-created* principalities and powers?—*Bishop Pearson, Exposition of the Creed*, art. ii.

Recreátion. *s.*

1. Relief after toil or pain; amusement in sorrow or distress.

The chief *recreation* she could find in her anguish, was sometime to visit that place, where first she was so happy as to see the cause of her unhap.—*Sir P. Sidney.*

I'll visit
The chapel where they lie; and tears, shed there,
Shall be my *recreation*.
Shakespear, Winter's Tale, iii. 2.

The great men among the antients understood how to reconcile manual labour with affairs of state; and thought it no lessening to their dignity to make the one the *recreation* to the other.—*Locke, Thoughts on Education.*

2. Refreshment; amusement; diversion.

You may have the *recreation* of surprizing those with admiration, who shall hear the deaf person pronounce whatsoever they shall desire, without your seeming to guide him.—*Holder, Elements of Speech.*

Nor is that man less deceived, that thinks to maintain a constant tenure of pleasure, by a continual pursuit of sports and *recreations*: for all these things, as they refresh a man when weary, so they weary him when refreshed.—*South, Sermons.*

Récreative. *adj.* Refreshing; giving relief after labour or pain; amusing; diverting.

Let the music be *recreative*, and with some strange changes.—*Bacon, Essays, Of Masques and Triumphs.*

Let not your recreations be lavish spenders of your time; but chuse such as are healthful, *recreative*, and apt to refresh you: but at no hand dwell upon them.—*Jeremy Taylor.*

The access these trifles gain to the closets of ladies, seem to promise such easy and *recreative* experiments, which require but little time or charge.—*Boyle.*

Récrement. *s.* [Lat. *recrementum*.] Dross; spume; superfluous or useless parts.

Of all the visible creatures that God hath made, none is so pure and simple as light; it discovers all the foulness of the most earthly *recrements*, it mixeth with none of them.—*Bishop Hall, Remains*, p. 41.

The vital fire in the heart requires an ambient body of a yielding nature, to receive the superfluous serosities and other *recrements* of the blood.—*Boyle.*

Recrementítious. *adj.* Drossy.

As sensation will be the consequence of the ideal aliment to the mind, so muscular motion will be the expulsion of the *recrementitious* part of it.—*Reid, Inquiry into the human Mind.*

Recríminate. *v. n.* Return one accusation with another.

It is not my business to *recriminate*, hoping sufficiently to clear myself in this matter.—*Bishop Stillingfleet.*

How shall such hypocrites reform the state,
On whom the brothels can *recriminate*?
Tate, Translation of Juvenal, ii. 51.

Recríminate. *v. a.* Accuse in return.

Did not Joseph lie under black infamy? he scorned so much as to clear himself, or to *recriminate* the strumpet.—*South, Sermons.*

Recrimináton. *s.* Return of one accusation with another.

Publick defamation will seem disobliging enough to provoke a return, which again begets a rejoinder, and so the quarrel is carried on with mutual *recriminations*.—*Dr. H. More, Government of the Tongue.*

Occupied in that way, an august National Assembly becomes for us little other than a Sanhedrim of Pedants, . . . and its loud debatings and *recriminations* about Rights of Man, Right of Peace and War, Veto suspensif, Veto absolu, what are they but so many Pedant's-curses, 'May God confound you for your Theory of Irregular Verbs!'—*Carlyle, French Revolution*, pt. i. b. vi. ch. v.

Recríminatory. *adj.* Retorting accusation.

They [the opposition] seem to have been so entirely occupied with the defence of the French directory, so very eager in finding *recriminatory* precedents to justify every act of its intolerable insolence.—*Burke on the French Revolution*, letter iii.

Recrúdency. *s.* State of becoming sore again; relapse.

If the wound be not ripped up again, and come to a *recrudency* by new foreign succours, I think that no physician will go on much with letting blood 'in declinatione morbi.'—*Bacon, Letter to Secretary Cecil*, p. 15: 1657.

Recruít. *v. a.* [N.Fr. *recroistre*; Mod. Fr. *recroître* = grow afresh; past. part. *recrû*.]

1. Repair by new supplies anything wasted.

He was longer in *recruiting* his flesh than was usual; but by a milk diet he recovered it.—*Wiseman, Surgery.*

Increase thy care to save the sinking kind;
With greens and flow'rs *recruit* their empty hives,
And seek fresh forage to sustain their lives.
Dryden, Translation of the Georgics, iv. 363.

Her cheeks glow the brighter, *recruiting* their colour;
As flowers by sprinkling revive with fresh odour.
Granville.

This sun is set, but see in bright array
What hosts of heavenly lights *recruit* the day!
Love in a shining galaxy appears
Triumphant still. *Id.*

Seeing the variety of motion, which we find in the world is always decreasing, there is a necessity of conserving and *recruiting* it by active principles; such as are the cause of gravity, by which planets and comets keep their motions in their orbs, and bodies acquire great motion in falling.—*Sir I. Newton.*

2. Supply an army with new men.

He trusted the earl of Holland with the command of that army, with which he was to be *recruited* and assisted.—*Lord Clarendon, History of the Grand Rebellion.*

Recruít. *v. n.* Raise new soldiers.

The French have only Switzerland besides their own country to *recruit* in; and we know the difficulties they meet with in getting thence a single regiment.—*Addison.*

Recruít. *s.*

1. Supply of anything wasted: (in the extract from Pope as a substitute for something wanting).

Whatever nature has in worth deny'd,
She gives in large *recruits* of needful pride.
Pope, Essay on Criticism, ii. 205.

The endeavour to raise new men for the *recruit* of the army found opposition.—*Lord Clarendon, History of the Grand Rebellion.*

2. New soldiers.

The powers of Troy
With fresh *recruits* their youthful chief sustain:
Not theirs a raw and unexperienced train,
But a firm body of embattled men. *Dryden.*

Recruíter. *s.* One who recruits; one who supplies a company with new members.

After this he [Christopher Love] was made minister of St. Ann's church near to Aldersgate, a *recruiter* of the assembly of divines, and at length minister of the church of St. Lawrence.—*A. Wood, Fasti Oxonienses*, ii. 74, 1st ed.

Recruíting. *part. adj.* Enlisting recruits: ('The *Recruiting* Officer' is the name of a play by Farquhar; see also next entry).

Recruíting. *verbal abs.* Act of one who recruits.

'I go with you in all you say on our vile system of *recruiting*. From what I see at Netley I should say that we are now tapping the lowest strata of the population for recruits. Not above one in five of the men sent here for medical examination previous to enlistment can be accepted. The shilling of the *recruiting* serjeant appears in most cases to have been the last resource against absolute want.' This, then, is the result of our costly and utterly discreditable and indefensible system of *recruiting*.—*Times Newspaper, August*, 1868.

Rectángle. *s.* Figure having four sides, of which the opposite ones are equal, and all its angles right angles.

The mathematician considers the truth and properties belonging to a *rectangle* only as it is in idea in his own mind.—*Locke.*

Rectángle. *adj.* Having a right angle.

If all Athens should decree that in *rectangle* triangles the square, which is made of the side that subtendeth the right angle, is equal to the squares which are made of the sides containing the right angle, geometricians would not receive satisfaction without demonstration.—*Sir T. Browne, Vulgar Errours.*

Rectángular. *adj.* Right angled; having angles of ninety degrees.

Bricks moulded in their ordinary *rectangular* form, if they shall be laid one by another in a level row between any supporters sustaining the two ends, then all the pieces will necessarily sink.—*Sir H. Wotton, Elements of Architecture.*

Rectángularly. *adv.* In a rectangular manner; with right angles.

At the equator, the needle will stand *rectangularly*; but approaching northward toward the tropic, it will regard the stone obliquely.—*Sir T. Browne, Vulgar Errours.*

Réctifiable. *adj.* Capable of being set right.

The natural heat of the parts being insufficient for a perfect and thorough digestion, the errors of one concoction are not *rectifiable* by another.—*Sir T. Browne, Vulgar Errours.*

Rectificátion. *s.*

1. Act of setting right what is wrong.

To the cure of melancholy the *rectification* of air is necessarily required.—*Burton, Anatomy of Melancholy*, p. 257.

It behoved the Deity to renew that revelation from time to time, and to rectify abuses with such authority for the renewal and *rectification*, as was sufficient evidence of the truth of what was revealed.—*Forbes.*

2. In *Chemistry*. Drawing anything over again by distillation, to make it yet higher or finer.

At the first *rectification* of some spirit of salt in a retort, a single pound afforded no less than six ounces of phlegm.—*Boyle.*

Réctified. *part. adj.* Improved by redistillation.

The skin hath been kept white and smooth for above fifteen years, by being included with *rectified* spirit of wine in a cylindrical glass.—*Grew, Museum.*

Réctifier. *s.* One who rectifies.

1. One who sets right what is wrong.

I fly for justice and relief into the hands of that great *rectifier* of saddles, and lover of mankind, Dr. B.—*Swift, Tale of a Tub*, § 10.

2. One employed in the process of rectifying by distillation.

One Casper von Roen is understood to have passed the whole Heldenbuch through his alembic in the fifteenth century; but, like other *rectifiers*, instead of purifying it, to have drugged it only with fiercer ingredients to suit the sick appetite of the time.—*Carlyle, Critical and Miscellaneous Essays, The Nibelungen Lied.*

3. Instrument that shows the variation of the compass, in order to rectify the course of a ship.

Réctify. *v. a.*

1. Make right; reform; redress.

That wherein unsounder times have done amiss, the better ages ensuing must *rectify* as they may.—*Hooker, Ecclesiastical Polity.*

It shall be bootless
That longer you defer the court, as well
For your own quiet, as to *rectify*
What is unsettled in the king.
Shakespear, Henry VIII. ii. 4.

Where a long course of piety has purged the heart and *rectified* the will, knowledge will break in upon such a soul, like the sun shining in his full might.—*South, Sermons.*

If those men of parts, who have been employed in vitiating the age, had endeavoured to *rectify* and amend it, they needed not have sacrificed their good sense to their fame.—*Addison.*

2. Exalt and improve by repeated distillation.

Rectilínear. *adj.* Consisting of, constituted by, right lines.

This image was oblong and not oval, but terminated with two *rectilinear* and parallel sides and two semicircular ends.—*Sir I. Newton, On Opticks.*

The rays of light, whether they be very small bodies projected, or only motion and force propagated, are moved in right lines; and whenever a ray of light is by any obstacle turned out of its *rectilinear* way, it will never return into the same *rectilinear* way, unless perhaps by very great accident.—*Ibid.*

Rectilíneous. *adj.* Same as preceding.

There are only three *rectilineous* and ordinate figures, which can serve to this purpose; and inordinate or unlike ones must have been not only less elegant, but unequal.—*Ray.*

Réctitude. *s.* [Fr.; Lat. *rectitudo*, from *rectus* = right.]

1. Straightness; not curvity.

2. Rightness; uprightness; freedom from moral curvity or obliquity.

Faith and repentance, together with the *rectitude* of their present engagement, would fully prepare them for a better life.—*Eikon Basilike.*

Calm the disorders of thy mind, by reflecting on the wisdom, equity, and absolute *rectitude* of all his proceedings.—*Bishop Atterbury.*

3. Right judgment; due deliberation and decision.

They perceive a result, but they think little of the multitude of concurrences and *rectitudes* which go to form it.—*Paley, Natural Theology*, ch. ix. § 6.

As the agreement in a scientific opinion among competent judges widens its area, the chances of *rectitude* increase, and the chances of error diminish, in a perpetually accelerated ratio.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. iii.

Réctor. *s.* [Fr. *recteur*; Lat. *rector*.]

1. Ruler; lord; governor.

God is the supreme *rector* of the world, and of all those subordinate parts thereof.—*Sir M. Hale, Origination of Mankind.*

When a *rector* of an university of scholars is chosen by the corporation or university, the election ought to be confirmed by the superior of such university.—*Ayliffe, Parergon Juris Canonici.*

2. Parson of an unimpropriated parish.

A parson is one that hath full possession of all the rights of a parochial church.... He is sometimes called the *rector*, or governor, of the church.—*Sir W. Blackstone, Commentaries on the Laws of England.*

Réctoress. *s.* Rector's wife. *Rare.*

In this way the worthy *rectoress* consoled herself.—*Thackeray, Vanity Fair.*

Rectórial. *adj.* Belonging to the rector of a parish.

Wood is in some countries a *rectorial*, and in some a vicarial tithe.—*Sir W. Blackstone, Commentaries on the Laws of England.*

Réctorship. *s.* Rank or office of rector.

Had your bodies
No heart among you? or had you tongues to cry
Against the *rectorship* of judgement?
Shakespear, Coriolanus, ii. 3.

Réctory. *s.* See extract.

A *rectory* or parsonage is a spiritual living, composed of land, tithe and other oblations of the people, separate or dedicate to God in any congregation for the service of his church there, and for the maintenance of the governour or minister thereof, to whose charge the same is committed.—*Sir H. Spelman.*

Réctress. *s.* Female ruler. *Rare.*

Great mother Fortune, queen of human state,
Rectress of action, arbitress of fate,
To whom all sway, all power, all empire bows,
Be present and propitious to our vows!
B. Jonson, Sejanus.

Réctrix. *s.*

1. Rectress, of which it is the Latin form. *Rare; not naturalised.*

A late queen *rectrix* prudently commanded, &c.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia.*

2. In *Ornithology* (plural, *rectrices*). Chief feathers in the tails of birds, which act as rudders in regulating the direction of their flight.

Recubátion. *s.* [Lat., from *cumbo* = I lie down; pret. *cubui*.] Act of lying or leaning.

Whereas our translation renders it sitting, it cannot have that illation, for the French and Italian translations express neither position of session or *recubation*.—*Sir T. Browne.*

Recúle. *v. n.* [Fr. *reculer*.] Recoil, of which it is the older form.

When Hector and the Trojans would have set fire on the Greek ships, Teucer with his bow made them *recule* back again.—*Ascham, Toxophilus.*

[They] forced them, however strong and stout
They were, as well approved in many a doubt,
Back to *recule*. *Spenser, Faerie Queen*, v. 11, 47.

Recúmb. *v. n.* [Lat. *recumbo*.] Lean; repose.

The king makes an overture of pardon and favour unto you, upon condition that any one of you will *recumb*, rest, lean upon, or roll himself upon the person of his son.—*Barrow, Exposition of the Creed*, serm. iv.

What shall we think of the loud and repeated cries... of a faith justifying the most hardened sinners in a moment, in the twinkling of an eye? Of a faith which so justifies, that the justified can fall no more? Of a faith which consists in lolling, rolling, and *recumbing* on Christ?—*Allen, No Acceptance with God by Faith only*, p. 23: 1761.

Recúmbence. *s.* Act of reposing, or resting in confidence.

Instead of this πληροφορία, some of our divines bring in a *recumbence* or reliance upon Christ for justification and salvation, which is not exposed to the former dilemma, and may stand for justifying faith, if it may properly be called faith at all; whereof there may be some doubt.—*Lord North, Light to Paradise*, p. 54: 1682.

Recúmbency. *s.*

1. Posture of lying or leaning.

In that memorable shew of Germanicus, twelve elephants danced unto the sound of musick, and after laid them down in tricliniums, or places of festival *recumbency*.—*Sir T. Browne.*

But relaxation of the languid frame,
By soft *recumbency* of outstretch'd limbs,
Was bliss reserved for happier days.
Cowper, Task, The Sofa.

We know, again, that long-continued *recumbency*, even with wakefulness (providing the wakefulness is not the result of disorder), is followed by a certain renewal of strength; though a renewal less than that which would have followed the greater inactivity of slumber.—*Herbert Spencer, Inductions of Biology.*

2. Rest; repose.

When the mind has been once habituated to this lazy *recumbency* and satisfaction on the obvious surface of things, it is in danger to rest satisfied there.—*Locke.*

Recúmbent. *adj.* [Lat. *recumbens, -entis*.]

1. Lying; leaning.

The Roman *recumbent*, or more properly accumbent, posture in eating was introduced after the first Punick war.—*Arbuthnot.*

Aloft *recumbent* o'er the hanging ridge
The brown woods waved, while ever-trickling springs
Wash'd from the naked roots of oak and pine
The crumbling soil.
Akenside, Pleasures of Imagination, b. ii.

2. Reposing; inactive; listless.

Shall Heaven, which gave us ardour, and has shewn
Her own for man so strongly, not disdain
What smooth emollients in theology,
Recumbent virtue's downy doctors preach?
Young, Night Thoughts, night iv.

Recuperátion. *s.* [Lat. *recuperatio, -onis*.] Recovery of a thing lost.

The reproduction or *recuperation* of the same thing that was before.—*Dr. H. More, Mystery of Godliness*, p. 225: 1660.

Recúr. *v. n.* [Lat. *recurro*; Fr. *recourir*.]

1. Come back to the thought; revive in the mind.

The idea I have once had will be unchangeably the same, as long as it *recurs* the same in my memory.—*Locke.*

In this life the thoughts of God and a future state often offer themselves to us; they often spring up in our minds, and, when expelled, *recur* again.—*Calamy.*

A line of the golden verses of the Pythagoreans *recurring* on the memory, hath often guarded youth from a temptation to vice.—*Watts.*

When any word has been used to signify an idea, that old idea will *recur* in the mind when the word is heard.—*Id.*

2. Have recourse to; take refuge in.

If to avoid succession in eternal existence, they *recur* to the punctum stans of the schools, they will thereby very little help us to a more positive idea of infinite duration.—*Locke.*

The second cause we know, but trouble not ourselves to *recur* to the first.—*Archbishop Wake's Preparation for Death.*

Recúre. *v. a.*

1. Recover; regain.

You shall *recure* my right.
Spenser, Faerie Queen.

2. Recover from sickness or labour; find a remedy or cure for.

Pleaseth you ponder your suppliant's plaint,
Caused of wrong and cruel constraint,
Which I your poor vassal daily endure;
And but your goodness the same *recure*,
Am like for desperate doole to die.
Spenser, Shepherd's Calendar.

Through wise handling and fair governance,
I him *recured* to a better will,
Purged from drugs of foul intemperance. *Ibid.*

This noble isle doth want her proper limbs;
Her face defaced with scars of infamy:...
Which to *recure* we heartily solicit
Your gracious self to take on you the charge
And kingly government of this your land.
Shakespear, Richard III. iii. 7.

These my observations, and collections in my reading, accept, gentle reader; and the slips pass over with a gentle eye, as slips of youth; which more mature years may *recure*, if God prosper and second.—*Lightfoot, Miscellanies*, p. 203: 1629.

Thy death's wound
Which he who comes thy Saviour shall *recure*,
Not by destroying Satan, but his works
In thee and in thy seed.
Milton, Paradise Lost, xii. 392.

Recúre. *s.* Recovery; remedy.

Pale malady was placed
Sore sick in bed, her colour all forgone;...
Her breath corrupt; her keepers every one
Abhorring her; her sickness past *recure*.
Sackville, Mirrour for Magistrates, induction.

Whatsoever fell into the enemies' hands, was lost without *recure*: the old men were slain, the young men led away into captivity.—*Knolles, History of the Turks.*

Recúreless. *adj.* Incapable of remedy. *Rare.*

Whether ill tendment, or *recureless* pain,
Procure his death; the neighbours all complain,
The unskilful leech murder'd his patient
By poison of some foul ingredient!
Bishop Hall, Satires, ii. 4.

Recúrrence. *s.* Return (often periodical).

Although the opinion at present be well suppressed, yet, from some strings of tradition and fruitful *recurrence* of error, it may revive in the next generation.—*Sir T. Browne, Vulgar Errours.*

Recúrrent. *adj.* [Lat. *recurrens, -entis*, pres. part. of *recurro* = I run back; pass. part. *recursus*.]

1. Returning from time to time.

Next to lingering durable pains, short intermittent or swift *recurrent* pains precipitate patients unto consumptions.—*Harvey.*

2. Returning in place: (as, 'the *recurrent* nerve,' in *Anatomy*).

Recúrsion. *s.* Return.

One of the assistants told the *recursions* of the other pendulum hanging in the free air.—*Boyle.*

Recúrvate. *v. a.* [Lat. *recurvatus*.] Bend back.

Recúrvated. *part. adj.* Bent back.

The upper mandible of the saury is slightly *recurvated*.—*Pennant.*

Recurvátion. *s.* Flexure backwards.

Ascending first into a capsulary reception of the breast bone by a serpentine *recurvation*, it ascendeth again into the neck.—*Sir T. Browne, Vulgar Errours.*

Recúrvous. *adj.* [Lat. *recurvus.*] Bent backward.

I have not observed tails in all; but in others I have observed long *recurvous* tails, longer than their bodies.—*Derham.*

Recúsancy. *s.* Tenets of a recusant; nonconformity.

The penalty or sanction for *recusancy* was not loss of life or limb, or whole state, but only a pecuniary mulct and penalty; and that also, until they would submit and conform themselves.—*Sir E. Coke, Proceedings against Garnett*, H. 2, b.: 1606.

The penalties of *recusancy* were particularly hard upon women, who, as I have observed in another place, adhered longer to the old religion than the other sex; and still more so upon those who had to pay for their scruples. It was proposed in parliament, but with the usual fate of humane suggestions, that husbands going to church should not be liable for their wives' *recusancy*. But they had the alternative afterwards of letting their wives lie in prison or paying 10*l.* a month.—*Hallam, Constitutional History of England*, ch. vii. note.

The banishments and contact with Geneva under Queen Mary; the papal bulls which engendered *recusancy* under Queen Elizabeth; the association of Puritanism in the seventeenth century with the movement in favour of popular freedom; the political influences of the Revolution of 1688.—*Gladstone, The State in its Relations with the Church*, ch. vii.

Recúsant. *s.* [Lat. *recusans, -antis*, pres. part. of *recuso* = refuse, reject.] One who refuses to acknowledge the king's supremacy in matters of religion; non-conformist; one who refuses any terms of communion or society.

But sith our Church him disciplined so sore,
He, rank *recusant*, comes to church no more.
Sir J. Davies, Wit's Bedlam: 1615.

Were all corners ransacked, what a multitude of *recusants* should we find upon a far differing account from that of conscience!—*Dr. H. More, Decay of Christian Piety.*

The catholics were disappointed by an act inflicting new penalties on *recusants*, and especially debarring them from educating their children according to their consciences.—*Hallam, Constitutional History of England*, ch. vii.

Recúsant. *adj.* Refusing to conform; refusing to take certain oaths.

They demand of the lords, that no *recusant* lord might have a vote in passing that act.—*Lord Clarendon, History of the Grand Rebellion.*

Recusátion. *s.* In *Law.* Act of requiring a judge not to try a cause in which he is supposed to be personally interested.

Recúsative. *adj.* Opposed; refusing.

The act of the will produces material and permanent events; it is acquisitive and effective or *recusative* and destructive, otherwise than it is in any other faculties.—*Jeremy Taylor, Ductor Dubitantium*, ii. 442. (Ord MS.)

Recúse. *v. a.* [Fr. *récuser*; Lat. *recuso.*] Refuse.

The humility, as well of understanding as manners of the fathers, will not let them be troubled, when they are *recused* as judges.—*Sir K. Digby.*

A judge may proceed notwithstanding my appeal, unless I *recuse* him as a suspected judge.—*Ayliffe, Parergon Juris Canonici.*

Red. *adj.* [A.S. *rǽd.*] Having the colour of blood, of one of the primitive colours, which is subdivided into many; as scarlet, vermilion, crimson.

His eyes shall be *red* with wine, and his teeth white with milk.—*Genesis*, xlix. 12.

Look I so pale?—
Ay, and no man in the presence,
But his *red* colour hath forsook his cheeks.
Shakespear, Richard III. ii. 1.

Bring me the fairest creature northward born,
To prove whose blood is *reddest.*
Id., Merchant of Venice, ii. 1.

His eyes dart forth *red* flames which scare the night,
And with worse fires the trembling ghosts affright.
Cowley.

The thunder,
Wing'd with *red* lightning and impetuous rage,
Perhaps hath spent his shaft, and ceases now
To bellow through the vast and boundless deep.
Milton, Paradise Lost, i. 174.

The angelick squadron bright
Turn'd fiery *red.* *Ibid.* iv. 977.

If *red* lead and white paper be placed in the *red* light of the coloured spectrum, made in a dark chamber by the refraction of a prism, the paper will appear more lucid than the *red* lead, and therefore reflects the *red*-making rays more copiously than *red* lead doth.—*Sir I. Newton, On Opticks.*

Red. *s.* Red colour.

The sixth *red* was at first of a very fair and lively scarlet, and soon after of a brighter colour, being very pure and brisk, and the best of all the *reds.*—*Sir I. Newton, On Opticks.*

The George and garter dangling from that bed,
Where tawdry yellow strove with dirty *red.*
Pope, Moral Essays, iii. 303.

Redáct. *v. a.* [Lat. *redactus*, pass. part. of *redago* = I bring back; *redactio, -onis.*] Force; reduce or shape into form. *Obsolete.*

He cursed Petrarch for *redacting* verses into sonnets; which, he said, was like that tyrant's bed, where some who were too short were racked, and others too long cut short.—*Drummond, Conversations of B. Jonson.*

Plants they had, but metals whereby they might make use of those plants, and *redact* them into any form for instruments of work, were yet, till Tubal-Cain, to seek.—*Bishop Hall, Sermon on Man.*

Redáctor. *s.* [Lat.; Fr. *rédacteur.*] One who puts anything into shape.

The primeval Mythus, were it at first philosophical truth, or were it historical incident, floats too vaguely on the breath of men; each successive singer and *redactor* furnishes it with new personages, new scenery, to please a new audience; each has the privilege of inventing and the far wider privilege of borrowing and new modelling from all that have preceded him.—*Carlyle, Critical and Miscellaneous Essays, The Nibelungen Lied.*

Redán. *s.* [Fr.] Fortification with two faces, forming a salient angle.

Redárgue. *v. a.* [Fr. *rédarguer*; Lat. *redarguo.*] Refute; convict.

The last wittily *redargues* the pretended finding of coin, graved with the image of Augustus Cæsar, in the American mines.—*Hakewill, Apology.*

Whosoever he is, that mourns merely upon the account of the party deceased, doth necessarily *redargue* himself of unbelief.—*Smith, Portrait of Old Age*, p. 200.

Redargútion. *s.* Refutation. *Obsolete.*

My purpose is at this time to note only omissions and deficiencies, and not to make any *redargution* of errors.—*Bacon, Advancement of Learning*, b. ii.

A *redargution* and check to impudent and daring inquirers.—*Bishop Rust, Discovery of Truth*, § 16.

Rédbreast. *s.* Native bird of the genus Rubecula; so called from the colour of its breast; Robin; Robin-redbreast; ruddock.

No burial this pretty babe
Of any man receives,
But robin *redbreast* painfully
Did cover him with leaves.
Old Ballad, The Children in the Wood.

The *redbreast*, sacred to the household gods . . .
In joyless fields and thorny thickets leaves
His shivering mates, and pays to trusted man
His annual visit. *Thomson, Seasons, Winter.*

Rédcoat. *s.* Name of contempt for a soldier.

The fearful passenger, who travels late,
Charged with the carriage of a paltry plate,
Shakes at the moonshine shadow of a rush,
And sees a *redcoat* rise from every bush.
Dryden, Translation of Juvenal, x. 29.

If the capitalists will give up their *redcoats*, I would be a moral force man to-morrow.—*B. Disraeli, Sybil*, b. vi. ch. iii.

Rédden. *v. a.* Make red.

In a heav'n serene, refulgent arms appear,
Redd'ning the skies, and glitt'ring all around,
The temper'd metals clash.
Dryden, Translation of the Æneid.

Rédden. *v. n.* Grow, blush, become, turn red.

With shame they *redden'd*, and with spite grew pale. *Dryden, Translation of Juvenal.*

Turn upon the ladies in the pit,
And if they *redden*, you are sure 'tis wit. *Addison.*

For me the balm shall bleed, and amber flow,
The coral *redden*, and the ruby glow.
Pope, Windsor Forest.

Appius *reddens* at each word you speak,
And stares, tremendous, with a threat'ning eye,
Like some fierce tyrant in old tapestry.
Id., Essay on Criticism.

Réddening. *part. adj.* Becoming red.

The poor inhabitant beholds in vain
The *redd'ning* orange and the swelling grain.
Addison, Letter to Lord Halifax from Italy.

Réddish. *adj.* Somewhat red.

A bright spot, white, and somewhat *reddish.*—*Leviticus*, xiii. 19.

Réddishness. *s.* Attribute suggested by Reddish; redness.

Two parts of copper, and one of tin, by fusion brought into one mass, the whiteness of the tin is more conspicuous than the *reddishness* of the copper.—*Boyle.*

Reddítion. *s.* [Fr. from Lat. *reddo* = I give back; with two *d*'s, from *do* = I give, as opposed to Redition.]

1. Restitution.

She [Ireland] is reduced to a perfect obedience, . . . partly by voluntary *reddition* and desire of protection, and partly by conquest.—*Howell, Vocall Forrest.*

2. Explanation; representation.

This hipshot grammarian cannot set [it] into right frame of construction, neither here in the similitude, nor in the following *reddition* thereof.—*Milton, Apology for Smectymnuus*, § 4.

In most interpreters you have, in this place, a deficiency in the *reddition* of the sense.—*Knatchbull, Translation of Annotations on the New Testament*, p. 159.

Réddítive. *adj.* [Lat. *redditivus.*] Answering to an interrogative.

Conjunctions discretive, *redditive*, conditional, . . . are more elegantly used.—*Instructions for Oratory.* p. 20: Oxford, 1682.

Réddle. *s.* See extract: (*raddle* and *ruddle* are common forms).

Reddle is an earth of the metal kind, of a tolerably close and even texture: its surface is smooth and somewhat glossy, and it is soft and unctuous to the touch, staining the fingers very much: in England we have the finest in the world.—*Sir J. Hill, Materia Medica.*

Rede. *s.* [A.S. *rǽd.*] Counsel; advice.

Such mercy He, by his most holy *reede*,
Unto us taught. *Spenser, Hymn of Heavenly Love.*

Rede. *v. a.*

1. Advise.

This is the wandering wood, this Errour's den,
A monster vile, whom God and man does hate,
Therefore I *rede* beware.
Spenser, Faerie Queen, i. 1, 13.

2. Explain; interpret: (chiefly used with *riddle*).

Come *read* me my riddle, come list to my tale,
And tell me the craft of bold Allan-a-Dale.
Sir W. Scott, Rokeby.

Her mother Ute, to whom she relates the vision, soon *redes* it for her.—*Carlyle, Critical and Miscellaneous Essays, The Nibelungen Lied.*

Redeém. *v. a.* [Lat. *redimo* = buy back; from *emo* = I buy; pass. part. *redemptus*; *redemptio, -onis.*]

1. Ransom; relieve from forfeiture or captivity by paying a price.

The kinsman said, I cannot *redeem* it for myself, lest I mar mine inheritance.—*Ruth*, iv. 6.

2. Rescue; recover.

Redeem Israel, O God, out of all his troubles.—*Psalms*, xxv. 22.

If, when I am laid into the tomb,
I wake before the time that Romeo
Comes to *redeem* me, there's a fearful point.
Shakespear, Romeo and Juliet, iv. 3.

Thy father
Levied an army, weeping to *redeem*
And reinstal me in the diadem.
Id., Henry VI. Part I. ii. 5.

Redeem from this reproach my wand'ring ghost.
Dryden, Translation of the Æneid, vi. 498.

3. Recompense; compensate; make amends for.

Waywardly proud; and therefore bold, because extremely faulty; and yet having no good thing to *redeem* these.—*Sir P. Sidney.*

This feather stirs, she lives; if it be so,
It is a chance which does *redeem* all sorrows
That ever I have felt. *Shakespear, King Lear*, v. 3.

Having committed a fault, he became the more obsequious and pliant to *redeem* it.—*Sir H. Wotton.*

Think it not hard, if at so cheap a rate
You can secure the constancy of fate,
Whose kindness sent what does your malice seem
By lesser ills the greater to *redeem.* *Dryden.*

4. Free by paying an atonement.

Thou hast one daughter,
Who *redeems* nature from the general curse,
Which twain have brought her to.
Shakespear, King Lear, iv. 6.

5. Pay the penalty of.

Which of you will be mortal to *redeem*
Man's mortal crime? *Milton, Paradise Lost*, iii. 214.

6. Perform the work of universal redemption; confer the inestimable benefit of reconciliation to God.

Christ hath *redeemed* us from the curse of the law.—*Galatians*, iii. 13.

A rent-charge on the whole lands, *redeemable* on the crown's paying twenty thousand pounds.—*Bishop Berkeley, Letters*: 1726.

Redeémer. *s.* One who redeems.

1. Ransomer.

She inflamed him so,
That he would algates with Pyrocles fight,
And his *redeemer* challenged for his foe,
Because he had not well maintain'd his right.
Spenser.

2. The Saviour of the world.

I every day expect an embassage
From my *Redeemer* to redeem me hence;
And now in peace my soul shall part to heaven.
Shakespear, Richard III. ii. 1.

Man's friend, his mediator, his design'd
Both ransom and *Redeemer* voluntary.
Milton, Paradise Lost. x. 60.

When saw we thee any way distressed, and relieved thee? will be the question of those to whom heaven itself will be at the last day awarded, as having ministered to their *Redeemer.—Boyle.*

Redeémless. *adj.* Incapable of redemption.

The duke, the hermit, Lodowick, and myselfe,
Will change his pleasures into wretched and
Redeemless misery. *Tragedy of Hoffman*: 1631.
(Nares by H. and W.)

Redelíver. *v. a.*

1. Deliver back; return to the sender.

I have remembrances of yours,
That I have longed long to *redeliver.*
Shakespear, Hamlet, iii. 1.

Instruments judicially exhibited are not of the acts of courts; and therefore may be *redelivered*, on the demand of the person that exhibited them.—*Ayliffe, Parergon Juris Canonici.*

2. Deliver a second time; return to the same person.

Redelívery. *s.* Act of delivering back.

Did ye not take one another upon the terms of *redelivery*, when you should be called for?—*Bishop Hall, Balm of Gilead.*

They did at last procure a sentence for the *redelivery* of what had been taken from them.—*Lord Clarendon, Life,* iii. 546.

Redemánd. *v. a.* Demand back.

Threescore attacked the place where they were kept in custody, and rescued them: the duke *redemands* his prisoners, but receiving excuses, resolved to do himself justice.—*Addison.*

Redémption. *s.* [Fr.; Lat. *redémptio.*]

1. Ransom; release.

Utter darkness his place,
Ordain'd without *redemption*, without end.
Milton, Paradise Lost, v. 614.

2. Purchase of God's favour by the death of Christ.

I charge you, as you hope to have *redemption*,
That you depart, and lay no hands on me.
Shakespear, Richard III. i. 4.

The Saviour Son be glorified,
Who for lost man's *redemption* died.
Dryden, Veni Creator Spiritus.

The salvation of our souls may be advanced, by firmly believing the mysteries of our *redemption*; and by imitating the example of those primitive patterns of piety.—*Nelson.*

Redémptionary. *s.* ? In the extract, one who gives his services in return for his passage.

None other than such as have adventured in the first voyage, or shall become adventurers, in this supply, at any time hereafter, are to be admitted in the said society but as *redemptionaries*, which will be very chargeable.—*Hackluyt, Voyages,* vol. iii. p. 176. (Rich.)

Redémptory. *adj.* Paid for ransom.

Omega sings the exequies,
And Hector's *redemptory* price.
Chapman, Translation of the Iliad.

Redemptúre. *s.* Redeemer; source of redemption.

And thou most mylde mother, and vyrgyn most pure,
That barest sweet Jesus the world's *redempture*;
That shinest and floryshest as flowre moost sure.
Fabyan, A. D. 1326. (Rich.)

Redescénd. *v. n.* Descend again.

To thee, sweet spirit, I return
That love wherewith my heart doth burn;
And these bless'd notions of my brain
I now breathe up to thee again:
O, let them *redescend*, and still
My soul with holy raptures fill!
Howell, Letters, iv. 52.

Rédeye. *s.* In *Icthyology.* Rudd.

The species belonging to the second division of the genus Leuciscus of Klein have the dorsal fin placed so far behind the line of the ventrals as to bring it over the space between the ventral and anal fins. To this second division belong four British species, the largest of which, the *rudd*, or *redeye*, is a very common fish in Europe, as well as in various localities in this country.—*Yarrell, History of British Fishes.*

Rédgum. *s.* [A.S. *gund* = matter, corruption, pus.] Disease of children newly born: (*etymologically*, without any connection with the teeth or gums).

Rédhot. *adj.* Heated to redness.

Iron *redhot* burneth and consumeth not.—*Bacon.*

Is not fire a body heated so hot as to emit light copiously? for what else is a *redhot* iron than fire? and what else is a burning coal than *redhot* wood? —*Sir I. Newton, On Opticks.*

The *redhot* metal hisses in the lake. *Pope.*

Redíntegrate. *v. a.* Restore; make new.

Redintegrate the fame, first, of your house.
B. Jonson, Magnetick Lady.

The same relation is an excellent security to *redintegrate* and to call that love back, which folly and trifling accidents would disturb.—*Jeremy Taylor, Sermons, The Marriage Ring.*

Redíntegrate. *adj.* Restored; renewed; made new.

Charles VIII. received the kingdom of France in flourishing estate, being *redintegrate* in those principal members, which anciently had been portions of the crown, and were after dissevered: so as they remained only in homage, and not in sovereignty.—*Bacon, History of the Reign of Henry VII.*

Redintegrátion. *s.*

1. Renovation; restoration.

They kept the feast indeed, but with the leaven of malice, and absurdly commemorated the *redintegration* of his natural body, by mutilating and dividing his mystical.—*Dr. H. More, Decay of Christian Piety.*

2. In *Chemistry.* See extracts.

Redintegration chymists call the restoring any mixed body or matter, whose form has been destroyed, to its former nature and constitution. —*Quincy.*

He but prescribes as a bare chymical purification of nitre, what I teach as a philosophical *redintegration* of it.—*Boyle.*

Redisboúrse. *v. a.* Repay.

Then backe againe,
His borrow'd waters forst to *redisbourse*,
He sends the sea his own with double gaine.
Spenser, Faerie Queen, iv. 3, 27.

Redispóse. *v. a.* Adjust or dispose anew.

It hath been shewn that spirit hath no parts; and therefore it stands in need of no reparation, or *redisposing* its parts, as the body doth.—*A. Baxter, On the Soul,* i. 339.

Redistríbute. *v. a.* Distribute, deal out, or apportion afresh.

This was settled by *redistributing* the tickets.—*Theodore Hook, Gilbert Gurney.*

Redítion. *s.* [Lat. *reditio, -onis*; with one *d*, from *re* + *eo* = I go, as opposed to Reddition.] Return.

Address suite to my mother; that her meane
May make the day of your *reditions* seene.
Chapman, Translation of the Odyssey, b. vi.
(Rich.)

Redivíved. *adj.* [Lat. *redivivus*; *vivus* = alive.] Made to live again. *Rare.*

I had rather spend my time and breath in exhorting all good christians to keep close to their old tenets, or to beware of all either new-devised or *redivived* errours of opinion.—*Bishop Hall, Revelation Unrevealed,* s. 31. (Rich.)

Rédness. *s.* Attribute suggested by Red.

There was a pretty *redness* in his lips.
Shakespear, As you like it, iii. 5.

In the Red Sea most apprehend a material *redness*, from whence they derive its common denomination.—*Sir T. Browne.*

We have all the *redolence* of the perfumes we burn upon his altars.—*Boyle.*

Rédolency. *s.* Redolence.

Their flowers attract spiders with their *redolency.* —*Mortimer, Husbandry.*

Rédolent. *adj.* [Lat. *redolens, -entis*, pres. part. of *redoleo* (*oleo* = I smell) = I emit a scent.] Sweet of scent.

Alas, this flourishing flouré will fade, this *redolent* rose will be gone.—*Bale, Acts of English Votaries,* b. i. fol. 90.

Thy love excels the joys of wine;
Thy odours, O how *redolent!* *Sandys.*

Redoúble. *v. a.* [Fr. *redoubler.*]

1. Repeat in return.

So ended she; and all the rest around
To her *redoubled* that her undersong. *Spenser.*

2. Repeat often.

They were
As cannons overcharged with double cracks,
So they *redoubled* strokes upon the foe.
Shakespear, Macbeth, i. 2.

3. Increase by the addition of the same quantity over and over.

Mimas and Parnassus sweat,
And Ætna rages with *redoubled* heat.
Addison, Translation from Ovid, Story of Phaeton.

Redoúble. *v. n.* Become double, or twice as much.

If we consider that our whole eternity is to take its colour from those hours which we here employ in virtue or vice, the argument *redoubles* upon us, for putting in practice this method of passing away our time.—*Addison, Spectator.*

Redoúbt. *s.* [Fr. *redoute.*] Outwork of a fortification; fortress.

Every great ship is as an impregnable fort, and our safe and commodious ports are as *redoubts* to secure them.—*Bacon.*

Redoúbtable. *adj.* [Fr.] Formidable; terrible to foes.

The enterprising Mr. Lintot, the *redoubtable* rival of Mr. Tonson, overtook me.—*Pope.*

Redoúbted. *adj.* [Fr. *redouté.*] Dread; awful; formidable.

His kingdom's seat Cleopolis is read,
There to obtain some such *redoubted* knight,
That parents dear from tyrant's power deliver might.
Spenser, Faerie Queen.

So far be mine, my most *redoubted* lord,
As my true service shall deserve your love.
Shakespear, Richard II. iii 3.

Redoúnd. *v. n.* [Lat. *redundo.*]

1. Be sent back by reaction.

The evil, soon
Driv'n back, *redounded* as a flood on those
From whom it sprung.
Milton, Paradise Lost, vii. 56.

Nor hope to be myself less miserable
By what I seek, but others to make such
As I, though thereby worse to me *redound.*
Ibid. ix. 126.

2. Conduce in the consequence.

As the care of our national commerce *redounds* more to the riches and prosperity of the publick, than any other act of government, the state of it should be marked out in every particular reign with greater distinction.—*Addison.*

He had drawn many observations together, which very much *redound* to the honour of this prince.— *Id.*

The honour done to our religion ultimately *redounds* to God, the author of it.—*Rogers, Sermons.*

3. Proceed in the consequence.

As both these monsters will devour great quantities of paper, there will no small use *redound* from them to that manufacture.—*Addison, Guardian.*

Rédpoll. *s.* Native song-bird, with some red feathers on the head, of the genus Linota (canescens, linaria).

The mealy *redpole* . . . has been considered to be merely a larger variety of the lesser *redpole*. . . . The lesser, or more common *redpole*, is the smallest of the British linnets.—*Yarrell, History of British Birds.*

Redréss. *v. a.* [Fr. *redresser.*]

1. Set right; amend.

In yonder spring of roses, intermix'd
With myrtle, find what to *redress* till noon.
Milton, Paradise Lost, ix. 218.

2. Relieve; remedy; ease: (sometimes used of *persons*, but more properly of *things*).

She felt with me what I felt of my captivity, and streight laboured to *redress* my pain, which was her pain.—*Sir P. Sidney.*

'Tis thine, O king! the afflicted to *redress.*
Dryden, Palamon and Arcite, i. 59.

Lighter affronts and injuries Christ commands us not to *redress* by law, but to bear with patience.— *Kettlewell.*

In countries of freedom, princes are bound to protect their subjects in liberty, property, and religion, to receive their petitions, and *redress* their grievances.—*Swift.*

Redréss. *s.*

1. Reformation; amendment.

To seek reformation of evil laws is commendable, but for us the more necessary is a speedy *redress* of ourselves.—*Hooker, Ecclesiastical Polity.*

2. Relief; remedy.

No humble suitors press to speak for right;
No, not a man comes for *redress* to thee.
Shakespear, Henry VI. Part III. iii. 1.

Such people as break the law of nations, all nations are interested to suppress, considering that the particular states, being the delinquents, can give no *redress.—Bacon.*

Griefs . . . finding no *redress*, ferment and rage,
Nor less than wounds immedicable
Rankle, and fester, and gangrene
To black mortification.
Milton, Samson Agonistes, 618.

A few may complain without reason; but there is occasion for *redress* when the cry is universal.—*Sir W. Davenant.*

3. One who gives relief.

Fair majesty, the refuge and *redress*
Of those whom fate pursues, and wants oppress.
Dryden, Translation of the Æneid, i. 838.

Redrésser. *s.* One who redresses a wrong; one who affords relief.

Don Quixote of the Mancha, the righter of wrongs, the *redresser* of injuries.—*Shelton, Translation of Don Quixote*, iv. 25.

Redseár. *v. n.* See extract.

If iron be too cold, it will not feel the weight of the hammer, when it will not batter under the hammer; and if it be too hot, it will *redsear*, that is, break or crack under the hammer.—*Moxon, Mechanical Exercises.*

Rédshank. *s.*

1. Contemptuous appellation for some of the people of Scotland; nickname given to the highlanders, according to Dr. Jamieson, on account of their bare legs.

He sent over his brother Edward with a power of Scots and *redshanks* unto Ireland, where they got footing.—*Spenser.*

By their actions we might rather judge them to be a generation of highland thieves and *redshanks.*—*Milton, Observations on the Articles of Peace between the Earl of Ormond and the Irish.*

2. In *Ornithology.* Native bird of the genus Totanus (species, calidris, fusca, and bartramia; the last two rare).

Redshanks are not uncommon in Cornwall, Devonshire, and Dorsetshire. They still frequent Romney Marsh. . . . The *redshank* is found, as might be expected, in Lincolnshire.—*Yarrell, History of British Birds.*

Rédstart. *s.* [*start* = tail.] In *Ornithology.* Native bird of the genus Phœnicurus (ruticilla and tithys; the latter rare).

The *redstart* is a summer visitor that comes to this country from the South.—*Yarrell, History of British Birds.*

Rédstreak. *s.*

1. Kind of apple.

Let every tree in every orchard own
The *redstreak* as supreme. *J. Philips, Cyder*, i. 524.

The *redstreak*, of all cyder fruit, hath obtained the preference, being but a kind of wilding, and though kept long, yet is never pleasing to the palate; there are several sorts of *redstreak*: some sorts of them have red veins running through the whole fruit, which is esteemed to give the cyder the richest tincture.—*Mortimer, Husbandry.*

2. Cider pressed from the redstreak.

Redstreak he quaffs beneath the Chian vine,
Gives Tuscan yearly for thy Scudmore's wine.
Smith.

Redúce. *v. a.* [Lat. *reduco*; pass. part. *reductus*; *reductio*, *-onis.*]

1. Bring back. *Obsolete.*

Abate the edge of traitors, gracious lord!
That would *reduce* these bloody days again.
Shakespear, Richard III. v. 4.

2. Bring to the former state.

It were but just
And equal to *reduce* me to the dust,
Desirous to resign and render back
All I received. *Milton, Paradise Lost*, x. 747.

3. Reform from any disorder.

That temper in the archbishop, who licensed their most pernicious writings, left his successor a very difficult work to do, to reform and *reduce* a church into order, that had been so long neglected, and so ill filled.—*Lord Clarendon, History of the Grand Rebellion.*

4. Bring into any state of diminution.

A diaphanous body, *reduced* to very minute parts, thereby acquires many little surfaces in a narrow compass.—*Boyle.*

His ire will quite consume us, and *reduce*
To nothing this essential.
Milton, Paradise Lost, ii. 96.

The ordinary smallest measure is looked on as an unit in number, when the mind by division would *reduce* them into less fractions.—*Locke.*

5. Degrade; impair in dignity.

There is nothing so bad but a man may lay hold of something about it, that will afford matter of excuse; nor nothing so excellent, but a man may fasten upon something belonging to it, whereby to *reduce* it.—*Archbishop Tillotson.*

6. Bring into any state of misery or meanness.

The most prudent part was his moderation and indulgence, not *reducing* them to desperation.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

7. Subdue.

Under thee, as head supreme,
Thrones, princedoms, powers, dominions I *reduce.*
Milton, Paradise Lost, iii. 319.

8. Bring into any state more within reach or power.

To have this project *reduced* to practice, there seems to want nothing.—*Spectator.*

9. Reclaim to order.

So these . . . left desert utmost hell
Many a dark league, *reduced* in careful watch
Round their metropolis.
Milton, Paradise Lost, x. 467.

10. Subject to a rule; bring into a class: (as, 'The insects are *reduced* to tribes;' 'The variations of language are *reduced* to rules').

11. In *Arithmetic, Algebra, Logic.* Bring from a form less fit to one more fit for operation.

(For extract see under **Reduction**, 2.)

Redúcement. *s.* Act of bringing back, subduing, reforming, or diminishing: (Reduction *commoner*).

The navy received blessing from pope Sixtus, and was assigned as an apostolical mission for the *reducement* of this kingdom to the obedience of Rome.—*Bacon.*

A *reducement* of law to arbitrary power.—*Milton, Eikonoclastes*, § 9.

The *reducement* of a general principle into a particular action.—*Bishop Rust, Discourse on Truth*, § 17.

Redúcer. *s.* One who reduces.

They could not learn to digest, that the man, which they so long had used to mask their own appetites, should now be the *reducer* of them into order.—*Sir P. Sidney.*

Redúcible. *adj.* Capable of being reduced.

All law that a man is obliged by, is *reducible* to the law of nature, the positive law of God in his word, and the law of man enacted by the civil power.—*South, Sermons.*

All the parts of painting are *reducible* into these mentioned by our author.—*Dryden, Translation of Dufresnoy's Art of Painting.*

If minerals are not convertible into another species, though of the same genus, much less can they be surmised *reducible* into a species of another genus.—*Harvey, Discourse on Consumptions.*

Our damps in England are *reducible* to the suffocating or the fulminating.—*Woodward.*

Redúcibleness. *s.* Quality of being reducible.

Spirits of wine, by its pungent taste, and especially by its *reducibleness*, according to Helmont, into alcali and water, seems to be as well of a saline as sulphureous nature.—*Boyle.*

Redúct. *v. a.* [Lat. *reductus*, pass. part. of *reduco.*] Reduce. *Rare.*

To resolve and *reducte* gold into a potable licoure.—*Warde, Secrets of Maister Alexis*, fol. 6, b.: 1561.

Redúct. *s.* In *Building.* Small place taken out of a larger, to make it more uniform and regular, or for some other convenience.

Redúction. *s.*

1. Act of reducing; state of being reduced.

Some will have these years to be but months; but we have no certain evidence that they used to account a month a year; and if we had, yet that *reduction* will not serve.—*Sir M. Hale.*

To this head we may refer also, though by an improper *reduction*, his conjuring of a phantasm.—*Dr. H. More, Mystery of Godliness*, b. iv. ch. ix.

Glandules in the body of man that serve either to excretion, to *reduction*, or to nutrition.—*Smith, Portrait of Old Age*, p. 186.

Every thing visibly tended to the reduction of his sacred majesty, and all persons in their several stations began to make way and prepare for it.—*Bishop Fell.*

2. In *Logic.* See extract.

As it is on the dictum above-mentioned, that all reasoning ultimately depends, so all arguments may be in one way or other brought into some one of the four moods of the first-figure: and a syllogism is, in that case, said to be *reduced* (i.e. to the first figure). Ostensive *reduction*. . . . In Darapti

All wits are dreaded;
All wits are admired;
Some who are admired are dreaded,

reduced into Darii, by converting by limitation the minor premiss,

All wits are dreaded;
Some who are admired are wits; therefore
Some who are admired are dreaded.

This kind of *reduction* (indirect *reduction* or *reductio* ad impossibile) . . . is seldom employed but for Baroko and Bokardo.—*Archbishop Whately, Elements of Logic*, b. ii. ch. iii. §§ 5, 6.

Redúctive. *adj.* Having the power of reducing.

Indirect, or *reductive*, or reflected worship.—*Brevint, Saul and Samuel at Endor*, p. 352; 1674.

Inquire into the repentance of thy former life particularly; whether it were of a great and perfect grief, and productive of fixed resolutions of holy living, and *reductive* of these to act.—*Jeremy Taylor, Rule and Exercises of Holy Dying.* (Ord MS.)

Redúctive. *s.* That which has the power of reducing.

Thus far concerning these *reductives* by inundations and conflagrations.—*Sir M. Hale, Origination of Mankind.*

Redúctively. *adv.* In a reductive manner; by reduction; by consequence.

If they be our superiors, then 'tis modesty and reverence to all such in general, at least *reductively.*—*Hammond.*

Other niceties, though they are not matter of conscience, singly and apart, are yet so *reductively*; that is, though they are not so in the abstract, they become so by affinity and connection.—*Sir R. L'Estrange, Fables.*

Redúndance. *s.* Superfluity; superabundance; exuberance.

I shall show our poet's *redundance* of wit, justness of comparisons, and elegance of descriptions.—*Garth.*

Redúndancy. *s.* Redundance.

The cause of generation seemeth to be fulness; for generation is from *redundancy*: this fulness ariseth from the nature of the creature, if it be hot, and moist, and sanguine, or from plenty of food.—*Bacon.*

Redúndant. *adj.* [Lat. *redundans*, *-antis*, pass. part. of *redundo.*]

1. Superabundant; exuberant; superfluous.

His head,
With burnish'd neck of verdant gold, erect
Amidst his circling spires, that on the grass
Floated *redundant.* *Milton, Paradise Lost*, ix. 500.

Notwithstanding the *redundant* oil in fishes, they do not encrease fat so much as flesh.—*Arbuthnot, On the Nature and Choice of Aliments.*

2. Using more words or images than are useful.

Where the author is *redundant*, mark those paragraphs to be retrenched; when he trifles, abandon those passages.—*Watts.*

Redúndantly. *adv.* In a redundant manner; superfluously; superabundantly.

The one is still running the same round, in a narrow circle, hearing the same words *redundantly.*—*Dalgarno, Deaf and Dumb Man's Tutor*, p. 17.

Redúplicate. *v. a.* Double.

Embrace that *reduplicated* advice of our Saviour, I will forewarn you whom ye shall fear: Fear him which, after he hath killed, hath power to cast into hell; yea, I say unto you, Fear him.—*Bishop Pearson, Exposition of the Creed*, art. xii.

Reduplicátion. *s.* Act of doubling.

This is evident, when the mark of exclusion is put; as when we speak of a white thing, adding the *reduplication*, as white; which excludes all other considerations.—*Sir K. Digby.*

Redúplicative. *adj.* Double.

Some logicians mention *reduplicative* propositions; as men, considered as men, are rational creatures; i.e. because they are men.—*Watts.*

Rédwater. *s.* Disease affecting the kidneys, in sheep, so called from the dark colour of the urine.

The disease commonly called *red-water*, brown-water, black-water, moor-ill, is most prevalent in old foggy pastures.—*R. Thompson*, in *Transactions of the Highland Society*, vol. ix. p. 9.

Rédwing. *s.* Bird so called from the colour of part of its wings, akin to the thrushes, of the genus Turdus (iliacus), a winter visitor in Britain. See also Mavis.

It has been observed that the *redwings* are unable to bear hard weather so well as the fieldfares.—*Yarrell, History of British Birds.*

Ree. *v. a.* [see Riddle.] Riddle; sift.

After malt is well rubbed and winnowed you must then *ree* it over in a sieve.—*Mortimer, Husbandry.*

Reécho. *v. n.* Echo back.

Around we stand, a melancholy train,
And a loud groan *reechoes* from the main. *Pope.*

Reécky. *adj.* [*reek.*] Smoky; sooty; tanned.

Let him, for a pair of *reechy* kisses,
Make you to ravel all this matter out.
Shakespear, Hamlet, iii. 4.

The kitchen malkin pins
Her richest lockram 'bout her *reechy* neck.
Id., Coriolanus, ii. 1.

Reed. *s.* [A.S. *hreod.*]

1. Aquatic grass of the genus Arundo.

This Derceto, the mother of Semiramis, was sometimes a recluse, and falling in love with a goodly young man, she was by him with child, which, for fear of extreme punishment, she conveyed away and caused the same to be hidden among the high *reeds* which grew on the banks of the lake.—*Sir W. Ralwigh, History of the World.*

He formed the *reeds*, proportion'd as they are,
Unequal in their length.
Dryden, Translation from Ovid, Metamorphoses, b. i.

A *reed* is distinguished from the grasses by its magnitude, and by its having a firm stem: the species are, the large manured cane or *reed*, the sugar cane, the common *reed*, the variegated *reed*, the Bambu cane, and dark red *reed.*—*Miller, Gardener's Dictionary.*

Some of the *reeds* of Brazil, called Taquarussa, are living fountains: they grow from thirty to forty feet high, with a diameter of six inches, form impenetrable thickets, and are exceedingly grateful to hunters; for, on cutting off such a *reed* below a joint, the stem of the younger shoots is found to be full of a cool liquid, which quenches the most burning thirst. *Reeds*, and other coarse species, furnish, in Europe, the materials for thatching. The *reeds* (sometimes sixteen feet long), from which the Indians of Esmeralda form the tubes whence they blow the arrows poisoned with the deadly urari, or woorali, are single internodes of the Arundinaria Schomburgkii.—*Lindley, Vegetable Kingdom.*

2. Small pipe, made anciently of a reed.

Arcadian pipe, the pastoral *reed*
Of Hermes. *Milton, Paradise Lost*, xi. 132.

Used *adjectivally.*

I'll speak between the change of man and boy
With a *reed* voice.
Shakespear, Merchant of Venice, iii. 4.

3. Arrow, as made of a reed headed.

When the Parthian turn'd his steed,
And from the hostile camp withdrew;
With cruel skill the backward *reed*
He sent; and as he fled, he slew.
Prior, Odes, To a Lady refusing to dispute with him.

4. In *Weaving.* See extract.

Reed is the well-known implement of the weaver, made of parallel slips of metal or reeds called dents. A thorough knowledge of the adaptation of yarn of a proper degree of firmness to any given measure of *reed*, constitutes one of the principal objects of the manufacture of cloths; as upon this depends entirely the appearance, and, in a great degree, the durability, of the cloth when finished. The art of performing this properly is known by the names of examining, setting, or sleying, which are used indiscriminately, and mean exactly the same thing. The *reed* consists of the two parallel pieces of wood, set a few inches apart, and they are of any given length, as a yard, a yard and a quarter, &c. The division of the yard being into halves, quarters, eighths, and sixteenths; the breadth of a web is generally expressed by a vulgar fraction.... In Scotland, the splits of cane which pass between the longitudinal pieces or ribs of the *reed* are expressed by hundreds, porters, and splits. The porter is 20 splits, or one-fifth of a hundred.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

5. In *Anatomy.* Fourth (true) stomach of ruminants. See Ruminate.

Notwithstanding the difference both of sense and application, the word under notice is, perhaps, a lax equivalent of Psalterium, translated *wind instrument.*

Reed. *v. a.* Cover with reeds; thatch.

Where houses be *reeded*,
Now pare off the moss, and go beat in the reed.
Tusser, Five Hundred Points of good Husbandry.

Reédbeer. *s.* [*? beer.*] Reed bed. *Obsolete.*

Arundinetum, Pliny. Lieu où croissent les roseaux. A place where reedes grow: a *reedebeere.*—*Nomenclator.* (Nares by H. and W.)

Reéden. *adj.* Consisting of reeds. *Archaic.*

Honey in the sickly hive infuse
Through *reeden* pipes.
Dryden, Translation of the Georgics, iv. 385.

Reédify. *v. a.* Rebuild; build again.

The ruin'd walls he did *reedify*. *Spenser.*

This monument five hundred years hath stood,
Which I have sumptuously *reedified*.
Shakespear, Titus Andronicus, i. 2.

The Æolians, who repeopled, *reedified* Ilium.—*Sandys.*

The house of God they first *reedify*.
Milton, Paradise Lost, xii. 350.

Reédless. *adj.* Destitute of, wanting, reeds.

Youth's tomb'd before their parents were,

Refínement. *s.*

1. Act of purifying, by clearing anything from dross and recrementitious matter.

2. State of being pure.

The more bodies are of kin to spirit in subtilty and *refinement*, the more diffusive are they.—*Norris.*

3. Improvement in elegance or purity.

From the civil war to this time, I doubt whether the corruptions in our language have not equalled its *refinements.—Swift.*

The religion of the Gospel is only the *refinement* and exaltation of our best faculties.—*Law.*

4. Artificial practice.

The rules religion prescribes are more successful in publick and private affairs, than the *refinements* of irregular cunning.—*Rogers.*

5. Affectation of elegant improvement.

The flirts about town had a design to leave us in the lurch, by some of their late *refinements.—Addison, Guardian.*

Refíner. *s.* One who, that which, refines.

1. Purifier; one who clears from dross or recrement.

The *refiners* of iron observe, that that iron stone is hardest to melt which is fullest of metal; and that easiest which hath most dross.—*Bacon, Physical Remains.*

2. Improver in elegance.

As they have been the great *refiners* of our language, so it hath been my chief ambition to imitate them.—*Swift.*

3. Inventor of superfluous subtilties.

No men see less of the truth of things than these great *refiners* upon incidents, who are so wonderfully subtle and over wise in their conceptions.—*Addison, Spectator.*

Refíning. *verbal abs.* Act of one who refines.

a. By affecting nicety.

He makes another paragraph about our *refining* in controversy, and coming nearer still to the church of Rome.—*Bishop Atterbury.*

b. In *Metallurgy.* See extract.

Refining of gold and silver is called also parting. For several uses in the arts, these precious metals are required in an absolutely pure state, in which alone they possess their malleability and peculiar properties in the most eminent degree. Thus for example, neither gold nor silver leaf can be made of the requisite fineness, if the metals contain the smallest portion of copper alloy. Till within these ten or twelve years, the parting of silver from gold was effected every where by nitric acid; and it is still done so in all the establishments of this country, except the Royal Mint; and in the small refining houses abroad.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Refít. *v. a.* [Fr. *refait.*] Repair; restore after damage.

Permit our ships a shelter on your shores,
Refitted from your woods with planks and oars.
Dryden, Translation of the Æneid, i. 776.

Refítting. *verbal abs.* Fitting afresh; repairing.

He will not allow that there are any such signs of art in the make of the present globe, or that there was so great care taken in the *refitting* of it up again at the deluge.—*Woodward.*

Reflect. *v. a.* [Lat. *reflectens, -entis; reflexio, -onis.*] Throw back; cast back.

Search thou the records of antiquity,
And on our ancestors *reflect* an eye.
Sandys, Paraphrase of Job.

We, his gather'd beams
Reflected, may with matter sere foment.
Milton, Paradise Lost, x. 1070.

Bodies close together *reflect* their own colour.—*Dryden.*

Reflect. *v. n.*

1. Throw back light.

Some lay in dead men's skulls, and in those holes
Where eyes did once inhabit, there were crept,
As 'twere in scorn of eyes, *reflecting* gems.
Shakespear, Richard III. i. 4.

2. Bend back.

Inanimate matter moves always in a straight line, and never *reflects* in an angle, nor bends in a circle, which is a continual reflection, unless by some external impulse, or by an intrinsick principle of gravity.—*Bentley, Sermons.*

3. Throw back the thoughts upon the past or on themselves.

In every action *reflect* upon the end; and in your undertaking it, consider why you do it.—*Jeremy Taylor.*

Who saith, 'Who could such ill events expect?'
With shame on his own counsels doth *reflect.*
Sir J. Denham, Of Prudence.

When men are grown up, and *reflect* on their own minds, they cannot find any thing more ancient there than those opinions which were taught them before their memory began to keep a register of their actions.—*Locke.*

It is hard that any part of my land should be settled upon one who has used me so ill; and yet I could not see a sprig of any bough of this whole walk of trees, but I should *reflect* upon her and her severity.—*Addison, Spectator.*

Let the king dismiss his woes,
Reflecting on her fair renown;
And take the cypress from his brows,
To put his wonted laurels on.
Prior, Ode on the Death of Queen Mary.

4. Consider attentively.

Into myself my reason's eye I turn'd;
And as I much *reflected*, much I mourn'd.
Prior, Solomon, ii. 941.

5. Throw reproach or censure.

Neither do I *reflect* in the least upon the memory of his late majesty, whom I entirely acquit of any imputation.—*Swift.*

6. Bring reproach.

Errors of wives *reflect* on husbands still.
Dryden, Aurengzebe, ii. 1.

Reflèctent. *adj.* Bending back; flying back.

The ray descendent, and the ray *reflectent*, flying with so great a speed, that the air between them cannot take a formal play any way, before the beams of the light be on both sides of it; it follows, that according to the nature of humid things, it must first only swell.—*Sir K. Digby, Operations and Nature of Man's Soul.*

Reflèction. *s.*

1. Act of throwing back.

The eye sees not itself,
But by *reflection*, by some other things.
Shakespear, Julius Cæsar, i. 2.

If the sun's light consisted but of one sort of rays, there would be but one colour, and it would be impossible to produce any new by *reflections* or refractions.—*Cheyne.*

2. Act of bending back.

Inanimate matter moves always in a straight line, nor ever reflects in an angle or circle, which is a continual *reflection*, unless by some external impulse.—*Bentley, Sermons.*

3. That which is reflected.

She shines not upon fools, lest the *reflection* should hurt her.—*Shakespear, Cymbeline*, i. 3.

As the sun in water we can bear,
Yet not the sun, but his *reflection* there;
So let us view her here, in what she was,
And take her image in this wat'ry glass.
Dryden, Eleonora, 136.

4. Thought thrown back upon the past, or the absent, on itself.

The three first parts I dedicate to my old friends, to take off those melancholy *reflections*, which the sense of age, infirmity, and death may give them.—*Sir J. Denham, Of Old Age*, preface.

This dreadful image so possess'd her mind ...
She ceased all farther hope; and now began
To make *reflection* on th' unhappy man.
Dryden, Theodore and Honoria, 380.

Job's *reflections* on his once flourishing estate, did at the same time afflict and encourage him.—*Bishop Atterbury.*

What wounding reproaches of soul must he feel, from the *reflections* on his own ingratitude!—*Rogers, Sermons.*

5. Action of the mind upon itself.

Reflection is the perception of the operations of our own minds within us, as it is employed about the ideas it has got.—*Locke.*

6. Attentive consideration.

This delight grows and improves under thought and *reflection*; and while it exercises, does also endear itself to the mind; at the same time employing and inflaming the meditations.—*South, Sermons.*

7. Censure.

He died; and oh! may no *reflection* shed
Its poisonous venom on the royal dead.
Prior, Solomon, iii. 459.

Reflèctive. *adj.*

1. Throwing back images.

When the weary king gave place to night,
His beams he to his royal brother lent,
And so shone still in his *reflective* light. *Dryden.*

In the *reflective* stream the sighing bride,
Viewing her charms impair'd, abash'd shall hide
Her pensive head. *Prior*

Forced by *reflective* reason I confess,
That human science is uncertain guess.
Prior, Solomon, i. 739.

Reflèctively. *adv.* In a reflective manner.

Solomon tells us death and life are in the power of the tongue, and that not only directly in regard of the good or ill we may do to others, but *reflectively* also, in respect of what may rebound to ourselves.—*Dr. H. More, Government of the Tongue.* (Ord MS.)

Reflèctly. *adv.* In a reflect manner; in the way of reflection.

The optick masters confesse and prove, that the formes of the starres are comprehended of the sight *reflectly* and not rightly.—*Swan, Speculum Mundi*, 326. (Ord MS.)

Reflèctor. *s.*

1. Considerer.

There is scarce anything that nature has made, or that men do suffer, whence the devout *reflector* cannot take an occasion of an aspiring meditation.—*Boyle, Experiments and Considerations touching Colours.*

2. Object with a polished surface, to reflect light.

Reflèx. *adj.* [Lat. *reflexus.*]

1. Directed backward.

The motions of my mind are as obvious to the *reflex* act of the soul, or the turning of the intellectual eye inward upon its own actions, as the passions of my sense are obvious to my sense; I see the object, and I perceive that I see it.—*Sir M. Hale.*

The order and beauty of the inanimate parts of the world, the discernible ends of them, do evince by a *reflex* argument, that it is the workmanship, not of blind mechanism or blinder chance, but of an intelligent and benign agent.—*Bentley.*

2. In *Physiology.* The *reflex* action of a nerve is that which, from any stimulus on an afferent nerve, produces motion in a muscle supplied by an efferent one, independent of volition, and often even of consciousness.

Reflèx. *s.* Reflection.

There was no other way for angels to sin, but by *reflex* of their understandings upon themselves.—*Hooker, Ecclesiastical Polity.*

I'll say yon gray is not the morning's eye,
'Tis but the pale *reflex* of Cynthia's brow.
Shakespear, Romeo and Juliet, iii. 5.

In the sea betwixt Norway and Scotland there is clearly observed a flow and *refluence*, because it is near to the ocean.—*Summary of Du Bartas*, p. 106: 1621.

Réfluency. *s.* Refluence.

All things sublunary move continually, in an interchangeable flowing and *refluency.*—*W. Mountague, Devout Essays*, pt. i. p. 58: 1648.

Réfluent. *adj.* [Lat. *refluens, -entis*, pres. part. of *refluo* = I flow back.] Running back; flowing back.

The liver receives the *refluent* blood almost from all the parts of the abdomen.—*Arbuthnot, On the Nature and Choice of Aliments.*

Where now the throng
That press'd the beach, and, hasty to depart,
Look'd to the sea for safety? They are gone,
Gone with the *refluent* wave into the deep—
A prince with half his people!
Cowper, Task, The Time-Piece.

Reflúx. *s.* [Fr.; Lat. *refluxus.*] Backward course of water.

Besides
Mine own that 'bide upon me, all from me
Shall with a fierce *reflux* on me redound.
Milton, Paradise Lost, x. 737.

The variety of the flux and *reflux* of Euripus, or whether the same do ebb and flow seven times a day, is incontrovertible.—*Sir T. Browne, Vulgar Errours.*

Refócillate. *v. a.* [Lat. *refocillo*; Italian, *refocillare.*] Strengthen by refreshment. *Latinism.*

His man was to bring him a roll, and a pot of ale, to *refocillate* his wasted spirits.—*Aubrey, Anecdotes of Prynne*, ii. 508.

Refocillátion. *s.* Restoration of strength by refreshment. *Latinism.*

Some precious cordial, some costly *refocillation*, a composure comfortable and restorative.—*Middleton, A Mad World, my Masters.*

Refórm. *v. a.* [Lat. *reformo*; Fr. *réformer.*]

1. Form again: (the *primary* meaning).

2. Change from worse to better.

A sect in England, following the same rule of policy, seeketh to *reform* even the French reformation, and purge out from thence also dregs of popery.—*Hooker, Ecclesiastical Polity.*

Sent worthier of gods, was built
With second thoughts, *reforming* what was old.
Milton, Paradise Lost, ix. 100.

May no such storm
Fall on our times, where ruin must *reform.*
Sir J. Denham, Cooper's Hill.

Now lowering looks presage approaching storms,
And now prevailing love her face *reforms.*
Dryden.

The example alone of a vicious prince will corrupt an age; but that of a good one will not *reform* it.—*Swift.*

Refórm. *v. n.* Pass by change from worse to better.

Was his doctrine of the mass struck out in this conflict? or did it give him occasion of *reforming* in this point?—*Bishop Atterbury.*

Refórm. *s.* [Fr.] Reformation.

Tinkers bawl'd aloud to settle
Church-discipline, for mending kettle;
No sow-gelder did blow his horn
To geld a cat, but cry'd *Reform!*
Butler, Hudibras, i. 2, 535.

The *reforms* in representation, and the bills for shortening the duration of parliaments, he uniformly and steadily opposed for many years together.—*Burke.*

Reformádo. *s.* [Spanish.] *Obsolete, and not naturalised.*

1. Monk adhering to the reformation of his order.

Amongst others, this was one of Celestin the pope's caveats for his new *reformadoes.*—*Weever.*

2. Officer retained in a regiment, when his company is disbanded.

His knights *reformadoes* are wound up as high and insolent as ever they were.—*B. Jonson, Epicene.*

Reformalize. *v. n.* Affect reformation; pretend correctness. *Rare.*

Christ's doctrine [is] pure, correcting all the unpure glosses of the *reformalizing* Pharisees.—*Loe, Blisse of Brightest Beauty*, p. 25: 1614.

Reformation. *s.*

1. Act of forming anew; renovation; regeneration.

There are but two kinds of creation in the language of the Scriptures; the one literal, the other metaphorical; one old, the other new; one by way of formation, the other by way of *reformation*.—*Bishop Pearson, Exposition of the Creed*, art. ii.

2. Change from worse to better: (commonly used of *human manners*).

Never came *reformation* in a flood
With such a heady current, scow'ring faults;
Nor ever Hydra-headed wilfulness
So soon did lose his seat, as in this king.
Shakespear, Henry V. i. 1.

Satire lashes vice into *reformation*.—*Dryden.*

The pagan converts mention this great *reformation* of those who had been the greatest sinners, with that sudden and surprising change which the christian religion made in the lives of the most profligate.—*Addison.*

3. With *the*. Change of religion in England from popery to Protestantism.

The burden of the *reformation* lay on Luther's shoulders.—*Bishop Atterbury.*

Reformatory. *s.* Establishment for the amendment of juvenile offenders.

Reformer. *s.* One who reforms.

1. One who makes a change for the better; amender.

Publick *reformers* had need first practise that on their own hearts, which they purpose to try on others.—*Eikon Basilike.*

The complaint is more general, than the endeavours to redress it: Abroad every man would be a *reformer*, how very few at home!—*Bishop Sprat, Sermons.*

It was honour enough, to behold the English churches reformed; that is, delivered from the *reformers*.—*South, Sermons.*

2. One of those who changed religion from popish corruptions and innovations.

Our first *reformers* were famous confessors and martyrs all over the world.—*Bacon.*

Reformist. *s.* One who is of the reformed churches.

This comely subordination of degrees we once had, and we had a visible conspicuous church, to whom all other *reformists* gave the upper hand.—*Howell, Letters*, iv. 36.

Reformly. *adv.* After the manner of a reform. *Rare.*

A fierce reformer once, now rankled with a contrary heat, would send us back very *reformly* indeed to learn reformation from Tyndarus and Rebuffus, two canonical promoters.—*Milton, Considerations touching the likeliest Means to remove Hirelings out of the Church.* (Ord MS.)

Refossion. *s.* [Lat. *refossus*; pass. part. of *fodio* = I dig.] Act of digging up again. *Rare.*

Hence are murders of men, rapes of virgins, mangling of carcasses, *refossion* of graves.—*Bishop Hall, St. Paul's Combat.*

Refound. *v. a.* Found, or cast, anew.

Perhaps they are all antient bells *refounded*.—*T. Warton, History of the Parish of Kiddington*, p. 8.

Refract. *v. a.* [Lat. *refractus*; pass. part. of *refringo* = I break.] Break, by deflection from the straight line, the natural course of rays.

If its angle of incidence be large, and the refractive power of the medium not very strong to throw it far from the perpendicular, it will be *refracted*.—*Cheyne, Philosophical Principles.*

Refraction. *s.* [Fr.] Deflection of rays, chiefly of light (in *Optics*) and of heat (in *Thermotics*).

Refraction, in general, is the incurvation or change of determination in the body moved, which happens to it whilst it enters or penetrates any medium: in dioptricks, it is the variation of a ray of light from that right line, which it would have passed on in, had not the density of the medium turned it aside.—*Harris.*

Refraction, out of the rarer medium into the denser, is made towards the perpendicular.—*Sir I. Newton, On Opticks.*

Refractive. *adj.* Having the power of refraction.

Those superficies of transparent bodies reflect the greatest quantity of light, which have the greatest refracting power; that is, which intercede mediums that differ most in their *refractive* densities.—*Sir I. Newton, On Opticks.*

Refractoriness. *s.* Attribute suggested by Refractory.

Great complaint was made, by some ministers of the presbyterian gang, of my *refractoriness* to obey the parliament's order.—*Bishop Sanderson, Cases of Conscience*, p. 160.

Refractory. *adj.* Obstinate; perverse; contumacious.

There is a law in each well-ordered nation,
To curb those raging appetites that are
Most disobedient and *refractory*.
Shakespear, Troilus and Cressida, ii. 2.

A rough-hewn seaman, being brought before a wise justice for some misdemeanor, was by him ordered to be sent away to prison, and was *refractory* after he heard his doom, insomuch as he would not stir a foot from the place where he stood; saying it was better to stand where he was, than to go to a worse place.—*Bacon, Apophthegms.*

Vulgar compliance with any illegal and extravagant ways, like violent motions in nature, soon grows weary of itself, and ends in a *refractory* sullenness.—*Eikon Basilike.*

Refractory mortal! if thou wilt not trust thy friends, take what follows; know assuredly, before next full moon, that thou wilt be hung up in chains.—*Arbuthnot, John Bull.*

These atoms of theirs may have it in them, but they are *refractory* and sullen; and therefore like men of the same tempers, must be banged and buffeted into reason.—*Bentley.*

Refractory. *s.*

1. Obstinate, or refractory, person.

How sharp hath your censure been of those *refractories* amongst us, that would forego their stations, rather than yield to these harmless impositions!—*Bishop Hall, Remains*, p. 306.

2. Obstinate opposition.

Glorying in their scandalous *refractories* to public order and constitutions.—*Jeremy Taylor, Artificial Handsomeness*, p. 138.

Refragate. *v. n.* Be confuted; break down under examination.

And 'tis the observation of the noble St. Albans, that that philosophy is built on a few vulgar experiments; and if upon further inquiry any were found to *refragate*, they were to be discharged by a distinction.—*Glanville, Vanity of Dogmatizing.* (Rich.)

Refrain. *v. a.* [Fr. *refréner*; Lat. *refreno*; *frænum* = bridle.] Hold back; keep from action.

Hold not thy tongue, O God, keep not still silence; *refrain* not thyself.—*Book of Common Prayer, Psalms*, lxxxiii. 1.

My son, walk not thou in the way with them; *refrain* thy foot from their path.—*Proverbs*, i. 15.

Nor from the Holy One of heaven
Refrain'd his tongue.
Milton, Paradise Lost, vi. 359.

Neptune atoned, his wrath shall now *refrain*,
Or thwart the synod of the gods in vain.
Pope, Translation of the Odyssey.

Refrain. *v. n.* Forbear; abstain; spare.

In what place, or upon what consideration soever it be they do it, were it their own opinion of no force being done, they would undoubtedly *refrain* to do it.—*Hooker, Ecclesiastical Polity.*

For my name's sake will I defer mine anger; and for my praise will I *refrain* for thee, that I cut thee not off.—*Isaiah*, xlviii. 9.

That they feed not on flesh, at least the faithful party before the flood, may become more probable, because they *refrained* therefrom some time after.—*Sir T. Browne, Vulgar Errours.*

Refrain. *s.* [Fr.] Burden of a song, or piece of musick; kind of musical repetition.

Confine the organist to a slightly ornamented *refraine*.—*Mason, Three Essays on Church Musick*, p. 213.

Reframe. *v. a.* Put together again.

That most exquisite silver sphere ... was unframed and *reframed* in the grand signior's presence.—*Hakewill, Apology*, p. 274.

Refrangibility. *s.* Capability of being refracted; quality of being refrangible.

Refrangibility of the rays of light is their disposition to be refracted or turned out of their way in passing out of one transparent body or medium into another.—*Sir I. Newton.*

Refrangible. *adj.* Capable of being refracted.

As some rays are more *refrangible* than others; that is, are more turned out of their course, in passing from one medium to another; it follows, that after such refraction, they will be separated, and their distinct colour observed.—*Locke.*

Refresh. *v. a.* [Fr. *refraichir*; Lat. *refrigero* = I cool.]

1. Recreate; relieve after pain, fatigue, or want.

Service shall with steeled sinews toil;
And labour shall *refresh* itself with hope.
Shakespear, Henry V. ii. 2.

Musick was ordain'd to *refresh* the mind of man, After his studies or his usual pain.
Id., Taming of the Shrew, ii. 1.

He was in no danger to be overtaken; so that he was content to *refresh* his men.—*Lord Clarendon, History of the Grand Rebellion.*

His meals are coarse and short, his employment warrantable, his sleep certain and *refreshing*, neither interrupted with the lashes of a guilty mind, nor the aches of a crazy body.—*South, Sermons.*

2. Improve by new touches anything impaired.

The rest *refresh* the scaly snakes, that fold
The shield of Pallas, and renew their gold.
Dryden, Translation of the Æneid, viii. 575.

3. Refrigerate; cool.

A dew coming after heat *refresheth*.—*Ecclesiasticus*, xliii. 22.

Refresh. *s.* Act of refreshing. *Obsolete.*

My field, of flowers quite bereaven,
Wants *refresh* of better hap. *Daniel, Odes.*
Beauty, sweet love, is like the morning dew,
Whose short *refresh* upon the tender green
Cheers for a time, but still the sun doth shew,
And straight 'tis gone as it had never been.
Id., Sonnets.

Refresher. *s.*

1. That which refreshes.

The kind *refresher* of the summer heats.
Thomson, Seasons, Summer.

Mr. Pickwick slept little that night; his memory had received a very disagreeable *refresher* on the subject of Mrs. Bardell's action.—*Dickens, Pickwick Papers*, ch. xxx.

2. Extra fee to a barrister.

Refreshing. *verbal abs.* Relief after pain, fatigue, or want.

Secret *refreshings* that repair his strength,
And fainting spirits uphold.
Milton, Samson Agonistes, 665.

If you would have trees to thrive, take care that no plants be near them, which may deprive them of nourishment, or hinder *refreshings* and helps that they might receive.—*Mortimer, Husbandry.*

Refreshment. *s.*

1. Relief after pain, want, or fatigue.

2. That which gives relief, as food, rest.

He was full of agony and horrour upon the approach of a dismal death, and so had most need of the *refreshments* of society, and the friendly assistances of his disciples.—*South, Sermons.*

Such honest *refreshments* and comforts of life, our christian liberty has made it lawful for us to use.—*Bishop Sprat.*

3. Provisions.

The Admirall Beaugard went and cast anchor at the fort of Sidon, where hee stayed twelve dayes, to take in bisket, flesh, and other necessarie *refreshings*.—*Grimston's Continuation of Knolles.* (Ord MS.)

Refret. *s.* In *Music* and *Prosody*. Refrain: (the *latter* the *commoner* word).

Vers inferé; refrein de ballade. A verse often interlaced: the foote, *refret*, or burden of the dittie.—*Nomenclator.* (Nares by H. and W.)

Refrigerant. *adj.* [Lat. *refrigero*; pres. part. *refrigerans*, *-antis*; pass. part. *refrigeratus*; *refrigeratio*, *-onis*; from *frigus*, *frigoris* = cold.]

In the cure of gangrenes, you must beware of dry heat, and resort to things that are *refrigerant*, with an inward warmth and virtue of cherishing.—*Bacon.*

Refrigerant. *s.* Cooling medicine.

If it arise from an external cause, apply *refrigerants*, without any preceding evacuation.—*Wiseman, Surgery.*

Refrigerate. *v. a.* Cool.

The great breezes, which the motion of the air in great circles, such as the girdle of the world produceth, do *refrigerate*; and therefore in those parts noon is nothing so hot, when the breezes are great, as about ten of the clock in the forenoon.—*Bacon, Natural and Experimental History.*

Whether they be *refrigerated* inclinatorily or somewhat equinoxically, though in a lesser degree, they discover some verticity.—*Sir T. Browne, Vulgar Errours.*

Refrigeration. *s.* Act of cooling; state of being cooled.

Divers do stut; the cause may be the *refrige-*

ration of the tongue, whereby it is less apt to move. —*Bacon.*

If the mere *refrigeration* of the air would fit it for breathing, this might be somewhat helped with bellows.—*Bishop Wilkins.*

Refrígerative. *adj.* [Fr. *réfrigératif.*] Cooling; having the power to cool.

His meats must be but very little nutritive, but rather *refrigerative* and of a cooling quality.—*Ferrand, On Love Melancholy*, p. 242: 1640.

Refrigerátor. *s.* See extract.

Utensils employed for the refrigeration of worts, &c., ... without exposing them to evaporation, ... are generally called *refrigerators*, and are so constructed that a quantity of cold water shall be brought in contact with the vessel which contains the heated fluid. But in every construction of *refrigerator* heretofore used, the quantity of cold water necessarily employed in the operation, greatly exceeded the quantity of the fluid cooled, which in some situations where water cannot be readily obtained, was a serious impediment, and objection to the use of such apparatus.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Refrígeratory. *adj.* [Lat. *refrigeratorius.*] Cooling.

This grateful acid spirit is ... highly *refrigeratory*. —*Bishop Berkeley, Siris*, § 120.

Refrígeratory. *s.* Anything internally cooling.

A delicate wine, and a durable *refrigeratory*.—*Mortimer, Husbandry.*

2. In *Distillation.* See extract.

A *refrigeratory* [is] that part of a distilling vessel that is placed about the head of a still, and filled with water to cool the condensing vapours; but this is now generally done by a worm or spiral pipe, turning through a tub of cold water.—*Quincy.*

Refrigérium. *s.* [Lat.] Cool refreshment; refrigeration.

It must be acknowledged, the ancients have talked much of annual *refrigeriums*, respites or intervals of punishment to the damned; as particularly on the festivals.—*South, Sermons.*

Réfuge. *s.* [Fr.; Lat. *refugium*, from *fugio* = I fly.]

1. Shelter from any danger or distress; protection.

Rocks, dens, and caves! but I in none of these
Find place or *refuge*. *Milton, Paradise Lost*, ix. 118.

The young vipers supposed to break through the belly of the dam, will, upon any fright, for protection run into it; for then the old one receives them in at her mouth, which way, the fright being past, they will return again; which is a peculiar way of *refuge*.—*Sir T. Browne, Vulgar Errours.*

Those who take *refuge* in a multitude, have an Arian council to answer for.—*Bishop Atterbury.*

2. That which gives shelter or protection.

The Lord will be a *refuge* for the oppressed; a *refuge* in times of trouble.—*Psalms*, ix. 9.

Fair majesty, the *refuge* and redress
Of those whom fate pursues.
Dryden, Translation of the Æneid, i. 838.

3. Expedient in distress.

This last old man,
Whom with a crack'd heart I have sent to Rome,
Loved me above the measure of a father;
Their latest *refuge* was to send him.
Shakespear, Coriolanus, v. 3.

4. Expedient in general.

Light must be supplied, among graceful *refuges*, by terracing any story in danger of darkness.—*Sir H. Wotton, Elements of Architecture.*

Réfuge. *v. a.* Shelter; protect; afford refuge. *Rare.*

Dreads the vengeance of her injured lord;
Even by those gods, who *refuged* her, abhorr'd.
Dryden, Translation of the Æneid, ii. 781.

With the *accent* on the *second syllable.*

Silly beggars,
Who sitting in the stocks, *refuge* their shame,
That many have, and others must, sit there.
Shakespear, Richard II. v. 5.

Réfuge. *v. n.* Take refuge. *Rare.*

The duke de Soubise *refuged* hither from France, upon miscarriage of some undertakings of his there. —*Sir J. Finett, Observations on Ambassadors*, p. 111: 1656.

Refugeé. *s.* [Fr. *réfugié.*] One who flies to shelter or protection.

Poor *refugees*, at first they purchase here;
And soon as denizened they domineer.
Dryden, Translation of Juvenal, iii. 129.

This is become more necessary in some of their governments, since so many *refugees* settled among them.—*Addison.*

Used *adjectivally.*

So audacious a manifestation of disloyalty was imputed with little justice to the catholics at large, but might more reasonably lie at the door of those active instruments of Rome, the English *refugee* priests and jesuits dispersed over Flanders, and lately established at Douay, who were continually passing into the kingdom, not only to keep alive the precarious faith of the laity, but, as was generally surmised, to excite them against their sovereign.—*Hallam, Constitutional History of England*, ch. iii.

Refúlgence. *s.* Splendour; brightness.

The *refulgence* of the eternal light.—*Knatchbull, Translation of Annotations on the New Testament*, p. 259.

Refúlgency. *s.* Refulgence.

He [Moses] was obliged to keep at a more awful distance from the tremendous throne of God, and not come within the circle of its *refulgency*.—*Stackhouse, History of the Bible*, b. iv. ch. ii.

Refúlgent. *adj.* [Lat. *refulgens, -entis*, pres. part. of *refulgeo* = I flash.] Bright; shining; glittering; splendid.

He neither might, nor wish'd to know
A more *refulgent* light. *Waller.*

So conspicuous and *refulgent* a truth is that of God's being the author of man's felicity, that the dispute is not so much concerning the thing, as concerning the manner of it.—*Boyle.*

Agamemnon's train,
When his *refulgent* arms flash'd through the shady plain,
Fled from his well-known face.
Dryden, Translation of the Æneid, vi. 659.

Refúnd. *v. n.* [Lat. *refundo*; pass. part. *refusus.*]

1. Pour back.

Were the humours of the eye tinctured with any colour, they would *refund* that colour upon the object, and so it would not be represented as in itself it is.—*Ray.*

2. Repay what is received; restore.

A governor, that had pillaged the people, was, for receiving of bribes, sentenced to *refund* what he had wrongfully taken.—*Sir R. L'Estrange.*

Such wise men as himself account all that is past to be also gone; and know, that there can be no gain in *refunding*, nor any profit in paying debts.—*South, Sermons.*

How to Icarius, in the bridal hour,
Shall I, by waste undone, *refund* the dower?
Pope, Translation of the Odyssey.

Swift has somewhere the absurd phrase, 'to *refund* himself,' for 'to *reimburse*.'

Refúnder. *s.* One who repays what is received.

A city usurer turned into a *refunder* of his ill-gotten estate.—*Reasons of New Converts taking the Oaths*, p. 3.: 1691.

Refúrnish. *v. a.* Furnish afresh.

The brutes and birds which were out of that supposed narrow extent of Syria and Mesopotamia where the flood prevailed, might easily *refurnish* the same continent after the subsiding of the flood. —*Sir M. Hale, Origination of Mankind.* (Ord MS.)

Refúsable. *adj.* Capable of being refused; fit to be refused.

A *refusable* or little thing in any one's eye.—*Young, Sermons*, ii. 311.

Refúsal. *s.*

1. Act of refusing; denial of anything demanded or solicited.

God has born with all his weak and obstinate *refusals* of grace, and has given him time day after day.—*Rogers.*

2. Preemption; right of having anything before another; option.

When employments go a begging for want of hands, they shall be sure to have the *refusal*.—*Swift.*

Refúse. *v. a.* [Fr. *refuser.*]

1. Deny what is solicited or required; not comply with.

If he should chuse the right casket, you should *refuse* to perform your father's will, if you should *refuse* to accept him.—*Shakespear, Merchant of Venice*, i. 2.

Having most affectionately set life and death before them, and conjured them to choose one and avoid the other, he still leaves unto them, as to free and rational agents, a liberty to *refuse* all his calls, to let his talents lie by them unprofitable.—*Hammond.*

Wonder not then what God for you saw good
If I *refuse* not, but convert, as you,
To proper substance.
Milton, Paradise Lost, v. 1016.

Common experience has justly a mighty influence on the minds of men, to make them give or *refuse* credit to any thing proposed.—*Locke.*

2. Reject; dismiss without a grant.

I may neither choose whom I would, nor *refuse* whom I dislike.—*Shakespear, Merchant of Venice*, i. 2.

Refúse. *v. n.* Not accept; not comply.

Women are made as they themselves would choose;
Too proud to ask, too humble to *refuse*. *Garth.*

Réfuse. *adj.* Unworthy of reception; left when the rest is taken.

Every thing that was vile and *refuse*, that they destroyed utterly.—1 *Samuel*, xv. 9.

He never had vexatious law-disputes about his dues, but had his tythes fully paid, and not of the most *refuse* parts, but generally the very best.—*Bishop Fell, Life of Hammond.*

Please to bestow on him the *refuse* letters; he hopes by printing them to get a plentiful provision. —*Spectator.*

Réfuse. *s.* [Fr. *refus.*]

1. That which remains disregarded when the rest is taken.

We dare not disgrace our worthy superiours with offering unto them such *refuse* as we bring unto God himself.—*Hooker, Ecclesiastical Polity.*

Many kinds have much *refuse*, which countervails that which they have excellent.—*Bacon.*

I know not whether it be more shame or wonder, to see that men can so put off ingenuity, as to descend to so base a vice; yet we daily see it done, and that not only by the scum and *refuse* of the people. —*Dr. H. More, Government of the Tongue.*

Down with the falling stream the *refuse* run,
To raise with joyful news his drooping son.
Dryden.

This humourist keeps more than he wants, and gives a vast *refuse* of his superfluities to purchase heaven.—*Addison.*

2. Refusal: (with the *accent* on the *last syllable*). *Obsolete.*

This spoken, ready with a proud *refuse*
Argantes was his proffer'd aid to scorn.
Fairfax, Translation of Tasso, b. xii.

Refúser. *s.* One who refuses.

Some few others are the only *refusers* and condemners of this catholick practice.—*Jeremy Taylor.*

Refúsion. *s.* Fusion afresh.

So Titan's lustre, smiting the moon's orb, yields but a faint and feeble reflexion and *refusion* of brightness upon us.—*Plutarch, Morals*, v. 238. (Ord MS.)

It has been objected to me that this doctrine of the *refusion* of the soul was very consistent with the belief of a future state of rewards and punishments.—*Bishop Warburton, Divine Legation*, b. ii. note cc. (Rich.)

Refútable. *adj.* Capable of being proved false or erroneous.

Refútal. *s.* Refutation.

Refutátion. *s.* Act of refuting; act of proving false or erroneous.

'Tis such miserable absurd stuff, that we will not honour it with especial *refutation*.—*Bentley.*

Refúte. *v. a.* [Lat. *refuto*; Fr. *réfuter.*] Prove false or erroneous.

Self-destruction sought, *refutes*
That excellence thought in thee.
Milton, Paradise Lost, x. 972.

He knew that there were so many witnesses in these two miracles, that it was impossible to *refute* such multitudes.—*Addison.*

Refúter. *s.* One who, that which, refutes.

My *refuter's* forehead is stronger, with a weaker wit: let him try here the power of his audacity.— *Bishop Hall, Honour of the Married Clergy*, p. 20.

Regaín. *v. a.* [Fr. *regagner.*] Recover; gain anew.

Hopeful to *regain*
Thy love from thee I will not hide
What thoughts in my unquiet breast are risen.
Milton, Paradise Lost, x. 972.

In ten set battles have we driven back
These heathen Saxons, and *regain'd* our earth,
As earth recovers from an ebbing tide.
Dryden, King Arthur, i. 1.

As soon as the mind *regains* the power to stop or continue any of these motions of the body or thoughts, we then consider the man as a free agent. —*Locke.*

Régal. *adj.* [Fr.; Lat. *regalis*, from *rex, regis* = king.] Royal; kingly.

Edward, duke of York,
Usurps the *regal* title and the seat
Of England's true anointed lawful heir.
Shakespear, Henry VI. Part III. iii. 3.

Why am I sent for to a king,
Before I have shook off the *regal* thoughts
Wherewith I reign'd? *Id., Richard II.* iv. 1.

With them comes a third of *regal* port,
But faded splendour wan, who by his gait
And fierce demeanour seems the prince of hell.
Milton, Paradise Lost, iv. 869.

When was there ever a better prince on the throne than the present queen? I do not talk of her government, her love of the people, or qualities that are

purely *regal*; but her piety, charity, temperance, and conjugal love.—*Swift.*

Régal. *s.* [Fr. *régale.*] Musical instrument.

The sounds that produce tones are ever from such bodies as are in their parts and ports equal; and such are in the nightingale pipes of *regals* or organs. —*Bacon.*

Regále. *v. a.* [Fr. *régaler.*] Refresh; entertain; gratify.

Nothing does so gratify, so *regale* an haughty humour, as this usurped sovereignty over our brethren.—*Dr. H. More, Government of the Tongue.*

I . . . with a warming puff,
Regale chill'd fingers. *J. Philips, Splendid Shilling.*

Regále. *v. n.* Feast; fare sumptuously.

See the rich churl, amid the social sons
Of wine and wit, *regaling!* *Shenstone.*

Regálement. *s.* [Fr.] Refreshment; entertainment.

The muses still require
Humid *regalement*, nor will aught avail
Imploring Phœbus with unmoisten'd lips.
J. Philips, Cyder, ii. 397.

Regália. *s.* [Lat.; see Regal; the word is the neuter plural of *regalis.*] Ensigns of royalty.

Shew
The mighty potentate, to whom belong
These rich *regalia* pompously display'd.
Young, Night Thoughts, night ix.

The court historians of the day record, that at the first dinner given by the late king (then prince regent) at the Pavilion, . . . the guests were select and admiring: the banquet profuse and admirable; the lights lustrous and oriental; the eye was perfectly dazzled with the display of plate, among which the great gold salt-cellar, brought from the *regalia* in the Tower for this especial purpose, itself a tower! stood conspicuous for its magnitude. —*C. Lamb, On the Productions of Modern Art.*

Regálian. *adj.* Belonging to a king, emperor, or suzerain; sovereign.

Frederic, after the surrender of Milan, in 1158, . . . defined the *regalian* rights, as they were called, in such a manner as to exclude the cities and private proprietors from coining money, and from tolls or territorial dues; which they had for many years possessed.—*Hallam, View of the State of Europe during the Middle Ages*, ch. iii.

Regálity. *s.* [Lat. *regalis.*]

1. Royalty; sovereignty; kingship.

Behold the image of mortality,
And feeble nature clothed with fleshly tire,
When raging passion with fierce tyranny
Robs reason of her due *regality.* *Spenser.*

He neither could, nor would, yield to any diminution of the crown of France, in territory or *regality.*—*Bacon.*

He came partly in by the sword, and had high courage in all points of *regality.*—*Id., History of the Reign of Henry VII.*

The majesty of England might hang like Mahomet's tomb by a magnetick charm, between the privileges of the two houses, in airy imagination of *regality.*—*Eikon Basilike.*

2. Ensign or token of royalty.

Kinges in an open and stately place, before all their subjectes, receive their crowne and other *regalities.*—*Sir T. Elyot, Governour*, fol. 145, b.

Régally. *adv.* In a regal manner.

Alfred . . . was buried *regally* at Winchester.—*Milton, History of England*, b. v.

Regárd. *v. a.* [Fr. *regarder.*]

1. Value; attend to as worthy of notice

This aspect of mine,
The best *regarded* virgins of our clime
Have loved. *Shakespear, Merchant of Venice*, ii. 1.

He denies
To know their God, or message to *regard.*
Milton, Paradise Lost, xii. 174.

2. Observe; remark.

If much you note him,
You offend him; feed and *regard* him not.
Shakespear, Macbeth, iii. 4.

3. Mind as an object of grief or terror.

The king and they that were with him marvelled at the young man's courage, for that he nothing *regarded* the pains.—2 *Maccabees*, vii. 12.

4. Observe religiously.

He that *regardeth* the day, *regardeth* it unto the Lord; and he that *regardeth* not the day, to the Lord he doth not *regard* it.—*Romans*, xiv. 6.

5. Pay attention to.

He that observeth the wind shall not sow, and he that *regardeth* the clouds shall not reap.—*Ecclesiastes*, xi. 4.

6. Respect; have relation to: (as, 'As *regards* that').

7. Look towards.

It is a peninsula, which *regardeth* the mainland. —*Sandys.*

Regárd. *s.* [Fr.]

1. Attention as to a matter of importance.

We observe omens, the falling of the salt, a dream of a funeral, an unlucky day or hour, the voice of the screech-owl, odd noises in the night, to command the most solemn *regards* of persons, whose imagination is more busy and active than their reason; heathens, women, young persons, melancholicks, superstitious or infirm persons, the illiterate multitude.—*Spencer, Discourse concerning Prodigies*, p. 75: 1665.

The nature of the sentence he is to pronounce, the rule of judgement by which he will proceed, requires that a particular *regard* be had to our observation of this precept.—*Bishop Atterbury.*

2. Respect; reverence; attention.

To him they had *regard*, because that of long time he had bewitched them with sorceries.—*Acts*, viii. 11.

With some *regard* to what is just and right,
They'll lead their lives.
Milton, Paradise Lost, xii. 16.

To shew greater *regards* to each other.—*Lord Lyttelton, Observations on the Conversion of St. Paul.*

He has rendered himself worthy of their most favourable *regards.*—*A. Smith, Theory of Moral Sentiments.*

3. Note; eminence.

Mac Ferlagh was a man of meanest *regard* amongst them, neither having wealth nor power.—*Spenser, View of the State of Ireland.*

4. Respect; account.

Change was thought necessary, in *regard* of the great hurt which the church did receive by a number of things then in use.—*Hooker, Ecclesiastical Polity.*

5. Relation; reference.

How best we may
Compose our present evils, with *regard*
Of what we are and were.
Milton, Paradise Lost, ii. 280.

Their business is to address all the ranks of mankind, and persuade them to pursue and persevere in virtue, with *regard* to themselves; in justice and goodness, with *regard* to their neighbours; and piety towards God.—*Watts.*

6. Look; aspect directed to another.

Soft words to his fierce passion she assay'd;
But her with stern *regard* he thus repell'd.
Milton, Paradise Lost, x. 865.

He, surprised with humble joy, survey'd
One sweet *regard*, shot by the royal maid.
Dryden, Sigismonda and Guiscardo, 65.

7. Prospect; object of sight. *Rare.*

Throw out our eyes for brave Othello,
Even till we make the main and th' aerial blue
An indistinct *regard.* *Shakespear, Othello*, ii. 1.

8. ? Matter demanding notice.

A sage old sire, . . .
That many high *regards* and reasons 'gainst her read. *Spenser, Faerie Queen*, v. 9, 43.

Regárdable. *adj.*

1. Capable of being regarded. *Rare.*

I cannot discover this difference of the badger's legs, although the *regardable* side be defined, and the brevity by most imputed unto the left.—*Sir T. Browne, Vulgar Errours.*

2. Worthy of notice. *Rare.*

Tintagel, more famous for his antiquity, than *regardable* for his present estate, abutteth on the sea. —*Carew, Survey of Cornwall.*

Regárdant. *adj.* [N.Fr. = looking back.]

1. In *Law.* See extract.

A villain *regardant* was called *regardant* to the manor, because he had the charge to do all base services within the same, and to see the same freed of all things that might annoy it. . . . A villain *regardant*, it seems, was rather so called, because annexed to the manor, regarding, or relating to it.—*Tomline, Law Dictionary.*

2. In *Heraldry.* A term applied to any animal whose face is turned towards the tail in an attitude of vigilance.

Regárder. *s.*

1. One who, that which, regards.

The *regarders* of times.—*Judges*, ix. 37, margin.

2. Officer of the king's forest, whose business was to view and inquire into matters respecting it.

A forest hath laws of her own, to take cognizance of all trespasses; she hath also her peculiar officers, as foresters, verderers, *regarders*, &c.—*Howell, Letters*, iv. 16.

Regárdful. *adj.* Attentive; taking notice of.

Bryan was so *regardful* of his charge, as he never disposed any matter, but first he acquainted the general.—*Sir J. Hayward.*

Let a man be very tender and *regardful* of every pious motion made by the spirit of God to his heart. —*South, Sermons.*

Regárdfully. *adv.* In a regardful manner; attentively; heedfully; respectfully.

Is this the Athenian minion, whom the world
Voiced so *regardfully?*
Shakespear, Timon of Athens, iv. 3.

Regárdless. *adj.*

1. Heedless; negligent; inattentive.

He likest is to fall into mischance,
That is *regardless* of his governance. *Spenser.*
Regardless of the bliss wherein he sat,
Second to thee, offer'd himself to die
For man's offence. *Milton, Paradise Lost*, iii. 408.

We must learn to be deaf and *regardless* of other things, besides the present subject of our meditation. —*Watts.*

2. Not regarded; slighted.

Sounding titles, stately buildings, fine gardens, gilded chariots, rich equipages, what are they? They dazzle every one but the possessor. To him, that is accustomed to them, they are cheap and *regardless* things.—*Spectator*, no. 626.

Yes, traitor, Zara, lost, abandoned Zara,
Is a *regardless* suppliant now to Osmyn.
Congreve, Mourning Bride.

Regárdlessly. *adv.* In a regardless manner; without heed.

If any preciser idiots quarrel at my distaste towards them, I pass by them *regardlessly.*—*Sir M. Sandys, Essays*, p. 189: 1634.

Regárdlessness. *s.* Attribute suggested by Regardless; heedlessness; negligence; inattention.

They are too bookish; their *regardlessness* of men and ways of thriving makes them stand in their own light.—*Whitlock, Observations on the Present Manners of the English*, p. 432.

A wretched *regardlessness* of their eternal salvation.—*Scott, Christian Life*, pt. iii. ch. i.

Regárdship. *s.* Regard; consideration. *Rare.*

This Lewis [XI.] also was of so dyverse and wanton condycion that he would goo more lyker a yoman or a serving-man than like a prynce; the which was for no *regardshyp* nor sparynge of good, for he was a prynce of moost lyberalite.—*Fabyan*: A.D. 1458. (Rich.)

Regátta. *s.* [Italian *regatta, regata*, from Lat. *remigo*, pass. part. *remigatus*; *remus* = oar.] Originally a race of gondolas, in Venice; now a race of vessels (not always rowing boats) in general.

Though I stayed in this city [Venice] longer than I could have wished, I was extremely well entertained with the sight of a *regatta*, which is a sort of rowing match, with boats of different kinds, not performed in any other part of the world, [in 1744,] and very seldom here, on account, I suppose, of the vast expence to which it subjects the young noblesse. This diversion seems to have taken its rise from a custom introduced by the doge Pietro Landi, in the year 1539.—*Drummond, Travels*, p. 84.

Régency. *s.*

1. Authority; government.

As Christ took manhood, that by it he might be capable of death, whereunto he humbled himself; so because manhood is the proper subject of compassion and feeling pity, which maketh the scepter of Christ's *regency* even in the kingdom of heaven amiable.—*Hooker, Ecclesiastical Polity.*

Men have knowledge and strength to fit them for action: women affection, for their better compliance; and herewith beauty to compensate their subjection, by giving them an equivalent *regency* over men.—*Grew.*

2. Vicarious government.

This great minister, finding the *regency* shaken by the faction of so many great ones within, and awed by the terror of the Spanish greatness without, durst begin a war.—*Sir W. Temple.*

3. District governed by a vicegerent.

Regions they pass'd, the mighty *regencies*
Of seraphim. *Milton, Paradise Lost*, v. 748.

4. Those collectively to whom vicarious regality is intrusted: (as, 'The *regency* transacted affairs in the king's absence').

Instead of naming the duke of Lancaster sole protector, they constituted a council or *regency*, consisting of twelve persons.—*Bishop Lowth, Life of Wykeham*, sect. v.

5. With *the* (and, so combined, a *proper* rather than a *common* name), it generally means that of the eldest son of George III., afterwards George IV.

The glory of Bond Street is no more. . . . Art thou old enough, O reader! to remember the Bond Street Lounger and his incomparable generation? For my

part, I can just recall the decline of the grand era. The ancient 'habitués'—the 'magni nominis umbræ' contemporaries of Brummell in his zenith—boon companions of George IV., in his *regency*—still haunted the spot.—*Lord Lytton, My Novel*, b. xi. ch. ii.

Regéneracy. *s.* State of being regenerate.

Called from the depth of sin to *regeneracy* and salvation.—*Hammond, Works*, iv. 686.

Regénerate. *v. a.* [Lat. *regeneratus*, pass. part. of *regenero*.]

1. Reproduce; produce anew.

Albeit the son of this earl of Desmond, who lost his head, were restored to the earldom; yet could not the king's grace *regenerate* obedience in that degenerate house, but it grew rather more wild.—*Sir J. Davies, Discourse on the State of Ireland.*

An alkali, poured to that which is mixed with an acid, raiseth an effervescence, at the cessation of which, the salts, of which the acid is composed, will be *regenerated*.—*Arbuthnot.*

2. Make to be born anew; renew by change of carnal nature to a Christian life.

No sooner was a convert initiated, but by an easy figure he became a new man, and both acted and looked upon himself as one *regenerated* and born a second time into another state of existence.—*Addison, Defence of the Christian Religion.*

Regénerate. *adj.*

1. Reproduced.

Thou! the earthly author of my blood,
Whose youthful spirit, in me *regenerate*,
Doth with a twofold vigour lift me up
To reach at victory. *Shakespear, Richard II.* i. 3.

2. Born anew by grace to a Christian life.

For, from the mercy-seat above,
Prevenient grace descending, had removed
The stony from their hearts, and made new flesh
Regenerate grow instead.
Milton, Paradise Lost, xi. 2.

If you fulfil this resolution, though you fall sometimes by infirmity; nay, though you should fall into some greater act, even of deliberate sin, which you presently retract by confession and amendment, you are nevertheless in a *regenerate* estate, you live the life of a christian here, and shall inherit the reward that is promised to such in a glorious immortality hereafter.—*Archbishop Wake, Preparation for Death.*

Regenerátion. *s.* New birth; birth by grace from carnal affections to a Christian life.

He saved us by the washing of *regeneration*, and renewing of the Holy Ghost.—*Titus*, iii. 5.

Régent. *adj.* [Fr.; Lat. *regens*, *-entis*, pres. part. of *rego*.]

1. Governing; ruling.

The operations of human life flow not from the corporeal moles, but from some other active *regent* principle that resides in the body, or governs it, which we call the soul.—*Sir M. Hale.*

2. Exercising vicarious authority.

He together calls ... the *regent* powers
Under him *regent*. *Milton, Paradise Lost*, v. 696.

Régent. *s.*

1. Governor; ruler.

Here is the *regent*, sir, of Mitylene.
Shakespear, Pericles, v. 1.

Now, for once beguiled,
Uriel, though *regent* of the sun, and held
The sharpest-sighted spirit of all in heaven.
Milton, Paradise Lost, iii. 689.

Neither of these are any impediment, because the *regent* thereof is of an infinite immensity.—*Sir M. Hale.*

But let a heifer with gilt horns be led
To Juno, *regent* of the marriage-bed. *Dryden.*

2. One invested with vicarious royalty.

Lord *regent*, I do greet your excellence
With letters of commission from the king.
Shakespear, Henry VI. Part I. v. 4.

3. One of a certain standing, who taught in our universities: (the word formerly in use for a *professor*; retained in the present academical designation of doctors of every faculty, and masters of arts, whether as necessary *regents*, *regents* ad placitum, or *non-regents*.)

Régentess. *s.* Female regent.

Régentship. *s.*

1. Power of governing.
2. Deputed authority.

If York have ill-demean'd himself in France,
Then let him be denied the *regentship*.
Shakespear, Henry VI. i. 3.

Regerminátion. *s.* Act of sprouting or germination again.

The Jews commonly express resurrection by *regermination*, or growing up again like a plant.—*Gregory, Notes on Scripture*, p. 125: 1684.

Regést. *v. a.* Throw back. *Rare.*

Who can say it is other than righteous, that thou shouldest *regest* one day upon us—Depart from me ye wicked?—*Bishop Hall, Christ among the Gergasenes.* (Ord MS.)

Regést. *s.* [Lat. *regestum*.] Register. See Register.

Others of later time have sought to assert him by old legends and cathedral *regests*.—*Milton, History of England*, b. iii.

Regicidal. *adj.* Consisting in, related to, connected with, having the nature of regicide, or king-murder; tending to regicide.

The Mufti justified his *regicidal* Fetva by the authority of the sentence of the law, which says, 'If there be two caliphs, let one of them be put to death.'—*Sir E. S. Creasy, History of the Ottoman Turks*, vol. ii. ch. i.

Régicide. *s.* [Lat. *regicida*, from *cædo* = I slay.] Murderer of his king.

I through the mazes of the bloody field
Hunted your sacred life; which that I miss'd
Was the propitious error of my fate,
Not of my soul; my soul's a *regicide*.
Dryden, Don Sebastian, iv. 3.

The absurd and almost impious service which is still read in our churches on the thirtieth of January had produced in the minds of the vulgar a strange association of ideas. The sufferings of Charles were confounded with the sufferings of the Redeemer of mankind; and every *regicide* was a Judas, a Caiaphas, or a Herod.—*Macaulay, History of England*, ch. xiv.

Régicide. *s.* [Lat. *regicidium*, from *cædo* = I slay.] Murder of a king.

Were it not for this amulet, how were it possible for any to think they may venture upon perjury, sacrilege, murder, *regicide*, without impeachment to their saintship?—*Dr. H. More, Decay of Christian Piety.*

Régimen. *s.* [Lat.]

1. System of regulations.

Thus, on the natural plan of domestic connections, benevolence erects that artificial *regimen* called civil society.—*Bishop Warburton, Sermons*, serm. iii. (Ord MS.)

2. In *Medicine*. That care in diet and living which is suitable to every particular course of medicine or state of body.

Yet should some neighbour feel a pain,
Just in the parts where I complain,
How many a message would he send,
With hearty prayers that I should mend;
Enquire what *regimen* I kept,
What gave me ease, and how I slept.
Swift, On the Death of Dr. Swift.

Sydenham first discovered that the cool *regimen* succeeded best in cases of small-pox.—*Macaulay, Critical and Historical Essays, Sir J. Macintosh's History of the Revolution.*

Régiment. *s.* [N.Fr.]

1. Established government; polity; mode of rule. *Obsolete.*

We all make complaint of the iniquity of our times, not unjustly, for the days are evil; but compare them with those times wherein there were no civil societies, with those times wherein there was as yet no manner of publick *regiment* established, and we have surely good cause to think, that God hath blessed us exceedingly.—*Hooker, Ecclesiastical Polity.*

The corruption of our nature being presupposed, we may not deny, but that the law of nature doth now require of necessity some kind of *regiment*.—*Ibid.*

They utterly damn their own consistorian *regiment*, for the same can neither be proved by any literal texts of holy Scripture, nor yet by necessary inference out of Scripture.—*White.*

2. Rule; authority. *Rare.*

The *regiment* of the soul over the body, is the *regiment* of the more active part over the passive.—*Sir M. Hale.*

3. Body of soldiers under one colonel.

Higher to the plain we'll set forth,
In best appointment, all our *regiments*.
Shakespear, King John, ii. 1.

The elder did whole *regiments* afford,
The younger brought his conduct and his sword.
Waller.

The standing *regiments*, the fort, the town,
All but this wicked sister are our own. *Id.*

Now thy aid,
Eugene, with *regiments* unequal prest,
Awaits. *A. Philips.*

Regiméntal. *adj.* Belonging to a regiment; military.

He [Johnson] sate, with a patient degree of attention, to observe the proceedings of a *regimental* court-martial.—*Langton*, in *Boswell's Life of Johnson.*

Regiméntals. *s. pl.* Uniform dress of a regiment of soldiers.

He now entered, handsomely dressed in his *regimentals*; and without vanity (for I am above it) he appeared as handsome a fellow as ever wore a military dress.—*Goldsmith, Vicar of Wakefield.*

Région. *s.* [Fr.; Lat. *regio*, *-onis*.]

1. Tract of land; country; tract of space.

All the *regions*
Do seemingly revolt; and who resist,
Are mock'd for valiant ignorance.
Shakespear, Coriolanus, iv. 6.

Her eyes in heaven
Would through the airy *region* stream so bright,
That birds would sing, and think it were not night.
Shakespear, Romeo and Juliet, ii. 2.

The upper *regions* of the air perceive the collection of the matter of tempests before the air below.—*Bacon.*

Thus raged the goddess, and with fury fraught,
The restless *regions* of the storm she sought.
Dryden, Translation of the Æneid, i. 76.

2. Part of the body.

The bow is bent and drawn; make from the shaft.—
Let it fall rather, though the fork invade
The *region* of my heart.
Shakespear, King Lear, i. 1.

3. Place; rank.

The gentleman kept company with the wild prince and Poins: he is of too high a *region*; he knows too much.—*Shakespear, Merry Wives of Windsor*, iii. 2.

Régister. *s.* [Fr. *régistre*; Lat. *registrum*.]

1. Account of anything regularly kept.

Joy may you have, and everlasting fame,
Of late most hard achievement by you done,
For which inrolled is your glorious name
In heavenly *registers* above the sun. *Spenser.*

Sir John, as you have one eye upon my follies, as you hear them unfolded, turn another into the *register* of your own.—*Shakespear, Merry Wives of Windsor*, ii. 2.

This island, as appeareth by faithful *registers* of those times, had ships of great content.—*Bacon, New Atlantis.*

Of these experiments, our friend, pointing at the *register* of this dialogue, will perhaps give you a more particular account.—*Boyle.*

It was ordered that Scribonianus's name and consulate should be effaced out of all publick *registers* and inscriptions.—*Addison.*

2. In *Chemistry*. Sliding plate of iron which, in small chimneys, regulates the heat of the fire: (hence the modern term, a *register-stove*).

Look well to the *register*;
And let your heat still lessen by degrees.
B. Jonson, Alchemist.

3. Sliding piece of wood, called a stop, in an organ, perforated with a number of holes answerable to those in a soundboard; which being drawn one way stops them, and the other opens them for the readmission of wind into the pipes.

From Prætorius, whose work was printed so late as 1615, he learns that *registers*, by which only a variety of stops could be formed, were not invented till towards the conclusion of the preceding century.—*Mason, Three Essays on Church Musick*, p. 40.

4. In *Printing*.

a. One of the inner parts of the mould wherein printing types are cast.

b. Disposition of the formes on the press, so as that the lines and pages printed on one side of the sheet meet exactly against those on the other.

Régister. *s.* [Low Lat. *registrarius*.] Officer whose business is to write and keep the register; registrar: (the *latter* the *more correct* term).

He being able to shew no certificate, save only a ticket from Mr. French, the *register* was refused.—*Archbishop Laud, Remains*, ii. 182.

Régister. *v. a.* [Fr. *registrer*.]

1. Record; preserve from oblivion by authentic accounts.

The Roman emperors *registered* their most remarkable buildings, as well as actions.—*Addison Travels in Italy.*

The poison-tree,
Beneath whose shade all life is withered up,
And the fair oak, whose leafy dome affords
A temple where the vows of happy love
Are *registered*, are equal in thy sight.
Shelley, Queen Mab.

Imagine . . . that these innumerable experiences of relative positions, which have been hourly *registered* in the mind from infancy upwards, and of which the earliest are quite effaced, while intermediate ones continue in various degrees of faintness —imagine these innumerable fading experiences suddenly to revive, and become definitely present to consciousness.—*Herbert Spencer, Principles of Psychology.*

2. Enrol; set down in a list.

Such follow him, as shall be *register'd*;
Part good, part bad: of bad the longer scrowl.
Milton, Paradise Lost, xii. 335.

Régistership. *s.* Office of register.

The *registership* of the vice-chancellor's court petitioned for by John George.—*Archbishop Laud, Remains*, ii. 183.

Régistrar. *s.* Officer whose business is to write and keep a register. (Many officers with the title exercise various functions in the Courts of Bankruptcy, Chancery, &c.)

The *registrar* of every ecclesiastical court.—*Constitutions and Canons Ecclesiastical*, lxv.

My lord's letter came not till ten houres after his death, when the patent was sealed and delivered, and the person admitted sworne before the publick *registrar*.—*Warton, Life of Bathurst*, p. 136.

Régistrary. *s.* Registrar.

I and my company dined in the open air, in a place called Pente-Cragg, where my *registrary* had his country-house.—*Archbishop Laud, Diary*, p. 24.

Dr. Pinke required the *registrary* to bear witness of this his protestation.—*A. Wood, Annals of the University of Oxford in* 1628.

Registrátion. *s.* Act of inserting in the register.

In France the stamp duties are not much complained of. Those of *registration*, which they call the contrôle, are.—*A. Smith, Wealth of Nations*, b. v. ch. ii.

Régistry. *s.*

1. Act of inserting in the register.

A little fee was to be paid for the *registry*.—*Graunt, Observations on the Bills of Mortality.*

2. Place where the register is kept.

3. Series of facts recorded.

I wonder why a *registry* has not been kept in the college of physicians of things invented.—*Sir W. Temple.*

Régitive. *adj.* [Lat. *rego* = I rule.] Governing. *Rare.*

Their *regitive* power over the world is not so suitable an ingredient for a magnificate of their composing, as the greater dignity of receiving and performing God's commands.—*Gentleman's Calling*, sect. vii. § 5. (Ord MS.)

Régius. *adj.* [Lat. = royal.] Applied to certain professors, whose chairs in the English universities were founded by Henry VIII., in which case it is *masculine*; in connection with *donum* (when it is *neuter*) to an annual ecclesiastical grant to the Presbyterian clergy in Ireland.

Regive. *v. a.* Give back; restore.

Bid day stand still,
Bid him drive back his car, and reimport
The period past, *regive* the present hour.
Young, Night Thoughts, night i. (Rich.)

Réglement. *s.* [Fr.] Regulation. *Obsolete.*

To speak now of the reformation and *reglement* of usury . . . by the balance of commodities and discommodities thereof, two things are to be reconciled. —*Bacon, Essays, Of Usury.*

Réglet. *s.* [Fr. *réglette*, from *règle*.] In *Printing.* Ledge of wood exactly planed, by which the lines are separated in pages widely printed.

The *reglet*, in printing, is . . . a sort of furniture of an equal thickness throughout its length, and of quadrat height. The length is three feet, and the thickness that of the various sizes of type.—*R. J. Courtney*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Régnant. *adj.* [Fr., from Lat. *regnans, -antis.*]

1. Reigning; having regal authority: (*postpositive*).

Princes are shy of their successors, and there may be reasonably supposed in queens *regnant* a little proportion of tenderness that way, more than in kings.—*Sir H. Wotton.*

His guilt is clear, his proofs are pregnant,
A traitor to the vices *regnant*. *Swift, Miscellanies.*

2. Predominant; prevalent; having power.

The law was *regnant*, and confined his thought,
Hell was not conquer'd, when the poet wrote.
Waller.

Regórge. *v. a.*

1. Vomit up; throw back.

It was scoffingly said, he had eaten the king's goose, and did then *regorge* the feathers.—*Sir J. Hayward.*

2. Swallow eagerly.

Drunk with wine,
And fat *regorged* of bulls and goats.
Milton, Samson Agonistes, 1670.

3. [Fr. *regorger*.] Swallow back.

As tides at highest mark *regorge* the flood,
So fate, that could no more improve their joy,
Took a malicious pleasure to destroy. *Dryden.*

Regráde. *v. n.* [Lat. *gradior* = I step.] Move back.

They saw the darkness commence at the eastern limb of the sun, and proceed to the western, till the whole was eclipsed; and then *regrade* backwards from the western to the eastern, till his light was fully restored; which they attributed to the miraculous passage of the moon across the sun's disk.—*Dr. Hales, New Analysis of Chronology*, ii. 897.

Regráft. *v. a.* Graft again.

Oft *regrafting* the same cions may make fruit greater.—*Bacon.*

Regránt. *v. a.* Grant back.

He, by letters patents, incorporated them by the name of the dean and chapter of Trinity-church, in Norwich, and *regranted* their lands to them.—*Ayliffe, Parergon Juris Canonici.*

Regránt. *s.* Fresh grant.

As soon as it appeared that the Old Company was likely to obtain a *regrant* of the monopoly under the Great Seal, the New Company began to assert with vehemence that no monopoly could be created except by Act of Parliament.—*Macaulay, History of England*, ch. xx.

Regráte. *v. a.*

1. Offend; shock.

The clothing of the tortoise and viper rather *regrateth* than pleaseth the eye.—*Derham, Physico-Theology.*

2. Engross; forestall.

Neither should they buy any corn, unless it were to make malt thereof; for by such engrossing and *regrating*, the dearth that commonly reigneth in England hath been caused.—*Spenser.*

Regráter. *s.* [Fr. *regratter*.] Forestaller; engrosser; originally a seller by retail; huckster.

The people would gladly have the *regrater's* head where his feet are.—*Outred, Translation of Cope on Proverbs*, fol. 192. b.: 1580.

Through the scarcity caused by *regrators* of bread corn, of which starch is made, the ladies, to save charges, have their heads washed at home, and the beaus put out their linen to common laundresses!—*Tatler*, no. 118.

Regrátiatory. *s.* Expression of thankfulness; return for a favour.

Wellnere nothynge there doth remayne
Wherewith to give you my *regratiatory*.
Skelton. (Rich.)

Regráting. *verbal abs.*

1. Forestalling the market.

2. In *Masonry.* Removing the outer surface of an old hewn stone.

Regreét. *v. a.* Resalute; greet a second time.

Hereford, on pain of death,
Till twice five summers have enrich'd our fields,
Shall not *regreet* our fair dominions,
But lead the stranger paths of banishment.
Shakespear, Richard II. i. 3.

Regreét. *s.* Return or exchange of salutation.

And shall these hands, so newly join'd in love,
Unyoke this seizure, and this kind *regreet?*
Play fast and loose with faith?
Shakespear, King John, iii. 1.

Regréss. *s.* [Fr. *regrès*; Lat. *regressus*.] Passage back; power of passing back.

'Tis their natural place which they always tend to, and from which there is no progress nor *regress*. —*T. Burnet.*

Regréss. *v. n.* Go back; return; pass back to the former state or place.

All being forced unto fluent consistencies, naturally *regress* unto their former solidities.—*Sir T. Browne.*

Regréssion. *s.*

1. Act of returning or going back.

To desire there were no God, were plainly to unwish their own being, which must needs be annihilated in the subtraction of that essence, which substantially supporteth them, and restrains from *regression* into nothing.—*Sir T. Browne.*

2. In *Astronomy.* See extract.

In astronomy, the *regression* of the moon's nodes is the motion of the line of intersection of the orbit of the moon with the ecliptic, which is retrograde, or contrary to the order of the signs. This motion of the nodes of the lunar orbit takes place with considerable rapidity, the whole revolution being accomplished in about eighteen and a half years. The nodes of the planetary orbits also regress on the ecliptic; but, in the case of the planets, the regression is extremely slow, that of the nodes of Mercury, which is the most rapid, amounting only to about forty-two seconds of a degree in a solar year. —*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Regrét. *s.* [Fr.]

1. Vexation at something past; bitterness of reflection.

A passionate *regret* at sin, a grief and sadness at its memory, enters us into God's roll of mourners.—*Dr. H. More, Decay of Christian Piety.*

Though sin offers itself in never so pleasing a dress, yet the remorse and inward *regrets* of the soul, upon the commissions of it, infinitely overbalance those faint gratifications it affords the senses.—*South, Sermons.*

2. Grief; sorrow.

Never any prince expressed a more lively *regret* for the loss of a servant, than his majesty did for this great man; in all offices of grace towards his servants, and in a wonderful solicitous care for the payment of his debts.—*Lord Clarendon, History of the Grand Rebellion.*

That freedom, which all sorrows claim,
She does for thy content resign;
Her piety itself would blame,
If her *regrets* should waken thine.
Prior, Ode on the Death of Queen Mary.

3. Dislike; aversion. *Obsolete.*

Is it a virtue to have some ineffective *regrets* to damnation, and such a virtue too, as shall balance all our vices?—*Dr. H. More, Decay of Christian Piety.*

Regrét. *v. a.* [Fr. *regretter*.]

1. Repent; grieve at.

Calmly he look'd on either life, and here
Saw nothing to *regret*, or there to fear;
From nature's temp'rate feast rose satisfy'd,
Thank'd heaven that he had lived, and that he died.
Pope, Epitaph on Mr. E. Fenton.

2. Be uneasy at. *Rare.*

Those, the impiety of whose lives makes them *regret* a Deity, and secretly wish there were none, will greedily listen to atheistical notions.—*Glanville, Scepsis Scientifica.*

Regrétful. *adj.* Full of regret.

Thou art return'd, but nought returns with thée,
Save my lest joys' *regretful* memory,
Sir R. Fanshaw, Translation of Guarini's Pastor Fido, p. 76.

Think not *regretful* I survey the deed.
Shenstone, Elegies, xix.

Regrétfully. *adv.* In a regretful manner; with regret.

He departs out of this world *regretfully*.—*Greenhill, Art of Embalming*, p. 104.

Reguérdon. *s.* Reward; recompense.

Stoop, and set your knee against my foot;
And in *reguerdon* of that duty done,
I gird thee with the valiant sword of York.
Shakespear, Henry VI. Part I. iii. 1.

Reguérdon. *v. a.* Reward. *Obsolete.*

Long since we were resolved of your truth,
Your faithful service and your toil in war;
Yet never have you tasted your reward,
Or been *reguerdon'd* with so much as thanks.
Shakespear, Henry VI. Part I. iii. 4.

Régular. *adj.* [Lat. *regularis*; Fr. *régulier*.]

1. Agreeable to rule; consistent with the mode prescribed.

The common cant of criticks is, that though the lines are good, it is not a *regular* piece.—*Guardian.*

The ways of heaven are dark and intricate,
Puzzled in mazes, and perplex'd with errors;
Our understanding traces them in vain,
Lost and bewilder'd in the fruitless search;
Not seeing with how much art the windings run,
Nor where the *regular* confusion ends.
Addison, Cato.

So when we view some well-proportion'd dome . . .
No monstrous height or breadth or length appear;
The whole at once is bold and *regular*.
Pope, Essay on Criticism, ii. 247.

2. Governed by strict regulations.

So just thy skill, so *regular* my rage. *Pope.*

3. In *Geometry.* A *regular* body is a solid, whose surface is composed of *regular* and equal figures, and whose solid angles are all equal; of which there are five sorts,

viz.: 1. A pyramid, comprehended under four equal and equilateral triangles. 2. A cube, whose surface is composed of six equal squares. 3. That which is bounded by eight equal and equilateral triangles. 4. That which is contained under twelve equal and equilateral pentagons. 5. A body consisting of twenty equal and equilateral triangles: and mathematicians demonstrate that there can be no more *regular* bodies than these five.

There is no universal reason, not confined to human fancy, that a figure, called *regular*, which hath equal sides and angles, is more beautiful than any irregular one.—*Bentley.*

4. Instituted or initiated according to established forms or discipline: (as, 'a *regular* doctor'; '*regular* troops').

Monks in holy orders constituted the body of the *regular* clergy, as distinguished from the seculars, or clergy who were not under vows.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

5. Methodical; orderly.

More people are kept from a true sense and taste of religion, by a *regular* kind of sensuality and indulgence, than by gross drunkenness.—*Law.*

Régular. *s.* Regular individual (soldier, churchman, &c., as the case may be). See preceding entry, 4.

In the Romish church, all persons are said to be *regulars*, that do profess and follow a certain rule of life, in Latin stiled *regula*; and do likewise observe the three approved vows of poverty, chastity, and obedience.—*Ayliffe, Parergon Juris Canonici.*

Regulárity. *s.* [Fr. *régularité*; Lat. *regularitas, -tatis.*]

1. Agreeableness to rule..
2. Method; certain order.

Regularity is certain where it is not so apparent, as in all fluids; for *regularity* is a similitude continued.—*Grew.*

He was a mighty lover of *regularity* and order; and managed all his affairs with the utmost exactness.—*Bishop Atterbury.*

Régularly. *adv.* In a regular manner; concordant to rule; exactly.

If those painters, who have left us such fair platforms, had rigorously observed it in their figures, they had indeed made things more *regularly* true, but withal very unpleasing.—*Dryden.*

With one judicious stroke,
On the plain ground Apelles drew
A circle *regularly* true.
Prior, Protogenes and Apelles, 52.

Such lays that neither ebb nor flow,
Correctly cold, and *regularly* low.
Pope, Essay on Criticism, ii. 239.

Régulate. *v. a.*

1. Adjust by rule or method.

Nature, in the production of things, always designs them to partake of certain, *regulated*, established essences, which are to be the models of all things to be produced: this, in that crude sense, would need some better explication.—*Locke.*

2. Direct.

Regulate the patient in his manner of living.—*Wiseman, Surgery.*

Even goddesses are women; and no wife
Has pow'r to *regulate* her husband's life. *Dryden.*

Regulátion. *s.*

1. Act of regulating.

Being but stupid matter, they cannot continue any regular and constant motion, without the guidance and *regulation* of some intelligent being.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. Method; effect of being regulated.

I may safely affirm, that nothing is, under due *regulations*, improper to be taught in this place, which is proper for a gentleman to learn.—*Sir W. Blackstone, Commentaries on the Laws of England.*

Regúlative. *adj.* Acting as a regulator.

The *regulative* principle of a genus, or of any other natural group is, that it is, or is supposed to be, natural.—*Whewell, History of Scientific Ideas*, vol. ii. p. 120: 1858.

Régulator. *s.*

1. One who regulates.

The regularity of corporeal principles sheweth them to come at first from a divine *regulator*.—*Grew, Cosmologia Sacra.*

The weakest Ministry has great power as a *regulator* of parliamentary proceedings. — *Macaulay, History of England*, ch. xx.

2. Part of a machine which makes the motion equable and uniform.

The *regulators* most commonly applied are the fly and the governor.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Régulus. *s.* [Lat.; Fr. *régule.*] See extracts.

Regulus is the finer and most weighty part of metals, which settles at the bottom upon melting.—*Quincy.*

Regulus is a term, introduced by the alchemists, now nearly obsolete. It means literally a little king, and refers to the metallic state as one of royalty, compared with the native earthy condition. Antimony is the only metal now known by the name of *regulus*.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

The old chemists designated by the term [*regulus*] several of the brittle or inferior metals when freed from impurities and obtained in their metallic state. Thus they speak of *regulus* of antimony, of bismuth, &c. The term is now often used by metallurgists to denote the metallic button which is found at the bottom of an assay crucible. There is still, however, considerable confusion in the use of this term; thus German assayers use it in the sense just given, whereas in England it usually signifies a mass of sulphides, and especially of copper, such as is got in the concentration of poor copper ores by fusion.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Regúrgitate. *v. a.* [Lat. *regurgitatus*, pass. part. of *regurgito; regurgitatio, -onis.*] Throw back; pour back.

The inhabitants of the city remove themselves into the country so long, until, for want of receipt and encouragement, it *regurgitates* and sends them back.—*Graunt, Observations on the Bills of Mortality.*

Arguments of divine wisdom, in the frame of animate bodies, are the artificial position of many valves, all so situate as to give a free passage to the blood and other humours in their due channels, but not permit them to *regurgitate* and disturb the great circulation.—*Bentley.*

Regúrgitate. *v. n.* Be poured back.

Nature was wont to evacuate its vicious blood out of these veins, which passage being stopt, it *regurgitates* upwards to the lungs.—*Harvey, Discourse on Consumptions.*

Regurgitátion. *s.* Resorption; act of swallowing back.

Regurgitation of matter is the constant symptom.—*Sharp, Surgery.*

Rehabílitate. *v. a.* Restore a delinquent to former rank, privilege, or right; qualify again: (a term both of the *civil* and *canon law*).

The king alone can *rehabilitate* an officer noted, condemned, and degraded; or a gentleman who has derogated from his rank.—*Chambers.*

As to foreign powers, so long as they were conjoined with Great Britain in this contest, so long they were treated as the most abandoned tyrants, and indeed the basest of the human race. The moment any of them quits the cause of this government, and of all governments, he is *rehabilitated*, his honour is restored, all his attainders are purged!—*Burke, Thoughts on a Regicide Peace.*

Pope Calixtus *rehabilitated* the memory of Jeanne d'Arc, declaring her by a bull a martyr to her religion, to her country, and to her sovereign.—*Seward, Anecdotes*, iii. 26.

Rehabilitátion. *s.* [Low Lat. *rehabilitatio, -onis.*] Act of restoring to a right or privilege which had been forfeited.

They transmitted to him from his sovereign letters of *rehabilitation*, that established him in his rank of an honest man.—*Stuart, History of Scotland*, ii. 240.

The Colonnas found a hearing with this calm and wise pope. . . . Their restoration by Benedict is described by himself as an act of becoming mercy: he eludes all discussion on the justice of the sentence, or the conduct of his predecessor. But their *rehabilitation* was full and complete, with some slight limitations.—*Milman, History of Latin Christianity*, b. xi. ch. vi.

Reheár. *v. a.* Hear again.

Every petition for a rehearing, in the court of Chancery, must be signed by two counsel of character, certifying that they apprehend the cause is proper to be *reheard*.—*Chambers.*

Reheáring. *verbal abs.* Second hearing.

My design is to give all persons a *rehearing*, who have suffered under any unjust sentence of the Examiner.—*Addison, Whig Examiner.*

So far, at that *rehearing*, from redress,
They then turn witnesses against themselves.
Young, Night Thoughts, night viii.

But our business is not yet quite finished. Mr. Walpole's case must have a *re-hearing*.—*Letters of Junius*, letter x.

He [Lord Mansfield] almost abolished the tedious and costly practice of having the same case argued several times over, restricting such *rehearings* to questions of real difficulty and adequate importance. —*Lord Brougham, Historical Sketches of Statesmen during the Reign of George III., Lord Mansfield.*

Reheársal. *s.*

1. Repetition; recital.

Twice we appoint, that the words which the minister pronounceth, the whole congregation shall repeat after him; as first in the publick confession of sins, and again in *rehearsal* of our Lord's prayer after the blessed sacrament.—*Hooker, Ecclesiastical Polity.*

What dream'd my lord? tell me, and I'll requite it
With sweet *rehearsal* of my morning's dream.
Shakespear, Henry VI. Part II. i. 2.

What respected their actions as a rule or admonition, applied to yours, is only a *rehearsal*, whose zeal in asserting the ministerial cause is so generally known.—*South, Sermons.*

2. Recital of anything previous to public exhibition.

The chief of Rome,
With gaping mouths to these *rehearsals* come.
Dryden, Translation of Persius, i. 46.

Reheárse. *v. a.* [N.Fr. *reherser* = harrow over again; thence, go over anything a second time.]

1. Repeat; recite.

Rehearse not unto another that which is told unto thee.—*Ecclesiasticus*, xix. 7.

Of modest poets be thou just,
To silent shades repeat thy verse,
Till fame and echo almost burst,
Yet hardly dare one line *rehearse*. *Swift.*

2. Relate; tell.

Great master of the muse! inspired
The pedigree of nature to *rehearse*,
And sound the Maker's work. *Dryden.*

3. Recite previously to public exhibition.

All Rome is pleased, when Statius will *rehearse*,
And longing crowds expect the promised verse.
C. Dryden, Translation of Juvenal, vii. 107.

Reheárser. *s.* One who rehearses.

The recital of genealogies, which has been considered as very efficacious to the preservation of a true series of ancestry, was anciently made when the heir of the family came of age. This practice has never subsisted within time of memory, nor was much credit due to such *rehearsers*, who might obtrude *fictitious* pedigrees, either to please their masters, or to hide the deficiency of their own memories.—*Johnson, Journey to the Western Islands of Scotland.*

Reif. *s.* [see Rob.] Robbery; plunder.

Meaning to live by *reif* of other mennes goodes, wherein they have no maner of propertie.—*Holinshed.* (Nares by H. and W.)

Reífing. *s.* Robbing; plundering.

That many yeares after, all theft and *reifing* were little heard of.—*Holinshed.* (Nares by H. and W.)

Reígle. *s.* [N.Fr. = rule, canon, pattern.] Hollow cut to guide anything.

A flood-gate is drawn up and let down through the *reigles* in the side posts.—*Carew, Survey of Cornwall.*

Reign. *v. n.* [Lat. *regno*; Fr. *regner.*]

1. Enjoy or exercise sovereign authority.

This done by them, gave them such an authority, that though he *reigned*, they in effect ruled, most men honouring them, because they only deserved honour.—*Sir P. Sidney.*

A king shall *reign* in righteousness, and princes rule in judgement.—*Isaiah* xxxi. 1.

Tell me, shall Banquo's issue ever
Reign in this kingdom? *Shakespear, Macbeth*, iv. 1.

Did he not first seven years, a life-time, *reign?*
Cowley.

This right arm shall fix
Her seat of empire; and your son shall *reign.*
A. Philips.

2. Be predominant; prevail.

More are sick in the summer, and more die in the winter, except in pestilent diseases, which commonly *reign* in summer or autumn.—*Bacon.*

Now did the sign *reign*, under which Perkin should appear.—*Id., History of the Reign of Henry VII.*

Great secrecy *reigns* in their publick councils.—*Addison.*

3. Obtain power or dominion.

That as sin hath *reigned* unto death, even so might grace *reign* through righteousness unto eternal life by Jesus Christ our Lord.—*Romans*, v. 21.

Reign. *s.* [Fr. *règne*; Lat. *regnum.*]

1. Royal authority; sovereignty.

He who like a father held his *reign*,
So soon forgot, was just and wise in vain. *Pope.*

2. Time of a king's government.

The following licence of a foreign *reign*,
Did all the dregs of bold Socinus drain.
Pope, Essay on Criticism, i. 544.

3. Kingdom; dominions.
Saturn's sons received the threefold *reign*
Of heaven, of ocean, and deep hell beneath.
Prior, First Hymn of Callimachus.
That wrath which hurl'd to Pluto's gloomy *reign*
The souls of mighty chiefs untimely slain.
Pope, Translation of the Iliad, i. 3.

4. Power; influence.
The year againe
Was turning round; and every season's *raigne*
Renew'd upon us. *Chapman.*

Reimbódy. *v. n.* Embody again.
Quicksilver, broken into little globes, the parts brought to touch immediately *reimbody.—Boyle.*

Reimbúrse. *v. a.* [Fr. *rembourser.*] Repay; repair loss or expense by an equivalent.
Hath he saved any kingdom at his own expence, to give him a title of *reimbursing* himself by the destruction of ours?—*Swift, Miscellanies.*

Reimbúrsement. *s.* Reparation or repayment.
If any person has been at expence about the funeral of a scholar, he may retain his books for the *reimbursement.—Ayliffe, Parergon Juris Canonici.*

Reimplánt. *v. a.* Plant or graft again.
How many grave and godly matrons usually graffe or *reimplant*, on their now more aged heads and brows, the reliques, combings, or cuttings, of their own or others' more youthful hair!—*Jeremy Taylor, Artificial Handsomeness*, p. 45.

Reimprégnate. *v. a.* Impregnate anew.
The vigour of the loadstone is destroyed by fire, nor will it be *reimpregnated* by any other magnet than the earth.—*Sir T. Browne.*

Reimprés. *v. a.* Impress anew.
To be of no church is dangerous. Religion, of which the rewards are distant, and which is animated only by Faith and Hope, will glide by degrees out of the mind unless it be invigorated and *reimpressed* by external ordinances, by stated calls to worship, and the salutary influence of example.—*Johnson, Lives of the Poets, Milton.* (Ord MS.)

Reimprés'sion. *s.* Second or repeated impression.
I have caused a *re-impression* of this tract.—*Sir H. Spelman.*

Reimprint. *v. a.* Imprint again: (Reprint *commoner*).
I have been often solicited within these two years to *reimprint* this little treatise.—*Sir H. Spelman.*

Rein. *s.* [N.Fr.]

1. Part of the bridle, which extends from the horse's head to the driver's or rider's hand.
Every horse bears his commanding *rein*,
And may direct his course as please himself.
Shakespear, Richard III. ii. 2.
Take you the *reins*, while I from cares remove,
And sleep within the chariot which I drove.
Dryden, Aurengzebe, v. 1.
With hasty hand the ruling *reins* he drew;
He lash'd the coursers, and the coursers flew.
Pope, Translation of the Odyssey, iii. 612.

2. Instrument of government; government. *Rare.*
The hard *rein*, which both of them have borne
Against the old kind king.
Shakespear, King Lear, iii. 4.
War wearied hath perform'd what war can do,
And to disorder'd rage let loose the *reins*.
Milton, Paradise Lost, vi. 695.

Give the reins. Give license.
When to his lust Ægisthus *gav the rein*,
Did fate or we the adulterous act constrain? *Pope.*

Rein. *v. a.*

1. Govern by a bridle.
He mounts and *reines* his horse. *Chapman.*
He, like a proud steed *rein'd*, went haughty on.
Milton, Paradise Lost, iv. 858
His son, the second Virbius, retain'd
His father's art, and warriour steeds he *rein'd*.
Dryden, Translation of the Æneid, vii. 1069.

2. Restrain; control.
And where you find a maid
That, ere she sleep, hath thrice her pray'rs said,
Rein up the organs of her fantasy;
Sleep she as sound as careless infancy.
Shakespear, Merry Wives of Windsor, v. 5.
Being once chaft, he cannot
Be *rein'd* again to temperance; then he speaks
What's in his heart. *Id., Coriolanus*, iii. 3.

Reindeer. *s.* Deer, native of the arctic and sub-artic regions, domesticated by the Laplanders, and driven in their sledges; Cervus tarandus: (observe the spelling in the extract).
It is a custom with the northern lovers to divert themselves with a song, whilst they journey through the fenny moors to pay a visit to their mistresses. This is addressed by the lover to his *raindeer*, which is the creature that in that country supplies the want of horses.—*Spectator*, no. 406.

In the previous editions the entry was *raindeer*; the derivation the Anglo-Saxon *hranas*; and the example the one now before us.

A few years back, the question as to the orthography of the word became a nine-day topic of general conversation. A bet had been laid that in Johnson's Dictionary the spelling was with *e*; and it was lost. There was sufficient surprise at this to get the matter talked about and discussed; the result being that nine persons out of ten throughout the kingdom showed that, when left to themselves, they spelt the word with an *e*. And such, beyond doubt, is the ordinary spelling in printed books.

On this ground—practical rather than theoretical—the place of the word in the Dictionary has been changed.

As a matter of orthography, both spellings are so objectionable that there is little to choose between them. In favour of that with *a*, the Anglo-Saxon word *hranas* is the chief fact. It must not, however, be forgotten that the word is not truly Anglo-Saxon. It is in the superadded parts (i.e. the narratives of Wolfstan and Other) of King Alfred's translation of Orosius, that it occurs, and there it is a Scandinavian gloss: 'these beasts they' (the inhabitants of the north of Norway) 'call *hranas*,'—*þa deor hi hataþ hranas*,' the word being plural, and the singular, which was no doubt *hran*, being non-occurrent. *Rhana* and *rhenons* are given by Bosworth as concurrent forms. The Icelandic form is *hreinn*, *hreindyr*.

That the first element of the word has anything to do with *rain*, few have ever held. That it is the *rein* (in driving-*rein*) has been held by many. And the reason of this is plain. The animal is a beast of draught. To guard against this mistake may be one of the reasons in favour of the spelling with *a*. On the other hand, however, if the catachresis has established itself, it may be well not only to recognize it, but to give it due prominence.

A question of more importance than this is that of the *sound* of the word; for it is the opinion of the editor that out of a faulty spelling has originated a faulty pronunciation. To say that, throughout the languages in which the term occurs, the vowel is *always* short, would be an exaggeration; since, not to mention the Icelandic forms, the German provincialisms *rehnthier* and *reiner*, the Danish (provincialism) *reen*, and the Norwegian *hreindyr*, are given by Nemnich. The current forms, however, are uniformly in *e*; German, *renn*, *rennthier*; Danish, *rendyr*; Swedish, *ren*; French, *renne*.

This list shows also that the *ren*, like the *roe* in *roebuck*, is a separate and independent word.

There is nothing that carries the derivation further back than the Latin *rheno* = jacket, also the name of a kind of deer; a connexion between the two being possible on the doctrine that the animal was called after the vestment made from his hide. Concerning *tarandus*, another Latin name, it has been suggested that, word for word, it is the German term *das rennthier*, in an old form, Latinized. (Facciolati *in voce.*) The notion that the word is of Finnish origin is unsupported; the Lap word being *paatzo*, in Tsherimiss and Votiak, *putsche*.

Assuming, then, that the recognition of the form with a *short* vowel, and the consequent elimination of the *i*, is impracticable, the question, as one of pure orthography, reduces itself to that of the relative merits of the combinations *-ane*, *-ain*, and *-ein*, as signs of the sound of the *a* in *fate*; in other terms, whether the word under notice should be spelt like *plane*, *main*, or *vein*. But not one of the three is entirely apposite; inasmuch as the mute *e* suits better for words of French, than of German, origin; and the *i* generally represents a *g* (*hagel* = hail, *segel* = sail, &c.). Such are the reasons for taking the word as we find it, and following common usage in a word which it is scarcely possible to spell in a way that shall be theoretically unobjectionable.

Reingrátiate. *v. a.* Ingratiate again; recommend to favour again.
Fearing his force, and that *probably* he would *reingratiate* himself.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 90.
Turkill, joining now with Canute, as it were now to *reingratiate* himself after his revolt, counselled him not to land.—*Milton, History of England*, b. vi.
If he were once *reingratiated* to his majesty's trust.—*Lord Clarendon, Life*, i. 152.

Reinhábit. *v. a.* Inhabit again.
It should be such a time, when a commission to cause the people to return and *re-inhabit*, should be seconded with another, to build the wall of Jerusalem, and the plot within the wall.—*Mede, On Daniel*, p. 10.
Towns and cities were not *reinhabited*, but lay ruined and waste.—*Milton, History of England*, b. iii.

Reínless. *adj.* Unchecked.
A wilful prince, a *reinless* raging horse.
Mirrour for Magistrates, p. 386.

Reins. *s. pl.* [Lat. *renes*, plural of *ren* = kidney.] Kidneys; lower part of the back.
Whom I shall see for myself, and mine eyes shall behold, and not another; though my *reins* be consumed within me.—*Job*, xix. 27.

Reinspíre. *v. a.* Inspire anew.
Time will run
On smoother, till Favonius *reinspire*
The frozen earth, and clothe in fresh attire
The lily and rose.
Milton, Sonnets, To Mr. Lawrence, 6.
The mangled dame lay breathless on the ground,
When on a sudden *reinspired* with breath,
Again she rose.
Dryden, Theodore and Honoria, 330.

Reinstáll. *v. a.*

1. Seat again.
That alone can truly *reinstall* thee
In David's royal seat, his true successor.
Milton, Paradise Regained, iii. 372.

2. Put again in possession.
Thy father
Levied an army, weening to redeem
And *reinstal* me in the diadem.
Shakespear, Henry VI. Part I. ii. 5.

Reinstáte. *v. a.* Put again in possession.
David, after that signal victory which had preserved his life, *reinstated* him in his throne, and restored him to the ark and sanctuary; yet suffered the loss of his rebellious son to overwhelm the sense of his deliverance.—*Dr. H. More, Government of the Tongue.*
Modesty *reinstates* the widow in her virginity.—*Addison.*
Rothrad, deposed by Hincmar, deposed by the Council of Senlis, is *reinstated* in his see.—*Milman, History of Latin Christianity*, b. v. ch. iv.

Reinstátement. *s.* Restoration to a position, rank, or office, once lost.

Rélegate. *v. a.* [Lat. *relegatus*, pass. part. of *relego* = I banish; *relegatio, -onis.*] Banish; exile.

We have not *relegated* religion (like something we were ashamed to shew) to obscure municipalities or rustick villages.—*Burke.*

Relegátion. *s.* Exile; judicial banishment.

According to the civil law, the extraordinary punishment of adultery was deportation or *relegation*.—*Ayliffe, Parergon Juris Canonici.*

Rélent. *v. n.* [Fr. *ralentir*; Lat. *lentus* = slow, viscid.]

1. Soften; grow less rigid or hard; give.
   In some houses, sweetmeats will *relent* more than in others.—*Bacon.*
   In that soft season when descending showers
   Call forth the greens, and wake the rising flowers;
   When opening buds salute the welcome day,
   And earth *relenting* feels the genial ray.
   Pope, Temple of Fame, 1.
2. Melt; grow moist.
   Crows seem to call upon rain, which is but the comfort they seem to receive in the *relenting* of the air.—*Bacon.*
   Salt of tartar, brought to fusion, and placed in a cellar, will, in a few minutes, begin to *relent*, and have its surface softened by the imbibed moisture of the air, wherein, if it be left long, it will totally be dissolved.—*Boyle.*
   All nature mourns, the skies *relent* in showers,
   Hush'd are the birds, and closed the drooping flowers;
   If Delia smile, the flowers begin to spring,
   The skies to brighten, and the birds to sing.
   Pope, Pastorals, Spring.
3. Grow less intense; soften in temper; grow tender; feel compassion.
   Can you behold
   My tears, and will not once *relent?*
   Shakespear, Henry VI. Part I. iii. 1.
   I'll not be made a soft and dull-eyed fool,
   To shake the head, *relent*, and sigh, and yield
   To christian intercessors.
   Id., Merchant of Venice, iii. 3.
   Undoubtedly he will *relent*, and turn
   From his displeasure.
   Milton, Paradise Lost, x. 1093.
   He sung, and hell consented
   To hear the poet's pray'r;
   Stern Proserpine *relented*,
   And gave him back the fair.
   Pope, Ode on St. Cecilia's Day.

Rélent. *v. a.*

1. Slacken; remit. *Obsolete.*
   Apace he shot, and yet he fled apace,
   And oftentimes he would *relent* his pace,
   That him his foe more fiercely should pursue.
   Spenser.
2. Soften; mollify.
   Air hateth earth, and water hateth fire,
   Till love *relented* their rebellious ire. *Spenser.*
3. Dissolve.
   Thou art a pearl which nothing can *relent*,
   But vinegar made of devotion's tears.
   Sir J. Davies, Witte's Pilgrimage, sign. C. 2.

Rélent. *s.* Remission; stay. *Rare.*

She forward went
To seeke her love where he was to be sought;
Ne rested, till she came without *relent*
Unto the land of Amazons, as she was bent.
Spenser, Faerie Queen, v. 7, 24.

Rélenting. *verbal abs.* Act of one who, that which, relents; growing less intense.

I have marked in you a *relenting* truly, and a slacking of the main career, you had so notably begun, and almost performed.—*Sir P. Sidney.*
The workmen let glass cool by degrees in such *relentings* of fire, as they call their nealing heats, lest it should shiver in pieces by a violent succeeding of air.—*Sir K. Digby, Treatise on the Nature of Bodies.*

Rélentless. *adj.*

1. Unpitying; unmoved by kindness or tenderness.
   She's obdurate,
   Flinty, *relentless.*
   Beaumont and Fletcher, Lover's Progress.
   For this the avenging power employs his darts ...
   Thus will persist, *relentless* in his ire,
   Till the fair slave be render'd to her sire.
   Dryden, Translation of the First Book of the Iliad, 143.
   Should the weeping hero now
   Relentless to her wishes prove ...
   Yet ought his sorrows to be check'd.
   Prior, Ode on the Death of Queen Mary.
2. ? Cruel.
   Only in destroying I find ease
   To my *relentless* thoughts.
   Milton, Paradise Lost, ix. 130

Rélevancy. *s.* State of being relevant.

The matter of the charge, which is there called the *relevancy* of the libel, was to be argued by lawyers, whether the matter, suppose it to be proved, did amount to high treason or not.—*Bishop Burnet, History of his own Time.*

Rélevant. *adj.* [Lat. *levo* = I lighten, make light, ease; pres. part. *levans, -antis.*] Relieving; lending aid; affording something to the purpose: (hence, often coalescing in meaning with having *reference* to).

Having shewed you that we differ about the meaning of Scripture, and are like to do so; certainly there ought to be a rule, or a judge, between us, to determine our differences, or at least to make our probations and arguments *relevant*.—*King Charles, Letter to A. Henderson*: 1649.
A positive regulation respecting marriage, *relevant* to a like regulation of the institution of the theocracy.—*Pownall, Treatise on the Study of Antiquities*, p. 140: 1782.

Reliable. *adj.* This word, commoner in conversation than in writing, is probably more used in America than in Great Britain; though of its having originated in America there is no proof. The ordinary (approximate) substitute for it is *trustworthy*. More useful than correct, the word is faulty in two respects. To be perfectly unobjectionable the form in *-able* (*penetrable* is a typical word) should have the first element Latin, and should be exactly rendered by the words *capable of being*, followed by a *passive* participle. Now *rely* (by *itself*) has no passive participle at all, but requires the preposition (*on*) to complete the sense. But in the word under notice this preposition is wanting; nor would such a word as *relied-on-able* be admitted as an improvement.

Reliance. *s.* [see Rely.] Trust; dependance; confidence; repose of mind: (with *on* before the object of trust.)

His days and times are past,
And my *reliances on* his fracted dates
Has smit my credit.
Shakespear, Timon of Athens, ii. 1.
That pellucid gelatinous substance, which he pitches upon with so great *reliance* and positiveness, is chiefly of animal constitution.—*Woodward.*
He secured and encreased his prosperity, by an humble behaviour towards God, and a dutiful *reliance on* his providence.—*Bishop Atterbury.*
They afforded a sufficient conviction of this truth, and a firm *reliance on* the promises contained in it.—*Rogers.*
Resignation in death, and *reliance on* the divine mercies, give comfort to the friends of the dying.—*Richardson, Clarissa.*
Misfortunes often reduce us to a better *reliance* than that we have been accustomed to fix upon.—*Ibid.*

Rélic. *s.* [Lat. *reliquiæ*; Fr. *relique.*] (The old spelling *relique.*)

1. That which remains; that which is left after the loss or decay of the rest.
   Up dreary dame of darkness queen,
   Go gather up the *reliques* of thy race,
   Or else go them avenge. *Spenser.*
   Shall we go see the *relicks* of this town?
   Shakespear, Twelfth Night, iii. 3.
   The fragments, scraps, the bits, and greasy *relicks*
   Of her o'er-eaten faith are bound to Diomede.
   Id., Troilus and Cressida, v. 2.
   Nor death itself can wholly wash their stains,
   But long contracted filth ev'n in the soul remains;
   The *relicks* of inveterate vice they wear,
   And spots of sin.
   Dryden, Translation of the Æneid, vi. 998.
2. The body deserted by the soul.
   What needs my Shakespeare for his honour'd bones,
   The labour of an age in piled stones?
   Or that his hallow'd *reliques* should be hid
   Under a star-ypointing pyramid?
   Milton, Epitaph on Shakespear.
   In peace, ye shades of our great grandsires, rest;
   Eternal spring, and rising flowers adorn
   The *relicks* of each venerable urn. *Dryden.*
   Shall our *relicks* second birth receive?
   Sleep we to wake, and only die to live?
   Prior, Solomon, iii. 591.
   Thy *relicks*, Rowe, to this fair shrine we trust,
   And sacred place by Dryden's awful dust?
   Beneath a rude and nameless stone he lies,
   To which thy tomb shall guide enquiring eyes.
   Pope, Epitaph intended for Mr. Rowe.
3. That which is kept in memory of another, with a kind of religious veneration.
   Cowls, hoods, and habits, ... *reliques*, beads, ...
   The sport of winds. *Milton, Paradise Lost*, iii. 489.
   This church is very rich in *relicks*; among the rest, they show a fragment of Thomas à Becket, as indeed there are very few treasuries of *relicks* in Italy, that have not a tooth or a bone of this saint.—*Addison, Travels in Italy.*
   The pilgrim that journeys all day
   To visit some far-distant shrine,
   If he bear but a *relick* away,
   Is happy, nor heard to repine.
   Shenstone, Pastoral Ballads.

Rélicly. *adv.* In the manner of a relic. *Rare.*

Thrifty wench scrapes kitchen stuff,
And barrelling the droppings and the snuff
Of wasting candles, which in thirty year
Relickly kept, perhaps buys wedding cheer.
Donne, Satires.

Rélict. *s.* Widow; wife desolate by the death of her husband. (So it stands in the preceding editions; in which case its derivation is *relicta*, the feminine of *relictus* = left. But *relictus*, masculine, would give the same form. It is most convenient to treat the word as the term applied to the survivor of a pair of married people, whether male or female, husband or wife; in which case it is a generic name under which *widow* and *widower* are co-ordinates).

If the fathers and husbands were of the household of faith, then certainly their *relicts* and children cannot be strangers in this household. — *Bishop Sprat, Sermons.*

Chaste *relict!*
Honour'd on earth, and worthy of the love
Of such a spouse, as now resides above. *Garth.*

Reliéf. *s.* [Fr.]

1. Alleviation of calamity; mitigation of pain or sorrow: (not often found in the *plural.*)

Charitable *reliefs* of the needy.—*Sir E. Sandys, State of Religion*, sign. P.: ed. 1605.

Thoughts in my unquiet breast are risen,
Tending to some *relief* of our extremes.
Milton, Paradise Lost, x. 976.

2. That which frees from pain or sorrow.

He found his designed present would be a *relief*, and then he thought it an impertinence to consider what it would be called besides.—*Bishop Fell, Life of Hammond.*

So should we make our death a glad *relief*
From future shame.
Dryden, Palamon and Arcite, iii. 1094.

Nor dared I to presume, that press'd with grief,
My flight should urge you to this dire *relief*;
Stay, stay your steps.
Id., Translation of the Æneid, vi. 627.

3. Dismission of a sentinel from his post.

For this *relief* much thanks; 'tis bitter cold,
And I am sick at heart. *Shakespear, Hamlet*, i. 1.

4. Broken meat, given in alms. *Obsolete.*

Ete of the *releef* that they lefte.—*Liber Festivalis*, fol. 32.

Reliéf. *s.* [N.Fr. from Low Lat. *relevium.*] In the feudal law, a payment made to the lord by the tenant coming into possession of an estate, held under him.

The fines on the succession to an estate, called in the feudal language *reliefs*, were not fixed to any certainty; and were therefore frequently made so excessive that they might rather be considered as redemptions, or new purchases, than acknowledgments of superiority and tenure.—*Burke, Abridgement of English History.*

A *relief* was a sum of money ... due from every one of full age taking a fief by descent. ... *Reliefs* ... certainly appear in the famous edict of Conrad the Salic in 1037, which recognizes the usage of presenting horses and arms to the lord upon a change of tenancy.—*Hallam, View of the State of Europe during the Middle Ages*, ch. ii.

(See also under Seisin.)

Reliéf. *s.* [N.Fr.] In *Hunting.* Particular note on the bugle, of full and lively character, denoting an advance.

Now, sir, when you come to your stately gate, as you sounded the recheat before, so now you must sound the *releefe* three times.—*Return from Parnassus.* (Nares by H. and W.)

Reliéf. *s.* [from Italian *rilievo.*] Prominence of a figure in stone or metal; seeming prominence of a picture.

The figures of many ancient coins rise up in a much more beautiful *relief* than those on the modern; the face sinking by degrees in the several declensions of the empire, till about Constantine's time, it lies almost even with the surface of the medal.—*Addison, Dialogues on the Usefulness of Ancient Medals.*

Not with such majesty, such bold *relief*,
The form august of kings, or conquering chief,
E'er swell'd on marble, as in verse have shined,
In polish'd verse, the manners and the mind.
Pope, Imitations of Horace, b. ii. ep. i.

Relíer. *s.* One who places reliance.

My friends [are] no *reliers* on my fortune.
Beaumont and Fletcher, Tamer Tamed.

Relíévable. *adj.* Capable of being relieved.

Neither can they, as to reparation, hold plea of things, wherein the party is *relievable* by common law.—*Sir M. Hale.*

Reliéve. *v. a.* [Fr. *relever*; Lat. *relevo.*]

1. Ease pain or sorrow.
2. Succour by assistance.

From thy growing store,
Now lend assistance, and *relieve* the poor;
Come, do a noble act of charity;
A pittance of thy land will set him free.
Dryden, Translation of Persius, vi. 72.

3. Set a sentinel at rest, by placing another on his post.

Honest soldier, who hath *relieved* you?—
Bernardo has my place, give you good night.
Shakespear, Hamlet, i. 1.

Relieve the sentries that have watch'd all night.
Dryden, Spanish Friar, i. 1.

4. Right by law.
5. Recommend by the interposition of something dissimilar.

As the great lamp of day
Through different regions, does his course pursue,
And leaves one world but to revive a new;
While, by a pleasing change, the queen of night
Relieves his lustre with a milder light. *Stepney.*

Since the inculcating precept upon precept will prove tiresome, the poet must not encumber his poem with too much business; but sometimes *relieve* the subject with a moral reflection.—*Addison, On the Georgicks.*

6. Support; assist; recommend to attention.

Parallels, or like relations, alternately *relieve* each other; when neither will pass asunder, yet are they plausible together.—*Sir T. Browne, Vulgar Errours.*

Reliéver. *s.* One who, that which, relieves.

He is the protector of his weakness, and the *reliever* of his wants.—*Rogers, Sermons.*

Relievo. *s.* [Italian.] Prominence of a figure or picture.

A convex mirrour makes the objects in the middle come out from the superficies: the painter must do so in respect of the lights and shadows of his figures, to give them more *relievo* and more strength.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Relíght. *v. a.* Light anew.

His power can heal me, and *relight* my eye.
Pope.

Religion. *s.* [Fr.; Lat. *religio, -onis.*]

1. Virtue, as founded upon reverence of God, and expectation of future rewards and punishments.

He that is void of fear, may soon be just;
And no *religion* binds men to be traitors.
B. Jonson.

One spake much of right and wrong,
Of justice, of *religion*, truth, and peace,
And judgement from above.
Milton, Paradise Lost, xi. 666.

By *religion*, I mean that general habit of reverence towards the divine nature, whereby we are enabled and inclined to worship and serve God after such a manner as we conceive most agreeable to his will, so as to procure his favour and blessing.—*Bishop Wilkins.*

If we consider it as directed against God, it is a breach of *religion*; if as to men, it is an offence against morality.—*South, Sermons.*

Religion or virtue, in a large sense, includes duty to God and our neighbour; but in a proper sense, virtue signifies duty towards men, and *religion* duty to God.—*Watts.*

I never once in my life considered whether I was living as the laws of *religion* direct, or whether my way of life was such as would procure me the mercy of God at this hour.—*Law.*

2. System of divine faith and worship as opposite to others.

The doctrine of the gospel proposes to men such glorious rewards and such terrible punishments as no *religion* ever did, and gives us far greater assurance of their reality and certainty than ever the world had.—*Archbishop Tillotson.*

3. Religious rites: (in the *plural*).

The Britons were taken up with *religions*, more than feats of arms.—*Milton, History of England*, b. iii.

Gay *religions* full of pomp and gold.
Milton, Paradise Lost, iii. 372.

4. Superstitious reverence. *Latinism.*

Those parts of pleading which in ancient times might perhaps be material, but at this time are become only mere styles and formes, are still continued with much *religion.*—*Sir M. Hale, History of the Common Law.* (Ord MS.)

Religionary. *adj.* Relating to religion; pious.

His [Bishop Sanderson's] *religionary* professions in his last will and testament, contain somewhat like prophetical matter in his mentioning his belief of the happy future state of our church in a conditional manner.—*Bishop Barlow, Remains*, p. 638.

Religionism. *s.* Appearance, guise of religion.

'Political *Religionism.*'—In Professor Dugald Stewart's first Dissertation on the Progress of Philosophy, I find this singular and significant term. It has occasioned me to reflect on those contests for religion, in which a particular faith has been made the ostensible pretext, while the secret motive was usually political.... This subject of 'Political *Religionism*' is indeed as nice as it is a curious one; Politics have been so cunningly worked into the cause of Religion, that the parties themselves will never be able to separate them; and to this moment, the most opposite opinions are formed concerning the same events and the same persons.—*I. Disraeli, Curiosities of Literature, Political Religionism.*

Religionist. *s.* Bigot to any religious persuasion.

The boldest *religionists*, and mock-prophets, are very full of heat and spirits; and have their imagination too often infected with the fumes of those lower parts, the full sense and pleasure whereof they prefer before all the subtile delights of reason and generous contemplation.—*Dr. H. More, Conjectura Cabbalistica*, p. 231: 1653.

The lawfulness of taking oaths may be revealed to the quakers, who then will stand upon as good a foot for preferment as any other subject; under such a motley administration, what pullings and hawlings, what a zeal and bias there will be in each *religionist* to advance his own tribe, and depress the others!—*Swift.*

Even in respect of those intermediate characters, the influence of an oath in securing veracity is, I conceive, far less than some suppose. Let any one compare the evidence given on oath, with that of those *religionists* who are allowed by law to substitute a 'solemn affirmation,' and he will find no signs of the advantage of sworn-testimony. Or, if he consider these *religionists* as, generally, more conscientious than the average, let him compare the evidence (of which we have such voluminous records) given before Committees of the House of Lords, which is on oath, with that before Committees of the Commons, which is not; and he will find about the same proportion of honest and of dishonest testimony in each.—*Archbishop Whately, Elements of Rhetoric*, pt. i. ch. ii. § 4.

It was maintained in argument by Rutherford, at the time when Jeremy Taylor was arraying all the stores of his mind against it. It may be said that Taylor belonged to a worsted class of *religionists*, and that such readily adopted the doctrines of toleration; but this class had both before been in the ascendant, and afterwards regained their position. Neither under the first nor the second Charles was the naked theory of persecution avowed in the manner of the intermediate period. — *Gladstone, The State in its Relations with the Church*, ch. viii.

Religious. *adj.*

1. Pious; disposed to the duties of religion.

It is a matter of sound consequence that all duties are by so much the better performed, by how much the men are more *religious*, from whose habilities the same proceed.—*Hooker, Ecclesiastical Polity.*

When holy and devout *religious* men
Are at their beads, 'tis hard to draw them thence;
So sweet is zealous contemplation!
Shakespear, Henry VI. Part I. iii. 7

Their lives
Religious titled them the sons of God.
Milton, Paradise Lost, xi. 621.

2. Teaching religion.

He God doth late and early pray,
More of his grace than gifts to lend;
And entertains the harmless day
With a *religious* book or friend. *Sir H. Wotton.*

3. Among the Romanists, bound by the vows of poverty, chastity, and obedience.

Certain fryars and *religious* men were moved with some zeal, to draw the people to the christian faith.—*Abbot.*

France has vast numbers of ecclesiasticks, secular and *religious.*—*Addison, Present State of the War.*

4. Exact; strict.
5. Appropriated to strict observance of holy duties.

Her family has the same regulation as a *religious* house, and all its orders tend to the support of a constant regular devotion.—*Law.*

Religious. *s.* One, among the Romanists, bound by vows.

What the Protestants call a fanatick, is in the Roman church a *religious* of such an order.—*Addison.*

Religiously. *adv.* In a religious manner.

1. Piously; with obedience to the dictates of religion.

For, who will have his work his wished end to win,
Let him with hearty pray'r *religiously* begin.
Drayton.

2. According to the rites of religion.
These are their brethren, whom you Goths behold
Alive and dead, and for their brethren slain
Religiously they ask a sacrifice.
Shakespear, Titus Andronicus, i. 2.

3. Reverently: with veneration.
Dost thou, in all thy addresses to him, come into his presence with reverence, kneeling and *religiously* bowing thyself before him?—*Duppa, Rules to Devotion.*

4. Exactly; with strict observance.
The privileges, justly due to the members of the two houses and their attendants, are *religiously* to be maintained.—*Bacon.*

Relígiousness. *s.* Attribute suggested by Religious; quality or state of being religious.
As for princes and great persons, it is a rare thing, and surely an happy, wheresoever it falleth out of them, that any of them hath any extraordinary store of *religiousness* of any sort.—*Sir E. Sandys, State of Religion*, pt. iv.: 1605.
I have always looked upon this disputative *religiousness*, as no better than a new-fashioned knight-errantry.—*Goodman, Winter Evening Conference*, pt. i.

Relínquish. *v. a.* [Lat. *relinquo.*]

1. Forsake; abandon; leave; desert.
The habitation there was utterly *relinquished*.—*Abbot.*
The English colonies grew poor and weak, though the English lords grew rich and mighty; for they placed Irish tenants upon the lands *relinquished* by the English.—*Sir J. Davies, Discourse on the State of Ireland.*

2. Quit; please; give up.
The ground of God's sole property in any thing is, the return of it made by man to God; by which act he *relinquishes* and delivers back to God all his right to the use of that thing, which before had been freely granted him by God.—*South, Sermons.*

3. Forbear; depart from.
In case it may be proved, that amongst the number of rites and orders common unto both, there are particulars, the use whereof is utterly unlawful, in regard of some special bad and noisome quality; there is no doubt but we ought to *relinquish* such rites and orders, what freedom soever we have to retain the other still.—*Hooker, Ecclesiastical Polity.*

Relínquishment. *s.* Act of forsaking.
Government or ceremonies, or whatsoever it be, which is popish, away with it: this is the thing they require in us, the utter *relinquishment* of all things popish.—*Hooker, Ecclesiastical Polity.*
That natural tenderness of conscience, which must first create in the soul a sense of sin, and from thence produce a sorrow for it, and at length cause a *relinquishment* of it, is took away by a customary repeated course of sinning.—*South, Sermons.*
In its rivalry of the Establishment, it has acted against his feelings and advice; in the growth of the hierarchical element, it has abandoned his principle for his example; in its violence against the Church of Rome, it has forgotten the first years of his religious life; in its care for ministerial education, and its *relinquishment* of field-preaching, it shows that the point is reached in its course when order takes the place of enthusiasm.—*J. H. Newman, Essay on the Development of Christian Doctrine*, sect. i. ch. i.

Réliquary. *s.* [Fr. *reliquaire.*] Casket in which relics are kept.
I stopped at St. Denis, saw all the beautiful monuments of the kings of France; . . . rubies and emeralds, as big as small eggs; crucifixes and vows, crowns and *reliquaries*, of inestimable value.—*Gray, Letter to West*: 1739.

Rélique. *s.* Same as Relic.
On these terms Innocent permitted the Cardinal Legate to receive at Narni Conrad's oath of unqualified fidelity on the gospels, on the cross, and on the holy *reliques*.—*Milman, History of Latin Christianity*, b. ix. ch. i.

Rélish. *s.*

1. Taste; effect of anything on the palate: (commonly used of a *pleasing* taste).
Under sharp, sweet and sour, are abundance of immediate peculiar *relishes* or tastes, which experienced palates can easily discern.—*Boyle, Experiments and Considerations touching Colours.*
These two bodies, whose vapours are so pungent, spring from saltpetre, which betrays upon the tongue no heat or corrosiveness, but coldness mixed with a somewhat languid *relish* retaining to bitterness.—*Boyle.*
Much pleasure we have lost, while we abstain'd
From this delightful fruit, nor known till now
True *relish*, tasting. *Milton, Paradise Lost*, ix. 1022.

Could we suppose their *relishes* as different there as here, yet the manna in heaven suits every palate.—*Locke.*
Sweet, bitter, sour, harsh, and salt are all the epithets we have to denominate that numberless variety of *relishes* to be found distinct in the different parts of the same plant.—*Id.*

2. Taste; small quantity just perceptible.
The king-becoming graces;
As justice, verity, temp'rance, stableness,
Devotion, patience, courage, fortitude,
I have no *relish* of them.
Shakespear, Macbeth, iv. 3.

3. Liking; delight in anything.
We have such a *relish* for faction, as to have lost that of wit.—*Addison, Freeholder.*
Good men after death are distributed among these several islands with pleasures of different kinds, suitable to the *relishes* and perfections of those settled in them.—*Id., Spectator.*

4. Sense; power of perceiving excellence; taste: (Addison uses it both with *of* and *for* before the thing).
A man, who has any *relish for* fine writing, discovers new beauties, or receives stronger impressions from the masterly strokes of a great author every time he peruses him.—*Addison.*
Some hidden seeds of goodness and knowledge give him a *relish of* such reflections, as improve the mind, and make the heart better.—*Id., Spectator.*
The pleasure of the proprietor, to whom things become familiar, depends, in a great measure, upon the *relish* of the spectator.—*Seed, Sermons.*

5. Delight given by anything; power by which pleasure is given.
Expectation whirls me round;
The imaginary *relish* is so sweet,
That it enchants my sense.
Shakespear, Troilus and Cressida, iii. 2.
When liberty is gone,
Life grows insipid, and has lost its *relish*.
Addison, Cato.

6. Cast; manner.
It preserves some *relish* of old writing.—*Pope.*

Rélish. *v. a.* [N.Fr. *relecher* = to lick over again. (Cotgrave.)]

1. Give a taste to anything.
Smoking lard,
On which with eager appetite they dine;
A savoury bit that served to *relish* wine.
Dryden, Translation from Ovid, Baucis and Philemon.

2. Taste; have a liking.
I love the people;
Though it do well, I do not *relish* well
Their loud applause.
Shakespear, Measure for Measure, i. 1.
How will dissenting brethren *relish* it?
What will malignants say?
Butler, Hudibras, i. 2, 629.
He knows how to prize his advantages, and *relish* the honours which he enjoys.—*Bishop Atterbury.*
You are to nourish your spirit with pious readings and holy meditations, with watchings, fastings, and prayers, that you may taste, and *relish*, and desire that eternal state, which is to begin when this life ends.—*Law.*

3. Taste of; give the cast or manner of.
'Tis order'd well, and *relisheth* the soldier.
Beaumont and Fletcher, Beggar's Bush.

Rélish. *v. n.*

1. Have a pleasing taste.
The ivory feet of tables were carved into the shape of lions, without which their greatest dainties would not *relish* to their palates.—*Hakewill, Apology.*

2. Give pleasure.
Had I been the finder-out of this secret, it would not have *relished* among my other discredits.—*Shakespear, Winter's Tale*, v. 2.

3. Have a flavour.
A theory, which how much soever it may *relish* of wit and invention, hath no foundation in nature.—*Woodward.*

Relíve. *v. n.* Live anew.
In March the sunne renueth his finished course, and the seasonable spring refresheth the earth; and the pleasaunce thereof, being buried in the sadnesse of the dead winter now worne away, *relieveth*.—*Argument to Spenser's Shepherd's Calendar.*
Will you deliver
How this dead queen *relives*?
Shakespear, Pericles, v. 3.

Relíve. *v. a.* Bring back to life; revive. *Rare.*
Which whenas Una saw, through every vaine
The crudled cold ran to her well of life,
As in a swowne; but, soone *relived* againe,
Out of his hand she snatcht the cursed knife.
Spenser, Faerie Queen, i. 9, 52.

Relóve. *v. a.* Love in return. *Rare.*
To own for him so familiar and levelling an affection as love, much more to expect to be *reloved* by him, were not the least saucy presumption man could be guilty of, did not his own commandments make it a duty.—*Boyle.*

Relúcent. *adj.* [Lat. *relucens, -entis*, pres. part. of *reluceo.*]

1. Shining; eminent.
That college wherein piety and beneficence were *relucent* in despite of jealousies.—*Hacket, Life of Archbishop Williams*, p. 46: 1693.

1. Struggling against; resisting with violence.
Clouds began
To darken all the hill, and smoke to roll
In dusky wreaths, *reluctant* flames.
Milton, Paradise Lost, vi. 56.
Down he fell
A monstrous serpent on his belly prone,
Reluctant, but in vain; a greater power
Now ruled him, punish'd in the shape he sinn'd.
Ibid. x. 513.

2. Unwilling; acting with slight repugnance; coy.
And sweet, *reluctant*, amorous delay.
Milton, Paradise Lost, iv. 311.
Some refuge in the muse's art I found;
Reluctant now I touch'd the trembling string,
Bereft of him who taught me how to sing.
Tickell.
They think that the size of their works will make them immortal. They pile up *reluctant* quarto upon solid folio, as if their labours, because they are gigantic, could contend with truth and heaven.—*Letters of Junius*, letter x.

Relúctate. *v. n.* Resist; struggle against. *Rare.*
In violation of God's patrimony, the first sacrilege is looked on with some horrour, and men devise colours to delude their *reluctating* consciences; but when they have once made the breach, their scrupulosity soon retires.—*Dr. H. More, Decay of Christian Piety.*

Reluctátion. *s.* Repugnance; resistance; unwillingness.
The king prevailed with the prince, though not without some *reluctation*.—*Bacon, History of the Reign of Henry VII.*

Of those who sternly struggle to *relume*
The lamp of Hope o'er man's bewildered lot.
Shelley, The Revolt of Islam.

Relúmine. *v. a.* Light afresh.

His cheek recovers soon its healthful hue;
His eye *relumines* its extinguish'd fires.
Cowper, Task, The Sofa.

Rely. *v. n.* [N.Fr. *relier*; in Modern French the meaning of this word being *bind afresh*, from Latin *religo*. The details of the connection in sense are obscure.] Lean upon with confidence; put trust in; rest upon; depend upon: (with *on*).

Go, in thy native innocence; *rely*
On what thou hast of virtue; summon all!
For God tow'rds thee hath done his part; do thine!
Milton, Paradise Lost, ix. 373.

Egypt does not *on* the clouds *rely*,
But to the Nile owes more than to the sky.
Waller.

Thus Solon to Pisistratus reply'd,
Demanded *on* what succour he *rely'd*,
When with so few he boldly did engage?
He said, he took his courage from his age.
Sir J. Denham, Of Old Age, pt. iv.

Though reason is not to be *relied upon*, as universally sufficient to direct us what to do; yet it is generally to be *relied upon* and obeyed, where it tells us what we are not to do.—*South, Sermons.*

Fear *relies upon* a natural love of ourselves, and is complicated with a necessary desire of our own preservation.—*Archbishop Tillotson.*

Such variety of arguments only distract the understanding that *relies on* them.—*Locke.*

The pope was become a party in the cause, and could not be *relied upon* for a decision.—*Bishop Atterbury.*

Do we find so much religion in the age, as to *rely on* the general practice for the measures of our duty?—*Rogers.*

Remaín. *v. n.* [N.Fr. *remainer, remaigner*; Lat. *maneo* = I wait.]

1. Left out of a greater quantity or number.

Bake that which ye will bake to-day, and seethe what ye will seethe: and that which *remaineth* over, lay up for you to be kept until the morning.—*Exodus*, xvi. 23.

Those that *remain* shall be buried in death.—*Job*, xxvii. 15.

2. Continue; endure; be left in a particular state.

[He] for the time *remain'd* stupidly good.

3. Be left after any event.

Childless thou art, childless *remain*.
Milton, Paradise Lost, x. 989.

In the families of the world, there *remains* not to one above another the least pretence to inheritance.—*Locke.*

4. Not to be lost.

Now somewhat sing, whose endless souvenance
Among the shepherds may for aye *remain*.
Spenser.

If that which ye have heard from the beginning shall *remain* in you, ye also shall continue in the Son and in the Father.—1 *John*, ii. 24.

5. Be left as not comprised.

That a father may have some power over his children, is easily granted; but that an elder brother has so over his brethren, *remains* to be proved.—*Locke.*

6. Continue in a place.

Remaín. *v. a.* Await; be left to.

Such end had the kid; for he would weaned be
Of craft coloured with simplicity;
And such end, pardie, does all them *remain*
That of such falsers friendship shall be fain.
Spenser.

I only with an oaken staff will meet thee,
And raise such outcries on thy clatter'd iron,
Which long shall not withhold me from thy head,
That in a little time, while breath *remains* thee,
Thou oft shalt wish thyself at Gath to boast
Again in safety what thou wouldst have done
To Samson, but shalt never see Gath more.
Milton, Samson Agonistes, 1123.

If thence he 'scape, . . . what *remains* him less
Than unknown dangers?
Id., Paradise Lost, ii. 442.

The easier conquest now
Remains thee, aided by this host of friends,
Back on thy foes more glorious to return.
Ibid., vi. 37.

Remaín. *s.* (generally *plural.*)

1. Relic; that which is left.

I know your master's pleasure, and he mine;
All the *remain* is welcome.

The war, grounded upon this general *remediless* necessity, may be termed the general, the *remediless*, or the necessary war.—*Sir W. Raleigh, Essays.*

We, by rightful doom *remediless*,
Were lost in death, till he, that dwelt above
High-throned in secret bliss, for us frail dust
Emptied his glory.
Milton, Odes, Upon the Circumcision, 17.

Flatter him it may, as those are good at flattering who are good for nothing else; but in the mean time, the poor man is left under a *remediless* delusion.—*South, Sermons.*

Dr. Johnson has placed the accent on the second syllable, *remédiless*: but it is irregular, for every monosyllabic termination added to a word accented

on the antepenult, throws the accent to the fourth syllable from the end.—*Nares, Elements of Orthoepy.*

Rémedy. *s.* [Lat. *remedium*; Fr. *remède.*]

1. Medicine by which any illness is cured.
   The difference between poisons and *remedies* is easily known by their effects; and common reason soon distinguishes between virtue and vice.—*Swift.*
2. Cure of any uneasiness.
   Here hope began to dawn; resolved to try,
   She fix'd on this her utmost *remedy.*
   Dryden, Theodore and Honoria, 399.

   Ay, thou poor ghost, while memory holds a place
   In this distracted brain. *Remember* thee!
   Shakespear, Hamlet, i. 5.
2. Recollect; call to mind.
   He having once seen and *remembered* me, even from the beginning began to be in the rierward.—*Sir P. Sidney.*
   We are said to *remember* anything, when the idea of it arises in the mind with a consciousness that we have had this idea before.—*Watts, On the Improvement of the Mind.*
3. Keep in mind; have present to the attention.
   Remember what I warn thee, shun to taste;
   And shun the bitter consequence.
   Milton, Paradise Lost, viii. 327.
   This is to be *remembered,* that it is not possible now to keep a young gentleman from vice by a total ignorance of it; unless you will all his life mew him up.—*Locke.*
4. Bear in mind, with intent of reward or punishment.
   Cry unto God; for you shall be *remembered* of him.—*Barrow.*
   He brings them back,
   Remembering mercy and his covenant sworn.
   Milton, Paradise Lost, xii. 345.
5. Mention; not omit.
   A citation ought to be certain, in respect of the person cited: for, if such certainty be therein omitted, such citation is invalid, as in many cases hereafter to be *remembered.—Ayliffe, Parergon Juris Canonici.*
6. Put in mind; force to recollect; remind.
   His hand and leg commanding without threatning, and rather *remembering* than chastising.—*Sir P. Sidney.*
   Joy, being altogether wanting,
   It doth *remember* me the more of sorrow.
   Shakespear, Richard II. iii. 4.
   It grieves my heart to be *remember'd* thus
   By any one, of one so glorious. *Chapman.*
   These petitions, and the answer of the common council of London, were ample materials for a conference with the lords, who might be thereby *remembered* of their duty.—*Lord Clarendon, History of the Grand Rebellion.*
   I would only *remember* them in love and prevention, with the doctrine of the Jews, and the example of the Grecians.—*Holyday.*
7. Preserve from being forgotten.
   Let them have their wages duly paid,
   And something over to *remember* me.
   Shakespear, Henry VIII. iv. 2.

Remémberer. *s.* One who remembers.
A brave master to servants, and a *rememberer* of the least good office; for his flock, he transplanted most of them into plentiful soils.—*Sir H. Wotton.*

Remémbrance. *s.* [N.Fr.]

1. Retention in memory; memory.
   Though Cloten then but young, time has not wore him
   From my *remembrance.*
   Shakespear, Cymbeline, iv. 4.
   'Twas his chief punishment to keep in store
   The sad *remembrance* what he was before.
   Sir J. Denham, Progress of Learning.
   Sharp *remembrance* on the English part,
   And shame of being match'd by such a foe,
   Rouse conscious virtue up in every heart.
   Dryden, Annus Mirabilis, exc.
2. Recollection; revival of any idea; reminiscence.
   I hate thy beams,
   That bring to my *remembrance* from what state
   I fell; how glorious once above thy sphere.
   Milton, Paradise Lost, iv. 37.
   Remembrance is when the same idea recurs, without the operation of the like object on the external sensory.—*Locke.*
3. Honourable memory.
   Rosemary and rue keep
   Seeming and savour all the winter long;
   Grace and *remembrance* be unto you both.
   Shakespear, Winter's Tale, iv. 3.
4. Transmission of a fact from one to another.
   Titan,
   Among the heavens, th' immortal fact display'd,
   Lest the *remembrance* of his grief should fail,
   And in the constellations wrote his tale. *Addison.*
5. Account preserved.
   Those proceedings and *remembrances* are in the Tower, beginning with the twentieth year of Edward I.—*Sir M. Hale.*
6. Memorial.

   Keep this *remembrance* for thy Julia's sake.
   Id., Two Gentlemen of Verona, ii. 2.
8. Notice of something absent.
   Let your *remembrance* still apply to Banquo;
   Present him eminence, both with eye and tongue.
   Shakespear, Macbeth, iii. 2.
9. Power of remembering.
   Thee I have heard relating what was done,
   Ere my *remembrance.*
   Milton, Paradise Lost, viii. 203.
10. Admonition.
    You did commit me:
    For which, I do commit into your hand
    The unstain'd sword that you have used to bear;
    With this *remembrance,*—that you use the same
    With the like bold, just, and impartial spirit,
    As you have done 'gainst me.
    Shakespear, Henry IV. Part II. v. 2.
11. Memorandum; note to help memory.
    Let the understanding reader take with him but three or four short *remembrances!*—the memorandums I would commend to him are these.—*Chillingworth, The Religion of Protestants a safe Way to Salvation,* ch. v. § 29.

Remémbrancer. *s.*

1. One that reminds; one that puts in mind.
   A sly knave, the agent for his master,
   And the *remembrancer* of her, to hold
   The hand fast to her lord.
   Shakespear, Cymbeline, i. 6.
   God is present in the consciences of good and bad; he is there a *remembrancer* to call our actions to mind, and a witness to bring them to judgement.—*Jeremy Taylor.*
   Would I were in my grave!—And she, too, with thee;
   For, living here, you're but my cursed *remembrancers*
   I once was happy. *Otway, Venice Preserved,* i. 1.
2. Officer of the exchequer.
   All are digested into books, and sent to the *remembrancer* of the exchequer, that he make processes upon them.—*Bacon.*

Rememorate. *v. a.* Call to remembrance; remember. *Rare.*
Let our knowledge come how it will, either by learning anew, or recording what the soul knew before; she having need, howsoever it be, of the ministery of the senses; and seeing it is almost necessary to pass through the same means from not knowing to knowledge; we shall ever find the like difficulties, whether we *rememorate* or learne anew.—*Bryskett, Discourse of Civil Life,* p. 128: 1606.

Rememorátion. *s.* Remembrance.
Helps of memory, of affection, of *rememoration.*—*Bishop Mountagu, Appeal to Cæsar,* p. 255: 1625.
How apt we are to forget those duties, wherewith we are only encharged in common, without the design of a particular *rememoration.—Bishop Hall, Remains,* p. 298.

Remércy. *v. a.* [Fr. *remercier.*] Thank. *Gallicism; rare.*
Off'ring his service and his dearest life
For her defence, against that carle to fight; ...
She him *remercied,* as the patron of her life.
Spenser.

The Scots, transplanted hither, became acquainted with our customs, which, by occasional *remigrations,* became diffused in Scotland.—*Sir M. Hale.*

Remínd. *v. a.* Put in mind; force to remember.
When age itself, which will not be defied, shall begin to arrest, seize, and *remind* us of our mortality by pains and dulness of senses; yet then the pleasure of the mind shall be in its full vigour.—*South, Sermons.*
The brazen figure of the consul, with the ring on his finger, *reminded* me of Juvenal's majoris pondera gemmæ.—*Addison, Travels in Italy.*

Reminiscence. *s.* [Lat. *reminiscens, -entis,* pres. part. of *reminiscor* = I call to memory.] Recollection; recovery of ideas.
I cast about for all circumstances that may revive my memory or *reminiscence.—Sir M. Hale, Origination of Mankind.*
For the other part of memory, called *reminiscence,* which is the retrieving of a thing at present forgot, or but confusedly remembered, by setting the mind to ransack every little cell of the brain; while it is thus busied, how accidentally does the thing sought for offer itself to the mind!—*South, Sermons.*

Reminiscency. *s.* Reminiscence.
They have much troubled themselves and confounded others, in finding out another receptacle of the intelligible species, which they call *reminiscency* or recordation.—*Smith, Portrait of Old Age,* p. 46.

Reminiscéntial. *adj.* Relating to reminiscence.
Would truth dispense, we could be content with Plato, that knowledge were but remembrance, that intellectual acquisition were but *reminiscential* evocation.—*Sir T. Browne.*

Remíss. *adj.* [Lat. *remissus,* pass. part. of *remitto.*]

1. Not vigorous; slack.
   The water deserts the corpuscles, unless it flow with a precipitate motion; for then it hurries them out along with it, till its motion becomes more languid and *remiss.—Woodward.*
2. Not careful; slothful.
   Mad ire and wrathful fury makes me weep,
   That thus we die, while *remiss* traitors sleep.
   Shakespear, Henry VI. Part I. iv. 3
   If when by God's grace we have conquered the first difficulties of religion, we grow careless and *remiss,* and neglect our guard, God's spirit will not always strive with us.—*Archbishop Tillotson.*
   Your candour in pardoning my errors, may make me more *remiss* in correcting them.—*Dryden.*
3. Not intense.
   These nervous, bold, those languid and *remiss;*
   Here cold salutes, but there a lover's kiss.
   Roscommon.

Remíssful. *adj.* Forgiving; gracious. *Rare.*
As though the heavens, in their *remissful* doom,
Took those best-loved from worser days to come.
Drayton, Baron's Wars, b. i. 11. (Ord MS.)

Money the king thought not fit to demand, because he had received satisfaction in matters of so great importance; and because he could not *remunerate* them with any general pardon, being prevented therein by the coronation pardon.—*Bacon.*

In another parable he represents the great condescensions wherewith the Lord shall *remunerate* the faithful servant.—*Boyle.*

Remunerátion. *s.* Reward; requital; recompense; repayment.

Bear this significant to the country maid, Jaquenetta: there is *remuneration*; for the best ward of mine honour is rewarding my dependants.—*Shakespear, Love's Labour's lost*, iii. 1.

He begets a security of himself, and a careless eye on the last *remunerations*.—*Sir T. Browne, Vulgar Errours.*

A collation is a donation of some vacant benefice in the church, especially when such donation is freely bestowed without any prospect of an evil *remuneration*.—*Ayliffe, Parergon Juris Canonici.*

Painters and statuaries were by no means a despised or an ill-paid class. Their social position was at least as high as at present. Their gains, when compared with the wealth of the nation and with the *remuneration* of other descriptions of intellectual labour, were even larger than at present.—*Macaulay, History of England*, ch. iii.

Remúnerative. *adj.* Exercised in given rewards.

The knowledge of particular actions seems requisite to the attainment of that great end of God, in the manifestation of his punitive and *remunerative* justice.—*Boyle.*

Remúneratory. *adj.* Affording recompense or reward; requiting.

Remuneratory honours are proportioned at once to the usefulness and difficulty of performances.—*Johnson, Rambler*, no. 145.

Remúrmur. *v. a.* Utter back in murmurs; repeat in low hoarse sounds.

Her fate is whisper'd by the gentle breeze,
And told in sighs to all the trembling trees;
The trembling trees in every plain and wood,
Her fate *remurmur* to the silver flood.
Pope, Pastorals, Winter.

Remúrmur. *v. n.* Murmur back; echo a low hoarse sound.

Her fellow nymphs the mountains tear
With loud laments, and break the yielding air;
The realms of Mars *remurmur'd* all around,
And echoes to the Athenian shores rebound.
Dryden.

His untimely fate, the Angitian woods
In sighs *remurmur'd* to the Fucine floods.
Id., Translation of the Æneid, vii. 1041.

Job would not only curse the day of his nativity, but also of his *renascency*, if he were to act over his disasters and the miseries of the dunghill.—*Sir T. Browne, Christian Morals*, iii. 25.

Leave the stools as close to the ground as may be, especially if you design a *renascency* from the roots.—*Evelyn, Sylva*, iii. 3, 31.

Renáscent. *adj.* [Lat. *renascens, -entis*, pres. part. of *renascor* = I am born again.] Produced again; rising again into being.

Renáte. *adj.* [Lat. *renatus.*] Born again; regenerate.

It is strange that those of your side should aver that the good works of those that are *renate* should out of condignity merit heaven.—*Felltham, Letters*, xvii. (Ord MS.)

Rencóntre. *s.* French form of Rencounter.

Dick briefly detailed the particulars of his ride, concluding with his *rencontre* with Barbara.—*W. H. Ainsworth, Rookwood.*

Rencoúnter. *s.* [Fr. *rencontre.*]

1. Clash; collision.

You may as well expect two bowls should grow sensible by rubbing, as that the *rencounter* of any bodies should awaken them into perception.—*Collier.*

2. Personal opposition.

Virgil's friends thought fit to alter a line in Venus's speech, that has a relation to the *rencounter*.—*Addison.*

So when the trumpet sounding gives the sign,
The justling chiefs in rude *rencounter* join;
So meet, and so renew the dext'rous fight.
Granville.

3. Loose or casual engagement.

The confederates should turn to their advantage their apparent odds in men and horse; and by that means out-number the enemy in all *rencounters* and engagements.—*Addison.*

4. Sudden combat without premeditation.

He gan to feare
His toward peril, and untoward blame,
Which by that new *rencounter* he should reare.
Spenser, Faerie Queen, iii. 1, 9.

Rencoúnter. *v. a.* Attack hand to hand.

He thought att once him to have swallowed quite,
And rush'd upon him with outrageous pryde;
Who him *rencountring* fierce as hauke in flight,
Perforce rebutted backe.
Spenser, Faerie Queen, i. 11, 53.

Which Scudamour perceiving, forth issewed
To have *rencountred* him in equall race.
Ibid. iv. 6, 3.

Rend. *v. a.* pret. and part. pass. *rent.* [A.S. *rendan.*] Tear with violence; lacerate.

Rend your heart, and not your garments.—*Joel*, ii. 13.

A time to *rend*, and a time to sew.—*Ecclesiastes*, iii. 7.

A young lion roared against him. And the Spirit of the Lord came mightily upon him and he *rent* him as he would have *rent* a kid, and he had nothing in his hand.—*Judges*, xiv. 5.

I will not *rend* away all the kingdom, but will give one tribe to thy son.—1 *Kings*, xi. 13.

Will you hence
Before the tag return, whose rage doth *rend*
Like interrupted waters, and o'erbear
What they are used to bear?
Shakespear, Coriolanus, iii. 1.

By the thund'rer's stroke it from th' root is *rent*,
So sure the blows, which from high heaven are sent.
Cowley.

What you command me to relate,
Renews the sad remembrance of our fate,
An empire from its old foundations *rent*,
Dryden, Translation of the Æneid, ii. 3.

Look round the wood, with lifted eyes, to see
The lurking gold upon the fatal tree;
Then *rend* it off. *Ibid.* vi. 217.

Is it not as much reason to say, when any monarchy was shattered to pieces, and divided amongst revolted subjects, that God was careful to preserve monarchical power, by *rending* a settled empire into a multitude of little governments?—*Locke.*

When its way the impetuous passion found,
I *rend* my tresses, and my breast I wound.
Pope, Sappho to Phaon.

Rend. *v. n.* Separate; be disunited.

The rocks did *rend*, the veil of the temple divided of itself.—*Jeremy Taylor, Moral Demonstration of the Christian Religion.*

I heard then a voice saying, 'Arise, ye dead, and come to judgement;' and with that the rocks *rent*, the graves opened, and the dead that were therein came forth.—*Bunyan, Pilgrim's Progress.*

Rénder. *s.* One who, that which, rends; tearer.

Our *renders* will needs be our reformers and repairers.—*Bishop Gauden, Life of Bishop Brownrigg*, p. 242.

Rénder. *v. a.* [Fr. *rendre.*]

1. Return; pay back.

They also that *render* evil for good are mine adversaries.—*Psalms*, xxxviii. 20.

Will ye *render* me a recompense?—*Joel*, iii. 4.

Let him look into the future state of bliss or misery, and see there God, the righteous judge, ready to *render* every man according to his deeds.—*Locke.*

2. Restore; give back: (commonly with *back*).

Hither the seas at stated times resort,
And shove the loaden vessels into port;
Then with a gentle ebb retire again,
And *render back* their cargo to the main. *Addison.*

3. Give upon demand.

The sluggard is wiser in his own conceit, than seven men that can *render* a reason.—*Proverbs*, xxvi. 16.

Saint Augustine *renders* another reason, for which the apostles observed some legal rites and ceremonies for a time.—*White.*

4. Invest with qualities; make.

Because the nature of man carries him out to action, it is no wonder if the same nature *renders* him solicitous about the issue.—*South, Sermons.*

5. Represent; exhibit.

I heard him speak of that same brother,
And he did *render* him the most unnatural
That lived 'mongst men.
Shakespear, As you like it, iv. 3.

6. Translate.

Render it in the English a circle; but 'tis more truly *rendered* a sphere.—*T. Burnet Theory of the Earth.*

He has a clearer idea of strigil and sistrum, a curry-comb and cymbal, which are the English names dictionaries *render* them by.—*Locke.*

7. Surrender; yield; give up.

He shall *render* every glory up.
Shakespear, Henry IV. Part I. iii. 2.

One, with whom he used to advise, proposed to him to *render* himself upon conditions to the earl of Essex.—*Lord Clarendon, History of the Grand Rebellion.*

Would he *render* up Hermione,
And keep Astyanax, I should be blest!
A. Philips, Distressed Mother.

8. Afford; give to be used.

Logick *renders* its daily service to wisdom and virtue.—*Watts.*

Rénder. *v. n.* An elliptic expression for shew; give.

My boon is, that this gentleman may *render*
Of whom he had this ring.
Shakespear, Cymbeline, v. 5.

Rénder. *s.* Surrender. *Rare.*

Newness
Of Cloten's death (we being not known, nor muster'd
Among the bands) may drive us to a *render*
Where we have lived. *Shakespear, Cymbeline*, iv. 4.

[They] send forth us to make their sorrow'd *render*. *Id., Timon of Athens*, v. 2.

Rénderer. *s.* One who, that which, renders; restorer; distributor.

Shew me a lawyer that turns sacred law
The equal *renderer* of each man his own.
Chapman, Bussy D'Ambois.

Rendezvoús. *s.* [Fr. second person plural, imperative, of *rendre* + *vous* = you; give yourselves up, show yourselves: (condemned by Bishop Hurd, who writes, 'I know not how this word came to make its fortune in our language. It is of an awkward and ill construction, even in the French.']

1. Assembly; meeting appointed.

Their time is every Wednesday, after the lecture of the astronomy professor; perhaps in memory of the first occasions of their *rendezvouses*.—*Bishop Sprat, History of the Royal Society*, p. 93.

2. Sign that draws men together.

The philosopher's-stone and a holy war are but the *rendezvous* of cracked brains, that wear their feather in their head instead of their hat.—*Bacon.*

3. Place appointed for assembly.

A commander of many ships should rather keep his fleet together than have it severed far asunder; for the attendance of meeting them again at the next *rendezvous* would consume time and victual.—*Sir W. Raleigh, Apology.*

The king appointed his whole army to be drawn together to a *rendezvous* at Marlborough.—*Lord Clarendon, History of the Grand Rebellion.*

This was the general *rendezvous* which they all got to, and, mingled more and more with that oily liquor, they sucked it all up.—*T. Burnet, Theory of the Earth.*

He hurried back to the little inn which formed their place of *rendezvous*, and there awaited Christian and his niece.—*Sir W. Scott, Peveril of the Peak*, ch. xxix.

In five days he arrived at the second place of *rendezvous*, the confluence of the Hydaspes and the Acesines.—*Bishop Thirlwall, History of Greece*, ch. liv.

Another day, when his Excellency had set his heart on having some sport with the royal stag-hounds, he was informed by the Grand Huntsman that King James might probably come to the *rendezvous* without any notice.—*Macaulay, History of England*, ch. xxiii.

Rendezvoús. *v. n.* Meet at a place appointed.

The next spring, he *rendezvoused* at Erzirum.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 287.

The rest that escaped marched towards the Thames, and with others *rendezvoused* upon Blackheath.—*Memorials of King Charles I.*

Rendezvoús. *v. a.* Bring together; bring to a place appointed.

He minces the text so small, that his parishioners, until he *rendezvouse* it again, can scarce tell what is become of it.—*Echard, Grounds and Reasons of the Contempt of the Clergy inquired into*, p. 42: 1696.

All men are to be *rendezvoused* in a general assembly.—*Philipps, Conference of the Danish Missionaries*, p. 310: 1719.

Réndible. *adj.* [The *r* of the French *rendre* being omitted, this form becomes possible; though, properly, it is only deducible from *rend.* Cotgrave has not only *rendage* = a rendering, &c., but *rendable* = rendible, renderable.] Capable of being rendered or translated.

Touching translations, it is to be observed, that every language hath certain idioms, proverbs, and peculiar expressions of its own, which are not *rendible* in any other, but paraphrastically.—*Howell, Letters*, iii. 21.

Rendítion. *s.*

1. Surrendering; act of yielding.

They have assigned unto it [memory] three operations, viz. reception, retention, and *rendition*; that this faculty doth not only keep what is committed to it (which indeed it doth most faithfully), but that it doth also take into custody that which it keeps, and deliver it up again when called for.—*Smith, Portrait of Old Age*, p. 46.

2. Translation.

The Jews, who at all hands lie upon the catch, charge Paul as a perverter of the prophet's meaning, in a false *rendition* of the sense of the place.—*South, Sermons*, vii. 27.

Renegáde. *s.* [N.Fr. *renégat*; Low Lat. *renegatus*, pass. part. of *renego* = I deny. The older form is *renegate*. See, also, Runagate.]

1. One who apostatises from the faith; apostate.

O Piety! for this, thou *renegate*,
Did Jesus wash thy flying feet of late?
Sandys, Christ's Passion, p. 17: 1640.

Who would suppose it, that one that was educated in the church of England should become such a fierce and overdoing *renegade*?—*Bishop Parker, Reproof of the Rehearsal Transprosed*, p. 474.

2. One who deserts to the enemy; revolter.

If the Roman government subsisted now, they would have had *renegade* seamen and shipwrights enough.—*Arbuthnot.*

It is not strange that Addison, who calumniated and insulted nobody, should not have calumniated or insulted Swift. But it is remarkable that Swift, to whom neither genius nor virtue was sacred, and who generally seemed to find, like most other *renegades*, a peculiar pleasure in attacking old friends, should have shown so much respect and tenderness to Addison.—*Macaulay, Critical and Historical Essays, Life and Writings of Addison.*

Renegádo. *s.* Spanish form of Renegade.

He that is a *renegado* from charity, is as unpardonable as he that returns to solemn atheism or infidelity.—*Jeremy Taylor, Sermons*, p. 223: 1651.

Some straggling soldiers might prove *renegadoes*, but they would not revolt in troops.—*Dr. H. More, Decay of Christian Piety.*

There lived a French *renegado* in the same place, where the Castilian and his wife were kept prisoners.—*Addison, Spectator.*

He join'd the rogues and prosper'd, and became
A *renegado* of indifferent fame.
Byron, Beppo, xciv.

Renége. *v. a.* [Lat. *renego*; N.Fr. *renoier, renier.*] Disown; renounce.

His captain's heart,
Which, in the scuffles of great fights, hath burst
The buckles on his breast, *reneges* all temper.
Shakespear, Antony and Cleopatra, i. 1.

Renége. *v. n.* Deny.

Such smiling rogues as these soothe every passion,
Renege, affirm, and turn their halcyon beaks
With every gale and vary of their masters.
Shakespear, King Lear, ii. 2.

Renéw. *v. a.* [N.Fr. *renouer*, Cotgrave.]

1. Renovate; restore to the former state.

Let us go to Gilgal, and *renew* the kingdom there. 1 *Samuel*, xi. 14.

In such a night
Medea gather'd the enchanted herbs,
That did *renew* old Æson.
Shakespear, Merchant of Venice, v. 1.

The eagle casts its bill, but *renews* his age.—*Holyday.*

Renew'd to life, that she might daily die,
I daily doom'd to follow.
Dryden, Theodore and Honoria, 176.

2. Repeat; put again in act.

Thy famous grandfather
Doth live again in thee; long may'st thou live,
To bear his image, and *renew* his glories!
Shakespear, Henry VI. Part III. v. 4.

The body percussed hath, by reason of the percussion, a trepidation wrought in the minute parts, and so *reneweth* the percussion of the air.—*Bacon, Natural and Experimental History.*

The bearded corn ensued
From earth unask'd, nor was that earth *renew'd*.
Dryden, Translation from Ovid, Metamorphoses, b. i.

3. Begin again.

The last great age, foretold by sacred rhymes,
Renews its finish'd course, Saturnian times
Roll round again. *Dryden, Translation of Virgil, Eclogues*, iv. 5.

4. In *Theology.* Make anew; transform to new life.

It is impossible for those who were once enlightened . . . if they shall fall away, to *renew* them again unto repentance.—*Hebrews*, vi. 4.

Be ye transformed by the *renewing* of your mind, that ye may prove what is that good, and acceptable, and perfect will of God.—*Romans*, xii. 2.

Renéwable. *adj.* Capable of being renewed.

The old custom upon many estates is to let for leases of lives, *renewable* at pleasure.—*Swift, Miscellanies.*

Renéwal. *s.* Act of renewing; renovation.

It behoved the Deity, persisting in the purpose of mercy to mankind, to renew that revelation from time to time, and to rectify abuses, with such authority for the *renewal* and rectification as was sufficient evidence of the truth of what was revealed.—*Forbes.*

Renéwedness. *s.* Attribute suggested by Renewed; state of being made anew.

Inward sanctity and *renewedness* of heart.—*Hammond, Works*, iv. 633.

Réniform. *adj.* [Lat. *reniformis*, from *ren* = kidney + *forma* = form, shape.] Kidney-shaped.

In a frugivorous bat I found the vitellicle shrunk to a *reniform*, compactly folded body, which lay in the concavity of the placenta, between it and the allantois.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 730.

Renítence. *s.* Renitency.

Out of indignation, and an excessive *renitence*, not separating that which is true from that which is false.—*Wollaston, Religion of Nature.*

Renítency. *s.*

1. Resistance in solid bodies, when they press upon, or are impelled one against another, or the resistance that a body makes on account of weight.

A burning fire . . . flameth out the more, the more men seek to smother it; being kindled more vehemently by that antiperistasis of a contrary *renitency* in those that endeavour to suppress it; and so, flashing out, like the lightning, when it is in danger to be choked.—*Fotherby, Atheomastix*, p. 147: 1622.

2. Disinclination; reluctance.

A certain *renitency* and regret of mind.—*Bishop Hall, Christian Moderation*, b. i. § 8.

Renítent. *adj.* [Lat. *renitens, -entis*, pres. part. of *renitor* = I strive against.] Acting against any impulse by elastic power.

By an inflation of the muscles they become soft, and yet *renitent*, like so many pillows dissipating the force of the pressure, and so taking away the sense of pain.—*Ray.*

Rénnet. *s.* [?] Substance applied, in curd and cheese-making, to curdle milk.

A putredinous ferment coagulates all humours, as milk with *rennet* is turned.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

To prepare *rennet* to turn the milk, take out the stomach of a calf as soon as it is killed, and scour it inside and out with salt, after it is cleared of the curd always found in it. Let it drain a few hours; then sew it up with two good handfuls of salt in it, or stretch it on a stick well salted: or keep it in the salt wet, and soak a bit. . . . To make cheese, put the milk into a large tub, warming a part till it is of a degree of heat equal to new; if too hot the cheese will be tough. Put in as much *rennet* as will turn it.—*Modern Cookery, by a Lady.*

Rénnet. *s.* [Fr. *reinette* = diminutive of *reine* = queen. A different derivation, connecting it with *renatus* = reborn (by grafting), is suggested by the extracts.] Queen-apple (the two words being approximate translations of one another).

The *renat*, which though first it from the pippin came,
Grown through his pureness nice, assumes that curious name.
Drayton, Polyolbion, song xviii.

Pippins grafted on a pippin stock are called *renates*; bettered in their generous nature by such double extraction.—*Fuller, Worthies, Lancashire.*

A golden *rennet* is a very pleasant and fair fruit, of a yellow flush, and the best of bearers for all sorts of soil; of which there are two sorts, the large sort and the small.—*Mortimer, Husbandry.*

Rénneting. *s.* Rennet (apple).

Ripe pulpy apples, as pippins and *rennetings*, are of a syrupy tenacious nature.—*Mortimer, Husbandry.*

Renoúnce. *v. a.* [Fr. *renoncer*; Lat. *renuncio.*]

1. Disown; abnegate.

From Thebes my birth I own;
And call myself the unhappy Palamon;
Think me not like that man, since no disgrace
Can force me to *renounce* the honour of my race.
Dryden, Palamon and Arcite, ii. 285.

2. Quit upon oath.

This world I do *renounce*; and in your sights
Shake patiently my great affliction off.
Shakespear, King Lear, iv. 6.

Pride and passion, and the opinions of the world, must not be our counsellors; for we *renounced* them at our baptism.—*Kettlewell.*

Renoúnce. *v. n.*

1. Declare renunciation.

On this firm principle I ever stood;
He of my sons, who fails to make it good,
By one rebellious act *renounces* to my blood.
Dryden.

2. Not to follow the suit led, though the player has one of the suits in his hand.

Renoúnce. *s.* In *Whist.* Revoke: (this *latter* being now the *commoner* word).

If with these cards you tricks intend to win,
Prevent *renounces*, and with trumps begin.
Whist, a Poem, p. 119.

Renoúncement. *s.* Act of renouncing; renunciation.

I hold you as a thing enskied and sainted;
By your *renouncement*, an immortal spirit.
Shakespear, Measure for Measure, i. 5.

Renoúncer. *s.* One who renounces, disowns, or denies.

An apostate and *renouncer* or blasphemer of religion.—*Bishop Wilkins, Natural Religion*, b. i. ch. xiv.

A timorous *renouncer*, as St. Peter, if he be disposed to repent, is capable of mercy.—*Barrow, Sermons*, vol. iii. serm. xvi.

Renoúncing. *verbal abs.* Act of disowning or denying; apostasy.

Those desperate atheisms, those Spanish *renouncings*, and Italian blasphemings, have now so prevailed in our Christian camps, that, if any restrain them, he shall be upbraided as no soldier.—*Sir E. Sandys, State of Religion.*

Rénovate. *v. a.* [Lat. *renovatus*, pass. part. of *renovo; renovatio, -onis.*] Renew; restore to the first state.

Rénovating. *part. adj.* Renewing; restoring.

All nature feels the *renovating* force
Of winter, only to the thoughtless eye
In ruin seen. *Thomson, Seasons, Winter.*

Renovátion. *s.* Renewal; act of renewing; state of being renewed.

Sound continueth some small time, which is a *renovation*, and not a continuance; for the body percussed hath a trepidation wrought in the minute parts, and so reneweth the percussion of the air.—*Bacon, Natural and Experimental History.*

The kings entered into speech of renewing of the treaty; the king saying, that though king Philip's person were the same, yet his fortunes were raised; in which case a *renovation* of treaty was used.—*Bacon, History of the Reign of Henry VII.*

To second life,
Waked in the *renovation* of the just,
Resigns him up, with heaven and earth renew'd.
Milton, Paradise Lost, xi. 64.

Renówm, or **Renómme.** *s.* Older form of Renown.

They may come to worship a good *renomme*.—*Knight of the Tour*, 148.

Renówmed. *part. adj.* Old form of renowned.

Thou far *renowmed* son of great Apollo.
Spenser, Faerie Queen.

Renówn. *s.* [Fr. *renom, renommé.*] Fame; celebrity; praise widely spread.

She
Is daughter to this famous duke of Milan,
Of whom so often I have heard *renown.*
Shakespear, Tempest, v. 1.

'Tis of more *renown*
To make a river than to build a town. *Waller.*

Nor envy we
Thy great *renown*, nor grudge thy victory.
Dryden.

Renówn. *v. a.* Make famous.

Let us satisfy our eyes
With the memorials and the things of fame
That do *renown* this city.
Shakespear, Twelfth Night, iii. 3.

Soft elocution does thy style *renown*,
Gentle or sharp according to thy choice,
To laugh at follies, or to lash at vice. *Dryden.*

In solemn silence stand
Stern tyrants, whom their cruelties *renown*,
And emperors in Parian marble frown.
Addison, Letter from Italy to Lord Halifax.

The bard, whom pilfer'd pastorals *renown.*
Pope, Epistle to Arbuthnot.

Renówned. *part. adj.* Famous; celebrated; eminent; famed.

These were the *renowned* of the congregation, princes of the tribes, heads of thousands.—*Numbers*, i. 16.

That thrice *renowned* and learned French king, finding Petrarch's tomb without any inscription, wrote one himself; saying, shame it was, that he who sung his mistress's praise seven years before her death, should twelve years want an epitaph.—*Peacham, On Poetry.*

The rest were long to tell, though far *renown'd.*
Milton, Paradise Lost, i. 507.

Of all the cities in Romanian lands,
The chief and most *renown'd* Ravenna stands,
Adorn'd in ancient times with arms and arts.
Dryden, Theodore and Honoria, 1.

Three hundred more for battle Ilva joins,
An isle *renown'd* for steel and unexhausted mines.
Id., Translation of the Æneid, x. 253.

Rent. *s.* [*rend.*] Break; laceration.

This council made a schism and *rent* from the most ancient and purest churches which lived before them.—*White.*

Thou viper
Hast cancell'd kindred, made a *rent* in nature,
And through her holy bowels gnaw'd thy way,
Through thy own blood to empire.
Dryden, Don Sebastian, ii. 1.

He who sees this vast *rent* in so high a rock, how the convex parts of one side exactly tally with the concave of the other, must be satisfied, that it was the effect of an earthquake.—*Addison, Travels in Italy.*

Rent. *v. a.* Tear; lacerate; Rend.

Four principal heresies there are which have in those things withstood the truth: Nestorians, by *renting* Christ asunder, and dividing him into two persons.—*Hooker, Ecclesiastical Polity*, v. § 54.

What griefs my heart did *rent!*
Donne, Poems, p. 318.

It was the custom of the Jews, when they heard the name of God blasphemed, to *rent* their clothes.—*Bishop Lowth, On Isaiah*, p. 299: 1714.

Rent. *v. n.* Roar; bluster; Rant.

He ventured to dismiss his fear,
That partings wont to *rent* and tear,
And give the desperatest attack
To danger still behind its back.
Butler, Hudibras.

Rent. *s.* [Fr. *rente.*]

1. Revenue; annual payment.

Idol ceremony,
What are thy *rents?* what are thy comings in?
O ceremony, shew me but thy worth!
Shakespear, Henry V. iv. 1.

I bought an annual *rent* or two,
And live just as you see I do.
Pope, Imitations of Horace, b. i. ep. vii.

2. Money paid for anything held of another.

Such is the mould, that the blest tenant feeds
On precious fruits, and pays his *rent* in weeds.
Waller.

Folks in mudwall tenement,
Present a peppercorn for *rent.*
Prior, Epistles to Fleetwood Shephard, ep. i.

Up, up again, ye rents! exalt your notes,
Or else the ministry will lose their votes.
Safe in their barns, these Sabine tillers sent
Their brethren out to battle—why? for *rent!*
Year after year they voted cent per cent,
Blood, sweat, and tear-wrung millions—why for *rent!*
They roared, they drunk, they dined, they swore they meant
To die for England—why then live?—for *rent!*
The peace has made one general malcontent
Of these high-market patriots—war was *rent!*
Their love of country, millions all mispent,
How reconcile?—by reconciling *rent!*
And will they not repay the treasures lent?
No: down with everything, and up with *rent!*
Their good, ill, health, wealth, joy, or discontent,
Being, end, aim, religion—*rent, rent, rent!*
Byron, Age of Bronze, xiv.

Rent. *v. a.* [Fr. *renter.*]

1. Hold by paying rent.

When a servant is called before his master, it is often to know, whether he passed by such a ground, if the old man who rents it is in good health.—*Addison, Spectator.*

2. Let to a tenant.

On the other side there is no reason why an honourable society should *rent* their estate for a trifle.—*Swift, Letters*: 1736.

Rent-charge. *s.* Charge upon an estate.

Unprofitably kept at heaven's expense,
I live a *rent-charge* on his providence.
Dryden, Epistle to Congreve.

Réntage. *s.* [N. Fr.] Money paid for anything held of another.

Fond man, that looks on earth for happiness,
And here long seeks what here is never found!
For all our good we hold from heaven by lease,
With many forfeits and conditions bound;
Nor can we pay the fine and *rentage* due.
P. Fletcher, Purple Island, vii. 2.

Réntal. *s.* Schedule or account of rents.

The impatient hope of the expiring lease;
The doubling *rental?* what an evil 's peace.
Byron, Age of Bronze, xiv.

Rénter. *s.* One who occupies by paying rent.

The estate will not be let for one penny more or less to the *renter*, amongst whomsoever the rent he pays be divided.—*Locke.*

He justly hath driv'n out his rebel foes,
To deepest hell; and, to repair that loss,
Created this new happy race of men.
Milton, Paradise Lost, iii. 677.

3. Fill up anew, by something put in the place of what is lost.

To be revenged,
And to *repair* his numbers thus impair'd.
Milton, Paradise Lost, ix. 143.

4. Recover. *Latinism.*

He, ere he could his weapon backe *repaire*,
His side all bare and naked overtooke,
And with his mortall steel quite through the body strooke. *Spenser, Faerie Queen*, v. 11, 13.

Repaír. *s.* Reparation; supply of loss; restoration after dilapidation.

Before the curing of a strong disease,
Ev'n in the instant of *repair* and health,
The fit is strongest. *Shakespear, King John*, iii. 4.

He cast in his mind for the *repair* of the cathedral church.—*Bishop Fell, Life of Hammond.*

Temperance, in all methods of curing the gout, is a regular and simple diet, proportioning the daily *repairs* to the daily decays of our wasting bodies.—*Sir W. Temple, Miscellanies.*

All automata need a frequent *repair* of new strength, the causes whence their motion does proceed being subject to fail.—*Bishop Wilkins, Mathematical Magick.*

Repaír. *v. n.* [N.Fr. *repairer*.] Go to; betake himself.

May all to Athens back again *repair*.
Shakespear, Midsummer-Night's Dream, iv. 1.

Depart from hence in peace, and, free as air,
Search the wide world, and where you please *repair*.
Dryden, Palamon and Arcite, ii. 405.

'Tis fix'd; th' irrevocable doom of Jove: . . .
Haste then, Cyllenius, through the liquid air,
Go mount the winds, and to the shades *repair*.
Pope, Translation of the First Book of the Thebais of Statius.

Repaír. *s.* [Fr. *repaire*.]

1. Resort; abode.

He saw Ulysses; at his ships *repaire*,
That had been brusht with the enraged aire.
Chapman.

So 'scapes the insulting fire his narrow jail,
And makes small outlets into open air;
There, the fierce winds his tender force assail,
And beat him downward to his first *repair*.
Dryden, Annus Mirabilis, ccxx.

2. Act of betaking one's self anywhere.

The king sent a proclamation for their *repair* to their houses, and for a preservation of the peace.—*Lord Clarendon, History of the Grand Rebellion.*

Repaírable. *adj.* Capable of being repaired: (Reparable *commoner*).

Repaírer. *s.* One who repairs; amender; restorer.

He that governs well leads the blind, but he that teaches gives him eyes; and it is a glorious thing to have been the *repairer* of a decayed intellect.—*South, Sermons.*

O sacred rest!
O peace of mind! *repairer* of decay,
Whose balms renew the limbs to labours of the day.
Dryden.

Repaíring. *verbal abs.* Act of one who repairs.

The fines imposed were the more repined against, because they were assigned to the rebuilding and *repairing* of St. Paul's church.—*Lord Clarendon, History of the Grand Rebellion.*

Repándous. *adj.* [Lat. *repandus*.] Bent upwards.

Though they be drawn *repandous* or convexedly crooked in one piece, yet the dolphin that carrieth Arion is concavously inverted, and hath its spine depressed in another.—*Sir T. Browne.*

Réparable. *adj.* [Fr.; Lat. *reparabilis*.] Capable of being repaired, restored, made good, amended, retrieved, or supplied by something equivalent.

The parts in man's body easily *reparable*, as spirits, blood, and flesh, die in the embracement of the parts hardly *reparable*, as bones, nerves, and membranes.—*Bacon.*

When its spirit is drawn from wine, it will not by the reunion of its constituent liquors, be reduced to its pristine nature; because the workmanship of nature, in the disposition of the parts was too elaborate to be imitable, or *reparable* by the bare apposition of those divided parts to each other.—*Boyle.*

An adulterous person is tied to restitution of the injury, so far as it is *reparable*, and can be made to the wronged person; to make provision for the children begotten in unlawful embraces.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

Reparátion. *s.*

1. Act of repairing; instauration.

Antonius Philosophus took care of the *reparation* of the highways.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

2. Supply of what is wasted.

When the organs of sense want their due repose and necessary *reparations*, the soul exerts herself in her several faculties.—*Addison.*

In this moveable body, the fluid and solid parts must be consumed; and both demand a constant *reparation*.—*Arbuthnot.*

3. Recompense for any injury; amends.

The king should be able, when he had cleared himself, to make him *reparation*.—*Bacon.*

I am sensible of the scandal I have given by my loose writings, and make what *reparation* I am able.—*Dryden.*

Repárative. *s.* Whatever makes amends for loss or injury.

New preparatives were in hand, and partly *reparatives* of the former beaten at sea.—*Sir H. Wotton, Life of the Duke of Buckingham.*

Repárative. *adj.* Amending defect, loss, or injury.

Reparative inventions, by which art and ingenuity studies to help and repair defects or deformities.—*Jeremy Taylor, Artificial Handsomeness*, p. 60.

Suits are unlawfully entered when they are vindictive, not *reparative*; and begun only for revenge, not for reparation of damages.—*Kettlewell.*

Reparteé. *s.* [Fr. *repartie* = an answering blow, or thrust, in fencing; and thence a return of, or answer in, speech.] Smart reply.

The fools overflowed with smart *repartees*, and were only distinguished from the intended wits by being called coxcombs.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Cupid was as bad as he;
Hear but the youngster's *repartee*.
Prior, Mercury and Cupid.

Reparteé. *v. n.* Make smart replies.

If wise thou wilt appear, and knowing,
Repartee, repartee,
To what I'm doing. *Sir J. Denham, Song.*

High flights she had, and wit at will,
And so her tongue lay seldom still;
For in all visits who but she,
To argue, or to *repartee*? *Prior, Hans Carvel.*

Repartítion. *s.* Fresh partition.

Former times have not only been faulty in suffering too many provinces to be erected, but in the *repartition* of the land taken in there are corruptions connived at very prejudicial to the plantation trade, and to the king's customs from thence arising.—*Davenant, Discourses*, ii. 233. (Ord MS.)

Repáss. *v. a.* [Fr. *repasser*.] Pass again; pass or travel back.

Well we have pass'd, and now *repass'd* the seas,
And brought desired help.
Shakespear, Henry VI. Part III. iv. 7.

We shall find small reason to think that Abraham passed and *repassed* those ways more often than he was enforced so to do, if we consider that he had no other comforter in this wearisome journey than the strength of his faith in God.—*Sir W. Raleigh.*

Repáss. *v. n.* Return.

Repássing. *part. adj.* Returning.

Five girdles bind the skies, the torrid zone
Glows with the passing and *repassing* sun.
Dryden, Translation of the Georgics, i. 322.

Repást. *s.* [Fr. *répas*.]

1. Meal; act of taking food.

From dance to sweet *repast* they turn
Desirous; all in circles as they stood,
Tables are set. *Milton, Paradise Lost*, v. 630.

What neat *repast* shall feast us, light and choice,
Of Attick taste, with wine. *Id., Sonnets*, xi. 9.

Sleep, that is thy best *repast*,
Yet of death it bears a taste,
And both are the same thing at last.
Sir J. Denham, Song.

The day already half his race had run,
And summon'd him to due *repast* at noon.
Dryden, Theodore and Honoria, 85.

Keep regular hours for *repast* and sleep.—*Arbuthnot.*

At a dinner so varied, and such a *repast*,
Who'ld not be a glutton and stick to the last?
Goldsmith, Retaliation.

2. Food; victuals.

Go, and get me some *repast*;
I care not what, so it be wholesome food.
Shakespear, Taming of the Shrew, iv. 3.

Repást. *v. a.* [N.Fr. *repaistre*.] Feed; feast. *Rare.*

To his good friends I'll ope my arms,
And, like the kind life-rendering pelican,
Repast them with my blood.
Shakespear, Hamlet, iv. 5.

Repásture. *s.* Entertainment. *Rare.*

He from forage will incline to play;
But if thou strive, poor soul, what art thou then?
Food for his rage, *repasture* for his den.
Shakespear, Love's Labour's lost, iv. 1.

Repátriate. *v. a.* [Lat. *patria* = country.] See extract.

The frequent *repetition* of aliment is necessary for repairing the fluids and solids.—*Arbuthnot, On the Nature and Choice of Aliments.*
2. Recital of the same words over again.
The Psalms, for the excellency of their use, deserve to be oftener repeated; but that the multitude of them permitteth not any oftener *repetition*.—*Hooker, Ecclesiastical Polity.*
3. Act of reciting or rehearsing.
If you conquer Rome, the benefit
Which you shall thereby reap, is such a name,
Whose *repetition* will be dogg'd with curses.
Shakespear, Coriolanus, v. 3.
4. Recital.
I love such tears,
As fall from fit notes, beaten through mine ears,
With *repetitions* of what heaven hath done.
Chapman.
5. Recital from memory, as distinct from reading.

Repetítional. *adj.* Containing, consisting in, relating to, constituted by, repetition.
This second or *repetitional* law being indeed a recapitulation and compendium of the first.—*Bibliotheca Biblica*, i. 15.

Repetítionary. *adj.* Repetitional.
Where Moses delivered the second or *repetitionary* law.—*Bibliotheca Biblica.*

Repíne. *v. n.* [N. Fr. *repoindre* = prick again.]
1. Fret; vex himself; be discontented: (with *at* or *against*).
Of late,
When corn was given them gratis, you *repined*.
Shakespear, Coriolanus, iii. 1.
The fines imposed were the more *repined against*, because they were assigned to the rebuilding of St. Paul's church.—*Lord Clarendon, History of England.*

If you think how many diseases, and how much poverty there is in the world, you will fall down upon your knees, and instead of *repining at* one affliction, will admire so many blessings received at the hand of God.—*Sir W. Temple.*

2. Envy.

The ghosts *repine at* violated night;
And curse the invading sun, and sicken at the sight.
Dryden, Translation of the Æneid, viii. 327.

Just in the gate, and in the jaws of hell,
Revengeful cares and sullen sorrows dwell,
Dwell pale diseases and *repining* age.
Ibid. vi. 384.

Repíner. *s.* One who repines, frets, or murmurs.

What marvil if such *repiners* blow out the foggy vapourous blast of seditious words against our highest court of parliament?—*Bishop Hall, Honour of the Married Clergy*, p. 203.

We are not to think every clamorous haranguer, or every splenetick *repiner* against a court, is therefore a patriot.—*Bishop Berkeley, Maxims*, § 23.

Let rash *repiners* stand appall'd,
In Thee who dare not trust.
Young, Resignation, pt. ii.

Repíning. *verbal abs.* Act of one who repines; murmuring; complaining.

He bore it decently without breaking out into *repinings*, or impatient complaints.—*Bishop Burnet, Life of Lord Rochester*, p. 155.

Did we understand the reason of God's dealings, and see what he seeth, and know what he knoweth, we should praise him on our bended knees, for those crosses which are now the innocent causes of our *repinings* against him.—*Scott, Works*, ii. 7: ed. 1718.

Repíningly. *adv.* In a repining manner; with complaint; with murmuring.

[They] teach us how *repiningly*, how unjustly, they stooped under this yoke.—*Bishop Hall, Epistles*, ii. 3.

Replâce. *v. a.* [see last extract.]

1. Put again in the former place.

The earl being apprehended, upon examination cleared himself so well, as he was *replaced* in his government.—*Bacon.*

The bowls, removed for fear,
The youths *replaced*; and soon restored the cheer.
Dryden, Translation of the Æneid, viii. 235.

2. Put *in* a new place.

His gods put themselves under his protection, to be *replaced* in their promised Italy.—*Dryden, Dedication to the Translation of Virgil.*

3. Supersede.

Remplacé . . . re-implaced, placed anew, or again; set in the place, or instead of another. And so with Remplacement and Remplacer.—*Cotgrave.*

Replaît. *v. a.* Fold one part often over another.

In Raphael's first works, are many small foldings often *replaited*, which look like so many whipcords. —*Dryden.*

Replánt. *v. a.* [Fr. *replanter*.] Plant anew.

Small trees being yet unripe, covered in autumn with dung until the spring, take up and *replant* in good ground.—*Bacon.*

Replantátion. *s.* Act of planting again.

Refining and purifying the minds and spirits of the lapsed creation, and every where attempting the *replantation* of that beautiful image [which] sin and vice had obliterated and defaced.—*Hallywell, Saving of Souls*, p. 108: 1677.

Replénish. *v. a.* [Fr. *replenir*, pres. part. *replenissant*; Lat. *plenus* = full.]

1. Stock; fill.

Multiply and *replenish* the earth.—*Genesis*, i. 28.

The woods *replenished* with deer, and the plains with fowl.—*Heylin.*

The waters
With fish *replenish'd*, and the air with fowl.
Milton, Paradise Lost, vii. 446.

2. Finish; consummate; complete.

We smother'd
The most *replenish'd* sweet work of nature,
That from the prime creation e'er she framed.
Shakespear, Richard III. iv. 3.

Replénish. *v. n.* Recover the former fulness.

The humours in men's bodies increase and decrease as the moon doth; and therefore purge some day after the full; for then the humours will not *replenish* so soon.—*Bacon.*

Repléte. *adj.* [Fr. *replet*; Lat. *repletus*; pass. part. of *repleo*; *pleo* = I fill.] Full; completely filled; filled to satiety.

The world's large tongue
Proclaims you for a man *replete* with mocks;
Full of comparisons and wounding flouts.
Shakespear, Love's Labour's lost, v. 2.

This mordication, if in over high a degree is little better than the corrosion of poison; as sometimes in antimony, if given to bodies not *replete* with humours; for where humours abound, the humours save the parts.—*Bacon, Natural and Experimental History.*

His words, *replete* with guile,
Into her heart too easy entrance won.
Milton, Paradise Lost, ix. 733.

In a dog, out of whose eye being wounded the aqueous humour did copiously flow, yet in six hours the bulb of the eye was again *replete* with its humour, without the application of any medicines.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Repléte. *v. a.* Fill to satiety.

Repléted. *part. adj.* Filled to satiety; stuffed; crammed; satiated.

They preferred a *repleated* slavery before a hungry freedom.—*Dr. H. More, Decay of Christian Piety*, ch. viii. § 34. (Ord MS.)

Replétion. *s.* State of being over full; filling afresh.

The tree had too much *repletion*, and was oppressed with its own sap: for *repletion* is an enemy to generation.—*Bacon.*

This is occasioned by the greatness of its lungs, for *repletion* whereof not having a sufficient or ready supply by its nostrils, it is enforced to dilate and hold open the jaws.—*Sir T. Browne, Vulgar Errours, Of the Chameleon.* (Ord MS.)

Thirst and hunger may be satisfied;
But this *repletion* is to love denied. *Dryden.*

All dreams, as in old Galen I have read,
Are from *repletion* and complexion bred.
Id., The Cock and the Fox, 140.

The action of the stomach is totally stopped by too great *repletion*.—*Arbuthnot, On the Nature and Choice of Aliments.*

Replétive. *adj.* [Fr. *repletif*.] Replenishing; filling.

Replétively. *adv.* In a repletive manner; so as to be filled.

Not in the body *repletively*.—*Summary of Du Bartas*, p. 291: 1621.

Repléviable. *adj.* [Low Lat. *replegiabilis*.] Replevisable.

Replévin. *v. a.* Replevy.

Replévin. *s.* [L.Lat. *plevina*; *replegio* = redeem by surety.] Redeliverance of anything detained, on security that the right to hold will be tried by law; writ ordering the same.

An action of *replevin* . . . is the regular way of contesting the validity of a distress.—*Tomline, Law Dictionary.*

That you're a beast, and turn'd to grass,
Is no strange news, nor ever was:
At least to me, who once, you know,
Did from the pound *replevin* you.
Butler, Hudibras, The Lady's Answer.

Replévisable. *adj.* [N.Fr. *replevissable*.] Capable of being replevined.

Such offenders were not *replevisable*.—*Sir M. Hale, History of the Pleas of the Crown.*

Replévy. *v. a.* Take back or set at liberty, upon security, anything seized.

And yet not his, nor his in equitie,
But yours the waift by high prerogative:
Therefore I humbly crave your majestie
It to *replevie*. *Spenser, Faerie Queen*, iv. 12, 31.

Replicátion. *s.* [Lat. *replico*, from *plico* = I fold; pass. part. *replicatus*; *replicatio*, *-onis*.]

1. Rebound; repercussion. *Rare.*

Tyber trembled underneath his banks,
To hear the *replication* of your sounds,
Made in his concave shores.
Shakespear, Julius Cæsar, i. 1.

2. Reply; answer.

To be demanded of a spunge what *replication* should be made by the son of a king?—*Shakespear, Hamlet*, iv. 2.

3. In *Law*. Exception, or answer, to a defendant's plea; in Chancery, complainant's reply to defendant's answer.

Replý. *v. n.* [Fr. *répliquer*.] Answer; make a return to an answer.

O man! who art thou that *repliest* against God?—*Romans*, ix. 20.

Would we ascend higher to the rest of these lewd persons, we should find what reason Castalio's painter had to *reply* upon the cardinal, who blamed him for putting a little too much colour into St. Peter and Paul's faces: that it was true in their life-time they were pale mortified men; but that since, they were grown ruddy, by blushing at the sins of their successors.—*Bishop Atterbury, Sermons.*

Replý. *v. a.* Return for an answer.

Perplex'd
The tempter stood, nor had what to *reply*,
Milton, Paradise Regained, iv. 1.

His trembling tongue invoked his bride;
With his last voice 'Eurydice!' he cry'd:
'Eurydice!' the rocks and river banks *reply'd*.
Dryden, Translation of the Georgics, iv. 762.

Replý. *s.* [Fr. *réplique*.] Answer; return to an answer.

But now return,
And with their faint *reply* this answer join.
Shakespear, Timon of Athens, iii. 3.

If I sent him word, it was not well cut; he would send me word, he cut it to please himself . . . if again, it was not well cut, he disabled my judgement; this is called the *reply* churlish.—*Id., As you like it*, v. 4.

To whom with sighs, Ulysses gave *reply*;
Ah, why ill-suiting pastime must I try?
Pope, Translation of the Odyssey, viii. 167.

Replýer. *s.* One who replies; one who makes a return to an answer.

At an act of the commencement, the answerer gave for his question, that an aristocracy was better than a monarchy; the *replyer* did tax him, that, being a private bred man, he would give a question of state: the answerer said, that the *replyer* did much wrong the privilege of scholars, who would be much streightened if they should give questions of nothing, but such things wherein they are practised; and added, We have heard yourself dispute of virtue, which no man will say you put much in practice.—*Bacon, Apophthegms.*

Repólish. *v. a.* Polish again.

A sundred clock is piecemeal laid
Not to be lost, but by the maker's hand
Repolish'd, without errour then to stand. *Donne.*

Repórt. *v. a.* [Fr. *rapporter*.]

1. Noise by popular rumour.

Is it upon record? or else *reported* successively from age to age?—*Shakespear, Richard III.* iii. 1.

Report, say they, and we will *report* it.—*Jeremiah*, xx. 10.

2. Give repute.

Timotheus . . . was well *reported* of by the brethren.—*Acts*, xvi. 1.

Let not a widow be taken into the number under threescore years old . . . well *reported* of for good works.—1 *Timothy*, v. 9.

3. Give an account of.

There is a king in Judah; and now shall it be *reported* to the king.—*Nehemiah*, vi. 7.

4. Return; rebound; give back; echo.

In Ticinum is a church with windows only from above, that *reporteth* the voice thirteen times, if you stand by the close end wall over against the door.—*Bacon.*

5. Take spoken words in writing, and publish the same.

A sketch of this speech has been preserved; but the whole debate was very imperfectly *reported*.—*T. Erskine May, Constitutional History of England*, vol. i. p. 428.

6. Refer.

I *report* the reader to the Belgian histories: he may see the change of war betwixt these two sides. —*Fuller, Holy State*, p. 507: 1648.

Repórt. *s.*

1. Rumour; popular fame.

Now the *report* goes she has all the rule of her husband's purse. — *Shakespear, Merry Wives of Windsor*, i. 3.

2. Repute; public character.

In all approving ourselves as the ministers of God . . . by honour and dishonour, by evil *report* and good *report*.—2 *Corinthians*, vi. 4.

My body's mark'd
With Roman swords; and my *report* was once
First with the best of note.
Shakespear, Cymbeline, iii. 3.

3. Account returned.

Sea nymphs enter with the swelling tide;
From Thetis sent as spies to make *report*,
And tell the wonders of her sov'reign's court.
Waller.

4. Account given by lawyers of cases, or, by reporters, of debates.

After a man has studied the general principles of the law, reading the *reports* of adjudged cases will richly improve his mind.—*Watts, On the Improvement of the Mind.*

On some later occasions, the *reports* of the debates in both Houses have been interrupted from the same cause.—*T. Erskine May, Constitutional History of England*, vol. i. p. 429.

5. Sound; loud noise; repercussion.

The stronger species drowneth the lesser; the *report* of an ordnance, the voice.—*Bacon, Natural and Experimental History.*

The lashing billows make a long *report*,
And beat her sides. *Dryden, Translation from Ovid, Ceyx and Alcyone.*

Repórter. *s.* One who reports.

1. Relater; one who gives an account.

There she appeared; or my *reporter* devised well for her.—*Shakespear, Antony and Cleopatra*, ii. 2.

Rumours were raised of great discord among the nobility; for this cause the lords assembled gave order to apprehend the *reporters* of these surmises. —*Sir J. Hayward.*

If I had known a thing they concealed, I should never be the *reporter* of it.—*Pope.*

2. One who draws up reports of adjudged cases, or of debates in parliament.

James the first, at the instance of lord Bacon, appointed two *reporters* with a handsome stipend.—*Sir W. Blackstone, Commentaries on the Laws of England.*

But *reporters* were still beset with too many difficulties, to be able to collect accurate accounts of the debates.—*T. Erskine May, Constitutional History of England*, vol. i. p. 427.

Repórting. *verbal abs.* Making reports (fifth sense of the verb).

Fragments of his [Lord Chatham's] speeches have been handed down to us, but these bear so very small a proportion to the prodigious fame which his eloquence has left behind it, that far more is manifestly lost than has reached us; while of his written compositions, but a few letters have hitherto been given to the world. The imperfect state of parliamentary *reporting* in his day is the great cause of this blank. —*Lord Brougham, Historical Sketches of Statesmen during the Reign of George III., Lord Chatham.*

Parliament, as well as the public, has since profited by every facility which has been afforded to *reporting*—nor was this the only impediment to *reporting*.—*T. Erskine May, Constitutional History of England*, vol. i. p. 427.

Repórtingly. *adv.* By common fame.

Others say thou dost deserve; and I
Believe it better than *reportingly.*
Shakespear, Much Ado about Nothing, iii. 1.

Repósal. *s.*

1. Act of reposing.

Dost thou think,
If I would stand against thee, would the *reposal*
Of any trust, virtue, or worth in thee,
Make thy words faith'd?
Shakespear, King Lear, ii. 1.

2. That on which a person reposes.

His chief pillow and *reposal.*—*Burton, Anatomy of Melancholy*, p. 83.

Repósance. *s.* Reliance. *Rare.*

See what sweet
Reposance heaven can beget.
J. Hall, Poems, p. 92: 1646.

Repóse. *v. a.* [Fr. *reposer.*]

1. Lay to rest.

Rome's readiest champions, *repose* you here,
Secure from worldly chances and mishaps;
Here lurks no treason, here no envy swells.
Shakespear, Titus Andronicus, i. 2.

Have ye chos'n this place,
After the toil of battle, to *repose*
Your wearied virtue? *Milton, Paradise Lost*, i. 318.

2. Place as in confidence or trust: (with *on* or *in*).

I *repose upon* your management, what is dearest to me, my fame.—*Dryden, Preface to Annus Mirabilis.*

That prince was conscious of his own integrity in the service of God, and relied on this as a foundation for that trust he *reposed in* him, to deliver him out of his distresses.—*Rogers.*

3. Lodge; lay up.

Pebbles, *reposed in* those cliffs amongst the earth, being not so dissoluble and more bulky, are left behind.—*Woodward.*

Repóse. *v. n.*

1. Sleep; be at rest.

Within a thicket I *reposed*; when round
I ruffled up fall'n leaves in heap; and found,
Let fall from heaven, a sleep interminate.
Chapman.

2. Rest in confidence: (with *on*).

And, for the days are dangerous to pass,
I do desire thy worthy company,
Upon whose faith and honour I *repose.*
Shakespear, Two Gentlemen of Verona, iv. 3.

Repóse. *s.* [Fr. *repos.*]

1. Sleep; rest; quiet.

Merciful powers!
Restrain me in the cursed thoughts, that nature
Gives way to in *repose.* *Shakespear, Macbeth*, ii. 1.

The hour
Of night, and of all things now retired to rest,
Minds us of like *repose.*
Milton, Paradise Lost, iv. 610.

I all the livelong day
Consume in meditation deep, recluse
From human converse; nor at shut of eve
Enjoy *repose.* *J. Philips, Cyder*, i. 365.

2. Cause of rest.

After great lights must be great shadows, which we call *reposes*; because in reality the sight would be tired, if attracted by a continuity of glittering objects.—*Dryden, Translation of Dufresnoy's Art of Painting.*

3. In *Painting.* See extract.

Repose, or quietness, is applied to a picture, when the whole is harmonious; when nothing glares either in the shade, light, or colouring.—*Gilpin.*

Repósedness. *s.* Attribute suggested by Reposed; state of being at rest.

With wondrous *reposedness* of mind, and gentle words, Reputation answered.—*Translation of Boccalini*, p. 104: 1626.

Repóseful. *adj.* Adapted for repose: (in the extract applied to a person in whom *trust* might be reposed).

I know not where else she can picke out a fast friend, or *reposefull* confident of such reciprocalle interest.—*Howell, Vocall Forrest*, 28. (Ord MS.)

Repósit. *v. a.* [Lat. *repositus*, pass. part. of *ponò* = I put; *positio, -onis.*] Lay up; lodge as in a place of safety.

Others *reposit* their young in holes, and secure themselves also therein, because such security is wanting, their lives being sought.—*Derham, Physico-Theology.*

Repósition. *s.*

1. Act of laying up in a place of safety.

That age [youth] which is not capable of observation, careless of *reposition.*—*Bishop Hall, Quo Vadis?*

2. Act of replacing.

Being satisfied in the *reposition* of the bone, take care to keep it so by deligation.—*Wiseman, Surgery.*

Repósitory. *s.* [Lat. *repositorium.*] Place where anything is safely laid up, or laid up for keeping.

The mind of man, not being capable of having many ideas under view at once, it was necessary to have a *repository* to lay up those ideas.—*Locke.*

He can take a body to pieces, and dispose of them, to us not without the appearance of irretrievable confusion, but with respect to his own knowledge, into the most regular and methodical *repositories.*—*Rogers, Sermons.*

As the *title of a book.*

[Cowper's] famous History of John Gilpin appeared the following year, without his name, in a publication called The *Repository.*—*Craik, History of English Literature*, vol. ii. p. 352.

As a *shop.*

She writes out a little card in her neatest hand, and after long thought and labour of composition; in which the public is informed that 'A Lady who has some time at her disposal, wishes to undertake the education of some little girls, whom she would instruct in English, in French, in Geography, in History, and in Music—address A. O., at Mr. Brown's;' and she confides the card to the gentleman of the Fine Art *Repository*, who consents to allow it to lie upon the counter, where it grows dingy and flyblown. *Thackeray, Vanity Fair.*

Repossés. *v. a.* Possess again.

How comes it now, that almost all that realm is *repossessed* of them?—*Spenser, View of the State of Ireland.*

Her suit is now to *repossess* those lands,
Which we in justice cannot well deny.
Shakespear, Henry IV. Part III. iii. 2.

Repossession. *s.* Act of possessing again.

Whoso hath been robbed, or spoiled, of his lands or goods, may lawfully seek *repossession* by force; yet so, as before any force be used, he first civilly seek restitution.—*Sir W. Raleigh, Arts of Empire, Of War, Defence, and Invasion*, ch. xxi.

Repoúr. *v. a.* Pour anew.

The horrid noise amazed the silent night,
Repouring downe blacke darknesse from the skie.
Mirrour for Magistrates, p. 832.

Reprehénd. *v. a.* [Lat. *reprehendo.*]

1. Reprove; chide.

All as before his sight, whose presence to offend with any the least unseemliness, we would be surely as loth as they, who most *reprehend* or deride what they do.—*Hooker, Ecclesiastical Polity.*

Pardon me for *reprehending* thee,
For thou hast done a charitable deed.
Shakespear, Titus Andronicus, iii. 2.

They like dumb statues stared;
Which when I saw, I *reprehended* them;
And ask'd the mayor, what meant this wilful silence?
Id., Richard III. iii. 7.

2. Blame; censure.

He could not *reprehend* the fight, so many strew'd the ground. *Chapman.*

I nor advise, nor *reprehend* the choice
Of Marcley-hill. *J. Philips, Cyder*, i. 78.

3. Convict of fallacy.

This colour will be *reprehended* or encountered, by imputing to all excellencies in compositions a kind of poverty.—*Bacon.*

4. Charge with a fault: (with *of* before the crime).

Aristippus, being *reprehended of* luxury, by one that was not rich, for that he gave six crowns for a small fish, answered, Why, what would you have given? the other said, Some twelve pence: Aristippus said again, And six crowns is no more with me. —*Bacon, Apophthegms.*

Reprehénder. *s.* One who reprehends; blamer; censurer.

These fervent *reprehenders* of things, established by publick authority, are always confident and bold-spirited men; but their confidence for the most part ariseth from too much credit given to their own wits, for which cause they are seldom free from errours. —*Hooker, Ecclesiastical Polity*, b. v.

Reprehénsible. *adj.* Blamable; culpable; censurable.

When three years had elapsed after the dissolution of the Parliament which sate at Oxford, no writs were issued for an election. This infraction of the constitution was the more *reprehensible*, because the king had little reason to fear a meeting with a new House of Commons.—*Macaulay, History of England*, ch. ii.

Reprehénsibleness. *s.* Attribute suggested by Reprehensible; blamableness; culpableness.

Reprehénsibly. *adv.* In a reprehensible manner; blamably; culpably.

Reprehénsion. *s.* [Lat. *reprehensio, -onis.*] Reproof; open blame.

To a heart fully resolute, counsel is tedious, but *reprehension* is loathsome.—*Bacon.*

There is likewise due to the publick a civil *reprehension* of advocates, where there appeareth cunning counsel, gross neglect, and slight information.—*Bacon, Essays.*

The admonitions, fraternal or paternal, of his fellow-christians, or the governors of the church, then more public *reprehensions* and increpations.—*Hammond.*

What effect can that man hope from his most zealous *reprehensions*, who lays himself open to recriminations.—*Dr. H. More, Government of the Tongue.*

Reprehénsive. *adj.* Given to, containing, reproof.

By a *reprehensive* shortness, he [Christ] both clears the man's innocence, and vindicates God's proceedings.—*South, Sermons*, viii. 299.

Reprehénsory. *adj.* Reprehensive.

More years than I have any delight to reckon, have past since you and I saw one another; of this, however, there is no reason for making any *reprehensory* complaint.—*Johnson, To Dr. Beattie*, in *Boswell's Life*, 1780. (Ord MS.)

Represént. *v. a.* [Lat. *repræsento*; Fr. *représenter.*]

1. Exhibit, as if the thing exhibited were present.

Before him burn
Seven lamps, as in a zodiac *representing*
The heavenly fires. *Milton, Paradise Lost*, xii. 254.

2. Describe; show in any particular character.

This bank is thought the greatest load on the Genoese, and the managers of it have been *represented* as a second kind of senate.—*Addison, Travels in Italy.*

3. Fill the place of another by a vicarious character; personate: (as, 'The parliament *represents* the people').

4. Exhibit; show: (as, 'The tragedy was *represented* very skilfully').

5. Show by modest arguments or narrations.

One of his cardinals admonished him against that unskilful piece of ingenuity, by *representing* to him that no reformation could be made, which would not notably diminish the rents of the church.—*Dr. H. More, Decay of Christian Piety.*

Represéntable. *adj.* Capable of being represented.

The perfections of God are not *representable* by any created being in a true propriety of their nature. —*Sir M. Hale, Origination of Mankind.* (Ord MS.)

Represéntance. *s.* Representation: (the latter being the *commoner* word).

They affirm foolishly, that the images and likenesses they frame of stone, or of wood, are the re-

presentances and forms of those who have brought something profitable, by their inventions, to the common use of their living.—*Donne, History of the Septuagint*, p. 93.

Represéntant. *s.* One exercising the vicarious power given by another: (Representative *commoner*).

There is expected the count Henry of Nassau to be at the said solemnity, as the *representant* of his brother.—*Sir H. Wotton, Remains*, p. 279.

Representátion. *s.*

1. Image; likeness.

If images are worshipped, it must be as gods, which Celsus denied, or as *representations* of God; which cannot be, because God is invisible and incorporeal.—*Bishop Stillingfleet.*

2. Act of supporting a vicarious character; acting for others by deputation.

The reform in *representation* he uniformly opposed.—*Burke.*

A volume devoted to explaining what the writer means by civilization, does not raise so vivid a conception of it as the single expression, that civilization is a different thing from cultivation; the compactness of that brief designation for the contrasted quality being an equivalent for a long discussion. So, if we would impress forcibly upon the understanding and memory the distinction between the two different conceptions of a representative government, we cannot more effectually do so than by saying that delegation is not *representation*.—*J. S. Mill, System of Logic*, pt. iv. ch. vi. § 3.

3. Respectful declaration: (as, 'A *representation* of these circumstances was laid before the minister').

4. Public exhibition.

The spectators are secured, that their poet shall not juggle or put upon them in the matter of place, and time, other than is just and reasonable for the *representation*.—*Rymer, On Tragedy*, p. 2.

Represéntative. *adj.*

1. Exhibiting a similitude.

They relieve themselves with this distinction, and yet own the legal sacrifices, though *representative*, to be proper and real.—*Bishop Atterbury.*

2. Bearing the character or power of another.

This counsel of four hundred was chosen, one hundred out of each tribe, and seems to have been a body *representative* of the people; though the people collective reserved a share of power.—*Swift.*

3. Typical.

No one human being can be completely the *representative* man of his race.—*Palgrave.*

Represéntative. *s.*

1. One exhibiting the likeness of another.

A statue of rumour whispering an idiot in the ear, who was the *representative* of credulity.—*Addison, Freeholder.*

2. One exercising the vicarious power given by another.

I wish the welfare of my country; and my morals and politicks teach me to leave all that to be adjusted by our *representatives* above, and to divine providence.—*Blount, Letter to Pope.*

Near observers could perceive that, though the *representatives* of the nation were as a body zealous for civil liberty and for the Protestant religion, and though they were prepared to endure every thing rather than see their country again reduced to vassalage, they were anxious and dispirited.—*Macaulay, History of England*, ch. **xxi.**

3. That by which anything is shown.

Difficulty must cumber this doctrine, which supposes that the perfections of God are the *representatives* to us, of whatever we perceive in the creatures.—*Locke.*

Represéntatively. *adv.* In a representative manner.

1. In the character of another; by a representative.

Having sustained the brunt of God's displeasure our Lord was solemnly reinstated in favour; and we *representatively*, or virtually in him.—*Barrow, Sermons*, vol. ii. serm. xxx.

2. Vicariously; by legal delegacy.

This alteration ... was brought in peaceable and orderly proceeding, by general consent of the realm *representatively* assembled in parliament.—*Sir E. Sandys, State of Religion.*

Represénter. *s.* One who, that which, represents.

1. One who shows or exhibits.

Where the real works of nature, or verita le acts of story are to be described rart, being but the imitator or secondary *representer*, must not vary from the verity.—*Sir T. Browne.*

2. One who bears a vicarious character; one who acts for another by deputation.

My muse officious ventures
On the nation's *representers.* *Swift.*

Represéntment. *s.* Image or idea proposed, as exhibiting the likeness of something; representation: (the latter being the *commoner* word).

When it is blessed, some believe it to be the natural body of Christ; others, the blessings of Christ, his passion in *representment*, and his grace in real exhibition.—*Jeremy Taylor.*

We have met with some, whose reals made good their *representments*.—*Sir T. Browne, Vulgar Errours.*

Représs. *v. a.* [Lat. *repressus*, pass. part. of *reprimo* (*premo* = I press); *repressio, -onis.*] Crush; put down; subdue.

Discontents and ill blood having used always to *repress* and appease in person, he was loth they should find him beyond sea.—*Bacon, History of the Reign of Henry VII.*

Some, taking dangers to be the only remedy against dangers, endeavoured to set up the sedition again, but they were speedily *repressed*, and thereby the sedition suppressed wholly.—*Sir J. Hayward.*

Such kings
Favour the innocent, *repress* the bold. *Waller.*

How can I
Repress the horror of my thoughts, which fly
The sad remembrance?
Sir J. Denham, Destruction of Troy.

Thus long succeeding criticks justly reign'd,
Licence *repress'd*, and useful laws ordain'd:
Learning and Rome alike in empire grew.
Pope, Essay on Criticism, iii. 681.

Représsion. *s.* Act of repressing.

No declaration from myself could take place, for the due *repression* of these tumults.—*Eikon Basilike.*

Représsive. *adj.* Having power to repress; acting to repress.

It was now necessary to have recourse to *repressive* measures.—*Macaulay, History of England*, ch. x.

Repriéval. *s.* Respite.

His [the sailor's] sleeps are but *reprievals* of his dangers; and when he wakes, 'tis the next stage to dying.—*Sir T. Overbury, Characters*, G. 7.

Repriéve. *v. a.* [?] Respite after sentence of death; give a respite.

He cannot thrive,
Unless her prayers, whom heaven delights to hear,
And loves to grant, *reprieve* him from the wrath
Of greatest justice.
Shakespear, All's well that ends well, iii. 4.

Die! perish! might but my bending down
Reprieve thee from thy fate, it should go on.
Id., Measure for Measure, iii. 1.

Company, though it may *reprieve* a man from his melancholy, yet cannot secure him from his conscience.—*South, Sermons.*

Having been condemned for his part in the late rebellion, his majesty had been pleased to *reprieve* him, with several of his friends, in order to give them their lives.—*Addison.*

He *reprieves* the sinner from time to time, and continues and heaps on him the favours of his providence, in hopes that, by an act of clemency so undeserved, he may prevail on his gratitude and repentance.—*Rogers, Sermons.*

Repriéve. *s.* Respite after sentence of death.

In his *reprieve* he may be so fitted,
That his soul sicken not.
Shakespear, Measure for Measure, ii. 4.

I hope it is some pardon or *reprieve*
For Claudio. *Ibid.* iv. 2.

The morning sir John Hotham was to die, a *reprieve* was sent to suspend the execution for three days.—*Lord Clarendon, History of the Grand Rebellion.*

All that I ask, is but a short *reprieve*,
Till I forget to love, and learn to grieve.
Sir J. Denham, Passion of Dido.

Réprimand. *v. a.* [Fr. *réprimander.*] Chide; check; reprehend; reprove.

Germanicus was severely *reprimanded* by Tiberius, for travelling into Egypt without his permission.—*Arbuthnot.*

They saw their eldest sister once brought to her tears, and her perverseness severely *reprimanded*.—*Law.*

Réprimand. *s.* Reproof; reprehension.

He enquires how such an one's wife or son do, whom he does not see at church; which is understood as a secret *reprimand* to the person absent.—*Addison, Spectator.*

His letter is that of a superior, under the guise of the lowest humility, dictating what is irrefragably right; in its address it is the supplication of a suitor; in its substance, in its spirit, a lofty *reprimand*.—*Milman, History of Latin Christianity*, b. viii. ch. iv.

Reprint. *v. a.*

1. Renew the impression of anything.

The business of redemption is to rub over the defaced copy of creation, to *reprint* God's image upon the soul, and to set forth nature in a second and a fairer edition.—*South, Sermons.*

2. Print a new edition.

My bookseller is *reprinting* the Essay on Criticism. *Pope.*

Reprint. *s.* Reimpression.

Reprísal. *s.* Something seized by way of retaliation for robbery or injury, especially in the way of the Reception of vessels under Letters of Marque.

The English had great advantage in value of *reprisals*, as being more strong and active at sea.—*Sir J. Hayward.*

Sense must sure thy safest plunder be,
Since no *reprisals* can be made on thee. *Dorset.*

Reprise. *s.* [Fr.]

1. Act of taking something in retaliation of injury.

Your care about your banks infers a fear
Of threatening floods and inundations near;
If so, a just *reprise* would only be
Of what the land usurp'd upon the sea. *Dryden.*

2. In *Law.* Annual deduction, or duty, paid out of a manor or lands.

Reprise. *v. a.*

1. Take again.

Forthy he gan some other wayes advize
How to take life from that dead-living swayne,
Whom still he marked freshly to arise
From th' earth, and from her womb new spirits to *reprize.* *Spenser, Faerie Queen*, ii. 11, 44.

You shall read of one town taken by a boat of turfs, and *reprized* many years afterwards by a boat of fagots.—*Howell, Instructions for Foreign Travel*, p. 163: 1642.

2. Recompense; pay in any manner.

If any of the lands so granted by his majesty should be otherwise decreed, his majesty's grantee should be *reprised* with other lands.—*Grant*, in *Lord Clarendon's Life*, ii. 252.

Reprívate. *s.* A coined word to match, or contrast, with Republic; number one.

The world is full of vanity; and fond fools
Promise themselves a name from building churches,
Or anything that tends to the republic;
'Tis the *reprivate* that I study for.
Randolph, The Muses' Looking Glass, iii. 1. (Rich.)

Reproách. *v. a.* [Fr. *reprocher.*]

1. Censure in opprobrious terms, as a crime.

The French writers do not burden themselves too much with plot, which has been *reproached* to them as a fault.—*Dryden.*

Mezentius ... with his ardour warm'd
His fainting friends, *reproach'd* their shameful flight,
Repell'd the victors.
Id., Translation of the Æneid, x. 974.

2. Charge with a fault in severe language.

If ye be *reproached* for the name of Christ, happy are ye.—1 *Peter*, iv. 14.

3. Upbraid in general.

The very regret of being surpassed in any valuable quality, by a person of the same abilities with ourselves, will *reproach* our own faziness, and even shame us into imitation.—*Rogers.*

Reproách. *s.* [Fr. *reproche.*] Censure; infamy; shame.

With his *reproach* and odious menaces,
The knight emboiling in his haughty heart,
Knit all his forces. *Spenser.*

If black scandal or foul-faced *reproach*
Attend the sequel of your imposition,
Your mere enforcement shall acquittance me.
Shakespear, Richard III. iii. 7.

Thou, for the testimony of truth, hast borne
Universal *reproach*. *Milton, Paradise Lost*, vi. 33.

Reproáchable. *adj.* Capable of being, liable to be, reproached; less properly, as in the extract, reproaching; opprobrious; scurrilous.

Catullus the poet wrote againste him [Jul. Cæsar] contumelious or *reproachable* verses.—*Sir T. Elyot, The Governour*, fol. 170. b.

Reproáchful. *adj.*

1. Scurrilous; opprobrious.

O monstrous! what *reproachful* words are these!
Shakespear, Titus Andronicus, i. 2.

I have sheathed
My rapier in his bosom, and withal
Thrust these *reproachful* speeches down his throat.
Ibid. ii. 1.

An advocate may be punished for *reproachful* lan-

guage, in respect of the parties in suit.—*Ayliffe, Parergon Juris Canonici.*

2. Shameful; infamous; vile.

To make religion a stratagem to undermine government, is contrary to this superstructure, most scandalous and *reproachful* to christianity.—*Hammond, On Fundamentals.*

Thy punishment
He shall endure, by coming in the flesh
To a *reproachful* life and cursed death.
Milton, Paradise Lost, xii. 404.

Reproáchfully. *adv.* In a reproachful manner; opprobriously; ignominiously; scurrilously.

I will that the younger women marry, and give none occasion to the adversary to speak *reproachfully.*—1 *Timothy*, v. 14.

Shall I then be used *reproachfully?*
Shakespear, Henry VI. Part II. ii. 4.

Réprobate. *adj.* [Lat. *reprobatus.*] Lost to virtue; lost to grace; abandoned.

They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work *reprobate.*—*Titus*, i. 16.

Strength and art are easily outdone
By spirits *reprobate. Milton, Paradise Lost*, i. 696.

God forbid, that every single commission of a sin, though great for its kind, and withal acted against conscience, for its aggravation, should so far deprave the soul, and bring it to such a *reprobate* condition, as to take pleasure in other men's sins.—*South, Sermons.*

If there is any poor man or woman, that is more than ordinarily wicked and *reprobate*, Miranda has her eye upon them.—*Law.*

Réprobate. *s.* One lost to virtue; wretch abandoned to wickedness.

What if we omit-
This *reprobate*, till he were well inclined?
Shakespear, Measure for Measure, iv. 3.

I acknowledge myself for a *reprobate*, a villain, a traitor to the king, and the most unworthy man that ever lived.—*Sir W. Raleigh.*

All the saints have profited by tribulations; and they that could not bear temptations became *reprobates.*—*Jeremy Taylor.*

Réprobate. *v. a.* [Lat. *reprobatus*, pass. part. of *reprobo*; *reprobatio*, *-onis.*]

1. Disallow; reject.

Such an answer as this is *reprobated* and disallowed of in law; I do not believe it, unless the deed appears.—*Ayliffe, Parergon Juris Canonici.*

2. Abandon to wickedness and eternal destruction.

What should make it necessary for him to repent and amend, who either without respect to any degree of amendment is supposed to be elected to eternal bliss, or without respect to sin, to be irreversibly *reprobated?*—*Hammond.*

3. Abandon to his sentence, without hope of pardon.

Réprobated. *part. adj.* Abandoned.

A *reprobated* hardness of heart does them the office of philosophy towards a contempt of death.—*Sir R. L'Estrange.*

Drive him out
To *reprobated* exile round the world,
A caitive vagabond, abhorr'd, accursed. *Southerne.*

Réprobater. *s.* One who reprobates.

John, duke of Argyle, the patriotic *reprobater* of French modes.—*Noble, Continuation of Granger*, iii. 490.

Reprobátion. *s.*

1. Act of abandoning or state of being abandoned to eternal destruction; the contrary to election.

This sight would make him do a desperate turn;
Yea curse his better angel from his side,
And fall to *reprobation. Shakespear, Othello*, v. 2.

This is no foundation of discriminating grace, or consequently fruit of election and *reprobation.*—*Hammond.*

Though some words may be accommodated to God's predestination, yet it is the scope of that text to treat of the *reprobation* of any man to hell-fire.—*Bishop Bramhall, Answer to Hobbes.*

God, upon a true repentance, is not so fatally tied to the spindle of absolute *reprobation*, as not to keep his promise, and seal merciful pardons.—*Maine.*

2. Condemnatory sentence.

You are empowered to give the final decision of wit, to put your stamp on all that ought to pass for current, and set a brand of *reprobation* on clipt poetry and false coin.—*Dryden.*

Reprobátioner. *s.* One who abandons others to reprobation.

Let them take heed, that they mistake not their own fierce temper for the mind of God.... But I never knew any of the Geneva or Scotch model, which sort of sanctified *reprobationers* we abound with, either use or like this way of preaching in my life; but generally whips and scorpions, wrath and vengeance, fire and brimstone, made both top and bottom, front and rear, first and last, of all their discourses.—*South, Sermons*, iii. 429.

Reprodúce. *v. a.* Produce again; produce anew.

If horse-dung *reproduceth* oats, it will not be easily determined where the power of generation ceaseth.—*Sir T. Browne.*

Those colours are unchangeable, and whenever all those rays with those their colours are mixed again, they *reproduce* the same white light as before.—*Sir I. Newton, On Opticks.*

Reprodúcer. *s.* One who reproduces.

I speak of Charles Townshend, officially the *reproducer* of this fatal scheme; whom I cannot even now remember without some degree of sensibility. In truth, he was the delight and ornament of this house, and the charm of every private society which he honoured with his presence.—*Burke, Speech on American Taxation.*

The abhorrence of meré individual will as such, which properly belongs to the Catholic Church, and which renders her odious or unattractive to turbulent spirits, has a beautiful effect upon the chastened mind, and presents man before God in the attitude which befits him, not as a creator, or an inventor, or even a *reproducer*, of a system, upon which he shall read Self everywhere or anywhere inscribed, but as a recipient of pure bounty and compassion.—*Gladstone, The State in its Relations with the Church*, ch. iv.

Reprodúction. *s.* Act of producing anew.

I am about to attempt a *reproduction* in vitriol, in which it seems not unlikely to be performable.—*Boyle.*

Numerous examples are perpetually occurring, in which the attentive observer of nature may catch a glimpse of the mysterious connection which subsists between the organs of nutrition and *reproduction*, in plants.—*Henslow, Principles of Descriptive and Physiological Botany*, sect. i. ch. iv.

Reproóf. *s.*

1. Blame to the face; reprehension.

Good Sir John, as you have one eye upon my follies, turn another into the register of your own, that I may pass with a *reproof* the easier.—*Shakespear, Merry Wives of Windsor*,

From thee I can and must submiss endure
Check or *reproof.*
Milton, Paradise Regained, i. 476.

Fear not the anger of the wise to raise;
Those best can bear *reproof* who merit praise.
Pope, Essay on Criticism, iii. 582.

2. Censure; slander.

For thy sake have I suffered *reproof*: shame hath covered my face.—*Book of Common Prayer, Psalms*, lxix. 7.

Repróvable. *adj.* Capable of being, liable to be, reproved; culpable; blamable; worthy of reprehension.

If thou dost find thy faith as dead after the reception of the sacrament as before, it may be thy faith was not only little, but *reprovable.*—*Jeremy Taylor, Worthy Communicant.*

Repróve. *v. a.* [Fr. *reprouver.*]

1. Blame; censure.

I will not *reprove* thee for thy sacrifices.—*Psalms*, l. 8.

This is the sin of the minister, when men are called to *reprove* sin, and do not.—*Perkins.*

2. Charge to the face with a fault; check; chide; reprehend.

What if they can better be content with one that can wink at their faults, than with him that will *reprove* them?—*Archbishop Whitgift.*

There is no slander in an allowed fool, though he do nothing but rail; nor no railing in a known discreet man, though he do nothing but *reprove.*—*Shakespear, Twelfth Night*, i. 5.

What if thy son
Prove disobedient; and, *reproved*, retort,
Wherefore didst thou beget me?
Milton, Paradise Lost, x. 760.

If a great personage undertakes an action passionately, let it be acted with all the malice and impotency in the world, he shall have enough to flatter him, but not enough to *reprove* him.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

He *reproves*, exhorts, and preaches to those, for whom he first prays to God.—*Law.*

2. Refute; disprove.

My lords,
Reprove my allegation if you can.
Shakespear, Henry VI. Part II. iii. 1.

3. Blame for: (with *of*).

To *reprove* one *of* laziness, they will say, Dost thou make Idle a coat? that is, a coat for idleness.—*Carew.*

Repróver. *s.* One who, that which, reproves.

Let the most potent sinner speak out, and tell us whether he can command down the clamours and revilings of a guilty conscience, and impose silence upon that bold *reprover!*—*South, Sermons.*

This shall have from every one, even the *reprovers* of vice, the title of living well.—*Locke, Thoughts on Education.*

Reprúne. *v. a.* Prune a second time.

Reprune apricots and peaches, saving as many of the young likeliest shoots as are well placed.—*Evelyn, Kalendarium Hortense.*

Reptátion. *s.* See extract.

Reptation [is] a mode of progression by advancing successively parts of the trunk which occupy the place of the anterior parts which are carried forwards, as in serpents. The term is also applied to the slow progression of those animals whose extremities are so short that the body touches the ground.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Réptile. *adj.* [Lat. *reptilis*, from *repo* (also *repto*) = creep; pass. part. *reptatus*; *reptatio*, *-onis.*] Creeping upon many feet.

Cleanse baits from filth; to give a tempting gloss,
Cherish the sully'd *reptile* race with moss.
Gay, Rural Sports, i. 167.

Réptile. *s.* Animal that creeps on many feet.

This, along with the explanation of the previous entry, stands as it came from Johnson. It is evidently framed so as to exclude the serpents. That this is not the zoological import of the word is well known; the Reptilia, in *Zoology*, being a class that contains not only the footless Ophidians (serpents), but the Batrachians (frogs and toads), the Saurians (lizards and crocodiles), and the Chelonians (turtles and tortoises); none of which are *many*-footed. The reptiles of Johnson are chiefly the myriapods, centipedes, and caterpillars.

Terrestrial animals may be divided into quadrupeds or *reptiles*, which have many feet, and serpents which have no feet.—*Locke, Elements of Natural Philosophy.*

Holy retreat! sithence no female hither,
Conscious of social love and nature's rites,
Must dare approach, from the inferior *reptile*,
To woman, form divine.
Prior, First Hymn of Callimachus.

Reptiles [is] the name of a class of cold-blooded vertebrate animals, including all those which have lungs and a heart composed of two auricles and one ventricle. Those which retain their gills during the whole or a part of their existence are termed Batrachians or Amphibia.... Cuvier, in characterising the class of *reptiles* as defined by him, well observes, that as it is from respiration that the blood derives its heat, and the muscular fibre its susceptibility of nervous irritation, the blood of *reptiles* is cold, and the muscular energy less than that of quadrupeds, and much less than that of birds.... The smallness of the pulmonary vessels, and the relations of their trunk to the heart, permit *reptiles* to suspend the process of respiration, without arresting the course of the blood; thus they dive with more facility, and remain longer under water, than either the mammalia or birds. Few *reptiles* hatch their eggs: still fewer bring forth living young. The Batrachians on quitting the egg have the form and branchiæ of fishes, and some of the genera preserve these organs even after the development of their lungs.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

República. *s.* [Lat. *respublica.*]

1. Commonweath; state in which the power is lodged in more than one.

They are indebted many millions more than their whole *republick* is worth.—*Addison, State of the War.*

2. Common interest; the public.

Those that by their deeds will make it known,
Whose dignity they do sustain,
And life, state, glory, all they gain,
Count the *republick* 's not their own. *B. Jonson.*

Republic of Letters. Whole body of the people of study and learning.

Repúblican. *adj.* Placing the government in the people; approving this kind of government.

You can better ingraft any description of republick on a monarchy, than any thing of monarchy upon the *republican* forms.—*Burke, On the French Revolution.*

It has been a great point with *republican* divines to explain away the force of this text, Rom. xiii. 1. But for this purpose they have never been able to fall upon any happier expedient, than to say that the word 'powers,' ἐξουσίαι, signifies not persons bearing power, but forms of government.... I will

venture to add, that not a single instance is to be found in any writer, sacred or profane, of the use of the word ἐξουσία to signify form of government; nor is that sense to be extracted by any critical chymistry from the etymology and radical meaning of the word.—*Bishop Horsley, Sermon, January* 30, 1793.

Republican. *s.* One who thinks a commonwealth without monarchy the best government.

These people are more happy in imagination than the rest of their neighbours, because they think themselves so; though such a chimerical happiness is not peculiar to *republicans*.—*Addison.*

With the same authorities before them, different historians, alike innocent of intentional misrepresentation, see only what is favourable to Protestants or Catholics, royalists or *republicans*, Charles I. or Cromwell; while others, having set out with the preconception that extremes must be in the wrong, are incapable of seeing truth and justice when these are wholly on one side.—*J. S. Mill, System of Logic*, pt. v. ch. iv. § 3.

Republicanism. *s.* Attachment to a republican form of government.

He distinguishes it with the same care from the principles of regicide and *republicanism*.—*Burke.*

The Emperor and the Pope were united by the bonds of common interest and common dread and hatred of *republicanism*.—*Milman, History of Latin Christianity*, b. viii. ch. vii.

Republication. *s.*

1. Reimpression of a printed work.
2. In *Law.* Second publication; avowed renewal.

The *republication* of a former will revokes one of a later date, and establishes the first again.—*Sir W. Blackstone, Commentaries on the Laws of England.*

Republish. *v. a.* Publish anew.

The book is extant, published by warrant, and *republished* by command this present year.—*Bishop Mountagu, Appeal to Cæsar*, p. 31: 1625.

As Mr. Beattie has not thought proper to *republish* the epitaph, the insertion of it in this place will, perhaps, gratify some of his admirers.—*Bower, Life of Beattie*, p. 124. (Ord MS.)

Republisher. *s.* One who republishes.

He who considers Jesus only in the light of a *republisher* of the law of nature, can hardly entertain a higher opinion of the Saviour of the world than some have done of Socrates.—*Bishop Warburton, Sermons*, serm. v. (Ord MS.)

Repúdiate. *v. a.* [Lat. *repudio*; Fr. *repudier*. The Latin dictionaries connect this with *pudet* = it shames, and *pudor* = shame, modesty. The same connect *tripudium* = a dance, with *terræ* + *-pudium*, a beating back of the earth, in Greek, (*not Latin*) πόδιον, connected with ποῦς, ποδὸς = foot. The editor, doubting this second derivation, connects *re-pudium*, with *tri-pudium*, and makes the word under notice an approximate equivalent to *rejection*.] Divorce; reject; put away.

Let not those that have *repudiated* the more inviting sins, shew themselves philtred and bewitched by this.—*Dr. H. More, Government of the Tongue.*

Here is a notorious instance of the folly of the atheists, that while they *repudiate* all title to the kingdom of heaven, merely for the present pleasure of body, and their boasted tranquillity of mind, besides the extreme madness in running such a desperate hazard after death, they unwittingly deprive themselves here of that very pleasure and tranquillity they seek for.—*Bentley, Sermons.*

Repudiátion. *s.*

1. Divorce; rejection.

What *repudiations*, and newe weddinges upon divorcements!—*Martin, Treatise on the Marriage of Priestes*, L. iii.: 1554.

The Jewish *repudiations* never found favour in heaven.—*Bishop Hall.*

It was allowed by the Athenians, only in case of *repudiation* of a wife.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

2. Specially applied of late to the rejection of pecuniary claims.

Repúgn. *v. n.* [Fr. *repugner*; Lat. *repugno* (*pugno* = I fight); pres. part. *repugnans*, *-antis*.] Oppose; make resistance.

Nature *repugning*, they scarce taste any thing that may be profitable.—*Sir T. Elyot, The Governour*, fol. 46. b.

Many things *repugning* quite both to God's law and man's.—*Spenser, View of the State of Ireland.*

As though this did *repugne* both unto their nature and grace.—*Salkeld, Treatise of Angels*, p. 326: 1613.

Repúgn. *v. a.* Withstand; resist.

When stubbornly he did *repugn* the truth
About a certain question of the law
Argued betwixt the duke of York and him.
Shakespear, Henry VI. Part I. iv. 1.

Repúgnance. *s.* [Fr.]

1. Inconsistency; contrariety; reluctance; resistance; struggle of opposite passions.

Thus did the passions act without any of their present jars, combats, or *repugnances*, all moving with the beauty of uniformity and the stillness of composure.—*South, Sermons.*

2. Aversion; unwillingness.

That which causes us to lose most of our time, is the *repugnance* which we naturally have to labour. —*Dryden.*

Repúgnancy. *s.* Repugnance.

Why do fond men expose themselves to battle,
And let the foes quietly cut their throats,
Without *repugnancy*?
Shakespear, Timon of Athens, iii. 5.

But where difference is without *repugnancy*, that which hath been can be no prejudice to that which is.—*Hooker, Ecclesiastical Polity.*

It is no affront to omnipotence, if, by reason of the formal incapacity and *repugnancy* of the thing, we aver that the world could not have been made from all eternity.—*Bentley.*

Repúgnant. *adj.* [Fr.]

1. Disobedient; not obsequious.

His antique sword,
Rebellious to his arm, lies where it falls,
Repugnant to command. *Shakespear, Hamlet*, ii. 2.

2. Contrary; opposite; inconsistent: (generally with *to*, sometimes *with*).

All contrary and *repugnant* religions.—*Stapleton, Fortresse of the Faith which Protestants call Papistry*, fol. 152: 1565.

There is no breach of a divine law, but is more or less *repugnant unto* the will of the law-giver, God himself.—*Perkins.*

Why I reject the other conjectures is; because they have not due warrant from observation, but are clearly *repugnant thereunto*.—*Woodward, Essay towards a Natural History of the Earth.*

Your way is to wrest and strain some principles maintained both by them and me, to a sense *repugnant with* their other known doctrines.—*Bishop Waterland.*

Repúgnantly. *adv.* In a repugnant manner; contradictorily.

They speak not *repugnantly* thereto.—*Sir T. Browne, Vulgar Errours.*

Repúllulate. *v. n.* [Lat. *pullulatus*, pass. part. of *pullulo* = I shoot as a bud.] Bud again. *Rare.*

Though tares *repullulate*, there is wheat still left in the field.—*Howell, Vocall Forrest.*

Repúlse. *s.* [Fr.; Lat. *repulsus*, pass. part. of *repello* = I drive back.] Condition of being driven off or put aside from any attempt.

My *repulse* at Hull seemed an act of so rude disloyalty, that my enemies had scarce confidence enough to abet it.—*Eikon Basilike.*

Nor much expect
A foe so proud will first the weaker seek;
So best, the more shall shame him his *repulse*.
Milton, Paradise Lost, ix. 382.

By fate repell'd, and with *repulses* tired.
Sir J. Denham.

Repúlse. *v. a.* Beat back; drive off.

The christian defendants still *repulsed* them with greater courage than they were able to assail them. —*Knolles, History of the Turks.*

This fleet attempting St. Minoes, were *repulsed*, and without glory or gain, returned into England.—*Sir J. Hayward.*

Complete to have discover'd and *repulsed*
Whatever wiles of foe or seeming friend.
Milton, Paradise Lost, x. 10.

Repúlsion. *s.* Act or power of driving off from itself.

Air has some degree of tenacity, whereby the parts attract one another; at the same time, by their elasticity, the particles of air have a power of *repulsion* or flying off from one another.—*Arbuthnot.*

Repúlsive. *adj.* Driving off; having the power to beat back or drive off.

The parts of the salt or vitriol recede from one another, and endeavour to expand themselves, and get as far asunder as the quantity of water, in which they float, will allow: and does not this endeavour imply that they have a *repulsive* force by which they fly from one another, or that they attract the water more strongly than one another?—*Sir I. Newton, On Opticks.*

Repúnge. *v. n.* [? Lat. *repugno* ? *repungo*.] ? Repugn, i.e. fight against; ? prick against. *Rare.*

I am the king of Persia, a large and fertile soil,
The Egyptians against us *repunge*, as verlets slave and vile.
Tragedy of Cambises, 1561. (Ord MS.)

Repúrchase. *v. a.* Buy again; buy back.

Once more we sit on England's royal throne,
Repurchased with the blood of enemies;
What valiant foemen, like to autumn's corn,
Have we mow'd down in top of all their pride!
Shakespear, Henry VI. Part III. v. 7.

If the son alien those lands, and *repurchase* them again in fee, the rules of descents are to be observed, as if he were the original purchaser.—*Sir M. Hale, History of the Law of England.*

The man of the Fancy Repository and Brompton Emporium of Fine Arts, (of whom she bought the screens, vainly hoping that he would *re-purchase* them when ornamented by her hand), can hardly hide the sneer with which he examines these feeble works of art.—*Thackeray, Vanity Fair*, ch. l.

Réputable. *adj.* Honourable; not infamous.

If ever a ty vice shall become *reputable*, and be gloried in as a mark of greatness, what can we then expect from the man of honour, but to signalize himself.—*Rogers, Sermons.*

In the article of danger it is as *reputable* to elude an enemy as defeat one.—*Broome.*

Réputably. *adv.* In a reputable manner; without discredit.

To many such worthy magistrates, who have thus *reputably* filled the chief seats of power in this great city, I am now addressing my discourse.—*Bishop Atterbury, Sermons.*

Reputátion. *s.* [Fr.]

1. Character of good or bad.

Versoy, upon the lake of Geneva, has the *reputation* of being extremely poor and beggarly.—*Addison.*

2. Credit; honour.

Reputation is an idle and most false imposition; oft got without merit, and lost without deserving: you have lost no *reputation* at all, unless you repute yourself such a loser.—*Shakespear, Othello*, ii. 3.

A third interprets motions, looks, and eyes;
At ev'ry word a *reputation* dies.
Pope, Rape of the Lock, canto iii.

Repúte. *v. a.* [Fr. *réputer*; Lat. *puto* = I think.] Hold; account; think.

The king your father was *reputed* for
A prince most prudent.
Shakespear, Henry VIII. ii. 4.

I do *repute* his grace
The rightful heir to England's royal seat.
Id., Henry VI. Part II. v. 1.

I do know of those,
That therefore only are *reputed* wise,
For saying nothing. *Id., Merchant of Venice*, i. 1.

Men, such as chuse
Law practice for mere gain, boldly *repute*
Worse than embrothel'd strumpets prostitute.
Donne.

If the grand vizier be so great as he is *reputed* in politicks, he will never consent to an invasion of Hungary.—*Sir W. Temple.*

Repúte. *s.*

1. Character; reputation.

A man of good *repute*, carriage, bearing, and estimation.—*Shakespear, Love's Labour's lost*, i. 1, letter.

2. Established opinion.

He who reigns
Monarch in heaven, till then as one secure,
Sat on his throne, upheld by old *repute*.
Milton, Paradise Lost, i. 637.

Repúteless. *adj.* Disreputable; disgraceful.

Opinion, that did help me to the crown,
Had left me in *reputeless* banishment,
A fellow of no mark nor livelihood.
Shakespear, Henry IV. Part I. iii. 2.

Requést. *s.* [Fr. *requeste*, *requête*.]

1. Petition; entreaty.

Haman stood up to make *request* for his life to Esther.—*Esther*, vii. 7.

But ask what you would have reform'd,
I will both hear and grant you your *requests*.
Shakespear, King John, iv. 2.

All thy *request* for man, accepted Son!
Obtain; all thy *request* was my decree.
Milton, Paradise Lost, xi. 46.

Ask him to lend
To this, the last *request* that I shall send,
A gentle ear. *Sir J. Denham, Passion of Dido.*

2. Demand; repute; credit; state of being desired.

Aufidius will appear well in these wars, his great opposer Coriolanus being now in no *request* of his country.—*Shakespear, Coriolanus*, iv. 3.

Whilst this vanity of thinking, that men are obliged to write either systems or nothing, is in

request, many excellent notions are suppressed.—*Boyle.*

Knowledge and fame were in as great *request* as wealth among us now.—*Sir W. Temple.*

Requést. *v. a.* [Fr. *requester.*] Ask; solicit; entreat.

To-night we hold a solemn supper, sir,
And I'll *request* your presence.
Shakespear, Macbeth, iii. 1.

It was to be *requested* of Almighty God by prayer, that those kings would seriously fulfil all that hope of peace.—*Knolles, History of the Turks.*

The virgin quire for her *request*
The god that sits at marriage feast;
He at their invoking came,
But with a scarce well-lighted flame.
Milton, Epitaph on the Marchioness of Winchester.

In things not unlawful, great persons cannot be properly said to *request*, because all things considered, they must not be denied.—*South, Sermons.*

Requéster. *s.* One who requests; petitioner; solicitor.

Too much importunity does but teach a wise man how to deny. The more we desire to gain, the more others desire that they may not lose. The earnestness of the *requester* teacheth the petitioned to be suspicious; and suspicion teaches him how to hold and fortify.—*Junius, Sin Stigmatized*, p. 748: 1639.

Requícken. *v. a.* Reanimate.

By and by the din of war 'gan pierce
His ready sense, when straight his doubled spirit
Requicken'd what in flesh was fatigate,
And to the battle came he.
Shakespear, Coriolanus, ii. 2.

Réquiem. *s.* [Lat., accusative singular of *requies* = rest, from the occurrence of the word in the hymn.]

1. Hymn in which they implore for the dead *requiem* or rest.

We should profane the service of the dead,
To sing a *requiem* and such peace to her,
As to peace-parted souls. *Shakespear, Hamlet*, v. 1.

2. Rest; quiet; peace.

The midwife kneel'd at my mother's throes,
With pain produced, and nursed for future woes;
Else had I an eternal *requiem* kept,
And in the arms of peace for ever slept. *Sandys.*

Singing a *requiem* to his soul, and projecting his future ease upon a survey of his present stores.—*South, Sermons*, vi. 201.

Requíetory. *s.* Sepulchre. *Rare.*

The bodies ... are not only despoiled of all outward funerall ornaments, but digged up out of their *requietories.—Weever, Funeral Monuments*, p. 419.

Requírable. *adj.* Capable of being, fit to be, required.

It contains the certain periods of times, and all circumstances *requirable* in a history to inform.—*Sir M. Hale.*

Requíre. *v. a.* [Lat. *requiro*; pass. part. *requisitus*; *requisitio, -onis*; *quæro* = I seek.]

1. Demand; ask a thing as of right.

Ye me *require*
A thing without the compass of my wit;
For both the lineage and the certain sire,
From which I sprung, are from me hidden yet.
Spenser.

We do *require* them of you, so to use them,
As we shall find their merits.
Shakespear, King Lear, v. 3.

This the very law of nature teaches us to do, and this the law of God *requireth* also at our hands.—*Sir H. Spelman.*

This implied'
Subjection, but *required* with gentle sway.
Milton, Paradise Lost, iv. 307.

Oft our alliance other lands desired,
And what we seek of you, of us *required.*
Dryden, Translation of the Æneid, vii. 323.

2. Make necessary; need.

The king's business *required* haste.—1 *Samuel*, xxi. 8.

High from the ground the branches would *require*
Thy utmost reach. *Milton, Paradise Lost*, ix. 590.

But why, alas! do mortal men complain?
God gives us what he knows our wants *require*,
And better things than those which we desire.
Dryden.

God, when he gave the world in common to all mankind, commanded men also to labour; and the penury of his condition *required* it.—*Locke.*

3. Request.

One thing have I desired of the Lord, which I will *require.—Book of Common Prayer, Psalms*, xxvii. 4.

Two things have I *required* of thee; deny me them not before I die.—*Proverbs*, xxx. 7.

Réquisite. *adj.* [Lat. *requisitus.*] Necessary; needful; required by the nature of things.

When God new modelled the world by the introduction of a new religion, and that in the room of one set up by himself, it was *requisite* that he should recommend it to the reasons of men with the same authority and evidence that enforced the former.—*South, Sermons.*

Cold calleth the spirits to succour, and therefore they cannot so well close and go together in the head, which is ever *requisite* to sleep.—*Bacon, Natural and Experimental History.*

Prepare your soul with all those necessary graces, that are more immediately *requisite* to this performance.—*Archbishop Wake.*

Réquisite. *s.* Anything necessary; necessary.

'Res non parta labore, sed relicta' was thought by a poet to be one of the *requisites* to a happy life.—*Dryden.*

For want of these *requisites*, most of our ingenious young men take up some cried up English poët, adore him, and imitate him, without knowing wherein he is defective.—*Id.*

God on his part has declared the *requisites* on ours; what we must do to obtain blessings, is the great business of us all to know.—*Archbishop Wake.*

Réquisitely. *adv.* In a requisite manner; necessarily.

We discern how *requisitely* the several parts of scripture are fitted to several times, persons, and occurrences.—*Boyle.*

Réquisiteness. *s.* Attribute suggested by Requisite; state of being requisite; necessity.

Discerning how exquisitely the several parts of scripture are fitted to the several times, persons, and occurrences intended, we shall discover not only the sense of the obscurer passages, but the *requisiteness* of their having been written so obscurely.—*Boyle.*

Requisition. *s.* [Fr.] Demand; application for a thing as of right.

Had you been well, I am sure you would have written, according to your engagement and my *requisition.—Lord Chesterfield.*

It was an incident of good fortune, that I should be at Rennes at the time of this solemn *requisition.* The marquis d'E., after twenty years' application to business, was come to reclaim his nobility.—*Sterne, Sentimental Journey.*

Requísitive. *adj.*

1. Indicating demand.

Hence new modes of speaking; if we interrogate, 'tis the interrogative mode; if we require, 'tis the *requisitive.—Harris, Hermes, or Philosophical Enquiry concerning Universal Grammar*, b. i. ch. viii.

2. Requisite.

Two things are *requisitive* to prevent a man's being deceived himself: first, that he be a person of more than ordinary judgment, wisdom, and knowledge; secondly, that he have sufficient information concerning the things he undertakes to write of.—*Bishop Stillingfleet, Origines Sacræ*, b. ii. ch. xi. (Ord MS.)

Requísitory. *adj.* Sought for; demanded.

There are two sorts of these dreams; the one, which are called curious or *requisitory*, to which are referred the dreams sought out, demanded, and obtained, by wicked vows and profane sacrifices amongst the ancient pagans.—*Summary on Du Bartas*, W. 2, p. 27: 1621.

Requítable. *adj.* Capable of being requited.

Evil is presented, either as avoidable, if it be future; or as *requitable*, if it be past.—*Bishop Reynolds, On the Passions*, 39. (Ord MS.)

Requítal. *s.*

1. Return for any good or bad office; retaliation.

Should we take the quarrel of sermons in hand, and revenge their cause by *requital*, thrusting prayer in a manner out of doors under colour of long preaching?—*Hooker, Ecclesiastical Polity.*

Since you
Wear out your gentle limbs in my affairs,
Be bold, you do so grow in my *requital*,
As nothing can unroot you.
Shakespear, All's well that ends well, v. 1.

We hear
Such goodness of your justice, that our soul
Cannot but yield you forth to publick thanks,
Forerunning your *requital.*
Id., Measure for Measure, v. 1.

2. Return; reciprocal action.

No merit their aversion can remove,
Nor ill *requital* can efface their love. *Waller.*

3. Reward; recompense.

He loved me well, and oft would beg me sing ...
And in *requital* oped his leathern scrip,
And shew'd me simples of a thousand names,
Telling their strange and vigorous faculties.
Milton, Comus, 623.

I have ta'en a cordial,
Sent by the king or Haly, in *requital*
Of all my miseries, to make me happy.
Sir J. Denham, The Sophy, v. 1.

In all the light that the heavens bestow upon this lower world, though the lower world cannot equal their benefaction, yet with a kind of grateful return it reflects those rays, that it cannot recompense; so that there is some return however, though there can be no *requital.—South, Sermons.*

Requíte. *v. a.* [Fr. *requiter.*]

1. Repay; retaliate good or ill; recompense.

Joseph will peradventure hate us, and will certainly *requite* us all the evil we did.—*Genesis*, l. 15.

If he love me to madness, I shall never *requite* him.—*Shakespear, Merchant of Venice*, i. 2.

Him within protect from harms;
He can *requite* thee, for he knows the charms
That call fame on such gentle acts as these.
Milton, Sonnets, viii. 4.

Great idol of mankind, we neither claim
The praise of merit, nor aspire to fame!
'Tis all we beg thee to conceal from sight
Those acts of goodness which themselves *requite*:
O let us still the secret joy partake,
To follow virtue ev'n for virtue's sake.
Pope, Temple of Fame.

2. Do or give in reciprocation.

He hath *requited* me evil for good.—1 *Samuel*, xxv. 21.

Open not thine heart to every man, lest he *requite* thee with a shrewd turn.—*Ecclesiasticus*, viii. 19.

Requíter. *s.* One who requites.

Honour is not only the guardian and parent of other virtues, but is a virtue of itself, which renders man a grateful resenter and *requiter* of courtesies.—*Barrow, Sermons*, vol. i. serm. iv.

Rere. *adj.* [A.S. *hrere.*] Raw. *Obsolete.*

Rere-roasted. *adj.* Half-roasted.

There we complain of one *reare-roasted* chick;
Here meat worse cooked nere makes us sick.
Sir J. Harrington, Epigrams, iv. 6.
(Nares by H. and W.)

Réredos. *s.* [Fr. *arrière* = back, behind + *dos* = back.] Screen. For its various applications see extracts.

Now have we many chimnies, and yet our tenderlings complain of rheumes, catarhs, and poses; then had we none but *reredosses*, and our heads did never ake.—*Harrison.* (Nares by H. and W.)

Also, you shall inquire of all armorers and other artificers using to work in metal, which have or use any *reardosses*, or any other places dangerous or perilous for fire.—*Calthrop's Reports*: 1670. (Nares by H. and W.)

The open fire-hearth, frequently used in ancient domestic halls, was likewise called a *reredos*.... The use of these was continued in some of the college halls at Oxford until within the memory of many persons now living, and is still continued in the hall of Westminster College, and *reredos* was the name commonly applied to them.—*Glossary of Architecture.*

Reredoss and lardosse were synonyms, signifying screens. In Stow it means the screen supporting the rood-loft. However, when chimnies were not general, it mostly implied a fireplace in rooms. It was supposed by the smoke to harden the timber of the house, and to be good physick for the family.... At Cheveley Park, Cambridgeshire, a fire-place in form of pantiles, *rere-dosses*, and chafing-dishes was most usual till the general use of chimnies.—*Fosbroke, Encyclopædia of Antiquities*, pp. 352 and 140: 1840.

Rere-banquet. *s.* [Fr. *arrière* = back part.] Dessert. *Obsolete.*

Callicratides came to the court at such unseasonable time, as the king was in the midst of his dinner. He came again another day in the afternoone, and finding the king at a *rere-banquet*, and to have taken the wine somewhat plentifully, turned back againe.—*Puttenham, Art of Poetry*, iii. xxv. (Nares by H. and W.)

Rere-de-main. *s.* [Fr. *arrière* = back part, back.] Back-handed blow. *Obsolete.*

And such a blow he lent him as he passed,
Upon his shoulders from the *rere-de-maine.*
Sir J. Harrington, Translation of the Orlando Furioso, xvi. 50. (Nares by H. and W.)

Re-refíne. *v. a.* Refine afresh.

For by my theorems
Which your polite and terser gallants practise,
I *re-refine* the court, and civilize
Their barbarous natures.
Massinger, Emperor of the East, i. ii. (Rich.)

Re-reign. *v. a.* Reign a second time.

Those changes notwithstanding they
A people shall remaine
Unchased hence, and of that streene
Shall five at length *re-raigne.*
Warner, Albion's England, b. vi. ch xxxii. (Rich.)

Re-resolve. *v. n.* Make fresh resolutions.

At thirty man suspects himself a fool;
Knows it at forty; and reforms his plan;
At fifty chides his infamous delay,
Pushes his prudent purpose to *resolve*;
In all the magnanimity of thought
Resolves and *re-resolves*; then dies the same.
Young, Night-Thoughts, night i.

Re-réstitution. *s.* In *Law.* See extract.

Re-restitution takes place when there hath a writ of restitution before been granted: and restitution is generally matter of duty; but *re-restitution* is a matter of grace.—*Tomline, Law Dictionary.*

Réremouse. *s.* [A.S. *hreremus.*] Bat; flittermouse. *Obsolete, provincial.*

Some war with *rearmice* for their leathern wings,
To make my small elves coats.
Shakespear, Midsummer-Night's Dream, ii. 3.

The *reremouse,* or bat, alone of all creatures that flie, bringeth forth young alive: and none but she of that kind hath wings, made of pannicles or thin skins.—*Holland, Translation of Plinie,* b. x. ch. lxi. (Rich.)

Surely the heart of a *reremonse,* otherwise called a bat, hath an operation which is adverse not only to them, but to all ants beside.—*Ibid.* b. xxix. ch. iv. (Rich.)

Of flying fishes, the wings are not feathers, but a thin kind of skin, like the wings of a bat or *reremouse.*—*Abbot.*

Resaíl. *v. a.* Sail back.

He anchors in his native port,
From Pyle *resailing,* and the Spartan court.
Pope, Translation of the Odyssey, iv. 930.

Resále. *s.* Sale at second hand.

Monopolies and coemption of wares for *resale,* where they are not restrained, are great means to enrich.—*Bacon.*

Resalúte. *v. a.*

1. Salute or greet anew.

To *resalute* the world with sacred light,
Leucothea waked. *Milton, Paradise Lost,* xi. 134.

2. Return a salutation to.

Hippocrates, after a little pause, saluted him by his name; whom he *resaluted.*—*Burton, Anatomy of Melancholy,* preface.

Resalúted. *part. adj.* Saluted afresh.

We drew her up to land,
And trod ourselves the *resaluted* sand. *Chapman.*

Réscat. *s.* Ransom. *Obsolete.*

We had great trouble in our journey, for that every day we were taken prisoners, by reason of the great dissension in that kingdome: and every morning at our departure we must pay *rescat* four or five pagies a man.—*Hackluyt, Voyages,* vol. ii. p. 222. (Rich.)

Réscat. *v. a.* [Spanish, *rescatar.*] Ransom. *Obsolete.*

Give me leave to congratulate your happy return from the Levant, and the great honour you have acquired by your gallant comportment in Algier, in *re-escating* so many English slaves.—*Howell, Letters,* b. i. s. v. letter xxx. (Rich.)

Rescínd. *v. a.* [Lat. *rescindo,* (from *scindo* = I cut); pass. part. *rescissus*; *recissio, -onis.*] Cut off; abrogate a law.

It is the imposing a sacramental obligation upon him, which being the condition, upon the performance whereof all the promises of endless bliss are made over, it is not possible to *rescind* or disclaim the standing obliged by it.—*Hammond.*

I spake against the test, but was not heard;
These to *rescind,* and peerage to restore. *Dryden.*

Just before this, the king also *rescinded* the order by which the Bishop of London had been suspended from the exercise of his functions.—*Buckle, History of Civilization in England,* vol. i. ch. vii.

Rescíssion. *s.* [see Rescind.] Act of cutting off; abrogation.

If any infer *rescission* of their estate to have been for idolatry, that the governments of all idolatrous nations should be also dissolved, it followeth not.—*Bacon.*

No publick or imaginative disavowings, no ceremonial and pompous *rescission* of our fathers' crimes, can be sufficient to interrupt the succession of the curse, if the children do secretly practise or approve what they in pretence or ceremony disavow.—*Jeremy Taylor, Sermons,* p. 43: 1651.

Rescíssory. *adj.* [Fr. *rescisoire.*] Having the power to cut off, or abrogate.

St. Lewis and the rest were constrained to yield to the *rescissory* petitions of their subjects, who complained that the restraint of open combats occasioned multitudes of hidden murders.—*Selden, Duello,* ch. iv.

Primerose proposed, but half in jest as he assured me, that the better and shorter way would be to pass a general act *rescissory* (as it was called), annulling all the parliaments that had been held since the year 1633.—*Bishop Burnet, History of his own Time, King Charles II.*

Rescríbe. *v. a.* [Lat. *rescribo*; pass. part. *rescriptus*; *rescriptio, -onis.*]

1. Write back.

Whenever a prince on his being consulted *rescribes* or writes back Toleramus, he dispenses with that act otherwise unlawful.—*Ayliffe, Parergon Juris Canonici.*

2. Write over again.

Calling for more paper to *rescribe* them, he shewed him the difference betwixt the ink-box and the sand-box.—*Howell.*

Réscript. *s.* [Lat. *rescriptum.*] Answer of an emperor, pope, or lawyer.

One finding a great mass of money digged under ground, and being somewhat doubtful, signified it to the emperor, who made a *rescript* thus: Use it.—*Bacon, Apophthegm.*

The popes, in such cases, where canons were silent, did, after the manner of the Roman emperors, write back their determinations, which were stiled *rescripts* or decretal epistles, having the force of laws.—*Ayliffe, Parergon Juris Canonici.*

The foundation of this jurisprudence [that of the canon law] is laid in the decrees of councils, and in the *rescripts,* or decretal epistles of popes to questions propounded upon emergent doubts relative to matters of discipline and ecclesiastical economy. . . . Gregory IX. caused the five books of Decretals to be published by Raimond de Pennafort in 1234. These consist almost entirely of *rescripts* issued by the later popes, especially Alexander III., Innocent III., Honorius III., and Gregory himself.—*Hallam, View of the State of Europe during the Middle Ages,* ch. vii.

The courts of justice, those to whom the edicts were addressed, and by whom they were to be explained and carried into effect, claimed a power in some cases above the emperor; and the first article in the Roman code was that an imperial *rescript* by whomsoever or howsoever obtained, was void if it was against the law.—*Sharpe, History of Egypt,* ch. xiii.

Rescríption. *s.* Act of writing back, or of answering a letter in writing.

You cannot oblige me more than to be punctual in *rescription.*—*Loveday, Letters,* p. 31: 1662.

Réscuable. *adj.* Capable of being rescued.

Every thing under force is *rescuable* by my function.—*Gayton, Festivous Notes on Don Quixote,* p. 116.

Réscue. *v. a.* [N.Fr. *rescourre.*] Set free from any violence, confinement, or danger.

Sir Scudamore, after long sorrow, in the end met with Britomartis, who succoured him and *reskewed* his love.—*Spenser.*

My uncles both are slain in *rescuing* me.
Shakespear, Henry VI. Part III. i. 4.

We're beset with thieves;
Rescue thy mistress, if thou be a man.
Id., Taming of the Shrew, iii. 2.

Dr. Bancroft understood the church excellently, and had almost *rescued* it out of the hands of the Calvinian party.—*Lord Clarendon, History of the Grand Rebellion.*

He that is so sure of his particular election, as to resolve he can never fall, if he commit those acts, against which Scripture is plain, that they that do them shall not inherit eternal life, must necessarily resolve, that nothing but the removing his fundamental error can *rescue* him from the superstructive.—*Hammond, On Fundamentals.*

Who was that just man, whom had not heaven
Rescued, had in his righteousness been lost?
Milton, Paradise Lost, xi. 681.

Riches cannot *rescue* from the grave,
Which claims alike the monarch and the slave.
Dryden.

We have never yet heard of a tumult raised to *rescue* a minister whom his master desired to bring to a fair account.—*Sir W. Davenant.*

Réscue. *s.* [N.Fr. *rescousse.*] Deliverance from violence, danger, or confinement.

How comes it, you
Have holp to make this *rescue?*
Shakespear, Coriolanus, iii. 1.

Réscuer. *s.* One who, that which, rescues.

They all took part with their *rescuer,* or restitutor, Quixote; and so pelted the guard, that they had very hard pay for their convoy.—*Gayton, Festivous Notes on Don Quixote,* p. 124.

Reseárch. *s.* [Fr. *recherche.*] Enquiry; search.

By a skilful application of those notices, may be gained in such *researches* the accelerating and bettering of fruits, emptying mines and draining fens.—*Glanville, Scepsis Scientifica.*

A felicity adapted to every rank, such as the *researches* of human wisdom sought for, but could not discover.—*Rogers.*

Reseárch. *v. a.* [Fr. *rechercher.*] Examine; enquire. *Rare.*

It is not easy to *research* with due distinction, in the actions of eminent personages, both how much may have been blemished by the envy of others, and what was corrupted by their own felicity.—*Sir H. Wotton, Life of the Duke of Buckingham.*

Reseát. *v. a.* Seat again.

When he's produced . . .
Speak, what will you adventure to *reseat* him
Upon his father's throne?
Dryden, Spanish Friar, v. 2.

Reséct. *adj.* [Lat. *seco* = cut.] Cut off.

I ought reject
No soul from wicked immortalitie,
But give them durance when they are *resect*
From organized corporietie.
Dr. H. More, Song of the Soul, pt. ix. b. i. ch. ii. st. 46. (Rich.)

Reseize. *v. a.*

1. Seize, or lay hold on, again.

2. Reinstate. See Seize, in *Law.*

In wretched prison long he did remaine.
Till they outraigned had their utmost date,
And then therein *reseized* was againe,
And ruled long with honorable state
Till he surrendered realme and life to fate.
Spenser, Faerie Queen, ii. 10, 45.

Reseízure. *s.*

1. Repeated seizure.

2. Seizure (in its *Law* sense); seizure a second time.

Here we have the charter of foundation; it is now the more easy to judge of the forfeiture or *reseizure*: deface the image, and you divest the right.—*Bacon.*

Reséemblance. *s.*

1. Likeness; similitude; representation.

One main end of poetry and painting is to please; they bear a great *resemblance* to each other.—*Dryden, Translation of Dufresnoy's Art of Painting.*

The quality produced hath commonly no *resemblance* with the thing producing it; wherefore we look on it as a bare effect of power.—*Locke.*

So chymists boast they have a power,
From the dead ashes of a flower,
Some faint *resemblance* to produce,
But not the virtue. *Swift, Miscellanies.*

I cannot help remarking the *resemblance* betwixt him and our author in qualities, fame, and fortune.—*Pope.*

To these four kinds of matter-of-fact or assertion, must be added a fifth, *resemblance.* This was a species of attribute which we found it impossible to analyse; for which no fundamentum, distinct from the objects themselves, could be assigned. Besides propositions which assert a sequence or coexistence between two phenomena, there are therefore also propositions which assert *resemblance* between them: as, This colour is like that colour;—The heat of to-day is equal to the heat of yesterday. It is true that such an assertion might with some plausibility be brought within the description of an affirmation of sequence, by considering it as an assertion that the simultaneous contemplation of the two colours is followed by a specific feeling termed the feeling of *resemblance.* But there would be nothing gained by encumbering ourselves, especially in this place, with a generalization which may be looked upon as strained. Logic does not undertake to analyse mental facts into their ultimate elements. *Resemblance* between two phenomena is more intelligible in itself than any explanation could make it, and under any classification must remain specifically distinct from the ordinary cases of sequence and coexistence.—*J. S. Mill, System of Logic,* pt. i. b. v. § 6.

2. Something resembling.

These sensible things, which religion hath allowed, are *resemblances* formed according to things spiritual, whereunto they serve as a hand to lead, and a way to direct.—*Hooker, Ecclesiastical Polity.*

Fairest *resemblance* of thy Maker fair,
Thee all things living gaze on.
Milton, Paradise Lost, ix. 538.

They are but weak *resemblances* of our intentions, faint and imperfect copies that may acquaint us with the general design, but can never express the life of the original.—*Addison.*

Reséemblant. *adj.* Resembling. *Gallicism; rare.*

A reason whereof may peradventure be, because the Spanish wools are grown originally from the English sheep, by that soyle (*resemblant* to the Downs of England), and by the elevation of the Pole for warmth, are come to that fineness.—*Golden Fleece:* 1657. (Nares by H. and W.)

Reséemble. *v. a.* [Fr. *ressembler*; Lat. *similis* = like.]

1. Compare; represent as like something else.

Most safely may we *resemble* ourselves to God, in respect of that pure faculty which is never separate from the love of God.—*Sir W. Raleigh, History of the World.*

The torrid parts of Africk are *resembled* to a libbard's skin, the distance of whose spots represent the disperseness of habitations.—*Brerewood, On Languages.*

2. Be like; have likeness to.

If we see a man of virtues, mixed with infirmities, fall into misfortune, we are afraid that the like misfortunes may happen to ourselves, who *resemble* the character.—*Addison.*

Reséminate. *v. a.* [Lat. *semen* = seed.] Sow or propagate again.

Concerning its [the phœnix's] generation, that without all conjugation it begets and *reseminates* itself, hereby we introduce a vegetable production in animals, and into sensible natures transfer the propriety of plants.—*Sir T. Browne, Vulgar Errours*, b. iii. ch. xii. (Rich.)

ReséND. *v. a.*

1. Send back. *Obsolete.*

I sent to her, by this same coxcomb,
Tokens and letters, which she did *resend*.
Shakespear, All's well that ends well, iii. 6.

2. Send again.

Resént. *v. a.* Give back; return.

Where doth the pleasant air *resent* a sweeter breath? *Drayton, Polyolbion*, song xxv. (Ord MS.)

Resént. *v. a.* [Fr. *ressentir*.]

1. Take well or ill.

A serious consideration of the mineral treasures of his territories, and the practical discoveries of them by way of my philosophical theory, he then so well *resented*, that afterwards, upon a mature digestion of my whole design, he commanded me to let your lordships understand how great an inclination he hath to further so hopeful a work.—*Bacon.*

To be absent from any part of publick worship he thus deeply *resented*.—*Bishop Fell, Life of Hammond.*

I was sure that this instance of Mr. Yorke's friendship to you would ever be warmly *resented*.—*Bishop Warburton, Letter to Hurd.*

2. Take ill; consider as an injury or affront.

Thou with scorn
And anger wouldst *resent* the offer'd wrong.
Milton, Paradise Lost, ix. 299.

Such proceedings have been always *resented*, and often punished in this kingdom.—*Sir W. Davenant.*

Resénter. *s.* One who resents.

a. By taking a thing well or ill.

Honour is not only the guardian and parent of other virtues, but is a virtue of itself, which renders man a grateful *resenter* and requiter of courtesies.—*Barrow, Sermons*, vol. i. serm. iv.

b. By feeling injuries deeply.

The earl was the worst philosopher, being a great *resenter* and a weak dissembler of the least disgrace.—*Sir H. Wotton.*

Reséntful. *adj.* Malignant; easily provoked to anger, and long retaining it; full of resentment.

Pope was as *resentful* of an imputation of the roundness of his back, as marshal Luxembourg is reported to have been on the sarcasm of king William.—*Tyers, Historical Rhapsody on Pope*, p. 6.

To soften the obdurate, to convince the mistaken, to mollify the *resentful*, are worthy of a statesman.—*Johnson, Journey to the Western Islands of Scotland.*

Reséntingly. *adv.* In a resenting manner.

1. With deep sense; with strong perception.

Hylobares judiciously and *resentingly* recapitulates your main reasonings.—*Dr. H. More, Divine Dialogues.*

2. With continued anger.

Reséntive. *adj.* Quick to take ill; easily excited to resentment. *Rare.*

From the keen *resentive* north,
By long oppression, by religion, roused,
The guardian army came. *Thomson, Liberty*, pt. iv.

Reséntment. *s.* [Fr. *ressentiment*.]

1. Strong perception of good or evil.

He retains vivid *resentments* of the more solid morality.—*Dr. H. More, Divine Dialogues.*

This psalm begins with an hallelujah . . . in which the people of God express a just *resentment* and grateful acknowledgment of the chiefest mercies received by their fathers.—*Bishop Pearson, Sermon, November* 5: 1673.

Some faces we admire and doat on; others in our impartial apprehensions, no less deserving, we can behold without *resentment*; yea, with an invincible disregard.—*Glanville.*

What he hath of sensible evidence, the very groundwork of his demonstration, is but the knowledge of his own *resentment*; but how the same things appear to others, they only know that are conscious to them: and how they are in themselves, only he that made them.—*Id.*

2. Deep sense of injury; anger long continued; sometimes simply anger.

Can heavenly minds such high *resentment* show,
Or exercise their spite in human woe?
Dryden, Translation of the Æneid, i. 17.

I cannot, without some envy, and a just *resentment* against the opposite conduct of others, reflect upon that generosity, wherewith the heads of a struggling faction treat those who will undertake to hold a pen in their defence.—*Swift.*

Though it is hard to judge of the hearts of people, yet where they declare their *resentment* and uneasiness at any thing, there they pass the judgment upon themselves.—*Law.*

Not only were the defeated troops inflamed with the fiercest *resentment* by the humiliation they had suffered, and the loss of their favourite leader, but even among his own the prevailing feeling was one of shame and indignation, which vented itself in deep murmurs against the upstart foreigner, who, by an impudent artifice, had employed the arms of the Macedonians themselves to destroy their most illustrious general.—*Bishop Thirlwall, History of Greece*, ch. lvii.

Reservátion. *s.* [Fr.]

1. Reserve; concealment of something in the mind.

We swear with jesuitical equivocations and mental *reservations*.—*Bishop Sanderson, Against the Covenant.*

Will the new test, will any test, be more efficacious? Will a person who has no conscience, or a person whose conscience can be set at rest by immoral sophistry, hesitate to repeat any phrase that you can dictate? The former will kiss the book without any scruple at all. The scruples of the latter will be very easily removed. He now swears allegiance to one king with a mental *reservation*. He will then abjure the other king with a mental *reservation*. Do not flatter yourselves that the ingenuity of lawgivers will ever devise an oath which the ingenuity of casuists will not evade.—*Macaulay, History of England*, ch. xv.

2. Something kept back; something not given up.

Ourself by monthly course,
With *reservation* of an hundred knights,
By you to be sustain'd, shall our abode
Make with you by due turns.
Shakespear, King Lear, i. 1.

This is academical *reservation* in matters of easy truth, or rather sceptical infidelity against the evidence of reason.—*Sir T. Browne.*

These opinions Steele and his faction are endeavouring to propagate among the people concerning the present ministry; with what *reservation* to the honour of the queen, I cannot determine.—*Swift, Miscellanies.*

3. Custody; state of being treasured up.

He will'd me,
In heedfull'st *reservation*, to bestow them
As notes, whose faculties inclusive were,
More than they were in note.
Shakespear, All's well that ends well, i. 3.

Resérvatory. *s.* Place in which anything is reserved or kept.

How I got such notice of that subterranean *reservatory* as to make a computation of the water now concealed therein, peruse the propositions concerning earthquakes.—*Woodward.*

Resérve. *v. a.* [Fr. *réserver*; Lat. *reservo*.]

1. Keep in store; save to some other purpose.

I could add many probabilities of the names of places; but they should be too long for this, and I *reserve* them for another.—*Spenser, View of the State of Ireland.*

Hast thou seen the treasures of the hail, which I have *reserved* against the time of trouble?—*Job*, xxxviii. 23.

David houghed all the chariot horses, but *reserved* of them for an hundred chariots.—2 *Samuel*, viii. 4.

Flowers
Reserved from night, and kept for thee in store.
Milton, Paradise Lost, v. 127.

2. Retain; keep; hold.

Will he *reserve* his anger for ever? will he keep it to the end?—*Jeremiah*, iii. 5.

Reserve thy state; with better judgment check
This hideous rashness. *Shakespear, King Lear*, i. 1.

3. Lay up to a future time.

The Lord knoweth how to deliver the godly out of temptations, and to *reserve* the unjust unto the day of judgment to be punished.—2 *Peter*, ii. 9.

The breach seems like the scissures of an earthquake, and threatens to swallow all that attempt to close it, and *reserves* its cure only for omnipotence.—*Dr. H. More, Decay of Christian Piety.*

Conceal your esteem and love in your own breast, and *reserve* your kind looks and language for private hours.—*Swift.*

Resérve. *s.*

1. Store kept untouched, or undiscovered.

The assent may be withheld upon this suggestion, that I know not yet all that may be said: and therefore, though I be beaten, it is not necessary I should yield, not knowing what forces there are in *reserve* behind.—*Locke.*

2. Something kept for exigence.

The virgins, besides the oil in their lamps, carried likewise a *reserve* in some other vessel for a continual supply.—*Archbishop Tillotson.*

Things are managed by advocates, who oftentimes seek conquest, and not justice, and ransack all *reserves* of law to support an unrighteous cause.—*Kettlewell.*

3. Something concealed in the mind.

However any one may concur in the general scheme, it is still with certain *reserves* and deviations, and with a salvo to his own private judgment.—*Addison, Freeholder.*

4. Exception; prohibition.

Is knowledge so despised?
Or envy, or what *reserve* forbids to taste?
Milton, Paradise Lost, v. 60.

5. Exception in favour.

Each has some darling lust, which pleads for a *reserve*, and which they would fain reconcile to the expectations of religion.—*Rogers, Sermons.*

6. Modesty; caution in personal behaviour.

Ere guardian thought could bring its scatter'd aid,
Ere reason could support the doubting maid,
My soul surprised, and from herself disjoin'd,
Left all *reserve* and all the sex behind.
Prior, Celia to Damon.

Resérved. *adj.*

1. Modest; not loosely free.

To all obliging, yet *reserved* to all,
None could himself the favour'd lover call. *Walsh.*

Fame is a bubble the *reserved* enjoy;
Who strive to grasp it, as they touch, destroy.
Young, Love of Fame, iv. 252.

2. Sullen; not open; not frank.

Nothing *reserved* or sullen was to see,
But sweet regards, and pleasing sanctity.
Dryden, Character of a good Parson, 15.

Resérvedly. *adv.* In a reserved manner.

1. Not with frankness; not with openness; with reserve.

I must give only short hints, and write but obscurely and *reservedly*, until I have opportunity to express my sentiments with greater copiousness and perspicuity.—*Woodward.*

2. Scrupulously; coldly.

He speaks *reservedly*, but he speaks with force;
Nor can a word be changed, but for a worse. *Pope.*

Resérvedness. *s.* Attribute suggested by Reserve; closeness; want of frankness; want of openness,

Observe their gravity
And their *reservedness*, their many cautions
Fitting their persons.
B. Jonson, Catiline's Conspiracy.

By formality, I mean something more than ceremony and compliment, even a solemn *reservedness*, which may well consist with honesty.—*Sir H. Wotton.*

There was a great wariness and *reservedness*, and so great a jealousy of each other, that they had no mind to give or receive visits.—*Lord Clarendon, History of the Grand Rebellion.*

Dissimulation can but just guard a man within the compass of his own personal concerns, which yet may be more effectually done by that silence and *reservedness*, that every man may innocently practise.—*South, Sermons.*

Her *reservedness* and love of privacy might possibly be misinterpreted sometimes for an overvalue of herself by those who did not know her.—*Bishop Atterbury, Sermons*, serm. vi. (*Ord MS.*)

Resérver. *s.* One who, that which, reserves.

I am in this no *reserver* of my good will till the last.—*Sir H. Wotton, Remains*, p. 370.

Reservoir. *s.* [Fr.] Place where anything is kept in store.

There is not a spring or fountain, but are well provided with huge cisterns and *reservoirs* of rain and snow water.—*Addison.*

Who sees pale Mammon pine amidst his store,
Sees but a backward steward for the poor;
This year a *reservoir* to keep and spare:
The next a fountain spouting through his heir.
Pope, Moral Essays, iii. 171.

Reset. *v. a.* Replace.

They will no more *reset* such traitors in their bosoms.—*Allestree, Sermons*, pt. ii. p. 10. (Ord MS.)

Resétter. *s.* Receiver (? word for word, *receptor*). *Rare.*

Before I shake hands with those bonds of resignation, it will be convenient I give my young clergyman some cautions against them, for it is an old saying; The *resetter* is worse than the thief; for without *resetters*, there would be few thieves.—*Degge, Parson's Counsellor*, p. 54. (Ord MS.)

Reséttle. *v. a.* Settle again.

Will the house of Austria yield the least article, even of usurped prerogative, to *resettle* the minds of those princes in the alliance, who are alarmed at the consequences of the emperor's death?—*Swift.*

Resétttlement. *s.*

1. Act of settling again.

To the quieting of my passions, and the *resettlement* of my discomposed soul, I consider that grief is the most absurd of all the passions.—*Norris, Miscellanies.*

2. State of settling again
Some roll their cask to mix it with the lees, and, after a *resettlement*, they rack it.—*Mortimer, Husbandry.*

Résiance. *s.* [N.Fr.] Residence; abode; dwelling.
The king forthwith banished all Flemings out of his kingdom, commanding his merchant adventurers, which had a *resiance* in Antwerp, to return.—*Bacon, History of the Reign of Henry VII.*

Résiant. *adj.* [N.Fr. *reseant, resseant.*] Resident; present in a place. *Obsolete.*
That was to weet the famous Troynovant,
In which her kingdom's throne is chiefly *resiant.*
Spenser, Faerie Queen.
Solyman was come as far as Sophia, where the Turks' great lieutenant in Europe is always *resiant*, before that the Hungarians were aware.—*Knolles, History of the Turks.*
The Allobroges
Here *resiant* in Rome.
B. Jonson, Catiline's Conspiracy.

Resíde. *v. a.* [Lat. *resideo*; Fr. *resider.*]
1. Have abode; live; dwell; be present.
How can God with such *reside?*
Milton, Paradise Lost, xii. 284.
In no fix'd place the happy souls *reside*;
In groves we live, and lie on mossy beds.
Dryden, Translation of the Æneid, vi. 913.
2. Sink; subside; fall to the bottom.
Oil of vitriol and petroleum, a dram of each, turn into a mouldy substance; there *residing* in the bottom a fair cloud, and a thick oil on the top.—*Boyle.*

Résidence. *s.* [Fr.]
1. Act of dwelling in a place.
Something holy lodges in that breast,
And with these raptures moves the vocal air,
To testify his hidden *residence.*
Milton, Comus, 246.
2. Place of abode; dwelling.
Within the infant rind of this small flower,
Poison hath *residence*, and medicine power.
Shakespear, Romeo and Juliet, ii. 3.
Understand the same
Of fish within their watery *residence.*
Milton, Paradise Lost, viii. 347.
Caprea had been the retirement of Augustus for some time, and the *residence* of Tiberius for several years.—*Addison.*

Résidence. *s.* [from Lat. *resido* = I settle.] That which settles at the bottom of liquors.
Separation is wrought by weight, as in the ordinary *residence* or settlement of liquors.—*Bacon.*
Our clearest waters, and such as seem simple unto sense, are much compounded unto reason, as may be observed in the evaporation of water, wherein, besides a terreous *residence*, some salt is found.—*Sir T. Browne, Vulgar Errours.*

Résidency. *s.* Residence.
Residentiaries in any cathedral or collegiate church shall, after the days of their *residency* appointed by their local statutes or customs expired, presently repair to their benefices.—*Constitutions and Canons Ecclesiastical*, xliv.
There was a great familiarity between the confessor and duke William; for the confessor had often made considerable *residencies* in Normandy.—*Sir M. Hale, History of the Common Law of England.*

Résident. *adj.* [Fr.]
1. Dwelling or having abode in any place.
I am not concerned in this objection; not thinking it necessary that Christ should be personally present or *resident* on earth in the millenium.—*T. Burnet, Theory of the Earth.*
He is not said to be *resident* in a place, who comes thither with a purpose of retiring immediately; so also he is said to be absent, who is absent with his family.—*Ayliffe, Parergon Juris Canonici.*
2. Fixed.
The unskilful, unexperienced Christian shrieks out whenever his vessel shakes, thinking it always in danger, that the watery pavement is not stable and *resident* like a rock.—*Jeremy Taylor, Sermons*, serm. xi.: 1651.

Résident. *s.* Agent, minister, or officer residing in any distant place with the dignity of an ambassador.
The pope fears the English will suffer nothing like a *resident* or consul in his kingdoms.—*Addison.*

Residéntial. *adj.* Constituting, constituted by, relating to, connected with, residence.
Afterwards, in baptism, the same spirit fixes, as it were, his dwelling or *residential* abode, renewing the heart in greater measure.—*Bishop Waterland, Works*, vol. vi. p. 349. (Rich.)

Résidentiarship. *s.* Office of a residentiary.
About that time he [John Williams] had several benefices conferred upon him, of which the rectory of Waldgrave in Northamptonshire was one, Dinam and Grafton two more, a *residentiarship* in the church of Lincoln, one or more prebendships therein, and the office of chaunter.—*Wood, Fasti Oxonienses*, pt. i. p. 181. (Rich.)

Residéntiary. *adj.* Holding residence.
Christ was the conductor of the Israelites into the land of Canaan, and their *residentiary* guardian.—*Dr. H. More.*

Residéntiary. *s.* One who keeps a certain residence.
Residentiaries in any cathedral or collegiate church shall, after the days of their *residency* appointed by their local statues or customs expired, presently repair to their benefices.—*Constitutions and Canons Ecclesiastical*, xliv.
Presbyters or priests in the apostles' time were of two sorts; one of *residentiaries*, and such as were affixed to certain churches, and so did 'προστάναι, præsidere gregi.'—*Mede, Diatribe*, p. 302.

Résidentship. *s.* Function of a resident.
The prince elector did afterwards kindly invite him [Theodore Haak] to be his secretary, but he, loving solitude, declined that employment, as he did the *residentship* at London for the city of Hamburgh. —*Wood, Athenæ Oxonienses*, vol. i. p. 845. (Rich.)

Resíder. *s.* One who resides in a particular place.
We being persons of considerable estates in the kingdom, and *residers* therein.—*Swift, Advertisement against Wood.*

Resídual. *adj.* Relating to the residue; relating to the part remaining.

Resíduary. *adj.* Residual: (common in *Law*, as '*residuary* legatee').
'Tis enough to lose the legacy, or the *residuary* advantage of the estate left him by the deceased.—*Ayliffe, Parergon Juris Canonici.*

Résidue. *s.* [Fr. *résidu*; Lat. *residuum.*] Remaining part which is left.
The causes are all such as expel the most volatile parts of the blood, and fix the *residue.*—*Arbuthnot, On the Nature and Choice of Aliments.*

Resígn. *v. a.* [Fr. *résigner*; Lat. *resigno.*]
1. Give up a claim or possession.
Resign
Your crown and kingdom, indirectly held.
Shakespear, Henry V. ii. 4.
I'll to the king, and signify to him,
That thus I have *resign'd* to you my charge.
Id., Richard III. i. 4.
To her thou didst *resign* thy place.
Milton, Paradise Lost, x. 148.
Phœbus *resigns* his darts, and Jove
His thunder to the god of love.
Sir J. Denham, Friendship and Single Life, against Love and Marriage.
Every Ismena would *resign* her breast;
And every dear Hippolytus be blest.
Prior, Epilogue to Phædra.
2. Yield up.
Whoever shall *resign* their reasons, either from the root of deceit in themselves, or inability to resist such trivial ingannations from others, although their condition may place them above the multitude, yet are they still within the line of vulgarity.—*Sir T. Browne, Vulgar Errours.*
Desirous to *resign* and render back
All I received. *Milton, Paradise Lost*, x. 749.
Thou must, thou must *resign* to fate, my friend,
And leave thy house, thy wife, and family behind;
Thou must thy fair and goodly manors leave.
Oldham, Poems, Paraphrase upon Horace.
Those who always *resign* their judgement to the last man they heard or read, truth never sinks into those men's minds; but, cameleon-like, they take the colour of what is laid before them, and as soon lose and *resign* it to the next that comes in their way.—*Locke.*
3. Give up in confidence: (with *up* emphatical).
What more reasonable than that we should in all things *resign up* ourselves to the will of God?—*Archbishop Tillotson.*
4. Submit; particularly to submit to providence.
Happy the man who, studying nature's laws,
Through known effects can trace the secret cause;
His mind possessing in a quiet state,
Fearless of fortune, and *resign'd* to fate.
Dryden, Translation of the Georgics, ii. 698.
A firm, yet cautious, mind,
Sincere, though prudent; constant, yet *resign'd.*
Pope, Epitaph on Sir W. Trumbull.
5. Submit without resistance or murmur.
What thou art, *resign* to death.
Shakespear, Henry VI. Part II. iii. 1.

Resígn. *s.* Resignation. *Obsolete.*
You have gain'd more in a royal brother,
Than you could lose by your *resign* of Epire.
Beaumont and Fletcher, Coronation.

Resignátion. *s.*
1. Act of resigning or giving up a claim or possession.
Do that office of thine own good will;
The *resignation* of thy state and crown.
Shakespear, Richard II. iv. 1.
He intended to procure a *resignation* of the rights of the king's majesty's sisters and others, entitled to the possession of the crown.—*Sir J. Hayward.*
2. Submission; unresisting acquiescence.
We cannot expect that any one should readily quit his own opinion, and embrace ours, with a blind *resignation* to an authority, which the understanding acknowledges not.—*Locke.*
There is a kind of sluggish *resignation*, as well as poorness and degeneracy of spirit in a state of slavery, that very few will recover themselves out of it.—*Addison.*
3. Submission without murmur to the will of God.

Resígnment. *s.* Act of resigning.
Having broken the business by three demands; the *resignment* of Breder and Guelder, the dismantling of Rheinberg, and the equality of free exercise of religion on either side.—*Sir H. Wotton, Remains*, p. 459.
Here I am, by his command, to cure ye,
Nay more, for ever, by his full *resignment.*
Beaumont and Fletcher, Monsieur Thomas.

Resíle. *v. n.* [Lat. *resilio.*] Start back; fly from a purpose. *Rare.*
Being overpowered against my own judgement, I was so weak as to *resile*, and recal what I had said. —*Ellis, Retractations, &c.*, p. 18: 1662.

Resílience. *s.* Act of starting or leaping back.
If you strike a ball sidelong, the rebound will be as much the contrary way; whether there be any such *resilience* in echoes, that is, whether a man shall hear better if he stand aside the body repercussing, than if he stand where he speaketh, may be tried.—*Bacon, Natural and Experimental History.*

Resíliency. *s.* Resilience.
The common *resiliency* of the mind from one extreme to another.—*Johnson, Rambler*, no. 110.

Résin. *s.* [Fr. *résine*; Lat. *resina.*] Vegetable secretion soluble in alcohol, but not soluble in water.
The fat sulphurous parts of some vegetable, which is natural or procured by art, and will incorporate with oil or spirit, not an aqueous menstruum. Those vegetable substances that will dissolve in water are gums, those that will not dissolve and mix but with spirits or oils are *resins.*—*Quincy.*
The class of ... *resins* occurs almost exclusively among vegetables.... What are called fossil *resins* are doubtless derived from extinct vegetation. There is a close connexion between *resins* and the oils in which they occur dissolved. All *resins* contain oxygen, and moist essential oils become resinous by the absorption of oxygen from the air.... There are distinguished hard and soft *resins.* .. Common *resin* or *rosin* is obtained from the turpentine or balsam of Pinus sylvestris, pinaster, abies, and picea, by distillation with water till all the oil is removed. It is also named colophon, or colophonium.—*Turner, Elements of Chemistry*: 1847.

Résinous. *adj.* Containing, consisting of, constituted by, abounding in, resin.
Resinous gums dissolved in spirits of wine, are let fall again, if the spirit be copiously diluted.—*Boyle, Experiments and Considerations touching Colours.*

Resipíscence. *s.* [Fr.; Low Lat. *resipiscentia.*] Wisdom after the fact; repentance.
So powerful is the impression of a Divinity in human nature, that the most erring beliefs are forced to discern the utility, and the most perverted lives the necessity, of such a sovereign; who abounds with such benignity even towards these irritations, that he provides motives respectively proper for the rectifying each of these errors; offering the ingenuous reason, and the sensual fear, towards their disabuse and *resipiscence.*—*Bishop Mountague, Devout Essays*, pt. ii. p. 47: 1654.

Resíst. *v. a.* [Fr. *résister*; Lat. *resisto.*]
1. Oppose; act against.
Submit yourselves to God; *resist* the devil, and he will flee from you.—*James*, iv. 7.
To do ill our sole delight,
As being the contrary to his high will
Whom we *resist.* *Milton, Paradise Lost*, i. 160.
Not more almighty to *resist* our might
Than wise to frustrate all our plots and wiles.
Ibid. ii. 192.
Some forms, though bright, no mortal man can bear,
Some, none *resist*, though not exceeding fair.
Young, Love of Fame, vi. 157.

2. Not admit impression or force.
Nor keen nor solid could *resist* that edge.
Milton, Paradise Lost, vi. 623.

Resíst. *v. n.* Make opposition.
All the regions
Do seemingly revolt; and, who *resist*,
Are only mock'd for valiant ignorance,
And perish constant fools.
Shakespear, Coriolanus, iv. 6.

Resístance. *s.* [Fr.]
1 Act of resisting; opposition.
Demetrius, seeing that the land was quiet, and that no *resistance* was made against him, sent away all his forces.—1 *Maccabees*, xi. 38.
2. Quality of not yielding to force or external impression.
The *resistance* of bone to cold is greater than of flesh: for that the flesh shrinketh, but the bone resisteth, whereby the cold becometh more eager.—*Bacon.*
Musick so softens and disarms the mind,
That not an arrow does *resistance* find. *Waller.*
The idea of solidity we receive by our touch, and it arises from the *resistance* which we find in body to the entrance of any other body into the place it possesses.—*Locke.*
But that part of the *resistance* which arises from the vis inertiæ, is proportional to the density of the matter, and cannot be diminished by dividing the matter into smaller parts, nor by any other means than by decreasing the density of the medium.—*Sir I. Newton, On Opticks.*

Resístant. *s.* Whoever or whatever opposes or resists.
According to the degrees of power in the agent and *resistant*, is an action performed or hindered.—*Bishop Pearson, Exposition of the Creed*, art. vi.

Resíster. *s.* One who, that which, resists, or makes opposition.
To the *resisters*, and violent contemners, it burns and consumes like lightning.—*Austin, Hæc Homo*, p. 107.
Such are all *resisters* of God's spirit, wicked in the highest degree.—*South, Sermons.*

Resistibílity. *s.*
1. Quality of resisting.
Whether the *resistibility* of Adam's reason did not equivalence the facility of Eve's seduction, we refer unto schoolmen.—*Sir T. Browne, Vulgar Errours.*
The name body, being the complex idea of extension and *resistibility*, together, in the same subject, these two ideas are not exactly one and the same.—*Locke.*
2. Quality of being resistible.
It is from corruption, and liberty to do evil, meeting with the *resistibility* of this sufficient grace, that one resists it.—*Hammond.*

Resístible. *adj.* Capable of being resisted.
That is irresistible; this, though potent, yet is in its own nature *resistible* by the will of man; though it many times prevails by its efficacy.—*Sir M. Hale, Origination of Mankind.*

Resístive. *adj.* Having power to resist.
I have an excellent new fucus made,
Resistive 'gainst the sun, the rain, or wind,
Which you shall lay on with a breath or oil.
B. Jonson, Fall of Sejanus.

Resístless. *adj.*
1. Irresistible; that cannot be opposed.
Our own eyes do every where behold the sudden and *resistless* assaults of death.—*Sir W. Raleigh, History of the World.*
All at once to force *resistless* way.
Milton, Paradise Lost, ii. 62.
She changed her state;
Resistless in her love, as in her hate. *Dryden.*
Since you can love, and yet your error see,
The same *resistless* power may plead for me.
Id., Aurengzebe, ii. 1.
2. Incapable of resisting; helpless.
Like a grim lion rushing with fierce might
Out of his den, he seized greedily
On the *resistless* prey. *Spenser, Muiopotmos.*

Resístlessly. *adv.* In a resistless manner; so as not to be opposed or denied.
'Tis *resistlessly* plain, that the divine writers do not always confine themselves to plain and common grammar, but often express their vigorous sentiments in the language of the figurative construction.—*Blackwall, Sacred Classics*, i. 61.

Résoluble. *adj.* [Fr.] Capable of being resolved, melted, or dissolved.
Three is not precisely the number of the distinct elements, whereinto mixt bodies are *resoluble* by fire.—*Boyle.*

Résolute. *adj.* Determined; fixed; constant; steady; firm.
Be bloody, bold, and *resolute*; laugh to scorn
The power of man; for none of woman born
Shall harm Macbeth. *Shakespear, Macbeth*, iv. 1.
Edward is at hand
Ready to fight; therefore be *resolute*.
Shakespear, Henry VI. Part III. v. 4.

Résolute. *s.* Determined person; one bent to a particular purpose.
Young Fortinbras
Hath, in the skirts of Norway, here and there,
Shark'd up a list of landless *resolutes*,
For food and diet to some enterprise
That hath a stomach in't. *Shakespear, Hamlet*, i. 1.

Résolutely. *adv.* In a resolute manner; determinately; firmly; constantly; steadily.
We *resolutely* must,
To the few virtues that we have be just.
Lord Roscommon.
A man, who lives a virtuous life, despises the pleasures of sin, and notwithstanding all the allurements of sense persists *resolutely* in his course.—*Archbishop Tillotson.*
Some of those facts he examines, some he *resolutely* denies; others he endeavours to extenuate, and the rest he distorts with unnatural turns.—*Swift.*

Résoluteness. *s.* Attribute suggested by Resolute; determinateness; state of being fixed in resolution.
All that my *resoluteness* to make use of my ears, not tongue could do, was to make them acquiesce.—*Boyle.*

Resolútion. *s.* [Fr.; Lat. *resolutio, -onis.*]
1. Act of clearing difficulties.
In matters of antiquity, if their originals escape due relation, they fall into great obscurities, and such as future ages seldom reduce into a *resolution*.—*Sir T. Browne, Vulgar Errours.*
Visits, whether of civility, or for *resolution* of conscience, or information in points of difficulty, were numerous.—*Bishop Fell, Life of Hammond.*
The unravelling and *resolution* of the difficulties, that are met with in the execution of the design, are the end of an action.—*Dryden and Lee, Œdipus*, preface.
2. Analysis; act of separating anything into constituent parts.
To the present impulses of sense, memory, and instinct, all the sagacity of brutes may be reduced; though witty men, by analytical *resolution*, have chymically extracted an artificial logick out of all their actions.—*Sir M. Hale, Origination of Mankind.*
One of these events is the simple subsidence or *resolution* of the inflammation. . . . When the process of *resolution* is unusually sudden and rapid (as it occasionally is, the well-marked phenomena of inflammation completely disappearing in a few hours) it is called . . . delitescence.—*Sir T. Watson, Lectures on the Principles and Practice of Medicine*, lect. x.
3. Dissolution.
In the hot springs of extreme cold countries, the first heats are unsufferable, which proceed out of the *resolution* of humidity congealed.—*Sir K. Digby, Treatise on the Nature of Bodies.*
4. Weakness.
Though we consent not with that philosopher who thinks a spermatical emission into the waight of one dragme is equivalent unto the effusion of sixtie ounces of blood, yet considering the *resolution* and languor ensuing that act in some, the extenuation and narcouer in others, and the visible acceleration it maketh of age in most, wee cannot but thinke it much abridgeth our days.—*Sir T. Browne, Vulgar Errours*, p. 124. (Ord MS.)
5. Fixed determination; settled thought.
I' th' progress of this business,
Ere a determinate *resolution*,
The bishop did require a respite.
Shakespear, Henry VIII. ii. 4.
We spend our days in deliberating, and we end them without coming to any *resolution*.—*Sir R. L'Estrange.*
How much this is in every man's power, by making *resolutions* to himself, is easy to try.—*Locke.*
The mode of the will, which answers to dubitation, may be called suspension; that which answers to invention, *resolution*: and that which, in the phantastick will, is obstinacy, is constancy in the intellectual.—*Grew, Cosmologia Sacra.*
6. Constancy; firmness; steadiness in good or bad.
The rest of the Helots, which were otherwise scattered, bent thitherward, with a new life of *resolution*; as if their captain had been a root, out of which their courage had sprung.—*Sir P. Sidney.*
I would unstate myself to be in a due *resolution*.
Shakespear, King Lear, i. 2.
They, who governed the parliament, had the *resolution* to act those monstrous things.—*Lord Clarendon, History of the Grand Rebellion.*
What reinforcement we may gain from hope,
If not what *resolution* from despair.
Milton, Paradise Lost, i. 190.
7. Determination of a cause in courts of justice.
Nor have we all the acts of parliament or of judicial *resolutions*, which might occasion such alterations.—*Sir M. Hale.*

Resolútioner. *s.* One who joins in the declaration of others.
A great division followed in the kirk; those who adhered to these resolutions were called the publick *resolutioners*.—*Bishop Burnet, History of his own Time, King Charles II.*
Sharp was employed by the *resolutioners* of Scotland.—*Ibid.*

Resólutive. *adj.* Having the power to dissolve or relax.
Shels only alone without the snails mixed with wax, are of a *resolutive* and discutient facultie.—*Holland, Translation of Plinie*, b. xxx. ch. viii. (Rich.)

Resolvabílity. *s.* Capability of being resolved.
The evidence of *resolvability* seems to me to be rather on the negative side—my own deductions from what I have seen have been always in that direction; and such of the present observations as apparently look the other way are, I consider, too vague and wanting in precision and certainty, to establish it positively.—*Lassell, Remarks on the Great Nebula in Orion*, in *Proceedings of the Royal Society*, April 28, 1868.

Resólvable. *adj.* Capable of being resolved.
a. By reference or reduction.
Pride is of such intimate connection with ingratitude, that the actions of ingratitude seem directly *resolvable* into pride, as the principal reason of them.—*South, Sermons.*
b. By separation of parts.
As the serum of the blood is *resolvable* by a small heat, a greater heat coagulates, so as to turn it horny, like parchment.—*Arbuthnot, On the Nature and Choice of Aliments.*
Sir William Herschel, who first perceived the bearing of the phenomena of nebulæ upon the history of the solar system, made the observation of such objects his business, with truly admirable zeal and skill; and in the account of the results of his labours, gave a classification of Nebulæ; separating them into, first, Clusters of Stars; second, *Resolvable* Nebulæ; third, Proper Nebulæ; fourth, Planetary Nebulæ; fifth, Stellar Nebulæ; sixth, Nebulous Stars.—*Whewell, History of Scientific Ideas*, vol. ii. p. 267: 1858.
c. By solution or being made less obscure.
The effect is wonderful in all, and the causes best *resolvable* from observations made in the countries themselves, the parts through which they pass.—*Sir T. Browne, Vulgar Errours.*

Resólve. *v. a.* [Lat. *resolvo.*]
1. Inform; free from doubt or difficulty.
In all things then are our consciences best *resolved*, and in most agreeable sort unto God and nature resolved, when they are so far persuaded, as those grounds of persuasion will bear.—*Hooker, Ecclesiastical Polity.*
Give me some breath,
Before I positively speak in this;
I will *resolve* your grace immediately.
Shakespear, Richard III. iv. 2.
I cannot brook delay, *resolve* me now;
And what your pleasure is, shall satisfy me.
Id., Henry VI. Part III. iii. 2.
Resolve me, strangers, whence and what you are?
Dryden, Translation of the Æneid, viii. 150.
2. Solve; clear.
Examine, sift, and *resolve* their alleged proofs, till you come to the very root whence they spring, and it shall clearly appear, that the most which can be inferred upon such plenty of divine testimonies, is only this, that some things, which they maintain do seem to have been out of Scripture not absurdly gathered.—*Hooker, Ecclesiastical Polity.*
He always bent himself rather judiciously to *resolve*, than by doubts to perplex a business.—*Sir J. Hayward.*
The gravers, when they have attained to the knowledge of these reposes, will easily *resolve* those difficulties which perplex them.—*Dryden, Translation of Dufresnoy's Art of Painting.*
The man, who would *resolve* the work of fate,
May limit number. *Prior.*
Happiness, it was *resolved* by all, must be some one uniform end, proportioned to the capacities of human nature, attainable by every man, independent on fortune.—*Rogers.*
3. Settle in an opinion.
Good or evil actions, commanded or prohibited by laws and precepts simply moral, may be *resolved* into some dictates and principles of the law of nature, imprinted on man's heart at the creation.—*White.*
Long since we were *resolved* of your truth,
Your faithful service, and your toil in war.
Shakespear, Henry VI. Part I. iii. 4.

4. Fix in a determination.

Good proof
This day affords, declaring thee *resolved*
To undergo with me one guilt.
Milton, Paradise Lost, ix. 967.

With frenzy seized, I run to meet th' alarms,
Resolved on death, *resolved* to die in arms.
Dryden, Translation of the Æneid, ii. 423.

5. Fix in constancy; confirm.

Quit presently the chapel, or *resolve* you
For more amazement . . .
I'll make the statue move.
Shakespear, Winter's Tale, v. 3.

6. Melt; dissolve; disperse.

He commended his soul into the hands of God, and so departed hence most christenlye; his bodye *resolved* into ashes.—*Bale, Brief Chronicle of Lord Cobham.*

O that this too too solid flesh would melt,
Thaw, and *resolve* itself into a dew!
Shakespear, Hamlet, i. 2.

Resolving is bringing a fluid, which is new concreted, into the state of fluidity again.—*Arbuthnot, On the Nature and Choice of Aliments.*

Vegetable salts *resolve* the coagulated humours of a human body, and attenuate, by stimulating the solids, and dissolving the fluids.—*Arbuthnot.*

7. Relax; lay at ease.

And how his limbs, *resolved* through idle leisure,
Unto sweet sleep he may securely lend.
Spenser, Translation of Virgil's Gnat.

Loosed whole
In pleasure and security . . . each house
Resolved in freedom.
B. Jonson, Catiline's Conspiracy.

8. Analyse; reduce.

Into what can we *resolve* this strong inclination of mankind to this error? it is altogether unimaginable, but that the reason of so universal a consent should be constant.—*Archbishop Tillotson.*

Ye immortal souls, who once were men,
And now *resolved* to elements agen.
Dryden, Indian Emperour, ii. 1.

9. Constitute or form by resolution or vote.

When the report was made by Sir Edward Seymour, the house *resolved* itself into a committee, to consider the state of the nation.—*Smollett, History of England*, b. i. ch. vi.

It was unanimously agreed, that this house will on the 21st of next month, *resolve* itself into a committee of the whole house, to consider of the state of the nation.—*Johnson, Debates*, vol. ii. (Ord MS.)

Resólve. *v. n.*

1. Determine; decree within one's self.

Confirm'd, then, I *resolve*
Adam shall share with me.
Milton, Paradise Lost, ix. 830.

Covetousness is like the sea, that receives the tribute of all rivers, though far unlike it in lending any back; therefore those who have *resolved* upon the thriving sort of piety, have seldom embarked all their hopes in one bottom.—*Dr. H. More, Decay of Christian Piety.*

2. Melt; be dissolved.

Have I not hideous death within my view?
Retaining but a quantity of life,
Which bleeds away, ev'n as a form of wax
Resolveth from its figure 'gainst the fire.
Shakespear, King John, v. 4.

No man condemn me, who has never felt
A woman's power, or try'd the force of love;
All tempers yield and soften in those fires,
Our honours, interests, *resolving* down,
Run in the gentle current of our joys.
Southerne, Oroonoko.

When the blood stagnates in any part, it first coagulates, then *resolves* and turns alkaline.—*Arbuthnot, On the Nature and Choice of Aliments.*

3. Be settled in opinion.

Let men *resolve* of that as they please: this every intelligent being must grant, that there is something that is himself, that he would have happy.—*Locke.*

Resólve. *s.* Resolution; fixed determination.

I'm glad you thus continue your *resolve*,
To suck the sweets of sweet philosophy.
Shakespear, Taming of the Shrew, i. 1.

When he sees
Himself by dogs, and dogs by men pursued,
He straight revokes his bold *resolve*, and more
Repents his courage, than his fear before.
Sir J. Denham, Cooper's Hill.

Cæsar's approach has summon'd us together,
And Rome attends her fate from our *resolves*.
Addison, Cato.

Gregory conducted himself with that subtle policy in which he was as great a master as in bold *resolve*.—*Milman, History of Latin Christianity*, b. vii. ch. iii.

Resólvedly. *adv.* In a resolved manner; with resolution; with firmness and constancy.

A man may be *resolvedly* patient unto death; so that it is not the mediocrity of resolution which makes the virtue; nor the extremity which makes the vice.—*Grew, Cosmologia Sacra.*

Resólvedness. *s.* Attribute suggested by Resolved; resolution; constancy; firmness.

This *resolvedness*, this high fortitude in sin, can with no reason be imagined a preparative to its remission.—*Dr. H. More, Decay of Christian Piety.*

Resólvent. *s.* That which has the power of causing solution.

In the beginning of inflammation, they require repellents; and in the increase, somewhat of *resolvents* ought to be mixed.—*Wiseman, Surgery.*

Lactescent plants, as lettuce and endive, contain wholesome juice, *resolvent* of the bile, anodyne and cooling.—*Arbuthnot.*

Resólver. *s.*

1. One who forms a firm resolution.

Thy resolutions were not before sincere; consequently God, that saw that, cannot be thought to have justified that unsincere *resolver*, that dead faith.—*Hammond, Practical Catechism.*

2. Whoever or whatever solves or clears.

A good *resolver* of all cases of conscience.—*Bishop Burnet, History of his own Time, King Charles II.*

3. What dissolves; what separates parts; what disperses.

It may be doubted whether or no the fire be the genuine and universal *resolver* of mixed bodies.—*Boyle.*

Water is found, when not cold, to be a great *resolver* of spasms.—*Burke, Essay on the Sublime and Beautiful*, § 21.

Résonance. *s.* Sound; resound.

An ancient musician informed me, that there were some famous lutes that attained not their full seasoning and best *resonance*, till they were about fourscore years old.—*Boyle.*

But, besides the sounds and impulse of the heart, which come from its own vital movements, and cease when it ceases to live and move, there are other sounds belonging to it—sounds with which its vital movements have nothing to do, and which are . . . entirely produced by our percussion of the præcordial regions. These should rather be called *resonances* than sounds.—*Dr. P. M. Latham, Lectures on Subjects connected with Clinical Medicine, comprising Diseases of the Heart*, lect. i.

Résonant. *adj.* [Fr.; Lat. *resonans, -antis*, pres. part. of *resono*.] Resounding.

His volant touch
Fled and pursued transverse the *resonant* fugue.
Milton, Paradise Lost, xi. 562.

Resórb. *v. a.* [Lat. *resorbeo*.] Swallow up.

A race
Most wretched, but from streams of mutual love;
And uncreated, but for love divine;
And, but for love divine, this moment, lost,
By fate *resorb'd*, and sunk in endless night.
Young, Night Thoughts, night iii.

He, the great Father, kindled at one flame
The world of rationals:—
If they continue rational, as made,
Resorbs them all into Himself again!
His throne their centre, and his smile their crown.
Ibid. night iv.

Resórbent. *adj.* Swallowing up.

Again *resorbent* ocean's wave
Receives the waters which it gave,
From thousand rills with copious currents fraught.
Wodhull.

Resórt. *v. n.* [Fr. *ressortir*.]

1. Have recourse.

The king thought it time to *resort* to other counsels, and to provide force to chastise them, who had so much despised all his gentler remedies.—*Lord Clarendon, History of the Grand Rebellion.*

2. Go publicly.

Thither shall all the valiant youth *resort*,
And from his memory inflame their breasts
To matchless valour.
Milton, Samson Agonistes, 1738.

Hither the heroes and the nymphs *resort*.
Pope, Rape of the Lock, canto iii.

3. Repair to.

In the very time of Moses' law, when God's special commandments were most of all required, some festival days were ordained, and duly observed among the Jews, by authority of the church and state, and the same was not superstitious, for our Saviour himself *resorted* unto them.—*White.*

The sons of light
Hasted, *resorting* to the summons high.
Milton, Paradise Lost, xi. 80.

To Argos' realms the victor god *resorts*,
And enters cold Crotopus' humble courts.
Pope, Translation of the first Book of the Thebais of Statius.

4. Fall back.

The inheritance of the son never *resorted* to the mother or to any of her ancestors, but both were totally excluded from the succession.—*Sir M. Hale, History of the Common Law of England.*

Resórt. *s.* [?]

1. Frequency; assembly; meeting.

Unknown, unquestion'd in that thick *resort*.
Dryden.

Join with me to forbid him her *resort*.
Shakespear, Timon of Athens, i. 1.

4. Movement; active power; spring. *Gallicism.*

Some know the *resorts* and falls of business, that cannot sink into the main of it.—*Bacon, Essays.*

In fortune's empire blindly thus we go,
We wander after pathless destiny,
Whose dark *resorts* since prudence cannot know,
In vain it would provide for what shall be.
Dryden, Annus Mirabilis, cc.

Resórter. *s.* One who resorts to, who frequents, or visits, anything.

'Tis the better for you that your *resorters* stand upon sound legs.—*Shakespear, Pericles*, iv. 6.

Resórting. *verbal abs.* Resort.

We'll in our faces our colours display,
And hallow our yearly *resorting*.
Byron, The Painters' Entertainment. (Rich.)

Encompassed shall *resound* thee ever blest.
Milton, Paradise Lost, iii. 149.

3. Sound; tell so as to be heard far.

The man for wisdom's various arts renown'd,
Long exercised in woes, oh muse! *resound*.
Pope, Translation of the Odyssey, i. 1.

Resoúnd. *v. n.*

1. Echoed back.

What is common fame, which sounds from all quarters of the world, and *resounds* back to them again, but generally a loud, rattling, impudent lye?—*South, Sermons.*

2. Be much and loudly mentioned.

What *resounds* in fable or romance
Of Uther's sons.
Milton, Paradise Lost, i. 579.

Resoúnd. *s.* Echo; return of sound.

The only noise which rolled through that sky,
Were holy echoes that to her did bear
The sweet *resounds* of those rich anthems.
Beaumont, Psyche, p. 300: 1651.

Resoúnding. *verbal abs.* Resound; reecho.

The *resounding* of the sea upon the shore, and the murmur of winds in the woods without apparent wind, show wind to follow.—*Bacon, Natural and Experimental History.* (Rich.)

Resoúrce. *s.* [Fr. *ressource*.] Some new or unexpected means that offer; resort; expedient.

Pallas, who with disdain and grief had view'd
His foes pursuing, and his friends pursued;
Used threatnings, mix'd with pray'rs, his last *resource*;
With these to move their minds, with those to fire their force.
Dryden, Translation of the Æneid, x. 510.

Resoúrceless. *adj.* Wanting resource.

A poor, unfruitful, and *resourceless* subjection.—*Burke.*

Respeák. *v. n.* Answer. *Rare.*

The great cannon to the clouds shall tell,
And the king's rowse the heav'n shall bruit again,
Respeaking earthly thunder.
Shakespear, Hamlet, i. 2.

Respéct. *v. a.* [Fr.]

1. Regard; have regard to.

Claudio, I quake,
Lest thou should'st seven winters more *respect*
Than a perpetual honour.
Shakespear, Measure for Measure, iii. 1.

The blest gods doe not love
Ungodly actions; but *respect* the right,
And in the workes of pious men delight.
Chapman.

In orchards and gardens we do not so much *respect* beauty, as variety of ground for fruits, trees, and herbs.—*Bacon.*

In judgment-seats, not men's qualities, but causes only ought to be *respected.*—*Kettlewell.*

2. Consider with a lower degree of reverence.

There is nothing more terrible to a guilty heart than the eye of a *respected* friend.—*Sir P. Sidney.*

Whoever tastes, let him with grateful heart
Respect that ancient loyal house.
J. Philips, Cyder, i. 519.

I always loved and *respected* Sir William.—*Swift, Letter to Gay.*

3. Have relation to: (as, 'The allusion *respects* an ancient custom').

4. Look toward.

The needle doth vary, as it approacheth the pole; whereas, were there such direction from the rocks, upon a nearer approachment, it would more directly *respect* them.—*Sir T. Browne.*

Palladius adviseth, the front of his house should so *respect* the south, that in the first angle it receive the rising rays of the winter sun, and decline a little from the winter setting thereof.—*Id.*

The high-priest entering the Holy of Holies to make atonement for his own sins and the sins of the people, *respected* plainly that great atonement which was afterwards made by Christ.—*Gilpin, Sermons*, ii. 5.

Respéct. *s.* [Fr.; Lat. *respectus.*]

1. Regard; attention.

You have too much *respect* upon the world;
They lose it that do buy it with much care.
Shakespear, Merchant of Venice, i. 1.

I love
My country's good with a *respect* more tender
Than mine own life. *Id., Coriolanus*, iii. 3.

In the *plural.* Mark of respect; bows.

Which presently unbolted, up comes one of Marsault's companions, clad like a lord indeed, into my chamber, and three others at his heeles, who by their *respects* and distance seemed to be his servants.—*History of Francion:* 1665. (Nares by H. and W.)

2. Reverence; honour.

You know me dutiful, therefore
Let me not shame *respect*; but give me leave
To take that course by your consent and voice.
Shakespear, Troilus and Cressida, v. 3.

Æneas must be drawn a suppliant to Dido, with *respect* in his gestures, and humility in his eyes.—*Dryden, Translation of Dufresnoy's Art of Painting.*

I found the king abandon'd to neglect;
Seen without awe, and served without *respect.*
Prior, Solomon, ii. 930.

The same men treat the Lord's-day with as little *respect*, and make the advantage of rest and leisure from their worldly affairs only an instrument to promote their pleasure and diversions.—*Nelson.*

3. Awful kindness.

He that will have his son have a *respect* for him must have a great reverence for his son.—*Locke.*

4. Goodwill.

The Lord had *respect* unto Abel and to his offering.—*Genesis*, iv. 4.

A thousand pounds a year, for pure *respect*;
No other obligation?
That promises more thousands.
Shakespear, Henry VIII. ii. 3.

5. Partial regard.

It is not good to have *respect* of persons in judgement.—*Proverbs*, xxiv. 23.

6. Reverend character.

Many of the best *respect* in Rome, . .
Groaning underneath this age's yoke,
Have wish'd, that noble Brutus had his eyes.
Shakespear, Julius Cæsar, i. 2.

7. Manner of treating others.

You must use them with fit *respects*, according to the bonds of nature; but you are of kin to their persons, not errors.—*Bacon.*

The duke's carriage was to the gentlemen of fair *respect*, and bountiful to the soldiers, according to any special value which he spied in any.—*Sir H. Wotton, Life of the Duke of Buckingham.*

8. Consideration; motive.

Whatsoever secret *respects* were likely to move them, for contenting of their minds, Calvin returned.—*Hooker, Ecclesiastical Polity.*

The love of him, and this *respect* beside;
For that my grandsire was an Englishman,
Awakes my conscience to confess all this.
Shakespear, King John, v. 4.

Since that *respects* of fortune are his love,
I shall not be his wife. *Id., King Lear*, i. 1.

9. Relation; regard.

In *respect* of the suitors which attend you, do them what right in justice, and with as much speed as you may.—*Bacon.*

There have been always monsters amongst them, in *respect* of their bodies.—*Bishop Wilkins.*

I have represented to you the excellency of the christian religion, in *respect* of its clear discoveries of the nature of God, and in *respect* of the perfection of its laws.—*Archbishop Tillotson.*

Every thing which is imperfect, as the world must be acknowledged in many *respects*, had some cause which produced it.—*Id.*

The great *respectability* of his character.—*Cumberland, Memoirs*, i. 290.

In the *plural.* Specimen, or type of respectability.

Open scoundrels rode triumphant, bediademed, becoronetted, bemitred; or the still fataller species of secret scoundrels, in their fair-sounding formulas, speciosities, *respectabilities*, hollow within: the race of quacks was grown many as the sands of the sea.—*Carlyle, History of the French Revolution*, b. v. ch. i.

Respéctable. *adj.* Deserving, commanding respect; decorous.

Decorum, the great outguard of the sex and the proud sentiment of honour, makes virtue more *respectable.*—*Burke, Thoughts on a Regicide Peace.*

Respécter. *s.* One who has partial regard.

Neither is any condition more honourable in the sight of God than another; otherwise he would be a *respecter* of persons: for he hath proposed the same salvation to all.—*Swift.*

Respéctful. *adj.* Ceremonious; full of outward civility.

Will you be only, and for ever mine?
Shall neither time nor age our souls disjoin?
From this dear bosom shall I ne'er be torn?
Or you grow cold, *respectful*, or forsworn?
Prior, Celia to Damon.

With humble joy, and with *respectful* fear,
The listening people shall his story hear.
Id., Carmen Seculare for the year 1700.

Respéctfully. *adv.* In a respectful manner; with some degree of reverence.

To your glad genius sacrifice this day,
Let common meats *respectfully* give way. *Dryden.*

Respéctive. *adj.*

1. Particular; relating to particular persons or things.

Moses mentions the immediate causes, and St. Peter the more remote and fundamental causes, that constitution of the heavens, and that constitution of the earth, in reference to their *respective* waters, which made that world obnoxious to a deluge.—*T. Burnet, Theory of the Earth.*

When so many present themselves before their *respective* magistrates to take the oaths, it may not be improper to awaken a due sense of their engagements.—*Addison.*

2. Relative; not absolute.

The medium intended is not an absolute, but a *respective* medium: the proportion recommended to all is the same; but the things to be desired in this proportion will vary.—*Rogers.*

3. Worthy of reverence. *Rare.*

What should it be that he respects in her,
But I can make *respective* in myself?
Shakespear, Two Gentlemen of Verona, iv. 4.

4. Careful; cautious; attentive to consequences. *Obsolete.*

Respective and wary men had rather seek quietly their own, and wish that the world may go well, so it be not long of them, than with pain and hazard make themselves advisers for the common good.—*Hooker, Ecclesiastical Polity.*

He was exceedingly *respective* and precise.—*Sir W. Raleigh.*

Respéctively. *adj.* In a respective manner.

1. Particularly; as each belongs to each.

The interruption of trade between the English and Flemish began to pinch the merchants of both nations, which moved them by all means to dispose their sovereigns *repectively* to open the intercourse again.—*Bacon.*

The impressions from the objects or the senses do mingle *respectively* every one with his kind.—*Id., Natural and Experimental History.*

Good and evil are in morality, as the east and west are in the frame of the world, founded in and divided by that fixed and unalterable situation, which they have *respectively* in the whole body of the universe.—*South, Sermons.*

The principles of those governments are *respectively* disclaimed and abhorred by all the men of sense and virtue in both parties.—*Addison, Freeholder.*

2. Relatively; not absolutely.

If there had been no other choice, but that Adam have been left to the universal, Moses would not then have said, eastward in Eden, seeing the world had not east nor west, but *respectively.*—*Sir W. Raleigh, History of the World.*

3. Partially; with respect to private views. *Obsolete.*

Among the ministers themselves, one being so far in estimation above the rest, the voices of the rest were likely to be given for the most part *respectively* with a kind of secret dependency.—*Hooker, Ecclesiastical Polity*, preface.

4. With great reverence. *Obsolete.*

Honest Flaminius, you are very *respectively* welcome.—*Shakespear, Timon of Athens*, iii. 1.

Respéctiveness. *s.* Attribute suggested by Respective.

So that hee shall find, neither a paraphrasticall, epitomized, or meere verbal translation: but such a mixed *respectivenesse*, as may shewe I indevored nothing more, than the true use, benefit, and delight of the reader, howsoever mere unexercised stile shall come short of the sweetnesse of our much refined tongue.—*Haydock, Translation of Lomatius on Painting*: 1598. (Nares by H. and W.)

Respéctivist. *s.* ? Captious opponent.

But what have these our *respectivists* to doe with the apostle Paule, seeing they are the whole Universal Church, by whose authoritie Paule either standeth or falleth, beeing but a member onelie and a part of the church?—*Fox, Acts and Monuments of the Church, The Answer of Martin Luther to the Pope's Bull, Henry VIII.*, p. 1173. (Rich.)

Respéctless. *adj.* Having no respect; without regard; without consideration; without reverence.

The Cambrian part, *respectless* of their power.
Drayton, Polyolbion, song xii.

'Tis the common fortune of most scholars to be servile and poor, to complain pitifully, and lay open their wants to their *respectless* patrons.—*Burton, Anatomy of Melancholy*, p. 131.

He that is so *respectless* in his courses,
Oft sells his reputation at cheap market.
B. Jonson, Every Man in his Humour.

The Hollander [is] more surly, and *respectless* of gentry and strangers.—*Howell, Letters*, i. 2, 15.

In their conversation, austere and *respectless.*—*Sandys, Christ's Passion*, p. 94.

Prevent all inconvenience that might arise out of disdainful and *respectless* carriage.—*Hales, Golden Remains*, p. 28.

Respéctlessness. *s.* Attribute suggested by Respectless; state of being respectless; inattention; regardlessness.

That which he did, was to lay his elbow on the arm of his chair, and his hand on his cheek; desiring Camilla to bear with his *respectlessness* therein.—*Shelton, Translation of Don Quixote*, iv. 6.

Respéctuous. *adj.* Inspiring respect. *Rare*

Neither is it to be marvelled . . . if they [princes] become *respectuous* and admirable in the eyes and sight of the common people.—*Knolles, History of the Turks.* (Nares by H. and W.)

Respérse. *v. a.* [Lat. *respersus*, pass. part. of *respergo*; *spargo* = I sprinkle.] Sprinkle; disperse in small masses.

Take David's psalter, or the other hymns of holy Scripture, or any of the prayers which are *respersed* over the Bible.—*Jeremy Taylor, Discourse on Extempore Prayer*, § 31.

Love and consider the rare documents of Christianity, which certainly is the greatest treasure-house of those excellent, moral, and perfective discourses, which with much pains and greater pleasure we find *respersed* and thinly scattered in all the Greek and Roman poets, historians, and philosophers.—*Jeremy Taylor, Great Exemplar*, preface.

Respirátion. *s.* [Fr.; Lat. *respiratio, -onis.*]

1. Act of breathing.

Apollonius of Tyana affirmed, that the ebbing and flowing of the sea was the *respiration* of the world; drawing in water as breath, and putting it forth again.—*Bacon.*

Syrups or other expectoratives do not advantage in coughs, by slipping down between the epiglottis; for, as I instanced before, that must necessarily occasion a greater cough and difficulty of *respiration.*—*Harvey, Discourse of Consumptions.*

The Author of nature foreknew the necessity of rains and dews to the present structure of plants, and the uses of *respiration* to animals; and therefore created those corresponding properties in the atmosphere.—*Bentley, Sermons.*

The ultimate effects of vegetable *respiration* being the reverse of those which result from the analogous function in animals, have been often regarded as a remarkable provision against the deterioration of our atmosphere. But the effects produced by the *respiration* of animals, by combustion, and by various other processes by which carbonic acid is added to the atmosphere, are of too trifling a description to enable us to appreciate their consequences under the lapse of many ages. . . . But in other respects

there can be no doubt of the important results to which the *respiration* of vegetables gives rise.—*Henslow, Principles of Descriptive and Physiological Botany*, pt. ii. ch. ii. § 188.

2. Relief from toil.

Till the day
Appear of *respiration* to the just,
And vengeance to the wicked.
Milton, Paradise Lost, xii. 539.

3. Interval.

Some meet *respiration* of a more full trial and inquiry into each other's condition.—*Bishop Hall, Cases of Conscience.*

Réspirator. *s.* [Lat.] In *Medicine.* Light apparatus fitted to the mouth or nose, or both, through which the patient breathes.

There is just one more expedient which I would suggest as not unlikely to afford complete protection to those who are necessarily exposed to the malaria, and that is that they should wear an orinasal *respirator*.—*Sir T. Watson, Lectures on the Principles and Practice of Medicine*, lect. xlii.

Respíratory. *adj.* Having power to respire.

In the construction of the *respiratory* organs, a bird and a snake are not the same.—*Hunter.*

Though the stigmata, or *respiratory* organs, of caterpillars and other insects, were long known to serve the purpose of inspiration, yet it was uncertain whether the animals respired by the same orifices, till Bonnet, and, after him, Reaumur, ascertained the fact by many curious and accurate experiments.—*Smellie, Natural History*, 132. (Ord MS.)

Respíre. *v. n.* [Lat. *respiro.*]

1. Breathe.

The ladies gasp'd, and scarcely could *respire*;
The breath they drew no longer air, but fire,
The fainty knights were scorched.
Dryden, The Flower and the Leaf, 379.

2. Catch breath.

Till breathless both themselves aside retire;
Where foaming wrath, their cruel tusks they whet,
And trample th' earth the whiles they may *respire.*
Spenser.

I, a prisoner chain'd, scarce freely draw
The air imprison'd also, close and damp,
Unwholesome draught; but here I feel amends,
The breath of heaven fresh blowing, pure, and sweet,
With day-spring born; here leave me to *respire.*
Milton, Samson Agonistes, 7.

3. Rest; take rest from toil.

Hark! he strikes the golden lyre;
And see! the tortured ghosts *respire*,
See shady forms advance!
Pope, Ode on St. Cecilia's Day.

Respíre. *v. a.* Breathe out; send out in exhalations.

The air *respires* the pure Elysian sweets
In which she breathes, and from her looks descend
The glories of the summer. *B. Jonson, Poetaster.*

Réspite. *s.* [N.Fr. *respit.*]

1. Reprieve; suspension of a capital sentence.

I had hope to spend
Quiet, though sad, the *respite* of that day,
That must be mortal to us both.
Milton, Paradise Lost, xi. 271.

Wisdom and eloquence in vain would plead
One moment's *respite* for the learned head;
Judges of writings and of men have died.
Prior, Ode to the Memory of Colonel Villiers.

2. Pause; interval.

The fox then counsell'd th' ape, for to require
Respite till morrow, to answer his desire. *Spenser.*

This customary war, which troubleth all the world and giveth little *respite* or breathing time of peace, doth usually borrow pretence from the necessary, to make itself appear more honest.—*Sir W. Raleigh, Essays.*

Some pause and *respite* only I require,
Till with my tears I shall have quench'd my fire.
Sir J. Denham, Passion of Dido.

Réspite. *v. a.*

1. Relieve by a pause.

In what bower or shade
Thou find'st him, from the heat of noon retired,
To *respite* his day labour with repast,
Or with repose. *Milton, Paradise Lost*, v. 230.

2. Suspend; delay.

An act passed for the satisfaction of the officers of the king's army, by which they were promised payment, in November following; till which time they were to *respite* it, and be contented that the common soldiers and inferior officers should be satisfied upon their disbanding.—*Lord Clarendon, History of the Grand Rebellion.*

Respléndence. *s.* Lustre; brightness; splendour.

Son! thou in whom my glory I behold
In full *resplendence*, heir of all my might,
Milton, Paradise Lost, v. 720.

Respléndency. *s.* Resplendence.

To neglect that supreme *resplendency*, that shines in God, for those dim representations of it in the creature, is as absurd as it were for a Persian to offer his sacrifice to a parhelion instead of adoring the sun.—*Boyle.*

Respléndent. *adj.* [Lat. *resplendens, -entis*; pres. part. of *resplendeo.*] Bright; shining; having a beautiful lustre.

Rich in commodities, beautiful in situation, *resplendent* in all glory.—*Camden, Remains.*

There all within full rich array'd he found,
With royal arras and *resplendent* gold. *Spenser.*

The ancient electrum had in it a fifth of silver to the gold, and made a compound metal, as fit for most uses as gold, and more *resplendent*.—*Bacon, Natural and Experimental History.*

Empress of this fair world, *resplendent* Eve;
Milton, Paradise Lost, ix. 568.

Every body looks more splendid and luminous in the light of its own colour: cinnabar in the homogeneal light is most *resplendent*, in the green light it is manifestly less *resplendent*, in the blue light still less.—*Sir I. Newton, On Opticks.*

Æthereal mountains shone around—a fane
Stood in the midst, girt by green isles which lay
On the blue sunny deep, *resplendent* far away.
Shelley, Revolt of Islam.

Respléndishant. *adj.* Resplendant. *Rare.*

And thorowe the vertue of thy full myght
Causest the world to be *resplendishaunt.*
Fabyan, Chronicle, p. 11. (Rich.)

Respléndishing. *adj.* Resplendent. *Rare.*

The hevyn visible is most pleasantly garnished with planettes and sterres, *resplendishynge* with mooste pure firmament of asure colour.—*Sir T. Elyot, The Governour*, b. iii. p. 172. (Rich.)

Respónd. *v. n.* [Lat. *respondeo*; Fr. *répondre.*]

1. Answer. *Rare.*

I remember him in the divinity-school *responding* and disputing with a perspicuous energy.—*Johnson, Lives of the Poets, Oldisworth, of Smith.*

2. Correspond; suit.

To ev'ry theme *responds* thy various lay;
Here rolls a torrent, there meanders play. *Broome.*

There, huge caves,
Scooped in the dark base of those aëry rocks,
Mocking its moans, *respond* and roar for ever.
Shelley, Alastor.

Respónd. *s.*

1. See extract from Wheatly.

Whether they have not omitted at even-song the *responds.—Articles of Visitation of King Edward VI.*

Sundry short hymns and *responds* of lessons.—*Sir E. Sandys, State of Religion.*

A *respond* is a short anthem, interrupting the middle of a chapter, which is not to proceed till the anthem is done.—*Wheatly.*

2. Response; answer.

Of the same tendency was the *respond* he received in India, from the oracle of god Carmelus, that whatsoever he undertook should succeed well.—*Christian Religion's Appeal*, p. 85.

Respóndent. *s.*

1. Answerer in a suit.

In giving an answer, the *respondent* should be in court, and personally admonished by the judge to answer the judge's interrogation.—*Ayliffe, Parergon Juris Canonici.*

2. One whose province, in a set disputation, is to refute objections.

How becomingly does Philopolis exercise his office, and seasonably commit the opponent with the *respondent*, like a long-practised moderator!—*Dr. H. More, Divine Dialogues.*

The *respondent* may easily shew, that though wine may do all this, yet it may be finally hurtful to the soul and body of him.—*Watts, Logick.*

Respónsal. *adj.* Responsible. *Rare.*

For whom he was to be *responsal* both to God and the king.—*Heylin, Life of Archbishop Laud*, p. 213.

Respónsal. *s.*

1. One responsible for another person: (see second extract).

Anatolius was put into the see of Constantinople by the influence of Dioscorus, whose *responsal* he had been.—*Barrow, On the Pope's Supremacy.*

Responsalis is he who appears and answers for another in court at a day assigned. Fleta makes a difference between *responsalem atturnatum* and *essoniatorem*; he says that *responsalis* was for the tenant, not only to excuse his absence, but to signify what trial he meant to undergo, the combat or the country.—*Tomline, Law Dictionary.*

2. Response.

After some short prayers and *responsals*, the mass-priest begs.—*Brevint, Saul and Samuel at Endor*, p. 288.

Respónse. *s.* [Lat. *responsum.*]

1. Answer; commonly an oracular answer.

Mere natural piety has taught men to receive the *responses* of the gods with all possible veneration.—*Dr. H. More, Government of the Tongue.*

The oracles, which had before flourished, began to droop, and from giving *responses* in verse, descended to prose, and within a while were utterly silenced.—*Hammond.*

2. Answer made by the congregation, speaking alternately with the priest in public worship.

To make his parishioners kneel and join in the *responses*, he gave every one of them a hassock and Common Prayer Book.—*Addison, Spectator.*

3. Reply, by the respondent, to an objection in a formal disputation.

Let the respondent not turn opponent; except in retorting the argument upon his adversary after a direct *response*; and even this is allowed only as a confirmation of his own *response.*—*Watts, Improvement of the Mind.*

Responsibílity. *s.* [Fr. *responsabilité.*] State of being accountable or answerable.

Where I speak of *responsibility*, I do not mean to exclude that species of it, which the legal powers of the country have a right finally to exact from those who abuse a publick trust; but high as this is, there is a *responsibility* which attaches on them, from which the whole legitimate power of this kingdom cannot absolve them; there is a *responsibility* to conscience and to glory; a *responsibility* to the existing world, and to that posterity, which men of their eminence cannot avoid for glory or for shame; a *responsibility* to a tribunal, at which not only ministers, but kings and parliaments, but even nations themselves, must one day answer.—*Burke, Thoughts on a Regicide Peace*, letter iii.

Would their Lordships amend a money bill? Would they engage in a contest of which the end must be that they must either yield, or incur the grave *responsibility* of leaving the Channel without a fleet during the summer?—*Macaulay, History of England*, ch. xx.

And here is the proper limit of the king's influence; as he governs by *responsible* ministers, he must recognize their *responsibilities.*—*T. Erskine May, Constitutional History of England*, ch. i.

Respónsible. *adj.*

1. Answerable; accountable.

Heathens, who have certainly the talent of natural knowledge, are *responsible* for it.—*Hammond.*

He as much satisfies the itch of telling news; he as much persuades his hearers; and all this while he has his retreat secure, and stands not *responsible* for the truth of his relations.—*Dr. H. More, Government of the Tongue.*

The government of the state was conducted, throughout all its departments, by ministers *responsible* to Parliament for every act of their administration; with ministers thus *responsible* 'the king could no wrong.'—*T. Erskine May, Constitutional History of England*, ch. i.

2. Capable of discharging an obligation.

The necessity of a proportion of money to trade depends on money as a pledge, which writing cannot supply the place of; since the bill I receive from one man will not be accepted as security by another, he not knowing that the bill is legal, or that the man bound is honest or *responsible.*—*Locke.*

Respónsion. *s.* Act of answering.

Respónsive. *adj.*

1. Answering; making answer.

A certificate is a *responsive* letter, or letter by way of answer.—*Ayliffe, Parergon Juris Canonici.*

2. Correspondent; suited to something else.

Sing of love and gay desire,
Responsive to the warbling lyre. *Fenton.*

3. Answerable.

If I may freely declare an opinion, I think it were not amisse if the liberty of making sermons were something more restrained than it is; and that either such persons only were entrusted with the liberty, for whom the church herself may safely be *responsive*, that is, to men learned and pious, and that the other part, the 'vulgares clerici,' should instruct the people out of the fountains of the church and the publick stock, till by so long exercise and discipline in the schooles of the prophets they may also be intrusted to minister of their own unto the people.—*Jeremy Taylor, Apology for the Liturgy.* (Ord MS.).

Respónsory. *adj.* Containing answer.

Respónsory. *s.* Response; responsal.

The versicle; the *responsory.*
Crashaw, Poems, p. 162.

These are the pretty *responsories*, these are the dear antiphonies.—*Milton, Areopagitica.*

Ressaúnt. *s.* [N.Fr.] In *Architecture.* See extract.

Ressaunt, or *ressant*... was an old English term for an ogee-moulding.—*Glossary of Architecture.*

Rest. *s.* [A.S.]

1. Sleep; repose.

All things retired to *rest*,
Mind us of like repose.
Milton, Paradise Lost, iv. 611.
Belinda still the downy pillow press'd;
Her guardian Sylph prolonged the balmy *rest*.
Pope, Rape of the Lock, i. 19.

2. Final sleep; quietness of death.
Oft with holy hymns he charm'd their ears ...
For David left him, when he went to *rest*,
His lyre. *Dryden, Character of a good Parson.*

3. Stillness; cessation or absence of motion.
Putrefaction asketh *rest*; for the subtle motion, which putrefaction requireth, is disturbed by any agitation.—*Bacon.*
What cause
Moved the Creator, in his holy *rest*
Through all eternity, so late to build?
Milton, Paradise Lost, vii. 90.
All things past are equally and perfectly at *rest*; and to this way of consideration of them are all one, whether they were before the world, or but yesterday.—*Locke.*

4. Quiet; peace; cessation from disturbance.
He giveth you *rest* from all your enemies.—*Deuteronomy*, xii. 10.
Learn of me; for I am meek and lowly in heart; and ye shall find *rest* unto your souls.—*Matthew*, xi. 29.
'Scaped from such storms of power, holding it best
To be below herself to be at *rest*.
Daniel, Civil Wars of York and Lancaster.
The root cut off from whence these tumults rose,
He should have *rest*, the commonwealth repose.
Ibid.
Thus fenced, but not at *rest* or ease of mind.
Milton, Paradise Lost, ix. 1120.
Where can a frail man hide him? in what arms
Shall a short life enjoy a little *rest*?
Sir R. Fanshawe.
With what a load of vengeance am I prest,
Yet never, never, can I hope for *rest*:
For when my heavy burden I remove,
The weight falls down, and crushes her I love.
Dryden.
Like the sun, it had light and agility; it knew no *rest* but in motion, no quiet but in activity.—*South, Sermons.*
Thither, where sinners may have *rest* I go.
Pope, Eloisa to Abelard.

5. Cessation from labour.
There the weary be at *rest*.—*Job*, iii. 17.
The Christian chuseth for his day of *rest* the first day of the week, that he might thereby profess himself a servant of God, who on the morning of that day vanquished Satan.—*Nelson.*

6. Support; that on which anything leans or rests, especially a musket, or gun of any kind, in old warfare.
A man may think that a musket may be shot off as well upon the arm as upon a *rest*; but when all is done, good counsel setteth business straight.—*Bacon.*
Take the handle in your right hand, and clasping the blade of it in your left, lean it steady upon the *rest*, holding the edge a little aslant over the work, so as a corner of the thin side of the chisel may bear upon the *rest*, and the flat side of the chisel may make a small angle with the *rest*.—*Moxon, Mechanical Exercises.*

7. Applied to a lance when directed (especially in a tournament) against an opponent.
Forth prick'd Clorinda from the throng,
And 'gainst Tancredie set her spear in *rest*.
Fairfax, Translation of Tasso.
Their visors closed, their lances in the *rest*,
Or at the helmet pointed, or the crest;
They speed the race.
Dryden, Palamon and Arcite, iii. 583.

8. Place of repose.
Sustain'd by him with comforts, till we end
In dust, our final *rest*, and native home.
Milton, Paradise Lost, x. 1084.

9. In *Music*. Interval, during which the sound or voice is intermitted.
If there are any *rests* succeeding the pause, the performer's attention to the leading instrument will direct him when these [all the parts] are to commence.—*Avison, On Musical Expression*, p. 117.
In a musical movement we usually find various *rests*, as the strain proceeds, answering to commas in verbal punctuation.—*Mason, Three Essays on Church Musick*, p. 14.

10. In *Metre*. Pause or rest of the voice; cæsura.

Set one's rest. Fully explained in Nares, from whom all the following examples are taken, as a common colloquial phrase, during the time of its popularity, from the game of primero, wherein it meant to stand upon one's hand; which it was pretty safe to do when the cards amounted to fifty-five; but then the eldest hand, or the player nearest the dealer, if equal, had a preference.
And seeing so much unrevenged shame,
Set their whole *rest* upon the after-game.
Sir R. Fanshawe, Translation of the Lusiad.
They fell to gaming, and not long after one of the Pistoians, *losing his rest*, had not a farthing left to blesse himself.—*Hoby, Castilio*, sign. T. 7, 8vo. ed.
To checke at chesse, to leave at maw, at macke to passe the time,
At coses or at saunt to sit, or *set their rest* at prime.
G. Turberville, On Hawking.
His father's death set him so high on flote,
All *rests* went up upon a seven and coat; ...
Then he more warily his *rest* regards,
And sits with certainties upon the cards;
On six and thirty, or on seven and nine,
If any *set his rest*, he saith, and mine ...
Well sith encountring he so faire doth misse,
He sets not till he nine and fortie is ...
At last both eldest and five and fifty,
He thinketh now or never (thrive unthrifty)
Now for the greatest hand he hath the push,
But Crassus stopt a club and so was flush.
Epigrams, b. ii. ep. 99.
Prime,
Deal quickly, play, discard, I set ten shillings and sixpence,
You see't,—my *rest* five and fifty. *Albumazar.*
Whose lavish hand at one primero *rest*,
One mask, one turney, or one pampering feast,
Spends treasures.
Sylvester, Translation of Du Bartas.
Faith, sir, my *rest* is up,
And what I now pull shall no more affect me,
Than if I played at span-counter.
Beaumont and Fletcher, Monsieur Thomas.
Sea fights have been final to the war, but this is when princes *set up their rest* upon the battle.—*Bacon.*
This answer would render their counsels of less reverence to the people, if upon those reasons they should recede from what they had, with that confidence and disdain of the house of peers, demanded of the king; they therefore resolved to *set up their rest* upon that stake, and to go through with it, or perish in the attempt.—*Lord Clarendon, History of the Grand Rebellion.*

In *Tennis*. Set; game.
Each one in possibility to win,
Great *rests* were up, and mightie hands were in.
Mirrour for Magistrates.
For wit is like a *rest*
Held up at tennis, which men do the best
With the best gamesters.
Beaumont, Letter to B. Jonson.
Knock me down, if ever I saw a *rest* of wit better played, than that last, in my life.—*Cibber, The Careless Husband.*

Rest. *s.* [Fr. *reste*, from Lat. *resto* = I stand back, stand over, remain.]

1. Remainder; what remains.
Religion gives part of its reward in hand, the present comfort of having done our duty; and for the *rest*, it offers us the best security that heaven can give.—*Archbishop Tillotson.*
The power in glory shone,
By her bent bow and her keen arrows known,
The *rest* a huntress.
Dryden, Palamon and Arcite, iii. 267.

2. Others; those not included in the speaker's proposition: (with *the*).
They had no other consideration of the publick than that no disturbance might interrupt their quiet in their own days; and that *the rest*, who had larger hearts, and more publick spirits, would extend their labour, activity, and advice only to secure the empire at home by all peaceable arts.—*Lord Clarendon, History of the Grand Rebellion.*
Plato, and *the rest* of the philosophers, acknowledged the unity, power, wisdom, goodness, and providence of the supreme God.—*Bishop Stillingfleet.*
Arm'd like *the rest*, the Trojan prince appears,
And by his pious labour urges theirs. *Dryden.*
Upon so equal terms did they all stand, that no one had fairer pretence of right than *the rest*.—*Woodward.*

Rest. *v. n.*

1. Sleep; be asleep; slumber.
Fancy then retires
Into her private cell, when nature *rests*.
Milton, Paradise Lost, v. 108.

2. Sleep the final sleep; die.
Ἱερὸν ὕπνον
Κοιμᾶται· θνήσκειν μὴ λέγε τοὺς ἀγαθούς.
I should have lain still, and been quiet; I should have slept; then had I been at rest.... There the prisoners *rest* together, they hear not the voice of the oppressor.—*Job*, iii. 13, 18.
Glad I'd lay me down,
As in my mother's lap; there I should *rest*
And sleep secure. *Milton, Paradise Lost*, x. 777.

3. Be at quiet; be at peace; be without disturbance.
The wicked are like the troubled sea, when it cannot *rest*, whose waters cast up mire and dirt.—*Isaiah*, lvii. 20.
Thither let us tend
From off the tossing of these fiery waves,
There *rest*, if any rest can harbour there.
Milton, Paradise Lost, i. 183.

4. Be without motion; be still.
Over the tent a cloud shall *rest* by day.
Milton, Paradise Lost, xii. 257.

5. Be fixed in any state or opinion.
Neither will he *rest* content, though thou givest many gifts.—*Proverbs*, vi. 35.
Every creature has a share in the common blessings of providence; and every creature should *rest* well satisfied with its proportion in them.—*Sir R. L'Estrange.*
After such a lord I *rest* secure,
Thou wilt no foreign reins or Trojan load endure.
Dryden, Translation of the Æneid, x. 1239.
There yet survives the lawful heir
Of Sancho's blood, whom, when I shall produce
I *rest* assured to see you pale with fear.
Id., Spanish Friar, iv. 2.

6. Cease from labour.
Six days thou shalt do thy work, and on the seventh day thou shalt *rest*.—*Exodus*, xxiii. 12.
From work
Resting, he bless'd and hallow'd the seventh day.
Milton, Paradise Lost, vii. 592.
When you enter into the regions of death, you *rest* from all your labours and your fears.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

7. Be satisfied; acquiesce.
To urge the foe to battle,
Prompted by blind revenge and wild despair,
Were to refuse the awards of providence,
And not to *rest* in heaven's determination.
Addison.

8. Lean; recline for support or quiet.
On him I *rested*, after long debate,
And not without considering, fix'd my fate.
Dryden, Sigismonda and Guiscardo, 468.
Sometimes it *rests* upon testimony, when testimony of right has nothing to do; because it is easier to believe than to be scientifically instructed.—*Locke.*
The philosophical use of words conveys the precise notions of things, which the mind may *rest* upon, and be satisfied with, in its search after knowledge.—*Id.*

Rest. *v. n.* Be left; remain.
Fall'n he is; and now
What *rests*, but that the mortal sentence pass
On his transgression?
Milton, Paradise Lost, x. 47.
There *resteth* the comparative; that is, its being granted, that it is either lawful or binding, yet whether other things be not preferred before it, as extirpation of heresies.—*Bacon.*

Rest. *v. a.*

1. Lay to rest.
Your piety has paid
All needful rites, to *rest* my wand'ring shade.
Dryden, Translation of the Æneid, vi. 685.

2. Place as on a support.
As the vex'd world, to find repose, at last
Itself into Augustus' arms did cast;
So England now doth, with like toil opprest,
Her weary head upon your bosom *rest*. *Waller.*
The protestants having well studied the fathers, were now willing to *rest* their cause, not upon Scripture only, but fathers too; so far at least as the three first centuries.—*Bishop Waterland.*
Here *rests* his head upon the lap of earth,
A youth to fortune and to fame unknown.
Gray, Elegy in a Country Churchyard.

Restágnant. *adj.* Remaining without flow or motion.
Upon the tops of high mountains, the air, which bears against the *restagnant* quicksilver, is less pressed by the less ponderous incumbent air.—*Boyle.*

Restágnate. *v. n.* Stand without flow.
The blood returns thick, and is apt to *restagnate*.—*Wiseman, Surgery.*

Restagnátion. *s.* State of standing without flow, course, or motion.
It proceedeth from the *restagnation* of gross blood.—*Wiseman, Surgery.* (Rich.)

Réstaurate. *v. a.* Restore. *Rare.*
If one repulse has us quite ruinated,
And fortune never can be *restaurated*.
Turberville. (Nares by H. and W.)

Restaúrateur. *s.* [Fr.] One who keeps a place for the sale of refreshments. *Scarcely Anglicised; though a useful, if not a necessary, term.*

Restauration. *s.* Act of recovering to the former state.
Adam is in us an original cause of our nature, and of that corruption of nature which causeth death;

Christ as the cause original of *restauration* to life. —*Hooker, Ecclesiastical Polity.*

O my dear father! *restauration* hang
Thy medicine on my lips; and let this kiss
Repair those violent harms, that my two sisters
Have in thy reverence made.
Shakespear, King Lear, iv. 7.

Spermatical parts will not admit a regeneration, much less will they receive an integral *restauration*. —*Sir T. Browne.*

Restém. *v. a.* Force back against the current.

How they *restem*
Their backward course, bearing with frank appearance
Towards Cyprus. *Shakespear, Othello*, i. 3.

Réstful. *adj.* Quiet; being at rest.

Is not my arm of length,
That reacheth from the *restful* English court,
As far as Calais to my uncle's head?
Shakespear, Richard II. iv. 1.

In pleasure's seas he swims;
For still he bathed therein in *restful* state.
Sir J. Davies, Witte's Pilgrimage, sign. T. 2.

Réstfully. *adv.* In a state of quiet.

They living *restfully*, and in health, unto extreme age.—*Sir T. Eyot, The Governour*, fol. 192, b.

Resthárrow. *s.* [? *wrest*-harrow.] Native plant, akin to the brooms, of the genus Ononis; cammock. See extract.

The common *rest-harrow* or cammock is a native plant; with a woody, tough, and strong root, resisting the harrow's prongs, whence the English name. The stems are annual, though often considerably woody, or shrubby, various in length, hairy. Leaves generally simple, entire towards the base. Flowers mostly solitary, large and handsome, of a brilliant rose colour.—*Johnson, Farmer's Encyclopædia.*

Réstingplace. *s.* Place of rest.

I have brought you to a very commodious *restingplace* in this argument. — *Coventry, Philemon to Hyde*, conv. ii.

Restínguish. *v. a.* [Lat. *restinguo.*] Extinguish. *Rare.*

Hence the thirst of languishing souls is *restinguished*, as from the most pure fountains of living water.—*Dr. Field, Of Controversy*, (*Life*, published in 1716), p. 41.

Restipulátion. *s.* Fresh stipulation.

But if the *restipulation* were absolute, and the withdrawing of this homage upon none but civil grounds, I cannot excuse the good king from an unjust offence.—*Bishop Hall, Hezekiah and Sennacherib.* (Ord MS.)

Réstitute. *v. a.* Recover to a former state. *Rare.*

Réstituted. *part. adj.* Restored.

Restituted trade
To every virtue lent his helping stores.
Dyer, The Fleece, b. ii.

Restitútion. *s.* [Fr.; Lat. *restitutio, -onis*; *restitutus*, pass. part. of *restituo*; *statuo* = I place.]

1. Act of restoring what is lost or taken away.

To subdue an usurper, should be no unjust enterprise or wrongful war, but a *restitution* of ancient rights unto the crown of England, from whence they were most unjustly expelled and long kept out.—*Spenser, View of the State of Ireland.*

He would pawn his fortunes
To hopeless *restitution*, so he might
Be call'd your vanquisher.
Shakespear, Coriolanus, iii. 1.

He *restitution* to the value makes;
Nor joy in his extorted treasure fakes. *Sandys.*

Whosoever is an effective real cause of doing a neighbour wrong, by what instrument soever he does it, is bound to make *restitution*.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

In case our offence against God hath been complicated with injury to men, it is but reasonable we should make *restitution*. — *Archbishop Tillotson, Sermons.*

A great man, who has never been known willingly to pay a just debt, ought not all of a sudden to be introduced, making *restitution* of thousands he has cheated: let it suffice to pay twenty pounds to a friend, who has lost his note.—*Arbuthnot.*

2. Act of recovering its former state or posture.

In the woody parts of plants, which are their bones, the principles are so compounded, as to make them flexible without joints, and also elastick; that so their roots may yield to stones, and their trunks to the wind, with a power of *restitution*.—*Grew, Cosmologia.*

Réstitutor. *s.* [Lat.] Restorer.

Their rescuer, or *restitutor*, Quixote. — *Gayton, Festivous Notes on Don Quixote*, p. 124.

Réstive. *adj.* (in the previous editions, *restiff.*)

1. Unwilling to stir; resolute against going forward; obstinate; stubborn: (originally used of a *horse*, that, though not wearied, will not be driven forward).

They need not be drawen, no more than a free horse needeth the spurre, but they which are slow and heavy, and they much more, which are altogether *restiffe*. — *Harmar, Translation of Beza*, p. 56: 1587.

All who before him did ascend the throne,
Labour'd in vain three *restive* nations on.
Lord Roscommon.

This *restiff* stubbornness is never to be excused under any pretence whatsoever.—*Sir R. L'Estrange.*

The archangel, when discord was *restive*, and would not be drawn from her beloved monastery with fair words, drags her out with many stripes.—*Dryden, Translation of Juvenal*, dedication.

So James the drowsy genius wakes
Of Britain, long entranced in charms,
Restiff, and slumbering on its arms.
Id., Threnodia Augustalis, 470.

The pamper'd colt will discipline disdain,
Impatient of the lash, and *restiff* to the rein.
Id., Translation of the Georgics, iii. 323.

2. Being at rest; being less in motion. *Obsolete.*

Palsies oftenest happen upon the left side; the most vigorous part protecting itself, and protruding the matter upon the weaker and *restive* side.—*Sir T. Browne, Vulgar Errours.*

The subject . . . becomes *restive*.—*Gladstone, The State in its Relations with the Church*, ch. viii.

Réstiveness. *s.* Obstinate reluctance.

Overt virtues bring forth praise; but secret virtues bring forth fortune: certain deliveries of a man's self, which the Spanish name desemboltura partly expresseth; when there be not stands nor *restiveness* in a man's nature; but the wheels of his mind keep way with the wheels of his fortune.—*Bacon, Essays.*

That it gave occasion to some men's further *restiveness*, is imputable to their own depraved tempers.—*Eikon Basilike.*

Réstless. *adj.*

1. Being without sleep.

Restless he pass'd the remnants of the night,
Till the fresh air proclaim'd the morning nigh:
And burning ships, the martyrs of the fight,
With paler fires beheld the eastern sky.
Dryden, Annus Mirabilis, cii.

2. Unquiet, without peace.

Ease to the body some, none to the mind
From *restless* thoughts, that like a deadly swarm
Of hornets arm'd, no sooner found alone,
But rush upon me thronging, and present
Times past, what once I was, and what am now.
Milton, Samson Agonistes, 18.

Could we not wake from that lethargick dream,
But to be *restless* in a worse extreme?
Sir J. Denham, Cooper's Hill.

We find our souls disordered and *restless*, tossed and disquieted by passions, over seeking happiness in the enjoyments of this world, and ever missing what they seek.—*Bishop Atterbury.*

What tongue can speak the *restless* monarch's woes,
When God and Nathan were declared his foes?
Prior, Solomon, iii. 450.

3. Unconstant; unsettled.

He was stout of courage, strong of hand,
Bold was his heart, and *restless* was his spright.
Fairfax.

She's proud, fantastick, apt to change,
Restless at home, and ever prone to range.
Dryden, State of Innocence, v. 1.

4. Not still; in continual motion.

How could nature on their orbs impose
Such *restless* revolution, day by day
Repeated? *Milton, Paradise Lost*, viii. 30.

Réstlessly. *adv.* In a restless manner; without rest; unquietly.

When the mind casts and turns itself *restlessly* from one thing to another, strains this power of the soul to apprehend, that to judge, another to divide, a fourth to remember: thus tracing out the nice and scarce observable difference of some things, and the real agreement of others; at length it brings all the ends of a long hypothesis together. — *South, Sermons.*

Réstlessness. *s.* Attribute suggested by Restless.

1. Want of sleep.

Restlessness and intermission from sleep, grieved persons are molested with, whereby the blood is dried.—*Harvey.*

2. Want of rest; unquietness.

Let him keep the rest,
But keep them with repining *restlessness!*
Let him be rich and weary, that at least,
If goodness lead him not, yet weariness
May toss him to my breast. *Herbert.*

I sought my bed, in hopes relief to find,
But *restlessness* was mistress of my mind. *Harte.*

3. Motion; agitation.

The trembling *restlessness* of the needle, in any but the north point of the compass, manifests its inclination to the pole; which its wavering and its rest bear equal witness to.—*Boyle.*

Restórable. *adj.* Capable of being restored.

By cutting turf without any regularity, great quantities of *restorable* land are made utterly desperate.—*Swift.*

Restóral. *s.* Restitution.

One part of the Christian faith concerns the promises of pardon to our sins, and *restoral* into God's favour upon the terms, propounded in the Gospel, of sincere faith and repentance.—*Barrow, Sermons*, vol. ii. serm. iv.

Restorátion. *s.*

1. Act of replacing in a former state.

Hail, royal Albion, hail to thee,
Thy longing people's expectation!
Sent from the gods to set us free
From bondage and from usurpation;
Behold the different climes agree,
Rejoicing in thy *restoration*.
Dryden, Albion and Albanius.

The Athenians, now deprived of the only person that was able to recover their losses, repent of their rashness, and endeavour in vain for his *restoration*. —*Swift.*

2. Recovery.

The change is great in this *restoration* of the man, from a state of spiritual darkness, to a capacity of perceiving divine truth.—*Rogers.*

Restórative. *adj.* Having the power to recruit life.

It is a signe of God's great favour to any nation when the hearts of sovereigne governours are raised up, both to the choice of worthy agents, and to the commanding of pious and *restorative* action. — *Bishop Hall, Zerubbabel and Ezra.* (Ord MS.)

Their taste no knowledge works at least of evil;
But life preserves, destroys life's enemy,
Hunger, with sweet *restorative* delight.
Milton, Paradise Regained, ii. 371.

Restórative. *s.* Medicine that has the power of recruiting life.

I will kiss thy lips;
Haply some poison yet doth hang on them,
To make me die with a *restorative*.
Shakespear, Romeo and Juliet, v. 3.

God saw it necessary by such mortifications to quench the boundless rage of an insatiable intemperance, to make the weakness of the flesh, the physick and *restorative* of the spirit.—*South, Sermons.*

Ass's milk is an excellent *restorative* in consumptions.—*Mortimer, Husbandry.*

He prescribes an English gallon of ass's milk, especially as a *restorative*.—*Arbuthnot.*

Restóre. *v. a.* [Fr. *restaurer.*]

1. Give back what has been lost or taken away.

Restore the man his wife.—*Genesis*, xx. 7.

He shall *restore* in the principal, and add the fifth part more.—*Leviticus*, vi. 5.

I took the word,
And urged the sacred slave to be *restored*.
Dryden, Translation of the First Book of the Iliad.

2. Bring back.

Thus pencils can, by one slight touch, *restore*
Smiles to that changed face, that wept before.
Dryden, Astræa Redux, 157.

The father banish'd virtue shall *restore*,
And crimes shall threat the guilty world no more.
Id., Translation of Virgil, Eclogues, iv. 16.

3. Retrieve; bring back from degeneration, declension, or ruin, to its former state.

Loss of Eden, till one greater man
Restore us, and regain the blissful seat.
Milton, Paradise Lost, i. 4.

The archangel paused
Between the world destroy'd and world *restored*.
Ibid. xii. 2.

These artificial experiments are but so many essays, whereby men attempt to *restore* themselves from the first general curse inflicted upon their labours.—*Bishop Wilkins, Mathematical Magick.*

In his Odysseys Homer explains, that the hardest difficulties may be overcome by labour, and our fortune *restored* after the severest afflictions. — *Prior.*

4. Cure; recover from disease.

Garth, faster than a plague destroys, *restores*.
Granville.

5. Recover passages in books from corruption.

Restóre. *s.* Restoration. *Rare.*

Till he had made amends and full *restore*
For all the damage.
Spenser, Faerie Queen, iii. 5, 18.

Restórer. *s.* One who, that which, restores; one who recovers the lost, or repairs the decayed.

Next to the Son,
Destined *restorer* of mankind, by whom
New heaven and earth shall to the ages rise.
Milton, Paradise Lost, x. 646.

I foretel you, as the *restorer* of poetry.—*Dryden.*

Here are ten thousand persons reduced to the necessity of a low diet and moderate exercise, who are the only great *restorers* of our breed, without which, the nation would in an age become one great hospital.—*Swift.*

Restórity. *s.* Restoration. *Rare.*

Well said, Camilla; let it goe. I must impute it to my *ill-fortune*, that where I looked for *restority*, I found a consumption.—*Lyly, Euphues and his England.* (Nares by H. and W.)

A lie, well told, to some tastes ill *restoritie*,
Besides, we poets lie by good authoritie.
Harington, Epigrams: 1633.
(Nares by H. and W.)

Restórement. *s.* Restoration. *Rare.*

By which relation they might illustrate the destruction of man by the old serpent, and his *restorement* by the blood of Christ.—*Sir T. Browne, Vulgar Errours*, 234. (Ord MS.)

Restráin. *v. a.* [Fr. *restreindre*; Lat. *restringo.*]

1. Withhold; keep in.

If she *restrain'd* the riots of your followers,
'Tis to such wholesome end as clears her.
Shakespear, King Lear, ii. 4.

The gods will plague thee,
That thou *restrain'st* from me the duty, which
To a mother's part belongs. *Id., Coriolanus*, v. 3.

2. Repress; keep in awe.

The law of nature would be in vain, if there were no body that, in the state of nature, had a power to execute that law, and thereby preserve the innocent and *restrain* offenders.—*Locke.*

That all men may be *restrained* from doing hurt to one another, the execution of the law of nature is in that state put into every man's hand, whereby every one has a right to punish the transgressors to such a degree as may hinder its violation.—*Id.*

3. Suppress; hinder; repress.

Merciful pow'rs!
Restrain in me the cursed thoughts, that nature
Gives way to in repose. *Shakespear, Macbeth*, ii. 1.

Compassion gave him up to tears
A space, till firmer thoughts *restrained* excess.
Milton, Paradise Lost, xi. 497.

4. Abridge.

Me of my lawful pleasure she *restrain'd*,
And pray'd me oft forbearance.
Shakespear, Cymbeline, ii. 5.

Though they two were committed, at least *restrained* of their liberty, yet this discovered too much of the humour of the court.—*Lord Clarendon, History of the Grand Rebellion.*

5. Hold in.

His horse, with a half-checked bit, and a head-stall of sheep's leather, which being *restrained* to keep him from stumbling, hath been often burst, and now repaired with knots.—*Shakespear, Taming of the Shrew*, iii. 2.

6. Limit; confine.

We *restrain* it to those only duties, which all men, by force of natural wit, understand to be such duties as concern all men.—*Hooker, Ecclesiastical Polity.*

Upon what ground can a man promise himself a future repentance, who cannot promise himself a futurity; whose life depends upon his breath, and is so *restrained* to the present, that it cannot secure to itself the reversion of the very next minute?—*South, Sermons.*

Not only a metaphysical or natural, but a moral universality also is to be *restrained* by a part of the predicate; as all the Italians are politicians; that is, those among the Italians, who are politicians, are subtle politicians; i.e. they are generally so.—*Watts, Logick.*

Restraínable. *adj.* Capable of being restrained.

Therein we must not deny a liberty; nor is the hand of the painter more *restrainable* than the pen of the poet.—*Sir T. Browne.*

Restraínedly. *adv.* In a restrained manner; with restraint; without latitude.

That Christ's dying for all is the express doctrine of the Scripture, is manifested by the world, which is a word of the widest extent, and although it be sometimes used more *restrainedly*, yet never doth signify a far smaller disproportionable part of the world.—*Hammond, On Fundamentals.*

Restraíner. *s.* One who, that which, restrains; one who withholds.

If nothing can relieve us, we must with patience submit unto that restraint, and expect the will of the *restrainer*.—*Sir T. Browne, Vulgar Errours.*

Restraínt. *s.*

1. Abridgement of liberty.

She will well excuse,
Why at this time the doors are barr'd against you:
Depart in patience,
And about evening come yourself alone,
To know the reason of this strange *restraint*.
Shakespear, Comedy of Errours, iii. 1.

I request
The enfranchisement of Arthur, whose *restraint*
Doth move the murm'ring lips of discontent.
Id., King John, iv. 2.

It is to no purpose to lay *restraints* or give privileges to men, in such general terms, as the particular persons concerned cannot be known by.—*Locke.*

2. Prohibition.

What moved our parents to transgress his will
For one *restraint*, lords of the world besides?
Milton, Paradise Lost, i. 31.

3. Limitation; restriction.

If all were granted, yet it must be maintained within any bold *restraints*, far otherwise than it is received.—*Sir T. Browne.*

4. Repression; hinderance of will; act of withholding; state of being withheld.

There is no *restraint* to the Lord to save, by many or by few.—1 *Samuel*, xiv. 6.

Thus it shall befall
Him who, to worth in woman overtrusting,
Lets her will rule; *restraint* she will not brook.
Milton, Paradise Lost, ix. 1182.

Is there any thing which reflects a greater lustre upon a man's person than a severe temperance, and a *restraint* of himself from vicious pleasures?—*South, Sermons.*

Restríct. *v. a.* [Lat. *restrictus*, pass. part. of *restringo*; *restrictio, -onis.*] Limit: (noticed by Johnson as 'scarce English').

In the enumerations of constitutions in this chapter, there is not one that can be limited and *restricted* by such a distinction, nor can perhaps the same person, in different circumstances, be properly confined to one or the other.—*Arbuthnot.*

We exhort all persons, who keep horses, to *restrict* the consumption of oats.—*Royal Proclamation*, December, 1800.

Restríct. *adj.* Confined; limited.

Men are unequall and unsutable in their courses and dispositions, in some one or two things demeaning themselves as exceedingly *restrict*, but in many others, or the most things, as remisse.—*Gataker, Just Man*, p. 224. (Ord MS.)

No speculative understanding, in that *restrict* sense above named, makes at pleasure the natures, &c.—*Annotations on Glanville*, p. 251: 1682.

Restríction. *s.* Confinement; limitation.

This is to have the same *restriction* with all other recreations, that it be made a divertisement, not a trade.—*Dr. H. More, Government of the Tongue.*

Iron manufacture, of all others, ought the least to be encouraged in Ireland; or, if it be, it requires the most *restriction* to certain places.—*Sir W. Temple, Miscellanies.*

All duties are matter of conscience; with this *restriction*, that a superior obligation suspends the force of an inferior.—*Sir R. L'Estrange.*

Each other gift, which God on man bestows,
Its proper bounds and due *restriction* knows;
To one fix'd purpose dedicates its power. *Prior.*

Celsus's rule, with the proper *restrictions*, is good for people in health.—*Arbuthnot.*

Restríctive. *adj.*

1. Expressing limitation.

They, who would make the *restrictive* particle belong to the latter clause, and not to the first, do not attend to the reason.—*Bishop Stillingfleet.*

2. Styptic; astringent.

I applied a plaster over it, made up with my common *restrictive* powder.—*Wiseman, Surgery.*

Restríctively. *adv.* In a restrictive manner; with limitation.

All speech, tending to the glory of God or the good of man, is aright directed; which is not to be understood so *restrictively*, as if nothing but divinity, or necessary concerns of life, may lawfully be brought into discourse.—*Dr. H. More, Government of the Tongue.*

Restríngency. *s.* Power of contracting.

The dyers use this water in reds, and in other colours wanting *restringency*, and in the dying of materials of the slacker contextures.—*Sir W. Petty*, in *Spratt's History of the Royal Society*, p. 293.

Restríngent. *s.* That which hath the power of contracting; styptic.

The two latter indicate phlebotomy for revulsion, *restringents* to stanch, and incrassatives to thicken the blood.—*Harvey.*

Restríve. *v. n.* Strive anew.

Restriving again afresh, with a kick and a wrench together, I freed my long captivated weapon.—*Sir E. Sackville, Guardian*, no. 153.

Résty. *adj.* [N.Fr. *reste* = rancid (as butter); stale.] Turned (as bacon, to which it chiefly applies) by keeping: (*reasty* and *reezed* are concurrent forms; *rusty* is catachrestic).

Lay flitches a salting.
Through folly too beastly,
Much bacon is *reasty*.
Tusser, Five Hundred Points of Good Husbandry.

Relant: m. Mustinesse, fustinesse, ranknesse, dankishnesse. *Relant*: m. *ante*: f. Musty, fusty, *resty*, *reasie*, dankish, unsavory. *Relanteur*: f: as *Relant*: m, *Relantir*. To smell musty, grow fusty, wax *resty*.—*Cotgrave.*

Résty. *adj.* [Fr. *restif.*] Restive.

The master is too *resty*, or too rich, to say his own prayers, or to bless his own table.—*Milton, Eiconoclastes*, § 24.

Have not other hands been tried and found *resty*? but we stick at nothing.—*Sir W. Davenant.*

Men of discretion, whom people in power may with little ceremony load as heavy as they please, find them neither *resty* nor vicious.—*Swift.*

Resubjéction. *s.* Second subjection.

An overture of the likelihood of this liberal dispensation from his holy father of Rome, upon the conditions of our *resubjection*. — *Bishop Hall, Honour of the Married Clergy*, p. 14.

Resublimátion. *s.* Second sublimation: (used chiefly in *Chemistry*).

Which is through a known, yet notable, experiment among chymists, mer-sublimate may be deprived of its deadly corrosiveness, and prepared into a medicine, inoffensive even to children, by bare *resublimation* with fresh mercury.—*Boyle, Usefulness of Natural Philosophy*, pt. ii. p. 123. (Rich.)

Resublíme. *v. a.* Sublime another time.

When mercury sublimate is *resublimed* with fresh mercury, it becomes mercurius dulcis, which is a white tasteless earth scarce dissolvable in water, and mercurius dulcis *resublimed* with spirit of salt returns into mercury sublimate.—*Sir I. Newton.*

Resudátion. *s.* [Fr.; Lat. *resudatus.*] Act of sweating out again.

There's a kind of *resudation* of juice proceeding from sweet herbs and flowers, at a certain convenient time of their growth.—*Swan, Speculum Mundi.* (Ord MS.)

Resúlt. *v. n.* [Fr. *resulter.*]

1. Fly back.

With many a weary step, and many a groan,
Up the high hill he heaves a huge round stone;
The huge round stone, *resulting* with a bound,
Thunders impetuous down, and smokes along the ground.
Pope, Translation of the Odyssey, xi. 735.

2. Rise as a consequence; be produced as the effect of causes jointly concurring.

Rue prospers much, if set by a fig tree; which is caused, not by reason of friendship, but by extraction of a contrary juice; the one drawing juice fit to *result* sweet, the other bitter.—*Bacon, Natural and Experimental History.*

Such huge extremes, when nature doth unite,
Wonder from thence *results*, from thence delight.
Sir J. Denham, Cooper's Hill.

Upon the dissolution of the first earth, this very face of things would immediately *result*.—*T. Burnet, Theory of the Earth.*

Pleasure and peace do naturally *result* from a holy and good life.—*Archbishop Tillotson, Sermons.*

The horror of an object may overbear the pleasure *resulting* from its greatness.—*Addison.*

3. Arise as a conclusion from premises.

Resúlt. *s.*

1. Resilience; act of flying back.

Sound is produced between the string and the air, by the return or the *result* of the string, which was strained by the touch to his former place.—*Bacon, Natural and Experimental History.*

2. Consequence; effect produced by the concurrence of co-operating causes.

Did my judgement tell me, that the propositions sent to me were the *results* of the major part of their votes, I should then not suspect my own judgment for not speedily concurring with them.—*Eikon Basilike.*

As in perfumes, composed with art and cost,
'Tis hard to say what scent is uppermost,
Nor this part musk or civet can we call,
Or amber, but a rich *result* of all:
So she was all a sweet, whose ev'ry part,
In due proportion mix'd, proclaim'd the Maker's art.
Dryden, Eleonora, 154.

Buying of land is the *result* of a full and satiated gain: men in trade seldom lay out money upon land, till their profit has brought in more than trade can employ.—*Locke.*

3. Inference from premises.

These things are a *result* or judgement upon fact.—*South, Sermons.*

4. Resolve; decision.
Rude, passionate, and mistaken *results* have, at certain times, fallen from great assemblies.—*Swift.*

Resúltance. *s.* Act of resulting. *Rare.*
Neither of which marriages yet taking effect, the *resultance* was only a peace and friendship established upon the first proposition of alliance betwixt them.—*Lord Herbert, History of Henry VIII.* p. 11.
Chiefly in the *resultance* of the beautiful and admirable frame of the whole body.—*Hakewill, Apology*, p. 183.
He would ... thence infer,
That souls were but *resultances* from her.
Donne, Poems, p. 212.

Resúltant. *s.* That which results, comes out as a result or product.
The properties of substances, though destroyed to sense by combination, are not destroyed in reality: it follows from the persistence of force, that the properties of a compound are *resultants* of the properties of its components—*resultants* in which the properties of the components are severally in full action, though greatly obscured by each other.—*Herbert Spencer, Data of Biology*, ch. i. § 1.

Resúltate. *s.* Result. *Rare.*
The *resultate* of their counsell is, for the most part, direct and sincere.—*Bacon.* (Ord MS.)

Resúlting. *part. adj.* In *Law.* See extract.
When the use limited by deed expires, or cannot rest, it returns back to him who raised it after such expiration, or during such impossibility, and is styled a *resulting* use. As, if a man makes a feoffment to the use of his intended wife for life, with remainder to the use of the first-born son in tail: here, till he marries, the use results back to himself; after marriage it is executed in the wife for life; and if she dies without issue the whole results back to him in fee.—*Tomlin, Law Dictionary.*

Resúmable. *adj.* Capable of being, liable to be, resumed or taken back.
This was but an indulgence, and therefore *resumable* by the victor, unless there intervened any capitulation to the contrary.—*Sir M. Hale.*
Most of those who have written upon the feudal system lay it down that benefices were originally precarious, and revoked at pleasure by the sovereign; that they were afterwards granted for life; and at a subsequent period became hereditary.... I am not convinced that beneficiary grants were ever considered as *resumable* at pleasure, unless where some delinquency could be imputed to the vassal.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ii.

Resúme. *v. a.* [Lat. *resumo.*]
1. Take back what has been given.
The sun, like this, from which our sight we have,
Gazed on too long, *resumes* the light he gave.
Sir J. Denham, Progress of Learning.
Sees not my love, how time *resumes*
The glory which he lent these flowers;
Though none should taste of their perfumes,
Yet must they live but some few hours:
Time, what we forbear, devours. *Waller.*
2. Take back what has been taken away.
That opportunity,
Which *then* they had to take from 's, to *resume*
We have again. *Shakespear, Cymbeline*, iii. 1.
They *resume* what has been obtained fraudulently, by surprise and upon wrong suggestions.—*Sir W. Davenant.*
3. Take away.
Then enter into glory, and *resume*
His seat. *Milton, Paradise Lost*, xii. 456.
At this, with look serene, he raised his head;
Reason *resumed* her place, and passion fled.
Dryden, Palamon and Arcite, ii. 348.
4. Dryden uses it with *again*, but improperly, unless the resumption be repeated.
To him our common grandsire of the main
Had given to change his form, and changed *resume again.* *Dryden.*
5. Begin again what was broken off: (as, 'to *resume* a discourse').
The vote from the house of commons was read; and, in regard it was late, for it was past eight of the clock, the house was *resumed*; and it was moved, that the committee might sit again to-morrow in the afternoon.—*Lord Clarendon, Diary*: 1688-89.

Resúmmons. *s.* In *Law.* See extract.
Resummons ... [is] a second summons or calling a man to answer an action, where the first summons is defeated by any occasion; and when, by death, &c. of the judges, they do not come on the day to which they were continued for trial of causes, such causes may be continued or revived by *resummons.*—*Tomline, Law Dictionary.*

Resúmption. *s.* [Fr. *resomption.*] Act of resuming.
If there be any fault, it is the *resumption* or the dwelling too long upon his arguments.—*Sir J. Denham, Of Old Age*, preface.
The universal voice of the people seeming to call for some kind of *resumption*, the writer of these papers thought it might not be unreasonable to publish a discourse upon grants.—*Sir W. Davenant.*
Resumption [is] particularly used for taking again into the king's hands such lands or tenements, &c. as on false suggestion he had granted by letters patent to any man. It is said that the king cannot grant a prerogative of power so that he may resume it; otherwise it is a grant of interest. Many acts have been heretofore passed for resuming improvident grants of the crown.—*Tomline, Law Dictionary.*

Resupinátion. *s.* Act of lying on the back.
A *resupination* of the figure.—*Sir H. Wotton, Elements of Architecture.*

Resúpine. *adj.* Supine.
Then judge in what a tortured condition they must be of remorse and execrating themselves, for their most *resupine* and senseless madness.—*Sir K. Digby, Observations.* (Ord MS.)

Resurprize. *s.* Second surprize; surprize afresh.
The castle of Cadmus was taken, and the city of Thebes itself invested by Phœbidas the Lacedæmonian, insidiously, and in violation of league: the process of this action drew on a *resurprise* of the castle by the Thebans, a recovery of the town, and a current of the war even to the walls of Sparta.—*Bacon, Considerations on War with Spain.* (Rich.)

Resurréction. *s.* Revival from the dead; return from the grave.
The Sadducees came upon them, being grieved that they taught the people and preached through Jesus the *resurrection* from the dead.—*Acts*, iv. 2.
Nor after *resurrection* shall he stay
Longer on earth, than certain times to appear
To his disciples. *Milton, Paradise Lost*, xii. 436.
Perhaps there was nothing ever done in all past ages, and which was not a publick fact, so well attested as the *resurrection* of Christ.—*Watts.*

Resurréctionist, or Resurréction-man. *s.* One who made a business of robbing graves of the bodies and selling them to dissectors.

Resurvéy. *v. a.* Review; survey again.
I have, with cursory eye, o'erglanced the articles;
Appoint some of your counsel presently
To sit with us, once more with better heed
To *resurvey* them. *Shakespear, Henry V.* v. 2.

Resúscitable. *adj.* Capable of being resuscitated.
The apothecary told the virtuoso that he had really prepared *resuscitable* plants a different way from that others pretended to.—*Boyle, Works*, vol. v. p. 605. (Rich.)

Resúscitate. *v. a.* Stir up anew; revive.
We have beasts and birds for dissections, though divers parts, which you account vital, be perished and taken forth, *resuscitating* of some that seem dead in appearance.—*Bacon.*
That after death we should be *resuscitated.*—*Glanville, On the Pre-existence of Souls*, ch. xiv.
These things, I have *resuscitated* from the oblivion in which they had long been buried.—*Buckle, History of Civilization in England*, vol. ii. ch. v.

Resúscitate. *v. n.* Awaken; revive.
Those birds, that yearly sleep a winter's death,
Each spring to mighty love *resuscitate.*
Fellthan, Lusoria, § 35.

Resuscitátion. *s.* Act of stirring up anew; act of reviving, or state of being revived.
The *resuscitation* of the body from its dust is a supernatural work, yet such as whereof God hath been pleased to give us many images and prefigurations even in nature itself.—*Bishop Hall, Temptations Repelled*, i. § 5.
The *resuscitation* of all his saints into the eternal happiness, which they had fallen from.—*Dr. H. More, Mystery of Godliness*, p. 277: 1660.
Resuscitation of the day,
Or resurrection of the spring.
Cowley, Ode on the Restoration of King Charles II.
Your very obliging manner of enquiring after me, at your *resuscitation*, should have been sooner answered; I sincerely rejoice at your recovery.—*Pope.*
Hanged men do cease for ever from this Earth; but out of chains and the galleys there may be *resuscitation* in triumph. *Resuscitation* for the chained hero; and even for the chained scoundrel, or semi-scoundrel!—*Carlyle, The French Revolution*, pt. ii. b. ii. ch. v.

Retaíl. *v. a.* [N.Fr. *retailler* = cut into little pieces.]
1. Sell in small quantities; in consequence of selling at second hand.
All encouragement should be given to artificers; and those who make should also vend and *retail* their commodities.—*Locke.*
2. Sell at second hand.
The sage dame, experienced in her trade,
By names of toasts, *retails* each batter'd jade.
Pope, Dunciad, ii. 133.
3. Tell in broken parts, or at second hand.
He is furnish'd with no certainties,
More than he haply may *retail* from me.
Shakespear, Henry IV. Part II. i. 1.
Bound with triumphant garlands will I come,
And lead thy daughter to a conqueror's bed;
To whom I will *retail* my conquest won,
And she shall be sole victress, Cæsar's Cæsar.
Id., Richard III. iv. 4.

Retaíl. *s.* [the accent on this word is now usually on the *first* syllable; but Dryden and Swift have placed it on the *last.*] Sale by small quantities, or at second hand.
Then mother church did mightily prevail,
She parcell'd out the Bible by *retail.*
Dryden, Religio Laici, 376.
The author, to prevent such a monopoly of sense, is resolved to deal in it himself by *retail.*—*Addison.*
We force a wretched trade by beating down the sale,
And selling basely by *retail.* *Swift, Miscellanies*

Retaíler. *s.* One who retails.
1. One who sells by small quantities.
From these particulars we may guess at the rest, as *retailers* do of the whole piece, by taking a view of its ends.—*Hakewill, Apology.*
2. One who tells in broken parts, or at second hand.
The admirable Sir Isaac Newton, a much better philosopher, I do not say merely, than Epicurus, or Lucretius, or any of the more modern *retailers* of their blunders; but even than any of the most celebrated ones, whether of ancient or modern times.—*Coventry, Philemon to Hyde*, conv. i.

Retain. *v. a.* [Lat. *retineo*; Fr. *retenir.*]
1. Keep; not lose.
Where is the patience now,
That you so oft have boasted to *retain?*
Shakespear, King Lear, iii. 6.
Though the offending part felt mortal pain,
The immortal part its knowledge did *retain.*
Sir J. Denham.
The vigour of this arm was never vain;
And that my wonted prowess I *retain,*
Within these heaps of slaughter.
Dryden, Translation from Ovid, Story of Cygnus.
A tomb and funeral honours I decreed ...
The place your armour and your name *retains.*
Id., Translation of the Æneid, vi. 680.
Whatever ideas the mind can receive and contemplate without the help of the body, it is reasonable to conclude, it can *retain* without the help of the body too.—*Locke.*
2. Keep; not to lay aside.
As they did not like to *retain* God in their knowledge, God gave them over to a reprobate mind.—*Romans*, i. 28.
Only we still *retain*
The name and all the addition to a king;
The sway, beloved sons, be yours.
Shakespear, King Lear, i. 1.
Be obedient, and *retain*
Unalterably firm his love entire.
Milton, Paradise Lost, v. 501.
Although they *retain* the word mandrake in the text, yet they retract it in the margin.—*Sir T. Browne, Vulgar Errours.*
They who have restored painting in Germany, not having seen any of those fair reliques of antiquity, have *retained* much of that barbarous method.—*Dryden.*
3. Keep; not dismiss.
Receive him that is mine own bowels; whom I would have *retained* with me.—*Philemon*, 12.
Hollow rocks *retain*
The sound of blustering winds.
Milton, Paradise Lost, ii. 285.
4. Keep in pay; hire.
A Benedictine convent has now *retained* the most learned father of their order to write in its defence.—*Addison.*
Lazarus's case is to come on next, and this fee is to *retain* you on his side.—*Bishop Sherlock, Trial of the Witnesses.*
5. Withhold; keep back.
He laid him bleeding on the ground, and had killed him if his brother Robert had not *retained* him, and made him sensible how much more it concerned him to make his escape than pursue his revenge.—*Sir W. Temple, Introduction to the History of England*, p. 287.

Retaín. *v. n.*
1. Belong to; depend on.
These betray upon the tongue no heat nor corrosiveness, but coldness mixed with a somewhat languid relish *retaining* to bitterness.—*Boyle.*
In animals many actions depend upon their living form, as well as that of mixtion, and though they wholly seem to *retain* to the body, depart upon disunion.—*Sir T. Browne.*
2. Keep; continue.
No more can impure man *retain* and move
In the pure region of that worthy love,

Than earthly substance can unforced aspire,
And leave his nature to converse with fire. *Donne.*

Retaínable. *adj.* Capable of being retained.

Things acted possess us more, and are more *retainable*, than the passable tones of the tongue.—*Felltham, Resolves.* (Ord MS.)

Retaíner. *s.*

1. Adherent; dependant; hanger-on.

You now are mounted,
Where pow'rs are your *retainers*.
Shakespear, Henry VIII. ii. 4.

One darling inclination of mankind affects to be a *retainer* to religion; the spirit of opposition, that lived long before christianity, and can easily subsist without it.—*Swift.*

A combination of honest men would endeavour to extirpate all the profligate immoral *retainers* to each side, that have nothing to recommend them but an implicit submission to their leaders.—*Addison, Spectator.*

From the time of Edward I., the feudal system ... declined very rapidly. But what the nobility lost in the number of their military tenants was in some degree compensated by the state of manner. The higher class of them ... were exceedingly opulent; ... gentlemen of large and good families, who had attached themselves to these great peers, who bore offices which we should call menial in their households, and sent their children thither for education, were of course ready to follow their banner in a rising without much inquiry into the cause. Still less would the vast body of tenants and their *retainers*, who were fed at the castle in time of peace, refuse to carry their pikes and staves into the field of battle. ... A practice much allied to confederacies of maintenance, though ostensibly more harmless, was that of giving liveries to all *retainers* of a noble family.—*Hallam, View of the State of Europe during the Middle Ages*, pt. iii. ch. viii.

2. See extract.

In common law, *retainer* signifieth a servant not menial nor familiar, that is not dwelling in his house; but only using or bearing his name or livery.—*Cowell.*

3. Act of keeping dependants, or being in dependance.

By another law, the king's officers and farmers were to forfeit their places and holds, in case of unlawful *retainer*, or partaking in unlawful assemblies.—*Bacon, History of the Reign of Henry VII.*

4. One who retains, or loses not.

One that has forgot the common meaning of words, but an admirable *retainer* of the sound.—*Swift, Tale of a Tub*, § 9.

5. Retaining fee; fee advanced to counsel to retain his services in a trial.

You are men of too much sense, I am sure, to be found on the side of Jannes and Jambres, or to take a *retainer* from Simon Magus.—*Bishop Horne, Letters on Infidelity*, letter xiv.

Retáke. *v. a.* Take again.

A day should be appointed, when the remonstrance should be *retaken* into consideration.—*Lord Clarendon, History of the Grand Rebellion.*

Retáliate. *v. a.* Return by giving like for like; repay; requite: (it may be used of good or evil).

Our ambassador sent word to the duke's son, that his visit should be *retaliated*.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 132.

It is very unlucky to be obliged to *retaliate* the injuries of authors, whose works are so soon forgotten, that we are in danger of appearing the first aggressors.—*Swift.*

If a first minister of state had used me as you have done, *retaliating* would be thought a mark of courage.—*Id.*

Retaliátion. *s.* Requital; return of like for like.

They thought it no irreligion to prosecute the severest *retaliation* or revenge; so that at the same time their outward man might be a saint, and their inward man a devil.—*South, Sermons.*

God, graciously becoming our debtor, takes what is done to others as done to himself, and by promise obliges himself to full *retaliation*.—*Calamy, Sermons.*

Retárd. *v. a.* [Fr. *retarder*; Lat. *retardo*; *tardus* = slow.]

1. Hinder; obstruct in swiftness of course.

Now Iphitus with me, and Pelias
Slowly retire; the one *retarded* was
By feeble age, the other by a wound.
Sir J. Denham, Destruction of Troy.

2. Delay; put off.

Nor kings nor nations
One moment can *retard* th' appointed hour.
Dryden.

It is as natural to delay a letter at such a season, as to *retard* a melancholy visit to a person one cannot relieve.—*Pope.*

Retárd. *v. n.* Stay back.

Some years it hath also *retarded*, and come far later than usually it was expected.—*Sir T. Browne, Vulgar Errours.*

Retardátion. *s.* Hinderance; act of delaying.

Out of this a man may devise the means of altering the colour of birds, and the *retardation* of hoary hairs.—*Bacon.*

The eighth is the *retardation* of our glory.—*Bishop Hall, Of Contentation*, § 18.

The acceleration or *retardation* of the motion.—*Dr. H. More, Song of the Soul*, notes, p. 392.

Retárder. *s.* Hinderer; obstructer.

This disputing way of enquiry is so far from advancing science, that it is no inconsiderable *retarder*.—*Glanville.*

Retárdment. *s.* Act of delaying or keeping back.

Which malice or which art no more could stay,
Than witches' charms can a *retardment* bring
To the resuscitation of the day,
Or resurrection of the spring.
Cowley, Ode on the Restoration of Charles II.

Very probable reasons were offered to justify every new *retardment*.—*Bishop Burnet, History of his own Time, King William III.*

Retch. *v. n.* [A.S. *hræcan.*] Heave; strain; try to vomit.

Rétchless. *adj.* Reckless. *Rare.*

This said, he flung his *retchlesse* armes abroad,
And groveling flat upon the ground he lay.
Mirrour for Magistrates. (Nares by H. and W.)

He struggles into breath, and cries for aid;
Then helpless in his mother's lap is laid:
He creeps, he walks, and issuing into man,
Grudges their life, from whence his own began;
Retchless of laws, affects to rule alone.
Dryden, Palamon and Arcite, iii. 1070.

Rétchlessness. *s.* Attribute suggested by Retchless. *Rare.*

Thus well they may upbraid our *retchlessnesse*.
Daniel, Civil Wars, vi. 18. (Nares by H. and W.)

Rétchlessly. *adv.* In a retchless manner. *Rare.*

For when in ages past we look in books to read,
We *retchlessly* discharge our memory of those.
Drayton, Polyolbion, song. x.

Retéction. *s.* Act of discovering to the view.

This is rather a restoration of a body to its own colour, or a *retection* of its native colour, than a change.—*Boyle.*

Reténtion. *s.* [Fr.; Lat. *retentio, -onis.*]

1. Act of retaining; power of retaining.

No woman's heart
So big to hold so much; they lack *retention*.
Shakespear, Twelfth-Night, ii. 4.

A froward *retention* of custom is as turbulent a thing as an innovation; and they that reverence too much old things, are but a scorn to the new.—*Bacon, Natural and Experimental History.*

2. See extract.

Retention and retentive faculty is that state of contradiction in their solid parts which makes them hold fast their proper contents.—*Quincy.*

3. Memory.

Retention is the keeping of those simple ideas, which from sensation or reflection the mind hath received.—*Locke.*

4. Act of withholding anything.

His life I gave him, and did thereto add
My love without *retention* or restraint;
All his. *Shakespear, Twelfth-Night*, v. 1.

5. Custody; confinement; restraint.

I sent the old and miserable king
To some *retention* and appointed guard.
Shakespear, King Lear, v. 3.

Reténtive. *adj.*

1. Having the power of retention.

It keepeth sermons in memory, and doth in that respect, although not feed the soul of man, yet help the *retentive* force of that stomach of the mind.—*Hooker, Ecclesiastical Polity.*

Have I been ever free, and must my house
Be my *retentive* enemy, my gaol?
Shakespear, Timon of Athens, iii. 4.

In Tot'nam fields the brethren with amaze
Prick all their ears up, and forget to graze;
Long Chancery-lane *retentive* rolls the sound,
And courts to courts return it round and round.
Pope, Dunciad, ii. 261.

2. Having memory.

To remember a song or tune, our souls must be an harmony continually running over in a silent whisper those musical accents, which our *retentive* faculty is preserver of.—*Glanville.*

Reténtive. *s.* Restraint.

Secret checks readily conspire with outward *retentives*.—*Bishop Hall, Contemplations.*

Reténtiveness. *s.* Attribute suggested by Retentive.

The great *retentiveness* of his memory, but especially the admirable power of his intellect, reason, and will, give him (man) a far greater specifical perfection above the most perfect travail of nature, than that he hath above the meanest insect.—*Sir M. Hale, Origination of Mankind.* (Ord MS.)

Retéx. *v. a.* [Lat. *retexo.*] Unweave; undo; annul any action.

Neither king James, king Charles, nor any parliament, did ever appoint that any of his orders should be *retexed*.—*Hacket, Life of Archbishop Williams*, p. 57.

Rétiary. *adj.* In the extract, net-making. *Rare.*

We will not dispute the pictures of *retiary* spiders and their position in the web.—*Sir T. Browne, Vulgar Errours.* (Rich.)

Réticence. *s.* Concealment by silence.

Réticent. *adj.* Concealing by silence; silent.

Upon this he is naturally *reticent*.—*Lamb, Letter to Coleridge.*

Retícular. *adj.* Having the form of a small net.

Retícularly. *adj.* In a reticular manner.

According to Sharpey, the outer surface of the chorion is *reticularly* ridged, like the inner surface of the human gall-bladder, but in a finer degree.—*Owen, Anatomy of Vertebrates.*

Retículated. *adj.* Made of net-work; formed with interstitial vacuities.

The first appearance of development is as a whitish cloud of indeterminate form, spreading over the vitellus, and assuming, as it extends, a *reticulated* appearance.—*Owen, Lectures on Comparative Anatomy.*

Retículating. *v. n.* Running into meshes.

The inner surface of the uterus exhibits fine low ridges or villi, not *reticulating* quite so much.—*Owen, Anatomy of Vertebrates.*

Rétícule. *s.* [Lat. *reticulum* = small net; *rete* = net.] Lady's workbag; small net-work bag: (corrupted into Ridicule).

Rétiform. *adj.* Having the form of a net.

The uveous coat and inside of the choroides are blackened, that the rays may not be reflected backwards to confound the sight; and if any be by the *retiform* coat reflected, they are soon choaked in the black inside of the uvea.—*Ray.*

Rétina. *s.* [Lat.] Continuation and expansion of the optic nerve at the back of the transparent parts of the eye, upon which the pictures of external objects fall as objects of vision.

The optic nerve, at its entrance into the eye, divides itself into numerous small fasciculi of ultimate fibrils, and these appear to spread themselves out, and to inosculate with each other by an exchange of fibrils, so as to form a net-like plexus which constitutes the inner layer of the *retina*. ... The principal part of the thickness of the *retina*, however, is made up of a series of layers. ... These layers, as seen in a vertical section, succeed each other from within outwards as follows:—In contact with the vesicular layer is a layer of finely granular matter of a greyish hue, in which an indistinct radiating fibrous appearance is seen; next is a layer of definite granules, which seem like minute cells closely investing nuclei; outside this is another layer in which the appearance of radiating fibres is more distinct; this, again, is succeeded by another granular layer resembling the preceding; and outside all there is a layer of 'cones' or 'rod-like' bodies, which has long been known as 'Jacob's membrane.'—*Dr. Carpenter, Principles of Human Physiology*, § 605: 1864.

The *retina*, as examined microscopically, presents, among other elements, a tesselated pavement made up of minute rods packed side by side, with their ends exposed so as to form its surface. As far as can be made out, each of these rods is supplied by a separate nerve; and is, as must be supposed, capable of independent stimulation.—*Herbert Spencer Principles of Psychology.*

It is by means of optical images that vision is effected. The eye is an assemblage of lenses which concentrate the rays emanating from each point of the object on a tissue of very delicate nerves called the *retina*, where an exact image or representation of the object is formed; and it is this image which is perceived or felt by the *retina*. The images of external objects are painted on the *retina* in a reversed position, and from the *retina* the impressions are transmitted to the sensorium by the optical nerves.—*Frankland*, in *Brande and Cox, Dictionary of Science, Literature, and Art*, in voce *Image.*

Retínue. *s.* [Fr. *retenue.*] Number attending upon a principal person; train; meiny

Not only, sir, this your all-licensed fool,
But other of your insolent *retinue*,
Do hourly carp and quarrel.
Shakespear, King Lear, i. 4.

What followers, what *retinue* canst thou gain,
Or at thy heels the dizzy multitude,
Longer than thou canst feed them on thy cost?
Milton, Paradise Regained, ii. 419.

There appears
The long *retinue* of a prosperous reign,
A series of successful years.
Dryden, Threnodia Augustalis, 507.

Neither pomp nor *retinue* shall be able to divert the great, nor shall the rich be relieved by the multitude of his treasures.—*Rogers, Sermons.*

Retíre. *v. n.* [Fr. *retirer*, from *tirer* = draw.]

1. Retreat; withdraw; go to a place of privacy.

The mind contracts herself, and shrinketh in,
And to herself she gladly doth *retire*.
Sir J. Davies, On the Immortality of the Soul.

Thou open'st wisdom's way,
And giv'st access, though secret she *retire*.
Milton, Paradise Lost, ix. 809.

The parliament dissolved, and gentlemen charged to *retire* to their country habitations. — *Sir J. Hayward.*

Perform'd what friendship, justice, truth require,
What could he more but decently *retire*. *Swift.*

2. Retreat from danger.

Set up the standard towards Zion, *retire*, stay not. —*Jeremiah*, iv. 6.

From each hand with speed *retired*,
Where erst was thickest placed the angelick throng.
Milton, Paradise Lost, vi. 307.

3. Go from a public station.

While you, my lord, the rural shades admire,
And from Britannia's publick posts *retire*,
Me into foreign realms my fate conveys.
Addison, Letter from Italy to Lord Halifax.

4. Go off from company.

The old fellow skuttled out of the room, and *retired*.—*Arbuthnot.*

5. Withdraw for safety.

He, that had driven many out of their country, perished in a strange land, *retiring* to the Lacedemonians.—2 *Maccabees*, v. 9.

Retíre. *v. a.* Withdraw; take away; make to retire.

He brake up his court, and *retired* himself, his wife, and children into a forest thereby.—*Sir P. Sidney.*

He, our hope, might have *retired* his power,
And driven into despair an enemy's hate.
Shakespear, Richard II. ii. 2.

There may be as great a variety in *retiring* and withdrawing men's conceits in the world, as in obtruding them.—*Bacon.*

As when the sun is present all the year,
And never doth *retire* his golden ray,
Needs must the spring be everlasting there,
And every season like the month of May.
Sir J. Davies, Immortality of the Soul.

These actions in her closet, all alone,
Retired within herself, she doth fulfil. *Ibid.*

After some slight skirmishes, he *retired* himself into the castle of Farnham.—*Lord Clarendon, History of the Grand Rebellion.*

Hydra-like, the fire
Lifts up his hundred heads to aim his way;
And scarce the wealthy can one-half *retire*,
Before he rushes in to share the prey.
Dryden, Annus Mirabilis, ccxlix.

Retíre. *s.*

1. Retreat; recession. *Obsolete.*

I heard his praises in pursuit,
But ne'er, till now, his scandal of *retire*.
Shakespear, Henry VI. Part III. ii. 1.

Thou hast talk'd
Of sallies and *retires*, of trenches, tents.
Id., Henry IV. Part I. ii. 3.

The battle and the *retire* of the English succours were the causes of the loss of that duchy.—*Bacon, History of the Reign of Henry VII.*

2. Retirement; place of privacy. *Obsolete.*

Eve, who unseen
Yet all had heard, with audible lament
Discover'd soon the place of her *retire*.
Milton, Paradise Lost, xi. 265.

Retíred. *part. adj.*

1. Secret; private.

Language most shews a man; speak that I may see thee: it springs out of the most *retired* and inmost parts of us.—*B. Jonson.*

Some, accustomed to *retired* speculations, run natural philosophy into metaphysical notions and the abstract generalities of logick.—*Locke.*

He was admitted into the most secret and *retired* thoughts and counsels of his royal master, king William.—*Addison.*

2. Withdrawn.

You find the mind in sleep *retired* from the senses, and out of these motions made on the organs of sense.—*Locke.*

'But,' persisted Harley, 'think again. Was there no lady well acquainted with Italian, and with whom, perhaps, for that very reason, your wife became familiar?' 'Ah, it is true. There was one old lady of *retired* habits, but who had been much in Italy. Lady—Lady—I remember—Lady Jane Horton.'—*Lord Lytton, My Novel*, b. x. ch. ii.

Retíredness. *s.* Attribute suggested by Retired; solitude; privacy; secrecy.

How many have we known, that have been innocent in their *retiredness*, miserably debauched with lewd conversation! Next to being good is to consort with the virtuous.—*Bishop Hall, Select Thoughts*, § 19.

Casting one eye back at the least to his former *retiredness*.—*Sir H. Wotton, Remains*, p. 166.

If *retiredness* be not more delicious than affluence or popularity, how comes it that men of great employment do so often lock up themselves from the crowd and flux of affairs? As the happiest part of their lives, they steal themselves into a calm.—*Feltham, Resolves*, ii. 44.

Like one, who in her third widowhood doth profess
Herself a nun, tied to *retiredness*,
So affects my muse now a chaste fallowness.
Donne.

How could he have the leisure and *retiredness* of the cloister, to perform all those acts of devotion in, when the burthen of the reformation lay upon his shoulders?—*Bishop Atterbury.*

Retírement. *s.*

1. Private abode; secret habitation.

Caprea had been the *retirement* of Augustus for some time, and the residence of Tiberius for many years.—*Addison.*

He has sold a small estate that he had, and has erected a charitable *retirement* for ancient, poor people to live in prayer and piety.—*Law.*

2. Private way of life.

My *retirement* there tempted me to divert those melancholy thoughts.—*Sir J. Denham, Works*, epistle dedicatory.

An elegant sufficiency, content,
Retirement, rural quiet, friendship, books,
Progressive virtue, and approving heaven.
Thomson.

3. Act of withdrawing.

Short *retirement* urges sweet return.
Milton, Paradise Lost, ix. 250.

4. State of being withdrawn.

In this *retirement* of the mind from the senses, it retains a yet more incoherent manner of thinking, which we call dreaming.—*Locke.*

Retórt. *v. a.* [Fr.; Lat. *retortus*, pass. part. of *retorqueo* = I twist or hurl back.]

1. Throw back; rebound.

His virtues, shining upon others,
Heat them, and they *retort* that heat again
To the first giver.
Shakespear, Troilus and Cressida, iii. 3.

The loadstone, which the wary mariner
Doth as director of his travels bear
Now to the rising sun, now to the set,
Doth never lose that hidden virtue yet,
Which makes it to the north *retort* its look.
Sir R. Fanshaw, Translation of Guarini's Pastor Fido.

When the body is distempered, it *retorts* and shoots backward its indispositions to the mind.—*Sir R. Tempest, Solitariness*, p. 4: 1649.

2. Return any argument, censure, or incivility.

His proof will easily be *retorted*, and the contrary proved, by interrogating; shall the adulterer inherit the kingdom of God? if he shall, what need I, that am now exhorted to reform my life, reform it? if he shall not, then certainly I, that am such, am none of the elect; for all that are elect shall certainly inherit the kingdom of God.—*Hammond.*

He passed through hostile scorn;
And with *retorted* scorn his back he turn'd.
Milton, Paradise Lost, v. 905.

The respondent may shew, how the opponent's argument may be *retorted* against himself.—*Watts.*

3. Curve back.

It would be tried how the voice will be carried in an horn, which is a line arched; or in a trumpet, which is a line *retorted*; or in some pipe that were sinuous.—*Bacon.*

Retórt. *s.* Censure or incivility returned.

I said his beard was not cut well, he was in the mind it was: this is called the *retort* courteous.—*Shakespear, As you like it*, v. 4.

Retórt. *s.* [Fr. *retorte*.] Chemical glass vessel with a bent neck to which the receiver is fitted.

In a laboratory, where the quicksilver is separated by fire, I saw an heap of sixteen thousand *retorts* of iron, every one of which costs a crown at the best hand from the iron furnaces in Carinthia.—*Sir T. Browne, Travels.*

Recent urine distilled yields a limpid water; and what remains at the bottom of the *retort* is not acid nor alkaline.—*Arbuthnot.*

When the chemist works with the *retort*, he places the body on which he operates in one part of an inclosed cavity, which, by its bendings and communications, separates at the same time that it confines, the products which result from the action of fire: and he assumes that this process is an analysis of the body into its ingredients, not a creation of anything which did not exist before, or a destruction of anything which previously existed.— *Whewell, History of Scientific Ideas*, vol. ii. p. 30: 1858.

Retórter. *s.* One who retorts.

Retórting. *verbal abs.* Act of casting back, in the way of censure or incivility.

As for those little *retortings* of my own expressions, 'of being dull by design, witty in October, shining, excelling,' and so forth; they are the common cavils of every witling, who has no other methods of shewing his parts, but by little variations and repetitions of the man's word whom he attacks.—*Tatler*, no. 239.

Retórtion. *s.* Act of retorting.

As for the seeming reasons which this opinion leads unto, they will appear, like the staff of Egypt, either to break under, or by an easy *retortion* to pierce and wound itself.—*Spencer, Discourse concerning Prodigies*, p. 253: 1665.

Complaints and *retortions* are the common refuge of causes that want better arguments. — *Lively Oracles*, p. 24: 1678.

Retóss. *v. a.* Toss back.

Along the skies,
Tost and *retost*, the ball incessant flies.
Pope, Translation of the Odyssey, vi. 112.

Retoúch. *v. a.* [Fr. *retoucher*.] Improve by new touches.

He furnished me with all the passages in Aristotle and Horace, used to explain the art of poetry by painting; which, if ever I *retouch* this essay, shall be inserted.—*Dryden.*

Lintot, dull rogue, will think your price too much:
'Not, sir, if you revise it and *retouch*.'
Pope, Epistle to Arbuthnot.

Retráce. *v. a.* [Fr. *retracer*.] Trace back; trace again.

Then if the line of Turnus you *retrace*,
He springs from Inachus of Argive race.
Dryden, Translation of the Æneid, vii. 520.

Retráct. *v. a.* [Fr. *retracter*; Lat. *retractus*, pass. part. of *retraho* (*traho* = I draw); *retractio*, *-onis*.]

1. Recall; recant.

Were I alone to pass the difficulties,
Paris should ne'er *retract* what he hath done,
Nor faint in the pursuit.
Shakespear, Troilus and Cressida, ii. 2.

If his subtilities could have satisfied me, I would as freely have *retracted* this charge of idolatry, as I ever made it.—*Bishop Stillingfleet.*

2. Take back; resume.

A great part of that time, which the inhabitants of the former earth had to spare, and whereof they made so ill use, was employed in making provision for bread; and the excess of fertility which contributed so much to their miscarriages, was *retracted* and cut off.—*Woodward, Essay towards a Natural History of the Earth.*

Retráct. *v. n.* Unsay; withdraw concession.

She will, and she will not, she grants, denies,
Consents, *retracts*, advances, and then flies.
Granville.

Retráctate. *v. a.* Recant; unsay.

St. Augustine was not ashamed to *retractate*, we might say revoke, many things that had passed him; and doth even glory that he seeth his infirmities.—*Translators of the Bible to the Reader.*

Retractátion. *s.* Recantation; change of opinion declared.

Saint Austen, in the ix. chapter of his first book of *retractations* sayth, he had diligently searched from whence evil might spring.—*Crowley, Defence of English Writers*, fol. 31, b.: 1566.

Culpable beginnings have found commendable conclusions, and infamous courses pious *retractations*.—*Sir T. Browne, Christian Morals*, ii. 6.

Retráction. *s.*

1. Act of withdrawing something advanced, or changing something done.

They make bold with the Deity when they make him do and undo, go forward and backwards by such countermarches and *retractions* as we do not impute to the Almighty.—*Woodward.*

2. Recantation; declaration of change of opinion.

There came into her head certain verses, which if she had had present commodity, she would have joined as a *retraction* to the other.—*Sir P. Sidney.*

These words [1 Sam. xxv. 32, 33] are David's *retraction*, or laying down of a bloody and revengeful resolution.—*South, Sermons*, ii. 355.

3. Act of withdrawing a claim.

Other men's insatiable desire of revenge hath wholly beguiled both church and state of the benefit of all my either *retractions* or concessions.—*Eikon Basilike.*

Retráctive. *s.* That which draws or takes from anything.

We could make this use of it, to be a strong *retractive* from any, even our dearest and gainfullest, sins.—*Bishop Hall, Remains*, p. 139.

The *retractives* of bashfulness . . . might have hindered his progression.—*Sir R. Naunton, Fragmenta Regalia, Of Lord Mountjoy.*

Retraict. *s.* [Fr. *retraicte.*] Retreat. *Obsolete.*

The earl of Lincoln, deceived of the country's concourse unto him, and seeing the business past *retraict*, resolved to make on where the king was, and give him battle.—*Bacon.*

Retraít. *adj.* Retired.

Some of their lodgings so obscure and *retrayte*, as none but a priest or a devil could ever have scented it out.—*Harsnett.* (Nares by H. and W.)

Retraít. *s.* [Italian, *ritratto.*] Cast of the countenance; picture. *Obsolete.*

Upon her eyelids many graces sat,
Under the shadow of her even brows,
Working bellgards, and amorous *retraite*,
And every one her with a grace endows. *Spenser.*
She is the mighty Queen of Faery,
Whose faire *retraite* I in my shield doe beare. *Id.*

Retreát. *s.* [Fr. *retraite.*]

1. Act of retiring.

But beauty's triumph is well-timed *retreat*,
As hard a science to the fair as great. *Pope.*

2. State of privacy; retirement.

Oft in the clear still mirror of *retreat*,
I studied Shrewsbury the wise and great.
Pope, Epilogue to the Satires, dial. ii.

3. Place of privacy; retirement.

He built his son a house of pleasure, and spared no cost to make a delicious *retreat.—Sir R. L'Estrange.*

Holy *retreat*, sithence no female thither
Must dare approach, from the inferiour reptile
To woman, form divine.
Prior, First Hymn of Callimachus.

4. Place of security.

This place our dungeon, not our safe *retreat*,
Beyond his potent arm.
Milton, Paradise Lost, ii. 317.

That pleasing shade they sought, a soft *retreat*,
From sudden April's showers, a shelter from the heat. *Dryden, The Flower and the Leaf*, 314.

There is no such way to give defence to absurd doctrines as to guard them round with legions of obscure and undefined words; which yet make these *retreats* more like the den of robbers than the fortresses of fair warriors.—*Locke.*

5. Act of retiring before a superior force.

Honourable *retreats* are no ways inferior to brave charges; as having less of fortune, more of discipline, and as much of valour.—*Bacon.*

Unmoved
With dread of death to flight or foul *retreat.*
Milton, Paradise Lost, i. 554.

Retreát. *v. n.*

1. Go to a private abode.

2. Take shelter; go to a place of security.

But yet so fast they could not home *retreat*,
But that swift Talus did the foremost win.
Spenser, Faerie Queen, v. 7, 35.

3. Retire from a superior enemy.

4. Go back out of the former place.

My subject does not oblige me to look after the water, or point forth the place whereunto it is now *retreated.—Woodward.*

Having taken her by the hand, he *retréated* with his eye fixed upon her.—*Arbuthnot and Pope.*

Retreát. *v. a.* Draw or turn back; retrace. *Rare.*

Compelled Jordan to *retreat* his course.
Sylvester, Translation of Du Bartas, day i. week i. (Ord MS.)

Retreáted. *part. adj.* Retired; gone to privacy.

Others more mild,
Retreated in a private valley, sing.
Milton, Paradise Lost, ii. 546.

Retreáting. *part. adj.* Moving in retreat; going back.

The rapid currents drive
Towards the *retreating* sea their furious tide.
Milton, Paradise Lost, xi. 853.

Retrénch. *v. a.* [Fr. *retrancher*; from *trancher* = to cut.]

1. Cut off; pare away.

The pruner's hand, with letting blood, must quench
Thy heat, and thy exuberant parts *retrench.*
Sir J. Denham, Of Old Age, pt. iii.

Nothing can be added to the wit of Ovid's Metamorphoses; but many things ought to have been *retrenched.—Dryden.*

We ought to *retrench* those superfluous expences to qualify ourselves for the exercise of charity.—*Bishop Atterbury.*

2. Confine.

In some reigns, they are for a power and obedience that is unlimited; and in others, are for *retrenching*, within the narrowest bounds, the authority of the princes and the allegiance of the subject. —*Addison, Freeholder.*

Retrénch. *v. n.* Live with less magnificence or expense.

Can I *retrench?* yes, mighty well,
Shrink back to my paternal cell,
A little house, with trees a-row,
And like its master very low.
Pope, Imitations of Horace, ep. vii.

Retrénching. *verbal abs.* Curtailing; cutting out; purposed omission.

All ancient books, having been preserved by transcription, were liable through ignorance, negligence, or fraud, to be corrupted in three different ways, that is to say, by *retrenchings*, additions, and alterations.—*Harris, Philological Inquiries.*

Retrénchment. *s.* [Fr. *retranchement.*]

1. Act of lopping away.

I had studied Virgil's design, his judicious management of the figures, the sober *retrenchments* of his sense, which always leaves somewhat to gratify our imagination, on which it may enlarge at pleasure.—*Dryden, Translation of Virgil*, dedication.

The want of vowels in our language has been the general complaint of our politest authors, who nevertheless have made these *retrenchments*, and consequently increased our former scarcity.—*Addison.*

I would rather be an advocate for the *retrenchment*, than the increase of this charity.—*Bishop Atterbury.*

2. Fortification.

You vanquish me so fast, that in the end
I shall have nothing left me to defend;
From every post you force me to remove,
But let me keep my last *retrenchment*, love.
Dryden, Conquest of Granada, Part I. v. 2.

Retríbute. *v. a.* Lat. *retributus*, pass. part. of *retribuo* (*tribuo* = I pay); *retributio, -onis.*] Pay back; make repayment of.

Here is no want of pleasure neither, abounding in gardens, fruit, and corn: which, being cultivated, *retribute* a gainful acknowledgment.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 223.

I come to tender you the man you have made,
And like a thankful stream to *retribute*
All you my ocean have enrich'd me with.
Beaumont and Fletcher, Queen of Corinth.

Both the will and power to serve him are his upon so many scores, that we are unable to *retribute*, unless we do restore; and all the duties we can pay our Maker are less properly requitals than restitutions.—*Boyle.*

In the state of nature, a man comes by no arbitrary power to use a criminal, but only to *retribute* to him, so far as calm reason and conscience dictates what is proportionate to his transgression.—*Locke.*

Retributor. *s.* [accent doubtful.] One who effects a retribution. *Rare.*

They had learned that thankfulnesse was not to be measured of good men by the weight, but by the will of the *retributor.*—*Bishop Hall, Saul and Samuel.* (Ord MS.)

Retribútion. *s.* [Fr.] Repayment; return accommodated to the action.

The king thought he had not remunerated his people sufficiently with good laws, which evermore was his *retribution* for treasure.—*Bacon, History of the Reign of Henry VII.*

In good offices and due *retributions*, we may not be pinching and niggardly: it argues an ignoble mind, where we have wronged, to higgle and dodge in the amends.—*Bishop Hall.*

All who have their reward on earth, the fruits
Of painful superstition, and blind zeal,
Nought seeking but the praise of men, here find
Fit *retribution.* *Milton, Paradise Lost*, iii. 451.

There is no nation, though plunged into never such gross idolatry, but has some awful sense of a Deity, and a persuasion of a state of *retribution* to men after this life.—*South, Sermons.*

It is a strong argument for a state of *retribution* hereafter, that in this world virtuous persons are very often unfortunate, and vicious persons prosperous.—*Addison, Spectator.*

Retríbutive. *adj.* Repaying; making repayment.

Something strangely *retributive* is working.—*Richardson, Clarissa.*

With the *accent* on the *third* syllable.

I wait,
Enduring thus the *retributive* hour,
Which since we spake is even nearer now.
Shelley, Prometheus Unbound.

Retríbutory. *adj.* Retributive.

Neither is it the pleasure of the Almighty to defer the *retributory* comforts of his mourners till another world: even here He is ready to supply them with abundant consolations.—*Bishop Hall, Remains.*

Retriévable. *adj.* Capable of being retrieved.

I interest myself a little in the history of it, [office of poet laureate,] and rather wish somebody may accept it that will retrieve the credit of the thing, if it be *retrievable*, or ever had any credit.—*Gray, Letter to Mason*: 1757.

Retriéve. *v. a.* [Fr. *retrouver*; Ital. *ritrovare.*]

1. Recover; restore.

By this conduct we may *retrieve* the publick credit of religion, reform the example of the age, and lessen the danger we complain of.—*Rogers, Sermons.*

2. Repair.

O reason! once again to thee I call;
Accept my sorrow, and *retrieve* my fall.
Prior, Solomon, ii. 955.

3. Regain.

With late repentance now they would *retrieve*
The bodies they forsook, and wish to live.
Dryden, Translation of the Æneid, vi. 590.

Philomela's liberty *retrieved*,
Cheers her sad soul. *A. Philips.*

4. Recall; bring back.

If one like the old Latin poets came among them, it would be a means to *retrieve* them from their cold trivial conceits to an imitation of their predecessors.—*Bishop Berkeley, Letter to Pope.*

Retriéve. *s.* Seeking again; discovery: (especially, in *Sporting*, applied to the finding of game either once sprung, or killed).

We'll bring Wax to the *retrieve.*—*B. Jonson, Staple of News.*

With this they all were satisfied,
As men are wont o' th' biass'd side,
Applauded the profound dispute;
And grew more gay and resolute
By having overcome all doubt,
That if it never had fall'n out;
And to compleat their narrative
Agreed t' insert this strange *retrieve.*
Butler, The Elephant in the Moon, 315.

Retroáctive. *adj.* Acting in regard to things past.

A bill of pains and penalties was introduced, a *retroactive* statute, to punish the offences, which did not exist at the time they were committed.—*Gibbon, Memoirs*, p. xi.

Retrocédent. *adj.* Going back; retired; retreating; falling back: (specially applied in *Medicine* to certain forms of disease, especially the gout).

In another variety of irregular gout, the complaint commences in the ordinary way, . . . but the pain and inflammation do not reach the ordinary degree of intensity, or at any rate do not continue for the usual time and then recede gradually in the accustomed manner, but they disappear suddenly, abruptly, and entirely, while symptoms of severe and alarming disorder arise, as suddenly, in some internal part. This Cullen names *retrocédent* gout. —*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxxxi.

Retrocéssion. *s.* Act of going back.

This argument is drawn from the sun's *retrocession.*—*Dr. H. More, Immortality of the Soul*, iii. 2, 66.

The *retrocession* of the shadow must be as natural as before.—*Gregory, Posthuma*, p. 40.

Rétrochoir. *s.* In *Architecture.* See extract.

Retrochoir.—The chapels and other parts behind and about the high altar are so called, as, for example, the Lady Chapel, when so placed. Monks who were sick or infirm, or those who arrived too late to enter the choir, were appointed to hear the service in the *retrochoirs.* The choral stalls when placed in the Roman manner behind the high altar, are sometimes termed the Arrière Chœur.—*Glossary of Architecture.*

Retrocopulátion. *s.* Post-coition.

From the nature of this position, there ensueth a necessity of *retrocopulation.*—*Sir T. Browne, Vulgar Errours.*

Retrogradátion. *s.* Act of going backward.

For *retrogradation*, the shadow went back ten degrees in the dial of Ahaz.—*Bishop Hall, Sermon on Psalms*, cvii. 34.

Planets . . . have their stations and *retrogradations*, as well as their direct motion.—*Cudworth, Sermons*, p. 58.

As for the revolutions, stations, and *retrogradations* of the planets, observed constantly in most certain periods of time, it sufficiently demonstrates that their motions are governed by counsel.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Rétrograde. *adj.*

1. Going backward.
   Princes, if they use ambitious men, should handle it so, as they be still progressive, and not *retrograde.* —*Bacon.*
2. Contrary; opposite.
   Your intent
   In going back to school to Wittenberg,
   It is most *retrograde* to our desire.
   Shakespear, Hamlet, i. 2.
3. In *Astronomy.* See last extract.
   Their wand'ring course, now high, now low, then hid,
   Progressive, *retrograde,* or standing still,
   In six thou see'st. *Milton, Paradise Lost,* viii. 126.
   Two geomantick figures were displayed
   Above his head, a warrior and a maid;
   One when direct, and one when *retrograde.*
   Dryden, Palamon and Arcite, ii. 614.
   In astronomy, planets are *retrograde,* when by their proper motion in the zodiack, they move backward, and contrary to the succession of the signs; as from the second degree of Aries to the first: but this retrogradation is only apparent and occasioned by the observer's eye being placed on the earth; for to an eye at the sun, the planet will appear always direct, and never either stationary or *retrograde.*—*Harris.*

Rétrograde. *v. n.* Go backward.
The race and period of all things here is to turn things more pneumatical and rare, and not to *retrograde* from pneumatical to that which is dense. —*Bacon.*

Rétrograde. *v. a.* Cause to go backward.
The firmament shall *retrograde* his course.—*Sylvester, Translation of Du Bartas,* p. 179: 1621.

Retrogréssion. *s.* Act of going backwards.
The account, established upon the rise and descent of the stars, can be no reasonable rule unto distant nations, and by reason of their *retrogression,* but temporary unto any one.—*Sir T. Browne.*
Another example is the not uncommon Dictum, that bodies politic have youth, maturity, old age, and death, like bodies natural: that after a certain duration of prosperity, they tend spontaneously to decay. This also is a false analogy: . . . in the body politic . . . it is the stoppage of that progress, and the commencement of *retrogression,* that alone would constitute decay. Bodies politic die, but it is of disease, or violent death: they have no old age.—*J. S. Mill, System of Logic,* pt. v. ch. v.

Retromíngency. *s.* [Lat. *mingens, -entis,* pres. part. of *mingo* = I stale, or pass water.] Quality of staling backwards.
The last foundation was *retromingency,* or pissing backwards; for men observing both sexes to urine backwards, or aversely between their legs, they might conceive there were feminine parts in both.—*Sir T. Browne, Vulgar Errours.*

Retromíngent. *s.* Animal staling backward.
By reason of the backward position of the feminine parts of quadrupeds, they can hardly admit the substitution of masculine generations, except it be in *retromingents.*—*Sir T. Browne.*

Rétrospect. *s.* [Lat. *spectus,* pass. part. of *specio* = look, see, spy.] Look thrown upon things behind or things past.
As you arraign his majesty by *retrospect,* so you condemn his government by second sight.—*Addison, Freeholder.*
The observation is common, that a week spent in travelling or sightseeing, and therefore unusually full of mental excitements, appears in *retrospect* far longer than one spent at home; and that, similarly, a road followed for the first time, apparently takes longer to traverse than when it has become familiar. —*Herbert Spencer, Principles of Psychology.*

Retrospéction. *s.* Act or faculty of looking backwards.
Canst thou take delight in viewing
This poor isle's approaching ruin,
When thy *retrospection* vast
Sees the glorious ages past?
Happy nation, were we blind,
Or had only eyes behind! *Swift.*

Retrospéctive. *adj.* Looking backwards.
In vain the sage, with *retrospective* eye,
Would from the apparent what conclude the why.
Pope, Moral Essays, i. 99.

Retrovért. *v. a.* Turn back.

Retrovérted. *part. adj.* Turned back.
In some species of the cat-kind the glans is covered with *retroverted* papillæ, which, as these animals have no vesiculæ seminales may enable the male to hold the female longer in his embraces.—*Lawrence, Translation of Blumenbach's Physiology.* (Ord MS.)

Retrúde. *v. a.* [Lat. *retrudo*; pass. part. *retrusus.*] Thrust back.
The term of latitude is breadthless line;
A point the line doth manfully *retrude*
From infinite process.
Dr. H. More, Song of the Soul: 1647.

Retrúse. *adj.* Hidden; abstruse.
Let us enquire no further into things *retruse* and hid, than we have authority from the sacred scriptures.—*Heywood, Hierarchie of Angels,* p. 50: 1635.

Retúnd. *v. a.* [Lat. *retundo.*] Blunt; turn.
Covered with skin and hair keeps it warm, being naturally a very cold part, and also to quench and dissipate the force of any stroke that shall be dealt it, and *retund* the edge of any weapon.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Retúrn. *v. n.* [Fr. *retourner.*]

1. Come again to the same place.
   Whoso diggeth a pit, he shall fall therein; and he that rolleth a stone, it will *return* upon him.—*Proverbs,* xxvi. 27.
   On their embattled ranks the waves *return.*
   Milton, Paradise Lost, xii. 213.
2. Come back to the same state.
   If they *returned* out of bondage, it must be into a state of freedom.—*Locke.*
3. Go back.
   I am in blood
   Stept in so far, that should I wade no more,
   Returning were as tedious as go o'er.
   Shakespear, Macbeth, iii. 4.
   To *return* to the business in hand, the use of a little insight in those parts of knowledge, is to accustom our minds to all sorts of ideas.—*Locke.*
4. Make answer.
   The thing of courage,
   As roused with rage, with rage doth sympathize;
   And with an accent tuned in self-same key,
   Returns to chiding fortune.
   Shakespear, Troilus and Cressida, i. 3.
   He said; and thus the queen of heaven *return'd* . . .
   Must I, oh Jove, in bloody wars contend!
   Pope, Translation of the first Book of the Thebais of Statius.
5. Come back; come again; revisit.
   Thou to mankind
   Be good, and friendly still, and oft *return.*
   Milton, Paradise Lost, viii. 650.
6. After a periodical revolution, to begin the same again.
   With the year
   Seasons *return,* but not to me *returns*
   Day, or the sweet approach of even or morn.
   Milton, Paradise Lost, iii. 40.
7. Retort; recriminate.
   If you are a malicious reader, you *return* upon me, that I affect to be thought more impartial than I am.—*Dryden.*

Retúrn. *v. a.*

1. Repay; give in requital.
   Return him a trespass offering.—1 *Samuel,* vi. 3.
   Thy Lord shall *return* thy wickedness upon thine own head.—1 *Kings,* ii. 44.
   What peace can we *return,*
   But to our power, hostility, and hate?
   Milton, Paradise Lost, ii. 335.
   When, answer none *return'd,* I set me down.
   Ibid. viii. 285.
2. Give back.
   What counsel give ye to *return* answer to this people?—2 *Chronicles,* x. 6.
3. Send back.
   Reject not then what offer'd means; who knows
   But God hath set before us, to *return* thee
   Home to thy country and his sacred house?
   Milton, Samson Agonistes, 516.
4. Give account of.
   Probably one fourth part more died of the plague than are *returned.*—*Graunt, Observations on the Bills of Mortality.*
5. Transmit.
   Instead of a ship, he should levy money, and *return* the same to the treasurer for his majesty's use. —*Lord Clarendon, History of the Grand Rebellion.*

Retúrn. *s.*

1. Act of coming back to the same place.
   The king of France so suddenly gone back!
   Something since his coming forth is thought of,
   That his *return* was now most necessary.
   Shakespear, King Lear, iv. 2.
   When forced from hence to view our parts he mourns;
   Takes little journeys, and makes quick *returns.*
   Dryden.
2. Retrogression.
3. Act of coming back to the same state.
   At the *return* of the year, the king of Syria will come up against thee.—1 *Kings,* xx. 22.
4. Revolution; vicissitude.
   Weapons hardly fall under rule; yet even they have *returns* and vicissitudes; for ordnance was known in the city of the Oxidraces in India, and is what the Macedonians called thunder and lightning. —*Bacon, Essays.*
5. Repayment of money laid out in commodities for sale.
   As for any merchandize you have bought, ye shall have your *return* in merchandize or gold.—*Bacon.*
   As to roots accelerated in their ripening, there is the high price that those things bear, and the swiftness of their *returns*; for, in some grounds, a radish comes in a month, that in others will not come in two, and so make double *returns.*—*Id.*
6. Profit; advantage.
   The fruit, from many days of recreation, is very little; but from these few hours we spend in prayer, the *return* is great.—*Jeremy Taylor, Rule and Exercises of Holy Living.*
   Brokers cannot have less money by them than one twentieth part of their yearly *returns.*—*Locke.*
7. Remittance; payment from a distant place.
   Within these two months, that's a month before
   This bond expires, I do expect *return*
   Of thrice three times the value of this bond.
   Shakespear, Merchant of Venice, i. 3.
8. Repayment; retribution; requital.
   You made my liberty your late request:
   Is no *return* due from a grateful breast?
   I grow impatient, till I find some way,
   Great offices, with greater to repay. *Dryden.*
   Since these are some of the *returns* which we made to God after obtaining our successes, can we reasonably presume, that we are in the favour of God?—*Bishop Atterbury.*
   Nothing better becomes a person in a publick character, than such a publick spirit; nor is there any thing likely to procure him larger *returns* of esteem.—*Id.*
   Returns, like these, our mistress bids us make,
   When from a foreign prince a gift her Britons take.
   Prior, Ode to Queen Anne, 119.
   Ungrateful lord!
   Would'st thou invade my life, as a *return*
   For proffer'd love? *Rowe.*
9. Act of restoring or giving back; restitution.
   The other ground of God's sole property in any thing, is the gift, or rather the *return* of it made by man to God.—*South, Sermons.*
10. Relapse.
    This is breaking into a constitution to serve a present expedient; the remedy of an empirick, to stifle the present pain, but with certain prospect of sudden *returns.*—*Swift.*
11. In *Architecture.* See second extract.
    Both these sides are not only *returns,* but parts of the front, and a stately tower in the midst of the front.—*Bacon.*
    Either of the adjoining sides of the front of an house, or ground-plot, is called a *return* side.— *Moxon, Mechanical Exercises.*
12. Report; account: (as, 'The sheriff's *return*;' 'The *return* of members of parliament').
    The members returned are the sitting members, until the house of commons upon petition shall adjudge the *return* to be false and illegal.—*Sir W. Blackstone, Commentaries on the Laws of England.*
13. In *Law.* Certain days in every term are called *return* days, or days in bank; thus Hilary term has four *returns.*
    On some one of these days in bank all original writs are returnable, and therefore they are generally called the *returns* of that term.—*Sir W. Blackstone, Commentaries on the Laws of England.*

Retúrnable. *adj.* In *Law.* Capable of being, allowed to be, reported back.
It may be decided in that court, where the verdict is *returnable.*—*Sir M. Hale.*
He shall have an attachment against the sheriff, directed to the coroner, and *returnable* into the king's bench.—*Ayliffe, Parergon Juris Canonici.*

Retúrner. *s.* One who returns, especially in paying or remitting money.
The chapmen that give highest for this can make most profit by it and those are the *returners* of our money.—*Locke.*

Retúrnless. *adj.* Admitting no return; irremeable.
But well knew the troth
Of this thine owne returne, though all my friends
I knew as well should make *returnlesse* ends.
Chapman.

Reúnion. *s.* Return to a state of juncture, cohesion, or concord.

She, that should all parts to *reunion* bow,
She that had all magnetick force alone,
To draw and fasten sundred parts in one. *Donne.*

At the latter day we expect not a new creation, but a restitution, not a propagation but a renovation, not a production of new souls, but a *reunion* of such as before were separated.—*Bishop Pearson. Exposition of the Creed*, art. xi.

Reuníte. *v. a.*

1. Join again; make one whole a second time; join what is divided.

By this match the line of Charles the Great
Was *reunited* to the crown of France.
Shakespear, Henry V. i. 2.

Thou shalt not suffer that soul to continue there, ... but shalt bring it shortly from thence, and *reunite* it to my body.—*Bishop Pearson, Exposition of the Creed*, art. v.

2. Reconcile; make those at variance one.

Reuníte. *v. n.* Cohere again.

Reunítion. *s.* Second conjunction.

I believe the immortality of the soul; I believe the resurrection of the body, and its *reunition* with the soul.—*Sir N. Knatchbull, Annotations upon some Difficult Texts in the New Testament*, p. 93.

Revaccinátion. *s.* Repetition of vaccination.

The *revaccination* of recruits in the Prussian army extends annually to some forty or forty-five thousand operations.—*Sir T. Watson, Lectures on the Principles and Practice of Medicine*, lect. lxxxvii.

Reve. *s.* See Sheriff.

Reveál. *v. a.* [Lat. *revelo*; Fr. *révéler*.]

1. Show; discover; lay open; disclose a secret.

Be ashamed ... of speaking again that which thou hast heard, and of *revealing* of secrets.—*Ecclesiasticus*, xli. 23.

Light was the wound; the prince's care unknown,
She might not, would not yet *reveal* her own.
Waller.

The answer to one who asked what time was, 'Si non rogas, intelligo;' that is, the more I think of time, the less I understand it; might persuade one, that time, which *reveals* all things, is itself not to be discovered.—*Locke.*

2. Impart from heaven.

The sufferings of this present time are not to be compared with the glory which shall be *revealed* in us.—*Romans*, viii. 18.

Thy throne is darkness in the abyss of light,
A blaze of glory that forbids the sight;
O teach me to believe thee thus conceal'd,
And search no further than thyself *reveal'd*.
Dryden, Hind and Panther, i. 66.

Reveál. *s.* Revelation. *Rare.*

In nature the concealment of secret parts is the same in both sexes, and the shame of their *reveale* equall.—*Sir T. Browne, Vulgar Errours*, p. 195. (Ord MS.)

Reveálable. *adj.* Capable of being revealed.

I would fain learn why treason is not so *revealable* as heresy. Is heresy dangerous to souls? then surely so is treason, unless it be none, or a very small crime.—*Jeremy Taylor, Polemical Discourses.* (Ord MS.)

Reveáler. *s.* One who reveals.

1. Discoverer; one who shows or makes known.

The habit of faith in divinity is an argument of things unseen, as a stable assent unto things inevident, upon authority of the divine *revealer*.—*Sir T. Browne, Vulgar Errours.*

The lives of the *revealers* may be justly set over against the revelation, to find whether they agree.—*Bishop Atterbury.*

2. One who discovers to view.

He brought a taper; the *revealer* light
Expesed both crime and criminal to sight. *Dryden.*

Reveálment. *s.* Act of revealing.

This is one reason why God permits so many heinous impieties to be concealed here on earth, because he intends to dignify that day with the *revealment* of them.—*South, Sermons*, vii. 270.

Reveillé. *s.* [Fr.; from *réveiller* = awake.] Military notice by beat of drum, about daybreak, that it is time to rise: (it is vulgarly pronounced *revellý*, with the *accent* on the *last syllable*: our poets, old and modern, place it on the *second*).

Sound the trumpet, beat the drum;
Through all the world around;
Sound a *reveille*, sound, sound,
The warrior god is come.
Dryden, Secular Masque.

Save where the fife its shrill *reveille* screams.
Campbell, Gertrude of Wyoming.

Rével. *v. n.* Feast with loose and clamorous merriment.

Now, my honey love,
Will we return unto thy father's house,
And *revel* it as bravely as the best.
Shakespear, Taming of the Shrew, iv. 3.

We'll keep no great ado ... a friend or two.
Tybalt being slain so late,
It may be thought we held him carelessly,
Being our kinsman, if we *revel* much.
Id., Romeo and Juliet, iii. 4.

Antony, that *revels* long o' nights,
Is up. *Id., Julius Cæsar*, ii. 2.

We shall have *revelling* to-night;
I will assume thy part in some disguise.
Id., Much Ado about Nothing, i. 1.

He can report you more odd tales
Of our outlaw, Robin Hood,
Than *revell'd* here in Sherewood,
Though he ne'er shot in his bow. *B. Jonson.*

Were the doctrine new,
That the earth moved, this day would make it true;
For every part to dance and *revel* goes,
They tread the air, and fall not where they rose.
Donne.

Whene'er I *revell'd* in the women's bow'rs;
For first I sought her but at looser hours:
The apples she had gather'd smelt most sweet.
Prior, Solomon, ii. 491.

Brisk let us *revel*, while *revel* we may;
For the gay bloom of fifty soon passes away.
T. Moore, Twopenny Postbag.

Rével. *s.* Feast with loose and noisy jollity.

Let them pinch the unclean knight,
And ask him, why, that hour of fairy *revel*,
In their so sacred paths he dares to tread?
Shakespear, Merry Wives of Windsor, iv. 4.

They could do no less but, under your fair conduct,
Crave leave to view these ladies, and intreat
An hour of *revels* with them.
Id., Henry VIII. i. 4.

What makes the studious man prefer a book before a *revel*, the rigours of contemplation and retirement before merry-meeting and jolly company? Because a nobler pleasure has rendered those inferiour ones tasteless and contemptible.—*South, Sermons*, viii. 408.

Rével-rout. *s.*

1. Mob; unlawful assembly of a rabble.

2. Tumultuous festivity.

For this his minion, the *revel-rout* is done.
Rowe, Jane Shore.

Revél. *v. a.* [Lat. *revello.*] Retract; draw back.

Those who miscarry escape by their flood, *revelling* the humours from their lungs.—*Harvey.*

Venesection in the left arm does more immediate *revel*, yet the difference is minute.—*Friend, History of Physick.*

Revelátion. *s.* [Fr.]

1. Discovery; communication; communication of sacred and mysterious truths by a teacher from heaven.

When the divine *revelations* were committed to writing, the Jews were such scrupulous reverers of them, that they numbered even the letters of the Old Testament.—*Dr. H. More, Decay of Christian Piety.*

As the gospel appears in respect of the law to be a clearer *revelation* of the mystical part, so it is a far more benign dispensation of the practical part.—*Bishop Sprat.*

2. Apocalypse; prophecy of St. John, revealing future things.

The *revelation* of Jesus Christ which God gave unto him to shew unto his servants.—*Revelation*, i. 1.

Réveller. *s.* One who revels; one who feasts with noisy jollity.

Fairies black, grey, green, and white,
You moonshine *revellers*, attend your office.
Shakespear, Merry Wives of Windsor, v. 5.

Unwelcome *revellers*, whose lawless joy
Pains the sage ear, and hurts the sober eye.
Pope, Translation of the Odyssey, i. 293.

Révelling. *verbal abs.* Loose jollity; revelry.

They ... used secret ceremonies, or made *revellings* of strange rites.—*Wisdom of Solomon*, xiv. 23.

The time past of our life may suffice us to have wrought the will of the Gentiles, when we walked in lasciviousness, lusts, excess of wine, *revellings*, banquetings, and abominable idolatries.—1 *Peter*, iv. 3.

Révelry. *s.* Loose jollity; festive mirth.

Forget this new-fall'n dignity,
And fall into our rustick *revelry*.
Shakespear, As you like it, v. 4.

There let Hymen oft appear
In saffron robe, with taper clear,
And pomp, and feast, and *revelry*,
With masque and antique pageantry.
Milton, L'Allegro, 127.

Revénge. *v. a.* [Fr. *revancher*.]

1. Return an injury.

Not unappeased, he pass'd the Stygian gate,
Who leaves a brother to *revenge* his fate. *Pope.*

2. Vindicate by punishment of an enemy.

If our hard fortune no compassion draws ...
The gods are just, and will *revenge* our cause.
Dryden, Translation of the Æneid, i. 764.

3. Wreak one's wrongs on him that inflicted them.

Who shall come to stand against thee, to be *revenged* for the unrighteous men?—*Wisdom of Solomon*, xii. 12.

It is a quarrel most unnatural,
To be *revenged* on him that loveth thee.
Shakespear, Richard III. i. 2.

Northumberland slew thy father;
And thine, lord Clifford; and you vowed revenge:
If I be not, heavens be *revenged* on me!
Id., Henry VI. Part III. i. 1.

Your fury of a wife,
Not yet content to be *revenged* on you,
The agents of your passion will pursue.
Dryden, Aurengzebe, ii. 1.

With the *reflective pronoun.*

Edom hath dealt against the house of Judah ... and *revenged himself* upon them.—*Ezekiel*, xxv. 12.

O Lord, visit me, and *revenge me* of my persecutors.—*Jeremiah*, xv. 15.

Come, Antony and young Octavius, come,
Revenge yourselves alone on Cassius.
Shakespear, Julius Cæsar, iv. 3.

Revénge. *s.*

1. Return of an injury.

I will make mine arrows drunk with blood; from the beginning of *revenges* upon the enemy.—*Deuteronomy*, xxxii. 42.

May we, with the witness of a good conscience, pursue him with further *revenge*?—*Shakespear, Merry Wives of Windsor*, iv. 2.

Deformed persons are commonly even with nature; for as nature has done ill by them, so they do by nature; being void of natural affection, they have their *revenge* of nature.—*Bacon.*

But what will not ambition and *revenge*
Descend to? *Milton, Paradise Lost*, ix. 168.

The satyr in a rage
Struts in the buskins of the tragic stage,
Forgets his business is to laugh and bite,
And will of death and dire *revenges* write.
Dryden, Translation of Juvenal, vi. 829.

2. Passion of vengeance; desire of hurting one from whom hurt has been received.

Revenges burn in them: for their dear causes
Would, to the bleeding and the grim alarm,
Excite the mortified man.
Shakespear, Macbeth, v. 2.

3. See extracts.

Revenge is a kind of wild justice, which the more man's nature runs to, the more ought law to weed it out. ... The most tolerable sort of *revenge* is for those wrongs which there is no law to remedy.—*Bacon, Essays, Of Revenge.*

Revenge is an act of passion; vengeance, of justice. Injuries are *revenged*; crimes are avenged. This distinction is perhaps not always preserved.—*Todd.*

Revéngeful. *adj.* Vindictive; full of revenge; full of vengeance.

May my hands
Never brandish more *revengeful* steel
Over the glittering helmet of my foe.
Shakespear, Richard II. iv. 1.

If thy *revengeful* heart cannot forgive,
Lo! here I lend thee this sharp-pointed sword,
Which hide in this true breast.
Id., Richard III. i. 2.

Into my borders now Iarbas falls,
And my *revengeful* brother scales the walls.
Sir J. Denham, Passion of Dido.

Repenting England, this *revengeful* day,
To Philip's manes did an off'ring bring.
Dryden, Annus Mirabilis, cxcviii.

Revéngefully. *adv.* In a revengeful manner; vindictively.

He smiled *revengefully*, and leap'd
Upon the floor, thence gazing at the skies,
His eye-balls fiery red, and glowing vengeance.
Dryden and Lee, Œdipus, v. 1.

Revéngefulness. *s.* Attribute suggested by Revengeful; vindictiveness; state or quality of being revengeful.

Boisterous, wrath, and stormy *revengefulness*; fool-hardy confidence, and indefatigable contention about vain objects.—*Dr. H. More, Conjectura Cabalistica*, p. 196: 1653.

Revéngeless. *adj.* Unrevenged.

We, full of hearty tears
For our good father's loss,
Cannot so lightly overjump his death
As leave his woes *revengeless*. *Marston, Malcontent.*

Revéngement. *s.* Vengeance; return of an injury. *Rare.*

It may dwell
In her son's flesh to mind *revengement*,
And be for all chaste dames an endless monument.
Spenser.

By the perclose of the same verse, vagabond is understood for such a one as travelleth in fear of *revengement*.—*Sir W. Raleigh.*

Revénger. *s.*

1. One who revenges; one who wreaks his own or another's injuries.

May be, that better reason will assuage
The rash *revenger's* heat; words, well disposed,
Have secret power to appease inflamed rage.
Spenser.

I do not know,
Wherefore my father should *revengers* want,
Having a son and friends.
Shakespear, Antony and Cleopatra, ii. 6.

Morocco's monarch
Had come in person, to have seen and known
The injured world's *revenger* and his own. *Waller.*

2. One who punishes crimes.

What government can be imagined, without judicial proceedings? and what methods of judicature, without a religious oath, which supposes an omniscient Being, as conscious to its falsehood or truth, and a *revenger* of perjury?—*Bentley.*

Revénging. *part. adj.* Inflicting revenge.

To *revenge* is but the more excusable way of doing injury; nay, Maximus Tyrius says, it is worse; the *revenging* man is worse than the injurious.—*Jeremy Taylor, Worthy Communicant.* (Ord MS.)

Revéngingly. *adv.* In a revenging manner; with vengeance; vindictively.

I've bely'd a lady,
The princess of this country; and the air on't
Revengingly enfeebles me.
Shakespear, Cymbeline, v. 2.

Révenue. *s.* [Fr. *revenu.*] Income; annual profits received from lands or other funds.

They privily send over unto them the *revenues*, wherewith they are there maintained.—*Spenser, View of the State of Ireland.*

Many officers are of so small *revenue*, as not to furnish a man with what is sufficient for the support of his life.—*Sir W. Temple.*

If the woman could have been contented with golden eggs, she might have kept that *revenue* on still.—*Sir R. L'Estrange.*

His vassals easy, and the owner blest,
They pay a trifle, and enjoy the rest;
Not so a nation's *revenues* are paid;
The servant's faults are on the master laid. *Swift.*

With the *accent* on the *second syllable.*

She bears a duke's *revenues* on her back,
And in her heart, she scorns our poverty.
Shakespear, Henry VI. Part II. i. 3.

Only I retain
The name and all the addition to a king:
The sway, *revenue*, beloved sons, be yours.
Id., King Lear, i. 1.

When men grow great from their *revenue* spent,
And fly from bailiffs into parliament.
Young, Love of Fame, i. 21.

Revérb. *v. a.* Resound; reverberate. *Rare.*

Thy youngest daughter does not love thee least;
Nor are those empty hearted, whose loud sound
Reverbs no hollowness. *Shakespear, King Lear*, i. 1.

Revérberate. *v. a.* [Lat. *reverbero.*]

1. Beat back.

Nor doth he know them for aught,
Till he behold them form'd in the applause
Where they're extended: which, like an arch, *reverberates*
The sound again.
Shakespear, Troilus and Cressida, iii. 2.

As the sight of the eye is like a glass, so is the ear a sinuous cave, with a hard bone, to stop and *reverberate* the sound.—*Bacon.*

As we, to improve the nobler kinds of fruits, are at the expence of walls to receive and *reverberate* the faint rays of the sun, so we, by the help of a good soil, equal the production of warmer countries.—*Swift.*

2. Heat in an intense furnace, where the flame is reverberated upon the matter to be melted or cleaned.

Crocus martis, that is, steel corroded with vinegar or sulphur, and after *reverberated* with fire, the loadstone will not attract.—*Sir T. Browne, Vulgar Errours.*

Revérberate. *v. n.*

1. Driven back; bound back.

The rays of royal majesty *reverberated* so strongly upon Villerio, that they dispelled all clouds.—*Howell, Vocall Forrest.*

2. Resound.

Start
An echo with the clamour of thy drum,
And ev'n at hand a drum is ready braced,
That shall *reverberate* all as loud as thine.
Shakespear, King John, v. 2.

But in that vast expanse there was no void, for the whole of it *reverberated* with the shrieks and yells of undying agony.—*Buckle, History of Civilization in England*, vol. ii. ch. i.

Revérberate. *adj.* Resounding; beating back.

Hollow your name to the *reverberate* hills,
And make the babbling gossip of the air
Cry out, Olivia! *Shakespear, Twelfth Night*, i. 5.

Which skill Pythagoras
First taught to men by a *reverberate* glass.
B. Jonson, Masques at Court.

Reverberátion. *s.* Act of beating or driving back.

To the reflection of visibles, small glasses suffice; but to the *reverberation* of audibles are required greater spaces.—*Bacon.*

The first repetitions follow very thick; for two parallel walls beat the sound back on each other, like the several *reverberations* of the same image from two opposite looking-glasses.—*Addison.*

Revérberatory. *adj.* Returning; beating back.

Good lime may be made of all kinds of flints, but they are hard to burn, except in a *reverberatory* kiln.—*Moxon.*

Revérberatory. *s.* Reverberatory furnace.

Revérdure. *v. n.* Grow green again; renew foliage.

The swete tyme of Marche was come, and the wyndes were apeased, and the waters swaged of their rages, and the wodes *reverdured*.—*Lord Berners, Translation of Froissart*, vol. ii. ch. 159, p. 438. (Rich.)

Revére. *v. a.* [Fr. *révérer*; Lat. *revereor.*] Reverence; honour; venerate; regard with awe.

An emperor often stamped on his coins the face or ornaments of his colleague, and we may suppose Lucius Verus would omit no opportunity of doing honour to Marcus Aurelius, whom he rather *revered* as his father, than treated as his partner in the empire.—*Addison, Travels in Italy.*

Jove shall again *revere* your pow'r,
And rise a swan, or fall a show'r.
Prior, Cupid and Ganymede.

Réverence. *s.* [Fr.; Lat. *reverentia.*]

1. Veneration; respect; awful regard.

When quarrels and factions are carried openly, it is a sign the *reverence* of government is lost.—*Bacon, Essays.*

Higher of the genial bed, by far,
And with mysterious *reverence*, I deem.
Milton, Paradise Lost, viii. 598.

In your prayers use reverent postures, and the lowest gestures of humility, remembering that we speak to God, in our *reverence* to whom we cannot exceed.—*Jeremy Taylor.*

The fear, acceptable to God, is a filial fear; an awful *reverence* of the divine nature, proceeding from a just esteem of his perfections, which produces in us an inclination to his service, and an unwillingness to offend him.—*Rogers.*

2. Act of obeisance; bow; courtesy.

Now lies he there,
And none so poor to do him *reverence.*
Shakespear, Julius Cæsar, iii. 2.

He led her easily forth,
Where Godfrey sat among his lords and peers;
She *rev'rence* did, then blush'd as one dismay'd.
Fairfax, Translation of Tasso.

Had not men the hoary heads revered,
Or boys paid *reverence*, when a man appear'd,
Both must have dyed.
Dryden, Translation of Juvenal.

Up starts the beldam, who was there unseen,
And *reverence* made, accosted thus the queen.
Id., Wife of Bath's Tale, 291.

The monarch mounts the throne, and, placed on high,
Commands into the court the beauteous Emily:
So call'd, she came; the senate rose and paid
Becoming *reverence* to the royal maid.
Id., Palamon and Arcite, iii. 1014.

3. Title of the clergy.

Many now in health
Shall drop their blood, in approbation
Of what your *reverence* shall incite us to.
Shakespear, Henry V. i. 2.

4. Poetical title of a father.

O my dear father! let this kiss
Repair those violent harms that my two sisters
Have in thy *reverence* made.
Shakespear, King Lear, iv. 7.

Réverence. *v. a.* Regard with reverence; regard with awful respect.

Those that I *reverence*, those I fear, the wise;
At fools I laugh, nor fear them.
Shakespear, Cymbeline, iv. 2.

While they pervert pure nature's healthful rules
To loathsome sickness; worthily, since they
God's image did not *reverence* in themselves.
Milton, Paradise Lost, xi. 523.

He slew Aetion, but despoil'd him not;
Nor in his hate the funeral rights forgot;
Arm'd as he was, he sent him whole below,
And *reverenced* thus the manes of his foe.
Dryden, Parting of Hector and Andromache, 66.

As his goodness will forbid us to dread him as slaves, so his majesty will command us to *reverence* him as sons.—*Rogers.*

He presents every one so often before God in his prayers, that he never thinks he can esteem, *reverence*, or serve those enough, for whom he implores so many mercies from God.—*Law.*

Réverencer. *s.* One who regards with reverence.

The Athenians, quite sunk in their affairs, had little commerce with the rest of Greece, and were become great *reverencers* of crowned heads.—*Swift.*

Réverend. *adj.*

1. Venerable; deserving reverence; exacting respect by his appearance.

Onias, who had been high priest, ... *reverend* in conversation, gentle in condition. — 2 *Maccabees*, xv. 12.

Let his lack of years be no impediment, to let him lack a *reverend* estimation.—*Shakespear, Merchant of Venice*, iv. 1, letter.

Most potent, grave, and *reverend* seigniors.
Id., Othello, i. 3.

A *reverend* sire among them came,
Who preach'd conversion and repentance.
Milton, Paradise Lost, xi. 719.

A parish priest was of the pilgrim train,
An awful, *reverend*, and religious man,
His eyes diffused a venerable grace,
And charity itself was in his face.
Dryden, Character of a good Parson.

In an inner court, securely closed,
The *reverend* Nestor and his queen reposed.
Pope, Translation of the Odyssey, iii. 514.

2. Honorary epithet of the clergy: (we style a clergyman, *reverend*; a bishop, right *reverend*; an archbishop, most *reverend*).

3. Reverent.

They were faine by the mouth of such as were their trustie friends about him, to represent unto him the necessitie of their returne, and withall often many *reverend* entreaties, caused it also to be signified unto him, that if he stood obstinate they should be inforced to withdraw themselves and to forsake him.—*Knolles, History of the Turks*, p. 994. (Ord MS.)

Sure the conceptions are not much more *reverend* of God, who can suppose that a writing designed by him for such important ends as the making men wise unto salvation, should itself be foolish and weak.—*Lively Oracles.* (Ord MS.)

There is nothing more violent and boisterous than a *reverend* ignorance in fear to be convicted.—*Milton, Tetrachordon.* (Ord MS.)

Réverent. *adj.* Humble; expressing submission; testifying veneration.

They forthwith to the place
Repairing where he judged them, prostrate fell
Before him *reverent.*
Milton, Paradise Lost, x. 1086.

Meet then the senior, far renown'd for sense,
With *reverent* awe, but decent confidence.
Pope, Translation of the Odyssey, iii. 23.

Reverential. *adj.* [Fr. *révérencielle.*] Expressing reverence; proceeding from awe and veneration.

That oaths made in *reverential* fear
Of love and his wrath may any forswear. *Donne.*

The least degree of contempt weakens religion; it properly consisting in a *reverential* esteem of things sacred.—*South, Sermons.*

The reason of the institution being forgot, the after-ages perverted it, supposing only a *reverential* gratitude paid to the earth as the common parent. —*Woodward, Essay towards a Natural History of the Earth.*

All look up with *reverential* awe,
At crimes that 'scape or triumph o'er the law.
Pope.

The Book of Sentences of Peter Lombard is but the 'Sic et Non' of Abélard in a more cautious and *reverential* form. John of Salisbury, in his Polycraticus, is a manifest, if not avowed Conceptualist. —*Milman, History of Latin Christianity*, b. viii. ch. v.

Reverentially. *adv.* In a reverential manner; with show of reverence.

The Jews, *reverentially* declining the situation of their temple, place their beds from north to south. —*Sir T. Browne.*

Chide him for faults, and do it *reverently.*
Shakespear, Henry IV. Part II. iv. 4.

His disciples here,
By their great Master sent to preach him every where,
Most *reverently* received. *Drayton.*
To nearest ports their shatter'd ships repair,
Where by our dreadful cannon they lay awed;
So *reverently* men quit the open air,
When thunder speaks the angry gods abroad.
Dryden, Annus Mirabilis, xxiii.
Then down with all thy boasted volumes, down;
Only reserve the sacred one:
Low, *reverently* low,
Make thy stubborn knowledge bow:
To look to heav'n be blind to all below.
Prior, Odes, On Exodus iii. 14.

Revérer. *s.* One who reveres.

When the divine revelations were committed to writing, the Jews were such scrupulous *reverers* of them, that it was the business of the Masorites, to number not only the sections and lines, but even the words and letters of the Old Testament.—*Dr. H. More, Government of the Tongue.*

Réverie. *s.* [Fr.] Loose musing; day dream.

Revery is when ideas float in our mind, without any reflection or regard of the understanding.—*Locke.*

If the minds of men were laid open, we should see but little difference between that of the wise man and that of the fool; there are infinite *reveries* and numberless extravagancies pass through both.—*Addison.*

I am really so far gone as to take pleasure in *reveries* of this kind.—*Pope.*

There is a beautiful and affecting story told of poor Chatterton. Not long before the close of his melancholy career he was wandering in this way in the churchyard of St. Pancras, in a sublime *reverie* of poetry, when he stumbled and fell into a new-made grave! His companion, as he assisted him to get out, congratulated him playfully on the 'resurrection of genius.' The poet smiled mournfully and shook his head, but from what he said, it was clear that he thought the accident prophetic. And not long afterwards he drank of the fatal cup, and added one more name to the list of martyrs.—*Hannay, Singleton Fontenoy.*

Reverie and castle-building is a kind of waking dream, and does not differ from dreaming, except by the consciousness which accompanies it. In this state, the mind abandons itself without a choice of subjects, without control over the mental train, to the involuntary associations of the imagination. The mind is thus occupied without being properly active; it is active, at least, without effort.—*Dr. Forbes Winslow, Obscure Diseases of the Brain and Mind*, ch. xii.

Revérsal. *s.* Change of sentence.

The king, in the *reversal* of the attainders of his partakers, had his will.—*Bacon, History of the Reign of Henry VII.*

Revérsal. *adj.* Implying reverse; intended to reverse.

After his death there were *reversal* letters found among his papers.—*Bishop Burnet, History of his Own Time, King Charles II.*

Revérse. *v. a.* [Fr.]

1. Turn upside down.

A pyramid *reversed* may stand upon his point, if balanced by admirable skill.—*Sir W. Temple, Miscellanies.*

2. Overturn; subvert.

These now control a wretched people's fate;
These can divide, and these *reverse* the state.
Pope, Translation of the first Book of the Thebais of Statius.

3. Turn back.

Michael's sword stay'd not;
But with swift wheel *reverse*, deep entering shared Satan's right side. *Milton, Paradise Lost*, vi. 325.

4. Contradict; repeal.

Better it was in the eye of his understanding, that sometime an erroneous sentence definitive should prevail, till the same authority, perceiving such oversight, might afterwards correct or *reverse* it, than that strifes should have respite to grow, and not come speedily unto some end.—*Hooker, Ecclesiastical Polity*, preface.

A decree was made, that they had forfeited their liberties; and albeit they made great moans, yet could they not procure this sentence to be *reversed*.—*Sir J. Hayward.*

Death, his doom which I
To mitigate thus plead, not to *reverse*,
To better life shall yield him.
Milton, Paradise Lost, xi. 40.

Though grace may have *reversed* the condemning sentence, and sealed the sinner's pardon before God, yet it may have left no transcript of that pardon in the sinner's breast.—*South, Sermons.*

Those seem to do best, who, taking useful hints from facts, carry them in their minds to be judged of by what they shall find in history to confirm or *reverse* these imperfect observations.—*Locke.*

5. Turn to the contrary.

These plain characters we rarely find,
Though strong the bent, yet quick the turns of mind;
Or puzzling contraries confound the whole,
Or affectations quite *reverse* the soul.
Pope, Moral Essays, i. 63.

6. Put each in the place of the other.

With what tyranny custom governs men! it makes that reputable in one age, which was a vice in another, and *reverses* even the distinctions of good and evil.—*Rogers.*

7. Recall; renew. *Obsolete.*

Well knowing true all he did rehearse,
And to his fresh remembrance did *reverse*
The ugly view of his deformed crimes. *Spenser.*

Revérse. *v. n.* Return.

Beene they all dead, and laid in doleful hearse?
Or doen they onely sleepe, and shall again *reverse?*
Spenser, Faerie Queene, iii. 4, 1.

Revérse. *s.*

1. Change; vicissitude.

The strange *reverse* of fate you see;
I pitied you, now you may pity me.
Dryden, Aurengzebe, ii. 1.

2. Contrary; opposite.

Count Tariff appeared the *reverse* of Goodman Fact.—*Addison.*

Revérse. *s.* [Fr. *revers.*] Side of the coin on which the head is not impressed.

As the Romans set down the image and inscription of the consul, afterward of the emperor on the one side, so they changed the *reverse*, always upon new events.—*Camden.*

Our guard upon the royal side;
On the *reverse* our beauty's pride. *Waller.*

Several *reverses* are owned to be the representations of antique figures.—*Addison, Dialogues on the Usefulness of Ancient Medals.*

Revérsedly. *adv.* In a reversed manner.

He took out of his pocket this letter, for want of a better supply of paper at hand; and on the cover of it, over the direction, which now stands among the notes, intermixed *reversedly* with them, noted from Dr. London's mouth the account which we had to communicate.—*Bishop Lowth, Life of Wykeham*, § 9.

Revérseless. *adj.* Not to be reversed; irreversible.

Even now thy lot shakes in the urn, whence fate
Throws her pale edicts in *reverseless* doom.
Seward, Sonnet.

Revérsely. *adv.* In a reverse manner; on the other hand; on the opposite.

That is properly credible which is not apparent of itself, nor certainly to be collected, either antecedently by its cause, or *reversely* by its effect, and yet, though by none of these ways, hath the attestation of a truth.—*Bishop Pearson, Exposition of the Creed*, art. i.

Revérsible. *adj.* Capable of being reversed.

If the judgement be given by him that hath authority, and it be erroneous, it was at common law *reversible* by writ of error.—*Sir M. Hale, History of the Pleas of the Crown*, ch. xxvi.

Revérsion. *s.*

1. State of being to be possessed after the death of the present possessor.

As were our England in *reversion* his,
And he our subjects' next degree in hope.
Shakespear, Richard II. i. 4.

A life in *reversion* is not half so valuable as that which may at present be entered on.—*Hammond, On Fundamentals.*

I cannot explain the present subject without mentioning that by a statute in the reign of Edward I., commonly called De Donis Conditionalibus, lands given to a man and the heirs of his body, with remainder to other persons, or *reversion* to the donor, could not be alienated by the possessor for the time being, either from his own issue or from those who were to succeed them. Such lands were also not subject to forfeiture for treason or felony; and more, perhaps, upon this account than from any more enlarged principle, these entails were not viewed with favour by the courts of justice. Several attempts were successfully made to relax their strictness; and finally, in the reign of Edward IV., it was held by the judges in the famous case of Taltarum, that a tenant in tail might, by what is called suffering a common recovery, that is, by means of a fictitious process of law, divest all those who were to come after him of their succession, and become owner of the fee simple.—*Hallam, Constitutional History of England*, ch. i.

2. Succession; right of succession.

He was very old, and had out-lived most of his friends; many persons of quality being dead, who had, for recompence of services, procured the *reversion* of his office.—*Lord Clarendon, History of the Grand Rebellion.*

Upon what ground can a man promise himself a future repentance, who cannot promise himself a futurity; whose life depends upon his breath, and is so restrained to the present, that it cannot secure to itself the *reversion* of the very next minute?—*South, Sermons.*

So many candidates there stand for wit,
A place at court is scarce so hard to get:
In vain they croud each other at the door;
For e'en *reversions* are all begg'd before.
Dryden, Epistles, To Mr. Lee, 17.

Fame's a *reversion* in which men take place,
O late *reversion!* at their own decease.
Young, Love of Fame, iv. 213.

Revérsionary. *adj.* Be enjoyed in succession.

There are multitudes of *reversionary* patents and *reversionary* promises of preferments.—*Arbuthnot.*

Revérsioner. *s.* One who has a reversion.

A scire facias brought against Mr. Ware would presently vacate his patent; but then there will be a clamour, in regard the office will not fall to the king, but to the *reversioner.*—*Henry Lord Clarendon, Letters*: 1686.

Revért. *v. a.* [Lat. *reverto.*]

1. Change; turn to the contrary.

Wretched her subjects, gloomy sits the queen,
Till happy chance *revert* the cruel scene;
And apish folly, with her wild resort
Of wit and jest, disturbs the solemn court. *Prior.*

2. Reverberate.

The trembling stream ... boils
Around the stone, or from the hollow'd bank
Reverted plays in undulating flow.
Thomson, Seasons, Spring, 402.

Revért. *v. n.* Return; fall back.

My arrows,
Too slightly timbred for so loud a wind,
Would have *reverted* to my bow again.
Shakespear, Hamlet, iv. 7.

If his tenant and patentee shall dispose of his gift without his kingly assent, the lands shall *revert* to the king.—*Bacon.*

It is possible ... that benefices may in some instances have been granted for a term of years. ... Their ordinary duration, however, was at least the life of the possessor, after which they *reverted* to the fisc.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ii.

Revért. *s.* In *Music.* Return; recurrence. *Obsolete.*

Hath not musick her figures the same with rhetorick? what is a *revert* but her antistrophe?—*Peacham, On Musick.*

Revértive. *adj.* Changing; turning to the contrary.

He taught
Why now the mighty mass of water swells
Resistless, heaving on the broken rocks,
And the full river turning, till again
The tide *revertive*, unattracted, leaves
A yellow waste of idle sands behind.
Thomson, On Sir Isaac Newton.

Revést. *v. a.* [N.Fr. *revestir, revêtir*; Lat. *revestio.*]

1. Clothe again.

Her, natheless,
The enchanter finding fit for his intents,
Did thus *revest*, and deckt with due habiliments.
Spenser, Faerie Queen.

When thou of life renewest the seeds,
The withered fields *revest* their chearful weeds.
Sir H. Wotton

2. Reinvest; vest again in a possession or office.

Revéstiary. *s.* Place where dresses are reposited.

The effectual power of words the Pythagoreans extolled; the impious Jews ascribed all miracles to a name which was ingraved in the *revestiary* of the temple.—*Camden, Remains.*

Revéstry. *s.* Vestry. *Obsolete.*

A gentleman, called Maister Thomas Hussey of Lincolnshire, which was once an officer in the Duke of Norfolk's house, did come into the *revestrie* to inquire for one Stoning.—*Fox, Acts and Monuments of the Church*, fol. 1461, *Queen Mary.* (Rich.)

Revésture. *s.* Vesture. *Rare.*

The aultars of this ch..pell were hanged with riche *revestures* of clothe of gold of tissue, embroudered with pearles.—*Hall*, 12 *Henry VIII.* fol. 74. (Rich.)

Revíction. *s.* [Lat. *vivo* = I live.] Return to life.

Do we live to see a *reviction* of the old Sadducism, so long since dead and forgotten?—*Bishop Hall, Great Mystery of Godliness*, § 9.

If the Rabbins' prophecy succeed, we shall conclude the days of the phenix, not in its own, but in the last and general flames, without all hope of *reviction.*—*Sir T. Browne.*

Revíctual. *v. a.* Stock with victuals again.

It hath been objected, that I put into Ireland, and spent much time there, taking care to *revictual* myself, and none of the rest.—*Sir W. Raleigh, Apology.*

Revíe. *v. a.* At *cards*, to revie is to meet

your opponent when he vies, which is when he backs a certain card at a certain sum, by backing your own at a higher.

What shall we play for?—One shilling stake, and three rest. I vye it; will you hould it?—Yes, sir, I hould it, and *revye* it.—*Florio, Secret Frutes*: 1591.

Here's a trick vied and *revied*.—*B. Jonson, Every Man in his Humour.*

Reviéw. *v. a.*

1. Look back.
2. See again.

I shall *review* Sicilia; for whose sight
I have a woman's longing.
Shakespear, Winter's Tale, iv. 3.

3. Consider over again; re-examine.

Segrais says, that the Æneis is an imperfect work, and that death prevented the divine poet from *reviewing* it; and, for that reason, he had condemned it to the fire.—*Dryden.*

4. Retrace.

Shall I the long laborious scene *review*,
And open all the wounds of Greece anew?
Pope, Translation of the Odyssey, iii. 127.

5. Survey; overlook; examine.

Reviéw. *s.*

1. Survey; re-examination.

He with great indifference considered his *reviews* and subsequent editions.—*Bishop Fell, Life of Hammond.*

We make a general *review* of the whole work, and a general *review* of nature; that, by comparing them, their full correspondency may appear.—*T. Burnet, Theory of the Earth.*

The works of nature will bear a thousand views and *reviews*; the more narrowly we look into them, the more occasion we shall have to admire.—*Bishop Atterbury, Sermons.*

2. Periodical publication, giving an analysis of books, a character of them, and remarks upon them: (the 'Monthly *Review*' was the earliest of the name).

Weekly memorials; or, an account of books lately set forth, &c, Jan. 1688-9: this is the earliest specimen of an English *review*.—*Nichols, Literary Anecdotes*, iv. 73.

The king asked him [Dr. Johnson] if there were any other literary journals published in this kingdom, except the Monthly and Critical *Reviews*; and on being answered there were no other [viz. in 1767] his majesty asked him which of them was the best.—*Conversation in Boswell's Life of Johnson.*

At the time that celebrated work appeared (which was before Singleton's day), the 'Pimlico *Review*' was in all its glory. The 'Pimlico *Review*' had been started originally to support the Church (which it did in a most unchristian style), and to maintain the cause of aristocracy, which it did by employing the language of Billingsgate. Dr. Helot having, unhappily, a leaning towards Whiggism, the Pimlico *Reviewers* found out that he knew no Greek, and, in fact, massacred the work with the most unscrupulous ferocity.—*Hannay, Singleton Fontenoy*, b. i. ch. viii.

(See also under Reviewing.)

3. Inspection of soldiers, assembled for examination as to their appearance and skill.

She sees him now in sash and solitaire
March in *review* with Milo's strut and stare.
Neville, Imitation of Juvenal, p. 70: 1769.

Reviéwer. *s.* One who reviews.

a. As an examiner.

This rubrick, being the same that we have in king Edward's second Common Prayer Book, may perhaps have slipt into the present book through the inadvertency of the *reviewers*, who might not probably just then consider, that custom had shifted the place for the performance of the daily service into another part of the church.—*Wheatly, Rational Illustration of the Book of Common Prayer*, ch. ii.

b. As a writer in a review.

The Critical *reviewers*, I believe, often review without reading the books through; but lay hold of a topick, and write chiefly from their own minds. The Monthly *reviewers* are duller men, and are glad to read the books through.—*Johnson*, in *Boswell's Life*, 1776.

I hate his review, and his being a *reviewer*.—*C. Lamb, Letter to Bernard Barton.*

(See also under Reviewing.)

Reviéwing. *part. adj.*

1. Inspecting.

The *reviewing* generals, who inspect the army twice a year, have been selected with the greatest care, and have answered the important trust reposed in them in the most laudable manner.—*Sir W. Draper*, in *Letters of Junius*, letter ii.

The reports of *reviewing* generals comprehend only a few regiments in England, which, as they are immediately under the royal inspection, are perhaps in some tolerable order.—*Ibid.* letter iii.

2. Looking back.

So swift he flies, that his *reviewing* eye
Has lost the chasers, and his ear the cry.
Sir J. Denham, Cooper's Hill.

Reviéwing. *verbal abs.* System of reviews; business of a reviewer.

Is not the diseased self-conscious state of Literature disclosed in this one fact, which lies so near us here, the prevalence of *reviewing*? . . . Your *reviewer* is a mere taster, who tastes, and says by the evidence of such palate, such tongue, as he has got, it is good, it is bad. . . . Far be it from us to disparage our own craft, whereby we have our living, only we must note these things; that *reviewing* spreads with strange vigour; that such a man as Byron reckons the *reviewer* and the poet equal; that at the last Leipzig fair, there was advertised a *review* of *reviews*. By and by it will be found that all literature has become one boundless self-devouring *review*.—*Carlyle, Critical and Miscellaneous Essays, Characteristics.*

Revíle. *v. a.* Reproach; vilify; treat with contumely.

Asked for their pass by every squib,
That list at will them to *revile* or snib. *Spenser.*

I read in's looks
Matter against me; and his eye *reviled*
Me, as his abject object.
Shakespear, Henry VIII. i. 1.

She still beareth him an invincible hatred, *revileth* him to his face, and raileth at him in all companies.—*Swift.*

Revíle. *s.* Reproach; contumely; exprobration. *Rare.*

I heard thee in the garden, and of thy voice
Afraid, being naked, hid myself: . . . to whom
The gracious judge, without *revile*, replied.
Milton, Paradise Lost, x. 116.

I have gained a name bestuck, or, as I may say, bedecked with the reproaches and *reviles* of this modest confuter.—*Id., Apology for Smectymnuus.*

Revílement. *s.* Reproach; contumelious language.

Scorns, and *revilements*, that bold and profane wretches have cast upon him.—*Dr. H. More, Mystery of Godliness*, p. 217.

Revíler. *s.* One who reviles; one who treats another with contumelious terms.

We all know, that in private or personal injuries, yea in publick sufferings for the cause of Christ, his rule and example teaches us to be so far from a readiness to speak evil, as not to answer the *reviler* in his language, though never so much provoked.—*Milton, Apology for Smectymnuus*, preface.

The bitterest *revilers* are often half-witted people.—*Dr. H. More, Government of the Tongue.*

Revíling. *verbal abs.* Act of reproaching; act of using contumelious language.

Fear not the reproach of men, neither be afraid of their *revilings*.—*Isaiah*, li. 7.

The strife of the proud is blood-shedding; and their *revilings* are grievous to the ear.—*Ecclesiasticus*, xxvii. 15.

He will have thee ready to endure persecutions, *revilings*, and all manner of slanders, not only patiently, but also cheerfully, for the truth's sake.—*South, Sermons*, iii. 165.

Revílingly. *adv.* In a reviling manner; with contumely.

The love I bear to the civility of expression will not suffer me to be *revilingly* broad.—*Maine.*

Revínce. *v. a.* Prove. *Latinism, rare.*

Which being done, when he should see his errour by manifest and sound testimonies of Scripture *revinced*, Luther should finde no favour at his hands.—*Fox, Actes and Monuments of the Church*, fol. 775. *Henry VIII.* (Rich.)

Revirescence. *s.* [Lat. *viresco* = I begin to grow green; *viridis* = green.] Growing green (young) again.

A serpent represented the divine nature on account of its great vigour and spirit, its long age and *revirescence*.—*Bishop Warburton, Divine Legation*, b. iv. § iv. (Rich.)

Revísal. *s.* Review; re-examination.

The *revisal* of these letters has been a kind of examination of conscience to me; so fairly and faithfully have I set down in them the undisguised state of the mind.—*Pope.*

Revíse. *v. a.* [Lat. *revisus.*] Review; overlook.

Lintot, dull rogue, will think your price too much.—
Not, sir, if you *revise* it, and retouch.
Pope, Epistle to Arbuthnot.

Revíse. *s.*

1. Review; re-examination.

The author is to be excused, who never, in regard to his eyes and other impediments, gives himself the trouble of corrections and *revises*.—*Boyle.*

2. In *Printing.* Proof of a corrected sheet.

His sending them sheet by sheet when printed, and surveying the *revises*.—*Bishop Fell, Life of Hammond.*

Revíser. *s.* [Fr. *réviseur.*] One who revises; examiner; superintendant.

The author, publisher, or *reviser* of that volume.—*Bishop Kennet, Letter to Hearne.*

The *revisers* of this version, seemingly aware of this impropriety, have put into the margin, Then began, &c.—*Pilkington, Remarks upon several Passages of Scripture*, p. 188.

Revísion. *s.* Re-examination for the purpose of further correction.

I am persuaded the stops have been misplaced in the Hebrew manuscripts, by the Jewish critics, upon the last *revision* of the text.—*Bishop Horsley, Sermons*, vol. i. (Rich.)

Revísit. *v. a.* [Fr. *revisiter*; Lat. *revisito.*]

1. Visit again.

Thee I *revisit* safe,
And feel thy sovran vital lamp; but thou
Revisit'st not these eyes, that roll in vain,
To find thy piercing ray, and find no dawn.
Milton, Paradise Lost, iii. 21.

Let the pale sire *revisit* Thebes, and bear
These pleasing orders to the tyrant's ear.
Pope, Translation of the first Book of the Thebais of Statius.

2. Revise; review.

They [laws] may hereafter be not only better executed, but also, if the case so require, be *revisited*.—*Abstract of Acts, Canons, &c.* temp. *Queen Elizabeth*, preface.

Revívalist. *s.* One who promotes or partakes in religious revivals.

Revíval. *s.*

1. Recall from a state of languor, oblivion, or obscurity; recall to life.

The *revival* of learning in most countries appears to have owed its first rise to translations.—*T. Warton.*

2. Religious demonstration to indicate the renewal of a subsiding zeal.

Revíve. *v. n.* [Fr. *revivre*; Lat. *revivo.*]

1. Return to life.

The Lord heard the voice of Elijah, and the soul of the child came into him again, and he *revived*.—1 *Kings*, xvii. 22.

So he dies;
But soon *revives*: death over him no power
Shall long usurp. *Milton, Paradise Lost*, xii. 419.

2. Return to vigour or fame; rise from languor, oblivion, or obscurity.

I *revive*
At this last sight, assured that man shall live.
Milton, Paradise Lost, xi. 871.

Revíve. *v. a.*

1. Bring to life again.

Spot more delicious than those gardens feign'd
Or *revived* Adonis. *Milton, Paradise Lost*, ix. 439.

Those bodies, by reason of whose mortality we died, shall be *revived*.—*Bishop Pearson, Exposition of the Creed*, art. xi.

2. Raise from languor, insensibility, or oblivion.

Noise of arms, or view of martial guise,
Might not *revive* desire of knightly exercise.
Spenser.

3. Renew; recollect; bring back to the memory.

The memory is the power to *revive* again in our minds those ideas, which after imprinting have been laid aside out of sight.—*Locke.*

The mind has a power in many cases to *revive* perceptions, which it has once had.—*Id.*

4. Quicken; rouse.

I should *revive* the soldiers' hearts;
Because I ever found them as myself.
Shakespear, Henry VI. Part I. iii. 2.

Old Egeus only could *revive* his son,
Who various changes of the world had known.
Dryden, Palamon and Arcite, iii. 877.

5. Recomfort; restore to hope.

Wilt thou draw out thy anger to all generations? Wilt thou not *revive* us again, that thy people may rejoice in thee?—*Psalms*, lxxxv. 6.

6. Bring again into notice.

He'll use me as he does my betters,
Publish my life, my will, my letters,
Revive the libels born to die,
Which Pope must bear as well as I.
Swift, On the Death of Dr. Swift.

7. In *Chemistry.* Recover from a mixed state.

Revíver. *s.*

1. That which invigorates or revives.

Now, Mr. Tapley,' said Mark, giving himself a tremendous blow in the chest by way of *reviver*, 'just you attend to what I've got to say.'—*Dickens, Martin Chuzzlewit*, ch. xxiii.

2. One who brings again into notice, or redeems from neglect.

The authors or late *revivers* of all these sects or opinions were learned.—*Milton, Of True Religion, Heresy, &c.*

He [bishop Wilkins] was the principal *reviver* of experimental philosophy at Oxford.—*Aubrey, Anecdotes*, ii. 583.

If not the creator of Arthur and his Knights of the Round Table, Geoffrey [of Monmouth] was their *reviver* from almost universal oblivion to sudden and universal notoriety; his book, published probably about 1128, and dedicated to the same Earl of Gloucester whom Malmesbury chose for his patron, obtained immediately the most wonderful currency and acceptance; and from the date of its appearance we find a new inspiration, derived from its pages, pervading the popular literature of Europe.—*Craik, History of English Literature*, vol. i. p. 85.

Revívement. *s.* Revivification. *Rare.*

We have the sacred Scriptures, our blessed Saviour, his apostles, and the purer primitive times, and the late Reformation, or *revivement* rather, all on our side.—*Felltham, Letters*, letter xvii. (Ord MS.)

Revíving. *verbal abs.* Act of recomforting or restoring to hope.

God ... lighten our eyes, and give us a little *reviving* in our bondage.—*Ezra*, ix. 8.

They who are too scrupulous, and dejected of spirit, might be often strengthened with wise consolations and *revivings*.—*Milton, Apology for Smectymnuus*, § 1.

Revívificate. *v. a.* Recall to life.

Revivificátion. *s.* Act of recalling to life.

The resurrection or *revivification* (for the word signifies no more than so) is common to both.—*Dr. H. More, Mystery of Godliness*, p. 225: 1663.

As long as an infant is in the womb of its parent so long are these medicines of *revivification* in preparing.—*Spectator.*

Coleridge says it was evident from his letters that Luther had great irritability of the nervous system, the common effect of indigestion in men of sedentary habits, who are at the same time intense thinkers, and this irritability, added to a *revivification* of the impressions made upon him in early life, and fostered by the theological system of his manhood, is abundantly sufficient to explain all his apparitions and nightly combats with evil spirits.—*Dr. Forbes Winslow, Obscure Diseases of the Brain and Mind*, ch. vi.

Revívify. *v. a.* Recall to life.

That the gross matter which they saw, laid in the grave and turned to corruption, or burnt into ashes and blown away by the air, should ever be raised, or collected again, and *revivified*; of this the most speculative among them had no conception.—*Stackhouse, History of the Bible*, p. xii.

Reviviscence. *s.* Renewal of life; renewal of existence.

Neither will the life of the soul alone continuing amount to the *reviviscence* of the whole man.—*Bishop Pearson, Exposition of the Creed*, art. xi.

Scripture makes mention of a restitution and *reviviscency* of all things at the end of the world.—*Burnet.*

The stoicks asserted a conflagration and *revivis-cence* of the world.—*Whitby, On the New Testament*, vol. i. p. 725.

There is a constant round of things; a death, and *reviviscence* in nature.—*Ellis, Knowledge of Divine Things*, p. 347.

Reviviscency. *s.* Reviviscence.

The same articles of religion, with some alterations, in the *reviviscency* of the Reformation, in the days of queen Elizabeth, were again ratified by the authority of the queen, and of the clergy.—*Bishop Pearson, No Necessity of Reforming the Church of England*, p. 20: 1660.

Reviviscent. *adj.* Having a tendency to revive. *Rare.*

The poet, accordingly, begins with representing the *reviviscent* plants emerging, as soon as genial showers have softened the ground, in numbers beyond the power of botanists to reckon up their tribes.—*Aikin, Essay on Thomson's Seasons.* (Ord MS.)

Révocable. *adj.* [Lat. *revocabilis.*] Capable of being recalled or repealed.

Howsoever you shew bitterness, do not act any thing that is not *revocable*.—*Bacon, Essays.*

If that were not performed, the covenant became broke and *revocable*.—*Milton, Colasterion.*

It is certainly true that the Lombard laws ... and the general tenour of ancient records ... oppose benefices to propriety; but it does not follow that the former were *revocable* at pleasure.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ii.

Révocate. *v.-a.* Recall; call back.

His successor, by order, nullifies
Many his patents, and did *revocate*
And reassume his liberalities.
Daniel, Civil Wars of York and Lancaster.

Revocátion. *s.* [Fr.; Lat. *revocatio, -onis.*]

1. Act of recalling.

One that saw the people bent for the *revocation* of Calvin, gave him notice of their affection.—*Hooker, Ecclesiastical Polity.*

2. State of being recalled.

Elaiana's king commanded Chenandra to tell him that he had received advice of his *revocation*.—*Howell, Vocall Forrest.*

3. Repeal; reversal.

A law may cease to be in force, without an express *revocation* of the lawgiver.—*White.*

If a grievance be inflicted on a person, he may appeal; it is not necessary to pray a *revocation* of such a grievance.—*Ayliffe, Parergon Juris Canonici.*

Revócatory. *adj.* Revoking; recalling.

He granted writs to both parties, with *revocatory* letters one upon another, sometimes to the number of six or seven.—*World of Wonders*, p. 137: 1608.

Revóke. *v. a.* [Fr. *révoquer*; Lat. *revoco.*]

1. Repeal; reverse.

What reason is there, but that those grants and privileges should be *revoked*, or reduced to the first intention?—*Spenser.*

When we abrogate a law as being ill made, the whole cause for which it was made still remaining, do we not herein *revoke* our very own deed, and upbraid ourselves with folly, yea, all that were makers of it with oversight and error?—*Hooker, Ecclesiastical Polity.*

Without my Aurengzebe I cannot live;
Revoke his doom, or else my sentence give.
Dryden, Aurengzebe, iii. 1.

2. Check; repress.

She strove their sudden rages to *revoke*,
That at the last suppressing fury mad,
They 'gan abstain. *Spenser.*

3. Draw back.

Shame were to *revoke*,
The forward footing for an hidden shade. *Spenser.*
Seas are troubled, when they do *revoke*
Their flowing waves into themselves again.
Sir J. Davies.

Revóke. *s.* In *Whist.* Act of renouncing at cards.

Revókement. *s.* Revocation; repeal; recall. *Rare.*

Let it be noised,
That through our intercession, this *revokement*
And pardon comes. *Shakespear, Henry VIII.* i. 2.

Revólt. *v. n.* [Fr. *révolter*; Ital. *rivoltare.*]

1. Fall off from one another.

This people hath a *revolting* and a rebellious heart.—*Jeremiah*, v. 23.

All will *revolt* from me and turn to him.
Shakespear, Henry VI. Part III. i. 1.

Our discontented counties do *revolt*,
Our people quarrel with obedience.
Id., King John, v. 1.

2. Change. *Rare.*

You are already love's firm votary,
And cannot soon *revolt* and change your mind.
Shakespear, Two Gentlemen of Verona, iii. 2.

Revólt. *v. a.* Turn back.

As a thunderbolt
Perceth the yielding ayre, and doth displace
The soring clouds into sad showres ymolt:
So to her yold the flames, and did their force *revolt*.
Spenser, Faerie Queen, iii. 11, 25.

So bold an assertion hath *revolted* the more experienced criticks.—*Bishop Warburton, Sermons*, xxi. n.

This abominable medley is made rather to *revolt* young and ingenuous minds.—*Burke, Letter on a Regicide Peace.*

The Calasseros, obstinate as their mules, accord to you in nothing, but in admitting indiscriminately a load of baggage that would almost *revolt* a waggon; and this is indispensable, as you must carry beds, provisions, cooking vessels.—*Cumberland, Memoirs of Himself.*

Revólt. *s.*

1. Desertion; change of sides.

He was greatly strengthened, and the enemy as much enfeebled by daily *revolts*.—*Sir W. Raleigh, History of the World.*

If all our levies are made in Scotland or Ireland, may not these two parts of the monarchy be too powerful for the rest in case of a *revolt*?—*Addison, State of the War.*

2. Revolter; one who changes sides. *Rare.*

You ingrate *revolts*,
You bloody Neros, ripping up the womb
Of your dear mother England.
Shakespear, King John, v. 2.

3. Gross departure from duty.

Your daughter hath made a gross *revolt*;
Tying her duty, beauty, wit, and fortunes
To an extravagant and wheeling stranger.
Shakespear, Othello, i. 1.

Revólted. *part. adj.* Having swerved from duty.

Thou single hast maintain'd
Against *revolted* multitudes the cause
Of truth. *Milton, Paradise Lost*, vi. 30.

Germany assented to his just revenge against his *revolted* son Conrad.—*Milman, History of Latin Christianity*, b. viii. ch. i.

Revólter. *s.* One who revolts; who changes sides; deserter; renegade.

Fair honour that thou dost thy God, in trusting
He will accept thee to defend his cause,
A murderer, a *revolter*, and a robber.
Milton, Samson Agonistes, 1178.

He was not a *revolter* from the truth, which he had once embraced.—*Bishop Atterbury, Sermons.*

Those who are negligent or *revolters* shall perish.—*Swift.*

Révoluble. *adj.* Capable of revolving.

Us, then, to whom the thrice three year
Has filled his *revoluble* orbs, since our arrival here
I blame not to wish home much more.
Chapman, Translation of the Iliad, b. ii. (Rich.)

Revolútion. *s.* [Fr.]

1. Course of anything which returns to the point at which it began to move.

They will be taught the diurnal *revolution* of the heavens.—*Watts.*

2. Space measured by some revolution.

At certain *revolutions* all the damn'd
Are brought, and feel by turns the bitter change.
Milton, Paradise Lost, ii. 597.

Meteors have no more time allowed them for their mounting, than the short *revolution* of a day.—*Dryden.*

The Persian wept over his army, that within the *revolution* of a single age, not a man would be left alive.—*Archbishop Wake.*

3. Rotation; circular motion.

On their orbs impose
Such restless *revolution*, day by day
Repeated. *Milton, Paradise Lost*, viii. 30.

4. Motion backward.

Fear
Comes thundering back with dreadful *revolution*
On my defenceless head.
Milton, Paradise Lost, x. 813.

5. Change in the state of a government or country: (it is used among us κατ' ἐξόχην, for the change produced by the admission of king William and queen Mary).

The late *revolution*, justified by its necessity and the good it had produced, will be a lasting answer.—*Davenant.*

Used *adjectivally.*

She shewed her zeal for *revolution* principles.—*Addison, Freeholder*, no. 53. (Ord MS.)

The election generally fell upon men of *revolution* principles.—*Smollett, History of England*, i. 303. (Ord MS.)

6. Change or alteration of system.

The ability, the industry, and the strict uprightness of the great philosopher speedily produced a complete *revolution* throughout the department which was under his direction.—*Macaulay, History of England*, ch. xxii.

Revolútionary. *adj.* Originating in a revolution: (a word formed from the French democratical revolution, and usually coupled with the most execrable actions).

The form of that monster in politics, of which, as the very notion involves a contradiction of ideas, the name cannot be expressed without a contradiction in terms, 'a *revolutionary* government!'—*Lord Mornington, Speech in the House of Commons*: 1794.

Everything we hear from them [the French] is new, and, to use a phrase of their own, *revolutionary*; everything supposes a total revolution in all the principles of reason, prudence, and moral feeling.—*Burke, Letter on a Regicide Peace.*

Revolútioner. *s.* Revolutionist.

The people were divided into three parties, namely, the Williamites, the jacobites, and the discontented *revolutioners*.—*Smollett, History of England*, b. i. ch. iv. (Ord MS.)

Revolútionist. *s.* Favourer of a revolution or of revolutions in general.

If all *revolutionists* were not proof against all caution, I should recommend it to their consideration, that no persons were ever known in history, either sacred or profane, to vex the sepulchre.—*Burke.*

The first *revolutionists* of Holland incurred the contemptuous name of 'Les Gueux,' or the Beggars.—*I. Disraeli, Curiosities of Literature, Political Nicknames.*

Revólutive. *adj.* Rolling, turning back; reverting; recurring: (in extract, ? active, *i.e.* turning over).

Thus from being a most pure, omnipotent, and incomprehensible spiritual essence, (and by being so concerned with the inquisitive and *revolutive* soul of man) he is hereby degraded, and brought down into the scale of the sinful, weak, corruptible creature.—*Felltham, Letters*, letter xvii. (Ord MS.)

Revólve. *v. n.* [Lat. *revolvo.*]

1. Roll in a circle; perform a revolution.

They do not *revolve* about any common centre.—*Cheyne.*

If the earth *revolve* thus, each house near the equator must move a thousand miles an hour.—*Watts, Improvement of the Mind.*

2. Fall back; return.

To terms of this height he *revolved*: and of the same complexion are his letters to your majesty.—*Sir H. Wotton, Remains*, p. 291.

On the desertion of an appeal, the jurisdiction does, ipso jure, *revolve* to the judge a quo.—*Ayliffe, Parergon Juris Canonici.*

Revólve. *v. a.*

1. Roll anything round.

Then in the East her turn she shines,
Revolved on heaven's great axis.
Milton, Paradise Lost, vii. 381.

2. Consider; meditate on.

You may *revolve* what tales I told you,
Of courts, of princes, of the tricks of war.
Shakespear, Cymbeline, iii. 3.

Revólvency. *s.* Constant revolution.

Its own *revolvency* upholds the world.
Cowper, Task.

Revólver. *s.* Fire-arm, generally pistol, with a revolving lock or barrel.

After the delivery of this caution, Mr. Chollop departed; with Ripper, Tickler, and the *revolvers*, all ready for action on the shortest notice.—*Dickens, Martin Chuzzlewit*, ch. xxxiii.

Revólving. *part. adj.* Rolling; turning round.

Each *revolving* year,
The teeming ewes a triple offspring bear. *Pope.*

He usually carried a brace of *revolving* pistols in his coat pocket, with seven barrels a-piece.—*Dickens, Martin Chuzzlewit*, ch. xxxiii.

Revómit. *v. a.* Vomit; vomit again.

They might cast it up, and take more vomiting and *revomiting* what they drink.—*Hakewill, Apology.*

Revúlse, *v. a.* [Lat. *revulsus*, pass. part. of *revello* (*vello* = I pull, pluck, tear, rip); *revulsio, -onis.*] Pluck; pull back; affect by revulsion. *Rare.*

Nothing is so effectual as frequent vomits to withdraw and *revulse* the peccant humours from the relaxed bowels.—*Cheyne, Natural Method.* (Ord MS.)

Revúlsion. *s.*

1. Act of revelling or drawing humours from a remote part of the body.

There is a way of *revulsion* to let blood in an adverse part.—*Bacon, Natural and Experimental History.*

I had heard of some strange cures of frenzies, by casual applications of fire to the lower parts, which seems reasonable enough, by the violent *revulsion* it may make of humours from the head.—*Sir W. Temple, Miscellanies.*

Derivation differs from *revulsion* only in the measure of the distance, and the force of medicines used: if we draw it to some very remote or contrary part, we call it *revulsion*; if only to some neighbouring place, and by gentle means, we call it derivation.—*Wiseman, Surgery.*

To denote the mode of cure, by stimulating distant parts, the terms counter-irritation, derivation, and *revulsion*, are employed.—*Sir T. Watson, Lectures on the Principles and Practice of Medicine*, lect. x.

2. Act of withholding or drawing back.

There is no excuse to forget what every thing prompts unto us.... To run on in despite of the *revulsions* and pullbacks of such remoras, aggravates our transgressions.—*Sir T. Browne, Christian Morals*, iii. 10.

Revúlsive. *s.*

1. Revulsion, in its medical sense.

His flux of blood breaking forth again with greater violence than it had done before, was not to be stopped by outward applications, nor the *revulsives* of any kind, not of its own, the opening of a vein, first in the arm, and after in the foot.—*Bishop Fell, Life of Hammond*, § 3.

2. That which has the power of subducting or withdrawing.

The most powerful *revulsive* of his danger.—*Dr. H. More, Decay of Christian Piety*, p. 263.

In his sicknesses he never intermitted study, but rather reinforced it then as the most appropriate *revulsive* and diversion of pain.—*Bishop Fell, Life of Hammond*, § 2.

Revúlsive. *adj.* Having the power of revulsion.

Revýing. *verbal abs.* Capping, by a higher stake, an opponent who vies. See Revie and Vie.

We must not permit vying and *revying* upon one another.—*Chief Justice, in the Trial of the Seven Bishops.*

Rew. *s.* [A.S. *ræwa*; German, *reihe.*] Row: (the *latter* being now the *commoner* form).

The goddesse with her crew, ...
Sitting beside a fountaine in a *rew.*
Spenser, Faerie Queen.

Réwy. *adj.* Run in rews or wrinkles.

From whence come these inconveniences, that the cloth which is made of such disproportioned stuffe doth render it uneven, cockly, pursy, and *rewy.*—*Golden Fleece*: 1657. (Nares by H. and W.)

Reward. *v. a.*

1. Give in return.

Thou hast *rewarded* me good, whereas I have *rewarded* thee evil.—1 *Samuel*, xxiv. 17.

They *rewarded* me evil for good.—*Psalms*, xxv. 12.

2. Repay; recompense for something good.

God *rewards* those that have made use of the single talent, that lowest proportion of grace, which he is pleased to give; and the method of his rewarding is by giving them more grace.—*Hammond.*

To judge the unfaithful dead, but to *reward*
His faithful, and receive them into bliss.
Milton, Paradise Lost, xii. 461.

There is no more reason to *reward* a man for believing that four is more than three, than for being hungry or sleepy; because these things do not proceed from choice, but from natural necessity. A man must do so, nor can he do otherwise.—*Bishop Wilkins.*

This munificence on the part of a prince who was little in the habit of *rewarding* literary merit, and whose whole soul was devoted to the interests of his church, raises in us a surmise which Mr. Leigh Hunt will, we fear, pronounce very uncharitable.—*Macaulay, Critical and Historical Essays, Comic Dramatists of the Restoration.*

Reward. *s.*

1. Recompense given for good performed.

Rewards and punishments do always presuppose something willingly done well or ill; without which respect, though we may sometimes revive good, yet then it is only a benefit, and not a *reward.*—*Hooker, Ecclesiastical Polity.*

To myself I owe this due regard,
Not to make love my gift, but my *reward.*
Dryden, Indian Emperor, i. 2.

Men have consented to the immortality of the soul and the recompenses of another world, promising to themselves some *rewards* of virtue after this life.—*Archbishop Tillotson.*

2. It is sometimes used with a mixture of irony, for punishment or recompense of evil.

What *reward* shall be given or done unto thee, thou false tongue? even mighty and sharp arrows, with hot burning coals.—*Book of Common Prayer, Psalms*, cxx. 3.

Rewárdable. *adj.* Capable of being rewarded; worthy of reward.

Men's actions are judged, whether in their own nature *rewardable* or punishable.—*Hooker, Ecclesiastical Polity.*

The action that is but indifferent, and without reward, if done only upon our own choice, is an act of religion, and *rewardable* by God, if done in obedience to our superiors.—*Jeremy Taylor, Rule and Exercise of Holy Living.*

Rewárdableness. *s.* Attribute suggested by Rewardable; worthiness of reward.

What can be the praise or *rewardableness* of doing that which a man cannot chuse but do?—*Goodman, Winter Evening Conference*, pt. ii.

Rewárder. *s.* One who, that which, rewards; one who recompenses.

A liberal *rewarder* of his friends.
Shakespear, Richard III. i. 3.

As the Supreme Being is the only proper judge of our perfections, so is he the only fit *rewarder* of them.—*Addison.*

Ill judges, as well as *rewarders*, have popular assemblies been, of those who best deserved from them.—*Swift.*

Rewórd. *v. a.* Repeat in the same words.

Bring me to the test,
And I the matter will *reword*; which madness
Would gambol from. *Shakespear, Hamlet*, iii. 4.

Rex, in *Play Rex.* Act the king (Lat. *rex* = king).

As those that in their porter's strength
Reposed all their trust;
With these did Hercules *play rex*,
And, leaving Dis for dead,
Not one escapes his deadly hand
That dares to shew his head.
Warner, Albion's England, b. i. ch. vi.
(Nares by H. and W.)

Rhabárbarate. *adj.* [see Rhubarb.] Impregnated or tinctured with rhubarb.

The salt humours must be evacuated by the sennate, *rhabarbarate*, and sweet manna purgers, with acids added, or the purging waters.—*Sir J. Floyer, Preternatural State of the animal Humours.*

Rhabdólogy. *s.* [Gr. ῥάβδος = staff + λόγος = word, principle, calculation.] See extract.

Rhabdology ... in arithmetic [is] a name sometimes given to the method of performing the two most difficult and operose rules, viz. multiplication and division, by the two easiest, viz. addition and subtraction, by means of two little rods or laminæ, on which are inscribed the simple numbers, and which are to be shifted according to certain rules. These rods are what we popularly call Napier's bones, from their inventor, a Scottish baron, who likewise invented logarithms.—*Rees, Cyclopædia.*

Rhábdomancy. *s.* [Gr. ῥάβδος = staff + μαντεία = prophecy.] Divination by means of a staff or wand.

Of peculiar *rhabdomancy* is that which is used in mineral discoveries with a forked hazel, commonly called Moses's rod, which, freely held forth, will stir and play if any mine be under it.—*Sir T. Browne, Vulgar Errours.*

St. Jerome makes mention of this kind of divination in his commentary on Hosea, iv. 12. The same he finds again in Ezekiel, xxi. 21, 22. If it be the same kind of divination that is mentioned in the two passages, *rhabdomancy* must have been also the same superstition with belomancy [divination by arrows].... This however is certain; the instruments of divination mentioned by Hosea are different from those of Ezekiel.—*Rees, Cyclopædia.*

We find *rabdomancy* (sic) a popular form of divination among the Greeks, and also among the Romans.... According to Vetranius Maurus, Varro left a satire on the 'Virgula divina.'... Tacitus tells us that the Germans practised some sort of divination by means of rods.... The fourteenth laws of the Frisons ordered that the discovery of murders should be made by means of divining rods used in church.... Basil Valentine ... says that there are seven names by which this rod is known.... The names are Divine Rod, Shining Rod, Leaping Rod, Transcendent Rod, Trembling Rod, Dipping Rod, Superior Rod.—*Baring-Gould, Curious Myths of the Middle Ages, First Series, The Divining Rod.*

Rhadamántine. *adj.* Just, severe, as a judgment of Rhadamanthus, one of the three judges of Hades.

If you are guilty or suspected of guilt, it will go ill with you here. Francia's arrest, carried by a grenadier, arrives; you are in strait prison; you are in Francia's bodily presence; those sharp St. Dominic eyes, that diabolic intellect, prying into you, probing, cross-questioning you, till the secret cannot be hid; till the three ball-cartridges are handed to a sentry;—and your doom is *Rhadamantine.*—*Carlyle, Critical and Miscellaneous Essays, Dr. Francia.*

Rhapsóde. *s.* [Gr. ῥαψῳδός.] Rhapsodist.

From the remarkable description given by Herodotus of the expulsion of the *rhapsodes* from Sicyon by the despot Cleisthenès in the time of Solon (about B.C. 580), we may form a probable judgment that the Thebais and the Epigoni were then *rhapsodized* at Sicyon as Homeric productions. ... Taking in conjunction all the points of this very curious tale, I venture to think that the *rhapsodes* incurred the displeasure of Cleisthenès by reciting, not the Homeric Iliad, but the Homeric Thebais and Epigonii.—*Grote, History of Greece*, pt. i. ch. xxi. and note.

Rhapsódical. *adj.* [see Rhapsody.] Unconnected.

See Dr. Heylin's confutation of Fuller's *rhapsodical* stories of the church of England.—*Dean Martin, Letters*, p. 17: 1662.

Rháp sodist. *s.*

1. One who composes, recites, or sings, rhapsodies.

Select ballads in the old Scottish dialect are also interspersed among those of our ancient English minstrels; and the artless productions of these old *rhapsodists* are occasionally confronted with specimens of the composition of contemporary poets of a higher class.—*Bishop Percy, Reliques of Ancient Poetry*, preface.

Ossian and Homer, though both of the profession of *rhapsodists*, are thought to be very unlike.—*Tyers, On Pope*, p. 38.

A few seasons ago, there was an Italian *rhapsodist* in London; who, as I am told, made excellent extempore verses on every subject that was proposed to him.—*Tyers, On Pope*, p. 55.

The public recital of the poems appears to have prevailed throughout Greece from a remote period. The place with which tradition first connects it is Chios, an island advancing special claims to be considered the birthplace of Homer.... The first public honours awarded them in Sparta are dated by the best authorities from the age of Lycurgus.... The original and primary import of the title *Rhapsodist*, familiarly borne by the performers in these solemnities, is obscure. The generally received etymology is that which characterises them as Stitchers or Botchers of poem. The allusion here is partly to the irregularities of which they were guilty, by disturbing the proper order of the text in their recital; partly to the imputed interpolation of matter from their own stores; partly, perhaps chiefly, to their habit of prefixing or subjoining to the original poems, or parts of poems, dedicatory prologues or epilogues in honour of the deities with whose festivals such public performances were connected. Others derive the name from the staff or wand of office (rhabdos, rhapis), which distinguished the professional reciter of later times from the original poet; while the latter sang, solely or chiefly, his own compositions, to the accompaniment of his lyre; the *rhapsodist* rehearsed the poems of others.... Whatever degree of value may be attached to the services of this fraternity, a certain degree of sarcasm seems ... to have been connected with their name. From it derives that of rhapsody, originally applied to the portions of the poem habitually allotted to different performers in the order of recital, afterwards transferred to the twenty-four books, or cantos, into which each work was permanently divided by the Alexandrian grammarians.—*Mure, Critical History of the Language and Literature of Ancient Greece*, b. ii. ch. ii. § 5.

The mention of *rhapsodists* leads us to consider the circumstance from whence that name is derived, and from which alone we can collect a clear and lively idea of epic poetry, viz. the manner in which these compositions were delivered. Homer everywhere applies the term ἀοιδή to the delivery of poems, whilst ἔπη merely denotes the every-day conversation of common life; on the other hand, later authors, from Pindar downwards, use the term ἔπη frequently to designate poetry, and especially epic, in contradistinction to lyric.... In later times ... the *rhapsodists*, or chaunters of epic poetry, are distinguished from the ... singers to the cithara. The expression ῥαψῳδός, ῥαψῳδεῖν, signifies nothing more than the peculiar method of epic recitation.—*Donaldson, Translation of K. O. Müller's History of the Literature of Ancient Greece*, ch. iv. § 3.

If the composition of the Homeric poems may be explained without the aid of writing, by breaking them up into smaller parts, the mode in which they were transmitted is not accounted for. A poem which might not be too long for the author himself to retain in his memory without any artificial help, might still be of such length, that no common listener could hope to make himself master of the whole, after any number of recitations, unless they were laboriously adapted by the author to this specific purpose. But who can imagine a Homer so employed? This, however, it has been thought was the occasion which called forth the astonishing powers of the *rhapsodists*, a class of persons, who, though endowed with some poetical invention, possessed a much more extraordinary tenacity of memory, which enabled them, after a few hearings, accurately to remember many hundreds of verses.—*Bishop Thirlwall, History of Greece*, ch. vi.

2. One who writes without regular dependence of one part upon another.

Ask our *rhapsodist*, if you have nothing but the excellence and loveliness of virtue to preach, and no future rewards and punishments, how many vicious wretches will you ever reclaim?—*Watts, Improvement of the Mind.*

Rhápsodize. *v. a.* Deliver as a rhapsody.

(For example see under Rhapsode.)

Rhápsodomancy. *s.* [Gr. ῥαψῳδία + μαντεία = prophecy.] Divination by means of verses.

There were various methods of practising this *rhapsodomancy*. Sometimes they wrote several verses or sentences of a poet on so many pieces of wood, paper, or the like; threw them together in an urn, and drew out one.... Sometimes they cast dice on a table on which verses were written; and that on which the dice lodged contained the prediction. A third manner was by opening a book, and pitching on some verse at first sight. This method they afterwards called the Sortes Prænestinæ, and afterwards, according to the poet thus made use of, Sortes Homericæ, Sortes Virgilianæ, &c.—*Rees, Cyclopædia.*

Rhápsody. *s.* [Gr. ῥαψῳδία.] This is the Greek title of each book of the Homeric poems; thus, the first book of the Iliad is Ραψῳδία Α: The usual analysis of the word is ῥάπτω = I sew or stitch + ᾠδή = song, ode. The *Rhapsody* was the song of a *Rhapsodist*, or *Rhapsode* (ῥαψῳδός); and a long poem sung piecemeal, the different parts by different singers, was *rhapsodized*. But by changing the process, a series of *rhapsodies* might be made into a long poem. The word is important in historical Homeric criticism.

1. Composer of rhapsodies.

Homer wrote a sequel of songs and *rhapsodies*, to be sung by himself for small earnings and good cheer, at festivals and other days of merriment; the Ilias he made for the men, and the Odysseis for the other sex. These loose songs were not collected together in the Epic form till Pisistratus's time, above five hundred years after.—*Bentley, Phileleutherus Lipsiensis*, § 7.

2. Any number of parts joined together, without necessary dependence or natural connection.

Such a deed, as sweet religion makes
A *rhapsody* of words. *Shakespear, Hamlet*, iii. 4.

This confusion and *rhapsody* of difficulties was not to be supposed in each single sinner.—*Hammond.*

He that makes no reflections on what he reads, only loads his mind with a *rhapsody* of tales fit for the entertainment of others.—*Locke.*

The words slide over the ears, and vanish like a *rhapsody* of evening tales.—*Watts, Improvement of the Mind.*

Selim endeavoured to provoke Ismail to change his judicious tactics and risk a battle, by sending him more letters, ... in which he taunted the Persian sovereign with cowardice.... Ismail replied to the homilies and *rhapsodies* of the sultan by a calm and dignified letter.—*Sir E. Creasy, History of the Ottoman Turks*, vol. i. ch. viii.

Rhátany, Rhátany-root. *s.* [Peruvian.] In *Medicine.* Root of certain plants of the genus Kramer'a.

The root ... of the Crameria triandra ... is called *rhatany*, a substance that has long been known to the manufacturers of port wine.—*Hooper, Medical Dictionary.*

Rhatany-root is collected for medicinal purposes after the rains.... The bark of *rhatany-root*, when chewed, tastes bitter, astringent, and at first nauseous.... *Rhatany-root* yields its properties partly to cold and partly to boiling water.... *Rhatany-root*, digested in alcohol, yields a deep, reddish-brown tincture, which, when evaporated, leaves a deep red brittle resin.—*Thompson, The London Dispensatory*, by *Garrod*: 1852.

This plant was discovered by Ruiz and Pavon, in 1779, in South America. It was introduced to notice in this country, as a medicine, by Dr. Reece, in 1808. In 1813, Ruiz's dissertation on it appeared in an English dress.... *Rhatany-root* is brought from Peru. It consists of numerous woody, cylindrical, long branches, varying in thickness from that of a writing-quill upwards.... Foreign or South American extract of *rhatany* is occasionally imported. ... *Rhatany-root* is adapted to all those cases requiring the employment of astringents.... It is sometimes used as a tooth-powder (as with equal parts of orris-root and charcoal).—*Pereira, Elements of Materia Medica and Therapeutics*: 1853.

There is no substance more highly spoken of as a remedy for internal hemorrhages by foreigners, and especially the French, than the extract of *rhatany-root*, the Krameria of our Pharmacopœia.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxxx.

Rhein-berry. *s.* [? Lat. *rhamnus.*] Buckthorn.

The later herbarists call it in Latine Rhamnus solutivus.... It is termed ... in English, Laxative Ram, Waythorne, and Buckthorne: in Low Dutch they call the fruit or berries Rhijnberien, that is as though you should say in Latin Baccæ Rhenanæ; in English, *rheinberries*; in French, Nerprun.—*Gerarde, Herball*, p. 1338.

Rhénish. *s.* Wine from the grapes grown on the Rhine.

A pestilence on him for a mad rogue! he poured a flagon of *Rhenish* on my head once.—*Shakespear, Hamlet*, v. 1.

This bell-mouth'd goblet makes me feel quite Danish,
Or Dutch, with thirst—what, ho, a flask of *Rhenish*.
Byron, Don Juan.

Rhétor. *s.* [Lat.; Gr. ῥήτωρ.] Rhetorician.

Your hearing, what is it but as of a *rhetor* at a desk, to commend or dislike?—*Hammond, Works*, iv. 514.

Senators and pretors,
With great dictators, used to apply to *rhetors*.
Butler, Remains.

Rhétoric. *s.* [Gr. ῥητορική; Fr. *rhétorique.*] Act of speaking not merely with propriety, but with art and elegance.

We could not allow him an orator who had the best thoughts, and who knew all the rules of *rhetorique*, if he had not acquired the art of using them.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Of *rhetoric* various definitions have been given by various writers.... It is evident that, in its primary signification, *rhetoric* had reference to public speaking alone, as its etymology implies. But as most of the rules for speaking are of course applicable equally to writing, an extension of the term naturally took place.... In the present day, however, the province of *rhetoric*, in the widest application that would be reckoned admissible, comprehends 'all composition in prose;' in the narrowest sense, it would be limited to 'persuasive speaking.' I propose in the present work to adopt a middle course between these two extreme points; and to treat of 'argumentative composition' generally and exclusively; considering *rhetoric* (in conformity with the very just and philosophical view of Aristotle) as an offshoot from logic.—*Archbishop Whately, Elements of Rhetoric*, introduction, § 1.

Rhetórical. *adj.* Pertaining to rhetoric; oratorical; figurative.

The apprehension is so deeply riveted into my mind, that *rhetorical* flourishes cannot at all loosen it.—*Dr. H. More.*

Because Brutus and Cassius met a blackmore, and Pompey had on a dark garment at Pharsalia, these were presages of their overthrow, which notwithstanding are scarce *rhetorical* sequels; concluding metaphors from realities, and from conceptions metaphorical inferring realities again.—*Sir T. Browne.*

The subject may be moral, logical, or *rhetorical*, which does not come under our senses.—*Watts, On the Improvement of the Mind.*

Rhetórically. *adv.* In a rhetorical manner; like an orator; figuratively; with intent to move the passions.

My lorde hath *rhetoricallye* begunne his proposicion to winne his auditory.—*Bale, Yet a Course at the Romysshe Foxe*, fol. 44. b.: 1543.

You shall see how *rhetorically* he expostulates.—*Hammond, Works*, iv. 485.

He who obtains what he has been *rhetorically*, or importunately, begging for, goes away really a conqueror.—*South, Sermons*, ii. 137.

Rhetóricate. *v. n.* Play the orator. *Rare.*

'Twill be much more seasonable to reform, than apologize or *rhetoricate*; ... not to suffer themselves to perish in the midst of such solicitations to be saved.—*Dr. H. More, Decay of Christian Piety*, p. 49.

When some Corinthians were puffed up by reason of a faculty which they had of *rhetoricating* religiously, St. Paul, like an apostle, tells them, that he would come amongst them, and know, not the speech of them that were puffed up, but the power.—*Cudworth, Sermons*, p. 93.

Rhetoricátion. *s.* Rhetorical amplification *Rare.*

'When I consider your wealth, I doe admire your wisdome; and when I consider your wisdome, I doe admire your wealth.' It was a two-handed *rhetorication*, but the citizens tooke it in the best sense.—*Aubrey, Anecdotes*, vol. ii. p. 351.

Take but away their *rhetorications* and equivocal expressions, their misrepresentations and misreports, their ostentation and their scurrilities; and their cause will be left in a manner destitute.—*Bishop Waterland, Charge*, p. 9: 1732.

Rhetorícian. *s.* [Fr. *rhétoricien.*]

1. One who teaches the science of rhetoric.

The ancient sophists and *rhetoricians*, which ever had young auditors, lived till they were an hundred years old.—*Bacon.*

'Tis the business of *rhetoricians* to treat the characters of the passions.—*Dryden, Translation of Dufresnoy's Art of Painting.*

2. Orator.

With looks as wan, as he who in the brake
At unawares has trod upon a snake,
Or played at Lyons a declaiming prize,
At which the vanquish'd *rhetorician* dies.
Dryden, Translation of Juvenal, i. 63.

Rhetorícian. *adj.* Suiting a master of rhetoric.

Boldly presumed with *rhetorician* pride,
To hold of any question either side.
Sir R. Blackmore.

Rhétorize. *v. a.* Represent by a figure of oratory.

A certain *rhetorized* woman, whom he calls mother.—*Milton, Apology for Smectymnuus.*

Rheum. *s.* [Gr. ῥεῦμα; Fr. *rhume.*] Thin watery matter oozing through the glands, chiefly about the mouth; defluxion; catarrh, of which words it is an approximate equivalent.

Trust not these cunning waters of his eyes;
For villany is not without such *rheum*;
And he, long traded in it, makes it seem
Like rivers of remorse.
Shakespear, King John, iv. 3.
You did void your *rheum* upon my beard.
Id., Merchant of Venice, i. 3.
Each changing season does its poison bring.
Rheums chill the winter, agues blast the spring.
Prior.

Rheumátic. *adj.* [Gr. *ῥευματικός*.]

1. Proceeding from rheum or a peccant watery humour: (in the first extract with the *accent* on the *antepenultimate*).

The moon, the governess of floods,
Pale in her anger, washes all the air,
That *rheumatick* diseases do abound.
Shakespear, Midsummer-Night's Dream, ii. 2.
The blood taken away looked very sizy or *rheumatick*.—*Sir J. Floyer.*

2. Denoting the pain which attacks the joints, and the muscles and membranes between the joints.

But by far the most frequently does it [acute pericarditis] . . . happen in connexion with . . . acute rheumatism. I shall therefore consider acute pericarditis with reference to its occurrence in *rheumatic* fever. . . . For this reason I shall include, in the account I am desirous to give you of *rheumatic* carditis both . . . pericarditis and endocarditis . . . inflammation of the investing membrane, and inflammation of the lining membrane of the heart.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxi.

Rheúmatism. *s.* [Gr. *ῥευματισμός*; Fr. *rhumatisme*; Lat. *rheumatismus*.] See second extract.

The throttling quinsey, 'tis my star appoints,
And *rheumatisms* I send to rack the joints.
Dryden, Palamon and Arcite, iii. 406.
Rheumatism is a distemper affecting chiefly the membrana communis musculorum, which it makes rigid and unfit for motion; and it seems to be occasioned almost by the same causes, as the mucilaginous glands in the joints are rendered stiff and gritty in the gout.—*Quincy.*
Acute *rheumatism* has experienced strange things at the hands of medical men. No disease has been treated by such various and opposite methods. Venæsection has wrought its cure, and so has opium, and so has calomel, and so have drastic purgatives. —*Dr. P. M. Latham, Lectures on Subjects connected with Clinical Medicine, comprising Diseases of the Heart*, lecture x.

Rheúmy. *adj.* Full of sharp moisture.

Is Brutus sick?
And will he steal out of his wholesome bed,
To dare the vile contagion of the night?
And tempt the *rheumy* and unpurged air
To add unto his sickness?
Shakespear, Julius Cæsar, ii. 1.
The South he loosed, who night and horror brings,
And fogs are shaken from his flaggy wings:
From his divided beard two streams he pours;
His head and *rheumy* eyes distil in show'rs.
Dryden, Translation from Ovid, Metamorphoses, b. i.
Tough old Lückner, with his eyes grown *rheumy*.
Carlyle, History of the French Revolution, b. v. ch. ii.

Rhíno. *s.* Cant word for money.

Fools lose places for ready *rhino*.— *Wagstaffe, Miscellaneous Works*, p. 322: 1726.
There I fell in with Betsey, and as she proved a regular out-and-outer, I spliced her, and a famous wedding we had of it, as long as the *rhino* lasted.—*Marryat, Pacha of Many Tales, Tale of the English Sailor.*

Rhinocérical. *adj.* Turning up like the horn on the nose of the rhinoceros. *Latinism, coined to suggest the contempt shown by turning up the nose. Ludicrous.*

Juvenesque, senesque,
Crede mihi, nasum *rhinocerotis* habent.
(Martial.)

Notwithstanding that there is nothing obscene in natural knowledge, and that I intend to give as little offence as may be to readers of a well-bred imagination, I must, for my own quiet, desire the critics (who in all times have been famous for good noses) to refrain from the lecture of this curious tract. I have gentlemen who were formerly marked out and distinguished by the little *rhinocerical* nose, which was always looked upon as an instrument of derision, and which they were used to cock, toss, or draw up in a contemptuous manner, upon reading the works of their ingenious contemporaries.—*Tatler*, no. 260. (Ord MS.)

Rhinóceros. *s.* [Gr. *ῥίς, ῥινὸς* = nose + *κέρας* = horn.] Animal akin to the elephants and hippopotamus, so called from having a horn on its snout.

Approach thou like the rugged Russian bear,
The arm'd *rhinoceros*, or Hyrcanian tyger;
Take any shape but that, and my firm nerves
Shall never tremble. *Shakespear, Macbeth*, iii. 4.
If you draw your beast in an emblem, shew a landscape of the country natural to the beast; as to the *rhinoceros* an East Indian landscape, the crocodile, an Egyptian.—*Peacham.*
The horn of the *rhinoceros* . . . had long appeared to me an anomaly very deserving examination. Dispersed over the skin are pores, which I have supposed secrete a peculiar fluid. . . . When these pores are separate they produce hairs; when they are confluent and in a line, they produce the nails, the claws, and the hoofs. . . . When the pores are confluent, and in a ring, they furnish the corneous cone of the horns of the animals of the ruminating class; and when confluent in a circular order, they supply matter for the formation of a solid horn, such as we see in the *rhinoceros*.—*Burchell, Travels in the Cape.*
The *rhinoceros* lives gregarious in many parts of Java. . . . In its manners the *rhinoceros* of Java is comparatively mild. It is rarely seen in a domestic state, but it is occasionally decoyed into pits, and destroyed. — *Horsfield, Zoological Researches in Java.*
The two-horned African *rhinoceros*, which was formerly frequent within the boundary of Cape Colony, is the animal seen and described by most of the travellers in Africa during the last century; and being then the only two-horned species that was known, received the distinguishing epithet of Bicornis; not, however, now a good appellation, from several species having a similar number of like appendages.—*Sir W. Jardine*, in *Naturalist's Library, Thick-skinned Quadrupeds.*

Rhízoma. *s.* [Gr.] In *Botany.* Rootstock.

In some cases, as in the tree ferns of tropical climates, the bases of the decayed fronds form a tall trunk, which is termed their caudex; but when this portion creeps upon the ground, as in the humbler forms of our own climate, it has received the name of *rhizoma.—Henslow, Principles of Descriptive and Physiological Botany*, pt. i. sect. i.

Rhódium. *s.* In *Chemistry.* Metal so called.

Rhodium . . . was discovered by Wollaston at the time he was occupied with the discovery of palladium. . . . It is extremely hard, and has a specific gravity of about eleven.—*Turner, Elements of Chemistry*: 1847.
Rhodium . . . was discovered by Wollaston in the ore of platinum. He found the ore from Brazil to contain 0·4 per cent.; native platinum from another locality has been found with so much as three per cent. of *rhodium*. . . . *Rhodium* is the most oxidable of the platinum metals. . . . It appears to form two oxides, the *rhodous* and the *rhodic*, of which, however, the last only has been isolated.—*Graham, Elements of Chemistry*: 1842.

Rhododéndron. *s.* In *Botany.* Flowering shrub so called, from the likeness of the flowers of certain species to a rose.

The *rhododendron* [will make] posts and rafters. —*Evelyn, Sylva*, iii. 3, § 23.
The Rhodoreæ include genera of some of the most singularly ornamental evergreen and deciduous peat-earth shrubs that adorn our gardens; for what would our American grounds be without *rhododendrons* and azaleas? The culture of all the species is nearly the same; they all require peat-earth, or at least thrive best in it; and some of them will not live without it. They may all be propagated by cuttings of the growing shoots, planted in fine sand, and covered with a glass or by layers; but the best plants of all the species are procured from seed.—*Lindley, Encyclopædia of Trees and Shrubs*, p. 583: 1842.

Rhódostaurótic. *adj.* Rosierucian, of which it is a Greek equivalent (*ῥόδον* = rose; *σταυρὸς* = cross).

Outis . . .
The good old hermit that was said to dwell
Here in the forest without trees, that built
The castle in the air, where all the brethren
Rhodostaurotic live.
B. Jonson, Masque of Fortunate Islands.
(Nares by H. and W.)

Rhomb. *s.* [Fr. *rhombe*; Lat. *rhombus*; Gr. *ῥόμβος*.] See third extract.

Save the sun his labour, and that swift
Nocturnal and diurnal *rhomb* supposed
Invisible else above all stars, the wheel
Of day and night. *Milton, Paradise Lost*, viii. 133.
See how in warlike muster they appear,
In *rhombs* and wedges, and half-moons and wings.
Id., Paradise Regained, iii. 309.
Rhomb [is], in geometry, a parallelogram or quadrangular figure, having its four sides equal, and consisting of parallel lines, with two opposite angles acute, and two obtuse: it is formed by two equal and right cones joined together at their base.—*Trevoux and Harris.*

Rhómbic. *adj.* Shaped like a rhomb.

Many other sorts of stones are regularly figured; the asteria in form of a star, and they are of a *rhombick* figure.—*Grew.*

Rhómboid. *s.* [Gr. *ῥομβοειδής*; *εἶδος* = form.] Figure approaching to a rhomb.

Many other sorts of stones are regularly figured; . . . and they are of a rhombick figure . . . talk of such as *rhomboids*.—*Grew.*

Rhomboídal. *adj.* Approaching in shape to a rhomb.

Another *rhomboidal* selenites of a compressed form had many others infixed round the middle of it.—*Woodward.*

Rhomboídes. *s.* Greek form of Rhomboid.

See them under sail, in all their lawn and sarcenet, with a geometrical *rhomboides* upon their heads.—*Milton, Of Reformation in England*, b. ii.
Let A C B D be a *rhomboides*.
Dr. H. More, Song of the Soul, p. 378.

Rhónchus. *s.* [Gr. *ῥόγχος*; Lat. *rhonchus* = snoring.] In *Medicine.* Sound in disordered respiration heard by applying the ear to the chest.

You hear a deeper note, a snoring noise, as the patient inspires or expires—a sound like the cooing of a pigeon, or the bass note of a violin, or the droning hum of an insect in its flight; and this is called *rhonchus.—Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. xlviii.

Rhúbarb. *s.* [Lat. *rhabarbarum*, from *Rha*, a name of the river Volga, and *barbarum*, from *barbarorum* = of the barbarians; the countries on the lower part of the Volga being of old, as now, productive of the rhubarbs of the best quality.]

1. In *Medicine.* Cathartic drug so called.

What *rhubarb*, senna, or what purgative drug
Would scour these English hence?
Shakespear, Macbeth, v. 3.
Having fixed the fontanel, I purged him with an infusion of *rhubarb* in small ale.—*Wiseman, Surgery.*

2. In *Horticulture.* Plant so called of which the stalks are used in cookery.

Rhumb. *s.* In *Navigation.* See extract.

Rhumb, in navigation, [is] a vertical circle of any given place, or the intersection of a part of such a circle with the horizon. *Rhumbs*, therefore, coincide with the points of the world, or of the horizon; and hence mariners distinguish the *rhumbs* by the same names as the points and wind. But . . . the *rhumbs* are denominated from the points of the compass in a different manner from the winds. Thus, at sea, the NE wind is that which blows from the north-east point of the horizon towards the ship in which we are; but we are said to fall upon the north-east *rhumb* when we go towards the north-east.—*Falconer, Nautical Dictionary.* (Burney.)

Rhúmbline. *s.* In *Navigation.* See extract.

The great property of the *rhumbline*, or loxodromia, and that from which some authors define it is, that it cuts all the meridians under the same angle. This angle is called the angle of the *rhumb*, or the loxodromic angle.—*Falconer, Nautical Dictionary.* (Burney.)

Rhyme. *s.* [Gr. *ῥυθμός*; Lat. *rhythmus*. This origin has often been objected to; and a connection with the A.S. *rim*, *rym*, or *gerim* been suggested. The meaning of this is *number*, and when we consider the closeness of the connection between *numbers* and *metre*, the connection becomes evident. The Danish has *rimelig* = probable, likely, reasonable, in which it agrees with the English '*rhyme* and *reason*.' Here also the idea of harmony, or propriety, is manifest. It is submitted, however, that without any proof that the German forms themselves are not also connected with *ῥυθμός*, the words under notice are insufficient to disturb the received etymology. Meanwhile the undoubted German root for *number* is *t-l*, as in the English *tale*, German *zahl*.

Connected with this is the omission of the *h* in the spelling; and, connected with this, the substitution of *i* for *y*. In favour of this, however, the authority of Milton can scarcely be adduced; his

'Things unattempted yet in prose or *rime*,'

being little more than a translation of Ariosto's

'Cose non dette in prosa mai ne in *rima*,'
(Orlando Furioso, c. i. s. 2.)

and as such a palpable Italianism.]

1. Harmonical succession of sounds.

The youths with songs and *rhimes*:
Some dance, some hale the rope.
Sir J. Denham, Destruction of Troy.

Rhime is the correspondence which exists between syllables containing sounds similarly modified.... Every accented syllable contains a vowel; hence a *rhiming* syllable may be divided into three parts—the initial consonant or those which precede the vowel, the vowel itself, and lastly the final consonants. *Rhime* may be divided into different kinds according as one or more of these elements correspond.—*Dr. Guest, History of English Rhythms*, b. i. ch. vi.

2. Consonance of verses; correspondence of the last sound of one verse to the last sound or syllable of another.

The measure is English heroick verse without *rime*, as that of Homer in Greek, and of Virgil in Latin; *rime* being no necessary adjunct or true ornament, of poem or good verse, in longer works especially, but the invention of a barbarous age to set off wretched matter and lame metre.—*Milton, Paradise Lost*, preface.

Those that write in *rhyme* still make
The one verse for the other's sake;
For one for sense and one for *rhyme*
I think's sufficient at one time.
Butler, Hudibras, ii. 1, 27.

Such was the news, indeed, but songs and *rhymes*
Prevail as much in these hard iron times,
As would a plump of trembling fowl, that rise
Against an eagle sousing from the skies.
Dryden, Translation of Virgil, Eclogues, ix. 15.

In prose our property is greater;
Why should it then be less in metre?
If Cupid throws a single dart,
We make him wound the lover's heart;
But if he takes his bow and quiver,
'Tis sure he must transfix the liver;
For *rhime* with reason may dispense,
And sound has right to govern sense.
Prior, Alma, i. 427.

3. Poetry; poem.

Thou ken'st not, Percie, how the *rime* should rage:
O if my temples were distain'd with wine,
And 'girt in girlonds of wild yvie twine,
How could I reare the muse on lofty stage!
Spenser, Shepherd's Calendar, October.

All his manly power it did disperse,
As he were warmed with inchanted *rimes*,
That oftentimes he quaked. *Id., Faerie Queen.*

Who would not sing for Lycidas? he knew
Himself to sing, and build the lofty *rime*.
Milton, Lycidas, 10.

Things unattempted yet in prose or *rime*.
Id., Paradise Lost, i. 16.

4. Word of a sound to answer to another word.

What wise means to gain it hast thou chose?
Know fame and fortune both are made of prose.
Is thy ambition sweating for a *rhyme*,
Thou unambitious fool, at this late time?
Young, Love of Fame, ii. 275.

Masculine rhymes. Those, in French, ending in a consonant; *Feminine*, those ending in *e* mute.

Rhythm royal. See extract.

Rhythme royal is a verse of tenne syllables, and tenne such verses make a staffe, whereof the first and third lines doe aunswer (acrosse) in the terminations and the *rhime*, the second, fourth, fifth, do likewise aunswer eche other in terminations, and the two last do combine and shut up the sentence: this has been called *rithme royall*, and surely it is a royall kinde of verse, serving best for grave discourses.—*Gascoigne, Certaine Notes of Instruction*, v. 1. b. (Nares by H. and W.)

Rhyme or reason. Number or sense.

I was promised on a time,
To have *reason* for my *rhime*,
But from that time unto this season,
I received nor *rhime nor reason*.
Verses ascribed (unjustly) to Spenser.

The guiltiness of my mind drove the grossness of the foppery into a received belief, in despight of the teeth of all *rhime and reason*, that they were fairies. —*Shakespear, Merry Wives of Windsor*, v. 5.

Rhyme. *v. n.*

1. Agree in sound.

He was too warm on picking work to dwell,
But fagotted his notions as they fell,
And if they *rhymed* and rattled, all was well.
Dryden, Absalom and Achithophel, ii. 418.

2. Make verses.

These fellows of infinite tongue, that can *rhyme* themselves into ladies' favours, they do always reason themselves out again.—*Shakespear, Henry V.* v. 2.

There march'd the bard and blockhead, side by side,
Who *rhymed* for hire, and patronized for pride.
Pope, Dunciad, iv. 101.

Rhymed. *part. adj.* Put into rhyme.

There was not a dozen sentences in his whole sermon but thei ended all in rime for the most part: Some, not well disposed, wished the preacher a lute, that with his *rimed* sermon he might use some pleasaunte melodie, and so the people might take pleasure divers waies, and daunce if thei liste!—*Wilson, Arte of Rhetorique*: 1553.

The first [translation of the Psalms] too elegant for the vulgar use: the other as flat and poor, as lamely worded, and unhandsomely *rhimed*, as the old.—*Bishop King to Archbishop Usher, Letters edited by Parr*, p. 567.

Rhýmeless. *adj.* Not having consonance of verses.

Too popular is tragick poesie,
Straining his tiptoes for a farthing fee:
And doth beside on *rhymeless* numbers tread.
Bishop Hall, Satires, i. 4.

Rhýmer. *s.* One who makes rhymes; versifier. *Contemptuous.*

Saucy lictors
Will catch at us like strumpets; and scald *rymers*
Ballad us out o' tune.
Shakespear, Antony and Cleopatra, v. 2.

When a *rimer* reads his poem to him, he [the hypocrite] begs a copy, and persuades the press!—*Bishop Hall, Characters*, p. 65.

Milton's rhyme is constrained at an age, when the passion of love makes every man a *rhymer*, though not a poet.—*Dryden.*

Rhymer, come on, and do the worst you can;
I fear not you, nor yet a better man.
Id., Translation of Virgil, Eclogues, iii. 77.

Rhýmester. *s.* Rhymer.

Such wond'rous rabblements of *rhymesters* new..
Bishop Hall, Satires, i. 2.

I speak of those who are only *rhimesters*.—*Dennis.*

Rhýmist. *s.* Writer, composer of, rhymes.

Milton's character of Dryden, who sometimes visited him, was, that he was a good *rhymist*, but no poet.—*Johnson, Life of Milton.* (Ord MS.)

Rhythm. *s.* [Lat. *rhythmus*; Gr. ῥυθμός.]

1. Metre; verse; numbers.

The old Italian tunes and *rithmes*, both in conceit and cadency, have much affinity with the Welsh.—*Howell, Instructions for Foreign Travel*, p. 123: 1642.

You may find Scaliger refuted for denying poetick *rhithme* or meeter, (and so not poesie in a strict sense,) to be in Scripture: for St. Hierome is of another mind; and the impossibility of a *rhithme* in that language [Hebrew,] like our ὁμοιοτέλευτον, like cadency of words, which we strictly call rhyme, is by Alsted's instances refuted in Psal. 118, 25.—*Whitlock, Observations on the present Manners of the English*, p. 47: 1654.

Now sportive youth
Carol incondite *rhythms* with suiting notes,
And quaver unharmonious. *J. Philips, Cyder*, ii. 413.

Rhythm in its widest sense may be defined as the law of succession.... The rhythmical arrangement of sounds not articulated produces music; while from the like arrangement of articulate sounds we get the cadences of prose and the measures of verse. —*Dr. Guest, History of English Rhythms*, b. i. ch. i.

2. Proportion applied to any motion whatever.

Rhýthmical. *adj.* Harmonical; having one sound proportioned to another.

The term figurate which we now employ to distinguish florid from more simple melody, was used to denote that which was simply *rhythmical* or accentual.—*Mason, Three Essays on Church Musick*, p. 28.

Riant. *adj.* [Fr.] Laughing; exciting laughter.

In such cases the sublimity must be drawn from the other sources; with a strict caution however against any thing light and *riant*.—*Burke, On the Sublime and Beautiful*, pt. ii. § 16.

Goethe's childhood is throughout of *riant*, joyful character.—*Carlyle, Critical and Miscellaneous Essays.*

Rib. *s.* [A.S. *ribbe*.]

1. In *Anatomy*. Bone forming part of the framework of the chest.

Why do I yield to that suggestion?
Whose horrid image doth unfix my hair,
And make my seated heart knock at my *ribs*,
Against the use of nature!
Shakespear, Macbeth, i. 3.

He open'd my left side, and took
From thence a *rib*, with cordial spirits warm
And life-blood streaming fresh.
Milton, Paradise Lost, viii. 465.

Sure he, who first the passage tried,
In harden'd oak his heart did hide,
And *ribs* of iron arm'd his side.
Dryden, Translation from Horace, b. i. ode iii.

2. Any piece of timber or other matter which strengthens the side.

I should not see the sandy hour-glass run,
But I should think of shallows and of flats;
And see my wealthy Andrew dock'd in sand,
Vailing her high top lower than her *ribs*,
To kiss her burial.
Shakespear, Merchant of Venice, i. 1.

The ships with shatter'd *ribs* scarce creeping from the seas. *Drayton.*

The *rib* of a ship answers in many respects to the *rib* in an animal frame. The base of the *rib* is in the keel as a backbone, and it serves to maintain generally the cavity of the vessel. A *rib* is of massive timber in several pieces scarfed or chocked together. These pieces beginning from the bottom are the cross piece or floor, futtocks, top-timbers, and, if the vessel be of great height, the lengthening pieces. The *ribs* are otherwise known as the timbers.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

3. Any prominence running in lines: (as, '*rib* of a leaf').

Rib, in Botany, [is] the principal vein or nervure which proceeds from the petiole into the blade of the leaf.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

4. Anything slight, thin, or narrow; strip.

Fetching up his single melancholy cow from a small *rib* of land, that is scarce to be found without a guide.—*Echard, Grounds and Reasons of the Contempt of the Clergy inquired into*, p. 104.

5. Wife.

His dearest *rib*.
Sylvester, Translation of Du Bartas, 49.

How many have we known whose heads have beene broken with their own *rib*.—*Bishop Hall, Solomon's Definition.* (Ord MS.)

Rib. *v. a.*

1. Furnish with ribs.

Was I by rocks engender'd, *ribb'd* with steel,
Such tortures to resist, or not to feel? *Sandys.*

2. Enclose as the body by ribs.

It were too gross
To *rib* her cerecloth in the obscure grave.
Shakespear, Merchant of Venice, ii. 7.

Remember
The natural bravery of your isle, which stands
As Neptune's park, *ribbed* and paled in,
With rocks unscalable and roaring waters.
Id., Cymbeline, iii. 1.

Ríbald. *s.* [N.Fr. *ribauld*; Italian, *ribaldo*.] Loose, rough, mean, brutal wretch.

That lewd *ribald* with vile lust advaunst,
Laid first his filthy hands on virgin clean,
To spoil her dainty corps, so fair and sheen.
Spenser, Faerie Queen.

Ne'er one sprig of laurel graced these *ribalds*,
From dashing Bentley down to piddling Tibbalds.
Pope, Epistle to Arbuthnot.

Ríbald. *adj.* Base; mean.

The busy day,
Waked by the lark, has roused the *ribald* crows.
Shakespear, Troilus and Cressida, iv. 2.

Which *ribald* art their church to Luther owes.
Dryden, Hind and Panther, iii. 641.

Ríbaldish. *adj.* Disposed to ribaldry.

They have a *ribaldish* tongue.—*Bishop Hall, Estate of a Christian.*

Ríbaldry. *s.* Mean, lewd, brutal language.

Were it not for quaffing, *ribaldry*, dalliance, scurrile profaneness, these men would be dull, and (as we say) dead on the nest!—*Bishop Hall, Remains*, p. 7.

Mr. Cowley asserts that obscenity has no place in wit; Buckingham says, 'tis an ill sort of wit, which has nothing more to support it than barefaced *ribaldry*.—*Dryden.*

The *ribaldry* of the low characters is different; the reeve, miller, and cook are distinguished from each other.—*Id., Preface to the Tales and Fables.*

In the same antique loom these scenes were wrought,
Embellish'd with good morals and just thought,
True nature in her noblest light you see,
E'er yet debauch'd by modern gallantry
To trifling jests and fulsome *ribaldry*. *Granville.*

If the outward profession of religion were once in practice among men in office, the clergy would see their duty and interest in qualifying themselves for lay-conversation, when once they were out of fear of being choaked by *ribaldry* or prophaneness.—*Swift.*

Ríband. *s.* See Ribbon.

Quaint in green, she shall be loose enrobed,
With *ribands* pendent, flaring 'bout her head.
Shakespear, Merry Wives of Windsor, iv. 6.

A *riband* did the braided tresses bind,
The rest was loose.
Dryden, Palamon and Arcite, i. 184.

See! in the lists they wait the trumpet's sound;
Some love-device is wrought on every sword,
And every *riband* bears some mystick word.
Granville.

There often wanders one, whom better days
Saw better clad, in cloak of satin trimm'd
With lace, and hat with splendid *riband* bound.
Cowper, Task, The Sofa.

Ríband. *v. a.* Adorn with ribbons.

One that has miraculously purchased a *ribanded* waistcoat.—*Beaumont and Fletcher, Fair Maid of the Inn.*

Your mistress appears here in prize, *ribanded* with green and yellow.—*B. Jonson, Cynthia's Rebels.*

Ríbband. *s.* [two *b*'s.] In *Navigation.* See extracts.

Ribbands . . . are long narrow flexible pieces of timber, nailed upon the outside of the ribs, near the foremost to the aftmost square-timbers, so as to encompass the ship lengthways.—*Falconer, Nautical Dictionary.* (Burney.)

Ribbands, in shipbuilding, [are] longitudinal bands of comparatively thin timber stretching from stem to stern at different distances from the keel. They are bolted on outside the ribs, in order to preserve the proper curvature and to impart stability to the vessel while yet in skeleton.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Ríbbed. *adj.*

1. Furnished with ribs.

Hung on each bough a single leaf appears,
Which shrivell'd in its infancy remains,
Like a closed fan, nor stretches wide its veins,
But as the seasons in their circle run,
Opes its *ribb'd* surface to the nearer sun.
Gay, The Fan, i. 26.

2. Marked with protuberant lines.

And plantain *ribb'd,* that heals the reaper's wound;
And marj'ram sweet in shepherd's posie found.
Shenstone, Schoolmistress.

Ríbble-rabble. *s.* Rabble.

A *ribble-rabble* of gossips.
Taylor, The Water-poet: 1630.
(Nares by H. and W.)

Ríbbon. *s.* [Fr. *ruban*; hence this is the proper spelling of Riband.] Fillet of silk; narrow web of silk, which is worn for ornament.

Rags of the sail,
'Tis the terror of the tempest, they
Are flickering in *ribbons* within the fierce gale.
Shelley, A Vision of the Sea.

Eighteen shillings a week! Just, most just, thy censure, upright Pecksniff! Had it been for the sake of a *ribbon,* star, or garter; sleeves of lawn, a great man's smile, a seat in parliament, a tap upon the shoulder from a courtly sword; a place, a party, or a thriving lie, or eighteen thousand pounds, or even eighteen hundred;—but to worship the golden calf for eighteen shillings a week! Oh pitiful, pitiful!—*Dickens, Martin Chuzzlewit,* ch. x.

Ríbble-row. *s.* Series of ribaldry.

This witch a *ribble-row* rehearses,
Of scurvy names in scurvy verses.
Cotton. (Nares by H. and W.)

Ríbroast. *v. n.* Beat soundly. *Colloquial.*

I have been pinched in flesh, and well *ribroasted* under my former masters; but I'm in now for skin and all.—*Sir R. L'Estrange.*

Ríbroasting. *s.* Sound beating.

That done, he rises, humbly bows,
And gives thanks for the princely blows;
Departs not meanly proud, and boasting
Of his magnificent *ribroasting.*
Butler, Hudibras, ii. 1, 245.

Ríbwort. *s.* Native plant so-called from the prominence of the veins of the leaf, of the genus Plantago (lanceolata); plantain.

Ribwort plantain, or *rib-grass,* is . . . a very common species in meadows and pastures.—*C. W. Johnson, Farmer's Encyclopædia.*

Rice. *s.* [Lat. *oryza.*] Cereal so called.

Rice is the food of two-thirds of mankind; it is kindly to human constitutions, proper for the consumptive, and those subject to hæmorrhages.—*Arbuthnot.*

Rice [is] one of the esculent grains: it hath its grains disposed into a panicle, which are almost of an oval figure, and are covered with a thick husk, somewhat like barley: this grain is cultivated in most of the eastern countries.—*Miller, Gardener's Dictionary.*

Used *adjectivally.*

If the snuff get out of the snuffers, it may fall into a dish of *rice* milk.—*Swift, Advice to Servants, Directions to the Butler.*

Rice-paper. *s.* See extract.

Some woods contain scarcely any ducts, as many coniferæ; and the delicate material of which *rice-paper* (as it is called) is composed, consists entirely of cellular tissue. This curious substance is procured from the herbaceous stems of a species of Æschynomene, growing in China. The whole stem is about an inch thick, and resembles a mass of pith covered by a very thin epidermis. There is, however, a central column of real pith running through it. By means of some sharp instrument, the stem is cut spirally round the axis into a thin lamina, which is then unrolled, and may be made up into sheets containing about a foot square of surface.—*Henslow, Principles of Descriptive and Physiological Botany,* pt. i. sect. i.

Rich. *adj.* [A.S. *ric.*]

1. Wealthy; abounding in wealth; abounding in money or possessions; opulent: (opposed to *poor*).

The *rich* shall not give more, and the poor no less.—*Exodus,* xxx. 15.

I am as *rich* in having such a jewel,
As twenty seas, if all their sand were pearl.
Shakespear, Two Gentlemen of Verona, ii. 4.

A thief bent to unhoard the cash
Of some *rich* burgher.
Milton, Paradise Lost, iv. 188.

Rich was his soul, though his attire was poor,
As heaven had cloth'd his own embassador.
Dryden, Character of a good Parson, 5.

Several nations of the Americans are *rich* in land, and poor in all the comforts of life.—*Locke.*

He may look upon the *rich* as benefactors, who have beautified the prospect all around him.—*Seed.*

2. Valuable; estimable; precious; splendid; sumptuous.

Earth, in her *rich* attire,
Consummate lovely smiled.
Milton, Paradise Lost, vii. 501.

Matilda never was meanly dressed in her life; and nothing pleases her in dress, but that which is very *rich* and beautiful to the eye.—*Law.*

3. Having any ingredients or qualities in a great quantity or degree.

So we th' Arabian coast do know
At distance, when the spices blow,
By the *rich* odour taught to steer,
Though neither day nor star appear. *Waller.*

If life be short, it shall be glorious,
Each minute shall be *rich* in some great action.
Rowe.

4. Fertile; fruitful.

There are, who, fondly studious of increase,
Rich foreign mould on their ill-natured land
Induce. *J. Philips, Cyder,* i. 119.

5. Abundant; plentiful.

The gorgeous East, with *richest* hand,
Pours on her sons barbarick, pearl and gold.
Milton, Paradise Lost, ii. 3.

6. Abounding; plentifully stocked: (as, 'Pastures *rich* in flocks').

7. Having something precious.

Groves whose *rich* trees wept odorous gums and balms. *Milton, Paradise Lost,* iv. 248.

Rich. *v. a.* Enrich. *Rare.*

To *ritch* his country, let his words lyke flowing water fall.
Drant, Translation of Horace: 1567.

Of all these bounds,
With shadowy forests, and with champions *rich'd,*
With plenteous rivers and wide-skirted meads,
We make thee lady. *Shakespear, King Lear,* i. 1.

Riches. *s.* [Fr. *richesse*; the *ss* of which has taken the guise of the *s* in the English plurals.]

1. Wealth; money or possessions.

Let us when we perceyve the daunger of this worldly and transytory *rychesse* call unto Almyghty God for helpe.—*Bishop Fisher, Exposition of the Seven Penitential Psalms.*

Chemists seek *riches* by transmutation and the great elixir.—*Bishop Sprat.*

Riches do not consist in having more gold and silver, but in having more in proportion than our neighbours, whereby we are enabled to procure to ourselves a greater plenty of the conveniences of life, than comes within their reach, who, sharing the gold and silver of the world in a less proportion, want the means of plenty and power, and so are poorer.—*Locke.*

What *riches* give us, let us first enquire.
Meat, fire, and cloaths. What more? Meat, cloaths, and fire. *Pope, Moral Essays,* iii. 79.

2. Splendid sumptuous appearance.

The *riches* of heaven's pavement, trodden gold.
Milton, Paradise Lost, i. 682.

Richly. *adv.*

1. In a rich manner; with riches; wealthily; splendidly; magnificently.

In Belmont is a lady *richly* left,
And she is fair, of wondrous virtues.
Shakespear, Merchant of Venice, i. 1.

Women *richly* gay in gems.
Milton, Paradise Lost, xi. 582.

2. Plenteously; abundantly.

In animals, some smells are found more *richly* than in plants.—*Sir T. Browne, Vulgar Errours.*

After a man has studied the laws of England, the reading the reports of adjudged cases will *richly* improve him.—*Watts.*

3. Truly; abundantly. *Colloquial.*

There is such licentiousness among the basest of the people, that one would not be sorry to see them bestowing upon one another a chastisement which they so *richly* deserve.—*Addison.*

Richness. *s.* Attribute suggested by Rich.

1. Opulence; wealth; splendour.

Of virtue you have left proof to the world;
And virtue is grateful with beauty and *richness* adorn'd.—*Sir P. Sidney.*

2. Fertility; fecundity; fruitfulness.

This town is famous for the *richness* of the soil.—*Addison.*

3. Abundance or perfection of any quality.

I amused myself with the *richness* and variety of colours in the western parts of heaven.—*Spectator.*

4. Pampering qualities.

The living tincture of whose gushing blood
Should clearly prove the *richness* of his food.
Dryden.

Rick. *s.* [A.S. *hric.*]

1. Pile of corn or hay regularly heaped up in the open field, and sheltered from wet.

An inundation
O'erflowed a farmer's barn and stable;
Whole *ricks* of hay and stacks of corn
Were down the sudden current born. *Swift.*

Mice and rats do great injuries in the field, houses, barns, and corn *ricks.*—*Mortimer, Husbandry.*

'Hang Knowledge! I have reason to hate the word. It burnt down three *ricks* of mine; the finest *ricks* you ever set eyes on, Mr. Fairfield.'—*Lord Lytton, My Novel,* b. xi. ch. ii.

'I am obliged to pay my mother her jointure, whether *ricks* are burnt or not,' said Lord Marney. 'It's very hard, don't you think so?' 'But these *ricks* were Bingley's?' 'But he was not insured, and he will want some reduction in his rent, and if I do not see fit to allow it him, which I probably shall not, for he ought to have calculated on these things, I have *ricks* of my own, and they may be burnt any night.' 'I wonder why *ricks* are burnt now, and were not in old days,' said Egremont. 'Because there is a surplus population in the kingdom,' said Lord Marney, 'and no rural police in the county.'—*B. Disraeli, Sybil,* b. ii. ch. vi.

2. Heap of corn or hay piled by the gatherer.

In the north they bind them up in small bundles, and make small *ricks* of them in the field.—*Mortimer, Husbandry.*

Rickets. *s.* [Lat. *rachitis.*] Disease of the bones, especially of the vertebræ, arising from a deficiency of the phosphate of lime.

In some years, liver-grown, spleen, and *rickets* are put altogether, by reason of their likeness.—*Graunt, Observations on the Bills of Mortality.*

O were my pupil fairly knock'd o' th' head!
I should possess th' estate, if he were dead:
He's so far gone with the *rickets* and th' evil,
That one small dose will send him to the devil.
Dryden, Translation of Persius, ii. 23.

So when at school we first declaim,
Old Busby walks us in a theme,
Whose props support our infant vein,
And help the *rickets* in the brain;
But when our souls their force dilate,
Our thoughts grow up to wit's estate.
Prior, Epistles, To Fleetwood Shephard, Esq. ep. i. 91.

Rickety. *adj.* Diseased with the rickets.

In a young animal, when the solids are too lax, the case of *rickety* children, the diet should be gently astringent.—*Arbuthnot.*

There are many new houses, and some of them rum ones,
But the queerest of all is the new House of Commons;
It 's a *rickety* sort of a bantling I'm told;
That 'll die of old age when it's seven years old.
H. and J. Smith, Rejected Addresses, Drury Lane Hustings.

Nature and education had done their best [in James I.] to produce a finished specimen of all that a king ought not to be. His awkward figure, his rolling eye, his *rickety* walk, his nervous tremblings, his slobbering mouth, his broad Scotch accent, were imperfections which might have been found in the best and greatest man.—*Macaulay, Critical and Historical Essays, Lord Nugent's Memorials of Hampden.*

Ricochet. *s.* [Fr.] Rebound, as in ducks and drakes, either on water or on land (see extract from Falconer).

It blew fresh, and just turning out by the battery, slap came a sea right over the bows of the boat, . . . and I the recipient of more of the briny than I had ever seen detached from the main body, directly in my face; the little white horse having struck the bow, and made a *ricochet* over the heads of the boatmen into the stern-sheets.—*Theodore Hook, Gilbert Gurney,* vol. iii. ch. iv.

Ricochet denotes a bound or leap, such as a flat

piece of stone makes when thrown obliquely along the surface of water; hence, *ricochet-firing*, in the military art, is a method of firing guns with small charges of powder, and at a low elevation, as from three to six degrees. The ball or shot thus discharged goes bounding and rolling along, and killing or destroying every thing in its way.—*Falconer, Nautical Dictionary.* (Burney.)

Rid. *v. a.* [A.S. *ræde* = at large.]

1. Set free; redeem.

It is he that delivereth me from my cruel enemies; thou shalt *rid* me from the wicked man.—*Book of Common Prayer, Psalms*, xviii. 49.

I will bring you out from under the burdens of the Egyptians, and *rid* you out of their bondage.—*Exodus*, vi. 6.

Rid me and deliver me out of great waters.—*Psalms*, cxliv. 7.

2. Clear; disencumber.

They were not before so willing to be *rid* of their learned pastor, as now importunate to obtain him again from them, who had given him entertainment.—*Hooker, Ecclesiastical Polity.*

I must *rid* all the seas of pirates.
Shakespear, Antony and Cleopatra, ii. 6.

We'll use his countenance; which being done,
Let her, who would be *rid* of him, devise
His speedy taking off. *Id., King Lear*, v. 1.

Upon the word, stept forth
Three of thy crew, to *rid* thee of that care.
B. Jonson, Catiline's Conspiracy.

I can put on
Thy terrours, as I put thy mildness on,
Image of thee in all things; and shall soon,
Arm'd with thy might, *rid* heaven of these rebels.
Milton, Paradise Lost, vi. 734.

Did saints for this bring in their plate,
And crowd as if they came too late?
For when they thought the cause had need on't,
Happy was he that could be *rid* on't.
Butler, Hudibras, i. 2, 561.

The god, uneasy till he slept again,
Resolved at once to *rid* himself of pain.
Dryden, Translation from Ovid, House of Sleep.

The greater visible good does not always raise men's desire, in proportion to the greatness it appears to have; though every little trouble moves us, and sets us on work to get *rid* of it.—*Locke.*

The ladies asked, whether we believed that the men of any town would, at the same conjuncture, have loaden themselves with their wives; or rather, whether they would not have been glad of such an opportunity to get *rid* of them?—*Addison.*

3. Dispatch.

Having the best at Barnet field,
We'll thither straight; for willingness *rids* way.
Shakespear, Henry VI. Part III. v. 3.

4. Drive away; remove by violence; destroy.

Ah deathsmen! you have *rid* this sweet young prince. *Shakespear, Henry VI. Part III.* v. 5.

Riddance. *s.*

1. Deliverance.

Deliverance from sudden death, *riddance* from all adversity, and the extent of saving mercy towards all men.—*Hooker, Ecclesiastical Polity.*

2. Disencumbrance; loss of something one is glad to lose.

I have too grieved a heart
To take a tedious leave: thus losers part.—
A gentle *riddance*.
Shakespear, Merchant of Venice, ii. 7.

By this, the cock had a good *riddance* of his rival.—*Sir R. L'Estrange.*

3. Act of clearing away any incumbrances.

Those blossoms, and those dropping gums,
That lie bestrown, unsightly and unsmooth,
Ask *riddance*, if we mean to tread with ease.
Milton, Paradise Lost, iv. 630.

Riddle. *s.* [A.S. *rædelse.*]

1. Enigma; puzzling question; dark problem.

How did you dare
To trade and traffick with Macbeth,
In *riddles* and in charms of death?
Shakespear, Macbeth, iii. 5.

The Theban monster that proposed
Her *riddle*, and him, who solved it not, devour'd;
That once found out and solved, for grief and spight
Cast herself headlong from the Ismenian steep.
Milton, Paradise Regained, iv. 572.

To join these squadrons, o'er the champain came
A numerous race of no ignoble name;
Riddle and Rebus, *Riddle's* dearest son,
And false Conundrum and insidious Pun.
Fustian, who scarcely deigns to tread the ground,
And Rondeau, wheeling in repeated round.
On their fair standards by the wind display'd,
Eggs, altars, wings, pipes, axes were pourtray'd.
I. Disraeli, Curiosities of Literature, Literary Follies.

2. Anything puzzling.

'Twas a strange *riddle* of a lady;
Not love, if any loved her: hey day!
So cowards never use their might,
But against such as will not fight.
Butler, Hudibras, i. 3, 338.

3. Coarse or open sieve.

Horse-beans and tares, sown together, are easily parted with a *riddle*.—*Mortimer, Husbandry.*

Riddle. *v. a.*

1. Solve; unriddle.

When I have done all this, and think it duty,
Is't requisite another bore my nostrils?
Riddle me that.
Beaumont and Fletcher, Tamer Tamed.

Riddle me this, and guess him if you can,
Who bears a nation in a single man?
Dryden, Translation of Juvenal, iii. 135.

2. Separate by a coarse sieve.

The finest sifted mould must be *riddled* in.—*Mortimer, Husbandry.*

3. Drill with holes, as a riddle: (applied to wounded soldiers; from Fr. '*criblé de balles*').

Your blue National Captain, *riddled* with balls, one hardly knows on whose side fighting, requests to be laid on the colours to die: the patriotic Woman (name not given, deed surviving) screams to Château-Vieux that it must not fire the other cannon; and even flings a pail of water on it, since screaming avails not.—*Carlyle, The French Revolution*, pt. ii. b. ii. ch. v.

Riddle. *v. n.* Speak ambiguously or obscurely.

Be plain, good son, and homely in thy drift;
Riddling confession finds but *riddling* shrift.
Shakespear, Romeo and Juliet, ii. 3.

Riddler. *s.* One who speaks obscurely or ambiguously.

Thou *riddler*, speak
Distinct and clear; else I will search thy soul.
Home, Douglas.

Riddlingly. *adv.* In the manner of a riddle; secretly.

Though like the pestilence and old-fashion'd love,
Riddlingly it catch men, and doth remove
Never, till it be starved out, yet their state
Is poor. *Donne.*

Ride. *v. n.* [A.S. *ridan.*]

1. Travel on horseback.

Am not I thine ass, upon which thou hast *ridden? Numbers*, xxii. 30.

Brutus and Cassius
Are *rid*, like madmen, through the gates of Rome.
Shakespear, Julius Cæsar, iii. 2.

Were you but *riding* forth to air yourself,
Such parting were too petty. *Id., Cymbeline*, i. 2.

Let your master *ride* on before, and do you gallop after him.—*Swift, Advice to Servants, Directions to the Groom.*

2. Travel in a vehicle; be borne; not walk.

Infected be the air whereon they *ride*.
Shakespear, Macbeth, iv. 1.

Upon this chaos *rid* the distressed ark, that bore the small remains of mankind.—*T. Burnet, Theory of the Earth.*

3. Be supported in motion.

As venerable Nestor, hatch'd in silver,
Should with a bond of air, strong as the axle-tree,
On which heaven *rides*, knit all the Grecian ears
To his experienced tongue.
Shakespear, Troilus and Cressida, i. 3.

4. Manage a horse.

Skill to *ride* seems a science,
Proper to gentle blood: some others feign
To manage steeds, as did this vaunter; but in vain.
Spenser.

The horses I saw well chosen, *ridden*, and furnished.—*Shakespear, Henry VIII.* ii. 2, letter.

Inspired by love, whose business is to please,
He *rode*, he fenced, he moved with graceful ease.
Dryden, Cymon and Iphigenia, 222.

5. Be on the water.

On the western coast
Rideth a puissant navy.
Shakespear, Richard III. iv. 4.

The sea was grown so rough, that the admiral was not able longer to *ride* it out with his gallies; but was enforced to slip his anchors, and run his gallies on ground.—*Knolles, History of the Turks.*

They were then in a place to be aided by their ships, which *rode* near in Edinburgh Frith.—*Sir J. Hayward.*

Men once walk'd where ships at anchor *ride*.
Dryden.

Waiting him his royal fleet did *ride*,
And willing winds to their low'r'd sails denied.
Id., Astræa Redux, 223.

Now on their coasts our conquering navy *rides*,
Way-lays their merchants, and their land besets.
Id., Annus Mirabilis, ccii.

6. Be supported by something subservient.

A credulous father, and a brother noble,
Whose nature is so far from doing harms,
That he suspects none; on whose foolish honesty
My practices *ride* easy.
Shakespear, King Lear, i. 2.

Ride. *v. a.*

1. Sit on so as to be carried.

They *ride* the air in whirlwind.
Milton, Paradise Lost, ii. 541.

2. Manage insolently at will.

Humility does not make us servile or insensible, nor oblige us to be *ridden* at the pleasure of every coxcomb.—*Collier.*

The nobility could no longer endure to be *ridden* by bakers, cobblers, and brewers.—*Swift, Presbyterian's Plea.*

Ride Skimmington. See Skimmington.

Ride. *s.*

1. Excursion in a vehicle, or on horseback (as, 'to take a *ride*').

2. Road cut in a wood, or through grounds for the purpose of using the diversion of riding therein; riding.

Rider. *s.* One who rides.

1. One who is carried on a horse or in a vehicle.

The strong camel and the generous horse.
Restrain'd and awed by man's inferiour force,
Do to the *rider's* will their rage submit,
And answer to the spur, and own the bit.
Prior, Solomon, i. 204.

2. One who manages or breaks horses.

As horses are bred better; and to that end *riders* dearly hired.—*Shakespear, As you like it*, i. 1.

I would with jockies from Newmarket dine,
And to rough *riders* give my choicest wine.
Bramstone.

3. Robber.

In Ewsdale, eight and forty notorious *riders* are hung on growing trees, the most famous of which was John Armstrong.—*Drummond, History of James V.* (Ord MS.)

4. In *Navigation.* See extract.

Riders [are] a sort of interior ribs fixed in a ship's hold, opposite to some of the principal timbers, to which they are bolted, and reaching from the kelson to the beams of the lower deck, and sometimes higher, in order to strengthen her frame.—*Falconer, Nautical Dictionary.* (Burney.)

5. Inserted leaf; additional clause, as to a bill passing through parliament.

They tacked the following *rider* to it.—*Brand, Observations on Popular Antiquities*, ii. 237.

6. Coin so called.

His mouldy money! half a dozen *riders*
That cannot sit but stampt fast to their saddles.
Beaumont and Fletcher. (Nares by H. and W.)

Ridge. *s.* [A.S. *hrigg.*]

1. Top of the back.

He thought it was no time to stay,
And let the night too steal away;
But in a trice advanced the knight
Upon the bare *ridge* bolt upright.
Butler, Hudibras, iii. 1, 1589.

2. Rough top of anything, resembling the vertebræ of the back.

As when a vulture on Imaus bred,
Whose snowy *ridge* the roving Tartar bounds,
Dislodges from a region scarce of prey.
Milton, Paradise Lost, ii. 431.

His sons
Shall dwell to Senir, that long *ridge* of hills!
Ibid. xii. 145.

The highest *ridges* of those mountains serve for the maintenance of cattle for the inhabitants of the vallies.—*Ray.*

3. Steep protuberance.

Part rise in crystal wall, or *ridge* direct,
For haste. *Milton, Paradise Lost*, vii. 293.

About her coasts unruly waters roar,
And, rising on a *ridge*, insult the shore. *Dryden.*

4. Ground thrown up by the plough.

Thou visitest the earth, . . . thou waterest the *ridges* thereof abundantly; thou settlest the furrows thereof.—*Psalms*, lxv. 9.

Wheat must be sowed above furrow fourteen days before Michaelmas, and laid up in round high warm *ridges*.—*Mortimer, Husbandry.*

5. Top of the roof rising to an acute angle.

Ridge tiles or roof tiles, being in length thirteen inches, and made circular breadthways like a half cylinder, whose diameter is about ten inches or more, and about half an inch and half a quarter in thickness, are laid upon the upper part or *ridge* of the roof, and also on the hips.—*Moxon, Mechanical Exercises.*

6. See extract.

Ridges of a horse's mouth are wrinkles or risings of the flesh in the roof of the mouth, running across from one side of the jaw to the other like fleshy *ridges*, with interjacent furrows or sinking cavities.—*Farrier's Dictionary.*

Ridge. *v. a.*

1. Form a ridge.

Thou from heaven
Feign'dst at thy birth was given thee in thy hair,
Where strength can least abide, though all thy hairs
Were bristles ranged like those that *ridge* the back
Of chafed wild boars, or ruffled porcupines.
Milton, Samson Agonistes, 1134.

2. Wrinkle.

An eye
As fix'd as marble, with a forehead *ridged*
And furrow'd into storms. *Cowper.*

Ridge-bone. *s.* In *Anatomy.* Backbone.

Os sacrum . . . the great bone whereon the *ridge-bone* resteth.—*Nomenclator.* (Nares by H. and W.)

Rídgel. *s.* [Low Lat. *ovis rijicula.*] Animal half castrated; rig.

Tend my herd, and see them fed;
To morning pastures, evening waters, led:
And 'ware the Libyan *ridgel's* butting head.
Dryden, Translation of Virgil's Eclogues, ix. 29.

Rídgeling. *s.* Ridgel; rig.

And 'ware the *ridg'ling* with his butting head,
Dryden.

Rídgy, *adj.* Rising in a ridge.

Far in the sea against the foaming shore,
There stands a rock; the raging billows roar
Above his head in storms; but, when 'tis clear,
Uncurl their *ridgy* backs, and at his feet appear.
Dryden, Translation of the Æneid, v. 164.

Rídicule. *s.*

1. Wit of that species that provokes laughter.

Sacred to *ridicule* his whole life long,
And the sad burthen of some merry song.
Pope, Imitations of Horace, b. ii. sat. i.

Those who aim at *ridicule,*
Should fix upon some certain rule,
Which fairly hints they are in jest.
Swift, Miscellanies.

2. Folly; ridiculousness.

It does not want any great measure of sense to see the *ridicule* of this practice.—*Addison, Spectator,* no. 18.

Ridicule. *s.* See Reticule, of which it is a corruption: (in the extract the ambiguity is intentional).

'What news to day?'—'Oh, worse and worse,
M—— is the prince's privy purse.'—
'The prince's purse! oh, no, you fool,
You mean the prince's *ridicule.*'
T. Moore, Twopenny Post-bag.

Rídicule. *adj.* Ridiculous. *Rare.*

This action . . . was brought to court, and became so *ridicule,* that Sylvanus Scory was so laughed at and jeered, that he never delivered the letter to the queen.—*Aubrey, Anecdotes,* ii. 529.

Rídicule. *v. a.* Expose to, treat with, ridicule.

I wish the vein of *ridiculing* all that is serious and good may have no worse effect upon our state, than knight errantry had on theirs.—*Sir W. Temple.*

Rídiculer. *s.* One who ridicules.

They are generally *ridiculers* of all that is truly excellent.—*Clarke, Evidences of Natural and Revealed Religion.*

The *ridiculer* shall make only himself ridiculous.—*Earl of Chesterfield.*

Ridículous. *adj.* Worthy of, exciting, contemptuous merriment or ridicule.

A stammering tongue, [in the margin *ridiculous,*] that thou canst not understand.—*Isaiah,* xxxiii. 19.

He that sacrificeth of a thing wrongfully gotten, his offering is *ridiculous.*—*Ecclesiasticus,* xxxiv. 18.

Thus was the building left
Ridiculous; and the work confusion named.
Milton, Paradise Lost, xii. 61.

It was not in Titus's power not to be derided; but it was in his power not to be *ridiculous.*—*South, Sermons.*

Ridículously. *adv.* In a ridiculous manner; in a manner worthy of laughter or contempt.

Epicurus's discourse concerning the original of the world is so *ridiculously* merry, that the design of his philosophy was pleasure and not instruction.—*South, Sermons.*

Ridículousness. *s.* Attribute suggested by Ridiculous.

What sport do Tertullian, Minucius, and Arnobius make with the images consecrated to divine worship? from the meanness of the matter they are made of, the casualties of fire and rottenness they are subject to, on purpose to represent the *ridiculousness* of worshipping such things.—*Bishop Stillingfleet.*

Since there must be an end of one's *ridiculousness* one time or other, I don't see any time so proper as the present.—*Cibber, The Careless Husband.*

Ríding. *s.* Corruption of Trithing, or division into three: (as, 'The three *Ridings* of Yorkshire').

Ríding. *part. adj.* Employed to travel on any occasion.

It is provided by another provincial constitution, that no suffragan bishop shall have more than one *riding* apparitor, and that archdeacons shall not have so much as one *riding* apparitor, but only a foot messenger.—*Ayliffe, Parergon Juris Canonici.*

Ríding. *s.* Road cut in a wood, or through grounds, for the purpose of using the diversion of riding therein.

Beyond the garden *ridings* were cut out, each answering the angles of the lodge.—*Sir P. Sidney, Arcadia,* b. i.

Ríding-rhyme. *s.* [perhaps *two words* rather than a *compound.*] In *Prosody.* Metre of five accents, each falling on the even syllable, with the lines in rhyming couplets, as:—

Let Observation with extensive view
Survey mankind from China to Peru.

Fair Leda reads our poetry sometimes,
But saith she cannot like our *riding-rhimes*;
Affirming that the cadens falleth sweeter,
When as the verse is placed between the meeter.
Sir J. Harrington, Epigrams, iii. 44. (Nares by H. and W.)

His [Chaucer's] meetre heroical of Troilus and Cressid is very grave and stately, keeping up the staffe of seven and the verse of ten: his other verses of the Canterburie Tales be but *riding-ryme.*—*Puttenham,* i. 30. (Nares by H. and W.)

I had forgotten a notable kind of ryme called *ryding-rime,* and that is suche as our mayster, and father Chaucer, used in his Canterburie Tales, and in divers other dilectable and light enterprises.—*Gascoigne, Certain Notes of Instruction,* p. 12. (Nares by H. and W.)

The metre of five accents, with couplet rhyme, may have got its earliest name of *riding rhyme* from the mounted pilgrims of the Canterbury Tales.—*Dr. Guest, History of English Rhythms,* b. iii. ch. vii.

Rídingcoat. *s.* Coat made to keep out weather.

When you carry your master's *ridingcoat* in a journey, wrap your own in it.—*Swift, Advice to Servants, Directions to the Groom.*

Rídinghabit. *s.* Dress worn by women when they ride on horseback.

There is another kind of occasional dress in use among the ladies; I mean the *ridinghabit,* which some have not injudiciously styled the hermaphroditical, by reason of its masculine and feminine composition.—*Guardian,* no. 149.

Here is the dress of a modern amazon, in what is called a *riding-habit.*—*T. Warton, History of English Poetry,* iv. 71.

Rídinghood. *s.* Hood used by women when then they travel, to bear off the rain.

The palliolum was like our *ridinghoods,* and served both for a tunick and a coat.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Good housewives all the winter's rage despise,
Defended by the *ridinghood's* disguise.
Gay, Trivia, i. 209.

Rídinghouse. *s.* Place in which the art of riding is taught.

I hope you apply the time you have saved from the *ridinghouse* to useful more than to learned purposes.—*Lord Chesterfield.*

Rídingschool. *s.* Ridinghouse: (at present *ridingschool* is the *commoner* term.)

Ridótto. *s.* [Italian.] See extracts.

Ridotto [is] a company, a crew, or assembly of good fellows; also, a gaming or tabling house, or other place where good companie doth meete.—*Florio*: 1598.

In the mornings, if you are high-bred enough, you are to go to White's, where whist may engage you till the masquerade, *ridotto,* or some other polite amusement calls you away.—*The Student,* vol. ii. p. 366.

How then must four long months be worn away? Four months, in which there will be no routs, no shows, no *ridottos*; in which visits must be regulated by the weather, and assemblies will depend upon the moon!—*Dr. Johnson, Rambler,* no. 124.

The vulgar . . . now thrust themselves into all assemblies, from a *ridotto* at St. James's to a hop at Rotherhithe.—*Smollett, Expedition of Humphrey Clinker.*

They went to the *Ridotto*;—'tis a hall
Where people dance, and sup, and dance again;
Its proper name, perhaps, were a mask'd ball,
But that's of no importance to my strain;
'Tis (on a smaller scale) like our Vauxhall,
Excepting that it can't be spoilt by rain;
The company is 'mixed' (the phrase I quote is
As much as saying they're beneath your notice.)
Byron, Beppo, lviii.

Rife. *adj.* [A.S. *ryfe.*] Prevalent; common; abounding.

While those restless desires, in great men *rife,*
To visit so low folks did much disdain,
This while, though poor, they in themselves did reign. *Sir P. Sidney.*

Guyon closely did await
Avantage; whilst his foe did rage most *rife*;
Sometimes athwart, sometimes he strook him straight,
And falsed oft his blows. *Spenser.*

The plague was then *rife* in Hungary.—*Knolles, History of the Turks.*

Blessings then are plentiful and *rife,*
More plentiful than hope. *Herbert.*

Space may produce new worlds; whereof so *rife*
There went a fame in heav'n, that he ere long
Intended to create. *Milton, Paradise Lost,* i. 650.

This is the place,
Whence even now the tumult of loud mirth
Was *rife,* and perfect in my listening ear.
Id., Comus, 201

That grounded maxim
So *rife* and celebrated in the mouths
Of wisest men, that to the public good
Private respects must yield.
Id., Samson Agonistes, 865.

Before the plague of London, inflammations of the lungs were *rife* and mortal.—*Arbuthnot, On the Effects of Air on human Bodies.*

Rífely. *adv.* In a rife manner; prevalently abundantly.

It was *rifely* reported, that the Turks were coming in a great fleet.—*Knolles, History of the Turks.*

Rífeness. *s.* Attribute suggested by Rife; prevalence; abundance.

The *rifeness* of their familiar excommunications may have taught them to seek for a spotlessness above.—*Bishop Hall, Beauty and Unity of the Church.*

He ascribes the great *rifeness* of carbuncles in the summer, to the great heats.—*Arbuthnot, On the Effects of Air on human Bodies.*

Ríffraff. *s.* Refuse of anything.

Thwick-thwack, and *riff-raff,* roars he out aloud!
Bishop Hall, Satires, i. 6.

This is all *riff-raff.*—*Beaumont and Fletcher, Knight of the Burning Pestle*

Rífle. *v. a.* See Rover.

1. Rob; pillage; plunder.

Stand, sir, and throw us what you have about you.
If not, we'll make you sit, and *rifle* you.
Shakespear, Two Gentlemen of Verona, iv. 1.

Men, by his suggestion taught,
Ransack'd the centre, and with impious hands
Rifled the bowels of their mother earth
For treasures better hid.
Milton, Paradise Lost, i. 685.

You have *rifled* my master; who shall maintain me?—*Sir R. L'Estrange.*

A commander in the parliament's rebel army *rifled* and defaced the cathedral at Lichfield.—*South, Sermons.*

2. Take away; seize as pillage.

Mine is thy daughter, priest, and shall remain,
And pray'rs and tears, and bribes shall plead in vain,
Till time shall *rifle* every youthful grace.
Pope, Translation of the Iliad, i. 39.

Rífle. *s.*

1. Kind of whetstone.

All our sports and recreations, if we use them well, must be to our body, or mind, as the mower's whetstone, or *rifle,* is to his scythe, to sharpen it when it grows dull.—*Whately, Redemption of Time,* p. 11: 1634.

2. Sort of gun, having, within its barrel, indented lines.

Hear you, you with long *rifle* by your side, do you lack a wife?—Call ye this *rifle*? it's a good backsword.—*Wily Beguiled.* (Ord MS.)

Rífle. *v. a.* Cut spiral grooves in the bore of a gun.

The object of *rifling* a gun is to give the projectile a rotation round an axis coincident with that of the bore. This insures greater accuracy of fire. . . . Both small arms and cannon are *rifled*; but many difficulties occur in the construction of *rifled* cannon which are not met with in small arms; especially that of obtaining guns strong enough to resist the enormous strain caused by firing large charges with heavy projectiles, and the impossibility of using very large shot or shell made of lead alone. . . . The conditions which a *rifled* cannon should fulfil are: (1) to insure accuracy of fire; (2) to give as high velocity as possible; (3) to remain uninjured by much work; (4) to be simple in construction. To insure accuracy of fire, a rotatory motion must be given to the projectile round an axis coincident with that of the bore; the axis of the shot must be

stable on leaving the piece; and the shot must have sufficient velocity of rotation (depending on its form, length, and weight) to counteract the tendency which it has to turn over. To give the projectile a high velocity, the gun must be able to stand a large charge of powder; and in order to do this, remaining uninjured, a very strong construction is required.—*H. Brackenbury*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Rifleman. *s.* One armed with a rifle.

Rifler. *s.* Robber; plunderer; pillager.

Parting both with cloak and coat, if any please to be the *rifler*.—*Milton, Doctrine and Discipline of Divorce.*

Rifling. *s.* Raffle. *Obsolete.*

Plus de points. A *rifling* or a kind of game wherein he that in casting doth throw most of the dice, takes up all the money that is laid downe.—*Nomenclator.* (Nares by H. and W.)

Rift. *s.* Cleft; breach; opening.

He pluckt a bough, out of whose *rift* there come
Small drops of gory blood. *Spenser.*

She did confine thee
Into a cloven pine, within which *rift*
Imprison'd, thou didst painfully remain.
Shakespear, Tempest, i. 2.

In St. James's fields is a conduit of brick, unto which joineth a low vault; at the end of that is a round house, with a small slit or *rift*; and in the conduit a window: if you cry out in the *rift*, it makes a fearful roaring at the window.—*Bacon.*

They have an idle tradition, that a missel bird, feeding upon a seed she cannot digest, expelleth it whole; which, falling upon a bough of a tree that hath some *rift*, putteth forth the misseltoe.—*Id.*

Either tropick now
'Gan thunder, and both ends of heaven; the clouds
From many a horrid *rift*, abortive pour'd
Fierce rain with lightning mixt.
Milton, Paradise Regained, iv. 409.

Some pick out bullets from the vessel's sides,
Some drive old oakum through each seam and *rift*.
Dryden, Annus Mirabilis, cxlvi.

Between the *rifts*, the snowy drifts
Did send a dismal sheen;
Nor forms of men nor beasts we ken
The ice was all between.
Coleridge, Ancient Mariner.

Rift. *v. a.* Rive.

To the dread rattling thunder
Have I given fire, and *rifted* Jove's stout oak
With his own bolt. *Shakespear, Tempest*, v. 1.

At sight of him the people with a shout
Rifted the air. *Milton, Samson Agonistes*, 1620.

Rift. *v. n.* Burst; open.

I'd shriek, that even your ears
Should *rift* to hear me.
Shakespear, Winter's Tale, v. 1.

Some trees are best for ship timber, as oaks that grow in moist grounds; for that maketh the timber tough, and not apt to *rift* with ordnance.—*Bacon, Natural and Experimental History.*

When ice is congealed in a cup, it will swell instead of contracting, and sometimes *rift*.—*Ibid.*

Rifted. *part. adj.* Having rifts.

On *rifted* rocks, the dragon's late abodes,
The green reed trembles. *Pope, Messiah.*

Rig. *s.* Animal half castrated; ridgel; ridgling. See Ridgel.

Rig. *s.* Bluster.

This sanguine little king's fisher (not prescient of the storm, as by his instinct he ought to be) appearing at that uncertain season before the *riggs* of old Michaelmas were yet well composed, and when the unclement storms of winter were approaching, began to flicker over the seas, and was busy in building its halcyon nest, as if the angry ocean had been soothed by the genial breath of May.—*Burke, Thoughts on a Regicide Peace*, letter iii.

Rig. *s.*

1. Wanton; impudent woman; strumpet.

Fy on thee thou rampe, thou *rig!*
Gammer Gurton's Needle: 1551.

The most voluptuous, over-wanton *rigge*,
Proud plenty, scorns meek piety's womanhood.
Sir J. Davies, Witte's Pilgrimage, sign. V. 2.

2. In *Navigation.* Style of fitting the masts and rigging to the hull of a vessel: (as schooner *rig*).

Run a rig. Play a trick of gaiety or merriment.

Away went Gilpin, neck or nought,
Away went hat and wig;
He little dreamt when he set out,
Of *running such a rig.* *Cowper, John Gilpin.*

Run the rig upon. Practise a joke upon a person; jeer; banter.

Rig. *v. n.* Play the wanton.

Rig. *v. a.* [?]

1. Dress; accoutre.

All occupations opening like a mart,
That serve to *rig* the body out with bravery.
Beaumont and Fletcher, Four Plays in One.

Keep . . .
The body of your strength, your noble heart,
From ever yielding to dishonest ends,
Rigg'd round about with virtue.
Id., Monsieur Thomas.

Jack was *rigged* out in his gold and silver lace, with a feather in his cap; and a pretty figure he made in the world.—*Sir R. L'Estrange.*

There were what used to be called 'dressy' snobs:—Jimmy, who might be seen at five o'clock elaborately *rigged* out, with a camellia in his button-hole, glazed boots, and fresh kid-gloves twice a day;—Jessamy Jacky, who rode every day solemnly on the Blenheim, in pumps and silk stockings, with his hair curled.—*Thackeray, Book of Snobs*, ch. xv.

2. Fit with tackling.

My minde for Egypt stoode;
When nine faire ships I *rigg'd* forth for the flood.
Chapman, Translation of the Odyssey.

He, like a foolish pilot, hath shipwreck'd
My vessel gloriously *rigg'd.*
Milton, Samson Agonistes, 199.

The sinner shall set forth like a ship launched into the wide sea, not only well built and *rigged*; but also carried on with full wind.—*South, Sermons.*

He calls his captains, bids them *rig* the fleet.
Sir J. Denham, Passion of Dido.

He *rigged* out another small fleet, and the Achæans engaged him with theirs.—*Arbuthnot, Tables of Ancient Coins, Weights, and Measures.*

Rigadoón. *s.* [Fr. *rigadon.*] Kind of brisk dance, performed by one couple, said to be brought from Provence.

I led him by the hand into the next room, where we danced a *rigadoon* together.—*Guardian*, no. 154.

Rigátion. *s.* [Lat. *rigatio*, from *rigo* = water, bedew; pass. part. *rigatus.*] Act of watering.

In dry years, every field that has not some spring, or aqueduct, to furnish it with repeated *rigations*, is sure to fail in its crop.—*Swinburne, Travels through Spain*, letter xvi.

Rigging. *s.* Sails or tackling of a ship.

To plow the deep,
To make fit *rigging*, or to build a ship. *Creech.*

Our dreaded admiral from far they threat,
Whose batter'd *rigging* their whole war receives;
All bare, like some old oak with tempests beat,
He stands, and sees below his scatter'd leaves.
Dryden, Annus Mirabilis, lxi.

The sycophants of the court, ill qualified to contend against the great men who then directed the arms of Holland, against such a statesman as De Witt, and such a commander as De Ruyter, made fortunes rapidly, while the sailors mutinied from very hunger, while the dockyards were unguarded, while the ships were leaky and without *rigging.*—*Macaulay, History of England*, ch. ii.

Riggish. *adj.* Wanton; whorish.

Vilest things
Become themselves in her, that the holy priests
Bless her, when she is *riggish.*
Shakespear, Antony and Cleopatra, ii. 2.

The wanton gesticulations of a virgin, in a wild assembly of gallants warmed with wine, could be no other than *riggish* and unmaidenly.—*Bishop Hall, Contemplations*, b. iv.

Riggle. *v. n.* Wriggle.

Truth, by the information of her own light, points out the straight road to her abode; and forbids us to *riggle* into her presence through by-paths, and the cloudy medium of falsehood.—*Bishop Warburton, Doctrine of Grace*, preface: 1763.

Riggle. *s.* [? Prov. Fr. *l'equille.*] British fish of the genus Ammodytes.

Right. *adj.* [A.S. *riht.*]

1. Fit; proper; becoming; suitable.

The Lord God led me in the *right* way.—*Genesis*, xxiv. 48.

The words of my mouth . . . are plain to him that understandeth, and *right* to them that find knowledge.—*Proverbs*, viii. 9.

A time there will be, when all these unequal distributions of good and evil shall be set *right*, and the wisdom of all his transactions made as clear as the noon-day.—*Bishop Atterbury.*

2. Rightful; justly claiming.

There being no law of nature, nor positive law of God, that determines which is the *right* heir in all cases, the right of succession could not have been certainly determined.—*Locke.*

3. True; not erroneous; not wrong.

If there be no prospect beyond the grave, the inference is certainly *right*, Let us eat and drink, for to-morrow we die.—*Locke.*

4. Not mistaken; passing a true judgment; passing judgment according to the truth of things.

You are *right*, Justice, and you weigh this well;
Therefore still bear the balance and the sword.
Shakespear, Henry IV. Part II. v. 2.

5. Just; honest; equitable; not criminal.

Their heart was not *right* with him, neither were they stedfast in his covenant.—*Psalms*, lxxviii. 37.

6. Happy; convenient.

The lady has been disappointed on the *right* side, and found nothing more disagreeable in the husband than she discovered in the lover.—*Addison, Spectator.*

7. Not left.

It is not with certainty to be received, concerning the *right* and left hand, that men naturally make use of the *right*, and that the use of the other is a digression.—*Sir T. Browne.*

The left foot naked, when they march to fight,
But in a bull's raw hide they sheathe the *right.*
Dryden, Translation of the Æneid, vii. 953

8. Straight; not crooked.

The idea of a *right* lined triangle necessarily carries with it an equality of its angles to two *right* ones.—*Locke.*

9. Perpendicular; direct.

Come right. Be put on a proper footing.

Some architects are clever at making foundations, and some architects are clever at building on 'em when they're made. But it 'll all *come right* in the end, sir; it 'll all *come right!*—*Dickens, Martin Chuzzlewit*, ch. xxxv.

Right. *interj.* Expression of approbation.

Right! cries his lordship, for a rogue in need
To have a taste, is insolence indeed;
In me 'tis noble, suits my birth and state.
Pope, Imitations of Horace, b. ii. sat. ii.

Right. *adv.*

1. Properly: justly; exactly; according to truth, or justice.

Then shall the *right* aiming thunder-bolts go abroad, and from the clouds, as from a well-drawn bow, shall they fly to the mark.—*Wisdom of Solomon*, v. 21.

To understand political power *right*, and derive it from its original, we must consider what state all men are naturally in, and that is a state of perfect freedom to order their actions, and dispose of their possessions and persons.—*Locke.*

2. According to art or rule.

You with strict discipline instructed *right*,
Have learn'd to use your arms before you fight.
Lord Roscommon.

Take heed you steer your vessel *right*, my son,
This calm of heaven, this mermaid's melody,
Into an unseen whirlpool draws you fast,
And in a moment sinks you.
Dryden, Spanish Friar, iv. 2.

3. In a direct line; in a straight line.

Let thine eyes look *right* on, and let thine eyelids look straight before thee.—*Proverbs*, iv. 25.

Ye shall be driven out every man *right* forth, and none shall gather up him that wandereth.—*Jeremiah*, xlix. 5.

The people passed over *right* against Jericho.—*Joshua*, iii. 16.

Insects have voluntary motion, and therefore imagination; for ants go *right* forwards to their hills, and bees know the way from a flowery heath to their hives.—*Bacon.*

You two this way among those numerous orbs,
All yours, *right* down to Paradise descend.
Milton, Paradise Lost, x. 397.

4. In a great degree; very; thoroughly.

Then cried I unto thee, O Lord; and gat me to my Lord *right* humbly.—*Book of Common Prayer, Psalms*, xxx. 8.

I cannot joy, until I be resolved
Where our *right* valiant father is become.
Shakespear, Henry VI. Part III. ii. 1.

Right noble princes,
I'll acquaint our duteous citizens.
Id., Richard III. iii. 5.

Pardon us the interruption
Of thy devotion and *right* christian zeal.
Ibid. iii. 7.

When I had climb'd a height
Rough and *right* hardly accessible; I might
Behold from Circe's house, that in a grove
Set thicke with trees stood, a bright vapor move.
Chapman.

The senate will smart deep
For your upbraidings: I should be *right* sorry
To have means so to be venged on you,
As I shall shortly on them.
B. Jonson, Catiline's Conspiracy.

Right many a widow his keen blade,
And many fatherless, had made.
Butler, Hudibras, i. 2, 803.

5. Used in titles: (as, *right* honourable, *right* reverend).

I mention the *right* honourable Thomas Howard, lord high marshal.—*Peacham, On Drawing.*

6. Just.

Came he *right* now to sing a raven's note?
Shakespear, Henry VI. Part II. iii. 2.

7. Immediately; at the instant.

I do see the cruel pangs of death
Right in thine eye. *Shakespear, King John*, v. 4.

Right. *s.*

1. Not wrong.

One rising, eminent
In wise deport, spake much of *right* and wrong,
Of justice, of religion, truth, and peace,
And judgement from above.
Milton, Paradise Lost, xi. 665.

2. Justice; not injury.

In the midst of your invectives, do the Turks this *right*, as to remember that they are no idolaters.—*Bacon.*

Persons of noble blood are less envied in their rising; for it seemeth but *right* done to their birth.—*Id., Essays, Of Envy.*

Long love to her has borne the faithful knight,
And well deserved, had fortune done him *right*.
Dryden, Palamon and Arcite, iii. 1123.

He that would do *right* to religion cannot take a more effectual course than by reconciling it with the happiness of mankind.—*Archbishop Tillotson.*

3. Freedom from guilt; goodness.

His faith perhaps in some nice tenets might
Be wrong, his life I'm sure was in the *right*.
Cowley.

4. Freedom from error.

Seldom your opinions err;
Your eyes are always in the *right*.
Prior, Ode to a Lady refusing to dispute with him.

5. Just claim.

The Roman citizens were, by the sword, taught to acknowledge the pope their lord, though they knew not by what *right*.—*Sir W. Raleigh, Essays.*

The proud tyrant would many times say, that whatsoever belonged unto the empire of Rome, was of *right* his, for as much as he was possessed of the imperial sceptre, which his great grandfather Mahomet had by law of arms won from Constantine.—*Knolles, History of the Turks.*

Subdue by force, all who refuse
Right reason for their law; and for their king
Messiah, who by *right* of merit reigns.
Milton, Paradise Lost, vi. 41.

Descriptions, figures, and fables must be in all heroick poems; every poet hath as much *right* to them, as every man hath to air.—*Dryden.*

My *right* to it appears,
By long possession of eight hundred years. *Id.*

Might and *right* are inseparable in the opinion of the world.—*Sir R. L'Estrange.*

Judah pronounced sentence of death against Thamar: our author thinks it is very good proof, that because he did it, therefore he had a *right* to do it.—*Locke.*

Agrippa is generally ranged in sets of medals among the emperors; as some among the empresses have no other *right*.—*Addison.*

The following ambiguities of the word *right* (in addition to the obvious and familiar one of a *right* and the adjective *right*) are extracted from a forgotten paper of my own, in a periodical:—'Speaking morally, you are said to have a *right* to do a thing, if all persons are morally bound not to hinder you from doing it. But, in another sense, to have a *right* to do a thing is the opposite of having no *right* to do it, i.e. of being under a moral obligation to forbear doing it. In this sense, to say that you have a *right* to do a thing, means that you may do it without any breach of duty on your part; that other persons not only ought not to hinder you, but have no cause to think worse of you for doing it. This is a perfectly distinct proposition from the preceding. The *right* which you have by virtue of a duty incumbent upon other persons, is obviously quite a different thing from a *right* consisting in the absence of any duty incumbent upon yourself. Yet the two things are perpetually confounded.'—*J. S. Mill, System of Logic*, pt. v. ch. vii.

6. That which justly belongs to one.

To thee doth the *right* of her appertain, seeing thou only art of her kindred.—*Tobit*, vi. 11.

The custom of employing these great persons in all great offices, passes for a *right*.—*Sir W. Temple.*

The prisoner freed himself by nature's laws,
Born free, he sought his *right*.
Dryden, Palamon and Arcite, ii. 337.

'What with your bye-laws, and your votes in this capacity, and your votes in that capacity, and your official *rights*, and your individual *rights*, and other people's *rights* who are only you again, there are no *rights* left for me. Everybody else's *rights* are my wrongs.'—*Dickens, Martin Chuzzlewit*, ch. xxviii.

7. Property; interest.

A subject in his prince may claim a *right*,
Nor suffer him with strength impair'd to fight.
Dryden.

8. Power; prerogative.

God hath a sovereign *right* over us, as we are his creatures, and by virtue of this *right*, he might, without injustice, have imposed difficult tasks: but in making laws, he hath not made use of this *right*.—*Archbishop Tillotson.*

9. Immunity; privilege.

The citizens,
Let them but have their *rights*, are ever forward
In celebration of this day with shews.
Shakespear, Henry VIII. iv. 1.

Their only thoughts and hope was to defend their own *rights* and liberties, due to them by the law.—*Lord Clarendon, History of the Grand Rebellion.*

10. The side not left.

On his *right*,
The radiant image of his glory sat,
His only Son. *Milton, Paradise Lost*, iii. 62.

To rights. In a direct line; straight.

These strata failing, the whole tract sinks down *to rights* into the abyss, and is swallowed up by it.—*Woodward.*

To rights. With deliverance from error.

Several have gone about to inform them, and set them *to rights*; but for want of that knowledge of the present system of nature, have not given the satisfaction expected.—*Woodward.*

'He might at least have kept sober to look after his own business—E'en let him put it *to rights* again himself next morning, if he will.'—*Scott, The Pirate*, ch. xxxiv.

Do me right. Accept my challenge in drinking; return the health I have drunk to you.

Do me right,
And dub me knight.
Shakespear, Henry IV. Part II. v. 3.

Right. *v. a.*

1. Do justice to; establish in possessions justly claimed; relieve from wrong.

How will this grieve you,
When you shall come to clearer knowledge, that
You thus have publish'd me? gentle my lord,
You scarce can *right* me throughly.
Shakespear, Winter's Tale, ii. 1.

If the injured person be not *righted*, every one of them is wholly guilty of the injustice, and bound to restitution.—*Jeremy Taylor.*

I could not expedient see,
On this side death to *right* our family. *Waller.*

Some seeking unto courts, and judicial endeavour to *right* ourselves, are still innocent.—*Kettlewell.*

Make my father known,
To *right* my honour, and redeem your own.
Dryden, Translation from Ovid, Metamorphoses, b. i.

'Cheer up, my noble sir,' said Mr. Pecksniff, taking courage, 'and we will do what is required of us. You shall know all, sir, and shall be *righted*.'—*Dickens, Martin Chuzzlewit*, ch. xxxi.

2. In *Navigation.* Restore a ship to her upright position, after she has been laid on a careen; put anything in its proper position: (as, 'to *right* the helm').

Right. *v. n.* (rather reflective with *self* understood). In *Navigation.* See extract.

A ship is said to *right* at sea, when she rises with her masts erected, after having been pressed down on one side by the effort of her sails, or a heavy squall of wind.—*Falconer.*

Right-hand. *s.* Not left.

The rank of osiers, by the murmuring stream,
Left on your *right-hand* brings you to the place.
Shakespear, As you like it, iv. 3.

Used *adjectivally*, as, 'my *right-hand* man,' i.e. my main support, or reliance.

Righten. *v. a.* [A.S. *rihtan.*] Do justice to. *Obsolete.*

Seek judgement; relieve [in the margin *righten*] the oppressed.—*Isaiah*, i. 17.

Righteous. *adj.* [A.S. *rihtwís.*]

1. Just; honest; virtuous; uncorrupt.

That be far from thee to do after this manner, to slay the *righteous* with the wicked; and that the *righteous* should be as the wicked.—*Genesis*, xviii. 25.

2. Equitable; agreeing with right.

Kill my rival too, for he no less
Deserves; and I thy *righteous* doom will bless.
Dryden, Palamon and Arcite, ii. 299.

Righteous. *v. a.* Make righteous; justify. *Obsolete.*

Can we meryte grace with synne? or deserve to be *ryghtoused* by folye?—*Bale, Yet a Course at the Romyshe Foxe*, fol. 62. b.: 1543.

Righteously. *adv.* In a righteous manner.

1. Honestly; virtuously.

Athens, no doubt, did *righteously* decide,
When Phocion and when Socrates were tried;
As *righteously* they did those dooms repent;
Still they were wise, whatever way they went.
Dryden, The Medal, 95.

2. According to desert.

Turn from us all those evils that we most *righteously* have deserved.—*Book of Common Prayer, Litany.*

Righteousness. *s.* [A.S. *rihtwísness.*] Attribute suggested by Righteous; justice; honesty; virtue; goodness; integrity.

The scripture, ascribing to the persons of men *righteousness*, in regard of their manifold virtues, may not be construed, as though it did thereby clear them from all faults.—*Hooker, Ecclesiastical Polity.*

Here wretched Phlegias warns the world with cries,
Could warning make the world more just or wise;
Learn *righteousness*, and dread th' avenging deities.
Dryden, Translation of the Æneid, vi. 842.

Righter. *s.* One who rights; redresser; one who relieves from wrong; one who does justice to.

I will pay thee what I owe thee, as that *righter* of wrongs hath left me commanded.—*Shelton, Translation of Don Quixote*, i. 4.

Rightful. *adj.*

1. Having the right; having the just claim.

As in this haughty great attempt,
They labour'd to supplant the *rightful* heir,
I lost my liberty, and they their lives.
Shakespear, Henry VI. Part I. ii. 5.

Some will mourn in ashes, some coal black,
For the deposing of a *rightful* king.
Id., Richard II. v. 1.

2. Honest; just; agreeable to justice.

Nor would, for gold or fee,
Be won, their *rightful* causes down to tread.
Spenser.

Grant to us, Lord, we beseech thee, the spirit to think and do always such things as be *rightful*.—*Book of Common Prayer, Collect for the ninth Sunday after Trinity.*

Gather all the smiling hours;
Such as with friendly care have guarded
Patriots and kings in *rightful* wars. *Prior.*

Rightfully. *adv.* In a rightful manner; according to right; according to justice.

Henry, who claimed by succession, was sensible that his title was not sound; but was *rightfully* in Mortimer, who had married the heir of York.—*Dryden, Preface to Fables.*

Rightfulness. *s.* Attribute suggested by Rightful; moral rectitude.

But still although we fail of perfect *rightfulness*,
Seek we to tame these superfluities,
Nor wholly wink though void of purest sightfulness.
Sir P. Sidney.

Rightly. *adv.* In a right manner.

1. According to truth or justice; properly; suitably; not erroneously.

Each of his reign allotted, *rightlier* call'd
Powers of fire, air, water, and earth beneath.
Milton, Paradise Lost, ii. 123.

Descend from Heaven, Urania! by that name
If *rightly* thou art call'd. *Ibid.* vii. 1.

For glory done
Of triumph, to be styled great conquerors,
Patrons of mankind, gods, and sons of gods;
Destroyers *rightlier* call'd, and plagues of men.
Ibid. xi. 694.

A man can never have so certain a knowledge, that a proposition, which contradicts the clear principles of his own knowledge, was divinely revealed, or that he understands the words *rightly* wherein it is delivered as he has, that the contrary is true.—*Locke.*

2. Honestly; uprightly.

Let not my jealousies be your dishonour:
You may be *rightly* just, whatever I shall think.
Shakespear, Macbeth, iv. 3.

3. Exactly.

Should I grant, thou didst not *rightly* see;
Then thou wert first deceived. *Dryden.*

4. Straightly; directly.

We wish one end; but differ in order and way, that leadeth *rightly* to that end.—*Ascham, Schoolmaster.*

Rightness. *s.* Attribute suggested by Right.

1. Conformity to truth; exemption from being wrong; rectitude; not error.

It is not necessary for a man to be assured of the *rightness* of his conscience, by such an infallible certainty of persuasion, as amounts to the clearness of a demonstration; but it is sufficient if he knows it upon grounds of such a probability, as shall exclude all rational grounds of doubting.—*South, Sermons.*

Like brute beasts we travel with the herd, and are never so solicitous for the *rightness* of the way, as for the number or figure of our company.—*Rogers, Sermons.*

2. Straightness.

Sounds move strongest in a right line, which nevertheless is not caused by the *rightness* of the line, but by the shortness of the distance.—*Bacon Natural and Experimental History.*

Rígid. *adj.* [Fr. *rigide*; Lat. *rigidus.*]

1. Stiff; not to be bent; unpliant.

A body that is hollow may be demonstrated to be more *rigid* and inflexible than a solid one of the same substance and weight.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. Severe; inflexible.

Rigid looks of chaste austerity.
Milton, Comus, 450.

His severe judgement, giving law,
His modest fancy kept in awe;
As *rigid* husbands jealous are,
When they believe their wives too fair.
Sir J. Denham, On the Death and Burial of Cowley.

3. Unremitted; unmitigated.

Queen of this universe! do not believe
Those *rigid* threats of death; ye shall not die.
Milton, Paradise Lost, ix. 682.

4. Sharp; cruel.

Cressy plains
And Agincourt, deep tinged with blood, confess
What the Silures' vigour unwithstood
Could do in *rigid* fight. *J. Philips, Cyder,* i. 601.

Rigidity. *s.*

1. Stiffness.

Rigidity of the organs is such a state as makes them resist that expansion, which is necessary to carry on the vital functions: *rigidity* of the vessels and organs must necessarily follow from the *rigidity* of the fibres.—*Arbuthnot, On the Nature and Choice of Aliments.*

2. Stiffness of appearance; want of easy or airy elegance.

This severe observation of nature, by the one in her commonest, and by the other in her absolutest forms, must needs produce in both a kind of *rigidity*, and consequently more naturalness than gracefulness.—*Sir H. Wotton, Elements of Architecture.*

3. Severity; inflexibility.

Not to mollify a transcendence of literal *rigidity.*—*Milton, Tetrachordon.*

Till the Lutherans abate of their *rigidity.*—*Bishop Burnet, On the Articles,* preface.

Rígidly. *adv.* In a rigid manner.

1. Stiffly; unpliantly.

2. Severely; inflexibly; without remission; without mitigation.

It is a greater fault *rigidly* to censure, than to commit a small oversight.—*Fuller, Holy War,* p. 57.

If any one shall *rigidly* urge from that passage the literal expression of breeding, he must allow Moses to speak in the language of the vulgar in common affairs of life.—*Bentley, Sermons,* serm. iv.

Rígidness. *s.* Attribute suggested by Rigid; stiffness; severity.

Giving themselves over to meditation, to prayer, to fasting, to all severity and *rigidness* of life.—*Hales, Golden Remains,* p. 110.

It is possible there may be so much good-nature in the husband, as to take off somewhat from that *rigidness,* which otherwise the principles of his religion would bind him to.—*Bishop Sanderson, Cases of Conscience,* p. 4.

Rígle. *s.* [Fr. *réglette.*] Flat thin square piece of wood.

The pieces that are intended to make the frames for pictures, before they are molded, are called *riglets.*—*Moxon, Mechanical Exercises.*

Rígmarole. *s.* [*ragman-roll.*] This, as shown by Mr. Wright (see Nares) was originally the name of a game in which certain characters were drawn out of a roll by a string attached to each. Its present meaning is a repetition of idle words. Another secondary meaning, long mistaken for the primary, consisted in its application to a well-known collection of deeds, with strings and seals attached, wherein the Barons of Scotland subscribed their allegiance to Edward I.

I dyd what I coulde to scarpe out the scrolles,
Apollo to rase out of her *ragman rolles.*
Skelton, Poems, p. 56.

Alfonso paused a minute—then begun
Some strange excuses for his late proceeding;
He would not justify what he had done;
To say the best, it was extreme ill-breeding;
But there were ample reasons for it, none
Of which he specified in this his pleading;
His speech was a fine sample, on the whole,
Of rhetoric which the learn'd call *rigmarole.*
Byron, Don Juan, c. i. stan. clxxiv.

Used as a *proper name.*

Mr. *Rigmarole,* believe me, a woman with a butt of sack at her elbow is never long-lived!—*Goldsmith, Essays,* xix.

Rígol. *s.* [Lat. *regula* = rule.] Circle.

This sleep is sound; this is a sleep,
That, from this golden *rigol,* hath divorced
So many English kings.
Shakespear, Henry IV. Part II. iv. 4.

About the mourning and congealed face
Of that black blood a watery *rigol* goes,
Which seems to weep upon the tainted place.
Id., Rape of Lucrece.

Rígor. *s.* [Lat.] In *Medicine.* Rigidity; stiffness; 'rigor mortis' = the stiffness, or rigidity, characteristic of death; also, shivering, fit of shivering. (The *i* here, is sounded long; *rigor,* not as *rigour*).

A right regimen, during the *rigor* or cold fit in the beginning of a fever, is of great importance; a long continued *rigor* is a sign of a strong disease: during the *rigor,* the circulation is less quick, and the blood actually stagnates in the extremities, and, pressing upon the heart, may produce concretions; therefore a *rigor* increaseth an inflammation.—*Arbuthnot.*

The cold stage [in fever] of writers—is, in addition to the more important symptoms mentioned above, attended by a sensation of uneasiness or sinking at the epigastrium, a sensation resembling cold running down the back, with formication or chills extending over the limbs and general surface; by lividity of the lips and nails; pallor of the skin; the cutis anserina, and shudderings, *rigors,* or shiverings, followed by or alternating with irregular flushes.—*Copland, Dictionary of Practical Medicine.*

Rígour. *s.* [Lat. *rigor*; Fr. *rigueur.*]

1. Cold; stiffness.

Haste, hapless sighs; and let your burning breath
Dissolve the ice of her indurate heart,
Whose frozen *rigor,* like forgetful death,
Feels never any touch of my desert.
In Dowland's First Book of Songs: 1597.

The rest his look
Bound with Gorgonian *rigour,* not to move.
Milton, Paradise Lost, x. 296.

2. Severity; sternness; want of condescension to others.

Nature has got the victory over passion; all his *rigour* is turned to grief and pity.—*Sir J. Denham, The Sophy,* iv. 1.

Rigour makes it difficult for sliding virtue to recover.—*Richardson, Clarissa.*

3. Severity of life; voluntary pain; austerity.

He resumed his *rigors,* esteeming this calamity such a one as should not be outlived, but that it became men to be martyrs to.—*Bishop Fell, Life of Hammond.*

Does not looseness of life, and a want of necessary sobriety in some, drive others into *rigors* that are unnecessary?—*Bishop Sprat.*

This prince lived in this convent, with all the *rigor* and austerity of a capuchin.—*Addison, Travels in Italy.*

4. Strictness; unabated exactness.

It may not seem hard, if in cases of necessity certain profitable ordinances sometimes be released, rather than all men always strictly bound to the general *rigor* thereof.—*Hooker, Ecclesiastical Polity.*

Heat and cold are not, according to philosophical *rigour,* the efficients; but are names expressing our passions.—*Glanville.*

The base degenerate age requires
Severity and justice in its *rigour:*
This awes an impious bold offending world.
Addison, Cato.

Such capering, such vapouring, such vigour, such *rigour,*
North, South, East, and West, we have cut such a figure,
That soon you will have the whole world on our ears,
And leave us no friends but Old Nick and Algiers.
T. Moore, Twopenny Postbag.

5. Rage; cruelty; fury.

He at his foe with furious *rigour* smites,
That strongest oak might seem to overthrow;
The stroke upon his shield so heavy lights,
That to the ground it doubleth him full low.
Spenser.

6. Hardness; not flexibility; solidity; not softness.

The stones...
Did first the *rigor* of their kind expel,
And suppled into softness as they fell.
Dryden, Translation from Ovid, Metamorphoses, b. i.

Rígorous. *adj.* [Fr. *rigoureux.*]

1. Severe; allowing no abatement.

He shall be thrown down the Tarpeian rock,
With *rigorous* hands; he hath resisted law,
And therefore law shall scorn him further trial,
Than the severity of publick power.
Shakespear, Coriolanus, iii. 1.

Are these terms hard and *rigorous,* beyond our capacities to perform?—*Rogers, Sermons.*

2. Exact; strict; scrupulously nice: (as, 'A *rigorous,* demonstration'; 'A *rigorous* definition').

Rígorously. *adv.* In a rigorous manner.

1. Severely; without tenderness or mitigation.

Lest they faint
At the sad sentence *rigorously* urged,
For I behold them soften'd, and with tears
Bewailing their excess, all terrour hide.
Milton, Paradise Lost, xi. 108.

The people would examine his works more *rigorously* than himself, and would not forgive the least mistake.—*Dryden.*

2. Exactly; scrupulously; nicely.

A man of strict honour, because he is punctual to his promises; because he is scrupulous in paying his debts, and *rigorously* just in discharging the duties of his station.—*The Student,* i. 48.

The rules of the three unities are indeed *rigorously* and scrupulously observed.—*T. Warton, Essay on the Writings and Genius of Pope.*

Rígorousness. *s.* Attribute suggested by Rigorous.

O happy people, when good princes raigne,
Who tender publicke more than private gain!
Who, self-commanding, rather sin suppress
By self-examples than by *rigorousnesse.*
Sylvester, Translation of Du Bartas, 119, 1. (Ord MS.)

Rill. *s.* [Lat. *rivulus.*] Small brook; streamlet.

May thy brimmed waves from this
Their full tribute never miss,
From a thousand petty *rills,*
That tumble down the snowy hills.
Milton, Comus, 924.

On every thorn delightful wisdom grows,
In every *rill* a sweet instruction flows;
But some untaught, o'erhear the whispering *rill,*
In spite of sacred leisure blockheads still. *Young.*

Rill. *v. n.* Run in small streams. *Rare.*

Io! Apollo, mighty king, let envy,
Ill-judging and verbose, from Lethe's lake,
Draw tuns immeasurable; while thy favour
Administers to my ambitious thirst
The wholesome draught from Aganippe's spring
Genuine, and with soft murmurs gently *rilling*
Adown the mountains where thy daughters haunt.
Prior, Second Hymn of Callimachus, 148.

Rillet. *s.* Small stream.

A creeke of Ose, between two hills, delivering a little fresh *rillet* into the sea.—*Carew, Survey of Cornwall.*

Th' industrious muse thus labours to relate
Those *rillets* that attend proud Tamer and her state.
Drayton, Polyolbion.

From the green rivage many a fall
Of diamond *rillets* musical,
Thro' little crystal arches low
Down from the central fountain's flow
Fall'n silver-chiming, seem'd to shake
The sparkling flints beneath the prow.
Tennyson, Recollections of the Arabian Nights

Rim. *s.* [A.S. *rima.*]

1. Border; margin.

It keeps off the same thickness near its centre; while its figure is capable of variation towards the *rim.*—*Grew.*

Thus admonished, Mr. Trotter raised the pot to his lips.... He paused once, and only once, to draw a long breath, but without raising his face from the vessel, which, in a few moments thereafter, he held out at arm's length, bottom upward. Nothing fell upon the ground but a few particles of froth, which slowly detached themselves from the *rim,* and trickled lazily down.—*Dickens, Pickwick Papers,* ch. xlv.

2. Membrane. *Obsolete.*

I will fetch thy *rim* out at thy throat,
In drops of crimson blood.
Shakespear, Henry V. iv. 4.

We may not affirm that ruptures are confinable unto one side, as the peritoneum or *rim* of the belly may be broke; or its perforations relaxed in either.—*Sir T. Browne, Vulgar Errours.*

Omnia hæc circumtensa peritonææ—all these spread round about with the *rim* of the belly.—*Comenii Janua Trilinguis,* ch. xxiii. § 230: 1662. (Nares by H. and W.)

Spelt as *rimb.*

The drum-maker uses it for *rimbs.*—*Mortimer, Husbandry.*

Rim ram ruff. Alliteration. *Contemptuous.*

I'll now set my countenance and to her in prose; it may be that this *rim ram ruff* is too rude an encounter.—*Peele, Old Wife's Tale:* 1595. (Nares by H. and W.)

Rímble-rámble. *adj.* Vague; harum-scarum. *Colloquial.*

The greatest part of the task was only *rimble-ramble* discourse.—*The Pagan Prince:* 1690. (Nares by H. and W.)

Rime. *s.* [A.S. *hrim.*] Hoar frost.

Breathing upon a glass giveth a dew; and in *rime* frosts you shall find drops of dew upon the inside of glass windows.—*Bacon, Natural and Experimental History.*

In a hoar frost, a *rime* is a multitude of quadrangular prisms piled without any order one over another.—*Grew.*

Rime. *s.* [from Lat. *rima.*] Hole; chink.

Though birds have no epiglottis, yet can they contract the *rime* or chink of their larinx, so as to prevent the admission of wet or dry indigested.—*Sir T. Browne, Vulgar Errours.*

Rimming. *s.* Rim.

For equipment, clothing, bedding, household furniture, and general outfit of every kind, those simple populations [of Paraguay] depend much on the skin of the cow; making of it most things wanted; lasso, bolas, ship-cording, *rimming* of cart-wheels, spatterdashes, beds, and house-doors.—*Carlyle, Critical and Miscellaneous Essays, Dr. Francia.*

Rimpled. *adj.* Puckered; wrinkled; rumpled.

The skin was tense, also *rimpled* and blistered.—*Wiseman, Surgery.*

Rimpling. *verbal abs.* Uneven motion; undulation; rumpling.

Throughout the lanes she glides at evening's close,
And softly lulls her infant to repose;
Then sits and gazes, but with viewless look,
As gilds the moon the *rimpling* of the brook.
Crabbe, Parish Register, pt. i.

Rimy. *adj.* Steamy; foggy; full of frozen mist.

The air is now cold, hot, dry, or moist; and then thin, thick, foggy, *rimy* or poisonous.—*Harvey.*

Rind. *s.* [A.S.]

1. Bark; peel.

Therewith a piteous yelling voice was heard,
Crying, O spare with guilty hands to tear
My tender sides in this rough *rind* embar'd.
Spenser.

Within the infant *rind* of this small flower
Poison hath residence, and medicine power.
Shakespear, Romeo and Juliet, ii. 2.

These plants are neither red nor polished, when drawn out of the water, till their *rind* have been taken off.—*Boyle.*

Others whose fruit, burnish'd with golden *rind*,
Hung amiable. *Milton, Paradise Lost*, iv. 249.

Thou canst not touch the freedom of this mind
With all thy charms, although this corporal *rind*
Thou hast immanacled. *Id., Comus*, 663.

This monument, thy maiden beauty's due,
High on a plane-tree shall be hung to view;
On the smooth *rind* the passenger shall see
Thy name engraved, and worship Helen's tree.
Dryden, Epithalamium of Helen and Menelaus.

2. In *Botany.* Part in monocotyledons corresponding with the bark rather than the true bark itself.

The *rind* of the monocotyledonous stem, totally different from true bark, is generally little developed. On herbaceous stems it is a mere epidermis; but on fleshy rhizomes it sometimes acquires considerable thickness, and is then found to be composed of spongiform parenchyma, with large air-cavities, the whole bounded externally by a few layers of tubular parenchyma with a corky outer surface.—*Henfrey, Elementary Course of Botany*, § 755.

Rinderpest. *s.* [German; see Rother.] Cattle plague.

The Report of the Cattle Plague Commission (May 1866) renders it necessary to make a few remarks in addition to those already made.... It appears that within forty-eight hours of the time when the animal has imbibed the disease [*rinderpest*], the temperature of the body rises from two to three and a half degrees of the thermometer. ... The whole course of the disease is seven days; but hitherto it has been erroneously treated as beginning when it has already existed for four days, and obtained a fatal hold on its victim. It is confined almost entirely to ruminating animals, although it may exist in the sheep and goat. The commissioners unanimously report that it is propagated only by contagion, and that it consists in a poison generated in the blood and capable of being conveyed by inoculation, the increase of the poisonous matter when the disease is once established being marvellously rapid.... In their third and final report, issued June 1866, the commissioners adhere to their former conclusions as supported by microscopic and other experiments. Having used the highest magnifying powers, Dr. Beale considers that with regard to the nature of the contagion itself, evidence has been adduced to show that it consists of very minute particles of matter in a living state, each capable of growing and multiplying rapidly when placed under favourable conditions; that the rate of growth and multiplication of these minute particles far exceeds that at which the normal germinal matter of the blood and tissues multiplies, and that they appropriate the pabulum of the tissues, and even grow at their expense.—*Brande and Cox, Dictionary of Science, Literature, and Art*, in voce *Rinderpest.*

A cattle plague has appeared in the United States. ... It is not the *rinderpest*, with which we have been rendered so familiar, but it appears equally fatal.... The disease, indeed, seems to be more rapid and violent than any we are yet acquainted with. The average time within which an attack of the *rinderpest* would run its course was considered to be six or seven days; but the American disease usually terminates fatally on the third day, and few cattle live until the fourth day.... Professor Gamgee ... is said to recognize some resemblance in this American plague to a malady called 'the darn' in Aberdeenshire, and known in various parts of Europe.... The *fact*, indeed, that the American disease only attacks cows is alone sufficient to distinguish it from the *rinderpest*; but its mode of propagation is precisely similar, and suggests similar ground for anxiety. The *rinderpest*, since it is indigenous to the Russian steppes, may be assumed to take its origin in some peculiar local circumstances; nor does it appear ever to become domiciled in other countries. Even where it is unchecked, there is reason to believe that it wears itself out. But this special 'habitat' does not prevent its spreading for a time with the utmost fury and rapidity, and working incalculable ruin.—*Times Newspaper*, August 28th, 1868.

Ring. *s.* [A.S. *hring.*]

1. Circle; orbicular line.

In this habit
Met I my father with his bleeding *rings*,
Their precious gems new lost.
Shakespear, King Lear, v. 3.

Bubbles of water, before they began to exhibit their colours to the naked eye, have appeared through a prism girded about with many parallel and horizontal *rings.—Sir I. Newton.*

2. Circle of gold or some other matter worn as an ornament.

A quarrel; ho, already!—
About a hoop of gold, a paltry *ring.*
Shakespear, Merchant of Venice, v. 1.

I have seen old Roman *rings* so very thick about, and with such large stones in them, that 'tis no wonder a fop should reckon them a little cumbersome in the summer.—*Addison.*

Rich and rare were the gems she wore;
And a bright gold *ring* on a wand she bore;
But, oh, her beauty was far beyond,
The bright gold *ring*, and the snow-white wand.
Moore, Irish Melodies.

3. Circle of metal to be held by.

The *rings* of iron, that on the doors were hung,
Sent out a jarring sound, and harshly rung.
Dryden.

Some eagle got the *ring* of my box in his beak, with an intent to let it fall, and devour it.—*Swift.*

4. Circular course.

Chaste Diana,
Goddess presiding o'er the rapid race,
Place me, O place me in the dusty *ring*,
Where youthful charioteers contend for glory.
Smith, Phædra and Hippolytus.

5. Circle made by persons standing round.

Make a *ring* about the corps of Cæsar,
And let me shew you him that made the will.
Shakespear, Julius Cæsar, iii. 2.

The Italians, perceiving themselves almost environed, cast themselves into a *ring*, and retired back into the city.—*Sir J. Hayward.*

Round my arbour a new *ring* they made,
And footed it about the secret shade.
Dryden, The Flower and the Leaf, 203.

6. Number of bells harmonically tuned.

A squirrel spends his little rage,
In jumping round a rolling cage;
The cage as either side turn up,
Striking a *ring* of bells a-top. *Prior, A Simile.*

7. Sound of bells or any other sonorous body.

Stop the holes of a hawk's bell, it will make no *ring*, but a flat noise or rattle.—*Bacon.*

Hawks' bells, that have holes, give a greater *ring*, than if the pellet did strike upon brass in the open air.—*Id.*

Sullen Moloch, fled,
Hath left in shadows dread
His burning idol all of blackest hue;
In vain with cymbals *ring*,
They call the grisly king.
Milton, Ode on the Nativity.

8. Sound of any kind.

The king, full of confidence, as he had been victorious in battle, and had prevailed with his parliament, and had the *ring* of acclamations fresh in his ears, thought the rest of his reign should be but play.—*Bacon, History of the Reign of Henry VII.*

In *Composition.*

Tract after tract of moorland in the shire of Selkirk [was] joined together on parchment and by *ring-fence.—Carlyle, Critical and Miscellaneous Essays, Sir W. Scott.*

Ring. *v. a.* pret. and part. pass. *rung.* [A.S. *hringan.*]

1. Strike bells or any other sonorous body, so as to make it sound.

Ring the alarum bell. *Shakespear, Macbeth*, ii. 3.

2. Encircle.

Talbot,
Who, *ring'd* about with bold adversity,
Cries out for noble York and Somerset.
Shakespear, Henry VI. Part I. iv. 4.

3. Fit with rings.

Death, death; oh amiable lovely death!
Thou odoriferous stench, sound rottenness,
Arise forth from thy couch of lasting night,
Thou hate and terrour to prosperity,
And I will kiss thy detestable bones,
And put my eye-balls in thy vaulty brows,
And *ring* these fingers with thy household worms.
Shakespear, King John, iii. 4.

4. Restrain a hog by a ring in his nose.

But then some pence 'twould cost the clowne
To yoke and eke to *ring* them. *W. Browne.*

5. In *Horticulture.* See extract.

When a ring of bark is removed from a stem or branch of a dicotyledonous plant a tumour is formed at the upper edge of the ring, which indicates a stoppage to have taken place in the descent of the elaborated sap. This stoppage by causing an excess of nutriment to accumulate above the ring, operates in improving the size and quality of fruits, and will even occasion a tree to flower and produce fruit when it would otherwise have developed nothing but leaves. No increase or at most a very slight one takes place in the diameter of the trunk below the ring; but the part above it is more developed than it otherwise would have been. If a potato be *ringed* in this way, the buds in the axillæ of its leaves are developed in the form of little tubers, whilst none are produced on the underground stems or rhizomata.—*Henslow, Principles of Descriptive and Physiological Botany*, pt. ii. ch. iii. § 190.

Ring. *v. n.*

1. Form a circle.

From the ocean all rivers spring,
And tribute back repay as to their king:
Right so from you all goodly virtues well
Into the rest, which round about you *ring.*
Spenser, Faerie Queen.

2. Sound as a bell or sonorous metal.

Ring out, ye crystal spheres,
And let your silver chime
Move in melodious time;
And let the base of heaven's deep organ blow.
Milton, Hymn on the Nativity, 125.

No funeral rites nor man in mournful weeds,
Nor mournful bell shall *ring* her burial.
Shakespear, Titus Andronicus, v. 3.

Easy it might be to *ring* other changes upon the same bells.—*Norris, Miscellanies.*

At Latagus a weighty stone he flung;
His face was flatted, and his helmet *rung.*
Dryden, Translation of the Æneid, x. 988.

3. Practise the art of making music with bells.

Signs for communication may be contrived at pleasure: four bells admit twenty-four changes in *ringing*; each change may, by agreement, have a certain signification.—*Holder.*

4. Sound; resound.

Hercules, missing his page, called him by his name aloud, that all the shore *rang* of it.—*Bacon.*

The particular *ringing* sound in gold, distinct from the sound of other bodies, has no particular name.—*Locke.*

With sweeter notes each rising temple *rung*,
A Raphael painted! and a Vida sung!
Immortal Vida! *Pope, Essay on Criticism*, iii. 703.

My soul is an enchanted boat,
Which, like a sleeping swan, doth float
Upon the silver waves of thy sweet singing;
And thine doth like an angel sit
Beside the helm conducting it,
Whilst all the winds with melody are *ringing.*
Shelley, Prometheus Unbound.

5. Utter as a bell.

Ere to black Hecat's summons
The shard-born beetle, with his drowsy hums,
Hath *rung* night's yawning peal, there shall be done
A deed of dreadful note.
Shakespear, Macbeth, iii. 2.

6. Tinkle.

My ears still *ring* with noise; I'm vext to death:
Tongue-kill'd, and have not yet recover'd breath.
Dryden, Aurengzebe, ii. 1.

7. Be filled with a bruit or report.

That profane, atheistical epicurean rabble, whom the whole nation so *rings* of, are not indeed what they vote themselves, the wisest men in the world.—*South, Sermons.*

Ringbolt. *s.* In *Navigation.* Iron ring passing through a hole at the end of an

iron pin, which is clenched through the beams of the deck or the side.

Ringbone. *s.* In *Farriery.* See extract.

Ring-bone is a hard callous substance growing in the hollow circle of the little pastern of a horse, just above the coronet: it sometimes grows quite round like a ring, and thence it is called the *ring-bone.—Farrier's Dictionary.*

Ringdove. *s.* Native bird so called; Columba palumbus.

Pigeons are of several sorts, wild and tame; as wood pigeons, dovecot pigeons, and *ringdoves.—Mortimer, Husbandry.*

Dear is my little native vale;
The *ringdove* builds and warbles there;
Close to my cot she tells her tale
To every passing villager.
The squirrel leaps from tree to tree,
And shells its nuts at liberty. *Rogers.*

Ringent. *adj.* [Lat. *ringor.*] Gaping.

When the throat of a bilabiate or irregularly-lobed tubular corolla is widely opened, it is called *ringent*, or gaping.—*Henfrey, Elementary Course of Botany*, § 185.

Ringfinger, or **Ring-finger.** *s.* Finger of the left hand, on which the wedding-ring is worn; i.e. the one between the middle finger and the little one: (the term applies to the fingers of both hands. See Ring-man).

Many other sports there be, as *ringing*, bowling, &c.—*Burton, Anatomy of Melancholy*, p. 266.

Ringlead. *v. a.* Conduct as a ringleader.

For he that useth no true compass, nor card, he *ringleads* them all to wrack.—*Translation of Archbishop of Spalatro's Sermon*, p. 34: 1617.

Ringleader. *s.*

1. One who leads the ring.

St. Peter had a primacy of order, such an one as the *ringleader* hath in a dance, as the primipilar centurion had in the legion.—*Barrow, On the Pope's Supremacy.*

He mentioneth the hee-goat, who being the *ringleader* of the flocke, not onely walketh before the same with a certaine statelines, but with cheerfulnes in the sight of the rest.—*Clearer, Proverbs*, p. 532. (Ord MS.)

2. Head of a riotous body.

He caused to be executed some of the *ringleaders* of the Cornish men, in sacrifice to the citizens.—*Bacon, History of the Reign of Henry VII.*

The nobility escaped; the poor people, who had been deluded by these *ringleaders*, were executed.—*Addison.*

We have been having sad riots in the shire, and the *ringleader* was just such another lad as you were!—*Lord Lytton, My Novel*, b. xi. ch. ii.

They were put to rout; the tavern where they had feasted was sacked by the mob: the *ringleaders* were apprehended, tried, fined, and imprisoned, but regained their liberty in time to bear a part in a far more criminal design.—*Macaulay, History of England*, ch. xxi.

Ringlet. *s.*

1. Small ring.

Silver the linfels, deep projecting o'er;
And gold the *ringlets* that command the door. *Pope.*

2. Circle.

You demy puppets, that
By moonshine do the green-sour *ringlets* make,
Whereof the ewe not bites.
Shakespear, Tempest, v. 1.

Never met we,
Upon the beached margent of the sea,
To dance our *ringlets* to the whistling wind,
But with thy brawls thou hast disturb'd our sport.
Id., Midsummer-Night's Dream, ii. 2.

3. Curl.

With *ringlets* quaint, and wanton windings wove.
Milton, Arcades, 47.

Her golden tresses ... in wanton *ringlets* waved,
As the vine curls her tendrils.
Id., Paradise Lost, iv. 305.

These in two sable *ringlets* taught to break,
Once gave new beauties to the snowy neck.
Pope, Rape of the Lock, canto iv.

How he stood, looking like what he was, the chief of a dissolute and high spirited gentry, with the artificial *ringlets* clustering in fashionable profusion round his shoulders, and a mingled expression of voluptuousness and disdain in his eye and on his lip, the likenesses of him which still remain enable us to imagine.—*Macaulay, History of England*, ch. iv.

Ringman. *s.* Ringfinger.

When a man shooteth, the might of his shoote lyeth on the foremost finger, and the *ringman*; for the middle, which is the longest, like a lubber starteth back.—*Ascham, Toxophilus*, p. 137. (Nares by H. and W.)

Ringrope. *s.* In *Navigation.* Rope bearing on a ringbolt, and fastened to the cable when the strain is excessive.

Ringstreaked. *adj.* Circularly streaked.

He removed that day the he-goats that were *ringstreaked* and spotted, and all the she-goats that were speckled.—*Genesis*, xxx. 35.

Ringtail. *s.* In *Zoology.* Term applied to several animals, both quadrupeds and birds, of which the tail is marked with rings: (in the extract it applies to a *falcon*).

Thou royal *ring-tail*, fit to fly at nothing
But poor men's poultry.
Beaumont and Fletcher, Philaster.

Ringworm. *s.* Circular tetter.

It began with a serpigo, making many round spots, such as is generally called *ringworms.—Wiseman, Surgery.*

Ringworm [is a] disease of two kinds, viz. the *ringworm* of the body and the *ringworm* of the scalp. The former is a vesicular eruption (Herpes circinatus), and is not contagious; while the latter is a pustular form of disease (Porrigo scutulata), and so contagious as to prove a scourge to any public establishment into which it may be introduced. The *ringworm* of the body is by no means a very manageable disease: it is to be treated by attending to the general health, and by applying astringent mineral lotions. The *ringworm* of the scalp is a most obstinate affection. It begins with clusters of little pustules, which form scabs, leaving a red pimply surface, and destroying the roots of the hair as the disease proceeds (which it never fails to do if not prevented) over the greater part of the head.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Rinse. *v. a.* [A.S. *rinsian*; German, *rein* = clean.]

1. Wash; cleanse by washing.

This last costly treaty
Swallow'd so much treasure, and like a glass
Did break i' the *rinsing.*
Shakespear, Henry VIII. i. 1.

Whomsoever he toucheth that hath the issue, and hath not *rinsed* his hands in water, he shall be unclean.—*Leviticus*, xv. 11.

2. Wash the soap out of clothes.

They cannot boil, nor wash, nor *rinse*, they say,
With water sometimes ink, and sometimes whey,
According as you meet with mud or clay. *King.*

Rinser. *s.* One who rinses or washes.

Riot. *s.* [N.Fr. *riote*; Italian, *riotta.*]

1. Wild and loose festivity.

Not accused of *riot*, or unruly.—*Titus*, i. 6.

When his headstrong *riot* hath no curb,
When rage and hot blood are his counsellors,
When means and lavish manners meet together,
Oh! with what wings shall his affection fly
Tow'rd fronting peril and opposed decay.
Shakespear, Henry IV. Part II. iv. 4.

So senseless of expence,
That he will neither know how to maintain it,
Nor cease his flow of *riot.*
Id., Timon of Athens, ii. 2.

All now was turn'd to jollity and game,
To luxury and *riot*, feast and dance,
Milton, Paradise Lost, xi. 714.

2. Sedition; uproar.

Transform'd to serpents, all, as accessories
To his bold *riot.* *Milton, Paradise Lost*, x. 520.

Thunder over France with the cannon's mouth; commanding, not entreating, that this *riot* cease.—*Carlyle, The French Revolution*, pt. ii. b. iii. ch. iv.

Run riot. Move or act without control or restraint.

One man's head *runs riot* upon hawks and dice.—*Sir R. L'Estrange.*

You never can defend his breeding,
Who, in his satire's *running riot*,
Could never leave the world in quiet.
Swift, On the Death of Dr. Swift.

'If your daughter was what you would have me believe, she wouldn't do for Jonas. Being what she is, I think she will. He might be deceived in a wife. She might *run riot*, contract debts, and waste his substance.'—*Dickens, Martin Chuzzlewit*, ch. xviii.

Riot. *v. n.*

1. Revel; be dissipated in luxurious enjoyments.

Now he exacts of all, wastes in delight,
Riots in pleasure, and neglects the law. *Daniel.*

2. Luxuriate; be tumultuous.

Thy life a long dead calm of fix'd repose;
No pulse that *riots*, and no blood that glows.
Pope, Eloisa to Abelard.

3. Banquet luxuriously.

[They] shall receive the reward of unrighteousness, as they that count it pleasure to *riot* in the day time.—2 *Peter*, ii. 13.

4. Raise a sedition or uproar.

Rioter. *s.* One who riots.

a. In luxury.

Light braines, runnagates, unthriftes, and *riotours.—Martin, Marriage of Priests*, Ll. iii.: 1554.

Even the *rioters* of the world have stings and torments from it: if a man live in sensuality and fulness of pleasure, what a cutting thought it is to consider, that in a little time he must bid adieu to this and to all felicity for ever!—*Glanville, Sermons*, p. 295.

b. As the raiser of an uproar or sedition.

Any two justices may come with the posse comitatus, if need be, and suppress any such riot, assembly, or rout, and arrest the *rioters.—Sir W. Blackstone, Commentaries on the Laws of England.*

Rioting. *verbal abs.* Act of one who riots; revelling.

Let us walk honestly as in the day; not in *rioting* and drunkenness.—*Romans*, xiii. 13.

Riotise. *s.* Dissoluteness; luxury. *Obsolete.*

From every work he challenged essoign
For contemplation sake; yet otherwise
His life he led in lawless *riotise.* *Spenser.*

Riotous. *adj.* [N.Fr. *rioteux.*]

1. Luxurious; wanton; licentiously festive.

What needs me tell their feasts and goodly guise,
In which was nothing *riotous* nor vain. *Spenser.*

When all our offices have been oppress
With *riotous* feeders ...
I have retired me to a wasteful cock,
And set mine eyes at flow.
Shakespear, Timon of Athens, ii. 2.

John came neither eating nor drinking, that is, far from the diet of Jerusalem and other *riotous* places, but fared coarsely.—*Sir T. Browne, Vulgar Errours.*

With them no *riotous* pomp nor Asian train,
T' infect a navy with their gaudy fears;
To make slow fights, and victories but vain,
But war severely like itself appears.
Dryden, Annus Mirabilis, lii.

2. Seditious; turbulent.

The *riotous* assembling of twelve persons, or more, and not dispersing upon proclamation, was first made high treason by statute.—*Sir W. Blackstone, Commentaries on the Laws of England.*

3. Luxuriant; abundant.

Shall we esteem them as *riotous* branches, wherewith we sometimes behold most pleasant vines overgrown?—*Hooker, Ecclesiastical Polity*, b. i. p. 13. (Ord MS.)

Riotously. *adv.* In a riotous manner.

1. Luxuriously; with licentious luxury.

He that gathereth by defrauding his own soul, gathereth for others that shall spend his goods *riotously.—Ecclesiasticus*, xiv. 4.

2. Seditiously; turbulently.

With wasted carcases their *rips* bestride.
Pursuit of Fashion.

Rip. *v. a.* [A.S. *hrypan.*]

1. Tear; lacerate; cut asunder by a continued act of the knife or of other force.

Thou wilt dash their children, and *rip* up their women with child.—2 *Kings*, viii. 12.

You bloody Neros, *ripping* up the womb
Of your dear mother England, blush for shame.
Shakespear, King John, v. 2.

The more wary beast prevents the blow,
And upward *rips* the groin of his audacious foe.
Dryden, Translation from Ovid, Meleager and Atalanta.

2. Take away by laceration or cutting.

Macduff was from his mother's womb
Untimely *ripp'd.* *Shakespear, Macbeth*, v. 7.

Esculapius, because *ripped* from his mother's womb, was feigned to be the son of Apollo.—*Sir J. Hayward.*

Rip this heart of mine
Out of my breast, and shew it for a coward's.
Otway, Venice Preserved.

The conscious husband, whom like symptoms seize,
Charges on her the guilt of their disease;
Affecting fury acts a madman's part,
He'll *rip* the fatal secret from her heart. *Granville.*

3. Disclose; search out; tear up; bring to view: (usually, but not always, with *up*).

You *rip up* the original of Scotland.—*Spenser, View of the State of Ireland.*

Let it be lawful for me to *rip up* to the very bottom, how and by whom your discipline was planted, at such time as this age we live in began to make first trial thereof.—*Hooker, Ecclesiastical Polity.*

Know I do scorn to stoop
To *rip* your lives.
Marston, Scourge of Villany, preface: 1599.

They *ripped up* all that had been done from the beginning of the rebellion.—*Lord Clarendon, History of the Grand Rebellion.*

The relations considering that a trial would *rip up* old sores, and discover things not so much to the reputation of the deceased, they dropt their design.—*Arbuthnot.*

Rip. *s.*

1. Laceration.

He [the lion] once gave him a *rip* in his flesh-coloured doublet.—*Addison, Spectator*, no. 13.

Of willow twigs the finest you can wish.
Lawson, Secrets of Angling: 1652.
(Nares by H. and W.)

Ripe. *adj.* [A.S. *ripe.*]

1. Brought to perfection in growth; mature.

Their fruit unprofitable, not *ripe* to eat.—*Wisdom of Solomon*, iv. 5.

Macbeth
Is *ripe* for shaking; and the powers above
Put on their instruments.
Shakespear, Macbeth, iv. 3.

So may'st thou live, till, like *ripe* fruit, thou drop
Into thy mother's lap, or be with ease
Gather'd, not harshly pluck'd, for death mature.
Milton, Paradise Lost, xi. 533.

2. Resembling the ripeness of fruit.

Those happiest smiles,
That play'd on her *ripe* lip, seem'd not to know
What guests were in her eyes, which parted thence,
As pearls from diamonds dropt.
Shakespear, King Lear, iv. 8.

3. Complete; proper for use.

I by letters shall direct your course,
When time is *ripe*.
Shakespear, Henry IV. Part I. i. 3.

4. Advanced to the perfection of any quality.

There was a pretty redness in his lips,
A little *riper* and more lusty red
Than that mix'd in his cheeks.
Shakespear, As you like it, iii. 5.

O early *ripe!* to thy abundant store,
What could advancing age have added more?
Dryden, Elegy to the Memory of Mr. Oldham.

5. Finished; consummate.

Beasts are in sensible capacity as *ripe*, even as men themselves; perhaps more *ripe*.—*Hooker, Ecclesiastical Polity.*

He was a scholar, and a *ripe* and good one.
Shakespear, Henry VIII. iv. 2.

6. Brought to the point of taking effect; fully matured.

He thence shall come,
When this world's dissolution shall be *ripe*.
Milton, Paradise Lost, xii. 458.

While things were just *ripe* for a war, the cantons, their protectors, interposed as umpires in the quarrel.—*Addison.*

7. Fully qualified by gradual improvement.

At thirteen years old he was *ripe* for the university.—*Bishop Fell, Life of Hammond.*

Ripe for heaven, when fate Æneas calls,
Then shalt thou bear him up, sublime, to me.
Dryden, Translation of the Æneid, i. 353.

Ripe. *v. n.* Ripen.

From hour to hour we *ripe* and *ripe*,
And then from hour to hour we rot and rot.
Shakespear, As you like it, ii. 7.

Slubber not business for my sake, Bassanio;
But stay the very *riping* of the time.
Id., Merchant of Venice, ii. 8.

Though no stone tell thee what I was, yet thou,
In my grave's inside, see what thou art now;
Yet thou'rt not yet so good; till us death lay
To *ripe* and mellow there, w' are stubborn clay.
Donne.

Ripe. *v. a.* Mature; make ripe.

He is retired, to *ripe* his growing fortunes,
To Scotland. *Shakespear, Henry VI. Part II.* iv. 1.

Ripely. *adv.* In a ripe manner; maturely; at the fit time.

It fits us therefore *ripely*;
Our chariots and our horsemen be in readiness.
Shakespear, Cymbeline, iii. 5.

Ripen. *v. n.* [A.S. *ripian.*] Grow ripe; be matured.

Afore the harvest, when the sour grape is *ripening* in the flower.—*Isaiah*, xviii. 5.

This is the state of man; to-day he puts forth
The tender leaves of hope, to-morrow blossoms,
And bears his blushing honours thick upon him;
The third day comes a frost, a killing frost;
And when he thinks, good easy man, full surely
His greatness is a *ripening*, nips his root;
And then he falls as I do.
Shakespear, Henry VIII. iii. 2.

The pricking of a fruit before it *ripeneth* ripens the fruit more suddenly.—*Bacon, Natural and Experimental History.*

Trees that *ripen* latest blossom soonest; as peaches and cornelians; and it is a work of providence that they blossom so soon; for otherwise they could not have the sun long enough to *ripen*.—*Ibid.*

Melons on beds of ice are taught to bear,
And strangers to the sun yet *ripen* here. *Granville.*

Ripen. *v. a.* Mature; make ripe.

My father was no traitor;
And that I'll prove on better men than Somerset,
Were growing time once *ripen'd* to my will.
Shakspeare, Henry VI. Part I. ii. 4.

That I settled
Your father in his throne, was for your sake;
I left th' acknowledgment for time to *ripen*.
Dryden.

The genial sun
Has daily since his course begun,
Rejoiced the metal to refine,
And *ripen'd* the Peruvian mine.
Addison, Epistle to Sir Godfrey Kneller.

Be this the cause of more than mortal hate,
The rest succeeding times shall *ripen* into fate.
Pope, Translation of the First Book of the Thebais of Statius.

Here elements have lost their uses;
Air *ripens* not, nor earth produces. *Swift.*

Ripeness. *s.* Attribute suggested by Ripe.

1. State of being ripe; maturity.

They have compared it to the *ripeness* of fruits.—*Wiseman, Surgery.*

Little matter is deposited in the abscess, before it arrives towards its *ripeness*.—*Sharp.*

2. Full growth.

Time, which made them their fame out-live,
To Cowley scarce did *ripeness* give.
Sir J. Denham, On the Death and Burial of Cowley.

3. Perfection; completion.

To this purpose were those harmonious tunes of psalms devised for us, that they, which are either in years but young, or touching perfection of virtue as yet not grown to *ripeness*, might, when they think they sing, learn.—*Hooker, Ecclesiastical Polity.*

This royal infant promises
Upon this land a thousand blessings,
Which time shall bring to *ripeness*.
Shakespear, Henry VIII. v. 4.

I to manhood am arrived so near,
And inward *ripeness* doth much less appear,
That some more timely happy spirits indu'th.
Milton, Sonnets, vii. 6.

4. Fitness; qualification.

Men must endure
Their going hence, ev'n as their coming hither:
Ripeness is all. *Shakespear, King Lear*, v. 2.

Ripier. *s.* One who carries fish from the sea-coast inland.

I can send you speedier advertisement of her constancy by the next *ripier*, that rides that way with mankind.—*Chapman, Widow's Tears.*

Rippers, reapers, or cutters of corn. Hence, *riptowel* was a gratuity or reward given to tenants, after they had reaped their lord's corn.—*Tomlin, Law Dictionary.*

Rise. *v. n.* pret. *rose*; part. *risen.* [A.S. *risan.* The preterites of this word are various; *ris*, which is now a vulgarism, is found in Cowley; Coleridge, after Spenser, has the very objectionable form, *uprist.*]

1. Change a jacent or recumbent to an erect posture.

I have seen her *rise* from her bed, and throw her night-gown upon her.—*Shakespear, Macbeth*, v. 1.

The archbishop received him sitting, for, said he, I am too old to *rise*.—*Earl of Orrery.*

2. Get up from rest.

As wild asses in the desert, go they forth to their work, *rising* betimes for a prey.—*Job*, xxiv. 5.

Never a wife leads a better life than she does: do what she will; go to bed when she list; *rise* when she list.—*Shakespear, Merry Wives of Windsor*, ii. 2.

That is to live,
To rest secure, and not *rise* up to grieve.
Daniel, Civil Wars of York and Lancaster.

Thy mansion wants thee, Adam, *rise*.
Milton, Paradise Lost, viii. 296.

3. Get up from a fall.

True in our fall,
False in our promised *rising*.
Milton, Paradise Lost, ix. 1069.

4. Spring; grow up.

They imagine
For one forbidden tree a multitude,
New *ris'n* to work them farther woe.
Milton, Paradise Lost, x. 553.

5. Gain elevation of rank or fortune.

Some *rise* by sin, and some by virtue fall.
Shakespear, Measure for Measure, ii. 1.

If they *rise* not with their service, they will make their service fall with them.—*Bacon.*

To *rise* i' th' world,
No wise man that's honest should expect. *Otway.*

Those that have been raised by some great minister, trample upon the steps by which they *rise*, to rival him.—*South, Sermons.*

6. Ascend; move upwards.

The sap in old trees is not so frank as to *rise* all to the boughs, but tireth by the way, and putteth out moss.—*Bacon.*

If two plane polished plates of a polished looking-glass be laid together, so that their sides be parallel, and at a very small distance from one another, and then their lower edges be dipped into water, the water will *rise* up between them.—*Sir I. Newton.*

7. Break out from below the horizon as the sun.

He maketh his sun to *rise* on the evil and on the good.—*Matthew*, v. 45.

Whether the sun
Rise on the earth, or earth *rise* on the sun.
Milton, Paradise Lost, viii. 160.

8. Take beginning; come into existence, or notice.

Only He spoke, and every thing that is
Out of the fruitful womb of nothing *ris*. *Cowley.*

9. Begin to act.

Winds worse within began to *rise*.
Milton, Paradise Lost, ix. 1123.

With Vulcan's rage the *rising* winds conspire,
And near our palace rolls the flood of fire.
Dryden, Translation of the Æneid, ii. 960.

10. Appear in view.

The poet must lay out all his strength, that his words may be glowing, and that every thing he describes may immediately present itself, and *rise* up to the reader's view.—*Addison.*

11. Change a station; quit a siege.

He, *rising* with small honour from Gunza, and fearing the power of the christians, was gone.—*Knolles, History of the Turks.*

12. Be excited; be produced.

Indeed you thank'd me; but a nobler gratitude
Rose in her soul; for from that hour she loved me.
Otway, Venice Preserved, i. 1.

A thought *rose* in me, which often perplexes men of contemplative natures.—*Spectator.*

13. Break into military commotions: make insurrections.

At our heels all hell should *rise*,
With blackest insurrection.
Milton, Paradise Lost, ii. 135.

Numidia's spacious kingdom lies
Ready to *rise* at its young prince's call.
Addison, Cato.

No more shall nation against nation *rise*,
Nor ardent warriors meet with hateful eyes.
Pope, Messiah.

14. Be roused; be excited to action.
Who will *rise* up for me against evil-doers? or who will stand up for me against the workers of iniquity?—*Psalms*, xciv. 16.
Gather ye together, and come against her, and *rise* up to the battle.—*Jeremiah*, xlix. 14.

15. Make hostile attack.
If any man hate his neighbour, and lie in wait for him, and *rise* up against him, and smite him mortally, and fleeth into one of these cities, then the elders of his city shall send and fetch him thence. —*Deuteronomy*, xix. 11.

16. Grow more or greater in any respect.
A hideous gabble *rises* loud
Among the builders. *Milton, Paradise Lost*, xii. 56.
The great duke *rises* on them in his demands, and will not be satisfied with less than a hundred thousand crowns, and a solemn embassy to beg pardon.—*Addison, Travels in Italy.*

17. Increase in price.
Bullion is *risen* to six shillings and five pence the ounce: i.e. that an ounce of uncoined silver will exchange for an ounce and a quarter of coined silver. —*Locke.*

18. Be improved.
From such an untainted couple, we can hope to have our family *rise* to its ancient splendour of face, air, countenance, and shape.—*Tatler.*

19. Elevate the style.
Your author always will the best advise,
Fall when he falls, and when he *rises, rise.*
Lord Roscommon.

20. Increase in any respect.
The interest rather falls off in the fifth act;—*Rises*, I believe you mean, sir.—No, I don't, upon my word.—Yes, yes, you do, upon my soul; it certainly don't fall off; no, no, it don't fall off.—*Sheridan, The Critic*, i. 1.

21. Be revived from death.
After I am *risen* again, I will go before you into Galilee.—*Matthew*, xxvi. 32.
The stars of morn shall see him *rise*
Out of his grave. *Milton, Paradise Lost*, xii. 422.

22. Come by chance.
As they gan his library to view,
And antique registers for to advise,
There chanced to the prince's hand to *rise*
An ancient book. *Spenser.*

Rise. *s.*

1. Act of rising, locally or figuratively.
'Sit down, my masters,' he cried, 'your *rise* hath been my fall.'—*Lord Bacon*, in *Mallet's Life of him.*
Thy *rise* of fortune did I only wed,
From its decline determined to recede?
Prior, Henry and Emma, 385.

2. Act of mounting from the ground.
In leaping with weights, the arms are first cast backwards and then forwards, with so much the greater force; for the hands go backward before they take their *rise.—Bacon.*

3. Eruption; ascent.
Upon the candle's going out, there is a sudden *rise* of water; for the flame filling no more place, the air and water succeed.—*Bacon.*
The hill submits itself
In small descents, which do its height beguile;
And sometimes mounts, but so as billows play,
Whose *rise* not hinders, but makes short our way.
Dryden.

4. Place that favours the act of mounting aloft.
Raised so high, from that convenient *rise*
She took her flight, and quickly reach'd the skies.
Creech.
Since the arguments against them *rise* from common received opinions, it happens, in controversial discourses, as it does in the assaulting of towns, where, if the ground be but firm, whereon the batteries are erected, there is no farther inquiry of whom it is borrowed, so it affords but a fit *rise* for the fit purpose.—*Locke.*

5. Elevated place.
Such a *rise*, as doth at once invite
A pleasure, and a reverence from the sight.
Sir J. Denham, Cooper's Hill.

6. Appearance as of the sun in the East.
Phœbus! stay;
The world to which you fly so fast,
From us to them can pay your haste
With no such object, and salute your *rise.*
With no such wonder, as De Mornay' eyes. *Waller.*

7. Increase of price.
Upon a breach with Spain, must be considered the present state of the king's treasure, the *rise* or fall that may happen in his constant revenue by a Spanish war.—*Sir W. Temple.*
The bishops have had share in the gradual *rise* of lands.—*Swift.*

8. Beginning; original.
It has its *rise* from the lazy admonitions of those who give rules, and propose examples, without joining practice with their instructions.—*Locke, Thoughts on Education.*
All wickedness taketh its *rise* from the heart, and the design and intention with which a thing is done frequently discriminates the goodness or evil of the action.—*Nelson.*
His reputation quickly peopled it, and gave *rise* to the republick, which calls itself after his name.—*Addison.*

9. Elevation; increase of sound.
In the ordinary *rises* and falls of the voice, there fall out to be two beemolls between the unison and the diapason.—*Bacon.*

Riser. *s.* One who, that which, rises.
The isle Æœa, where the palace stands
Of th' early *riser*, with the rosy hands,
Active Aurora; where she loves to dance.
Chapman.

Risibility. *s.* Quality of laughing.
How comes lowness of style to be so much the propriety of satyr, that without it a poet can be no more a satyrist, than without *risibility* he can be a man?—*Dryden.*
Whatever the philosophers may talk of their *risibility*, neighing is a more noble expression than laughing.—*Arbuthnot.*

Risible. *adj.* [Fr.; Lat. *risibilis.*]

1. Having the faculty or power of laughing.
We are in a merry world, laughing is our business; as *if*, because it has been made the definition of man that he is *risible*, his manhood consisteth in nothing else.—*Dr. H. More, Government of the Tongue.*
Whether both parties during all these proceedings could avoid moving a *risible* muscle at one another, our grave authority records not.—*I. Disraeli, Curiosities of Literature, The Diary of a Master of the Ceremonies.*

2. Ridiculous; exciting laughter.

Rising. *part. adj.* Becoming elevated; ascending.
He bared an ancient oak of all her boughs;
Then on a *rising* ground the trunk he placed,
Which with the spoils of his dead foe he graced.
Dryden, Translation of the Æneid, xi. 6.
Ash, on banks or *rising* grounds near rivers, will thrive exceedingly.—*Mortimer, Husbandry.*

Rising. *verbal abs.*

1. Act of getting up from a fall.
This child is set for the fall and *rising* again of many in Israel.—*Luke*, ii. 34.

2. Appearance of the sun, of a star, or other luminary, above the horizon, which before was hid beneath it.
From the *rising* of the sun unto the going down thereof.—*Psalms*, l. 1.

3. Tumour.
This is the law . . . for a *rising*, and for a scab, and for a bright spot.—*Leviticus*, xiv. 54.

4. Tumult; insurrection.
He's followed both with body and with mind,
And doth enlarge his *rising* with the blood
Of fair king Richard scraped from Pomfret stones.
Shakespear, Henry IV. Part II. i. 1.

5. Resurrection.
They kept that saying with themselves, questioning one with another what the *rising* from the dead should mean.—*Mark*, ix. 10.

6. Origin. *Obsolete.*
I meddle not with the means of their first *risings*; the munificence of christian princes, the division of the christian world.—*Bishop Hall.* (Ord MS.)

7. Prorogation of Parliament: (as opposed to *session*).
A *rising* of Parliament being a kind of cessation from politics, the Freeholder cannot let his paper drop at a more proper juncture.—*Freeholder*, no. 53. (Ord MS.)

Risk. *s.* [Fr. *risque.*] Hazard; danger; chance of harm.
Some run the *risk* of an absolute ruin for the gaining of a present supply.—*Sir R. L'Estrange.*
When an insolent despiser of discipline, nurtured into contempt of all order by a long *risk* of licence, shall appear before a church governor, severity and resolution are that governor's virtues.—*South, Sermons.*
By allowing himself in what is innocent, he would run the *risk* of being betrayed into what is not so.—*Bishop Atterbury.*
An innocent man ought not to run an equal *risk* with a guilty one.—*Richardson, Clarissa.*

Risk. *v. a.* [Fr. *risquer.*] Hazard; put to chance; endanger.
Who would hope new fame to raise,
Or *risk* his well-established praise,
That, his high genius to approve,
Had drawn a George or carved a Jove?
Addison, Epistle to Sir Godfrey Kneller.

Risker. *s.* One who risks.
He thither came, t' observe and smoak
What courses other *riskers* took. *Butler.*

Riskful. *adj.* Full of risk; hazardous.
I am well aware how *riskful* a die I throw.—*Geddes.*

Rissole. *s.* [Fr.] In *Cookery.* See extract.
[For] *rissoles* chop the white part of a chicken that has been dressed, or any white meat; add a very little lemon-peel, onion, white pepper, salt, nutmeg, and mace; mix all with a little butter and a spoonful of cream; wrap the mince up in a thin puff paste in the form of sausages; rub them over with the yolk of egg, and cover them with crumbs of bread grated very fine. Fry of a light brown, and serve them in crimped parsley. They may be done without paste, but must be mixed with an egg to bind the mince, and being wetted with another on the surface as they require more crumbs.—*Mrs. Gordon, Domestic Cookery.*

Rite. *s.* [Fr. *rit*; Lat. *ritus.*] Solemn act of religion; external observance.
The ceremonies we have taken from such as were before us, are not things that belong to this or that sect, but they are the ancient *rites* and customs of the church.—*Hooker, Ecclesiastical Polity.*
It is by God consecrated into a sacrament, a holy *rite*, a means of conveying to the worthy receiver the benefits of the body and blood of Christ.—*Hammond, On Fundamentals.*
When the prince her fun'ral *rites* had paid,
He plow'd the Tyrrhene seas.
Dryden, Translation of the Æneid, vii. 7.

Ritely. *adv.* In due form. *Latinism, suggested by rite.*
The doctrine of the church of England, and generally of the protestants in this article, is, that after the minister of the holy mysteries hath *ritely* prayed, and blessed or consecrated the bread and the wine, the symbols become changed into the body and blood of Christ, after a sacramental, that is a spiritual real manner.—*Jeremy Taylor, On the Real Presence.* (Ord MS.)

Ritornéllo. *s.* [Italian.] Refrain, repeat, or burden, of an air or song.
Confine the organist to a slightly ornamented refraine, or *ritornello*, at the end of each stave or stanza.—*Mason, Three Essays on Church Musick*, p. 213.

Rítual. *adj.* Solemnly ceremonious; done according to some religious institution.
I said—and instant bade the priests prepare
The *ritual* sacrifice, and solemn pray'r.
Prior, Solomon, iii. 651.
If to tradition were added certain constant *ritual* and emblematical observances, as the emblems were expressive, the memory of the thing recorded would remain.—*Forbes.*

Rítual. *s.* Book in which the rites and observances of religion are set down.
An heathen *ritual* could not instruct a man better than these several pieces of antiquity in the particular ceremonies that attended different sacrifices. —*Addison, Travels in Italy.*

Rítualism. *s.* System, or doctrine, founded upon a strict adherence to a ritual: (at present, commonly applied to the Church of England Ritual, as revived when obsolete).

Rítualist. *s.*

1. One skilled in the ritual.
In whose *ritualists*, as Ben Casem, Sid Ben Hali, Abdalla, &c., if you find any such thing, it will be more than could be expected.—*Gregory, Notes on Scripture*, p. 99: 1684.
Of this there are two notable instances taken notice of by Cassalion, and several other *ritualists*.—*Bourne, Antiquities of the Common People*, p. 26.
I do not know that any one, either of our *ritualists*, or commentators on the liturgy, has described the office of mattins, or morning prayer, as the service was performed in the Church of England established prior to the reformation.—*Shepherd, Elucidation*, introduction, p. xviii.

2. Supporter of ritualism in its recent sense.
Ritualists and rationalists may scare sober people; but they shew that the Church is alive.—*Saturday Review*, August 15th, 1868.

Rítually. *adv.* With some particular ceremony.
In some parts of this kingdom is joined also solemnity of drinking out of a cup, *ritually* composed, decked, and filled with country liquor.—*Selden, Notes on Drayton's Polyolbion*, song ix.

Rivage. *s.* [Fr.] Bank; coast; shore.
Golden sand
The which Pactolus with his waters there
Throws forth upon the *rivage* round about him nere.
Spenser, Faerie Queen.

Think
You stand upon the *rivage*, and behold
A city on th' inconstant billows dancing;
For so appears this fleet.
Shakespear, Henry V. iii. chorus.

Rival. *s.*

1. One who is in pursuit of the same thing which another man pursues; competitor.
Oh love! thou sternly dost thy pow'r maintain,
And wilt not bear a *rival* in thy reign;
Tyrants and thou all fellowship disdain. *Dryden.*

2. Competitor in love.
She saw her father was grown her adverse party, and yet her fortune such as she must favour her *rival*.—*Sir P. Sidney.*
France and Burgundy,
Great *rivals* in our younger daughter's love.
Shakespear, King Lear, i. 1.
Your *rival's* image in your worth I view;
And what I loved in him, esteem in you. *Granville.*

Rival. *adj.* Standing in competition; making the same claim; emulous.
Had I but the means
To hold a *rival* place with one of them,
I should be fortunate.
Shakespear, Merchant of Venice, i. 1.
Equal in years, and *rival* in renown
With Epaphus, the youthful Phaeton
Like honour claims.
Dryden, Translation from Ovid, Metamorphoses, b. i.
[You] turn a wheel, and bark to be employ'd,
While Venus is by *rival* dogs enjoy'd.
Id., Essay upon Satire, 136.

Rival. *v. a.*

1. Stand in competion with another; oppose.
Those that have been raised by the interest of some great minister, trample upon the steps by which they rise, to *rival* him in his greatness, and at length step into his place.—*South, Sermons.*

2. Emulate; endeavour to equal or excel.
Ambitious fool! with horny hoofs to pass
O'er hollow arches of resounding brass;
To *rival* thunder in its rapid course,
And imitate inimitable force.
Dryden, Translation of the Æneid, vi. 796.

Rival. *v. n.* Be competitors. *Obsolete.*
Burgundy,
We first address towards you, who with this king
Hath *rivall'd* for our daughter.
Shakespear, King Lear, i. 1.

Rivality. *s.* [Lat. *rivalitas*.]

1. Equal rank. *Obsolete.*
Cæsar having made use of him in the wars 'gainst Pompey, presently denied him *rivality*; would not let him partake in the glory of the action.—*Shakespear, Antony and Cleopatra*, iii. 5.

2. Competition; rivalry.
Even the highest delights of our hearts must be trampled upon, when they will stand out in *rivality* with God.—*Bishop Hall, Uzzah and the Ark.* (Ord MS.)
He attributed his rejection to the enmity and *rivality* of the young count.—*Wraxall, Memoirs.*

Rivalry. *s.* Competition; emulation.
It is the privilege of posterity to set matters right between those antagonists, who, by their *rivalry* for greatness, divided a whole age.—*Addison.*

Rivalship. *s.* State or character of a rival.
He hath confess'd
To me in private that he loves another,
My lady's woman, Mrs. Pleasance: therefore
Secure you of *rivalship*.
B. Jonson, Magnetick Lady.

Rive. *v. a.* pret. *rived*, part. *riven*. Cleave; divide by a blunt instrument; force in disruption.
At his haughty helmet
So hugely struck, that it the steel did *rive*,
And cleft his head. *Spenser.*
O Cicero!
I have seen tempests, when the scolding winds
Have *rived* the knotty oaks; but ne'er till now
Did I go through a tempest-dropping fire.
Shakespear, Julius Cæsar, i. 3.
The neighbouring forests, formerly shaken and *riven* with the thunder-bolts of war, did envy the sweet peace of Druina.—*Howell, Vocall Forrest.*
Let it come;
Let the fierce lightning blast, the thunder *rive* me.
Rowe.

Rive. *v. n.* Become cloven.
Oh that our hearts could but *rive* in sunder at but the dangers of those publick judgements!—*Bishop Hall, Remains*, p. 69.
Blow, thou west wind,
Blow, till thou *rive*, and make the sea run roaring.
Beaumont and Fletcher, Pilgrim.
Freestone *rives*, splits, and breaks in any direction.—*Woodward.*

Rivel. *v. a.* [*shrivel.*] Contract into wrinkles and corrugations; shrivel.
It [melancholy] makes them hollow-eyed, and to have wrinkled brows, *rivelled* cheeks, dry bodies.—*Burton, Anatomy of Melancholy*, p. 26.
Base queen, and *rivell'd* witch!
Drayton, Polyolbion, song iii.
And since that plenteous autumn now is past,
Whose grapes and peaches have indulged your taste,
Take in good part, from our poor poet's board,
Such *rivell'd* fruits as winter can afford. *Dryden.*
Then droop'd the fading flowers, their beauty fled,
And closed their sickly eyes and hung the head,
And *rivell'd* up with heat, lay dying in their bed.
Id., The Flowers and the Leaf, 375.
Alum stypticks, with contracting power,
Shrink his thin essence like a *rivel'd* flower.
Pope, Rape of the Lock, canto ii.

Riven. *part. adj.* Cloven; split.
As one he stood escaped from cruel fight,
Sore toil'd, his *riven* arms to havock hewn.
Milton, Paradise Lost, vi. 448.
Had I not been blind, I might have seen
Yon *riven* oak, the fairest of the green. *Dryden.*

River. *s.* One who, that which, rives, splits, or cleaves.
An honest block *river*, with his beetle, heartily calling.—*Echard, Observations on the Answer to Contempt of the Clergy*, p. 23.

River. *s.* [Fr. *rivière*; Lat. *rivus*.] Natural channel, containing water contributed by smaller channels of the same kind (brooks, rivulets, &c.), which it discharges into a larger river, a lake, a marsh, a sea, or ocean.
It is a most beautiful country, being stored throughout with many goodly *rivers*, replenished with all sorts of fish.—*Spenser.*
Springs make rivulets; and these united form brooks; which coming forward in streams, compose great *rivers* that run into the sea.—*Locke.*
The first of these *rivers* has been celebrated by the Latin poets for the gentleness of its course, as the other for its rapidity.—*Addison, Travels in Italy.*

Used *adjectivally*, or as the *first element* in a *compound*.
So far as *rivers* depend for their water supplies on the rain falling on the land through which they run, it is clear that each *river*, whether entering the ocean, or terminating in an inland sea or lake, or losing itself in a sand desert, may be regarded as including the natural surface drainage of the whole tract of land through which runs every branch of the *river* and all its tributaries, whether large or small. Thus the greater part of a continent may be grouped into a few districts, each designated by the principal *rivers* running through it. Every such district is called in physical geography a *river-basin*; and the whole group of streams having one outlet is denominated a *river system*. Those which connect with the ocean are called Oceanic; and those not reaching the ocean, Continental. The line separating two such districts is the line of Watershed, from the German Wasserscheide.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

River-god. *s.* Tutelary deity of a river.
His wig hung as straight as the hair of a *river-god* rising from the water.—*Arbuthnot and Pope.*

River-horse. *s.* Hippopotamus: (the two words, ἵππος = horse + πόταμος = river, translating one another).
Rose,
As plants ambiguous between sea and land,
The *river-horse* and scaly crocodile.
Milton, Paradise Lost, vii. 472.

Riveret. *s.* Small stream; rill. *Rare.*
Bring all their *riverets* in,
There end; a new song to begin.
Drayton, Polyolbion.
Calls down each *riveret* from her spring,
Their queen upon her way to bring. *Ibid.* song viii.
Wandle, a clear *riveret*, full of the best trouts.—*Leigh, England Described*, p. 190: 1659.

Rivery. *adj.* Abounding in rivers: (in the extract, like rivers).
Thy full and youthful breasts, which in their meadowy pride,
Are branched with *rivery* veins, meanderlike that glide. *Drayton, Polyolbion*, song x. (Ord MS.)

Rivet. *s.* Fastening pin clenched at both ends.
The armourers accomplishing the knights,
With busy hammers closing *rivets* up,
Give dreadful note of preparation.
Shakespear, Henry V. iv. chorus.
The verse in fashion is, when numbers flow
So smooth and equal, that no sight can find
The *rivet*, where the polish'd piece was join'd.
Dryden.
Though Valeria's fair, and though she loves me too,
'Gainst her my soul is arm'd on every part;
Yet there are secret *rivets* to my heart,
Where Berenice's charms have found the way,
Subtile as lightnings. *Dryden, Tyrannick Love.*
This instrument should move easy upon the *rivet*.—*Sharp.*

Rivet. *v. a.*

1. Fasten with rivets.
This man,
If all our fire were out, would fetch down new,
Out of the hand of Jove; and *rivet* him
To Caucasus, should he but frown.
B. Jonson, Catiline's Conspiracy.

2. Fasten strongly; make immovable.
You were to blame to part with
A thing stuck on with oaths upon your finger,
And *rivetted* with faith unto your flesh.
Shakespear, Merchant of Venice, v. 1.
Why should I write this down, that's *rivetted*,
Screw'd to my memory? *Id., Cymbeline*, ii. 2.
Till fortune's fruitless spite had made it known,
Her blows not shook but *rivetted* his throne.
Dryden.
Thus hath God not only *riveted* the notion of himself into our natures, but likewise made the belief of his being, necessary to the peace of our minds and happiness of society.—*Archbishop Tillotson.*
Where we use words of a loose and wandering signification, hence follows mistake and error, which those maxims, brought as proofs to establish propositions wherein the terms stand for undetermined ideas, do by their authority confirm and *rivet*.—*Locke.*
Rivet and nail me where I stand, ye pow'rs!
Congreve.
Then provoke him to the rage
Of fangs and claws, and stooping from your horse,
Rivet the panting savage to the ground.
Addison, Cato.
A similitude of nature and manners, in such a degree as we are capable of, must tie the holy knot, and *rivet* the friendship between us.—*Bishop Atterbury.*

3. Drive or clench a rivet.
In *riveting*, the pin you *rivet* in should stand upright to the plate you *rivet* it upon; for if it do not stand upright, you will be forced to set it upright, after it is *rivetted*.—*Moxon, Mechanical Exercises.*

Rivo. *interj.* Exclamation in drinking bouts.
Rivo! says the drunkard.—*Shakespear, Henry IV. Part I.* ii. 4.

Rivulet. *s.* Small river; brook; streamlet.
By fountain or by shady *rivulet*,
He sought them both, but wish'd his hap might find
Eve separate. *Milton, Paradise Lost*, ix. 420.
The veins, where innumerable little *rivulets* have their confluence into the common channel of the blood.—*Bentley.*
I saw the *rivulet* of Salforata, formerly called Albula, and smelt the stench that arises from its water, which Martial mentions.—*Addison, Travels in Italy.*

Rixdollar. *s.* [German, *reich* = empire + *thaler* = dollar.] Imperial dollar.

Roach. *s.* In *Navigation*. Curve in the foot of a square sail, from one clew to another, to keep it clear.

Roach. *s.* [A.S. *reoce*.] Native fish of the genus Leuciscus (rutilus).
A *roach* is a fish of no great reputation for his dainty taste: his spawn is accounted much better than any other part of him: he is accounted the water-sheep, for his simplicity and foolishness; and it is noted, that *roaches* recover strength, and grow in a fortnight after spawning.—*I. Walton, Complete Angler.*
If a gudgeon meet a *roach*,
He dare not venture to approach;
Yet still he leaps at flies. *Swift.*

Roach. *s.* [see extract.] 'As sound as a *roach*' means firm; stout.
Ray has the expression, as sound as a trout; but sometimes people will express it, *as sound as a roach*, which is by no means a firm fish, but rather otherwise; and on that account Mr. Thomas surmises it should rather be *sound as a roche*, or *rock*: and it is certain, the abbey of De Rupe, in Yorkshire, was called *Roche-abbey*, implying that *roche* was formerly the pronunciation of *rock* here, in some places at least.—*Pegge, Anonymiana*, p. 349.

Road. *s.* [A.S. *rád*.]

1. Large way; path.
To God's eternal house direct the way,
A broad and ample *road*.
Milton, Paradise Lost, vii. 576.
The liberal man dwells always in the *road*.—*Bishop Fell.*
To be indifferent whether we embrace falsehood or truth, is the great *road* to error.—*Locke.*
There is but one *road* by which to climb up.—*Addison.*
I know not in the whole range of language terms

sufficiently expressive to describe this infernal *road*. Let me most seriously caution all travellers, who may accidentally propose to travel this terrible country, to avoid it as they would the devil; for a thousand to one they break their necks, or their limbs, by overthrows or breakings-down.—*Arthur Young, A Six Months' Tour through the North of England.*

2. Ground where ships may anchor.

I should be still
Peering in maps for ports and *roads*;
And every object that might make me fear
Misfortune to my ventures.
Shakespear, Merchant of Venice, i. 1.

About the island are many *roads*, but only one harbour.—*G. Sandys, Journey.*

3. Inroad; incursion.

The Volscians stand
Ready, when time shall prompt them, to make *road*
Upon's again. *Shakespear, Coriolanus*, iii. 1.

Cason was desirous of the spoil, for he was, by the former *road* into that country, famous and rich.—*Knolles, History of the Turks.*

The king of Scotland, seeing none came in to Perkin, turned his enterprise into a *road*, and wasted Northumberland with fire and sword.—*Bacon, History of the Reign of Henry VII.*

4. Journey.

With easy *roads* he came to Leicester,
And lodged in the abbey.
Shakespear, Henry VIII. iv. 2.

He from the east his flaming *road* begins.
Milton, Paradise Lost, viii. 162.

5. Act or state of travelling.

Some taken from their shops and farms, others from their sports and pleasures, these at suits at law, those at gaming-tables, some on the *road*, others at their own fire-sides.—*Law.*

Roádmaking. *s.* Making of roads.

The improvement in *roadmaking* which consisted in due attention to the substratum or foundation of the road, so as to give increased facility to the tractive power by rendering its surface hard and unyielding, is due to the late Mr. Telford.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Roádmetal. *s.* Stone used for roads; road-material.

Roádside. *s.* Side of a road: (used *adjectivally*, as, 'A *roadside* inn').

Plantains or roadweeds are among the commonest of weeds on our *roadsides*.—*Henfrey, Elementary Course of Botany.*

Roádstead. *s.* Place fit for ships to anchor in at some distance from the shore; and, as such, distinguished from a harbour.

Three large ships of war and a lugger had anchored in a small *roadstead* upon the coast.—*London Gazette Extraordinary*, Feb. 27, 1797.

Roádster. *s.* Horse adapted for riding, or driving, along a road, as opposed to *hunters* (who are ridden across country) and *racers* (for the turf).

The various breeds of horses which are employed in England may be divided into the following principal forms, of each of which there are varieties: the pony, the galloway, the heavy draught horse, the coach horse, the *roadster*, or hackney, the hunter, and the race-horse.—*Bell, British Quadrupeds.*

Roádway. *s.* Course of the public road; highway.

Never a man's thought in the world keeps the *roadway* better than thine.—*Shakespear, Henry IV. Part II.* ii. 2.

Employing them at home about some publick buildings, as bridges, *roadways*, &c.—*Burton, Anatomy of Melancholy*, preface.

I have digressed into such a path, as I doubt not ye will agree with me to be much fairer, and more delightful, than the *roadway* I was in.—*Milton, Apology for Smectymnuus.*

Would you not think him a madman, who, whilst he might easily ride on the beaten *roadway* should trouble himself with breaking up of gaps?—*Sir J. Suckling.*

Roádweed. *s.* Plant so called, according to the extract of the genus Plantago; perhaps, also, the Polygonum aviculare, or knotgrass.

Plantago major, minor, and lanceolata, called plaintains, or *road-weeds*, are among the commonest of our weeds on roadsides, in meadows, and all undisturbed ground where the soil is not very light.—*Henfrey, Elementary Course of Botany.*

Roam. *v. n.* Ramble.

Five summers have I spent in farthest Greece,
Roaming clean through the bounds of Asia.
Shakespear, Comedy of Errors, i. 1.

The lonely fox *roams* far abroad,
On secret rapine bent, and midnight fraud.
Prior, Solomon, i. 210.

Roam. *v. a.* Range or wander over.

Now fowls in their clay nests were couch'd,
And now wild beasts came forth the woods to *roam*.
Milton, Paradise Regained, i. 501.

Roam. *s.* Roaming.

The boundless space through which these rovers take
Their restless *roam*, suggests the sister-thought,
Of endless time. *Young, Night Thoughts*, night ix.

Roáming. *verbal abs.* Rambling; roving.

The ravings and *roamings* of a busy fancy.—*Dr. H. More, Mystery of Godliness*, p. 282.

Roan. *adj.* [Fr. *rouen.*] See second extract.

What horse? a *roan*, a crop-ear, is it not?
Shakespear, Henry IV. Part I. ii. 3.

A *roan* horse is a horse of a bay, sorrel, or black colour, with grey or white spots interspersed very thick.—*Farrier's Dictionary.*

Roan-tree. *s.* [Todd has entered the word as *roun-tree*, noting the spellings *roan-tree*, and *royne-tree*; to these *rowan-tree*, which is perhaps the commonest, may be added. How many names the tree has, and how they vary, may be collected from the following extract from Loudon. 'Quicken tree, quick beam, wild ash, wild service, wicken tree, *rowan tree, rowne tree, roan tree, roddan, routry*, mountain service, wicken, wild sorb, whichen, whitten, wiggen tree.' It is in Britain a north rather than a south country word, and it is also more Scandinavian than German: Danish, *rön, rönnetræ*; Norwegian, *rogn, rognetræ, rognbær*. Of these extracts the Danish and Swedish justify us in spelling the word as a monosyllable, while the Norwegian, giving the sound *g*, shows that, as against *rowan, royne* is the better form. All these forms, however, make against the assumed connection of the word with Rune=letter, cypher, secret, &c., notwithstanding the reputed properties of the tree as a protection against witchcraft.] Native tree of the genus Pyrus (aucuparia); mountain ash; wild service tree.

Roan-tree and red thread
Put the witches to their speed.
Traditionary Rhyme from Jamieson.

The superstitious still continue a great veneration for [this tree]. They believe that any small part of this tree, carried about with them, will prove a sovereign charm against all the dire effects of enchantments and witchcraft.... The dairy maid will not forget to drive [the cattle] to the shealings, or summer pastures, with a rod of the *rowan-tree*, which she carefully lays up over the door of the sheal-boothy, or summer-house, and drives them home again with the same.—*Lightfoot, Flora Scotica.*

A branch of the *roan-tree* is still considered good against evil influences in the Highlands of Scotland and Wales, where it is often hung up over doorways, and in stables and cow-houses, to neutralize the spells of witches and warlocks.—*Sir T. Dick Lauder.*

Roar. *v. n.* [A.S. *rarar.*]

1. Cry as a lion or other wild beast.

The young lions *roared* upon him and yelled.—*Jeremiah*, ii. 15.

Warwick and Montague,
That in their chains fetter'd the kingly lion,
And made the forest tremble when they *roar'd*.
Shakespear, Henry VI. Part III. v. 7.

The death of Daphnis woods and hills deplore,
They cast the sound to Libya's desert shore;
The Libyan lions hear, and hearing *roar*.
Dryden, Translation of Virgil, Eclogues, v. 40.

2. Cry in distress.

At his nurse's tears
He whined and *roar'd* away your victory,
That pages blush'd at him.
Shakespear, Coriolanus, v. 5.

Sole on the barren sands the suff'ring chief
Roar'd out for anguish, and indulged his grief.
Dryden, Translation of the First Book of the Iliad, 487.

3. Sound as the wind or sea.

South, East, and West, with mixt confusion *roar*,
And rowl the foaming billows to the shore.
Dryden, Translation of the Æneid, i. 126.

Loud as the wolves on Orcas' stormy steep
Howl to the *roaring* of the northern deep. *Pope.*

4. Make a loud noise.

The brazen throat of war had ceased to *roar*.
Milton, Paradise Lost, xi. 713.

Consider, reader, what fatigues I've known ...
How oft I cross'd where carts and coaches *roar'd*.
Gay, Trivia, iii. 393.

Roar. *s.*

1. Cry of the lion or other beast.

The wonted *roar* is up,
And hiss continual through the tedious night.
Thomson, Seasons, Summer, 949.

2. Outcry of distress.

3. Clamour of merriment.

Where be your gibes now? your gambols? your songs? your flashes of merriment, that were wont to set the table in a *roar*?—*Shakespear, Hamlet*, v. 1.

4. Sound of the wind or sea.

The *roar*
Of loud Euroclydon. *J. Philips.*

5. Any loud noise.

Deep-throated engines belch'd, whose *roar*
Imbowel'd with outrageous noise the air.
Milton, Paradise Lost, vi. 586.

Oft on a plat of rising ground,
I hear the far-off curfew sound,
Over some wide-water'd shore,
Swinging slow with sullen *roar*.
Id., Il Penseroso, 73.

When cannons did diffuse,
Preventing posts, the terror, and the news;
Our neighbour princes trembled at their *roar*.
Waller.

The waters, listening to the trumpet's *roar*,
Obey the summons, and forsake the shore. *Dryden.*

Roárer. One who roars.

1. Noisy brutal man.

Hear this, ye godless and swaggering *roarers*, that dare say with Pharaoh, Who is the Lord? You that now bid defiance to fear, shall in spite of you learn the way to fear.—*Bishop Hall, Remains*, p. 231.

The English *roarers* put down all.—*Howell.*

2. One who bawls.

The *roarer* has no other qualification for a champion of controversy, than a hardened front and strong voice. Having seldom so much desire to confute as to silence, he depends rather upon vociferation than argument.—*Johnson, Rambler*, no. 144.

Roáring. *verbal abs.*

1. Cry of the lion or other beast.

The king's wrath is as the *roaring* of a lion.—*Proverbs*, xix. 12.

More *roarings* of the lion.—*Addison, Guardian*, no. 124.

2. Outcry of distress.

My sighing cometh before I eat, and my *roarings* are poured out like water.—*Job*, iii. 24.

3. Sound of the wind or sea.

They shall roar against them like the *roaring* of the sea.—*Isaiah*, v. 30.

Roast. *v. a.* [N.Fr. *rostir*; Fr. *rôtir*; A.S. *hrostian.*]

1. Dress meat, by turning it round before the fire.

The slothful man *roasteth* not that which he took in hunting.—*Proverbs*, xii. 27.

Roasting and boiling are below the dignity of your office.—*Swift, Advice to Servants, Directions to the Cook.*

2. Impart dry heat to flesh.

Here elements have lost their uses,
Air ripens not, nor earth produces;
Fire will not *roast*, nor water boil. *Swift.*

3. Dress at the fire without water.

In eggs boiled and *roasted*, there is scarce difference to be discerned.—*Bacon, Natural and Experimental History.*

4. In *Metallurgy.* Apply to an ore a heat below its fusing point, but high enough to expel their sulphur, arsenic, water, or carbonic acid.

5. Heat anything violently.

Roasted in wrath and fire,
He thus o'ersized with coagulate gore,
Old grandsire Priam seeks.
Shakespear, Hamlet, ii. 2.

6. Jeer or banter. *Colloquial.*

On bishop Atterbury's *roasting* lord Coningsby about the topick of being priest-ridden.—*Bishop Atterbury, Epistolary Correspondence*, vol. ii. p. 417.

Roast. *s.* That which is roasted.

He drave him thence, as Tobias drove away the spirit Asmodeus; for that was done with a *roste*, and this with a spit.—*Sir J. Harrington, Brief View of the State of the Church of England*, p. 63.

My soldiers were slayne fast before mine own eyes,
And forced to flie, yield, and smell of the *rost*.
Mirrour for Magistrates. (Nares by H. and W.)

Rule the roast. Govern; manage; preside.

Where champions *ruleth the rost*,
Their daily disorder is most.
Tusser, Five Hundred Points of good Husbandry.

The new-made duke, that *rules the roast*.
Shakespear, Henry VI. Part II. i. 2.
Alma slap-dash, is all again
In every sinew, nerve, and vein;
Runs here and there like Hamlet's ghost,
While everywhere she *rules the roast*.
Prior, Alma, i. 18.

Roáster. *s.*
1. One who roasts meat.
2. Gridiron.
3. In *Metallurgy*. Roasting furnace.
The furnaces [for copper] are of the reverberatory character. . . . There are five of them:—1. The calcining furnace or calciner; 2. The melting furnace; 3. The roasting furnace, or *roaster*; 4. The refining furnace; 5. The heating or igniting furnace.—*Ure, Dictionary of Arts, Manufactures, and Mines, Copper.*

Roásting. *verbal abs.* Act of one who roasts; process by which anything is roasted: (with a special application in *Metallurgy*).
The calcinations and fusions take place in the following order:—1. Calcination of the ore. . . . 7. *Roasting* of the coarse copper. In some works, this *roasting* is repeated four times; in which case a calcination and a melting are omitted. In the Havod works, however, the saving is made without increasing the number of *roastings*.—*Ure, Dictionary of Arts, Manufactures, and Mines*, in voce *Copper*.

There's a reason in the roasting of eggs. There is a right and a wrong way in everything.
There was more *reason* in this too, than *in the roasting of eggs*.—*Dickens, Martin Chuzzlewit*, ch. xv.

Rob. *s.* [Arabic.—'Namque, ut omittam trita illa et circumforanea nomina, syrupum, *rob*, julapium, elixir, et sexcenta alia, ad materiam præcipuè medicam pertinentia, unde putatis anatomicos,' &c. (Hunt, Oratio de Antiquitate Linguæ Arabicæ, p. 42: 1739).] Inspissated juices.
The infusion, being evaporated to a thicker consistence, passeth into a jelly, *rob*, extract, which contains all the virtues of the infusion.—*Arbuthnot, On the Nature and Choice of Aliments.*

Rob. *v. a.* [Low. Lat. from A S. *reafian*.—'Ab hac significatione (*reaf* = spoil) Latino-barbarum *raubare* et *robare*, pro prædari, deprædari, rapere, nostratibus to rob; item roberia, *robbery*.' (Somers).]
1. Deprive of anything by unlawful force, or by secret theft; plunder. (To be *robbed*, according to the present use of the word, is to be injured by theft, secret or violent; to *rob*, is to take away by unlawful violence; and to *steal*, is to take away privately.)
Is't not enough to break into my garden,
And, like a thief, to come to *rob* my grounds,
But thou wilt brave me with these saucy terms?
Shakespear, Henry VI. Part II. iv. 10.
The water-nymphs lament their empty urns,
Bœotia, *robb'd* of silver Dirce, mourns.
Addison, Translation from Ovid, Story of Phaeton.
2. Set free; deprive of something bad. *Ironical.*
Our house is hell, and thou, a merry devil,
Did'st *rob* it of some taste of tediousness.
Shakespear, Merchant of Venice, ii. 3.
3. Take away unlawfully.
Better be disdain'd of all, than fashion a carriage to *rob* love from any.—*Shakespear, Much Ado about Nothing*, i. 3.
Procure, that the nourishment may not be *robbed* and drawn away.—*Bacon, Natural and Experimental History.*
Nor will I take from any man his due;
But thus assuming all, he *robs* from you. *Dryden.*
Oh double sacrilege on things divine,
To *rob* the relick, and deface the shrine! *Id.*

Róbber. *s.* One who, that which robs; one who plunders by force, or steals by secret means; plunderer; thief.
These hairs, which thou dost ravish from my chin
Will quicken and accuse thee; I'm your host;
With *robbers'* hands, my hospitable favour
You should not ruffle thus.
Shakespear, King Lear, iii. 7.
Thou, . . . like a *robber*, stripp'dst them of their robes. *Milton, Samson Agonistes*, 1188.
The *robber* must run, ride, and use all the desperate ways of escape; and probably after all, his sin betrays him to the gaol, and from thence advances him to the gibbet.—*South, Sermons.*

A train of ills, a ghastly crew,
The *robber's* blazing track pursue.
Dryden, Translation from Horace, b. i. ode i.
Publick *robbers* are more criminal than petty and common thieves.—*Sir W. Davenant.*

Róbbery. *s.* Theft perpetrated by force or with privacy.
Thieves for their *robbery* have authority,
When judges steal themselves.
Shakespear, Measure for Measure, ii. 2.
Some more effectual way might be found for suppressing common thefts and *robberies*.—*Sir W. Temple.*

Róbbins. *s.* [*rope-bands*.] In *Navigation*. Small ropes which fasten the sails to the yards.
Ropebands, pronounced *robins*, are pieces of small rope, or braided cordage, having an eye at one end; they are used in pairs to the upper edges of the square sails to their respective yards, the long leg passing over the yard two or three times round, and the short leg coming under, is tied to it upon the yard.—*Falconer, Nautical Dictionary.* (Burney.)

Robe. *s.* [Fr.] Gown of state; dress of dignity.
Through tatter'd clothes small vices do appear;
Robes and furr'd gowns hide all.
Shakespear, King Lear, iv. 6.
The last good king, whom willing Rome obey'd,
Was the poor offspring of a captive maid;
Yet he those *robes* of empire justly bore,
Which Romulus, our sacred founder, wore.
Stepney, Translation of Juvenal, viii. 466.

Robe. *v. a.* Dress pompously; invest.
What christian soldier will not be touched with a religious emulation, to see an order of Jesus do such service for enlarging the christian borders; and an order of St. George only to *robe*, and feast, and perform rites and observances?—*Bacon.*
There in long robes the royal magi stand;
The sage Chaldæans *robed* in white appear'd,
And Brachmans. *Pope, Temple of Fame.*

Róbert (Herb). *s.* Species of cranesbill; Geranium Robertianum.
Herb Robert is called in High Dutch Ruprechtskraut, . . . and thereupon it is named in Latin, Ruperta, and *Roberti herba*: Ruellius calls it Robertiana, and we, Robertianum: in English *Herb Robert*. . . . *Herb Robert* is of mixed temperature, somewhat cold; and yet both scouring and somewhat binding, participating of mixed faculties.—*Gerarde, Herball*, p. 939: 1633.
Herb Robert [was] used to cure a disease called in Germany *Ruprechts-Plage*, very probably in allusion to Robert, Duke of Normandy, for whom the celebrated medical work of the middle ages, the Ortus Sanitatis was written. The name occurs in a MS. vocabulary of the thirteenth century.—*Dr. A. Prior, Popular Names of British Plants.*

Róbertsman. *s.* See extract. More probably, from the date of the statute and the district which they frequented, old partisans of Robert Bruce.
Robbersmen, or *Robberdsmen*, were a sort of great thieves mentioned in the statutes (5 Edw. 3, &c.) . . . of whom Coke says, that Robin Hood lived in the reign of King Richard I., on the borders of England and Scotland, by robbery, burning of houses, rapine and spoil, &c., and that these *Robberdsmen* took name from him.—*Tomline, Law Dictionary.*

Róbin, Róbin-rédbreast. *s.* Redbreast; ruddock.
Up a grove did spring, green as in May,
When April had been moist; upon whose bushes
The pretty *robins*, nightingales, and thrushes
Warbled their notes. *Sir J. Suckling.*
The *robin-red-breast* till of late had rest,
And children sacred held a martin's nest.
Pope, Imitations of Horace, b. ii. sat. ii.

Róbin-goódfellow. *s.* Sprite so called, the *Robin* being, word for word, the *Ruprecht* of the Germans. See Raw-head and Bloody-bones.
Dregs of miracles in milkepanns, and greasie dishes, by *Robin-goodfellow*, and haggs, and fayries!—*Dering, Exposition on the Epistle to the Hebrews*, H. 7: 1576.
A bigger kind there is of them [fairies] called with us hobgoblins, and *Robin-goodfellows*, that would, in those superstitious times, grind corn for a mess of milk.—*Burton, Anatomy of Melancholy*, p. 47.

Róbin-rúddock. *s.* Redbreast. *Rare.*
Dyd you ever see two suche little *robin-rudockes*,
So laden with breeches.
Damon and Pythias. (Nares by H. and W.)

Róbinet. *s.* Robin (redbreast).
The mavis, merle, and *robinet*.
Drayton, Muse's Elysium, nymphal viii. (Rich.)

Rob-o'-Davy. *s.* [?] Drink so called.
Sherry nor *Rob-o'-Davy* here could flow.
Taylor (the Water-poet): 1630.
(Nares by H. and W.)

Robúst. *adj.* [Lat. *robustus*.]
1. Strong; coarse; rude.
Hardly could one see a man of a more grim aspect; and no less *robust* and rude was his behaviour.—*Sir T. Herbert, Memoirs of King Charles I.*
2. Requiring strength.
The tenderness of a sprain remains a good while after, and leaves a lasting caution in the man, not to put the part quickly again to any *robust* employment.—*Locke.*

Robústious. *adj.* Improper form of Robust.
1. Strong; sinewy; vigorous; forceful.
These redundant locks,
Robustious to no purpose, clust'ring down,
Vain monument of strength.
Milton, Samson Agonistes, 568.
2. Boisterous; violent; unwieldy.
The men sympathize with the mastiffs, in *robustious* and rough coming on.—*Shakespear, Henry V.* iii. 7.
It offends me to hear a *robustious* periwig-pated fellow tear a passion to tatters, to very rags, to split the ears of the groundlings.—*Id., Hamlet*, iii. 2.
While I was managing this young *robustious* fellow, that old spark, who was nothing but skin and bone, slipt through my fingers.—*Dryden, Don Sebastian*, i. 1.
3. Used in low language, and in a sense of contempt.
Admires how modest women can
Be so *robustious* like a man. *Swift.*

Robústiously. *adv.* In a robustious manner; with violence; with fury.
He speaketh wickedly, roughly, and *robustiously*.—*Bishop Richardson, On the Old Testament*, p. 287.
The multitude commend writers, as they do fencers or wrestlers, who, if they come in *robustiously*, and put for it with a deal of violence, are received for the braver fellows.—*B. Jonson, Discoveries.*

Robústiousness. *s.* Attribute suggested by Robustious; quality of being vigorous.
That *robustiousness* of body, and puissance of person, which is the only fruit of strength.—*Sir E. Sandys, State of Religion*, sign. S. 2: 1605.

Robústness. *s.* Attribute suggested by Robust; strength; vigour.
Beef may confer a *robustness* on my son's limbs, but will hebetate his intellectuals.—*Arbuthnot and Pope.*

Roc. *s.* Fabulous oriental bird: (best known from the story of Sindbad, in the Arabian Nights).
In ancient Indian mythology, the delicate white cirrus cloud drifting overhead was a fleeting swan; and so it was as well in the creed of the Scandinavian. . . . The rushing vapour is the *roc* of the Arabian Nights, which broods over its great luminous egg, the sun, and which haunts the sparkling valley of diamonds.—*Baring-Gould, Curious Myths of the Middle Ages, Second Series, Schamir.*

Rócambóle. *s.* [Fr.; German, *rohkamboln*.] Garden plant akin to the onions; Allium scorodoprasum from σκόροδον = garlic, and πράσον = leek, from the intermediate character of its qualities.]
Rocambole is a sort of wild garlick, otherwise called Spanish garlick; the seed is about the bigness of ordinary peas.—*Mortimer, Husbandry.*
Garlick, *rocambole*, and onions abound with a pungent volatile salt.—*Arbuthnot, On the Nature and Choice of Aliments.*
Rocambole . . . is used for nearly the same culinary purposes as the shallot and garlic, is milder than either of them, but is employed to a very limited extent. . . . Sometimes it produces . . . small buds upon the stem . . . used as a substitute both for use and planting. There is only one sort cultivated in Britain.—*McIntosh, Book of the Garden.*
Allium cepa is the onion; A. porrum, the leek; A. sativum, garlic; A. schœnoprasum, the chive; A. ascalonicum, the shallot; A. scorodoprasum, the *rocambole*.—*Henfrey, Elementary Course of Botany.*

Róchet. *s.* [Fr.; Low Lat. *rochetum*; German *rock* = coat; A.S. *roc, rooc*.]
1. Outer garment.
Rochet a frock, loose gaberdine, gown of canvas or coarse linen, worn by a labourer over the rest of his clothes; also, a prelate's *rochet*, &c.—*Cotgrave.*
2. Linen habit now peculiar to a bishop, worn under the chimere.
Rochet [is] that linen garment which is worn by bishops, gathered at the wrists; it differs from a surplice, for that hath open sleeves hanging down; but a *rochet* hath close sleeves.—*Tomline, Law Dictionary.*
Bishops were obliged, by the canon law, to wear their *rochets* whenever they appeared in publick;

which practice was constantly kept up in England till the Reformation.—*Wheatly, Rational Illustration of the Book of Common Prayer*, ch. ii. § 4.

Hail to thy returning festival, old Bishop Valentine!... or wert thou indeed a mortal prelate, with thy tippet and thy *rochet*, thy apron on, and decent lawn sleeves? Mysterious personage! like unto thee, assuredly, there is no other mitred father in the calendar.—*C. Lamb, Essays of Elia, Valentine's Day.*

3. Fish so called.

Of *rochets*, whitings, or such common fish.
W. Browne, Britannia's Pastorals, b. ii. song i.

Rock. *s.* [Fr. *roche.*]

1. Vast mass of stone, fixed in the earth.

The splitting *rocks* cower'd in the sinking sands,
And would not dash me with their ragged sides.
Shakespear, Henry VI. Part II. iii. 2.

These lesser *rocks*, or great bulky stones, are they not manifest fragments?—*T. Burnet, Theory of the Earth.*

The darksome pines, that o'er yon *rocks* reclined,
Wave high, and murmur to the hollow wind.
Pope, Eloisa to Abelard.

Used *adjectivally.*

There be *rock* herbs; but those are where there is some mould.—*Bacon, Natural and Experimental History.*

Distilling some of the tincted liquor, all that came over was as limpid and colourless as *rock* water, and the liquor remaining in the vessel deeply ceruleous.—*Boyle.*

2. In *Geology* its import is somewhat wider, and the term applies to masses of earthy matter of which both the form and material vary from that of ordinary crags and stones.

All mineral masses underlying the soil and subsoil of any part of the earth are designated by the geologist *rocks*. The term has long been in use, and is convenient. *Rocks* are either fossiliferous or non-fossiliferous.... The essential basis of stratified rocks is always either limestone, sandstone, or clay. Unstratified *rocks* present modifications of the same materials.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

3. Protection; defence: (a *scriptural* sense).

Though the reeds of Egypt break under the hand of him that leans on them, yet the *rock* of Israel will be an everlasting stay.—*Eikon Basilike.*

Rock. *s.* [Danish.] Distaff held in the hand, from which the wool was spun by twirling a ball below.

A learned and a manly soul
I purposed her; that should with even powers,
The *rock*, the spindle, and the shears, controul
Of destiny, and spin her own free hours. *B. Jonson.*

On the *rock* a scanty measure place
Of vital flax, and turn the wheel apace. *Dryden.*

Flow from the *rock* my flax, and swiftly flow,
Pursue thy thread, the spindle runs below. *Parnell.*

Rock. *v. a.* [Fr. *roquer.*]

1. Shake; move backwards and forwards.

If, by a quicker *rocking* of the engine, the smoke were more swiftly shaken, it would, like water, vibrate to and fro.—*Boyle.*

The wind was laid; the whispering sound
Was dumb; a rising earthquake *rock'd* the ground.
Dryden.

A living tortoise, being turned upon its back, could help itself only by its neck and head, by pushing against the ground to *rock* itself as in a cradle, to find out the side towards which the inequality of the ground might more easily permit it to roll its shell.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. Move the cradle, in order to procure sleep.

Come, take hands with me,
And *rock* the ground whereon these sleepers lie.
Shakespear, Midsummer-Night's Dream, iv. 1.

Leaning her head upon my breast,
My panting heart *rock'd* her asleep.
Sir J. Suckling.

My bloody resolutions,
Like sick and froward children,
Were *rock'd* asleep by reason.
Sir J. Denham, The Sophy.

While his secret soul on Flanders preys,
He *rocks* the cradle of the babe of Spain.
Dryden, Annus Mirabilis.

High in his hall, *rock'd* in a chair of state,
The king with his tempestuous council sate.
Id., Translation from Ovid, Canace to Macareus.

'Well, child, what is it—is it money you bring?' cried the old woman, when Vanslyperken entered the room.—'No, mother,' replied Vanslyperken, throwing himself on the only chair in the room, except the one with the legs cut off half-way up, upon which his mother was accustomed to *rock* herself before the grate.—*Marryat, Snarleyyow*, vol. iii. ch. ii.

During this digression, and indeed during the whole dialogue, Jonas had been *rocking* on his chair, with his hands in his pocket, and head thrown cunningly on one side. He looked at Mr. Pecksniff now with such shrewd meaning twinkling in his eyes, that Mr. Pecksniff stopped, and asked him what he was going to say.—*Dickens, Martin Chuzzlewit*, ch. xliv.

3. Lull; quiet.

Sleep *rock* thy brain,
And never come mischance between us twain!
Shakespear, Hamlet, iii. 2.

O lull me, lull me, charming air,
My senses *rock* with wonder sweet
Like snow on wool thy fallings are;
Soft, like a spirit, are thy feet!
Song on Musick, in *Wit Restored*, p. 95: 1658.

Rock. *v. n.*

1. Be violently agitated; reel to and fro.

The *rocking* town
Supplants their footsteps; to and fro they reel
Astonish'd. *J. Philips, Cyder*, i. 224.

2. Swing as in a cradle.

Old Martin lingered for a few moments, as if he would have addressed some words to Jonas; but looking round, and seeing him still seated on the floor, *rocking* himself in a savage manner to and fro, took Chuffey's arm, and slowly followed Nadgett out.—*Dickens, Martin Chuzzlewit*, ch. li.

Rócking. *verbal abs.* Action of one who rocks; state of being rocked.

I like this *rocking* of the battlements.
Young, Revenge, i. 1.

Rock-doe. *s.* Species of deer so called.

The *rock-doe* breeds chiefly upon the Alps: a creature of admirable swiftness; and may probably be that mentioned in the book of Job: her horns grow sometimes so far backward, as to reach over her buttocks.—*Grew, Museum.*

Rock-dove. *s.* Pigeon.

The *rock-dove*, as the name implies, is a species which, in its native and wild state, inhabits high rocks near the sea-coast.... The *rock dove*, as a species distinct from the stock dove, was called Columba livia, on account of its lighter or more livid blue colour.—*Yarrell, History of British Birds.*

Rock-ruby. *s.* See extract.

Rock-ruby [is] a name given by lapidaries and jewellers to the garnet, when it is of a very strong, but not deep red, and has a fair cast of the blue.—*Sir J. Hill, On Fossils.*

Rock-ruby is of a deep red, and the hardest of all the kinds.—*Woodward, On Fossils.*

Rock-pigeon. *s.* Sort of pigeon which builds in rocks by the sea-coast.

Pigeons or doves are of several sorts; as wood-pigeons and *rock-pigeons.*—*Mortimer, Husbandry.*

Rock-salt. *s.* Mineral salt.

Two pieces of transparent *rock-salt*; one white, the other red.—*Woodward, On Fossils.*

Rócker. *s.* One who, that which, rocks.

His fellow, who the narrow bed had kept,
Was weary, and without a *rocker* slept.
Dryden, The Cock and the Fox, 227.

Rócket. *s.* [Italian, *rocchetto.*] Artificial fire-work, being a cylindrical case of paper filled with nitre, charcoal, and sulphur, which mounts in the air to a considerable height, and there bursts.

Every *rocket* ended in a constellation, strowing the air with a shower of silver spangles.—*Addison.*

When bonfires blaze, your vagrant works shall rise
In *rockets*, till they reach the wond'ring skies.
Garth.

The cartridge [of *rockets*] is similar to that of the other jets, except in regard to its length, and the necessity of pasting it strongly, and planing it well; but it is charged in a different manner. As the sky-rockets must fly off with rapidity, their composition should be such as to kindle instantly throughout their length, and extricate a vast volume of elastic fluids. To effect this purpose a small cylindric space is left vacant round the axis, that is, the central line is tubular. The fireworkers call this space the soul of the *rocket.*—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Rócket. *s.* [from Fr. *roquette*; Lat. *eruca.*] Term applied to certain cruciferous plants (akin to the stocks, cresses, &c.) of the genera Sisymbrium Iris (London), Cakile maritima (sea), and Barbarea vulgaris (yellow rocket).

Rocket is one of the sallet furniture.—*Mortimer, Husbandry.*

Numerous species [of the order Cruciferæ] are celebrated for their beauty, of which the wall-flower, stock, honesty, and *rocket*, are every-day examples.—*Lindley, Vegetable Kingdom.*

RócKiness. *s.* Attribute suggested by Rocky.

This *rockiness* in the highest part proves his fine earth to be but a figment.—*Bishop H. Croft, On Dr. T. Burnet's Theory of the Earth*, p. 162: 1685.

RócKingchair. *s.* Chair fitted so as to swing backwards and forwards.

Before [the fender] swinging himself in a *rocking-chair*, lounged a large gentleman with his hat on.—*Dickens, Martin Chuzzlewit*, ch. xvii.

RócKinghorse. *s.* Wooden horse fixed on a frame, by which children may play at riding.

RócKingstone. *s.* Large stone, or piece of rock, so poised by nature, that whilst a slight force will shake, a large one will not overturn it; in Cornwall called a *logan* or *loggan-stone.* Borlase, though in his chapter on the rockingstones of Cornwall he especially states that he does not know the meaning of this word, gives it in the Dictionary (Llwyd's) of his Appendix, *logan* = rocking. The connection is more probably with *lech* = stone.

Among the curious rude stone monuments consisting of single stones, we may take some notice of the Gygonean, *rocking*, or *logan stones.*—*Borlase, Observations on the Antiquities, &c., of the County of Cornwall*, p. 170: 1754.

Behold yon huge
And unhewn sphere of living adamant,
Which, poised by magic, rests its central weight
On yonder pointed rock; firm as it seems,
Such is its strange and virtuous property,
It moves obsequious to the gentlest touch
Of him whose hand is pure; but to a traitor,
Though ev'n a giant's prowess nerved his arm,
It stands as fixed as Snowdon. (page 202.)

This is meant to describe the *rocking-stone* of which there are several still to be seen in Wales, Cornwall, and Denbighshire. They are universally supposed by antiquarians to be Druid monuments; and Mr. Toland thinks, 'that the Druids made the people believe that they only could move them, and that by a miracle, by which they condemned or acquitted the accused, and often brought criminals to confess what could in no other way be extorted from them.' It was this conjecture which gave the hint for this piece of machinery. The reader may find a description of one of these *rocking-stones* in Camden's Britannia, in his account of Pembrokeshire; and also several in Borlase's History of Cornwall.—*Mason, Caractacus, and note.*

Róckless. *adj.* Wanting, destitute of, rocks.

A crystal brook
Is weedless all above, and *rockless* all below.
Dryden.

Róckling. *s.* [?] British fish of the genus Motella; M. vulgaris being the three-bearded, and M. quinquecirrata the five-bearded rockling.

In its habits it [the five-bearded] closely resembles the three-bearded *rockling*, and several naturalists consider them only as varieties of one species.—*Yarrell, History of British Fishes.*

Róckrose. *s.* Native plant of the genus Helianthemum.

An anonymous writer in the Linnæa, whose views are often judicious, would place the *rock-roses* in the neighbourhood of Mesembryaceæ, Nyctagineæ, and Polygonaceæ, and next Portulacaceæ; an opinion evidently formed upon the supposed importance of a curved embryo, and mealy albumen.... South Europe and the north of Africa are the countries that *rock-roses* chiefly inhabit. They are rare in North America, extremely uncommon in South America, and scarcely known in Asia.—*Lindley, Vegetable Kingdom.*

Rock-rose is a name which properly belongs to the Cisti, with which the English representatives of the order were once comprised, from the resemblance of some of them to a rose, and their growth on the rock.—*Dr. A. Prior, Popular Names of British Plants.*

Rócksnake. *s.* Large snake, akin to the Boas, of the genus Python.

RócKwork. *s.* Stones fixed in mortar, in imitation of the asperities of rocks, and used as ornaments in landscape gardening.

The garden is fenced on the lower end, by a natural mound of *rockwork.*—*Addison.*

Rockworks for effect of character require more consideration than most gardeners are aware of.—*Loudon, Encyclopædia of Gardening*, § 2270.

Rócky. *s.*

1. Full of rocks.

Make the bold prince
Through the cold north and *rocky* regions run.
Waller.

The vallies he restrains
With *rocky* mountains.
Dryden, Translation from Ovid, Metamorphoses, b. i.

Nature lodges her treasures in *rocky* ground.—*Locke.*

2. Resembling a rock.

The *rocky* orb
Of tenfold adamant, his ample shield.
Milton, Paradise Lost, vi. 254.

3. Hard; stony; obdurate.

I, like a poor bark, of sails and tackling reft,
Rush all to pieces on thy *rocky* bosom.
Shakespear, Richard III. iv. 4.

I tell you of the oaky, *rocky*, flinty hearts of men turned into flesh.—*Bishop Hall, Estate of a Christian.*

There are some men of *rocky* hearts and impassible tempers.—*Norris, On the Beatitudes*, p. 46.

Rocóco. *adj.* [?] Bizarre in the way of architecture and decoration, especially applied to the French style of the times of Louis XIV. and XV.

Interrupted pediments, columns made stouter at the top than they are at the bottom, broken curves and ornaments, tortured in every shape and style, constitute the picturesque but illogical style generally known as the *rococo*. The English never adopted this style except in their furniture.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Rod. *s.* [German, *ruthe.*]

1. Long twig.

Some chuze a hazel *rod* of the same year's shoot, and this they bind on to another straight stick of any wood, and walking softly over those places, where they suspect the bowels of the earth to be enriched with metals, the wand will, by bowing towards it, discover it.—*Boyle.*

2. Kind of sceptre.

She had all the royal makings of a queen;
As holy oil, Edward confessor's crown,
The *rod* and bird of peace.
Shakespear, Henry VIII. iv. 1.

The pastoral reed
Of Hermes, or his opiate *rod*.
Milton, Paradise Lost, xi. 132.

O gentle sleep, I cry'd,
Why is thy gift to me alone deny'd?
Mildest of beings, friend to ev'ry clime,
Where lies my error, what has been my crime?
Beasts, birds, and cattle, feel thy balmy *rod*,
The drowsy mountains wave, and seem to nod;
The torrents cease to chide, the seas to roar,
And the hush'd waves recline upon the shore.
Harte.

3. Anything long and slender.

Let the fisherman . . .
Increase his tackle, and his *rod* retie.
Gay, Rural Sports, i. 131.

Haste, ye Cyclops, with your forked *rods*,
This rebel love braves all the gods,
And every hour by love is made,
Some heaven-defying Enceladc. *Granville.*

4. Instrument for measuring.

Decempeda was a measuring *rod* for taking the dimensions of buildings, and signified the same thing as pertica, taken as a measure of length.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

5. Instrument of correction, made of twigs tied together.

If he be but once so taken idly roguing, he may punish him with stocks; but if he be found again so loitering, he may scourge him with whips or *rods*.—*Spenser, View of the State of Ireland.*

I am whipt and scourged with *rods*,
Nettled, and stung with pismires, when I hear
Of Bolingbroke.
Shakespear, Henry IV. Part I. i. 3.

In this condition the *rod* of God hath a voice to be heard, and he, whose office it is, ought now to expound to the sick man the particular meaning of the voice.—*Hammond.*

Grant me and my people the benefit of thy chastisements; that thy *rod*, as well as thy staff, may comfort us.—*Eikon Basilike.*

They trembling learn to throw the fatal dart,
And under *rods* of rough centurions smart.
Dryden.

As soon as that sentence is executed, these *rods*, these instruments of divine displeasure, are thrown into the fire.—*Bishop Atterbury.*

A wit's a feather, and a chief a *rod*;
An honest man's the noblest work of God.
Pope, Essay on Man, iv. 247.

She . . . meek and sober, kissed the sportive child,
No longer trembling at the broken *rod*.
Shelley, Queen Mab.

Ródent. *adj.* [Lat. *rodens, -entis*, pres. part. of *rodo* = I gnaw. Sometimes an adjective, as a '*rodent* animal;' sometimes a substantive, i.e. simply 'a *rodent*;' sometimes with the Latin plural, as, 'the *rodentia*' = class of rodents.] In *Zoology.* Term in the system of Cuvier, equivalent to *Glires* in the system of Linnæus, applied to the class containing the rats, hares, squirrels, and beavers.

The form of the body in the *rodentia* is generally such that the hinder parts of it exceed those of the front, so that they rather leap than walk. In some of them this disproportion is even as excessive as it is in the kangaroos. In the whole of this class the brain is almost smooth, and without furrows; the orbits are not separated from the temporal fossæ, which have but little depth; and the eyes are altogether lateral. The inferiority of these animals is visible in most of the details of their organisation. Those genera, however, which possess stronger clavicles have a certain degree of dexterity, and use their fore feet to convey their food to the mouth.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Róddy. *adj.* Full of rods or twigs.

Ródomont. *s.* [*Rodomonte*, one of the leading characters in the Orlando Innamorato of Boiardo, and the Orlando Furioso of Ariosto, a brave, but bragging, hero.] As such, the word is a *proper*, rather than a *common*, term. It suggests, however, like *Hector* and *Thraso*, the notion of boastfulness. 'The word,' writes Mr. Hallam, in his Introduction to the Literature of Europe, 'is said to have been invented by Boiardo. Castelveltro asserts that the names Gradasso, Mandricardo, Sobrino, and others, which Boiardo has given to his imaginary characters, belonged to his own peasants of Scandiano, and some have improved upon this by assuring us, that those who take the pains to ascertain the fact, may still find the representatives of these sonorous heroes at the plough, which, if the story were true, ought to be the case. But we may give him credit for talent enough to invent those appellations; he hardly found an Albracca on his domains, and those who grudge him the rest, acknowledge that in a moment of inspiration, while hunting, the name of *Rodomont* occurred to his mind.' The editor, however, agrees with Mr. Cox (in Brande and Cox's Dictionary), that it was rather formed out of the Greek or Latin *Rhadamanthus*. Sometimes it is wrongly, as an Italian word, spelt with *h*, as *Rhodomontade.*

He vapoured; [but] being pretty sharply admonished, he quickly became mild and calm, a posture ill-becoming such a *rodomont*.—*Sir T. Herbert, Memorials of King Charles I.*

Ródomont. *adj.* Bragging; vainly boasting.

Don, a Spanish reader,
Who had thought to have been the leader
(Had the match gone on)
Of our ladies one by one,
And triumph'd our whole nation,
In his *rodomont* fashion.
B. Jonson, Masque of Owls.

Rodomontáde. *s.* Empty noise, bluster, or boast; rant.

He only serves to be sport for his company; for in these gamesome days men will give him hints, which may put him upon his *rodomontades*.—*Dr. H. More, Government of the Tongue.*

He talks extravagantly in his passion, but if I would quote a hundred passages in Ben Jonson's Cethegus, I could show that the *rodomontades* of Almanzor are neither so irrational nor impossible, for Cethegus threatens to destroy nature.—*Dryden.*

Used *adjectivally.*

The libertines of painting have no other model but a *rodomontade* genius, and very irregular, which violently hurries them away.—*Dryden, Translation of Dufresnoy's Art of Painting.*

A *rodomontade* title-page was a great favourite in the last century. There was a time when the republic of letters was over-built with 'Palaces of Pleasure,' 'Palaces of Honour,' and 'Palaces of Eloquence;' with 'Temples of Memory,' and 'Theatres of Human Life,' and 'Amphitheatres of Providence;' 'Pharoses, Gardens, Pictures, Treasures.' The epistles of Guevara dazzled the public eye with their splendid title, for they were called 'Golden Epistles;' and the 'Golden Legend' of Voragine had been more appropriately entitled leaden.—*I. Disraeli, Curiosities of Literature, Titles of Books.*

Rodomontáde. *v. n.* Boast after the manner of a Rodomont.

Rodomontádist. *s.* Rodomontador. *Rare.*

When the *rodomantadist* had ended his story, it was dinner-time.—*Terry, Voyage to the East Indies*, p. 167: 1655.

Rodomontádo. *s.* Spanish form of Rodomontade.

Regardless of the *rodomontadoes* of that treacherous enemy.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 199.

I was a little moved in my nature to hear his *rodomontadoes*.—*Beaumont and Fletcher, Coronation.*

Rodomontádor. *s.* Boaster.

The Andalusians seem to be the greatest talkers and *rodomontadors* of Spain.—*Guthrie, Geography, Spain.*

Roe. *s.* Roebuck.

Thy greyhounds are aye fleeter than the *roe*.
Shakespear, Taming of the Shrew, induction, sc. 2.

Ladies, withdraw, the gallants are at hand.—
Whip to our tents, as *roes* run over land.
Id., Love's Labour's lost, v. 2.

Procure me a Troglodyte footman, who can catch a *roe* at his full speed.—*Arbuthnot and Pope.*

Roe. *s.* Eggs of fish.

Here comes Romeo.—
Without his *roe*, like a dried herring.
Shakespear, Romeo and Juliet, ii. 4.

Roébuck. *s.* Native deer so called; Cervus capreolus.

He would him make
The *roebucks* in their flight to overtake. *Spenser.*

The *roebuck* was formerly very common in Wales, in the north of England, and in Scotland, but at present the species no longer exists in any part of Great Britain except the Scottish highlands. According to Dr. Moufet, it was found in Wales as late as the reign of Queen Elizabeth, and in great plenty in the Cheviot Hills, according to Leland, in that of Henry VIII.—*Pennant, British Zoology.*

The *roebuck*, of much smaller size than either of our other indigenous deer, exhibits a degree of boldness and agility in its leaps, which fit it for its favourite haunts, and almost claim for it the analogical appellation of the chamois of the cervine family.—*Bell, History of British Quadrupeds, including the Cetacea.*

Roéstone. *s.* In *Geology.* Variety of oolite so called, its structure suggesting the comparison with the roe of a fish; to a certain extent the two words (oolite from ὠόν = egg) translate one another.

Rogátion. *s.* [Fr.] Litany; supplication.

He perfecteth the *rogations* or litanies before in use, and addeth unto them that which the present necessity required.—*Hooker, Ecclesiastical Polity.*

Supplications with this solemnity for appeasing of God's wrath, were of the Greek church termed litanies, and *rogations* of the Latin.—*Jeremy Taylor.*

In the letters of Sidonius Apollinaris, we find the Bishop of Clermont writing to Maternus, the Bishop of Vienne, for the form of certain litanies or *rogations*, which were used in that city during an earthquake and conflagration: he proposes to institute the same solemn ceremonies in apprehension of the invasion of the Goths into Provence.—*Milman, History of Latin Christianity*, b. iii. ch. ii.

Rogátion-flower *s.* Native plant (Polygala vulgaris) so called from flowering in Rogation week; milkwort.

Milkewort is called by Dodonæus, Flos ambarvalis; so called because it doth especially flourish in the Crosse or Gangweeke, or Rogation weeke, of which floures the maidens which use in the countries to walk the procession do make themselves garlands and nosegaies: in English we may call it Crosse-floure, Procession-floure, Gangfloure, *Rogation-floure*, and milkeworte, of their virtues in procuring milke in the breasts of nurses. . . . It is vulgarly known in Cheapside to the herb-women by the name of hedge hyssop; for they take it for Gratiola, or hedge hyssop, and sell it to such as are ignorant of the same.—*Gerarde, Herball*, p. 564: 1633.

Rogátion-week. *s.* Second week before Whitsunday; thus called from three fasts observed therein, the Monday, Tuesday, and Wednesday, called *rogation* days, because of the extraordinary prayers and processions then made for the fruits of the earth, or as a preparation for the devotion of holy Thursday.

Rogérian. *s.* ? Wig so called. *Obsolete.*

He lights, and runs, and quickly has him sped,
To overtake his overrunning head;
The sportfull winde to mocke the headlesse man,
Tosses away his picked *rogerian*.
Bishop Hall, Satires, iii. v. (Nares by H. and W.)

Rogue. *s.* [?]

1. Wandering beggar; vagrant; vagabond.
   For fear lest we, like *rogues*, should be reputed,
   And for ear-marked beasts abroad be bruited.
   Spenser, Mother Hubberd's Tale.
   The sheriff and the marshal may do the more good, and more terrify the idle *rogue*.—*Id., View of the State of Ireland.*
   The scum of people and wicked condemned men ... spoileth the plantation; for they will ever live like *rogues*, and not fall to work, but be lazy and do mischief.—*Bacon, Essays, Of Plantations.*
2. Knave; dishonest fellow; villain; thief.
   Thou kill'st me like a *rogue* and a villain.
   Shakespear, Twelfth Night, iii. 4.
   A *rogue* upon the highway may have as strong an arm, and take off a man's head as cleverly as the executioner; but then there is a vast disparity when one action is murther, and the other justice.—*South, Sermons.*
   If he call *rogue* and rascal from the garret,
   He means you no more mischief than a parrot.
   Dryden, Absalom and Achithophel, ii. 425.
   The *rogue* and fool by fits is fair and wise,
   And even the best, by fits, what they despise.
   Pope, Essay on Man, ii. 233.
3. Name of slight tenderness and endearment.
   I never knew a woman love man so.—
   Alas! poor *rogue*, I think indeed she loves me.
   Shakespear, Othello, iv. 1.
4. Wag.
   The satirical *rogue* says here, that old men have grey beards.—*Shakespear, Hamlet*, ii. 2.

Rogue. *v. n.*

1. Wander; play the vagabond.
   If he be but once so taken idly *roguing*, he may punish him with the stocks.—*Spenser, View of the State of Ireland.*
   He *rogued* away at last, and was lost. *Carew.*
2. Play knavish tricks.
   This was thy *roguing*,
   For thou art ever whispering.
   Beaumont and Fletcher, Monsieur Thomas.

Rogue. *v. a.*

1. Call rogue.
   It may be thou wast put in office lately,
   Which makes thee *rogue* me so, and rayle so stately.
   Taylor (the Water-Poet): 1630. (Nares by H. and W.)
2. Deceive.
   Some who are far from atheists may make themselves merry with that conceit of thousands of spirits dancing at once upon a needle's point; and though the atheists may endeavour to *rogue* and ridicule all incorporeal substance in that manner, yet does this run upon a clear mistake of the hypothesis, and make nothing at all against it.—*Cudworth.* (Ord MS.)

Róguery. *s.*

1. Life of a vagabond.
   To live in one land is captivity,
   To run all countries a wild *roguery*. *Donne.*
2. Knavish tricks.
   They will afterwards hardly be drawn to their wonted lewd life in thievery and *roguery*.—*Spenser, View of the State of Ireland.*
   You rogue, here's lime in this sack too; there's nothing but *roguery* to be found in villanous man.—*Shakespear, Henry IV. Part I.* ii. 4.
   Like the devil did tempt and sway 'em
   Fo *rogueries*, and then betray 'em.
   Butler, Hudibras.
   The kid smelt out the *roguery*.—*Sir R. L'Estrange.*
   'Tis no scandal grown,
   For debt and *roguery* to quit the town. *Dryden.*
   The *roguery* of alchymy,
   And we, the bubbled fools,
   Spend all our present stock in hopes of golden rules.
   Swift.
3. Waggery; arch tricks.
   The other *terræ filius* made up what was wanting on Saturday; full of waggery and *roguery*, but little wit.—*Life of A. Wood*, p. 306.

Rógueship. *s.* Qualities or personage of a rogue.

What made your *rogueships*
Harrying for victuals here?
Beaumont and Fletcher, Bonduca.
Say, in what nasty cellar under ground,
Or what church porch, your *rogueship* may be found?
Dryden, Translation of Juvenal, iii. 467.

Róguish. *adj.*

1. Vagrant; vagabond.
   Though the persons by whom it is used be of better note than the former *roguish* sort; yet the fault is no less worthy of a marshal.—*Spenser.*
2. Knavish; fraudulent.
   He gets a thousand thumps and kicks,
   Yet cannot leave his *roguish* tricks.
   Swift, Miscellanies.
3. Waggish; wanton; slightly mischievous.
   The most bewitching leer with her eyes, the most *roguish* cast; her cheeks are dimpled when she smiles, and her smiles would tempt an hermit.—*Dryden, Spanish Friar.*
   I am pleased to see my tenants pass away a whole evening in playing their innocent tricks; our friend Wimble is as merry as any of them, and shews a thousand *roguish* tricks on these occasions.—*Addison.*
   Timothy used to be playing *roguish* tricks; when his mistress's back was turned, he would loll out his tongue.—*Arbuthnot.*
   From seventeen to two-and-twenty! Ye gods! what ages! Dear young creatures, I can see you all three! Seventeen-suits me, as nearest my own time of life; but mind, I don't say two-and-twenty is too old. No, no. And that pretty, *roguish*, demure, middle one. Peace, peace, thou silly little fluttering heart!—*Thackeray, Book of Snobs*, ch. xxxii.

Róguishly. *adv.* In a roguish manner; knavishly; wantonly.
His heir *roguishly* wasteth all.—*Granger, On Ecclesiastes*, p. 303: 1621.

Róguishness. *s.* Attribute suggested by Roguish.
These ladies seem to inherit from their lively grand-mothers a peculiar *roguishness* of look.—*Forsyth, Italy*, p. 393. (Ord MS.)

Róguy. *adj.* Knavish; wanton.
Go, buy some ballad of the faery king
And of the beggar wench; some *roguy* thing,
Which thou may'st chaunt unto the chambermaid.
Marston, Scourge of Villany, preface: 1590.
A *roguy* fiddler undertook presently to quit the place of all the vermin.—*Gregory, Posthuma*, p. 106: 1640.
A shepherd's boy had gotten a *roguy* trick of crying a wolf, and fooling the country with false alarms.—*Sir R. L'Estrange.*

Roist. *v. n.* Act uproariously.
Thou, revelling, didst *roist* it out,
And mad'st of all an end.
Kendall, Poems, c. 1. (Nares by H. and W.)

Roíster. *s.* Turbulent, brutal, lawless, blustering fellow.
If he not recke what ruffian *roisters* take his part,
He weeldes unwisely then the mace of Mars in hand. *Mirrour for Magistrates*, p. 484.
There was, about half a year since, one that pretended himself a minister, &c. but at last was found to have gone under three names, and in as several habits, of a minister, an ordinary lay-man and a *royster*.—*Archbishop Laud, Remains*, i. 588.

Roíster. *v. n.* Behave turbulently; act at discretion; be at free quarter; bluster.

Roístering. *part. adj.* Uproarious.
Among a crew of *roist'ring* fellows,
He'd sit whole evenings at the alehouse, *Swift.*
The hearse, after standing for a long time at the door of a *roistering* public-house, repaired to its stables with the feathers inside, and twelve red-nosed undertakers on the roof, each holding on by a dingy peg.—*Dickens, Martin Chuzzlewit*, ch. xix.

Roísterly. *adj.* Like a roister; lawless; violent.
They [women] delighted altogether in the garb and habit, and *roisterly* fashions of men.—*Hacket, Life of Archbishop Williams*, p. 35.

Roísting. *adj.* Roistering.
I have a *roisting* challenge sent amongst
The dull and factious nobles of the Greeks,
Will strike amazement to their drowsy spirits.
Shakespear, Troilus and Cressida, ii. 2.

Roll. *v. a.* [Fr. *rouler*; Dutch, *rollen*; Lat. *rotulo*.]

1. Move anything by volutation, or successive application of the different parts of the surface, to the ground.
   Who shall *roll* us away the stone from the door of the sepulchre?—*Mark*, xvii. 3.
2. Move anything round upon its axis.
3. Move in a circle.
   To dress, and troll the tongue, and *roll* the eye.
   Milton, Paradise Lost, xi. 620.
4. Produce a periodical revolution.
   Now heaven in fullest glory shone, and *roll'd*
   Her motions. *Milton, Paradise Lost*, viii. 499.
5. Wrap round upon itself.
6. Enwrap; involve in bandage.
   By this *rolling*, parts are kept from joining together.—*Wiseman, Surgery.*
7. Form by rolling into round masses.
   Grind red-lead, or any other colour with strong wort, and so *roll* them up into long rolls like pencils.—*Peacham.*
8. Pour in a stream or waves.
   A small Euphrates through the piece is *roll'd*,
   And little eagles wave their wings in gold. *Pope.*

Roll. *v. n.*

1. Be moved by the successive application of all parts of the surface to a plane, as a cylinder.
   Fire must rend the sky,
   And wheel on the earth, devouring where it *rolls*.
   Milton, Paradise Lost, xii. 182.
   Reports, like snow-balls, gather still the farther they *roll*.—*Dr. H. More, Government of the Tongue.*
   I'm pleased with my own work; Jove was not more
   With infant nature, when his spacious hand
   Had rounded this huge ball of earth and seas,
   To give it the first push, and see it *roll*
   Along the vast abyss. *Dryden.*
   O'er my calm hall of coral the deep echo *roll'd*.
   Byron, Manfred, i. 1.
2. Run on wheels.
3. Perform a periodical revolution.
   Thus the year *rolls* within itself again. *Dryden.*
4. Move with the surface variously directed.
   Thou, light,
   Revisit'st not these eyes, which *roll* in vain,
   To find the piercing ray, and find no dawn.
   Milton, Paradise Lost, iii. 22.
   This chafed the boar, his nostrils flames expire,
   And his red eye-balls *roll* with living fire.
   Dryden, Translation from Ovid, Meleager and Atalanta.
5. Float in rough water.
   Planks, beams, disparted fly; the scatter'd wood
   Rolls diverse, and in fragments strews the flood.
   Pope, Translation of the Odyssey, v. 463.
6. Move as waves or volumes of water.
   Wave *rolling* after wave.
   Milton, Paradise Lost, viii. 293.
   Our nation is too great to be ruined by any but itself; and if the number and weight of it *roll* one way upon the greatest changes that can happen, yet England will be safe.—*Sir W. Temple.*
   Till the huge surge *roll'd* off, then backward sweep
   The refluent tides, and plunge into the deep. *Pope.*
   Storms beat, and *rolls* the main;
   Oh beat those storms, and *roll* the seas in vain. *Id.*
7. Fluctuate; move tumultuously.
   Here tell me, if thou darest, my conscious soul,
   What diff'rent sorrows did within thee *roll*. *Prior.*
   The thoughts, which *roll* within my ravish'd breast,
   To me, no seer, the inspiring gods suggest. *Pope.*
   In her sad breast the prince's fortunes *roll*,
   And hope and doubt alternate seize her soul.
   Id., Translation of the Odyssey, iv. 1039.
8. Revolve on an axis.
   He fashion'd those harmonious orbs, that *roll*
   In restless gyres about the Arctic pole.
   Sandys, Paraphrase.
9. Be moved with violence.
   Down they fell
   By thousands, angel on archangel *roll'd*.
   Milton, Paradise Lost, vi. 593.

Roll. *s.*

1. Act of rolling; state of being rolled.
2. Thing rolling.
   Listening senates hang upon thy tongue,
   Devolving through the maze of eloquence
   A *roll* of periods, sweeter than her song. *Thomson.*

Roll. *s.* [from Fr. *rouleau*.]

1. Mass made round.
   Large *rolls* of fat about his shoulders clung,
   And from his neck the double dewlap hung.
   Addison, Translation from Ovid, Europa's Rape.
   To keep ants from trees, encompass the stem four fingers breadth with a circle or *roll* of wool newly plucked.—*Mortimer, Husbandry.*
2. Writing rolled upon itself; volume.
   Busy angels spread
   The lasting *roll*, recording what we said. *Prior.*
3. Round body rolled along; cylinder.
   Where land is clotty, and a shower of rain comes that soaks through, use a *roll* to break the clots.—*Mortimer, Husbandry.*
4. Small loaf of fancy bread.
   Muffins, *rolls*, or bread, if stale, may be made to taste new, by dipping in cold water, and toasting, or heating in an oven, or Dutch oven, till the outside be crisp.—*Mrs. Gordon, Modern Cookery.*

Roll. *s.* [from Lat. *rotulus*.]

1. Public writing.
   Darius the king made a decree, and search was made in the house of the *rolls*, where the treasures were laid up.—*Ezra*, vi. 1.
   Cromwell is made master
   O' the *rolls*, and the king's secretary.
   Shakespear, Henry VIII. v. 1.
   The *rolls* of parliament, the entry of the petitions, answers, and transactions in parliament, are extant.—*Sir M. Hale.*

2. Register; catalogue.

Beasts only cannot discern beauty; and let them be in the *roll* of beasts, that do not honour it.—*Sir P. Sidney.*

These signs have mark'd me extraordinary,
And all the courses of my life do shew,
I am not in the *roll* of common men.
Shakespear, Henry IV. Part I. iii. 1.

Of that short *roll* of friends writ in my heart,
There's none that sometimes greet us not. *Donne.*

'Tis a mathematical demonstration, that these twenty-four letters admit of so many changes in their order, and make such a long *roll* of differently ranged alphabets, not two of which are alike; that they could not all be exhausted, though a million millions of writers should each write above a thousand alphabets a day, for the space of a million millions of years.—*Bentley.*

3. Sheet of paper or parchment which is kept rolled up.

'You see,' said Mr. Pecksniff, passing the candle rapidly from *roll* to *roll* of paper, 'some traces of our doings here.'—*Dickens, Martin Chuzzlewit,* ch. v.

4. Chronicle.

Please thy pride and search the herald's *roll*,
Where thou shalt find thy famous pedigree.
Dryden.

His chamber was hanged about with *rolls*
And old records, from antient times derived.
Spenser, Faerie Queen.

The eye of time beholds no name
So blest as thine, in all the *rolls* of fame. *Pope.*

Roll. *s.* [from Fr. *rôle.*] Part; office.

In human society, every man has his *roll* and station assigned him.—*Sir R. L'Estrange.*

Róller. *s.*

1. Anything turning on its own axis, as a heavy stone to level walks.

When a man tumbles a *roller* down a hill, the man is the violent enforcer of the first motion; but when it is once tumbling, the property of the thing itself continues it.—*Hammond.*

The long slender worms that breed between the skin and flesh in the isle of Ormuz and in India, are generally twisted out upon sticks or *rollers.*—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

They make the string of the pole horizontal towards the lath e, conveying and guiding the string from the pole to the work, by throwing it over a *roller.*—*Moxon, Mechanical Exercises.*

Lady Charlotte, like a stroller,
Sits mounted on the garden *roller.*
Swift, Miscellanies.

2. Bandage; fillet.

Fasten not your *roller* by tying a knot, lest you hurt your patient.—*Wiseman, Surgery.*

Bandage being chiefly to maintain the due situation of a dressing, surgeons always turn a *roller* with that view.—*Sharp.*

3. In *Printing.* See extract.

Rollen, in printing, [is] a cylinder of wood coated with a composition of treacle and glue, and revolving upon an iron rod running through it, with which to ink the form of type previous to taking an impression. The introduction of composition *rollers* in place of pelt balls has been the cause of a complete change in printing. But for this invention, machine or cylindrical printing could never have been accomplished, as all the early attempts with sheepskins failed from the necessity of joining the edges.—*R. J. Courtney,* in *Brande and Cox, Dictionary of Science, Literature, and Art.*

4. In *Ornithology.* Bird of the genus Coracias.

The *roller* has by several systematic authors been arranged near the crows; but its colour, its habits, its eggs, its structure, and other peculiarities seem to prove that it is more truly allied to the bee-eaters and the kingfishers. . . . The *roller* is a native of Africa. . . . Specimens of the *roller* have been killed in two or three instances in Cornwall; and three examples are said to have been met with in Ireland. This bird has been obtained more frequently in our eastern and north-eastern counties.—*Yarrell, History of British Birds.*

The *rollers,* in ornithology, [constitute] a family of birds of the order Volitores, of which there is one Europ ean species, Coracias garrula, of a vivid sea-green colour with some purple and red marks, about the size of a jay: they have a great and varied power of flight, and are chiefly insectivorous.—*Owen,* in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Róllicking. *adj.* Careless; swaggering frolicking.

He described his friends as *rollicking* blades, evidently mistaking himself for one of their set.—*Theodore Hook, Jack Brag.*

Rólling. *verbal abs.* Rolling movement.

The worthy lady looked at Mr. Stiggins for a reply; that gentleman, with many *rollings* of the eye, clenched his throat with his right hand, and mimicked the act of swallowing, to intimate that he was athirst.—*Dickens, Pickwick Papers,* ch. xlv.

Rólling. *part. adj.* Running on wheels; revolving.

He next essays to walk, but downward press'd,
On four feet imitates his brother beast;
By slow degrees he gathers from the ground
His legs, and to the *rolling* chair is bound.
Dryden.

When thirty *rolling* years have run their race.
Id.

Rólling-pin. *s.* Round piece of wood tapering at each end, with which paste is moulded.

The pin should be as thick as a *rolling-pin.*—*Wiseman, Surgery.*

'You'll be shot, I see,' observed Mercy. 'Well!' cried Mr. Bailey, 'Wot if I am? There's something gamey in it, young ladies, a'nt there? I'd sooner be hit with a cannon-ball than a *rolling-pin.*'—*Dickens, Martin Chuzzlewit,* ch. xi.

'I've put the *rolling-pin* in your berth to take it (it's the easy one up in the corner).'—*Ibid.* ch. xxiv.

Rólling-press. *s.* Cylinder rolling upon another cylinder by which engravers print their plates upon paper.

Not long after the art of printing was made public, the invention of the *rolling-press* was discovered.—*Massey, Origin of Letters,* p. 136.

Rólypóly. *s.*

1. Bowls (i.e. game so called).

Let us begin some diversion; what d'ye think of *roulypouly* or a country dance?—*Arbuthnot, History of John Bull.*

Half-bowl, so called because it was played with one half of a sphere, was prohibited by Edward IV., and is the *rollypolly* still practised in Herts.—*Posbroke.*

2. Pudding so called.

The three mutton-chops . . . were the best of the mutton kind; the potatoes were perfect of their order; as for the *roly-poly,* it was too good.—*Thackeray, Book of Snobs,* ch. xxxv.

Rómage. *s.* Tumult; bustle; active and tumultuous search for anything.

This is the chief head
Of this post haste and *romage* in the land.
Shakespear, Hamlet, i. 1

Rómage. *v. a.* Search; Rummage.

Upon this they fell again to *romage* the will.—*Swift, Tale of a Tub,* § 2.

Róman. *s.* Romanist.

Whether doth the Jew romanize, or the *Roman* judaize, in his devotions.—*Lightfoot, Miscellanies,* p. 137.

Romance. *s*

1. Military fable of the middle ages; tale of wild adventures in war and love.

What resounds
In fable or *romance* of Uther's son.
Milton, Paradise Lost, i. 579.

Romance has been elegantly defined as the offspring of fiction and love. Men of learning have amused themselves with tracing the epocha of *romances*; but the erudition is desperate which would fix on the inventor of the first *romance*: for what originates in nature, who shall hope to detect the shadowy outlines of its beginnings? The Theagenes and Chariclea of Heliodorus appeared in the fourth century; and this elegant prelate was the Grecian Fénélon. It has been prettily said, that posterior *romances* seem to be the children of the marriage of Theagenes and Chariclea. The *Romance* of 'The Golden Ass,' by Apuleius, which contains the beautiful tale of 'Cupid and Psyche,' remains unrivalled; while the 'Daphne and Chloe' of Longus, in the old version of Amyot, is inexpressibly delicate, simple, and inartificial, but sometimes offends us, for nature there 'plays her virgin fancies.'—*I. Disraeli, Curiosities of Literature, Romances.*

Fair cousin mine, the golden days,
Of old *romance* are o'er,
And minstrels now care naught for bays,
Nor ladies for a lover. *W. M. Praed.*

The age of *romance* has not ceased: it never ceases; it does not, if we think of it, so much as very sensibly decline. . . . 'Great passions no longer show themselves.' Why there are passions still great enough to replenish Bedlam. . . . A passion that explosively shivers asunder the life it took rise in, ought to be regarded as considerable: more no passion, in the highest hey-day of *romance,* yet did. —*Carlyle, Critical and Miscellaneous Essays, The Diamond Necklace,* ch. i.

[The name of *romance* was subsequently appropriated in different countries to different kinds of writings, according to the form which the popular literature took in each. In Spanish it came to signify a ballad. In English, where the literature began with translations from the French, the name was commonly given to the French original, but was subsequently used in the sense the word had acquired in French, of a story of fiction.—*Wedgwood, Dictionary of English Etymology.*]

Used *adjectivally.*

The Latin language ceased to be regularly spoken in France, about the ninth century; and was succeeded by what was called the *romance* tongue, a mixture of the language of the Franks and of bad Latin. The species of writing called *romans,* began in the tenth century, according to the opinion of the Benedictine fathers, who have well refuted M. Fleuri and Calmet, who make it less ancient by two hundred years.—*J. Warton, Essay on the Writings and Genius of Pope,* i. 291.

We have seen that French was the language of the court in the one country as well as in the other, and that Scottish as well as English writers figure among the imitators of the Norman trouveurs and *romance* poets.—*Craik, History of English Literature,* vol. i. p. 231.

2. Lie; fiction.

A staple of *romance* and lies
False tears and real perjuries,
Where sighs and looks are bought and sold,
And love is made but to be told. *Prior*

Románcer. *s.*

1. Writer of romances.

Sir James Long [was] in the civill warres colonel of horse; good sword-man; admirable extempore orator; great memorie; great historian and *romancer.*—*Aubrey, Anecdotes,* ii. 433.

That the French *romancers* borrowed some things from the English, appears from the word 'termagant,' which they took up from our minstrels, and corrupted into 'tervagaunte.'—*Bishop Percy, Essay on Ancient Metrical Romances.*

This poem (le Roman de la Rose) is far beyond the rude efforts of all their preceding *romancers.*—*T. Warton, History of English Poetry,* i. 368.

Chaucer's rime of Sir Thopas being intended to ridicule the vulgar *romancers,* seems to have been purposely written in their favourite metre.—*Tyrwhitt, On the Language and Versification of Chaucer,* § 7.

2. Liar; forger of tales.

The allusions of the daw extends to all impostors, vain pretenders, and *romancers.*—*Sir R. L'Estrange.*

Shall we, cries one, permit
This lewd *romancer,* and this bantering wit?
Tate, Translation of Juvenal, xv. 20.

Románcical. *adj* Having the character of romance.

That all Spain overflowed with *romancical* books . . . was no reason that Cervantes should not smile at the matter of them; nor even a reason that, in another mood, he might not multiply them, deeply as he was tinctured with the essence of them.—*C. Lamb, Letter to Southey.*

Románcing. *verbal abs.* Indulging in romance.

I apprehend less quarter from the opposite set of men, who may honour me with enthusiasm, *romancing,* and castle-building, without any solid foundation.—*Cheyne, On Regimen,* preface. (Ord MS.)

This is strange *romancing.*—*Richardson, Pamela.*

Románcy. *adj.* Romantic; full of wild scenery.

The house is an old house, situated in a *romancy* place; and a man, that is given to devotion and learning, cannot find out a better place.—*Life of A. Wood,* p. 118: (under 1658).

Rómanesque. *adj.* In *Architecture.* See extract.

Romanesque [is] a general term for all the debased styles of architecture which sprung from attempts to imitate the Roman, and which flourished in Europe from the period of the destruction of the Roman power till the introduction of Gothic architecture.—*Glossary of Architecture.*

Rómanism. *s.* Tenets of the church of Rome.

Papists have the common faith, (and I wish to God they had no more,) and their own proper *romanism*; to the very same or like purpose as the Jews have the law and the prophets, and the Talmud of their rabbins.—*Brevint, Saul and Samuel at Endor,* p. 5: 1674.

Rómanist. *s.* Papist.

The *Romanists* are guilty of too much scruple in this kind.—*Bishop Hall, Cases of Conscience,* iv. 7.

The gross idolatry of the *Romanists* in the invocation of saints.—*Dr. H. More, Antidote against Idolatry,* ch. iv.

Rómanize. *v. a.*

1. Convert to Romish or papistical opinions.

Our countrymen, *romanized* and jesuited, have filled the world with outcries against our state for suppressing them, and making laws against their religion.—*Dr. White, Sermons,* p. 27: 1615.

2. Latinize; fill with modes of the Roman speech.

He did too much *romanize* our tongue, leaving the words he translated almost as much Latin as he found them.—*Dryden.*

Rómanize. *v. n.* Follow a Romish opinion custom, or mode of speech.

Thou hast seen a popish Jew interceding for the dead: ... Tell me, gentle reader, whether doth the Jew *romanize*, or the Roman judaize, in his devotions?—*Lightfoot, Miscellanies*, p. 137.

So apishly *romanizing*, that the word of command still was set down in Latin.—*Milton, Areopagitica.*

Rómanized. *part. adj.* Inclined towards the Roman language, customs, or creed.

Yet if your English *romanized* hearts
Gainst nature's custome swell with fou: defame,
Brandish your stings, and cast your utmost darts,
Against the greatnesse of her glorious name.
Mirrour for Magistrates, p. 787.

Rómanizing. *part. adj.* Having a tendency to Rome (in the way of creed).

Romántic. *adj.*

1. Resembling the tales of romances; wild.

Philosophers have maintained opinions more absurd than any of the most fabulous poets or *romantick* writers.—*Keil.*

Zeal for the good of one's country a party of men have represented as chimerical and *romantick*.—*Addison.*

2. Improbable; false.

Their feigned and *romantick* heroes.—*Scott, Works*, ii. 124: ed. 1718.

3. Fanciful; full of wild scenery.

The dun umbrage, o'er the falling stream,
Romantick hangs. *Thomson, Seasons, Spring.*

4. Applied to the general spirit and character of modern as opposed to classical literature.

Mr. T. Warton ... is of opinion that the peculiar ... species of fiction which we call *romantic*, was entirely unknown to the writers of Greece and Rome; and it appears to have been imported into Europe by a people of modes of thinking and habits of invention not natural to that country.—*Rees, Cyclopædia.*

The division of this [dramatic] as of the other departments of art, into the antique and the *romantic*, at once points out to us the course which we have to pursue.—*A. W. Schlegel, A Course of Lectures on Dramatic Art and Literature*, translated by *J. Black*, lect. i.

Románticalness. *adv.* In a romantic manner.

I love you both very sincerely, though not so *romantically* perhaps as such of you may expect, who have been used to receive more complimental letters and high flights.—*Pope, Letters to M. and T. Blount*, letter xxv.

The next day I rode up the river, about nine miles to the Rautun Hills, to see a small cascade, which falls about fifteen or twenty feet, very *romantically*, from between two rocks.—*Burnely, Travels, Pinkerton*, 13, 734. (Ord MS.)

Románticly. *adv.* Romantically. *Rare.*

He tells us *romantickly* on the same argument, that many posts went to and fro.—*Strype, Life of Cranmer*, b. iii. ch. xxxviii.

Rómescot, Rómefee, Rómepenny. *s.* [A.S *Róme-scott, Róm-feoh, Rómpænning, Rómpænig.* For *-scot*, see *shot*, as in '*pay your shot*,' and *scot*, as in '*scot and lot*.'] Peterpence.

Besides the usual tribute of *romescot*, giving great alms by the way.—*Milton, History of England*, b. vi.

Rómish. *adj.*

1. Roman; respecting the people of Rome.

The *Romish* people wise in this.
Drant, Translation of Horace: 1567.

To mart
As in a *Romish* stew. *Shakespear, Cymbeline*, i. 7.

2. Popish.

Bulls or letters of election only serve in the *Romish* countries.—*Ayliffe, Parergon Juris Canonici.*

Rómist. *s.* Romanist.

The *Romists* hold fast the distinction of mortal and venial sins.—*South, Sermons*, vii. 110.

Romp. *s.* [?] Rude boisterous girl.

She was in the due mean between one of your affected courtesying pieces of formality, and your *romps* that have no regard to the common rules of civility.—*Arbuthnot.*

Romp. *v. n.* Play rudely, noisily, and boisterously.

In the kitchen, as in your proper element, you can laugh, squall, and *romp* in full security.—*Swift, Advice to Servants.*

The Long Parliament gave orders, in 1644, that the twenty-fifth of December should be strictly observed as a fast, and that all men should pass it in humbly bemoaning the great national sin which they and their fathers had so often committed on that day by *romping* under the misletoe, eating boar's head, and drinking ale flavoured with roasted apples.—*Macaulay, History of England*, ch. xxv.

A new young demoiselle, one day to be famed as a Madame and De Stael,—was *romping* about the knees of the Decline and Fall.—*Carlyle, French Revolution*, pt. i. b. ii. ch. v.

Rómping. *verbal abs.* Act of one who romps.

Men presume on the liberties taken in *romping*.—*Richardson, Clarissa.*

Rómping. *part. adj.* Boisterously playful.

The air she gave herself was that of a *romping* girl.—*Spectator*, no. 187.

Rómpishness. *s.* Attribute suggested by Rompish; disposition to rude sport.

Whenever I talked to her with any turn of fondness, she would immediately snatch off my periwig, try it upon herself in the glass, clap her arms akimbo, draw my sword, and make passes on the wall, take off my cravat, and seize it to make some other use of the lace, or run into some other unaccountable *rompishness*.—*Spectator*, no. 187.

Rondeaú. *s.* [Fr.] See extracts; also Roundel.

Rondeau [is] a kind of ancient poetry, commonly consisting of thirteen verses; of which eight have one rhyme and five another: it is divided into three couplets, and at the end of the second and third, the beginning of the *rondeau* is repeated in an equivocal sense, if possible.—*Trevoux.*

He used to read to him a book of sonnets, *rondeaus*, and virelays.—*T. Warton, History of English Poetry*, vol. iii. p. lxxvi.

Rousseau has very justly censured the writing and setting of vocal *rondeaus*, in which the thought is begun in one strain, and continued or ended in another; or begins with a simile, of which the application is made in the second strain. ... But ... after pointing out poetical and musical defects in the composition of *rondeaux*, ... [he] indicates the means of avoiding both. 'Whenever a sentiment, expressed in the first strain suggests a reflexion which confirms and enforces the second; ... every time, in short, that the first strain contains a proposition to perform some action, and a reason for it is given in the second; in these and similar cases a *rondeau* will be always well placed.'—*Rees, Encyclopædia.*

Róndle. *s.* Roundle.

Certain *rondles* given in arms, have their names according to their several colours.—*Peacham, On Blazoning.*

Róndure. *s.* Circle; round.

All things rare
That heaven's air in this huge *rondure* hems.
Shakespear, Sonnets, xxi.

Rong. *s.* See Round (of a ladder).

So many steps or *rongs* as it were of Jacob's ladder.—*Bishop Andrews, Sermons*, p. 560: 1631.

Rónion. *s.* [Fr. *rogne* = scurf.]

Give me, quoth I:
Aroynt thee, witch! the rump-fed *ronyon* cries.
Shakespear, Macbeth, i. 3.

Out of my door, you witch, you polecat, you *ronyon!*—*Id., Merry Wives of Windsor*, iv. 2.

Ronyon, applied to a woman, means, as far as can be traced, much the same with Scall or Scab spoken of a man.

Ront. *s.* Runt.

My ragged *ronts* all shiver and shake,
As doen high towers in an earthquake;
They wont in the wind wag their wriggle tails,
Pearke as a peacock: but now it avales. *Spenser.*

Rood. *s.* [from A.S. *rod.*]

1. Fourth part of an acre in square measure, or one thousand two hundred and ten square yards.

I've often wish'd that I had clear,
For life, six hundred pounds a year,
A terras-walk, and half a *rood*
Of land, set out to plant a wood.
Swift, Imitations of Horace, b. ii. sat. vi.

A *rood* ... equal to the fourth part of an acre [contains] forty square perches, or poles. This is the statute *rood*, by which land is usually at present measured; but there are local measures in many districts in which both the *rood* and acre are considerably larger.—*Rees, Cyclopædia.*

2. Pole; measure of sixteen feet and a half in long measure.

Satan, ...
Prone on the flood, extended long and large,
Lay floating many a *rood*.
Milton, Paradise Lost, i. 192.

For stone fences in the north, they dig the stones for eighteen-pence a *rood*, and make the walls for the same price, reckoning twenty-one foot to the *rood* or pole.—*Mortimer, Husbandry.*

Rood. *s.* [from A.S. *ród.*] Cross.

And nigh thereto a little chappel stoode,
Which, being all with ivy overspred,
Deckt all the roofe; and shadowing the *roode*,
Seem'd like a grove faire braunched over hed.
Spenser, Faerie Queen.

By the holy *rood*,
I do not like these several councils.
Shakespear, Richard III. iii. 2.

The term ..., *rood* ... is more particularly applied to the large cross erected in Roman Catholic churches over the entrance of the chancel or choir; this is often of a very large size, and when complete is like other crucifixes, accompanied by the figures of St. John and the Blessed Virgin, placed one on each side of the foot of the cross; but these are often omitted.—*Glossary of Architecture.*

Rood Lane was so denominated from a *Rood* or Jesus on the cross, there placed, which was held in great regard.—*I. Disraeli, Curiosities of Literature, Names of our Streets.*

Used *adjectively.*

Rood-tower, rood-steeple [are names] sometimes applied to the tower built over the intersection of a cruciform church. The term *rood-arch* is sometimes applied to the arch between the nave and chancel, from its being immediately over the *rood-loft*.—*Glossary of Architecture.*

Roódloft. *s.* Gallery in the church on which the cross, or the representation already mentioned, was set to view.

They shall see that all *roodlofts*, in which wooden crosses stood, be clean taken away.—*Irish Constitutions and Canons*, p. 110: 1635.

Under the king's arms, placed over the *rood-loft*, is [a] distich.—*Ashmole, Antiquities, Berkshire*, vol. i. p. 69.

The rood ... was supported either by a beam called the rood-beam, or by a gallery called the *rood-loft*, over the screen, separating the choir or chancel of a church from the nave. *Rood-lofts* do not appear to have been common in this country before, if so soon as, the fourteenth century.—*Glossary of Architecture.*

Roof. *s.* [A.S. *hróf.*]

1. Cover of a house.

Her shoulders be like two white doves,
Perching within square royal *rooves*. *Sir P. Sidney.*

Return to her, and fifty men dismiss'd?
No, rather I abjure all *roofs*, and chuse
To wage against the enmity o' th' air.
Shakespear, King Lear, ii. 4.

2. House in general.

I'll tell all strictly true,
If time, and foode, and wine enough accrue
Within your *roofe* to us; that freely we
May sit and banquet. *Chapman.*

3. Vault; inside of the arch that covers a building.

From the magnanimity of the Jews, in causes of most extreme hazard, those strange and unwonted resolutions have grown, which, for all circumstances, no people under the *roof* of heaven did ever match.—*Hooker, Ecclesiastical Polity.*

The dust
Should have ascended to the *roof* of heaven,
Raised by your populous troops.
Shakespear, Antony and Cleopatra, iii. 6.

In thy fane, the dusty spoils among,
High on the burnish'd *roof*, my banner shall be hung. *Dryden, Palamon and Arcite*, iii. 341.

4. Palate; upper part of the mouth.

Swearing till my very *roof* was dry
With oaths of love.
Shakespear, Merchant of Venice, iii. 2.

My very lips might freeze to my teeth, my tongue to the *roof* of my mouth, ere I should come by a fire.—*Id., Taming of the Shrew*, iv. 1.

Some fishes have rows of teeth in the *roofs* of their mouths; as pikes, salmons, and trouts.—*Bacon, Natural and Experimental History.*

Roof. *v. a.*

1. Cover with a roof.

He enter'd soon the shade
High *roofed*, and walks beneath, and alleys brown.
Milton, Paradise Regained, ii. 292.

I have not seen the remains of any Roman buildings, that have not been *roofed* with vaults or arches.—*Addison.*

2. Inclose in a house.

Here had we now our country's honour *roof'd*,
Were the graced person of our Banquo present.
Shakespear, Macbeth, iii. 4.

Roófing. *s.* See extract.

Roofing in rural economy [is] sometimes a word applied to the ridge-cap of thatched roofs. It also signifies any sort of material employed in forming the roof of a building, whether in the framework or covering.—*Rees, Cyclopædia.*

Roófless. *adj.* Wanting a roof; uncovered.

And columns, awful in decay,
Rear up their *roofless* heads to form the various scene. *Hughes.*

Behind it rose the ancient castle, its towers *roofless*, and its massive walls crumbling away.—*Dickens, Pickwick Papers*, ch. v.

39095

Roóftree. *s.* In *Naval Architecture.* See Rough-tree.

Roóftree. *s.* In *Building.* See extract.

Rooftree [is] a term used for the upper timbers of any building; whence, in the northern countries, it is common to signify a whole family, by saying all under such-a-one's *rooftree.*—*Rees, Cyclopædia.*

Roófy. *adj.* Having roofs.

Snakes . . .
Whether to *roofy* houses they repair,
Or sun themselves abroad in open air,
In all abodes of pestilential kind
To sheep.
Dryden, Translation of the Georgics, iii. 632.

Rook. *s.* [Persian, *rokh* = camel.] In *Chess.* Old name for the castle.

So have I seen a king on chess,
His *rooks* and knights withdrawn,
His queen and bishops in distress,
Shifting about grow less and less,
With here and there a pawn.
Dryden, Songs, The Young Statesmen.

Rook. *v. n.* Rob; cheat.

They *rook'd* upon us with design,
To out-reform and undermine.
Butler, Hudibras, iii. 2, 733.

How any one's being put into a mixed herd of unruly boys, and there learning to *rook* at span-farthing, fits him for conversation, I do not see.—*Locke, Thoughts on Education.*

Rook. *v. a.* Cheat; plunder by cheating.

He [Sir John Denham] was much *rooked* by gamesters.—*Aubrey, Anecdotes,* ii. 317.

Rook. *s.* [A.S. *hroc.*]

1. Native bird of the crow kind; Corvus frugilegus.

Augurs, that understood relations, have,
By magpies, and by choughs, and *rooks,* brought forth
The secret'st man of blood.
Shakespear, Macbeth, iii. 4.

Huge flocks of rising *rooks* forsake their food,
And crying seek the shelter of the wood.
Dryden, Translation of the Georgics, i. 525.

The *rook* is the corvus of Virgil, no other species of this kind being gregarious:

E pastu decedens agmine magno
Corvorum increpuit densis exercitus alis.

A very natural description of the evening return of these birds to their nests. . . . What chiefly distinguishes the *rook* from the crow is the bill, the nostrils, chin, and sides of that, and the mouth, being in old birds white and bare of feathers, by often thrusting the bill into the ground in search of the 'erucæ' of the dor-beetle. The *rook,* then, instead of being proscribed, should be treated as the farmer's friend.—*Pennant, British Zoology.*

The balance between injury or benefit derived from the *rooks* by the agriculturists, is a question which general opinion seems to have settled, by considering that the occasional injury is much more than counterbalanced by the amount of benefit conferred in the consumption of thousands of destructive grubs of the common cockchafer, the wire-worms of several sorts, and . . . the larvæ of the insect commonly known by the name of harry-long-legs.—*Yarrell, History of British Birds.*

2. Cheat; trickish rapacious fellow: (opposed to *pigeon, gull*).

Rooks and rakeshames sold to lucre.—*Milton, Of Reformation in England.* b. ii.

I am like an old *rook,* who is ruined by gaming, forced to live on the good fortune of the pushing young men.—*Wycherley.*

Maybe so, but as I set out a young pigeon, I'll die an old *rook.*—*O'Keefe, Fontainebleau,* iii. 4.

Roókery. *s.*

1. Nursery of rooks.

No lone house in Wales, with a mountain and a *rookery,* is more contemplative than this court.—*Pope.*

'Go up and call the gentleman, and tell him he'll find me and Mr. Pickwick in the *rookery.* Show the gentleman the way there; d'ye hear?' The boy departed to execute his commission; and the host, carrying both guns like a second Robinson Crusoe, led the way from the garden. 'This is the place,' said the old gentleman, pausing after a few minutes walking, in an avenue of trees. The information was unnecessary; for the incessant cawing of the unconscious rooks sufficiently indicated their whereabout.—*Dickens, Pickwick Papers,* ch. vii.

There are not wanting instances where long-established *rookeries* near a mansion have been deserted by these birds when it has happened that the house has been pulled down, or even abandoned as a habitation. . . . In the gardens of two noblemen in Curzon Street, May Fair, a considerable number of rooks have built for many years, and there probably received an addition at the destruction of the *rookery* in the gardens of Carlton House.—*Yarrell, History of British Birds.*

2. Over-populated poor district; close assembly of buildings: (often a *proper,* rather than a *common* name; as, 'The Rookery').

Roóky. *adj.* Inhabited by rooks.

Light thickens, and the crow
Makes wing to the *rooky* wood.
Shakespear, Macbeth, iii. 2.

Room. *s.* [A.S. *rúm, gerúm.*]

1. Space; extent of place great or small.

If you will have a young man to put his travels into a little *room,* and in short time gather much, this he must do.—*Bacon.*

With new wonder, now he views,
To all delight of human sense exposed
In narrow *room,* nature's whole wealth.
Milton, Paradise Lost, iv. 205.

2. Space or place unoccupied.

The dry land is much too big for its inhabitants; and that before they shall want *room* by increasing and multiplying, there may be new heavens and a new earth.—*Bentley.*

3. Way unobstructed.

Make *room,* and let him stand before our face.
Shakespear, Merchant of Venice, iv. 1.

What train of servants, what extent of field,
Shall aid the birth, or give him *room* to build?
Creech.

This paternal regal power, being by divine right, leaves no *room* for human prudence to place it any where.—*Locke.*

4. Place of another; stead.

In evils, that cannot be removed without the manifest danger of greater to succeed in their *rooms,* wisdom of necessity must give place to necessity.—*Hooker, Ecclesiastical Polity.*

For better ends our kind Redeemer died,
Or the fallen angels' *rooms* will be but ill supplied.
Lord Roscommon.

By contributing to the contentment of other men, and rendering them as happy as lies in our power, we do God's work, are in his place and *room.*—*Calamy, Sermons.*

5. Unobstructed opportunity.

When this princess was in her father's court, she was so celebrated, that there was no prince in the empire who had *room* for such an alliance, that was not ambitious of gaining her into his family.—*Addison, Freeholder.*

It puts us upon so eager a pursuit of the advantages of life, as leaves no *room* to reflect on the great author of them.—*Bishop Atterbury.*

6. Possible admission; possible mode.

Will you not look with pity on me?
Is there no hope? is there no *room* for pardon?
A. Philips.

7. Apartment in a house; so much of a house as is inclosed within partitions.

I found the prince in the next *room,*
Washing with kindly tears his gentle cheeks.
Shakespear, Henry IV. Part II. iv. 4.

If when she appears in th' *room,*
Thou dost not quake, and art struck dumb;
Know this,
Thou lov'st amiss;
And to love true,
Thou must begin again, and love anew.
Sir J. Suckling.

In a prince's court, the only question a man is to ask is, whether it be the custom of the court, or will of the prince, to be uncovered in some *rooms* and not in others.—*Bishop Stillingfleet.*

It will afford me a few pleasant *rooms,* for such a friend as yourself.—*Pope.*

8. Particular place or station.

With price whereof they buy a golden bell,
And purchase highest *rooms* in boure and hall.
Spenser, Colin Clout.

[They] love the uppermost *rooms* at feasts.—*Matthew,* xxiii. 6.

9. Office. *Obsolete.*

He exercised his high *rome* of chauncellorship, as he was accustomed.—*Cavendish, Life of Wolsey.*

Roómage. *s.* Space; place.

Man, of all sensible creatures, has the fullest brain to his proportion, for the lodging of the intellective faculties: it must be a silent character of hope, when there is good store of *roomage,* and receipt, where those powers are stowed.—*Sir H. Wotton.*

Roómful. *adj.* Abounding with rooms. *Rare.*

Now in a *roomful* house.
Donne, Progress of the Soul, xxxiv.

Roomth. *s.* Room. *Rare.*

Unto his root all put their hands to hew,
Whose *roomth* but hinders others that would grow.
Drayton, Barons' Wars, vi. 28.

Not finding fitting *roomth* upon the rising side.
Id., Polyolbion, song vi.

Roómthy. *adj.* Spacious. *Rare.*

The land was far *roomthier* than the scale of miles doth make it.—*Fuller, Holy War,* p. 28.

Roómy. *adj.* Spacious; wide; large.

This sort of number is more *roomy*; the thought can turn itself with greater ease in a larger compass.—*Dryden.*

With *roomy* decks, her guns of mighty strength,
Whose low-laid mouths each mounting billow laves,
Deep in her draught, and warlike in her length,
She seems a sea-wasp flying on the waves.
Id., Annus Mirabilis, clill.

Roost. *s.* [A.S. *hrost.*]

1. That on which a bird sits to sleep.

Sooner than the mattin-bell was rung,
He clapp'd his wings upon his *roost,* and sung.
Dryden, The Cock and the Fox, 45.

2. Act of sleeping.

A fox spied out a cock at *roost* upon a tree.—*Sir R. L'Estrange.*

Large and strong muscles move the wings, and support the body at *roost.*—*Derham, Physico-Theology.*

Roost. *v. n.*

1. Sleep as a bird.

The cock *roosted* at night upon the boughs.—*Sir R. L'Estrange.*

2. Lodge.

Root. *s.* [see Wort.]

1. That part of the plant which rests in the ground, and supplies the stems with nourishment.

When you would have many new *roots* of fruit trees, take a low tree and bow it, and lay all its branches aflat upon the ground, and cast earth upon them, and every twig will take *root.*—*Bacon, Natural and Experimental History.*

A flower there is that grows in meadow ground,
Amellus call'd, and easy to be found;
For from one *root* the rising stem bestows
A wood of leaves.
Dryden, Translation of the Georgics, iv. 391.

In October the hops will settle and strike *root* against spring.—*Mortimer, Husbandry.*

2. Bottom; lower part.

Deep to the *roots* of hell the gather'd breach
They fasten'd. *Milton, Paradise Lost,* x. 299

These subterraneous vaults would be found especially about the *roots* of the mountains.—*T. Burnet, Theory of the Earth.*

Where the slumbering earthquake
Lies pillow'd on fire;
And the lakes of bitumen
Rise boilingly higher.
Where the *roots* of the Andes
Strike deep in the earth,
As their summits to heaven
Shoot soaringly forth;
I've quitted my birthplace
Thy bidding to bide;
Thy spell hath subdued me;
Thy will be my guide. *Byron, Manfred,* i. 1.

3. Plant of which the root is esculent.

Those plants, whose *roots* are eaten, are carrots, turnips, and radishes.—*Watts.*

Nor were the cole-worts wanting, nor the *root,*
Which after-ages call Hybernian fruit. *Harte.*

4. Original; first cause.

That the love of money is the *root* of all evil, is a truth universally agreed in.—*Sir W. Temple.*

5. First ancestor.

It was said, . . .
That myself should be the *root,* and father
Of many kings. *Shakespear, Macbeth,* iii. 1.

Why did my parents send me to the schools,
That I with knowledge might enrich my mind;
Since the desire to know first made men fools,
And did corrupt the *root* of all mankind?
Sir J. Davies, Immortality of the Soul.

Whence,
But from the author of all ill, could spring
So deep a malice, to confound the race
Of mankind in one *root?*
Milton, Paradise Lost, ii. 380.

They were the *roots* out of which sprang two distinct people, under two distinct governments.—*Locke.*

6. Fixed residence.

7. Impression; durable effect.

Having this way eased the church, as they thought, of superfluity, they went on till they had plucked up even those things also, which had taken a great deal stronger and deeper *root.*—*Hooker, Ecclesiastical Polity.*

That love took deepest *root,* which first did grow.
Dryden.

Root. *v. n.*

1. Fix the root; strike far into the earth.

Her fallow leas
The darnel, hemlock, and rank fumitory
Doth *root* upon.
Shakespear, Henry V. v. 2.

Underneath the grove of sycamore,
That westward *rooteth,* did I see your son.
Id., Romeo and Juliet. i. 1.

The coulter must be proportioned to the soil because, in deep grounds, the weeds *root* the deeper —*Mortimer, Husbandry.*

That sun-eyed power which stands sublime
Upon the rock that crowns our globe,
Her feet on all the spoils of time,
With light eternal on her robe,
She, sovereign of the orb she guides,
On Truth's broad sun may *root* a gaze,
That deepens, onwards as she rides,
And shrinks not from the fontal blaze.
Aubrey de Vere, May Carols, prologue.

2. Turn up earth; search in the earth.

3. Sink deep.

If any irregularity chanced to intervene, and cause misapprehensions, he gave them not leave to *root* and fasten by concealment.—*Bishop Fell, Life of Hammond.*

Root. *v. a.*

1. Fix deep in the earth.

2. Impress deeply.

The great important end that God designs it for, the government of mankind, sufficiently shews the necessity of its being *rooted* deeply in the heart, and put beyond the danger of being torn up by any ordinary violence.—*South, Sermons.*

They have so *rooted* themselves in the opinions of their party, that they cannot hear an objection with patience.—*Watts.*

3. Turn up out of the ground; eradicate; extirpate: (with *out* or *up*).

He's a rank weed,
And we must *root* him *out*.
Shakespear, Henry VIII. v. 1.

Soon shall we drive back Alcibiades,
Who, like a boar too savage, doth *root up*
His country's peace. *Id., Timon of Athens*, v. 2.

The Egyptians think it sin for to *root up* or to bite
Their leeks or onions, which they serve with holy rite. *Sir W. Raleigh, History of the World.*

Root up wild olives from thy labour'd lands.
Dryden, Translation of the Georgics, ii. 414.

The thorns he *rooted out*, the rubbish clear'd,
And blest th' obedient field.
Id., Threnodia Augustalis, 358.

4. Destroy; banish: (with *out* or *up*).

Not to destroy, but *root* them *out* of heaven.
Milton, Paradise Lost, vi. 855.

In vain we plant, we build, our stores increase,
If conscience *roots up* all our inward peace.
Glanville.

Root-bound. *adj.* Fixed to the earth by a root.

If I but wave this wand,
Your nerves are all chain'd up in alabaster,
And you a statue, or, as Daphne was,
Root-bound, that fled Apollo. *Milton, Comus*, 659.

Root-built. *adj.* Built of roots.

Philosophy requires
No lavish cost; to crown its utmost prayer
Suffice the *root-built* cell, the simple fleece,
The juicy viand, and the crystal stream.
Shenstone, Economy, pt. i.

Root-house. *s.* Arbour, or garden lodge, built in rustic work.

Here, entering a gate, you are led through a thicket of many sorts of willows into a large *root-house*, inscribed to the earl of Stamford. It seems that worthy peer was present at the opening of the first cascade, which is the principal object from the *root-house*.—*Dodsley, Description of the Leasowes.*

Rooted. *part. adj.* Fixed; deep; radical.

Pluck from the memory a *rooted* sorrow,
Raze out the written troubles of the brain.
Shakespear, Macbeth, v. 3.

Where the impetuous torrent rushing down
Huge craggy stones and *rooted* trees had thrown,
They left their coursers.
Dryden, Translation of the Æneid.

You always joined a violent desire of perpetually changing places with a *rooted* laziness.—*Swift, Letter to Gay.*

The Court was decidedly against abolition [of slavery]. Geo. III. always regarded the question with abhorrence, as savouring of innovation; and innovation in a part of his empire connected with his earliest and most *rooted* prejudices—the Colonies. —*Lord Brougham, Historical Sketches of Statesmen of the Reign of George III., Mr. Wilberforce.*

Rootedly. *adv.* In a rooted manner; as that which is rooted deeply; strongly.

They all do hate him as *rootedly* as I.
Shakespear, Tempest, iii. 2.

Rooter. *s.* One who tears up by the root.

The *rooters* up of religion and monarchy.—*Archdeacon Arnway, Tablet*, p. 154: 1661.

Thy hand hath ever found out oppressours of truth and order; shall it not do as much for *rooters* of truth and order?—*Ibid.* p. 184.

The *rooters* and thorough reformers made clean work with the church, and took away all.—*South, Sermons*, iv. 23.

Rooting. *part. adj.* Turning up the earth with the snout.

Thou elvish-mark'd, abortive, *rooting* hog!
Shakespear, Richard III. i. 3.

No lusty neatherd thither drove his kine,
Nor boorish hogheard fed his *rooting* swine.
W. Browne, Britannia's Pastorals, b. ii. song i.

Rooting. *verbal abs.* Act or state of striking root.

The multiplying brood of the ungodly shall not take deep *rooting* from bastard slips, nor lay any fast foundation.—*Wisdom of Solomon*, iv. 3.

After a year's *rooting*, then shaking doth the tree good, by loosening of the earth.—*Bacon.*

Rope. *v. n.* Become ropy.

Viscous bodies, as pitch, wax, birdlime, cheese toasted, will draw forth and *roape*.—*Bacon.* (Rich.)

Rope. *s.* [German, *reif.*]

1. Cord; string; halter; cable; hauser.

Thou drunken slave, I sent thee for a *rope*,
And told thee to what purpose.
Shakespear, Comedy of Errors, iv. 1.

An anchor, let down by a *rope*, maketh a sound: and yet the *rope* is no solid body, whereby the sound can ascend.—*Bacon.*

Who would not guess there might be hopes,
The fear of gallowses and *ropes*
Before their eyes, might reconcile
Their animosities a while?
Butler, Hudibras, iii. 2, 715.

Hang yourself up in a true *rope*, that there may appear no trick in it.—*Arbuthnot, History of John Bull.*

2. Any row of things depending: (as, 'A *rope* of onions').

I cannot but confess myself mightily surprised, that, in a book, which was to provide chains for all mankind, I should find nothing but a *rope* of sand. —*Locke.*

3. Intestines.

His talowe serveth for playsters many one;
For harpe-strings his *rope* serve eche one.
A Lytell Treatise on the Horse. (Nares by H. and W.)

What a rope! What the devil!

'Quid malum hic vult?' What's the matter now with him? *What a rope* ailes he? What a devil would he have?—*Terence in English*: 1614. (Nares by H. and W.)

Rope. *v. n.* Draw out into viscosities; concrete into glutinous filaments.

Such bodies partly follow the touch of another body, and partly stick to themselves; and therefore *rope* and draw themselves in threads; as pitch, glue, and birdlime.—*Bacon.*

In this close vessel place the earth accursed,
But fill'd brimful with wholesome water first,
Then run it through, the drops will *rope* around.
Dryden, Translation of the Georgics, ii. 331.

Ropebands. *s.* Small ropes so called, which fasten the sails to the yards.

(For extracts see under Robbins and Ropeyarn.)

Ropedancer. *s.* Artist who dances on a rope.

Salvian, amongst publick shows, mentions the Petaminarii; probably derived from the Greek πεταάθαι, to fly, and may refer to such kind of *ropedancers*.—*Bishop Wilkins.*

Statius, posted on the highest of the two summits, the people regarded with terror, as they look upon a daring *ropedancer*, whom they expect to fall every moment.—*Addison.*

Nic bounced up with a spring equal to that of one of your nimblest tumblers or *ropedancers*, and fell foul upon John Bull, to snatch the cudgel he had in his hand.—*Arbuthnot, History of John Bull.*

Ropemaker. *s.* One who makes ropes.

The *ropemaker* bear me witness,
That I was sent for nothing but a rope.
Shakespear, Comedy of Errors, iv. 4.

Ropemaking. *s.* Making of ropes.

The first part of the process of *rope-making* by hand is that of spinning the yarns or threads, which is done in a manner analogous to that of ordinary spinning. . . . The next . . . is that of warping the yarns. . . . The third process in *rope-making* is the tarring of the yarn. — *Ure, Dictionary of Arts, Manufactures, and Mines.*

Ropery. *s.*

1. Rogue's tricks.

What saucy merchant was this, that was so full of his *ropery*!—*Shakespear, Romeo and Juliet*, ii. 4.

2. Place where ropes are made.

The new *ropery*, and the forges where they put fresh touch-holes into old cannon, are established upon an extensive plan; but there is little activity in either.—*Swinburne, Travels through Spain*, letter xvii.

Ropetrick. *s.* Probably a rogue's trick; trick that deserves the halter.

She may perhaps call him half a score knaves, or so: an' he'll begin once, he'll rail in his *ropetricks*. —*Shakespear, Taming of the Shrew*, i. 2.

Ropewalk. *s.* Walk or place where ropes are made.

[A] *rope-walk* or rope-house ground should be four hundred yards long and about ten broad.—*Rees, Cyclopædia.*

Ropeyarn. *s.* See extract.

Ropeyarn . . . consists of cable-ends which are worn out, and are called the junks of cables. . . . *Ropebands* [are] braided cordage used to fasten the heads of sails to their respective yards.—*Rees, Cyclopædia.*

Ropy. *adj.* Viscous; tenacious; glutinous.

Ask for what price thy venal tongue was sold;
A rusty gammon of some seven years old;
Tough, wither'd truffles, *ropy* wine, a dish
Of shotten herrings, or stale stinking fish.
C. Dryden, Translation of Juvenal, vii. 153.

Take care
Thy muddy beverage to serene, and drive
Precipitant the baser *ropy* lees.
J. Philips, Cyder, ii. 312.

Roquelaure. *s.* [Fr.] Cloak for men: (see second extract).

Within the *roquelaure's* clasp thy hands are pent.
Gay, Trivia, i. 51.

The French tailors, he [Dr. Harris, Bishop of Landaff] observed, invent new modes of dress, and dedicate them to great men, as authors do books; as was the case with the *roquelaure* cloak, which then (about the year 1715,) displaced the surtout; and was called the *roquelaure* from being dedicated to the duke of Roquelaure, whose title was spread by this means, throughout France and Britain.—*Noble, Continuation of Granger*, iii. 490.

Roral. *adj.* [Lat. *roralis*, from *ros*, *roris* = dew.] Dewy.

These see her from her dusky plight
With *roral* wash redeem her face,
And prove herself of Titan's race;
And mounting in loose robes the skies,
Shed light and fragrance as she flies.
Green, Spleen, p. 5! 1754.

Rorid. *adj.* [Lat. *roridus*.] Dewy.

The waters are converted into liquid or *rorid* air. —*Granger, Commentary on Ecclesiastes*, p. 15: 1621.

Distilling of *rorid* drops of balsam to heal the wounded.—*Dr. H. More, Antidote against Idolatry*, ch. viii.

Rory. *adj.* Rorid. *Rare.*

On Lebanon at first his foot he set,
And shook his wings with *rory* May-dew wet.
Fairfax, Translation of Tasso, i. 14.
(Nares by H. and W.)

Rosaceous. *adj.* In *Botany.* Having the character of a rose: (applied as the name of the large natural order of which the roses are the chief representatives; translates *rosaceæ*. The term for the alliance is *Rosales*; translated *Rosal*).

Rosal. *adj.*

1. Rosy. *Rare.*

While thus from forth her *rosal* gate she sent,
Breath form'd in words, the marrow of content.
Beedome, Poems: 1641. (Nares by H. and W.)

2. In *Botany.* See Rosaceous.

Rosary. *s.* [Lat. *rosarium*; or *rosarius, liber* = book being understood; its original application being to a book containing, as an abridgement, the beauties, flowers, or roses of some larger work. 'Liber quondam abbreviatus, verissimus thesaurus thesaurûm, *Rosarius* philosophorum et omnium secretorum maximum secretum. Iste liber nominatur Compositor alias *Rosarius*, eo quod ex libris philosophorum breviter abbreviatus est.' Most especially, however, it applied to a selection of prayers, definite in number, and which were numbered by a string of beads; to this the name was subsequently transferred. See Wedgwood.]

1. String of beads on which the Romanists number their prayers.

No *rosary* this votress needs,
Her very syllables are beads. *Cleaveland.*

He turns the innocent party to a task of prayers beyond the multitude of beads and *rosaries*.—*Milton, Tetrachordon.*

The *rosary*, otherwise called the 'Virgin's psalter,' is a new manner of praying, which, saies Navarrus, never was nor can ever be valued at what it is worth; for it is made up of one hundred and fifty ave-maries, and fifteen paters, tacked together with little buttons upon a string!—*Brevint, Saul and Samuel at Endor*, p. 169: 1674.

2. Chaplet of, or as of, roses.

Christ hath now knit them into *rosaries* and coronets.—*Jeremy Taylor, Rule and Exercises of Holy Dying*, § i. ch. iii.

Every day propound to yourself a *rosary* or chaplet of good works, to present to God at night.—*Id.*

3. Bed of roses; place where roses grow.

The sweetest and the fairest blossom that ever budded, either out of the white or red *rosary*.—*Proceedings against Garnet*, &c. sign. D d. 3: 1606.

4. Coin so called. See extract.

Rosary is a word frequently met with in the ancient history of Ireland, and used to express a peculiar sort of base money, coined abroad, in the form of the penny, current in that kingdom; but of so much baser alloy that it was not quite worth half the real value of the penny. This and many other such coins were decried, and it was made death to import any of them, by Edward I. in 1300. —*Rees, Cyclopædia.*

Róscid. *adj.* [Lat. *roscidus.*] Dewy; abounding with dew; consisting of dew.

Wine is to be forborne in consumptions, for the spirits of wine prey upon the *roscid* juice of the body.—*Bacon.*

The ends of rainbows fall more upon one kind of earth than upon another; for that earth is most *roscid*.—*Id.*

These relicks dry suck in the heavenly dew;
And *roscid* manna rains upon her breast.
Dr. H. More, Infinity of Worlds, c.

Roscid and honey drops observable in the flowers of Martagon.—*Sir T. Browne, Miscellanies*, p. 20.

Rose, and **Róserash.** *s.* In *Medicine.* See extract.

Erysipelas, in the sense now explained, is called in Scotland the *rose*, and in this country St. Anthony's fire.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxxxix.

Rose-rash [is] an eruption of small rose-coloured patches of irregular form, very slightly elevated, not papular, transient and passing into a deeper roseate hue as they slowly disappear; the patches being either limited to a part, or to the limbs, or dispersed over the body, preceded and attended by slight fever, and non-infectious.—*Copland, Dictionary of Practical Medicine.*

Rose. *s.* [Lat. *rosa*; A.S. *rose.*]

1. Flowering shrub and flower so called, of the genus Rosa.

Flowers of all hue, and without thorn the *rose.*
Milton, Paradise Lost, iv. 256.

This way of procuring autumnal *roses* will, in most rosebushes, fail; in some good bearers it will succeed.—*Boyle.*

For her the unfading *rose* of Eden blooms.
Pope, Eloisa to Abelard.

The flower of the *rose* is composed of several leaves, which are placed circularly, and expand in a beautiful order, whose leafy flower-cup afterward becomes a roundish or oblong fleshy fruit, inclosing several angular hairy seeds; to which may be added, it is a weak pithy shrub, for the most part beset with prickles, and hath pinnated leaves: the species are, 1. The wild briar, dog *rose*, or hep-tree. 2. Wild briar or dog *rose*, with large prickly heps. 3. The greater English apple-bearing *rose*. 4. The dwarf wild burnet-leaved *rose*. 5. The dwarf wild burnet-leaved *rose*, with variegated leaves. 6. The striped Scotch *rose*. 7. The sweet briar or eglantine. 8. Sweet briar with a double flower. All the other sorts of *roses* are originally of foreign growth, but are hardy enough to endure the cold of our climate in the open air, and produce beautiful and fragrant flowers.—*Miller, Gardener's Dictionary.*

As the *first element* in a *compound.*

Make use of thy salt hours, season the slaves
For tubs and baths, bring down the *rose-cheek'd* youth,
To the tub fast and the diet.
Shakespear, Timon of Athens, iv. 3.

Patience, thou young and *rose-lipp'd* cherubin.
Id., Othello, iv. 2.

2. Riband gathered into a knot in the form of a rose, and serving as a kind of ornamental shoe-tie, or knee-band.

The Provencal *roses* on my razed shoes.—*Shakespear, Hamlet*, iii. 2.

Those *roses*
Were big enough to hide a cloven foot.
B. Jonson, Devil's an Ass.

Under the rose. In secrecy. (Notwithstanding the origin suggested by the first and third extracts, the more probable view is that which connects this phrase with the secrecy enjoined by the order of the Rosy Cross, i.e. the Rosicrucians, at least, until evidence is brought forward of the use of the term at a time too early for such an origin.)

Among the pagans (in old tyme) those, that invited any, shewed them the doore threshold, saying these words; Let nothing pass over this; that is to say, let nothing be reported over this threshold of anything that shall be done at this banket. And for this cause (for the present) in many countries they lay tablecloths upon their tables, whereupon are painted *roses*, shewing thereby, that all the words spoken thereat, ought to be hidden under it.—*Wodroephe, French and English Grammar*, p. 397: 4to. 1623.

If this make us speak
Bold words anon, 'tis all *under the rose*
Forgotten!
Beaumont and Fletcher, Beggar's Bush.

By desiring a secrecy to words spoke under the *rose*, we mean, in society and compotation, from the ancient custom in symposiack meetings, to wear chaplets of *roses* about their heads.—*Sir T. Browne, Vulgar Errours.*

Treason is but a tavern dialect: anything passes well *under the rose!* It is not the man, but the liquor; not the liquor, but the excess, that is guilty of this liberty!—*Bishop Hall, Remains*, p. 20.

Now that you and I are together, and *under the rose* too, as they say, why should not we drink somewhat briskly?—*Goodman, Winter Evening Conference*, pt. i.

'Oh! she is too delicate for you, my son of Neptune,' said the hostess, 'and too nice even for us, I think. We send her into the town to sell flowers and sing to the ladies; she makes us more money so than she would by waiting on you. Besides she has often other employments which lie *under the rose.*' —*Lord Lytton, Last Days of Pompeii*, b. ii. ch. i.

Róse-a-rúby. *s.* In *Botany.* Old name for the pheasant's eye; Adonis flower; Adonis autumnalis.

Our London women doe call it [Adonis flower] *Rose-a-rubie.*—*Gerarde, Herball*, p. 387: 1633.

Róse-bay. *s.* [two words.] In *Botany.* Old name of the Nerium oleander.

Rose-bay is a small shrube of a gallant shew, like the bay-tree, bearing leaves thicker, greater, longer, and rougher than the leaves of the almond tree... the second kinde of *rose-bay* is like the first, and differeth in that the plant hath white floures, but in other respects it is very like.... This plant is named in Greeke Νήριον... in Latine likewise Nerion, and also Rhododendron, and Rhododaphne, that is to say Rosea arbor, and Rosea laurus; in shops, Oleander;... in French, Rosagine; in English rose tree, *rose bay, rose bay* tree, and oleander.—*Gerarde, Herball*, p. 1406: 1633.

Róse-cámpion. *s.* [two words.] In *Botany.* Species of the genera Lychnis and Selene.

There be divers sortes of *rose-campions*.... The red *rose-campion* hath round stalks, &c.... The floures grow at the top of the stalke of a perfect red colour.... The second *rose-campion* differs not from the precedent in stalkes, leaves, or fashion of the floures: the onely difference consisteth in the colour; for the floures of this plant are of a milke white colour, and the other red.... The seed of *rose-campion*, saith Galen, is hot and dry after a sort of the second degree. The seed drunken in wine is a remedie for them that are stung with a scorpion, as Dioscorides testifieth.... The wilde *rose-campion* hath many rough broad leaves somewhat hoary and woolly.... The sea *rose-campion* is a small herbe, set about with many greene leaves from the lower part upward.—*Gerarde, Herball*, p. 468: 1633.

Róse-cóloured. *adj.* Having the colour of a rose.

On Hadrian's return to Alexandria from the Thebaid, the poet presented to him a *rose-coloured* lotus, a flower well-known in India, though less common in Egypt than either the blue or white lotus, and assured him that it had sprung out of the blood of the lion slain by his royal javelin at a lion hunt in Libya.—*Sharpe, History of Egypt*, ch. xiii.

Róse-élder. *s.* [two words.] In *Botany.* Guelder rose.

The *rose elder* groweth in gardens, and the floures are there doubled by art, as it is supposed.... The *rose-elder* is called in Latine, Sambucus rosea, and Sambucus aquatica, being doubtless a kinde of the ... water elder. It is called in Dutch Gheldersche rosse: in English, Gelders rose and *rose elder.*—*Gerarde, Herball*, p. 1425: 1633.

Róse-éngine. *s.* [two words.] In *Mechanics.* See extract.

A *rose-engine* [is] an appendage to the turning-lathe, by which a surface of wood or metal, as a watch-case, is engraved with a variety of curved lines. The assemblage of these lines presenting some resemblance to a full-blown rose, is called by the French rosette; and hence the engine by which the ornament is produced is called a *rose engine.* The mechanism by which the figures are produced is composed of one or more plates or cams set on the axis of the turning lathe, or suitably rotated and formed with waving edges or grooves, which govern, in a manner corresponding to the pattern of the edges or grooves, the movement to or from the centre of the cutting point. The combination of the rotatory motion of the lathe and the radial motion of the tool cuts figures corresponding to the nature of the radial motion given.—*Brande and Cox, Dictionary of Arts, Manufactures, and Mines.*

Róse-nóble. *s.* [two words.] Ancient English gold coin, in value the third of a pound.

The succeeding kings coined *rose-nobles* and double *rose-nobles.*—*Camden, Remains.*

Róse-willow. *s.* [two words.] Native plant so called, (species doubtful).

The *rose-willow* groweth up likewise to the heighth and bignesse of a shrubby tree; the bodye whereof is covered with a scabbed rough barke; the branches are many whereupon do grow very many twigs of a reddish colour, garnished with small long leaves, somewhat whitish: among which come forth little floures, or rather multiplication of leaves joined together in forme of a rose, of a greenish white colour, which doe not only make a gallant shew, but also yeeld a most cooling aire in the heat of summer, being set up in houses for the decking of the same. ... These willows grow in divers places of England: the *rose-willow* groweth plentifully in Cambridgeshire; by the rivers and ditches there in Cambridge towne they grow aboundantly, about the places called Paradise and Hell Mouth, in the way from Cambridge to Grantchester.—*Gerarde, Herball*, p. 1390: 1633.

Róse-wíndow. *s.* [two words.] See extract.

Rose-window [is] a name sometimes given to a circular window, otherwise called a Catharine wheel. —*Glossary of Architecture.*

Róseal. *adj.* Rosy; like a rose in smell or colour.

The *rosiall* colour, which was wont to be in his vysage, [was] tourned into sallowe.—*Sir T. Elyot, Governour*, fol. 126.

From *roseal* Aurora's door
Fair Titan shaked his locks, and marched out.
Beaumont, Psyche, p. 112.

The rich and *roseal* spring of those rare sweets.
Crashawe, Poems, p. 59.

Róseate. *adj.*

1. Rosy; full of roses.

I come, I come, prepare your *roseate* bowers,
Celestial palms, and ever-blooming flowers.
Pope, Eloisa to Abelard.

2. Blooming; fragrant; purple, as a rose.

Here pride has struck her lofty sail
That roam'd the world around;
Here *roseate* beauty cold and pale
Has left the power to wound. *Boyle.*

Rósed. *adj.* Crimsoned; flushed.

Can you blame her, being a maid yet *rosed* over with the virgin crimson of modesty, if she deny the appearance of a naked blind boy?—*Shakespear, Henry V.* v. 2.

Rósemary. *s.* Plant of the order Labiatæ (akin to the lavenders, mints, &c.), of the genus Rosmarinus.

Bedlam beggars, with roaring voices,
Strike in their numb'd and mortified bare arms,
Pins, wooden pricks, nails, sprigs of *rosemary*;
And with this horrible object, from low farms ...
Inforce their charity. *Shakespear, King Lear*, ii. 3.

Wild thyme and sav'ry set around their cell,
Sweet to the taste and fragrant to the smell;
Set rows of *rosemary* with flowering stem.
Dryden, Translation of the Georgics, iv. 43.

Rosemary is a small, but very odoriferous shrub; the principal use of it is to perfume chambers, and in decoctions for washing.—*Mortimer, Husbandry.*

The neighbours, far and near,
Follow'd with wistful look the damsel's bier;
Sprigg'd *rosemary* the lads and lasses bore.
Gay, Shepherd's Week, Friday, 133.

Rósepink. *adj.* Having the pink colour, or tinge, of a rose; delicate.

Attempting the heroic ... he falls almost at once into the *rosepink* sentimental.—*Carlyle, Critical and Miscellaneous Essays, Sir W. Scott.*

Róseroot. *s.* Rosewort.

Róset. *s.* [Fr. *rosette.*] Red colour for painters.

Grind ceruss with a weak water of gum-lake, *roset*, and vermilion, which maketh it a fair carnation.—*Peacham.*

Rosétte. *s.* See extract.

Rosette, in Military language [is] an ornamental bunch of ribbands, or cut leather, which is worn both by officers and soldiers in the British service, on the upper part of their cues. *Rosettes* [are] two small bunches of ribbands that are attached to the loops by which the gorget of an officer is suspended upon his chest. The colour of the ribband must correspond with the facing of the uniform.—*Rees, Cyclopædia.*

Rosewáter. *s.* Water distilled from roses.

Attend him with a silver basin
Full of *rosewater*. *Shakespear, Taming of the Shrew*, induction, sc. 1.

His drink should be cooling; as fountain water with *rosewater* and sugar of roses.—*Wiseman, Surgery.*

Rósewood. *s.* Ornamental furniture wood so called; the term being applied to the wood of several very distinct trees: (often used *adjectivally*).

She left the novel half uncut
Upon the *rosewood* shelf;
She left the new piano shut:
She could not please herself.
Tennyson, The Talking Oak.

Rosewood is produced in Brazil, the Canary Islands, in Siam (whence it is largely imported by the Chinese), and in other places. It is in the highest esteem as a fancy wood.... The width of the log imported into this country averages about twenty-two inches, so that it must be the product of a large tree.—*M'Culloch, Dictionary of Commerce.*

There are various kinds of *rosewood*. That of the Canary Islands, valued for its fragrance, has been already noticed. The more important, however, are the valuable South American ornamental timbers so designated, and which appear to be produced by several species of Dalbergia. That most esteemed, obtained from Rio Janeiro, is said to be chiefly produced by D. nigra; but inferior sorts are probably yielded by Machærium firmum, incorruptibile, and legale—trees which bear the name of Jacaranda in Brazil; and it is also attributed by Lindley to species of Triptolemæa. Some of the species of Pterocarpus, again, yield timber so called, African *rosewood* being the produce of P. erinaceus, and Burmese *rosewood* that of P. indicus. Some of the Indian *rosewoods* are attributed to Dalbergia latifolia and D. sissoides.—*Moore*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Rósewort. *s.* In *Botany.* Native plant of the genus Rhodiola roseroot: (*wort* = root).

Rosewort hath many small, thicke, and fat stems, growing from a thicke and knobby root..., Some have thought that it hath taken the name Rhodia of the island of the Mediterranean sea called Rhodes; but doubtless it took his name Rhodia Radix of the root which smelleth like a rose; in English *roseroot* and *rosewort*. There is little extant in writing of the faculties of *rosewort*; but this I have found, that if the root be stamped with oil of roses, and laid to the temples of the head, it easeth the pain of the head.—*Gerarde, Herball*, p. 1532: 1633.

Rosicrúcian. *s.* Member of the real or supposed Order or Society of the Rosy Cross, two of the regulations of which, by enjoining secret meetings, and by forbidding (for a certain time at least) the publication of certain secret regulations, commanded no little attention in the sixteenth and seventeenth centuries; sometimes it was condemned for quackery, sometimes spoken of with veneration as the mysterious possessor of certain secrets. See last extract.

A mysterious knack ... that lies locked up in the brain or breast of some chemical man, that, like the *Rosicrucians*, will not yet reveal it.—*I. Walton, Complete Angler.*

Crux stands for lux, light, because the figure of the cross × exhibits the three letters of which the word LVX is formed; and light is what, in the opinion of the *Rosicrucians*, when properly modified, produces gold. And of all natural bodies, dew is the most powerful dissolvent of gold.—*Mosheim, Ecclesiastical History*, century xvii.

From ... a Treatise on the Laws of the *Rosicrucians*, by Ritter von Maier (1619), we learn that the fraternity had six fundamental laws: 1. That their chief end and object was to cure the sick without fee or reward. 2. That in travelling they were to change their habits and dress, so as to accommodate themselves to those of the countries in which they sojourned. 3. To meet once a year on a certain day and at a certain place, kept secret from the rest of the world. 4. To fill up vacancies in their body by electing fresh members. 5. To use the letters R. C. as their common symbol. 6. That the fraternity should remain undivulged for one hundred years from its foundation. It appears probable that the device of the rose issuing out of the cross, which was the same as Martin Luther's seal, was adopted for the purpose of attracting the notice of the religious: the rose was explained to represent the blood of Christ. It would appear from these laws that some species of secret Freemasonry was intended; and the *Rosicrucians* have been by some connected with the Freemasons; but there is, in point of fact, no evidence that any such society existed at all.... The *Rosicrucians* have been connected in various ways, by public opinion, with the Cabalists, Illuminati, &c.; and the division of spiritual beings inferior to the angels into sylphs and gnomes, which furnished Pope with the machinery of the Rape of the Lock, is of *Rosicrucian* or Cabalistic origin. It is found in that singular work by a professed *Rosicrucian*, the Comte de Gabalis, which obtained a sudden popularity in the beginning of the last century.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Rosicrúcian. *adj.* Relating to the Rosicrucians.

Rosicrucian virtuosos
Can see with ears, and hear with noses;
And, when they neither see nor hear,
Have more than both supply'd by fear,
That makes 'em in the dark see visions!
Butler, Hudibras, iii. 3, 15.

Rósier. *s.* [Fr.] Rose-bush.

Her yellow golden hair
Was trimly woven, and in tresses wrought,
Ne other tire she on her head did wear,
But crowned with a garland of sweet *rosiere*.
Spenser, Faerie Queen.

Rósil. *s.* Rossel.

Rosil, in rural economy, [is] a term applied to such land as is neither light nor heavy, being a medium between sand and clay; it is sometimes written *rosills*.—*Rees, Cyclopædia.*

Rósin. *s.* [*resin*; it is convenient to treat the two forms as distinct words; the form in *e* being, etymologically, the correct one. It is used in *Chemistry*, and scientific works in general. The form in *o*, on the other hand, is colloquial, and common in the vocabulary of the useful arts.]

1. The resinous element of turpentine; i.e. the part remaining after the spirit, or so-called oil, of turpentine has been separated by distillation; colophony.

The billows from the kindling prow retire,
Pitch, *resin*, searwood on red wings aspire. *Garth.*

2. Resin; resinous extractive.

Tea contains little of a volatile spirit; its *rosin* or fixed oil, which is bitter and astringent, cannot be extracted but by rectified spirit.—*Arbuthnot, On the Nature and Choice of Aliments.*

All these juices, which are commonly distinguished by the name of turpentine, are considered as composed of two ingredients; namely, oil of turpentine and *rosin*. When the turpentine is distilled the oil comes over, and the *rosin* remains behind.—*McCulloch, Dictionary of Commerce.*

Rosin, although very soluble in alkaline menstrua, is not, however, susceptible, like fats, of being transformed into an acid, and will not of course saponify, or form a proper soap by itself. The more caustic the alkali, the less consistence has the resinous compound which is made with it. Hence fats of some kind, in considerable proportion, must be used along with the *rosin*, the minimum being equal parts, and then the soap is far from being good. As alkaline matter cannot be neutralized by *rosin*, it preserves its peculiar acrimony in a soap poor in fat, and is ready to act too powerfully upon woollen and all other animal fibres to which it is applied.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Rósin. *v. a.* Rub with resin.

Rósined. *part. adj.* Sealed, or rubbed, or otherwise prepared with rosin: (in the extract it means rubbed upon, or passed over, rosin).

Bouzebeus who could sweetly sing,
Or with the *rosin'd* bow torment the string.
Gay, Shepherd's Week, Saturday, 23.

Rósiness. *s.* Attribute suggested by Rosy; state or quality of being rosy.

As the fair morn breaks through her *rosiness*.
Sir W. Davenant, Gondibert, b. iii.

Some may delight themselves in a black skin, and others in a white; some in a gentle natural *rosiness* of complexion.—*Spence, Crito.*

Rósiny. *adj.* ? Rossely.

The best soil is that upon a sandy gravel or *rosiny* sand.—*Sir W. Temple.*

Rósland. *s.* See Rossel.

Róssel. *adj.* [entered in the preceding editions as a substantive, which the extract permits, but does not constrain, us to consider it. The word is Keltic, the Welsh giving *rhosawl* = of a parching nature; *rhosawg* = abounding with dry grass; *rhosaidd* = tending to be parched; *rhos* = that is parched, a dry meadow, moor; *gwair rhos* = moorland hay. It forms the name of many places. See Owen Pughe's Welsh Dictionary. Here all the dissyllabic forms are adjectival. There is nothing, however, to prevent the word under notice being used as a substantive; the present remarks being made upon its place as a part of speech so far as as it is determined by its derivation.] Light (as land) either from being moory or gravelly. In Bailey, *Rosland* is explained as 'healthy land, or full of ling; also watery or moorish land.'

A true *rossel* or light land, whether white or black, is what they are usually planted in.—*Mortimer, Husbandry.*

Róssely. *adj.* Friable. *Obsolete or provincial.*

In Essex, moory land is thought to be the most proper: that which I have observed to be the best soil is a *rossely* top, and a brick earthy bottom.—*Mortimer, Husbandry.*

Róster. *s.* See extract.

[*Roster*, in military language, [is] the list of persons liable to a certain duty; Bavarian, *der roster. Wacht-roster* [is] the list of those who are to take the watch: probably from *register*, the common word for a list in German.—*Wedgwood, Dictionary of English Etymology.*]

Róstle. *s.* [Lat. *rostellum.*] Beak. *Rare.*

'Vectis rostratus,' a barre or lever with an iron point or end; a *rostle*.—*Nomenclator.* (Nares by H. and W.)

Róstra. *s.* See Rostrum.

Róstral. *adj.* Having some resemblance to the beak of a ship, or rostrum.

Commerce wore a *rostral* crown upon her head, and kept her eyes fixed upon a compass.—*Tatler*, no. 161.

Róstrated. *adj.* Adorned with the beaks of ships.

He brought to Italy an hundred and ten *rostrated* gallies of the fleet of Mithridates.—*Arbuthnot.*

Róstrum. *s.* [Lat. = beak.] The extracts show how (from its application to that part of the vessel with which the ancient ships pierced or run down each other) it has come to signify a scaffold, platform, pulpit, or any place whence an orator may make an address. They also show that, as the original structure was named *rostra* (i.e. was plural), the ordinary form *rostrum* is justified on the grounds of its currency rather than its strict correctness. 'Indè ... nomen *rostra*, a pulpit, or tribunal, in the Roman Forum where those who addressed the people stood. ... Prætor, concione advocatâ, cum C. Lælio in *rostra* ascendit, mounted the *rostrum* (more correctly the *rostra*) or common pleading-place.' (See Facciolati by Bailey.)

1. Scaffold whence orators harangued.

Vespasian erected a column in Rome, upon whose top was the prow of a ship, in Latin *rostrum*, which gave name to the common pleading place in Rome, where orations were made, being built of the prows of those ships of Antium, which the Romans overthrew.—*Peacham, On Drawing.*

Myself will mount the *rostrum* in his favour,
And strive to gain his pardon from the people.
Addison, Cato, ii. 1.

Equestrian statues of the two consuls by whom this great war had been brought to a conclusion, were set up in the forum, and the beaks of the Antiatian ships were affixed to the front of the circular stand or gallery between the comitium and the forum, from which the tribunes were accustomed to address the people. From this circumstance it derived its well-known name of *rostra*, or the beaks. ... Bunsen, judging from the views of the *rostra* given on two coins in his possession, supposes that it was a circular building, raised on arches, with a stand or platform on the top, bordered by a parapet; the access to it being by two flights of steps, one on each side. It fronted towards the comitium, and the *rostra* were affixed to the front of it, just under the arches. Its form has been in all the main points preserved in the ambones, or circular pulpits, of the most ancient churches, which also had two flights of steps leading up to them one on the east side, by which the preacher ascended, and another on the west side, for his descent.—*Arnold, History of Rome*, ch. xxix. and note.

Rostra, or the Beaks, was the name applied to the stage in the Forum, from which the orators addressed the people. This stage was called the Templum, because it was consecrated by the augurs: but it obtained its name of *rostra* at the conclusion of the great Latin war, when it was adorned with the beaks (*rostra*) of the ships of the Antiates. The Greeks also mutilated galleys in the same way, for the purpose of trophies; this was called by them ἀκρωτηριάζειν.—*Dr. W. Smith, Dictionary of Greek and Roman Antiquities.*

2. See extract.

Rostrum [is] the pipe which conveys the distilling liquor into its receiver in the common alembicks;

also a crooked scissors which the surgeons use in some cases for the dilatation of wounds.—*Quincy.*

Rósy. *adj.* [Lat. *roseus.*]

1. Resembling a rose in bloom, beauty, colour, or fragrance.

When the *rosy* finger'd morning fair,
Weary of aged Tithon's saffron bed,
Had spred her purple robe through dewy air.
Spenser.

A smile that glow'd
Celestial *rosy* red, love's purer hue.
Milton, Paradise Lost, viii. 618.

Fairest blossom! do not slight
That age which you may know so soon:
The *rosy* morn resigns her light,
And milder glory to the noon. *Waller.*

As Thessalian steeds the race adorn,
So *rosy* coloured Helen is the pride
Of Lacedemon and of Greece beside.
Dryden, Epithalamium of Helen and Menelaus.

While blooming youth and gay delight
Sit on thy *rosy* cheeks confest,
Thou hast, my dear, undoubted right
To triumph o'er this destined breast.
Prior, Odes.

2. Made in the form of a rose.

His cloak with orient velvet quite lined through,
His *rosy* ties and garter so o'erblown.
B. Jonson, Epigrams, 97.

Rósy-cheeked. *adj.* Ruddy.

Once, moreover, there stood another monument erected near Lucerne, in commemoration of this event [Tell's shooting at the arrow on his son's head] a wooden obelisk, painted to look like granite, surmounted by a *rosy-cheeked* apple transfixed by a golden arrow.—*Baring-Gould, Curious Myths of the Middle Ages, First Series, William Tell.*

Rot. *v. n.* Putrify; lose the cohesion of its parts.

A man may *rot* even here.—*Shakespear, King Lear,* v. 2.

From hour to hour we ripe and ripe,
And then from hour to hour we *rot* and *rot.*
Id., As you like it, ii. 7.

Being more nearly exposed to the air and weather, the bodies of the animals would suddenly corrupt and *rot*; the bones would likewise all *rot* in time, except those which were secured by the extraordinary strength of their parts.—*Woodward.*

The very deep did *rot,* O Christ,
That ever these things should be;
Yea, slimy things did crawl with legs
Upon the slimy sea. *Coleridge, Ancient Mariner.*

If you are poor, wo be to you! Society, the brutal snob autocrat, consigns you to solitary perdition. Wither, poor girl, in your garret; *rot,* poor bachelor, in your club.—*Thackeray, Book of Snobs,* ch. xxxiv.

Rot. *v. a.*

1. Make putrid; bring to corruption.

No wood shone that was cut down alive, but such as was *rotted* in stock and root while it grew.—*Bacon.*

Frowning Auster seeks the southern sphere,
And *rots,* with endless rain, th' unwholesome year.
Dryden.

2. Cause rot in sheep.

Bakewell, when his sheep were past service, used to *rot* them purposely by feeding them on wet land, that they might not pass into other hands. This he always readily did by overflowing his pastures. It is said that land on which water flows, but does not stagnate, will not *rot,* however moist; but this is contradicted by the experience of Bakewell, who used merely to flood his lands a few times only to *rot* his sheep.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Rot. *s.*

1. Disease peculiar to sheep.

In an unlucky grange, the sheep died of the *rot,* the swine of the mange, and not a goose or duckling throve.—*B. Jonson.*

The cattle must of *rot* and murrain die.
Milton, Paradise Lost, xii. 179.

The wool of Ireland suffers under no defect, the country being generally full stocked with sheep, and the soil little subject to other *rots* than of hunger. —*Sir W. Temple.*

The treatment of *rot* is seldom successful, unless when it is early commenced, or when the disease is of a mild nature. A total change of food is the first indication, and of that to a dry wholesome kind.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Disorganisation: (applied to *frost-bites*).

They interlard their native drinks with choice
Of strongest brandy, yet scarce with these aids
Enabled to prevent the sudden *rot*
Of freezing nose, and quick decaying feet.
J. Philips, Cyder, ii. 247.

Róta. *s.* [Lat. = wheel.—Applied as this word is in its first sense, it is connected with the notion of a wheel merely from a certain chamber, the *Rota Porphyretica* (or *Porphyry Wheel*), the floor of which had the pattern of a wheel. 'Camera Romæ cujus pavimentum ex marmore porphyretico *rotæ* figuram efformabat: unde camera ipsa nude *rota* dicta est, ut Normannos *Scacarium,* quod camera, in qua judicia exercebantur, Scacarii instar, marmoreis tabellis distingueretur.' (Du Cange, *in voce.*) In the second the notion is that of the *motion* of the wheel, i.e. its *rotation.*

1. Court of papal jurisdiction, consisting of twelve doctors.

Staphileus, dean of the *rota,* was there.—*Bishop Burnet, History of the Reformation,* i. 50.

2. Club of politicians, in the history of this country, who when the government so often wavered in 1659, were for contriving an equal government by rotation.

A Parliament which may make old men grieve,
And children that ne'er shall be born complain—
I mean such as dy'd before they did live,
Like Harrington's *Rota,* or th' engine of Vane.
The Rump roughly but righteously handled, Loyal Songs, edit. 1731, vol. ii. p. 110.

Then down in your ire,
With this Rump to the fire,
Get Harrington's *Rota* to turn it;
If paper be lack'd,
Th' Assessment Act,
You may stick upon't lest ye burn it.
Loyal Songs, ii. 129.

Sidrophel, as full of tricks
As *rota* men of politicks,
Straight cast about to over-reach
The unwary conqueror with a fetch.
Butler, Hudibras, ii. 3, 1107.

The censure of the *Rota* upon Mr. Milton's book, entituled The Ready and Easie Way to Establish a Free Commonwealth: die Lunæ 26 Martii, 1660, Ordered by the *Rota,* that Mr. Harrington be desired to draw up a Narrative of this dayes proceeding upon Mr. Milton's book, called the Ready and Easie Way, &c. And to cause the same to be forthwith printed and published, and a copy thereof to be sent to Mr. Milton.—Trundle Wheeler, Clerk to the *Rota.* London. Printed by Paul Giddy, Printer to the *Rota,* at the sign of the Windmill in Turne-againe Lane.—*Titlepage of pseudonymous Satirical Composition in Prose*: 1660.

Rotátion. *s.* [Fr.; Lat. *rotatio, -onis.*]

1. Act of whirling round like a wheel; state of being so whirled round; whirl.

Of this kind is some disposition of bodies to *rotation* from east to west; as the main float and refloat of the sea, by consent of the universe as part of the diurnal motion.—*Bacon.*

By a kind of circulation or *rotation,* arts have their successive invention, perfection, and traduction from one people to another.—*Sir M. Hale, Origination of Mankind.*

The axle-trees of chariots take fire by the rapid *rotation* of the wheels.—*Sir I. Newton, On Opticks.*

In the passions' wild *rotation* tost,
Our spring of action to ourselves is lost.
Pope, Moral Essays, i. 41.

2. Vicissitude of succession.

This is all the possible *rotation* our speculative state-botcher can in reason promise to himself.—*Butler, Characters.*

So far as observations have hitherto been made, it appears probable that the excretions given out by plants of different families possess very different qualities, and act differently upon other plants. It had been long known to gardeners that flowers and fruit-trees will not prosper so well when they have been planted in a situation where others of the same kind had previously grown, as if they were planted in situations where they succeeded to others of a different kind. It is also a well-established fact in forestry, that when a wood principally composed of one species of timber trees has been cleared, the trees which then spring up spontaneously and supply the place of the former growth are for the most part of a different species. And lastly, the agriculturist has established a *rotation* of crops upon experimental proof that grain of one kind succeeds better when it follows certain other kinds, than when it is sown immediately after a crop of the same plant.—*Henslow, Principles of Descriptive and Physiological Botany,* pt. ii. ch. iii. § 218.

Rotátor. *s.* [Lat.] That which moves in, that which gives a, circular motion.

This articulation is strengthened by strong muscles; on the inside by the triceps and the four little *rotators.*—*Wiseman, Surgery.*

Rotatória, and **Rótatories.** *s.* In *Zoology.* Name of the class constituted by certain animalcula, originally classed with the Infusoria, but now placed in the neighbourhood of the Mollusca; wheel-animalcules; Rotifera.

The wheel-animalcules are capable of contraction in a remarkable manner, many of them assuming thereby an oval form. This faculty of contraction gave occasion to the name Systolides, by which Dujardin wishes to distinguish this class of animals, but which probably will not supersede that of *Rotatoria.* In some the integument is hard and rigid so as to form a shield or a shell; Brachionus, Anuræa, &c. In most there is a caudiform appendage on the abdominal surface; Ehrenberg names it Processus pediformis, or Pseudopodium, which can be drawn in and out annulously like a telescope, and ends in a suctorial disc or in a forceps; by it the *rotatories* fix the posterior extremity of the body, whenever, being at rest, they set the wheel-organ in motion.—*Translation,* by *Dr. W. Clark, of Van der Hoeven, Handbook of Zoology.*

Rótatory. *adj.* Whirling; running round with celerity.

The ball and socket joint allows a *rotatory* or sweeping motion.—*Paley, Natural Theology,* ch. ix.

Rotche. *s.* [?] British natatorial bird akin to the auks and penguins of the genus Mergulus (melaleucos).

The little auk, or common *rotche,* as it is also called . . . is only a winter visitor to the British Islands, and is more frequently met with among those of Orkney and Shetland, than farther south.—*Yarrell, History of British Birds.*

Rote. *s.* [? Lat. *rota* = wheel; ? Lat. *crutta,* from the Keltic = crowd, fiddle.]

1. Musical instrument in which the vibration of the strings was caused by the turning of a wheel, as in the hurdy-gurdy.

There did he find, in her delicious bower,
The faire Pæana playing on a *rote.*
Spenser, Faerie Queen.

A few of the instruments of which the minstrel boasts he is the master, and which are not explained in the translation of the verses, require some comment. The muse is the muzzle or tube of a bagpipe, without the bellows. Cornmuse was the name of a horn or Cornish pipe, blown like our bagpipe. Chalmy shawm, in old English, is a clarinet of low pitch; and chalumeau is French for a large bagpipe made of box, with a great bourdon or drone, as musette is for one of a small size. Of what kind of instrument was the chipbonie, cyfoine, symphonie, is not very well known. Some of the quotations given by Du Cange describe it as a wind instrument, and others as a species of drum, pierced with holes, like a sieve. I have not the least doubt but that the instrument called a *rote,* so frequently mentioned by our Chaucer, as well as by the old French poets, was the same as the modern vielle, and had its first name from rota, the wheel with which its tones are produced. The gigue and armonia were instruments concerning which I can procure no information.—*Burney, History of Music,* vol. ii. p. 270.

2. Part learnt by memory.

These learn a *rote* of buffoonery, that serveth all occasions.—*Swift.*

3. Words uttered by mere memory without meaning; memory of words without comprehension of the sense: (with *by*).

First rehearse this song *by rote,*
To each word a warbling note.
Shakespear, Midsummer-Night's Dream, v. 2.

Thy loved did read *by rote,* and could not spell.
Id., Romeo and Juliet, ii. 3.

He rather saith it *by rote* to himself, than that he can thoroughly believe it.—*Bacon, Essays.*

All this he understood *by rote,*
And as occasion served would quote.
Butler, Hudibras, i. 1, 135.

Learn Aristotle's rules *by rote,*
And at all hazards boldly quote. *Swift, On Poetry.*

A man must serve his time at every trade;
Save critics; critics all are ready made:
Take hackney jokes from Miller got *by rote,*
With just enough of learning to misquote.
Byron, English Bards and Scotch Reviewers.

Not one in the thousand has the smallest turn for thinking; only for passive dreaming and hearsaying, and active babbling *by rote.*—*Carlyle, Critical and Miscellaneous Essays, The Diamond Necklace,* ch. i.

Rote. *v. a.* Fix in the memory, without informing the understanding. *Rare.*

Speak to the people words
That are but *roted* in your tongue; bastards and syllables
Of no allowance to your bosom's truth.
Shakespear, Coriolanus, iii. 2.

Rote. *v. n.* Go out by rotation or succession. *Rare.*

A third part of the senate, or parliament, should *rote* out by ballot every year, and new ones be chosen in their room.—*Grey, Note on Hudibras,* ii. 3, 1108.

Rótgut. *s.* Bad, sour, griping, beer or wine.

They overwhelm their paunch daily with a kind of flat *rotgut*; we with a bitter dreggish small liquor. —*Harvey.*

Róther. *s.* [plural, or rather collective form

of the rare or obsolete singular *róþ*; the *r* having the same import as in *child-er*, the older and still provincial form of *child-r-en*. In the previous editions it stands as the prefix in a compound; the entry being *rother-beasts*, the second element being in the plural number. The A.S. forms are *hryðer*, *hryðern*; also plural (or collective). Word for word it is the German *rind*; as in *rind-fleisch* = beef, the plural being *rinder*, as in *rinder-pest*, under which form our own obsolete term has returned to us.] Black-cattle.

Róther-beasts. *s. pl.* Black cattle.

The beare to chase, the hinde to runne, the cruel boare to fall
Upon the heards of *rother-beasts* had now no lust at all. *Golding, Translation of Ovid's Metamorphoses*: 1567.

Róther-nail. *s.* In *Navigation.* Nail with very full head used for fastening the rudder irons of ships.

Róther-soil. *s.* Dung of rother-beasts. *Obsolete and provincial.*

Rotífera, and **Rótifer.** *s.* Rotatoria.

The Stephanoceros Eichornii [is] an animal that would seem to be one of the connecting links by which the transition from the Articulata to the Mollusca is accomplished; the transparent cell, and ciliated tentacula around the mouth, would indicate this creature to be a Bryozoon to be described hereafter; but the tentacula are visibly stunted and thickened at their base, thus approximating in character to the cilia-bearing lobes of a *rotifer*, while the internal organs, the pharynx, gizzard, and stomach, conform exactly to the type of structure common to the *rotifer*.—*Rymer Jones, General Outline of the Organization of the Animal Kingdom*, § 1119.

Rótted. *part. adj.* Affected with rot: (in *sheep*).

This difference in degree occasions some *rotted* sheep to thrive well under its progress to a certain stage, when they suddenly fall off, and the disease pursues the same course as with the rest.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Rótten. *adj.*

1. Putrid; carious; putrescent.
   Trust not to *rotten* planks. *Shakespear, Antony and Cleopatra*, iii. 7.
   Prosperity begins to mellow,
   And drop into the *rotten* mouth of death. *Id., Richard III.* iv. 4.
   O bliss-breeding sun, draw from the earth
   Rotten humidity; below thy sister's orb
   Infect the air. *Id., Timon of Athens*, iv. 3.
   It groweth by a dead stub of a tree, and about the roots of *rotten* trees, and takes his juice from wood putrefied.—*Bacon.*
   Who brass as *rotten* wood; and steel no more
   Regards than reed. *Sandys, Paraphrase of the Book of Job.*
   They serewood from the *rotten* hedges took,
   And seeds of latent fire from flints provoke. *Dryden.*
2. Not firm; not trusty.
   Hence, *rotten* thing, or I shall shake thy bones
   Out of thy garments. *Shakespear, Coriolanus*, iii. 1.
3. Not sound; not hard.
   They were left moiled with dirt and mire, by reason of the deepness of the *rotten* way.—*Knolles, History of the Turks.*
4. Fetid; stinking.
   You common cry of curs, whose breath I hate,
   As reek o' the *rotten* fen. *Shakespear, Coriolanus*, iii. 3.

Róttenness. *s.* Attribute suggested by Rotten; state of being rotten; cariousness; putrefaction.

Diseased ventures,
That play with all infirmities for gold,
Which *rottenness* lends nature. *Shakespear, Cymbeline*, i. 7.
If the matter stink and be oily, it is a certain sign of a *rottenness*.—*Wiseman, Surgery.*
Vast, however, and admirably organised as the fabric of Roman power appeared on the frontiers and in the provinces, there was *rottenness* at its core. In Rome's unceasing hostilities with foreign foes, and still more, in her long series of desolating civil wars, the free middle classes of Italy had almost wholly disappeared.—*Sir E. S. Creasy, The Fifteen Decisive Battles of the World, The Victory of Arminius.*

Róttenstone. *s.* Tripoli. See extract.

Tripoli [or] *rottenstone* is a mineral of an earthy fracture, a yellowish grey or white colour, composition impalpably fine, meagre to the touch, does not adhere to the tongue, and burns white. . . . Mr. Ehrenberg has shown that both of these friable homogeneous rocks which consist almost entirely of silica, are actually composed of the exuviæ, or rather the skeletons of infusoria of the family Bacillariæ, and the genera Cocconema, Gomphonema, &c. . . . The meadow iron ore is composed almost wholly of the Gaillonella ferruginea. Most of these infusoria are lacustrine; but others are marine, particularly the tripolis of the Isle of France.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Rótting. *part. adj.*

1. Falling into decay.
   My very heart faints and my whole soul grieves
   At the moist rich smell of the *rotting* leaves,
   And the breath
   Of the fading edges of box beneath;
   And the year's last rose. *Tennyson.*
2. Causing rot in sheep.
   It is not the quantity of water immediately received by land, but the capacity of that land to retain the moisture, which makes it good breeding ground for the germs of the disease, and thus makes the land itself of a *rotting* quality.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Rotúnd. *adj.* [Fr. *rotonde*; Lat. *rotundus.*] Round; circular; spherical.

The cross figure of the Christian temples is more proper for spacious buidings than the *rotund* of the heathens; the eye is much better filled at first entering the *rotund*, but such as are built in the form of a cross give us a greater variety.—*Addison.*

Rotúnda. *s.* [Italian.] Building formed round both in the inside and outside; such as the Pantheon at Rome.

He at last brought us to the *rotunda*.—*Addison, Dialogues on the Usefulness of Ancient Medals.*
Scorning there
The glassy penthouse of ignoble form,
High on Ionic shafts he bad it tower
A proud *rotunda*; to its sides conjoined
Two broad piazzas in theatric curve,
Ending in equal porticos sublime. *Mason, English Garden*, iv. 221.
Could tumult awaken the old dead, Burgundian Charles the Bold might stir from under that *Rotunda* of his: never since he, raging, sank in the ditches, and lost Life and Diamond, was such a noise heard here. —*Carlyle, The French Revolution*, pt. ii. b. ii. ch. v.

Rotúndity. *s.* [Lat. *rotunditas*; Fr. *rotundité.*] Roundness; sphericity; circularity.

Thou all-shaking thunder,
Strike flat the thick *rotundity* o' the world. *Shakespear, King Lear*, iii. 2.
With the *rotundity* common to the atoms of all fluids, there is some difference in bulk, else all fluids would be alike in weight.—*Grew.*
Who would part with these solid blessings, for the little fantastical pleasantness of a smooth convexity and *rotundity* of a globe?—*Bentley, Sermons.*
Rotundity is an emblem of eternity, that has neither beginning nor end.—*Addison, Dialogues on the Usefulness of Ancient Medals.*

Rotúndo. *s.* Rotunda.

On the brink of the precipice stands the Sibyl's temple, the remains of a little *rotundo* surrounded with its portico.—*Gray, Letters.*

Roué. *s.* [Fr. = one broken on the wheel; term said to have been invented by Philip of Orleans, the Regent of France.] Person of dissipated and profligate habits, yet not excluded from society.

To these suppers none were asked but the prince's chums, or *roués*, as he was pleased to call them.—The term *roué*, now so comprehensive, was first given by the regent to a select number of his friends; according to them, because they would be broken on the wheel for his sake; according to himself, because they deserved to be so broken.—*Lord Lytton, Devereux*, b. iv. ch. ix. and note.

Rouge. *s.* [Fr.] Cosmetic so called.

The only cosmetic which can be applied without injury to brighten a lady's complexion, is that prepared by the following process from safflower (Carthamus tinctorius). The flowers, after being washed with pure water till it comes off colourless, are dried, pulverized, and digested with a weak solution of crystals of soda, which assumes thereby a yellow colour; into this liquor a quantity of finely carded white cotton wool is plunged, and then so much lemon juice or pure vinegar is added as to supersaturate the soda. The colouring matter is disengaged, and falls down in an impalpable powder upon the cotton filaments. The cotton, after being washed in cold water to remove some yellow colouring particles, is to be treated with a fresh solution of carbonate of soda, which takes up the red colouring matter in a state of purity. Before precipitating this pigment a second time by the acid of lemons, some soft powered talc should be laid in the bottom of the vessel, for the purpose of absorbing the fine *rouge* in proportion as it is separated from the carbonate of soda, which now holds it dissolved. The coloured mixture must be finally triturated with a few drops of olive oil, in order to make it smooth and marrowy.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Rough. *adj.* [A.S. *hreof, reoh.*]

1. Having inequalities on the surface, as opposed to *smooth*; rugged.
   The fiend
   O'er bog or steep, through straight, *rough*, dense, or rare,
   Pursues his way. *Milton, Paradise Lost*, ii. 947.
   Were the mountains taken all away, the remaining parts would be more unequal than the *roughest* sea; whereas the face of the earth should resemble that of the calmest sea, if still in the form of its first mass.—*T. Burnet, Theory of the Earth.*
2. Austere to the taste: (as, *rough* wine).
3. Harsh to the ear.
   The *rough* and woful musick that we have,
   Cause it to sound. *Shakespear, Pericles*, iii. 2.
   Most by the numbers judge a poet's song,
   And smooth or *rough* with them is right or wrong. *Pope, Essay on Criticism*, ii. 337.
4. Rugged of temper; inelegant of manners; not soft; coarse; not civil; severe; not mild; rude.
   A fiend, a fury, pitiless and *rough*,
   A wolf; nay worse, a fellow all in buff. *Shakespear, Comedy of Errors*, iv. 2.
   Straight with a band of soldiers tall and *rough*
   On him he seizes. *Cowley, Davideis.*
   The booby Phaon only was unkind,
   A surly boatman, *rough* as waves and wind. *Prior, Epilogue to Lucius.*
5. Not gentle; not proceeding by easy operation.
   He gave not the king time to prosecute that gracious method, but forced him to a quicker and *rougher* remedy.—*Lord Clarendon, History of the Grand Rebellion.*
   Hippocrates seldom mentions the doses of his medicines, which is somewhat surprising, because his purgatives are generally very *rough* and strong. —*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*
6. Harsh to the mind; severe.
   Kind words prevent a good deal of that perverseness, which *rough* and imperious usage often produces in generous minds.—*Locke.*
7. Hard-featured; not delicate.
   A ropy chain of rheums, a visage *rough*,
   Deform'd, unfeatured, and a skin of buff. *Dryden, Translation of Juvenal*, x. 307.
8. Not polished; not finished by art: (as, 'A *rough* diamond').
9. Terrible; dreadful.
   Before the cloudy van,
   On the *rough* edge of battle, ere it join'd,
   Satan advanced. *Milton, Paradise Lost*, vi. 107.
10. Rugged; disordered in appearance; coarse.
    Rough from the tossing surge Ulysses moves,
    Urged on by want, and recent from the storms;
    The brackish ooze his manly grace deforms. *Pope, Translation of the Odyssey*, vi. 161.
11. Tempestuous; stormy; boisterous.
    Come what come may,
    Time and the hour run through the *roughest* day. *Shakespear, Macbeth*, i. 3.
12. Hairy; covered with hair or feathers.

Rough. *s.*

1. Not calm weather.
   Thrice happy swains! . . .
   In calms, you fish; in *roughs*, use songs and dances. *P. Fletcher, Piscatory Eclogues*, vii. 52.
2. Blackguard; ruffian. *Slang.*
   I entertain so strong an objection to the euphonious softening of ruffian into *rough*, which has lately become popular, that I restore the right word to the heading of this paper.—*Dickens, The Ruffian, by the Uncommercial Traveller, All the Year round*, Oct. 10, 1868.

In the rough. In an ordinary style; without preparation.

'You'll have a party?' said Crimple. 'No, I won't,' I said; 'he shall take us *in the rough*!'—*Dickens, Martin Chuzzlewit*, ch. xxvii.

Rough. *v. n.* (with *it*, as in *go it.*) Put up with things in a rough way.

Roúghcast. *v. a.*

1. Build with rough work.
   All the world knows that no man will *rough-caste* a marble wall, but mud by unpolisht ragge.—*Righteous Mammon.* (Ord MS.).
2. Mould without nicety or elegance; form with asperities and inequalities.
   Nor bodily nor ghostly negro could
   Roughcast thy figure in a sadder mould. *Cleaveland.*

3. Form anything in its first rudiments.
In merriment they were first practised, and this *roughcast* unhewn poetry was instead of stage plays for one hundred and twenty years.—*Dryden, Dedication to Translation of Juvenal.*

Roúghcast. *s.*
1. Rude model; form in its rudiments.
The whole piece seems rather a loose model and *roughcast* of what I design to do, than a compleat work.—*Sir K. Digby.*
2. Kind of plaster mixed with pebbles, or by some other cause very uneven on the surface.
Some man must present a wall; and let him have some plaster, lome, or *roughcast* about him to signify wall. — *Shakespear, Midsummer Night's Dream,* iii. 1.

Roúghdraught. *s.* Draught in its rudiments; sketch.
My elder brothers came
Roughdraughts of nature, ill design'd and lame,
Blown off, like blossoms, never made to bear;
Till I came finish'd, her last labour'd care.
Dryden, Aurengzebe, v. 1.

Roúghdraw. *v. a.* Trace coarsely.
His victories we scarce could keep in view,
Or polish 'em so fast, as he *roughdrew.* *Dryden.*

Roúghen. *v. a.* Make rough.
Such difference there is in tongues, that the same figure which *roughens* one, gives majesty to another; and that was it which Virgil studied in his verses.—*Dryden.*
Ah! where must needy poet seek for aid,
When dust and rain at once his coat invade!
His only coat; when dust confused with rain,
Roughens the nap, and leaves a mingled stain.
Swift, Description of a City Shower.

Roúghen. *v. n.* Grow rough.
The broken landskip
Ascending *roughens* into rigid hills.
Thomson, Seasons, Spring.

Roúghhew. *v. a.* Give to anything the first appearance of form.
There's a divinity that shapes our ends,
Roughhew them how we will.
Shakespear, Hamlet, v. 2.
The whole world, without art and dress,
Would be but one great wilderness,
And mankind but a savage herd,
For all that nature has conferr'd:
This does but *roughhew* and design,
Leaves art to polish and refine. *Butler, Hudibras.*
Dr. Farmer informed Mr. Steevens that the phrase, as used by Shakspeare, is technical. 'A wool-man, butcher, and dealer in skewers, lately observed to him, that his nephew (an idle lad) could only 'assist him in making them; he could *rough-hew* them, but not shape their ends. To shape the ends of wool-skewers, or point them, requires a degree of skill; any one can *rough-hew* them.' Those who lop the branches and knots, from trees that have been felled, I may add, commonly call their work rough-hewing.—*Todd.*

Roúghhewn. *part. adj.*
1. Rugged; unpolished; uncivil; unrefined.
A *roughhewn* seaman, being brought before a justice for some misdemeanour, was by him ordered away to prison; and would not stir; saying, it was better to stand where he was, than to go to a worse place.—*Bacon, Apophthegms.*
2. Not yet nicely finished.
I hope to obtain a candid construction of this *roughhewn,* ill-timbered discourse.—*Howell, Vocall Forrest.*

Roúghly. *adv.* In a rough manner.
1. With uneven surface; with asperities on the surface.
2. Harshly; uncivilly; rudely.
Ne Mammon would there let him long remain,
For terror of the torments manifold,
In which the damned souls he did behold,
But *roughly* him bespake. *Spenser, Faerie Queen,*
Rebuke and *roughly* send to prison
Th' immediate heir of England! was this easy?
Shakespear, Henry IV. Part II. v. 2.
3. Severely; without tenderness.
Some friends of vice industriously defend
These innocent diversions, and pretend,
That I the tricks of youth too *roughly* blame.
Stepney, Translation of Juvenal, viii. 289.

Roúghness. *s.* Attribute suggested by Rough.
1. Superficial asperity; unevenness of surface.
The little *roughnesses* or other inequalities of the leather against the cavity of the cylinder, now and then put a stop to the descent or ascent of the sucker.—*Boyle.*
While the steep horrid *roughness* of the wood
Strives with the gentle calmness of the flood.
Sir J. Denham, Cooper's Hill.
When the diamond is not only found, but the *roughness* smoothed, cut into a form, and set in gold, then we cannot but acknowledge that it is the perfect work of art and nature.—*Dryden.*
Such a persuasion as this well fixed, will smooth all the *roughness* of the way that leads to happiness, and render all the conflicts with our lusts pleasing. —*Bishop Atterbury.*
2. Austereness to the taste.
Divers plants contain a grateful sharpness, as lemons; or an austere and inconcocted *roughness,* as sloes.—*Sir T. Browne.*
3. Taste of astringency.
A tobacco-pipe broke in my mouth, and the spitting out the pieces left such a delicious *roughness* on my tongue, that I champed up the remaining part.—*Spectator.*
4. Harshness to the ear.
In the *roughness* of the numbers and cadences of this play, which was so designed, you will see somewhat more masterly than in any of my former tragedies.—*Dryden.*
The Swedes, Danes, Germans, and Dutch attain to the pronunciation of our words with ease, because our syllables resemble theirs in *roughness* and frequency of consonants.—*Swift.*
5. Ruggedness of temper; coarseness of manners; tendency to rudeness; coarseness of behaviour and address.
Roughness is a needless cause of discontent; severity breedeth fear; but *roughness* breedeth hate: even reproofs from authority ought to be grave and not taunting.—*Bacon.*
When our minds' eyes are disengaged and free,
They clearer, farther, and distinctly see;
They quicken sloth, perplexities unty,
Make *roughness* smooth, and hardness mollify.
Sir J. Denham, Of Prudence.
Roughness of temper is apt to discountenance the timorous or modest.—*Addison.*
6. Absence of delicacy.
Should feasting and balls once get amongst the cantons, their military *roughness* would be quickly lost, their tempers would grow too soft for their climate.—*Addison.*

Roúghshod. *adj.* Having the foot fitted, when the roads in frosty weather are slippery, with a roughened shoe: (used of *horses*).
I... should have gone to the utmost tether of sharp and bitter remedies, even to sequestration in her chamber, or to the correction of stripes, ere I permitted her to ride *roughshod* over duty and conscience and direct precept.—*Sala, Dutch Pictures, The Ship-Chandler.*

Roúghwork. *v. a.* Work coarsely; without nicety.
Thus you must continue, till you have *rough-wrought* all your work from end to end.—*Moxon, Mechanical Exercises.*

Rouleaú. *s.* [Fr.] Number of coins packed in a roll. See last extract.
Exposed in glorious heaps the tempting bank,
Guineas, half-guineas, all the shining train,
The winner's pleasure, and the loser's pain:
In bright confusion open *rouleaus* lie,
They strike the soul, and glitter in the eye!
Pope, Basset-Table.
You say
The baron was asleep in the great chair—
His toilet spread before him, and upon it
A cabinet spread with letters, papers, and
Several *rouleaux* of gold; of which one only
Has disappeared...
Had one of our folks done it, he would not
Have been so poor a spirit as to hazard
His neck for one *rouleau,* but have swooped all: ...
As for the baron's gold, if 'tis not found,
At least he shall have the full satisfaction
Of melting twice its substance in the raising
The ghost of this *rouleau.* *Byron, Werner,* ii. 1.
Rouleau [is] a term of gaming, as the amusing Fop-Dictionary of 1690 informs us, adding that certain lenders made up a *rouleau* of forty-nine guineas, for which they were to receive in payment fifty.—*Todd.*

Rouléette. *s.* Game of chance so called.
Really, if Dice goes on playing, I shall give up banking. That fellow must have a talisman. I think he has broken more banks than any man living. The best thing he did of that kind was the *roulette* story at Paris.—*B. Disraeli, The Young Duke.*

Roun-tree. *s.* See Roan.

Roun. *v. a.* [A.S. *runian*; often spelt, incorrectly, with *d.*] Address in a whisper.
A little wholesome talk,
That none could hear, close *rowned* in the ear.
Breton, Works of a Young Wit: 1577.
And in his eare him *rownded* close behinde.
Spenser, Faerie Queen.
Cicero was at dinner, where an ancient lady said she was but forty-one that sat by *rounded* him in the ear. She is far more, out of question: Cicero answered, I must believe her, for I heard her say so any time these ten years.—*Bacon.*
The fox *rounds* the new elect in the ear, with a piece of secret service that he could do him.—*Sir R. L'Estrange.*

Roun. *v. n.* Whisper.
Being come to the supping place, one of Kalander's servants *rounded* in his ear; at which he retired.—*Sir P. Sidney.*
They're here with me already; whispering, *rounding*
Sicilia is a so forth; 'tis far gone.
Shakespear, Winter's Tale, i. 2.

Roúnceval. *s.* Kind of pea so called, from Rounceval, a town at the foot of the Pyrenees.
Dig garden,
And set as a daintie thy *runcival* pease.
Tusser, Five Hundred Points of good Husbandry.

Round. *adj.*
1. Cylindrical.
Hollow engines long and *round,*
Thick rammed, at th' other bore with touch of fire
Dilated and infuriate.
Milton, Paradise Lost, vi. 484
2. Circular.
The queen of night,
In her increasing hornes doth rounder grow,
Till full and perfect she appeare in show.
W. Browne
His ponderous shield,
Ethereal temper, massy, large and *round.*
Milton, Paradise Lost, i. 284.
3. Spherical; orbicular.
The outside bare of this *round* world.
Milton, Paradise Lost, x. 318.
4. Smooth; without defect in sound.
In his satyrs, Horace is quick, *round,* and pleasant, and as in nothing so bitter, so not so good as Juvenal.—*Peacham.*
His style, though *round* and comprehensive, was incumbered sometimes by parentheses, and became difficult to vulgar understandings.—*Bishop Fell, Life of Hammond.*
5. Whole; not broken.
Pliny put a *round* number near the truth, rather than a fraction.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*
6. Large; not inconsiderable: (this is hardly used but with *sum* or *price*).
Three thousand ducats! 'tis a good *round sum.*
Shakespear, Merchant of Venice, i. 3.
They set a *round price* upon your head.—*Addison.*
It is not easy to foresee what a *round sum* of money may be among a people, who have tamely suffered the Fránche Compté to be seized on.—*Id., Travels in Italy.*
She called for a *round sum* out of the privy purse. —*Hooke.*
7. Plain; clear; fair; candid; open.
Round dealing is the honour of man's nature; and a mixture of falsehood is like allay in gold and silver, which may make the metal work the better, but it embaseth it.—*Bacon.*
8. Quick; brisk.
Painting is a long pilgrimage; if we do not actually begin the journey, and travel at a *round* rate, we shall never arrive at the end of it.—*Dryden, Translation of Dufresnoy's Art of Painting.*
Sir Roger heard them upon a *round* trot; and after pausing, told them that much might be said on both sides.—*Addison, Spectator.*
9. Plain; free without delicacy or reserve; almost rough.
Let his queen mother all alone intreat him,
To shew his grefs; let her be *round* with him.
Shakespear, Hamlet, iii. 1.
The kings interposed in a *round* and princely manner; not only by way of request and persuasion, but also by way of protestation and menace.—*Bacon.*

Bring round. Bring to a satisfactory issue.
She said he would come round, or, not to mince the matter, would be *brought round,* if Miss Pecksniff took up a decided position, and plainly showed him that it must be done.—*Dickens, Martin Chuzzlewit,* ch. xxxii.

Round. *s.*
1. Circle; sphere; orb.
Three or four we'll dress like urchins,
With *rounds* of waxen tapers on their heads,
And rattles in their hands.
Shakespear, Merry Wives of Windsor, iv. 4.
Hie thee hither,
That I may pour my spirits in thine ear,
And chastise with the valour of my tongue
All that impedes thee from the golden *round,*
Which fate and metaphysick aid doth seem
To have thee crown'd withal. *Id., Macbeth,* i. 5.

I'll charm the air to give a sound,
While you perform your antick *round*.
Shakespear, Macbeth, iv. 1.

Hirsute roots are a middle sort, between the bulbous and fibrous; that, besides the putting forth sap upwards and downwards, putteth forth in *round*.—*Bacon*.

He did seem
But to foretel and prophesy of him,
Who to his realms that azure *round* hath join'd.
Sir J. Denham, Cooper's Hill.

They meet, they wheel, they throw their darts afar;
Then in a *round* the mingled bodies run,
Flying they follow, and pursuing shun.
Dryden, Translation of the Æneid, v. 761.

How shall I then begin, or where conclude,
To draw a frame so truly circular?
For, in a *round*, what order can be shew'd,
Where all the parts so equal perfect are?
Id., Heroic Stanzas on the Death of Oliver Cromwell.

The mouth of Vesuvio has four hundred yards in diameter; for it seems a perfect *round*.—*Addison*.

This image on the medal placed,
With its bright *round* of titles graced,
And stampt on British coins shall live.
Id., Epistle to Sir Godfrey Kneller.

2 Rundle; step of a ladder.

When he once attains the upmost *round*,
He then unto the ladder turns his back,
Looks in the clouds, scorning the base degrees
By which he did ascend.
Shakespear, Julius Cæsar, ii. 1.

Many are kicked down ere they have climbed the two or three first *rounds* of the ladder.—*Dr. H. More, Government of the Tongue*.

All the *rounds* like Jacob's ladder rise;
The lowest hid in earth, the topmost in the skies.
Dryden, Hind and Panther, ii. 221.

This is the last stage of human perfection, the utmost *round* of the ladder whereby we ascend to heaven.—*Norris*.

3. Time in which anything has passed through all hands, and comes back to the first: (hence applied to a *carousal*).

A gentle *round* fill'd to the brink,
To this and t' other friend I drink.
Sir J. Suckling.

Women to cards may be compared; we play
A *round* or two, when used, we throw away.
Granville.

The feast was served; the bowl was crown'd;
To the king's pleasure went the mirthful *round*.
Prior, Solomon, ii. 158.

4. Revolution; course ending at the point where it began.

We, that are of purer fire,
Imitate the starry quire,
Who, in their nightly watchful spheres,
Lead in swift *rounds* the months and years.
Milton, Comus, 111.

No end can to this be found,
'Tis nought but a perpetual fruitless *round*.
Cowley.

If nothing will please people, unless they be greater than nature intended, what can they expect but the ass's *round* of vexatious changes?—*Sir R. L'Estrange*.

Some preachers, prepared only upon two or three points, run the same *round* from one end of the year to another.—*Addison*.

Till by one countless sum of woes opprest,
Hoary with cares, and ignorant of rest,
We find the vital springs relax'd and worn;
Compell'd our common impotence to mourn,
Thus through the *round* of age, to childhood we return.
Prior, Solomon, iii. 110.

5. Rotation; succession in vicissitude.

Such new Utopians would have a *round* of government, as some the like in the church, in which every speak becomes uppermost in his turn.—*Holyday*.

6. Walk performed by a guard or officer, to survey a certain district.

He accompanied the major of the regiment in going what are styled the *rounds*.—*Langton, Of Johnson, in Boswell's Life*.

7. Roundelay; song.

Rhimes, songs, and merry *rounds*.
Fletcher, Faithful Shepherdess.

Some jolly shepherd sung a lusty *round*,
And to his voice had tuned his oaten reed.
Fairfax, Translation of Tasso.

8. Dance.

The Graces painted are
With hand in hand dancing an endless *round*.
Sir J. Davies, Orchestra: 1596.

Love taught them *rounds* and winding heys to tread.
Ibid.

Come, knit hands, and beat the ground
In a light fantastick *round*.
Milton, Comus, 143.

9. General discharge of cannon or fire-arms.

Round. *adv.*

1. Every way; on all sides.

The terror of God was upon the cities *round* about.—*Genesis*, xxxv. 5.

All sounds whatsoever move *round*; that is, on all sides, upwards, downwards, forwards, and backwards.—*Bacon*.

In darkness and with dangers compass'd round.
Milton, Paradise Lost, vii. 27.

2. In a revolution.

At the best 'tis but cunning; and if he can in his own fancy raise that to the opinion of true wisdom, he comes *round* to practise his deceits upon himself.—*Dr. H. More, Government of the Tongue*.

3. Circularly.

One foot he center'd, and the other turn'd
Round through the vast profundity obscure.
Milton, Paradise Lost, viii. 228.

4. Not in a direct line.

If merely to come in, sir, they go out,
The way they take is strangely *round* about.
Pope, Epilogue to the Satires, dial. ii.

Round. *prep.*

1. On every side of.

To officiate light *round* this opacous earth.
Milton, Paradise Lost, viii. 23.

2. About; circularly about.

He led the hero *round*
The confines of the blest Elysian ground.
Dryden, Translation of the Æneid, vi. 1227.

3. All over; here and there in.

Round the wide world in banishment we roam,
Forced from our pleasing fields, and native home.
Id., Translation of Virgil, Eclogues, i. 3.

Round. *v. a.*

1. Surround; encircle.

Would that the inclusive verge
Of golden metal, that must *round* my brow,
Were redhot steel to sear me to the brain!
Shakespear, Richard III. iv. 1.

We are such stuff
As dreams are made on, and our little life
Is *rounded* with a sleep. *Id., Tempest*, iv. 1.

This distemper'd messenger of wet,
The many coloured Iris, *rounds* thine eyes.
Id., All's well that ends well, i. 3.

The vilest cockle gaping on the coast,
That *rounds* the ample sea. *Prior, Solomon*, i. 557.

2. Make spherical, circular, or cylindrical.

Worms with many feet, which *round* themselves into balls, are bred chiefly under logs of timber.—*Bacon*.

With the cleaving-knife and mawl split the stuff into a square piece near the size, and with the draw-knife *round* off the edges to make it fit for the lathe.—*Moxon, Mechanical Exercises*.

3. Raise to a relief.

The figures on our modern medals are raised and *rounded* to a very great perfection.—*Addison, Dialogues on the Usefulness of Ancient Medals*.

4. Move about anything.

To those beyond the polar circle, day
Had unbenighted shone, while the low sun,
To recompense his distance, in your sight
Had *rounded* still the horizon, and not known
Or east or west. *Milton, Paradise Lost*, x. 681.

5. Mould into smoothness.

These accomplishments, applied in the pulpit, appear by a quaint, terse, florid stile, *rounded* into periods and cadencies, without propriety or meaning.—*Swift, Miscellanies*.

6. Take the edge off anything.

When silver has been lessened in any piece carrying the publick stamp, by clipping, washing, or *rounding*, the laws have declared it not to be lawful money.—*Locke*.

Round. *v. n.* Grow round in form.

The queen, your mother, *rounds* apace; we shall
Present our services to a fine new prince.
Shakespear, Winter's Tale, ii. 1.

Round-róbin. *s.* [see second extract.] Written petition or remonstrance, signed by several persons round a ring or circle.

The question was, who should have the courage to propose them to him? at last it was hinted, that there could be no way so good as that of a *round-robin*, as the sailors call it, which they make use of when they enter into a conspiracy, so as not to let it be known who puts his name first or last to the paper.—*Sir W. Forbes, Letter to Boswell*, in *Boswell's Life of Johnson*.

Round-robin is a corruption of the French 'ruban ronde,' a round riband. It was usual among French officers, when they signed a remonstrance, to write their names in a circular form, so that it was impossible to ascertain who signed first.—*James, Military Dictionary*.

Roúnd-abóut. *prep.* [two words.] Around, in a more or less irregular circle.

Round about the cauldron go;
In the poison'd entrails throw.
Shakespear, Macbeth, iv. 1.

Roúndabout. *adj.*

1. Ample; extensive.

Those sincerely follow reason, but for want of having large, sound, *roundabout* sense, have not a full view of all that relates to the question.—*Locke, On the human Understanding*.

2. Indirect; loose.

This which he [Sir W. Hamilton] calls perfect induction, I conceive to be not reasoning at all, but simply a *roundabout* mode of defining words.—*Herbert Spencer, Principles of Psychology*.

Roúndel. *s.*

1. Round form or figure.

They ...
Pluckt in their horns, and in a *roundel* lay.
Mirrour for Magistrates, p. 827.

The Spaniards, casting themselves into *roundels*, and their strongest ships walling in the rest, made a flying march to Calais.—*Bacon*.

2. In *Heraldry* and *Numismatology*. Small circular figure.

When a central pellet is surrounded by a circle of smaller pellets or ovals, I have called it a 'rosette,' or 'star of pellets;' and when a pellet, or *roundle*, has a smaller pellet standing in relief upon it, I have termed it an 'ornamented pellet.'—*Evans, Coins of the Ancient Britons*, ch. iii.

Roúndel, or **Roúndle.** *s.* Roundelay.

Siker, sike a *roundle* never heard I none;
Little lacketh Perigot of the best,
And Willy is not greatly over-gone,
So weren his under-songs well addrest.
Spenser, Shepherd's Calendar.

Come now a *roundel* and fairy song.
Shakespear, Midsummer-Night's Dream, ii. 3.

Spenser, in one of his eclogues, had already written what he called a *roundle*, in which the 'undersong' had a sort of jerking liveness imparted to it by the free use of these sectional pauses. The piece has very little poetical merit, but is 'curiously written.'

Per. It fell upon a holy eve,
Wil. Hey, ho, holiday!
Per. When holy fathers wont to shrive,
Wil. Now ginneth this *roundelay!*
Per. Sitting upon a hill so high,
Wil. Hey, ho, the high hill!
Per. The while my flock did feed thereby,
Wil. The while the shepherd's self did spill,
Per. I saw the bouncing Bonnibel,
Wil. Hey, ho, Bonnibel, &c.

—*Dr. Guest, History of English Rhythms*, b. i. ch. vii.

We now come to two metrical forms once famous in our poetry, to the *roundle* and the *virelay*.... The *roundle* is a short poem of not more than three staves. It admits only two rhimes; and repeats the whole or part of the opening couplet as a burthen. From these repetitions it takes its name.—*Ibid.* b. iv. ch. v.

Roúndelay. *s.* [Fr. *rondelet*.] Short poem, characterised by the recurrence or repetition of certain words, lines, or sentiments.

To hear thy rimes and *roundelays*,
Which thou wert wont in wasteful hills to sing.
Spenser.

The muses and graces made festivals; the fawns, satyrs, and nymphs did dance their *roundelays*.—*Howell*.

[He] list'ning heard him, while he search'd the grove,
And loudly sung his *roundelay* of love,
But on the sudden stopp'd.
Dryden, Palamon and Arcite, ii. 77.

Twice and thrice his *roundelay*,
Alone and warming his five wits,
The white owl in the belfrey sits. *Tennyson*.

Roúnders. *s.*

1. Game so called, played like fives, only with a foot-ball.

2. Another game so called, played with a stick and ball, in which the player who succeeds in running the round after striking the balk, secures another innings for himself and party.

Roúndhead. *s.* Puritan, so named from the practice once prevalent amongst them of cropping their hair round.

Your petitioner always kept hospitality, and drank confusion to the *roundheads*.—*Spectator*.

Far below the *roundhead* rode,
And hummed a surly hymn.
Tennyson, The Talking Oak.

Roundheáded. *adj.*

1. Having a round top.

Round-headed arches and windows.—*Bishop Lowth, Life of Wykeham*, § 6.

2. Puritanic; close-cropped.

All
The *roundheaded* rebels of Westminster Hall.
Scott, Rokeby.

Roúndhouse. *s.* Constable's prison, in

which disorderly persons found in the street are confined; station-house.

They marched to some famed *roundhouse*.—*Pope.*

Roúndish. *adj.* Somewhat round; approaching to roundness.

It is not every small crack that can make such a receiver, as is of a *roundish* figure, useless to our experiment.—*Boyle.*

Roúndlet. *s.* Little circle. *Rare.*

Little circles, or *roundlets*, dispersed here and there about the hemispheres.—*Gregory, Posthuma*, p. 310.

The troubled tears then standing in his eyes,
Through which he did upon the letters look,
Made them to seem like *roundlets*, that arise
By a stone cast into a standing brook.
Drayton, Baron's Wars, v. 60.

Roúndly. *adj.* In a round manner; somewhat round; like a circle.

About the edges of whose *roundly* form
In order grew such trees as doe adorne
The sable hearse. *W. Browne.*

Roúndly. *adv.*

1. In a round form; in a round manner.
2. Openly; plainly; without reserve.

Injoin gainsayers, giving them *roundly* to understand, that where our duty is submission, weak oppositions betoken pride.—*Hooker, Ecclesiastical Polity.*

You'll prove a jolly surly groom,
That take it on you at the first so *roundly*.
Shakespear, Taming of the Shrew, iii. 2.

Mr. de Mortier *roundly* said, that to cut off all contentions of words, he would propose two means for peace.—*Sir J. Hayward.*

From a world of phænomena, there is a principle that acts out of wisdom and counsel, as was abundantly evidenced, and as *roundly* acknowledged.—*Dr. H. More, Divine Dialogues.*

He affirms every thing *roundly*, without any art, rhetorick, or circumlocution.—*Addison, Count Tariff.*

3. Briskly; with speed.

When the mind has brought itself to attention, it will be able to cope with difficulties, and master them, and then it may go on *roundly*.—*Locke.*

4. Completely; to the purpose; vigorously; in earnest.

I was called any thing, and I would have done any thing, indeed too, and *roundly* too.—*Shakespear, Henry IV. Part II.* iii. 2.

This lord justice caused the earl of Kildare to be arrested, and cancelled such charters as were lately resumed, and proceeded every way so *roundly* and severely, as the nobility did much distaste him.—*Sir J. Davies, Discourse on the State of Ireland.*

Roúndness. *s.* Attribute suggested by Round.

1. Circularity; sphericity; cylindrical form.

The same reason is of the *roundness* of the bubble; for the air within avoideth discontinuance, and therefore casteth itself into a round figure.—*Bacon, Natural and Experimental History.*

Bracelets of pearl gave *roundness* to her arm,
And ev'ry gem augmented ev'ry charm. *Prior.*

Roundness is the primary essential mode or difference of a bowl.—*Watts, Logick.*

2. Smoothness.

The whole period and compass of this speech was delightsome for the *roundness*, and grave for the strangeness.—*Spenser.*

3. Honesty; openness; vigorous measures.

Albeit *roundness* and plain dealing be most worthy praise.—*Sir W. Raleigh, Arts of Empire*, ch. xx.

Roúndure. *s.* Circumference; enclosure. *Rare.*

If you fondly pass our proffer'd offer,
'Tis not the *roundure* of your old-faced walls
Can hide you from our messengers of war.
Shakespear, King John, ii. 1.

Roup. *s.* [L.Lat. *rupia* = foul scurf.] Disease in poultry so called. See extract.

The *roup* in poultry is a filthy boil, or swelling, upon the rumps, known by the staring or turning-back of their feathers. The *roup*, if not soon remedied, will corrupt the whole body; to prevent which the feathers are to be pulled away, the swelling laid open, and the matter pressed out; after which the part is to be washed with salt and water, or brine.—*Rees, Cyclopædia.*

Rouse. *s.* [German, *rausch.*] Bumper; deep draught.

They have given me a *rouse* already.—
Not past a pint, as I am a soldier.
Shakespear, Othello, ii. 3.

No jocund health that Denmark drinks to-day,
But the great cannon to the clouds shall tell;
And the king's *rouse* shall bruit it back again,
Respeaking earthly thunder. *Id., Hamlet*, i. 2.

Take the *rowse* freely,
'Twill warm your blood, and make you fit for jollity.
Beaumont and Fletcher, Loyal Subject.

Rouse. *v. a.* [see Rush.]

1. Wake from rest.

At once the crowd arose, confused and high;
Even from the heaven was heard a shouting cry,
For Mars was early up, and *roused* the sky.
Dryden, Palamon and Arcite, iii. 438.

Rev'rent I touch thee! but with honest zeal,
To *rouse* the watchmen of the publick weal;
To virtue's work provoke the tardy hall,
And goad the prelate slumbering in his stall.
Pope, Epilogue to the Satires, dial. ii.

2. Excite to thought or action.

Then *rouse* that heart of thine,
And whatsoever heretofore thou hast assum'd to be,
This day be greater. *Chapman.*

The Dane and Swede, *roused* up by fierce alarms,
Bless the wise conduct of her pious arms:
Soon as her fleets appear, their terrors cease,
And all the northern world lies hush'd in peace.
Addison, Letter from Italy to Lord Halifax.

I'll thunder in their ears their country's cause,
And try to *rouse* up all that's Roman in them.
Id., Cato.

The heat with which Luther treated his adversaries, though strained too far, was extremely well fitted by the providence of God to *rouse* up a people, the most phlegmatick of any in Christendom.—*Bishop Atterbury.*

3. Put into action.

As an eagle, seeing prey appear,
His airy plumes doth *rouse* full rudely dight;
So shaked he, that horror was to hear.
Spenser, Faerie Queen.

The sound of blustering winds which all night long
Had *roused* the sea. *Milton, Paradise Lost*, ii. 286.

4. Drive a beast from his lair.

He stooped down, he couched as a lion, and as an old lion; who shall *rouse* him up?—*Genesis*, xlix. 9.

The blood more stirs,
To *rouse* a lion than to start a hare.
Shakespear, Henry IV. Part I. i. 3.

The unexpected sound
Of dogs and men his wakeful ear does wound;
Roused with the noise, he scarce believes his ear,
Willing to think th' illusions of his fear
Had giv'n this false alarm.
Sir J. Denham, Cooper's Hill.

Now Cancer glows with Phœbus' fiery car,
The youth rush eager to the sylvan war;
Swarm o'er the lawns, the forest walks surround,
Rouse the fleet hart, and cheer the op'ning hound.
Pope, Windsor Forest.

Rouse. *v. n.*

1. Awake from slumber.

Men, sleeping found by whom they dread,
Rouse and bestir themselves ere well awake.
Milton, Paradise Lost, i. 333.

Richard, who now was half asleep,
Roused, nor would longer silence keep.
Prior, Alma, iii. 1.

Melancholy lifts her head;
Morpheus *rouses* from his bed.
Pope, Ode on St. Cecilia's Day.

2. Be excited to thought or action.

Good things of day begin to droop and drowse,
While night's black agents to their prey do *rouse*.
Shakespear, Macbeth, iii. 2.

Roúser. *s.* One who rouses.

All this which I have depainted to thee, are inciters and *rousers* of my mind.—*Shelton, Translation of Don Quixote*, iii. 6.

Roúsing. *verbal abs.* Act of rousing, awakening, or stimulating to action.

The lethargic youth contrived, without any additional *rousing*, to set out two card-tables.—*Dickens, Pickwick Papers*, ch. vi.

Rout. *s.* [Fr.]

1. Clamorous multitude; rabble; tumultuous crowd.

Besides the endless *routs* of wretched thralls,
Which thither were assembled day by day
From all the world. *Spenser.*

A *rout* of people there assembled were,
Of every sort and nation under sky. *Id.*

If that rebellion
Came like itself in base and abject *routs*,
Led on by bloody youth, goaded with rage,
And countenanced by boys and beggary,
You, reverend father, then had not been there.
Shakespear, Henry IV. Part II. iv. 1.

Farmers were to forfeit their holds in case of unlawful retainer, or partaking in *routs* and unlawful assemblies.—*Bacon.*

Such a tacit league is against such *routs* and shoals, as have utterly degenerated from the laws of nature.—*Id.*

Nor do I name of men the common *rout*,
That, wandering loose about,
Grow up and perish, as the summer fly.
Milton, Samson Agonistes, 674.

Fancy, wild dame, with much lascivious pride
By twin chameleons drawn, does gaily ride,
Her coach there follows, and throngs round about,
Of shapes and airy forms an endless *rout*. *Cowley.*

The mad ungovernable *rout*,
Full of confusion and the fumes of wine,
Loved such variety and antick tricks.
Lord Roscommon.

Harley spies
The doctor fasten'd by the eyes
At Charing-cross among the *rout*,
Where painted monsters are hung out. *Swift.*

2. Large evening party.

Upon a little hillock she was placed
Higher than all the rest, and round about
Environ'd with a girland, goodly graced,
Of lovely lasses; and them all without
The lustie shepherd swaynes sate in a *rout*.
Spenser, Faerie Queen.

She is the foundress of those assemblies called *routs*.—*Dr. Warton, Ranelagh House.*

Our lords and ladies then could sup alone,
The noisy terms of drums and *routs* unknown.
Nevile, Imitation of Juvenal, p. 24.

3. Confusion of an army defeated or dispersed.

Thy army,
As if they could not stand when thou wert down,
Dispersed in *rout*, betook them all to fly. *Daniel.*

Their mightiest quell'd, the battle swerved,
With many an inrode gored; deformed *rout*
Enter'd, and foul disorder.
Milton, Paradise Lost, vi. 386.

Rout. *v. a.* Dissipate and put into confusion by defeat.

The next way to end the wars with him, and to *rout* him quite, should be to keep him from invading of those countries adjoining.—*Spenser, View of the State of Ireland.*

That party of the king's horse, that charged the Scots, so totally *routed* and defeated their whole army, that they fled.—*Lord Clarendon, History of the Grand Rebellion.*

Rout. *v. n.* Assemble in clamorous and tumultuous crowds.

The meaner sort *routed* together, and suddenly assailing the earl in his house, slew him.—*Bacon, History of the Reign of Henry VII.*

Rout. *v. n.* Search in the ground: (as a *swine*).

Roúting. *part. adj.* Searching in the ground.

Do thou the monumental hillock guard
From trampling cattle, and the *routing* swine.
Edwards, Sonnets, xliv: 1758.

Route. *s.* [Fr.] Road; way.

Wide through the furzy field their *route* they take,
Their bleedings bosoms force the thorny brake.
Gay, Rural Sports, ii. 370.

Routíne. *s.* [Fr.] Custom; practice.

He has certain set forms and *routines* of speech.—*Butler, Remains*, ii. 272.

Accordingly it would be difficult to glean, from all his [Pitt's] measures and all his speeches, anything like the fruits of inventive genius; or to mark any token of his mind having gone before the very ordinary *routine* of the day, as if familiar with any ideas that did not pass through the most vulgar understandings. His father's intellect was of a higher order.—*Lord Brougham, Historical Sketches of Statesmen during the Reign of George III., Lord Chatham.*

The discoveries made respecting the external world, encouraged a restlessness and excitement of mind hostile to the spirit of *routine*, and therefore full of danger for institutions only recommended by their antiquity.—*Buckle, History of Civilization in England*, vol. i. ch. xiv.

Rove. *v. n.* [Danish, *röve* = rob.]

1. Ramble; range; wander.

Thou'st years upon thee, and thou art too full
Of the war's surfeits, to go *rove* with one
That's yet unbruised. *Shakespear, Coriolanus*, iv. 1.

Faultless thou dropt from his unerring skill,
With the bare power to sin, since free of will;
Yet charge not with thy guilt his bounteous love,
For who has power to walk has power to *röve*.
Arbuthnot.

I view'd th' effects of this disastrous flame,
Which kindled by th' imperious queen of love,
Constrain'd me from my native realm to *rove*.
Pope, Translation of the Odyssey, iv. 358.

2. Shoot an arrow called a rover.

Even at the marke-white of his heart she *roved*.
Spenser, Faerie Queen.

Rove. *v. a.* Wander over.

Roving the field, I chanced
A goodly tree far distant to behold,
Loaden with fruit of fairest colours.
Milton, Paradise Lost, ix. 575.

Cloacina as the town she *roved*,
A mortal scavenger she saw, she loved.
Gay, Trivia, ii. 115.

Róver. *s.* One who roves.

1. Wanderer; ranger.

Thought, busy thought, too busy for my peace,
Strays, wretched *rover*, o'er the pleasing past.
Young, Night Thoughts, night i.

2. Fickle inconstant man.
Soon, too soon, the happy lover
Does our tenderest hopes deceive;
Man was formed to be a *rover*,
Foolish women to believe.
Mendez, Song in the Chaplet.

3. Robber; pirate.
This is the case of *rovers* by land, as in some cantons in Arabia.—*Bacon, Advertisement touching a Holy War.*

4. Kind of arrow.
Here be of all sorts; flights, *rovers*, and butt-shafts.
B. Jonson, Cynthia's Revels.

At rovers. Without any particular aim.
You pretend to shoote at the butte, you shoote quite *at the rovers*, and cleane from the marke.—*Archbishop Cranmer, Answer to Bishop Gardiner*, p. 63.
Nature shoots not *at rovers*: even inanimates, though they know not their perfection, yet are they not carried on by a blind unguided impetus; but that which directs them knows it.—*Glanville, Scepsis Scientifica.*
Providence shoots not *at rovers*: there is an arrow that flies by night as well as by day, and God is the person that shoots it.—*South, Sermons.*
Men of greater reading show their talents on the meanest subjects; this is a kind of shooting *at rovers*.—*Addison.*
Barret explains running *at rovers* by overmuch liberty. To shoot *at rovers*, however, means, in the terms of archery, to shoot at a very distant object, instead of the butt which was nearer. Thus in the stat. 33 Hen. VIII. 9, it is enacted, that no person under the age of twenty-four shall shoot at a standing mark, except it be a *rover*, where he may change his ground every shot, &c. And no other person above twenty-four shall shoot at any mark of eleven score yards, or under, &c.—*Todd.*

Róving. *verbal abs.* Act of one who roves; habit of a rover; rambling; wandering.
The numberless *rovings* of fancy, and windings of language.—*Barrow, Sermons*, i. 177.
If we indulge the rising and *roving* of passions, we thereby procure an unattentive habit.—*Watts.*

Row. *s.* [see Rew.] Rank or file; number of things ranged in a line.
Lips never part, but that they show
Of precious pearl the double *row*. *Sir P. Sidney.*
After them all dancing on a *row*,
The comely virgins came with garlands dight,
As fresh as flowres. *Spenser.*
Three *rows* of great stones, and a *row* of new timber.—*Ezra*, vi. 4.
Where the bright seraphim in burning *row*,
Their loud uplifted angel-trumpets blow.
Milton, Odes, At a Solemn Musick, 10.
Where any *row*
Of fruit trees, overwoody, reach'd too far
Their pamper'd boughs, and needed hands to check
Fruitless embraces. *Id., Paradise Lost*, v. 212.
A new-born wood of various lines there grows,
And all the flourishing letters stand in *rows*.
Cowley.
The victor honour'd with a nobler vest,
Where gold and purple strive in equal *rows*.
Dryden, Translation of the Æneid, v. 325.
Why round our coaches crowd the white-gloved beaux?
Why bows the sidebox from its inmost *rows?*
Pope, Rape of the Lock, canto v.

Row. *s.* [Provincial German, *rauen, rauwen* = make a dull murmuring noise.] Riotous noise; drunken disturbance. *Colloquial.*

Row. *v. n.* [A.S. *rowan.*] Impel a vessel in the water by oars.
He saw them toiling in *rowing*; for the wind was contrary unto them.—*Mark*, vi. 48.
Some of these troughs or canoes were so great, that above twenty men have been found *rowing* in one.—*Abbot.*
The bold Britons then securely *row'd*;
Charles and his virtue was their sacred load.
Waller.
The watermen turned their barge, and *rowed* softly, that they might take the cool of the evening.—*Dryden.*

Row. *v. a.* Drive or help forward by oars.
The swan, with arched neck
Between her white wings mantling proudly, *rows*
Her state with oary feet.
Milton, Paradise Lost, vii. 438.

Rówable. *adj.* Capable of being rowed on. *Rare.*
That long barren fen,
Once *rowable*; but now doth nourish men
In neighbour towns, and feels the weighty plough.
B. Jonson, Horace's Art of Poetry.

Rówel. *s.* [Fr. *rouelle.*]
1. Little flat ring, or wheel of plate or iron, in horses' bits.
A goodly person! and could menage faire
His stubborn steed with curbed canon bitt,
Who under him did trample as the aire,
And chauft that any on his backe should sitt:
The yron *rowels* into frothy fome he bitt.
Spenser, Faerie Queen, i. 7, 37.

2. Points of a spur turning on an axis.
He gave his able horse the head,
And, bending forward, struck his agile heels
Against the panting sides of his poor jade
Up to the *rowel* head.
Shakespear, Henry IV. Part II. i. 1.
A rider like myself, who ne'er wore *rowel*
Nor iron on his heel. *Id., Cymbeline*, iv. 4.
A mullet is the *rowel* of a spur, and hath never but five points; a star hath six.—*Peacham, On Blazoning.*
He spurr'd his fiery steed
With goring *rowels*, to provoke his speed. *Dryden.*

3. In *Surgery.* Seton.

Rówel. *v. a.* Pierce through the skin, and keep the wound open by a rowel.
Rowel the horse in the chest.—*Mortimer, Husbandry.*

Rówen. *s.* Aftergrass.
Then spare it for *rowen*, til Michel be past,
To lengthen thy dairie, no better thou hast.
Tusser, Five Hundred Points of Good Husbandry.
Rowen is a field kept up till after Michelmas, that the corn left on the ground may sprout into green.—*Notes on Tusser.*
Turn your cows, that give milk, into your *rowens* till snow comes.—*Mortimer, Husbandry.*

Rówer. *s.* One who rows.
Four gallies first, which equal *rowers* bear,
Advancing in the wat'ry lists, appear.
Dryden, Translation of the Æneid, v. 151.
The bishop of Salisbury ran down with the stream thirty miles in an hour, by the help of but one *rower*.—*Addison.*

Rówing. *verbal abs.* Act, or practice, of one who rows.

Rówlock. *s.* Apparatus on the side of a boat for keeping the pressure of the oar on one point.
(For example see under Rowport.)

Rówport. *s.* See extract.
In a vessel with oars, the water is to be considered as the point of support, or fulcrum; the oar as a lever, the boat as a burden to be moved; and the rower's hand as the moving power. The burden is to be considered as applied to that point of the lever where the oar rests on the boat; which point, in large vessels, is called the *row-port*, but in lighters and boats it is always termed the *row-lock*. The greater, therefore, the distance of the hand from that point, and the less the distance of the water from that point, the greater speed will the oars have.—*Rees, Cyclopædia.*

Róyal. *adj.* [Fr.]
1. Kingly; belonging to a king; becoming a king; regal.
The *royal* stock of David.
Milton, Paradise Lost, xii. 325.
The *royal* towers
Of great Seleucia built by Grecian kings.
Ibid, iv. 211.
Thrice happy they, who thus in woods and groves,
From courts retired, possess their peaceful loves:
Of *royal* maids how wretched is the fate!
Granville.

2. Noble; illustrious.
What news from Venice?
How doth that *royal* merchant, good Antonio?
Shakespear, Merchant of Venice, iii. 2.

Róyal. *s.*
1. One of the shoots of a stag's head.
2. Highest sail of a ship.
Royal, in sea language, is a name given to the highest sail which is extended in any ship. It is spread immediately above the top-gallant sail, to whose yard-arms the lower corners of it are attached. The sail is never used but in light and favorable breezes.—*Rees, Cyclopædia.*
3. In *Artillery.* Kind of small mortar.
Royals, in artillery, are a kind of small mortars, whose diameter is five inches and a half.—*Rees, Cyclopædia.*
4. One of the soldiers of the first regiment of foot, which is called *The Royals*; and is supposed to be the oldest regular corps in Europe.

Róyalism. *s.* [Fr. *royalisme.*] Attachment to the cause of royalty.
The church, upon the Savoy Conference, found comprehension impracticable; and, sustained by the *royalism* of the state, deemed indulgence improper.—*Gladstone, The State in its Relations with the Church*, ch. viii.
Philippe's indictment is soon drawn, his jury soon convinced. He finds himself made guilty of *royalism*, conspiracy, and much else; nay, it is a guilt in him that he voted Louis's death, though he answers, 'I voted in my soul and conscience.'—*Carlyle, The French Revolution*, pt. ii. b. ii. ch. ii.

Róyalist. *s.* [Fr. *royaliste.*] Adherent to a king.
Where Candish fought, the *royalists* prevail'd,
Neither his courage nor his judgment fail'd. *Waller.*
The old church of England *royalists*, another name for a man who prefers his conscience before his interests, are the most meritorious subjects in the world, as having passed all those terrible tests, which domineering malice could put them to, and carried their credit and their conscience clear.—*South, Sermons.*
Used *adjectivally.*
Royalist antiquarians still show the rooms where Majesty and suite, in these extraordinary circumstances, had their lodging.—*Carlyle, The French Revolution*, pt. ii. b. i. ch. i.
Of Inspector Malseigne we discern, by direct light, that he is 'of Herculean stature;' and infer, with probability, that he is of truculent moustachioed aspect,—for *royalist* officers now leave upper lip unshaven; that he is of indomitable bull-heart; and also, unfortunately, of thick bull-head.—*Ibid.* pt. ii. b. ii. ch. v.

Róyalize. *v. a.* Make royal.
Ere you were queen, ay, or your husband king,
To *royalize* his blood, I spilt mine own.
Shakespear, Richard III. i. 3.

Róyally. *adv.* In a royal, or kingly, manner; regally; as becomes a king.
It shall be my care,
To have you *royally* appointed.
Shakespear, Winter's Tale, iv. 3.
His body shall be *royally* interr'd,
And the last funeral pomps adorn his hearse.
Dryden, Spanish Friar, iii. 3.

Róyalty. *s.* [Fr. *royauté.*]
1. Kingship; character or office of a king.
Draw, you rascal; you come with letters against the king, and take vanity the puppet's part against the *royalty* of her father.—*Shakespear, King Lear* ii. 2.
He will lose his head, ere give consent,
His master's son, as worshipfully he terms it,
Shall lose the *royalty* of England's throne.
Id., Richard III. iii. 4.
Royalty by birth was the sweetest way of majesty: a king and a father compounded into one, being of a temper like unto God, justice and mercy.—*Holyday.*
If they had held their *royalties* by this title, either there must have been but one sovereign, or else every father of a family had as good a claim to *royalty* as these.—*Locke.*
2. State of a king.
I will, alas! be wretched to be great,
And sigh in *royalty*, and grieve in state.
Prior, Solomon, ii. 804.
3. Emblems of royalty.
Wherefore do I assume
These *royalties*, and not refuse to reign?
Milton, Paradise Lost, ii. 450.
4. Royal character or connection.
Among Hatton's manuscripts in the Bodleian Library at Oxford, there is a long translation from Hercules Œtæus of Seneca, by Queen Elizabeth. It has, however, no other recommendation but its *royalty*.—*T. Warton, History of English Poetry.* (Ord MS.)
5. Seignorage paid to a king.
With the property were inseparably connected extensive *royalties*, which the people of North Wales could not patiently see in the hands of any subject.—*Macaulay, History of England*, ch. xxi.
He saw that Levy meant to get him into his power, and use his abilities as instruments for digging new mines, in which Baron Levy would claim the right of large *royalties*.—*Lord Lytton, My Novel*, b. x. ch. xxi.

Royne. *v. a.* [Fr. *rogner.*] Gnaw. *Rare.*
Yet did he murmure with rebellious sound,
And softly *royne* when savage choler can redound.
Spenser, Faerie Queen.

Róynish. *adj.* [Fr. *rogneux.*] Paltry; sorry; mean; rude.
The *roynish* clown, at whom so oft
Your grace was wont to laugh, is also missing.
Shakespear, As you like it, ii. 2.

Róytelet. *s.* Petty king. *Rare.*
Causing the American *roytelets* to turn all homagers to that king and the crown of England.—*Heylin.*

Róytish. *adj.* Wild; irregular. *Rare.*
No weed presumed to show its *roytish* face
In this inclosure; nettles, thistles, brakes,
Thorns, briars, cockle, hemlock, rampant grasse,
With all those herbs the meager wizard rakes
Into his deadly boxes, either yet
Were not at all, or far from Eden set.
Beaumont, Psyche, p. 85: 1651.

Rub. *v. a.*

1. Clean or smooth anything by passing something over it; scour; wipe.

2. Touch so as to leave something of that which touches behind.

Their straw-built citadel new *rubb'd* with balm.
Milton, Paradise Lost, i. 774.

In narrow clefts, in the monument that stands over him, catholicks *rub* their beads, and smell his bones, which they say have in them a natural perfume, though very like apoplectick balsam; and what would make one suspect that they *rub* the marble with it, it is observed, that the scent is stronger in the morning than at night.—*Addison, Travels in Italy.*

3. Move one body upon another.

Look, how she *rubs* her hands.—It is an accustomed action with her, to seem thus washing her hands.—*Shakespear, Macbeth*, v. 1.

. The government at that time by kings, before whom the people in the most formal expressions of duty and reverence used to *rub* their noses, or stroke their foreheads.—*Heylin.*

The bare *rubbing of* two bodies violently produces heat, and often fire.—*Locke.*

Two bones *rubbed* hard against one another produce a fetid smell.—*Arbuthnot, On the Nature and Choice of Aliments.*

4. Obstruct by collision.

'Tis the duke's pleasure,
Whose disposition all the world well knows
Will not be *rubb'd* nor stopp'd.
Shakespear, King Lear, ii. 2.

5. Polish; retouch.

The whole business of our redemption is to *rub* over the defaced copy of the creation, to reprint God's image upon the soul.—*South, Sermons.*

6. Remove by friction: (with *off* or *out*).

A forcible object will *rub out* the freshest colours at a stroke, and paint others.—*Collier, Of the Aspect.*

If their minds are well principled with inward civility, a great part of the roughness, which sticks to the outside for want of better teaching, time and observation will *rub off*; but if ill, all the rules in the world will not polish them.—*Locke, Thoughts on Education.*

7. Touch hard.

He, who before he was espied, was afraid, after being perceived, was ashamed, now being hardly *rubbed* upon, left both fear and shame, and was moved to anger.—*Sir P. Sidney.*

Rub down. Clean or curry a horse.

When his fellow beasts are weary grown,
He'll play the groom, give oats, and *rub* 'em *down.*
Stepney, Translation of Juvenal, viii. 271.

Rub up. Excite; awaken.

You will find me not to have *rubbed up* the memory of what some heretofore in the city did.—*South, Sermons.*

Rub up. Polish; refresh.

Rub. *v. n.*

1. Fret; make a friction.

This last allusion gall'd the panther more,
Because indeed it *rubb'd* upon the sore;
Yet seem'd she not to winch, though shrewdly pain'd. *Dryden, Hind and Panther*, iii. 131.

2. Get through difficulties.

No hunters, that the tops of mountaines scale,
And *rub* through woods with toile seeke them all.
Chapman.

Many lawyers, when once hampered, *rub off* as well as they can.—*Sir R. L'Estrange.*

'Tis as much as one can do, to *rub* through the world, though perpetually a doing.—*Id.*

Rub. *s.*

1. Frication; act of rubbing.

2. Inequality of ground, that hinders the motion of a bowl.

We'll play at bowls.—
'Twill make me think the world is full of *rubs*,
And that my fortune runs against the bias.
Shakespear, Richard II. iii. 4.

A *rub* to an overthrown bowl proves an help by hindering it.—*Fuller, Holy State*, p. 26.

3. Unevenness of surface.

Faces look uniformly unto our eyes: how they appear unto some animals of a more piercing or differing sight, who are able to discover the inequalities, *rubbs*, and hairiness of the skin, is not without good doubt.—*Sir T. Browne, Christian Morals*, ii. 9.

4. Collision; hinderance; obstruction.

The breath of what I mean to speak
Shall blow each dust, each straw, each little *rub*
Out of the path, which shall directly lead
Thy foot to England's throne.
Shakespear, King John, iii. 4.

Now every *rub* is smoothed in our way.
Id., Henry V. ii. 2.

Those you make friends,
And give your hearts to, whence they once perceive
The least *rub* in your fortunes, fall away.
Shakespear, Henry VIII. ii. 1.

Upon this *rub*, the English ambassadors thought fit to demur, and sent to receive directions.—*Sir J. Hayward.*

He expounds the giddy wonder
Of my weary steps, and under
Spreads a path clear as the day,
Where no churlish *rub* says nay
To my joy-conducted feet. *Crashaw.*

He that once sins, like him that slides on ice,
Goes swiftly down the slippery ways of vice;
Though conscience checks him, yet those *rubs* gone o'er,
He slides on smoothly, and looks back no more.
Creech, Translation of Juvenal, xiii. 307.

An hereditary right is to be preferred before election; because the government is so disposed, that it almost executes itself: and upon the death of a prince, the administration goes on without any *rub* or interruption.—*Swift.*

'Twere better to be born a stone,
Of ruder shape, and feeling none,
Than with a tenderness like mine,
And sensibilities so fine!
I envy that unfeeling shrub,
Fast rooted against every *rub.*
Cowper, The Poet, the Oyster, and Sensitive Plant.

5. Difficulty; cause of uneasiness.

To sleep; perchance to dream; ay, there's the *rub.*
Shakespear, Hamlet, iii. 1.

'I am sure of it,' said my father; 'at least as sure as a poor mortal can be of anything. I agree with Helvetius, the child should be educated from its birth; but how?—there is the *rub*; send him to school forthwith!'—*Lord Lytton, The Caxtons*, pt. i. ch. iv.

6. Short for rubber (as at whist). *Colloquial.*

'Two by honours make us eight,' said Mr. Pickwick. Another hand. 'Can you one?' inquired the old lady. 'I can,' replied Mr. Pickwick. 'Double, single, and the *rub*.' 'Never was such luck,' said Mr. Miller. 'Never was such cards,' said the fat gentleman.—*Dickens, Pickwick Papers*, ch. vi.

7. ? Chance.

Myself will lead, and scour so clear a way
That flight shall leave no Greek a *rub.*
Chapman, Translation of the Iliad, b. xv. (Nares by H. and W.)

Rub-stone. *s.* Stone to scour or sharpen; whetstone: (this last being the *commoner* term).

A cradle for barlie, with *rub-stone* and sand.
Tusser, Five Hundred Points of good Husbandry.

Rúbber. *s.*

1. One who, that which, rubs.

Yonder's mistress Younglove, brother, the grave *rubber* of your mistress's toes.—*Beaumont and Fletcher, Scornful Lady.*

2. Instrument with which one rubs.

Servants wash the platters, scour the plate,
Then blow the fire with puffing cheeks, and lay
The *rubbers*, and the bathing sheets display.
Dryden, Translation of Juvenal, iii. 420.

Rub the dirty tables with the napkins, for it will save your wearing out the common *rubbers.—Swift.*

In all physical phenomena, the effects produced by motion are all in proportion to the relative motion: thus whether the *rubber* of an electrical machine be stationary, and the cylinder mobile, or the *rubber* mobile and the cylinder stationary, or both mobile in different directions, or in the same direction with different degrees of velocity, the electrical effects are, 'cæteris paribus,' precisely the same, provided the relative motion is the same, and so, without exception, of all other phenomena.—*Grove, On the Correlation of Forces.*

3. Coarse file.

The rough or coarse file, if large, is called a *rubber*, and takes off the unevenness which the hammer made in the forging.—*Moxon, Mechanical Exercises.*

4. Game; contest; two games out of three.

The ass was to stand by, to see two boobies try their title to him by a *rubber* of cuffs.—*Sir R. L'Estrange.*

If butchers had but the manners to go to sharps, gentlemen would be content with a *rubber* at cuffs.—*Collier, Essays, On Duelling.*

This was likewise carried to Charity, who talked and smiled next evening in her most engaging manner, and rallying Mr. Moddle on the lowness of his spirits, challenged him to play a *rubber* at cribbage. Mr. Moddle taking up the gauntlet, they played several *rubbers* for sixpences, and Charity won them all.—*Dickens, Martin Chuzzlewit*, ch. xxxii.

Rúbbish. *s.* [?]

1. Ruins of buildings; fragments of matter used in building.

What trash is Rome!
What *rubbish*, and what offal! when it serves
For the base matter to illuminate
So vile a thing as Cæsar.
Shakespear, Julius Cæsar, i. 1.

Such conceits seem too fine among this *rubbage.—Sir H. Wotton.*

A fabrick, though high and beautiful, if founded on *rubbish*, is easily made the triumph of the winds.—*Glanville, Scepsis Scientifica.*

When the foundation of a state is once loosened, the least commotion lays the whole in *rubbish.—Sir R. L'Estrange.*

Th' Almighty cast a pitying eye . ..
He saw the town's one half in *rubbish* lie.
Dryden, Annus Mirabilis, cclxxx.

The enemy hath avoided a battle, and taken a surer way to consume us, by letting our courage evaporate against stones and *rubbish.—Swift.*

There are many species [of plants] which seem to follow the footsteps of man, and spring up wherever he scatters the *rubbish* and rejectamenta of his dwellings.—*Henslow, Principles of Descriptive and Physiological Botany*, pt. ii. ch. vii. § 308.

2. Confusion; mingled mass.

That noble art of political lying ought not to lie any longer in *rubbish* and confusion.—*Arbuthnot History of John Bull.*

3. Anything vile and worthless.

Rúbbishing. *adj.* Contemptible. *Colloquial.*

'That's right! Tease and mock a poor lonely old body, do! It's very generous and manly, isn't it? It wasn't so when I lived with the quality.'—'With whom, ma'am?' I made bold to inquire.—'With gentlefolks!' the housekeeper retorted, snappishly. 'With the very first families! With none of your *rubbishing* country squires: nay, nor with knights nor barrow-knights neither; but with born lords and ladies; with the very first nobility in the land.—*Sala, Dutch Pictures, Wild Mr. Will.*

Rúbbishy. *adj.* Abounding, consisting in, having the nature of, rubbish.

By breaking up and cleaning weedy *rubbishy* turf.—*W. Pitt Hunter, Georgical Essay*, p. 415. (Ord MS.)

Rúbble. *s.* Rough stone.

Carry out *rubble*, as mortar, and broken stones of old buildings.—*Barret, Alvearie*: 1580.

Rubble, or rubbish, of old houses.—*Ibid.*

Pieces of timber, bars of iron, massy stones, together with all the *rubble* and stones in the walls of that great and glorious pile.—*Dean King, Sermon*, p. 20: 1608.

Rubble [is] a quarryman's term for the inferior varieties of stone surmounting each valuable bed of limestone extracted for building purposes. It is often the result of weathering or natural disintegration by air and water, sun and frost. The fragmentary masses often found between a rock and the overlying soil derived from the rock, are also sometimes called by this name. It is an equivalent of the term Brash, used in some parts of England. Thus cornbrash is a brash or *rubble* of rotten limestone making a good corn land. Almost all quarries of limestone abound with this kind of substance. The term is also applied to any stone broken from the quarry in rough irregular masses, and not subjected to any further dressing; stone reduced to a rectangular form being called ashlar.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Rúbble-stone. *s.* See extract.

Rubble-stones owe their name to their being rubbed and worn by the water, at the latter end of the deluge, departing in hurry and with great precipitation.—*Woodward.*

Rubefácient. *adj.* [Lat. *rubefacio* = I make red; pres. part. *rubefaciens, -entis.*] Causing redness: (specially applied in *Medicine* to mustard poultices, &c., which cause redness of the skin).

Rubefácient. *s.* In *Medicine.* Rubefacient application.

The acrids are employed as topical agents for various purposes.—1. To stimulate the skin for the purpose of effecting counter-irritation. When used to produce redness merely, they are termed *rubifacients.* For this purpose mustard poultices are frequently applied externally to relieve internal inflammatory affections. Ginger, pepper, onions, garlic and turpentine, are also employed for the same purpose.—*Pereira, Elements of Materia Medica and Therapeutics*, p. 165: 1849.

Rúbican. *adj.* [Fr.] See extract.

Rubican colour of a horse is one that is bay, sorrel, or black, with a light, grey, or white upon the flanks, but so that this grey or white is not predominant there.—*Farrier's Dictionary.*

Rúbicund. *adj.* [Fr. *rubiconde*; Lat. *rubicundus.*] Inclining to redness.

Falstaff alludes to Pistol's *rubicund* nose.—*Douce, Illustrations of Shakspeare*, i. 58.

Rubicúndity. *s.* Disposition to redness.

Rúbied. *adj.* Red as a ruby.

The *rubied* cherry.
Shakespear, Pericles, v. Gower.

Thrice upon thy finger's tip,
Thrice upon thy *rubied* lip. *Milton, Comus*, 914.
Rubied nectar flows
In pearl, in diamond, and in massy gold.
Id., Paradise Lost, v. 633.

Rubífic. *adj.* Making red. *Rare.*
While the several species of rays, as the *rubifick*, are by refraction separated one from another, they retain those motions proper to each.—*Grew, Cosmologia Sacra.*

Rubificátion. *s.* Act of making red.
Dealbation, *rubification*, and fixation.—*Howell, Letters*, ii. 42.

Rúbiform. *adj.* Having the character of, approaching to, redness. (Etymologically, this term is objectionable; the Latin for red being either *ruber* or *rubeus*; besides this, *-formis* = having the form of anything, properly attaches to substantives only. What the combination really ought to mean is *bramble-like*, from *rubus* = bramble.)
Of those rays, which pass close by the snow, the *rubiform* will be the least refracted; and so come to the eye in the directest lines.—*Sir I. Newton, On Opticks.*

Rúbify. *v. a.* Make red.
This topically applied, becomes a phœnigmus or *rubifying* medicine, and of such fiery parts as to conceive fire of themselves, and burn a house.—*Sir T. Browne, Vulgar Errours.*

Rúbious. *adj.* [Lat. *rubeus.*] Ruddy; red. *Rare.*
Diana's lip
Is not more smooth and *rubious*,
Shakespear, Twelfth Night, i. 4.

Rúbric. *s.* [Fr. *rubrique*; Lat. *rubrica.*] Directions printed in books of law and in prayer books; so termed, because they were originally distinguished by being in red ink.
No date prefix'd,
Directs me in the starry *rubrick* set.
Milton, Paradise Regained, iv. 392.
They had their particular prayers according to the several days and months; and their tables or *rubricks* to instruct them.—*Bishop Stillingfleet.*
The *rubrick* and the rules relating to the liturgy are established by royal authority, as well as the liturgy itself.—*Nelson.*

Rúbric. *adj.* Red.
The light and rays, which appear red, or rather make objects appear so, I call *rubrick* or redmaking.—*Sir I. Newton.*
What though my name stood *rubrick* on the walls? *Pope, Epistle to Arbuthnot.*

Rúbric. *v. a.* Adorn with red.

Rúbric-wise. *adv.* After the manner of a rubric.
That it has been taken from such a copy, appears from the lessons marked in the margin *rubric-wise.*—*Baker, Upon Learning.* (Ord MS.)

Rúbrical. *adj.*
1. Red.
A man would think you had eaten over-liberally of Esau's red porridge, and from thence dream continually of blushing;... that you thus persecute ingenuous men all over your book with this one overtired *rubrical* conceit still of blushing.—*Milton, Animadversions upon a Defence of the Humble Remonstrance.*
2. Placed in rubrics.
As the singing-psalms were never a part of our liturgy, no *rubrical* directions are anywhere given for the manner of performing them.—*T. Warton, History of English Poetry*, iii. 199.

Rúbricate. *v. a.* Distinguish or mark with red.
Curroon *rubricates* this in the kalendar of his greatest deliverances.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 85.

Rúbricate. *part. adj.* Marked with red.
Other festivals I enquire not after, that stand *rubricate* in old kalendars.—*Sir H. Spelman.*

Rúby. *s.*
1. Precious stone so called. See the extract from Ure.
Up, up, fair bride! and call
Thy stars from out their several boxes, take
Thy *rubies*, pearls, and diamonds forth, and make
Thyself a constellation of them all. *Donne.*
Rich crowns were on their royal scutcheons placed,
With sapphires, diamonds, and with *rubies* graced.
Dryden, The Flower and the Leaf, 244
The sapphire, *ruby*, oriental amethyst, oriental emerald, and oriental topaz, are gems next in value and hardness to diamond and they all consist of nearly pure alumina, or clay, with a minute portion of iron as the colouring matter.... Spinelle *ruby* [is] called Dodecahedron corundum by some mineralogists, and Balas *ruby* by lapidaries.—*Ure, Dictionary of Arts, Manufactures, and Mines.*
2. Redness.
You can behold such sights,
And keep the natural *ruby* of your cheeks,
When mine is blanch'd with fear.
Shakespear, Macbeth, iii. 4.
3. Anything red.
Desire of wine
Thou could'st repress, nor did the dancing *ruby*
Sparkling, out-pour'd, the flavour, or the smell,
Or taste, that cheers the hearts of gods and men,
Allure thee from the cool crystalline stream.
Milton, Samson Agonistes, 542.
4. Blain; blotch; carbuncle.
He's said to have a rich face and *rubies* about his nose.—*Captain Jones.*

Rúby. *adj.* Having a red colour.
Wounds, like dumb mouths, do ope their *ruby* lips. *Shakespear, Julius Cæsar*, iii. 1.

Rúby. *v. a.* Make red. *Rare.*
With sanguine drops the walls are *rubied* round.
Pope, Translation of the Odyssey, xx. 426.

Ruck. *v. n.* [A.S. *vrigan.*] Cower; sit close; lie close.
On the house did *rucke*
A cursed owle, the messenger of ill successe and lucke. *Golding, Translation of Ovid's Metamorphoses*: 1567.
On the turrets the skrich-howle ...
Doth *ruck*.
Stanyhurst, Translation of Virgil: 1582.
The raven *rook'd* her on the chimney's top.
Shakespear, Henry VI. Part III. v. 6.

Ruck. *s.*
1. Part of silk or linen folded over, or covering some other part, when the whole should lie smooth or even; crease.
2. Heap of stones.
3. Fag-end.
With George I. manners seem to fall to pieces, and society to become some shapeless community of hogs. You have a Beauclerk and a Langton, it is true, who could love their Johnson for his brains and his character; and you have a strange and polished Horace Walpole. But in the *ruck*, in society as a whole, there seems to have been no particle of capacity for rational pleasure—no simplicity, no shadow of grace.—*Saturday Review, August* 22, p. 265.

Rud. *adj.* Red; ruddy; rosy: (in the *extract* as the *first element* in a *compound*).
Sweet blushes stain'd her *rud-red* cheeke,
Her eyen were black as sloe.
Sir Gawaine, Percy's Reliques of Ancient Poetry, iii. 1, 2.

Rud. *s.*
1. Redness; blush.
Fast, with a redd *rudd*,
To her chamber can shee flee.
Boy and Mantle, Percy's Reliques of Ancient Poetry, iii. 1, 1.
2. Ruddle; red ochre, used to mark sheep.

Rud. *v. a.* Make red. *Rare.*
Her cheeks, like apples, which the sun had *rudded*, *Spenser.*

Rudd. *s.* Native fish so called.
Men, that know their difference, call them *ruds*: they differ from the true roach, as much as a herring from a pilchard.—*I. Walton, Complete Angler.*

Rúdder. *s.* [German, *ruder.*]
1. Instrument at the stern of a vessel, by which its course is governed.
My heart was to thy *rudder* tied by the string,
And thou should'st tow me after.
Shakespear, Antony and Cleopatra, iii. 9.
Those, that attribute unto the faculty any first or sole power, hath therein no other understanding, than such a one hath, who, looking into the stern of a ship, and finding it guided by the helm and *rudder*, doth ascribe some absolute virtue to the piece of wood, without all consideration of the hand that guides it.—*Sir W. Raleigh, History of the World.*
Thou held'st the *rudder* with a steady hand
Till safely on the shore the bark did land.
Dryden.
Fishes first to shipping did impart;
Their tail the *rudder*, and their head the prow.
Id., Annus Mirabilis, clv.
As the *first element* in a *compound.*
They loosed the *rudder* bands, and hoised up the main-sail, and made toward shore.—*Acts*, xxvii. 40.
2. Anything that guides or governs the course.
For rhyme the *rudder* is of verses,
With which like ships they steer their courses.
Butler, Hudibras, i. 1, 463.

Rúddiness. *s.* Attribute suggested by Ruddy; quality of approaching to redness.
The *ruddiness* upon her lip is wet;
You'll mar it if you kiss it.
Shakespear, Winter's Tale, v. 3.
If the flesh lose its *ruddiness*, and look pale and withered, you may suspect it corrupting.—*Wiseman, Surgery.*

Rúddle. *s.* Red earth.
Ruddle owes its colour to an admixture of iron; and as that is in greater or less proportion, it is of a greater or less specifick gravity, consistence, or hardness.—*Woodward.*

Rúddle. *s.* Riddle.
The holes of the sieve, *ruddle*, or try.—*Holland, Translation of Plutarch*, p. 86. (Trench.)

Rúddleman. *s.* One who is employed in digging ruddle or red earth.
Besmeared like a *ruddleman*, a gypsy, or a chimney-sweeper.—*Burton, Anatomy of Melancholy*, p. 470.

Rúddock. *s.* [A.S. *rudduc.*] Red-breast.
The merry larke her mattins sings aloft;
The ouzle shrills; the *ruddock* warbles soft.
Spenser, Epithalamium.
Of singing birds, they have linnets and *ruddocks.*—*Carew, Survey of Cornwall.*
With regard to [the word *hirddick* for *ruddick* or *ruddock*] I may mention that it was by being aware of the rule touching the transposed *r*, that I was enabled to recognise it. I knew that *ruddock* (literally 'little red one') was a common name with the older poets for the red-breast, and being anxious to know whether it was used in this county (Somersetshire), went to a man working in a field, and asked him whether they ever called the robin the *ruddock*. 'Noa zir,' said the man, 'we dwoant call 'un that, we calls 'un the *rabbin hirddick*,' which, of course, I at once recognised as the Somersetshire form of the word.—*T. S. Baynes, The Somersetshire Dialect*, § i.

Rúddy. *adj.*
1. Approaching to redness; pale red.
We may see the old man in the morning,
Lusty as health, come *ruddy* to the field,
And there pursue the chase, as if he meant
To o'ertake time, and bring back youth again.
Otway, The Orphan, i. 1.
New leaves on every bough were seen;
Some *ruddy* colour'd, some of lighter green.
Dryden, The Flower and the Leaf, 44.
Ten wildings have I gather'd for my dear;
How *ruddy* like your lips their streaks appear!
Id., Amaryllis, 20.
Ceres, in her prime,
Seems fertile, and with *ruddiest* freight bedeckt.
J. Philips, Cyder, i. 243.
If physick, or issues, will keep the complexion from inclining to coarse, or *ruddy*, she thinks them well employed.—*Law.*
2. Yellow.
A crown of *ruddy* gold inclosed her brow,
Plain without pomp.
Dryden, The Flower and the Leaf, 186.

Rude. *adj.* [Fr.; Lat. *rudis.*]
1. Untaught; barbarous; savage.
Nor is there any nation in the world, now accounted civil, but within the memory of books, were utterly *rude* and barbarous.—*Bishop Wilkins.*
2. Rough; coarse of manners; uncivil; brutal.
Ruffian, let go that *rude* uncivil touch;
Thou friend of an ill fashion.
Shakespear, Two Gentlemen of Verona, v. 4.
Vane's bold answers, termed *rude* and ruffian-like, furthered his condemnation.—*Sir J. Hayward.*
You can with single look inflame
The coldest breast, the *rudest* tame. *Waller.*
It has been so usual to write prefaces, that a man is thought *rude* to his reader, who does not give him some account beforehand.—*Walsh.*
3. Violent; tumultuous; boisterous; turbulent.
The clouds
Justling or push'd with winds *rude* in their shock.
Milton, Paradise Lost, x. 1073.
The water appears white near the shore and a ship; because the *rude* agitation breaks it into foam.—*Boyle.*
4. Harsh; inclement.
Spring does to flow'ry meadows bring
What the *rude* winter from them tore. *Waller.*
5. Ignorant; raw; untaught.
Though I be *rude* in speech, yet not in knowledge.—2 *Corinthians*, xi. 6.
He was yet but *rude* in the profession of arms, though greedy of honour.—*Sir H. Wotton, Life of the Duke of Buckingham.*
Such tools as art yet *rude*
Guiltless of fire, had form'd.
Milton, Paradise Lost, ix. 391.
6. Rugged; uneven; shapeless; unformed.

In their so *rude* abode,
Not the poore swineherd would forget the gods.
Chapman, Translation of the Odyssey.

It was the custom to worship *rude* and unpolished stones.—*Bishop Stillingfleet.*

7. Artless; inelegant.

I would know what ancient ground of authority he hath for such a senseless fable; and if he have any of the *rude* Irish books.—*Spenser, View of the State of Ireland.*

One example may serve, till you review the Æneis in the original, unblemished by my *rude* translation. —*Dryden.*

8. Such as may be done with strength without art.

To his country farm the fool confined;
Rude work well suited with a rustick mind.
Dryden, Cymon and Iphigenia, 73.

Rúdely. *adv.* In a rude manner.

1. Fiercely; tumultuously.

Whether to knock against the gates of Rome,
Or *rudely* visit them in parts remote,
To fright them ere destroy.
Shakespear, Coriolanus, iv. 5.

2. Without exactness; without nicety; coarsely.

I that am not shaped for sportive tricks,
I that am *rudely* stampt, and want love's majesty
To strut before a wanton ambling nymph.
Shakespear, Richard III. i. 1.

3. Unskilfully.

My muse, though *rudely*, has design'd
Some faint resemblance of his godlike mind.
Dryden, Threnodia Augustalis, 246.

4. Violently; boisterously.

With his truncheon he so *rudely* stroke
Cymocles twice, that twice him forced his foot revoke. *Spenser.*

Rúdeness. *s.* Attribute suggested by Rude.

1. Coarseness of manners; incivility.

This *rudeness* is a sauce to his good wit,
Which gives men stomach to digest his words
With better appetite.
Shakespear, Julius Cæsar, i. 2.

The publick will in triumphs rudely share,
And kings the *rudeness* of their joy must bear.
Dryden, Aurengzebe, iii. 1.

The *rudeness*, tyranny, the oppression, and ingratitude of the late favourites towards their mistress, were no longer to be borne.—*Swift, Miscellanies.*

The *rudeness*, ill-nature, or perverse behaviour of any of his flock, used at first to betray him into impatience; but it now raises no other passion in him, than a desire of being upon his knees in prayer to God for them.—*Law.*

2. Ignorance; unskilfulness.

What he did amiss was rather through *rudeness* and want of judgment than any malicious meaning. —*Sir J. Hayward.*

3. Artlessness; inelegance; coarseness.

Let be thy bitter scorn,
And leave the *rudeness* of that antique age
To them, that lived therein in state forlorn.
Spenser.

4. Violence; boisterousness.

The ram, that batters down the wall,
For the great swing and *rudeness* of his poise,
They place before his hand that made the engine.
Shakespear, Troilus and Cressida, i. 3.

5. Storminess; rigour.

You can hardly be too sparing of water to your housed plants; the not observing of this, destroys more plants than all the *rudenesses* of the season.—*Evelyn, Kalendar.*

Rudéature. *s.* [Fr.; Lat. *rudens* = cable.] In *Architecture.* Figure of a rope or staff, sometimes plain and sometimes carved, wherewith the flutings of columns are frequently filled up.

Rúdesby. *s.* Uncivil turbulent fellow: (condemned as a *low* word; now little used).

I must be forced
To give my hand, opposed against my heart,
Unto a mad-brain *rudesby*, full of spleen.
Shakespear, Taming of the Shrew, iii. 2.

Out of my sight, *rudesby* be gone.
Id., Twelfth Night, iv. 1.

Rúdiment. *s.* [Fr.; Lat. *rudimentum.*]

1. First principles; first elements of a science.

Such as were trained up in the *rudiments*, and were so made fit to be by baptism received into the church, the fathers usually term hearers.—*Hooker, Ecclesiastical Polity.*

To learn the order of my fingering,
I must begin with *rudiments* of art.
Shakespear, Taming of the Shrew, iii. 1.

Thou soon shalt quit
Those *rudiments*, and see before thine eyes
The monarchies of th' earth, their pomp, and state,
Sufficient introduction to inform
Thee, of thyself so apt in regal arts.
Milton, Paradise Regained, iii. 244.

Could it be believed, that a child should be forced to learn the *rudiments* of a language, which he is never to use, and neglect the writing a good hand, and casting accounts?—*Locke.*

The proposed law, they said, was a retrospective penal law, and therefore objectionable. If they used this argument in good faith, they were ignorant of the very *rudiments* of the science of legislation.—*Macaulay, History of England,* ch. xvi.

2. First part of education.

He was nurtured where he was born in his first *rudiments*, till the years of ten, and then taught the principles of musick.—*Sir H. Wotton, Life of the Duke of Buckingham.*

3. First, inaccurate, unshapen beginning or original of anything.

Moss is but the *rudiment* of a plant, and the mould of earth or bark.—*Bacon, Natural and Experimental History.*

The *rudiments* of nature are very unlike the grosser appearances.—*Glanville, Scepsis Scientifica.*

So looks our monarch on this early fight,
Th' essay and *rudiments* of great success,
Which all-maturing time must bring to light;
While he, like heaven, does each day's labour bless.
Dryden, Annus Mirabilis, cxl.

Shall that man pretend to religious attainments, who is defective and short in moral? which are but the *rudiments*, the beginnings, and first draught of religion; as religion is the perfection, refinement, and sublimation of morality.—*South, Sermons.*

God beholds the first imperfect *rudiments* of virtue in the soul, and keeps a watchful eye over it, till it has received every grace it is capable of.—*Addison, Spectator.*

The sappy boughs
Attire themselves with blooms, sweet *rudiments*
Of future harvest. *J. Philips, Cyder,* ii. 438.

Rúdiment. *v. a.* Ground; settle in the rudiments of any science. *Rare.*

It is the right discipline of knight-errantry, to be *rudimented* in losses at first, and to have the tyrocinium somewhat tart!—*Gayton, Festivous Notes on Don Quixote,* p. 37.

Rudiméntal. *adj.* Initial; relating to first principles.

Your first *rudimental* essays in spectatorship were made in my shop, where you often practised for hours.—*Spectator.*

Rudiméntary. *s.* Initial.

It might be expected that if the plan of structure in a particular tribe involves the non-development of some organ which is possessed by neighbouring groups, its conformity to the archetype or general model should be manifested in the presence of that organ in a *rudimentary* and undeveloped condition; and this, as a general rule, we find to be the case. Thus, we find some rudiment of the lung in most fishes, even where it is not sufficiently developed to serve as an 'air-bladder' in regulating the specific gravity of the body. In the abdominal muscles of Mammals, again, we find the abdominal sternum and ribs of Saurian reptiles indicated by white fibrous bands; and in those Mammals which do not possess a clavicle, that bone is usually represented by a ligament, just as the stylo-hyoid ligament in Man represents a portion of the hyoidean arch which is elsewhere completely ossified. Such *rudimentary* structures, however, often display themselves only at an early period of development, and are subsequently lost sight of.—*Dr. Carpenter, Principles of Physiology, General and Comparative,* § 338: 1851.

Rue. *s.* [Fr.; Lat. *ruta*; Gr. *ῥύτη*; A.S. *rudе.*]

What savor is better,
For places infected, than wormwood and *rue?*
Tusser, Five Hundred Points of good Husbandry.

Here did she drop a tear; here, in this place,
I'll set a bank of *rue*, sour herb of grace.
Shakespear, Richard II. iii. 4.

The weasel, to encounter the serpent, arms herself with eating of *rue*.—*Dr. H. More, Antidote against Atheism.*

Rue. *v. a.* [A.S. *hreowian.*] Grieve for; regret; lament.

Thou temptest me in vain;
To tempt the thing which daily yet I *rue*,
And the old cause of my continued pain,
With like attempts to like end to renew. *Spenser.*

You'll *rue* the time,
That clogs me with this answer.
Shakespear, Macbeth, iii. 6.

France, thou shalt *rue* this treason with thy tears,
If Talbot but survive. *Id., Henry VI. Part I.* iii. 2.

Oh! treacherous was that breast, to whom you
Did trust our counsels, and we both may *rue*,
Having his falsehood found too late; 'twas he
That made me cast you guilty, and you me.
Donne.

Thy will
Chose freely what it now so justly *rues*.
Milton, Paradise Lost, iv. 71.

The consequent appendant miseries of sin are studiously kept from the sinner's notice; his eye must not see what his heart will certainly *rue*.—*South, Sermons.*

They encouraged a democratic and insubordinate tone, which eventually produced the happiest results, by keeping alive, at a critical moment, the spirit of liberty; but which, for that very reason, made the higher ranks *rue* the day, when, by their ill-timed and selfish parsimony, they roused the wrath of so powerful and implacable a class.—*Buckle, History of Civilization in England,* vol. ii. ch. iii.

Rue. *v. n.* Have compassion.

Full many a one for me deepe groan'd and sigh'd,
And to the dore of death for sorrow drew,
Complayning out on me that would not on them
rew. *Spenser, Faerie Queen,* vi. 6, 20.

Rue. *s.* [A.S. *hreowe.*] Sorrow; repentance.

Rue, even for ruth, here shortly shall be seen,
In the remembrance of a weeping queen.
Shakespear, Richard II. iii. 4.

My marriage day chased joy away;
For I have found it true,
That bed which did all joys display
Became a bed of *rue*.
Braithwaite, Shepherd's Tales.

Ruéful. *adj.* Mournful; woeful; sorrowful.

When we have our armour buckled on,
The venom'd vengeance ride upon our swords,
Spur them to *rueful* work, rein them from ruth.
Shakespear, Troilus and Cressida, v. 3.

Behold, looke, if ever you saw the like *ruefull* spectacle!—*Bishop Andrews, Sermon on the Passion.*

Cocytus, named of lamentation loud,
Heard on the *rueful* stream.
Milton, Paradise Lost, ii. 579.

He sigh'd, and cast a *rueful* eye;
Our pity kindles, and our passions die. *Dryden.*

Ruéfully. *adv.* In a rueful manner; mournfully; sorrowfully.

Why should an ape run away from a snail, and very *ruefully* and frightfully look back, as being afraid?—*Dr. H. More.*

Ruéfulness. *s.* Attribute suggested by Rueful; sorrowfulness; mournfulness.

For he was false, and fraught with ficklenesse,
And learned had to love with secret lookes,
And well could daunce, and sing with *ruefulnesse.*
Spenser, Faerie Queen.

Ruéing. *s.* Lamentation.

I pray God this sudden riches make not again a long repentance, this sudden joy a long *rueing.*—*Sir T. Smith, Oration for Queen Elizabeth's Marrying.*

Ruélle. *s.* [Fr.] Circle; assembly at a private house.

The poet, who flourished in the scene, is condemned in the *ruelle.*—*Dryden, Translation of the Æneid,* preface.

Ruff. *s.*

1. Part of the name of an old game at cards.

Whist . . . was anciently connected with a game called 'English *Ruff* and Honours,' or 'Slamm;' only in whist the four deuces were left out, and the game nine. In the former four cards at the end of the deal were turned up, and he that had the ace of trumps *ruffed*, i.e. exchanged bad cards in his hand for those four. Reneging! Can ye? Honours are split, &c. are terms used in *Ruff* and Honours; and modern whist is the evident issue of these two games. Those cards put out were called swabbers. —*Fosbroke, Encyclopædia of Antiquities.*

2. Trump played on any other suit at whist.

What folly must inspire the wretched taste
So many precious trumps on *ruffs* to waste. *Whist.*

Double ruff. See See-saw.

Ruff. *v. n.* Play a trump card on any other suit: (to *over-ruff*, is to put a higher trump on a suit trumped already by an adversary).

But should your luckless hand still weaker be,
And hold but one poor trump of low degree,
With which you mark but little chance to *ruff*,
To play it out may oft do well enough. *Whist.*

Ruff. *s.*

1. Puckered linen ornament, formerly worn about the neck.

You a captain; for what? for tearing a poor whore's *ruff* in a bawdy house?—*Shakespear, Henry IV. Part II.* ii. 4.

We'll revel it
With *ruffs*, and cuffs, and fardingals.
Id., Taming of the Shrew, iv. 3.

Like an uproar in the town,
Before them every thing went down,
Some tore a *ruff*, and some a gown.
Drayton, Nymphidia.

Some very few of the best and most curious wives of that time, observing the neatnesse and delicacy

of the Dutch for whitenesse and fine wearing of linen, made them cambricke *ruffs*, and sent them to Mistris Dinghen to starch, and after awhile they made them *ruffes* of lawn, which was at that time a stuff most strange, and wonderfull, and thereupon rose a general scoffe or by-word, that shortly they would make *ruffs* of a spider's web; and then they began to send their daughters and nearest kinswomen to Mistris Dinghen to learne how to starche; her usuall price was at that time, foure or five pound, to teach them how to starch, and twenty shillings how to seeth starch.—*Stowe.*

Sooner may a gulling weather spy,
By drawing forth heaven's scheme tell certainly,
What fashion'd hats, or *ruffs*, or suits next year,
Our giddy-headed antick youth will wear. *Donne.*

The ladies freed the neck from those yokes, those linen *ruffs* in which the simplicity of their grandmothers had enclosed it.—*Addison, Guardian.*

There is a print by Vertue, of Queen Elizabeth going in a procession to Lord Hunsdon. This procession is led by Lady Hunsdon, who no doubt was the leader likewise of the fashion; but it is impossible, with our ideas of grace and comfort, not to commiserate this unfortunate lady, whose standing-up wire *ruff*, rising above her head; whose stays, or bodice, so long waisted as to reach to her knees, and the circumference of her large hoop farthingale, which seems to enclose her in a capacious tub, mark her out as one of the most pitiable martyrs of ancient modes.—*I. Disraeli, Curiosities of Literature, Anecdotes of Fashion.*

2. Anything collected into puckers or corrugations.

I rear'd this flower,
Soft on the paper *ruff* its leaves I spread.
Pope, Dunciad, iv. 405.

3. State of roughness. *Obsolete.*

As fields set all their bristles up; in such a *ruff* wert thou.
Chapman, Translation of the Iliad.

4. Native fish of the genus Caranx; pope.

A *ruff* or pope is much like the pearch for shape, and taken to be better, but will not grow bigger than a gudgeon; he is an excellent fish, and of a pleasant taste.—*I. Walton, Complete Angler.*

The *ruffe*, a fresh-water fish, closely allied to the perch, but with a single dorsal fin, appears to have been unknown to the ancients, and Cuvier assigns the credit of its first discovery to an Englishman, whose name was Caius, ... the learned Dr. Caius, well known for his various zoological writings.... He found it in the river Yare, near Norwich, and called it aspredo, a translation of our name *ruffe* (rough), which is well applied to it on account of the harsh feel of its denticulated scales. Caius sent the first figure of this fish to Gesner, who published it.—*Yarrell, History of British Fishes.*

5. New state.

How many princes that, in the *ruff* of all their glory, have been taken down from the head of a conquering army to the wheel of the victor's chariot! —*Sir R. L'Estrange.*

6. Particular kind of pigeon.

7. Native bird so called; Machetes pugnax: (the female is a Reeve).

Of partridge, pheasant, woodcock, of which some
May yet be there; and godwit, if we can,
Knat, rail, and *ruff* too. *B. Jonson, Epigrams.*

The *ruff* differs in so many points from the species included in the genera Totanus, Scolopax, and Tringa, that the generic division and term Machetes, in reference to its pugnacious habits proposed for it by Baron Cuvier ... has been admitted by many systematic writers.... The most marked distinctions of this species, which up to the present time is the only one of the genus known, are the periodical assumption by the males of the *ruff* about the neck, which has led to the English name; that scarcely any two of these males can be found of the same colour, which is very unusual in wild birds, while the females are uniform in colour, or nearly so; that the males are polygamous, and about one third larger than the females.... The Reverend James F. Dimock wrote me word that some *reeves* (the name applied to the females) still breed on Cawlish Wash, near Spalding.—*Yarrell, History of British Birds.*

Ruff. *v. a.*

1. Ruffle; disorder.

The fether in her lofty crest,
Ruffed of Love, gan lowly to avale.
Spenser, Faerie Queen.
The bird *ruffing* his fethers wyde. *Ibid.*

2. Trump any other suit of the cards at whist.

Rúffian. *s.* [Italian, *ruffiano*; Fr. *ruffien* = a bawd.] Brutal, boisterous, mischievous fellow; cut-throat; robber; murderer.

Have you a *ruffian* that will swear? drink? dance? Revel the night? rob? murder?
Shakespear, Henry IV. Part II. iv. 4.

Every fiddler sings libels openly; and each man is ready to challenge the freedom of David's *ruffians*, 'Our tongues are our own, who shall control us?'—*Bishop Hall, Fashions of the World.*

Tho boasted ancestors of these great men,
Whose virtues you admire, were all such *ruffians.*
The dread of nations, this almighty Rome,
That comprehends in her wide empire's bounds
All under heaven, was founded on a rape.
Addison, Cato.

Rúffian. *adj.* Brutal; savagely boisterous.

Should'st thou but hear I were licentious,
And that this body, consecrate to thee,
By *ruffian* lust should be contaminate,
Would'st thou not spit at me?
Shakespear, Comedy of Errors, ii. 2.

Rúffian. *v. n.* Rage; raise tumults; play the ruffian.

A fuller blast ne'er shook our battlements;
If it hath *ruffian'd* so upon the sea,
What ribs of oak, when mountains melt upon them
Can hold the mortise? *Shakespear, Othello*, ii. 1.

Rúffianlike. *adj.* Like a ruffian; dissolute; licentious; brutal.

To omit his *ruffianlike* railing and whorish scolding.—*Fulke, Answer to P. Frarine*, p. 54: 1580.

Sir Ralph Vane's bold answers, termed rude and *ruffianlike*, falling into ears apt to take offence, furthered his condemnation.—*Sir J. Hayward.*

Rúffianly. *adj.* Ruffianlike.

Misconstrue me not as one that affects to be a patron of *ruffianly* and dissolute fashions.—*Bishop Hall, Remains*, p. 251.

Rúffle. *v. a.*

1. Disorder; put out of form; make less smooth.

Naughty lady,
These hairs, which thou dost ravish from my chin,
Will quicken and accuse thee; I'm your host;
With robber's hands, my hospitable favour
You should not *ruffle* thus.
Shakespear, King Lear, iii. 7.

Not one flower of their crowns was blasted; no, not one hair of their heads *ruffled.*—*Proceedings against Garnet*, Hh. 4, b.: 1606.

In changeable taffeties, differing colours emerge and vanish upon the *ruffling* of the same piece of silk.—*Boyle.*

2. Discompose; disturb; put out of temper.

Were I Brutus,
And Brutus Antony, there were an Antony
Would *ruffle* up your spirits, and put a tongue
In every wound of Cæsar, that should move
The stones of Rome to rise and mutiny.
Shakespear, Julius Cæsar, iii. 2.

We are transported by passions, and our minds *ruffled* by the disorders of the body; nor yet can we tell, how the soul should be affected by such kind of agitations.—*Glanville.*

3. Put out of order; surprise.

The knight had wheel'd about
To breathe himself, and next found out
The advantage of the ground, where best
He might the *ruffled* foe infest.
Butler, Hudibras, i. 3, 697.

4. Throw disorderly together.

Within a thicket I reposed, when round
I *ruffled* up fall'n leaves in heap, and found,
Let fall from heaven, a sleep interminate.
Chapman, Translation of the Odyssey.

5. Contract into plaits.

The deceased to be furnished as follows:—A strong elm coffin, covered with superfine black, and furnished with two rows, all round, close-drove, best japanned nails, and adorned with ornamental drops, a handsome plate of inscription, angel above, and flower beneath, and four pair of handsome handles, with wrought gripes; the coffin to be well pitched, lined, and *ruffled* with fine crape; a handsome crape shroud, cap, and pillow.—*C. Lamb, On Burial Societies.*

Rúffle. *v. n.*

1. Grow rough or turbulent.

The night comes on, and the high winds
Do sorely *ruffle*; for many miles about
There's scarce a bush.
Shakespear, King Lear, ii. 4.

2. Be in loose motion; flutter.

The fiery courser, when he hears from far
The sprightly trumpets and the shouts of war ...
On his right shoulder his thick mane reclined,
Ruffles at speed, and dances in the wind.
Dryden, Translation of the Georgics, iii. 130.

Whiles his heart is taken up with these thoughts, who should come *ruffling* by him but the new raised favorite of king Ahasuerus.—*Bishop Hall, Haman Disrespected.* (Ord MS.)

3. Be rough; jar; be in contention.

A valiant son-in-law thou shalt enjoy;
One fit to bandy with thy lawless sons,
To *ruffle* in the commonwealth of Rome.
Shakespear, Titus Andronicus, i. 2.

One spendeth his patrimony upon pounces and cuts; another bestoweth more on a dancing shirt than might suffice him to buy honest and comely apparel for his whole body. Some hang their revenues about their necks, *ruffling* in their ruffs; and many one jeopardeth his best joint to maintain himself in sumptuous rayment.—*Book of Homilies, Against Excess of Apparel.*

They would *ruffle* with jurors, and inforce them to find as they would direct.—*Bacon, History of the Reign of Henry VII.*

He must have his gay courtier, like myself, to *ruffle* it in the presence-chamber, and to lay hand on hilt when any speaks in disparagement of my lord's honour.—*Sir W. Scott, Kenilworth*, ch. v.

Rúffle. *s.*

1. Plaited linen used as an ornament.

The tucker is a slip of fine linen, run in a small *ruffle* round the uppermost verge of the women's stays.—*Addison.*

Such dainties to them too their health it might hurt;
'Tis like sending them *ruffles* when wanting a shirt.
Goldsmith, Haunch of Venison.

2. Disturbance; contention; tumult.

A blusterer, that the *ruffle* knew
Of court, of city. *Shakespear, Lover's Complaint.*

Conceive the mind's perception of some object, and the consequent *ruffle* or commotion of the blood. —*Watts.*

3. Kind of flourish upon a drum; military token of respect.

Rúffled. *part. adj.* Disordered; rough.

As she first began to rise,
She smooth'd the *ruffled* seas, and clear'd the skies.
Dryden.

A small skirt of fine *ruffled* linen, running along the upper part of the stays before, is called the modesty-piece.—*Addison.*

Bear me, some god! oh quickly bear me hence
To wholesome solitude, the nurse of sense,
Where contemplation prunes her *ruffled* wings,
And the free soul looks down to pity kings.
Pope, Satires of Donne, sat. iv.

Rúffler. *s.* Bully.

The ranke rable of Romysh *rufflelers.*—*Bale, Yet a Course at the Romyshe Foxe*, fol. 56.

Rúffling. *verbal abs.* Commotion; disturbance.

With great trouble and business, with great stir and *ruffling.*—*Barret, Alvearie*, in voce *Trouble*: 1580.

Rúffling. *part. adj.* Growing turbulent.

As we find the *ruffling* winds to be commonly in cemeteries, and about churches; so the eagerest and most sanguinary wars are about religion.—*Howell, Letters*, iv. 29.

The rising winds a *ruffling* gale afford. *Dryden.*

'Then,' said Varney, ... 'he must have his lawyers; deep subtle pioneers.... And he must have physicians who can spice a cup or a caudle. And he must have his cabalists, like Dee and Allan, for conjuring up the devil. And he must have *ruffling* swordsmen.... And above all, without prejudice to others, he must have such godly, innocent, puritanic souls as thou, honest Anthony, who defy Satan, and do his work at the same time.—*Sir W. Scott, Kenilworth*, ch. v.

Rúfterhood. *s.* In *Falconry.* Hood to be worn by a hawk when she is first drawn.

Rug. *s.* [German, *rock* = coat.]

1. Coarse, nappy, woollen cloth.

January must be expressed with a horrid and fearful aspect, clad in Irish *rug* or coarse frieze.—*Peacham, On Drawing.*

2. Coarse, nappy coverlet used for mean beds.

She covered him with a mantle, [in the margin, *rug* or blanket.]—*Judges*, iv. 18.

A *rug* was o'er his shoulders thrown;
A *rug*; for night-gown he had none.
Swift, Miscellanies.

3. Rough woolly dog. *Obsolete.*

Mungrels, spaniels, curs,
Shoughes, water *rugs*, and demy wolves are cleped
All by the name of dogs.
Shakespear, Macbeth, iii. 1.

Rúg-gowned. *adj.* Wearing a coarse or rough gown.

I had rather meet
An enemy in the field, than stand thus nodding
Like to a *rug-gown'd* watchman.
Beaumont and Fletcher, Prophetess.

Rúg-headed. *adj.* Shock-headed.

Now for our Irish wars;
We must supplant those rough, *rug-headed* kerns,
Which live like venom, where no venom else,
But only they, hath privilege to live.
Shakespear, Richard II. ii. 1. (Ord MS.)

Rúgged. *adj.*

1. Rough; full of unevenness and asperity.

Nature, like a weak and weary traveller,
Tired with a tedious and *rugged* way.
Sir J. Denham, Of Old Age.

Since the earth revolves not upon a material and *rugged*, but a geometrical plane, their proportions may be varied in innumerable degrees.—*Bentley.*

2. Not neat; not regular; uneven.

His hair is sticking;
His well-proportion'd beard made rough and *rugged*,
Like to the summer's corn by tempest lodged.
Shakespear, Henry VI. Part II. iii. 2.

3. Savage of temper; brutal; rough.

The greatest favours to such an one neither soften nor win upon him; neither melt nor endear him, but leave him as hard, *rugged*, and unconcerned as ever.—*South, Sermons.*

4. Stormy; rude; tumultuous; turbulent; tempestuous.

Now bind my brows with iron, and approach
The *rugged'st* hour that time and spite dare bring,
To frown upon th' enraged Northumberland.
Shakespear, Henry IV. Part II. i. 1.

5. Rough or harsh to the ear.

Wit will shine
Through the harsh cadence of a *rugged* line.
Dryden.

A monosyllable line turns verse to prose, and even that prose is *rugged* and unharmonious.—*Id., Translation of the Æneid*, dedication.

6. Sour; surly; discomposed.

Sleek o'er your *rugged* looks,
Be bright and jovial 'mong your guests to-night.
Shakespear, Macbeth, iii. 2.

7. Violent; rude; boisterous.

Fierce Talgol, gathering might,
With *rugged* truncheon charged the knight.
Butler, Hudibras, i. 2, 785.

8 Rough; shaggy.

The *rugged* Russian bear.
Shakespear, Macbeth, iii. 4.
Through forests wild,
To chase the lion, boar, or *rugged* bear. *Fairfax.*

Rúggedly. *adv.* In a rugged manner.

Of all mankind, methinks, Mr. Keil uses you the most *ruggedly*.—*Bishop Nicholson to Wotton, Epistolary Correspondence*, i. 108.

Rúggedness. *s.* Attribute suggested by Rugged.

1. State or quality of being rugged.

He finds, instead of soft lawns and shady thickets, nothing more than uncultivated *ruggedness*.—*Johnson, Journey to the Western Islands of Scotland.*

2. Roughness; asperity.

Hardness and *ruggedness* is unpleasant to the touch.—*Bacon.*

Syrups immediately abate and demulce the hoarseness and violence of a cough, by mollifying the *ruggedness* of the intern tunick of the gullet.—*Harvey.*

This softness of the foot, which yields and fits itself to the *ruggedness* and unevenness of the roads, does render it less capable of being worn.—*Ray, Wisdom of God manifested in the Works of the Creation.*

3. Roughness; rudeness; coarseness of behaviour.

They of that soft sex, with whom I have conversed, have accused me of too great severity and *ruggedness* towards them.—*Mayne, Answer to Cheynel*, p. 27: 1647.

I had no inclination to a wife who had the *ruggedness* of a man without his force, and the ignorance of a woman without her softness.—*Johnson, Rambler*, no. 115.

The northern Europe, until some parts of it were subdued by the progress of the Roman arms, remained almost equally covered with the *ruggedness* of primitive barbarism.—*Burke, Abridgement of English History*, b. i. ch. i.

Rúgin. *s.* Nappy cloth.

The lips grew so painful, that she could not endure the wiping the ichor from it with a soft *rugin* with her own hand.—*Wiseman, Surgery.*

Rúgine. *s.* ¶[Fr.] Chirurgeon's rasp.

If new flesh should not generate, bore little orifices into the bone, or rasp it with the *rugine*.—*Sharp.*

Rugóse. *adj.* [Lat. *rugosus*.] Full of wrinkles.

It is a relaxation of the sphincter to such a degree, that the internal *rugose* coat of the intestine turneth out, and beareth down.—*Wiseman, Surgery.*

Rugósity. *s.* State of being wrinkled.

Weaknesses ... whether they be outward, as stiffness, contraction, *rugosity*; or inward, as aches, pains, numbness, palsies, cramps, tremblings.—*Smith, Portrait of Old Age*, p. 63: 1666.

Rúgous. *adj.* Wrinkled.

In the rhinoceros the trachea has thirty-one rings: they are close-set, cleft behind, the ends meeting: the lining membrane is longitudinally *rugous*, as is that of the bronchial ramifications for some way into the lung.—*Owen, Anatomy of Vetebrates.*

Rúin. *s.* [Fr. *ruine*; Lat. *ruina*.]

1. Fall or destruction of cities or edifices.

Loud rung the *ruin*, and with boistrous fear,
Straight revell'd in the queen's amazed ear.
Beaumont, Psyche.

2. Remains of building demolished.

The Veian and the Gabian towers shall fall,
And one promiscuous *ruin* cover all;
Nor, after length of years, a stone betray
The place where once the very *ruins* lay. *Addison.*
Judah shall fall, oppress'd by grief and shame,
And men shall from her *ruins* know her fame.
Prior, Solomon, iii. 763.

Such a fool was never found,
Who pull'd a palace to the ground,
Only to have the *ruins* made
Materials for a house decay'd. *Swift.*

Our country could boast of one truly great man, Christopher Wren; and the fire which laid London in *ruins* had given him an opportunity, unprecedented in modern history, of displaying his powers.—*Macaulay, History of England*, ch. iii.

3. Destruction; loss of happiness or fortune; overthrow.

He parted frowning from me, as if *ruin*
Leapt from his eyes.
Shakespear, Henry VIII. iii. 2.

Those whom God to *ruin* has design'd,
He fits for fate, and first destroys their mind.
Dryden.

He [James II.] put forth a manifesto, telling his people that it had been his constant care to govern them with justice and moderation, and that they had been cheated into *ruin* by imaginary grievances.—*Macaulay, History of England*, ch. x.

4. Mischief; bane.

The errors of young men are the *ruin* of business.—*Bacon.*

Havock, and spoil, and *ruin* are my gain.
Milton, Paradise Lost, ii. 1009.

Rúin. *v. a.* [Fr. *ruiner*.]

1. Subvert; demolish.

A nation loving gold must rule this place,
Our temples *ruin*, and our rites deface.
Dryden, Indian Emperour, i. 2.

2. Destroy; deprive of felicity or fortune.

By thee raised, I *ruin* all my foes.
Milton, Paradise Lost, iii. 258.

Dispose all honours of the sword and gown,
Grace with a nod, and *ruin* with a frown.
Dryden, Translation of Juvenal, x. 148.

A confident dependence ill-grounded creates such a negligence as will certainly *ruin* us in the end.—*Archbishop Wake.*

3. Impoverish.

She would *ruin* me in silks, were not the quantity that goes to a large pincushion sufficient to make her a gown and petticoat.—*Addison, Spectator.*

Rúin. *v. n.*

1. Fall in ruins.

Hell heard the unsufferable noise, hell saw
Heaven *ruining* from heav'n, and would have fled
Affrighted, but strict fate had fix'd too deep
Her dark foundations, and too fast had bound.
Milton, Paradise Lost, vi. 867.

2. Run to ruin; dilapidate.

Though he his house of polish'd marble build,
Yet shall it *ruin* like the moth's frail cell,
Or sheds of reeds, which summer's heat repel.
Sandys.

3. Be brought to poverty or misery.

If we are idle, and disturb the industrious in their business, we shall *ruin* the faster.—*Locke.*

Rúinate. *v. a.*

1. Subvert; demolish. *Rare, or obsolete.*

I will not *ruinate* my father's house,
Who gave his blood to lime the stones together,
And set up Lancaster.
Shakespear, Henry VI. Part III. v. 1.

What offence of such impietie
Hath Priam or his sonnes done thee? that with so high a hate
Thou should'st thus ceaselessly desire to raze and *ruinate*
So well a builded town as Troy? *Chapman.*

2. Bring to meanness, or misery irrecoverable. *Rare, or obsolete.*

We'll order well the state.
That like events may ne'er it *ruinate.*
Shakespear, Titus Andronicus, v. 3.

The Romans came to pull down kingdoms; Philip and Nabis were already *ruinated*, and now was his turn to be assailed.—*Bacon, Considerations on War with Spain.*

So shall the great revenger *ruinate*
Him and his issue by a dreadful fate. *Sandys.*

Ruinátion. *s.* Subversion; demolition; overthrow. *Rare, or obsolete.*

Roman coins were over covered in the ground, in the sudden *ruination* of towns by the Saxons.—*Camden, Remains.*

Rúiner. *s.* One who, that which, ruins.

This Ulysses, old Laertes' sonne,
That dwells in Ithaca; and name hath wonne
Of citie *ruiner.* *Chapman.*

They have been the most certain deformers and *ruiners* of the church.—*Milton, Animadversions upon a Defence of the Humble Remonstrance.*

Rúinous. *adj.*

1. Fallen to ruin; dilapidated; demolished.

It is less dangerous, when divers parts of a tower are decayed, and the foundation firm, than when the foundation is *ruinous*.—*Sir J. Hayward.*

2. Mischievous; pernicious; baneful; destructive; causing ruin.

The birds,
After a night of storm so *ruinous*,
Clear'd up their choicest notes in bush and spray,
To gratulate the sweet return of morn.
Milton, Paradise Regained, iv. 435.

Those successes are more glorious, which bring benefit to the world, than such *ruinous* ones, as are dyed in human blood.—*Glanville.*

A stop might be put to that *ruinous* practice of gaming.—*Swift.*

Rúinously. *adv.* In a ruinous manner.

1. Mischievously.

By the serche of dyverse most *ruynouslye* spoyled, broaken up, and dyspersed libraries.—*Bale, Preface to Leland.*

2. Destructively.

If real uneasinesses may be admitted to be as deterring as imaginary ones, his own decree will retort the most *ruinously* on himself.—*Dr. H. More, Decay of Christian Piety.*

Rule. *s.* [Fr. *règle*; Lat. *regula*; A.S. *regol*.]

1. Government; empire; sway; supreme command.

A wise servant shall have *rule* over a son that causeth shame.—*Proverbs*, xvii. 2.

I am ashamed, that women
Should seek for *rule*, supremacy, or sway,
When they are bound to serve, love, and obey.
Shakespear, Taming of the Shrew, v. 2.

May he live
Ever beloved, and loving may his *rule* be!
Id., Henry VIII. ii. 1.

Adam's sin did not deprive him of his *rule*, but left the creatures to a reluctation.—*Bacon.*

There being no law of nature nor positive law of God, that determines which is the positive heir, the right of succession, and consequently of bearing *rule*, could not have been determined.—*Locke.*

This makes them apprehensive of every tendency, to endanger that form of *rule* established by the law of their country.—*Addison, Freeholder.*

Seven years the traitor rich Mycenæ sway'd;
And his stern *rule* the groaning land obey'd.
Pope, Translation of the Odyssey.

2. Instrument by which lines are drawn.

Or, if your influence be quite damm'd up
With black usurping mists, some gentle taper,
Though a rush-candle from the wicker hole
Of some clay habitation, visit us
With thy long-levell'd *rule* of streaming light!
Milton, Comus, 336.

A judicious artist will use his eye, but he will trust only to his *rule*.—*South, Sermons.*

3. Canon; precept by which the thoughts or actions are directed.

He laid this *rule* before him, which proved of great use; never to trouble himself with the foresight of future events.—*Bishop Fell, Life of Hammond.*

This little treatise will furnish you with infallible *rules* of judging truly.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Know'st with an equal hand to hold the scale;
See'st where the reasons pinch, and where they fail,
And where exceptions o'er the general *rule* prevail.
Id., Translation of Persius, iv. 23.

We profess to have embraced a religion, which contains the most exact *rules* for the government of our lives.—*Archbishop Tillotson.*

We owe to Christianity the discovery of the most certain and perfect *rule* of life.—*Id.*

A *rule* that relates even to the smallest part of our life, is of great benefit to us, merely as it is a *rule*.—*Law.*

Horace, I know, does not recommend this fashion altogether; but that gentleman is speaking only of an epic poem or a tragedy (I forget which); besides, if it was not so, I should beg Mr. Horace's pardon;—for in writing what I have set about, I shall confine myself neither to his *rules*, nor to any man's *rules* that ever lived.—*Sterne, Tristram Shandy*, vol. i. ch. iv.

4. Regularity; propriety of behaviour.

Some say he's mad; others, that lesser hate him,
Do call it valiant fury; but for certain,
He cannot buckle his distemper'd cause
Within the belt of *rule*. *Shakespear, Macbeth*, v. 2.

Rule. *v. a.*

1. Govern; control; manage with power and authority.

It is a purposed thing
To curb the will of the nobility;
Suffer it, and live with such as cannot *rule*,
Nor ever will be *ruled*.
Shakespear, Coriolanus, iii. 1.

A greater power now *ruled* him.
Milton, Paradise Lost, x. 516.

Rome! 'tis thine alone, with awful sway,
To *rule* mankind, and make the world obey,
Disposing peace and war thy own majestick way.
Dryden, Translation of the Æneid, vi. 1173.

2. Manage; conduct.

Let the deacons be the husbands of one wife, *ruling* their children and their own houses well.—*1 Timothy*, iii. 12.

3. Settle as by a rule: (used *adjectivally* in the extract).

Had he done it with the pope's licence, his adversaries must have been silent; for that's a *ruled* case with the schoolmen.—*Bishop Atterbury.*

4. Mark with lines: (as, '*rule* paper,' '*rule* parchment').

Rule. *v. n.* Have power or command.

Judah yet *ruleth* with God, and is faithful with the saints.—*Hosea*, xi. 12.

With *over*.

Thrice happy men! whom God hath thus advanced!
Created in his image, there to dwell,
And worship him; and in reward to *rule*
Over his works. *Milton, Paradise Lost*, vii. 626.

He can have no divine right to my obedience, who cannot shew his divine right to the power of *ruling over* me.—*Locke.*

Rúler. *s.* One who rules.

1. Governor; one who has the supreme command.

Soon *rulers* grow proud, and in their pride foolish.—*Sir P. Sidney.*

God, by his eternal providence, has ordained kings; and the law of nature, leaders and *rulers* over others.—*Sir W. Raleigh.*

The pompous mansion was design'd
To please the mighty *rulers* of mankind;
Inferior temples rise on either hand. *Addison.*

2. Instrument, by the direction of which lines are drawn.

They know how to draw a straight line between two points by the side of a *ruler*.—*Moxon, Mechanical Exercises.*

By a lucky chance, there was a heavy *ruler* near him: he seized it, and bounded on a desk.—*Hannay, Singleton Fontenoy*, b. i. ch. viii.

Simnel Coxworthy went next to his own private desk; and opening the leaf, proceeded to make a neat parcel of his own private *ruler*, his inkhorn and penholder, his almanac and ready reckoner, and his volume of the 'Thrush'—a collection of loyal, convivial, and amorous songs.—*Sala, Dutch Pictures, The Ship-Chandler*, b. i.

Rum. *adj.* [?] Old-fashioned; odd; queer.

Law, Locke, and Newton, and all the *rum* race,
That talk of their modes, their ellipses, and space!
The Lounger in the *Student*, vol. ii. p. 279.

I have heard that the expression *rum* books arose from Osborne's sending large assortments of unsaleable works to Jamaica in exchange for rum. But I believe this etymology is erroneous. See a large number of words connected with *rum* in N. Bailey's Collection of Canting Words and Terms.—*Nichols, Literary Anecdotes*, v. 471.

Rum. *s.* [?]

1. Cant name formerly given to Irish clergymen.

I'm grown a mere mopus; no company comes,
But a rabble of tenants and rusty dull *rums*.
Swift, The Grand Question debated.

You're a rare *rum*, [to Dr. Mills].—*Id.*, in *Sheridan's Life of Swift.*

2. ? Unsaleable work.

The books which booksellers call *rums* appear to be very numerous.—*Nichols, Literary Anecdotes*, v. 471.

Rum. *s.* [? German, *rahm* = cream; *cremor*, in distillation.] Spirit distilled from molasses.

Rum is ... distilled ... from the fermented skimmings of the sugar teaches, mixed with molasses and diluted with water to the proper degree. A sugar plantation in Jamaica or Antigua, which makes two hundred hogsheads of sugar of about 16 cwt. each, requires for the manufacture of its *rum* two copper stills, one of a thousand gallons for the wash, and one of six hundred gallons for the low wines, with corresponding worm refrigeratories. It also requires two cisterns, one of three thousand gallons for the lees or spent wash of former distillations, called dunder, another for the skimmings of the clarifiers and teaches of the sugar-house; along with twelve or more fermenting cisterns or tuns.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Rúmble. *s.* Hind part of a carriage.

Mrs. Quod, the attorney's wife's ... carriage, with the apparatus of *rumbles*, dickeys, and imperials, scarcely yields in splendour to the Marquis of Carabas's own travelling chariot, and whose courier has even bigger whiskers and a larger morocco moneybag than the Marquis's own travelling gentleman.—*Thackeray, Book of Snobs*, ch. xxi.

'Get up behind!' he said. 'Get up in the *rumble*.'—*Dickens, Martin Chuzzlewit*, ch. liii.

Rúmble. *v. n.* [Provincial German, *rommelen*; N.Fr. *rommeler*; Low Lat. *rombolo*.]

1. Make a hoarse low continued noise.

Rumble thy belly full, spit fire, spout rain;
Nor rain, wind, thunder, fire are my daughters;
I tax not you, you elements, with unkindness.
Shakespear, King Lear, iii. 2.

2. Applied to a soft murmur. *Rare.*

The trembling streams, which wont in channels clear
To *rumble* gently down with murmur soft,
And were by them right tuneful taught to bear
A base's part amongst their consorts oft,
Now forced to overflow with brackish tears,
With troublous noise did dull their dainty ears.
Spenser.

3. Roll about.

The fire she fann'd, with greater fury burn'd,
Rumbling within. *Dryden.*

Our courtier thinks that he's preferr'd, whom every man envies;
When love so *rumbles* in his pate, no sleep comes in his eyes. *Sir J. Suckling.*

'No, no, mother,' replied Wardle; 'he says there's a snow-drift, and a wind that's piercing cold. I should know that, by the way it *rumbles* in the chimney.'—*Dickens, Pickwick Papers*, ch. xxviii.

Rúmble. *s.* Rumbling.

'Dass der Dönner dich erschläge' must, no doubt, make a tremendously fine piece of recitativo, when uttered by an angry hero to the *rumble* of a whole orchestra.—*Lord Chesterfield.*

Rúmbling. *part. adj.* Sounding as that which rumbles.

Th' included vapours, that in caverns dwell,
Lab'ring with colick pangs, and close confined,
In vain sought issue from the *rumbling* wind.
Dryden.

On a sudden there was heard a most dreadful *rumbling* noise within the entrails of the machine, after which the mountain burst.—*Addison.*

Rúmbling. *verbal abs.* Hoarse low continued noise.

At the rushing of his chariots, and at the *rumbling* of his wheels, the fathers shall not look back to their children for feebleness of hands.—*Jeremiah*, xlvii. 3.

Apollo starts, and all Parnassus shakes
At the rude *rumbling* Baralipton makes.
Lord Roscommon.

Several monarchs have acquainted me, how often they have been shook from their respective thrones by the *rumbling* of a wheelbarrow!—*Spectator.*

We do not say that there are any peculiar indications of immediate danger, nor is it necessary to borrow the stock imagery of volcanoes, and *rumblings*, and calms that come before a storm.—*Saturday Review*, August 22, 1868, p. 246.

Rúmbo. *s.* [?] Nautical drink so called.

He intruded himself on the awful presence of Hawkins the boatswain, and Derrick the quartermaster, who were regaling themselves with a can of *rumbo*, after the fatiguing duty of the day.—*Sir W. Scott, The Pirate*, ch. xxxix.

Rúmbud. *s.* Pimple on the face from drinking.

Redness and eruptions generally begin with the nose, and after gradually extending all over the face, sometimes descend to the limbs, in the form of leprosy; they have been called *rum-buds*, when they appear in the face.—*Dr. Bush, On the Effects of Ardent Spirits.* (Ord MS.)

Rúminant. *adj.* [Fr.; Lat. *ruminans, -antis*, pres. part. of *rumino* = I chew the cud.] Having the property of chewing the cud.

Ruminant creatures have a power of directing the peristaltick motion upwards and downwards.—*Ray.*

Rúminant. *s.* Animal that chews the cud: (specially applied, in *Zoology*, to the members of the class *Ruminantia*, i.e. the animals akin to the oxen, sheep, deer, &c.; the word is used both as a *substantive* and as an *adjective: ruminant*, *ruminant* animal).

The description given of the muscular part of the gullet is very exact in *ruminants*, but not in men.—*Derham, Physico-Theology.*

Ruminants [is] the name given by Cuvier to the Pecora of Linnæus, an order of ungulate mammals, including those which have a complicated stomach of four cavities, so disposed as to allow of rumination, and a cloven hoof.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Although in the mammalia the reducing apparatus is limited to the mouth, yet the stomach frequently presents a complex arrangement, of which the purpose seems to be to favour the mechanical reduction of the food, and its impregnation with fluid, before it is subjected to the true digestive action. The most remarkable example of this kind is presented in the group of *Ruminantia*, in which the stomach is subdivided into four distinct cavities; the first two of these, however, being rather dilatations of the œsophagus, than parts of the stomach itself. The food, on its passage down the œsophagus, in a crude unmasticated state, enters the large cavity termed the ingluvies or 'paunch,' which, like the crop of birds, serves as a temporary receptacle for it, and moistens it with the fluid secreted from its walls; the liquid swallowed, on the other hand, seems to be specially directed into the second cavity, which is termed the reticulum or 'honeycomb-stomach,' from the reticulated appearance of its interior, occasioned by the irregular folding of its internal membrane.... When finally swallowed, the food is directed ... to the third stomach, the omasum, commonly termed the 'manyplies' from the peculiar manner in which its lining membrane is disposed; this presents a number of folds, lying nearly close to each other like the leaves of a book, but all directed by their free edges to the centre of the tube, a narrow fold intervening between each pair of broad ones. The food, now reduced to a pulpy state, has therefore to pass over a large surface, before it can reach the outlet of that cavity, which leads to the abomasum or fourth stomach, commonly called the reed. This is the seat of the true process of digestion, the gastric fluid being secreted from it alone; and it is from this part of the calf's stomach that the 'rennet' is taken, which derives its extraordinary power of coagulating milk from the organic acid it contains.—*Dr. Carpenter, Principles of Physiology, General and Comparative*, § 403*a*: 1851.

Rúminate, or **Rúminated.** *adj.* In *Botany.* See extract.

The uniformity of the endosperm is also destroyed in some seeds by a peculiar lobulated condition of the outer portion, the sinuosities being filled up and enclosed in an inseparable layer of different-coloured tissue, giving a marbled appearance; this, which is seen in the nutmeg, is called a *ruminated* endosperm or albumen.—*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic*, § 299.

Rúminate. *v. n.* [Lat. *ruminatus*, pass. part. of *rumino; ruminatio, -onis*; Fr. *ruminer*.]

1. Chew the cud.

Others ... fill'd with pasture gazing sat,
Or bedward *ruminating*. *Milton, Paradise Lost*, iv. 350.

The necessity of spittle to dissolve the aliment, appears from the contrivance of nature in making the salivary ducts of animals, which *ruminate* or chew the cud, extremely open.—*Arbuthnot, On the Nature and Choice of Aliments.*

On the grassy bank
Some *ruminating* lie. *Thomson, Seasons, Summer.*

'The stability of the laws of Nature,' ... is our constant assumption in inquiries relating to natural philosophy, appears in many different shapes, and in some of them does not possess the same complete certainty as in others; e. g. when, from having always observed a certain sheep *ruminating*, we infer that this individual sheep will continue to *ruminate*, we assume that 'the property which has hitherto belonged to this sheep will remain unchanged;' when we infer the same property of all sheep, we assume that 'the property which belongs to this individual belongs to the whole species;' if, on comparing sheep with some other kinds of horned animals, and finding that all agree in *ruminating*, we infer that 'all horned animals *ruminate*,' we assume that 'the whole of a genus or class are likely to agree in any point wherein many species of that genus agree.—*Archbishop Whately, System of Logic*, b. iv. ch. ii. § 5.

2. Muse; think again and again.

Alone sometimes she walk'd in secret, where
To *ruminate* upon her discontent. *Fairfax.*

Of ancient prudence here he *ruminates*,
Of rising kingdoms and of falling states. *Waller.*

He practises a slow meditation, and *ruminates* on the subject; and perhaps in two nights and days rouses those several ideas which are necessary.—*Watts, On the Improvement of the Mind.*

Mr. Pecksniff toyed abstractedly with his eyeglass, and kept his eyes shut, that he might *ruminate* the better.—*Dickens, Martin Chuzzlewit*, ch. iii.

Rúminate. *v. a.*

1. Chew over again.

2. Muse on; meditate over and over again.

'Tis a studied, not a present thought,
By duty *ruminated*. *Shakespear, Antony and Cleopatra*, ii. 2.

The condemned English
Sit patiently, and inly *ruminate*
The morning's danger. *Id., Henry V.* iv. chorus.

Mad with desire she *ruminates* her sin,
And wishes all her wishes o'er again;
Now she despairs, and now resolves to try;
Would not, and would again, she knows not why.
Dryden.

Ruminátion. *s.*

1. Property or act of chewing the cud.

Rumination is given to animals, to enable them at once to lay up a great store of food, and afterwards to chew it.—*Arbuthnot.*

The stomach of the ruminants is specially organised for *rumination*, consisting of four distinct cavities, all of which communicate with a muscular canal at the termination of the œsophagus. Hard, solid, or coarsely masticated food, passes from the beginning of the muscular canal into the first cavity of the stomach, called the rumen or paunch. Water is received into the second cavity, called the Reticulum, and almost exclusively occupies the honeycomb cells of that cavity; it is gradually mixed with the coarsely divided food which is undergoing mastication in the rumen. When this is sufficiently advanced, a portion of the mass is received into the muscular canal at the termination of the œsophagus: it is there moulded into a ball, and propelled by a rapid and inverted action of the muscles of the gullet into the mouth, where it is more perfectly masticated, mixed with fluid, and again swallowed. It now passes directly into the third stomach, called the psalterium, from the broad leaf-like plates of membrane with which it is occupied. Here the superfluous fluid, which otherwise might have too much diluted the gastric juice, is absorbed, and the subdivided cud passes gradually into the fourth or true digesting stomach, called the abomasus. In the camel tribe, water-cells are developed at the sides of the rumen, in addition to those of the reticulum, and the psalterium is not separated by any contraction from the abomasus.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Meditation; reflection.

It is a melancholy of mine own, extracted from many objects, in which my often *rumination* wraps me in a most humorous sadness.—*Shakespear, As you like it*, iv. 1.

Retiring, full of *rumination* sad,
He mourns the weakness of these latter times.
Thomson.

Alexander, to whom such spectacles were new, did not perhaps sufficiently reflect, that to throw away life—whether in frivolous amusements, or useless austerities, or indolent *rumination*, requires much less vigour of mind and energy of character than to spend it in enterprises even less arduous and noble than his own.—*Bishop Thirlwall, History of Greece*, ch. liii.

Rúmmage. *v. a.* Search; evacuate.

Our greedy seamen *rummage* every hold,
Smile on the booty of each wealthier chest.
Dryden, Annus Mirabilis, ccviii.

At low water, I went on board; and though I thought I had *rummaged* the cabin so effectually, as that nothing more could be found, yet I discovered a locker with drawers in it.—*Defoe, Life and Adventures of Robinson Crusoe.*

Morgante *rummaged* piecemeal from the dust
The whole. *Byron, Morgante Maggiore*, lxxxiv.

'If a patient dies,' says M. Reveillé-Parise, 'we open his body, *rummage* among the viscera, and scrutinize most narrowly all the organs and tissues. . . . One thing only escapes . . . attention; that is, he is looking at merely organic effects, forgetting all the while that he must mount higher up to discover their causes.'—*Dr. Forbes Winslow, On certain Obscure Diseases of the Brain and Mind*, ch. iii.

For the spelling with *o* see Romage.

Rúmmage. *v. n.* Search places.

A fox was *rummaging* among a great many carved figures; there was one very extraordinary piece.—*Sir R. L'Estrange.*

Some on antiquated authors pore;
Rummage for sense.
Dryden, Translation of Persius, i. 151.

I have often *rummaged* for old books in Little-Britain and Duck-lane.—*Swift.*

Rúmmage. *s.* Search; act of tumbling things about.

Rúmmer. *s.* [?] Glass; drinking cup.

A German oft has swill'd his throat and sworn
Deluded, that imperial Rhine bestow'd
The generous *rummer*. *J. Philips, Cyder*, ii. 303.

So saying, he quaffed a *rummer* glass of brandy with as much impunity as if it had been spring water.—*Sir W. Scott, The Pirate*, ch. iv.

Rúmour. *s.* [Fr. *rumeur*; Lat. *rumor*.] Flying or popular report; bruit; fame.

When I came hither to transport the tidings
Which I have heavily borne, there ran a *rumour*
Of many worthy fellows that were out.
Shakespear, Macbeth, iv. 3.

Rumour next, and chance,
And tumult, and confusion, all embroil'd.
Milton, Paradise Lost, ii. 965.

She heard an ancient *rumour* fly,
Long cited by the people of the sky,

That time to come should see the Trojan race
Her Carthage ruin.
Dryden, Translation of the Æneid, i. 27.

Rúmour. *v. a.* Report abroad; bruit.

Catesby, *rumour* it abroad,
That Anne my wife is sick, and like to die.
Shakespear, Richard III. iv. 2.

All abroad was *rumour'd*, that this day
Samson should be brought forth.
Milton, Samson Agonistes, 1600.

He was *rumoured* for the author, and as such published to the world by the London and Cambridge stationers.—*Bishop Fell, Life of Hammond.*

'Twas *rumour'd*,
My father 'scaped from out the citadel. *Dryden.*

No wine, beer, or coffee could be sold without a license. It was *rumoured* that every person holding such a license would shortly be required to enter into the same engagements which had been imposed on public functionaries, or to relinquish his trade.—*Macaulay, History of England*, ch. viii.

Rúmourer. *s.* One who rumours; reporter; spreader of news.

A slave
Reports, the Volscians, with two several powers,
Are entered into the Roman territories.—
Go see this *rumourer* whipt: it cannot be.
Shakespear, Coriolanus, iv. 6.

Rúmorous. *adj.*

1. Famous; notorious. *Rare.*

The *rumourouse* fall of antichryst and his kyngdome.—*Bale, Discourse on the Revelations*, p. iii.: 1550.

2. ? Murmurous.

Clashing of armours and the *rumorous* sound
Of the stern billows in contention stood.
Drayton, Moyses: 1604. (Nares by H. and W.)

Rump. *s.* [German, *rumpf*.]

1. End of the backbone: (used vulgarly of *beasts*, and contemptuously of *human beings*).

At her *rump* she growing had behind
A fox's tail. *Spenser, Faerie Queen*, i. 8, 48.

If his holiness would thump
His reverend bum 'gainst horse's *rump*,
He might b' equipt from his own stable.
Prior, Epistles, To Fleetwood Shephard, Esq., ep. i. 5.

Rumps of beef with virgin honey strew'd.
King, Art of Cookery.

Last trotted forth the gentle swine,
To ease her itch against the stump,
And dismally was heard to whine,
All as she scrubb'd her measly *rump*.
Swift, Miscellanies.

2. Buttocks.

He charged him first to bind
Crowdero's hands on *rump* behind.
Butler, Hudibras, i. 2, 1107.

3. Name applied, in the history of this country, to the Parliament at certain periods, during the usurpation of Cromwell. It was called the *rump* parliament, Lord Clarendon says, from the notable detestation men had of it as the *fag-end of a carcass* long since expired.

A pox on the pitiful *rump*,
That a third time above board vapours!
Collection of Loyal Songs, ii. 138.

The *rump* abolished the house of lords, the army abolished the *rump*, and by this army of saints Cromwell governed.—*Swift, Examiner*, no. 39.

The opprobrious and ludicrous nickname of the *rump*, stigmatised a faction which played the same part in the English Revolution as the 'Montagne' of the Jacobins did in the French. . . . The *rump*, as long as human nature exists, can be nothing but the *rump*, however it may be thrown uppermost.—*I. Disraeli, Curiosities of Literature, The Rump.*

The *rump*, as they were called by every one but their own party, became a whetstone for the wits to sharpen themselves on; and we have two large collections of '*Rump* Songs,' curious chronicles of popular feeling! Without this evidence we should not have been so well informed of the phases of this portentous phenomenon. 'The *Rump*' was celebrated in verse, till at length it became 'the *Rump* of a *Rump* of a *Rump!*' as Foulis traces them to their dwindled and grotesque appearance. It is portrayed by a wit of the times—

'The *Rump*'s an old story, if well understood,
'Tis a thing dress'd up in a parliament's hood,
And like it—but the tail stands where the head shou'd!
'Twould make a man scratch where it does not itch!
They say 'tis good luck when a body rises
With the *rump* upwards; but he that advises
To live in that posture, is none of the wisest.'
—*Ibid.*

Rúmper. *s.* One who favoured the rump-parliament; one who had been a member of it.

Dr. Palmer, a great *rumper*, warden of All Souls' College, being then very ill and weak, had a rump thrown up from the street at his windows. He had been one of the rump-parliament, and a great favourite of Oliver.—*Life of A. Wood*, p. 140.

Another disorganising feature in the English *Rumpers* was also observed in the French Sans-culottes—their hatred of literature and the arts.—*I. Disraeli, Curiosities of Literature, The Rump.*

Rúmple. *s.* [A.S. *hrympelle*.] Pucker; rude plait.

Fair Virginia would her fate bestow
On Rutila, and change her faultless make
For the foul *rumple* of her camel-back.
Dryden, Translation of Juvenal, x. 453.

Rúmple. *v. a.* Crush or contract into inequalities and corrugations; crush together out of shape.

I . . . will be so hardy as once more to unpin your spruce fastidious oratory, to *rumple* her laces, her frizzles, and her bobbins!—*Milton, Animadversions upon a Defence of the Humble Remonstrance.*

I *rumpled* petticoats, or tumbled beds,
Or caused suspicion when no soul was rude,
Or discomposed the head-dress of a prude.
Pope, Rape of the Lock, canto iv.

Never put on a clean apron, till you have made your lady's bed, for fear of *rumpling* your apron.—*Swift, Advice to Servants.*

Rúmply. *adj.* Having rumples.

They spin out, better or worse, their *rumply* infirm thread of existence, and wind it up, up—till the spool is full.—*Carlyle, Critical and Miscellaneous Essays, Count Cagliostro.*

Rúmpus. *s.* Disturbance.

My dear Lady Bab, you'll be shocked, I'm afraid,
When you hear the sad *rumpus* your ponies have made. *T. Moore, Twopenny Postbag.*

Run. *v. n.* preterit *ran* and *run*; past participle *run*. [A.S. *rinnan*; a form which should be noted, inasmuch as the form now current is not the original one: indeed, *rin*, both as an archaism and as a provincialism, is common. With the present form thus explained, the apparent irregularity of the preterite disappears, and *rin, ran, run*, are as regular as *swim, swam, swum—spin, span, spun*—and the other members of their class.]

1. Move swiftly; ply the legs in such a manner, as that both feet are at every step off the ground at the same time; make haste; pass with very quick pace.

Laban *ran* out unto the man, unto the well.—*Genesis*, xxiv. 29.

Since death's near, and *runs* with so much force,
We must meet first, and intercept his course.
Dryden.

Let a shoe-boy clean your shoes, and *run* of errands.—*Swift.*

2. Use the legs in motion.

Seldom there is need of this, till young children can *run* about.—*Locke.*

3. Move in a hurry.

The priest and people *run* about,
And at the ports all thronging out,
As if their safety were to quit
Their mother. *B. Jonson.*

4. Pass on the surface, not through the air.

The Lord sent thunder and hail, and the fire *ran* along upon the ground.—*Exodus*, ix. 23.

5. Rush violently.

Let not thy voice be heard, lest angry fellows *run* upon thee, and thou lose thy life.—*Judges*, xviii. 25.

Now by the winds and raging waves I swear,
Your safety more than mine was thus my care
Lest of the guide bereft, the rudder lost,
Your ship should *run* against the rocky coast.
Dryden, Translation of the Æneid, vi. 480.

They have avoided that rock, but *run* upon another no less dangerous.—*T. Burnet, Theory of the Earth.*

I discover those shoals of life which are concealed, in order to keep the unwary from *running* upon them.—*Addison.*

6. Take a course at sea.

Running under a certain island which is called Clauda, we had much work to come by the boat.—*Acts*, xxvii. 16.

The Dutch fleet *ran* fast before the gale, and reached the Straits at about ten in the morning of Saturday, the third of November.—*Macaulay, History of England*, ch. ix.

7. Contend in a race.

A horseboy, being lighter than you, may be trusted to *run* races with less damage to the horses.—*Swift.*

8. Flee; not to stand: (often with *away*).

The difference between the valour of the Irish

rebels and the Spaniards was, that the one *ran away* before they were charged, and the other straight after.—*Bacon.*

I do not see a face
Worthy a man that dares look up and stand
One thunder out; but downward all like beasts
Running away at every flash.
B. Jonson, Catiline's Conspiracy, iv. 1.

The rest dispersed *run*, some disguised,
To unknown coasts: some to the shores do fly.
Daniel.

They, when they're out of hopes of flying,
Will *run away* from death by dying.
Butler, Hudibras, iii. 3, 29.

Your child shrieks, and *runs away* at a frog.—*Locke.*

Caicus roll'd a crimson flood,
And Thebes *ran* red with her own natives' blood.
Dryden.

The greatest vessel, when full, if you pour in still, it must *run* out some way; and the more it runs out at one side, the less it *runs* out at the other.—*Sir W. Temple.*

11. Flow; stream; have a current; not to stagnate.

Innumerable islands were covered with flowers, and interwoven with shining seas that *ran* among them.—*Addison.*

See daisies open, rivers *run*. *Parnell.*

12. Be liquid; be fluid.

In lead melted, when it beginneth to congeal, make a little hole, in which put quicksilver wrapped in a piece of linen, and it will fix and *run* no more, and endure the hammer.—*Bacon, Natural and Experimental History.*

Stiff with eternal ice, and hid in snow,
The mountain stands; nor can the rising sun
Unfix her frosts, and teach 'em how to *run*.
Addison.

As wax dissolves, as ice begins to *run*,
And trickle into drops before the sun,
So melts the youth. *Id., Translation from Ovid.*

13. Fusible; melt.

Her form glides through me, and my heart gives way;
This iron heart, which no impression took
From wars, melts down, and *runs*, if she but look.
Dryden, Tyrannick Love, iii. 1.

Sussex iron ores *run* freely in the fire.—*Woodward.*

14. Fuse; melt.

Your iron must not burn in the fire; that is, *run* or melt; for then it will be brittle.—*Moxon, Mechanical Exercises.*

15. Pass; proceed.

You, having *run* through so much publick business, have found out the secret so little known, that there is a time to give it over.—*Sir W. Temple, Miscellanies.*

If there remains an eternity to us, after the short revolution of time we so swiftly *run* over here, 'tis clear that all the happiness that can be imagined in this fleeting state is not valuable in respect of the future.—*Locke.*

16. Flow as periods or metre; have a cadence: (as, 'The lines *run* smoothly').

A hound *runs* counter, and yet draws dry foot well.—*Shakespear, Comedy of Errors*, iv. 2.

Little is the wisdom, where the flight
So *runs* against all reason. *Id., Macbeth*, iv. 2.

That punishment follows not in this life the breach of this rule, and consequently has not the force of a law, in countries where the generally allowed practice *runs* counter to it, is evident.—*Locke.*

Had the present war *run* against us, and all our attacks upon the enemy been vain, it might look like a degree of frenzy to be determined on so impracticable an undertaking.—*Addison.*

20. Pass in thought or speech.

Could you hear . . . the annals of our fate;
Through such a train of woes if I should *run*,
The day would sooner than the tale be done.
Dryden, Translation of the Æneid, i. 513.

By reading, a man antedates his life; and this way of *running* up beyond one's nativity is better than Plato's pre-existence.—*Collier.*

Virgil, in his first Georgick, has *run* into a set of precepts foreign to his subject.—*Addison.*

Raw and injudicious writers propose one thing for their subject, and *run* off to another.—*Felton.*

21. Be mentioned cursorily or in few words.

The whole *runs* on short, like articles in an account, whereas, if the subject were fully explained, each of them might take up half a page.—*Arbuthnot, Table of ancient Coins, Weights, and Measures.*

22. Have a continual tenour of any kind.

Discourses *ran* thus among the clearest observers: it was said, that the prince, without any imaginable stain of his religion, had, by the sight of foreign courts, much corroborated his judgement.—*Sir H. Wotton, Life of the Duke of Buckingham.*

The king's ordinary style *runneth*, our sovereign lord the king.—*Bishop Sanderson.*

23. Be busied upon.

His grisly beard his pensive bosom sought,
And all on Lausus *ran* his restless thought.
Dryden, Translation of the Æneid, x. 1194.

When we desire any thing, our minds *run* wholly on the good circumstances of it; when 'tis obtained, our minds *run* wholly on the bad ones.—*Swift.*

24. Be popularly known.

45. Have a general tendency.

Temperate climates *run* into moderate governments, and the extremes into despotick power.—*Swift.*

46. Proceed as on a ground or principle.

It is a confederating with him, to whom the sacrifice is offered: for upon that the apostle's argument *runs*.—*Bishop Atterbury.*

47. Go on with violence.

Tarquin, *running* into all the methods of tyranny, after a cruel reign was expelled.—*Swift.*

Run after. Search for; endeavour at, though out of the way.

The mind, upon the suggestion of any new notion, *runs after* similes, to make it the clearer to itself; which, though it may be useful in explaining our thoughts to others, is no right method to settle true notions in ourselves.—*Locke.*

Run away. Elope.

'I cried upon my first wife's dying day,
And also when my second *ran away*.'— . . .
'Well, then, your third,' said Juan; 'what did she?
She did not *run away* too,—did she, sir?'—
'No, faith!'—'What then?'—'I *ran away* from her.'
Byron, Don Juan, v. 19, 20.

Run away with. Hurry without deliberation.

Thoughts will not be directed what objects to pursue, but *run away with* a man in pursuit of those ideas they have in view.—*Locke.*

Run in with. Close; comply.

Though Ramus *run in with* the first reformers of learning, in his opposition to Aristotle, yet he has given us a plausible system.—*Baker.*

Run on.

a. Be continued.

If, through our too much security, the same should *run on*, soon might we feel our estate brought to those lamentable terms, whereof this hard and heavy sentence was by one of the ancients uttered.—*Hooker, Ecclesiastical Polity.*

b. Continue the same course.

Running on with vain prolixity. *Drayton.*

Run over.

a. So full as to overflow.

He fills his famish'd maw, his mouth *runs o'er*
With unchew'd morsels, while he churns the gore.
Dryden.

b. Be so much as to overflow.

Milk while it boils, or wine while it works, *run over* the vessels they are in, and possess more place than when they were cool.—*Sir K. Digby, Treatise on the Nature of Bodies.*

c. Recount cursorily.

I shall *run* them *over* slightly, remarking chiefly what is obvious to the eye.—*Ray.*

I shall not *run over* all the particulars, that would shew what pains are used to corrupt children.—*Locke.*

d. Consider cursorily.

These four every man should *run over*, before he censure the works he shall view.—*Sir H. Wotton, Elements of Architecture.*

If we *run over* the other nations of Europe, we shall only pass through so many different scenes of poverty.—*Addison.*

e. Run through.

Should a man *run over* the whole circle of earthly pleasures, he would be forced to complain that pleasure was not satisfaction.—*South, Sermons.*

Run out.

d. Be wasted or exhausted.

He hath *run out* himself, and led forth
His desp'rate party with him; blown together
Aids of all kinds.
B. Jonson, Catiline's Conspiracy.

Th' estate *runs out*, and mortgages are made,
Their fortune ruin'd, and their fame betray'd.
Dryden.

e. Grow poor by expense disproportionate to income.

So little gets for what she gives,
We really wonder how she lives!
And had her stock been less, no doubt
She must have long ago *run out.* *Dryden.*

Run. *v. a.*

1. Pierce; stab: (with *through*).

Poor Romeo is already dead, *run through* the ear with a love song.—*Shakespear, Romeo and Juliet*, ii. 4.

Hipparchus going to marry, consulted Philander upon the occasion; Philander represented his mistress in such strong colours, that the next morning he received a challenge, and before twelve he was *run through* the body.—*Spectator.*

2. Force; drive (cause to run).

In nature, it is not convenient to consider every difference that is in things, and divide them into distinct classes: this will *run* us into particulars, and we shall be able to establish no general truth.—*Locke.*

Though putting the mind unprepared upon an unusual stress may discourage it, yet this must not *run* it, by an over-great shyness of difficulties, into a lazy sauntering about ordinary things.—*Id.*

A talkative person *runs* himself upon great inconveniences, by blabbing out his own or other's secrets.—*Ray.*

3. Force into any way or form.

Some, used to mathematical figures, give a reference to the methods of that science in divinity or politick enquiries; others, accustomed to retired speculations, *run* natural philosophy into metaphysical notions.—*Locke.*

4. Drive with violence.

They *ran* the ship aground.—*Acts*, xxvii. 41.

This proud Turk offered scornfully to pass by without vailing, which the Venetian captains not enduring, set upon him with such fury, that the Turks were enforced to *run* both their gallies on shore.—*Knolles, History of the Turks.*

5. Melt; fuse.

The purest gold must be *run* and washed.—*Felton.*

6. Incur; fall into.

He *runneth* two dangers, that he shall not be faithfully counselled, and that he shall have hurtful counsel given.—*Bacon.*

The tale I tell is only of a cock,
Who had not *run* the hazard of his life,
Had he believed his dream, and not his wife.
Dryden, The Cock and the Fox, 552.

O that I could now prevail with any one to count up what he hath got by his most beloved sins, what a dreadful danger he *runs*.—*Calamy.*

I shall *run* the danger of being suspected to have forgot what I am about.—*Locke.*

7. Venture; hazard.

He would himself be in the Highlands to receive them, and *run* his fortune with them.—*Lord Clarendon.*

Take here her reliques and her gods, to *run*
With them thy fate, with them new walls expect.
Sir J. Denham, Destruction of Troy.

A wretched exiled crew . . .
Resolved, and willing under my command,
To *run* all hazards both of sea and land.
Dryden, Translation of the Æneid, ii. 1085.

8. Import or export without duty.

Heavy impositions lessen the import, and are a strong temptation of *running* goods.—*Swift.*

9. Prosecute in thought.

To *run* the world back to its first original, and view nature in its cradle, to trace the outgoings of the Ancient of Days in the first instance of his creative power, is a research too great for mortal enquiry.—*South, Sermons.*

I would gladly understand the formation of a soul, and *run* it up to its punctum saliens.—*Collier.*

I present you with some peculiar thoughts, rather than *run* a needless treatise upon the subject at length.—*Felton.*

10. Push.

Some English speakers *run* their hands into their pockets, others look with great attention on a piece of blank paper.—*Addison, Spectator.*

Run down.

a. Chase to weariness.

They *ran down* a stag, and the ass divided the prey very honestly.—*Sir R. L'Estrange.*

b. Crush; overbear.

Though outnumber'd, overthrown,
And by the fate of war *run down*,
Their duty never was defeated.
Butler, Hudibras, iii. 2, 169.

Some corrupt affections in the soul urge him on with such impetuous fury, that, when we see a man overborne and *run down* by them, we cannot but pity the person, while we abhor the crime.—*South, Sermons.*

It is no such hard matter to convince or *run down* a drunkard, and to answer any pretences he can alledge for his sin.—*Ibid.*

The common cry
Then *ran* you *down* for your rank loyalty.
Dryden, Hind and Panther, ii. 23.

Religion is *run down* by the license of these times.—*Bishop Berkeley.*

Run up. Applied to buildings erected with undue haste.

The edifices of Constantine, in all likelihood hastily *run up*, and, if splendid, wanting in strength and solidity, gave place to more stately and enduring churches.—*Milman, History of Latin Christianity*, b. xiv. ch. viii.

This is one of the words which serve for use when other words are wanted, and has therefore obtained a great multiplicity of relations and intentions; but it may be observed always to retain much of its primitive idea, and to imply progression, and, for the most part, progressive violence.

Run. *s.*

1. Act of running.

The ass sets up a hideous bray, and fetches a *run* at them open mouth.—*Sir R. L'Estrange.*

Mr. Pickwick paused, considered, pulled off his gloves and put them in his hat: took two or three short *runs*, baulked himself as often, and at last took another *run*, and went slowly and gravely down the slide, with his feet about a yard and a quarter apart, amidst the gratified shouts of all the spectators.—*Dickens, Pickwick Papers*, ch. xxix.

2. Course; motion.

Want of motion, whereby the *run* of humours is stayed, furthers putrefaction.—*Bacon.*

3. Flow; cadence.

He nowhere uses any softness, or any *run* of verses to please the ear.—*Broome, Notes on the Odyssey.*

4. Course; process.

Our common *run* of ladies.—*Swift.*

5. Way; will; uncontrolled course.

Talk of some other subject; the thoughts of it make me mad; our family must have their *run*.—*Arbuthnot.*

6. Pleasure trip.

'She hasn't her health by any means,' said Mr. Pecksniff. 'She misses her sister, my dear sir; they doated on each other from the cradle. And I think of giving her a *run* in London for a change. A good long *run*, sir, if I find she likes it.'—*Dickens, Martin Chuzzlewit*, ch. xxx.

7. Long reception; continued success.

It is impossible for detached papers to have a general *run* or long continuance, if not diversified with humour.—*Addison.*

8. Modish clamour; popular censure.

You cannot but have observed, what a violent *run* there is among too many weak people against university education.—*Swift.*

He bade him not be discouraged at this *run* upon him; for though they had got the laughers upon their side, yet mere wit and raillery could not hold it out long against a work of so much learning.—*Warburton, Notes on Pope.*

9. In *Commerce.* Unforeseen pressure for payment of notes or bills.

It obliges all of them (the banking companies) to be more circumspect in their conduct, and, by not extending their currency beyond its due proportion in their cash, to guard themselves against those malicious *runs* which the rivalship of so many competitors is always ready to bring upon them.—*A. Smith, Wealth of Nations*, p. 234. (Ord MS.)

At, or in, the long run. In fine; in conclusion; at the end.

They produce ill-conditioned ulcers, for the most part mortal *in the long run* of the disease.—*Wiseman, Surgery.*

Wickedness may prosper for a while, but *at the long run*, he that sets all knaves at work will pay them.—*Sir R. L'Estrange.*

Hath falsehood proved *at the long run* more for the advancement of his estate than truth?—*Archbishop Tillotson.*

Rúnagate. *s.* Renegate, of which it is a corruption.

The wretch, compell'd, a *runagate* became,
And learn'd what ill a miser state doth breed.
Sir P. Sidney.

[God] bringeth the prisoners out of captivity; but letteth the *runagates* continue in scarceness.—*Book of Common Prayer, Psalms*, lxviii. 6.

I dedicate myself to your sweet pleasure,
More noble than that *runagate* to your bed.
Shakespear, Cymbeline, i. 7.

As Cain, after he had slain Abel, had no certain abiding; so the Jews, after they had crucified the Son of God, became *runagates*.—*Sir W. Raleigh, History of the World.*

When this Pickthank had told his tale, the Judge directed his speech to the prisoner at the bar, saying, Thou *runagate*, heretic, and traitor, hast thou heard what these honest gentlemen have witnessed against thee?—*Bunyan, Pilgrim's Progress.*

Rúnaway. *s.* One who flies from danger; one who departs by stealth; fugitive.

Come at once,
For the close night doth play the *runaway*,
And we are staid for.
Shakespear, Merchant of Venice, ii. 6.

Immortality, mortality:—there were certain *runaways* whom Fritz the Great bullied back into the battle with a: 'R—, wollt ihr ewig leben, Unprintable Offscouring of Scoundrels, would ye live for ever!'—*Carlyle, The French Revolution*, pt. ii. b. i. ch. iv.

A proclamation appeared promising a reward of a thousand pounds to any person who should stop the *runaway*; but it was too late.—*Macaulay, History of England*, ch. xxii.

Used *adjectivally.*

The *runaway* slave was the outcast of society.—*Milman, History of Latin Christianity*, b. iii. ch. v.

All who were banished for their crimes, or who went away to escape from trial, all *runaway* slaves, all ruined debtors, found a place of safety in Alexandria.—*Sharpe, History of Egypt*, ch. ix.

Rúncinate. *adj.* [Lat. *runcina* = large saw.] In *Botany.* See extract.

Certain less frequent modifications of these forms of the feathered type are conveniently distinguished by technical names, such as Sinuate . . . Lyrate. . . . *Runcinate*, a lyrate or simply pinnatifid leaf with the points of the lateral lobes turned backwards towards the base, as in the dandelion.—*Henfrey, Elementary Course of Botany*, § 93.

Rúndle. *s.*

1. Round; step of a ladder.

The angels did not fly, but mounted the ladder by degrees; we are to consider the several steps and *rundles*, we are to ascend by.—*Duppa.*

2. Peritrochium; something put round an axis.

The third mechanical faculty, stiled 'axis in peritrochio,' consists of an axis or cylinder, having a *rundle* about it, wherein are fastened divers spokes, by which the whole may be turned round.—*Bishop Wilkins, Mathematical Magick.*

Rúndlet. *s.* Small barrel.

Set a *rundlet* of verjuice over against the sun in summer, to see whether it will sweeten.—*Bacon, Natural and Experimental History.*

Rúne. *s.* [Danish; Swedish, *runa*; Icelandic, *runa.*] Letter of the old Teutonic and Scandinavian alphabets, as found chiefly in inscriptions and archaic forms of writing. This is all that can safely be said about runes in the way of undoubted history; the opinions as to their antiquity being divided, and the antiquity (by some of the archæologists at least) greatly overrated. A magical, or mysterious, import has been attributed to runes.

The *runes* were for long periods of time in use upon materials more lasting than any others employed to the same purpose.—*Sir W. Temple.*

There are many manuscripts now remaining, by which it will appear that the Danish *runes* were much studied among our Saxon ancestors.—*T. Warton, History of English Poetry*, vol. i. diss. i.

It is curious to find [the prefix Cuno, as in Cunobelinus] recurring in Wales and Cornwall after the lapse of several centuries; but on a stone of the Christian period, with *runes* incised along its edge, found at Trallong, Brecknockshire, is the following inscription: Cunogenus Filius Cunogeni hic jacet.—*Evans, Coins of the Ancient Britons*, p. 294.

Rúnic. *adj.* Relating to, constituted by, consisting in, runes.

Odin was the first inventor, at least the first engraver, of the *runick* letters or characters.—*Sir W. Temple.*

There huge Colosses rose with trophies crown'd,
And *runic* characters were graved around.
Pope, Temple of Fame.

Facing to northern clime,
Thrice he traced the *runic* rhyme;
Thrice pronounced in accents dread
The thrilling sound that raised the dead.
Gray, Descent of Odin.

Rúnnel. *s.* Rivulet; small brook.

With murmur loud, down from the mountain's side,
A little *runnel* tumbled neere the place. *Fairfax.*

Pale Melancholy sat retired;
And from her wild sequester'd seat,
In notes by distance made more sweet,
Pour'd through the mellow horn her pensive soul;
And, dashing soft from rocks around,
Bubbling *runnels* join'd the sound.
Collins, Ode on the Passions.

Rúnner. *s.*

1. One who, that which, runs.

The ships, built in this fashion, were found better *runners* than any made before.—*Bibliotheca Biblica*, i. 236.

2. Racer.

Fore-spent with toil, as *runners* with a race,
I lay me down a little while to breathe.
Shakespear, Henry VI. Part III. ii. 3.

Here those that in the rapid course delight,
Desire of honour and the prize invite;
The rival *runners* without order stand.
Dryden, Translation of the Æneid, v. 381.

3. Messenger.

To Tonson or Lintot his lodgings are better known than to the *runners* of the post-office.—*Swift, Letter to Pope.*

A *runner*, who is to get intelligence of the justices' meeting.—*I. Disraeli, Curiosities of Literature, Gaming.*

4. Shooting sprig.

In every root there will be one *runner*, which hath little buds on it, which may be cut into.—*Mortimer, Husbandry.*

The leafy shoots of perennial plants ... may be separated artificially, and used for propagating the plant ... and certain plants are naturally multiplied in the same way, by buds or branches, which have received special names. ... The separating tuft formed in the autumn is called an offset. The strawberry plant, in like manner, produces in the axils of its leaves, buds, which, in the same season, expand several of their internodes, and form long filiform branches, the buds of which give rise to rosettes of leaves, and strike root to form independent plants. Such plants are called *runners.*—*Henfrey, Elementary Course of Botany*, § 54.

5. One of the stones of a mill.

The mill goes much heavier by the stone they call the *runner* being so large.—*Mortimer, Husbandry.*

Rúnnet. *s.* [?] Liquor made by steeping the stomach of a calf in hot water, and used to coagulate milk for curds and cheese: (sometimes written *rennet*).

The milk of the fig hath the quality of *runnet* to gather cheese.—*Bacon, Natural and Experimental History.*

It coagulates the blood, as *runnet* turns milk.—*Dr. H. More.*

The milk in the stomach of calves, coagulated by the *runnet*, is rendered fluid by the gall in the duodenum.—*Arbuthnot.*

Rúnning. *part. adj.*

1. Kept for the race.

He will no more complain of the frowns of the world, or a small cure, or the want of a patron, than he will complain of the want of a laced coat, or a *running* horse.—*Law.*

2. In succession.

Mrs. Thrale brought, I think, five girls *running*, but while I was with you she had a boy.—*Johnson, Letter to Boswell*, July 4, 1774. (Ord MS.)

3. With *account.*

The good man's enemies would have divided upon this question into two parties. One would have asserted without scruple that if Mr. Pecksniff's conscience were his bank, and he kept a *running account* there, he must have overdrawn it beyond all mortal means of computation. The other would have contended that it was a mere fictitious form; a perfectly blank book; or one in which entries were only made with a peculiar kind of invisible ink to become legible at some indefinite time; and that he never troubled it at all.—*Dickens, Martin Chuzzlewit*, ch. xx.

Rúnning. *verbal abs.*

1. Act of moving on with celerity.

A *running* that could not be seen of skipping beasts.—*Wisdom of Solomon*, xvii. 19.

As soon as they are well away, Chifney makes the *running* with Pocket Hercules.—*B. Disraeli, Sybil*, b. i. ch. iii.

In *running*, as in walking, it may be considered as a fundamental law that the same motions of the body recur after each double step; and that both legs exercise equal and alternate actions in the movements. In *running* the object is to acquire a greater velocity in progression than can be attained in walking. In order to accomplish this, instead of the body being supported on each leg alternately, the action is divided into two periods, during one of which the body is supported on one leg, and during the other it is not supported at all. ... When the body is projected upwards so as to swing freely in the air, the hinder leg must be raised from the ground before the advanced swinging leg has reached the vertical position; hence, in *running*, the duration of the step is less than the half-duration of the oscillation of the leg, because, when the advanced leg has reached the vertical position and is again placed on the ground, the hinder leg has already begun to describe a portion of its arc of oscillation; by these means the duration of the step is diminished, whilst the length is increased.—*J. Bishop*, in *Todd's Cyclopædia of Anatomy and Physiology*, art. *Motion.*

2. Discharge of a wound or sore.

Runt. *s.* [? *rind.*—see Rother, and Rind-erpest.]

1. Any animal small, or short, below the natural growth of the kind.

Reforming Tweed
Hath sent us *runts* even of her church's breed.
Cleaveland.

Of tame pigeons, are croppers, carriers, and *runts.*—*I. Walton, Complete Angler.*

This overgrown *runt* has struck off his heels, lowered his foretop, and contracted his figure.—*Addison.*

2. Old cow.

Your hung beef was the worst I ever tasted; and as hard as the very horn the old *runt* wore when she lived.—*Archbishop Laud, Letter to Lord Strafforde*: 1638.

Rupeé. *s.* East Indian silver coin, worth about two shillings and fourpence.

In silver, fourteen *roopees* make a masse.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 45.

He correctly judged that the safest course would be to neglect the sermons and find the *rupees.*—*Macaulay, Critical and Historical Essays, Warren Hastings.*

Rúption. *s.* Breach; solution of continuity.

The plenitude of vessels or plethora causes an extravasation of blood, by *ruption* or apertion.—*Wiseman, Surgery.*

Rúpture. *s.* [Fr.]

1. Act of breaking; state of being broken; solution of continuity.

The egg,
Bursting with kindly *rupture*, forth disclosed
Their callow young. *Milton, Paradise Lost*, vii. 418.

A lute-string will bear a hundred weight without *rupture*, but at the same time cannot exert its elasticity.—*Arbuthnot.*

2. Breach of peace; open hostility.

When the parties, that divide the commonwealth, come to a *rupture*, it seems every man's duty to choose a side.—*Swift.*

3. Hernia; preternatural eruption of the gut.

The *rupture* of the groin or scrotum is the most common species of hernia.—*Sharp, Surgery.*

Rúpture. *v. a.* Break; burst; suffer disruption.

The vessels of the brain and membranes, if *ruptured*, absorb the extravasated blood.—*Sharp, Surgery.*

Rúpture-wort. *s.* Plant of the genus Herniaria.

The smooth *rupture-wort* grows on gravelly or sandy ground; the root tapering, somewhat woody, and perennial, stems prostrate. Leaves obovate or elliptical, stalked, and with the calyx quite smooth. Flowers small, green, in dense clusters. The herbage is rather saltish, astringent, and diuretic, the juice is said to remove specks from the eyes. The hairy *rupture-wort* is a more rare species, and has the leaves and calyx hairy, and the stem is always rough.—*C. W. Johnson, Farmer's Cyclopædia*, p. 1054.

Rúral. *adj.* [Fr.] Country; existing in the country, not in cities; suiting the country; resembling the country.

Lady, reserved to do pastoral company honour,
joining your sweet voice to the *rural* music of desert.
—*Sir P. Sidney.*

Here is a *rural* fellow,
That will not be denied your highness' presence;
He brings you figs.
Shakespear, Antony and Cleopatra, v. 2.

Many worthy ministers, in their *rural* stations, shine with this virtue in the eyes of the world.—*Bishop Hall, Honour of the Married Clergy*, p. 84.

Rúralist. *s.* One who leads a rural life.

You have recalled to my thoughts an image, which must have pleaded so strongly with our Egyptian *ruralists*, for a direct and unqualified adoration of the solar orb.—*Coventry, Philemon to Hyde*, conv. iii.

Rúrally. *adv.* In a rural manner; as in the country.

The college itself [Jesus] is *rurally* situated at some distance from the body of the town, on the Newmarket-road.—*Wakefield, Memoirs*, p. 76.

Ruse. *s.* [Fr.] Cunning; artifice; little stratagem; trick; wile; fraud; deceit.

I might here add much concerning the wiles and *ruses* which these timid creatures use to save themselves.—*Ray.*

Rush. *s.* [A.S. *risc.*]

1. In *Botany.* Native plant of the genus Juncus.

He taught me how to know a man in love; in which cage of *rushes* I am sure you are not prisoner.—*Shakespear, As you like it*, iii. 2.

Is supper ready, the house trimm'd, *rushes* strew'd, cobwebs swept?—*Id., Taming of the Shrew*, iv. 1.

Your farm ... requites your pains;
Though *rushes* overspread the neighb'ring plains.
Dryden, Translation of Virgil, Eclogues, i. 64.

A *rush* hath a flower composed of many leaves, which are placed orbicularly, and expand in form of a rose; from the centre of which rises the pointal, which afterwards becomes a fruit or husk, which is generally three-cornered, opening into three parts, and full of roundish seeds; they are planted with great care on the banks of the sea in Holland, in order to prevent the water from washing away the earth; for the roots of these *rushes* fasten themselves very deep in the ground, and mat themselves near the surface, so as to hold the earth closely together.—*Miller, Gardener's Dictionary.*

Rushes always intimate a deep rich soil, and thrive best in land which is too cold and wet for other plants. The growth of these plants may be easily prevented by under or surface draining, which will prevent the stagnation of water on the soil; and by the application of saline or calcareous top-dressings, such as sand, limeashes, and roadscrapings. All the species of *rush* do best cultivated in a moist situation, some of them entirely in water, and others in a peat soil; they may be increased by seeds, or dividing the root. In Japan they cultivate the soft *rush* for making floor-mats.—*C. W. Johnson, Farmer's Cyclopædia.*

The leaves of *rushes* are largely used for mattings, chair-bottoms, &c., and the parenchyma or pith of the cylindrical leaves and stems was much used until recently for making the wicks of *rush-lights*: this substance has a beautiful microscopic structure, being formed of regular stellate cells.—*Henfrey, Elementary Course of Botany.*

The polishing *rush* or Dutch *rush* are commercial names of Equisetum hyemale, which in consequence of the large quantity of silex contained in its tissues is imported, principally from Holland, as a material for polishing wood, ivory, and brass. The greater number of the particles, according to Brewster, form simple straight lines, but the rest are grouped into oval forms connected together like the pearls of a necklace by a chain of particles, these rows of oval combinations being arranged in pairs. The straw and chaff of wheat, &c., which when burnt is also good for polishing, presents analogous phenomena, but the particles are arranged in a different manner. —*Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Anything proverbially worthless.

I value it not a *rush.*—*King Charles I., Original Narrative of his Trial*, no. ii. p. 6.

John Bull's friendship is not worth a *rush*.—*Arbuthnot, History of John Bull.*

Branch and rush seem, at first, to be put for branch and root, in two passages of Isaiah, in our public version. It is, however, a literal translation from the Hebrew, probably meaning strong and weak.

The Lord will cut off from Israel head and tail, *branch and rush*, in one day.—*Isaiah*, ix. 14.
Neither shall there be any work for Egypt, which the head or tail, *branch and rush*, may do.—*Id.*, xix. 15.

It means, clearly, great and small, and is so rendered in the Septuagint, at the former place; in the second, ἀρχὴν καὶ τέλος. Vatablus, and other commentators say, that by branch the Hebrews meant 'the strong,' and by rush 'the weak persons.'—*Nares, Glossary.*

Rush. *v. n.* [A.S. *hreosan*; whence, also, Rouse.] Move with violence; go on with tumultuous rapidity.

Then took Gorgias five thousand footmen, and a thousand of the best horsemen, and removed out of the camp by night, to the end he might *rush* in upon the camp of the Jews.—1 *Maccabees*, iv. 1.
Every one that was a warrior among them *rushed* out upon them.—*Judith*, xv. 3.
Armies *rush* to battle in the clouds.
Milton, Paradise Lost, ii. 534.
Why wilt thou *rush* to certain death and rage,
In rash attempts beyond thy tender age,
Betray'd by pious love?
Dryden, Translation of the Æneid, x. 1149.
Now sunk the sun from his aërial height,
And o'er the shaded billows *rush'd* the night.
Pope.

Rush. *v. a.* Push forward with violence.

Consideration, in a most special manner, we owe to our souls; for without it, we shall, as rash unadvised people use to do, *rush* them into infinite perils.—*Whole Duty of Man*, sunday vi. § 21.

Rush. *s.* Violent course.

A gentleman of his train spurred up his horse, and with a violent *rush* severed him from the duke.—*Sir H. Wotton.*
Him while fresh and fragrant time
Cherisht in his golden prime,
The *rush* of death's unruly wave
Swept him off into his grave. *Crashaw.*
Cruel Auster thither hy'd him,
And with the *rush* of one rude blast,
Shamed not spitefully to cast
All his leaves so fresh, so sweet. *Id.*
Like the *rush* of showers
Of hail in spring, pattering along the ground,
Their many footsteps fell.
Shelley, Revolt of Islam, v. 29.

Rush-beáring. *s.* See extract.

It appears that in ancient times the parishioners brought rushes at the Feast of Dedication, wherewith to strew the church, and from that circumstance the festivity itself has obtained the name of *rush-bearing*, which occurs for a country wake in a glossary to the Lancashire dialect.... The *rush-bearing*, according to Lucas, is in this manner: They cut hard rushes from the marsh, which they make up into long bundles, and then dress them in fine linen, silk, ribbons, flowers, &c. Afterwards, the young women in the village, who perform the ceremony that year, take up the burdens erect, and begin the procession (precedence being always given to the churchwarden's burden), which is attended with music, drums, &c. Setting down their burdens in the church, they strip them of their ornaments, leaving the heads or crowns of them decked with flowers, cut papers, &c. Then the company return and cheerfully partake of a cold collation, and spend the remaining part of the day and night in dancing round a maypole, adorned with flowers.—*Brand, Popular Antiquities*, by *Sir H. Ellis*, vol. ii. p. 13: 1849.

Rúsh-cándle. *s.* [two words.] Small blinking taper, made by stripping a rush, except one small stripe of the bark, which holds the pith together, and dipping it in tallow.

Be it moon or sun, or what you please;
And if you please to call it a *rush-candle*,
Henceforth it shall be so for me.
Shakespear, Taming of the Shrew, iv. 5.
Or, if your influence be quite damm'd up
With black usurping mists, some gentle taper,
Though a *rush-candle* from the wicker-hole
Of some clay habitation, visit us.
Milton, Comus, 336.

Rúsh-ríng. *s.* [two words.] See extract.

A custom extremely hurtful to the interests of morality appears anciently to have prevailed both in England and other countries, of marrying with a *rush ring*; chiefly practised, however, by designing men, for the purpose of debauching their mistresses, who sometimes were so infatuated as to believe that this mock ceremony was a real marriage.—*Brand, Popular Antiquities*, by *Sir H. Ellis*, vol. ii. p. 107: 1849.

Rúshed. *adj.* Abounding with rushes.

Near the *rush'd* marge of Cherwell's flood.
T. Warton.

Rúsher. *s.*

1. One who rushes forward.

They will be teachers of the simple before they have been the scholars of the wise.... Remit such *rushers*, not into the church only, but pulpit, to the philosophy school to be shamed.—*Whitlock, Manners of the English*: 1654.

2. One who strewed rushes on the floor, at the dances of our ancestors.

Fiddlers, *rushers*, puppet-masters,
Jugglers, and gipsies. *B. Jonson.*

Rúshing. *verbal abs.* Any commotion, or violent course.

A *rushing* like the *rushing* of many waters.—*Isaiah*, xvii. 12.
I heard behind me a voice of a great *rushing*.—*Ezekiel*, iii. 12.

Rúshlight. *s.* Rush-candle.

The above short dialogue took place as Mr. Weller lay extended on his mattress at one end of the room, and the cobbler on his, at the other; the apartment being illumined by the light of a rush candle and the cobbler's pipe, which was glowing below the table, like a red-hot coal.... He had a great red pipe in his mouth, and was smoking, and staring at the *rushlight*, in a state of enviable placidity.—*Dickens, Pickwick Papers*, ch. xliv.

Rúshlike. *adj.* Resembling a rush; weak; impotent.

Ne yet did seeke their glorie to advance,
By only tilting with a *rush-like* lance.
Mirrour for Magistrates, p. 788.

Rúshy. *adj.*

1. Abounding with rushes.

In *rushy* grounds springs are found at the first spit.—*Mortimer, Husbandry.*

2. Made of rushes.

What knight like him could toss the *rushy* lance?
Tickell.

As the *first element* in a *compound*.

By the *rushy-fringed* bank,
Where grows the willow, and the ozier dank.
Milton, Comus, 890.

Rusk. *s.* [?] Hard and brittle kind of bread.

The lady sent me divers presents of fruits, sugar, and *rusk*.—*Sir W. Raleigh.*
[For] *rusks*, beat seven eggs well, and mix with a pint of new milk, in which have been melted four ounces of butter; add to it a quarter of a pint of yeast, and three ounces of sugar, and put them by degrees into as much flour as will make a very light paste, rather like a batter, and let it rise before the fire half an hour; then add some more flour to make it a little stiffer, but not stiff. Work it well, and divide into small loaves or cakes.... When baked, and cold, slice them the thickness of *rusks*, and put them into the oven to brown a little.—*Mrs. Gordon, New Domestic Cookery.*

Rússet. *adj.* [Fr. *rousset*; Lat. *russus*.]

1. Reddishly brown.

The morn, in *russet* mantle clad,
Walks o'er the dew of yon high eastward hill.
Shakespear, Hamlet, i. 1.
Our summer such a *russet* livery wears,
As in a garment often dyed appears. *Dryden.*

2. Newton seems to use it for grey; but, if the etymology be regarded, improperly. (So it stands in the previous editions. It is probable, however, that in thus using the word, Newton unconsciously adopted the provincial term of his native district, where *dundy-grey-russet* was lately, and perhaps now is, current.)

This white spot was immediately encompassed with a dark grey or *russet*, and that dark grey with the colours of the first iris.—*Sir I. Newton, On Opticks.*

3. Coarse; homespun; rustic: (much used in descriptions of the manners and dresses of the country, probably, because it was formerly the colour of rustic dress: in some places, the rustics still dye clothes spun at home with bark, which must make them *russet*).

Taffeta phrases, silken terms precise,
Figures pedantical: these summer flies
Have blown me full of maggot ostentation:
Henceforth my wooing mind shall be express'd
In *russet* yeas, and honest kersey noes.
Shakespear, Love's Labour's lost, v. 2.

Rússet. *v. a.* Give to anything a reddishly brown colour.

The blossom blows, the summer-ray
Russets the plain. *Thomson, Seasons, Hymn.*

Rússet. *s.*

1. Country dress.

Courtly silks in cares are spent,
When country's *russet* breeds content.
Heywood, Shepherd's Song.
The Dorick dialect has a sweetness in its clownishness, like a fair shepherdess in her country *russet*.—*Dryden.*

2. Name given to several sorts of pears or apples from their colour.

The *russet* pearmain is a very pleasant fruit, continuing long on the tree, and in the conservatory partakes both of the *russeting* and pearmain in colour and taste; the one side being generally *russet*, and the other streaked like a pearmain.—*Mortimer, Husbandry.*

Rússeting. *s.* Russet.

The apple-orange; then, the savoury *russeting*.
Drayton, Polyolbion, song xviii.

Rússety. *adj.* Of a russet colour.

The lawyers are met at the Anchor and Crown,
And Yamen's cheek is a *russety* brown;
The lawyers are met at Crown and Anchor,
And Yamen's cheek grows blanker and blanker.
J. and H. Smith, Rejected Addresses, Imitation of Southey.

Rust. *s.* [A.S.]

1. Red desquamation of old iron.

This iron began at the length to gather *rust*.—*Hooker, Ecclesiastical Polity.*
Rust-eaten pikes and swords in time to come,
When crooked plows dig up earth's fertile womb,
The husbandman shall oft discover.
May, Translation of Virgil.
But Pallas came in shape of *rust*,
And 'twixt the spring and hammer thrust
Her Gorgon shield, which made the cock
Stand stiff, as 'twere transform'd to stock.
Butler, Hudibras, i. 2, 781.

2. Tarnished or corroded surface of any metal.

By dint of sword his crown he shall increase,
And scour his armour from the *rust* of peace.
Dryden, Translation of the Æneid, vi. 1113.

3. In *Chemistry*. Oxide of metals; with a more extended application to several other kinds of oxidation.

4. Mildew.

Of parasitical fungi the most important are those which are called dry rot.. . .next to these come the blight in corn... the smut and ergot, if they are really anything more than the diseased and disorganized tissue of the plants affected; the *rust*, which is owing to the ravages of Uredos and Pucciniæ; and finally, in this class is to be included what we call mildew, minute simple articulated Mucors and Mucedos.—*Lindley, Vegetable Kingdom.*
The Uredinæ attack the leaves and herbaceous organs of living plants... they constitute some of the most noxious vegetable pests of agriculture and horticulture, Puccinia graminis forming the mildew of wheat; the stylosphorous forms of the genera of this same tribe, known as species of Uredo, constituting the blights, *rusts*, &c. of corn and other cultivated plants; Colœosporium the white *rust* of cabbages.—*Henfrey, Elementary Course of Botany.*
Rust does not appear to be injurious to corn, so long as it is confined to the flaggy leaves, as it seldom grows except when they are over-luxuriant, but it is a formidable adversary when it attacks the chaff or seed; and the more so because it is impossible to suggest any remedy. Every protospore is shed long before the grain is reaped; therefore steeping is useless, and the application of any dressing to the soil is equally ineffectual.—*Moore*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Rust. *v. n.*

1. Gather rust; have the surface tarnished or corroded.

Her fallow leas,
The darnel, hemlock, and rank fumitory
Doth rest upon, while that the coulter *rusts*,
That should deracinate such savagery.
Shakespear, Henry V. v. 2.
Our armours now may *rust*; our idle scymitars
Hang by our sides for ornament, not use.
Dryden, Don Sebastian, i. 1.

2. Degenerate in idleness.

Must I *rust* in Egypt? never more
Appear in arms, and be the chief of Greece?
Dryden, Cleomenes, i. 1

Rust. *v. a.*

1. Make rusty.

Keep up your bright swords, for the dew will *rust* them. *Shakespear, Othello*, i. 2.

2. Impair by time or inactivity.

Rústic. *adj.* [Lat. *rusticus*; Fr. *rustique*.]

1. Rural; country.

By Lelius willing missing was the odds of the Iberian side, and continued so in the next by the excellent running of a knight, though fostered so by

the muses, as many times the very *rustick* people left both their delights and profits to hearken to his songs.—*Sir P. Sidney.*

2. Rude; untaught; inelegant.
An inelegant clown cannot learn fine language or a courtly behaviour, when his *rustick* airs have grown up with him till the age of forty.—*Watts, Logick.*

3. Brutal; savage.
My soul foreboded I should find the bower
Of some fell monster, fierce with barbarous power;
Some *rustick* wretch, who lived in heav'n's despite,
Contemning laws, and trampling on the right.
Pope, Translation of the Odyssey, ix. 248.

4. Artless; honest; simple.

5. Plain; unadorned.
An altar stood, *rustick*, of grassy sord.
Milton, Paradise Lost, xi. 433.

Rústic. *s.*

1. Clown; swain; inhabitant of the country.
As nothing is so rude and insolent as a wealthy *rustick*, all this his kindness is overlooked, and his person most unworthily railed at.—*South, Sermons.*
But by this time the united force of demonstration and derision had begun to produce an effect even on the most ignorant *rustics* in the House.—*Macaulay, History of England*, ch. xx.

2. Rude sort of masonry, in imitation of simple nature, not according to rules of art; rustic work.
Clap four slices of pilaster on't,
That laid with bits of *rustick* makes a front.
Pope, Moral Essays, iv. 33.

Rústic-work. *s.* [Italian, *opera rustica.*] In *Architecture.* Variety of ashlar masonry, in which the joints are worked with grooves or channels.
Rustic-work was never employed in medieval buildings.—*Glossary of Architecture.*

Rústical. *adj.* [Lat. *rusticus.*] Rough; savage; boisterous; brutal; rude.
On he brought me unto so bare a house, that it was the picture of miserable happiness and rich beggary, served only by a company of *rustical* villains, full of sweat and dust, not one of them other than a labourer.—*Sir P. Sidney.*
This is by a *rustical* severity to banish all urbanity, whose harmless and confined condition is consistent with religion.—*Sir T. Browne, Vulgar Errours.*
He confounds the singing and dancing of the satyrs with the *rustical* entertainments of the first Romans.—*Dryden.*

Rústically. *adv.* In a rustical; or rustic, manner; vaguely; rudely; inelegantly.
My brother Jaques he keeps at school,
And report speaks goldenly of his profit;
For my part, he keeps me *rustically* at home.
Shakespear, As you like it, i. 1.
Where Romulus was bred, and Quintius born,
Whose shining plough-share was in furrows worn;
Met by his trembling wife, returning home,
And *rustically* joy'd, as chief of Rome.
Dryden, Translation of Persius, i. 143.

Rústicate. *v. n.* [Lat. *rusticatus*, pret. part. of *rusticor.*] Reside in the country.
My lady Scudamore, from having *rusticated* in your company too long, pretends to open her eyes for the sake of seeing the sun, and to sleep because it is night.—*Pope.*

Rústicate. *v. a.* Banish into the country: (like the following, a *University* term).
I was deeply in love with a milliner, upon which I was sent away, or, in the university phrase, *rusticated* for ever.—*Spectator.*

Rusticátion. *s.* Dwelling in, banishment to, the country.
I was afraid that her resolution would sink under the sudden transition from a town life to such a melancholy state of *rustication.*—*Smollett.*

Rusticity. *s.* [Fr. *rusticité*; Lat. *rusticitas, -atis.*]

1. Quality of one that lives in the country; simplicity; artlessness; rudeness; savageness.
There presented himself a tall, clownish young man, who, falling before the queen of the fairies, desired that he might have the achievement of any adventure, which, during the feast, might happen; that being granted, he rested him on the floor, unfit for a better place by his *rusticity.*—*Spenser.*
The sweetness and *rusticity* of a pastoral cannot be so well expresst in any other tongue as in the Greek, when rightly mixt with the Dorick dialect.—*Addison.*
This so general expense of their time would curtail the ordinary means of knowledge, as 'twould shorten the opportunities of vice; and so accordingly an universal *rusticity* presently took place, and stopped not till it had over-run the whole stock of mankind.—*Woodward, Natural History.*

2. Rural appearance.

Rústily. *adv.* In a rusty manner, or state.
Their armour they should make look so *rustily*, and ill-favouredly, as might well become such wearers.—*Sir P. Sidney, Arcadia*, b. i.

Rústle. *v. n.* [A.S. *hristlan.*] Make a low continued rattle; make a quick succession of small noises.
He is coming; I hear his straw *rustle.*—*Shakespear, Measure for Measure*, iv. 3.
This life
Is nobler than attending for a check;
Richer than doing nothing for a bauble;
Prouder than *rustling* in unpaid-for silk.
Id., Cymbeline, iii. 3.
Thick swarm'd, both on the ground, and in the air
Brush'd with the hiss of *rustling* wings.
Milton, Paradise Lost, i. 767.
As when we see the winged winds engage,
Rustling from every quarter of the sky,
North, east, and west, in airy swiftness vie.
Granville.
All side in parties, and begin the attack;
Fans clap, silks *rustle*, and tough whalebones crack.
Pope, Rape of the Lock, canto v.
And the wild antelope, that starts whene'er
The dry leaf *rustles* in the brake, suspend
Her timid steps, to gaze upon a form
More graceful than her own. *Shelley, Alastor.*

Rústle. *s.* Rustling sound.
Not the faintest *rustle* broke the profound tranquillity of the solemn scene. Sound itself appeared to be frozen up, all was so cold and still.—*Dickens, Pickwick Papers*, ch. xxix.

Rústling. *part. adj.* Sounding as a rustle.
Not less their number than the milk-white swans,
That o'er the winding of Cayster's springs,
Stretch their long necks, and clap their *rustling* wings. *Pope.*

Rústling. *verbal abs.* Quick succession of small noises.
Let not the creaking of shoes, nor the *rustling* of silks, betray thy poor heart to women.—*Shakespear, King Lear*, iii. 4.

Rústy. *adj.*

1. Covered with rust; infected with rust.
After a long calm of peace, he was left engaged in a war with a rusty sword and empty purse.—*Howell.*
Part scour the *rusty* shields with seam, and part
New grind the blunted axe.
Dryden, Translation of the Æneid, vii. 867.

2. Impaired by inactivity.
Hector, in his dull and long-continued truce,
Is *rusty* grown.
Shakespear, Troilus and Cressida, i. 3.

3. Surly; morose.
There was a guard by St. Giles's of *rusty* ruffians, kept by Lord Lovelace's order: they made a great clutter.—*Diary of Henry, Earl of Clarendon*, in 1689.
Old Iron, why so *rusty*? will you never leave your innuendoes?—*Guardian*, no. 160.

Rut. *s.* [N.F. *ruit, rut.*] Copulation of deer.
The time of going to *rut* of deer is in September; for that they need the whole summer's feed to make them fit for generation: and if rain come about the middle of September, they go to *rut* somewhat the sooner.—*Bacon.*
The ground hereof was the observation of this part in deer after immoderate venery, and about the end of their *rut.*—*Sir T. Browne.*

Rut. *s.* [Fr. *route.*] Track of a wheel.
From hills raine waters headlong fall,
That allwayes eat huge *ruts*, which, met in one bed fill a vall
With such a confluence of streames, that on the mountaine grounds
Farre off, in frighted shepheards eares the bustling noise rebounds. *Chapman.*
[In this road] they will meet with *ruts*, which I actually measured four feet deep, and floating with mud only from a wet summer. What, therefore, must it be after a winter?—*A. Young, Agricultural Tour.*

Ruth. *s.* [*rue.*]

1. Mercy; pity; tenderness; sorrow for the misery of another. *Rare.*
O wretch of guests, said he, thy tale hath stirred
My mind to much *ruth.* *Chapman.*
All *ruth*, compassion, mercy he forgot. *Fairfax.*
She fair, he full of bashfulness and truth
Loved much, hoped little, and desired naught;
He durst not speak, by suit to purchase *ruth.* *Id.*
The better part with Mary and with Ruth
Chosen thou hast; and they that overween,
And at thy growing virtues fret their spleen,
No anger find in thee, but pity and *ruth.*
Milton, Sonnets, ix. 5.

2. Misery; sorrow.
The weary Britons, whose war-hable youth
Was by Maximian lately led away,
With wretched miseries and woful *ruth*,
Were to those Pagans made an open prey.
Spenser.

Ruthénium. *s.* In *Chemistry.* Metal so called.
Ruthenium is a metal of a grey colour, very infusible. It has a stronger attraction for oxygen than any other of the metals of this class. . . . *Ruthenium* seems to bear the same relation to rhodium that iridium does to platinum.—*Turner, Elements of Chemistry*: 1848.

Rúthful. *adj.*

1. Merciful; compassionate.
He [God] *ruthful* is to man.
Turberville, Eclogues, iii.

2. Rueful; woful; sorrowful.
The inhabitants seldom take a *ruthful* and reaving experience of those harms, which infectious diseases carry with them.—*Carew, Survey of Cornwall.*
What sad and *ruthful* faces!
Beaumont and Fletcher, Double Marriage.

Rúthfully. *adv.* In a ruthful manner.

1. Wofully; sadly.
The flower of horse and foot, lost by the valour of the enemy, *ruthfully* perished.—*Knolles, History of the Turks.*

2. Sorrowfully; mournfully.
Help me, ye baneful birds, whose shrieking sound
Is sign of dreary death, my deadly cries
Most *ruthfully* to tune.
Spenser, Shepherd's Calendar.

3. Wofully. *Ironical.*
By this Minerva's friend bereft
Oileades of that rich bowl, and left his lips, nose, eyes,
Ruthfully smear'd.
Chapman, Translation of the Iliad.

Rúthless. *adj.* Cruel; pitiless; uncompassionate; barbarous.
What is Edward but a *ruthless* sea?
What Clarence but a quicksand of deceit?
Shakespear, Henry VI. Part III. v. 4.
The *ruthless* flint doth cut my tender feet;
And when I start the cruel people laugh.
Id., Henry VI. Part II. ii. 4.
His archers circle me; my reins they wound,
And *ruthless* shed my gall upon the ground.
Sandys.
Their rage the hostile powers restrain,
All but the *ruthless* monarch of the main.
Pope, Translation of the Odyssey, i. 27.

Rúthlessly. *adv.* In a ruthless manner.

Rúthlessness. *s.* Attribute suggested by Ruthless.

Rútilant. *adj.* [Lat. *rutilans, -antis.*] Shining.
Parchments . . . coloured with this *rutilant* mixture.—*Evelyn.*

Rútter. *s.* [German, *ritter.*] Horse-soldier; rider; trooper.
Neyther shall they be accompanied with a garde of ruffelynge *rutters.*—*Bale, On the Revelations*, pt. ii.: 1550.
The prince finding his *rutters* alert, (as the Italians say,) with advice of his valiant brother, sent his trumpets to the D. d'Alva.—*Sir R. Williams, Actions of the Low Countries*, p. 27: 1618.

Rútterkin. *s.* Word of contempt for Rutter.
Such a rout of regular *rutterkins*, some bellowing in the quire, some muttering, and another sort jetting up and down, to wayte when my Ladie shal be readye to see a cast of theyr office!—*Confutation of Nicholas Shaxton*, sign. G. vi.: 1546.
Rutterkin, one by long practice master of his profession, and in every part an old crafty fox, notable beguiler, ordinary deceiver.—*Cotgrave.*

Rúttier. *s.* [Fr. *routière.*] Direction of the road, or of the course, at sea; old traveller well acquainted with most ways; experienced soldier.
Rutter [is] a directory to show the proper course of a vessel, from the French *routier.*—*Fosbroke, Encyclopædia of Antiquities.*

Rúttish. *adj.* Wanton; libidinous; salacious; lustful; lecherous.
That is an advertisement to one Diana, to take heed of the allurement of count Rousillon, a foolish idle boy; but for all that very *ruttish.*—*Shakespear, All's well that ends well*, iv. 3.

Rúttle. *s.* Noise occasioned by difficulty in breathing; rattle in the throat.
The last agonies, the fixed eyes, and the dismal *ruttle*, tell all those about the dying-bed, that he, who is in that plight, is now going to his home.—*Burnet, Sermons*, p. 175: 1713.

Rye. *s.* [A.S. *ryge.*]

1. Corn-grass of the genus Secale.

Between the acres of the *rye*,
These pretty country folks would lye.
Shakespear, As you like it, v. 3, song.

Rye is more acrid, laxative, and less nourishing than wheat.—*Arbuthnot, On the Nature and Choice of Aliments.*

Rye, according to some, is a native of Crete; but it is very doubtful whether any country can be now ascertained to be its native soil.... It is more common than wheat on most parts of the continent; being a more certain crop, and one which requires less culture and manure.... Many consider it the most impoverishing of all crops.—*Loudon, Encyclopædia of Agriculture*, § 5069.

The meal of *rye* is considered second only to wheat; it is often used alone, or mixed with a proportion of wheat flour to make bread and gingerbread. In those unaccustomed to its use, it is apt to cause an acescent state of the stomach and diarrhœa. *Rye* is liable to a disease called ergot, which depends on a fungus, which attacks and alters the character of the grain. It becomes long, of a deep violet hue externally, and pinkish white within. The odour of the ergotted grain is fishy and fetid, the taste slightly acrid. Ergotted or spurred *rye* is poisonous, when it is baked into bread. It causes febrile symptoms, great debility, often paralysis, tremours, abscesses, gangrene, and death. Some of the epidemics which have occasionally nearly depopulated the north of Europe, have been traced to the use of the spurred *rye*.—*C. W. Johnson, Farmers' Cyclopædia.*

The grains which extend farthest to the north in Europe are barley and oats.... *Rye* is the next which becomes associated with these. This is the prevailing grain in a great part of the northern temperate zone, namely, in the south of Sweden and Norway, Denmark, and all the lands bordering on the Baltic, the north of Germany, and part of Siberia.... In the zone where *rye* prevails, wheat is generally to be found; barley being here chiefly cultivated for the manufacture of beer, and oats supplying food for the horses. To these there follows a zone in Europe and Western Asia, where *rye* disappears and wheat almost exclusively furnishes bread.—*Lindley, Vegetable Kingdom.*

On either side the river lie
Long fields of barley and of *rye*,
That clothe the wold and meet the sky,
And thro' the field the road runs by
To many-towered Camelot.
Tennyson, Lady of Shalott.

2. Disease in a hawk.

Ryégrass. *s.* Pasture grass, both for grazing and hay, so called: (said to be a corruption of *ray-grass*; the connexion, however, is not clear).

Some sow *ryegrass* with the corn at Michaelmas. —*Mortimer, Husbandry.*

Among the most valuable fodder grasses of temperate climates are the *rye-grasses*, &c.—*Henfrey, Elementary Course of Botany.*

The latter math of *rye-grass* is very inconsiderable, and the plant impoverishes the soil in a high degree if the culms ... are not cut before the seed advances towards perfection.... The varieties of this species are very numerous, such as the slender *rye-grass*, compound or broad-spiked *rye-grass*, Pacey's *rye-grass*, Russell's grass, Whitworth's grass, Stickney's grass, panicled *rye-grass*, double-flowered *rye-grass*, viviparous *rye-grass*. All the varieties have a strong tendency to vary their form when sown on different soils.—*C. W. Johnson, Farmers' Cyclopædia.*

S.

SABA

SABAISM. *s.* Sabianism; worship of the heavenly bodies.

We find one rite or ceremonie of the *Zabaisme* or Planetarie worship, Job xxxi. 26, 27. 'If I beheld the sun when it shined, &c.' This holy man (who, as it is supposed, lived among these Zabii about Joseph's time (as Jerome) when this their idolatrie was come to some maturitie) speaks openly of the planetarie worship then so common. And the first part of this *Zabaisme* he so industriously amoves from himself is beholding the sun when it shined. Not the simple beholding of ... but beholding it with such an eye as steals away the heart.... Job here shews that the original seat of *Zabaisme* was the heart.... There were other parts of *Zabaisme*, or star worship, namely images and fire.—*Gale, Court of the Gentiles*, pt. ii. b. i. ch. iv. § 6: 1671.

Sabadílla. *s.* [Spanish.] Poisonous plant so called; poison therefrom.

White Hellebore ... Asagræa officinalis (*Sabadilla* or Cevadilla, of Mexico), all share the acrid narcotic qualities, poisonous or medicinal, according to the dose.—*Henfrey, Elementary Course of Botany*, § 578.

Sábaoth. *s.* [Hebrew.] Army; host.

Holy Lord God of *sabaoth*; that is, Lord of hosts. —*Book of Common Prayer.*

Sabbatárian. *s.*

1. One who observes the Sabbath with extraordinary rigour.

We have myriads of examples in this kind, amongst those rigid *Sabbatarians*.—*Burton, Anatomy of Melancholy*, p. 681.

2. One who observes the seventh day of the week in opposition to the first.

Sabbatarians, or Seventh-day Baptists, a sect of anabaptists; thus called, because they observed the Jewish or Saturday sabbath, from a persuasion that it was never abrogated in the New Testament by the institution of any other.—*Rees, Cyclopædia.*

Sabbatárian. *adj.* Connected with, belonging to sabbatarianism.

Puritans ... were wont to pass their strange determinations, *sabbatarian* paradoxes, and apocalyptical frenzies, under the name and covert of the true professors of Christian doctrine.—*Bishop Mountagu, Appeal to Cæsar*, dedication.

Sabbatárianism. *s.* Tenets of sabbatarians.

Laws against profanation; I do not mean tending to Judaism or *sabbatarianism*.—*Bishop Ward, Sermon on the thirtieth of January*, 1673, p. 34.

Sábbath. *s.* [Hebrew; Gr. *σάββατον*.]

1. Day appointed by God among the Jews, and from them established among Christians for public worship; the seventh day set apart from works of labour to be employed in piety.

I purpose,
And by our holy *sabbath* have I sworn.
To have the due and forfeit of my bond.
Shakespear, Merchant of Venice, iv. 1.

SABB

Glad we return'd up to the coasts of light,
Ere *sabbath* evening.
Milton, Paradise Lost, viii. 245.

Her every day was *sabbath*: only free
From hours of prayer, for hours of charity,
Such as the Jews from servile toil release,
Where works of mercy were a part of rest:
Such as blest angels exercise above,
Vary'd with sacred hymns and acts of love;
Such *sabbaths* as that one she now enjoys
Ev'n that perpetual one, which she employs
(For such vicissitudes in heaven there are),
In praise alternate, and alternate pray'r.
Dryden, Eleonora, 116.

There was a double reason rendered by God why the Jews should keep that *sabbath* which they did; one special, as to a seventh day, to shew they worshipped that God who was the Creator of the world; the other individual, as to that seventh day, to signify their deliverance from the Egyptian bondage, from which that seventh day was dated. Being then, upon the resurrection of our Saviour, a greater deliverance and far more plenteous redemption was wrought than that of Egypt, and therefore a greater observance was due unto it than to that; the individual determination of that day did pass upon a stronger reason to another day, always to be repeated by a seventh return upon the reference to the Creation. As there was a change in the year at the coming out of Egypt, by the command of God; 'this month (the month of Abib) shall be unto you the beginning of months, it shall be the first month of the year to you;' so, at this time of a more eminent deliverance, a change was wrought in the hebdomadal or weekly account; and the first day is made the seventh, or the seventh after that first is sanctified. And thus the observation of that day, which the Jews did sanctify, ceased, and was buried with our Saviour: and, in the stead of it, the religious observation of that day, on which the Son of God rose from the dead, by the constant practice of the blessed Apostles, was transmitted to the Church of God, and so continued in all ages.—*Bishop Pearson.*

2. Intermission of pain or sorrow; time of rest.

Never any *sabbath* of release
Could free his travels and afflictions deep.
Daniel, Civil Wars of York and Lancaster.

Nor can his blessed soul look down from heav'n,
Or break the eternal *sabbath* of his rest,
To see her miseries on earth. *Dryden.*

Peaceful sleep out the *sabbath* of the tomb,
And wake to raptures in a life to come.
Pope, Miscellanies, To Mrs. M. B. on her Birthday.

Sábbathbreaker. *s.* Violator of the sabbath day by labour or wickedness.

The usurer is the greatest *sabbathbreaker*, because his plough goeth every Sunday.—*Bacon, Essays, Of Usury.*

Sábbathless. *adj.* Having no Sabbath, or no rest like that of a Sabbath; having no intermission of labour, or interval of rest.

Although men should refrain themselves from injury and evil acts, yet this incessant and *sabbathless* pursuit of a man's fortune leaveth not tribute, which we owe to God, of our time.—*Bacon, Advancement of Learning.*

SABI

Sabbátic. *adj.* Sabbatical.

This salutary view is only and effectually pursued by due attendance on *sabbatic* duty. This is the true method to make an impression on the heart. They that go not to divine worship cannot know the morality of actions; and have no impulse on their minds to do what is good, to abstain from what is evil.—*Stukeley, Palæographia Sacra*, p. 99.

Sabbátical. *adj.* Resembling, belonging to, the sabbath; enjoying or bringing intermission of labour.

In accounting the *sabbatical* years, this rule is to be observed, that the same year which endeth one jubilee, beginneth the next.—*Gregory, Posthuma*, p. 138: 1640.

The appointment ... of the *sabbatical* year, and after the seventh *sabbatical* year, a year of jubilee, is a circumstance of great moment.—*Forbes.*

In their seventh, or *sabbatical* year, in which the produce of all estates was given up to the poor, one of these regulations is on the different work which must not be omitted in the sixth year, lest (because the seventh being devoted to the poor), the produce should be unfairly diminished, and the public benefit arising from this law be frustrated. Of whatever is not perennial, and produced that year by the earth, no money may be made; but what is perennial may be sold.—*I. Disraeli, Curiosities of Literature, The Talmud.*

Sábbatism. *s.* Rest, as that of the sabbath.

This is that *sabbatism*, or rest, that the author to the Hebrews exhorts them to strive to enter into through faith and obedience.—*Dr. H. More, Conjectura Cabbalistica*, p. 210: 1653.

Sábian. *adj.* Connected with, relating to, constituted by, Sabianism.

It is generally asserted that the old religion of the Arabs was entirely *Sabian*; but I can offer so little accurate information concerning the *Sabian* faith, or even the meaning of the word, that I dare not yet speak on the subject with confidence.—*Sir W. Jones, Discourse, &c., on the Arabians.*

The popular worship of the Irámians under Hushang was purely *Sabian*; a word, of which I cannot offer any certain etymology, but which has been deduced by grammarians from *Sabà*, a host, and particularly the Host of Heaven, or the celestial bodies, in the adoration of which the *Sabian* ritual is believed to have consisted; there is a description in the learned work just mentioned, of the several Persian temples dedicated to the Sun and Planets, of the images adorned in them, and of the magnificent processions to them on prescribed festivals, one of which is probably represented by sculpture in the ruined city of Jemshid.—*Id., Discourse, &c., on the Persians.*

Sábian. *s.* Believer in the Sabian religion; believer in Sabaism, or Sabianism.

Concerning the first institution of learning and religion among the *Sabæans*, there is not any agreement of authors.... Epiphanius, and the author of the Chronicon Alexandrinum, affirm that Hellenism began in the time of Serug. This Hellenism some

conceive to be the same with the *Sabæan* superstition; what the Greek fathers call Hellenism, the Rabbins term Goth, the Arabians Algiaheleiton, the Time of Ignorance and Paganism . . . We cannot doubt but that the idolatrous worship of Fire and of the Sun (ascribed to the *Sabæans*) was of great antiquity.... That Terah, father of Abraham, was bred up in this doctrine may be conjectured from Joshua xxiv. 2, where he is reckoned among those that served strange gods. Philo terms him an astronomer, one of those that are versed in mathematics. Of Abraham, son of Terah, R. Maimonides expressly saith, 'It is well known that our father Abraham was educated in the faith of the *Zabians*, who held there is no God but the stars.... This thing afterwards Edris taught his sons and said 'O sons, know that ye are *Sabæans*, learn therefore to read books in your youth. Now *Sabæans* are writers of whom the High (he means Mahomet) said the *Sabæans* and the Nazarenes.... Afterwards the *Zabæans* were divided. ... The book of Isaak the *Zabian*, wherein he argues in defence of the law of the *Zabians*.—*Stanley, History of Philosophy*, pt. i. sect. i. vol. iv. pp. 81–5: 1662.

In the interim it may be proper to acquaint the reader that at this time all the idolatry of the world was divided between two sects, that is the worshippers of images who were called the *Sabians*, and the worshippers of fire, who were called the Magians. ... This religion first began among the Chaldeans. ... From the Chaldeans it spread over the east, where the possessors of it had the name of *Sabians*. ... Those who mislike the notion ... that many of the Jewish laws were made in opposition to the idolatrous rites of the *Sabians*, are much mistaken when they object against it that the *Sabians* were an incorrigible sect.... The *Sabians* whom he [Maimonides] spoke of, were a sect whose heresy had overspread almost all mankind. The remainder of this sect still subsists in the east under the name of *Sabians*, which they pretend to have received from Sabius, a son of Seth.—*Prideaux, The Old and New Testament Connected*, pt. i. b. iii.

This year he [Mahomet] altered the Kebla, that is the place towards which they directed their prayers. For it was usual among the people of the East, of all religions, to observe one particular point of the heavens, towards which they all turned their faces when they prayed.... The Jews ... towards Jerusalem, ... the Arabians towards Mecca, ... the *Sabeans* towards the north star.—*Prideaux, Life of Mahomet*, p. 73: 1723.

The *Sabians* do not only believe one God, but produce many strong arguments for his unity; though they also pay an adoration to the stars, or the angels and intelligences which they suppose reside in them, and govern the world under the supreme Deity.... They go on a pilgrimage to a place near the city of Harran in Mesopotamia, where great numbers of them dwell, and they have also a great respect for the Temple of Mecca, and the pyramids of Egypt; fancying these last to be the sepulchres of Seth, and of Enoch and Sabi his two sons, whom they look on as the first propagators of their religion; at these structures they sacrifice a cock and a black calf, and offer up incense. Besides the book of Psalms, the only true scripture they read, they have other books which they esteem equally sacred, particularly one in the Chaldee tongue which they call the book of Seth, and is full of moral discourses. This sect say, they took the name of *Sabians* from the above-mentioned Sabi, though it seems rather to be derived from Saba or the host of heaven, which they worship. Travellers commonly call them Christians of St. John the Baptist, whose disciples also they pretend to be, using a kind of baptism, which is the greatest mark they bear of Christianity. This is one of the religions, the practice of which Mohammed tolerated (on paying tribute), and the professors of it are often included in that expression of the Koran, those to whom the scriptures have been given, or literally People of the Book.—*Sale, Translation of the Koran, Preliminary Discourse*, sect. i.

(See, also, under Sabianism.)

Sábianism. *s.* [For the derivation which, until lately, has passed for the likeliest, see the second extract under Sabian (*adj.*): for the one that will probably be henceforth recognized see the remarks on the meaning of the word. The spelling with an *e*, as in the *second* extract from Prideaux, suggests a false connection with *Sabei*, the geographical term; especially when the accentuation is on the *second* syllable. The title of the work by Chwolson, which has beyond all comparison, illustrated the subject is 'Die *Ssabier* und der *Ssabismus*,' in which the *a* is ignored. It is probable, however, that in English, the forms *Sabian* and *Sabianism*, which have long been current, will keep their ground.] System of religious belief with certain sects so called either by themselves or others; name for certain religious systems, of lax application, but generally, perhaps always, suggestive of the worship of the heavenly bodies, especially the sun.

In a remote period of antiquity, *Sabianism* was diffused over Asia by the science of the Chaldeans and the arms of the Assyrians. From the observations of two thousand years, the priests and astronomers of Babylon deduced the eternal laws of Nature and Providence. They adored the seven gods, or angels, who directed the course of the seven planets, and shed their irresistible influence on the earth. The attributes of the seven planets, with the twelve signs of the zodiac and the twenty-four constellations of the northern and southern hemisphere, were represented by images and talismans; the seven days of the week were dedicated to their respective deities; the *Sabians* prayed thrice each day; and the temple of the moon at Haran was the term of their pilgrimage. But the flexible genius of their faith was always ready either to teach or to learn: in the tradition of the creation, the deluge, and the patriarchs, they held a singular agreement with their Jewish captives; they appealed to the secret books of Adam, Seth, and Enoch; and a slight infusion of the gospel has transformed the last remnant of the Polytheists into the Christians of St. John, in the territory of Bassora.... Sale confounds *Sabianism* with the primitive, religion of the Arabs.—*Gibbon, Decline and Fall of the Roman Empire*, ch. l. and note. (Ord. MS.)

That both the import and the etymology of this term have long been matters of uncertainty has been shown both by the explanation and the extracts. The work, however, by Chwolson, already referred to, has removed the chief difficulties.

1. The word is Asiatic and Mahometan, being foreign to the classical and ecclesiastical writers. So far as it is Jewish, it is found where the contact between the Jews and the Mahometans has been the greatest.

2. It was applied by the Mahometans to certain religious systems different from their own; but it was not the name by which those systems were designated by the communities which upheld them—not, at least, *in the first instance*.

3. It is applied in the Koran, to one community; by the end of the ninth century it applies to another and a different one.

In detail.—1. Those to whom the term, as used in the Koran applied, were the communities who called themselves *Mendâi*, &c, whose occupancies were the alluvial districts of the Lower Euphrates; and whose creed was that of the old Chaldeans, upon which, at the beginning of the second century of our era, were engrafted certain elements from the allied creed of the Persian Magi, and others from the heretical speculations of the Greek Christians. The result was a mixture of the original creed, Parseeism, and Gnosticism. From their practice of frequent ablutions, they were called by the population around them *Sabiin* or Washers; by which name they were known to Mahomet. The best name for these is *Mendâi*, *Mendean*, or *Mendaite*; the worst, perhaps, The Christians of St. John the Baptist; this latter being, probably, the result of a confusion between the notions of washing and baptizing. These are the *true Sabians* of Chwolson.

2. The *Pseudo-Sabians* of Chwolson belong to the Middle, rather than to the Lower, Euphrates; their occupancies being the parts about Haran, or Charræ, in Mesopotamia, and their creed the original paganism of the district, modified by Greek and Syrian influences; pagan, christian, and philosophic. These applied the name *Sabian* to themselves; *but not until the ninth century*. The reason was this. The Mendâi, to whom the term as used in the Koran applied, were placed upon the same favoured footing as the Christians and the Jews, i.e. as the believers in a true God, and as the holders of a canonic creed—a Religion of a Book. This made their name a safeguard against excessive persecution; and, as such, it was borrowed, appropriated, or adopted by the communities under notice when persecuted by the Caliph Almamún.

These two communities give us the *historical* Sabianism of Chwolson, to which he opposes the import of the term as indefinitely applied to certain religions, which, in the eyes of the later Mahometans (to whom, after the first three centuries of their era, the original application was unknown), were, in different ways, idolatrous; especially in the way of sun-worship, star-worship, or the worship of the host of heaven in general.

These views, so far as the meaning and derivation of the word go, are likely to command acceptance: nor will they be materially invalidated even if future criticism connect Mendeanism with the Christianity of St. John the Baptist, and the true and false Sabianisms with one another, more closely than is done by our author: whose object was to separate, for the sake of clearness, rather than to combine, for the purposes of generalization.

Notwithstanding, however, the light that he has thrown over an obscure subject, it is doubtful whether the application of the word, as an English term, be finally settled. There is evidently a tendency to invest it with more generality than it has as applied either to the creed of the Mendeans, to whom it was attached by their neighbours, or to that of the Haranites, who borrowed it for themselves: neither of whom it suits exactly, and neither of whom require it—Mendean and Haranite being sufficient.

For that division, however, of religions, the leading principle of which is the cultus of heavenly bodies, a general term is wanted; and this *Sabianism* supplies: or, failing its adoption in this sense, it is convenient as a generic name to certain undoubted congeners of the two creeds under notice, still extant in different parts of south-western Asia, viz., the Shemshiyah, the Jezid, the Nasariyeh, the Druse, the Ismaliyeh, and other creeds less generally known; but in all of which the main elements are the same, viz., the original creed of the district (the ground-work of which was the same throughout), and elements, in different proportions, from Judaism, Christianity, Mahometanism, Greek philosophy, and heresies of a Manichean character. To the editor, at least, the division is natural, and the name both needed and apposite.

Sábine. *s.* Savine.

Sabine or savin will make fine hedges, and may be brought into any form by clipping, much beyond trees.—*Mortimer, Husbandry.*

Sáble. *s.* [German, *zobel*; Russian, *sobel.*] Fur-bearing animal of the genus Mustela (zibellina).

Sable is worn of great personages, and brought out of Russia, being the fur of a little beast of that name, esteemed for the perfectness of the colour of the hairs, which are very black. Hence *sable*, in heraldry, signifies the black colour in gentlemen's arms.—*Peacham, On Blazoning.*

Furiously running in upon him, with tumultuous speech, he violently raught from his head his rich cap of *sables*.—*Knolles, History of the Turks.*

The peacock's plumes thy tackle must not fail,
Nor the dear purchase of the *sable's* tail.
Gay, Rural Sports, i. 181.

The *sable*, so much celebrated for its rich fur [is] brown, with some spots of white on the head, and is distinguished from the [common marten] by having hair even under the toes. It likewise inhabits the most frozen mountains. The hunting of this animal in the midst of winter through eternal snow is one of the most painful of human labours. The pursuit of *sables* first gave occasion to the discovery of the eastern regions of Siberia.—*Translation of Cuvier's Règne Animal.*

Among the furs which always rank very high ... may be specified the Siberian *sable* and the black and silver fox. These articles are at all times comparatively very scarce, and command high prices.—*M'Culloch, Dictionary of Commerce, Fur Trade.*

Sáble. *adj.* [Fr.] Black. *Heraldic and rhetorical.*

By this the drooping daylight gan to fade,
And yield his room to sad succeeding night,
Who with her *sable* mantle gan to shade
The face of earth, and ways of living wight.
Spenser, Faerie Queen.

They soon begin that tragick play,
And with their smoky cannons banish day:
Night, horrour, slaughter, with confusion meet,
And in their *sable* arms embrace the fleet. *Waller.*

Adoring first the genius of the place,
And night, and all the stars that gild her *sable* throne. *Dryden.*

As the *first element* in a *compound.*

With him inthroned
Sat *sable-vested* night, eldest of things,
The consort of his reign.
Milton, Paradise Lost, ii. 962.

Used *substantivally.*

Sable, in engraving, is expressed by both horizontal and perpendicular lines crossing each other. —*Encyclopædia Britannica.*

Sabót. *s.* [Fr.; Spanish, *zapato.*] Wooden shoe.

A fustian language, like the clattering noise of *sabots*.—*Bishop Bramhall, Against Hobbes*, p. 20: 1655.

They wear large clumsy shoes, almost as bad as the French *sabot*.—*Swinburne, Travels through Spain*, letter xliv.

Sábre. *s.* [Fr.] Short sword with a convex edge.

To me the cries of fighting fields are charms;
Keen be my *sabre*, and of proof my arms;
I ask no other blessing of my stars,
No prize but fame, no mistress but the wars.
Dryden, Aurengzebe, iii. 1.

Sábre. *v. a.* Strike, cut down, with a sabre.

You send troops to *sabre* and bayonet us into submission.—*Burke.*

Sábulous. *adj.* [Lat. *sabulosus*, from *sabulum* = fine sand, grit.] In *Medicine.* Applied chiefly to deposits in urine; gritty, gravelly, sandy.

Sabulous deposits in the urine are of various characters, but, as far as their leading chemical varieties are concerned, they may be conveniently termed white sand and red sand; the former consisting usually of phosphate of lime, or ammonio-magnesian phosphate, or a mixture of the two; whilst in the latter uric acid predominates.—*Brande, Manual of Chemistry*, p. 1836: 1848.

Sac. *s.* [Fr.; Lat. *saccus* = sack. Without the final *k*.] In *Anatomy.* Term of common, and somewhat wide application, denoting any part of the body which has the character of a sack, or pouch; also, any protruded portion of a membrane, not naturally sack-like, from mechanical pressure from beneath.

Surgeons understand, by the term hernia, a tumour formed by the protrusion of some of the viscera of the abdomen, out of that cavity, into a kind of *sac*, composed of the portion of peritoneum, which is pushed before them. However, there are certainly cases which will not be comprehended in this definition; either because the parts are not protruded at all, or have no hernial *sac*. It is only in rare cases that the *sac* is wanted; as, for example, where the hernia has been produced by the operation of great violence, or has been preceded by a wound of the abdominal parietes, or an attempt at a radical cure has been made with caustic. The *sac* is also sometimes rendered imperfect by laceration or ulceration. Some viscera, which occasionally protrude, are not included in the peritoneum, as the bladder and cæcum; and when they are considerably displaced, they draw after them the portion of peritoneum connected with them, which forms a *sac* into which other bowels may fall.—*S. Cooper, Dictionary of Practical Surgery, Hernia.*

The lacrymal *sac* is a membranous reservoir of a vertically elongated form.... Above ... it forms a cul-de-sac or blind end. Below it passes into the nasal duct.—*Wharton Jones*, in *Todd's Cyclopædia of Anatomy and Physiology*, art. *Lacrymal Organs.*

Saccáde. *s.* [Fr.] Violent check the rider gives his horse, by drawing both the reins very suddenly: a correction used when the horse bears heavy on the hand.

Sáccage. *s.* Sackage.

With as small a matter Psammeticus saved the *saccage* of a city.—*Fellthan, Resolves*, ii. 67.

I shall not enquire how far the *saccage* of Paris may yet be in the power of the allies to accomplish. —*Strictures on Burke*, p. 64.

Sáccate. *s.* Sack-shaped: (common in *Botany*).

A shallow pouch renders the calyx gibbous; a deeper *saccate*, and a long narrow pouch, forms what is called a spur.—*Henfrey, Elementary Course of Botany*, § 175.

Saccharíferous. *adj.* [Lat. *fero* = I bear.] Producing sugar.

Saccharíferous trees.—*History of the Royal Society*, iv. 380.

Saccharímeter. *s.* [less properly *saccharometer.*] Instrument for measuring the amount of sugar in solution in any liquid.

[The] strength [of a wort] is frequently adjusted by its density, which is determined by an instrument not quite correctly called a *saccharometer*, since it is influenced by all the contents of the wort and not the sugar only. It is a brass instrument, resembling the common hydrometer, ... so adjusted in weight as to sink to the point marked 0°, in distilled water at the temperature of 70°, and when immersed in a liquor of the same temperature, and of the specific gravity of 1.100, it is buoyed up to the mark 100, just above the bulb. The intermediate space is divided into 100 parts, so as to indicate intermediate degrees of strength.—*Brande, Manual of Chemistry*, p. 1636: 1848.

Sáccharine. *adj.* [Lat. *saccharum* = sugar.] Having the taste or any other of the chief qualities of sugar.

Manna is an essential *saccharine* salt, sweating from the leaves of most plants.—*Arbuthnot, On the Nature and Choice of Aliments.*

In true diabetes the urine is never without sugar. The quantity may indeed be small; and it may not be sensible to that coarse test, the taste; but modern observers almost all agree in rejecting any species of diabetes in which the urine is not at all *saccharine*. This condition of the urine was first described in 1684, by our learned countryman Dr. Willis.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxxxvii.

Saccharine matter exists in the roots of liquorice. —*Henfrey, Elementary Course of Botany*, § 459.

Sacerdótal. *adj.* Priestly; belonging to the priesthood.

They have several offices and prayers, especially for the dead, in which functions they use *sacerdotal* garments.—*Bishop Stillingfleet.*

He fell violently upon me, without respect to my *sacerdotal* orders.—*Dryden, Spanish Friar*, v. 2.

If ample powers, granted by the rulers of this world, add dignity to the persons intrusted with these powers, behold the importance and extent of the *sacerdotal* commission.—*Bishop Atterbury.*

Sacerdótalism. *s.* Sacerdotal system.

As there were three degrees of attainment, light, purity, knowledge (or the divine vision), so there were three orders of the earthly hierarchy, bishops, priests, and deacons; three sacraments, baptism, the eucharist, the holy chrism; three classes, the baptised, the communicants, the monks. How sublime, how exalting, how welcome to the *sacerdotalism* of the West this lofty doctrine. The celestial hierarchy were as themselves; themselves were formed and organised after the pattern of the great orders in heaven.—*Milman, History of Latin Christianity*, b. xiv. ch. ii.

Sáchel. *s.* See Satchel.

Puckered together like a *sachell*.—*Junius, Sin Stigmatized*, p. 19: 1639.

Sack. *s.* [from Gr. σάκκος; Lat. *saccus*; Fr. *sac*; A.S. *sacc.*]

1. Bag, commonly a large, strong and coarse one.

Our *sacks* shall be a mean to sack the city,
And we be lords and rulers over Roan.
Shakespear, Henry VI. Part I. iii. 2.

Vastius caused the authors of that mutiny to be thrust into *sacks*, and in the sight of the fleet cast into the sea.—*Knolles, History of the Turks.*

2. Measure of three bushels.

3. Woman's loose robe.

This strait-bodied city attire will stir a courtier's blood, more than the finest loose *sacks* the ladies use to be put in.—*B. Jonson, Poetaster.*

Sack. *v. a.* Put into sacks.

Now the great work is done, the corn is ground,
The grist is *sack'd*, and every sack well bound.
Betterton.

Sack. *v. a.* Take by storm; pillage; plunder.

Edward Bruce spoiled all the old English-pale inhabitants, and *sacked* and rased all cities and corporate towns.—*Spenser.*

I'll make thee stoop and bend thy knee,
Or *sack* this country with a mutiny.
Shakespear, Henry VI. Part I. v. 1.

What armies conquer'd, perish'd with thy sword?
What cities *sack'd*? *Fairfax.*

Who sees these dismal heaps but would demand
What barbarous invader *sack'd* the land?
Sir J. Denham, Cooper's Hill.

The pope himself was ever after unfortunate, Rome being twice taken and *sacked* in his reign.—*South, Sermons.*

The great magazine for all kinds of treasure is the bed of the Tiber: when the Romans lay under the apprehensions of seeing their city *sacked* by a barbarous enemy they would take care to bestow such of their riches this way as could best bear the water. —*Addison.*

Sack. *s.* [Spanish, *saco.*] Storm of a town; pillage; plunder.

If Saturn's son bestows
The *sack* of Troy, which he by promise owes,
Then shall the conquering Greeks thy loss restore.
Dryden, Translation of the First Book of the Iliad, 192.

Sack. *s.* [Spanish, *secco* = dry.] Dry sherry; mixture made thereof.

Please you, drink a cup of *sack*.
Shakespear, Taming of the Shrew, induction, sc. 2.

The butler hath great advantage to allure the maids with a glass of *sack*.—*Swift.*

Sáckbut. *s.* [N.Fr. *sacquebutte, sambuque*; Lat. *sambuca.*] In *Music.* Wind instrument serving as a bass in concerts; trombone.

The trumpets, *sackbuts*, psalteries and fife,
Make the sun dance. *Shakespear, Coriolanus*, v. 4

Sáckcloth. *s.* Cloth of which sacks are made; coarse cloth sometimes worn in mortification.

To augment her painful penance more,
Thrice every week in ashes she did sit,
And next her wrinkled skin rough *sackcloth* wore.
Spenser.

Thus with *sackcloth* I invest my woe,
And dust upon my clouded forehead throw.
Sandys.

Being clad in *sackcloth*, he was to lie on the ground, and constantly day and night to implore God's mercy for the sin he had committed.—*Ayliffe, Parergon Juris Canonici.*

Sáckclothed. *adj.* Wearing sackcloth.

To be jovial, when God calls to mourning; to glut our maw, when he calls to fasting; to glitter, when he would have us *sackclothed* and squalid; he hates it to the death.—*Bishop Hall, Remains*, p. 69.

Sáckful. *s.* As much as fills a sack.

Wood goes about with *sackfuls* of dross, odiously misrepresenting his prince's countenance.—*Swift.*

Sáckage. *s.* Act of storming and plundering a place: (notwithstanding the authority of Burke for the *-cc-* in the spelling, and the Spanish *saco*, the *k* is generally and conveniently adopted; the *sac* in *Anatomy* being the only word in which it is admitted on the principle of differentiation).

Sácking. *s.* Coarse cloth, supporting a bed; cloth, of which sacks are made.

Sáckless. *adj.* [A.S. *sacleas*; see Sake.] Guiltless.

Sácrament. *s.* [Fr.; Lat. *sacramentum.*]

1. Oath; any ceremony producing an obligation.

Here I begin the *sacrament* to all.
B. Jonson, Catiline's Conspiracy.

2. Outward and visible sign of an inward and spiritual grace.

As often as we mention a *sacrament*, it is improperly understood; for in the writings of the ancient fathers all articles which are peculiar to Christian faith, all duties of religion containing that which sense or natural reason cannot of itself discern, are most commonly named *sacraments*; our restraint of the word to some few principal divine ceremonies, importeth in every such ceremony two things, the substance of the ceremony itself, which is visible; and besides that, somewhat else more secret, in reference whereunto we conceive that ceremony to be a *sacrament*.—*Hooker, Ecclesiastical Polity.*

3. Eucharist; holy communion.
As we have ta'en the *sacrament*,
We will unite the white rose with the red.
Shakespear, Richard III. v. 4.
Before the famous battle of Cressy, he spent the greatest part of the night in prayer; and in the morning received the *sacrament*, with his son, and the chief of his officers.—*Addison.*

Sácrament. *v. a.* Bind by an oath actually sacramental, or having a sacramental character.
When desperate men have *sacramented* themselves to destroy, God can prevent and deliver.—*Archbishop Laud, Sermons*, p. 86.
Deep heart! in all this sevenfold night
The Paraclete with thee abode;
And *sacramented* there in light,
Bore witness of the things of God.
Aubrey de Vere, May Carols, pt. ii. 1.

Sacraméntal. *adj.* Constituting a sacrament; pertaining to a sacrament.
To make complete the outward substance of a sacrament, there is required an outward form, which form *sacramental* elements receive from *sacramental* words.—*Hooker, Ecclesiastical Polity.*
The words of St. Paul are plain; and whatever interpretation can be put upon them, it can only vary the way of the *sacramental* efficacy, but it cannot evacuate the blessing.—*Jeremy Taylor.*
I cannot think that nature was so *sacramental* as to point out the holy and mysterious Trinity by the triangle of the heart.—*Id., Sermons*, vol. i. p. 219. (Ord MS.)

Sacraméntal. *s.* That which relates to a sacrament.
These words, cup and testament, ... be *sacramentals.—Bishop Morton, Discharge, &c.*, p. 80.
The fees of sacraments, *sacramentals*, dirigies.—*H. Wharton, On Burnet's History of the Reformation*, p. 66.

Sacraméntally. *adv.* After the manner of a sacrament.
My body is *sacramentally* contained in this sacrament of bread.—*Bishop Hall.*
The law of circumcision was meant by God *sacramentally* to impress the duty of strict purity.—*Hammond.*

Sacramentárian. *s.* One holding peculiar notions concerning the sacraments.
They resolved to accuse him [Cranmer] of being the head and protector of the *sacramentarians.—Tindal*, in *Rapin's History of England.*

Sacraméntary. *s.*
1. Book of prayers and directions respecting sacraments.
As in the Egyptian liturgy; ... and that in Grimoaldus's *sacramentary.—Archbishop Usher, Answer to the Jesuit Malone*, p. 147.
To invite his pupils to read he made use of a psalter and *sacramentary* whose capital letters he had richly illuminated with gold.—*T. Warton, History of English Poetry.*
2. Sacramentarian.
So ye be no papist, ye may be a *sacramentary*, an anabaptist, or a Lutheran.—*Stapleton, Fortresse of the Faith which Protestants call Papistry*, fol. 86.

Sacraméntary. *adj.* Relating to, or connected with, sacramentarians.
He would have not only the papists, but the Lutherans, the anabaptists, and all other divided sects of protestants, to joyne in his *sacramentary* congregation.—*Stapleton, Fortresse of the Faith which Protestants call Papistry*, fol. 25.

Sácrate. *v. a.* Consecrate; dedicate. *Rare.*
The marble of some monument *sacrated* to learning.—*Waterhouse, Apology for Learning*, p. 51: 1653.

Sacrátion. *s.* Consecration.
Why then should it not as well from this be avoided, as from the other find a *sacration?—Fellthan: Resolves*, p. 36. (Ord MS.)

Sacred. *adj.* [Lat. *sacer.*]
1. Immediately relating to God.
Wolves shall succeed for teachers, grievous wolves,
Who all the *sacred* mysteries of heaven
To their own vile advantages shall turn.
Milton, Paradise Lost, xii. 508.
Before me lay the *sacred* text,
The help, the guide, the balm of souls perplex'd.
Arbuthnot.
2. Devoted to religious uses; holy.
Others that had run together into caves near by, to celebrate the sabbath secretly, being discovered to Philip, were all burnt together, because they made a conscience to help themselves for the honour of the most *sacred* day.—2 *Maccabees*, vi. 11.
They with wine-offerings pour'd, and *sacred* feast,
Shall spend their days with joy unblamed.
Milton, Paradise Lost, xii. 21.
This temple and his holy ark,
With all his *sacred* things. *Ibid.* xii. 341.
3. Dedicated; consecrate; consecrated: (with *to*).
O'er its eastern gate was raised above
A temple, *sacred to* the queen of love.
Dryden, Palamon and Arcite, ii. 458.
4. Relating to religion; theological.
Smit with the love of *sacred* song.
Milton, Paradise Lost, iii. 29.
5. Entitled to reverence; awfully venerable.
Bright officious lamps,
In thee concentring all their precious beams
Of *sacred* influence. *Milton, Paradise Lost*, ix. 105.
Poet and saint, to thee alone were given,
The two most *sacred* names of earth and heav'n.
Cowley.
6. Inviolable, as if appropriated to some superior being.
The honour's *sacred*, which he talks on now,
Supposing that I lack't it.
Shakespear, Antony and Cleopatra, ii. 2.
How hast thou yielded to transgress
The strict forbiddance? how to violate
The *sacred* fruit? *Milton, Paradise Lost*, ix. 902.
Secrets of marriage still are *sacred* held;
Their sweet and bitter by the wise conceal'd.
Dryden, Aurengzebe, ii. 1.
Think not that fear is *sacred* to the storm,
Stand on thy guard against the smiles of fate.
Young.

Sácredly. *adv.* In a sacred manner; inviolably; religiously.
When God had manifested himself in the flesh, how *sacredly* did he preserve this privilege!—*South, Sermons.*

Sácredness. *s.* Attribute suggested by a state of being sacred; state of being consecrated to religious uses; holiness; sanctity.
In the sanctuary the cloud, and the oracular answers, were prerogatives peculiar to the *sacredness* of the place.—*South, Sermons.*
This insinuates the *sacredness* of power, let the administration of it be what it will.—*Sir R. L'Estrange.*
It was ... a measure of no inconsiderable hazard and difficulty. For such it surely was under a system of government which rested so much on antiquity, and in spite of the peculiar *sacredness* which the English attach to all freehold property, to annihilate so many prescriptive baronial tenures, the possessors whereof composed more than a third part of the house of lords, and to subject so many estates which the law had rendered inalienable, to maxims of escheat and forfeiture that had never been held applicable to their tenure.—*Hallam, Constitutional History of England*, ch. ii.

Sacrificable. *adj.* Capable of being offered in sacrifice. *Rare.*
Although Jephtha's vow ran generally for the words, whatsoever shall come forth; yet might it be restrained in the sense, to whatsoever was *sacrificable*, and justly subject to lawful immolation, and so would not have sacrificed either horse or dog.—*Sir T. Browne, Vulgar Errours.*

Sacrificant. *s.* One who offers a sacrifice.
Homer did believe there were certain evil demons, who took pleasure in fumes and nidours of sacrifices; and that they were ready, as a reward, to gratify the *sacrificants* with the destruction of any person, if they so desired it.—*Halliwell, Melampronæa*, p. 102.

Sacrificátion. *s.* Sacrifice. *Rare.*
O son! since through the will of God I am thy father, and since to him I must again resign thee, generously suffer thy *sacrification.—Geddes*, vol. ii. preface p. ix.

Sacrificátor. *s.* Sacrificer; offerer of sacrifice. *Rare.*
Not only the subject of sacrifice is questionable, but also the *sacrificator*, which the picture makes to be Jephtha.—*Sir T. Browne.*

Sácrifice. *v. a.* [Fr. *sacrifier*; Lat. *sacrifico.*]
1. Offer to heaven; immolate as an atonement or propitiation: (with *to*).

To civil justice, part religious rites
Of *sacrifice.* *Milton, Paradise Lost*, xii. 227.
2. Thing offered to heaven, or immolated by an act of religion.
Upon such *sacrifice*
The gods themselves throw incense.
Shakespear, King Lear, v. 3.
Go with me like good angels to my end,
And as the long divorce of steel falls on me,
Make of your prayers one sweet *sacrifice*,
And lift my soul to heav'n. *Id., Henry VIII.* ii. 1.
Moloch ... besmear'd with blood
Of human *sacrifice.* *Milton, Paradise Lost*, i. 392.
My life if thou preserv'st, my life
Thy *sacrifice* shall be;
And death, if death must be my doom,
Shall join my soul to thee. *Addison, Spectator.*
3. Anything destroyed, or quitted for the sake of something else: (as, 'He made a *sacrifice* of his friendship to his interest;' generally suggesting the notion of loss, as, 'sold at a great *sacrifice*').
Supposing a man to be in the talking world one-third part of the day, whoever gives another quarter of an hour's hearing, makes him a *sacrifice* of more than the four hundred thousandth part of his conversable life!—*Tatler*, no. 264.
4. Anything destroyed.

Sácrificer. *s.* One who offers sacrifice; one who immolates.
Let us be *sacrificers*, but not butchers.
Shakespear, Julius Cæsar, ii. 1.
When some brawny *sacrificer* knocks,
Before an altar led, an offer'd ox.
Dryden, Translation from Ovid, Metamorphoses, b. xii.
A priest pours wine between the horns of a bull: the priest is veiled after the manner of the old Roman *sacrificers.—Addison.*

Sacrificial. *adj.* Performing sacrifice; included in sacrifice.
Rain *sacrificial* whisp'rings in his ear;
Make sacred even his stirrup.
Shakespear, Timon of Athens, i. 1.
Tertullian's observation upon these *sacrificial* rites, is pertinent to this rule.—*Jeremy Taylor, Worthy Communicant.*

Sácrilege. *s.* [Fr.; Lat. *sacrilegium.*] Crime of appropriating to himself what is devoted to religion; crime of robbing Heaven; crime of violating or profaning things sacred.
By what eclipse shall that sun be defaced,
What mine hath erst thrown down so fair a tower!
What *sacrilege* hath such a saint disgraced?
Sir P. Sidney.
Then gan a cursed hand the quiet womb
Of his great-grandmother with steel to wound,
And the hid treasures in her sacred tomb
With *sacrilege* to dig. *Spenser, Faerie Queen.*
We need not go many ages back to see the vengeance of God upon some families, raised upon the ruins of churches, and enriched with the spoils of *sacrilege.—South, Sermons.*

Sacrilégious. *adj.* [Lat. *sacrilegus.*] Violating things sacred; polluted with the crime of sacrilege.
To *sacrilegious* perjury should I be betrayed, I should account it greater misery.—*Eikon Basilike.*
By vile hands to common use debased,
With *sacrilegious* taunt, and impious jest.
Prior, Solomon, iii. 780.
Still green with bays each ancient altar stands,
Above the reach of *sacrilegious* hands.
Pope, Essay on Criticism, i. 181.
Blasphemy is a malediction, and a *sacrilegious* detraction from the Godhead.—*Ayliffe, Parergon Juris Canonici.*

Sacrilégiously. *adv.* In a sacrilegious manner.
When these evils befell him, his conscience tells him it was for *sacrilegiously* pillaging and invading God's house,—*South, Sermons.*

Sacrilégiousness. *s.* Attribute suggested by Sacrilegious.

Sácrilegist. *s.* One who commits sacrilege.

The hand of God is still upon the posterity of Antiochus Epiphanes the *sacrilegist*.—*Sir H. Spelman, History of Sacrilege*, § 6.

Several of the brass-plates were most sacrilegiously torn up, and taken away: ... but, with shame be it spoken, not one of them did resent the the matter, or enquire after the *sacrilegists*.—*Life of A. Wood*, p. 142.

Sácring. *part.* From Chapman's Translation of Homer's Hymn to Diana Todd quotes:—

'*Sacring* my song to every deity,'

the meaning being *consecrating*. This implies some verb like *sacre*.

Sácring. *s.*

1. Consecration.

What made the people to runne from their seates to the altar, and from altar to altar, and from *sakeryng* (as they called it) to *sakeryng*, peepyng, tootyng, and gasyng at that thynge whiche the prieste helde up in his handes.—*Archbishop Cranmer.*

The *sacring* of the kings of France is the sign of their sovereign priesthood as well as kingdom, and in the right thereof they are capable of holding all vacant benefices.—*Sir W. Temple.*

2. Elevation of the host.

Ryng the belle, that these forsaiden may come to the *sacryng*.—*Ritson, Ancient Songs*, p. 56.

As the *first element* in a *compound*: (with *bell*).

Coleridge, Christabel.

Sácristy. *s.* [Fr. *sacristie.*] Apartment where the consecrated vessels or movables of a church are reposited.

Bold Amycus from the robb'd vestry brings
The chalices of heaven, and holy things
Of precious weight; and sconce that hung on high,
With tapers fill'd to light the *sacristy*.
Dryden, Translation from Ovid, Metamorphoses, b. xii.

A third apartment should be a kind of *sacristy* for altars, idols, and sacrificing instruments.—*Addison.*

Sácrosanct. *adj.* [Lat. *sacrosanctus.*] Inviolable; sacred.

The Roman church ... makes itself so *sacrosanct* and infallible.—*Dr. H. More, Antidote against Idolatry*, ch. iii.: 1669.

Sad. *adj.* [see Sodden.]

1. Sorrowful; full of grief.

Do you think I shall not love a sad Pamela so well as a joyful?—*Sir P. Sidney.*

One from *sad* dismay
Recomforted, and after-thoughts disturb'd
Submitting to what seem'd remediless.
Milton, Paradise Lost, ix. 917.

The hapless pair
Sat in their *sad* discourse and various plaint.
Ibid. x. 342.

Up into heaven, from Paradise in haste
The angelick guards ascended, mute and *sad*.

I now must change
Those notes to tragick: ... *sad* task! *Ibid.* ix. 5.

2. Habitually melancholy; heavy; gloomy; not gay; not cheerful.

It ministereth unto men, and other creatures, all celestial influences: it dissipateth those *sad* thoughts and sorrows, which the darkness both begetteth and maintaineth.—*Sir W. Raleigh.*

See in her cell *sad* Eloisa spread,
Propp'd on some tomb, a neighbour of the dead.
Pope, Eloisa to Abelard.

3. Gloomy; showing sorrow or anxiety by outward appearance.

Be not as the hypocrites of a *sad* countenance.—*Matthew*, vi. 16.

Earth trembled from her entrails, as again
In pangs, and Nature gave a second groan;
Sky lour'd, and, muttering thunder, some sad drops
Wept at completing of the mortal sin
Original. *Milton, Paradise Lost*, ix. 1000.

4. Serious; not light; not volatile; grave.

He with utterance grave, and countenance *sad*,
From point to point discoursed his voyage.
Spenser.

The lady Katherine, a *sad* and religious woman, when Henry VIII.'s resolution of a divorce from her was first made known, said that she had not offended; but that it was a judgment of God, for that her former marriage was made in blood.—*Bacon.*

If it were an embassy of weight, choice was made of some *sad* person of known judgement and experience, and not of a young man, not weighed in state matters.—*Id.*

A *sad* wise valour is the brave complexion
That leads the van, and swallows up the cities;
The *gigler* is a milkmaid, whom infection,
Or a fired beacon, frighteth from his ditties.
G. Herbert.

He left as one that has been stunned,
And is of sense forlorn;
A *sadder* and a wiser man,
He rose the morrow morn.
Coleridge, Ancient Mariner.

5. Afflictive; calamitous.

Thoughts in my unquiet breast are risen,
Tending to some relief of our extremes,
Or end, though sharp and *sad*, yet tolerable.
Milton, Paradise Lost, x. 975.

6. Bad; inconvenient; vexatious: (a word of *burlesque complaint*).

These qualifications make him a *sad* husband.—*Addison.*

7. Dark-coloured.

Crystal, in its reduction into powder, hath a vale and shadow of blue; and in its coarse pieces is of a *sadder* hue than the powder of Venice glass.—*Sir T. Browne, Vulgar Errours.*

I met him accidentally in London in *sad* coloured clothes, far from being costly.—*I. Walton, Life of Bishop Sanderson.*

Scarce any tinging ingredient is of so general use as woad, or glastum; for though of itself it dye but a blue, yet it is used to prepare cloth for green, and many of the *sadder* colours, when the dyers make them last without fading.—*Boyle.*

Woad or wade is used by the dyers to lay the foundation of all *sad* colours. — *Mortimer, Husbandry.*

8. Heavy; weighty; ponderous.

With that his hand, more *sad* than lump of lead,
Uplifting high, he weened with Morddure,
His own good sword, Morddure, to cleave his head.
Spenser, Faerie Queen.

9. Heavy: (applied to *bread*, as contrary to *light*).

10. Cohesive; not light; firm; close.

Chalky lands are naturally cold and *sad*, and therefore require warm applications and light compost.—*Mortimer, Husbandry.*

Sádden. *v. a.*

1. Make sad, sorrowful, melancholy, or gloomy.

Her gloomy presence *saddens* all the scene,
Shades every flower, and darkens every green;
Deepens the murmurs of the falling floods,
And breathes a browner horror on the woods.
Pope, Eloisa to Abelard.

2. Make dark coloured.

3. Make heavy; make cohesive.

The very soft water, lying long upon the bottoms of the sea or pools, doth so compress and *sadden* them by its weight.—*Ray.*

Marl is binding, and *saddening* of land is the great prejudice it doth to clay lands.—*Mortimer, Husbandry.*

Sádden. *v. n.* Become sad.

Troy *sadden'd* at the view.
Pope, Translation of the Iliad, xiv. 558.

'Alas,' said Juan, ''twere a tale distressing,
And long besides.'—'Oh, if 'tis really so,
You're right on both accounts to hold your tongue;
A sad tale *saddens* doubly when 'tis long.'
Byron, Don Juan, v. 16.

Sáddle. *s.* [A.S. *sadel, sadl.*]

1. Seat which is put upon the horse for the accommodation of the rider.

His horse hipped, with an old moth-eaten *saddle*, and the stirrups of no kindred.—*Shakespear, Taming of the Shrew*, iii. 2.

The vent'rous knight is from the *saddle* thrown;
But 'tis the fault of fortune, not his own.
Dryden, Palamon and Arcite, iii. 735.

2. Double loin of mutton.

There was a time ... when the consciousness of having eaten a man's salt rendered me dumb regarding his demerits. ... But why should a *saddle* of mutton blind you, or a turbot and lobster-sauce shut your mouth for ever?—*Thackeray, Book of Snobs*, ch. xiv.

Well, or firm, in the saddle. Firmly seated in general.

Two years afterwards, when he was *firm in the saddle*, and the death of Siward had added the north to the domain of his family, Harold dealt a sharp blow at the one house that held him in check.—*Saturday Review*, August 22: 1868.

Sáddle. *v. a.* [A.S. *sadlian.*]

1. Cover with a saddle.

I will *saddle* me an ass, that I may ride thereon.—2 *Samuel*, xix. 26.

Rebels, by yielding, do like him, or worse,
Who *saddled* his own back to shame his horse.
Cleaveland.

No man, sure, e'er left his house,
And *saddled* Ball, with thoughts so wild,
To bring a midwife to his spouse,
Before he knew she was with child.
Prior, Alma, i. 152.

2. Load; burthen.

Resolved for sea, the slaves thy baggage pack,
Each *saddled* with his burden on his back;
Nothing retards thy voyage.
Dryden, Translation of Persius, v. 206

I accede, provided, first, that you allow me to draw up a fresh deed, which will accomplish your part of the compact; and, secondly, that we *saddle* the proposed delay with the condition that you do not lose your election.—*Lord Lytton, My Novel*, b. xi. ch. vi.

Sáddleback. *s.* With an *adjectival* construction, as, ('a *saddle-back* hill,') i.e. a hill constituting a ridge.

Sáddlebacked. *adj.* Fit for the saddle.

Horses, *saddlebacked*, have their backs low, and a raised head and neck.—*Farrier's Dictionary.*

Sáddlebag. *s.* Kind of portmanteau attached to the saddle.

This accident was, that those sermons which the parson was travelling to London to publish, were, O my good reader, left behind; what he had mistaken for them in the *saddle-bags* being no other than three shirts, a pair of shoes, and some other necessaries, which Mrs. Adams, who thought her husband would want shirts more than sermons on his journey, had carefully provided him.—*Fielding, Adventures of Joseph Andrews*, ch. ii.

Sáddlebow. *s.* [A.S. *sadel-boga.*] Two pieces of wood laid arch-wise, to receive the upper part of a horse's back.

Alight thy steed,
And rein his proud head to the *saddle-bow*.

Or our neglect, we lost her as we came.
Milton, Comus, 509.
Think *sadly* of what hath been spoken.—*Whole Duty of Man*, sunday viii. § 14.
4. In a dark colour.
A gloomy obscure place, and in it only one light, which the genius of the house held, *sadly* attired.—*B. Jonson, Entertainment at Theobalds.*

Sádness. *s.* In a sad manner.

1. Sorrowfulness; mournfulness; dejection of mind.
The soul receives intelligence
By her near genius of the body's end,
And so imparts a *sadness* to the sense.
Daniel, Civil Wars of York and Lancaster.
In the midst of these *sadnesses* God remembered his own creature.—*Jeremy Taylor, Sermon on Psalm*, lxxxvi. 5.
And let us not be wanting to ourselves,
Lest so severe and obstinate a *sadness*
Tempt a new vengeance.
Sir J. Denham, The Sophy.
A passionate regret at sin, a grief and *sadness* of its memory, enter into God's roll of mourners.—*Dr. H. More, Decay of Christian Piety.*
2. Melancholy look.
What hinders, that paleness, *sadness*, and deadness may not be remedied? since God hath given to mankind not only bread to strengthen, and wine to cheer, man's heart; but also oil, and other things proper, to make him a serene and cheerful countenance.—*Jeremy Taylor, Artificial Handsomeness*, p. 105.
Dim *sadness* did not spare,
That time, celestial visages.
Milton, Paradise Lost, x. 23.
3. Seriousness; sedate gravity.
Mighty lord, this merry inclination
Accords not with the *sadness* of my suit.
Shakespear, Henry VI. Part III. iii. 2.
If the subject be mournful, let everything in it have a stroke of *sadness.—Dryden.*

Safe. *adj.* [N.Fr. *sauf*; Lat. *salvus.*]

1. Free from danger.
Our separated fortune
Shall keep us both the *safer*; where we are,
There's daggers in men's smiles.
Shakespear, Macbeth, ii. 3.
But Trivia kept in secret shades alone,
Her care, Hippolytus, to fate unknown;
And call'd him Virbius in th' Egerian grove,
Where then he lived obscure, but *safe* from Jove.
Dryden, Translation of the Æneid, vii. 1062.
2. Free from hurt.
Put your head into the mouth of a wolf, and when you've brought it out *safe* and sound, talk of a reward.—*Sir R. L'Estrange.*
3. Conferring security.
To write the same things to you, to me indeed is not grievous, but for you it is safe.—*Philippians*, iii. 1.

(A wider circle, but in sight of shore),
With longing eyes observing, to survey
Some smooth ascent, or *safe* sequester'd bay.
Pope, Translation of the Odyssey, v. 558.
4. No longer dangerous; placed beyond the power of doing harm.
Banquo's *safe.*—
Ay, my good lord; *safe* in a ditch he lies,
With twenty trenched gashes on his head,
The least a death to nature.
Shakespear, Macbeth, iii. 4.
Our great forbidder *safe*, with all his spies
About him. *Milton, Paradise Lost*, ix. 815.

Safe. *s.* Movable larder.

Safe. *v. a.* Render safe; procure safety to. *Obsolete.*
My more particular,
And that which most with you should *safe* my going,
Is Fulvia's death.
Shakespear, Antony and Cleopatra; i. 3.
Best you *safed* the bringer
Out of the host. *Ibid.* iv. 6.

Safecónduct. *s.* [Fr. *sauf conduit.*]

1. Convoy; guard through an enemy's country.
2. Pass; warrant to pass.
A trumpet was sent to Sir William Waller, to desire a *safeconduct* for a gentleman.—*Lord Clarendon, History of the Grand Rebellion.*

Sáfeguard. *s.*

1. Defence; protection; security.
We serve the living God as near as our wits can reach to the knowledge thereof, even according to his own will; and do therefore trust, that his mercy shall be our *safeguard.*—*Hooker, Ecclesiastical Polity.*
If you do fight in *safeguard* of your wives,
Your wives shall welcome home the conquerors.
Shakespear, Richard III. v. 3.
Cæsar, where dangers threatened on the one side, and the opinion that there should be in him little *safeguard* for his friends on the other, chose rather to venture upon extremities, than to be thought a weak protector.—*Sir W. Raleigh.*
Great numbers, descended from them, have, by the blessing of God upon their industry, raised themselves so high in the world as to become in times of difficulty, a protection and a *safeguard* to that altar, at which their ancestors ministered.—*Bishop Atterbury.*
Thy sword, the *safeguard* of thy brother's throne
Is now become the bulwark of thine own.
Granville.
Those who concurred in the proceeding against Duncombe tried to vindicate their conduct by citing as an example the proceeding against Fenwick. So dangerous is it to violate, on any pretence, those principles which the experience of ages has proved to be the *safeguards* of all that is most precious to a community.—*Macaulay, History of England*, ch. xxviii.
2. Convoy; guard through any interdicted road, granted by the possessor.
3. Pass; warrant to pass.
On *safeguard* he came to me.
Shakespear, Coriolanus, iii. 1.
A trumpet was sent to the earl of Essex for a *safeguard* or pass to two lords, to deliver a message from the king to the two houses.—*Lord Clarendon, History of the Grand Rebellion.*
4. Outer petticoat to save women's clothes on horseback.
Behind her on a pillion sat
Her frantick husband, in a broad-brim'd hat,
A mask and *safeguard*; and had in his hand
His mad wife's distaff for a riding-wand.
Drayton, Moon-calf.

Sáfeguard. *v. a.* Guard; protect.
We have locks to *safeguard* necessaries,
And pretty traps to catch the petty thieves.
Shakespear, Henry V. i. 2.
Courage is the greatest security; for it does most commonly *safeguard* the man; but always rescues the condition from an intolerable evil.—*Jeremy Taylor, Rule and Exercises of Holy Dying*, sect. viii. ch. iii.

Sáfely. *adv.* In a safe manner.

1. Without danger.
Who is there that hath the leisure and means to collect all the proofs, concerning most of the opinions he has, so as *safely* to conclude that he hath a clear and full view?—*Locke.*
All keep aloof, and *safely* shout around;
But none presumes to give a nearer wound.
Dryden, Translation of the Æneid, x. 1006.
2. Without hurt.
God *safely* quit her of her burthen, and with gentle travail, to the gladding of your highness with an heir.—*Shakespear, Henry VIII.* v. 1.

Sáfeness. *s.* Attribute suggested by Safe; exemption from danger.
If a man should forbear his food or his business, till he had certainty of the *safeness* of what he was going about, he must starve and die disputing.—*South, Sermons.*

Sáfety. *s.*

Imprison him;
Deliver him to *safety*, and return.
Shakespear, King John, iv. 2.

Used as the *first element* in a *compound*: (as, *safety-lamp*; *safety-valve*).

Sáffow. *s.* Safflower.
An herb they call *safflow*, or bastard saffron, dyers use for scarlet.—*Mortimer, Husbandry.*

Sáfflower. *s.* Plant of the genus Carthamus (tinctorius) used in dyeing; bastard saffron.
This mather, used to the best advantage, dyeth on cloth a colour the nearest to our Bow dye, or the new scarlet; the like whereof *safflower* doth in silk.—*Sir W. Petty, History of Dyeing Sprat's History of the Royal Society*, p. 298.
The only cosmetic that can be applied without injury to brighten a lady's complexion, is that prepared . . . from *safflower.—Ure, Dictionary of Arts, Manufactures, and Mines.*

Sáffron. *s.* [Fr. *safran.*] Yellow pigment consisting of the dried stigmas of a species of Crocus (sativus). See extracts.
Grind your bole and chalk, and five or six shives of *saffron.—Peacham.*
Saffron is a filamentous cake, composed of the stigmata of the flowers of the crocus sativus. It contains a yellow matter called polychroïte, because a small quantity of it is capable of colouring a great body of water. This is obtained by evaporating the watery infusion of *saffron* to the consistence of an extract, digesting the extract with alcohol, and concentrating the alcoholic solution. The polychroïte remains in the form of a brilliant mass, of a reddish-yellow colour, transparent, and of the consistence of honey. It has the agreeable smell, with the bitter pungent taste of *saffron. Saffron* is employed as a seasoning in French cookery. It is also used to tinge confectionary articles, liqueurs, and varnishes; but rarely as a pigment.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Sáffron. *adj.* Yellow; having the colour of saffron.
Are these your customers?
Did this companion, with the *saffron* face,
Revel and feast it at my house to-day,
Whilst upon me the guilty doors were shut?
Shakespear, Comedy of Errors, iv. 4.
Soon as the white and red mixt finger'd dame
Had gilt the mountains with her *saffron* flame,
I sent my men to Circe's house.
Chapman, Translation of the Odyssey.
There let Hymen oft appear
With *saffron* robe and taper clear;
And pomp, and feast, and revelry,
With mask, and antique pageantry.
Milton, L'Allegro, 123.
Aurora now had left her *saffron* bed,
And beams of early light the heavens o'erspread.
Dryden, Translation of the Æneid, iv. 839.

Sáffrony. *adj.* Having the colour of saffron.
The woman was of complexion yellowish or *saffrony*, as on whose face the sun had too freely cast his beams.—*Lord, History of the Banians*, p. 9.: 1630.

Sag. *v. n.* Hang heavy; shake so as to threaten a fall; stagger.
His state and tottering empire *sagges.*
Miseries of Arthur: 1587.
The mind I sway by, and the heart I bear,
Shall never *sag* with doubt, nor shake with fear.
Shakespear, Macbeth, v. 3.
States, though bound with the straitest laws, often *sagge* aside into schisms and factions.—*Fuller, Holy War*, p. 202.

Sagging to leeward. In *Navigation.* The opposite to holding a good wind, meaning, making a considerable leeway.

Sága. *s.* Prose narrative in Old Norse literature.
These traditions are . . . universally diffused. There are Danish and Icelandic versions of them, externally more or less altered and distorted, yet substantially real copies, professing, indeed, to be borrowed from the German; in particular we have the Niflinga and the Wilkina *saga*, composed in the thirteenth century, which still in many ways illustrate the German original. Innumerable other songs and *sagas* point more remotely in the same direction. Nay, as Von der Hagen informs us, certain rhymed tales, founded on these old adventures, have been recovered from popular recitation, in the Faroe Islands, within these few years.—*Carlyle, Critical and Miscellaneous Essays, The Nibelungen Lied.*
Used *adjectivally* (like the Norse *sagamand* = saga-man).
Years after, this risk was revenged upon the hard-hearted monarch. In the battle of Stamford-Bridge an arrow from a skilled archer penetrated the wind-pipe of the king, and it is supposed to have sped, observes the *saga* writer, from the bow of Heminar, then in the service of the English monarch.—*Baring Gould, Curious Myths of the Middle Ages, William Tell.*

Sagácious. *adj.* [Lat. *sagax.*]

1. Quick of scent.
With might and main they chased the murderous fox . . .
Nor wanted horns to inspire *sagacious* hounds.
Dryden, The Cock and the Fox, 749.
With *of.*
So scented the grim feature, and up-turn'd
His nostrils wide into the murky air,
Sagacious of his quarry from so far.
Milton, Paradise Lost, x. 279.

2. Quick of thought; acute in making discoveries.

Only *sagacious* heads light on these observations, and reduce them into general propositions.—*Locke.*

Lord Eskdale . . . was a noble Crœsus, acquainted with all the gradations of life; . . . clear-sighted, unprejudiced, *sagacious*.—*B. Disraeli, Coningsby.*

Sagáciously. *adv.* In a sagacious manner.

1. With quick scent.

2. With acuteness of penetration.

Lord Coke *sagaciously* observes upon it.—*Burke, Speech upon Economical Reformation.*

Sagácity. *s.*

1. Quickness of scent.

2. Acuteness of discovery.

Sagacity finds out the intermediate ideas, to discover what connexion there is in each link of the chain, whereby the extremes are held together.—*Locke.*

Many were eminent in former ages for their discovery of it; but though the knowledge they have left be worth our study, yet they left a great deal for the industry and *sagacity* of after-ages.—*Id.*

Bentley says that he will supply the want of manuscripts to collate, (to use his own words) by his own '*sagacity*,' and 'happy conjecture.'—*I. Disraeli, Curiosities of Literature, Critical Sagacity.*

I was thinking yesterday that your father-in-law, relying on your advice as a man of great *sagacity* in money matters, as no doubt you are, would join us, if the thing were well presented to him.—*Dickens, Martin Chuzzlewit*, ch. xxxviii.

Ságapenum. *s.* [?] In *Medicine.* Gum resin from undetermined eastern plant; drug so called.

Sagapenum is supposed to be obtained from another species of ferula.—*Henfrey, Elementary Course of Botany*,§ 485.

Making a panegyrick on pieces of *sagathy* or Scotch plaid.—*Tatler*, no. 270.

At Cullumpton are manufactures of *sagathies*, serges, and other woollen goods.—*Rees, Cyclopædia.*

Sage. *s.* [Fr. *sauge*; Lat. *salvia*.—The school of Salernum valued it so highly that they have left the following verse in its honour:

Cur moriatur homo cui *salvia* crescit in horto?]

Plant of the order Labiatæ (akin to the thymes, mints, &c.), cultivated in gardens; Salvia officinalis.

By the colour, figure, taste, and smell, we have as clear ideas of *sage* and hemlock, as we have of a circle.—*Locke.*

Marbled with *sage* the hard'ning cheese she press'd. *Gay, Shepherd's Week, Tuesday*, 13.

Sage. *adj.* [Fr.] Wise; grave; prudent.

Tired limbs to rest,
O matron *sage*, quoth she, I hither came.
Spenser, Faerie Queen.

Vane, young in years, but in *sage* councils old,
Than whom a better senator ne'er held
The helm of Rome. *Milton, Sonnets*, xvii. 1.

Can you expect that she should be so *sage*
To rule her blood, and you not rule your rage?
Waller.

No wonder such accomplishments should turn
A female head, however *sage* and steady.
Byron, Beppo, xxxv.

Sage. *s.* Philosopher; man of gravity and wisdom.

At his birth a star proclaims him come,
And guides the eastern *sages*, who enquire
His place, to offer incense, myrrh, and gold.
Milton, Paradise Lost, xii. 361.

For so the holy *sages* once did sing,
That he our deadly forfeit should release,
And with his Father work us a perpetual peace.
Id., Odes, On the Nativity, 5.

Groves, where immortal *sages* taught,
Where heavenly visions Plato fired.
Pope, Chorus to the Tragedy of Brutus.

Ságely. *adv.* In a sage manner; prudently.

Sober he seemde, and very *sagely* sad.
Spenser, Faerie Queen.

To whom our Saviour *sagely* thus replied.
Milton, Paradise Regained, iv. 285.

Ságeness. *s.* Attribute suggested by Sage; gravity; prudence.

In all good learning, virtue, and *sageness*, they give other men example what thing they should do.—*Ascham, Toxophilus*, b. i.

Ságger. *s.* [?] Pot in which earthenware is baked.

Ságging. *verbal abs.* Bending or sinking underneath weight.

Sagíttal. *adj.* [Lat. *sagittalis*, from *sagitta* = arrow.]

1. Belonging to an arrow.

2 In *Anatomy.* Suture so called from its resemblance to an arrow.

His wound was between the *sagittal* and coronal sutures to the bone.—*Wiseman, Surgery.*

Sagittárius. *s.* [Lat.] Sagittary, or archer; one of the signs of the zodiac.

Sagittarius, the archer, hath thirty-one stars: touching the sign there are, among the poets, many and sundry opinions.—*Moxon, Astronomical Cards*, p. 44.

Ságittary. *s.* Centaur; animal half man half horse, armed with a bow and quiver.

The dreadful *sagittary*
Appals our numbers.
Shakespear, Troilus and Cressida, v. 5.

Ságittary. *adj.* Belonging to an arrow; proper for an arrow.

With such differences of reeds, vallatory, *sagittary*, scriptory, and others, they might be furnished in Judea.—*Sir T. Browne, Miscellanies*, p. 82.

Sagíttate. *adj.* [Lat. *sagitta* = arrow.] Arrow-shaped: (specially applied in *Botany* to leaves of a certain shape).

The form of the general outline of leaves or leaflets has its set of technical terms, such as Circular, *Sagittate*, or Arrow-shaped.—*Henfrey, Elementary Course of Botany*, § 86.

Ságo. *s.* [Malay = bread.] See extracts.

They recommend an attention to pectorals, such as *sago*, barley, turnips, &c.—*Lord Chesterfield.*

Sago is a species of starch, extracted from the *sago* palm, a tree which grows to the height of thirty feet in the Moluccas and the Philippines. The tree is cut down, cleft lengthwise, and deprived of its pith, which being washed with water upon a sieve, the starchy matter comes out, and soon forms a deposit. This is dried to the consistence of dough, pressed through a metal sieve to corn it (which is called pearling) and then dried over a fire with agitation in a shallow copper pan.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Ságy. *adj.* [Fr. *saugé*.] Full of sage; seasoned with sage.

Sail. *s.* [A.S. *sægel*.]

1. Expanded sheet which catches the wind, and carries on the vessel on the water.

He came too late; the ship was under *sail*.
Shakespear, Love's Labour's lost, v. 2.

[They] loosed the rudder bands, and hoisted up the main *sail* to the wind.—*Acts*, xxvii. 40.

The galley borne from view by rising gales,
She follow'd with her sight the flying *sails*.
Dryden, Translation from Ovid, Ceyx and Alcyone.

2. Wings. *Rhetorical.*

He, cutting way
With his broad *sails*, about him soared round;
At last, low stooping with unwieldy sway,
Snatch'd up both horse and man.
Spenser, Faerie Queen.

3. Ship; vessel.

A *sail* arrived
From Pompey's son, who through the realms of Spain
Calls out for vengeance on his father's death.
Addison, Cato, v. 1.

Used as a *plural.* Number of ships.

So by a roaring tempest on the flood,
A whole armado of collected *sail*
Is scatter'd. *Shakespear, Macbeth*, iii. 4.

It is written of Edgar, that he increased the fleet he found two thousand six hundred *sail*.—*Sir W. Raleigh, Essays.*

He had promised to his army, who were discouraged at the sight of Seleucus's fleet, consisting of an hundred *sail*, that at the end of the summer they should see a fleet of his of five hundred *sail*.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Strike sail.

a. Lower the sail.

Fearing lest they should fall into the quicksands, they *strake sail*, and so were driven.—*Acts*, xxvii. 17.

b. Used *metaphorically.* Abate pomp or superiority.

Margaret
Must *strike* her *sail*, and learn a while to serve
Where kings command.
Shakespear, Henry VI. Part III. iii. 3.

Sail. *v. n.*

1. Be moved by the wind with sails.

I shall not mention any thing of the *sailing* waggons.—*Mortimer, Husbandry.*

2. Pass by sea.

When *sailing* was now dangerous . . . Paul admonished them.—*Acts*, xxvii. 9.

3. Swim.

To which the stores of Crœsus, in the scale,
Would look like little dolphins when they *sail*
In the vast shadow of the British whale.
Dryden, Translation of Juvenal, x. 20.

4. Pass smoothly along.

Speak again, bright angel! for thou art
As glorious to this sight, being o'er my head,
As is a winged messenger from heaven,
When he bestrides the lazy-pacing clouds,
And *sails* upon the bosom of the air.
Shakespear, Romeo and Juliet, ii. 2.

Sail. *v. a.*

1. Pass by means of sails.

A thousand ships were mann'd to *sail* the sea.
Dryden.

Turn thine eye to view Alcinous' groves,
The pride of the Phæacian isle, from whence,
Sailing the spaces of the boundless deep,
To Ariconium precious fruits arrived.
J. Philips, Cyder, i. 458.

2. Fly through.

Sublime she *sails*
Th' aerial space, and mounts the winged gales.
Pope

Sail-broad. *adj.* Expanding like a sail.

At last his *sail-broad* vans
He spreads for flight.
Milton, Paradise Lost, ii. 927.

Sail-fish. *s.* British fish of the genus Selachus (maximus); basking-shark.

From its habit of swimming slowly along with its dorsal fin, and sometimes part of its back, out of water, it has obtained in the north the name of *sail-fish*.—*Yarrell, History of British Fishes.*

Saílable. *adj.* Navigable; passable by shipping.

Saílcloth. *s.* Cloth for sails.

Some attention to comfort had been paid by the inhabitants of these caverns, which were portioned off here and there by *sail-cloth* and boards, so as to form separate rooms and storehouses.—*Marryat, Snarleyyow*, vol. i. ch. xvi.

Saíler. *s.* One who, that which, sails: (chiefly limited to *ships*, as, 'a good, a fine, a fast *sailer*. The men who man it are *sailors*; the effect of the *o*, which, etymologically, is incorrect, being to distinguish the formations.

'You must be mad. She is the fastest *sailer* between here and the Thames.' . . . 'I care not!' the porter replied, snatching up a stout oaken staff that lay in a corner, 'I'm an old *sailor*.'—*Sala, Dutch Pictures, The Ship-chandler.*

Saílor. *s.* [see under Sailer.] Seaman; one who practises, or understands, navigation.

They had many times men of other countries that were no *sailors*.—*Bacon.*

Already batter'd, by his lee they lay;
In vain upon the passing winds they call;
The passing winds through their torn canvass play,
And flagging sails on heartless *sailors* fall.
Dryden, Annus Mirabilis, cxxviii.

Young Pompey built a fleet of large ships, and had good *sailors*, commanded by experienced captains.—*Arbuthnot.*

Saíly. *adj.* Like a sail. *Rare.*

The Muse her former course doth seriously pursue,
From Penmen's craggy height to try her *saily* wings.
Drayton, Polyolbion. song x.

Saílyard. *s.* Pole on which the sail is extended.

First from a cloud that heaven all o'ercast,
With glance so swift the subtle lightning past,
As split the *sailyards*; trembling and half-dead,
Each thought the blow was levell'd at his head.
Power, Translation of Juvenal, xii. 27.

Saínfoin. *s.* [Fr.; from *sanctum* = holy (or *sanum* = wholesome) + *fœnum* = hay.] Native plant akin to the peas, clovers, &c., used and cultivated as fodder; Onobrychis sativa.

A large proportion of the common fodder plants, such as Clover, Lucern, and Medic, *Saintfoin*, &c., belong to the suborder (the Papilionaceous Leguminosæ.)—*Henfrey, Elementary Course of Botany*, § 459.

Saint. *s.* [Fr.; Lat. *sanctus*.] Person eminent for piety and virtue.

Thus do I clothe my naked villany
With old odd ends, stol'n forth of holy writ,
And seem a *saint*, when most I play the devil.
Shakespear, Richard III. i. 3.

Miracles are required of all who aspire to this dignity, because they say an hypocrite may imitate a *saint* in all other particulars.—*Addison, Travels in Italy.*

So unaffected, so composed a mind,
So firm, yet soft, so strong, yet so refined,
Heaven, as its purest gold, by tortures tried:
The *saint* sustain'd it, but the woman died.
Pope, Epitaph on Mrs. Corbet.

Saint. *v. a.* Number among saints; reckon among saints by a public decree; canonize.

Are not the principles of those wretches still owned, and their persons *sainted*, by a race of men of the same stamp?—*South, Sermons.*

Over against the church stands a large hospital, erected by a shoemaker, who has been beatified, though never *sainted*.—*Addison.*

Saint. *v. n.* Act with a show of piety.

Whether the charmer sinner it or *saint* it,
If folly grows romantick, I must paint it.
Pope, Moral Essays, ii. 15.

Saínted. *part. adj.*

1. Holy; pious; virtuous.

Thy royal father
Was a most *sainted* king: the queen that bore thee,
Oft'ner upon her knees than on her feet,
Died every day she lived.
Shakespear, Macbeth, iv. 3.

Thy place is here; sad sister; come away:
Once, like thyself, I trembled, wept, and pray'd;
Love's victim then, though now a *sainted* maid.
Pope, Eloisa to Abelard.

2. Holy; sacred.

I hold you as a thing enskied and *sainted*,
By your renouncement an immortal spirit,
And to be talk'd with in sincerity
As with a saint.
Shakespear, Measure for Measure, i. 5.

The crown virtue gives,
After this mortal change, to her true servants,
Amongst the enthroned gods on *sainted* seats.
Milton, Comus, 9.

Saíntess. *s.* Female saint.

The most blessed company of sayntes and *sayntesses*.—*Bishop Fisher, Sermons.*

Some of your *saintesses* have gowns and kirtles made of such dames' refuses.—*Sheldon, Miracles of Antichrist*, p. 98.

Saínthood. *s.* Rank, character, position of a saint.

Theodore had none of that contemptible apathy which almost lifted our James the Second to the superior honour of monkish *sainthood*.—*Walpole.*

Saint-John's-wort. For this and some other terms, where the first element is *Saint*, and the second a proper name, see under St.

Saíntlike. *adj.*

1. Suiting a saint; becoming a saint.

If still thou dost retain
The same ill habits, the same follies too,
Gloss'd over only with a *saintlike* show . . .
Still thou art bound to vice.
Dryden, Translation of Persius, v. 165.

2. Resembling a saint.

The king, in whose time it passed, whom catholicks count a *saintlike* and immaculate prince, was taken away in the flower of his age.—*Bacon.*

Saíntly. *adv.* Like; becoming a saint.

I mention still
Him whom thy wrongs, with *saintly* patience borne,
Made famous, in a land and times obscure.
Milton, Paradise Regained, iii. 92.

Saíntsbell. *s.* Little bell which now rings immediately before the service begins.

The ruin'd house, where holy things were said,
Whose free-stone walls the thatched roof upbraid,
Whose shrill *saints-bell* hangs on his lovery.
Bishop Hall, Satires, v. 1.

At the west end, coeval with the body into which it opens, is a large square tower, containing three large bells, with a sanctus-bell, or *saints-bell*.—*T. Warton, History of the Parish of Kiddington*, p. 7.

The *saintsbell* rung out when the priest came to those words of the mass, *Sancte, Sancte, Sancte, Deus Sabaoth*, that all persons, who were absent, might fall on their knees in reverence of the holy office which was then going on in the church. It was usually placed where it might be heard farthest, in a lantern at the springing of the steeple, or in a turret at an angle of the tower; and sometimes, for the convenience of its being more readily and exactly rung, within a pediment or arcade, between the church and the chancel; the rope, in this situation, falling down into the choir, not far from the altar.—*Ibid.* p. 8.

Saíntseeming. *adj.* Having the appearance of a saint.

A *saint-seeming* and bible-bearing hypocritical puritan.—*Bishop Mountagu, Appeal to Cæsar*, p. 43.

Saíntship. *s.* Character or qualities of a saint.

He that thinks his *saintship* licences him to censures, is to be looked on not only as a rebel, but an usurper.—*Dr. H. More, Decay of Christian Piety.*

This savours something ranker than the tenets of the fifth monarchy, and of sovereignty founded upon *saintship*.—*South, Sermons.*

The devil was piqued such *saintship* to behold,
And long'd to tempt him.
Pope, Moral Essays, iii. 349.

Sákaret. *s.* Male saker.

Sake. *s.* [A.S. *sac*; Danish *sag*; German *sach* = thing, matter. It is only with the notion of purpose or regard, that this word is now common in English; from *charge* or *accusation*, i.e. matter against a person, we have the now obsolete word Sackless.]

1. Final cause; end; purpose.

Thou neither do'st persuade me to seek wealth
For empire's *sake*, nor empire to affect
For glory's *sake*.—*Milton, Paradise Regained*, iii. 45.

The prophane person serves the devil for nought, and sins only for sin's *sake*.—*Archbishop Tillotson.*

Wyndham like a tyrant throws the dart,
And takes a cruel pleasure in the smart;
Proud of the ravage that her beauties make,
Delights in wounds, and kills for killing's *sake*.
Granville.

2. Account; regard to any person or thing.

Would I were young for your *sake*, mistress Anne.
—*Shakespear, Merry Wives of Windsor*, i. 1.

The general so likes your musick, that he desires you, for love's *sake*, to make no more noise with it.—*Id., Othello*, iii. 1.

It is not to gaze on the heavenly light
That the lady walks in the shadow of night;
And if she sits in Este's bower,
'Tis not for the *sake* of its full-blown flower.
Byron, Parisina, ii.

Yield thee, Minotti; quarter take,
For thine own, thy daughter's *sake*.
Id., Siege of Corinth, xvii.

Sáker. *s.* [see extract from Wedgwood, under Musketry.]

1. Hawk, of the falcon kind.

They cast off haukes, called *sakers*, to the kytes.—*Hall, Chronicle*, fol. 207.

2. Piece of artillery.

The cannon, blunderbuss, and *saker*,
He was th' inventor of, and maker.
Butler, Hudibras, i. 2, 355.

According to observations made with one of her majesty's *sakers*, and a very accurate pendulum chronometer, a bullet, at its first discharge, flies five hundred and ten yards in five half-seconds, which is a mile in a little above seventeen half-seconds.—*Derham, Physico-Theology.*

Sal. *s.* [Lat.] Salt: (used as the *first element* in a *combination*, and, generally, constituting a term in *Pharmacy* or *Chemistry*).

Salsoacids will help its passing off; as *sal* prunel.—*Sir J. Floyer.*

Sal gem is so called from its breaking frequently into gem-like squares. It differs not in property from the common salt of the salt springs, or that of the sea, when all are equally pure.—*Woodward.*

Sal ammoniack is found still in Ammonia, as mentioned by the ancients.—*Id.*

The manufacture of *sal* ammoniac may be traced to the remotest era. Its name is derived from Ammonia, or the temple of Jupiter Ammon, in Egypt, near to which the salt was originally made. *Sal* ammoniac exists ready formed in several animal products. The dung and urine of camels contain a sufficient quantity to have rendered its extraction from them a profitable Egyptian art in former times, in order to supply Europe with the article. In that part of Africa, fuel being very scarce, recourse is had to the dung of these animals, which is dried for that purpose by plastering it upon the walls. When this is afterwards burned in a peculiar kind of furnace, it exhales a thick smoke, replete with *sal* ammoniac in vapour; the soot of course contains a portion of that salt, condensed along with other products of combustion.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Salácious. *adj.* [Lat. *salax*; Fr. *salace.*] Lustful; lecherous.

One more *salacious*, rich, and old,
Out-bids, and buys her pleasure with her gold.
Dryden, Translation of Juvenal, x. 493.

Feed him with herbs, whatever thou canst find
Of generous warmth, and of *salacious* kind.
Id., Translation of the Georgics, iii. 198.

Animals, spleened, grow extremely *salacious*.—*Arbuthnot.*

Salácity. *s.* [Lat. *salacitas.*] Lust; lechery.

Immoderate *salacity* and excess of venery is supposed to shorten the lives of cocks.—*Sir T. Browne, Vulgar Errours.*

A corrosive acrimony in the seminal lympha produces *salacity*.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

Sálad. *s.* [Fr. *salade.*] Food of raw herbs.

On a brick wall have I climbed into this garden to see if I can eat grass or pick a *salad* another while, which is not amiss to cool a man's stomach.—*Shakespear, Henry VI. Part II.* iv. 10.

My *salad* days,
When I was green in judgement, cold in blood.
Id., Antony and Cleopatra, i. 5.

You have, to rectify your palate,
An olive, capers, or some better *salad*,
Ush'ring the mutton.
B. Jonson.

The happy old Corycian's fruits and *salads*, on which he lived contented, were all of his own growth.—*Dryden.*

Some coarse cold *salad* is before thee set;
Bread with the bran, perhaps, and broken meat;
Fall on.
Id., Translation of Persius, iii. 221.

Leaves, eaten raw, are termed *salad*: if boiled, they become potherbs: and some of those plants which are potherbs in one family, are *salad* in another.—*Watts.*

Sálading. *s.* Salad.

The spring vegetables, as asparagus, strawberries, and some sort of *salading*, are more easily digested than pears, apples, peaches and nectarines.—*Cheyne, On Health.* (Ord MS.)

Salám. *s.* [Persian.] Compliment of ceremony or respect. The word is now well known in the East Indies.

Our ambassador . . . after reciprocal *sallams*, returned to his lodgings.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 133.

Sálamander. *s.* [Lat. *salamandra.*]

1. Animal supposed to live in the fire, and imagined to be very poisonous. Ambrose Paré has a picture of the salamander, with a receipt for her bite; but there is no such creature, the name being now given to a poor harmless insect. (For its zoological import see extract from Owen.)

The *salamander* liveth in the fire, and hath force also to extinguish it.—*Bacon, Natural and Experimental History.*

According to this hypothesis, the whole lunar world is a torrid zone, and may be supposed uninhabitable, unless they are *salamanders* which dwell therein.—*Glanville, Scepsis Scientifica.*

Whereas it is commonly said that a *salamander* extinguisheth fire, we have found by experience, that on hot coals it dieth immediately.—*Sir T. Browne, Vulgar Errours.*

The artist was so encompassed with fire and smoke, that one would have thought nothing but a *salamander* could have been safe in such a situation.—*Addison, Guardian.*

Salamander [is] the name of a genus of Batrachian reptiles, now limited to the terrestrial species of long-tailed Caducibranchiates, or those which lose their gills before arriving at maturity, but retain their tales. This appendage is changed in the progress of growth in the true *salamander* from a compressed to a rounded form. The female brings forth the young alive, which are hatched in the oviduct; and the sexes frequent the water at the season of reproduction.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

2. In *Cookery.* Instrument for browning the surface of cooked meats, &c. without baking or placing at the fire; it is an iron, which, being heated, is put over the dish.

This is done with a *salamander*, as it is called. . . . A kitchen shovel is sometimes substituted for it.—*E. Acton, Modern Cookery*, p. 183: 1865.

Sálamander's Hair, or **Wool.** *s.* Asbestos.

There may be such candles as are made of *salamander's wool*, being a kind of mineral, which whiteneth in the burning, and consumeth not.—*Bacon.*

Of English talc, the coarser sort is called plaster or parget; the finer, spaad, earth flax, or *salamander's hair*.—*Woodward.*

Salamándrine. *adj.* Resembling a salamander.

Laying it into a pan of burning coals, we observed a certain *salamandrine* quality, that made it capable of living in the midst of the fire, without being consumed or singed.—*Addison, Spectator*, no. 281.

Salámstone. *s.* See extract.

Salamstone . . . consists of small transparent crystals, generally six-sided prisms, of pale reddish and bluish colours. . . . Sapphire and *salamstone* are chiefly met with in secondary repositories, as in the sand of rivers, &c., accompanied by crystals and grains of octahedral iron-ore and of several species of gems.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Sálary. *adj.* [the first *a* long.] Saline. *Rare.*

From such *salary* irradiations may those wondrous variations arise, which are observable in

animals.—*Sir T. Browne, Vulgar Errours*, p. 338. (Ord MS.)

Sálary. *s.* [first *a* short.] Stated hire; literally *salt-money*: (as in 'not worth his *salt*').

This is hire and *salary*, not revenge.
Shakespear, Hamlet, iii. 3.

Several persons, out of a *salary* of five hundred pounds, have always lived at the rate of two thousand.—*Swift.*

Sálary. *v. a.* Subsidize by a salary.

As long as public teachers are *salaried* and removeable by the people there is very little danger of their becoming tyrants by force.—*Barlow, Advice to the Privileged Orders.*

Sale. *s.*

1. Act of selling.
2. Power of selling; market.

Nothing doth more enrich any country than many towns; for the countrymen will be more industrious in tillage, and rearing of all husbandry commodities, knowing that they shall have ready *sale* for them at those towns.—*Spenser.*

3. Public and proclaimed exposition of goods to the market: auction.

Those that won the plate, and those thus sold, ought to be marked, so as they may never return to the race, or to the *sale*.—*Sir W. Temple.*

4. State of being venal; price.

The other is not a thing for *sale*, and only the gift of the gods.—*Shakespear, Cymbeline*, i. 5.

Others more moderate seeming, but their aim
Private reward; for which both God and state
They easily would set to *sale*.
Milton, Samson Agonistes, 1466.

The more money a man spends, the more must he endeavour to increase his stock; which at last sets the liberty of a commonwealth to *sale*.—*Addison.*

5. It seems in Spenser to signify a wicker basket: (perhaps from *sallow*, in which fish are caught).

To make baskets of bullrushes was my wont;
Who to entrap the fish in winding *sale*
Was better seen? *Spenser.*

Sáleable. *adj.* Capable of being sold; vendible; fit for sale; marketable.

I can impute this general enlargement of *saleable* things to no cause sooner than the Cornishman's want of vent and money.—*Carew.*

This vent is made quicker or slower, as greater or less quantities of any *saleable* commodity are removed out of the course of trade.—*Locke.*

Sáleableness. *s.* Attribute suggested by, state or quality of being, Saleable.

You might probably give him a better notion of the value, that is, the *saleableness* of the work.—*Bishop Secker, To Dr. Birch, Illustrations of Literature*, iii. 492.

Salebrósity. *s.* Salebrous condition.

Nature rises to sovereignty, and there is a blaze of honour gilding the briers, and inciting the mind; yet is not this without its thorns and *salebrosity*.—*Fellthan, On Ecclesiastes*, ii. 11.

Sálebrous. *adj.* [Lat. *salebrosus*.] Rough; uneven; rugged.

We now again proceed
Thorough a vale that's *salebrous* indeed;
... bruising our flesh and bones;
To thrust betwixt massy and pointed stones.
Cotton, Wonders of the Peake, p. 54: 1681.

Salép. *s.* See Saloop.

Salep occurs in commerce in small oval grains, of a whitish-yellow colour, at times semi-transparent, of a horny aspect, very hard, with a faint peculiar smell, and a taste like that of gum tragacanth, but slightly saline. These are composed almost entirely of starchy matter, well adapted for making a thick pap with water or milk, and are hence in great repute in the Levant, as restorers of the animal forces.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

The subterranean tubers of some [of the Orchidaceæ] form nutritious food from the presence of a gummy substance; that of a native species, O. mascula, was formerly collected and sold for the preparation of *salep*.—*Henfrey, Elementary Course of Botany*, § 582.

Sálesman. *s.* One who sells; dealer in the way of selling; one who bargains as a seller rather than a buyer; factor.

Poets make characters, as *salesmen* clothes;
We take no measure of your fops and beaus.
Swift.

Sálework. *s.* Work for sale; work carelessly done.

I see no more in you than in the ordinary
Of Nature's *salework*.
Shakespear, As you like it, iii. 5.

Sáliant. *adj.* [Fr.] In *Heraldry*. See extract.

Saliant ... denotes a lion in a leaping posture, and standing so that his right foot is in the dexter point, and his hinder left foot in the sinister base point of the escutcheon, by which it is distinguished from rampant.—*Harris.*

Saliant, in heraldry, is when the lion is sporting himself.—*Peacham.*

Sálient. *adj.* [Lat. *saliens, -entis*, pres. part. of *salio* = I leap.]

1. Leaping; bounding; moving by leaps.

The legs of both sides moving together, as frogs, and *salient* animals, is properly called leaping.—*Sir T. Browne, Vulgar Errours.*

2. Beating; panting.

A *salient* point so first is call'd the heart,
By turns dilated, and by turns compresst,
Expels and entertains the purple guest.
Sir R. Blackmore.

What hope or fear or joy is thine?
Who talketh with thee, Adeline?
For sure thou art not all alone.
Do beating hearts of *salient* springs
Keep measure with thine own? *Tennyson.*

What a progress, since the first *salient* point of the Breton Committee.—*Carlyle, The French Revolution*, pt. ii. b. i. ch. v.

3. Springing or shooting with a quick motion.

Who best can send on high
The *salient* spout, far streaming to the sky.
Pope, Dunciad, ii. 162.

4. Standing, or projecting, forward; prominent.

The doctor endured the recital with exemplary patience, noting down in the leaves of his pocket-book what appeared to him the *salient* points in this fortress of disease to which he had laid siege.—*Lord Lytton, My Novel*, b. xi. ch. iv.

Salinátion. *s.* Act of washing with, or soaking in, salt liquor.

We read in Plutarch, that Philippus Libertus washed the body of Pompey with salt water, which perhaps might be either because it was more abstersive, or that it helped to prevent putrefaction; and it is not improbable the Egyptians might have been accustomed to wash the body with the same pickle they used in *salination*, in order to preserving and embalming it.—*Greenhill, Art of Embalming*, p. 59.

Saline. *adj.* [Lat.] Consisting of, constituting, salt.

This *saline* sap of the vessels, by being refused reception of the parts, declares itself in a more hostile manner, by drying the radical moisture.—*Harvey, Discourse of Consumptions.*

If a very small quantity of any salt or vitriol be dissolved in a great quantity of water, the particles of the salt or vitriol will not sink to the bottom, though they be heavier in specie than the water; but will evenly diffuse themselves into all the water, so as to make it as *saline* at the top as at the bottom.—*Sir I. Newton, On Opticks.*

As the substance of coagulations is not merely *saline*, nothing dissolves them but what penetrates and relaxes at the same time.—*Arbuthnot, On the Nature and Choice of Aliments.*

Salínous. *adj.* Saline. *Rare.*

We do not easily ascribe their induration to cold; but rather unto *salinous* spirits and concretive juices.—*Sir T. Browne.*

Salíva. *s.* [Lat.] Spittle.

Not meeting with disturbance from the *saliva*, I the sooner extirpated them.—*Wiseman, Surgery.*

Salíval. *adj.* Salivary.

The woodpecker, and other birds that prey upon flies, which they catch with their tongue, in the room of the said glands have a couple of bags filled with a viscous humour, which, by small canals, like the *salival*, being brought into their mouths, they dip their tongues herein, and so with the help of this natural birdlime attack the prey.—*Grew.*

Sálivary. *adj.* Relating to, constituted by, connected with, saliva.

The necessity of spittle to dissolve the aliment appears from the contrivance of nature in making the *salivary* ducts of animals which ruminate, extremely open: such animals as swallow their aliment without chewing want *salivary* glands.—*Arbuthnot.*

Sálivate. *v. a.* Purge by the salival glands.

She was prepossessed with the scandal of *salivating*, and went out of town.—*Wiseman, Surgery.*

The purely antiphlogistic power of mercury is displayed most eminently in the inflammatory diseases of intertropical climates. Here the race is fairly run between the actions and movements raised within the body by the disease, and the counteractions and counter-movements raised by the remedy. The work of destruction by the disease is the work of a day or two. And the work of a day or two must be the work of counteraction by the remedy. Even within this time mercury must be made to *salivate*, if mercury is made to cure. If the disease outrun the remedy, the patient dies; if the remedy outrun the disease, the patient is saved.—*Dr. P. M. Latham, Lectures on certain Subjects connected with Clinical Medicine*, lect. xiii.

Salivátion. *s.* [Lat. *salivatio, -onis*.] State produced, or indicated, by an inordinate secretion of saliva.

Holding of ill-tasted things in the mouth will make a small *salivation*.—*Grew, Cosmologia Sacra.*

But is mercury altogether forbidden as a remedy for inflammation in scrofulous constitutions? I am far from saying so; for even in them I have sometimes seen inflamed organs plainly and palpably rescued from destruction by mercury pushed to *salivation*.—*Dr. P. M. Latham, Lectures on certain Subjects connected with Clinical Medicine*, lect. xiii.

Salívous. *adj.* Consisting of, abounding in, having the nature of, spittle.

There happeneth an elongation of the uvula, through the abundance of *salivous* humour flowing upon it.—*Wiseman, Surgery.*

Sállet. *s.* [Fr. *salade*.] Headpiece. *Obsolete.*

But for a *sallet* my brainpan had been cleft with a brown bill.—*Shakespear, Henry VI. Part II.* iv. 10.

Sálleting. *s.* Salad.

Sow some early *salleting*.—*Mortimer, Husbandry.*

Sálliance. *s.* Act of issuing forth; sally. *Rare.*

Now mote I weet,
Sir Guyon, why with so fierce *saliaunce*
And fell intent, ye did at earst me meet.
Spenser, Faerie Queen.

Sállow. *s.* [A.S. *salh*; Lat. *salix*; Gr. ἑλιξ, with the aspirate *h* = *s*.] Kind of willow.

Sallows and reeds on banks of rivers born,
Remain to cut to stay thy vines.
Dryden, Translation of the Georgics, ii. 573.

Many species have long flexible shoots, and are called osiers, under which name they are extensively employed by the workers in wicker; others are not flexible, but form small trees or rough bushes, named *sallows*. The latter, called Saules marceaux by the French, yield the best kind of charcoal for military purposes; they are all, however, burnt for the preparation of this substance.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Sállow. *adj.* [A.S. *salowig*.] Sickly, in the way of colour; yellow.

What a deal of brine
Hath washt thy *sallow* cheeks for Rosaline!
Shakespear, Romeo and Juliet, ii. 3.

No roses bloom upon my fading cheek,
Nor laughing graces wanton in my eyes;
But haggard Grief, lean-looking *sallow* Care,
And pining Discontent, a rueful train,
Dwell on my brow, all hideous and forlorn. *Rowe.*

Sállowness. *s.* Attribute suggested by Sallow; sickly paleness.

A fish-diet would give such a *sallowness* to the celebrated beauties of this island, as would scarce make them distinguishable from those of France.—*Addison.*

Sálly. *s.* [Fr. *saillie*.]

1. Eruption; issue from a place besieged; quick egress.

The deputy sat down before the town for the space of three winter months; during which time *sallies* were made by the Spaniards, but they were beaten in with loss.—*Bacon.*

2. Range; excursion.

Every one shall know a country better that makes often *sallies* into it, and traverses it up and down, than he that, like a mill-horse, goes still round in the same track.—*Locke.*

3. Flight; volatile or sprightly exertion.

These passages were intended for *sallies* of wit; but whence comes all this rage of wit?—*Bishop Stillingfleet.*

4. Escape; levity; extravagant flight; frolick; wild gaiety; exorbitance.

At his return all was clear, and this excursion was esteemed but a *sally* of youth.—*Sir H. Wotton.*

'Tis but a *sally* of youth.
Sir J. Denham, The Sophy.

We have written some things which we may wish never to have thought on: some *sallies* of levity ought to be imputed to youth.—*Swift.*

Sálly. *v. n.* Make an eruption; issue out.

The Turks *sallying* forth, received thereby great hurt.—*Knolles, History of the Turks.*

The noise of some tumultuous fight:
They break the truce, and *sally* out by night.
Dryden, Indian Emperour, iii. 2.

They met at a tavern in Drury Lane, and, when hot with wine, *sallied* forth sword in hand, headed by Porter and Goodman, beat kettledrums, unfurled banners, and began to light bonfires.—*Macaulay, History of England*, ch. xxi.

Sállyport. *s.* Gate at which sallies are made.

My slippery soul had quit the fort,
But that she stopp'd the *sallyport.* *Cleaveland.*
Love to our citadel resorts
Through those deceitful *sallyports;*
Our sentinels betray our forts.
Sir J. Denham, Friendship and Single Life against Love and Marriage.

Mounting his horse [he] rode back to Kenilworth by a remote and circuitous road, and entered the castle by a small *sally-port* in the western wall.—*Sir W. Scott, Kenilworth,* ch. xxvii.

Salmagúndi. *s.* [Fr. *salmigondis*, and *salmigandin*; Lat. *salgama*; Gr. *σάλγαμα*; 'quæcumque conditanea ad victum in vasis servantur, interdum sicca, sæpe cum liquamine et jure, ut mala, pyra, fici, uva, rapæ, &c.' (Columella, l. xii. c. 4.) Pickles, preserves, conserves. Hence *salgamarius* = maker or seller of the same. All the examples, in Facciolati, of the use of this word are from one author, Columella. Todd, in commentating upon the derivations suggested in the extracts, has truly stated that this is the word of which it is a corruption.] Dish, varying with the receipt, but originally consisting of a medley of spiced, salted, or otherwise highly-flavoured viands. Wedgwood connects it most especially with the Spanish *salpicon* = cold meat chopped small and dressed with oil, vinegar, salt, and pepper. In this case, the nearest approach to *salpicon* are the lobster and fish salads.

[*Salmagundi*] is said to be corrupted from 'selon mon goût,' or 'salé à mon goût.'—*Dr. Johnson.*

The French write it *salmigondi*; and the author of La Vie Privée des François, says, it originally signified an entertainment among tradesmen, or low artisans, where each person brought a different dish. Cotgrave calls it a hash, made of cold meat sliced and heated in a chafingdish, with crumbs of bread, wine, verjuice, vinegar, nutmeg, and orange peel.—*Malone.*

Sálmi. *s.* [same origin as Salmagundi; the meaning of the two being alike, i.e. both denoting a mixture of viands.] In *Cookery.* Ragout of game previously roasted.

When a superlative *salmi* is desired, the birds must be scarcely more than half roasted for it.—*E. Acton, Modern Cookery,* p. 292: 1865.

Sálmon. *s.* Fish of the genus Salmo (species salar).

The *salmon* is accounted the king of fresh-water fish, and is bred in rivers relating to the sea, yet so far from it as admits no tincture of brackishness. He is said to cast his spawn in August: some say that then they dig a hole in a safe place in the gravel, and there place their eggs or spawn, after the melter has done his natural office, and then cover it over with gravel and stones, and so leave it to their Creator's protection; who, by a gentle heat which he infuses into that cold element, makes it brood and beget life in the spawn, and to become samlets early in the spring: they haste to the sea before winter, both the melter and spawner. Sir Francis Bacon observes the age of a *salmon* exceeds not ten years. After he is got into the sea he becomes, from a samlet not so big as a gudgeon, to be a *salmon*, in as short a time as a gosling becomes a goose.—*I. Walton, Complete Angler.*

'Let us compare one of the largest trout with a *salmon.* I have selected two fresh-run fish, which, from their curved lower jaws, are, I consider, both males. The *salmon*, you see, is broader; has a tail rather more forked; and the teeth in proportion are rather smaller. The trout, likewise, has larger and more black brown spots on the body; and the head of the trout is a little larger in proportion. The *salmon* has fourteen spines in the pectoral fins, ten in each of the ventral, thirteen in the anal, twenty-one in the caudal, and fifteen in the dorsal. The *salmon* measures thirty-two and a half inches in length, and twenty-one inches in girth, and his weight is eleven pounds. We will now open them. The stomach of the *salmon*, you perceive, contains nothing but a little yellow fluid; and though the *salmon* is twice as large, does not exceed much in size that of the trout. The stomach of the trout, unlike that of the *salmon*, will be found full of food: we will open it. See there are half-digested sand-eels which come out of it.—*Sir H. Davy, Salmonia, Fourth Day.*

The specific distinctions in the genus Salmo will be illustrated by referring to the number and situation of the teeth, the form of the different parts of the gill-covers, and the size, form, and relative situation of the fins.... These colours, differing but little, are in a great degree common at the same period of the year to the three species that are the most numerous, as well as the most valuable; namely, the true *salmon*, the grey trout, and the salmon-trout.... In the *salmon*, the posterior edge of the gill-cover ... forms part of a circle. The teeth of the *salmon* are short, stout, pointed, and recurved.... As further specific distinctions in the *salmon*, I may add that, according to Dr. Richardson, the cæcal appendages are in number from sixty-three to sixty-eight; and several observers have stated the number of vertebræ to be sixty, which I have repeatedly found correct.—*Yarrell, History of British Fishes.*

Sálmon-peál. *s.* [two words.] Young salmon.

These small-sized fish, when under two pounds' weight, are called by some of the London fishmongers *salmon peal*; when larger, grilse.... In order to prevent any misconception of the terms employed, I shall speak of the young salmon of the first year as a pink; in its second year, till it goes to the sea, as a smolt; in the autumn of the second year, as *salmon peal*, or grilse, and, afterwards, as adult salmon.—*Yarrell, History of British Fishes.*

Sálmon-troút. *s.* [two words.] In *Ichthyology.* British fish of the genus Salmo (trutta); sea-trout; phinock.

There is in many rivers that relate to the sea *salmontrouts* as much different from others, in shape and spots, as sheep differ in their shape and bigness.—*I. Walton, Complete Angler.*

The *salmon trout* is, of the migrating species in this country, the next in value to the salmon. It is most abundant in the rivers of Scotland, and its flesh is excellent. It is distinguished by the gill-cover being intermediate in form between that of the salmon and the grey trout.... The teeth are more slender as well as more numerous than in the salmon or grey trout.... The tail is less forked than that of the salmon, but becomes ultimately square at the end.... The Fordwich trout of Isaac Walton is the *salmon trout.*... The species of the phinock, or hirling, of the north, the Salmo albus of Dr. Fleming, which I have received, so exactly resembles the young of the *salmon-trout*, on its first return from salt-water, that I am unable to point out any distinguishing specific character.—*Yarrell, History of British Fishes.*

Salmon-trout, or sea-trout, as it is called in Scotland, is now a permanent resident in a fresh-water lake in the island of Lismore, one of the Hebrides, and without the power of leaving it, or reaching the sea. There it has been known for a long course of years, perfectly reconciled to its prison, and propagated without any apparent difficulty.—*M'Culloch, Journal of the Royal Institution,* no. xxxiv. p. 211.

Saloón. *s.* [Fr. *salon.*] Spacious hall or room; state-room.

The principal apartment of these buildings consists of one or more large *saloons.*—*Chambers.*

When we came in, though it was in the midst of winter, we were carried into a room without a fireplace; and which looked, if possible, still colder than it felt.—I see, said my companion, that you have no taste, or you could not be cold in so beautiful a *saloon* as this. If the present state continues, Rysbrack and other neglected statuaries, who might have adorned Grecian *saloons*, though not Grecian deserts, may come into vogue.—*Walpole.*

Randal's answer was cut short by the appearance of the groom of the chambers. 'My Lord is in the *saloon*, and requests you and Mr. Leslie will do him the honour to join him there.' The two gentlemen followed the servant up the stairs. The *saloon* formed the centre room of the suite of apartments. From its size, it was rarely used save on state occasions.—*Lord Lytton, My Novel,* b. xiii. ch. xxxiii.

Saloóp. *s.* [Turkish, *salep.*] Preparation from the root of a species of orchis. See extract.

It is from the root of this, [orchis mascula,] and other species of this genus, that the sweetish, mucilaginous, and highly nutritive power, called *salep*, is prepared.—*Synopsis of the Materia Alimentaria.*

Sálpicon. *s.* Stuffing put into holes cut in legs of meat. (So the explanation, without an example, stands in the previous edition. Under Salmagundi, however, it may be seen that the Spanish *salpicon* is a meat salad.)

Sálsify. *s.* Culinary and garden plant, of the genus Tragopogon; goatsbeard.

Salsify, or the common sort of goatsbeard, is of a very long oval figure, as if it were cods all over streaked, and engraven in the spaces between the streaks, which are sharp pointed towards the end.—*Mortimer, Husbandry.*

Salsify is the root of Tragopogon porrifolium or goatsbeard.—*Henfrey, Elementary Course of Botany,* § 492.

Salsúginous. *adj.* [Fr. *salsugineux.*] Saltish; somewhat salt.

The distinction of salts, whereby they are discriminated into acid, volatile, or *salsuginous*, if I may so call the fugitive salts of animal substances, and fixed or alcalizate, may appear of much use in natural philosophy.—*Boyle.*

Salt. *adj.* [from Lat. *salax.*] Lecherous; salacious.

Be a whore still:
Make use of thy *salt* hours, season the slaves
For tubs and baths; bring down the rose-cheek'd youth
To the tub fast, and the diet.
Shakespear, Timon of Athens, iv. 3.
All the charms of love,
Salt Cleopatra, soften thy wan lip!
Id., Antony and Cleopatra, ii. 1.
This new-married man, approaching here,
Whose *salt* imagination yet hath wrong'd
Your well-defended honour, you must pardon.
Id., Measure for Measure, v. 1.

Salt. *s.* [from A.S. *sealt.*]

1. In its ordinary acceptation, *salt* is a name applied to several substances, more or less resembling the common kitchen salt, which may be taken as the type of the group; they are crystallized and soluble.

Is not discourse, manhood, learning, gentleness, virtue, and liberality, the spice and *salt* that seasons a man?—*Shakespear, Troilus and Cressida,* i. 2.
He perfidiously has given up,
For certain drops of *salt*, your city Rome,
To his wife and mother. *Id., Coriolanus,* v. 5.

Since *salts* differ much, some being fixt, some volatile, some acid, and some urinous, the two qualities wherein they agree are, that it is easily dissoluble in water, and affects the palate with a sapour, good or evil.—*Boyle.*

A particle of *salt* may be compared to a chaos, being dense, hard, dry, and earthy in the centre, and rare, soft, and moist in the circumference.—*Sir I. Newton, On Opticks.*

Salt is a body whose two essential properties seem to be, dissolubility in water, and a pungent sapor: it is an active incombustible substance; it gives all bodies consistence, and preserves them from corruption, and occasions all the variety of tastes. There are three kinds of *salts*, fixed, volatile, and essential: fixed *salt* is drawn by calcining the matter, then boiling the ashes in a good deal of water: after this the solution is filtrated, and all the moisture evaporated, when the *salt* remains in a dry form at the bottom: this is called a lixivious *salt.* Volatile *salt* is that drawn chiefly from the parts of animals, and some putrified parts of vegetables: it rises easily, and is the most volatile of any. The essential *salt* is drawn from the juice of plants by crystallization.—*Harris.*

2. Taste; smack.

Though we are justices and doctors, and churchmen, Mr. Page, we have some *salt* of our youth in us; we are the sons of women.—*Shakespear, Merry Wives of Windsor,* ii. 3.

3. Wit; merriment.

Salt and smartness.—*Archbishop Tillotson, Sermons,* i. 79.

4. In *Chemistry.* Combination of substances giving a product suggesting a comparison with the common kitchen salt. (The class is a large one; originally comprising all combinations of an acid and an alkali. But this common kitchen salt is now known not to be. See Sodium.)

Salt. *adj.*

1. Having the taste of salt: (as, *salt* fish).

We were better parch in Africk sun,
Than in the pride and *salt* scorn of his eyes.
Shakespear, Troilus and Cressida, i. 3.
Thou old and true Menenius,
Thy tears are *salter* than a younger man's,
And venomous to thine eyes. *Id., Coriolanus,* iv. 1.

2. Impregnated with salt.

Hang him, mechanical *salt* butter rogue: I will awe him with my cudgel.—*Shakespear, Merry Wives of Windsor,* ii. 2.

It hath been observed by the ancients, that *salt* water will dissolve salt put into it in less time than fresh water.—*Bacon.*

A leap into *salt* water very often gives a new motion to the spirit, and a new turn to the blood.—*Addison.*

In Cheshire they improve their lands by letting out the water of the *salt* springs on them, always after rain.—*Mortimer, Husbandry.*

3. Abounding with salt.

He shall inhabit the parched places in the wilderness, in a *salt* land and not inhabited.—*Jeremiah,* xvii. 6.

Salt. *v. a.* Season with salt.

If the salt have lost its savour, wherewith shall it be *salted?*—*Matthew,* v. 13.

If the offering was of flesh, it was *salted* thrice.—*Sir T. Browne.*

Salt. *s.* [Fr. *saut.*] Act of leaping or jumping. *Rare.*

Frisking lambs
Make wanton *salts* about their dry-suck'd dams.
B. Jonson, Masques.

Sált-cát. *s.* [two words.] See extract.

Many give a lump of salt, which they usually call a *salt-cat*, made at the salterns, which makes the pigeons much affect the place.—*Mortimer, Husbandry.*

Sált-eél. *s.* [two words.] Rope's end. *Nautical slang.*

With all my heart, 'faith. But you are all wrong;—this will not signify a brass farding. If you would let me alone, I would give him a *salt-eel*, I warrant you.—*G. Colman the elder, Jealous Wife*, v. 1.

Saltátion. *s.* [Lat. *saltatio, -onis*; *salto* = I leap, jump, spring, dance; pass. part. *saltatus.*]

1. Act of dancing or jumping.

The locusts being ordained for *saltation*, their hinder legs do far exceed the others.—*Sir T. Browne, Vulgar Errours.*

2. Beat; palpitation.

If the great artery be hurt, you will discover it by its *saltation* and florid colour.—*Wiseman, Surgery.*

Sáltcellar. *s.* [catachrestic from Fr. *salière.*] Vessel of salt set on the table.

I send you a triangular *salt-cellar*, and the top of an amber ring.—*Sir H. Wotton, Remains*, p. 464.

When any salt is spilt on the table-cloth, shake it out into the *salt-cellar*.—*Swift, Advice to Servants, Directions to the Butler.*

Sálter. *s.*

1. One who salts.

I shall next proceed to speak of the surgeon or embalmer, and all other inferior officers under him, such as the dissector, emboweller, pollinctor, *salter*, and other dependant servants.—*Greenhill, Art of Embalming*, p. 283.

2. One who sells salt.

After these local names, the most have been derived from occupations; as smith, *salter*, armourer.—*Camden, Remains.*

Sáltern. *s.* Saltwork.

A salt-cat made at the *salterns*.—*Mortimer, Husbandry.*

Sáltholder. *s.* Saltcellar.

'Be propitious, O Bacchus!' said Glaucus, inclining reverentially to a beautiful image of the god placed in the centre of the table, at the corners of which stood the Lares and the *salt-holders*.—*Lord Lytton, Last Days of Pompeii*, b. i. ch. iii.

Sáltier. *s.* [N.Fr. *saultiere.*] In *Heraldry.* See extract.

A *saltier* is in the form of a St. Andrew's cross, and by some is taken to be an engine to take wild beasts: in French it is called 'un sautoir': it is an honourable bearing.—*Peacham.*

Saltinbánco. *s.* Mountebank: (the two words being approximate parallels to one another; *salto* = I leap).

Saltinbancoes, quacksalvers, and charlatans, deceive them: were Æsop alive, the Piazza and Pont-neuf could not speak their fallacies.—*Sir T. Browne, Vulgar Errours.*

He play'd the *saltinbanco*'s part,
Transform'd t' a Frenchman by my art.
Butler, Hudibras, ii. 3, 1007.

Sáltish. *adj.* Somewhat salt.

When billowes make a breach and beat the bankes adowne,
Doth not the *saltish* surge then beate the bankes adowne? *Mirrour for Magistrates*, p. 219.

Soils of a *saltish* nature improve sandy grounds.—*Mortimer, Husbandry.*

Sáltness. *s.* Attribute suggested by Salt.

1. Taste of salt.

Salt water passing through earth, through ten vessels, one within another, hath not lost its *saltness*, so as to become potable; but drained through twenty, becomes fresh.—*Bacon.*

Some think their wits have been asleep, except they dart out somewhat that is piquant and to the quick: men ought to find the difference between *saltness* and bitterness.—*Id.*

2. State of being salt.

If I had buried him in a wave at sea,
I would not to the *saltness* of his grave
Have added the least tear.
Beaumont and Fletcher, Fair Maid of the Inn.

Sáltpan. *s.* Saltwork.

Cicero prettily calls them salinas, *salt-pans*, that you may extract salt out of, and sprinkle where you please.—*Bacon.*

Saltpétre. *s.* Nitrate of potash; nitre.

Nitre, or *saltpetre*, having a crude and windy spirit, by the heat of the fire suddenly dilateth.—*Bacon.*

Nitre, or *saltpetre*, in heaps of earth, has been extracted, if they be exposed to the air, so as to be kept from rain.—*Locke.*

Sáltpit. *s.* Pit where salt is got.

Moab and Ammon shall be as the breeding of nettles, *saltpits*, and a perpetual desolation.—*Zephaniah*, ii. 9.

Sáltwork. *s.* Saltern; place where salt is made.

These *salt-works*, and a mint that is established at the same place, have rendered this town [Halle] almost as populous as Innspruck itself.—*Addison, Travels in Italy.*

Salúbrious. *adj.* [Lat. *salubris.*] Wholesome; healthful; promoting health.

The warm limbeck draws
Salubrious waters from the nocent brood.
J. Philips, Cyder, i. 420.

Salúbriously. *adv.* In a salubrious manner; so as to promote health.

Does not the sweat of the mason and carpenter, who toil in order to partake the sweat of the peasant, flow as pleasantly and as *salubriously*, in the construction and repair of the majestick edifices of religion, as in the painted booths and sordid sties of vice and luxury.—*Burke, Reflections on the Revolution in France.*

Sálutary. *adj.* Wholesome; healthful; safe; advantageous; contributing to health or safety.

The gardens, yards, and avenues are dry and clean; and so more *salutary* as more elegant.—*Ray.*

It was want of faith in our Saviour's countrymen, which hindered him from shedding among them the *salutary* emanations of his divine virtue; and he did not many mighty works there, because of their unbelief.—*Bentley.*

Salutátion. *s.* Act or style of saluting; greeting.

The early village cock
Hath twice done *salutation* to the morn.
Shakespear, Richard III. v. 3.

Thy kingdom's peers
Speak my *salutation* in their minds:
Whose voices I desire aloud with mine,
Hail! king of Scotland!
Id., Macbeth, v. 7.

On her the angel hail
Bestow'd, the holy *salutation* used
Long after to blest Mary.
Milton, Paradise Lost, v. 385.

In all publick meetings, or private addresses, use those forms of *salutation*, reverence, and decency, usual amongst the most sober persons.—*Jeremy Taylor, Rule and Exercises of holy Living.*

Court and state he wisely shuns;
Nor bribed with hopes nor dared with awe
To servile *salutations* runs.
Dryden, Translation from Horace, epode ii. 15.

Barbarous nations frequently imprint on their *salutations* the dispositions of their character. When the inhabitants of Carmena (says Athenæus) would show a peculiar mark of esteem, they breathed a vein, and presented for the beverage of their friend the flowing blood. The Franks tore the hair from their head, and presented it to the person they saluted. The slave cut his hair and offered it to his master.—*I. Disraeli, Curiosities of Literature.*

Salútatory. *s.* Place of greeting. *Rare.*

Coming to the bishop with supplication into the *salutatory*, some outporch of the church.—*Milton, Of Reformation in England*, b. ii.

Salúte. *v. a.* [Lat. *saluto*; pass. part. *salutatus*; *salutatio, -onis.*]

1. Greet; hail.

When ye come into an house, *salute* it.—*Matthew*, x. 12.

One hour hence
And I'll *salute* your grace of York as mother.
Shakespear, Richard III. iv. 1.

2. Please; gratify.

Would I had no being,
If this *salute* my blood a jot: it faints me,
To think what follows.
Shakespear, Henry VIII. ii. 3.

3. Kiss.

You have the prettiest tip of a finger . . . I must take the freedom to *salute* it.—*Addison, Drummer.*

4. Receive with honour.

'How is this, gentlemen burghers?' he said; 'are you Orkney folks turned Highlandmen, that you are all under arms so early this morning; or have you manned the quay to give me the honour of a *salute*, upon taking the command of my ship?'—*Sir W. Scott, The Pirate.*

Melford was particularly active in laying traps for the young noblemen and gentlemen of the Legation. The Prince of Wales was more than once placed in such a situation that they could scarcely avoid passing close to him. Were they to *salute* him? Were they to stand erect and covered while everybody else *saluted* him?—*Macaulay, History of England* ch. xxiii.

Salúte. *s.*

1. Salutation; greeting.

The custom of praying for those that sneeze is more ancient than these opinions hereof: so that not any one disease has been the occasion of this *salute* and deprecation.—*Sir T. Browne.*

O, what avails me now that honour high,
To have conceived of God; or that *salute*,
Hail, highly favour'd, among women blest!
Milton, Paradise Regained, ii. 66

Continual *salutes* and addresses entertaining him all the way, kept him from saving so great a life, but with one glance of his eye upon the paper, till he came to the fatal place where he was stabbed.—*South, Sermons.*

I shall not trouble my reader with the first *salutes* of our three friends.—*Addison.*

2. Kiss.

There cold *salutes*, but here a lover's kiss.
Lord Roscommon.

Saluter. *s.* One who, that which, salutes.

Aristarchus and Epaphras are mentioned as *saluters*, in this epistle.—*Bowyer, Conjectures on the New Testament*, p. 273.

Salutíferous. *adj.* [Lat. *fero* = I bear.] Healthy; bringing health.

We may judge of the malice and subtlety of the grand deceiver, who would render that *salutiferous* food unwholesome.—*Sir P. Rycaut, Present State of the Greek and Armenian Churches*, p. 437: 1679.

The king commanded him to go to the south of France, believing that nothing would contribute more to the restoring of his former vigour than the gentle *salutiferous* air of Montpelier.—*Dennis, Letters.*

Salvability. *s.* Possibility of being received to everlasting life.

The main principle of his religion, as a papist, is more destructive of the comfort of a conjugal society, than are the principles of most hereticks, yea than those of pagans or atheists: for, holding that there is no *salvability*, but in the church; and that none is in the church but such as acknowledge subjection to the see of Rome.—*Bishop Sanderson, Cases of Conscience*, p. 3.

Why do we Christians so fiercely argue against the *salvability* of each other, as if it were our wish that all should be damned, but those of our particular sect?—*Dr. H. More, Decay of Christian Piety.*

Sálvable. *adj.* Capable of being saved.

Our wild fancies about God's decrees have in event reprobated more than those decrees, and have bid fair to the damning of many whom those left *salvable*.—*Dr. H. More, Decay of Christian Piety.*

Sálvage. *s.* Recompense allowed by the law for saving goods from a wreck.

If any ship be lost on the shore, and the goods come to land, they shall presently be delivered to the merchants, they paying only a reasonable reward to those that saved and preserved them, which is intitled *salvage*.—*Sir W. Blackstone, Commentaries on the Laws of England.*

Salvátion. *s.* [from Lat. *salvo* = I save; pass. part. *salvatus*; *salvator* = saviour.] Preservation from eternal death; reception to the happiness of heaven.

As life and death, mercy and wrath, are matters of understanding or knowledge, all men's *salvation*, and all men's endless perdition, are things so opposite, that whosoever doth affirm the one must necessarily deny the other.—*Hooker, Ecclesiastical Polity.*

Him the Most High,
Wrapp'd in a balmy cloud with winged steeds,
Did, as thou saw'st, receive; to walk with God
High in *salvation*, and the climes of bliss,
Exempt from death. *Milton, Paradise Lost*, xi. 705.

Sálvatory. *s.* [Fr. *salvatoire.*] Place where anything is preserved.

I consider the admirable powers of sensation, phantasy, and memory, in what *salvatories* or repositories the species of things past are conserved.—*Sir M. Hale, Origination of Mankind.*

Salve. *s.* [A.S. *sealf.*]

1. Glutinous matter applied to wounds and hurts; plaster.

Let us hence, my sovereign, to provide
A *salve* for any sore that may betide.
Shakespear, Henry VI. Part III. iv. 6.

Sleep is pain's easiest *salve*, and doth fulfil
All offices of death, except to kill. *Donne.*

Go study *salve* and treacle: ply
Your tenant's leg, or his sore eye. *Cleaveland.*

The royal sword thus drawn has cured a wound,
For which no other *salve* could have been found.
Waller.

Though most were sorely wounded, none were slain;
The surgeons soon despoil'd them of their arms,
And some with *salves* they cure.
Dryden, Palamon and Arcite, iii. 724.

2. Help.; remedy.
If they shall excommunicate me, hath the doctrine of meekness any *salve* for me then?—*Hammond.*

Salve, *v. a.* [A.S. *sealfian.*]
1. Cure with medicaments applied.
Many skilful leeches him abide,
To *salve* his hurts. *Spenser, Faerie Queen.*
It should be to little purpose for them to *salve* the wound, by making protestations in disgrace of their own actions.—*Hooker, Ecclesiastical Polity.*
The which if I perform, and do survive,
I do beseech your majesty may *salve*
The long-grown wounds of my intemperature.
Shakespear, Henry IV. Part I. iii. 2.
2. Help; remedy.
Some seek to *salve* their blotted name
With others' blot, till all do taste of shame.
Sir P. Sidney.
Our mother-tongue, which truly of itself is both full enough for prose, and stately enough for verse, hath long time been counted most bare and barren of both; which default, when as some endeavoured to *salve* and recure, they patched up the holes with rags from other languages.—*Spenser, Shepherd's Calendar.*
3. Help or save by a *salvo*, an excuse or reservation.
Ignorant I am not how this is *salved*: they do it but after the truth is made manifest.—*Hooker, Ecclesiastical Polity.*
The schoolmen were like the astronomers, who, to *salve* phænomena, framed to their conceit eccentricks and epicycles; so they, to *salve* the practice of the church, had devised a great number of strange positions.—*Bacon.*
There must be another state to make up the inequalities of this, and *salve* all irregular appearances. —*Bishop Atterbury.*
4. Salute. *Obsolete.*
That stranger knight in presence came,
And goodly *salved* them; who nought again
Him answered as courtesy became.
Spenser, Faerie Queen.

Sálver. *s.* [Spanish, *salva, salvilla.*] Plate on which anything is presented.
He has printed them in such a portable volume, that many of them may be ranged together on a single plate; and is of opinion, that a *salver* of Spectators would be as acceptable an entertainment for the ladies, as a *salver* of sweetmeats.—*Addison.*
Between each act the trembling *salvers* ring,
From soup to sweet wine.
Pope, Moral Essays, iv. 161.

Salvífic. *adj.* [Lat. *salvificus.*] Having a saving character. *Rare.*

Salvífically. *adv.* In a saving manner.
There is but one who died *salvifically* for us, and able to say unto death, hitherto shalt thou go and no farther.—*Sir T. Browne, Christian Morals,* pt. ii. sect. xi. (Ord MS.)

Sálvo. *s.* Exception; reservation; excuse.
They admit many *salvoes*, cautions, and reservations, so as they cross not the chief design.—*Eikon Basilike.*
It will be heard if he cannot bring himself off at last with some *salvo* or distinction, and be his own confessor.—*Sir R. L'Estrange.*
If others of a more serious turn join with us deliberately in their religious professions of loyalty, with any private *salvoes* or evasions, they would do well to consider those maxims in which all casuists are agreed.—*Addison.*
There with ceremonial evolution and manœuvre, with fanfaronading, musketry *salvoes*, and what else the patriot genius could devise, they made oath and obtestation to stand faithfully by one another, under Law and King.—*Carlyle, The French Revolution,* pt. ii. b. i. ch. viii.

Same. *adv.* [A.S. *sam.*] (Spenser writes the word *sam* for the sake of his rhyme). Together. *Obsolete.*
What concord han light and darke *sam?*
Or what peace has the lion with the lamb?
Spenser, Shepherd's Calendar, May.

Same. *adj.* [Mœso-Gothic, *sama.*]
1. Not different; not another; identical; being of the like kind, sort, or degree.
Miso, as spitefully as her rotten voice could utter it, set forth the *same* sins of Amphialtus.—*Sir P. Sidney.*
The tenour of man's woe
Holds on the *same*, from woman to begin.
Milton, Paradise Lost, xi. 632.
Th' etherial vigour is in all the *same*,
And every soul is fill'd with equal flame.
Dryden, Translation of the Æneid, vi. 988.
If itself had been coloured, it would have transmitted all visible objects tinctured with the *same* colour; as we see whatever is beheld through a coloured glass, appears of the *same* colour with the glass.—*Ray, Wisdom of God manifested in the Works of the Creation.*
The merchant does not keep money by him; but if you consider what money must be lodged in the banker's hands, the case will be much the *same.*—*Locke.*
The *same* plant produceth as great a variety of juices as there is in the *same* animal.—*Arbuthnot, On the Nature and Choice of Aliments.*
Same, as well as 'one,' 'identical,' and other words derived from them, is used frequently in a sense very different from its primary one, as applicable to a single object; being employed to denote great similarity. When several objects are undistinguishably alike, one single description will apply equally to any of them; and thence they are said to be all of one and the *same* nature, appearance, &c., as e.g. when we say, 'This house is built of the *same* stone with such another,' we only mean that the stones are undistinguishable in their qualities; not, that the one building was pulled down, and the other constructed with the materials. Whereas sameness, in the primary sense, does not even necessarily imply similarity; for if we say of any man that he is greatly altered since such a time, we understand, and indeed imply by the very expression, that he is one person, though different in several qualities. It is worth observing also, that *same*, in the secondary sense admits, according to popular usage, of degrees. We speak of two things being nearly the *same*, but not entirely; personal identity does not admit of degrees. Nothing perhaps has contributed more to the error of realism than inattention to this ambiguity.—*Archbishop Whateley, Elements of Logic,* appendix.
2. That which was mentioned before.
Do but think how well the *same* he spends,
Who spends his blood his country to relieve.
Daniel.

Sámeness. *s.* Attribute suggested by Same.
1. Identity; state of being not another; not different.
Difference of persuasion in matters of religion may easily fall out, where there is the *sameness* of duty, allegiance, and subjection.—*Eikon Basilike.*
2. Undistinguishable resemblance.
If all courts have a *sameness* in them, things may be as they were in my time, when all employments went to parliament-men's friends.—*Swift.*
Every morning, the regular water-drinkers, ... met each other in the pump-room, took their quarter of a pint, and walked constitutionally. At the afternoon's promenade, ... great people, and all the morning water-drinkers, met in grand assemblage. After this, they walked out, or drove out, or were pushed out in bath chairs, and met one another again. After this, the gentlemen went to the reading-rooms and met divisions of the mass. After this, they went home. If it were theatre night, perhaps they met at the theatre; if it were assembly night, they met at the rooms; and if it were neither, they met the next day. A very pleasant routine, with perhaps a slight tinge of *sameness.*—*Dickens, Pickwick Papers,* ch. xxxvi.

Sámite. *s.* [Lat. *samitum, examitum*; Gr. ἑξαμίτος, from ἕξ = six + μίτος = thread.] Silk stuff so called; velvet.
In silken *samite* she was light array'd,
And her fayre lockes were woven up in gold.
Spenser, Faerie Queen, iii. 12, 13.

Sámlet. *s.* Little salmon.
A salmon after he is got into the sea, becomes, from a *samlet*, not so big as a gudgeon, to be a salmon, in as short a time as a gosling becomes a goose.—*I. Walton, Complete Angler.*

Sámphire, *s.* [*Saint Pierre* = St. Peter, i.e. herb of St. Peter.] Native plant of the genus Crithmum.
Half way down
Hangs one that gathers *samphire*: dreadful trade!
Methinks he seems no bigger than his head.
Shakespear, King Lear, iv. 6.
Samphire grows in great plenty upon the rocks near the sea-shore, where it is washed by the salt-water. It is greatly esteemed for pickling, and is sometimes used in medicine.—*Miller, Gardener's Dictionary.*
Samphire, made into pickles, is Crithmum maritimum, a species growing on maritime rocks.—*Henfrey, Elementary Course of Botany,* § 485.

Sámple. *s.* [*example.*]
1. Specimen; part of the whole shown that judgment may be made of the whole.
He entreated them to tarry but two days, and he himself would bring them a *sample* of the oar.—*Sir W. Raleigh.*
I have not engaged myself to any: I am not loaded with a full cargo: 'tis sufficient if I bring a *sample* of some goods in this voyage.—*Dryden.*
Determinations of justice were very summary and decisive, and generally put an end to the vexations of a law-suit by the ruin both of plaintiff and defendant: travellers have recorded some *samples* of this kind.—*Addison.*
From most bodies, Dick, you know
Some little bits ask leave to flow
And, as through these canals they roll,
Bring up a *sample* of the whole.
Prior, Alma, i. 54.
Our more special acquaintance with Grillparzer is of very recent date, though his name and *samples* of his ware have for some time been hung out, in many British and foreign magazines, often with testimonials which might have beguiled less timeworn customers.—*Carlyle, Critical and Miscellaneous Essays.*
2. Example.
Thus he concludes: and every hardy knight
His *sample* follow'd. *Fairfax.*

Sámple. *v. a.* Show something similar; match.
A modell of this more exquisite frame is sent to Urijah the priest; and must be *sampled* in Jerusalem.—*Bishop Hall, Ahaz with his Altar.* (Ord MS.)
The degrees of the empire's downfall may be *sampled* by those of the Babylonish captivity.—*Mede, Apostacy of Later Times,* p. 78: 1641.

Sámpler. *s.* [Lat. *exemplar.*] Pattern of work; specimen.
O love, why do'st thou in thy beautiful *sampler* set such a work for my desire to set out, which is impossible?—*Sir P. Sidney.*
We created with our needles both one flower,
Both on one *samplar*, sitting on one cushion;
Both warbling of one song, both in one key,
As if our hands, our sides, voices and minds
Had been incorporate.
Shakespear, Midsummer-Night's Dream, iii. 2.
You have *samplers* how to fit yourselves with personal prayers upon any private occurrences.—*Bishop Prideaux, Euchologia,* p. 116.
Coarse complexions,
And cheeks of sorry grain, will serve to ply
The *sampler*, and to tease the housewife's wool.
Milton, Comus, 749.
I saw her sober over a *sampler*, or gay over a jointed baby.—*Pope.*

Sánable. *adj.* [Lat. *sanabilis.*] Curable; susceptive of remedy; remediable.
Those that are *sanable* or preservable from this dreadful sin of idolatry may find the efficacy of our antidote.—*Dr. H. More, Antidote against Idolatry,* preface.

Sanátion. *s.* [Lat. *sanatio, -onis.*] Act of curing.
Consider well the member, and, if you have no probable hope of *sanation*, cut it off quickly.—*Wiseman, Surgery.*

Sánative. *adj.* [L.Lat. *sanativus.*] Powerful to cure; healing.
The vapour of coltsfoot hath a *sanative* virtue towards the lungs.—*Bacon, Natural and Experimental History.*

Sánatory and **Sanatórium.** See Sanitary.

Sáncebell. *s.* See Saintsbell.
Ring out your *sance-bells.*
Beaumont and Fletcher, Mad Lover.

Sánctificate. *v. a.* Sanctify. *Obsolete.*
The Holy Ghost *sanctificating.*—*Barrow, Sermons,* vol. ii. serm. xxxiv.

Sanctificátion. *s.* [Lat. *sanctificatio, -onis.*]
1. State of being freed, or act of freeing from the dominion of sin for the time to come.
The grace of his *sanctification* and life, which was first received in him, might pass from him to his whole race, as malediction came from Adam unto all mankind.—*Hooker, Ecclesiastical Polity.*
2. Act of making holy; consecration.
The bishop kneels before the cross, and devoutly adores and kisses it: after this follows a long prayer for the *sanctification* of that new sign of the cross. —*Bishop Stillingfleet.*

Sánctifier. *s.* One who, that which, sanctifies or makes holy.
To be the *sanctifier* of a people, and to be their God, is all one.—*Derham, Physico-Theology.*

Sánctify. *v. a.* [Lat. *sanctifico.*]
1. Free from the power of sin for the time to come.
For if the blood of bulls, sprinkling the unclean, *sanctifieth* to the purifying of the flesh, how much more shall the blood of Christ?—*Hebrews,* ix. 13.
2. Make holy.
What actions can express the entire purity of thought, which refines and *sanctifies* a virtuous man?—*Addison.*
The triumph of monasticism had enfeebled without *sanctifying* the secular clergy.—*Milman, History of Latin Christianity,* b. viii. ch. viii.
3. Make a means of holiness.
The gospel, by not making many things unclean, as the law did, hath *sanctified* those things generally to all, which particularly each man to himself must *sanctify* by a reverend and holy use.—*Hooker, Ecclesiastical Polity.*

Those judgments God hath been pleased to send upon me, are so much the more welcome, as a means which his mercy hath *sanctified* so to me as to make me repent of that unjust act.—*Eikon Basilike.*

Those external things are neither parts of our devotion, or by any strength in themselves direct causes of it; but the grace of God is pleased to move us by ways suitable to our nature, and to *sanctify* these sensible helps to higher purposes.—*South, Sermons.*

4. Make free from guilt.

The holy man, amazed at what he saw,
Made haste to *sanctify* the bliss by law.
Dryden, Sigismonda and Guiscardo, 163.

5. Secure from violation.

Truth guards the poet, *sanctifies* the line.
Pope, Epilogue to the Satires, dial. ii.

Sanctimónious. *adj.* Saintly; having the appearance of sanctity.

All *sanctimonious* ceremonies.
Shakespear, Tempest, iv. 1.

A *sanctimonious* pretence, under a pomp of form, without the grace of an inward integrity, will not serve the turn.—*Sir R. L'Estrange.*

At this Walter paused, and after twice applying to the bell, a footman of a peculiarly grave and *sanctimonious* appearance opened the door.—*Lord Lytton, Eugene Aram*, b. ii. ch. vii.

Sanctimóniously. *adv.* In a sanctimonious manner.

Ye know, dear lady, since ye are mine,
How truly I have loved you, how *sanctimoniously*
Observed your honour!
Beaumont and Fletcher, Sea Voyage.

Sánctimony. *s.* [Lat. *sanctimonia.*] Holiness; scrupulous austerity; appearance of holiness.

If *sanctimony*, and a frail vow between an errant barbarian and a supersubtle Venetian, be not too hard for my wit and all the tribe of hell, thou shalt enjoy her.—*Shakespear, Othello*, i. 3.

There was great reason why all discreet princes should beware of yielding hasty belief to the robes of *sanctimony.*—*Sir W. Raleigh.*

Sánction. *s.* [Lat. *sanctio, -onis*; *sancio* = I sanction; pass. part. *sancitus* and *sanctus.*]

1. Act of confirmation which gives to anything its obligatory power; ratification.

I have kill'd a slave,
And of his blood caused to be mixt with wine:
Fill every man his bowl. There cannot be
A fitter drink to make this *sanction* in.
B. Jonson, Catiline's Conspiracy.

Against the publick *sanctions* of the peace,
Against all omens of their ill success,
With fates averse, the rout in arms resort,
To force their monarch.
Dryden, Translation of the Æneid, vii. 805.

This word is often made the *sanction* of an oath: it is reckoned a great commendation to be a man of honour.—*Swift.*

The evil which will probably be incurred in case a command be disobeyed, or (to use an equivalent expression) in case a duty be broken, is frequently called a *sanction*, or an enforcement of obedience. Or (varying the phrase) the command or the duty is said to be *sanctioned* or enforced by the chance of incurring the evil. Considered as thus abstracted from the command and the duty which it enforces, the evil to be incurred by disobedience is frequently called a punishment. But as punishments, strictly so called, are only a class of *sanctions*, the term is too narrow to express the meaning adequately. . . . By some celebrated writers (by Locke, Bentham, and, I think, Paley), the term *sanction*, or enforcement of obedience, is applied to conditional good as well as to conditional evil, to reward as well as punishment. But, with all my habitual veneration for the names of Locke and Bentham, I think that this extension of the term is pregnant with confusion and perplexity. Rewards are indisputably motives to comply with the wishes of others. But to talk of commands and duties as *sanctioned* or enforced by rewards, or to talk of rewards as obliging or constraining to obedience, is surely a wide departure from the established meaning of the terms.—*A. J. Austin, The Province of Jurisprudence Determined*, lect. i.

2. Law; decree ratified. *Rare.*

'Tis the first *sanction* nature gave to man,
Each other to assist in what they can.
Sir J. Denham, Of Justice.

Sánction. *v. a.* Give a sanction to.

Tests against old principles, *sanctioned* by the laws.—*Burke, Appeal from the New to the Old Whigs.*

(For other examples see under Sanction, *s.*)

Sánctitude. *s.* [Lat. *sanctitudo.*] Holiness; goodness; saintliness.

In their looks divine
The image of their glorious Maker shone,
Truth, wisdom, *sanctitude*, serene and pure.
Milton, Paradise Lost, iv. 291.

Sánctity. *s.* [Lat. *sanctitas.*]

1. Holiness; state of being holy.

At his touch,
Such *sanctity* hath heaven given his hand,
They presently amend.
Shakespear, Macbeth, iv. 3.

God attributes to place
No *sanctity*, if none be thither brought
By men who there frequent.
Milton, Paradise Lost, xi. 836.

2. Goodness; quality of being good; purity; godliness.

This youth
I relieved with such *sanctity* of love,
And to his image, which methought did promise
Most venerable worth, did I devotion.
Shakespear, Twelfth Night, iii. 4.

It was an observation of the ancient Romans, that their empire had not more increased by the strength of their arms than the *sanctity* of their manners.—*Addison.*

3. Saint; holy being.

About him all the *sanctities* of heaven
Stood thick as stars, and from his sight received
Beatitude past utterance.
Milton, Paradise Lost, iii. 60.

Sánctuarize. *v. a.* Shelter by means of sacred privileges. *Obsolete.*

No place indeed should murder *sanctuarize.*
Shakespear, Hamlet, iv. 7.

Sánctuary. *s.* [Lat. *sanctuarium.*]

1. Holy place; holy ground; properly the *penetralia*, or most retired and awful part of a temple.

Having waste ground enough,
Shall we desire to raze the *sanctuary*,
And pitch our evils there?
Shakespear, Measure for Measure, ii. 2.

They often placed
Within his *sanctuary* itself their shrines.
Milton, Paradise Lost, i. 387.

Let it not be imagined, that they contribute nothing to the happiness of the country who only serve God in the duties of a holy life, who attend his *sanctuary*, and daily address his goodness.—*Rogers, Sermons.*

2. Place of protection; sacred asylum: (whence a *sanctuary man* is one who takes shelter in a holy place).

I'll hence forthwith unto the *sanctuary*,
To save at least the heir of Edward's right.
Shakespear, Henry VI. Part III. iv. 4.

Oft have I heard of *sanctuary men*;
But *sanctuary* children, ne'er till now.
Id., Richard III. iii. 1.

He fled to Beverly, where he and divers of his company registered themselves *sanctuary men.*—*Bacon, History of the Reign of Henry VII.*

Howsoever the *sanctuary man* was protected from his creditors, yet his goods out of *sanctuary* should not.—*Ibid.*

3. Shelter; protection.

What are the bulls to the frogs, or the lakes to the meadows? Very much, says the frog; for he that's worsted will be sure to take *sanctuary* in the fens.—*Sir R. L'Estrange.*

The admirable works of painting were made fuel for the fire; but some reliques of it took *sanctuary* under ground, and escaped the common destiny.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Sand. *s.* [A.S.]

1. Particles of flint, or flintlike stone, not conjoined, or broken to powder.

Here i' the *sands*
Thee I'll rake up, the post unsanctified
Of murderous lechers.
Shakespear, King Lear, iv. 6.

Used *adjectivally.*

If quicksilver be put into a convenient glass vessel, and that vessel exactly stopped, and kept for ten weeks in a *sand* furnace, whose heat may be constant, the corpuscles that constitute the quicksilver will, after innumerable revolutions, be so connected to one another, that they will appear in the form of a red powder.—*Boyle.*

2. Barren country covered with sands.

Most of his army being slain, he, with a few of his friends, sought to save themselves by flight over the desert *sands.*—*Knolles, History of the Turks.*

So, where our wild Numidian wastes extend,
Sudden the impetuous hurricanes descend,
Wheel through the air, *in* circling eddies play,
Tear up the *sands*, and sweep whole plains away,
The helpless traveller, with wild surprise,
Sees the dry desert all around him rise,
And smother'd in the dusty whirlwind dies.
Addison, Cato.

Sand. *v. a.* Force or drive upon the sands. *Rare.*

Travellers and seamen, when they have been *sanded* or dashed on a rock, for ever after fear not that mischance only, but all such dangers whatsoever.—*Burton, Anatomy of Melancholy*, p. 148.

Sánd-blind. *adj.* [two words.] Having a defect in the eyes, by which small particles appear to fly before them: (so the explanation stands in the previous editions; it requires, however, confirmation).

My true begotten father, being more than *sand-blind*, high gravelblind, knows me not.—*Shakespear, Merchant of Venice*, ii. 2.

Sándal. *s.* [Fr. *sandale*; Lat. *sandalium.*] Loose shoe.

Thus sung the uncouth swain to the oaks and rills,
While the still morn went out with *sandals* gray.
Milton, Lycidas, 186.

His harp, his quiver,
And Lycian bow are gold: with golden *sandals*
His feet are shod.
Prior, Second Hymn of Callimachus.

Sándalwood. *s.* In *Botany.* See extracts.

Sandal-wood, the wood of Santalum album, is, perhaps, the best known production of this order.—*Henfrey, Elementary Course of Botany*, § 540.

Sandal or red *Saunder's wood* is the wood of the Pterocarpus santalinus, a tree which grows in Ceylon, and on the coast of Coromandel. . . . The colouring matter . . . has been called santaline. . . . *Sandal-wood* is used in India, along with one-tenth of sapan wood (the Cæsalpinia sapan of Japan, Java, Siam, Celebes, and the Philippine isles, principally for dyeing silk and cotton.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

These woods formerly bore the name of Sanders wood. White or Indian *sandal-wood* comes from S. album; yellow or Sandwich Island, from S. Freycinetianum and S. paniculatum; while Western Australia furnishes another kind in the wood of S. latifolium. What is called red *sandal wood*, is another thing, and is produced by Pterocarpus santalinus.—*Moore*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Sándarach. *s.* [?] Resin from Callitris quadrivalvis; used, when powdered, as pounce.

Sandarach is a peculiar resinous substance, the product of the Thuja articulata. . . . It contains three different resins; one soluble in spirit of wine, somewhat resembling pinic acid; one not soluble in that menstruum; and a third, soluble only in alcohol of 90 per cent. It is used as pounce-powder for strewing over paper erasures, as incense, and in varnish.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Sándbag. *s.*

1. Coarse bag filled with sand and used as a cover for troops: (a *military* term).

2. Bag filled with sand; and suspended at the end of a revolving cross post.

Engaged with money bags as bold
As men with *sandbags* did of old.
Butler, Hudibras, iii. 2, 79.

Sándbath. *s.* Vessel filled with warmed or heated sand, for the purpose of maintaining a permanent and equable heat; sand-furnace, as in extract from Boyle, under Sand.

Sándbox. *s.* In *Botany.* See extract.

The fruit of [the *sandbox*], if suffered to remain on till they are fully ripe, burst in the heat of the day with a violent explosion, making a noise like the firing of a pistol, and hereby the seeds are thrown about to a considerable distance. These seeds, when green, vomit and purge, and are supposed to be somewhat akin to nux vomica.—*Miller, Gardener's Dictionary.*

The seeds of Omphalea are said to be eatable if the embryo is extracted, but if this is not done it is too cathartic for food. Mr. W. Macleay calls this nut 'most delicious and wholesome,' and speaks of it as the cobnut, or hognut, of Jamaica. Similar qualities reside in the seeds of Hura crepitans, the *sandbox* tree.—*Lindley, Vegetable Kingdom.*

Sándboy. *s.*

1. Boy employed in carting, or carrying, sand.

2. ? Sand-hopper.

'I feel as if the house were on the sea,' said Martin, staggering when he rose; 'and am utterly wretched.' 'I'm as jolly as a *sandboy*, myself, sir,' said Mark. 'But, Lord, I have reason to be!'—*Dickens, Martin Chuzzlewit*, ch. xvii.

Sánded. *adj.*

1. Covered with sand; barren.

In well *sanded* lands little or no snow lies.—*Mortimer, Husbandry.*

The river pours along
Resistless, roaring dreadful down it comes;
Then o'er the *sanded* valley floating spreads.
Thomson.

2. Having a sandy colour.

My hounds are bred out of the Spartan kind,
So flew'd, so *sanded*, and their heads are hung
With ears that sweep away the morning dew.
Shakespear, Midsummer-Night's Dream, iv. 1.

3. Short-sighted.

Sand-grouse. *s.* Bird akin to the quails, of the genus Pterocles.

The deserts of Africa appear to be the metropolis of the genus Pterocles, or *sand-grouse*. . . . They are mostly of a small size for gallinaceous birds, being inferior to our partridges; but their plumage, without being bright or showy, is so particularly elegant, that they are peculiar favourites with most ornithologists.—*Swainson*, in *Naturalist's Library, Birds of Western Africa.*

Sándeel. *s.* See Sandlaunce.

Sánderling. *s.* Native bird, akin to the sandpipers, of the genus Totanus (species calidris).

We reckon coots, *sanderlings*, pewets, and mews. —*Carew, Survey of Cornwall.*

The appearance of the *sanderling* in spring, when changing to the plumage of summer, is prettier than at any other season, each feather on the upper surface of the body exhibits a portion of black in the centre, edged partly with rufous and partly with the remains of the white peculiar to winter: by degrees the white edging gives place to the red; the neck in front becomes speckled, but the under surface of the body remains white all the year.—*Yarrell, History of British Birds.*

The *sanderling* is a species pretty frequent on our shores during spring, autumn, and winter; but is not known to breed with us. It is widely distributed in other regions, and breeds far north, and within the Arctic Circle. The nest is said to be of rude construction, and placed in marshy situations, and the eggs to be four in number, of a dusky colour spotted with black.—*Laishley, Popular History of British Birds' Eggs*, p. 204.

Sánders. *s.* Sandalwood.

Isles . . . rich in stones, and spices, and white *sanders*.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 370.

Aromatize it with *sanders*.—*Wiseman, Surgery.*

Sándgrass. *s.* Grass that grows in sand; specially applied to certain species which from binding the sand by their spreading roots, are valued for the service they do in helping to resist the encroachments of the sea.

The *sandgrasses*, Elymus arenarius, Arundo arenaria, are valuable binding weeds on shifty sandy shores.—*Henfrey, Elementary Course of Botany*, § 594.

Sándhill. *s.* Hillock of sand.

To the *sandhills* of the sea,
Where the earliest violets be. *Shelley.*

Sándhopper. *s.* Small crustacean of the genus Talitrus (locusta).

Among the amphipods most common on our shores are the *sandhoppers*, found under stones or under the mass of exuviæ thrown up by the tide on sandy shores in troops of thousands, all active and leaping when disturbed in their retreats.—*Maunder, Treasury of Natural History.*

Sándiness. *s.* Attribute suggested by Sandy.

Let such pretenders suspect the *sandiness* and hollowness of their foundation.—*South, Sermons*, vol. iv. serm. iii.

Sándiver. *s.* See extract.

That which our English glassmen call *sandiver*, and the French, of whom probably the name was borrowed, *suindever*, is that recrement that is made when the materials of glass, namely, sand and a fixt lixiviate alkali, having been first baked together, and kept long in fusion, the mixture casts up the superfluous salt, which the workmen afterwards take off with ladles, and lay by as little worth.—*Boyle.*

Sándish. *adj.* Approaching to the nature of sand; loose; not close; not compact. *Rare.*

Plant the tenuifolias and ranunculuses in fresh *sandish* earth, taken from under the turf.—*Evelyn, Kalendar.*

Sándlaunce. *s.* British fish of the genus Ammodytes (lancea). The closely allied species A. Tobianus is commonly called Sandeel. It has, however, no connection with the true eels.

The *sand-eel* is immediately to be distinguished from the *sand-launce* by its greater size, specimens now before me measuring twelve inches in length. Ray's fish was fifteen inches and a half long: it is further distinguished by the greater length of the head, and particularly of the lower jaw; by the commencement of the dorsal fin being on a line with the end of the pectoral fin-rays: the dorsal fin of the *sand-launce* beginning on a line with the middle of the pectoral fin, and the head smaller and shorter. . . . The *sand-eel* is browner in colour and less transparent in appearance, when in hand, than the *sand-launce*.—*Yarrell, History of British Fishes.*

Sándmartin. *s.* Species of swallow so called from frequenting sandy banks and pits, where it breeds.

The *sand-martin* is the smallest in size of the species of Hirundo visiting this country. It makes its appearance here a little earlier than the swallow or martin; but not frequenting the habitations of men, its annual return is not so regularly or so generally noticed. Mr. Heysham, however, has recorded that, so far north as Carlisle, this bird has in two different seasons been noticed before the end of March; and there are other records of its having been observed in Cumberland on the 4th and on the 11th of April. Like the species already described, this little wanderer comes to this country from Africa, and frequents as its resting place high banks of rivers, sand-pits, and other vertical surfaces of earth that are sufficiently soft in substance to enable the bird to perforate it to the depth necessary for its purpose. In such situations this little engineer forms circular holes in a horizontal direction, boring to the depth of two feet or more, with a degree of regularity, and an amount of labour, that is rarely exceeded among birds.—*Yarrell, History of British Birds.*

The *sand-martin* . . . is one of our earliest spring visitors, reaching our shores often in March. As the name indicates, sandbanks, or the banks of rivers, if easily pierced, are selected by the birds for breeding in; where, having penetrated by dint of labour, sometimes to the depth of eighteen inches, or even more, they construct a nest of dry grass, lined with feathers, upon which the eggs, four or five in number, and spotless white, are deposited.—*Laishley, Popular History of British Birds' Eggs.*

Sándnecker. *s.* British fish of the genus Platessa (plaice); species P. limandoides; sand-fluke; long fluke; long rough dab.

Sándpipe. *s.* In *Geology*. Deep pipelike channels filled with sand or gravel found in chalk.

Sandpipes . . . have been found near Norwich penetrating upwards of sixty feet into the chalk, the larger ones being twelve feet in diameter. They all taper downward and end in a point, and even when close together, and in soft chalk, the walls are not broken through. Generally the sides and bottom are lined with clay, and the central part of each pipe is full of sand and gravel. It is not easy always to see how such pipes or funnels can have been formed. Some may have commenced by the rotatory motion of stones drilling holes in the chalk, but they have probably been continued by the slow action of water containing carbonic acid penetrating into holes made in this or some other accidental way, and perhaps deepened in modern times by the action of humic acid derived from the roots of trees penetrating down and afterwards decaying. It is not unfrequently the case that the course of a *sandpipe* can be traced through the gravel and sand overlying it by its effect on the vegetable soil.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Sándpiper. *s.* Native bird of the genus Totanus.

The common *sandpiper* is a summer visitor to this country, appearing in April, leaving us again in the end of September, and is very generally known by the name of the summer snipe.—*Yarrell, History of British Birds.*

Sándpride. *s.* British fish of the genus Ammocœtes (branchialis); pride; sandprey; mud lamprey.

It is very common in the Thames about Hampton, where it is called *sandpride*.—*Yarrell, History of British Fishes.*

(See also under Pride.)

Sándshot. *s.* In *Artillery*. Balls (smaller than those cast in iron) cast in sand.

Sándsmelt. *s.* British fish of the genus Atherina (presbyter); atherine.

The atherine is a common fish at Brighton, where it is called the *sandsmelt*.—*Yarrell, History of British Fishes.*

(See also under Smelt.)

Sándstone. *s.* Stone of a loose and friable kind, that easily crumbles into sand.

Sandstone [is] one of the three great divisions of the sedimentary rock masses, limestone and clay being the others. In Geology, *sandstones* belong to all geological periods, and exhibit almost infinite variety of detail, although with a degree of general resemblance not easily mistaken. . . . *Sandstones* are presented in no regular order. Large tracts of country consist almost exclusively of such rock, and are very barren, but more usually other rocks alternate with them, and the mixture makes vegetable soil. *Sandstones* are rarely fossiliferous. They are, however, remarkable as a group containing a peculiar kind of fossil, namely the imprint of animals that have walked over certain beds while the mass was being accumulated and before the sea-sand had passed into the state of stone. Such footmarks have been detected chiefly in the older secondary *sandstones*, especially the new red *sandstone*; as in the neighbourhood of Liverpool and in Warwickshire in England, in some parts of Scotland, in Connecticut and other northern states of America. They have been found much more sparingly in the Palæozoic *sandstones*. . . . *Sandstones* are valuable for building purposes. Some, especially those of which the cementing medium is silica, are extremely durable; others, cemented only by carbonate of lime or oxide of iron, are so rotten as not to be worth the expense of moving from the quarry. There are many intermediate qualities. . . . *Sandstones* of which the particles are coarse, are called Grit, and when made up of pebbles cemented together they are termed Conglomerate or Pudding Stone.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Sándwich. *s.* Thin layer of meat between two slices of bread.

A neat snug study on a winter's night,
A book, friend, single lady, or a glass
Of claret, *sandwich*, and an appetite,
Are things which make an English evening pass.
Byron, Don Juan, v. 58.

In virtue of which liberal arrangement, they had the happiness to find awaiting them in the parlour two chaotic heaps of the remains of last night's pleasure, consisting of certain filmy bits of oranges, some mummied *sandwiches*, various disrupted masses of the geological cake, and several entire captain's biscuits. That choice liquor in which to steep these dainties might not be wanting, the remains of the two bottles of currant wine had been poured together and corked with a curl-paper; so that every material was at hand for making quite a heavy night of it.—*Dickens, Martin Chuzzlewit*, ch. vi.

Sándwort. *s.* Native plant of the genus Arenaria (Lat. *arena* = sand).

Sándy. *adj.*

1. Abounding with sand; full of sand.

I should not see the *sandy* hourglass run,
But I should think of shallows and of flats.
Shakespear, Merchant of Venice, i. 1.
O'er *sandy* wilds where yellow harvests spread.
Pope, Windsor Forest.

2. Consisting of sand; unsolid.

Favour, so bottomed upon the *sandy* foundation of personal respects only, cannot be long lived.—*Bacon, Advice to Villiers.*

Sane. *adj.* [Lat. *sanus*.] Sound; healthy.

Its termination [that of delirium] is various. Even those who have a strong hereditary taint often remain perfectly *sane* for some years after the first attack.—*Crichton, On Mental Derangement*, vol. i. p. 162.

Sang-froid. *s.* [Fr. *sang* = blood; *froid* = cold, cool.] Coolness; freedom from agitation.

He could with the most perfect *sang-froid* lock up this admirable piece in his desk, and wait with philosophic patience for a favourable season to produce it.—*Sheridan, Life of Swift*, § 2.

He talks of his union, just as he does of his taxes and his savings, with as much *sang-froid* and ease, as if his wish and the enjoyment were exactly the same thing.—*Burke, Observations on a late State of the Nation.*

There he stood with such *sang-froid*, that greater
Could scarce be shown even by a mere spectator.
Byron, Don Juan, v. 21.

The officers were not a little staggered at the coolness and *sang-froid* of Mynheer Krause, he had never appeared to so much advantage; they bowed respectfully as he finished his speech.—*Marryat, Snarleyyow.*

Sanguíferous. *adj.* [Lat. *sanguifer*; *fero* = I bear; *sanguis*, *-inis*.] Conveying blood.

The fifth conjugation of the nerves is branched to the muscles of the face, particularly the cheeks, whose *sanguiferous* vessels it twists about.—*Derham, Physico-Theology.*

Sanguificátion. *s.* [Fr.] Production of blood; conversion of the chyle into blood.

Asthmatick persons have voracious appetites, and consequently, for want of a right *sanguification*, are leucophlegmatick.—*Arbuthnot, On the Nature and Choice of Aliments.*

Sánguifier. *s.* Producer of blood.

Bitters, like choler, are the best *sanguifiers*, and also the best febrifuges.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

Sánguify. *v. n.* Produce blood.

At the same time I think, I command: in inferior faculties, I walk, see, hear, digest, *sanguify*, and carnify, by the power of an individual soul.—*Sir M. Hale.*

Sánguinary. *adj.* Cruel; bloody; murderous.

We may not propagate religion by wars, or by *sanguinary* persecutions to force consciences.—*Bacon.*

Passion transforms us into a kind of savages, and makes us brutal and *sanguinary*.—*Broome.*

Sánguine. *adj.* [Lat. *sanguis*, *-inis* = blood.]

1. Red; having the colour of blood.

This fellow
Upbraided me about the rose I wear;
Saying, the *sanguine* colour of the leaves
Did represent my master's blushing cheeks.
Shakespear, Henry VI. Part I. iv. 1.

A stream of nectarous humour issuing flow'd
Sanguine. *Milton, Paradise Lost*, vi. 332.

Dire Tisiphone there keeps the ward,
Girt in her *sanguine* gown.
Dryden, Translation of the Æneid, vi. 749.

Her flag aloft, spread ruffling to the wind,
And *sanguine* streamers, seem the flood to fire:
The weaver, charm'd with what his loom design'd,
Goes on to sea, and knows not to retire.
Id., Annus Mirabilis, clii.

2. Abounding with blood more than any other humour; cheerful.

Though these faults differ in their complexion as *sanguine* from melancholy, yet they are frequently united.—*Dr. H. More, Government of the Tongue.*

3. Warm; ardent; confident.

A set of *sanguine* tempers ridicule, in the number of fopperies, all such apprehensions.—*Swift.*

Sánguine. *s.*

1. Blood colour.

A grisly wound,
From which forth gush'd a stream of gore, blood thick,
That all her goodly garments stain'd around,
And in deep *sanguine* dyed the grassy ground.
Spenser, Faerie Queen.

2. Blood-stone, with which cutlers sanguine their hilts.

Sánguine. *v. a. Rare.*

1. Make of a sanguine colour; varnish with sanguine. See Brownbill.

What rapier? gilt, silver'd, or *sanguined?*—
None but that varnisht rapier, lest it should rain.
Minsheu, Spanish Dictionary, p. 3: 1599.

I would send
His face to the cutler's then, and have it *sanguined*;
'Twill look a great deal sweeter.
Beaumont and Fletcher, The Captain.

2. Stain with blood.

Nor you, ill *sanguined* with an innocent's blood!
Which my dear mistress' side so rudely rent,
Brothers in ill, shall 'scape your punishment.
Sir R. Fanshawe, Translation of Guarini's Pastor Fido, p. 149.

Sánguineless. *adj.* Bloodless. *Rare.*

But they shall see her in her native dress,
Such as she is 'mongst shades, pale, *sanguineless.*
Christian Religion's Appeal, p. 45. (Ord MS.)

Sánguinely. *adv.* In a sanguine manner; ardently; confidently.

Statesmen and beauties are very rarely sensible of the gradations of their decay; and too *sanguinely* hoping to shine on in their meridian, often set with contempt and ridicule.—*Lord Chesterfield.*

Sánguineness. *s.* Attribute suggested by Sanguine.

Rage, or phrensy it may be, in some perhaps natural courage, or *sanguineness* of temper in others; but true valour it is not, if it knows not as well to suffer as to do. That mind is truly great, and only that, which stands above the power of all extrinsick violence; which keeps itself a distinct principality, independent upon the outward man.—*Dr. H. More, Decay of Christian Piety.*

Sánguineous. *adj.*

1. Constituting blood.

This animal of Plato containeth not only *sanguineous* and reparable particles, but is made up of veins, nerves, and arteries.—*Sir T. Browne, Vulgar Errours.*

2 Abounding with blood.

A plethorick constitution, in which true blood abounds, is called *sanguineous*.—*Arbuthnot.*

The predisposing causes of this variety are—the earlier and middle periods of life, the male sex, plethoric habits of body, *sanguineous* and irritable temperaments, full living, indolence, indulgence in bed, neglect of regular exercise in the open air, and mental exertion.—*Copland, Dictionary of Practical Medicine.*

Sanguínity. *s.* Ardour; heat of expectation; confidence.

I very much distrust your *sanguinity*.—*Swift.*

Sánhedrim. *s.* [Gr. *συνέδριον.*] Chief council among the Jews, consisting of seventy elders, over whom the high priest presided.

It may be probably hence gathered, that there was no such *sanhedrim* in these days, as the Jews conceive there always was in the most early times; for why should they go to her for judgement, if there were a court of seventy eminent persons then sitting at Shiloh?—*Patrick, On Judges*, iv. 5.

Sanícle. *s.* Plant of the genus Sanicula.

Sánies. *s.* [Lat.] Thin matter; serous excretion.

It began with a round crack in the skin, without other matter than a little *sanies*.—*Wiseman, Surgery.*

Sánious. *adj.* Running a thin serous matter, not a well digested pus.

Observing the ulcer *sanious*, I proposed digestion as the only way to remove the pain.—*Wiseman, Surgery.*

Sanitárium. *s.* Hospital or retreat for convalescents.

Sánitary. *s.* Connected with hygiene, medical police, or the general prevention of the causes of disease, especially when endemic or epidemic; commonly preceding such words as *condition* (of a district), *officer*, *report*, and the like.

The importance of the question as to the form that certain derivatives of the root *san-* ought to take is greater now than it was a few years ago, and than it will be in another generation, when it will, probably, be settled. The great attention which all matters connected with the public health have commanded, is well known; and an adequate vocabulary has become necessary. The terms Hygiene and Hygienic, though etymologically good, and, for most points, sufficient, have never been generally recognized; their Greek origin, the presence in them of the letter *y* (with its ambiguous sound), and the concurrence of the two vowels (suggestive of a diphthong), have been against them. Hence, the adoption of the congeners of the Latin *san-* has been practically agreed on. Of these *sanatory* (with *sanatorium*) and *sanitary* (with *sanitarium*) have been weighed against one another; and it seems that the preference has been given to the form in *i*, and *a*, as in '*sanitary* report,' '*sanitary* commissioner,' and the like.

It is good, however, to ask—1. As a matter of *etymology*, which of the two forms is right? or, if one be right, is the other necessarily wrong? 2. What, in the way of *meaning*, is the right form intended to convey? Supposing both to be right, do they mean the same?

It is premised that from the verb, *sano* = I heal, the forms in *i* are impossible; and from the adjective *sanus*, the forms in *o*, are equally so. It is also added that from the verb denoting an *action*, and from the adjective suggestive of an *attribute*, identical meanings are not deducible. This should indicate the nature of the enquiry, and serve as a caution against overhasty criticism.

The verb is treated first. From the verb we get the passive participle *sanatus* = *healed*, or the *object healed*. The *-at-* which is found in this participle, is the *-at-* in *sanator* = the object (person) that heals, i.e. the agent in the action; the action itself, or its result, being *sanatio* = healing. An assembly of *healers*, of persons *healed*, or for the object of *healing*, is a *sanatorium*, connected wherewith is *sanatorius*. That all these words exist in Latin, as derivatives from the word *sano*, is not the fact: all that is asserted is that this is a series of possible derivatives from the verb; and that if the verb *sano* fail to give us all of them, other verbs of the same character will make up the deficiencies. And *they will not give us forms in i.*

To *heal* is to *make sound*; but the notion of *making* is not conveyed by the adjective *sanus*; which means simply *sound, healthy*, without any reference to previous ailments or previous cures. It would scarcely be going too far to say that it means *natural* good health. The abstract substantive suggested by this is *sanitas*; and the secondary adjective *sanitaris* = connecting with, relating to, constituted by good health; the notion of *healing*, or previous bad health, relieved by *sanatory* treatment being in abeyance. What follows from this is plain. *Sanatory* coincides with *Therapeutic* rather than *Hygienic*; *Sanitary* with *Hygienic*, rather than *Therapeutic*. The former recognizes disease, as a thing to be annihilated; the latter either overlooks it, or, recognizing it, recognizes it only as a thing to be prevented.

The two terms, however, are so closely allied in meaning that the recognition of the distinction is not likely to become general. Hence, one of the two words will prevail. Of these, the present form (in *i*) is the likelier.

Sánity. *s.* [Lat. *sanitas.*] Soundness: (generally applied to the *mind*).

How pregnant, sometimes, his replies are!
A happiness that often madness hits on,
Which *sanity* and reason could not be
So prosperously deliver'd of.
Shakespear, Hamlet, ii. 2.

Sans. *prep.* [Fr.] Without. *Gallicism obsolete.*

Last scene of all,
That ends this strange eventful history,
Is second childishness and mere oblivion,
Sans teeth, *sans* eyes, *sans* taste, *sans* everything.
Shakespear, As you like it, ii. 7.

For nature so preposterously to err,
Being not deficient, blind, or lame of sense,
Sans witchcraft could not. *Id., Othello*, i. 3.

Santón, or **Santoón.** *s.* Dervise.

The dervis and other *santoons* or enthusiasticks, being in the crowd, express their zeal by turning round so long together, and with such swiftness, as will hardly be credited.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 326.

There was formerly a *santon*, whose name was Barsisa; which for the space of an hundred years very fervently applied himself to prayers.—*Guardian*, no. 148.

Sap. *v. a.* [Fr. *sapper.*] Undermine; subvert by digging; mine.

Nor safe their dwellings were, for *sapp'd* by floods,
Their houses fell upon their household gods.
Dryden, Translation from Ovid, Metamorphoses, b. i.

Sap. *v. n.* Proceed by mine; proceed invisibly.

For the better security of the troops, both assaults are carried on by *sapping*.—*Tatler.*

In vain may heroes fight and patriots rave,
If secret gold *saps* on from knave to knave.
Pope, Moral Essays, iii. 33.

Sap. *s.* [A.S. *sæp.*] Vital juice of plants; juice that circulates in trees and herbs.

Now sucking of the *sap* of herbs most sweet,
Or of the dew, which yet on them does lie,
Now in the same bathing his tender feet. *Spenser.*

Wound the bark of our fruit trees,
Lest, being over-proud with *sap* and blood,
With too much riches it confound itself.
Shakespear, Richard II. iii. 4.

His presence had infused
Into the plant sciential *sap*.
Milton, Paradise Lost, ix. 836.

The *sap* which at the root is bred
In trees, through all the boughs is spread. *Waller.*

Vegetables consist of the same parts with animal

substances, spirit, water, salt, oil, earth; all which are contained in the *sap* they derive from the earth. —*Arbuthnot.*

The crude *sap* having been subjected to the action of the atmosphere and the carbonic acid decomposed, the result is termed the 'proper juice' or elaborated *sap* of the plant. This liquid has now to find its way back again into the system for the purpose of nourishing and developing the various parts. —*Henslow, Principles of Descriptive and Physiological Botany*, p. ii. ch. iii. § 190.

Sáp-green. *s.* [two words.] Colour so called.

Rhamnus includes R. catharticus, the Buckthorn, from the berries of which a purgative syrup is made: also the colour termed *sap-green.*—*Henfrey, Elementary Course of Botany*, § 455.

Sápanwood. *s.* See extract.

Sapan-wood is a species of the Cæsalpinia genus, to which Brasil wood belongs. It is so called by the French, because it comes to them from Japan, which they corruptly call *Sapan.* As all the species of this tree are natives of either the East Indies or the New World, one would imagine that they could not have been used as dye-stuffs in Europe before the beginning of the sixteenth century. . . . The Cæsalpinia *sappan*, being a native of the Coromandel coast, may possibly have been transported along with other Malabar merchandise to the Mediterranean marts in the middle ages; but the importation of so lumbering an article in any considerable quantity by that channel is so improbable, that I am disposed to believe that Brasil wood was not commonly used by the dyers of Europe before the discovery of the New World.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

The Bukkum, or *sappan-wood* of India, belongs to Cæsalpina *sappan.*—*Lindley, Vegetable Kingdom.*

Sápid. *adj.* [Lat. *sapidus.*] Tasteful; palatable; making a powerful stimulation upon the palate.

Thus camels, to make the water *sapid*, do raise the mud with their feet.—*Sir T. Browne, Vulgar Errours.*

The most oily arts are not separated by a slight decoction, till they are disentangled from the salts; for if what remains of the subject, after the infusion and decoction, be continued to be boiled down with the addition of fresh water, a fat, *sapid*, odorous, viscous, inflammable frothy water, will constantly be found floating a-top of the boiling liquor.—*Arbuthnot.*

Sapídity. *s.* Tastefulness; power of stimulating the palate.

As for their taste, if their nutriment be air, neither can it be an instrument thereof; for the body of that element is ingustible, and void of all *sapidity.* —*Sir T. Browne, Vulgar Errours.*

Sápidness. *s.* Attribute suggested by Sapid.

When the Israelites fancied the *sapidness* and relish of the fleshpots, they longed to taste and to return.—*Bishop Taylor, Sermons*, p. 216: 1651.

If *sapidness* belong not to the mercurial principle of vegetables and animals, it will scarce be discriminated from their phlegm.—*Boyle.*

Sápience. *s.* [Fr. *sapientia.*] Wisdom; sageness; knowledge.

By *sapience*, I mean what the ancients did by philosophy; the habit or disposition of mind which imporeteth the love of wisdom.—*Grew.*

Ne only they that dwell in lowly dust,
The sons of darkness and of ignorance;
But they whom thou, great Jove, by doom unjust,
Did'st to the top of honour erst advance:
They now, puft up with sdeignful insolence,
Despise the brood of blessed *sapience.* *Spenser.*

King James, of immortal memory among all the lovers and admirers of divine and human *sapience*, accomplished at Theobalds his own days on earth.—*Sir H. Wotton.*

Because enterprises guided by ill counsels have equal success to those by the best judgement conducted, therefore had violence the same external figure with *sapience.*—*Sir W. Raleigh.*

Sapience and love
Immense, and all the Father in him shone.
Milton, Paradise Lost, vii. 195.

O sovran, virtuous, precious of all trees
In Paradise! of operation blest
To *sapience.* *Ibid.* ix. 795.

Many a wretch in Bedlam,
Though perhaps among the rout
He wildly flings his filth about,
Still has gratitude and *sapience*,
To spare the folks that give them ha'pence. *Swift.*

Sápient. *adj.* [Lat. *sapiens, -entis.*] Wise; sage.

Where the *sapient* king held dalliance.
Milton, Paradise Lost, ix. 442.

Sapiéntial. *adj.* Affording lessons of wisdom.

Solomon's *sapiential* tractate of the sovereign good.—*Bishop Richardson, On the Old Testament*, p. 809.

Open your bibles where you will, in all the *sapiential* or prophetical books.—*Bishop Hall, Remains*, p. 66.

Sápless. *adj.*

1. Wanting sap; wanting vital juice.

Pithless arms, like to a wither'd vine,
That droops his *sapless* branches to the ground.
Shakespear, Henry VI. Part I. ii. 5.

The tree of knowledge, blasted by disputes,
Produces *sapless* leaves instead of fruits.
Sir J. Denham, Progress of Learning.

No less are they out of the way in philosophy, pestering their heads with the *sapless* dotages of old Paris and Salamanca.—*Milton, Apology for Smectymnuus*, § 10.

This single stick was full of sap; but now in vain does art tie that withered bundle of twigs to its *sapless* trunk.—*Swift.*

In these *sapless* pages he has scattered a mark of his great learning!—*Bentley, Phileleutherus Lipsiensis*, § 41.

2. Dry; old; husky.

If by this bribe, well placed, he would ensnare
Some *sapless* usurer that wants an heir.
Duke, Translation of Juvenal, iv. 30.

Sápling. *s.* Young tree; young plant.

Look how I am bewitch'd; behold, mine arm
Is, like a blasted *sapling*, wither'd up.
Shakespear, Richard III. iii. 4.

Nurse the *saplings* tall, and curl the grove
With ringlets quaint. *Milton, Arcades*, 46.

What planter will attempt to yoke
A *sapling* with a falling oak. *Swift.*

Behind the palace were planted long avenues of trees which, when William reigned, were scarcely more than *saplings*, but which have now covered with their massy shade the summer rambles of several generations.—*Macaulay, History of England*, ch. xviii.

Used *adjectivally.*

A *sapling* pine he wrench'd from out the ground,
The readiest weapon that his fury found.
Dryden, Theodore and Honoria, 129.

Sapodílla, or **Sapodílla-plum.** *s.* West-Indian fruit of the genus Achras (sapota).

Of the fruits, the *sapodilla plum*, the marmalade, the star-apple, and the Surinam medlar, are the most noted.—*Henfrey, Elementary Course of Botany*, § 506.

Saponáceous. *adj.* [Lat. *sapo, -onis* = soap.] Soapy; resembling soap; having the qualities of soap.

Any mixture of an oily substance with salt, may be called a soap: bodies of this nature are called *saponaceous.*—*Arbuthnot.*

Sáponary. *adj.* Saponaceous. *Rare.*

By digesting a solution of salt of tartar with oil of almonds, I could reduce them to a soft *saponary* substance.—*Boyle.*

Sapónifiable. *adj.* Capable of being saponified.

Saponificátion. *s.* Conversion into soap.

In the process of *saponification* these salts [of glycerine] are decomposed by the more powerful bases.—*Brande, Manual of Chemistry*, p. 1274: 1848.

Sapónify. *v. a.* Make into soap.

When the ley is raised to its boiling point, the tallow is gradually added as long as the ley *saponifies* it.—*Brande, Manual of Chemistry*, p. 1274, note: 1848.

(See also under Soap.)

Sápor. *s.* [Lat.] Taste; power of affecting or stimulating the palate.

There is some *sapor* in all aliments, as being to be distinguished and judged by the gust, which cannot be admitted in air.—*Sir T. Browne, Vulgar Errours.*

The shape of those little particles of matter which distinguish the various *sapors*, odours, and colours of bodies.—*Watts.*

Sápper. *s.* [Fr. *sapeur.*] One who saps; kind of miner.

These are instruments and tools belonging to pioners, *sappers*, diggers, and labouring men.—*Translation of Boccalini*, p. 92: 1626.

Sáphic. *adj.* Greek metre so called from the poetess Sappho, consisting of

$$-\cup|--|-\cup\cup|-\cup|-\cup$$

thrice repeated, followed by

$$-\cup\cup|--|.$$

In English the Sapphic runs thus:

Sórdid, unfeéling, réprobate, degráded,
Spiritless outcast.
Canning, in *Poetry of the Antijacobin.*

I choose to call this delicate *Sapphick* ode the first original production of Mr. Gray's muse.—*Mason.*

Sápphire. *s.* [Lat. *sapphirus.*] Precious stone so called. See third extract.

Sapphire is of a bright blue colour.—*Woodward.*

In enroll'd tuffs, flow'rs purfled, blue, and white,
Like *sapphire*, pearl, in rich embroidery.
Shakespear, Merry Wives of Windsor, v. 5.

That the *saphire* should grow foul, and lose its beauty, when worn by one that is lecherous, and many other fabulous stories of gems, are great arguments that their virtue is equivalent to their value. —*Derham, Physico-Theology.*

The *sapphire*, ruby, oriental amethyst, oriental emerald, and oriental topaz, are gems next in value and hardness to diamond; and they all consist of nearly pure alumina or clay, with a minute portion of iron as the colouring matter. . . . The finest varieties of *sapphire* come from Pegu, where they occur in the Capelan mountains near Syrcam. Some have been found also at Hohenstein in Saxony, Bilin, in Bohemia; Puy, in France; and in several other countries. The red variety, the ruby, is most highly valued.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Used *adjectivally.*

To-day I saw the dragon-fly
Come from the wells where he did lie.
An inner impulse rent the veil
Of his old husk: from head to tail
Came out clear plates of *sapphire* mail.
Tennyson, The Two Voices.

Sápphirine. *adj.* [Lat. *sapphirinus.*] Made of sapphire; resembling sapphire.

She was too *sapphirine* and clear for thee;
Clay, flint, and jet now thy fit dwellings be. *Donne.*

A few grains of shell silver, with a convenient proportion of powdered crystal glass, having been kept three hours in fusion, I found the colliquated mass, upon breaking the crucible, of a lovely *sapphirine* blue.—*Boyle.*

Sáppiness. *s.* Attribute suggested by Sappy; succulence, juiciness.

Much of their brush or small wood I observed to be very sappy, so that when we brake a twig of it, there would come a substance out of some of it like unto milk; and the *sappiness* of that underwood may, as I apprehend it, be ascribed in part to the fatness of that soil.—*Terry, Voyage to the East Indies*, p. 103: 1655.

Sáppy. *adj.*

1. Abounding in sap; juicy; succulent.

Herbs for their smell, and *sappy* plants to bear.
Shakespear, Venus and Adonis

The *sappy* parts, and next resembling juice,
Were turn'd to moisture for the body's use,
Supplying humours, blood, and nourishment.
Dryden.

The *sappy* boughs
Attire themselves with blooms, sweet rudiments
Of future harvest. *J. Philips, Cyder*, ii. 437.

The green heat the ripe, and the ripe give fire to the green; to which the bigness of their leaves, and hardness of their stalks, which continue moist and *sappy* long, doth much contribute.—*Mortimer, Husbandry.*

2. Young; not firm; weak.

This young prince was brought up among nurses, till he arrived to the age of six years; when he had passed this weak and *sappy* age, he was committed to Dr. Cox.—*Sir J. Hayward.*

3. Putrescent.

Sappie or unsavourie flesh. — *Barret*, in voce. *Restie, Alvearie*: 1580.

Sapy [denotes] a moisture contracted on the outward surface of meats, which is the first stage of dissolution.—*Lemon, Etymological Dictionary*: 1783.

Sápwood. *s.* Part of the wood through which the sap principally passes.

Sapwood is that through which the ascending fluids of plants move most freely; and not being solidified by the earthy and other substances eventually incorporated with wood, is quickly decomposed when exposed to the action of air and moisture. Hence for all building purposes the *sapwood* is, or ought to be, removed from timber. The *sapwood* or unsolidified wood of all trees is much the same in its power of resisting decomposition, that of the oak and lignum vitæ perishing as quickly as poplar and other valueless timber; and chemists have ascertained that if the hardest heartwood is reduced to its original condition of *sapwood* by the abstraction of the matter of solidification, all those properties which gave heartwood its value are destroyed.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Sáraband. *s.* [Spanish, *zarabanda.*] Lively Spanish dance so called.

The several modifications of this tune-playing quality in a fiddle, to play preludes, *sarabands*, jigs, and gavots, are as much real qualities in the instrument as the thought is in the mind of the composer. —*Arbuthnot and Pope.*

Saracénic. *adj.* Connected with, relating to, the Saracens; Moorish arabesque: (as such a *proper* rather than a *common* term; it is applied, however, to a certain style of *Architecture*).

The palace is a pasticcio of *Saracenic*, conventual, and Grecian architecture. — *Swinburne, Travels through Spain*, letter xxxi.

Saracénical. *adj.* Saracenic.

The arch of the first church is Roman, being part of a circle; that of the additional building is pointed, and therefore Gothick or *Saracenical*. — *Johnson, Journey to the Western Islands.*

Sárcasm. *s.* [Gr. σαρκάζω = grin, show teeth as a dog.] Keen reproach; taunt; gibe.

Sarcasms of wit are transmitted in story.—*Dr. H. More, Government of the Tongue.*

Rejoice, O young man, says Solomon, in a severe *sarcasm*, in the days of thy youth, and walk in the ways of thy heart; but know, that for these things God will bring thee into judgement.—*Rogers, Sermons.*

When an angry master says to his servant, It is bravely done, it is one way of giving a severe reproach; for the words are spoken by way of *sarcasm*, or irony.—*Watts.*

Sarcástic. *adj.* Keen; taunting; severe.

What a fierce and *sarcastick* reprehension would this have drawn from the friendship of the world, and yet what a gentle one did it receive from Christ! —*South, Sermons.*

Sárcastically. *adv.* In a sarcastic manner.

The Athenians (Acts, xvii. 32) . . . 'when they heard of the resurrection of the dead, some mocked,' &c. i.e. disputed *sarcastically* and contumeliously against it.—*Hammond, Works*, iv. 670.

He asked a lady playing with a lap-dog, whether the women of that country used to have any children or no? thereby *sarcastically* reproaching them for misplacing that affection upon brutes, which could only become a mother to her child.—*South, Sermons.*

Carraccio *sarcastically* said of Tintoret, . . . 'I have seen Tintoret now equal to Titian, and now less than Tintoret.'—*I. Disraeli, Curiosities of Literature, Inequalities of Genius.*

Sárcenet. *s.* [Italian, *saracinetto* = saracenic.] Kind of fine, thin, woven silk.

Why art thou then exasperate, thou idle immaterial skein of sleyed silk, thou green *sarcenet* flap for a sore eye, thou tassel of a prodigal's purse?—*Shakespear, Troilus and Cressida*, v. 1.

If they be covered, though but with linen or *sarcenet*, it intercepts the effluvium.—*Sir T. Browne, Vulgar Errours.*

These are they that cannot bear the heat
Of figured silks, and under *sarcenets* sweat.
Dryden, Translation of Juvenal, vi. 363.

She darts from *sarcenet* ambush wily leers,
Twitches thy sleeve, or with familiar airs
Her fan will pat the cheek. *Gay, Trivia*, iii. 281.

Sarcóphagus. *s.* [Lat., from Gr. σάρξ = flesh + φάγω = I eat.] Large stone coffin, or urn, for the purpose of sepulture.

I have observed the same device upon several *sarcophagi*, that have enclosed the ashes of men or boys, maids or matrons.—*Addison, Travels in Italy.*

A Roman emperor, in digging for the foundation of a new palace, finds a golden *sarcophagus* or coffin, inscribed with mysterious words and sentences.—*Warton, Dissertation on the Gesta Romanorum*, ch. xvi.

After a few days, he sacrificed in the temple of Serapis, and then visited the tomb of Alexander, where he took off his scarlet cloak, his rings, and his girdle, covered with precious stones, and dutifully laid them on the *sarcophagus* of the hero.—*Sharpe, History of Egypt*, ch. xiv.

Sarcóphagy. *s.* Practice of eating flesh.

There was no *sarcophagy* before the flood: and, without the eating of flesh, our fathers preserved themselves unto longer lives than their posterity.—*Sir T. Browne, Vulgar Errours.*

Sarcótic. *s.* Medicine which fills up ulcers with new flesh; the same as incarnative.

The humour was moderately repressed, and breathed forth; after which the ulcer incarned with common *sarcoticks*, and the ulcerations about it were cured by ointment of tuty.—*Wiseman, Surgery, On Inflammations.*

Sard. *s.* In *Mineralogy.* See extract.

Sard [is] a deep brownish-red chalcedony, of a blood-red colour by transmitted light. . . . When the layers consist of *sard* and white chalcedony, the stone is called sardonyx.—*Dana, System of Mineralogy.*

Sárdine. *s.* See extract.

Sardines, or *Sardinias*, are taken in considerable quantities on our coasts, and are exceedingly plentiful on the coasts of Algarve, . . . Andalusia and Granada . . . and along the shores of Italy. The small *sardines*, caught on the coast of Provence . . . are esteemed the best. . . . The French frequently cure them in red brine; and when thus prepared designate them as 'anchoisées,' or anchovied *sardines*.—*McCulloch, Dictionary of Commerce.*

Sárdine-stone. *s.* Sard.

He that sat was to look upon like a jasper and a *sardine stone*.—*Revelations*, iv. 3.

Sárdius. *s.* Sard.

Thou shalt set it in settings of stones, even four rows of stones; the first row shall be a *sardius*.—*Exodus*, xxviii. 17.

Sardónian. *adj.* Sardonic: (this latter being the *commoner* term).

The villain . . . with *Sardonian* smyle
Laughing on her, his false intent to shade,
Gan forth to lay his bayte her to beguyle.
Spenser, Faerie Queen.

It is then but a *Sardonian* laughter that my refuter takes up at our complete antichrist.—*Bishop Hall, Honour of the Married Clergy*, p. 282.

Sardónic. *adj.* [Lat. *sardonicus*; term applied to a morbid contraction of the muscles of the face, giving the appearance of a harsh, unnatural smile; *risus sardonicus*, i.e. sardonic laughter, grin.] Sarcastic; ironically smiling.

Quivering fears, heart-tearing cares,
Anxious sighs, untimely tears,
Fly, fly to courts;
Fly to fond worldling's sports,
Where strain'd *sardonick* smiles are glosing still,
And grief is forced to laugh against her will.
Sir H. Wotton, Remains, p. 391.

The scornful, ferocious, *sardonick* grin of a bloody ruffian.—*Burke, Letters on a Regicide Peace.*

'Mustapha,' continued he, turning round to him with a *sardonic* smile, 'may your shadow never be less—but you have swallowed the coffee.'—*Marryat, Pacha of Many Tales.*

Sardónyx. *s.* See Sard.

The onyx is an accidental variety of the agat kind: 'tis of a dark horny colour, in which is a plate of a bluish white, and sometimes of red: when on one or both sides the white there happens to lie also a plate of a reddish colour, the jewellers call the stone a *sardonyx*.—*Woodward.*

Sark. *s.* [A.S. *syric.*] Shirt.

Flaunting beaus gang with their breasts open, and their *sarks* over their waistcoats.—*Arbuthnot, History of John Bull.*

Sarsaparílla. *s.* Medical plant of the genus Smilax; the root thereof.

Smilax has diuretic and demulcent properties, for which the creeping rhizomes of many species are used under the names of *sarsaparilla*.—*Henfrey, Elementary Course of Botany*, § 576.

Sartórius. *s.* [Lat. *sartor* = tailor.] In *Anatomy.* Muscle which serves to throw one leg across the other.

The *sartorius*, or tailor's muscle, rising from the spine, running diagonally across the thigh, and taking hold of the inside of the main bone of the leg, a little below the knee, enables us, by its contraction, to throw one leg and thigh over the other; giving effect, at the same time, to the ball and socket joint at the hip, and the hinge-joint at the knee.—*Paley, Natural Theology*, ch. ix.

Sasarára. *s.* Certiorari (writ of). *Ludicrous.*

If he would be patient, mistress, I could bring him to a cunning kinsman of mine, that would fetch it (a chain) again with a *sasarara*.—*The Puritan.* (Ord MS.)

Sash. *s.* [from Fr. *châssis.*] Window so formed as to be let up and down by pulleys.

She ventures now to lift the *sash*;
The window is her proper sphere. *Swift.*

'Will you put your head out of window, and tell me whether there is anybody at the door?' Mr. Nadgett softly raised the *sash*, and peered out from the very corner, as a man might who was looking down into a street from whence a brisk discharge of musketry might be expected at any moment.—*Dickens, Martin Chuzzlewit*, ch. xxviii.

Used *adjectivally*, or as the *first element* in a *compound.*

She broke a pane in the *sash* window that looked into the yard.—*Swift.*

Sash. *s.* [from Old Italian *sessa* = Persian turban.] Belt worn by way of distinction; silken band worn by officers in the army, and by the clergy over their cassocks; ribbon worn round the waist by ladies.

The ephod . . . did gird the tunick like a *sash*.—*Stackhouse, History of the Bible*, b. iv. ch. ii.

She sees him now in *sash* and solitaire
March in review with Milo's strut and stare.
Nevile, Imitation of Juvenal, p. 70.

Sash. *v. a.* Dress with a sash.

They are . . . so *sashed* and plumed, that they are grown infinitely more insolent in their fine clothes, even than they were in their rags.—*Burke, Thoughts on a Regicide Peace.*

Sáshoon. *s.* Leather stuffing put into a boot for the wearer's ease.

Sássafras. *s.* Wood of Laurus sassafras.

Sassafras wood, root, and bark, have a fragrant odour and a sweetish aromatic taste.—*McCulloch, Encyclopædia of Commerce.*

Sasse. *s.* [Dutch, *sas.*] Sluice, or lock, on navigable rivers.

Sir Richard Brown is much concerned against Sir N. Crisp's project of making a great *sasse* in the king's lands about Deptford.—*Pepys, Memoirs and Diary*, vol. i. p. 129: 1662.

Sátan. *s.* [Hebrew = enemy, persecutor, accuser.] Devil: (as such, a *proper* name: its derivatives, however, are those of *common* ones).

The great dragon was cast out, that old serpent, called the devil and *Satan*, which deceiveth the whole world.—*Revelations*, xii. 9.

Satánic. *adj.* Belonging to the devil; proceeding from the devil; evil; false; malicious.

The faint *Satanick* host.
Milton, Paradise Lost, vi. 392.

His weakness shall o'ercome *Satanick* strength.
Id., Paradise Regained, i. 163.

Then, nor the curling horn had learn'd to sound
The savage song of chase; the barbed shaft
Had then no poison'd point; nor thou, fell tube!
Whose iron entrails hide the sulphurous blast,
Satanic engine, knew'st the ruthless power
Of thundering death around thee.
Mason, English Garden, ii. 213.

Satánical. *adj.* Satanic.

Drawn to yield to *Satanical* temptations.—*Gataker, Spiritual Watch*, p. 58: 1622.

Magical and *Satanical* delusions. — *Hallywell, Saving of Souls*, p. 60.

Now we are upon the subject of tortures, it is impossible to forget that depth of Satan, the Inquisition. For *Satanical* it is, by the conjunction of three qualities; indefatigable diligence, profound subtilty, and inhuman cruelty. — *Trapp, Popery truly Stated*, pt. ii. § 12.

Satánically. *adv.* In a satanic manner; with malice or wickedness suiting the devil; diabolically.

Instead of a sense of the wickedness of the treason, they fell rather *sathanically* to argue for the justification of the same. — *Proceedings against Garnet*, S. 4. b.: 1606.

This spiritual assassinacy, this deepest dye of blood being most *satanically* designed on souls.—*Hammond, Works*, vol. iv. p. 470.

Sátanism. *s.* Satanic system of principles and feelings.

So mild was Moses' countenance, when he pray'd
For them whose *Satanism* his power gainsaid.
Elegy on Donne's Death, C c. 3: 1650.

Sátanist. *s.* One who acts, or aims, at Satanism.

There shall be fantastical babblers, and deceitful *Satanists*, in these last times, whose words and deeds are all falsehood and lies.—*Granger, On Ecclesiastes*, p. 343: 1621.

Sátchel. *s.* [German, *seckel*; Lat. *sacculus*, diminutive of *saccus* = sack.] Little bag (commonly used by schoolboys).

The whining schoolboy with his *satchel*,
And shining morning face, creeping like snail
Unwillingly to school.
Shakespear, As you like it, ii. 7.

The watchful bailiffs take their silent stands,
And schoolboys lag with *satchels* in their hands.
Swift, A Description of the Morning.

Sate. *v. a.* [Lat. *satio.*] Satiate: glut; pall; feed beyond natural desires.

Sated at length, ere long I might perceive
Strange alteration in me.
Milton, Paradise Lost, ix. 598.

How will their bodies stript
Enrich the victors, while the vultures *sate*
Their maws with full repast? *A. Philips.*

Thy useless strength, mistaken king, employ,
Sated with rage, and ignorant of joy.
Prior, Solomon, ii. 259.

Sáteless. *adj.* Insatiable.

His *sateless* thirst of pleasure, gold, and fame,
Declares him born for blessings infinite.
Young, Night Thoughts, night vii.

Sátellite. *s.* [Lat. *satelles, -itis*; pl. *satellites*; Fr. *satellite* = attendant on guard. 'This word is commonly pronounced in prose with the *e* mute in the plural, as in the singular, and is therefore only of three syllables; but Pope has in the plural continued the Latin form, and assigned it four; I think, improperly.' This remark is Johnson's; and it is noted by the pre-

sent editor as his, in order to show that, with all his prepossessions in favour of whatever bore a show of scholarship, he either doubted, or condemned, the pronunciation of Pope.]

1. Small planet revolving round a larger.

Four moons move about Jupiter, and five about Saturn, called their *satellites.*—*Locke.*

The smallest planets are situated nearest the sun and each other; whereas Jupiter and Saturn, that are vastly greater, and have many *satellites* about them, are wisely removed to the extreme regions of the system.—*Bentley.*

Ask of yonder argent fields above,
Why Jove's *satellites* are less than Jove?
Pope, Essay on Man, i. 41.

Satellite, in astronomy, [is] the name given to the secondary bodies revolving round planets, though to speak more generally the planets themselves are *satellites* of the sun and each member of a double or multiple star-system comes under the same category. The planets which are accompanied by *satellites* are the Earth, Jupiter, Saturn, Uranus, and Neptune. The Earth has one *satellite*, namely, the Moon; Jupiter has four; Saturn eight; Uranus four; and Neptune probably two.... The *satellites* first discovered (leaving the Moon out of the question) were those of Jupiter.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Humble attendant.

Chesterfield, our English Rochefoucault, we are also informed, possessed an admirable knowledge of the heart of man; and he too has drawn a similar picture of human nature! These are two noble authors whose chief studies seem to have been made in courts. May it not be possible, allowing these authors not to have written a sentence of apocrypha, that the fault lies not so much in human nature as in the *satellites* of power?—*I. Disraeli, Curiosities of Literature, De la Rochefoucault.*

Satellítious. *adj.* Consisting, having the character, of satellites.

Their solidity and opacity, and their *satellitious* attendance, their revolutions about the sun, and their rotations about their axis, are exactly the same.—*Cheyne, Philosophical Principles.*

Sátiable. *adj.* Capable of being satiated.

And friends to friends, brothers to brothers stood
Opposed in bloodiest battle-field, and war,
Scarce *satiable* by fate's last death-draught waged.
Shelley, Queen Mab.

Sátiably. *adv.* So as to be satiated.

The daily labouring man sells both his strength, his time, and his ease, for that alone which will not *satiably* content his craving belly.—*Felltham, Resolves*, 21. (Ord MS.)

Sátiate. *v. a.* [Lat. *satiatus*, pass. part. of *satio.*]

1. Satisfy; fill.

Those smells are the most grateful where the degree of heat is small, or the strength of the smell allayed; for these rather woo the sense than *satiate* it.—*Bacon.*

Buying of land is the result of a full and *satiated* gain; and men in trade seldom think of laying out their money upon land, till their profit has brought them in more than their trade can well employ.—*Locke.*

The loosened winds
Infuriate, molten rocks and flaming globes
Hurl'd high above the clouds; till all their force
Consumed, her ravenous jaws, th' earth *satiate* closed. *J. Philips, Cyder*, i. 231.

2. Glut; pall; fill beyond natural desire.

Whatever novelty presents, children are presently eager to have a taste, and are as soon *satiated* with it.—*Locke.*

He may be *satiated*, but not satisfied.—*Norris.*

3. Gratify desire.

I may yet survive the malice of my enemies, although they should be *satiated* with my blood.—*Eikon Basilike.*

4. Saturate; impregnate with as much as can be obtained or imbibed.

Why does not salt of tartar draw more water out of the air, than in a certain proportion to its quantity, but for want of an attractive force after it is *satiated* with water?—*Sir I. Newton.*

Sátiate. *adj.* Glutted; full to satiety.

Our generals now, retired to their estates,
Hang their old trophies o'er the garden gates;
In life's cool evening, *satiate* of applause,
Nor fond of bleeding ev'n in Brunswick's cause.
Pope, Imitations of Horace, b. i. ep. i.

Now may'rs and shrieves all hush'd and *satiate* lay,
Yet eat, in dreams, the custard of the day.
Id., Dunciad, i. 91.

Satiátion. *s.* State of being filled.

This term Quantity offereth me a discourse with Lessius, which seemeth to prefer a quantity 'ad pondus' of diet, as most conducing to the preservation of health and extension of life, as if *satiation* were the usher of diseases and mortality, as a corruptive cause, which I cannot conceive reasonable.—*Whitaker, Blood of the Grape*, p. 7.

Satíety. *s.* [Lat. *satietas*; Fr. *satiété.*] Fulness beyond desire or pleasure; more than enough; wearisomeness of plenty; state of being palled or glutted.

He leaves a shallow plash to plunge him in the deep,
And with *satiety* seeks to quench his thirst.
Shakespear, Taming of the Shrew, i. 1.

Nothing more jealous than a favourite, especially towards the waning-time and suspect of *satiety.*—*Sir H. Wotton.*

In all pleasures there is *satiety*; and after they be used, their verdure departeth.—*Hakewill, Apology.*

They satiate and soon fill,
Though pleasant; but thy words, with grace divine
Imbued, bring to their sweetness no *satiety.*
Milton, Paradise Lost, viii. 216.

No action, the usefulness of which has made it the matter of duty, but a man may bear the continual pursuit of, without loathing or *satiety.*—*South, Sermons.*

The joy unequall'd, if its end it gain,
And if it lose, attended with no pain;
Without *satiety*, though e'er so blest,
And but more relish'd as the more distress'd.
Pope, Essay on Man, iv. 315.

Sátin. *s.* [Portuguese, *setim.*] Silken fabric of close and shining tissue. See extract from Ure.

Upon her body she wore a doublet of sky-colour *satin*, covered with plates of gold, and as it were nailed with precious stones, that in it she might seem armed.—*Sir P. Sidney.*

The ladies dress'd in rich symars were seen,
Of Florence *satin*, flower'd with white and green,
And for a shade betwixt the bloomy gridelin.
Dryden, The Flower and the Leaf, 341.

Her petticoat, transform'd apace,
Became black *satin* flounced with lace.
Swift, Baucis and Philemon.

Lay the child carefully in a case, covered with a mantle of blue *satin.*—*Arbuthnot and Pope.*

Satin is ... woven upon a loom with at least five-leaved healds or heddles, and as many corresponding treddles. These are so mounted as to rise and fall four at a time, raising and depressing alternately four yards of the warp, across the whole of which the weft is thrown by the shuttle, so as to produce a uniform smooth texture, instead of the chequered work resulting from intermediate decussations, as in common webs. *Satins* are woven with the glossy or right side undermost.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Sátin-wood. *s.* Smooth and fine-grained timber so called of the genus Chloroxylum (species Swietenia).

Sátinet. *s.* Sort of slight satin.

Sátire. *s.* [Lat. *satira.*] Poem of a moral character (as such opposed to lampoon), wherein vice or folly is either ridiculed, or censured with irony.

It is not for every one to relish a true and natural *satire*, being of itself, besides the nature and inbred bitterness and tartness of particulars, both hard of conceit and harsh of style; and therefore cannot but be unpleasing both to the unskilful and over-musical ear.—*Bishop Hall, Postscript to his Satires.*

He dares to sing thy praises in a clime
Where vice triumphs, and virtue is a crime;
Where ev'n to draw the picture of thy mind
Is *satyr* on the most of human kind.
Dryden, Eleonora, 363.

The owls, bats, and several other birds of night, were one day got together in a thick shade, where they abused their neighbours in a very sociable manner. Their *satire* at last fell upon the sun, whom they all agreed to be very troublesome, impertinent, and inquisitive.—*Tatler*, no. 229.

My verse is *satire*, Dorset lend your ear,
And patronise a muse you cannot fear.
Young, Love of Fame, i. 1.

It is not less curious to be informed, as Dr. Hager tells us in his Elementary Characters of the Chinese, that '*Satires* are often composed in China, which, if you attend to the characters, their import is pure and sublime; but if you regard the tone only, they contain a meaning ludicrous or obscene.'—*I. Disraeli, Curiosities of Literature, Chinese Language.*

Satíric. *adj.*

1. Belonging to satire; employed in writing of invective.

You must not think, that a *satyrick* style
Allows of scandalous and brutish words.
Lord Roscommon.

2. Censorious; severe in language.

On me when dunces are *satirick*,
I take it for a panegyrick. *Swift.*

Not inferior to this ingenious trifler is Nicholas Franco, well known in Italian literature, who employed himself in writing two hundred and eighteen *satiric* sonnets, chiefly on the famous Peter Aretin. This lampooner had the honour of being hanged at Rome for his defamatory publications.—*I. Disraeli, Curiosities of Literature, Literary Follies.*

Satírical. *adj.* Satiric.

Slanders, sir; for the *satirical* rogue says here, that old men have grey beards; that their faces are wrinkled.—*Shakespear, Hamlet*, ii. 2.

He that hath a *satirical* vein, as he maketh others afraid of his wit, so he had need be afraid of others' memory.—*Bacon.*

What human kind desires, and what they shun,
Rage, passions, pleasures, impotence of will,
Shall this *satirical* collection fill.
Dryden, Translation of Juvenal, i. 130.

A *satirical* tailor, who lived at Rome, and whose name was Pasquin, amused himself with severe raillery, liberally bestowed on those who passed by his shop; which in time became the lounge of the newsmongers. The tailor had precisely the talents to head a regiment of *satirical* wits, and had he had time to publish, he would have been the Peter Pindar of his day; but his genius seems to have been satisfied to rest cross-legged on his shopboard.—*I. Disraeli, Curiosities of Literature, Pasquin and Marforio.*

Satírically. *adv.* In a satirical manner; with invective; with intention to censure or vilify.

He applies them *satirically* to some customs, and kinds of philosophy, which he arraigns.—*Dryden.*

Sátirist. *s.* One who writes satires.

I first adventure, follow me who list,
And be the second English *satirist.* *Bishop Hall.*

Wycherly, in his writings, is the sharpest *satyrist* of his time; but, in his nature, he has all the softness of the tenderest dispositions: in his writings he is severe, bold, undertaking; in his nature gentle, modest, inoffensive.—*Granville.*

All vain pretenders have been constantly the topicks of the most candid *satyrists*, from the Codrus of Juvenal to the Damon of Boileau.—*Cleland.*

Yet soft his nature, though severe his lay;
His anger moral, and his wisdom gay:
Blest *satyrist!* who touch'd the mean so true,
As show'd vice had his hate and pity too.
Pope, Epitaph on the Earl of Dorset.

Sátirize. *v. a.* Censure as in a satire.

Covetousness is described as a veil cast over the true meaning of the poet, which was to *satirize* his prodigality and voluptuousness.—*Dryden.*

Should a writer single out and point his raillery at particular persons, or *satirize* the miserable, he might be sure of pleasing a great part of his readers, but must be a very ill man if he could please himself.—*Addison.*

I insist that my lion's mouth be not defiled with scandal; for I would not make use of him to revile the human species, and *satirize* his betters.—*Id. Spectator.*

It is as hard to *satirize* well a man of distinguished vices, as to praise well a man of distinguished virtues.—*Swift.*

Such is the infatuation [of certain writers] for their productions, that they prefer giving to the public their panegyrics of persons whom afterwards they *satirized*, rather than suppress the verses which contain those panegyrics.—*I. Disraeli, Curiosities of Literature, Poets.*

Satisfáction. *s.* [Lat. *satisfactio, -onis*; Fr. *satisfaction.*]

1. Act of pleasing to the full, or state of being pleased.

Run over the circle of earthly pleasures, and had not God secured a man a solid pleasure from his own actions, he would be forced to complain that pleasure was not satisfaction.—*South, Sermons.*

2. Act of pleasing.

The mind, having a power to suspend the execution and *satisfaction* of any of its desires, is at liberty to consider the objects of them.—*Locke.*

3. State of being pleased.

'Tis a wretched *satisfaction* a revengeful man takes, even in losing his life, provided his enemy go for company.—*Sir R. L'Estrange.*

There are very few discourses so short, clear, and consistent, to which most men may not, with *satisfaction* enough to themselves, raise a doubt.—*Locke.*

4. Release from suspense, uncertainty, or uneasiness; conviction.

Wilt thou leave me so unsatisfied?—
What *satisfaction* can you have?
Shakespear, Romeo and Juliet, ii. 2.

5. Gratification; that which pleases.

Of every nation each illustrious name,
Such toys as these have cheated into fame;
Exchanging solid quiet to obtain
The windy *satisfaction* of the brain.
Dryden, Translation of Juvenal, x. 216.

6. Amends; atonement for a crime; recompense for an injury.

Die he or justice must; unless for him
Some other able, and as willing, pay
The rigid *satisfaction*, death for death.
Milton, Paradise Lost, iii. 210.

Satisfáctive. *adj.* Giving satisfaction.

By a final and *satisfactive* discernment of faith, we lay the last effects upon the first cause of all things.—*Sir T. Browne.*

Satisfáctorily. *adv.* In a satisfactory manner, so as to content or satisfy.

They strain their memory to answer him *satisfactorily* unto all his demands.—*Sir K. Digby.*

Satisfáctoriness. *s.* Attribute suggested by Satisfactory.

The incompleatness of the seraphick lover's happiness in his fruitions, proceeds not from their want of *satisfactoriness*, but his want of an entire possession of them.—*Boyle.*

Satisfáctory. *adj.* [Fr. *satisfactoire.*]

1. Giving satisfaction; giving content.

An intelligent American would scarce take it for a *satisfactory* account, if, desiring to learn our architecture, he should be told that a pillar was a thing supported by a basis.—*Locke.*

2. Atoning; making amends.

A most wise and sufficient means of redemption and salvation, by the *satisfactory* and meritorious death and obedience of the incarnate Son of God, Jesus Christ.—*Bishop Sanderson.*

Sátisfier. *s.* One who satisfies, who makes satisfaction.

For the transgressions of man, man ought to make satisfaction; but he could not. God could; but he ought not. And therefore, that he might satisfy both that ought and could, it was fit that the *satisfier* should be God and man.—*Sheridan, Sermons*, iii. 97.

Sátisfy. *v. a.*

1. Content; please to such a degree as that nothing more is desired.

A good man shall be *satisfied* from himself.—*Proverbs*, xiv. 14.

I'm *satisfied*; my boy has done his duty.
Addison, Cato.

2. Feed to the full.

I will pursue and divide the spoil: my lust shall be *satisfied* upon them.—*Exodus*, xv. 9.

The righteous eateth to the *satisfying* of his soul.—*Proverbs*, xiii. 25.

Who hath ... caused it to rain on the earth, ... to *satisfy* the desolate and waste ground, and to cause the bud of the tender tree to spring forth?—*Job*, xxxviii. 26.

3. Recompense; pay to content.

He is well paid that is well *satisfied*;
And I, delivering you, am *satisfied*,
And therein do account myself well paid.
Shakespear, Merchant of Venice, iv. 1.

4. Appease by punishment.

Will he draw out,
For anger's sake, finite to infinite
In punish'd man, to *satisfy* his rigour,
Satisfied never? That were to extend
His sentence beyond dust and nature's law.
Milton, Paradise Lost, x. 802.

5. Free from doubt, perplexity, or suspense.

Of many things useful and curious you may *satisfy* yourselves in Leonardo de Vinci.—*Dryden.*

This I would willingly be *satisfied* in, whether the soul, when it thinks thus, separate from the body, acts less rationally than when conjointly with it?—*Locke.*

6. Convince.

He declares himself *satisfied* to the contrary, in which he has given up the cause.—*Dryden.*

When come to the utmost extremity of body, what can there put a stop and *satisfy* the mind that it is at the end of space, when it is *satisfied* that body itself can move into it?—*Locke.*

The standing evidences of the truth of the Gospel are in themselves most firm, solid, and *satisfying*.—*Bishop Atterbury.*

Sátisfy. *v. n.* Give content; feed to the full.

By the quantity of silver they give or take, they estimate the value of other things, and *satisfy* for them: thus silver becomes the measure of commerce.—*Locke.*

Sátive. *adj.* [Lat. *sativus.*] Sown in gardens.

Preferring the domestick or *sative* for the fuller growth.—*Evelyn, Sylva*, ii. 2, § 4.

Sátrap. *s.* [Lat. *satrapa*; Gr. σατράπης, from the Persian.] Governor of a district; kind of viceroy; nobleman in power.

His majesty took the petition with a smile of goodness, and delivered it to one of his *satrapes* that he might make his report on it.—*The Student*, vol. i. p. 217: 1750.

Obsequious tribes
Of *satraps*, princes. *Shenstone, Ruined Abbey.*

Sátrapy. *s.* Government assigned to a satrap.

The angels themselves are distinguished and quaternioned into their celestial princedoms and *satrapies*.—*Milton, Reason of Church Government*, b. i.

The temporal government was likewise divided into *satrapies* or dukedoms, which contained in them diverse counties.—*Sir H. Spelman, Ancient Government of England.*

Sáturable. *adj.* Impregnable with anything till it will receive no more.

Be the figures of the salts never so various, yet if the atoms of water were fluid, they would always so conform to those figures as to fill up all vacuities; and consequently the water would be *saturable* with the same quantity of any salt, which it is not.—*Grew, Cosmologia Sacra.*

Sáturate. *v. a.* [Lat. *saturatus*, pass. part. of *saturo*; *saturatio*, *-onis.*] Impregnate till no more can be received or imbibed.

Rain-water is plentifully *saturated* with terrestrial matter, and more or less stored with it.—*Woodward.*

His body has been fully *saturated* with the fluid of light, to be able to last so many years without any sensible diminution, though there are constant emanations thereof.—*Cheyne.*

Saturátion. *s.* Filling to the full, to satiety: (chiefly used in *Chemistry*, to denote the addition of one substance to another, until no more can be taken up).

Sáturday. *s.* [A.S. *Saterdæg*, *Sateresdæg*; *Suter*, as a deity, being considered as the equivalent to the Latin *Saturnus.*] Seventh or last day of the week.

This matter I handled fully in last *Saturday's* Spectator.—*Addison.*

Satúrity. *s.* [N.Fr. *saturité.*] Fulness; state of being saturated; repletion. *Rare.*

He, going to their stately place,
Did find in every dish
Fat beef, and brewis, and great store
Of dainty fowl and fish;
Who seeing their *saturity*,
And practising to win
His pupils thence, Excess, he said,
Doth work access to sin.
Warner, Albion's England.

In all things for man's use there is not only a mere necessity given of God, but also a satiety permitted; not *saturity*.—*Granger, On Ecclesiastes*, p. 233: 1621.

Sáturn. *s.* [*Saturnus* in the Latin; Χρόνος = Time, in the Greek mythology. As such, a *proper*, rather than a *common*, name. It is the basis, however, of several derivatives, with secondary senses.] Planet whose orbit lies between those of Jupiter and Uranus.

The smallest planets are placed nearest the sun and each other; whereas Jupiter and *Saturn*, that are vastly greater, are wisely removed to the extreme regions.—*Bentley.*

Saturnália. *s.* Feast of Saturn in ancient Rome, when the slaves, who for the time were supposed to change place with their masters, created a week of misrule.

A people denied the freedom of speech or of writing, have usually left some memorials of their feelings in that silent language which addresses itself to the eye. ... Did we possess a secret history of the *Saturnalia*, it would doubtless have afforded some materials for the present article. In those revels of venerable radicalism, when the senate was closed, and the pileus, or cap of liberty, was triumphantly worn, all things assumed an appearance contrary to what they were; and human nature, as well as human laws, might be said to have been parodied. ... A period so glorious for exhibiting the suppressed sentiments of the populace, as were these *Saturnalia*, had been nearly lost for us, had not some notions been preserved by Lucian; for we glean but sparingly from the solemn pages of the historian, except in the remarkable instance which Suetonius has preserved of the arch-mime who followed the body of the Emperor Vespasian at his funeral.—*I. Disraeli, Curiosities of Literature, Expression of Suppressed Opinion.*

The truth is, that the 'crisis' was taking a favourable turn; and after various 'strikes,' 'riots,' 'turnsout,' and other phenomena of the *saturnalia* of labour, things were settling down into the old state ... the 'difficulty' called 'condition of England' was about to be postponed for another period of years.—*Hannay, Singleton Fontenoy*, b. i. ch. ix.

Saturnálian. *adj.* Having the character of the Saturnalia; especially in respect to the freedom of speech.

In order to make this *saturnalian* amusement general in the family, you sent it down stairs.—*Burke, Thoughts on a Regicide Peace.*

Satúrnian. *adj.* Happy; golden: (used by poets for times of felicity, such as are feigned to have been in the reign of *Saturn*).

This, this he foretold by ancient rhymes;
Th' Augustus, born to bring *Saturnian* times.
Pope, Dunciad, iii. 319.

Sáturnine. *adj.* Not light; not volatile; gloomy; grave; melancholy; severe of temper; supposed to be born under the dominion of Saturn.

My conversation is slow and dull, my humour *saturnine* and reserved.—*Dryden of Himself.*

I may cast my readers under two divisions, the mercurial and *saturnine*: the first are the gay part, the others are of a more sober and solemn turn.—*Addison.*

He was, nevertheless, almost sorry for what he had done, when he observed that his removal appeared to give some pain to John Christie, and a great deal to his cordial and officious landlady. The former, who was grave and *saturnine* in every thing he did, only hoped that all had been to Lord Glenvarloch's mind, and that he had not left them on account of any unbeseeming negligence on their part.—*Sir W. Scott, Fortunes of Nigel*, ch. xiii.

Sáturnist. *s.* One of a gloomy or melancholy disposition.

Seating himself within a darksome cave;
Such places heavy *saturnists* do crave.
W. Browne, Britannia's Pastorals, b. i. song i.

Sátyr. *s.* [Lat. *satyrus.*] Goat-footed wood-deity of the classical mythology.

Satyrs, as Pliny testifies, were found in times past in the eastern mountains of India.—*Peacham, On Drawing.*

The classical fiction of the *satyrs* ... was revived among the northern people, and, perhaps, transferred by them to the Celtic tribes. ... The Scottish Gael have an idea of the same kind respecting a goblin called Ourisk, whose form is like that of Pan and his attendants, something between a man and a goat, the nether extremities being in the latter form. A species of cavern, or rather hole, in the rock, affords to the wildest retreat in the romantic neighbourhood of Loch Katrine, a name taken from classical superstition. It is not the least curious circumstance, that from this sylvan deity the modern nations of Europe have borrowed the degrading and unsuitable emblems of the goat's visage and form, the horns, hoofs, and tail, with which they have depicted the author of evil, when it pleased him to show himself on earth. So that the alteration of a single word, would render Pope's well-known line more truly adapted to the fact, should we venture to read,

'And Pan to Satan lends his heathen horn.'

We cannot attribute the transference of the attributes of the northern *satyr*, or Celtic Ourisk, to the arch-fiend, to any particular resemblance between the character of these deities and that of Satan. On the contrary, the Ourisk of the Celts was a creature by no means peculiarly malevolent or formidably powerful; but rather a melancholy spirit, which dwelt in wildernesses far removed from men.—*Sir W. Scott, Letters on Demonology and Witchcraft*, vol. i. letter iii.

Satyríasis. *s.* [Lat.; Gr.] Satyr-like lasciviousness.

If the chyle be very plentiful, it breeds a *satyriasis*, or an abundance of seminal lymphas.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

Sauce. *s.* [Fr., from Lat. *salsus*, from *salio* = season with, or as with, salt, i. e. *sal.*]

1. Something eaten with food to improve its taste.

The bitter *sauce* of the sport was, that we had our honours for ever lost, partly by our own faults, but principally by his faulty using of our faults.—*Sir P. Sidney.*

To feed were best at home;
From thence the *sauce* to meat is ceremony;
Meeting were bare without it.
Shakespear, Macbeth, iii. 4.

Such was the *sauce* of Moab's noble feast,
Till night far spent invites them to their rest.
Cowley.

He that spends his time in sports, is like him whose meat is nothing but *sauces*; they are healthless, chargeable, and useless.—*Jeremy Taylor.*

2. Insolence of speech.

Serve one with the same sauce. Retaliate one injury with another.

Sauce. *v. a.*

1. Accompany meat with something of higher relish.

He cut out roots in characters,
And *sauced* our broths as Juno had been sick,
And he her dieter. *Shakespear, Cymbeline*, iv. 2.

2. Gratify with rich tastes.
Earth, yield me roots;
Who seeks for better of thee, *sauce* his palate
With thy most operant poison.
Shakespear, Timon of Athens, iv. 3.

3. Intermix or accompany with anything good, or, ironically, with anything bad.
Then fell she to *sauce* her desires with threatenings, so that we were in a great perplexity restrained to so unworthy a bondage, and yet restrained by love, which I cannot tell how, in noble minds, by a certain duty, claims an answering.—*Sir P. Sidney.*
All the delights of love, wherein wanton youth walloweth, be but folly mixed with bitterness, and sorrow *sauced* with repentance.—*Spenser.*
Thou say'st his meat was *sauced* with thy upbraidings;
Unquiet meals make ill digestions.
Shakespear, Comedy of Errors, v. 1.
Those that honoured him avoyded him; neither was he other than abhorred of those that flattered him; yea, his hand could not move to his mouth without his owne detestation; the basest slave of Syria would not change skins with him, if hee might have his honour to book; thus hath the wise God thought meet to *sauce* the valour, dignitie, renowne, victories of the famous generall of the Syrians.—*Bishop Hall, Elisha with Naaman.* (Ord MS.)
We do not expect to make Moselle pass for Rhenish, by dint of a bow and a grin, nor will we *sauce* your mess with poison, like the wily Italian, and call you all the time Illustrissimo and Magnifico.—*Sir W. Scott, Anne of Geierstein*, ch. xix.

4. Treat with bitter language.
He's fallen in love with her foulness, and she'll fall in love with my anger. If it be so, as fast as she answers thee with frowning looks, I'll *sauce* her with bitter words.—*Shakespear, As you like it*, iii. 5. (Ord MS.)

Saúcebox. *s.* Saucy fellow.
Saucebox, go, meddle with your lady's fan,
And prate not here! *Brewer, Lingua*: 1657.
The foolish old poet says, that the souls of some women are made of sea-water: this has encouraged my *saucebox* to be witty upon me.—*Addison, Spectator.*

Saúcepan. *s.* Small skillet with a long handle, in which sauce or small things are boiled.
Your master will not allow you a silver *saucepan*.—*Swift.*
Can we with any profit hold up the mirror to Nature in this wise? When our mirror is no mirror, but only, as it were, a nursery *saucepan*, and that long since grown rusty.—*Carlyle, Critical and Miscellaneous Essays, German Playwrights.*

Saúcer. *s.* [Fr. *saucière*.]
1. Small pan or platter in which sauce is set on the table.
Infuse a pugil of new violets seven times, and it shall make the vinegar so fresh of the flower, as, if brought in a *saucer*, you shall smell it before it come at you.—*Bacon.*
Used *adjectivally*.
Some have mistaken blocks and posts
For spectres, apparitions, ghosts,
With *saucer* eyes and horns. *Butler, Hudibras.*
2. Piece or platter of china, into which a teacup is set.

Saúcily. *adv.* In a saucy manner.
Though this knave came somewhat *saucily* into the world before he was sent for, yet was his mother fair.—*Shakespear, King Lear*, i. 1.
A freed servant, who had much power with Claudius, very *saucily* had almost all the words; and, amongst other things, he asked in scorn one of the examinates, who was likewise a freed servant of Scribonianus, I pray, sir, if Scribonianus had been emperor, what would you have done? He answered I would have stood behind his chair, and held my peace.—*Bacon.*
A trumpet behaved himself very *saucily*.—*Addison.*

Saúciness. *s.* Attribute suggested by Saucy; impudence; petulance; impertinence; contempt of superiours.
With how sweet saws she blamed their *sauciness*,
To feel the panting heart, which through her side
Did beat their hands. *Sir P. Sidney.*
By his authority he remains here, which he thinks is a patent for his *sauciness*.—*Shakespear, All's well that ends well*, iv. 5.
Being intercepted in your sport,
Great reason that my noble lord be rated
For *sauciness*. *Id., Titus Andronicus*, ii. 3.
Imputing it to the natural *sauciness* of a pedant, they made him eat his words.—*Sir R. L'Estrange.*
You *sauciness*, mind your pruning-knife, or I may chance to use it for you.—*Dryden, Don Sebastian*, ii. 2.
This might make all other servants challenge the same liberty, and grow pert upon their masters; and when this *sauciness* became universal, what less mischief could be expected than an old Scythian rebellion?—*Collier, Essays, On Pride.*

Saúcisse. *s.* [Fr.] In *Gunnery*. Train of powder sewed up in a roll of pitched cloth, in order to fire a bomb-chest.

Saúcisson. *s.* [Fr.] In *Strategy*. Faggots or fascines made of large boughs of trees bound together. They are commonly used to cover men, to make epaulments, traverses, or breastworks in ditches full of water, to render the way firm for carriages.

Saúcy. *adj.* Pert; petulant; contemptuous of superiors; insolent; impudent; impertinent.
You are more *saucy* with lords than the heraldry of your birth and virtue gives you commission.—*Shakespear, All's well that ends well*, ii. 3.
Study is like the heaven's glorious sun,
That will not be deep search'd with *saucy* looks;
Small have continual plodders ever won,
Save base authority from others' books.
Id., Love's Labour's lost, i. 1.
And if thou hast the mettle of a king,
Being wrong'd as we are by this peevish town,
Turn thou the mouth of thy artillery,
As we will ours against these *saucy* walls.
Id., King John, ii. 2.
Power's first pedigree from force derives,
And calls to mind the old prerogatives
Of free-born man; and with a *saucy* eye
Searches the heart and soul of majesty.
Sir J. Denham, The Sophy, iv. 1.
I lose my patience, when with *saucy* pride
By untuned ears I hear his numbers tried.
Lord Roscommon.
No *saucy* citizen shall dare
To strike a soldier, nor, when struck, resent
The wrong, for fear of further punishment.
Dryden, Translation of Juvenal, xvi. 11.
Homer, to express a man both timorous and *saucy*, makes use of a kind of point, namely, that he had the eyes of a dog, but the heart of a deer.—*Addison, Spectator.*

Saul. *s.* Indian name for the Shorea botanica, a valuable timber tree, forming large forests at the southern foot of the eastern range of the Himalayas.

Saúnders-wood. *s.* Wood of the Pterocarpus santalinus.
(See under Sandal-wood.)

Saúnter. *v. n.* [?]
1. Wander about idly.
The cormorant is still *sauntering* by the sea-side, to see if he can find any of his brass cast up.—*Sir R. L'Estrange.*
Tell me, why *saunt'ring* thus from place to place
I meet thee, Nævolus, with clouded face?
Harvey, Translation of Juvenal, ix. 1.
So the young 'squire when first he comes
From country school to Will's or Tom's . . .
Without one notion of his own,
He *saunters* wildly up and down.
Prior, The Chameleon.
Led by my hand, he *saunter'd* Europe round,
And gather'd every vice in every ground.
Pope, Dunciad, iv. 311.
2. Loiter; linger listlessly.
The glory of Bond Street is no more: . . . the ancient habitués—the Magni Nominis Umbræ—contemporaries of Brummell in his zenith—boon companions of George IV. in his regency—still haunted the spot. From four to six in the hot month of June, they *sauntered* stately to and fro, looking somewhat mournful even then—foreboding the extinction of their race. . . . Men who make money rarely *saunter*; men who save money rarely swagger. But *saunter* and swagger both united to stamp 'prodigal' on the Bond Street lounger.—*Lord Lytton, My Novel*, b. xi. ch. ii.

Saúnter. *s.* Idle occupation; waste of time.
The tavern, park, assembly, mask, and play;
Those dear destroyers of the tedious day:
That wheel of fops; that *saunter* of the town.
Young, Love of Fame, i. 239.

Saúnterer. *s.* One who saunters; idler; rambler; lounger.
Quit the life of an insignificant *saunterer* about town for that of an useful country-gentleman.—*Bishop Berkeley, Querist*, § 413.
A fine lady will seem to have more charms to a man of study or business, than to a *saunterer*.—*Lord Chesterfield.*

Saúntering. *adj.* Listlessly loitering.
If men were weaned from their *sauntering* humour, wherein they let a good part of their lives run uselessly away, they would acquire skill in hundreds of things.—*Locke.*
Here *sauntering* 'prentices o'er Otway weep.
Gay, Trivia, ii. 561.
The brainless stripling
Spells uncouth Latin, and pretends to Greek;
A *sauntering* tribe! such born to wide estates,
With yea and no in senates hold debates. *Tickell.*

Saúntering. *verbal abs.* Act, or habit, of one who saunters.
Though putting the mind upon an unusual stress that may discourage, ought to be avoided; yet this must not run it into a lazy *sauntering* about ordinary things.—*Locke.*

Saúrian. *adj.* [Gr. σαῦρα = lizard.] Having the character of a lizard.
(For extract see next entry.)

Saúrian. *s.* Animal of the Saurian order, i. e. that division of the reptiles represented by the lizards, crocodiles, monitors, &c.
The mouth of the *saurians* is always armed with teeth, and their toes are generally furnished with claws; they have all a tail more or less long, and generally very thick at the base. A few species, exceptions to the general character, have only two legs. The most gigantic and singular species of the *saurian* order are now extinct.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Saúsage. *s.* [Fr. *saucisse*; Lat. *salsum*.] Roll or ball made commonly of pork or veal, and sometimes of beef, minced very small, with salt and spice; sometimes it is stuffed into skins, and sometimes only rolled in flour.
A pudding is called a *sawsege*.—*Barret, Alvearie*: 1580.
The fruit is not unlike a *sossage* for shape.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 333.

Sávage. *adj.* [Fr. *sauvage*.]
1. Wild; uncultivated.
These godlike virtues wherefore dost thou hide,
Affecting private life, or more obscure
In *savage* wilderness?
Milton, Paradise Regained, iii. 21.
Cornels, and *savage* berries of the wood,
And roots and herbs have been my meagre food.
Dryden, Translation of the Æneid, iii. 855.
2. Untamed; cruel.
[He] like a boar too *savage* doth root up
His country's peace.
Shakespear, Timon of Athens, v. 2.
Hence with your little ones:
To fright you thus, methinks, I am too *savage*;
To do worse to you were fell cruelty.
Id., Macbeth, iv. 2.
A dreary desert and a gloomy waste,
To *savage* beasts and *savage* laws a prey.
Pope, Windsor Forest.
3. Uncivilized; barbarous; untaught; wild; brutal.
Thus people lived altogether a *savage* life, till Saturn arriving on those coasts, devised laws to govern them by.—*Sir W. Raleigh.*
The *savage* clamour drown'd
Both harp and voice. *Milton, Paradise Lost*, vii. 36.
A herd of wild beasts on the mountains, or a *savage* drove of men in caves, might be so disordered; but never a peculiar people.—*Bishop Sprat, Sermons.*

Sávage. *s.* Savage person.
Long after these times were they but *savages*.—*Sir W. Raleigh.*
The seditious lived by rapine and ruin of all the country, omitting nothing of that which *savages*, enraged in the height of their unruly behaviour, do commit.—*Sir J. Hayward.*
To deprive us of metals is to make us mere *savages*; to change our corn for the old Arcadian diet, our houses and cities for dens and caves, and our clothing for skins of beasts: 'tis to bereave us of all arts and sciences, nay, of revealed religion.—*Bentley.*
The Maldivian islanders eat alone. They retire into the most hidden parts of their houses; and they draw down the cloths that serve as blinds to their windows, that they may eat unobserved. This custom probably arises from the *savage*, in early periods of society, concealing himself to eat: he fears that another with as sharp an appetite, but more strong than himself, should come and ravish his meal from him.—*I. Disraeli, Curiosities of Literature, Singularities observed by various Nations in their Repasts.*

Sávage. *v. a.* Render savage. *Rare.*
Whose bloodie breast so *savaged* out of kind,
That Phalaris had ne'er so foul a mind.
Mirrour for Magistrates, p. 442.

Saváged. *part. adj.* Rendered savage. *Rare.*
If this sort once possess the arteries
Of forlorn man, madness and stupor seize
His *savaged* heart, and death dwells in his eyes.
Dr. H. More, Pre-existence of the Soul, xxxviii.

Sávagely. *adv.* In a savage manner; barbarously; cruelly.
Your castle is surprised, your wife and babes
Savagely slaughter'd. *Shakespear, Macbeth*, iv. 3.

A *savageness* in unreclaimed blood
Of general assault. *Shakespear, Hamlet*, ii. 1.

Sávagery. *s.*
1. Cruelty; barbarity.
This is the bloodiest shame,
The wildest *savagery*, the vilest stroke,
That ever wall-eyed Wrath, or staring Rage,
Presented to the tears of soft Remorse.
Shakespear, King John, iv. 3.
2. Wild growth.
Her fallow lees
The darnel, hemlock, and rank fumitory,
Doth root upon; while that the culter rusts,
That should deracinate such *savagery*.
Shakespear, Henry V. v. 2.

Savánnah. *s.* [Spanish, *sabana*.] Tract of land covered with natural vegetation, in those parts of America which are or have been Spanish; the term elsewhere being Prairie.
He that rides post through a country may tell how, in general, the parts lie: here a morass, and there a river; woodland in one part, and *savannas* in another.—*Locke.*
The interior of Africa contains very extensive tracts of low plain covered with much vegetation, and the resort of large wild animals in enormous herds. There also are *savannahs*.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Save. *v. a.* [Fr. *sauver*; Lat. *salvo*.]
1. Preserve from danger or destruction.
One shall cry unto him, yet cannot he answer, nor *save* him out of his trouble.—*Isaiah*, xlvi. 7.
Anointed let me be with deadly venom,
And die ere men can say God *save* the queen.
Shakespear, Richard III. iv. 1.
The circling streams, once thought but pools of blood,
Whether life's fuel, or the body's food,
From dark oblivion Harvey's name shall *save*.
Dryden, Epistles, To Dr. Charlton, 29.
Will no superiour genius snatch the quill,
And *save* me on the brink of writing ill?
Young, Love of Fame, i. 47.
2. Preserve finally from eternal death.
There be souls that must be *saved*, and there be souls must not be *saved*.—*Shakespear, Othello*, iii. 3.
Proclaiming life to all who shall believe
In his redemption, and that his obedience
Imputed becomes theirs by faith, his merits
To *save* them, not their own.
Milton, Paradise Lost, xii. 407.
He who feareth God, and worketh righteousness, and perseveres in the faith and duties of our religion, shall certainly be *saved*.—*Rogers.*
3. Not spend or lose; hinder from being spent or lost.
We may be confident whatever God does is intended for our good, and whatever we interpret otherwise we can get nothing by repining, nor *save* anything by resisting.—*Sir W. Temple.*
Without their cost you terminate the cause,
And save th' expence of long litigious laws,
Where suits are traversed, and so little won,
That he who conquers is but last undone.
Dryden, Epistles, To his kinsman, John Dryden, 10.
4. Reserve or lay by.
He shall not feel quietness, . . . he shall not *save* of that which he desired.—*Job*, xx. 20.
They meanly pilfer, as they bravely fought,
Now *save* a nation, and now *save* a groat. *Pope.*
When Hopkins dies, a thousand lights attend
The wretch, who living *saved* a candle's end.
Id., Moral Essays, 291.
5. Spare; excuse.
Our author *saves* me the comparison.—*Dryden.*
Will you not speak to *save* a lady's blush?
Id., Spanish Friar, iv. 2.
These sinews are not yet so much unstrung,
To fail me when my master should be served;
And when they are, then will I steal to death,
Silent and unobserved, to *save* his tears.
Id., Don Sebastian, v. 1.
6. Reconcile.
How build, unbuild, contrive
To *save* appearances; how gird the sphere
With centrick and eccentrick.
Milton, Paradise Lost, viii. 81.
7. Take or embrace opportunely, so as not to lose.
The same persons, who were chief confidents to Cromwell's foreseeing a restoration, seized the castles in Ireland, just *saving* the tide, and putting in a stock of merit sufficient.—*Swift.*

Save. *v. n.* Be cheap.
Brass ordnance *saveth* in the quantity of the material, and in the charge of mounting and carriage.—*Bacon.*

Save. *prep.* Except; not including. *Rare.*
But being all defeated, *save* a few,
Rather than fly, or be captived, herself she slew.
Spenser.
All the conspirators, *save* only he,
Did that they did in envy of great Cæsar.
Shakespear, Julius Cæsar, v. 5.
He never put down a near servant, *save* only Stanley, the lord chamberlain.—*Bacon, History of the Reign of Henry VII.*
How have I then with whom to hold converse,
Save with the creatures which I made?
Milton, Paradise Lost, viii. 408.
Constant at church and change, his gains were sure;
His givings rare, *save* farthings to the poor.
Pope, Moral Essays, iii. 347.

Sáveall. *s.* Small pan inserted into a candlestick to save the ends of candles.
In some this light goes out with an ill-savoured stench; but others have a *save-all* to preserve it from making any snuff at all.—*Howell, Letters*, iv. 21.

1. Preserver; rescuer.
They were manifoldly acknowledged the *savers* of that country.—*Sir P. Sidney.*
One man, choosing a proper juncture, leaps into a gulf, thence proceeds a hero, and is called the *saver* of his country.—*Swift, Tale of a Tub*, sect. ix. (Ord MS.)
2. One who escapes loss, though without gain.
Laws of arms permit each injured man
To make himself a *saver* where he can. *Dryden.*
Who dares affirm this is no pious age,
When charity begins to tread the stage?
When actors, who at best are hardly *savers*,
Will give a night of benefit to weavers? *Swift.*
3. One who lays up and grows rich.
By nature far from profusion, and yet a greater sparer than a *saver*; for though he had such means to accumulate, yet his garrisons and his feastings soaked his exchequer.—*Sir H. Wotton.*

Sávin. *s.* Coniferous shrub of the genus Juniperus (sabina).
Savin acts on animals as an acrid poison. . . . Oil of *savin* . . . is a powerful local irritant.—*Pereira, Elements of Materia Medica and Therapeutics.*

Whatsoever we read in Scripture concerning the endless love and *saving* mercy which God sheweth towards his church, the only proper subject thereof is this church.—*Hooker, Ecclesiastical Polity.*

Sáving. *prep.* Except.
All this world's glory seemeth vain,
And all their shows but shadows, *saving* she.
Spenser.
Such laws cannot be abrogated, *saving* only by whom they were made; because the intent of them being known unto none but the author, he alone can judge how long it is requisite they should endure.—*Hooker, Ecclesiastical Polity.*

Sáving. *verbal abs.*
1. Escape of expense; somewhat preserved from being spent.
It is a great *saving* in all such lights, if they can be made as fair and right as others, and yet last longer.—*Bacon.*
By reducing interest to four per cent. there was a considerable *saving* to the nation; but this year they give six.—*Addison.*
2. Exception in favour.
Contend not with those that are too strong for us, but still with a *saving* to honesty; for integrity must be supported against all violence.—*Sir R. L'Estrange.*
3. In the *plural*. Money laid by.
He had been but a short time in great practice. His *savings* were small.—*Macaulay, History of England*, ch. xix.
As the *first element* in a *compound*: (as, in *Savings'-bank*).
4. Salvation.
We are not of them who draw back unto perdition; but of them that believe, to the *saving* of the soul.—*Hebrews*, x. 39.

Sávingly. *adv.* In a saving manner.
1. So as to be saved.
[He] may yet, by the grace of God, repent *savingly* and effectually.—*South, Sermons*, vii. 123.

The safety and *savingness* which it promiseth.—*Brevint, Saul and Samuel at Endor*, preface: 1647.

Sáviour. *s.* One who saves. In *Christian Theology*, the Redeemer.
Unto you is born this day in the city of David, a *Saviour*, which is Christ the Lord.—*Luke*, ii. 11.
However consonant to reason his precepts appeared, nothing could have tempted men to acknowledge him as their God and *Saviour*, but their being firmly persuaded of the miracles he wrought.—*Addison.*

Sávioures. *s.* Female saviour. *Rare.*
One sayes to the blessed Virgin, O *Savioures*se, save me!—*Bishop Hall, No Peace with Rome.* (Ord MS.)
The common people, whose devotion enriches those shrines, climbe the hill of Trichen with this conceit, that Mary is their *savioresse*.—*Id., To Sir D. Murray.* (Ord MS.)

Sávorous. *adj.* [Fr. *savoureux*.] Sweet; pleasant: (Savory the *commoner* word).

Sávory. *s.* [Fr. *savorée*; Lat. *satureia*.] Potherb of the genus Satureia.
There are two sorts . . . of *savory*, the summer and the winter, . . . both highly esteemed in cookery for their powerful aromatic flavour. Both species were noticed by Virgil as being among the most fragrant herbs, and on this account were recommended to be grown near beehives. Vinegar flavoured with *savory* and other aromatic herbs was as much used by the ancient Romans as mint-sauce is at the present day with us. To preserve a supply, it should be cut just before the flowers expand, and dried by exposure to air.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Sávour. *s.* [Fr. *saveur*.]
1. Scent; odour.
What *savour* is better, if physick be true,
For places infected, than wormwood and rue?
Tusser, Five Hundred Points of good Husbandry.
2. Taste; power of affecting the palate.
I taste
The *savour* of death from all things.
Milton, Paradise Lost, x. 269.
A directer influence from the sun gives fruit a better *savour* and a greater worth.—*South, Sermons.*
Truffles, which have an excellent oil, and a volatile salt of a grateful *savour*, are heating.—*Arbuthnot, On the Nature and Choice of Aliments.*

Sávour. *v. n.*

2. Betoken; have an appearance or intellectual taste of something.
This ripping of ancestors is very pleasing, and *savoureth* of good conceit and some reading.—*Spenser, View of the State of Ireland.*
If 'twere a secret that concern'd my life,
This boldness might become thee:
But such unnecessary rudeness *savours*
Of some design. *Sir J. Denham, The Sophy.*
I have rejected every thing that *savours* of party.—*Addison.*

Sávour. *v. a.*
1. Like; taste or smell with delight.
Wisdom and goodness to the vile seem vile;
Filths *savour* but themselves.
Shakespear, King Lear, iv. 2.
2. Perceive; consider; taste intellectually.
Thou *savourest* not the things that be of God.—*Matthew*, xvi. 23.

Sávourily. *adv.* In a savoury manner.
1. With gust; with appetite.
The collation he fell to very *savourily*.—*Sir R L'Estrange.*

This mufti is some English renegado, he talks so *savourily* of toping.—*Dryden, Don Sebastian*, i. 1.

2. With a pleasing relish.

There's a dearth of wit in this dull town,
When silly plays so *savourily* go down.
Dryden, Prologue to King Arthur.

Sávouriness. *s.* Attribute suggested by Savoury; pleasing taste or smell.

All the relishes of wine, and the *savouriness* of meat, are not owing to the blood of the grape, or the strength of the corn, but to the appetite or the necessity.—*Jeremy Taylor, Miracles of Divine Mercy.* (Ord MS.)

Sávourless. *adj.* Wanting savour.

One thinks it misbeseeming the author, because a poem; . . . the learned, too perspicuous; the unlearned, *savourless*, because too obscure.—*Bishop Hall, Postscript to his Satires.*

Sávourly. *adv.* With savour.

As no man can well enjoy himself, or find sound content in any thing, while business or duty lie unfinished on his hands, so when he has done his best toward the dispatch of his work, he will then comfortably take his ease and enjoy his pleasure; then his food doth taste *savourly*; then his divertisements and recreations have a lively gustfulness; then his sleep is very sound and pleasant.—*Barrow, Sermons*, vol. iii. serm. xix.

Sávoury. *adj.* [Fr. *savoureux.*]

1. Pleasing to the smell.

The pleasant *savoury* smell
So quicken'd appetite, that I
Could not but taste. *Milton, Paradise Lost*, v. 84.

2. Piquant to the taste.

Make me *savoury* meat, such as I love, and bring it to me.—*Genesis*, xxvii. 4.
The *savoury* pulp they chew.

Good king, that must approve the common *saw*:
Thou out of Heaven's benediction com'st
To the warm sun! *Shakespear, King Lear*, ii. 2.
From the table of my memory
I'll wipe away all *saws* of books. *Id., Hamlet*, i. 5.
His weapons, holy *saws* of sacred writ.
Id., Henry VI. Part II. i. 3.
Strict age and sour severity,
With their grave *saws* in slumber lie.
Milton, Comus, 109.

'Saint John, or Saint James either, may be mistaken in the matter,' said Eric; 'for I think neither of them lived in Zetland. I only say, that if there is faith in old *saws*, these two lads will do each other a mischief; and if they do, I trust it will light on Mordaunt Mertoun.'—*Sir W. Scott, The Pirate*, ch. xvii.

2. Decree. *Obsolete.*

Love is lord of all the world by right,
And rules their creatures by his powerful *saw*.
Spenser, Colin Clout's come Home again.

Saw. *s.* [A.S. *saga, sige*; Fr. *scie.*] Dentated instrument, by the attrition of which wood or metal is cut.

Then *saws* were tooth'd, and sounding axes made.
Dryden, Translation of the Georgics, i. 215.
If they cannot cut, it may be said,
His *saws* were toothless, and his hatchets lead.
Pope, Epilogue to the Satires, dial. ii.

The teeth are filed to an angle, pointing towards the end of the *saw*, and not towards the handle of the *saw*, or straight between the handle and end; because the *saw* is designed to act only in its progress forwards, a man having in that more strength than he can have in drawing back his *saw*, and therefore when he draws it back, he bears it lightly off the unsawn stuff, which enables him the longer to continue his several progressions of the *saw*.—*Moxon, Mechanical Exercises.*

As the *first element* in a *compound.*

The roach is a leather-mouthed fish, and has *saw-like* teeth in his throat.—*I. Walton, Complete Angler.*

Saw. *v. a.* [Fr. *scier.*] Cut timber or other matter with a saw.

They were stoned, they were *sawn* asunder.—*Hebrews*, xi. 37.

A carpenter, after he hath *sawn* down a tree, and wrought it handsomely, sets it in a wall.—*Wisdom of Solomon*, xiii. 11.

Master-workmen, when they direct any of their underlings to *saw* a piece of stuff, have several phrases for the *sawing* of it: they seldom say, *saw* the piece of stuff; but, draw the *saw* through it; give the piece of stuff a kerf.—*Moxon, Mechanical Exercises.*

If I cut my finger, I shall as certainly feel pain as if my soul was co-extended with the limb, and had a piece of it *sawn* through.—*Collier.*

Saw-wort. *s.* In *Botany.* Plant of the genus Serratula; the two names being approximate translations of one another (Lat. *serra* = saw).

Saw-wort [is] a plant like the greater centaury, from which this differs in having smaller heads, and from the knapweed in having the borders of the leaves cut into small sharp segments, resembling the teeth of a saw.—*Miller, Gardener's Dictionary.*

Saw-wrest. *s.* Sort of tool.

With the *saw-wrest* they set the teeth of the saw; that is, they put one of the notches of the wrest between the first two teeth on the blade of the saw, and then turn the handle horizontally a little about upon the notch towards the end of the saw; and that at once turns the first tooth somewhat towards you, and the second tooth from you.—*Moxon, Mechanical Exercises.*

Sáwdust. *s.* Dust made by the attrition of the saw.

If the membrane be fouled by the *sawdust* of the bone, wipe it off with a sponge.—*Wiseman, Surgery.*

Sáwfish. *s.* In *Icthyology.* Shark of the genus Pristis.

The common *saw-fish* has its elongated beak, armed like a rake, with eighteen or nineteen spines on each side, covered with a sort of corium.—*Translation of Cuvier's Règne Animal.*

It is an incalescency, from a swift motion, such as that of running, threshing, or *sawing*.—*Ray, Wisdom of God manifested in the Works of the Creation.*

Sáwpit. *s.* Pit over which timber is laid to be sawn by two men.

Let them from forth a *sawpit* rush at once
With some diffused song.
Shakespear, Merry Wives of Windsor, iv. 4.

I was full two-and forty days making me a board for a long shelf, which I wanted in my cave; whereas, two sawyers, with their tools and a *saw-pit*, would have cut six of them out of the same tree in half a day.—*Defoe, Life and Adventures of Robinson Crusoe.*

Traces of the sudden stoppage of a great work might be observed in the temporary *saw-pits* still remaining, the sheds for the workmen, and the kilns and furnaces, which never had been removed.—*B. Disraeli, Henrietta Temple*, b. i. ch. ii.

Sáwyer. *s.* [Fr. *scieur.*] One who saws.

The pit-saw is used by joiners, when what they have to do may be as soon done at home as send it to the *sawyers*.—*Moxon, Mechanical Exercises.*

Sáxifrage. *s.* [Fr.; Lat. *saxifraga.*] In *Botany.* Plant of the large genus Saxifraga.

Saxifrage is good (and hart's-tongue) for the stone.
Drayton, Polyolbion, song xiii.

Saxifrage, quasi saxum frangere, to break the stone, as applicable to any thing having this property; but is a term most commonly given to a plant, from an opinion of its medicinal virtues to this effect.—*Quincy.*

Sáxifragous. *adj.* Dissolvent of the stone.

Because goat's blood was found an excellent medicine for the stone, it might be conceived to be able to break a diamond; and so it came to be ordered that the goats should be fed on *saxifragous* herbs, and such as are conceived of power to break the stone.—*Sir T. Browne, Vulgar Errours.*

Sáxonism. *s.* Idiom of the Anglo-Saxon stage of the English language.

This rhyming chronicle [of Robert of Gloucester] is totally destitute of art or imagination. . . . The language is full of *Saxonisms*, which indeed abound, more or less, in every writer before Gower and Chaucer.—*T. Warton, History of English Poetry*, i. 49.

Sáxonist. *s.* One who is well acquainted with the Saxon language or manners.

Elstob, the learned *Saxonist*.—*Bishop Nicholson, On the Epistle to the Corinthians*, i. 68, note.

Sáxony. *s.* Cloth made of Saxony wool: (used *adjectivally* in the extract).

And now the wedding party began to assemble at Todgers's. Mr. Jinkins, the only boarder invited, was on the ground first. He wore a white favour in his button-hole, and a bran-new extra super double-milled blue *saxony* dress coat (that was its description in the bill).—*Dickens, Martin Chuzzlewit*, ch. liii.

Say. *s.* [Fr. *soie.*] Silk.

His garment neither was of silke nor *say*,
But painted plumes. *Spenser, Faerie Queen.*

Whether the woollen manufacture of England is not divided into several parts or branches, appropriated to particular places, where they are only or principally manufactured; fine cloths in Somersetshire, coarse in Yorkshire, long ells at Exeter, *saies* at Sudbury, crapes at Norwich, linseys at Kendal, blankets at Whitney, and so forth?—*Bishop Berkeley, Querist*, §520.

Say. *v. a.* Assay.

The tailor brings a suit home; he it *says*.
B. Jonson, Epigrams, xii.

Say. *s.* Assay.

So good a *say* invites the eye,
A little downward to espy
The lively clusters of her breasts. *Sir P. Sidney.*
Since thy outside looks so fair and warlike,
And that thy tongue some *'say* of breeding breathes,
What safe and nicely I might well delay
By rule of knighthood, I disdain.
Shakespear, King Lear, v. 3.

In *Composition.*

This gentleman having brought that earth to the public *'say* masters, and upon their being unable to bring it to fusion, or make it fly away, he had procured a little of it, and with a peculiar flux separated a third part of pure gold.—*Boyle.*

Say. *v. a.* pret. *said.* [A.S. *sagan*; German, *sagen.*]

1. Speak; utter in words; tell.

Say it out, Diggon, whatever it hight.
Spenser, Shepherd's Calendar.

Speak, I pray thee, unto Solomon the king; for he will not *say* thee nay.—1 *Kings*, ii. 17.

See thou *say* nothing to any man, but go thy way.—*Mark*, i. 44.

In this slumbry agitation what have you heard her say?—*Shakespear, Macbeth*, v. 1.

2. Allege by way of argument.

After all can be *said* against a thing, this will still be true, that many things possibly are, which we know not of.—*Archbishop Tillotson.*

In vain shall we attempt to justify ourselves, as the rich young man in the gospel did, by appealing to the great duties of the law; unless we can *say* somewhat more, even that we have been liberal in our distributions to the poor.—*Bishop Atterbury.*

3. Tell in any manner.

With flying speed, and seeming great pretence,
Came messenger with letters which his message *said*.
Spenser, Faerie Queen.

4. Repeat; rehearse: (as, 'to *say* a part;' 'to *say* a lesson').

For once she used every day to wend
'Bout her affairs, her spells and charms to *say*.
Fairfax.

5. Pronounce without singing.

Then shall be *said* or sung as follows.—*Book of Common Prayer.*

Say. *v. n.*

1. Speak; pronounce; utter; relate.

He *said* moreover, I have somewhat to *say* unto thee; and she *said*, *Say* on.—1 *Kings*, ii. 14.

2. In poetry, *say* is often used before a question; tell.

Say first what cause
Moved our grand parents to fall off?
Milton, Paradise Lost, i. 28.
Say, Stella, feel you no content,
Reflecting on a life well-spent? *Swift.*

Your mere enforcement shall acquittance me
From all the impure blots and stains thereof.
Shakespear, Richard III. iii. 7.

My known virtue is from *scandal* free,
And leaves no shadow for your calumny.
Dryden, Aurengzebe, ii. 1.

In the case of *scandal*, we are to reflect how men ought to judge.—*Rogers, Sermons.*

Scándal. *v. a.*

1. Treat opprobriously; charge falsely with faults.

You repined,
Scandal'd the suppliants for the people; call'd them
Time-pleasers, flatterers.
Shakespear, Coriolanus, iii. 1.

If I do fawn on men, and hug them hard,
And after *scandal* them. *Id., Julius Cæsar*, i. 2.

Hear me; the villain
Scandals her, honour'd lords.
Beaumont and Fletcher, Laws of Candy, v. 1.

2. Scandalize; offend.

They who are proud and pharisaical will be *scandalled* even at the best and well disciplined things.—*Tooker, Fabrick of the Church*, p. 75: 1604.

St. Paul supposes that people have an allowance to be *scandaled* at the doctrine of an immoral man.—*Bishop Story, Essay on the Priesthood*, p. 87.

Scándalize. *v. a.* [Gr. *σκανδαλίζω*; Fr. *scandaliser.*]

1. Offend by some action supposed criminal.

I demand who they are whom we *scandalize* by using harmless things? Among ourselves, that agree in this use, no man will say that one of us is offensive and scandalous unto another.—*Hooker, Ecclesiastical Polity.*

It had the excuse of some bashfulness, and care not to *scandalize* others.—*Hammond, On Fundamentals.*

Whoever considers the injustice of some ministers, in those intervals of parliament, will not be *scandalized* at the warmth and vivacity of those meetings.—*Lord Clarendon, History of the Grand Rebellion.*

2. Reproach; disgrace; defame.

Thou do'st appear to *scandalize*
The publick right, and common cause of kings.
Daniel.

Many were *scandalized* at the personal slander and reflection flung out by *scandalizing* libellers.—*Addison.*

Scándalous. *adj.* [Fr. *scandaleux.*]

1. Giving public offence.

Nothing *scandalous* or offensive unto any, especially unto the church of God: all things in order, and with seemliness.—*Hooker, Ecclesiastical Polity.*

Something savouring
Of tyranny, which will ignoble make you,
Yea, *scandalous* to the world.
Shakespear, Winter's Tale, ii. 3.

2. Opprobrious; disgraceful.

3. Shameful; openly vile.

You know the *scandalous* meanness of that proceeding, which was used.—*Pope.*

Scándalously. *adv.* In a scandalous manner.

1. Shamefully; ill to a degree that gives publick offence.

His discourse at table was *scandalously* unbecoming the dignity of his station; noise, brutality, and obsceneness.—*Swift.*

2. Censoriously; opprobriously.

Shun their fault, who, *scandalously* nice,
Will needs mistake an author into vice.
Pope, Essay on Criticism, ii. 556.

Scándalousness. *s.* Quality of giving publick offence.

Scánsion. *s.* [Lat. *scansio, -onis*, from *scando* = I climb; pass. part. *scansus.*] Act or practice of scanning a verse.

The French, having retained this verse as the vehicle of their epic and tragic flights, in order to give it a stateliness and dignity were obliged to confine it to more exact laws of *scansion.*—*Bishop Percy, On the Metre of Piers Ploughman's Visions.*

Scant. *v. a.* Limit; straiten.

You think
I will your serious and great business *scant*,
For she is with me. *Shakespear, Othello*, i. 3.

They need rather to be *scanted* in their nourishment than replenished, to have them sweet.—*Bacon, Natural and Experimental History.*

We might do well to think with ourselves, what time of stay we would demand, and he bade us not to *scant* ourselves.—*Id.*

Looking on things through the wrong end of the perspective, which *scants* their dimensions, we neglect and contemn them.—*Glanville, Scepsis Scientifica.*

I am *scanted* in the pleasure of dwelling on your actions.—*Dryden.*

Starve them ...
For fear the rankness of the swelling womb
Should *scant* the passage and confine the room.
Id., Translation of the Georgics, iii. 216.

Scant. *s.* Scarcity.

Like the ant,
In plenty hoard for time of *scant*.
Carew, Poems, p. 4.

Scant. *adj.*

1. Not plentiful; scarce; less than what is proper or competent.

White is a penurious colour, and where moisture is *scant*: so blue violets, and other colours, if they be starved, turn pale and white.—*Bacon, Natural and Experimental History.*

A single violet transplant:
The strength, the colour, and the size,
All which before was poor and *scant*,
Redoubles still and multiplies. *Donne.*

To find out that ...
In such a *scant* allowance of star-light
Would overtask the best land-pilot's art.
Milton, Comus, 304.

Good Dampmartin, wayworn in winter frost, probably with *scant* light of stars and fish-oil, still perorates from the inn-window.—*Carlyle, French Revolution*, pt. i. b. i. ch. ii.

2. Wary; not liberal; parsimonious.

From this time,
Be somewhat *scanter* of your maiden presence.
Shakespear, Hamlet, i. 3.

Scant. *adv.* Scarcely; hardly.

We *scant* read in any writer, that there have been seen any people upon the south coast.—*Abbot, Description of the World.*

A wild pamphlet, besides other malignities, would *scant* allow him to be a gentleman.—*Sir H. Wotton.*

O'er yonder hill does *scant* the dawn appear.
Gay, Shepherd's Week, Monday, 5.

Scántily. *adv.* In a scanty manner.

1. Narrowly; not plentifully.

2. Sparingly; niggardly.

He spoke
Scantily of me, when perforce he could not
But pay me terms of honour.
Shakespear, Antony and Cleopatra, iii. 4.

Scántiness. *s.* Attribute suggested by Scanty.

1. Narrowness; want of space; want of compass.

Virgil has sometimes two of them in a line; but the *scantiness* of our heroick verse is not capable of receiving more than one.—*Dryden.*

2. Want of amplitude or greatness; want of liberality.

Alexander was much troubled at the *scantiness* of nature itself, that there were no more worlds for him to disturb.—*South, Sermons.*

Scántle. *v. n.* Be deficient; fall. *Rare.*

She could sell winds ...
They rose, or *scantled*, as his sails would drive
To the same port whereas he would arrive.
Drayton, Mooncalf: 1627.

Scántle. *v. a.* [N.Fr. *eschanteler.*] Divide into little pieces; shiver.

The pope's territories will, within a century, be *scantled* out among the great powers, who have now a footing in Italy.—*Lord Chesterfield.*

Scántlet. *s.* Small pattern; small quantity; little piece.

While the world was but thin, the ages of mankind were longer; and as the world grew fuller, so their lives were successively reduced to a shorter *scantlet*, till they came to that time of life which they now have.—*Sir M. Hale.*

Scántling. *s.* [Fr. *échantillon.*]

1. Quantity cut for a particular purpose.

'Tis hard to find out a woman that's of a just *scantling* for her age, humour, and fortune, to make a wife of.—*Sir R. L'Estrange.*

2. Certain proportion.

The success,
Although particular, shall give a *scantling*
Of good or bad unto the general.
Shakespear, Troilus and Cressida, i. 3.

3. Small quantity.

Reduce desires to narrow *scantlings* and small proportions.—*Jeremy Taylor, Rule and Exercises of holy Living.*

A *scantling* of wit lay gasping for life, and groaning beneath a heap of rubbish.—*Dryden.*

In this narrow *scantling* of capacity, we enjoy but one pleasure at once.—*Locke.*

Scántling. *adj.* Not plentiful; small.

See the small stream that pours his murmuring tide
O'er some rough rock that would its wealth display,
Displays it aught but penury and pride?
Ah, construe wisely what such murmurs say.
How would some flood, with ampler treasures blest,
Disdainful view the *scantling* drops distil!
Shenstone, Elegies, x.

Scántly. *adv.* In a scant manner.

1. Scarcely; hardly.

England, in the opinion of the popes, was preferred, because it contained in the ecclesiastical division two large provinces, which had their several 'legati nati'; whereas France had *scantly* one.—*Camden, Remains.*

2. Narrowly; penuriously; without amplitude.

My eager love I'll give myself the lye;
The very hope is a full happiness,
Yet *scantly* measures what I shall possess. *Dryden.*

Scántness. *s.* Attribute suggested by Scant; narrowness; meanness; smallness.

He was a man fierce, and of no evil disposition, saving that he thought *scantness* of estate too great an evil.—*Sir J. Hayward.*

Did we but compare the miserable *scantness* of our capacities with the vast profundity of things, truth and modesty would teach us wary language.—*Glanville, Scepsis Scientifica.*

Scánty. *adj.*

1. Narrow; small; wanting amplitude; short of quantity sufficient.

As long as one can increase the number, he will think the idea he hath a little too *scanty* for positive infinity.—*Locke.*

His dominions were very narrow and *scanty*; for he had not the possession of a foot of land, till he bought a field of the sons of Heth.—*Id.*

Now *scantier* limits the proud arch confine,
And scarce are seen the prostrate Nile and Rhine.
Pope, Moral Essays, v. 27.

2. Small; poor; not copious; not ample.

Their language being *scanty*, and accommodated only to the few necessaries of a needy simple life, had no words in it to stand for a thousand.—*Locke.*

3. Sparing; niggardly; parsimonious.

In illustrating a point of difficulty, be not too *scanty* of words, but rather become copious in your language.—*Watts.*

They with such *scanty* wages pay
The bondage and the slavery of years. *Swift.*

Scape. *s.* In *Botany.* Flower-stalk like that of the cowslip.

In plants which are destitute of stem, it [the peduncle] often rises above the ground, supporting the flowers on its apex, as in the cowslip; such a peduncle is called a *scape.*—*Lindley, Introduction to Botany*, vol. i. p. 317: 1848.

Scape. *v. a.* Escape.

What, have I *scaped* love-letters in the holyday time of my beauty, and am I now a subject for them?—*Shakespear, Merry Wives of Windsor*, ii. 1.

I doubt not but to die a fair death, if I *scape* hanging.—*Id., Henry IV. Part I.* ii. 2.

What can *'scape* the eye
Of God all-seeing? *Milton, Paradise Lost*, x. 5.

Scape. *v. n.* Get away from hurt or danger.

Could they not fall unpitied on the plain,
But slain revive, and, taken, *scape* again? *Dryden.*

Scape. *s.*

1. Escape; flight from hurt or danger; the act of declining or running from danger; accident of safety.

I spoke of most disast'rous chances,
Of hair-breadth *scapes* in th' imminent deadly breach. *Shakespear, Othello*, i. 3.

2. Means of escape; evasion.

Having purposed falsehood, you
Can have no way but falsehood to be true!
Vain lunatick, against these *scapes* I could
Dispute, and conquer, if I would. *Donne.*

3. Negligent freak; deviation from regularity; escapade.

No natural exhalation in the sky,
No *scape* of nature, no distemper'd day,
But they will pluck away its nat'ral cause,
And call them meteors, prodigies, and signs.
Shakespear, King John, iii. 4.

4. Loose act of vice or lewdness.

A bearne! a very pretty bearne! sure some *scape*: though I am not bookish yet I can read waiting-gentlewoman in the *scape*.—*Shakespear, Winter's Tale*, iii. 3.

Thou lurk'dst . . ,
In valley or green meadow, to waylay
Some beauty rare, Calisto, Clymene . . .
Too long, then laid'st thy *scapes* on names adored.
Milton, Paradise Regained, ii. 183.

Scape-goat. *s.* Goat set at liberty by the Jews on the day of solemn expiation.

The goat, on which the lot fell to be the *scapegoat*, shall be presented alive before the Lord, to make an atonement with him, and to let him go for a *scape-goat* into the wilderness.—*Leviticus*, xvi. 10.

An act of Christ this, as of a second Adam, a common person, ordered by the wisdom of God to bear the chastisement of our peace, the *scape-goat* to carry all our sins on his head into the wilderness. —*Hammond, Works*, iv. 526.

Scápegrace. *s.* Wild fellow.

It is pleasant to hear our fathers praised. We, too, may inherit their virtues with their lands, or cash, or bonds; and *scapegraces* as we are, it is agreeable to find a precedent for the blood turning out well.—*B. Disraeli, The Young Duke*, b. ii. ch. viii.

Scápement. *s.* [see extract.] In *Horology*. Mechanism for transmitting the maintaining power of a clock or watch to the regulator, in order to restore that loss of motion which in every vibration arises from the friction of the acting part and the resistance of the air.

The invention once executed was denominated an *escapement*, or by contraction among the workmen *scapement*, because it suffers a tooth of the wheel, with which it acts to *escape*, or pass on, at such intervals of time as are measured by the regulator, which wheel is therefore also called the *escapement* wheel.—*Rees, Cyclopædia.*

Scápula. *s.* [Lat.] Shoulder-blade.

The heat went off from the parts, and spread up higher to the breast and *scapula*.—*Wiseman.*

Scápular. *adj.* Relating or belonging to the shoulders.

The viscera were counterpoised with the weight of the *scapular* part.—*Derham, Physico-Theology.*

Scápulary. *adj.* Scapular.

The humours dispersed through the branches of the axillary artery to the *scapulary* branches.—*Wiseman.*

Scápulary. *s.* [Fr. *scapulaire.*] Part of the habit of a friar, consisting of two narrow slips of cloth covering the back and the breast.

The *scapulary* is made of two small pieces of woollen stuff, about the extent of a hand, hanging by two little laces down from the neck upon both the back and the breast of the devout person who wears it.—*Brevint. Saul and Samuel at Endor*, p. 277.

Scar. *s.* [N.Fr. *escarre* = breach.] Mark left by a breach of the skin, or wound; cicatrix: (sometimes for *eschar*, a different word).

1. Cicatrix.

Scratch thee but with a pin, and there remains
Some *scar* of it. *Shakespear, As you like it*, iii. 5.

It may be struck out of the omniscience of God, and leave no *scar* nor blemish behind.—*Dr. H. More.*

2. Precipice of broken rock.

Scar, in every part of England where rocks abound, is well known to signify the detached protrusion of a large rock.—*Henley, Notes on Shakespear's All's well that ends well.*

Scar. *v. a.* Mark as with a sore or wound.

Yet I'll not shed her blood,
Nor *scar* that whiter skin of hers than snow,
And smooth as monumental alabaster.
Shakespear, Othello, v. 2.

Scárab. *s.* [Lat. *scarabeus.*]

1. Beetle; insect with sheathed wings.

A small *scarab* is bred in the very tips of elm-leaves: these leaves may be observed to be dry and dead, as also turgid, in which lieth a dirty, whitish, rough maggot, from which proceeds a beetle.—*Derham, Physico-Theology.*

2. Scrub.

Scárabee. *s.* Scarab.

You are *scarabees* that batten in dung.
Beaumont and Fletcher, Elder Brother.

Scáramouch. *s.* [Italian, *scaramuccia.*] Buffoon in motley dress.

We see the daily examples of them in the Italian farces of harlequin and *scaramucha*.—*Dryden, Origin and Progress of Satire.*

It makes the solemnities of justice pageantry, and the bench reverend poppets, or *scaramouches* in scarlet.—*Collier.*

Scaramouch is to have the honour of the day, and now marches to the engagement on the shoulders of the philosopher.—*Bishop Warburton, An Enquiry into the Causes of Prodigies and Miracles*, p. 31.

Scarce. *adj.* [N.Fr. *eschars*; Italian, *scarso.*]

1. Parsimonious; not liberal; stingy.

Dispende not too outrageously, nor be not too *scarse* so that thou be not bounde to thy tresour. Have therin attempraunce, and mesure, whiche in all thynges is prouffytable.—*Lord Rivers, Dictes and Sayings of the Philosophers*, sign. B. vii.

2. Not plentiful; not copious.

A Swede will no more sell you his hemp for less silver, because you tell him silver is *scarcer* now in England, and therefore risen one-fifth in value, than a tradesman of London will sell his commodity cheaper to the Isle of Man, because money is *scarce* there.—*Locke.*

3. Rare; not common.

The *scarcest* of all is a Pescennius Niger on a medallion well preserved.—*Addison.*

Scarce. *adv.* Scarcely.

Age, which unavoidably is but one remove from death, and consequently should have nothing about it but what looks like a decent preparation for it, *scarce* ever appears, of late days, but in the high mode, the flaunting garb, and utmost gaudery of youth.—*South, Sermons.*

You neither have enemies, nor can *scarce* have any.—*Dryden.*

Scárcely. *adv.*

1. Hardly; scantly.

A thing which we so little hoped to see, that even they which beheld it done *scarcely* believed their own senses.—*Hooker, Ecclesiastical Polity.*

When we our betters see bearing our woes,
We *scarcely* think our miseries our foes.
Shakespear, King Lear, iii. 6.

2. With difficulty.

He *scarcely* knew him, striving to disown
His blotted form, and blushing to be known.
Dryden, Translation of the Æneid, vi. 670.

Slowly she sails, and *scarcely* stems the tides;
The pressing water pours within her sides.
Ibid. vi. 558.

Scárceness. *s.* Attribute suggested by Scarce.

A land wherein thou shalt eat bread without *scarceness*.—*Deuteronomy*, viii. 9.

In this grave age, when comedies are few,
We crave your patronage for one that's new,
And let the *scarceness* recommend the fare.
Addison.

Scárcity. *s.*

1. Smallness of quantity; not plenty; penury.

Scarcity and want shall shun you;
Ceres' blessing so is on you.
Shakespear, Tempest, iv. 1.

Raphael writes thus concerning his Galatea: to paint a fair one, 'tis necessary for me to see many fair ones; but, because there is so great a *scarcity* of lovely women, I am constrained to make use of one certain idea, which I have formed in my fancy.—*Dryden, Translation of Dufresnoy's Art of Painting.*

They drink very few liquors that have not lain in fresco, insomuch that a *scarcity* of snow would raise a mutiny at Naples.—*Addison.*

2. Rareness; unfrequency; not commonness.

They that find fault with our store, should be least willing to reprove our *scarcity* of thanksgivings.—*Hooker, Ecclesiastical Polity.*

Scare. *v. a.* [Norse, *skjerra.*] Fright; frighten; affright; terrify; strike with sudden fear.

They have *scared* away two of my best sheep, which, I fear, the wolf will sooner find than the master.—*Shakespear, Winter's Tale*, iii. 3.

My grained ash an hundred times hath broke,
And *scared* the moon with splinters.
Id., Coriolanus, iv. 5.

Scarecrows are set up to keep birds from corn and fruit; and some report that the head of a wolf, whole, dried, and hanged up in a dovehouse, will *scare* away vermin.—*Bacon.*

The wing of the Irish was so grievously either galled or *scared* therewith, that being strangers, and in a manner neutrals, they had neither good heart to go forward, nor good liking to stand still, nor good assurance to run away.—*Sir J. Hayward.*

Let wanton wives by death be *scared*;
But, to my comfort, I'm prepared.
Prior, Paulo Purganti, 168.

When, lo, an Irish Papist darted
Across my path, gaunt, grim, and big;
I did but frown and off he started
Scared at me e'en without my wig.
T. Moore, Twopenny Postbag.

When the poem [Warner's Albion's England] was first produced, the middle classes in general, for whom we must suppose it to have been principally intended, were still unrefined enough not to be *scared* or offended by this grossness, but rather to relish and enjoy it.—*Craik, History of English Literature*, vol. i. p. 524.

Scárecrow. *s.*

1. Image set up to fright birds; any cause of terror.

Thereat the *scarecrow* waxed wondrous proud,
Through fortune of his first adventure fair,
And with big thundering voice reviled him loud.
Spenser, Faerie Queen.

We must not make a *scarecrow* of the law,
Setting it up to fear the birds of prey,
And let it keep one shape, till custom make it
Their pearch, and not their terrour.
Shakespear, Measure for Measure, ii. 2.

A *scarecrow* set to frighten fools away. *Dryden.*

The fowls not only never came to the corn, but, in short, they forsook all that part of the island, and I could never see a bird near the place as long as my *scarecrows* hung there.—*Defoe, Life and Adventures of Robinson Crusoe.*

O ye playwrights and literary quacks of every feather, weep over Kotzebue, and over yourselves! Know that the loudest roar of the million is not fame: that the windbag, are ye mad enough to mount it, will burst, or be shot through with arrows, and your bones too shall act as *scarecrows*.—*Carlyle, Critical and Miscellaneous Essays, German Playwrights.*

2. Miserable-looking person.

No eye hath seen such *scarecrows*: I'll not march through Coventry with them, that's flat.—*Shakespear, Henry IV. Part I.* iv. 2.

Scárefire. *s.* Fire alarm.

The drum and trumpet, by their several sounds, serve for many kind of advertisements; and bells serve to proclaim a *scarefire*, and in some places water-breaches.—*Holder.*

Scarf. *s.* [N.Fr. *escharfe.*] Part of dress that hangs loose upon the neck or shoulders.

The matrons flung their gloves,
Ladies and maids their *scarfs* and handkerchiefs,
Upon him as he pass'd.
Shakespear, Coriolanus, ii. 1.

Will you wear the garland about your neck, or under your arm, like a lieutenant's *scarf*?—*Id., Much Ado about Nothing*, ii. 1.

Iris there, with humid bow,
Waters the odorous banks, that blow
Flowers of more mingled hew
Than her purfled *scarf* can shew.
Milton, Comus, 992.

Titian, in his triumph of Bacchus, having placed Ariadne on one of the borders of the picture, gave her a *scarf* of a vermilion colour upon a blue drapery.—*Dryden.*

The ready nymphs receive the crying child;
They swathed him with their *scarfs*. *Id.*

My learned correspondent writes a word in defence of large *scarves*.—*Spectator.*

Put on your hood and *scarf*, and take your pleasure.—*Swift.*

Who are the owners of all those showy *scarfs* and white neckcloths?—*Thackeray, Book of Snobs*, ch. xviii.

Scarf. *v. a.*

1. Throw on as a scarf.

My sea-gown *scarfs* about me, in the dark
Groped I to find them out.
Shakespear, Hamlet, v. 2.

2. Bandage.

Come, seeling night,
Scarf up the tender eye of pitiful day.
Shakespear, Macbeth, iii. 2.

Scárfskin. *s.* Cuticle; epidermis; outer scaly integuments of the body.

The *scarfskin*, being uppermost, is composed of several lays of small scales, which lie thicker according as it is thicker in one part of the body than

another: between these the excretory ducts of the miliary glands of the true skin open.—*Cheyne.*

Scarification. *s.* Incision of the skin with a lancet, or such like instrument.

The disease ... may be forced out by deleterics, *scarifications.—Jeremy Taylor, Sermons.*

Hippocrates tells you, that, in applying of cups, the *scarification* ought to be made with crooked instruments.—*Arbuthnot.*

Scárificator. *s.*

1. One who scarifies.
2. Instrument with which scarifications are made.

Scárifier. *s.*

1. One who scarifies.
2. Instrument with which scarifications are made.

Scárify. *v. a.* Let blood by incisions of the skin, commonly after the application of cupping glasses.

Washing the salts out of the eschar, and *scarifying* it, I dressed it.—*Wiseman, Surgery.*

You quarter foul language upon me, without knowing whether I deserve to be cupped and *scarified* at this rate.—*Spectator.*

Scarlatína. *s.* [Italian.] Scarlet-fever.

Scarlatina [is] an infectious continued fever; on the second day of which, or sometimes later, a scarlet efflorescence generally appears on the fauces and pharynx, and on the face and neck, spreads over the body, and commonly terminates in desquamation from the fifth to the seventh day; the fever being accompanied with affection of the kidneys, often with severe disease of the throat, or of some internal organ, and sometimes followed by dropsy and occurring only once during life. There is reason to doubt that the Greeks and Romans were acquainted with this disease, and the doubt applies equally to the Arabians, although a few passages in Rhazes might support the idea that *scarlatina* was confounded by the Arabian writers with measles. The first writer who distinguished the disease is stated by Hildenbrand and J. Frank to have been Ingrassias, who remarks that before the period at which he wrote it was called Rossalia or Rossania, from Rosso, red; ... although it was generally considered as the same malady as measles yet he was convinced, by his own observations, that the one was different from the other.—*Copland, Dictionary of Practical Medicine.*

Scárlet. *s.* Bright red colour so called.

If we live thus tamely,
To be thus jaded by a piece of *scarlet*,
Farewell nobility. *Shakespear, Henry VIII.* iii. 2.

As a bull
Amid the circus roars; provoked from far
By sight of *scarlet* and a sanguine war. *Dryden.*

Would it not be insufferable for a learned professor, and that which his *scarlet* would blush at, to have his authority of forty years' standing in an instant overturned?—*Locke.*

Scárlet. *adj.* [Italian, *scarlato*; Fr. *écarlate*; German, *scharlach.*] Having the colour of scarlet; red tinged with yellow.

I conjure thee,
By her high forehead and her *scarlet* lip.
Shakespear, Romeo and Juliet, ii. 1.

The Chinese, who are of an ill complexion, being olivaster, paint their cheeks *scarlet.—Bacon.*

Scármoge. *s.* Skirmish.

Such cruel game my *scarmoges* disarms;
Another war, and other weapons, I
Do love, where love does give his sweet alarms.
Spenser, Faerie Queen.

Scatch. *s.* [Fr. *escache.*] Kind of horsebit.

Scatch [is] a sort of bit for horses.—*Bailey, Dictionary*, in voce.

Scate. *s.* Fish so called. See Skate.

Scath. *v. a.* [A.S. *scæðian, scæðan.*] Hurt; injure.

As when heaven's fire
Hath *scathed* the forest oaks, or mountain pines,
With singed top their stately growth, though bare,
Stands on the blasted heath.
Milton, Paradise Lost, i. 612.

A giant oak, which heaven's fierce flame
Had *scathed* in the wilderness, to stand
A monument of fadeless ruin there.
Shelley, Queen Mab, vii.

Scath. *s.* [A.S. *scaðe.*] Waste; damage; mischief; depopulation: (in Scotland it denotes spoil or damage).

The ear that budded fair is burnt and blasted,
And all my hoped gain is turn'd to *scath.*
Spenser, Shepherd's Calendar.

He bore a spiteful mind against king Edward, doing him all the *scath* that he could, and annoying his territories.—*Spenser, View of the State of Ireland.*

They placed them in Rhodes, where daily doing great *scath* to the Turk, the great warrior Soliman, with a mighty army, so overlaid them, that he won the island from them.—*Knolles, History of the Turks.*

Still preserved from danger, harm, and *scath*,
By many a sea and many an unknown shore.
Fairfax.

Sc-. For a criticism on the use, and abuse, of the second letter in this combination see under Skeptic.

Scáthful. *adj.* Mischievous; destructive.

A bawbling vessel was he captain of,
For shallow draught, and bulk, unprizable,
With which such *scathful* grapple did he make,
That very envy, and the tongue of loss,
Cried fame and honour on him.
Shakespear, Twelfth Night, v. 1.

So did they beat, from off their native bounds,
Spain's mighty fleet with cannons' *scathful* wounds.
Mirrour for Magistrates, p. 833.

Scáthless. *adj.* Without harm or damage.

Scátter. *v. a.* [A.S. *scaterian.*]

Soft quiet, gentle love, and endless joy. *Prior.*

2. Dissipate; disperse.

Samuel came not to Gilgal, and the people were *scattered* from Saul.—1 *Samuel*, xiii. 8.

3. Spread thinly.

Why should my muse enlarge on Libyan swains,
Their *scatter'd* cottages and ample plains?
Dryden, Translation of the Georgics, iii. 524.

4. Besprinkle with something loosely spread.

Where cattle pastured late, now *scatter'd* lies
With carcases and arms the ensanguined field.
Milton, Paradise Lost, xi. 653.

Scátter. *v. n.* Be dissipated; be dispersed.

Sound diffuseth itself in rounds; but if that which would *scatter* in open air be made to go into a canal, it gives greater force to the sound.—*Bacon.*

Scáttergood. *s.* One who wastes.

Scátteredly. *adv.* In a scattered manner; dispersedly.

Sir Thomas, either ashamed of their company, or for some other reason, desired them to disperse, and not to accompany him by his coach-side; which they did accordingly, and afterwards came *scatteredly* into Oxon.—*Life of A. Wood*, p. 153.

Had there been any man who could have collected and put together in order the several truths which were taught singly, and *scatteredly*, by philosophers of all the different sects.—*Clarke, On Natural and Revealed Religion.*

Scáttering. *verbal abs.* Act of dispersing or distributing; that which is dispersed.

The former instances of temporal prosperity ... are but (as it were) the promiscuous *scatterings* of his common providence.—*South, Sermons*, ii. 378.

Scátteringly. *adv.* Loosely; dispersedly.

These drops of prettiness, *scatteringly* sprinkled amongst the creatures, were designed to defecate and exalt our conceptions, not to inveigle or detain our passions.—*Boyle.*

Scátterling. *s.* Vagabond; one who has no home or settled habitation.

Gathering unto him all the *scatterlings* and outlaws out of all the woods and mountains, in which they long had lurked, he marched forth into the English pale.—*Spenser, View of the State of Ireland.*

Scaup, Scaup-duck, Scaup Póchard. *s.* Duck of the genus Fuligula (species Gesneri).

The *scaup pochard* or *scaup duck*, Fuligula Gesneri. The *scaup* is a regular winter visitant to Britain, frequenting coasts of a soft or muddy character, and feeding on the smaller bivalves, which are generally found there in abundance. It breeds in Iceland and other northern parts, and may perhaps occasionally breed in the northern parts of British Islands. In Iceland it is a common bird, making its nest among the thick herbage or upon the bare stones by the edge of the fresh-water-lochs. The nest is externally of slight construction, being formed of stems of grass, but is thickly lined with down. The eggs, from five to eight in number, are of a dull yellowish-white.—*Laishley, History of British Birds' Eggs.*

Scávenger. *s.* ? Man employed in clearing away the mud and filth of town-streets.

Since it is made a labour of the mind, as to inform men's judgements, and move their affections, to resolve difficult places of Scripture, to decide and clear off controversies, I cannot see how to be a butcher, *scavenger*, or any other such trade, does at all qualify men for this work.—*South.*

Fasting, Nature's *scavenger.—Baynard.*

Dick the *scavenger*, with equal grace,
Flirts from his cart the mud in Walpole's face.
Swift.

Scélerat. *s.* [Fr.; Lat. *sceleratus.*] Villain. *Gallicism.*

Scelerats can by no arts stifle the cries of a wounded conscience.—*Cheyne.*

Scénary. *s.* [Lat. *scenarium.*] See Scenery.

1. Appearance of places or things.

He must gain a relish of the works of nature, and be conversant in the various *scenary* of a country life.—*Addison.*

2. Representation of a place in which an action is performed.

The progress of the sound, and the *scenary* of the bordering regions, are imitated from Æn. vii. on the sounding the horn of Alecto.—*Pope.*

3. Disposition and consecution of the scenes of a play.

To make a more perfect model of a picture, is, in the language of poets, to draw up the *scenary* of a play.—*Dryden.*

Scene. *s.* [Fr.; Lat. *scena*; Gr. σκηνή = tent, tabernacle; hence any place with hangings, curtains, or the like, especially with reference to the curtains of theatres.]

1. Stage; dramatic theatre.

Giddy with praise, and puff'd with female pride,
She quits the tragic *scene.* *Churchill, Rosciad.*

2. Scenery.

Cedar and pine, and fir and branching palm,
A sylvan *scene*; and as the ranks ascend
Shade above shade, a woody theatre
Of stateliest view. *Milton, Paradise Lost*, iv. 139.

Now prepare thee for another *scene.* *Ibid.* xi. 637.

A sylvan *scene* with various greens was drawn,
Shades on the sides, and in the midst a lawn.
Dryden, Palamon and Arcite, ii. 619.

About eight miles distance from Naples lies a very noble *scene* of antiquities: what they call Virgil's tomb is the first.—*Id., Travels in Italy.*

Of nature's various *scenes* the painter culls
That for his fav'rite theme, where the fair whole
Is broken into ample parts, and bold;
Where to the eye three well-mark'd distances
Spread their peculiar colouring; vivid green,
Warm brown, and black opake, the foreground bears
Conspicuous; sober olive coldly marks
The second distance; thence the third declines
In softer blue, or, less'ning still, is lost
In faintest purple. When thy taste is call'd
To deck a *scene* where Nature self presents
All these distinct gradations, then rejoice
As does the painter, and like him apply
Thy colours; plant thou on each separate part
Its proper foliage. *Mason, English Garden*, i. 184.

Whenever a man stands, the contiguous objects immediately before him form a foreground to the *scene* he is looking at; and by the foreground how much the general prospect is effected, there are few who delight in landscape that have not perceived. The general harmony of a *scene* results from a due proportion of its parts; but the greater distances are seldom within the power of art. How then shall art, thus limited in the extent of her dominion, attempt to harmonize the whole scene? To this I answer, by a judicious adaptation and disposition of the objects through which the eye beholds it.—*Commentary* (by *W. Burgh*) *on Mason's English Garden*, i. 198.

3. Display of action.

'Twas a mute *scene* of sorrow, mixt with fear;
Still on the table lay the unfinish'd cheer.
Dryden, Theodore and Honoria, 326.

Eternity! thou pleasing, dreadful thought!
Through what variety of untried being,
Through what new *scenes* and changes must we pass!
Addison, Cato, v. 1.

Say, shepherd, say, are these reflections true?
Or was it but the woman's fear that drew
This cruel *scene*, unjust to love and you? *Prior.*

4. So much of an act of a play as passes between the same persons in the same place.

If his characters were good,
The *scenes* entire, and freed from noise and blood,
The action great, yet circumscribed by time,
The words not forced, but sliding into rhime ...
He thought, in hitting these, his business done.
Dryden.

5. Place represented by the stage.

The king is set from London, and the *scene*
Is now transported to Southampton.
Shakespear, Henry V. ii. chorus.

6. Hanging of the theatre adapted to the play.

The alteration of *scenes*, so it be quietly and without noise, are things of great beauty and pleasure

for they feed and relieve the eye, before it be full of the same object.—*Bacon, Essays, Of Masques and Triumphs.*

Scene. *v. a.* Display; exhibit on, or as on, a scene. *Rare.*

Our food is plainer, but eaten with a better appetite; our course of employment and action the very same, only not *scened* so illustriously, nor set off with so good company and conversation.—*Archbishop Sancroft, Letters, D'Oyly's Life, &c.*, ii. 17: 1691.

Scénery. *s.* [As opposed to Scenary, derived from *scene*, after the manner of *fishery, rookery*, and other terms; chiefly, however, though not exclusively, of Anglo-Saxon origin.] Series of scenes, especially those of the theatre, or landscapes.

The *scenery* is beautiful: the rock broken, and covered with shrubs at the top; and afterwards spreading into one grand and simple shade.—*Gilpin, Essay on Prints*, p. 133.

If then it appears that fancy be of such power as thus to give charms to reluctant nature, it follows that we should exert ourselves to improve this faculty; and to this extent it is laid down as a maxim that we should consult the laws by which painting is governed, and apply them to the sister art of gardening. But of these, the first is to make a happy selection of objects for the pencil; and therefore, as greatness of parts, a receding gradation of hues and limiting outlines, and three distances, marked each with their respective characters, and bearing to each other a due proportion, are the objects of the painters' choice, so, if they can be attained, they are recommended to the gardener as the most desirable *scenery* for the exercise of his imagination and his art.—*Commentary* (by *W. Burgh*) *on Mason's English Garden*, i. 179.

Scéneshifter. *s.* One who shifts the scenes of a theatre.

The actors behind the scene were terrified, and they either came forwards trembling, and only watching the signs of their brother actors, or would not venture to show themselves. The machinist only, with his *scene-shifters*, who felt so deep an interest in the fate of my piece, was tranquil and attentive to his duty, to produce a fine effect.—*I. Disraeli, Curiosities of Literature, Condemned Poets.*

Scénic. *adj.* [Lat. *scenicus*; Fr. *scénique.*] Dramatic; theatrical.

Bid *scenick* Virtue charm the rising age,
And Truth diffuse her radiance from the stage.
Dr. Johnson, Prologue: 1747.

The ridicule of *scenic* exhibition.—*T. Warton, History of English Poetry*, iii. 200.

Distractedly and distractively, to the sound of all discords in nature, opens that fourth, final *scenic* exhibition, composed by Destiny.—*Carlyle, Critical and Miscellaneous Essays, The Diamond Necklace*, ch. xiv.

Scénical. *adj.* Scenic.

They dance over a distracted comedy of love, expressing their confused affections, in the *scenical* persons and habits of the four prime European nations.—*B. Jonson, Masques.*

Formal sadness, *scenical* mourning.—*Sir T. Browne, Christian Morals*, i. 8.

Scenográphical. *adj.* Drawn in perspective.

Scenográphically. *adv.* In a scenographic manner; in perspective.

If the workman be skilled in perspective, more than one face may be represented in our diagram *scenographically.—Mortimer, Husbandry.*

Scenógraphy. *s.* [Gr. σκηνή = scene + γράφω = I write, describe; Fr. *scénographie.*]

1. Art of perspective.
2. Representation in perspective.

We shall here only represent to you the ichnography, and *scenography*, of the ancient burial-places of the Egyptian, near the pyramids, out of which the mummies are brought; with a prospect of Memphis, Babylon, Cairo.—*Greenhill, Art of Embalming*, p. 203.

Scent. *s.*

1. Power of smelling; smell.

A hunted hare treads back her mazes, crosses and confounds her former track, and uses all possible methods to divert the *scent.—Watts, Improvement of the Mind.*

2. Object of smell; odour good or bad.

Bellman cried upon it at the merest loss,
And twice to-day pick'd out the dullest *scent.*
Shakespear, Taming of the Shrew, induction, sc. 1.

The plague, they report, hath a *scent* of the smell of a mellow apple.—*Bacon.*

Partake
The season, prime for sweetest *scents* and airs.
Milton, Paradise Lost, ix. 199.

Exulting, till he finds their nobler sense
Their disproportion'd speed does recompense;
Then curses his conspiring feet, whose *scent*
Betrays that safety which their swiftness lent.
Sir J. Denham, Cooper's Hill.

Cheerful health,
His duteous handmaid, through the air improved,
With lavish hand diffuses *scents* ambrosial.
Prior, Second Hymn of Callimachus, 50.

3. Chase followed by the smell.

He gained the observations of innumerable ages, and travelled upon the same *scent* into Æthiopia.—*Sir W. Temple.*

Scent. *v. a.* [Fr. *sentir* = smell.]

1. Smell; perceive by the nose.

So *scented* the grim feature, and upturn'd
His nostrils wide into the murky air,
Sagacious of his quarry from so far.
Milton, Paradise Lost, x. 279.

2. Perfume; imbue with odour good or bad.

Balm from a silver box distill'd around,
Shall all bedew the roots, and *scent* the sacred ground.
Dryden.

Scénted. *part. adj.* Imbued with odour; perfumed.

He behind him spies
His opening hounds, and now he hears their cries;
A generous pack or to maintain the chase,
Or snuff the vapour from the *scented* grass.
Addison, Translation from Ovid, Transformation of Actæon.

Scéntful. *adj.*

1. Odorous; yielding much smell.

The *scentful* camomile, the verdurous costmary.
Drayton, Polyolbion, song xv.

A maiden gathering on the plains
A *scentfull* nosegay.
W. Browne, Britannia's Pastorals, b. ii. song ii.

2. Quick of smell.

The *scentfull* osprey by the rocke had fish'd,
And many a pretty shrimp in scallops dish'd
Some way convey'd her.
W. Browne, Britannia's Pastorals, b. ii. song iii.

Scéptic. See Skeptic.

Scéptre. *s.* [Fr.; Lat. *sceptrum.*] Ensign of royalty borne in the hand.

Nor shall proud Lancaster usurp my right,
Nor hold the *sceptre* in his childish fist.
Shakespear, Henry VI. Part II. i. 1.

How, best of kings, dost thou a *sceptre* bear!
How, best of poets, dost thou laurel wear!
But two things rare the fates had in their store,
And gave thee both, to shew they could no more.
B. Jonson.

I sing the man who Judah's *sceptre* bore
In that right hand which held the crook before.
Cowley, Davideis.

The parliament presented those acts which were prepared by them to the royal *sceptre*, in which were some laws restraining the extravagant power of the nobility.—*Lord Clarendon, History of the Grand Rebellion.*

The court of Rome has, in other instances, so well attested its good managery, that it is not credible crowns and *sceptres* are conferred gratis.—*Dr. H. More, Decay of Christian Piety.*

Scéptre. *v. a.* Invest with the ensign of royalty. *Rare.*

Thy cheeks buffeted, thy head smitten, thy hand *sceptred* with a reed.—*Bishop Hall, Contemplations*, b. iv.

Scéptred. *adj.*

1. Bearing a sceptre.

The *sceptred* heralds call
To council in the city-gates.
Milton, Paradise Lost, xi. 660.

2. Denoting something regal.

Sometime let gorgeous tragedy
In *sceptred* pall come sweeping by.
Milton, Il Penseroso, 97.

Schédule. *s.* [Lat. *schedula*, diminutive of *scheda* = piece, leaf of paper, or parchment.]

1. Smaller document attached to, and forming part of, a larger one.

The first published *schedules* being brought to a grave knight, he read over an unsavory sentence or two, and delivered back the libel.—*Hooker, Ecclesiastical Polity.*

All ill, which all
Prophets or poets spake, and all which shall
B' annex'd in *schedules*, unto this by me,
Fall on that man.
Donne.

'The *schedule*, sir,' said Pell, guessing at Mr. Weller's meaning, 'the *schedule* is as plain and satisfactory as pen and ink can make it.'—*Dickens, Pickwick Papers*, ch. lv.

2. Little inventory.

I will give out *schedules* of my beauty; it shall be inventoried, and every particle and utensil labelled to my will.—*Shakespear, Twelfth Night*, i. 5.

Schédule. *v. a.* Place in a list or catalogue; inventory: (noted by Todd as 'a modern word').

Schématism. *s.* [Gr. σχηματισμός, from σχῆμα, -ατος = plan.]

1. Combination of the aspects of heavenly bodies.
2. Particular form or disposition of a thing.

Every particle of matter, whatever form or *schematism* it puts on, must in all conditions be equally extended, and therefore take up the same room.—*Creech.*

Schématist. *s.* Projector; one given to forming schemes.

The noisy importunities of unexperienced, raw, new-fangled *schematists* and speculators.—*Fleetwood, Sermons*, p. 56.

The treasurer maketh little use of the *schematists*, who are daily plying him with their visions, but to be thoroughly convinced by the comparison that his own notions are the best.—*Swift, Letter to Dr. King.*

Scheme. *s.* [Gr. σχῆμα, -ατος.]

1. Plan; combination of various things into one view, design, or purpose; system.

Were our senses made much quicker, the appearance and outward *scheme* of things would have quite another face to us, and be inconsistent with our well-being.—*Locke.*

We shall never be able to give ourselves a satisfactory account of the divine conduct, without forming such a *scheme* of things as shall at once take in time and eternity.—*Bishop Atterbury.*

2. Project; contrivance; design.

He forms the well-concerted *scheme* of mischief;
'Tis fix'd, 'tis done, and both are doom'd to death.
Rowe.

The haughty monarch was laying *schemes* for suppressing the ancient liberties, and removing the ancient boundaries of kingdoms.—*Bishop Atterbury.*

The stoical *scheme* of supplying our wants by lopping off our desires, is like cutting off our feet when we want shoes.—*Swift.*

3. Representation of the aspects of the celestial bodies; any linear or mathematical diagram.

It hath embroiled astrology in the erection of *schemes*, and the judgment of death and diseases.—*Sir T. Browne.*

It is a *scheme* and face of heaven,
As th' aspects are disposed this even.
Butler, Hudibras, ii. 3, 539.

Scheme. *v. a.* Plan.

That wickedness which *schemed*, and executed, his destruction.—*Stuart, History of Scotland*, i. 202.

Orlando had Cortana bare in hand;
To split the head in twain was what he *schemed*:—
Cortana clave the skull like a true brand,
And pagan Passamont died unredeem'd.
Byron, Translation from Pulci's Morgante Maggiore, i. 35.

Schémer. *s.* One who schemes; projector; contriver.

It is a lesson to all *schemers* and confederates in guilt, to teach them this truth, that, when their scheme does not succeed, they are sure to quarrel amongst themselves.—*Paley, Sermon on Genesis*, xlvii. 12.

'I see myself in public life, backed by the prejudices of others, and courage of my own,—governing fools, and out-manœuvring rogues,—the successful *schemer* under an old system, and perhaps the hero of a new one.—*Hannay, Singleton Fontenoy*, b. i. ch. x.

Gradually, with the elastic temper that is essential to a systematic *schemer*, Randal Leslie plucked himself from the pain of brooding over a plot that was defeated, to prepare himself for consummating those that yet seemed so near success.—*Lord Lytton, My Novel*, b. xii. ch. xxxiii.

Schémist. *s.* Projector; planner; intriguer.

One cannot enough wonder at the extreme folly of all such *schemists* as pretend to account for things upon principles of mechanism.—*Coventry, Philemon to Hydaspes*, conv. i.

Are not these *schemists* well apprised, that the colonists import more from Great Britain, ten times more, than they send in return to us?—*Burke, Observations on a late State of the Nation.*

Schésis. *s.* [Gr. σχέσις.] Habitude; state of anything with respect to other things.

If that mind which has existing in itself from all eternity all the simple essences of things, and consequently all their possible *schеses* or habitudes, should ever change, there would arise a new *schesis* in the mind, which is contrary to the supposition.—*Norris.*

Schism. *s.* [Fr. *schisme*; Gr. σχίσμα, from σχίζω = divide, cut asunder.] Separation or division, generally from the Church.

Set bounds to our passions by reason, to our errors by truth, and to our *schisms* by charity.—*Eikon Basilike.*

Oppose *schisms* by unity, hypocrisy by sober piety, and debauchery by temperance.—*Bishop Sprat, Sermons.*

When a *schism* is once spread, there grows at length a dispute which are the schismaticks: in the sense of the law the *schism* lies on that side which opposes itself to the religion of the state.—*Swift.*

Schísmatic. *s.* One who separates from the true church.

No known heretick nor *schismatick* should be suffered to go into those countries.—*Bacon.*

Thus you behold the *schismaticks'* bravadoes:
Wild speaks in squibs, and Calamy in granadoes.
Butler.

The *schismaticks* united in a solemn league and covenant to alter the whole system of spiritual government.—*Swift.*

Schísmatic. *adj.* Practising schism.

Not one *scysmatyk* prest, fryre, nor chanon.—*Bale, Yet a Course at the Romysshe Foxe,* fol. 98. b.

Schismátical. *adj.* Implying schism; practising schism.

By these tumults all factions, seditions, and *schismatical* proposals against government, ecclesiastical and civil, must be backed.—*Eikon Basilike.*

Here bare anathemas fall but like so many 'bruta fulmina' upon the obstinate and *schismatical*, who are like to think themselves shrewdly hurt by being cut off from that body which they chuse not to be of, and so being punished into a quiet enjoyment of their beloved separation.—*South, Sermons.*

Schismátically. *adv.* In a schismatical manner.

A great number of people ... wilfully and *schismatically* refuse to come to their parish churches.—*—Act for the Uniformity of Publick Prayers.*

Schismáticalness. *s.* Attribute suggested by Schismatic; state of being schismatical.

As mischievous a mark as any of her carnality, is her dissension and *schismaticalness* even to mutual persecution; as also the unnatural and unchristian wars of one part of reformed Christendom against the other.—*Dr. H. More, On the Seven Churches,* p. 113.

Schísmless. *adj.* Not affected by schism; without schism. *Rare.*

The peace and good of the church is not terminated in the *schismless* estate of one or two kingdoms, but should be provided for by the joint consultation of all reformed Christendom.—*Milton, Reason of Church Government urged against Prelacy,* b. i.

Schólar. *s.* [Lat. *scholaris*, from *schola* = school; A.S. *scolere*; N.Fr. *escolier*; Modern Fr. *écolier*.]

1. One who learns of a master; disciple.

Many times that which deserveth approbation would hardly find favour, if they which propose it were not to profess themselves *scholars*, and followers of the ancients.—*Hooker, Ecclesiastical Polity.*

The *scholars* of the Stagyrite,
Who for the old opinion fight,
Would make their modern friends confess
The difference but from more to less.
Prior, Alma, i. 90.

A company of varlets, who pretended to be *scholars*, shuffled themselves in, and did act much villany in the university by thieving, whoring, quarrelling, ... They lived under no discipline, neither had they tutors; ... when they went to perform any mischief, then would they be accounted *scholars*, that so they might free themselves from the jurisdiction of the burghers.—*A. Wood, History and Antiquities of Oxford,* p. 206.

It is evident that the school of Oxford was frequented under Edward the Confessor. ... In the reign of Henry II., or at least of Richard I., Oxford became a very flourishing university, and in 1201, according to Wood, contained three thousand *scholars*. The earliest charters were granted by John. ... At Oxford, under Henry III., it is said that there were thirty thousand *scholars*; an exaggeration which seems to imply that the real number was very great.—*Hallam, View of the State of Europe during the Middle Ages,* pt. ii. ch. ix.

2. Man of letters.

This same *scholar's* fate, 'res angusta domi,' binders the promoting of learning.—*Bishop Wilkins, Mathematical Magick.*

To watch occasions to correct others in their discourse, and not slip any opportunity of shewing their talents, *scholars* are most blamed for.—*Locke.*

3. Man of books.

To spend too much time in studies, is sloth; to make judgement wholely by their rules, is the humour of a *scholar*: they perfect nature, and are perfected by experience.—*Bacon, Essays, Of Studies.*

'Why then, Squills, said my father familiarly, 'you would know, that though a *scholar* is often a fool, he is never a fool so supreme, so superlative, as when he is defacing the first unsullied page of the human history, by entering into it the commonplaces of his own pedantry. A *scholar*, sir—at least one like me—is of all persons the most unfit to teach young children. A mother, sir—a simple, natural, loving mother—is the infant's true guide to knowledge.—*Lord Lytton, The Caxtons,* pt. i. ch. iv.

4. One who has a lettered education.

My cousin William is become a good *scholar*: he is at Oxford still, is he not?—*Shakespear, Henry IV. Part II.* iii. 2.

5. One who in our English universities belongs to the foundation of a college, and who has a portion of its revenues.

Our candidate at length gets in
A hopeful *scholar* of Coll. Trin.
A scholarship not half maintains,
And college rules are heavy chains.
T. Warton, Progress of Discontent: 1st ed. 1750.

Scholárity. *s.* Scholarship. *Rare.*

I'll pay your *scholarity.*—*B. Jonson, Cynthia's Revels.*

Schólarlike. *adj.* Becoming a scholar; like a scholar.

The said persons ecclesiastical may use any comely and *scholarlike* apparel.—*Constitutions and Canons Ecclesiastical,* 74.

I can spell, and *scholarlike* put together, the parts of her majesty's proceeding now towards your lordship.—*Bacon, Letters to the Earl of Essex.*

Your grace shall find him ...
Courtly, and *scholarlike*, understandingly read
In the necessities of the life of man.
Beaumont and Fletcher, Woman Hater.

Nor can the terms of art be well understood, or any *scholarlike* discourse framed, but by logick.—*Howell, Instructions for Foreign Travel,* p. 16.

Schólarly. *adj.* Scholarlike.

Geoffrey, archdeacon of Monmouth, and afterwards bishop of St. Asaph, is a clever and agreeable writer, and his Latin is much more *scholarly* than that of the generality of the monkish chroniclers of his time.—*Craik, History of English Literature,* vol. ii. p. 85.

Schólarship. *s.*

1. Learning; literature; knowledge.

Your publick profession hath in a manner no acquaintance with *scholarship* or learning.—*Sir T. Bodley to Sir F. Bacon, Supplement to the Cabala,* p. 74.

It pitied my very heart to think that a man of my master's understanding, and great *scholarship*, who had a book of his own in print, should talk so outrageously.—*Pope.*

2. Literary education.

This place should be school and university, not needing a remove to any other house of *scholarship.*—*Milton.*

3. Exhibition or maintenance for a scholar.

A *scholarship* not half maintains,
And college-rules are heavy chains;
So scorning the late wish'd-for prize,
For a fat fellowship he sighs.
T. Warton, Progress of Discontent.

Scholástic. *adj.*

1. Pertaining to the school; practised in schools.

I would render this intelligible to every rational man, however little versed in *scholastick* learning.—*Sir K. Digby, Treatise on the Nature of Bodies.*

Scholastick education, like a trade, does so fix a man in a particular way, that he is not fit to judge of any thing that lies out of that way.—*T. Burnet, Theory of the Earth.*

2. Befitting; suitable to, constituted by, the schoolmen.

The favour of proposing there, in convenient sort, whatsoever ye can object, which thing I have known them to grant, of *scholastick* courtesy, unto strangers, never hath nor ever will be denied you.—*Hooker, Ecclesiastical Polity.*

Sir Francis Bacon was wont to say, that those who left useful studies for useless *scholastick* speculations, were like the Olympick gamesters, who abstained from necessary labours that they might be fit for such as were not so.—*Bacon.*

Both sides charge the other with idolatry, and that is a matter of conscience, and not a *scholastick* nicety.—*Bishop Stillingfleet.*

As early as the reign of Stephen, Vacarius, a lawyer of Bologna, taught at Oxford with great success; but the students of *scholastic* theology opposed themselves, from some unexplained reason, to this new jurisprudence, and his lectures were interdicted. ... The elder professors of Roman jurisprudence are infected, as we are told, with the faults and ignorance of their time; failing in the exposition of ancient law through incorrectness of manuscripts and want of subsidiary learning, or perverting their sense through the verbal subtleties of *scholastic* philosophy. ... A large proportion of scholars, in most of those institutions, were drawn by the love of science from foreign countries. The chief universities had their own particular departments of excellence. Paris was unrivalled for *scholastic* theology; Bologna and Orleans, and afterwards Bourges, for jurisprudence; Montpelier for medicine. ... But the chief attraction to the studious was the new *scholastic* philosophy. The love of contention, especially with such arms as the art of dialectics supplies to an acute understanding, is natural enough to mankind. ... In the next century Abelard and Peter Lombard, especially the latter, completed the *scholastic* system of philosophising. The logic of Aristotle seems to have been partly known in the eleventh century, although that of Augustin was, perhaps, in higher estimation. ... In the twelfth, it obtained more decisive influence. ... Those who assert the greatest antiquity of the Roman Catholic doctrine as to the real presence, allow that both the word and the definition of transubstantiation are owing to the *scholastic* writers. ... The Aristotelian philosophy, even in the hands of the Master, was like a barren tree, that conceals its want of fruit by profusion of leaves. But the *scholastic* ontology was much worse. What could be more trifling than disquisitions about the nature of angels, their modes of operation, their means of conversing, or (for these were distinguished) the morning and evening state of their understanding?—*Hallam, View of the State of Europe during the Middle Ages,* pt. ii. ch. ix.

Scholástic. *s.* One who adheres to the niceties or method of the schools and schoolmen.

The shallow commenting of *scholasticks* and canonists.—*Milton, Doctrine and Discipline of Divorce,* preface.

Few, very few, for a hundred years past, have broken the repose of the immense works of the schoolmen. None, perhaps, in our own country, have acquainted themselves particularly with their contents. Leibnitz, however, expressed a wish that some one conversant with modern philosophy would undertake to extract the scattered particles of gold which may be hidden in their abandoned mines. ... But all discovery of truth by means of these controversies was rendered hopeless by two insurmountable obstacles, the authority of Aristotle, and that of the church. ... The *scholastics* did not understand Aristotle, whose original writings they could not read; but his name was received with implicit faith. They learned his peculiar nomenclature, and fancied that he had given them realities. The authority of the church did them still more harm. It has been said, and probably with much truth, that their metaphysics were injurious to their theology. Perhaps I may have imagined the *scholastics* to be more forgotten than they really are. Within a short time, I have met with four living English writers who have read parts of Thomas Aquinas—Mr. Turner, Mr. Berington, Mr. Coleridge, and the Edinburgh Reviewer. Still I cannot bring myself to think, that there are four more in this country who could say the same.—*Hallam, View of the State of Europe during the Middle Ages,* pt. ii. ch ix. and note.

Scholástical. *adj.*

1. Belonging to a scholar or school; scholar-like.

In the most strict and *scholastical* sense of that word.—*Barrow, Exposition on the Creed.*

2. Suitable to the school, or form of theology so called.

Damascen first reduced the body of divinity into a *scholastical* method.—*Bishop Cosins, Canon of Scripture,* ch. x.

Scholástically. *adv.* In a scholastic manner; according to the niceties or method of the schools.

No moralists or casuists, that treat *scholastically* of justice, but treat of gratitude, under that general head, as a part of it.—*South, Sermons.*

Scholásticism. *s.* Method or niceties of the schools.

The talents of Abelard were not confined to theology, jurisprudence, philosophy, and the thorny paths of *scholasticism*: he gave proofs of a lively genius, by many poetical performances.—*J. Warton, Essay on the Writings and Genius of Pope.*

It may be said of *scholasticism*, as a whole, that whoever takes delight in what may be called gymnastic exercises of the reason or the reasoning powers, efforts which never had, and hardly cared to have, any bearing on the life, or even on the sentiments and opinions of mankind, may study these works, the crowning effort of Latin, of sacerdotal, and monastic Christianity, and may acquire something like respect for these forgotten athletes in the intellectual games of antiquity.—*Milman, History of Latin Christianity,* b. xiv. ch. iii.

Schóliast. *s.* [Gr. σχολιαστής.] Writer of explanatory notes.

Albeit that worde is wanting in the Greek text, yet either that, or some other of the like force, must necessarily be understood, as the Greeke *scholiast* and other writers do well note.—*A Fruitful Sermon,* p. 55: 1584.

The title of this satyr, in some ancient manuscripts, was the reproach of idleness; though in others of the *scholiasts* 'tis inscribed against the luxury of the rich.—*Dryden.*

In ancient sense if any needs will deal,
Be sure I give them fragments, not a meal;
What Gellius or Stobæus cook'd before,
Or chew'd by blind old *scholiasts* o'er and o'er.
Pope, Dunciad, iv. 231.

Scholiástic. *adj.* Pertaining to a scholiast.

The true illuminated have met with such numberless commentators, whose *scholiastick* midwifery hath delivered them of meanings that the authors themselves, perhaps, never conceived.—*Swift, Tale of a Tub*, sect. x.

Schóliaze. *v. n.* Write notes or scholia. *Rare.*

He thinks to *scholiaze* upon the Gospel.—*Milton, Tetrachordon.*

Schólical. *adj.* Scholastic. *Rare.*

It is a common *scholical* errour to fill our papers and note books with observations of great and famous events: ... meanwhile things of ordinary course and common life gain no room in our paperbooks.—*Hales, Golden Remains*, p. 275.

Schólion. *s.* [Gr.; Lat. *scholium.*] Note; explanatory observation.

Hereunto have I added a certain gloss or *scholion*, for the exposition of old words and harder phrases, which manner of glossing and commenting will seem strange in our language.—*Epistle Prefatory to Spenser's Shepherd's Calendar.*

Schólium. *s.* Latin form of Scholion.

Some cast all their metaphysical and moral learning into the method of mathematicians, and bring every thing relating to those abstracted or practical sciences under theorems, problems, postulates, *scholiums*, and corollaries.—*Watts.*

Schóly. *s.* [Fr. *scholie*; Lat. *scholium.*] Scholium. *Rare.*

He therefore which made us to live, hath also taught us to pray, to the end that, speaking unto the Father in the Son's own prescript form, without *scholy* or gloss of ours, we may be sure that we utter nothing which God will deny.—*Hooker, Ecclesiastical Polity.*

That *scholy* had need of a very favourable reader, and a tractable, that should think it plain construction, when to be commanded in the word, and grounded upon the word, are made all one.—*Ibid.*

Schóly. *v. n.* Write expositions. *Rare.*

The preacher should want a text, whereupon to *scholy*.—*Hooker, Ecclesiastical Polity.*

School. *s.* [Lat. *schola*; A.S. *scole.*]

1. House of discipline and instruction.

Their age the same, their inclinations too,
And bred together in one *school* they grew.
Dryden.

2. Place of literary education; university.

My end being private, I have not expressed my conception in the language of the *schools*.—*Sir K. Digby.*

Writers on that subject have turned it into a composition of hard words, trifles, and subtilties, for the mere use of the *schools*, and that only to amuse men with empty sounds.—*Watts.*

The establishment of public *schools* in France is owing to Charlemagne. At his accession, we are assured that no means of education existed in his dominions; and in order to restore in some degree the spirit of letters, he was compelled to invite strangers from countries where learning was not so thoroughly extinguished. Alcuin of England, Clement of Ireland, Theodulf of Germany, were the true Paladins who repaired to his court. With the help of these he revived a few sparks of diligence, and established *schools* in different cities of his empire, nor was he ashamed to be the disciple of that in his own palace under the care of Alcuin. His two next successors, Louis the Debonair, and Charles the Bald, were also encouragers of letters; and the *schools* of Lyons, Fulda, Corvey, Rheims, and some other cities might be said to flourish in the ninth century.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. ix.

About the latter part of the eleventh century, a greater ardour for intellectual pursuits began to show itself in Europe, which in the twelfth broke out into a flame. This was manifested in the numbers who repaired to the public academies, or *schools* of philosophy. None of these grew so early into reputation as that of Paris. This cannot indeed, as has been vainly pretended, trace its pedigree to Charlemagne. The first who is said to have read lectures at Paris was Remigius of Auxerre, about the year 900. For the two next centuries the history of this *school* is very obscure; and it would be hard to prove an unbroken continuity, or at least a dependence and connexion of its professors.—*Ibid.*, pt. ii. ch. ix.

3. Place of learning in general.

His accomplishments were completed by a short residence in Paris, the best *school* for the language spoken by the Norman nobility.—*Milman, History of Latin Christianity*, b. viii. ch. viii.

4. State of instruction.

The calf breed to the rural trade;
Set him betimes to *school*, and let him be
Instructed there in rules of husbandry.
Dryden, Translation of the Georgics, iii. 261.

5. System of doctrine as delivered by particular teachers.

No crazed brain could ever yet propound,
Touching the soul, so vain and fond a thought;
But some among these masters have been found,
Which in their *schools* the self-same thing had taught.
Sir J. Davies, Immortality of the Soul.

Let no man be less confident in his faith, concerning the great blessings God designs in these divine mysteries, by reason of any difference in the several *schools* of Christians, concerning the consequent blessings thereof.—*Jeremy Taylor.*

6. Age of the church and form of theology succeeding that of the fathers; so called, because this mode of treating religion arose from the use of academical disputations: (used *adjectivally*).

The first principles of Christian religion should not be farced with *school* points and private tenets.—*Bishop Sanderson.*

A man may find an infinite number of propositions in books of metaphysicks, *school* divinity, and natural philosophy, and know as little of God, spirits, or bodies as he did before.—*Locke.*

Philology, or the principles of good taste, degenerated through the prevalence of *school* logic.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. ix.

7. System: (often with *old* or *new*).

He was a lover of the good *old school*,
Who still become more constant as they cool.
Byron, Beppo, xxxiv.

School. *v. a.*

1. Instruct; train.

Una her besought to be so good
As in her virtuous rules to *school* her knight.
Spenser, Faerie Queen.

He's gentle, never *school'd*, and yet learned.
Shakespear, As you like it, i. 1.

He never had the soul to know what conversing means, but as his provender and the familiarity of the kitchen *schooled* his conceptions.—*Milton, Colasterion.*

2. Teach with superiority; tutor.

I pray you, *school* yourself; but for your husband,
He's noble, wise, judicious.
Shakespear, Macbeth, iv. 2.

Let Gallio give me leave a while
To *school* him once, or ere I change my style:
O lawless paunch, the cause of much despite,
Through ranging of a currish appetite!
Bishop Hall, Satires, iv. 4.

School your child,
And ask why God's anointed he reviled.
Dryden, Hind and Panther, iii. 306.

If this be schooling, 'tis well for the considerer: I'll engage that no adversary of his shall in this sense ever *school* him.—*Bishop Atterbury.*

Schoólboy. *s.* Boy that is in his rudiments at school.

Schoolboys' tears take up
The glasses of my sight.
Shakespear, Coriolanus, iii. 2.

He grins, smacks, shrugs, and such an itch endures,
As 'prentices or *schoolboys*, which do know
Of some gay sport abroad, yet dare not go. *Donne.*

Once he had heard a *schoolboy* tell
How Semele of mortal race
By thunder died. *Swift.*

Used *adjectivally.*

He never read a book in his life, and, with his purple, old, gouty fingers still writes a *schoolboy* hand.—*Thackeray, Book of Snobs*, ch. ix.

What bitter estrangements and what melting reconciliations; what scenes of wild recrimination, agitating explanations, passionate correspondence; what insane sensitiveness, and what frantic sensibility; what earthquakes of the heart and whirlwinds of the soul are confined in that simple phrase—a schoolboy's friendship! 'Tis some indefinite recollection of these mystic passages of their young emotion that makes grey-haired men mourn over the memory of their *schoolboy* days.—*B. Disraeli, Coningsby* b. i. ch. iv.

Schoóldame. *s.* Schoolmistress.

Sending little children of two or three years old to a *schooldame*, without any design of learning one letter, but only to keep them out of the fire and water.—*Echard, Grounds and Reasons of the Contempt of the Clergy inquired into*, p. 136.

Schoólday. *s.* Age in which youth is sent to school.

Is all forgot?
All *schoolday's* friendship, childhood, innocence?
Shakespear, Midsummer-Night's Dream, iii. 2.

Schoólery. *s.* Precepts. *Rare.*

To which him needs a guileful hollow heart
Marked with fair dissembling courtesy,
A filed tongue furnish'd with termes of art,
Not art of school, but courtier's *schoolery.*
Spenser, Colin Clout's come home again.

Schoólfellow. *s.* One bred at the same school.

Thy flatt'ring method on the youth pursue;
Join'd with his *schoolfellows* by two and two:
Persuade them first to lead an empty wheel,
That scarce the dust can raise or they can feel;
In length of time produce the labouring yoke.
Dryden, Translation of the Georgics, iii. 269.

The emulation of *schoolfellows* often puts life and industry into young lads.—*Locke.*

Schoólhouse. *s.* House of discipline and instruction.

Fair Una gan Fidelia fair request,
To have her knight unto her *schoolhouse* placed.
Spenser, Faerie Queen.

Schoóling. *verbal abs.*

1. Instruction; learning at school.

If this be *schooling*, it is well for the considerer.—*Bishop Atterbury.*

2. School-hire; stipend paid to a schoolmaster for instruction.

3. Lecture; sort of reprimand.

You shall go with me;
I have some private *schooling* for you both.
Shakespear, Midsummer-Night's Dream, i. 1.

Passionate and affectionate words; a sweet *schooling*, out of a fear and jealousy conceived, and a care had to prevent his miscarrying.—*Bishop Richardson, On the Old Testament*, p. 306.

Schoólmaid. *s.* Girl at school.

As *schoolmaids* change their names
By vain, though apt, affection.
Shakespear, Measure for Measure, i. 5.

Schoólman. *s.*

1. One versed in the niceties and subtilties of academical disputation.

The king, though no good *schoolman*, converted one of them by dispute.—*Bacon.*

Unlearn'd, he knew no *schoolman's* subtle art;
No language, but the language of the heart.
Pope, Epistle to Arbuthnot.

2. Writer of scholastic divinity or philosophy.

If a man's wit be not apt to distinguish or find differences, let him study the *schoolmen*.—*Bacon.*

To *schoolmen* I bequeath my doubtfulness,
My sickness to physicians. *Donne.*

Schoólmaster. *s.* One who presides and teaches in a school; teacher; instruction.

I, thy *schoolmaster*, have made thee more profit
Than other princes can, that have more time
For vainer hours, and tutors not so careful.
Shakespear, Tempest, i. 2.

Adrian VI. was sometime *schoolmaster* to Charles V.—*Knolles, History of the Turks.*

The ancient sophists and rhetoricians lived till they were an hundred years old; and so likewise did many of the grammarians and *schoolmasters*, as Orbilius.—*Bacon.*

A father may see his children taught, though he himself does not turn *schoolmaster*.—*South, Sermons.*

Schoólmistress. *s.* Woman who governs a school; female schoolmaster.

Such precepts I have selected from the most considerable which we have from nature, that exact *schoolmistress*.—*Dryden.*

My *schoolmistress*, like a vixen Turk,
Maintains her lazy husband by our work.
Gay, What d'ye call it?

Schoólroom. *s.* Room for teaching.

There rose
From the near *school-room*, voices, that, alas!
Were but one echo from a world of woes—
The harsh and grating strife of tyrants and of foes.
Shelley, Revolt of Islam.

Schoóner. *s.* [Dutch, *schoener.*] In *Navigation.* Small, sharp-built vessel, with small top-mast, and fore and aft sails.

A square-rigged *schooner* carries square topsail and top-gallant topsails, but a fore-and-aft *schooner* has fore-and-aft sails on both masts, with occasionally a square topsail on the foremast. *Schooners* have sometimes, though rarely, three masts. It is one of the swiftest brigs.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Sciágraphy. *s.* [Fr. *sciagraphie*; Gr. σκιαγραφία. See Sciomachy; *a* and *o*, as the fourth letter in these compounds, is found indifferently both in Latin and Greek.]

1. Art of sketching.

Let those, who are delighted with *sciagraphy*, paint out, if they please, these shadow-patriarchs.—*Fuller, Holy War*, p. 111.

2. Profile or section of a building.

3. Art of finding the hour of the day or night by the shadow of the sun, moon, or stars.

Sciathérical. *adj.* [Gr. σκιαθήρας = shadow-hunter; σκιαθηρικὰ ὄργανα = dial-like instrument; Lat. *sciotherica.*] Belonging to a sundial.

There were also, from great antiquity, *sciatherical* or sun-dials, by the shadow of a stile or gnomon denoting the hours; an invention ascribed unto Anaxamines by Pliny.—*Sir T. Browne.*

Sciathérically. *adv.* As a sundial.

Let the plane be *sciatherically* prepared, and it shall be necessary for the shadow of the sun to go back.—*Gregory, Posthuma*, p. 37.

Sciátic. *adj.* [*ischiatic*, from Lat. *ischium*; Gr. ἰσχίον = hip.] In *Anatomy.* Term applied to certain parts connected with, or relating to, the hip: (as, 'the *sciatic* artery'; 'the *sciatic* nerve').

Sciátic. *s.* In *Medicine.* Sciatica: (in the extract *plural*; not impossibly considered by the writer as a word like *politics*, or *mathematics*).

Rack'd with *sciatics*, martyr'd with the stone,
Will any mortal let himself alone?
Pope, Imitations of Horace, b. i. ep. vi.

Sciática. *s.* In *Medicine.* Powerful affection of the hip following the course of the sciatic nerve; hip gout.

Which of your hips has the most profound *sciatica?*—*Shakespear, Measure for Measure*, i. 2.
Thou cold *sciatica*,
Cripple our senators. *Id., Timon of Athens*, iv. 1.

The Scythians, using continual riding, were generally molested with the *sciatica*, or hip gout.—*Sir T. Browne, Vulgar Errours.*

Sciátical. *adj.* Afflicting the hip.

In obstinate *sciatical* pains, blistering and cauteries have been found effectual.—*Arbuthnot.*

Scíence. *s.* [Fr.; Lat. *scientia*, from *scio* = I know.]

1. Knowledge.

If we conceive God's sight or *science*, before the creation, to be extended to all and every part of the world, seeing everything as it is, his prescience or foresight of any action of mine, or rather his *science* or sight, from all eternity, lays no necessity on any thing to come to pass, more than my seeing the sun move hath to do in the moving of it.—*Hammond.*

The indisputable mathematicks, the only *science* Heaven hath yet vouchsafed humanity, have but few votaries among the slaves of the Stagirite.—*Glanville, Scepsis Scientifica.*

2. Certainty grounded on demonstration.

So you arrive at truth, though not at *science.*—*Bishop Berkeley.*

3. Art built on principles.

Science perfects genius, and moderates that fury of the fancy which cannot contain itself within the bounds of reason.—*Dryden.*

4. Any art or species of knowledge.

Whatsoever we may learn by them, we only attain according to the manner of natural *sciences*, which mere discourse of wit and reason findeth out.—*Hooker, Ecclesiastical Polity.*

I present you with a man
Cunning in musick and the mathematicks,
To instruct her fully in those *sciences.*
Shakespear, Taming of the Shrew, ii. 1.

5. One of the seven liberal arts, grammar, rhetoric, logic, arithmetic, music, geometry, astronomy.

Good sense, which only is the gift of Heaven,
And though no *science*, fairly worth the seven.
Pope, Moral Essays, iv. 43.

Sciéntial. *adj.* Producing science. *Rare.*

His light *sciential* is, and, past mere nature,
Can salve the rude defects of every creature.
B. Jonson, Masques at Court.

Those *sciential* rules, which are the implements of instruction.—*Milton, Tetrachordon.*

From the tree her step she turn'd;
But first low reverence done, as to the power
That dwelt within; whose presence had infused
Into the plant *sciential* sap derived
From nectar, drink of gods.
Id., Paradise Lost, ix. 834.

Scientífic. *adj.* Having the character of, constituted by, relating to, connected with, science.

No man, who first trafficks into a foreign country, has any *scientifick* evidence that there is such a country, but by report, which can produce no more than a moral certainty; that is, a very high probability, and such as there can be no reason to except against.—*South, Sermons.*

Scientífical. *adj.* Scientific: (this latter being the *commoner* word).

Natural philosophy proceeding from settled principles, therein is expected a satisfaction from *scientifical* progressions, and such as beget a sure or rational belief.—*Sir T. Browne, Vulgar Errours.*

No where are there more quick, inventive, and penetrating capacities, fraught with all kind of *scientifical* knowledge.—*Howell.*

The systems of natural philosophy that have obtained, are to be read more to know the hypotheses, than with hopes to gain there a comprehensive, *scientifical*, and satisfactory knowledge of the works of nature.—*Locke.*

Scientífically. *adv.* In a scientific manner; in such a manner as to produce knowledge.

Sometimes it rests upon testimony, because it is easier to believe than to be *scientifically* instructed. —*Locke.*

Scímitar. *s.* [Turkish.] Short sword with a convex edge.

I'll heat his blood with Greekish wine to-night,
Which with my *scimitar* I'll cool to-morrow.
Shakespear, Troilus and Cressida, v. 1.

Scintíllant. *adj.* [Lat. *scintillans, -antis*, pres. part. of *scintillo* = I sparkle.] Sparkling; emitting sparks.

Who can view the pointed rays,
That from black eyes *scintillant* blaze?
Green, Spleen, 219.

Scintillátion. *s.* [Lat. *scintillatio, -onis.*] Act of sparkling; sparks emitted.

These *scintillations* are not the accension of the air upon the collision of two hard bodies, but rather the inflammable effluences discharged from the bodies collided.—*Sir T. Browne.*

He saith the planets' *scintillation* is not seen, because of their propinquity.—*Glanville, Scepsis Scientifica.*

Illusions may arise from centric or eccentric causes. In insanity, I believe them to be almost necessarily centric; patients complain not unfrequently of fœtid smells, of foul tastes, of tastes of metal, of salts, of false vision, of seeing objects before them—as lights, stars, *scintillations*, or much more palpable things, as cats, dogs, absent friends, or apparitions, &c.—*Dr. Sankey, Lectures on Mental Diseases.*

Scíolism. *s.* Superficial knowledge; not sound knowledge.

The beautiful description here given of the state of Europe before the French Revolution, and all that follows, is calculated to raise in every one who peruses it a spirit equal to the difficulties of the time. Here are painted the mischiefs of the multiplication of political sciolists, and the progress of political *sciolism*; the decay of profound knowledge; the perversion of what we retain; and the decline of religion.—*British Critic*, xi. 245.

Scíolist. *s.* One who knows many things superficially.

'Twas this vain idolizing of authors which gave birth to that silly vanity of impertinent citations: these ridiculous fooleries signify nothing to the more generous discerners, but the pedantry of the affected *sciolists.*—*Glanville, Scepsis Scientifica.*

These passages were enough to humble the presumption of our modern *sciolists*, if their pride were not as great as their ignorance.—*Sir W. Temple.*

Scíolous. *adj.* Superficially, or imperfectly, knowing. *Rare.*

I could wish these *sciolous* zelotists had more judgement joined with their zeal.—*Howell.*

Scíolus. *s.* Sciolist (of which it is the Latin form).

For Hippias, that vain-glorious *sciolus*, how great his knowledge was, there is no man ever testified but only he himself.—*Fotherby, Atheomastix*, p. 190: 1622.

Scíomachy or **Scíamachy.** *s.* [Gr. σκιὰ = shadow, μάχη = battle.] Battle with a shadow.

To avoid this *sciomachy*, or imaginary combat of words, let me know, sir, what you mean by the name of tyrant?—*Cowley.*

Scíon. *s.* [N.Fr. *scion, sion.*] Small twig taken from one tree to be engrafted into another.

Sweet maid, we marry
A gentle *scion* to the wildest stock;
And make conceive a bark of baser kind
By bud of nobler race.
Shakespear, Winter's Tale, iv. 3.

March is drawn in his left hand blossoms, and *scions* upon his arm.—*Peacham.*

The *scions* are best of an old tree.—*Mortimer, Husbandry.*

Scíre fácias. *s.* [Lat. = make to know.] In *Law.* See extract.

Scire facias [is] a writ judicial, in law, most commonly to call a man to shew cause unto the court, whence it is sent, why execution of judgement passed should not be made. This writ is not granted before a year and a day is passed, after the judgement given.—*Cowell.*

Scirrhósity. *s.* Induration of the glands.

The difficulty of breathing, occasioned by *scirrhosities* of the glands, is not to be cured.—*Arbuthnot, On the Nature and Choice of Aliments.*

Scírrhous. *adj.* Having a gland indurated; consisting of a gland indurated.

How they are to be treated when they are strumous, *scirrhous*, or cancerous, you may see.—*Wiseman, Surgery.*

Scírrhus. *s.* Indurated gland.

Any of these three may degenerate into a *scirrhus*, and that *scirrhus* into a cancer.—*Wiseman, Surgery.*

Sciscitátion. *s.* [Lat. *sciscitatus; sciscitatio, -onis.*] Enquiry.

Without all *sciscitations* to go blindfold whither he will lead us.—*Bishop Hall, Contemplations*, b. i.

Scíssel. *s.* See extract.

The slips or plates of metal out of which circular blanks have been cut, are called *scissel* at the Mint. —*Brande and Cox, Dictionary of Science, Literature, and Art.*

Scíssible. *adj.* Capable of being divided smoothly by a sharp edge.

The differences of impressible and not impressible, *scissible* and not *scissible*, and many other passions of matter, are plebeian notions.—*Bacon.*

Scíssile. *adj.* [Lat. *scissilis* = capable of being cut; *scindo* = I cut; pass. part. *scissus; scissio, -onis.*] Capable of being cut or divided smoothly by sharp edge.

Animal fat is a sort of amphibious substance, *scissile* like a solid, and resolveable by heat.—*Arbuthnot.*

Scíssion. *s.* Act of cutting.

Nerves may be wounded by *scission* or puncture: the former way they are usually cut through, and wholly cease from action.—*Wiseman, Surgery.*

Things ripen towards downright incompatibility, and what is called '*scission.*'—*Carlyle, The French Revolution*, pt. ii. b. iii. ch. iii.

Scíssor. *s.* [Fr. *ciseaux.*] Small pair of shears, or blades movable on a pivot, and intercepting the thing to be cut.

His beard they have singed off with brands of fire
And ever, as it blazed, they threw on him
Great pails of puddled mire to quench the hair:
My master preaches patience to him, and the while
His man with *scissars* nicks him for a fool.
Shakespear, Comedy of Errors, v. 1.

Wanting the *scissars*, with these hands I'll tear,
If that obstruct my flight, this load of hair.
Prior, Henry and Emma, 499.

When the lawyers and tradesmen brought extravagant bills, sir Roger wore a pair of *scissars* in his pocket, with which he would snip a quarter of a yard off nicely.—*Arbuthnot.*

Scíssure. *s.* [Lat. *scissura.*] Cutting; crack; rent; fissure.

Thus let out at the *scissure*, as at the window.—*Hammond, Works*, iv. 569.

The breach seems like the *scissures* and ruptures of an earthquake, and threatens to swallow all that attempt to close it, and reserves its cure only for omnipotence.—*Dr. H. More, Decay of Christian Piety.*

Sclerótic. *adj.* Connected with, having the character of the sclerotica.

The ligaments observed in the inside of the *sclerotick* tunicles of the eye, serve instead of a muscle, by their contraction, to alter the figure of the eye.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Sclerótica. *s.* [Greek σκληρὸς = hard.] In *Anatomy.* Hard resistant coat, or tunic, of the eyeball; white of the eye.

The *sclerotica*, or *sclerotic membrane*, in man, is opaque, and forms the posterior five-sixths of the globe of the eye. It is white externally, brown internally, and is much thicker behind than in front. In many birds, and some fossil reptiles, it developes a circular series of bony plates around the eyeball. —*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Scoff. *s.* [Norse, *skaup*; *hafa i skaupi* = hold in derision.] Contemptuous ridicule; expression of scorn; contumelious language.

Our answer therefore to their reasons is no; to their *scoffs* nothing.—*Hooker, Ecclesiastical Polity.*

With *scoffs* and scorns, and contumelious taunts,
In open market-place produced they me.
Shakespear, Henry VI. Part I. i. 4.

How could men surrender up their reason to flattery, more abusive and reproachful than the rudest *scoffs* and the sharpest invectives?—*South, Sermons.*

Some little souls, that have got a smattering of astronomy or chemistry, for want of a due acquaintance with other sciences, make a *scoff* at them all, in comparison of their favourite science.—*Watts.*

Scoff. *v. n.* Treat with insolent ridicule; with contumelious language: (with *at*).

Of two noblemen of the west of England, the one was given to *scoff*, but kept ever royal cheer in his house; the other would ask of those that had been at his table, Tell truly, was there never a flout or dry blow given?—*Bacon, Essays, Of Discourse.*

There is no greater argument of a light and inconsiderate person, than profanely to *scoff* at religion.—*Archbishop Tillotson.*

Such is love,
And such the laws of his fantastick empire;
The wanton boy delights to bend the mighty,
And *scoffs at* the vain wisdom of the wise. *Rowe.*

Scoff. *v. a.* Jeer; treat with scoffs.

His vain ostentation is worthily *scoffed* with [the] scomme of the orator.—*Fotherby, Atheomastix*, p. 189: 1622.

To *scoff* religion, is ridiculously proud and immodest.—*Glanville, Sermons*, p. 213.

Scóffer. *s.* One who scoffs; insolent ridiculer; saucy scorner; contumelious reproacher.

Cry the man mercy, love him, take his offer;
Foul is most foul, being found to be a *scoffer*.
Shakespear, As you like it, iii. 5.

Divers have herded themselves amongst these profane *scoffers*, not that they are convinced by their reasons, but terrified by their contumelies.—*Dr. H. More, Government of the Tongue.*

Consider what the apostle tells these *scoffers* they were ignorant of, not that there was a deluge; but he tells them, that they were ignorant that the heavens and the earth of old were so and so constituted.—*T. Burnet, Theory of the Earth.*

Scóffingly. *adv.* In a scoffing manner; in contempt, in ridicule.

Aristotle applied this hemistich *scoffingly* to the sycophants at Athens.—*Broome.*

Scold. *v. a.* [Dutch, *schelden.*] Rate.

She *scolded* her husband one day out of doors.—*Howell, Letters*, iv. 7.

Scold. *v. n.* Quarrel clamorously and rudely.

Pardon me, 'tis the first time that ever
I was forced to *scold*. *Shakespear, Coriolanus*, v. 5.

They attacked me, some with piteous moans, others grinning and only shewing their teeth, others ranting, and others *scolding* and reviling.—*Bishop Stillingfleet.*

For gods, we are by Homer told,
Can in celestial language *scold*.
Swift, Cadenus and Vanessa.

Scold. *s.* Clamorous, rude, mean, low, foul-mouthed person.

A shrew in domestick life, is now become a *scold* in politicks.—*Addison, Freeholder.*

Sun-burnt matrons mending old nets;
Now singing shrill, and scolding oft between;
Scolds answer foul-mouth'd *scolds*. *Swift.*

Scólder. *s.* One who scolds or rails.

Whether any be braulers, slanderers, chiders, *scolders*, and sowers of discord between one person and another.—*Archbishop Cranmer, Articles of Visitation.*

Scólding. *verbal abs.* Clamorous, rude, and quarrelsome language.

The bitterest and loudest *scolding* is for the most part among those of the same street.—*South, Sermons*, vol. iii. serm. viii.

Scolding and cursing are her common conversation.—*Swift.*

Scólding. *part. adj.* Quarrelling clamorously; rating.

The one as famous for a *scolding* tongue,
As the other is for beauteous modesty.
Shakespear, Taming of the Shrew, i. 2.

Scolopéndra. *s.* [Fr. *scolopendre*; Gr. σκολόπενδρα; Lat. *scolopendra.*] Centipede.

The *scolopendra* is noted for the number of its legs branching out from its body.—*Bryant, On Troy.*

Scomm. *s.* [Gr. σκῶμμα.]

1. Mock; flout; jeer.

His vain ostentation is worthily scoffed with [the] *scomme* of the orator.—*Fotherby, Atheomastix*, p. 189: 1622.

2. Buffoon.

The *scomms*, or buffoons of quality, are wolvish in conversation.—*Sir R. L'Estrange.*

Sconce. *s.* [German, *schantze*; Lat. *absconsum* = hidden object; hence, that which covers; that which resembles a cover.]

1. Fort; bulwark.

Such fellows are perfect in the great commanders' names, and they will learn you by rote where services were done; at such and such a *sconce*, at such a breach.—*Shakespear, Henry V.* iii. 6.

2. Head; skull.

Why does he suffer this rude knave now to knock him about the *sconce* with a dirty shovel, and will not tell him of his action of battery?—*Shakespear, Hamlet*, v. 1.

Much learning hath cracked their *sconce*.—*Burton, Anatomy of Melancholy*, preface.

Which their dull *sconces* cannot easily reach.—*Dr. H. More, Life of the Soul*, iii. 13.

3. Metallic reflector of heat or light.

Sconse, a little lantern.—*Barret, Alvearie*: 1580.

Golden *sconces* hang not on the walls,
To light the costly suppers and the balls.
Dryden, Translation from Lucretius, b. ii.

Triumphant Umbriel, on a *sconce*'s height,
Clapp'd his glad wings and sat to view the fight.
Pope, Rape of the Lock, canto v.

For tools of this sort, like Martinus' *sconce*,
Would lose all their beauty if purified once.
T. Moore, Twopenny Posthag.

Sconce. *v. a.* [?] Mulct; fine.

Pease-pudding not boiled enough; cook reprimanded, and *sconced* in my presence.—*T. Warton, Journal of a Fellow of a College, Idler*, no. 33.

Scoop. *s.* [Fr. *escop.*]

1. Kind of large ladle; vessel with a long handle used to throw out liquor.

They turn upside down hops on malt-kilns, when almost dry, with a *scoop*.—*Mortimer, Husbandry.*

2. Surgeon's instrument.

Endeavour with thy *scoop*, or fingers, to force the stone outwards.—*Sharp, Surgery.*

3. ? For Swoop.

Oh hell-kite!
What, all my pretty chickens and their dam,
At one fell *scoop*! *Shakespear, Macbeth*, iv. 3.

Scoop. *v. a.*

1. Lade out.

The savoury pulp they chew, and in the rind,
Still as they thirsted, *scoop* the brimming stream.
Milton, Paradise Lost, iv. 335.

As by the brook he stood,
He *scoop'd* the water from the crystal flood.
Dryden, Translation of the Æneid, ix. 25.

2. Empty by lading.

'Tis as easy with a sieve to *scoop* the ocean, as
To tame Petruchio.
Beaumont and Fletcher, Tamer Tamed.

If some penurious source by chance appear'd,
Scanty of waters, when you *scoop'd* it dry,
And offer'd the full helmet up to Cato,
Did he not dash th' untasted moisture from him?
Addison, Cato.

3. Carry off, so as to leave the place hollow.

Her fore-feet are broad, that she may *scoop* away much earth at a time.—*Addison.*

A spectator would think this circular mount had been actually *scooped* out of that hollow space.—*Spectator.*

To his single eye, that in his forehead glared
Like a full moon, or a broad burnish'd shield,
A forky staff we dext'rously apply'd,
Which, in the spacious socket turning round,
Scoopt out the big round jelly from its orb.
Addison, Translation from the Æneid, b. iii.

4. Cut into hollowness or depth.

Whatever part of the harbour they *scoop* in, it has an influence on all the rest; for the sea immediately works the whole bottom to a level.—*Addison, Travels in Italy.*

Those carbuncles the Indians will *scoop*, so as to hold above a pint.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

The little race of birds, that hop
From spray to spray, *scooping* the costliest fruit,
Insatiate, undisturb'd. *J. Philips, Cyder*, i. 395.

Consult the genius of the place in all;
That tells the waters or to rise or fall;
Or helps the ambitious hill the heav'n to scale,
Or *scoops* in circling theatres the vale.
Pope, Moral Essays, iv. 57.

Scope. *s.* [Lat. *scopus*; Gr. σκοπὸς = mark, aim.]

1. Aim; intention; drift.

Your *scope* is as mine own,
So as to inforce or qualify the laws,
As to your soul seems good.
Shakespear, Measure for Measure, i. 1.

His coming hither hath no farther *scope*
Than for his lineal royalties. *Id., Richard II.* iii. 3.

Had the whole *scope* of the author been answerable to his title, he would have only undertaken to prove what every man is convinced of; but the drift of the pamphlet is to stir up our compassion towards the rebels.—*Addison.*

Doubtless, if we should reverse the picture, and imagine the end and *scope* of Cranmer's labour to have been the establishment of the Roman catholic religion in a protestant country, the estimate formed of his behaviour would be somewhat less favourable than it is at present.—*Hallam, Constitutional History of England*, vol. i. ch. ii.

The practical *scope* of the Toleration Act was greatly enlarged by the custom of passing Acts of Indulgence.—*Gladstone, The State in its Relations with the Church*, ch. viii.

2. Thing aimed at; mark; final end.

The *scope* of all their pleading against man's authority is to overthrow such laws and constitutions in the church, as depending thereupon, if they should therefore be taken away, would leave neither face nor memory of church to continue long in the world.—*Hooker, Ecclesiastical Polity.*

Now was time
To aim their counsels to the fairest *scope*.
Spenser, Mother Hubberd's Tale.

We should impute the war to the *scope* at which it aimeth.—*Sir W. Raleigh.*

He, in what he counsels, and in what excels,
Mistrustful, grounds his courage on despair,
And utter dissolution, as the *scope*
Of all his aim. *Milton, Paradise Lost*, ii. 125.

3. Room; space; amplitude of intellectual view.

An heroick poet is not tied to a bare representation of what is true, but that he might let himself loose to visionary objects, which may give him a freer *scope* for imagination.—*Dryden.*

These theorems being admitted into opticks, there would be *scope* enough of handling that science voluminously, after a new manner; not only by teaching those things which tend to the perfection of vision, but also by determining mathematically all kinds of phenomena of colours which could be produced by refraction.—*Sir I. Newton, On Opticks.*

4. Liberty; freedom from restraint.

If this constrain them to grant that their axiom is not to take any place, save in those things only where the church hath larger *scope*, it resteth that they search out some stronger reason.—*Hooker, Ecclesiastical Polity.*

Ah, cut my lace asunder,
That my pent heart may have some *scope* to beat,
Or else I swoon with this dead killing news.
Shakespear, Richard III. iv. 1.

5. Liberty beyond just limits; licence.

Sith 'twas my fault to give the people *scope*,
'Twould be my tyranny to strike and gall them
For what I bid them do.
Shakespear, Measure for Measure, i. 4.

Being moody, give him line and *scope*,
Till that his passions, like a whale on ground,
Confound themselves with working.
Id., Henry IV. Part II. iv. 4.

6. Act of riot; sally.

As surfeit is the father of much fast,
So every *scope*, by the immoderate use,
Turns to restraint.
Shakespear, Measure for Measure, i. 3.

7. Extended quantity.

The *scopes* of land granted to the first adventurers were too large, and the liberties and royalties were too great for subjects.—*Sir J. Davies, Discourse on the State of Ireland.*

Scóppet. *v. a.* Scoop. *Rare.*

In all either our sense or fear of evils, let us have our recourse to that Almighty hand which ordereth all the events of heaven and earth, and work him by our true repentance to a gracious cessation of vengeance; else, what do we with all our endeavours but as that fond man, who wearies himself lading out the channel with a shallow dish, whiles the spring runs full and unchecked? Vain man, can he possibly hope to *scoppet* it out so fast as it fills?—*Bishop Hall, Remains*, p. 77.

Scóptic. *adj.* Sceptical. *Rare.*

Lucian and other *scoptick* wits endeavoured to jeer and droll away the credit of them.—*Bishop Ward, Sermons*, p. 57: 1670.

Scóptical. *adj.* [Gr. σκωπτικός, from σκώπτω = I scoff.] Scoffing. *Rare.*

None but the professed quack, or mountebank, avowedly brings the zany upon the stage with him: such undoubtedly is this *scoptical* humour.—*Hammond, Works*, ii. 167.

The Roman orator, discoursing of *scoptical* urbanity, or jesting, how far it was allowable in speeches and pleadings, lays down an excellent rule.—*South, Sermons*, vii. 151.

Scórbute. *s.* [Lat. *scorbutus.*] Scurvy. *Obsolete.*

Another observation of this our author, is the scurvie or *scorbute*, whereunto they are much subject in navigations near the line.—*Purchas, Pilgrimages*, p. 1086: 1617.

Scorbútic. *adj.* Diseased with the scurvy.

Violent purging hurts *scorbutick* constitutions; lenitive substances relieve.—*Arbuthnot.*

Scorbútical. *adj.* Scorbutic.

A person about forty, of a full and *scorbutical* body, having broke her skin, endeavoured the curing of it; but observing the ulcer sanious, I proposed digestion.—*Wiseman, Surgery.*

Scorbútically. *adv.* In a scorbutic manner; with tendency to scurvy.

A woman of forty, *scorbutically* and hydropically affected, having a sordid ulcer, put herself into my hand.—*Wiseman, Surgery.*

Scorch. *v. a.* [?]

1. Burn superficially.

Fire *scorcheth* in frosty weather.—*Bacon, Natural and Experimental History.*

The ladies gasp'd, and scarcely could respire;
The breath they drew, no longer air, but fire;
The fainty knights were *scorch'd.*
Dryden, The Flower and the Leaf, 379.

2. Burn.

Power was given unto him to *scorch* men with fire.—*Revelation,* xvi. 8.

I rave,
And, like a giddy bird in dead of night,
Fly round the fire that *scorches* me to death.
Dryden.

He, from whom the nations should receive
Justice and freedom, lies himself a slave;
Tortured by cruel change of wild desires,
Lash'd by mad rage, and *scorch'd* by brutal fires.
Prior, Solomon, ii. 951.

3. Singe.

The same that left thee by the cooling stream,
Safe from sun's heat; but *scorch'd* with beauty's beam. *Fairfax.*

You look with such contempt on pain,
That languishing you conquer more:
So lightnings which in storms appear,
Scorch more than when the skies are clear. *Waller.*

The same beams that shine, *scorch* too.—*South, Sermons.*

Scorch. *v. n.* Become burnt superficially; be dried up.

Scatter a little mungy straw or fern amongst your seedlings, to prevent the roots from *scorching,* and to receive the moisture that falls.—*Mortimer, Husbandry.*

Scórching. *part. adj.* Parching; burning.

The love was made in autumn, and the hunting followed properly, when the heats of that *scorching* country were declining.—*Dryden.*

Score. *s.* [A.S. *scor.*]

1. Notch or long incision.

Our forefathers had no other books but the *score* and the tally: thou hast caused printing to be used.—*Shakespear, Henry VI. Part II.* iv. 7.

2. Line drawn.

3. Account, which, when writing was less common, was kept by marks on tallies, or by lines of chalk.

He's worth no more:
They say he parted well, and paid his *score.*
Shakespear, Macbeth, v. 7.

Does not the air feed the flame? And does not the flame warm and enlighten the air? Does not the earth quit *scores* with all the elements, in the fruits that issue from it?—*South, Sermons.*

4. Account kept of something past; epoch; era.

Universal deluges have swept all away, except two or three persons who begun the world again upon a new *score.*—*Archbishop Tillotson.*

5. Debt imputed.

That thou dost love her, strikes some *scores* away
From the great compt.
Shakespear, All's well that ends well, v. 3.

6. Reason; motive.

It had been prentice to a brewer,
Where this and more it did endure;
But left the trade, as many more
Have lately done on the same *score.*
Butler, Hudibras, i. 1. 387.

A lion that had got a politick fit of sickness, wrote the fox word how glad he should be of his company, upon the *score* of ancient friendship.—*Sir R. L'Estrange.*

If your terms are moderate, we'll never break off upon that *score.*—*Collier, Essays, Of Pride.*

7. Sake; account; relative motive.

You act your kindness in Cydaria's *score.*
Dryden, Indian Emperour.

Kings in Greece were deposed by their people upon the *score* of their arbitrary proceedings.—*Swift.*

8. Twenty.

How many *score* of miles may we well ride
'Twixt hour and hour?
Shakespear, Cymbeline, iii. 2.

The fewer still you name, you wound the more;
Bond is but one; but Harpax is a *score.*
Pope, Imitations of Horace, b. ii. sat. i.

For some *scores* of lines there is a perfect absence of that spirit of poesy.—*Watts.*

9. In *Music.* See extract.

A song or air in *score* [is] the disposition of the several parts set on the same leaf; as upon the uppermost range of lines are found the treble notes; in another, those of the bass; in another the tenor; and so on; that they may be sung or played jointly or separately: commonly called the *score.*—*Musical Dictionary.*

Score. *v. a.*

1. Mark; cut; engrave.

Upon his shield the like was also *scored,*
Spenser, Faerie Queen.

Why on your shield, so goodly *scored,*
Bear you the picture of that lady's head? *Ibid.*

Scoring a man o'er the coxcomb,
Is but a scratch with you.
Beaumont and Fletcher, Prophetess.

2. Mark by a line.

Hast thou appointed where the moon should rise,
And with her purple light adorn the skies?
Scored out the bounded sun's obliquer ways,
That he on all might spread his equal rays?
Sandys.

3. Set down as a debt.

Madam, I know when
Instead of five you *scored* me ten.
Swift, Journal of a Modern Lady.

4. Impute; charge.

Your follies and debauches change
With such a whirl, the poets of your age
Are tired, and cannot *score* 'em on the stage;
Unless each vice in short-hand they indite,
Ev'n as notcht prentices whole sermons write.
Dryden.

Scória. *s.* [Lat.] Dross; recrement.

The *scoria,* or vitrified part, which most metals, when heated or melted, do continually protrude to the surface, and which, by covering the metals in form of a thin glassy skin, causes these colours, is much denser than water.—*Sir I. Newton, On Opticks.*

Scórious. *adj.* Drossy; recrementitious.

By the fire they emit many drossy and *scorious* parts.—*Sir T. Browne.*

Scorn. *v. a.* [N.Fr. *escorner.*]

1. Despise; slight; revile; vilify; contemn.

My friends *scorn* me; but mine eye poureth out tears unto God.—*Job,* xvi. 20.

Surely he *scorneth* the scorners; but he giveth grace unto the lowly.—*Proverbs,* iii. 34.

Back to the infernal pit I drag thee chain'd,
And seal thee so, as henceforth not to *scorn*
The facile gates of hell too slightly barr'd.
Milton, Paradise Lost, iv. 965.

2. Neglect; disregard.

This my long sufferance, and my day of grace,
They who neglect and *scorn* shall never taste;
But hard, be harden'd, blind, be blinded more.
Milton, Paradise Lost, iii. 198.

Scorn. *v. n.*

1. Show signs of contempt.

He said mine eyes were black, and my hair black;
And, now I am remember'd, *scorn'd* at me.
Shakespear, As you like it, iii. 5.

2. Disdain; think unworthy.

I've seen the morning's lovely ray
Hover o'er the new-born day,
With rosy wings so richly bright,
As if he *scorn'd* to think of night. *Crashaw.*

Fame, that delights around the world to stray,
Scorns not to take our Argos in her way.
Pope, Translation of the first Book of the Thebaid of Statius.

Scorn. *s.* [N.Fr. *escorne.*]

1. Contempt; scoff; slight; act of contumely.

We were better parch in Africk's sun,
Than in the pride and salt *scorn* of his eyes.
Shakespear, Troilus and Cressida, i. 3.

Why should you think that I should woo in *scorn?*
Scorn and derision never come in tears.
Id., Midsummer-Night's Dream, iii. 2.

Whosoever hath anything in his person that induces contempt, hath also a perpetual spur to rescue himself from *scorn*: therefore all deformed persons are bold, as being on their own defence as exposed to *scorn.*—*Bacon.*

Diogenes was asked in *scorn,* What was the matter that philosophers haunted rich men, and not rich men philosophers? He answered, Because the one knew what they wanted, the others did not.—*Id., Apophthegms,* 161.

Every sullen frown and bitter *scorn*
But fann'd the fuel that too fast did burn.
Dryden, The Despairing Lover, 23.

2. Subject of ridicule; thing treated with contempt.

Is it not a most horrid ingratitude, thus to make a *scorn* of him that made us?—*Archbishop Tillotson.*

Numidia's grown a *scorn* among the nations
For breach of publick vows. *Addison, Cato.*

Think scorn. Disdain; hold unworthy of regard.

If he do fully prove himself the honest shepherd Menalcas his brother and heir, I know no reason why you should *think scorn* of him.—*Sir P. Sidney.*

Unto thee will I cry, O Lord, my strength: *think* no *scorn* of me, lest if thou make as though thou hearest not, I become like them that go down into the pit.—*Book of Common Prayer, Psalms,* xxviii. 1.

Laugh to scorn. Deride as contemptible.

He that dwelleth in heaven shall *laugh* them *to scorn*; the Lord shall have them in derision.—*Book of Common Prayer, Psalms,* ii. 4.

If we draw her not unto us, she will *laugh* us *to scorn.*—*Judith,* xii. 12.

Scórner. *s.* One who scorns.

1. Contemner; despiser.

They are very active, vigilant in their enterprises, present in perils, and great' *scorners* of death.—*Spenser, View of the State of Ireland.*

2. Scoffer; ridiculer.

The *scorner* should consider, upon the sight of a cripple, that it was only the distinguishing mercy of Heaven that kept him from being one too.—*Sir R. L'Estrange.*

They, in the *scorner's* or the judge's seat,
Dare to condemn the virtue which they hate.
Prior, Solomon, iii. 82.

Scórnful. *adj.*

1. Contemptuous; insolent; disdainful.

Our soul is filled with the *scornful* reproof of the wealthy.—*Book of Common Prayer, Psalms,* cxxiii. 4.

The enamour'd deity
The *scornful* damsel shuns. *Dryden.*

2. Acting in defiance.

With him I o'er the hills had run,
Scornful of winter's frost and summer's sun.
Prior, Solomon, ii. 415.

Scórnfully. *adv.* In a scornful manner; contemptuously; insolently.

He used us *scornfully*: he should have shew'd us
His marks of merit, wounds received for's country.
Shakespear, Coriolanus, ii. 3.

The sacred rights of the Christian church are *scornfully* trampled on in print, under an hypocritical pretence of maintaining them.—*Bishop Atterbury, Sermons.*

Scórning. *verbal abs.* Sign or act of contempt or disdain.

Our soul is exceedingly filled with the *scorning* of those that are at ease, and with the contempt of the proud.—*Psalms,* cxxiii. 4.

Scórny. *adj.* Deserving scorn. *Rare.*

Ambition . . . scrapes for *scornie* drosse.
Mirrour for Magistrates, p. 506.

Scórpion. *s.* [Lat. *scorpio, -onis.*]

1. Animal of the class Arachnida (represented by the spiders) of the genus so named.

A good handfull of great tornsole boiled in wine, and drunk, doth gently purge the body of hot and cholericke humours and tough, clammy, or slimy flegm. The same boiled in wine, and drunk, is good against the stingings of *scorpions* or other venomous beasts, and is very good to be applied outwardly upon the grief or wound.—*Gerarde, Herball,* p. 336: 1633.

Well, forewarning winds
Did seem to say, seek not a *scorpion's* nest.
Shakespear, Henry VI. Part II. iii. 2.

Full of *scorpions* is my mind, dear wife.
Id., Macbeth, iii. 2.

The mind, that broods o'er guilty woes,
Is like the *scorpion* girt by fire,
In circle narrowing as it glows,
The flames around their captive close,
Till inly search'd by thousand throes,
And maddening in her ire,
One sad and sole relief she knows,
The sting she nourish'd for her foes,
Whose venom never yet was vain,
Gives but one pang, and cures all pain,
And darts into her desperate brain.
So do the dark in soul expire,
And live like *scorpion* girt by fire;
So writhes the mind remorse has riven
Unfit for earth, undoom'd for heaven,
Darkness above, despair beneath,
Around it flame, within it death!
Byron, The Giaour.

Alluding to the dubious suicide of the *scorpion,* so placed for experiment by gentle philosophers. Some maintain that the position of the sting, when turned towards the head, is merely a convulsive movement; but others have actually brought in the verdict Felo de se. The *scorpions* are surely interested in a speedy decision of the question; as, if once fairly established as insect Catos, they will probably be allowed to live as long as they think proper, without being martyred for the sake of an hypothesis.—*Id., Note on preceding lines.*

It has been asserted that the *scorpion,* when enclosed in a circle of lighted coals, and when it finds that it is impossible to escape from the action of the heat, will sting itself to death. Maupertuis, after some experiments, has combated this opinion. Other observations, however, are in its favour; and M. Latreille informs us that Count de Senneville made

several experiments on this subject, and in the presence of a great number of persons, the result of which went to confirm this popular notion respecting the *scorpion*. The *scorpions*, at least under certain circumstances, kill and devour their young. Maupertuis, having shut up about one hundred of them, found at the end of a few days, no more than fourteen alive. Another curious instance of this kind occurred about a dozen years ago to the Baron Cuvier. A collection of more than four hundred living *scorpions*, which he had received from Italy, was reduced, in the course of a very little time, to a few individuals.—*Translation of Cuvier's Règne Animal.*

Spiders are not the only animals of their class that are provided with this kind of organs. *Scorpions* have also a poison-apparatus, but in a very different position. It is not placed in the mandibles, but at the posterior part of the body, in the last segment of the tail-like abdomen. Every one is familiar with that pyriform dilatation which the *scorpions* carry at the end of the tail; it is terminated by a little sharp hook generally curved backwards. Near its termination there may be observed, as in the mandibulous hook of spiders, a very minute orifice, or, according to some authors, two distinct fissures. It is from this part that a limpid fluid, having strongly-marked poisonous qualities, exudes; and, corresponding to the foramen within, there is the neck of a little bladder, which is the true secretory organ. Little is known respecting its structure; according to the observations of Treviranus it is surrounded by a horny substance and provided with a muscle which most probably has for its function the compression of the vesicle and the consequent expulsion of the poison.—*Victor Audoin*, in *Todd's Cyclopædia of Anatomy and Physiology*, in voce *Arachnida.*

2. One of the signs of the zodiac.

In the void of heaven a space is free
Between the *Scorpion* and the Maid for thee.
Dryden, Translation of the Georgics, i. 47.

3. Scourge so called from its cruelty.

My father hath chastised you with whips, but I will chastise you with *scorpions*.—1 *Kings*, xii. 11.

Scórpion-grass. *s.* In *Botany.* Name, from the inflorescence, which suggests a comparison with a scorpion's tail, of certain plants, especially of the genus Myosotis.

Scorpion-grasse hath many smooth, plaine, even leaves.... There is another *scorpion-grasse* found among (or rather resembling) pease and tares.... There is another sort in almost every shallow gravelly running streame, having leaves like a Becabunga or Brooklime.... There is also another sort growing in watrie places with leaves like unto Anagallis aquatica, or water chickweed.... There is likewise another sort growing upon most dry gravelly and barren ditch bankes, with leaves like those of a mouse-eare.... There is another, &c.... The first and second ... grew not wilde in England.... Dioscorides saith that the leaves of *scorpion-grasse* applied to the place is a present remedy against the bite of scorpions; and likewise boiled in wine and drunk, prevaileth against the said bitings, as also of adders, snakes, and such venomous beasts.—*Gerarde, Herball*, pp. 336, 337: 1633.

Scorpion-grass [is] the old name of the plant now called Forget-me-not, and that under which it is described in all our herbals, and all our floras, inclusive of the Flora Londinensis and Gray's Natural Arrangement, till the end of the first quarter of this century, when the term Forget-me-not was introduced with a pretty popular tale from Germany, and superseded it. Lyte tells us that in his day it had 'none other knowne name.' It was called *scorpion-grass* from being supposed, on the doctrine of signatures, from its spike resembling a scorpion's tail, to be good against the sting of a scorpion.—*Dr. A. Prior, Popular Names of British Plants.*

Scorse. *v. a.*

1. Exchange.

But Paridel, sore bruised with the blow,
Could not arise the counterchange to *scorse*.
Spenser, Faerie Queen, iii. 9, 16.

Their fortune will'd, that after they should *scorse*
Blows with the big-boned Dane, exchanging force for force. *Drayton, Polyolbion*, song xii.

2. Chase; drive.

Him first from court he to the citties coursed,
And from the citties to the townes him prest,
And from the townes into the countrie forsed,
And from the country backe to private farmes he *scorsed*. *Spenser, Faerie Queen*, vi. 9, 3.

Scorse. *v. n.* Deal for the purchase of a horse.

Will you *scourse* with him? you are in Smithfield; you may fit yourself with a fine easy going hackney.—*B. Jonson, Bartholomew Fair.*

Scorse. *s.* [*corse, scoss*, corruptions from a N.Fr. verb meaning exchange; whence *couracier* = broker. See Wedgwood, under Horse-courser and Broker.]

Therein sat an old old man, halfe blind,
And all decrepit in his feeble corse,
Yet lively vigour rested in his mind,
And recompenced them with a better *scorse*;
Weake body well is changed for mind's redoubled force. *Spenser, Faerie Queen*, ii. 9, 55.

Scorzonéra. *s.* [Spanish, *escorza* = serpent.] Esculent plant, called also Viper's-grass; the two words being approximate translations of one another; Scorzonera hispanica.

The most important ... as esculents ... are cardoons, ... artichokes, ... *scorzonera*, ... salsafy, ... endive, ... succory, &c.—*Lindley, Vegetable Kingdom.*

Scot. *s.* [A.S. *sceat.*] Shot; payment.

Scot and lot. Parish payments.

'Twas time to counterfeit, or that hot termagant Scot had paid me *scot and lot* too.—*Shakespear, Henry IV. Part I.* v. 4.

Protogenes, historians note,
Lived there a burgess, *scot and lot.*
Prior, Protogenes and Apelles.

The chief point that has puzzled the freeholders, as well as those that pay *scot and lot*, for about these six months, is, Whether they would rather be governed by a prince that is obliged by law to be good, or by one who, if he pleases, may plunder or imprison?—*Addison.*

Scot-free. *adj.* Without payment; untaxed; unhurt.

This companion escaped not so *scot-free* as his fellows.—*World of Wonders*, p. 178: 1608.

Though hee knew earst, how firme on ground he stood,
And thinke to fixe his seate with better hold;
He cannot scape yet *scotfree*, uncontroll'd.
Mirrour for Magistrates, p. 159.

Scotch. *s.* Slight cut; shallow incision.

We'll beat 'em into bench-holes: I have yet room for six *scotches* more.—*Shakespear, Antony and Cleopatra*, iv. 7.

Give him four *scotches* with a knife, and then put into his belly and these *scotches* sweet herbs.—*I. Walton, Complete Angler.*

Scotch. *v. a.* [?] Cut with shallow incisions; notch.

He was too hard for him directly: before Corioli, he *scotcht* and notcht him like a carbonado.—*Shakespear, Coriolanus*, iv. 5.

Scotcht-cóllops. *s.* [two words; often, but probably, with less propriety *Scotch*, as if from Scotland.] Scored, or partially cut, collops.

What signify *scotcht-collops* to a feast?
King, Art of Cookery. (Rich.)

Scóter. *s.* [?] Bird, akin to the ducks, of the genus Oidemia.

This bird [the black diver or *scoter*] is allowed in the Romish church to be eaten in Lent, and is the Macreuse of the French. It is a great diver, and said to live almost constantly at sea, and to be taken in nets placed under water.—*Pennant, British Zoology.*

The common *scoter* is generally considered a winter visitor only, and during that season is to be seen in great numbers on various parts of our coast, and in Ireland; they are, however, also to be seen in the summer on the southern coast of England.... The *scoter* is not very often found on fresh-water inland during winter.... The *scoter* feeds almost exclusively on the soft bodies of muscles, and the animals of other bivalve shells.... The flesh of the *scoter* is oily, and has a strong fishy taste.—*Yarrell, History of British Birds.*

The Surf *Scoter*, or Surf Duck, is rare both in Britain and in Europe, its true home being America, and its visits to the seas and coasts of Europe only accidental.... The Velvet *Scoter* ... is also an American species.... The Common or Black *Scoter* is smaller than the last, but somewhat resembling it in form.... The nest, formed of grass and aquatic plants, is lined with down, and the eggs, from five to seven, and perhaps even ten in number, are yellowish-white with a tinge of green.—*Laishley, History of British Birds' Eggs*, p. 238.

Scótomy. *s.* [Gr. σκότωμα.] Darkness; temporary blindness.

How does he with the swimming of his head?—
O, sir, 'tis past the *scotomy*; he now
Has lost his feeling. *B. Jonson, The Fox.*

I have got the *scotomy* in my head already,
The whimsey; you all turn round.
Massinger, Old Law.

Scótticism. *s.* Scottish idiom.

No one of the three, in fact, was of English birth and education. Gibbon's style is very impure, abounding in Galliciams; Hume's, especially in the first edition of his History, is, with all its natural elegance, almost as much infested with *Scotticisms*; and, if Robertson's be less incorrect in that respect, it is so unidiomatic as to furnish a still less adequate exemplification of genuine English eloquence.—*Craik, History of English Literature*, vol. ii. p. 340.

Scoúndrel. *s.* [?] Base fellow.

That *scoundrel* or this counterfeit.—*Warner, Albion's England*, b. vi. ch. xxxi. (Trench.)

Now to be baffled by a *scoundrel*,
An upstart sect'ry, and a mungrel.
Butler, Hudibras, ii. 2, 553.

Scoundrels as these wretched Ombites be,
Canopus they exceed in luxury.
Tate, Translation of Juvenal, xv. 56.

Go, if your ancient but ignoble blood
Has crept through *scoundrels* ever since the flood,
Go, and pretend your family is young;
Nor own your fathers have been fools so long.
Pope, Essay on Man, iv. 211.

'Ah, they're very smart fellows; very smart, indeed.'... 'They are great *scoundrels*,' said Mr. Pickwick. 'Aye, aye,' said the little man; 'that's a matter of opinion, you know, and we won't dispute about terms; because of course you can't be expected to view these subjects with a professional eye.'—*Dickens, Pickwick Papers*, ch. xxxi.

To bring a few instances in proof,—one might suppose from Richardson that the word '*scoundrel*' first came up in the eighteenth century, for the first authority which he gives for it is Swift; and in discussing its etymology he says, 'the instances of its usage are so modern, that it seems difficult to connect it with an Anglo-Saxon origin.' Johnson has here the advantage of him; for he traces it back as far as Butler; but, in fact, '*scoundrel*' is much older than this, being found not merely in Beaumont and Fletcher, but in Warner's Albion's England, which was first published in 1586.—*Archbishop Trench, On some Deficiencies in our English Dictionaries.*

Used *adjectivally.*

Stealing, we all know, is the most pitiful, *scoundrel* act of injustice.—*Hildrop, On the Commandments*, p. 19.

He was of so *scoundrel* a temper, that he avoided ever coming into my sight.—*Bishop Warburton, Letters to Hurd*, letter xciii.

Scoúndrelism. *s.* Baseness; rascality.

Thus, in any case, with what rubs soever, shall the Bastille be abolished from our earth; and with it, feudalism, despotism; and, one hopes, *scoundrelism* generally, and all hard usage of man by his brother man. Alas, the *scoundrelism* and hard usage are not so easy of abolition!—*Carlyle, The French Revolution*, pt. i. b. v. ch. ix.

A most portentous face [Cagliostro's] of *scoundrelism*: a fat, snub, abominable face.—*Id., Critical and Miscellaneous Essays, Count Cagliostro.*

Scour. *v. a.* [N.F. *escurer.*]

1. Rub hard with anything rough, in order to clean the surface.

I were better to be eaten to death with a rust, than to be *scour'd* to nothing with perpetual motion.—*Shakespear, Henry IV. Part II.* i. 2.

By dint of sword his crown he shall increase,
And *scour* his armour from the rust of peace.
Dryden, Translation of the Æneid, vi. 1113.

Part *scour* the rusty shields with seam, and part
New grind the blunted ax, and point the dart.
Ibid. vii. 867.

Some blamed Mrs. Bull for grudging a quarter of a pound of soap and sand to *scour* the rooms.—*Arbuthnot, History of John Bull.*

Poor Vadius, long with learned spleen devour'd,
Can taste no pleasure since his shield was *scour'd.*
Pope, Moral Essays, v. 41.

2. Purge violently.

What rhubarb, senna, or what purgative drug
Would *scour* these English hence?
Shakespear, Macbeth, v. 3.

3. Cleanse; bleach; whiten; blanch.

In some lakes the water is so nitrous, as if foul clothes be put into it, it *scoureth* them of itself; and, if they stay, they moulder away.—*Bacon, Natural and Experimental History.*

A garden-worm should be well *scoured* eight days in moss, before you fish with them.—*I. Walton, Complete Angler.*

4. Remove by scouring.

Never came reformation in a flood
With such a heady current, *scouring* faults;
Nor ever hydra-headed wilfulness
So soon did lose his seat, and all at once,
As in this king. *Shakespear, Henry V.* i. 1.

I will wear a garment all of blood,
And stain my favour in a bloody mask,
Which, wash'd away, shall *scour* my shame with it.
Id., Henry IV. Part I. iii. 2.

Then, in the clemency of upward air,
We'll *scour* our spots, and the dire thunder's scar.
Dryden, State of Innocence, i. 1.

5. Clear.

The kings of Lacedemon having set out some gallies, under the charge of one of their nephews, to *scour* the sea of the pirates, they met us.—*Sir P. Sidney.*

Divers are kept continually to *scour* the seas, infested greatly by pirates.—*Sandys.*

If with thy guards thou *scour'st* the streets by night,
And do'st in murders, rapes, and spoils delight,
Please not thyself the flattering crowd to hear.
Dryden, Translation of Persius, iv. 122.

6. Pass swiftly over any place or object
Sometimes
He *scours* the right hand coast, sometimes the left.
Milton, Paradise Lost, ii. 632.
Not half the number in their seats are found,
But men and steeds lie groveling on the ground;
The points of spears are stuck within the shield,
The steeds without their riders *scour* the field,
The knights unhorsed.
Dryden, Palamon and Arcite, iii. 597.
When Ajax strives some rock's vast weight to throw,
The line too labours, and the words move slow;
Not so when swift Camilla *scours* the plain,
Flies o'er th' unbending corn, and skims along the main.
Pope, Essay on Criticism, ii. 370.

Scour. *v. n.*

1. Perform the office of cleaning domestic utensils.
'I keep his house, and wash, wring, brew, bake, *scour*, dress meat, and make the beds.—*Shakespear, Merry Wives of Windsor*, i. 4.
2. Clean.
Warm water is softer than cold; for it *scoureth* better.—*Bacon.*
3. Be purged or lax; be diseased with looseness.
If you turn sheep into wheat or rye to feed, let it not be too rank, lest it make them *scour*.—*Mortimer, Husbandry.*
4. Rove; range.
Barbarossa, *scouring* along the coast of Italy, struck an exceeding terror into the minds of the citizens of Rome.—*Knolles, History of the Turks.*
5. Run with great eagerness and swiftness; scamper.
She from him fled with all her pow'r,
Who after her as hastily gan *scour*.
Spenser, Faerie Queen.
Never saw I men *scour* so on their way: I eyed them even to their ships.—*Shakespear, Winter's Tale*, i. 2.
Word was brought him, in the middle of his schemes, that his house was robbed; and so away he *scours* to learn the truth.—*Sir R. L'Estrange.*
If they be men of fraud, they'll *scour* off themselves, and leave those that trust them to pay the reckoning.—*Id.*
So four fierce coursers, starting to the race,
Scour through the plain, and lengthen every pace;
Nor reins, nor curbs, nor threat'ning cries they fear,
But force along the trembling charioteer. *Dryden.*
As soon as any foreign object presses upon the sense, those spirits, which are posted upon the outguards, immediately take the alarm, and *scour* off to the brain, which is the head quarters.—*Collier.*
Swift at her call her husband *scour'd* away,
To wreak his hunger on the destined prey.
Pope, Translation of the Odyssey, x. 131.

Scour. *s.* Kind of diarrhœa, or dysentery in cattle.
Scour, among cattle [is], a disease of the flux kind.... In sheep [it] is common in the winter season, being believed to originate from the severity of the frosts, especially when they set in suddenly, or alternate frequently with thaws. The chief dependence for a cure, in these cases, is upon an expeditious change to keep dry; as, in the practice of some good sheep-farmers, the use of hay, on the mornings when hoar-frosts are prevalent, has been found a good preventative.... The black *scour*, ... for the most part, terminates fatally.... The white *scour* ... is of the more violent flux kind, supposed to originate in consequence of their feeding upon putrescent vegetable food, especially that of the shells of such turnips as have been left upon the feeding-grounds.—*Rees, Cyclopædia.*

Scourer. *s.* One who, that which, scours.

1. One who cleans by rubbing.
[These] being but newe *scourers* of their olde heresie.—*Martin, Marriage of Priests*, sign. B. i.: 1554.
The manipulations of the *scourer* ... consist, first in washing the clothes in clear soft water, or in soap-water. The cloth must be next stretched on a sloping board, and rubbed with an appropriate reagent.... The application of a red-hot iron, a little way above a moistened spot, often volatilizes the greasy matter out of it. Stains of pitch, varnish, or oil-paint, which have become dry, must first be softened with a little fresh butter or lard, and then treated with the powder of the scouring ball. When the gloss has been taken from silk, it may be restored by applying the filtered mucilage of gum tragacanth; stretching it upon a frame to dry. Ribbons are glossed with isinglass; lemon-juice is used to brighten scarlet spots after they have been cleaned.—*Ure, Dictionary of Arts, Manufactures, and Mines.*
2. Rough and quick purge.
3. One who runs swiftly.
Who has not heard the *scourer's* midnight fame?
Who has not trembled at the mohock's name?
Gay, Trivia, iii. 325.

Scourge. *s.* [N.Fr. *escourgée* = thong, whip; Lat. *corrigia* = strap.]

1. Lash.
When he had made a *scourge* of small cords, he drove them all out of the temple.—*John*, ii. 15.
The *scourge*
Inexorable, and the torturing hour,
Calls us to penance. *Milton, Paradise Lost*, ii. 90.
2. Punishment; vindictive affliction.
Famine and plague are sent as *scourges* for amendment.—*2 Esdras*, xvi. 19.
What *scourge* for perjury
Can this dark monarchy afford false Clarence?
Shakespear, Richard III. i. 4.
See what a *scourge* is laid upon your hate,
That heaven finds means to kill your joys with love.
Id., Romeo and Juliet, v. 3.
3. One who afflicts, harasses, or destroys.
Is this the *scourge* of France?
Is this the Talbot so much fear'd abroad,
That with his name the mothers still their babes?
Shakespear, Henry VI. Part I. ii. 3.
Such conquerors are not the favourites, but *scourges* of God, the instruments of that vengeance.—*Bishop Atterbury, Sermons.*
In all these trials I have borne a part;
I was myself the *scourge* that caused the smart.
Pope.
Immortal Jove,
Let kings no more with gentle mercy sway,
Or bless a people willing to obey,
But crush the nations with an iron rod,
And every monarch be the *scourge* of God. *Id.*
4. Whip for a top.
If they had a top, the *scourge* stick and leather strap should be left to their own making.—*Locke.*

Scourge. *v. a.*

1. Lash with a whip; whip.
Is it lawful for you to *scourge* a man that is a Roman, and uncondemned?—*Acts*, xxii. 25.
The gods are just, and of our pleasant vices
Make instruments to *scourge* us.
Shakespear, King Lear, v. 3.
He *scourged* with many a stroke the indignant waves. *Milton, Paradise Lost*, x. 311.
When a professor of any religion is set up to be laughed at, this cannot help us to judge of the truth of his faith, any better than if he were *scourged*.—*Watts.*
2. Punish; chastise; chasten; castigate with any punishment or affliction.
Seeing that thou hast been *scourged* from heaven, declare unto all men the mighty power of God.—*2 Maccabees*, iii. 34.
He will *scourge* us for our iniquities, and will have mercy again.—*Tobit*, xiii. 5.

Scourger. *s.*

1. One who, that which, scourges; punisher or chastiser.
2. One of the sect called flagellants, who scourged themselves.
The sect of the *scourgers* broached several capital errours.—*Tindal, Rapin's History of England.*

Scourging. *verbal abs.* Punishment by the scourge.
Others had trial of cruel mockings and *scourgings*.—*Hebrews*, xi. 36.
Severe disciplines of the body by excessive fastings and *scourgings*.—*J. Spencer, Vanity of Vulgar Prophecies*, p. 42.

Scouring. *verbal abs.*

1. Looseness; flux.
Some apothecaries, upon stamping coloquintida, have been put into a great *scouring* by the vapour only.—*Bacon.*
Convulsion and *scouring*, they say, do often cause one another.—*Graunt, Bills of Mortality.*
2. Running here and there.
The enemy's drum is heard, and fearful *scouring*
Doth choak the air with dust.
Shakespear, Timon of Athens, v. 3.

Scout. *s.* [N.Fr. *escoute.*] One who is sent privily to observe the motions of the enemy.
Are not the speedy *scouts* return'd again,
That dogg'd the mighty army of the dauphin?
Shakespear, Henry VI. Part I. iv. 3.
As when a *scout*,
Through dark and desert ways with peril gone
All night at last, by break of cheerful dawn,
Obtains the brow of some high-climbing hill.
Milton, Paradise Lost, iii. 543.
This great vessel may have lesser cabins, wherein *scouts* may be lodged for the taking of observations.—*Bishop Wilkins.*
The *scouts* to sev'ral parts divide their way,
To learn the natives' names, their towns, explore
The coasts.
Dryden, Translation of the Æneid, vii. 198.

Scout. *v. n.* Go out in order to observe the motions of an enemy privately,
Oft on the bordering deep
Encamp their legions; or with obscure wing
Scout far and wide into the realm of night,
Scorning surprise. *Milton, Paradise Lost.* ii. 131.
As a hunted panther casts about
Her glaring eyes, and pricks her list'ning ears to *scout*,
So she, to shun his toils, her cares employ'd.
Dryden, Despairing Lover, 13.
Command a party out
With a strict charge not to engage, but *scout*.
Id., Indian Emperour, i. 1.

Scout. *v. a.* Reject with indignation: (as, 'He *scouted* the proposal').

Scowl. *v. n.* [Danish, *skule* = cast down the eyes.] Regard severely; knit the brows in displeasure or anger.
With bent louring brows, as she would threat,
She *scowl'd* and frowned with froward countenance.
Spenser, Faerie Queen.
Even so, or with much more contempt, men's eyes
Did *scowl* on Richard.
Shakespear, Richard II. v. 2.
Not a courtier,
Although they wear their faces to the bent
Of the king's look, but hath a heart that is
Glad at the thing they *scowl* at. *Id., Cymbeline*, i. 1
Fly, fly, prophane fogs! far hence fly away,
With your dull influence; it is for you
To sit and *scowl* upon night's heavy brow.
Crashaw.

Scowl. *s.* Look of sullenness or discontent; gloom.
I've seen the morning's lovely ray
Hover o'er the new-born day,
With rosy wings so richly bright,
As if he scorn'd to think of night;
When a ruddy storm, whose *scowl*
Made heaven's radiant face look foul,
Call'd for an untimely night,
To blot the newly-blossom'd light. *Crashaw.*

Scówling. *part. adj.* Sullen-looking; frowning; louring.
Miso, her authority increased, came with *scowling* eyes to deliver a slavering good-morrow to the two ladies.—*Sir P. Sidney.*
The cattle stand, and on the *scowling* heavens
Cast a deploring eye. *Thomson, Seasons, Summer.*

Scrábble. *v. n.* Scratch.
[David] feigned himself mad in their hands, and *scrabbled* on the doors of the gate.—*1 Samuel*, xxi. 13.

Scráber. *s.* [?] Native bird, of the genus Uria (grylle); black guillemot.

Scrag. *s.* [The proximate origin seems to lie in the notion of shrinking or shrivelling; Norse, *skrekka* = parch, shrink. (Wedgwood.)] Anything thin or lean: (as, 'a *scrag* of mutton,' i. e. the small end of the neck; 'the man is a *scrag*,' i. e. he is raw-boned).
Again, my friend Lady Mac Screw, who has three grenadier flunkies in lace round the table, and serves up a *scrag* of mutton on silver, and dribbles you out bad sherry and port by thimblefuls, is a dinner-giving snob of the other sort.—*Thackeray, Book of Snobs*, ch. xix.

Scrágged. *adj.* Rough; uneven; full of protuberances or asperities.
The *scragged* and thorny lectures of monkish and miserable sophistry.—*Milton, Reason of Church Government urged against Prelacy*, b. ii.
Is there then any physical deformity in the fabrick of a human body, because our imagination can strip it of its muscles and skin, and shew us the *scragged* and knotty back-bone.—*Bentley, Sermons.*

Scrággy. *adj.*

1. Lean; marcid; thin.
Such a constitution is easily known by the body being lean, warm, hairy, *scraggy*, and dry, without a disease.—*Arbuthnot.*
To hear this ... a hundred people are gathered together—a bevy of dowagers stout or *scraggy*; a faint sprinkling of misses; six moody-looking lords ... wonderful foreign counts.—*Thackeray, Book of Snobs*, ch. xviii.
2. ? For Craggy.
The walls are high, and their foundations on *scraggy* rocks.—*Randolph, State of the Morea*, p. 6: 1686.
From a *scraggy* rock, whose prominence
Half overshades the ocean, hardy men,
Fearless of rending winds and dashing waves,
Cut samphire. *J. Philips, Cyder*, i. 110.

Scrámble. *v. n.*

1. Catch anything eagerly and tumultuously with the hands; catch with haste preventive of another; contend tumultuously which shall catch anything.

Of other care they little reckoning make,
Than how to *scramble* at the shearer's feast,
And shove away the worthy bidden guest.
Milton, Lycidas, 116.

They must have *scrambled* with the wild beasts for crabs and nuts.—*Ray, Wisdom of God manifested in the Works of the Creation.*

2. Climb by the help of the hands: (as, 'He *scrambled* up that rock').

Scrámble. *s.*

1. Eager contest for something, in which one endeavours to get it before another.

As they were in the middle of their gambols, somebody threw a handful of apples among them, that set them presently together by the ears upon the *scramble*.—*Sir R. L'Estrange.*

Because the desire of money is constantly almost everywhere the same, its vent varies very little, but as its greater scarcity enhances its price, and increases the *scramble*.—*Locke.*

2. Act of climbing by the help of the hands.

Scrámbler. *s.* One who, that which, scrambles.

All the little *scramblers* after fame fall upon him.—*Addison.*

Scrámbling. *verbal abs.* Act of one who scrambles.

It is not to be supposed, that, when such a tree was shaking, there would be no *scrambling* for the fruit.—*Bishop Stillingfleet.*

Scránnel. *adj.* ? Grating; harsh (from the sound).

They, when they list, their lean and flashy songs
Grate on their *scrannel* pipes of wretched straw.
Milton, Lycidas, 123.

Scrap. *s.* [*scrape* = what is scraped off.]

1. Small particle; little piece; fragment.

It is an unaccountable vanity to spend all our time raking into the *scraps* and imperfect remains of former ages, and neglecting the clearer notices of our own.—*Glanville.*

Trencher esquires spend their time in hopping from one great man's table to another's, only to pick up *scraps* and intelligence.—*Sir R. L'Estrange.*

Languages are to be learned only by reading and talking, and not by *scraps* of authors got by heart.—*Locke.*

I can never have too many of your letters: I am angry at every *scrap* of paper lost.—*Pope.*

No rag, no *scrap*, of all the beau, or wit,
That once so flutter'd, and that once so writ.
Id., Dunciad, ii. 119.

Mr. Pecksniff was so much afraid of the old man, and so completely taken aback by the state in which he found him, that he had not even presence of mind enough to call up a *scrap* of morality from the great storehouse within his own breast.—*Dickens, Martin Chuzzlewit*, ch. xviii.

2. Crumb; small particles of meat left at the table.

The contract you pretend with that base wretch,
One bred of alms, and foster'd with cold dishes,
With *scraps* o' the court, is no contract.
Shakespear, Cymbeline, ii. 3.

The attendants puff a court up beyond her bounds, for their own *scraps* and advantage.—*Bacon.*

On bones, on *scraps* of dogs let me be fed,
My limbs uncover'd, and exposed my head
To bleakest colds. *Granville.*

What has he else to bait his traps,
Or bring his vermin in, but *scraps*?
The offals of a church distrest. *Swift.*

3. Small piece of paper: (properly *scrip*).

Pregnant with thousands flits the *scrap* unseen,
And silent sells a king, or buys a queen.
Pope, Moral Essays, iii. 47.

Scrape. *v. a.* [A.S. *screopan.*]

1. Deprive of the surface by the light action of a sharp instrument, used with the edge almost perpendicular.

These hard woods are more properly *scraped* than planed.—*Moxon, Mechanical Exercises.*

2. Take away by scraping; erase.

They shall destroy the walls of Tyrus, and break down her towers; I will also *scrape* her dust from her, and make her like the top of a rock.—*Ezekiel*, xxvi. 4.

Bread for a toast lay on the coals; and, if toasted quite through, *scrape* off the burnt side, and serve it up.—*Swift.*

3. Act upon any surface with a harsh noise.

The chiming clocks to dinner call;
A hundred footsteps *scrape* the marble hall.
Pope, Moral Essays, iv. 151.

4. Gather by great efforts, or penurious or trifling diligence.

Let the government be ruined by his avarice, if, by avarice, he can *scrape* together so much as to make his peace.—*South, Sermons.*

Unhappy those who hunt for a party, and *scrape* together out of every author all those things only which favour their own tenets.—*Watts.*

Scrape. *v. n.*

1. Make a harsh noise.

Kate ...
With edge of steel the square wood shapes,
And Dido to it chaunts or *scrapes*.
Lovelace, Lucasta, p. 119.

2. Play ill on a fiddle.

3. Make an awkward bow.

Scrape acquaintance. Curry favour, or insinuate into one's familiarity: (probably from the *scrapes* or bows of a flatterer).

He will *scrape acquaintance* with old Carabas before they make Ostend; and will remind his lordship that he has met him at Vienna twenty years ago, or gave him a glass of sherry up the Righi.—*Thackeray, Book of Snobs*, ch. xxi.

Scrape. *s.* [?]

1. Difficulty; perplexity; distress.

Here Kilderkin made some apology, brief, according to his own nature, and muttered in a lowly tone, after the fashion of all who find themselves in a *scrape*.—*Sir W. Scott, Fortunes of Nigel*, ch. xxvii.

2. Sound of the foot drawn over the floor.

3. Bow.

Scráper. *s.* One who, that which, scrapes.

1. Instrument with which anything is scraped.

Never clean your shoes on the *scraper*, but in the entry, and the *scraper* will last the longer.—*Swift.*

He then moved on, carefully scraped his shoes, clean and well-polished as they were—for Mr. Dale was rather a beau in his own clerical way—on the *scraper* without the door, and lifted the latch.—*Lord Lytton, My Novel*, b. i. ch. iii.

2. Miser; man intent on getting money; scrape-penny; Scrapescall.

Be thrifty, but not covetous; therefore give
Thy need, thine honour, and thy friend his due:
Never was *scraper* brave man. Get to live;
Then live, and use it; else it is not true
That thou hast gotten: surely use alone
Makes money not a contemptible stone.
G. Herbert.

3. Vile fiddler.

Out! ye sempiternal *scrapers*. *Cowley.*

Have wild boars or dolphins the least emotion at the most elaborate strains of your modern *scrapers*, all which have been tamed and humanized by ancient musicians?—*Arbuthnot.*

Scrápescall. *s.* Miser. *Obsolete.*

That will draw unto him everything, goode, badde, precious, vile, regarding nothing but the gaine, a *scraper*, or *scrape-scall*, trahax.—*Withal, Dictionary*, p. 80: 1608. (Nares by H. and W.)

Scrat. *v. a.* Scratch.

It is an ordinary thing for women to *scrat* the faces of such as they suspect.—*Burton, Anatomy of Melancholy*, p. 614.

Scrat. *v. n.* Rake; search.

Ambitious mind a world of wealth would have,
So *scrats*, and scrapes, for scorfe and scornie drosse.
Mirrour for Magistrates, p. 506.

Scratch (Old). *s.* In the previous editions, the explanation is 'a hermaphrodite,' and the derivation the A.S. *scrat*; with the same meaning. This is deduced from the earlier meaning of *monster* in general. Earlier still, *Scrat* was a kind of demon, with shaggy hair, compared to the Satyrs and Fauns. He is specially called *pilosus*, or the *hairy* one. Hence, our words, *Old Scratch*, and *Old Harry*, for the Devil. Both the name and the deity are Slavonic.

He did nothing but *scratch, scratch, scratch*, until I thought it was *Old Scratch* himself.—*Marryatt, Pacha of many Tales, The English Sailor.*

Scratch. *v. a.*

1. Tear or mark with slight incisions ragged and uneven.

The lab'ring swain
Scratch'd with a rake a furrow for his grain,
And cover'd with his hand the shallow seed again.
Dryden. Translation of the Georgics, iii. 796.

A sort of small sand-coloured stones, so hard as to *scratch* glass.—*Grew, Museum.*

2. Tear with the nails.

How can I tell but that his talons may
Yet *scratch* my son, or rend his tender hand?
Spenser, Faerie Queen.

I should have *scratch'd* out your unseeing eyes,
To make my master out of love with thee.
Shakespear, Two Gentlemen of Verona, iv. 4.

Scots are like witches: do but whet your pen,
Scratch till the blood come, they'll not hurt you then. *Cleaveland, The Rebel Scot.*

To wish that there were nothing but such dull tame things in the world, that will neither bite nor *scratch*, is as childish as to wish there were no fire in nature.—*Dr. H. More.*

Unhand me, or I'll *scratch* your face;
Let go, for shame. *Dryden.*

3. Wound slightly.

4. Hurt slightly with anything pointed or keen.

Daphne, roaming through a thorny wood,
Scratching her legs, that one shall swear she bleeds.
Shakespear, Taming of the Shrew, induction, sc. 2.

5. Rub with the nails.

Francis Cornfield did *scratch* his elbow, when he had sweetly invented to signify his name Saint Francis, with a friary cowl in a corn-field.—*Camden.*

Other mechanical helps Aretæus uses to procure sleep, particularly the *scratching* of the temples and the ears.—*Arbuthnot.*

Be mindful, when invention fails,
To *scratch* your head, and bite your nails.
Swift, On Poetry.

6. Write or draw awkwardly.

If any of their labourers can *scratch* out a pamphlet, they desire no wit, style, or argument.—*Swift.*

Though the chief part of the population spoke Coptic, it was still a Greek province of the Roman empire; the decrees of the prefects of Alexandria, and of the upper provinces were written in Greek; and every Roman traveller, who, like a school-boy, has *scratched* his name upon the foot of the musical statue of Amunothph, to let the world know the extent of his travels.—*Sharpe, History of Egypt*, ch. x.

Scratch. *s.*

1. Incision ragged and shallow.

The smaller the particles of those substances are, the smaller will be the *scratches*, by which they continually fret and wear away the glass until it be polished; but be they never so small, they can wear away the glass no otherwise than by grating and scratching it, and breaking the protuberances; and therefore polish it no otherwise than by bringing its roughness to a very fine grain, so that the *scratches* and frettings of the surface become too small to become visible.—*Sir I. Newton, On Opticks.*

The coarse file cuts deep, and makes deep *scratches* in the work; and before you can take out those deep *scratches* with your finer cut files, those places where the risings were when your work was forged, may become dents to your hammer dents.—*Moxon, Mechanical Exercises.*

2. Laceration with the nails.

These nails with *scratches* shall deform my breast,
Lest by my look or colour be express'd
The mark of aught high-born, or ever better dress'd.
Prior, Henry and Emma, 503.

3. Slight wound.

The valiant beast turning on her with open jaws, she gave him such a thrust through his breast, that all the lion could do was with his open paw to tear off the mantle and sleeve of Zelmane, with a little *scratch* rather than a wound.—*Sir P. Sidney.*

Heaven forbid a shallow *scratch* should drive
The prince of Wales from such a field as this.
Shakespear, Henry IV. Part I. v. 4.

4. In *Saltworks*. See extract.

Scratch, in the language of the saltworkers of our country, is the name of a calcareous, earthy, or stony substance, which separates from sea-water in boiling it for salt. This forms a thick crust in a few days on the sides and bottoms of the pans, which they are forced to be at the pains of taking off once in a week or ten days, otherwise the pans burn away and are destroyed. This is no other than the same substance which crusts over the insides of our tea-kettles, and is truly a spar, sustained more or less in all water, and separable from it by boiling.—*Rees, Cyclopædia.*

Scrátches. *s. pl.* Broken ulcers in a horse's leg: (used *contemptuously* in the extract).

Thou'lt ha' vapours i' thy leg again presently; pray thee go in, it may turn to the *scratches* else.—*B. Jonson, Bartholomew Fair.*

Scrátching. *verbal abs.* Act of one who scratches.

I had rather hear my dog bark at a crow, than a man swear he loves me.—Keep your ladyship still in that mind! so some gentleman or other shall 'scape a predestinate scratcht face.—*Scratching* could not make it worse, an 'twere such a face as yours were.—*Shakespear, Much Ado about Nothing*, i. 1.

Scrátchingly. *adv.* With the action of scratching.

Making him turn close to the ground, like a cat, when *scratchingly* she wheels about after a mouse.—*Sir P. Sidney.*

Scrátchpan. *s.* Pan in saltworks to receive the scratch.

Scratchpans are usually made about a foot and a half long, a foot broad, and three inches deep, and have a bow, or circular angle of iron, by which they may be drawn out with a hook, when the liquor in the pan is boiling.—*Rees, Cyclopædia.*

Scraw. *s.* In extract, irregular mark.

Neither should that odious custom be allowed, of cutting *scraws*, which is flaying off the green surface of the ground to cover their cabins, or make up their ditches.—*Swift.*

Scrawl. *v. a.* Draw or mark irregularly or clumsily.

Peruse my leaves through ev'ry part,
And think thou seest its owner's heart,
Scrawl'd o'er with trifles thus, and quite
As hard, as senseless, and as light. *Swift.*

Scrawl. *v. n.* Write unskilfully and inelegantly.

Think not your verses sterling,
Though with a golden pen you *scrawl*,
And scribble in a Berlin. *Swift.*

Scrawl. *s.* Unskilful and inelegant writing.

The left hand will make such a *scrawl*, that it will not be legible.—*Arbuthnot, History of John Bull.*

Mr. Wycherly, hearing from me how welcome his letters would be, writ to you, in which I inserted my *scrawl*.—*Pope.*

These documents were all in Mr. Nadgett's writing, and were apparently a series of memoranda, jotted down from time to time upon the backs of old letters, or any scrap of paper that came first to hand. Loose straggling *scrawls* they were, and of very uninviting exterior; but they had weighty purpose in them, if the chairman's face were any index to the character of their contents.—*Dickens, Martin Chuzzlewit*, ch. xxxviii.

Used *adjectivally*.

What, do you think a gentleman has nothing else to do but to remember his pockets, and to carry about lumps of cursed gold, when you and Bob take a fancy to thrust long *scrawl* papers into his hands?—*O'Keefe, Fontainebleau*, iii. 5.

Scray. *s.* [?] Sea-swallow.

Scrays, two sorts, which are a kind of gull.—*Ray, Remains*, p. 226.

Screak. *v. n.* Make a grating noise.

The little babe did loudly *scrike* and squall.
Spenser, Faerie Queen, vi. 6, 18.

Women groaning with their load,
The time of their delivery near,
Anticipating pain with fear,
Screeke in their pangs.
Sandys, Paraphrase of Isaiah, p. 26.

Screak. *s.* Screech.

She used many *scrikes* and grievous lamentations.—*Palmerin of England*, pt. i. ch. xxxiii.

Others peep forth into the light, as it were only to see it; and having, by a *skreek* or two, given testimony to the misery of this life, presently die and vanish.—*Bishop Bull, Works*, iii. 801.

Scream. *v. n.* [?]

1. Cry out shrilly, as in terror or agony.

If chance a mouse creeps in her sight,
Can finely counterfeit a fright;
So sweetly *screams*, if it comes near her,
She ravishes all hearts to hear her. *Swift.*

2. Cry shrilly.

I heard the owl *scream*, and the crickets cry.
Shakespear, Macbeth, ii. 2.

Scream. *s.* Shrill, quick, loud cry of terror or pain.

Our chimneys were blown down; and, as they say, Lamentings heard i' th' air, strange *screams* of death. *Shakespear, Macbeth*, ii. 3.

Then flash'd the livid lightning from her eyes,
And *screams* of horror rend the affrighted skies.
Pope, Rape of the Lock, canto iii.

Screámer. *s.* In *Ornithology*. Bird of the genus Palamedea.

The Kamichi (Palamedea, or Horned *Screamer*,) is a large bird, hitherto seen only under the torrid zone of the New Continent, and constitutes a very distinct and easily to be recognized genus. One species, which is rare, inhabits the inundated lands of South America. It does not enter the great woods, perching only momentarily on dead branches. It sends forth shrill and piercing cries, which may be heard at a considerable distance, whence its English name. Bajou tells us, that its aliment consists only in aquatic plants and seeds, though others before him have averred that it also fed on reptiles. It never attacks other birds, and the only use it makes of its arms is, when the males dispute for the possession of the females. Once paired, however, the two sexes quit each other no more; and when one dies the other soon pines away with grief.—*Translation of Cuvier's Règne Animal.*

Screáming. *part. adj.* Having the nature of a scream.

The fearful matrons raise a *screaming* cry,
Old feeble men with fainter groans reply;
A jarring sound results, and mingles in the sky.
Dryden, Translation of the Æneid, xi. 692.

Soon a whirlwind rose around,
And from afar he heard a *screaming* sound,
As of a dame distress'd, who cried for aid,
And fill'd with loud laments the secret shade.
Id., Theodore and Honoria, 99.

Screech. *v. n.*

1. Cry out as in terror or anguish.

Screeching is an appetite of expelling that which suddenly strikes the spirits.—*Bacon.*

2. Cry as a night owl: (thence called a *screech-owl*).

Whilst the screech-owl *screeching* loud
Puts the wretch that lies in woe
In remembrance of a shroud.
Shakespear, Midsummer-Night's Dream, v. 2.

There's not a plume her body bears,
But under it a watching eye doth peep:...
By night 'tween earth and heaven she doth sweep
Screeching, nor shuts her eyes with balmy sleep.
Sir R. Fanshawe, Translation of Virgil's Æneid, b. iv. *Poems*, p. 280.

The barn-owl *screeches*, but does not generally hoot.—*Yarrell, History of British Birds.*

Screech. *s.*

1. Cry of horror and anguish.

The senate, hearing their groans and *scritches*, stood amazed.—*Hakewill, Apology*, p. 338.

Their strength [he] slew; which fill'd their ears
With female *screeches*, and their hearts with fears.
Sandys, Paraphrase of the Psalms, cv.

2. Harsh horrid cry.

The birds obscene, that nightly flock'd to taste,
With hollow *screech* fled from the dire repast;
And ravenous dogs, allured by scented blood,
And starving wolves, ran howling to the wood.
Pope, Translation of the First Book of the Thebais of Statius.

Screéching. *verbal abs.* Act of one who screeches.

They go, poor ancient dames,—whom the heart were hard that did not pity: they go; with palpitations, with unmelodious suppressed *screechings*; all France *screeching* and cackling, in loud unsuppressed terror, behind and on both hands of them: such mutual suspicion is among men.—*Carlyle, The French Revolution*, pt. ii. b. iii. ch. iv.

Screéchowl. *s.* Owl that hoots in the night, and is supposed to betoken evil: (in English, the barn-owl. See under Screech, *v. n.*)

Deep night,
The time of night when Troy was set on fire,
The time when *screechowls* cry, and bandogs howl.
Shakespear, Henry VI. Part II. i. 4.

Let him, that will a *screechowl* ay be call'd,
Go into Troy, and say there, Hector's dead.
Id., Troilus and Cressida, v. 11.

By the *screechowl's* dismal note,
By the black night raven's throat,
I charge thee, Hob, to tear thy coat,
If ever thou come near us. *Drayton, Nymphidia.*

Jupiter, though he had jogged the balance to weigh down Turnus, sent the *screechowl* to discourage him.—*Dryden.*

Sooner shall *screechowls* bask in sunny day,
And the slow ass on trees, like squirrels play...
Than I forget my shepherd's wonted love.
Gay, Shepherd's Week, Wednesday, 69.

Screen. *s.* [N.Fr. *escran, escrain.* See extract from Wedgwood.]

1. Anything that affords shelter or concealment.

Now near enough: your leafy *screens* throw down,
And show like those you are.
Shakespear, Macbeth, v. 6.

Some ambitious men seem as *screens* to princes in matters of danger and envy.—*Bacon.*

Our people, who transport themselves, are settled in those interjacent tracts, as a *screen* against the insults of the savages.—*Swift.*

My juniors by a year,
Who wisely thought my age a *screen*,
When death approach'd, to stand between,
The *screen* removed, their hearts are trembling.
Id., On the Death of Dr. Swift.

2. Anything used to exclude cold or light.

When there is a *screen* between the candle and the eye, yet the light passeth to the paper whereon one writeth.—*Bacon.*

One speaks the glory of the British queen,
And one describes a charming Indian *screen*.
Pope, Rape of the Lock, canto iii.

Ladies make their old clothes into patchwork for *screens* and stools.—*Swift.*

3. In *Architecture*. See extract.

[A] *screen* [is] a partition enclosure, or parclose separating a portion of a room or of a church, from the rest. In the domestic hall of the middle ages, a *screen* was almost invariably fixed across the lower end, so as to part off a small space which became a lobby (with a gallery above it), within the main entrance doors; the approach to the body of the hall being by one or more doorways through the *screen*. This was of wood, with the lower part to the height of a few feet, formed of close panelling, and the upper part of open-work. In churches *screens* were used in various situations, to enclose the choir, to separate subordinate chapels, to protect tombs, &c.; that at the west end of the choir, or chancel, was often called the rood-screen, from the rood having been placed over it previous to the Reformation; they were formed either of wood or stone; and were enriched not only with mouldings and carvings, but also with most brilliant colouring and gilding.—*Dictionary of Architecture.*

4. Riddle to sift sand.

[The Bohemian *schrana* [in the sense of receptacle] corresponds to Latin *scrinium*, German *schrein*, French *escrain*, a chest, a casket, shrine; in the second with French *escran, écran*, a skreen, the one being an implement to keep something of value in, the other to keep what is noxious off.... A *screen* for gravel or corn is a grating which wards off the coarser particles and prevents them from coming through.—*Wedgwood, Dictionary of English Etymology.*]

Screen. *v. a.*

1. Shelter; conceal; hide.

Back'd with a ridge of hills,
That *screen'd* the fruits of th' earth and seats of men,
From cold Septentrion blasts.
Milton, Paradise Regained, iv. 29.

A good magistrate's retinue of state *screens* him from the dangers which he is to incur for the sake of it.—*Bishop Atterbury.*

This gentle deed shall fairly be set foremost,
To *screen* the wild escapes of lawless passion.
Rowe.

2. Sift; riddle.

Let the cases be filled with natural earth, taken the first half spit, from just under the turf of the best pasture ground, mixed with one part of very mellow soil *screened*.—*Evelyn.*

It is calculated that the best coals may be delivered, *screened*, at the mouth of the Thames, for 18*s.* per load, yielding a profit of not less than forty-eight per cent. to the shareholders.—*Lord Lytton, The Caxtons*, pt. ii. ch. ii.

Screw. *s.* [N.Fr. *escroue*; German, *schraube*; Danish, *skrue*.]

1. Mechanical power so called.

The *screw* is a kind of wedge, that is multiplied or continued by a helical revolution about a cylinder, receiving its motion not from any stroke, but from a vectis at one end of it.—*Bishop Wilkins, Mathematical Magick.*

Used *adjectivally* or as the *first element* in a *compound*.

After your apples are ground, commit them to the *screw* press, which is the best.—*Mortimer, Husbandry.*

2. Jade: (as applied to a *horse*).

When, acting on Darrell's general instructions for your outfit, I bought that horse, I flattered myself that I had chosen well. But rare are good horses—rarer still a good judge of them; I suppose I was cheated, and the brute proved a *screw*.—*Lord Lytton, What will he do with it?* b. viii. ch. vi.

A screw loose. Something wrong, or amiss.

Screw. *v. a.* (Often with *up*).

1. Turn or move by a screw.

Some, when the press by utmost vigour *screw'd*,
Has drain'd the pulpous mass, regale their swine
With the dry refuse. *J. Philips, Cyder*, ii. 100.

2. Fasten with a screw.

We fail!
But *screw* your courage to the sticking place,
And we'll not fail. *Shakespear, Macbeth*, i. 7.

To *screw* your lock on the door, make wide holes, big enough to receive the shank of the *screw*.—*Moxon, Mechanical Exercises.*

3. Deform by contortions.

Sometimes a violent laughter *screw'd* his face,
And sometimes ready tears dropp'd down apace.
Cowley.

He *screw'd* his face into a harden'd smile,
And said, Sebastian knew to govern slaves.
Dryden, Don Sebastian.

Let others *screw* their hypocritick face,
She shews her grief in a sincerer place. *Swift.*

The father and daughter were sitting at their breakfast. Tom had retired, and they were alone. Mr. Pecksniff frowned at first; but having cleared his brow, looked stealthily at his child. Her nose was very red indeed, and *screwed* up tight, with hostile preparation.—*Dickens, Martin Chuzzlewit*, ch. xxx.

4. Force; bring by violence.

He resolved to govern by subaltern ministers, who *screwed up* the pins of power too high.—*Howell, Vocall Forrest.*

No discourse can be, but they will try to turn the tide, and draw it all into their own channel; or they will *screw* in here and there some intimations of what they said or did.—*Dr. H. More, Government of the Tongue.*

The rents of land in Ireland, since they have been so enormously raised and *screwed up*, may be computed to be about two millions.—*Swift.*

5. Oppress by extortion.

Our country landlords, by unmeasurable *screwing*

and racking their tenants, have already reduced the miserable people to a worse condition than the peasant's in France.—*Swift.*

'How long is it since he bought this yacht?'—'Why I am not sure that it is already bought—that is, paid for. Levy was to meet Spendquick this very morning, to arrange the matter. Spendquick complains that Levy *screws* him.'—*Lord Lytton, My Novel*, b. xii. ch. vi.

Screwed. *adj.* Intoxicated. *Slang.*

She walked so unsteadily as to attract the compassionate regards of divers kind-hearted boys, who took the liveliest interest in her disorder; and in their simple language, bade her be of good cheer, for she was 'only a little *screwed*.'—*Dickens, Martin Chuzzlewit*, ch. xxv.

Scréwer. *s.* One who screws: (with *up*).

Musick seemeth a *screwer up* of lower passions.—*Whitlock, Observations on the present Manners of the English*, p. 484: 1654.

Screw-pine. *s.* [? two words.] In *Botany.* Tree resembling the palms with a spiral growth, more especially of the genus Pandarus.

Scribátious. *adj.* [Lat. *scriba.*] Skilful in, fond of, writing. *Contemptuous.*

Popes were then not very *scribations*, or not so pragmatical.—*Barrow, On the Pope's Supremacy.*

Scríbble. *v. a.* [Lat. *scribo.*]

1. Fill with artless or worthless writing.

How gird the sphere
With centrick and eccentrick, *scribbled* o'er
Cycle and epicycle, orb in orb.
Milton, Paradise Lost, viii. 82.

Travellers, on reaching a distant point of a journey, or on viewing any remarkable object of their curiosity, have at all times been fond of carving or *scribbling* their names on the spot, to boast of their prowess to after-comers.—*Sharpe, History of Egypt*, ch. xiii.

2. Write without use or elegance: (as, 'He *scribbled* a pamphlet').

Scríbble. *v. n.* Write without care or beauty.

If a man should affirm that an ape casually meeting with pen, ink, and paper, and falling to *scribble*, did happen to write exactly the Leviathan of Hobbes, would an atheist believe such a story? And yet he can easily digest things as incredible as that.—*Bentley.*

If Mævius *scribble* in Apollo's spite,
There are who judge still worse than he can write.
Pope, Essay on Criticism, i. 34.

Ye pimps, who, under virtue's fair pretence,
Steal to the closet of young Innocence,
And teach her, unexperienced yet and green,
To *scribble* as you *scribbled* at fifteen.
Cowper, Progress of Error.

'You may be sure of that, ma'am,' said Miss Crab; 'once the propensity gets hold of a man, his pen never keeps still—*scribble—scribble—scribble.*'—*Theodore Hook, Gilbert Gurney.*

Having once tasted praise, you will continue to sigh for it: you will perhaps never again get a publisher to bring forth a poem, but you will hanker round the purlieus of the Muses, *scribble* for periodicals—fall at last into a bookseller's drudge.—*Lord Lytton, My Novel*, b. vi. ch. xiv.

Scríbble. *s.* Worthless writing.

By solemnly endeavouring to countenance my conjectures, I might be thought dogmatical in a hasty *scribble.*—*Boyle.*

If it struck the present taste, it was soon transferred into the plays and current *scribbles* of the week, and became an addition to our language.—*Swift.*

Scríbbler. *s.* One who scribbles; petty author; writer without worth.

I never yet could see any *scribbler* so unlearned, as that he durst not charge his opposite with ignorance.—*Bishop Hall, Against Brownists.* (Ord MS.)

To affirm he had cause to apprehend the same treatment with his father, is an improbable scandal flung upon the nation by a few bigoted French *scribblers.*—*Swift.*

Nobody was concerned or surprised, if this or that *scribbler* was proved a dunce.—*Letter to the Publisher of the Dunciad.*

Nature had intended Lucian Gay for a scholar and a wit; necessity had made him a *scribbler.*—*B. Disraeli, Coningsby*, b. i. ch. v.

Scríbbling. *verbal abs.* Act, or habit, of one who scribbles.

Leave ... flattery to fulsome dedicators,
Whom, when they praise, the world believes no more
Than when they promise to give *scribbling* o'er.
Pope, Essay on Criticism, iii. 592.

Scribe. *s.* [Fr.; Lat. *scriba*; *scribo* = I write.]

1. Writer.

My master, being the *scribe* to himself, should write the letter.—*Shakespeare, Two Gentlemen of Verona*, ii. 1.

Hearts, tongues, figures, *scribes*, bards, poets, cannot
Think, speak, cast, write, sing, number, ho!
His love to Antony.
Shakespeare, Antony and Cleopatra, iii. 2.

Write down thy mind, bewray thy meaning so;
And, if thy stumps will let thee, play the *scribe.*
Id., Titus Andronicus, ii. 5.

We are not to wonder, if he thinks not fit to make any perfect and unerring *scribes.*—*Grew, Cosmologia Sacra.*

The following letter comes from some notable young female *scribe.*—*Spectator.*

2. In *Jewish History.* Member of an official, learned class, engaged upon the study and exposition of the law.

I again revolved
The law and prophets, searching what was writ
Concerning the Messiah, to our *scribes*
Known partly. *Milton, Paradise Regained*, i. 259.

It appears from the frequent mention that is made in the Gospel of the *Scribes* and Pharisees in conjunction, that the greatest number of Jewish teachers or doctors of the law, for these are expressions equivalent to *scribe*, were at that time of the pharisaical sect.—*Bishop Percy.*

Scrímer. *s.* [Fr. *escrimeur.*] Gladiator; fencing-master. *Obsolete Gallicism.*

The *scrimers* of their nation,
He swore, had neither motion, guard, nor eye,
If you opposed them. *Shakespear, Hamlet*, iv. 7.

Scrimp. *adj.* Scanty.

Scrímpness. *s.* Scantiness.

Scrine. *s.* [Lat. *scrinium.*] Place in which writings or curiosities are reposited.

Help then, O holy virgin, chief of nine,
Thy weaker novice to perform thy will;
Lay forth, out of thine everlasting *scrine*,
The antique rolls which there lie hidden still.
Spenser, Faerie Queen.

Scrip. *s.* [? Lat. *scirpula*, from *scirpus* = bullrush.] Small bag; satchel.

Come, shepherd, let us make an honourable retreat; though not with bag and baggage, yet with *scrip* and *scrippage.*—*Shakespear, As you like it*, iii. 2.

He'd in requital ope his leathern *scrip*,
And shew me simples of a thousand names,
Telling their strange and vigorous faculties.
Milton, Comus, 626.

Scrip. *s.* [*script.*]

1. Schedule; small writing.

Call them man by man, according to the *scrip.*—*Shakespear, Midsummer-Night's Dream*, i. 2.

Bills of exchange cannot pay our debts abroad, till *scrips* of paper can be made current coin.—*Locke.*

2. In *Commerce.* Temporary shares (chiefly, at present, but not exclusively, in *railways*) partly paid up.

Scrippage. *s.* That which is contained in a scrip.

(For example see under Scrip.)

Script. *s.* [Lat. *scriptum* = thing written.] Small writing.

Do you see this sonnet,
This loving *script?*
Beaumont and Fletcher, Wife for a Month.

Scríptory. *adj.*

1. Written; not orally delivered.

Wills are nuncupatory and *scriptory.*—*Swift, Tale of a Tub*, § 2.

2. Used for writing.

With such differences of reeds, vallatory, sagittary, *scriptory*, and others, they might be furnished in Judea.—*Sir T. Browne, Miscellanies*, p. 82.

Scríptural. *adj.* Contained in the Bible; biblical.

Creatures, the *scriptural* use of that word determines sometimes to men.—*Bishop Atterbury.*

Scrípture, *s.* [Lat. *scriptura.*]

1. Writing.

It is not only remembered in many *scriptures*, but famous for the death and overthrow of Crassus.—*Sir W. Raleigh.*

2. Sacred writing; Bible.

With us there is never any time bestowed in divine service, without the reading of a great part of the holy *scripture*, which we account a thing most necessary.—*Hooker, Ecclesiastical Polity.*

The devil can cite *scripture* for his purpose:
An evil soul producing holy witness,
Is like a villain with a smiling cheek.
Shakespear, Merchant of Venice, i. 3.

There is not any action which a man ought to do, or to forbear, but the *scripture* will give him a clear precept or prohibition for it.—*South, Sermons.*

Used *adjectivally.*

Forbear any discourse of other spirits, till his reading the *scripture* history put him upon that enquiry.—*Locke.*

Scripture proof was never the talent of these men, and 'tis no wonder they are foiled.—*Bishop Atterbury.*

Why are *scripture* maxims put upon us, without taking notice of *scripture* examples, that lie cross 'em?—*Id.*

Scripturist. *s.* One who thoroughly understands the sacred writings.

Wicliffe was not only a good divine and *scripturist*, but well skilled in the civil, canon, and English law.—*Archbishop Newcome, On the English Translation of the Bible*, p. 6.

Scrívener. *s.* [N.Fr. *escrivain.*]

1. One who draws contracts.

We'll pass the business privately and well:
Send for your daughter by your servants here,
My boy shall fetch the *scrivener.*
Shakespear, Taming of the Shrew, iv. 4.

The Whigs soon had an opportunity of retaliating. They triumphantly related that a *scrivener* in the Borough, a stanch friend of hereditary right, while exulting in the judgment which had overtaken the queen, had himself fallen down dead in a fit.—*Macaulay, History of England*, ch. xx.

2. One whose business is to place money at interest.

How happy in his low degree,
Who leads a quiet country life,
And from the griping *scrivener* free!
Dryden, Translation from Horace, epode ii.

I am reduced to beg and borrow from *scriveners* and usurers, that suck the heart and blood.—*Arbuthnot, History of John Bull.*

Scriveners are mentioned in the statute against usury and excessive interest of money. Money *scriveners* were understood to be those who received money to place out at interest, and who supplied those who wanted to raise money on security; thus rendering themselves useful to, and receiving a profit from, both parties. If a *scrivener* is entrusted with a bond, he may receive the interest; and if he fails, the obligee shall bear the loss; and so it is if he receive the principal, and deliver up the bond; for being entrusted with the security itself, it shall be presumed he is trusted with power to receive the principal and interest; and the giving up the bond on payment of the money is a discharge thereof.—*Tomline, Law Dictionary.*

Scrófula. *s.* [? see last extract.] In *Medicine.* Tubercular disease. See Tubercle.

If matter in the milk dispose to coagulation, it produces a *scrofula.*—*Wiseman, Surgery.*

Scrofula [is] constitutional asthenia; a weak or atonic development of the frame, with a flabby state of the soft solids and predominance of cellular and lymphatic conformation; and a disposition to, or the presence of, swellings of the lymphatic glands, of disorder of the mucous surfaces, and of deposits, in various organs or parts, of small masses, varying in size, consisting of a firm, friable, inelastic substance resembling cheese, and denominated tubercles. From the synonymes enumerated above, it may be inferred that the term scrofulous diathesis, or cachexy, or vice; strumous taint, or constitution: tuberculous cachexy, or evil; tuberculosis; scrofulosis may be considered as nearly synonymous.—*Copland, Dictionary of Practical Medicine.*

Scrofula ... was termed by the Greeks *αἱ χοιράδες*, swollen or indurated glands of the neck, to which it was said that the pig (*χοῖρος*) is especially subject. Hence the Latin term *scrofula* has been traced to scrofa, a sow; but the origin is in either case very dubious, the Greek word being akin, perhaps, to *χέρρος*, hard, and the Latin to scrupus and rupes, a stone or pebble. It is now regarded as the result of a general disorder to which the name tuberculosis is given. The blood is diseased, and according to the age of the patient different organs are liable to become attacked by tubercular deposit. In early infancy this deposit gives rise to water on the brain. In early manhood pulmonary consumption is the result, while in the intermediate period of life we find mesenteric disease appearing. The popular use of the word *scrofula* consists more especially in its application to tuberculosis in children.—*Brande and Cox, Dictionary of Science, Literature and Art.*

Scrófulous. *adj.* Diseased with, having the character of, scrofula.

Scrofulous persons can never be duly nourished; for such as have tumours in the parotides often have them in the pancreas and mesentery.—*Arbuthnot, On the Nature and Choice of Aliments.*

English consumptions generally proceed from a *scrofulous* disposition.—*Ibid.*

What would become of the race of men in the next age, if we had nothing to trust to beside the *scrofulous* consumptive production furnished by our men of wit and pleasure?—*Swift.*

Scroll. *s.* [N.Fr. *escrouelle, escrou* = roll.] Writing wrapped up or folded as a roll.

His chamber all was hanged about with rolls,
And old records from ancient times derived;

Some made in books, some in long parchment *scrolls*,
That were all worm-eaten, and full of canker holes.
Spenser, Faerie Queen.

We'll add a royal number to the dead,
Gracing the *scroll*, that tells of this war's loss,
With slaughter coupled to the name of kings.
Shakespear, King John, ii. 2.

Here is the *scroll* of every man's name, which is thought fit through all Athens to play in our interlude.—*Id., Midsummer-Night's Dream*, i. 2.

A Numidian priest, bellowing out certain superstitious charms, cast divers *scrolls* of paper on each side the way, wherein he cursed and banned the Christians.—*Knolles, History of the Turks.*

Such follow him, as shall be register'd;
Part good; part bad: of bad the longer *scroll*.
Milton, Paradise Lost, xii. 335.

With this epistolary *scroll*,
Receive the partner of my inmost soul.
Prior, Horace Imitated, Letter to Mr. Harley.

Yet, if he wills, may change or spoil the whole;
May take yon beauteous, mystick, starry roll,
And burn it, like an useless parchment *scroll*.
Id., Solomon, i. 663.

He saw thro' life and death, thro' good and ill,
He saw thro' his own soul.
The marvel of the everlasting will,
An open *scroll*,
Before him lay. *Tennyson, The Poet.*

Scrow. *s.* Scroll. *Obsolete.*

Scrow, or schedule, of paper.—*Huloet.*

This is, perhaps, the word at present in use, colloquially, in such combinations as a *screw* of tobacco, &c., where the article is either wrapped in a small roll, or is of the same quantity as that of such packets.

Scroyle. *s.* [N.Fr. *escrouelles* = scrofulous swelling.] Mean fellow; rascal; wretch.

The *scroyles* of Angiers flout you, kings,
And stand securely on their battlements,
As in a theatre. *Shakespear, King John*, ii. 2.

Hang 'em, *scroyles!* there's nothing in them i' the world.
B. Jonson, Every Man in his Humour.

Scrub. *v. a.* [Provincial German, *schrobben.*] Rub hard with something coarse and rough.

Such wrinkles as a skilful hand would draw
For an old grandam ape, when, with a grace,
She sits at squat, and *scrubs* her leathern face.
Dryden, Translation of Juvenal, x. 310.

Now Moll had whirl'd her mop with dext'rous airs,
Prepared to *scrub* the entry and the stairs.
Swift, Description of the Morning.

The children up stairs . . . are yelling as their maid . . . is tearing Miss Emmy's hair out by the roots; or *scrubbing* Miss Polly's dumpy nose with mottled soap, till the little wretch screams herself into fits.—*Thackeray, Book of Snobs*, ch. xx.

Scrub. *s.* [? Scarab.]

1. Mean fellow.

They are esteemed *scrubs* and fools by reason of their carriage.—*Burton, Anatomy of Melancholy*, p. 127.

Then, said Mr. No-good, Away with such a fellow from the earth. Ay, said Mr. Malice, for I hate the very looks of him. Then said Mr. Love-lust, I could never endure him. Nor I, said Mr. Live-loose, for he would always be condemning my way. Hang him, hang him, said Mr. Heady. A sorry *scrub*, said Mr. High-mind. My heart riseth against him, said Mr. Enmity. He is a rogue, said Mr. Liar. Hanging is too good for him, said Mr. Cruelty. Let us dispatch him out of the way, said Mr. Hate-light.—*Bunyan, Pilgrim's Progress.*

2. Anything mean or despicable: (used *adjectivally* in the extract).

With a dozen large vessels my vault shall be stored.
No little *scrub* joint shall come on my board.
Swift.

Scrúbbed. *adj.* Scrubby.

I gave it to a youth,
A kind of boy, a little *scrubbed* boy,
No higher than thyself.
Shakespear, Merchant of Venice, v. 1.

Scrúbbing-brush. *s.* Brush for scrubbing, the bristles being short, coarse, and in large tufts.

She never would lay aside the use of brooms and *scrubbing brushes.—Arbuthnot.*

Scrúbby. *adj.* Mean; vile; worthless; dirty; sorry.

The *scrubbiest* cur in all the pack
Can set the mastiff on your back. *Swift.*
The scene a wood, produced no more
Than a few *scrubby* trees before. *Id.*

As the *first element* in a *compound.*

A *scrubby-looking*, yellow-faced foreigner, with cleaned gloves, is warbling inaudibly in a corner, to the accompaniment of another.—*Thackeray, Book of Snobs*, ch. xviii.

Scrúbbyish. *adj.* Somewhat scrubby.

Why so. I happen to be sheriff of the county; and, as all writs are returnable to me, a *scrubbyish* fellow ask'd me to sign one against you.—*G. Colman the younger, The Poor Gentleman.*

Scrúple. *s.* [Fr. *scrupule*; Lat. *scrupulus.*]

1. Doubt; difficulty of determination; perplexity: (generally about minute things).

Macduff, this noble passion,
Child of integrity, hath from my soul
Wiped the black *scruples*, reconciled my thoughts
To your good truth. *Shakespear, Macbeth*, iv. 3.

Nothing did more fill foreign nations with admiration of his succession, than the consent of all estates of England for the receiving of the king without the least *scruple*, pause, or question.—*Bacon.*

For the matter of your confession, let it be severe and serious; but yet so as it may be without any inordinate anxiety, and unnecessary *scruples*, which only entangle the soul.—*Jeremy Taylor.*

Men make no *scruple* to conclude, that those propositions, of whose knowledge they can find in themselves no original, were certainly the impress of God and nature upon their minds, and not taught them by any one else.—*Locke.*

2. Twenty grains; third part of a dram.

Milk one ounce, oil of vitriol a *scruple*, doth coagulate the milk at the bottom, where the vitriol goeth.—*Bacon.*

3. Proverbially, any small quantity.

Nature never lends
The smallest *scruple* of her excellence,
But, like a thrifty goddess, she determines
Herself the glory of a creditor.
Shakespear, Measure for Measure, i. 1.

Scrúple. *v. n.* Doubt; hesitate; demur.

He *scrupled* not to eat
Against his better knowledge; not deceived,
But fondly overcome with female charms.
Milton, Paradise Lost, ix. 997.

Still, there doubtless are persons who would *scruple* to swear to a falsehood which they would not *scruple* deliberately to affirm.—*Archbishop Whately, Elements of Rhetoric*, pt. i. ch. ii. § 4.

Scrúple. *v. a.* Cause to scruple or doubt.

Vulgar hearts wanted satisfaction in nothing concerning the king's integrity, but only in the matter of those letters, which did still *scruple* many of them.—*Symmonds, Vindication of King Charles I.*: 1648.

Scrúpler. *s.* One who scruples. *Rare.*

Away with those nice *scruplers*, who for some further ends have endeavoured to keep us in an undue sense.—*Bishop Hall, Remains*, p. 295.

The scruples which many publick ministers would make of the worthiness of parents to have their children baptised, forced such questioned parents, who did not believe the necessity of having their children baptised by such *scruplers*, to carry their children unto other ministers.—*Graunt, Observations on the Bills of Mortality.*

Scrúpulize. *v. a.* Perplex with scruples. *Rare.*

Other articles may be so *scrupulized*.—*Bishop Mountagu, Appeal to Cæsar*, p. 244: 1625.

Scrupulósity. *s.*

1. Doubt; minute and nice doubtfulness.

The one sort they warned to take heed, that *scrupulosity* did not make them *rigorous* in giving unadvised sentence against their brethren which were free; the other, that they did not become scandalous, by abusing their liberty and freedom to the offence of their weak brethren, which were scrupulous.—*Hooker, Ecclesiastical Polity.*

So careful, even to *scrupulosity*, were they to keep their sabbath, that they must not only have a time to prepare them for that, but a further time also to prepare them for their very preparations.—*South, Sermons.*

2. Fear of acting in any manner; tenderness of conscience.

The first sacrilege is looked on with horror; but when they have made the breach, their *scrupulosity* soon retires.—*Dr. H. More, Decay of Christian Piety.*

Scrúpulous. *adj.*

1. Nicely doubtful; hard to satisfy in determinations of conscience.

They warned them that they did not become scandalous, by abusing their liberty, to the offence of their weak brethren which were *scrupulous.—Hooker, Ecclesiastical Polity.*

When the divine revelations were committed to writing, the Jews were such *scrupulous* reverers of them, that it was the business of the Masorites, to number not only the sections and lines, but even the words and letters of the Old Testament.—*Dr. H. More, Government of the Tongue.*

Some birds, inhabitants of the waters, whose blood is cold as fishes, and their flesh is so like in taste, that the *scrupulous* are allowed them on fish-days.—*Locke.*

In a stage of civilisation so little advanced as that of the Anglo-Saxons, and under circumstances of such incessant peril, the fortunes of a nation chiefly depend upon the wisdom and valour of its sovereigns. No free people, therefore, would intrust their safety to blind chance, and permit an uniform observance of hereditary succession to prevail against strong public expediency. Accordingly the Saxons, like most other European nations, while they limited the inheritance of the crown exclusively to one royal family, were not very *scrupulous* about its devolution upon the nearest heir.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. viii.

Erasmus acutely observed—alluding to what then much occupied his mind—that one might be apt to swear that they had been taught, in the confessional cell, all they had learnt; so *scrupulous* are they of disclosing what they know.—*I. Disraeli, Curiosities of Literature, Conception and Expression.*

It is scarcely an exaggeration to say that the most unprincipled public men who have taken part in affairs within our memory would, if tried by the standard which was in fashion during the latter part of the seventeenth century, deserve to be regarded as *scrupulous* and disinterested.—*Macaulay, History of England*, ch. ii.

2. Given to objections; captious.

Equality of two domestick powers
Breeds *scrupulous* faction.
Shakespear, Antony and Cleopatra, i. 3.

3. Nice; doubtful.

As the cause of a war ought to be just, the justice of that cause ought to be evident; not obscure, not *scrupulous.—Bacon.*

4. Careful; vigilant; cautious.

I have been the more *scrupulous* and wary, in regard the inferences from these observations are of importance.—*Woodward.*

Scrúpulously. *adv.* In a scrupulous manner; carefully; nicely; anxiously.

The duty consists not *scrupulously* in minutes and half hours.—*Jeremy Taylor.*

Henry V. manifestly derived his courage from his piety, and was *scrupulously* careful not to ascribe the success of it to himself.—*Addison, Freeholder.*

Scrúpulousness. *s.* Attribute suggested by Scrupulous; state of being scrupulous.

Others by their weakness, and fear, and *scrupulousness*, cannot fully satisfy their own thoughts.—*Puller, Moderation of the Church of England*, p. 16.

If the like *scrupulousness* was observed in registring the smallest changes in profane authors.—*Bentley, Phileleutherus Lipsiensis*, § 32.

Scrútable. *adj.* Capable of being submitted to scrutiny; discoverable by inquiry: (the negative compound Inscrutable *commoner*).

Shall we think God so *scrutable*, or ourselves so penetrating, that none of his secrets can escape us?—*Dr. H. More, Decay of Christian Piety.*

Scrutátor. *s.* [Lat.] Enquirer; searcher; examiner; special officer so called in the Universities.

The *scrutators* were two of the seculars.—*Hales, Letter from the Synod of Dort*, p. 2: 1618.

In process of time, from being a simple *scrutator*, an archdeacon became to have jurisdiction more amply.—*Ayliffe, Parergon Juris Canonici.*

Scrutineér. *s.* One who conducts a scrutiny: (especially in *elections*, one who examines the validity of the votes given).

Scrútinize. *v. a.* Examine by scrutiny.

The compromissarii should chuse according to the votes of such, whose votes they were obliged to *scrutinize.—Ayliffe, Parergon Juris Canonici.*

Scrútinizing. *part. adj.* Closely searching.

Morley paced the chamber disturbed; Hatton remained silent and watched him with a *scrutinizing* eye.—*B. Disraeli, Sybil.*

Scrútinous. *adj.* Captious; full of inquiries. *Rare.*

Age is froward, uneasy, *scrutinous*,
Hard to be pleased, and parsimonious.
Sir J. Denham, Of Old Age, pt. iii.

Scrútiny. *s.* [N.Fr. *scrutine*; Lat. *scrutinium.*] Enquiry; search; examination with nicety.

In the *scrutinies* for righteousness and judgement, when it is inquired whether such a person be a good man or no, the meaning is not what does he believe or hope, but what he loves.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

I thought thee worth my nearer view
And narrower *scrutiny*, that I might learn
In what degree or meaning thou art call'd
The Son of God. *Milton, Paradise Regained*, iv. 514.

They that have designed exactness and deep *scrutiny*, have taken some one part of nature.—*Sir M. Hale.*

Their difference to measure, and to reach,
Reason well rectified must nature teach;
And these high *scrutinies* are subjects fit
For man's all-searching and enquiring wit.
Sir J. Denham, Of Prudence.

We are admonished of want of charity to others, and want of a Christian *scrutiny* and examination into ourselves.—*Sir R. L'Estrange.*

When any argument of great importance is managed with that warmth which a serious conviction of it generally inspires, somewhat may easily escape, even from a wary pen, which will not bear the test of a severe *scrutiny*.—*Bishop Atterbury.*

These, coming not within the *scrutiny* of human senses, cannot be examined by them, or attested by anybody.—*Locke.*

Scrutoire. *s.* [Fr. *escritoire.*] Case of drawers for writing.

I locked up these papers in my *scrutoire*, and my *scrutoire* came to be unlocked.—*Prior.*

Scruze. *v. a.* Squeeze; compress. *Rare.*

Tho' up he caught him 'twixt his puissant hands,
And having *scruzed* out of his carrion corse
The loathful life, now loosed from sinful bands,
Upon his shoulders carried him.
Spenser, Faerie Queen.

Scud. *v. n.* [?]

1. Flee; run away with precipitation.

The vote was no sooner passed, but away they *scudded* to the next lake.—*Sir R. L'Estrange.*

The frighted satyrs, that in woods delight,
Now into plains with prick'd-up ears take flight;
And *scudding* thence, while they their horn-feet ply,
About their sires the little sylvans cry. *Dryden.*

Away the frighted spectre *scuds*,
And leaves my lady in the suds. *Swift.*

The wind was high; the vast white clouds *scudded* over the blue heaven; the leaves yet green, and tender branches snapped like glass, were whirled in eddies from the trees; the grassy sward undulated like the ocean with a thousand tints and shadows.—*B. Disraeli, Coningsby*, b. iv. ch. xvi.

2. Be carried precipitately before a tempest: (applied to a *ship*).

Scud. *v. a.* Pass over quickly.

A shepherd, from the lofty brow
Of some proud cliff, surveys his lessening flock
In snowy groups diffusive *scud* the vale.
Shenstone, Ruined Abbey.

Scud. *s.* Cloud swiftly driven by the wind.

The combat thickens, like the storm that flies
From westward, when the showery *scuds* arise.
Dryden.

Scúddle. *v. n.* Run with a kind of affected haste or precipitation.

Scuff. *s.* See extract.

[The *scuff, scruff* of the neck, [is] the loose skin hanging about the neck of a dog, like the collar of a coat or cuff of a sleeve. Dutch, *schoef*, collar of a coat, replicatio, reflexio togæ. (Kilian.) — *Wedgwood, Dictionary of English Etymology.*]

Scúffle. *s.* Confused quarrel; tumultuous broil.

His captain's heart,
In the *scuffles* of great fights hath burst
The buckles on his breast.
Shakespear, Antony and Cleopatra, i. 1.

Avowed atheists, placing themselves in the seat of the scorner, take much pleasing divertisement, by deriding our eager *scuffles* about that which they think nothing.—*Dr. H. More, Decay of Christian Piety.*

The dog leaps upon the serpent, and tears it to pieces; but in the *scuffle* the cradle happened to be overturned.—*Sir R. L'Estrange.*

Michael Lambourne . . . hoped he retained no unfriendly recollection of the part he had taken in the morning's *scuffle*.—*Sir W. Scott, Kenilworth*, ch. viii.

Or like a black eye in some recent *scuffle*;
For sometimes we must box without the muffle.
Byron, Don Juan, ii. 92.

Scúffle. *v. n.* [Swedish, *skuffa.*] Fight confusedly and tumultuously.

I must confess I've seen, in former days,
The best knights in the world, and *scuffled* in some frays. *Drayton.*

A gallant man had rather fight to great disadvantage in the field in an orderly way, than *scuffle* with an undisciplined rabble.—*Eikon Basilike.*

Sculk. *v. n.* [Swedish, *skiolka* = lurk, from *skiul* = hiding-place.] Lurk in hiding-places; lie close.

Are not you he that rather than you **durst** go an industrious voyage, being pressed to the islands, *skulked* till the fleet was gone?—*Beaumont and Fletcher, Love's Cure.*

It has struck on a sudden into such a reputation, that it scorns any longer to *sculk*, but owns itself publickly.—*Dr. H. More, Government of the Tongue.*

Fearing to be seen, within a bed
Of coleworts he concealed his wily head;
There *sculk'd* till afternoon, and watch'd his time.
Dryden, The Cock and the Fox, 495.

My prophets and my sophists finished here
Their civil efforts of the verbal war:
Not so my rabbins and logicians yield;
Retiring still they combat; from the field
Of open arms unwilling they depart,
And *sculk* behind the subterfuge of art.
Prior, Solomon, i. 705.

No news of Phyl! the bridegroom came,
And thought his bride had *sculk'd* for shame;
Because her father used to say
The girl had such a bashful way. *Swift.*

Scúlker. *s.* One who sculks; lurker; one who hides himself for shame or mischief.

Scull (of the head). See Skull.

Scull. *s.* [A.S. *sceole.*] Shoal.

They fly, or die, like scaled *sculls*
Before the belching whale.
Shakespear, Troilus and Cressida, v. 5.

Each bay
With fry innumerable swarm, and shoals
Of fish, that with their fins and shining scales
Glide under the green wave, in *sculls* that oft
Bank the mid sea. *Milton, Paradise Lost*, vii. 399.

Scull. *s.* Oar for both hands (in the extract *adverbial*).

Like caitiff vile, that for misdeed
Rides with his face to rump of steed;
Or rowing *scull*, he's fain to love,
Look one way and another move.
Butler, Hudibras, i. 3, 349.

Scúller. *s.*

1. Boat in which there is but one rower.

Her soul already was consign'd to fate,
And shiv'ring in the leaky *sculler* sate. *Dryden.*

They hire their *sculler*, and, when once aboard,
Grow sick, and damn the climate like a lord.
Pope, Imitations of Horace, b. i. ep. i.

2. Rower of such a boat.

If they called a boat, says a waterman, I am first *sculler*; if they stept to the Rose to take a bottle, the drawer would cry, Friend, we sell no ale.—*Swift, Tale of a Tub*, sect. ii.

Scúllery. *s.* Place where common utensils, as kettles or dishes, are cleaned and kept.

Pyrœicus was famous for counterfeiting base things, as pitchers, a *scullery*, and setting rogues together by the ears.—*Peacham.*

Scúllion. *s.* [N.Fr. *sculier*, *escouelle* = dish.] Lowest domestic servant, who washes the kettles and the dishes in the kitchen.

I must, like a whore, unpack my heart with words,
And fall a-cursing like a very drab,
A *scullion*, fye upon't! foh! about my brain.
Shakespear, Hamlet, ii. 2.

If the gentleman hath lain there, get the cook, the stablemen, and the *scullion*, to stand in his way.—*Swift.*

He was low-minded in all his pleasures and tastes, and got the nickname of Cybrosactes, the *scullion*.—*Sharpe, History of Egypt*, ch. ix.

Scúllionly. *adj.* Having the character of a scullion, especially as low, base, worthless.

This fellow brought forth his *scullionly* paraphrase on St. Paul.—*Milton, Colasterion.*

Sculp. *v. a.* [Fr. *sculper*; Lat. *sculpo.*] Carve, as in sculpture. *Rare.*

O that the tenor of my just complaint
Were *sculpt* with steel on rocks of adamant!
Sandys, Paraphrase of Job.

Scúlptile. *adj.* [Lat. *sculptilis.*] Made by carving.

In a silver medal is upon one side Moses horned, and on the reverse the commandment against *sculptile* images.—*Sir T. Browne.*

All carved images they abhor, and anathematize the adorers of *sculptile* representations.—*Sir P. Rycaut, Present State of the Greek and Armenian Churches*, p. 322.

Scúlptor. *s.* [Lat.; Fr. *sculpteur.*] Carver; one who cuts wood or stone into images.

Thy shape's in every part
So clean, as might instruct the *sculptor's* art.
Dryden.

The Latin poets give the epithets of 'trifidum' and 'trisulcum' to the thunderbolt, from the *sculptors* and painters that lived before them, that had given it three forks.—*Addison.*

Scúlpture. *s.* [Fr.; Lat. *sculptura.*]

1. Art of carving wood, or chiselling stone into images.

Then *sculpture* and her sister arts revive,
Stones leap'd to form, and rocks began to live.
Pope, Essay on Criticism, iii. 701.

2. Carved work.

Nor did there want
Cornice or freeze with bossy *sculptures* graven.
Milton, Paradise Lost, i. 715.

There too, in living *sculpture*, might be seen
The mad affection of the Cretan queen.
Dryden, Translation of the Æneid, vi. 33.

3. Art of engraving on copper.

Scúlpture. *v. a.* Cut; engrave.

Gold, silver, ivory vases *sculptured* high,
There are who have not. *Pope*

Scum. *s.* [N.Fr. *escume.*]

1. That which rises to the top of any liquor.

The rest had several offices assign'd;
Some to remove the *scum* as it did rise;
Others to bear the same away did mind;
And others it to use according to his kind.
Spenser, Faerie Queen.

The salt part of the water doth partly rise into a *scum* on the top, and partly goeth into a sediment in the bottom.—*Bacon.*

Gather'd like *scum*, and settled to itself,
Self-fed, and self-consumed. *Milton, Comus*, 595.

They mix a medicine to foment their limbs,
With *scum* that on the molten silver swims.
Dryden, Translation of the Georgics, iii. 685.

Away, ye *scum*,
That still rise upmost when the nation boils.
Id., Don Sebastian, iv. 3.

Comes Plague, a winged wolf, who loathes alway
The garbage and the *scum* that strangers make her prey. *Shelley, Revolt of Islam*, x. 24.

The minister must apportion the plunder to the illiterate clan, the *scum* that floats on the surface of a party.—*B. Disraeli, Sybil*, b. ii. ch. vi.

2. Dross; refuse; recrement; that part which is to be thrown away.

There flocked unto him all the *scum* of the Irish out of all places, that ere long he had a mighty army.—*Spenser, View of the State of Ireland.*

Some forty gentlemen excepted, had we the very *scum* of the work, such as their friends thought it an exceeding good gain to be discharged of.—*Sir W. Raleigh, Essays.*

I told thee what would come
Of all thy vapouring, base *scum*.
Butler, Hudibras, i. 3, 855

The Scythian and Egyptian *scum*
Had almost ruin'd Rome. *Lord Roscommon.*

You'll find, in these hereditary tales,
Your ancestors the *scum* of broken jails.
Stepney, Translation of Juvenal, viii. 496.

The great and innocent are insulted by the *scum* and refuse of the people.—*Addison, Freeholder.*

Scum. *v. a.* Clear off scum; skim.

A second multitude
Severing each kind, and *scumm'd* the bullion dross.
Milton, Paradise Lost, i. 703.

Hear, ye sullen powers below;
Hear, ye taskers of the dead:
You that boiling cauldrons blow,
You that *scum* the molten lead!
Dryden and Lee, Œdipus, iii. 1.

What corns swim upon the top of the brine, *scum* off.—*Mortimer, Husbandry.*

Scúmmer. *s.* [Fr. *écumoire.*] Vessel with which liquor is scummed: (commonly called a *skimmer*).

The salt, after its crystallizing, falls down to the bottom, and they take it out by wooden *scummers*, and put it in frails.—*Ray, Remains*, p. 120.

Scúmmy. *adj.* Abounding in scum.

As for the married clergy, that they were even accounted the scumme and refuse of their order, it is but the scurrilous *scummy* blurre of an intemperate pen.—*Bishop Hall, Honour of the married Clergy.* (Ord MS.)

Scúpper. *s.* [Spanish, *escupir.*] Hole in a ship's deck or side for carrying off water.

Her *scuppers* may be left unset, whereby the water runs down her timbers years together.—*Maydman, Naval Speculations*, p. 73: 1691.

Scuppers [are] certain channels cut through the waterways and sides of a ship, at proper distances, and lined with sheet-lead, in order to carry the water off the deck into the sea.—*Falconer, Marine Dictionary.* (Burney.)

Used *adjectivally.*

The leather over these holes are called *scupper-leathers*, and the nails with which they are fastened, *scupper-nails*.—*Bailey.*

Scupper-hose is a leather pipe or tube nailed round the outside of the *scuppers* of the lower decks, and which, by hanging down, prevents the water from entering when the ship inclines under a press of sail. . . . *Scupper-nails* are about an inch in length, have broad heads, and are used for fastening leather and canvas to the *scuppers*. . . . *Scupper-plugs* are used to stop the *scuppers* occasionally.—*Falconer, Marine Dictionary.* (Burney.)

Scurf. *s.* [A.S.]

1. Dry branny scab.

Her crafty head was altogether bald,
And, as in hate of honourable eld,
Was overgrown with *scurf* and filthy scald.
Spenser, Faerie Queen.

The virtue of his hands
Was lost among Pactolus' sands,
Against whose torrent while he swims,
The golden *scurf* peels off his limbs. *Swift.*

2. Soil or stain adherent.

Then are they happy, when by length of time
The *scurf* is worn away of each committed crime,
No speck is left.
Dryden, Translation of the Æneid, vi. 1009.

3. Anything sticking on the surface.

There stood a hill, whose grisly top
Shone with a glossy *scurf*.
Milton, Paradise Lost, i. 671.

Upon throwing in a stone, the water boils; and at the same time are seen little flakes of *scurf* rising up.—*Addison.*

Scúrfiness. *s.* Attribute suggested by Scurfy; state of being scurfy.

In wretched beggary,
And maungy misery,
In lousy lothsumnesse,
And scabbed *scorffynesse*. *Skelton, Poems*, p. 81.

Scúrfy. *adj.* Having scurf or scabs.

Scúrrile. *adj.* [Lat. *scurrilis*, from *scurra* = buffon.] Low; mean; grossly opprobrious; lewdly jocose.

With him, Patroclus,
Upon a lazy bed, the live-long day
Breaks *scurril* jests.
Shakespear, Troilus and Cressida, i. 3.

Scurrile talk, obscene actions.—*Burton, Anatomy of Melancholy*, p. 496.

Were it not for quaffing, ribaldry, dalliance, *scurrile* profaneness, these men would be dull, and (as we say) dead on the nest!—*Bishop Hall, Remains*, p. 7.

Nothing can conduce more to letters than to examine the writings of the ancients, . . . provided the plagues of judging and pronouncing against them be away; such as envy, bitterness, precipitation, impudence, and *scurril* scoffing.—*B. Jonson.*

Thou mov'st me more by barely naming him,
Than all thy foul unmanner'd *scurril* taunts.
Dryden, Don Sebastian, iv. 3.

Scurrílity. *s.* [Fr. *scurrilité*; Lat. *scurrilitas, -atis.*] Grossness of reproach; lewdness of jocularity; mean buffoonery.

Good master Holofernes, purge; so it shall please you to abrogate *scurrility*.—*Shakespear, Love's Labour's lost*, iv. 2.

Banish *scurrility* and profaneness, and restrain the licentious insolence of poets.—*Dryden.*

For omitting those . . . terms of *scurrility* betwixt us, which only differences our affections . . . not our cause, there is between us one common name and appellation, one faith and necessary body of principles common to us both.—*Sir T. Browne, Religio Medici.* (Ord MS.)

Scúrrilous. *adj.* Grossly opprobrious; using such language as only the license of a buffoon can warrant; lewdly jocular; vile; low.

Scurrilous and more than satyrical immodesty.—*Hooker, Ecclesiastical Polity.*

Let him approach singing. Forewarn him that he use no *scurrilous* words in 's tunes.—*Shakespear, Winter's Tale*, iv. 3.

How often is a person, whose intentions are to do good by the works he publishes, treated in as *scurrilous* a manner as if he were an enemy to mankind!—*Addison, Freeholder.*

Their characters have been often treated with the utmost barbarity and injustice by *scurrilous* and enraged orators.—*Swift.*

Scúrrilously. *adv.* In a scurrilous manner; with gross reproach; with low buffoonery; with lewd merriment.

Such men there are, who have written *scurrilously* against me, without any provocation.—*Dryden.*

It is barbarous incivility *scurrilously* to sport with that which others count religion.—*Archbishop Tillotson.*

Scúrrilousness. *s.* Attribute suggested by Scurrilous; scurrility; baseness of manners.

Scúrvily. *adv.* In a scurvy manner; basely; coarsely.

Look i' your glass now,
And see how *scurvily* that countenance shews;
You would be loth to own it.
B. Jonson, Catiline's Conspiracy.

This alters the whole complexion of an action, that would otherwise look but very *scurvily*, and makes it perfect.—*South, Sermons.*

The clergy were never more learned, or so *scurvily* treated.—*Swift.*

He who has a judgment so weak and crazed, that no helps can correct or amend it, shall write *scurvily* out of rhyme, and worse in it.—*Dryden, Essay on Dramatick Poesy.* (Ord MS.)

Scúrviness. *s.* Attribute suggested by Scurvy; state of being scurvy.

Scúrvy. *adj.*

1. Scabbed; covered with scabs; diseased with the scurvy.

Whatsoever man . . . be *scurvy* or scabbed.—*Leviticus*, xxi. 20.

2. Vile; bad; sorry; worthless; contemptible; offensive.

I know him for a man divine and holy;
Not *scurvy*, nor a temporary meddler.
Shakespear, Measure for Measure, v. 1.

This is a very *scurvy* tune to sing to a man's funeral.—*Id., Tempest*, ii. 2.

He spoke such *scurvy* and provoking terms
Against your honour. *Id., Othello*, i. 2.

It would be convenient to prevent the excess of drink, with that *scurvy* custom of taking tobacco.—*Swift.*

And, if he rhyme, shall praise for standard wit,
More *scurvy* sense than Prynne and Vicars writ.
Oldham, Imitation of the Third Satire of Juvenal.

In Candide or the Optimist, there is an admirable stroke of Voltaire's. Eight travellers meet in an obscure inn, and some of them with not sufficient money to pay for a *scurvy* dinner. In the course of conversation, they are discovered to be eight monarchs in Europe, who had been deprived of their crowns!—*I. Disraeli, Curiosities of Literature, Dethroned Monarchs.*

'Ho, Diomed, well met! Do you sup with Glaucus to-night?' . . . 'Alas, no! dear Clodius; he has not invited me,' replied Diomed, a man of portly frame and of middle age. 'By Pollux, a *scurvy* trick! for they say his suppers are the best in Pompeii.'—*Lord Lytton, The Last Days of Pompeii*, b. i. ch. i.

Scúrvy. *s.* [Lat. *scorbutus.*] Well-known disease to which seamen were far more liable than they are now: consisting in a degeneration of blood, and generally arising from the want of fresh provisions; purpura. See extracts.

Lemon-juice is really a specific against *scurvy*, whether it be employed as a preventive or as a remedy. It supplies something to the blood which is essential to its healthy properties. Its virtues were known in this country more than two hundred years ago, as appears from the work entitled 'The Surgeon's Mate, or Military and Domestic Medicine,' by John Woodall, Master in Surgery: London, 1636. But the merit in making the fact generally known, and of procuring the systematic introduction of lemon-juice into nautical diet, by an order from the Admiralty, is due to Dr. Blair and Sir Gilbert Blane, in their capacity of Commissioners of the Board for Sick and Wounded Seamen in 1795. 'The effect (says Sir John Herschel) of this wise measure may be estimated from the following facts. In 1780, the number of cases of *scurvy* received into Haslar Hospital was 1,457: in 1806 one only; and in 1807 one.' He adds, 'There are now many surgeons in the navy who have never seen the disease.'—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. xc.

Of the symptoms of *scurvy* the earliest are observed in the countenance. The face as well as the rest of the surface, is pale and bloated. The caruncuiæ of the eyes and lips have a dirty or greenish hue. The expression of the features is depressed, the gums are swollen, spongy, soft, livid, and bleed on the slightest friction. The odour of the breath is offensive. . . . The skin is dry and harsh, and it generally continues dry throughout the course of the malady. Sometimes it is rough, resembling the goose-skin appearance; but it is more frequently shining with patches, streaks, or spots of a reddish-brown, bluish, greenish, black or livid hue, resembling those following a severe bruise. The size of these patches varies from a small point to that of a hand-breadth: and it generally increases with the progress of the malady. The patches are first observed, and are most numerous, on the legs and thighs; but they soon appear on the arms and trunk, and on the scalp; very rarely on the face, which, however, assumes a more dingy and bloated hue. The ankles swell and the legs and feet become œdematous.—*Copland, Dictionary of Practical Medicine.*

Scúrvygrass. *s.* Plant of the genus Cochlearia (officinalis), supposed to be useful as a remedy in scurvy.

Some *scurvygrass* do bring,
That inwardly applied 's a wondrous sovereign thing. *Drayton, Polyolbion*, song xviii.

Scurvy-grass evolves, when rubbed, a somewhat pungent odour. Its taste is penetrating and acrid. [It is] a gentle stimulant, aperient, and diuretic. It has long been esteemed as an antiscorbutic. It has also been used in visceral obstructions. It is occasionally eaten with bread and butter like watercress.—*Pereira, Elements of Materia Medica and Therapeutics*: 1853.

The common *scurvy-grass* is cultivated in gardens for its leaves. It flourishes best in a sandy soil, but will succeed in almost any other, especially if abounding in moisture. The situation must always be as open as possible. It is propagated by seed, which should be sown as it is ripe in July or June, for if kept from the ground until the spring, they will entirely loose their vegetative power, or produce plants weak and unproductive. The sowing is performed in drills eight inches apart, and half an inch deep.—*Johnson, Encyclopædia of Agriculture.*

'Scuse. *s.* Excuse.

I shifted him away,
And laid good *'scuse* upon your ecstasy.
Shakespear, Othello, iv. 1.

Scut. *s.* [Norse, *skott.*] Tail of those animals whose tails are very short, as a hare.

In the hare it is aversely seated, and in its distension inclines unto the coccix or *scut*.—*Sir T. Browne, Vulgar Errours.*

He fled to earth; but first it cost him dear,
He left his *scut* behind, and half an ear. *Swift.*

Scútage. *s.* [Low Lat. *scutagium.*] Escuage; the one being formed from the Latin, the other from the French.

Scutch. *v. a.* Prepare flax by beating.

We may in general estimate that a hundred pounds of the stalks of retted flax, taken in the dry state, afford from forty-five to forty-eight pounds of broken flax, of which, in the swinging or *scutching*, about twenty pounds of flax, with nine or ten pounds of *scutch* tow, are obtained. The rest is boon-waste. The breaking of a hundred pounds of stalks requires in the ordinary routine of a double process by hand, about twenty hours, and with the above described machine, from seventeen to eighteen hours. To *scutch* a hundred pounds of broken flax clean, a hundred and thirty hours of labour are required by the German swinging method.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Scútcheon. *s.* Escutcheon.

And thereto had she that *scutcheon* of her desires, supported by certain badly diligent ministers.—*Sir P. Sidney.*

Your *scutcheons*, and your signs of conquest shall
Hang in what place you please.
Shakespear, Antony and Cleopatra, v. 2.

Honour is a mere *scutcheon*.—*Id., Henry IV. Part I.* v. 1.

The chiefs about their necks the *scutcheons* wore
With orient pearls and jewels powder'd o'er.
Dryden, The Flower and the Leaf, 236.

What further or better belief can be said to exist in these twelve hundred? Belief in high-plumed hats of a feudal cut; in heraldic *scutcheons*; in the divine right of kings, in the divine right of game-destroyers.—*Carlyle, French Revolution*, pt. i. b. iv. ch. iv.

Scútellated. *adj.* Divided into small surfaces.

It seems part of the *scutellated* bone of a sturgeon, being flat, of a porous or cellular constitution.—*Woodward.*

Scútiform. *adj.* Shaped like a shield.

Scúttle. *s.* [A.S. *scuttel.*] Wide shallow basket, so named from a dish or platter, which it resembles in form.

A *scuttle* or skrein to rid soil fro' the corn.
Tusser, Five Hundred Points of good Husbandry.

The earth and stones they are fain to carry from under their feet in *scuttles* and baskets.—*Hakewill, Apology.*

Scúttle. *s.* [? Scud.] Short and quick pace.

She went with an easy *scuttle* out of the shop.—*Spectator.*

Scúttle. *s.* [Spanish, *escotillon.*] Small grate; hole in deck of a ship.

To the hole in the door have a small *scuttle*, to keep in what mice are there.—*Mortimer, Husbandry.*

Scúttle. *v. a.* Cut holes in the deck or sides of a ship, when stranded or overset, and continuing to float on the surface.

In the middle of the Loire stream, on signal given, the gabarre is *scuttled*; she sinks with all her cargo.—*Carlyle, The French Revolution*, pt. ii. b. v. ch. iii.

Scúttle. *v. n.* Run with affected precipitation.

The old fellow *scuttled* out of the room.—*Arbuthnot.*

Scúttlefish. *s.* Corruption of Cuttlefish.

There are some persons made so by nature, that they are slow, dark, gloomy, joyless, puzzling, and perplexing; and they pass for the wise, prudent, guarded men of the world: they may attack error, but seldom find out truth by themselves; like the *scuttle-fish* they spout out their own black liquor on the pellucid element.—*Cheyne, On Regimen*, preface. (Ord MS.)

Scythe. *s.* Sithe.

He that in summer, in extremest heat
Scorched all day, in his own scalding sweat,
Shaves with keen *scythe* the glory and delight
Of motley meadows, resteth yet at night,

And in the arms of his dear pheer forgoes
All former troubles and all former woes.
Sylvester, Translation of Du Bartas.

I was sadly put to it for a *scythe* or sickle to cut it down: and all I could do was to make one as well as I could, out of one of the broad-swords, or cutlasses, which I saved among the arms out of the ship.
—Defoe, Life and Adventures of Robinson Crusoe.

Sdain or **Sdein.** *v. a.* Disdain. *Rare.*

For doubt of being *sdayned.*
Spenser, Faerie Queen.

Unfitting thee, and *sdeyned* of thy skill.
Drayton, Shepherd's Garland: 1593.

Lifted up so high,
I *sdein'd* subjection.
Milton, Paradise Lost, iv. 49.

Sdain. *s.* Disdain. *Rare.*

So she departed full of grief and *sdaine.*
Spenser, Faerie Queen.

Sdéinful. *adj.* Disdainful. *Rare.*

They now, puft up with *sdeinful* insolence,
Despise the brood of blessed sapience. *Spenser.*

Sea. *s.* [A.S. *sæ, sio.*]

1. Ocean; water: (opposed to the *land*).

Will all great Neptune's ocean wash this blood
Clean from my hand? No, this my hand will rather
Thy multitudinous *sea* incarnadine,
Making the green one red.
Shakespear, Macbeth, ii. 2.

The rivers run into the *sea.—Carew, Survey of Cornwall.*

So do the winds and thunders cleanse the air,
So working *seas* settle and purge the wine.
Sir J. Davies.

Ambiguous, between *sea* and land,
The river horse. *Milton, Paradise Lost*, vii. 473.

Against the Tyber's mouth, but far away,
An ancient town was seated on the *sea*—
A Tyrian colony—the people made
Stout for the war, and studious of their trade.
Dryden, Translation of the Æneid, i. 9.

So when the first bold vessel dared the *seas*,
High on the stern the Thracian raised his strain,
While Argo saw her kindred trees
Descend from Pelion to the main.
Pope, Ode on St. Cecilia's Day.

2. Lake; mere.

Jesus, walking by the *sea* of Galilee, saw two brethren.—*Matthew*, iv. 18.

3. Proverbially, any large quantity.

That *sea* of blood which hath in Ireland been barbarously shed, is enough to drown in eternal infamy and misery the malicious author and instigator of its effusion.—*Eikon Basilike.*

4. Anything rough and tempestuous.

To sorrow abandon'd, but worse felt within,
And in a troubled *sea* of passion tost.
Milton, Paradise Lost, x. 717.

Half seas over. Half drunk.

The whole magistracy was pretty well disguised before I gave 'em the slip: our friend the alderman was *half seas over* before the bonfire was out.—*Spectator.*

At sea, all at sea. In a vague, uncertain condition.

The combinations wherein this word enters as an initial element are numerous; and so are the true compounds. It is, however, in many cases, difficult to say to which class the word belongs; nor is it always safe, even when the metre seems to determine the point, to take the authority of the writer. The best rule is to follow the analogy of such other compounds as agree in the second element; but this is often at variance with practice.

Many are terms in Natural History; and here, as a rule, the combination gives two words rather than a genuine compound. The difference seems to be regulated by the *extent* to which the object of which the second element is the name is marine, or other than marine; yet, at the same time, sufficiently like something that *is* marine to suggest a comparison. And this difference agrees to a great extent with the generic or specific character of the term. Thus, of *birds*, or *weeds*, some may belong as truly to the sea as to the land; and when we use a compound to say whether a land-bird or a sea-bird be meant, the distinguishing prefix takes an accent, for the distinction it indicates is real, giving *seábirds* and *seáweeds*, to which *lánd-birds* and *lánd-weeds* may be opposed. With *cows*, *cats*, &c., however, the second name is specifically that of a land animal, and no real division into *land cows* or *land cats* exists. Roughly speaking, then, the possibility of a real contrast between the two parts of a class carries us far in the fixation of the accent. But not all the way. When the word exceeds two syllables the tendency to place the accent nearer the end complicates our criticism. So does the extent to which the word is in common use. So do certain accidents; e.g. we say *seágull* not *seá-gúll.* Yet there are (in the common acceptation of the name) no *land gulls.* The bird, however, probably took its name in the inland districts where it was noticed as coming from the sea. This principle of contrast gives us, also, *seáfish* as opposed to *freshwater fish.* What applies in this respect to the combinations beginning with *sea*, applies also to those beginning with *water.* When the object is wholly or mainly marine, no prefix is needed. It is, however, sometimes used as an expletive, e.g. *sea-wave.* In this case there is a pair of words. This applies to what has been said about *seágull.* The name would never occur to a sea-side resident unless there were other gulls in his neighbourhood.

Of the forthcoming entries many will be unaccompanied by any extract. Generally, when this is the case, the word is found in the synonymy rather than in the text of the author from whom it is taken; or else an illustrative extract is to be found under one of the equivalent names.

Sea-ácorn. *s.* Barnacle (i.e. the Cirrhopod so called).

The Balani (Barnacles) have also been named *sea-acorns*, from some sort of resemblance to the fruit of the oak.—*Translation of Cuvier's Règne Animal.*

Sea-ádder. *s.* In *Icthyology.* British sea-fish, akin to the sticklebacks, of the genus Gasterosteus (spinachia); fifteen-spined stickleback; bismore.

Sea-anémone. *s.* Radiate animal of the genus Actinia.

[The] fleshy body [of the Actiniæ] often adorned with lively colours, developing numerous tentacula, placed round the mouth on several ranges, like the petals of a double flower, has occasioned the name of *sea-anemone* to be bestowed upon them.—*Translation of Cuvier's Règne Animal.*

Sea-ape. *s.* Sea-fox.

Sea-bank. *s.*

1. Sea shore.

I was, the other day, talking on the *sea-bank* with certain Venetians.—*Shakespear, Othello*, iv. 1.

2. Fence to keep the sea within bounds.

Sea-bat. *s.* Flying-fish.

Sea-bear. *s.* Name given to certain seals; also applied to the white bear.

Sea-beast. *s.* Large or monstrous animal of the sea.

That *sea-beast*
Leviathan, which God of all his works
Created hugest that swim the ocean stream.
Milton, Paradise Lost, i. 200.

Sea-calf. *s.* Name given to the common seal, or Phoca vitulina; sea-dog.

The *seacalf*, or seal, is so called from the noise he makes like a calf: his head comparatively not big, shaped rather like an otter's, with teeth like a dog's, and mustaches like those of a cat: his body long, and all over hairy: his forefeet, with fingers clawed, but not divided, yet fit for going: his hinder feet, more properly fins, and fitter for swimming, as being an amphibious animal. The female gives suck, as the porpess and other viviparous fishes.—*Grew, Museum.*

Sea-cat. *s.* Name applied to two British fishes.

1. Genus Trachinus (draco); great Weever; sting-bull; sea-dragon.
2. Genus Anarrhicas (lupus); sea-wolf; swine-fish; wolf-fish.

Sea-change. *s.* Change effected by the sea.

Full fathom five thy father lies;
Of his bones are coral made;
Those are pearls that were his eyes;
Nothing of him that doth fade,
But doth suffer a *sea-change.*
Shakespear, Tempest, i. 2, song.

Sea-cow. *s.* Manatee. See Sirenia.

The *seacow* is of the cetaceous kind. It grows to fifteen feet long, and to seven or eight in circumference: its head is like that of a hog, but longer, and more cylindrick; its eyes are small, and it has no external ears, but only two little apertures. Its lips are thick, and it has two long tusks standing out. It has two fins, which stand forward on the breast like hands, whence the Spaniards called it manatee. The female has two round breasts placed between the pectoral fins. The skin is very thick and hard, and not scaly, but hairy.—*Sir J. Hill, Materia Medica.*

Sea-cúcumber. *s.* Member of a group of radiate animals, akin to the star-fishes, &c., so called from their shape. See extract.

The *sea-cucumbers* are the most typical of the Holothuriadæ, and their popular name is very expressive of their usual form. They have all the power of changing their shapes in the strangest manner, sometimes elongating themselves like worms, sometimes contracting the middle of their bodies so as to give themselves an hour-glass shape, sometimes blowing themselves up with water so as to be perfectly globular. . . . The great *sea-cucumber* is the largest of all the known European species, and probably one of the largest cucumariæ in the world, measuring when at rest fully one foot, and capable of extending itself to the length of three. He is the king of the *sea-cucumbers*, and seems to have gathered the greater number of his subjects around him in the Shetland seas. . . . The Shetlanders designate him by the name of *sea-pudding.* . . . The long *sea-cucumber* (Cucumaria fusiformis) is in proportion to its thickness, the longest of all the British *sea-cucumbers.* It is a small species, measuring about an inch in length. It is rounded, and tapers slightly towards each extremity. The pinkish-white skin is covered with plumose papillæ, and the five rows of suckers are not prominent. The suckers are doubly ranged, and alternate in each row, generally above thirty. The tentacula are ten, short, somewhat triangular, white, and pinnated to their bases. It is a sluggish animal, and not fond of changing form. We dredged several specimens in the Shetland seas during the summer of 1839. . . . The glassy *sea-cucumber* is a most beautiful and delicate animal, being almost transparent and of an opaline hue. It was discovered by Dr. Fleming in the Shetland seas, and was refound by Mr. Goodsir and myself when dredging near Lerwick in 1839. In both cases it was referred to the Holothuria pellucida of Muller, which is doubtless a nearly allied species, but differs from our animal in being quite smooth. The smoothness and fleeciness of the surface of the *sea-cucumbers* is of great importance as a source of specific character in the genus, being very constant. When at rest the glassy *sea-cucumber* is of a fusiform shape, and attenuated at each extremity. The tentacula are large, pedunculate, and pinnate at their extremities. The suckers are placed in two close rows in each avenue. The specimen taken by us was two inches and a half in length. Dr. Fleming says it attains the length of six inches.—*Forbes, British Starfishes.*

Sea-dace. *s.* Sea-perch.

At Ramsgate, and some other places along the Kentish coast, the basse is called a *sea-dace.—Yarrell, History of British Fishes.*

Sea-dévil. *s.* British fish of the genus Lophius (piscatorius); wide-gab; fishing-frog; frogfish; angler.

Sea-dog. *s.*

1. Dogfish.

Fierce *seadogs* devour the mangled friends.
Lord Roscommon.

2. Common seal; sea-calf.

Sea-drágon. *s.* Sea-cat.

Sea-egg. *s.* Sea-urchin (smooth specimen).

Mr. Thomas Edmonstone tells me the Piper [Cedaris papillata] is called king of the *sea-eggs*, and that it is found in the 'farthest haaf,' the term applied to the deep-sea fishing in deep water.—*Forbes, British Starfishes*, p. 148.

Sea-élephant. *s.* Species of seal, so called from the proboscis-like character of its snout; elephant seal.

It is not from [its trunk] alone that *it* has acquired the name of the *sea-elephant*, but also because it is by much the largest of its kind, in this respect more than doubling the dimensions of its terrestrial

namesake, reaching the enormous length of twenty-five and thirty feet, maintaining withal a proportionate thickness.—*R. Hamilton*, in *Naturalist's Library*.

(See, also, under Sea-Serpent.)

Sea-gírkin. *s.* Member of a group of radiate animals akin to the Sea-cucumber. See extract.

The animals to which we have applied the name of *sea-girkins* differ from the Cucumariæ, externally, in the very few suckers which crown their angles; and internally, in having a strong muscular gizzard. In their motions they differ also very considerably, not constricting themselves, and blowing themselves up as the sea-cucumbers do, but elongating themselves like worms, to which animals they approximate in their movements. Their suckers are exceedingly strong, and always exserted, few in number, and appearing as if ranged in a single line. Two species, both of which seem to have escaped observations of British naturalists till lately, are found in our seas. The first, that before us, appears to be among the most abundant and extensively distributed of all the British Holothuriadæ. The Ocni are sluggish creatures. The brown *sea-girkin* is about three-fourths of an *inch in length*, and sometimes longer. . . . A second species of *sea-girkin* was found by Mr. Goodsir and myself in the Sound of Bressay, Shetland, at the same time with the various sea-cucumbers which we have described from that quarter.—*Forbes, British Starfishes.*

Sea-hare. *s.* Radiate animal, of the genus Aplysia.

Pliny and Dioscorides speak of a species of this genus under the name of *sea-hare*, and depict it as a venomous animal, which not only should not be touched, but not even looked at. Following them, Rondelet has spoken in the same manner. The Aplysiæ are supposed to possess the property of causing the hairs to fall from those parts of the body to which they are applied, and of causing strangury to those who are so foolish as to swallow a little of the sanies which flows from their bodies. But M. Cuvier has proved this opinion to be erroneous, at least, as far as the first of these properties is concerned. But they exhale an odour so nauseous and fetid, that one would be more disposed to avoid than approach them.—*Translation of Cuvier's Règne Animal.*

Sea-heath. *s.* Native plants of the genus Frankenia (lævis, pulverulenta).

Sea-hédgehog. *s.* Sea-urchin; sea-egg.

The *seahedgehog* is enclosed in a round shell, fashioned as a loaf of bread, wrought and pinched, and guarded by an outer skin full of prickles, as the land-urchin.—*Carew, Survey of Cornwall.*

Sea-hólly. *s.* British plant of the genus Eryngium, with leaves resembling in texture those of the holly.

The species are, *seaholly*, or eryngo. Common eryngo. The roots of the first are candied, and sent to London for medicinal use, being the true eryngo. —*Miller, Gardener's Dictionary.*

Sea-holm. *s.* Sea-holly.

Cornwall bringeth forth greater store of *seaholm* and samphire than any other county.—*Carew, Survey of Cornwall.*

Sea-horse. *s.*

1. Walrus.

Part of a large tooth, round and tapering: a tusk of the morse, or walross, called by some the *sea-horse*.—*Woodward.*

Seahorses floundering in the slimy mud,
Toss'd up their heads, and dash'd the ooze about 'em.
Dryden.

I had just time, in a moment of desperation, to throw myself into the cave upon the back of the *sea-horse*, when the two enormous bodies of ice came in contact . . . I found myself pent up in an apartment not eight feet square, in company with a *sea-horse*. . . . During the first month the calls of hunger obliged me to make frequent attacks upon the carcass of the *sea-horse*; after that, my appetite decreased, until at length I would not touch a mouthful of food in a week.—*Marryatt, Pacha of many Tales.*

2. Applied to certain fishes of the genus Syngnathus; in which the head resembles that of a horse. The Greek term Hippocampus is an approximate equivalent: (Pipe-fish is the *commoner* and more convenient name).

Sea-jélly. *s.* Name given to the jelly-like animals of the genus Medusa, and its allied genera.

Sea-lávender. *s.* Native plants of the genus Statice (limonium, &c.)

And the *sea-lavender* that lacks perfume.
Crabbe, The Borough.

Seá-leech. *s.* Annelid of the genus Piscicola.

Sea-legs. *s.* Capacity of keeping one's legs when a ship pitches or rolls.

It was Martin's turn . . . to hear poor Mark Tapley in his wandering fancy . . . making love-remonstrances to Mrs. Lupin, getting his *sea-legs* on the Screw, . . . and burning stumps of trees in Eden, all at once.—*Dickens, Martin Chuzzlewit*, ch. xxxiii.

Sea-líon. *s.* Seal so called.

We turn first to the animals which have received the popular name of *sea-lion*, a name which has been applied by voyagers to seals of large dimensions for a variety of fanciful and absurd reasons. Thus Tunnell, in his narrative of that voyage, which goes under the name of Dampier's, applies the appellation to a great seal he encountered, because 'he roared like a lion;' and others conferred it upon other animals, because they had teeth like lion's teeth, and so forth. Steller, who, in 1742, first gave a detailed account of some of these larger seals, described one under the name of Dampier's *sea-lion*; but, in looking to Tunnell's account, it is evident that no one could thereby distinguish the species; and, from other considerations, it is almost certain it had reference to the proboscis seal just described, which, as we have seen, was called *sea-lion* by Anson, and sea-wolf by Pernetty. But this is the least of our present confusion. Pernetty gives an account of a *sea-lion* which he encountered at the Falkland Islands; and Forster, in his account of Cook's Voyage, supplies another of a somewhat similar animal, which they met with at Staten's Island. From the general resemblance merely, Pernetty regarded the great lion of the Falkland Islands as identical with Steller's; at the same time remarking that there were several species of *sea-lion*; and Forster was disposed to identify the species he saw both with Steller's and Pernetty's; whilst Peron and other naturalists, who have paid great attention to these amphibia, strongly contend that there are three or more different kinds.—*R. Hamilton*, in *Naturalist's Library, Amphibious Carnivora.*

Sea-loach. *s.* British fish of the genus Motella (vulgaris), so called from its wattles and general resemblance to the fresh-water loach; three-bearded rockling; whistle-fish.

Sea-mílkwort. *s.* Native plant of the genus Glaux (maritima).

Sea-mónster. *s.*

1. Strange animal of the sea.

Even the *sea-monsters* draw out the breast; they give suck to their young ones.—*Lamentations*, iv. 3.

Where luxury late reign'd, *sea-monsters* whelp.
Milton, Paradise Lost, xi. 751.

2. Rough sailor. *Contemptuous.*

Let him in, by all means. He is the best creature to laugh at in nature. He is a perfect *sea-monster*, and always looks and talks as if he was upon deck. —*G. Colman, The Jealous Wife*, iii. 1.

3. In *Zoology*. British fish of the genus Chimæra (monstrosa); rabbit-fish; king of the herrings.

Sea-moss. *s.* Kind of coralline so called.

Some scurvigrass do bring; . . .
From Sheppey *sea-moss* some, to cool his boyling blood. *Drayton, Polyolbion*, song xviii.

Sea-mouse. *s.* Species of Holothuria so called. See extract.

The hairs and bristles, already mentioned, are also developed, in some species, e.g. Aphrodita aculeata, so abundantly as to give it the mammalian character of a hairy investment, whence it has been called by our fishermen the '*sea-mouse*.' The hairs of this beautiful anellid reflect brilliant iridescent hues.—*Owen, Lectures on Comparative Anatomy*, lect. xi.

Sea-neédle. *s.* British fish of the genus Belone (vulgaris); garfish; garpike; seapike; mackerel-guide; hornfish; long-nose; gorebill.

Sea-néttle. *s.* Name given to certain radiate animals of the genus Acalepha and its allied genera, from their property of irritating or stinging the skin when touched.

Dr. Gaertner refers the urticæ marinæ, or *sea-nettles*, to the hydra of Linnæus, commonly called the polype.—*Chambers.*

Sea-ooze. *s.* Mud in the sea or shore.

All *sea-ooses* or oosy mud, and the mud of rivers, are of great advantage to all sorts of land.—*Mortimer, Husbandry.*

Sea-ótter. *s.* Enhydra marina. See extract.

The *sea-otter* is full twice the size of the common otter; the body is very long, and the tail about one third the length of the body. Its skin, shining like velvet, is the most esteemed of all furs, and consequently the most expensive. It is black, with a shade of brown; but about the head there are, in general, more or less of white hairs. The hinder legs, in particular, are very short, and placed nearer the anus than in quadrupeds in general; which assimilates it to the seal, to which it bears a considerable general affinity; it sometimes weighs as much as seventy or even eighty pounds. It is found, perhaps exclusively, in the northern parts of the Pacific Ocean, where the Asiatic and American continents nearly approach each other, and in the intervening islands. It is said that a single skin is sometimes sold in the Chinese and Japanese markets for upwards of twenty pounds sterling.—*Translation of Cuvier's Règne Animal.*

Sea-owl. *s.* British fish of the genus Cyclopterus (lumpus); cock-paddle; lump-sucker.

Sea-párrot. *s.* British bird so called from the thickness of its bill, of the genus Fratercula arctica; coulterneb; Puffin.

Sea-pea. *s.* Native plant of the genus Pisum (maritimum).

Sea-pen. *s.* Polypus of the genus Pennatula.

Sea-perch. *s.* Sea-dace.

Sea-pheásant. *s.* Pintail duck.

To roast the pintail, or *sea-pheasant*. It should be roasted at a quick clear fire, &c.—*E. Acton, Modern Cookery*, p. 294: 1865.

Sea-pike. *s.* Sea-needle.

Sea-plántain. *s.* Native plant of the genus Plantago (maritima).

Sea-poácher. *s.* Native fish of the genus Aspidophorus (europæus); lyrie; pluck; noble (Scotch); pogge.

Sea-púdding. *s.* See under Sea-cucumber.

Sea-púrslane. *s.* Native plant of the genus Atriplex (portulacoides; from Lat. *portulaca* = purslane).

Sea-rádish. *s.* Native cruciferous plant, akin to the mustards, of the genus Sinapis (muralis); sand rocket.

Sea-reed. *s.* Native grass of the genus Ammophila (arundinacea).

Sea-resémbling. *adj.* Sea-like.

Jordan from two bubbling heads
His oft returning waters leads,
Till they their narrow bounds forsake,
And grow a *sea-resembling* lake.
Sandys, Christ's Passion, p. 8.

Sea-róbber. *s.* Pirate.

Trade is much disturbed by pirates and *sea-robbers*.—*Milton, Letter of State.*

Sea-rócket. *s.* Native plant akin to the sea-kale, of the genus Cakile (maritima).

Sea-róver. *s.* Pirate.

A certain island long before dispeopled, and left waste by *sea-rovers*.—*Milton, History of England*, b. i.

Sea-salt. *s.* [? compound.] See extract.

Sea-salt, or rock-salt, in a state of purity, consists of 60 of chlorine + 40 of sodium, in 100 parts. This important species of the saline class possesses even in mass a crystalline structure, derived from the cube, which is its primitive form.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Sea-sándwort. *s.* Native plant of the genus Arenaria (peploides).

Sea-sérpent. *s.* [see Sea-snake.]

1. False. See extract.

[The] word *Sea-serpent*, with the common prefix Great, represents the idea of a surface-swimming, air-breathing marine animal, of a snake-like shape and undulatory motion, variously reported by alleged eye-witnesses as being from 100 to 600 feet in length; and, by most, as having a mane. . . . Many and divers are the phenomena at sea which recall the preconceived notion of the great *sea-serpent*; and, viewed in that frame of mind, a distance too great for accurate observation, leave a conviction of the marvel which is testified to in good faith. Whenever the monster has been closely approached or captured, it has turned out to be other than was supposed. Captain Sir James C. Ross, in his antarctic voyage, ordered out a boat to approach and if possible kill and capture what seemed to him, his officers, and crew, to be a veritable *sea-serpent*: it proved to be the great *sea-elephant*, Phoca (Cystophora) proboscideus, nearly thirty feet in length, but leaving a strong wake of more than twice that length through the powerful action of the tail-propeller. In other instances, the supposed *sea-serpent* has proved to be a succession of grampuses or porpoises tumbling in line, one after another, and deceiving the eye as a continuous undulatory body,

when first seen at a distance; or it has been found to be a log or spar covered with barnacles and seaweed, which, lifted by the waves and falling, represented the mane of the preconceived monster.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

2. True. See extract.

Nevertheless, *sea-serpents* do exist; they even abound in some localities in the tropics; they belong to the genus Hydrus or Hydrophis, and are distinguished from land serpents by their compressed tail, which thus becomes a swimming organ. The species are commonly from two feet to four feet in length; rarely approaching to ten feet.—*Owen*, in *Brand and Cox, Dictionary of Science, Literature, and Art.*

Sea-shore. *s.* Coast of the sea.

That *sea-shore* where no more world is found,
But foaming billows breaking on the ground.
Dryden.

Fournier gives an account of an earthquake in Peru, that reached three hundred leagues along the *sea-shore.*—*Burnet.*

To say a man has a clear idea of any quantity, without knowing how great it is, is as reasonable as to say he has the positive idea of the number of the sands on the *sea-shore.*—*Locke.*

It has been remarked that plants which grow generally on the *sea-shores*, such as the Triglochin maritimum, the Salicornia, the Salsola kali, the Aster tripolium, or Farewell-to-Summer, the Glaux maritima, &c., occur also in the neighbourhood of salt-mines and salt-springs, even of those which are most deeply buried beneath the surface.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Sea-side. *s.* [when opposed to *land-side*, a compound.] Edge of the sea.

Their camels were without number, as the sand by the *sea-side* for multitude.—*Judges*, vii. 12.

There disembarking on the green *sea-side*,
We land our cattle, and the spoil divide.
Pope, Translation of the Odyssey, ix. 639.

Sea-snipe. *s.* British fish of the genus Centriscus (scolopax); Trumpet-fish; bellows-fish; snipe-fish.

Sea-stárwort. *s.* Native plant of the genus Aster (tripolium); sea aster. The Greek ἀστήρ and the English star translate one another.

Sea-súrgeon. *s.* Surgeon employed on ship-board; naval surgeon.

My design was to help the *sea-surgeon.*—*Wiseman, Surgery.*

Sea-surroúnded. *adj.* Encircled by the sea.

To *sea-surrounded* realms the gods assign
Small tract of fertile lawn, the least to mine.
Pope, Translation of the Odyssey, iv. 827.

Sea-swállow. *s.* See Tern.

Sea-thrift. *s.* Native plant of the genus Armeria (maritima).

Sea-títling. *s.* British bird of the genus Anthus (petrosus or aquaticus); dusky-lark; rock-lark; rock-pipit.

Sea-toad. *s.* Turtle. *Coined, or rhetorical.*

With this man I could not long make abode,
For, do you know, he eat a great *sea-toad*;
It came from India; 'twas as big as me;
He called it calipash and calipee.
Prologue, by Garrick.

Sea-úrchin. *s.* Sea-hedgehog.

Sea-wolf. *s.* Sea-cat.

Seábathed. *adj.* Bathed or dipped in the sea.

Seabathed Hesperus, who brings
Night on. *Sandys, Christ's Passion*, p. 80: 1640.

Seábathing. *s.* Bathing in the sea.

Were I to enumerate half the diseases which are every day cured by *sea-bathing*, you might justly say you had received a treatise instead of a letter.—*Smollett, Expedition of Humphrey Clinker.*

Used *adjectivally*, as a '*sea-bathing* watering place.'

Seábeat, or Seábeaten. *adj.* Dashed by the waves of the sea.

The sovereign of seas he blames in vain,
That, once *sea-beat*, will to sea again.
Spenser, Shepherd's Calendar.

Ships . . . both extremely *sea-beaten*, and at last wracked.—*Bishop Hall, Heaven upon Earth.*

Seáboard. *s.* In *Physical Geography.* Nature of the coast-line of maritime countries with special reference to its amount (compared with that of the whole country), as increased by indentations (e.g. in Greece and Ireland), and diminished (e.g. in Spain and Africa) by the want of them.

Seáboard. *adv.* Towards the sea: (a *naval* word).

Seáboat. *s.* Vessel capable to bear the sea.

Shipwrecks were occasioned by their ships being bad *sea-boats*, and themselves but indifferent seamen.—*Arbuthnot.*

Seábord. *adj.* Bordering on the sea. *Rare.*

There shall a lion from the *sea-bord* wood
Of Neustria come roaring.
Spenser, Faerie Queen, iii. 3, 47.

Seabórdering. *adj.* Forming a border to the sea.

Those *sea-bordering* shores of ours that point at France. *Drayton, Polyolbion*, song xvii.

Seáborn. *adj.* Born of the sea; produced by the sea.

Like Neptune and his *sea-born* niece, shall be
The shining glories of the land and sea. *Waller.*
All these in order march, and marching sing
The warlike actions of their *sea-born* king.
Dryden, Translation of the Æneid, vii. 963.
The tender nautilus, who steers his prow,
The *sea-born* sailor of his shell canoe;
The Ocean Mab, the fairy of the sea,
Seems far less fragile, and, alas, more free.
Byron, The Island, i. 8.

Seábound, or Seaboúnded. *adj.* Bounded by the sea.

Our *sea-bounded* Britainy.
Mirrour for Magistrates, p. 573.

Subject all nations to thy throne,
And make the *sea-bound* earth thine own.
Sandys, Paraphrase of the Psalms, p. 2.

Seáboy. *s.* Boy employed on ship-board.

Canst thou, O partial sleep, give thy repose
To the wet *seaboy* in an hour so rude,
And in the calmest and the stillest night
Deny it to a king?
Shakespear, Henry IV. Part II. iii. 1.

Seábreach. *s.* [? two words.] Irruption of the sea by breaking the banks.

To an impetuous woman, tempests and *sea-breaches* are nothing.—*Sir R. L'Estrange.*

Seábreeze. *s.* [? two words.] Wind blowing from the sea.

Hedges, in most places, would be of great advantage to shelter the grass from the *seabreeze.*—*Mortimer, Husbandry.*

Seábuilt. *adj.* Built for the sea.

Borne each by other in a distant line,
The *seabuilt* forts in dreadful order move.
Dryden, Annus Mirabilis, lvii.

Seácap. *s.* Cap made to be worn on ship-board.

I know your favour well,
Though now you have no *seacap* on your head.
Shakespear, Twelfth Night, iii. 4.

Seácard. *s.* Mariner's card.

It is as absurd as to affirme, out of the *sea-card*, of one and the same wind, that it stands north-south!—*Bishop Morton, Discharge of the Five Imputations against the Bishop of Duresme*, p. 82.

We are all like *sea-cards*:
All our endeavours, and our notions,
(As they do to the north,) still point at beauty.
Beaumont and Fletcher, The Chances.

Seáchart. *s.* Map on which only the coasts are delineated.

The situation of the parts of the earth are better learned by a map or *seachart*, than reading the description.—*Watts.*

Seácoal. *s.* Coal so called, not because found in the sea, but because brought to London by sea.

Seacoal lasts longer than charcoal.—*Bacon.*

This pulmonique indisposition of the air is very much heightened, where a great quantity of *seacoal* is burnt.—*Harvey.*

Used *adjectivally.*

We'll have a posset soon at the latter end of a *sea-coal* fire.—*Shakespear, Merry Wives of Windsor*, i. 4.

I like the taxes, when they're not too many;
I like a *sea-coal* fire, when not too dear;
I like a beef-steak, too, as well as any;
Have no objection to a pot of beer.
Byron, Beppo, xlviii.

Seácoast. *s.* Shore; edge of the sea.

The venturous mariner that way,
Learning his ship from those white rocks to save,
Which all along the southern *seacoast* lay;
For safety's sake that same his seamark made,
And named it Albion. *Spenser, Faerie Queen.*

Upon the *seacoast* are many parcels of land that would pay well for the taking in.—*Mortimer, Husbandry.*

Seácob. *s.* Seagull.

Seacómpass. *s.* Card and needle of mariners.

The needle in the *seacompass* still moving but to the north point only, with 'Moveor immotus' notified the respective constancy of the gentleman to one only.—*Camden, Remains.*

Seáfarer. *s.* [In the extract two words; *wáyfarer*, however, and *wáyfaring* are true compounds.] Traveller by sea; mariner.

They stiffly refused to vail their bonnets by the summons of those towns, which is reckoned intolerable contempt by the better enabled *seafarers.*—*Carew, Survey of Cornwall.*

A wandering merchant, he frequents the main,
Some mean *seafarer* in pursuit of gain;
Studious of freight, in naval trade well skill'd;
But dreads the athletick labours of the field.
Pope, Translation of the Odyssey, viii. 179.

Seáfaring. *adj.* [see Seafarer.] Travelling by sea.

My wife fasten'd him unto a small spare mast,
Such as *seafaring* men provide for storms.
Shakespear, Comedy of Errors, i. 1.

It was death to divert the ships of *seafaring* people, against their will, to other uses than they were appointed.—*Arbuthnot.*

Seáfight. *s.* Battle of ships; battle on the sea.

Seafights have been often final to the war; but this is when princes set up their rest upon the battles.—*Bacon.*

If our sense of hearing were a thousand times quicker than it is, we should in the quietest retirement be less able to sleep than in the middle of a *seafight.*—*Locke.*

This fleet they recruited with two hundred sail, whereof they lost ninety-three in a *seafight.*—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Seáfish. *s.* Fish that lives in the sea; salt-water fish.

Seáfowl. *s.* Bird that lives at sea.

The bills of curlews, and many other *seafowl*, are very long, to enable them to hunt for the worms.—*Derham, Physico-Theology.*

A length of ocean and unbounded sky,
Which scarce the *seafowl* in a year o'er-fly. *Pope.*

Seágirt. *adj.* Girded, or encircled, by the sea.

Neptune, besides the sway
Of every salt flood and each ebbing stream,
Took in by lot, 'twixt high and nether Jove,
Imperial rule of all the *seagirt* isles.
Milton, Comus, 18.

Telemachus, the blooming heir
Of *seagirt* Ithaca, demands my care:
'Tis mine to form his green unpractised years
In sage debates.
Pope, Translation of the Odyssey, i. 110.

Seágod. *s.* Fabulous deity of the sea.

Weever . . . doth holiness retain
Above his fellow-floods; whose healthful virtues taught,
Hath of the *sea-gods* oft caused Weever to be sought.
Drayton, Polyolbion, song xi.

There the highest-going billows crown,
Until some lusty *sea-god* pull'd them down.
B. Jonson, Masques.

Seágown. *s.* Mariner's short-sleeved gown.

Up from my cabin,
My *sea-gown* scarf'd about me, in the dark
Groped I to find them out.
Shakespear, Hamlet, v. 2.

Seágreen. *adj.* Resembling the colour of the distant sea; cerulean.

Upon his urn reclined,
His *seagreen* mantle waving in the wind,
The god appear'd. *Pope, Windsor Forest.*

Their *sea-green* isle, their guilt-won Paradise,
No more could shield their virtue or their vice.
Byron, The Island, iii. 1.

Seágreen. *s.* [? two words.] Colour resembling the distant sea.

White, red, yellow, blue, with their mixtures, as green, scarlet, purple, and *seagreen*, come in by the eyes.—*Locke.*

Seágull. *s.* Common British sea-bird of the genus Larus.

Seagulls, when they flock together from the sea towards the shores, foreshow rain and wind.—*Bacon, Natural and Experimental History.*

Bitterns, herons, and *seagulls* are great enemies to fish.—*Mortimer, Husbandry.*

Seákale. *s.* Garden vegetable, akin to the cabbages, of the genus Crambe (maritima), growing in its wild state on the sea-shore.

The universal character of crucifers is to possess antiscorbutic and stimulant qualities, combined with an acrid flavour. The officinal species are among the commonest of all plants, and only require to be named. . . . When the acrid flavour is dispersed

among an abundance of mucilage, various parts of these plants become a wholesome food; such as the root of the radish, and the turnip, the herbage of the water-cress, the cabbage, and the *sea-kale*.—*Lindley, Vegetable Kingdom.*

Seal. *s.* [A.S. *seol.*] In *Zoology.* Animal of the genus Phoca, and other allied genera. See extracts.

The *seal* or soyle is in make and growth not unlike a pig, ugly faced, and footed like a moldwarp: he delighteth in musick, or any loud noise, and thereby is trained to shew himself above water: they also come on land.—*Carew, Survey of Cornwall.*

An island salt and bare,
The haunt of *seals*, and orcs, and seamews clang.
Milton, Paradise Lost, xi. 184.

The *seals*, although smaller in size, are much more varied in form and species than the others. The head, observes M. Cuvier, resembles that of a dog, and they likewise possess the kind and intelligent expression of countenance peculiar to that animal. They are, in fact, easily tamed, and soon become attached to those who feed them. They live entirely upon fish, which they devour in the water: when diving, they can close the nostrils, by means of a particular valve. The common species is typical of the group. The zoological characters of the *seals* are chiefly drawn from their teeth.... *Seals* are found in all parts of the ocean, but more especially in the Southern Pacific, where their great abundance, and the value of the oil extracted from their bodies, have given rise to considerable fisheries, chiefly carried on in ships sent from this country. They are likewise inhabitants of the Frozen Ocean, where both their oil and skins are much prized by the inhabitants.—*Swainson, On the Natural History and Classification of Quadrupeds*, §§ 133, 139.

Two small barks were employed in fishing and trading along the coast. The supply of herrings, pilchards, mackerel, and salmon was plentiful, and would have been still more plentiful, had not the beach been, in the finest part of the year, covered by multitudes of *seals*, which preyed on the fish of the bay. Yet the *seal* was not an unwelcome visitor: his fur was valuable; and his oil supplied light through the long nights of winter.—*Macaulay, History of England*, ch. xii.

Seal. *v. a.*

1. Fasten with a seal.

He that brings this love to thee,
Little knows this love in me:
And by him *seal* up thy mind.
Shakespear, As you like it, iv. 3, letter.

I have seen her rise from her bed, take forth paper, fold it, write upon't, and afterwards *seal* it.—*Id., Macbeth*, v. 1.

2. Confirm or attest by a seal.

God join'd my heart to Romeo's; thou our hands;
And ere this hand, by thee to Romeo *seal'd*,
Shall be the label to another deed,
Or my true heart with treacherous revolt
Turn to another, this shall slay them both.
Shakespear, Romeo and Juliet, iv. 1.

3. Confirm; ratify; settle.

My soul is purged from grudging hate,
And with my hand I *seal* my true heart's love.
Shakespear, Richard III. ii. 1.

When, therefore, I have performed this, and have *sealed* to them this fruit, I will come by you into Spain.—*Romans*, xv. 28.

Though grace may have reversed the condemning sentence, and *sealed* the sinner's pardon before God, yet it may have left no transcript of that pardon in the sinner's breast.—*South, Sermons.*

4. Shut; close: (with *up*).

Seal up your lips, and give no words, but mum.
Shakespear, Henry VI. Part II. i. 2.

At my death
Thou hast *seal'd up* my expectation.
Shakespear, Henry IV. Part II. iv. 4.

The sense is like the sun; for the sun *seals up* the globe of heaven, and opens the globe of earth: so the sense doth obscure heavenly things, and reveals earthly things.—*Bacon.*

5. Make fast.

Back to the infernal pit I drag thee chain'd,
And *seal* thee so, as henceforth not to scorn
The facile gates of hell too slightly barr'd.
Milton, Paradise Lost, vii. 408.

6. Fix; decide.

His death sits lightly, but her fate
Has made me what thou well mayst hate.
His doom was *seal'd*—he knew it well,
Warn'd by the voice of stern Taheer,
Deep in whose darkly-boding ear
The deathshot peal'd of murder near,
As filed the troop to where they fell.
Byron, The Giaour.

7. Mark with a stamp.

Seal. *v. n.* Fix a seal: (with *to* or *unto*).

We make a sure covenant and write it; and our princes, Levites, and priests *seal unto* it.—*Nehemiah*, ix. 38.

I will *seal unto* this bond.
Shakespear, Merchant of Venice, i. 3.

Seal. *s.* [Lat. *sigillum*; A.S. *sigel.*]

1. Stamp engraved with a particular impression, which is fixed upon the wax that closes letters, or affixed as a testimony.

The king commands you
To render up the great *seal*.
Shakespear, Henry VIII. iii. 2.

If the organs of perception, like wax over-hardened with cold, will not receive the impression of the *seal*; or, like wax of a temper too soft, will not hold it; or else supposing the wax of a temper fit, but the *seal* not applied with a sufficient force to make a clear impression: in any of these cases the print left by the *seal* will be obscure.—*Locke.*

2. Impression made in wax.

Till thou canst rail the *seal* from off my bond,
Thou but offend'st thy lungs to speak so loud.
Shakespear, Merchant of Venice, iv. 1.

Solyman shewed him his own letters, asking him if he knew not that hand, and if he knew not that *seal*?—*Knolles, History of the Turks.*

As the *first element* in a *compound.*

He saw his monkey picking the *seal-wax* from a letter.—*Arbuthnot.*

3. Any act of confirmation.

They their fill of love
Took largely, of their mutual guilt the *seal*.
Milton, Paradise Lost, ix. 1042.

Seal-ring. *s.* Ring in which a seal is set.

The same his grandsire wore about his neck
In three *seal rings*, which after, melted down,
Form'd a vast buckle for his widow's gown.
Pope, Rape of the Lock, canto v.

They dressed themselves out for the occasion: a great *seal-ring* flamed on the finger, which, however, was pure copper gilt, and they often assumed the name of some person of good credit.—*I. Disraeli, Curiosities of Literature.*

Seáled. *part. adj.* Having a seal.

a. As a stamp.

You'd rail upon the hostess.
And say you would present her at the leet,
Because she brought stone jugs, and no *seal'd* quarts.
Shakespear, Taming of the Shrew, induction, sc. 2.

b. As a cover.

Seáler. *s.* One that seals (by stamping).

Seáler. *s.* One who hunts seals.

Seáling. *verbal abs.* Act of sealing.

Those that sealed [in the margin, at the *sealings*] were Nehemiah, Seraiah, &c.—*Nehemiah*, x. 1.

Seálingwax. *s.* Hard wax used to seal letters.

The prominent orifice was closed with *sealing-wax*.—*Boyle.*

The Hindoos, from time immemorial, have possessed the resin lac, and were long accustomed to use it for sealing manuscripts, &c., before it was known in Europe. It was first imported from the East into Venice, and then into Spain; in which country *sealing-wax* became the object of a considerable commerce under the name of Spanish wax.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Seam. *s.* [from A.S. *seme.*] Tallow; grease; hog's lard.

Shall the proud lord,
That bastes his arrogance with his own *seam*,
Be worshipp'd?
Shakespear, Troilus and Cressida, ii. 3.

Part scour the rusty shields with *seam*, and part
New grind the blunted axe.
Dryden, Translation of the Æneid, vii. 867.

Seam. *s.* [A.S.]

1. Suture where the two edges of cloth are sewed together.

In velvet white as snow the troop was gown'd,
The *seams* with sparkling emeralds set around.
Dryden, The Flower and the Leaf, 161.

Precepts should be so finely wrought together in the same piece, that no coarse *seam* may discover where they join.—*Addison.*

2. Juncture of planks in a ship.

With boiling pitch another near at hand
The *seams* instops (from friendly Sweden brought),
Which, well laid o'er, the salt sea waves withstand.
Dryden, Annus Mirabilis, cxlvii.

3. Cicatrix; scar.

4. In *Mining.* See extract.

A stratum, bed, or *seam* of coal is not a solid mass of uniform texture, nor always of homogeneous quality in burning. It is often divided or intersected with its concomitant strata by what are called partings, backs, cutters, reeds, or ends.... The following considerations must be had in view in establishing a coal-mine.... The nature of the pavement of the *coal-seam*, particularly as to hardness and softness; and, if soft, to what depth it may be so. The nature of the roof of the *coal-seam*, whether compact, firm, or strong; or weak, and liable to fall; and also the nature of the superincumbent strata.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Seam. *v. a.*

1. Join together by suture, or otherwise.

2. Mark; scar with a long cicatrix.

Seam'd o'er with wounds which his own sabre gave.
Pope, Translation of the Odyssey, iv. 335.

Say, has the small or greater pox
Sunk down her nose, or *seam'd* her face? *Swift.*

Seámaid. *s.*

1. Mermaid.

Certain stars shot from their spheres,
To hear the *seamaid's* musick.
Shakespear, Midsummer-Night's Dream, ii. 2.

2. Water-nymph.

You fisher-boyes, and *sea-maids'* dainty crew,
Farewell! for Thomalin will seek a new
And more respectful stream: ungrateful Chame, adieu!
P. Fletcher, Piscatory Eclogues, ii. 21.

Seáman. *s.*

1. Sailor; navigator; mariner.

She, looking out,
Beholds the fleet, and hears the *seamen* shout.
Sir J. Denham, Passion of Dido.

Seamen through dismal storms are wont
To pass the oyster-breeding Hellespont. *Evelyn.*

By undergoing the hazards of the sea, and the company of common *seamen*, you make it evident you will refuse no opportunity of rendering yourself useful.—*Dryden.*

Æneas order'd on the shore
A stately tomb, whose top a trumpet bore,
A soldier's faulchion, and a *seaman's* oar;
Thus was his friend interr'd.
Id., Translation of the Æneid, vi. 331.

Had they applied themselves to the increase of their strength by sea, they might have had the greatest fleet and the most *seamen* of any state in Europe.—*Addison.*

All the remedy I found for this was, at last recollecting I had, among the *seamen's* clothes which were saved out of the ship, some neckcloths of calico or muslin.—*Defoe, Adventures of Robinson Crusoe.*

2. Merman; male of the mermaid.

Seals live at land and at sea, and porpuses have the warm blood and intrails of a hog, not to mention mermaids or *seamen*.—*Locke.*

Seámanship. *s.* Naval skill; good management of a ship.

Privateers and Moorish corsairs possess not the best *seamanship*, and very little discipline.—*Burke, Considerations on the State of Affairs.*

The boatswain remonstrated strongly against this resolution. 'The lads,' he said, 'all knew Cleveland, and could trust his *seamanship*, as well as his courage.'—*Sir W. Scott, The Pirate*, ch. xxxiv.

Seámark. *s.* Point or conspicuous place distinguished at sea, and serving the mariners as directions of their course.

Those white rocks,
Which all along the southern seacoast lay,
Threat'ning unheedy wreck and rash decay,
He for his safety's sake his *seamark* made,
And named it Albion. *Spenser, Faerie Queen.*

Though you do see me weapon'd,
Here is my journey's end, here is my butt,
The very *seamark* of my utmost sail.
Shakespear, Othello, v. 2.

They were executed at divers places upon the seacoast, for *seamarks* or lighthouses, to teach Perkin's people to avoid the coast.—*Bacon, History of the Reign of Henry VII.*

Live I once more
To see these hands and arms free! these that often
In the most dreadful horror of a fight
Have been as *seamarks*, to teach such as were
Seconds in my attempts to steer between
The rocks of too much daring and pale fear,
To reach the port of victory.
Massinger, The Unnatural Combat, i. 1.

They are remembered with a brand of infamy fixt upon them, and set as *sea-marks* for those who observe them to avoid.—*Dryden.*

He private mark'd the fault of others' sway,
And set as *seamarks* for himself to shun.
Id., Heroic Stanzas on the Death of Oliver Cromwell.

Seámaul. *s.* Seamew; seagull.

Seámew. *s.* Seagull.

As a *compound.*

An island salt and bare,
The haunt of seals, and orcs, and *seamews'* clang.
Milton, Paradise Lost, xi. 834.

As *two words.*

Adieu; adieu, my native shore
Fades o'er the waters blue;
The night-winds sigh, the breakers roar,
And shrieks the wild *seamew*.
Byron, Childe Harold.

Seámless. *adj.* Having no seam.

The soldiers have parted thy garments, and cast lots upon thy *seamless* coat.—*Bishop Hall, Contemplations, The Crucifixion.*

Ye, whose faction and turbulency in novel opinions rends the *seamless* coat, not considering that of Melancthon, that schism is no less than idolatry.—*Id., Sermons, The Hypocrite.*

There froward authors, with disputes, have torn
The garments *seamless* as the firmament.
Sir W. Davenant, Gondibert, b. ii.

Show such a *seamless* coat from schism so free,
In no communion join'd with heresy.
Dryden, Hind and Panther, ii. 620.

Seámrent. *s.* Separation of anything where it is joined; breach of the stitches.

Seámrent. *adj.* Split along the course of a seam.

Methinks a lord should turn away his tailor, of all men; and how dost thou, tailor?—I do so, so: but, indeed, all my lord's wants are long of this publican, my lord's bailiff; for had he been rent-gatherer still, our places had been together still; now we are *seam-rent*, nay, cracked in the whole piece.—*Massinger, The Old Law*, iii. 1.

Seámster. *s.* See Sempster.

Our rags pretend to be our reformations; and our schismaticks would seem our *seamsters*, and our renders will needs be our reformers and repairers.—*Bishop Gauden, Life of Bishop Brownrigg*, p. 242: 1660.

Seámstress. *s.* Sempstress. For the form see Spinster.

They wanted food and raiment; so they took
Religion for their *seamstress* and their cook.
Cleaveland.

Seámy. *adj.* Having a seam; showing the seam.

Some such squire he was
That turn'd your wit the *seamy* side without,
And made you to suspect me.
Shakespear, Othello, iv. 2.

Sean. *s.* [A.S. *segne*; Lat. *sagena.*] Kind of net.

Birds are ta'en
With tramels, fishes by the entangling *saine.*
Sandys, Paraphrase of Ecclesiasticus, p. 14: 1648.

Seánymph. *s.* Goddess of the sea.

Virgil, after Homer's example, gives us a transformation of Æneas's ships into *sea-nymphs.*—*Broome.*

Her maidens, dressed like *sea-nymphs* and graces, handled the silken tackle and steered the vessel.—*Sharpe, History of Egypt*, ch. x.

Seápiece. *s.* Picture representing anything at sea.

Painters often employ their pencils upon *sea-pieces.*—*Addison.*

Seápool. *s.* Lake of salt water.

I heard it wished, that all that land were a *sea-pool.*—*Spenser.*

Seáport. *s.* Harbour.

Scene, for the first act, in Venice; during the rest of the play, at a *sea-port* in Cyprus.—*Shakespear, Othello.*

Sear. *adj.* Dry; not any longer green.

I have lived long enough: my May of life
Is fall'n into the *sear*, the yellow leaf.
Shakespear, Macbeth, v. 3.

Ye myrtles brown, with ivy never *sear.*
Milton, Lycidas, 2.

Some may be cherished in dry places, as in *sear* wood.—*Ray.*

Sear. *v. a.* [A.S. *searian.*]

1. Burn; cauterize.

The scorching flame sore singed all his face,
And through his armour all his body *sear'd.*
Spenser, Faerie Queen.

Some shall depart from the faith . . . speaking lies, having their conscience *seared* with a hot iron.—1 *Timothy*, iv. 1.

Cherish veins of good humour, and *sear* up those of ill.—*Sir W. Temple.*

I'm *sear'd* with burning steel, till the scorch'd marrow
Fries in the bones. *Rowe, Royal Convert.*

Houses were burned: the stones of mills were broken to pieces: fruit trees were cut down, and the very roots *seared* with fire.—*Macaulay, History of England*, ch. v.

2. Wither; dry.

The wither'd frame, the ruin'd mind,
The wrack by passion left behind,
A shrivell'd scroll, a scatter'd leaf,
Sear'd by the autumn blast of grief.
Byron, The Giaour.

Séarcloth. *s.* [*sear*, improperly for *cere*, from *cera* = wax.] Cerement; cloth for spreading it on: (in the extract, *adjectival*).

Bees' wax is the ground of all *searcloth* salves.—*Mortimer, Husbandry.*

Searce. *v. a.* [Fr. *sasser.*] Sift.

For the keeping of meal, bolt and *searce* it from the bran.—*Mortimer, Husbandry.*

Searce. *s.* [Fr. *sas.*] Sieve; bolter.

My next difficulty was to make a sieve, or *searce*, to dress my meal, and to part it from the bran and the husk, without which I did not see it possible I could have any bread. This was a most difficult thing, even but to think on; for I had nothing like the necessary thing to make it; I mean fine thin canvass or stuff, to *searce* the meal through.—*Defoe, Life and Adventures of Robinson Crusoe.*

Searced. *part. adj.* Sifted.

Put the finely *searced* powder of alabaster into a flat-bottomed and well-heated brass vessel.—*Boyle.*

Seárcer. *s.* [Fr. *sasseur.*] One who sifts or bolts corn.

Search. *v. a.* [Fr. *chercher.*]

1. Examine; try; explore; look through.

Go and *search* diligently for the young child.—*Matthew*, ii. 8.

Help to *search* my house this one time: if I find not what I seek, let me for ever be your table sport.—*Shakespear, Merry Wives of Windsor*, iv. 2.

Through the void immense
To *search* with wandering quest a place foretold.
Milton, Paradise Lost, ii. 829.

2. Inquire; seek for.

Now clear I understand
What oft my steadiest thoughts have *search'd* in vain. *Milton, Paradise Lost*, xii. 376.

Enough is left besides to *search* and know.
Ibid., vii. 125.

Draw up some valuable meditations from the depths of the earth, and *search* them through the vast ocean.—*Watts.*

3. Probe as a surgeon.

Alas, poor shepherd! *searching* of thy wound,
I have, by hard adventure, found my own.
Shakespear, As you like it, ii. 4.

With this good sword,
That ran through Cæsar's bowels, *search* this bosom.
Id., Julius Cæsar, v. 3.

Search out. Find by seeking.

Ye did not believe the Lord your God, who went before you, to *search* you *out* a place to pitch your tents in.—*Deuteronomy*, i. 32.

They may sometimes be successful to *search out* truth.—*Watts.*

Search. *v. n.*

1. Make a search; look for something.

Satisfy me once more; once more *search* with me.
Shakespear, Merry Wives of Windsor, iv. 2.

2. Make inquiry.

To ask or *search* I blame thee not.
Milton, Paradise Lost, viii. 66.

Those who seriously *search* after or maintain truth, should study to deliver themselves without obscurity or equivocation.—*Locke.*

It sufficeth that they have once with care sifted the matter, and *searched* into all the particulars that could give any light to the question.—*Id.*

With piercing eye some *search* where nature plays,
And trace the wanton through her darksome maze.
Tickell.

3. Seek; try to find.

Your husband's coming, woman, to *search* for a gentleman that is here now in the house.—*Shakespear, Merry Wives of Windsor*, iii. 3.

We in vain *search* for that constitution within a fly, upon which depend those powers we observe in them.—*Locke.*

I *search'd*, but vainly *search'd*, to find
The workings of a wounded mind;
Each feature of that sullen corse
Betray'd his rage, but not remorse.
Byron, The Giaour.

Search. *s.*

1. Inquiry by looking into every suspected place.

The orb he roam'd
With narrow *search* and with inspection deep.
Milton, Paradise Lost, ix. 82.

2. Examination.

The mind sets itself on work in *search* of some hidden idea, and turns the eye of the soul upon it.—*Locke.*

3. Inquiry; act of seeking: (with *of*, *for*, or *after*).

His reasons are as two grains of wheat hid in two bushels of chaff: you shall seek all day ere you find them, and when you have them, they are not worth the *search*.—*Shakespear, Merchant of Venice*, i. 1.

Who great in *search of* God and nature grow,
They best the wise Creator's praise declare.
Dryden.

Now mourn thy fatal *search*:
It is not safe to have too quick a sense. *Id.*

By the philosophical use of words, I mean such an use as conveys the precise notions of things, which the mind may be satisfied with in its *search after* knowledge.—*Locke.*

The parents, after a long *search for* the boy, gave him for drowned in a canal.—*Addison.*

This common practice carries the heart aside from all that is honest in our *search after* truth.—*Watts.*

4. Quest; pursuit.

If zealous love should go in *search* of virtue,
Where should he find it purer than in Blanche?
Shakespear, King John, ii. 2.

Stay him from his intendment, or brook such disgrace well as he shall run into: in that it is a thing of his own *search*, and altogether against my will.—*Id., As you like it*, i. 1.

Nor did my *search* of liberty begin,
Till my black hairs were changed upon my chin.
Dryden, Translation of Virgil, Eclogues, i. 39.

Seárcher. *s.* One who, that which, searches.

1. Examiner; trier.

The *searchers* found a marvellous difference between the Anakins and themselves.—*Sir W. Raleigh.*

Religion has given us a more just idea of the divine nature: he whom we appeal to is truth itself, the great *searcher* of hearts, who will not let fraud go unpunished, or hold him guiltless that taketh his name in vain.—*Addison.*

2. Seeker; inquirer.

In vain we lift up our presumptuous eyes
To what our Maker to their ken denies:
The *searcher* follows fast; the object faster flies.
Prior, Solomon, i. 745.

Avoid the man who practises any thing unbecoming a free and open *searcher* after truth.—*Watts.*

3. Person formerly appointed in London to examine the bodies of the dead, and report the cause of death.

The *searchers*, who are ancient matrons sworn to their office, repair to the place where the dead corps lies, and by view of the same, and by other inquiries, examine by what disease the corps died.—*Graunt, Observations on the Bills of Mortality.*

Seárching. *part. adj.* Minute and careful in the way of investigation: (as, 'A *searching* enquiry').

Seárching. *verbal abs.* Examination; inquisition.

For the divisions of Reuben there were great *searchings* of heart.—*Judges*, v. 16.

Used *adjectivally.*

The signs of wounds penetrating are discovered by the proportion of the *searching* candle, or probe which enters into the cavity.—*Wiseman, Surgery.*

Seáred. *part. adj.* Dried up; scorched.

Some beauty peeped through lattice of *seared* age.
Shakespear, Lover's Complaint.

With all that grace, that nobleness, that suavity, under which lay, hidden from all common observers, a *seared* conscience and a remorseless heart, he professed himself the most devoted, the most loyal, of all the subjects of William and Mary, and expressed a hope that he might, in this emergency, be permitted to offer his sword to their majesties.—*Macaulay, History of England*, ch. xx.

Seáredness. *s.* Attribute suggested by Seared.

He wonders at my extreme prodigality of credit, and *searedness* of conscience, in citing an epistle so convicted by Bellarmine!—*Bishop Hall, Honour of the married Clergy*, p. 261.

Delivering up the sinner to a stupidity, or *searedness* of conscience.—*South, Sermons*, ix. 54.

He is sealed up under a spirit of *searedness* and reprobation.—*Ibid.* x. 233.

Seárisk. *s.* Hazard at sea.

He was so great an encourager of commerce, that he charged himself with all the *sea-risque* of such vessels as carried corn to Rome in the winter.—*Arbuthnot.*

Seároom. *s.* Open sea; spacious main.

There is *sea-room* enough for both nations, without offending one another.—*Bacon, Advice to Villiers.*

The bigger whale like some huge carrack lay,
Which wanteth *sea-room* with her foes to play.
Waller.

Seáservice. *s.* Naval war.

You were pressed for the *sea-service*, and got off with much ado.—*Swift, Advice to Servants.*

Seáshell. *s.* Shell found on the shore.

Sea-shells are great improvers of sour or cold land.—*Mortimer, Husbandry.*

Seásick. *adj.* Sick, as new voyagers on the sea.

She began to be much *sea-sick*, extremity of weather continuing.—*Shakespear, Winter's Tale*, v. 2.

Barbarossa was not able to come on shore, for that he was, as they said, *sea-sick*, and troubled with an ague.—*Knolles, History of the Turks.*

In love's voyage nothing can offend;
Women are never *sea-sick*.
Dryden, Translation of Juvenal, vi. 141.

Weary and *sea-sick*, when in thee confined;
Now, for thy safety, cares distract my mind. *Swift.*

'A mind diseased no remedies can physic—'
Here the ship gave a lurch, and he grew *seasick*.
Byron, Don Juan, ii. 19.

Seásnake. *s.* [a compound rather than two words; *sea-serpent*, which is entered as two words rather than a compound, differs from this in accent chiefly from being a trisyllable.] Sea-serpent (true and false).

In the blue depth of waters,
Where the wave has no strife,
Where the wind is a stranger,
And the *sea-snake* has life;
Where the mermaid is decking
Her green hair with shells,
Like the storm on the surface,
Came the sound of thy spells;
O'er my calm hall of coral,
The deep echo roll'd;
To the spirit of Ocean
Thy wishes unfold. *Byron, Manfred*, i. 1.

Seáson. *s.* [Fr. *saison.*]

1. One of the four parts of the year, Spring, Summer, Autumn, Winter.

The fairest flowers o' the *season*
Are our carnations and streak'd gillyflowers.
Shakespear, Winter's Tale, iv. 3.

Then Summer, Autumn, Winter did appear;
And Spring was but a *season* of the year.
Dryden, Translation from Ovid, Metamorphoses, b. i.

We saw, in six days' travelling, the several *seasons* of the year in their beauty.—*Addison, Travels in Italy.*

2. Time as distinguished from others.

He's noble, wise, judicious, and best knows
The fits o' the *season*. *Shakespear, Macbeth*, iv. 2.

The *season* prime for sweetest scents and airs.
Milton, Paradise Lost, ix. 200.

3. Fit time; opportune concurrence.

At *season* fit let her with thee partake.
Milton, Paradise Lost, xii. 597.

All business should be done betimes; and there's as little trouble of doing it in *season* too, as out of *season.—Sir R. L'Estrange.*

For active sports, for pleasing rest,
This is the time to be possest;
The best is but in *season* best. *Dryden.*

I would indulge the gladness of my heart!
Let us retire: her grief is out of *season*. *A. Philips.*

There is no *season* to which such thoughts as these are more suitable.—*Bishop Atterbury.*

The *season* when to come, and when to go,
To sing, or cease to sing, we never know.
Pope, Imitations of Horace, b. ii. ep. i.

4. Time not very long.

We'll slip you for a *season*, but our jealousy
Does yet depend. *Shakespear, Cymbeline*, iv. 3.

5. That which gives a relish.

You lack the *season* of all natures, sleep.
Shakespear, Macbeth, iii. 4.

Salt too little, which may *season* give.
Id., Much Ado about Nothing, iv. 1.

Seáson. *v. a.*

1 Mix with food anything that gives a high relish.

Every oblation of thy meat-offering shalt thou *season* with salt.—*Leviticus*, ii. 13.

They *seasoned* every sacrifice, whereof a greater part was eaten by the priests.—*Sir T. Browne, Vulgar Errours.*

For breakfast and supper, milk and milk-pottage are very fit for children: only let them not be *seasoned* with sugar.—*Locke.*

2. Give a relish to; recommend by something mingled.

You *season* still with sports your serious hours;
For age but tastes of pleasures, youth devours.
Dryden, Epistles, To his kinsman John Dryden, 60.

The proper use of wit is to *season* conversation, to represent what is praiseworthy to the greatest advantage, and to expose the vices and follies of men.—*Archbishop Tillotson.*

3. Qualify by admixture of another ingredient; temper.

Mercy is above this sceptred sway;
It is an attribute to God himself;
And earthly power does then shew likest God's,
When mercy *seasons* justice.
Shakespear, Merchant of Venice, iv. 1.

Season your admiration but a while
With an attentive ear, till I deliver
This marvel to you. *Id., Hamlet*, i. 1.

4. Imbue; tinge or taint.

Whatever thing
The scythe of time mows down, devour unspared,
Till I, in man residing, through the race
His thoughts, his looks, words, actions, all infect,
And *season* him thy last and sweetest prey.
Milton, Paradise Lost, x. 605.

Secure their religion, *season* their younger years with prudent and pious principles.—*Jeremy Taylor.*

Sin, taken into the soul, is like a liquor poured into a vessel; so much of it as it fills, it also *seasons*: the touch and tincture go together.—*South, Sermons.*

5. Fit for any use by time or habit; mature.

The crow doth sing as sweetly as the lark,
When neither is attended; and, I think,
The nightingale, if she should sing by day,
When every goose is cackling, would be thought
No better a musician than the wren:
How many things by season *season'd* are,
To their right praise and true perfection!
Shakespear, Merchant of Venice, v. 1.

Who in want a hollow friend doth try,
Directly *seasons* him his enemy. *Id., Hamlet*, iii. 2.

A man should harden and *season* himself beyond the degree of cold wherein he lives.—*Addison.*

6. Dry; harden: (applied to *timber*).

Many a tree must be felled and squared, and many a stone hewne and polished, ere this foundation could be laid; neither could those large cedars be cut, sawne, *seasoned*, in one yeare.—*Bishop Hall, The Temple.* (Ord MS.)

Seáson. *v. n.*

1. Become mature; grow fit for any purpose.

Carpenters rough plane boards for flooring, that they may set them by to *season.—Moxon, Mechanical Exercises.*

2. Savour.

Lose not your labour and your time together;
It *seasons* of a fool.
Beaumont and Fletcher, The Chances.

Seásonable. *adj.* Opportune; happening or done at a proper time; proper as to time.

Mercy is *seasonable* in the time of affliction, as clouds of rain in the time of drought.—*Ecclesiasticus*, v. 2.

If ever it was *seasonable* to preach courage in the despised abused cause of Christ, it is now, when his truths are reformed into nothing, when the hands and hearts of his faithful ministers are weakened.—*South, Sermons.*

As soon as he had reason to believe that the day of deliverance and retribution was at hand, he had, by a most dexterous and *seasonable* treason, earned his pardon.—*Macaulay, History of England*, ch. xx.

Seásonableness. *s.* Attribute suggested by Seasonable; opportuneness of time; propriety with regard to time.

I durst never lay too much hope on the forward beginnings of wit and memory, which have been applauded in children. I knew they could but attain their vigour; and if sooner, no whit the better; for the earlier is their perfection of wisdom, the longer shall be their witless age. *Seasonableness* is best in all these things which have their ripeness and decay.—*Bishop Hall, Holy Observations*, § 15: 1609.

Neither the goodness of the soil, nor the *seasonableness* of the weather, nor the industry of the husbandman, is now inferiour to that of former ages.—*Hakewill, Apology*, p. 145.

A British freeholder would very ill discharge his part, if he did not acknowledge the excellency and *seasonableness* of those laws by which his country has been recovered out of its confusions.—*Addison.*

Seásonably. *adv.* In a seasonable manner; properly with respect to time.

This is that to which I would most earnestly, most *seasonably* advise you all.—*Bishop Sprat, Sermons.*

Seásonage. *s.* Seasoning; sauce. *Rare.*

Light gives a *seasonage* to all other fruitions, lays open the bosom of the universe, and shows the treasures of nature; in a word, gives opportunity to the enjoyment of all the other senses.—*South, Sermons*, viii. 408.

Charity is the grand *seasonage* of every christian duty.—*Ibid.* ix. 152.

Seásoned. *part. adj.* Rendered strong (as timber).

We charge you, that you have contrived to take
From Rome all *season'd* office, and to wind
Yourself into a power tyrannical.
Shakespear, Coriolanus, iii. 3.

The archers of his guard shot two arrows every man together against an inch board of well *seasoned* timber.—*Sir J. Hayward.*

His plenteous stores do *season'd* timber send;
Thither the brawny carpenters repair.
Dryden, Annus Mirabilis, cxlii.

Seásoner. *s.* One who, that which, seasons.

Seásoning. *verbal abs.*

1. Act by which anything is seasoned

2. That which is added to anything to give it a relish.

Breads we have of several grains, with divers kinds of leavenings and *seasonings*; so that some do extremely move appetites, and some do nourish so as divers do live of them alone.—*Bacon.*

Some abound with words, without any *seasoning* or taste of matter.—*B. Jonson.*

A foundation of good sense, and a cultivation of learning, are required to give a *seasoning* to retirement, and make us taste the blessing.—*Dryden.*

Political speculations are of so dry and austere a nature, that they will not go down with the publick without frequent *seasonings.—Addison, Freeholder.*

The publick accept a paper which has in it none of those *seasonings* that recommend the writings which are in vogue among us.—*Id., Spectator.*

Many vegetable substances are used by mankind as *seasonings*, which abound with a highly exalted aromatic oil; as thyme and savory.—*Arbuthnot, On the Nature and Choice of Aliments.*

3. Discipline.

I am too hot now, and o'ercapable,
For the tedious processes, and creeping wisdom,
Of human acts, and enterprises of a man.
I want some *seasonings* of adversity,
Some strokes of the old mortifier Calamity,
To take these swellings down, divines call vanity.
C. Lamb, John Woodvil.

Seástick. *s.* See extract.

The herrings caught and cured at sea are called *seasticks.—A. Smith, Wealth of Nations*, vol. ii. p. 10. (Ord MS.)

Seat. *s.* [Lat. *sedes.*]

1. Chair, bench, or anything on which one may sit.

The sons of light
Hasted, resorting to the summons high,
And took their *seats*. *Milton, Paradise Lost*, xi. 80.

The lady of the leaf ordain'd a feast,
And made the lady of the flower her guest;
When, lo, a bower ascended on the plain,
With sudden *seats* ordain'd, and large for either train. *Dryden, The Flower and the Leaf*, 423.

2. Chair of state; throne; post of authority; tribunal.

With due observance of thy godlike *seat*,
Great Agamemnon, Nestor shall supply
Thy latest words.
Shakespear, Troilus and Cressida, i. 3.

Thus we debase
The nature of our *seats*, and make the rabble
Call our cares fears. *Id., Coriolanus*, iii. 1.

Whatsoever be the manner of the world's end, most certain it is an end it shall have, and as certain that then we shall appear before the judgement-*seat* of Christ, that every man may receive according to that which he hath done in his body, whether it be good or evil.—*Hakewill, Apology.*

3. Mansion; residence; dwelling; abode.

It were enough in reason to succour with victuals, and other helps, a vast multitude, compelled by necessity to seek a new *seat*, or to direct them unto a country able to receive them.—*Sir W. Raleigh.*

O earth, how like to heaven! if not preferr'd
More justly, *seat* worthier of gods, as built
With second thoughts, reforming what was old.
Milton, Paradise Lost, ix. 99.

In Alba he shall fix his royal *seat*;
And, born a king, a race of kings beget.
Dryden, Translation of the Æneid, vi. 1039.

Has winter caused thee, friend, to change thy *seat*,
And seek in Sabine air a warm retreat?
Id., Translation of Persius, vi. 1.

The promis'd *seat* of empire shall again
Cover the mountain, and command the plain.
Prior, Solomon, iii. 857.

4. Situation; site.

It followeth now that we find out the *seat* of Eden: for it was Paradise by God planted.—*Sir W. Raleigh.*

A church by Strand-bridge, and two bishops' houses, were pulled down to make a *seat* for his new building.—*Sir J. Hayward.*

He that builds a fair house upon an ill *seat*, committeth himself to prison.—*Bacon.*

The fittest and the easiest to be drawn
To our society, and to aid the war,
The rather for their *seat*, being next borderers
On Italy. *B. Jonson, Catiline's Conspiracy.*

Seat. *v. n.* Rest; lie down. *Rare.*

Him thether eke for all his fearfull threat
He followed fast, and chased him so nie,
That to the folds, where sheepe at night doe *seat*,
And to the little cots, where shepherds lie
In winter's wrathfull time, he forced him to flie.
Spenser, Faerie Queen, vi. 9. 4.

Seat. *v. a.*

1. Place on seats; cause to sit down.

The guests were no sooner *seated* but they entered into a warm debate.—*Arbuthnot.*

2. Place in a post of authority, or place of distinction.

Thus high was king Richard *seated*.
Shakespear, Richard III. iv. 2.

Not Babylon,
Nor great Alcairo, such magnificence
Equall'd in all their glories to inshrine
Belus or Serapis their gods, or *seat*
Their kings. *Milton, Paradise Lost*, i. 717.

A spirit of envy or opposition makes mankind uneasy to see others of the same species *seated* above them in a sort of perfection.—*Pope.*

3. Fix in any particular place or situation; settle.

Should one family or one thousand hold possession of all the southern undiscovered continent, because they had *seated* themselves in Nova Guiana?—*Sir W. Raleigh.*

By no means build too near a great neighbour, which were, in truth, to be as unfortunately *seated* on the earth as Mercury is in the heavens; for the most part ever in combustion, or obscurity, under brighter beams than his own.—*Sir H. Wotton.*

Seáted. *part. adj.* Settled; fixed; placed firm.

Why do I yield to that suggestion,
Whose horrid image doth unfix my hair,
And make my *seated* heart knock at my ribs,
Against the use of nature?
Shakespear, Macbeth, i. 3.

From their foundations loosening to and fro,
They pluck'd the *seated* hills.
Milton, Paradise Lost, vi. 643.

Seatérm. *s.* Word of art used by the seamen.

I agree with you in your censure of the *sea-terms* in Dryden's Virgil, because no terms of art, or cant words, suit the majesty of epick poetry.—*Pope.*

Seathiéf. *s.* Pirate.

The one be *sea-theeves*, suche as lye in the straits and corners of the sea, and take other men's goods from them by force.—*Bishop of Chichester, Two Sermons*, C. i. b.: 1576.

Seátorn. *adj.* Torn by the sea.

As fair a bay,
As ever merchant wish'd might be the road,
Wherein to ease his *sea-torn* vessel's load.
W. Browne, Britannia's Pastorals, b. ii. song i.

Seátost. *adj.* Tost by the sea.

The ship upon whose deck
The *sea-tost* prince appears to speak.
Shakespear, Pericles, iii. Gower.

Seáwall. *s.* Embankment against the sea.

There is much difference of opinion among engineers as to whether *sea-walls* intended to encounter the shock of the waves should be vertical, or inclined like a beach. . . . The best material for the heart or body of a *sea-wall* is stiff clay, but even this material requires to be carefully packed to prevent percolation. In Essex the clay is dug from the fore shore in spits, and packed into a *sea-wall* by an operation termed Flood Flanking. The spits are delivered by the barrow men to the packers, who, taking each spit on a pitchfork, strike it forcibly into its place. The crevices produced by the shrinkage of the spits in drying are filled with mud, which is called Sludging. Peat or bog is sometimes used for *sea-walls*, and it is fibrous and tough, but light, and requires to be weighted with stone. Gravel is valuable for the formation of an artificial beach at the foot of the wall, and which also serves as a road. Usually *sea-walls* are faced with stone, and by spreading gravel over this facing the small stones insinuate themselves and wedge the large stones together.—*Bourne*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Seáwalled. *adj.* Surrounded by the sea.

Our *sea-walled* garden, the whole land,
Is full of weeds. *Shakespear, Richard II.* iii. 4.

Seáward. *adj.* Directed towards the sea.

To your *seaward* steps farewell.
Donne, Poems, p. 175.

Seáward. *adv.* Towards the sea.

The rock rush'd *seaward* with impetuous roar,
Ingulf'd, and to the abyss the boaster bore.
Pope, Translation of the Odyssey, iv. 681.

With *to*.

[They] victualling again, with brave and manlike minds,
To seaward cast their eyes, and pray for happy winds. *Drayton, Polyolbion*, song ii.

Seáwater. *s.* Water of the sea; salt (as opposed to fresh) water; natural (as opposed to artificial or mineral) salt water.

By digging of pits in the seashore, he did frustrate the laborious works of the enemies, which had turned the *sea-water* upon the wells of Alexandria.—*Bacon, Natural and Experimental History.*

I bathed the member with *sea-water*.—*Wiseman.*

Sea-water has many gross, rough, and earthy particles in it; as appears from its saltness; whereas fresh water is more pure and unmixt.—*Broome.*

Sea-water contains in 1000 parts, 25 of chloride of sodium, 5·3 sulphate of magnesia, 3·5 chloride of magnesium, 0·2 carbonate of lime and magnesia, 0·1 sulphate of lime, besides 1-two-thousandth of sulphate and muriate of potash. It also contains iodide of sodium, and bromide of magnesium. Its average specific gravity is from 1·029 to 1·030. *Sea-water* and weak brines may be concentrated either by the addition of rock-salt, by spontaneous evaporation in brine-pits, or by graduation. . . . When it is requisite to extract the chloride of sodium from *sea-water* by fuel alone, many countries, even maritime, would find the process too costly. The salt is therefore obtained from it by two different manners; 1. by natural evaporation alone; 2. by natural and artificial evaporation combined.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Seáweed. *s.* Etymologically, this is a name for any plant growing in the sea or salt-water. In *Botany*, however, it is restricted to the members of the great group Algæ; in which case it includes several fresh-water plants, and excludes the Sea-wracks. It is, by some botanists, further restricted to the order Fucaceæ. Practically, it may translate either the Latin words, Alga or Fucus.

Fucaceæ, or *seaweeds*, [are] cellular or tubular unsymmetrical bodies, multiplied by simple spores formed externally. Plants sometimes inhabiting fresh water, but more commonly salt water; the former approaching closely to the Confervæ. . . . The *seaweeds* have no particular geographical limits, but occur wherever the ocean or rivers spread themselves over the land. . . . The Macrocystis pyrifera appears to be the *seaweed* reported by navigators to be from five hundred to fifteen hundred feet in length. . . . In the manufacture of kelp, for the use of the glass-maker and soap-boiler, *seaweeds* take their place among the more useful vegetables. . . . French kelp, according to Sir Humphry Davy, yields more iodine than British; and from some experiments made at the Cape of Good Hope, Ecklonia buccinalis is found to contain more than any European *seaweed*.—*Lindley, Vegetable Kingdom.*

Seáworthy. *adj.* In *Navigation*. See extract.

[*Seaworthy*] implies the state or quality of a ship which is in every respect fit for a voyage. Every ship assured must, at the time of the assurance, be able to perform the voyage, unless some external accident should happen, and if she has a latent defect, though wholly unknown to the parties, that will vacate the contract, and the assurers are discharged. . . . But although the assured ought to know whether the ship was *sea-worthy* or not at the time she set out upon her voyage, yet he may not be able to know the condition she may be in after she is out a twelvemonth, and therefore whenever it can be made appear the decay to which the loss is attributed did not commence till a period subsequent to the assurance, as she was *sea-worthy* at the time, the underwriter should be liable.—*Falconer, Nautical Dictionary.* (Burney.)

Seáwrack. *s.* Etymologically, any marine plant; especially when thrown up by the sea, or collected for manure, kelp, or the like. Botanically, it is limited to the few *flowering* plants which grow in salt-water, allied to the Zostera marina, a British plant.

Zosteraceæ—*Sea-wracks*—[are] marine plants resembling sea-weeds, and living among them. Leaves grassy, thin, sheathing at the base. Flowers very minute, absolutely naked, or surrounded by three scales. . . . *If we* are to find anywhere a positive intercalation of flowering and flowerless plants, it is here; where, with naked flowers and distinct sexes, we have the pollen in a condition which may well be compared with the elaters of Marchantia and its allies, and totally different from all that is known in other flowering plants. The habit, too, is quite that of sea-weeds. . . . They can scarcely be said to form any part of the vegetation subdued by man, except in the case of the *Sea-wrack*, Zostera marina, which is a common material for packing, and for stuffing cottagers' cushions, and has also been used for tumours, owing apparently to the iodine of the sea-weeds that are gathered with it.—*Lindley, Vegetable Kingdom.*

Sebáceous. *adj.* [Lat. *sebum* = suet.] In *Physiology*. Connected with the secretion of a fatty matter, more especially from the skin.

The skin is further provided with *sebaceous* and sudoriferous glands.—*Marshall, Outlines of Physiology*, p. 449: 1867.

Sécant. *s.* [Lat. *secans, -antis*, pres. part. of *seco* = I cut.] In *Geometry*. Right line drawn from the centre of a circle, cutting and meeting with another line, called a tangent, without it.

A *secant* cannot be a tangent.—*Bishop Berkeley, The Analyst*, § 24.

Secéde. *v. n.* Withdraw from fellowship or association.

This is one of the grounds on which the right to *secede* has been founded.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Secérn. *v. a.* [Lat. *secerno*.] Separate finer from grosser matter; make the separation of substances in the body: (Secrete *commoner*).

Birds are better meat than beasts, because their flesh doth assimilate more finely, and *severneth* more subtilly.—*Bacon.*

The pituite or mucus *secerned* in the nose and windpipe, is not an excrementitious but a laudable humour, necessary for defending those parts, from which it is *secerned*, from excoriations.—*Arbuthnot.*

Secérnent. *adj.* In *Physiology*. Connected with, having the function of, secretion: (Secreting *commoner*).

Secéss. *s.* [Lat. *secessus*.] Retirement; retreat. *Rare.*

Silent *secess*, waste solitude.—*Dr. H. More, Song of the Soul*, preface, B. 4. b.: 1647.

Secéssion. *s.* [Lat. *secessio, -onis*.]

1. Act of departing.

The accession of bodies upon, or *secession* thereof from the earth's surface, perturb not the equilibration of either hemisphere.—*Sir T. Browne.*

2. Act of withdrawing from any council, alliance, or confederation: (specially applied to the attempted separation on the part of the Southern States of America).

The cells and cloysters of retired votaries, whose very *secession* proclaims their contempt of sinful seculars.—*Bishop Hall, Peacemaker*, § viii.

A Union and *Secession* paper employed the same type, and this was spared.—*Saturday Review*, November 21, 1868.

Secéssionism. *s.* Principle of secession (as of the Southern States of America).

Secéssionist. *s.* One who defends secessionism.

The author seems to have been much struck . . . that the Unionists . . . did not shoot or stab any of the *Secessionists*.—*Saturday Review*, November 21, 1868.

Sécle. *s.* [Fr. *siècle*; Lat. *seculum*.] Century. *Obsolete.*

Of a man's age, part he lives in his father's lifetime, and part after his son's birth; and thereupon it is wont to be said that three generations make one *secle*, or hundred years, in the genealogies.—*Hammond, Practical Catechism.*

Seclúde. *v. a.* [Lat. *secludo*; pass. part. *seclusus*; *seclusio, -onis*.] Confine from; shut up apart; exclude.

None is *secluded* from that function of any degree, state, or calling.—*Archbishop Whitgift.*

Inclose your tender plants in your conservatory, *secluding* all entrance of cold.—*Evelyn, Kalendar.*

Seclúsion. *s.* Shutting out.

Their women appear to have been devoted to a state of *seclusion*.—*T. Warton.*

Nestorius kept aloof in judicious *seclusion*.—*Milman, History of Latin Christianity*, b. ii. ch. iii.

Sécond. *adj.* [Fr.; Lat. *secundus*.—The English have no ordinal of *two*, as the Latins and the nations deriving from them have none of *duo*. What the Latins call *secundus*, from *sequor*, the Saxons term *ōðer*, i.e. other.]

1. Next in order to the first; ordinal of two.

Sunk were their hearts with horror of the crime,
Nor needed to be warn'd a *second* time,
But bore each other back. *Dryden.*

2. Next in value or dignity; inferior.

I shall not speak superlatively of them, lest I be suspected of partiality; but this I may truly say, they are *second* to none in the Christian world.—*Bacon, Advice to Villiers.*

None I know
Second to me, or like; equal much less.
Milton, Paradise Lost, viii. 406.

My eyes are still the same; each glance, each grace,
Keep their first lustre, and maintain their place,
Not *second* yet to any other face. *Dryden.*

By a sad train of miseries alone
Distinguish'd long, and *second* now to none. *Pope.*

Persons of *second* rate merit in their own country, like birds of passage, thrive here, and fly off when their employments are at an end.—*Swift.*

Sécond. *s.*

1. One who accompanies another in a duel to direct or defend him.

Their *seconds* minister an oath,
Which was indifferent to them both,
That on their knightly faith and troth
No magick them supplied;
And sought them that they had no charms,
Wherewith to work each other's harms,
But came with simple open arms
To have their causes tried. *Drayton, Nymphidia.*

Their first encounters were very furious, till after some toil and bloodshed they were parted by the *seconds.—Addison.*

Personal brawls come in as *seconds* to finish the dispute of opinion.—*Watts.*

'I think we may adjourn,' said Lieutenant Tappleton.—'Certainly,' added the doctor.—'Unless,' interposed the man with the camp-stool, 'unless Mr. Winkle feels himself aggrieved by the challenge; in which case, I submit, he has a right to satisfaction.'—Mr. Winkle, with great self-denial, expressed himself quite satisfied already.—'Or possibly,' said the man with the camp-stool, 'the gentleman's *second* may feel himself affronted with some observations which fell from me at an early period of this meeting: if so, I shall be happy to give him satisfaction immediately.'—*Dickens, Pickwick Papers*, ch. ii.

2. One who supports or maintains; supporter; maintainer.

He propounded the duke as a main cause of divers infirmities in the state, being sure enough of *seconds* after the first onset.—*Sir H. Wotton.*

Courage, when it is only a *second* to injustice, and falls on without provocation, is a disadvantage to a character.—*Collier.*

3. Second division of an hour by sixty; sixtieth part of a minute.

Four flames of an equal magnitude will be kept alive the space of sixteen *second* minutes, though one of these flames alone, in the same vessel, will not last above twenty-five or at most thirty *seconds.—Bishop Wilkins, Mathematical Magick.*

Sounds move above 1140 English feet in a *second* minute of time, and in seven or eight minutes of time about 100 English miles.—*Locke.*

Sécond. *v. a.* [Fr. *seconder.*]

1. Support; forward; assist; come in after the act as a maintainer.

Though we here fall down,
We have supplies to *second* our attempt,
If they miscarry, theirs shall *second* them.
Shakespear, Henry IV. Part II. iv. 2.

The king tends his health at Jesreal, whiles the captaines were enjoying and *seconding* their successe at Ramoth.—*Bishop Hall, Jehu with Jehoram.* (Ord MS.)

I to be the power of Israel's God
Avow, and challenge Dagon to the test,
Offering to combat thee his champion bold,
With the utmost of his godhead *seconded.*
Milton, Samson Agonistes, 1150.

Familiar Ovid tender thoughts inspires,
And nature *seconds* all his soft desires.
Lord Roscommon.

If in company you offer something for a jest, and nobody *seconds* you in your laughter, you may condemn their taste; but in the mean time you make a very indifferent figure.—*Swift.*

In human works, though labour'd on with pain,
A thousand movements scarce one purpose gain;
In God's, one single can its ends produce,
Yet serves to *second* too some other use.
Pope, Essay on Man, i. 53.

2. Follow in the next place.

You some permit
To *second* ills with ills.
Shakespear, Cymbeline, v. 1.

Having formerly discoursed of a maritimal voyage, I think it not impertinent to *second* the same with some necessary relations concerning the royal navy.—*Sir W. Raleigh.*

He saw his guileful act
By Eve, though all unweeting, *seconded*
Upon her husband. *Milton, Paradise Lost*, x. 334.

Sin is *seconded* with sin; and a man seldom commits one sin to please, but he commits another to defend himself.—*South, Sermons.*

Sécond-sight. *s.* Power of seeing things future, or things distant: (supposed inherent in some of the Scottish islanders).

As he was going out to steal a sheep, he was seized with a fit of *second sight*: the face of the country presented him with a wide prospect of new scenes, which he had never seen before.—*Addison, Freeholder.*

He tells us many remarkable stories, which he collected rather as a judicious enquirer than as a credulous believer; such as of *second sight*, an account of a lad who fell asleep in the field while watching his sheep, and then slept for fifty-seven years, and awoke to wonder at the strangeness of the changes that had taken place in the meanwhile.—*Sharpe, History of Egypt*, ch. xiii.

Sécond-sighted. *adj.* Having the second sight.

Sawney was descended of an ancient family, renowned for their skill in prognosticks: most of his ancestors were *second-sighted*, and his mother but narrowly escaped for a witch.—*Addison.*

On Perth's bleak hills he chanced to spy
An aged wizard six feet high,
With bristled hair and visage blighted,
Wall-eyed, bare-haunch'd, and *second-sighted.*
Tickell, Imitation of the Prophecy of Nereus.

Sécondarily. *adv.* In a secondary manner; in the second degree; in the second order; not primarily; not originally; not in the first intention.

These atoms make the wind primarily tend downwards, though other accidental causes impel them *secondarily* to a sloping motion.—*Sir K. Digby.*

He confesses that temples are erected, and festivals kept, to the honour of saints, at least *secondarily.—Bishop Stillingfleet.*

It is primarily generated out of the effusion of melancholick blood, or *secondarily* out of the dregs and remainder of a phlegmonous or œdematick tumour.—*Harvey.*

Sécondariness. *s.* Attribute suggested by Secondary; state of being secondary.

That which is peculiar and discriminative must be taken from the primariness and *secondariness* of the perception.—*Norris.*

Sécondary. *adj.* [Lat. *secundarius.*]

1. Not primary; not of the first intention.

Two are the radical differences: the *secondary* differences are as four.—*Bacon, Natural and Experimental History.*

Perhaps in a more advanced state of our knowledge, we may be able to state it as an axiom, that two *secondary* qualities, which are intimately connected in their causes and effects, must be affections of the same medium.—*Whewell, Philosophy of the Inductive Sciences.*

But the priests were no longer the earnest sincere teachers as of old; they had invented a system of *secondary* meanings, by which they explained away the coarse religion of their statues and sacred animals.—*Sharpe, History of Egypt*, ch. xiv.

2. Succeeding to the first; subordinate.

Wheresoever there is moral right on the one hand, no *secondary* right can discharge it.—*Sir R. L'Estrange.*

Gravitation is the powerful cement which holds together this magnificent structure of the world, which stretcheth the North over the empty space, and hangeth the earth upon nothing, to transfer the words of Job from the first and real cause to the *secondary.—Bentley.*

3. Not of the first order or rate.

If the system had been fortuitously formed by the convening matter of a chaos, how is it conceivable that all the planets, both primary and *secondary*, should revolve the same way from the west to the east, and that in the same plane?—*Bentley.*

Her ladyship, strange to say, was a person only of *secondary* consideration in their minds just then—they were intent upon the reception which the reigning brother and sister would afford them.—*Thackeray, Vanity Fair.*

4. Acting by transmission or deputation.

That we were form'd then, says't thou, and the work
Of *secondary* hands, by task transferr'd
From father to his son?
Milton, Paradise Lost, v. 853.

As in a watch's fine machine,
Though many artful springs are seen,
The added movements which declare
How full the moon, how old the year,
Derive their *secondary* power
From that which simply points the hour.
Prior, Alma, iii. 258.

5. See extracts.

But the most important difference between the two forms [of small-pox] is in what is called the *secondary* fever, which sets in about the eleventh day of the disease, or the eighth of the eruption, just when the maturation of the pustules is complete, and they begin to desiccate. This *secondary* fever is slightly marked in the distinct small-pox, and very intense and perilous in most instances of the confluent. It is at this period of the disorder that death, in the fatal cases, oftenest occurs.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxxxvi.

A *secondary* fever is that which arises after a crisis, or the discharge of some morbid matter, as after the declension of the small-pox or measles.—*Quincy.*

6. In *Geology.* See extract.

The *secondary* series of rocks are admirably developed in England. Except the limestone near the base of the whole series, there is hardly a European *secondary* rock of the smallest importance that is not well and thoroughly represented in the British series, while many are with us exhibited in such interesting groups as to enable us to deduce a history of the period much more complete than can be learnt elsewhere.... In consequence of this admirable developement, the English geologists have elevated the subdivisions of the series into an importance not warranted by what is known in European countries. In Asia and America, *secondary* rocks are still less important than on the mainland of Europe. The *secondary* rocks include in England the best limestones for building purposes, but no marble properly so called. In the Alps, the rocks of this kind are much more metamorphosed, and exist on a far grander scale. The key to the complications of the Alpine system has, however, often been found by a close study of English rocks and their fossil contents. The *secondary* rocks are extremely rich in fossils, and are remarkable for the number and variety of bones of reptiles found in them. The period has for this reason been called the Age of Reptiles. It is not less remarkable for the abundance and variety of cephalopodous molluscs, of which a vast number of groups exist, and which also seem to have been characteristic of the period. There can be little doubt that the unusual richness of the *secondary* period in organic remains is due to the fact that land was at no great distance from the localities where the rocks are best shown.—*Ansted*, in *Brande and Cox, Dictionary of Arts, Manufactures, and Mines.*

Sécondary. *s.* Delegate; deputy.

He wishes to take on board the eight *secondaries*, or minor canons, of his college.—*T. Warton, History of English Poetry*, ii. 242.

It was tacitly understood, and was very proper in itself, that these *secondaries* [ushers of a school] were not to be greedy in engrossing the rarities, when strangers, which often happened, were at dinner.—*Wakefield, Memoirs*, p. 47.

Secondary [is] an officer who is second, or next to the chief officer; as the *Secondaries* to the Prothonotaries of the Courts of B. R. and C. B. The *Secondary* of the Remembrancer in the Exchequer, *Secondary* of the Compter, *Secondary* of the King's Bench may have clerks.—*Jacob, Law Dictionary.*

Séconder. *s.* One who seconds, who supports or maintains the proposition or assertion made by another.

I do not tell the respectable mover and *seconder*, by a perversion of their sense and expressions, that their proposition halts between the ridiculous and the dangerous.—*Burke, Speech on the Duration of Parliaments.*

Sécondhand. *s.* Possession received from the first possessor.

Sécondhand. *adj.* Not original; not primary.

Some men build so much upon authorities, they have but a *second-hand* or implicit knowledge.—*Locke.*

They are too proud to cringe to *second-hand* favourites in a great family.—*Swift, Letter to Gay.*

Sécondhand. *adv.* In imitation; in the second place of order; by transmission; not primarily; not originally: (with *at*).

They pelted them with satyrs and epigrams, which perhaps had been taken up at first only to make their court, and *at second-hand* to flatter those who had flattered their king.—*Sir W. Temple.*

In imitation of preachers *at second-hand*, I shall transcribe from Bruyère a piece of raillery.—*Tatler.*

Spurious virtue in a maid;
A virtue but at *second-hand.* *Swift.*

Sécondly. *adv.* In the second place.

First, she hath disobeyed the law; and, *secondly*, trespassed against her husband.—*Ecclesiasticus*, xxiii. 23.

The house of commons in Ireland, and, *secondly*, the privy council, addressed his majesty against these half-pence.—*Swift.*

Sécondrate. *s.* Second order in dignity or value.

They call it thunder of the *secondrate.*
Addison, Translation from Ovid, Birth of Bacchus.

Used *adjectivally.*

He was not then a *secondrate* champion, as they would have him, who think fortitude the first virtue in a hero.—*Dryden.*

Sécrecy. *s.*

1. Privacy; state of being hidden; concealment.

That's not suddenly to be perform'd,
But with advice and silent *secrecy.*
Shakespear, Henry VI. Part II. ii. 2.

The lady Anne,
Whom the king hath in *secrecy* long married,
This day was view'd in open as his queen.
Id., Henry VIII. iii. 2.

In Nature's book of infinite *secrecy*,
A little can I read. *Id., Antony and Cleopatra*, i. 2.

2. Solitude; retirement; not exposure to view.

Thou in thy *secrecy*, although alone,
Best with thyself accompanied, seek'st not
Social communication.
Milton, Paradise Lost, viii. 427.

There is no such thing as perfect *secrecy*, to encourage a rational mind to the perpetration of any base action; for a man must first extinguish and put out the great light within him, his conscience; he must get away from himself, and shake off the thousand witnesses which he always carries about him, before he can be alone.—*South, Sermons.*

3. Forbearance of discovery.

It is not with publick as with private prayer: in this rather *secrecy* is commanded than outward shew; whereas that being the publick act of a whole society, requireth accordingly more care to be had of external appearance. — *Hooker, Ecclesiastical Polity.*

4. Fidelity to a secret; taciturnity inviolate; close silence.

For *secrecy*
No lady closer; for I will believe
Thou wilt not utter what thou dost not know.
Shakespear, Henry IV. Part I. ii. 3.

Secrecy and fidelity were their only qualities.—*Bishop Burnet.*

Sécret. *adj.* [Fr.; Lat. *secretus.*]

1. Kept hidden; not revealed; concealed.

The *secret* things belong unto the Lord our God; but those things which are revealed belong unto us. —*Deuteronomy*, xxix. 29.

Be this or aught
Than this more *secret* now design'd, I haste
To know. *Milton, Paradise Lost*, ii. 837.

'I should like to visit the penetralia of these radical fellows,' said the tall man. 'They have *secret* societies here, too, as in Paris. You remember the 'Vrais Amis' that I introduced you to?'—*Hannay, Singleton Fontenoy.*

2. Retired; private; unseen.

Thou open'st Wisdom's way,
And giv'st access, though *secret* she retire:
And I perhaps am *secret*.
Milton, Paradise Lost, ix. 809.

There *secret* in her sapphire cell
He with the Naïs wont to dwell. *Fenton.*

3. Faithful to a secret entrusted.

Secret Romans, that have spoke the word,
And will not palter.
Shakespear, Julius Cæsar, ii. 1.

4. Private; affording privacy.

The *secret* top
Of Oreb or of Sinai. *Milton, Paradise Lost*, i. 6.

5. Occult; not apparent.

Or sympathy, or some connatural force
Powerful at greatest distance to unite
With *secret* amity things of like kind,
By secretest conveyance.
Milton, Paradise Lost, x. 246.

My heart, which by a *secret* harmony
Still moves with thine, join'd in connexion sweet.
Ibid. x. 358.

6. Privy; obscene.

Sécret. *s.* [Lat. *secretum.*]

1. Something studiously hidden.

Infected minds
To their deaf pillows will discharge their *secrets*.
Shakespear, Macbeth, v. 1.

There is no *secret* that they can hide from thee.—*Ezekiel*, xxviii. 3.

We not to explore the *secrets* ask
Of his eternal empire.
Milton, Paradise Lost, vii. 95.

2. Thing unknown; something not yet discovered.

All blest *secrets*,
All you unpublish'd virtues of the earth.
Shakespear, King Lear, iv. 4.

All *secrets* of the deep, all Nature's works.
Milton, Paradise Lost, xii. 578.

The Romans seem not to have known the *secret* of paper-credit.—*Arbuthnot.*

3. Privacy; secrecy; invisible or undiscovered state: (used *adverbially*, with *in*).

Bread eaten *in secret* is pleasant.—*Proverbs*, ix. 17.

The night-hag, when call'd
In secret, riding through the air she comes.
Milton, Paradise Lost, ii. 662.

Sécret. *v. a.* Keep private. *Rare.*

Great care is to be used of the clerks of the council, for the *secreting* of their consultations.—*Bacon, Advice to Villiers.*

Sécretary. *s.* In *Ornithology.* Bird akin to the kites, of the genus Serpentarius, or Gypogeranus; snake-eater.

This bird, found at the Cape of Good Hope, is remarkable for very long legs, which seem to approximate it to the crane; for its robust beak, equal to that of a bird of prey; for its brows, formed by a single rank of black hairs ... for its tuft, composed of a double rank of long feathers ... situated towards the base of the occiput; and for its wings, armed with three rounded prominences, &c.... The assemblage of all these attributes constitutes a mixed extraordinary being, not to be classed in any known group.... The *secretary* is rather more than three feet high .... When the *secretary* ... meets or discovers a serpent, he attacks it at first with his wings to tire it out; he then seizes it by the tail, raises it to a great height in the air, and then lets it fall.... When the *secretary* is disturbed, he makes a hoarse kind of croaking sound.... The *secretary*, when taken young, is easily tamed.... It has a cry analogous to the eagle, and usually walks with very long steps, and for a long time without slackening its pace or stopping. From this it has probably derived the name of messenger. That of *secretary* is given it from the tuft of feathers behind the head bearing some fancied resemblance to a pen stuck behind a man's ear.—*Translation of Cuvier's Règne Animal.*

Sécretary. *s.* [Fr. *secrétaire*; Low Lat. *secretarius.*] One entrusted with the management of business; one who writes for another.

Call Gardiner to me, my new *secretary*.
Shakespear, Henry VIII. ii. 2.

That which is most of all profitable is acquaintance with the *secretaries*, and employed men of ambassadors.—*Bacon.*

Cottington was *secretary* to the prince. — *Lord Clarendon, History of the Grand Rebellion.*

Sécretaryship. *s.* Office of a secretary.

Since your *secretaryship* in the queen's time I believe you were so glutted with the office, that you had not patience to venture on a letter to an absent, useless acquaintance.—*Swift, Letter to E. Lewis*: 1737.

Secréte. *v. a.*

1. Hide; conceal.
2. Form as a secretion.

(For example see under following entry,)

Secrétion. *s.*

1. Agency in the animal economy that consists in separating the various fluids of the body.

The literal meaning of the term *secretion* is separation; and this is nearly its true acceptation in physiology. But the ordinary processes of nutrition involve a separation of certain of the components of the blood, which are withdrawn from it by the appropriating power of the solid textures; and every such removal may be considered in the light of an act of excretion, so far as the blood and the rest of the organism are concerned. Moreover, the separation of certain matters from the blood in a fluid state, either for the purpose of being cast forth from the body, or of being employed for some special purpose within it, which constitutes what is ordinarily known as *secretion*, is effected by an instrumentality of the same nature with that whose operation constitutes an essential part of the nutritive process; namely, the production and subsequent agency of cells. Hence there is no other fundamental difference between the two processes, than such as arises out of the diverse destinations of the separated matters, and from the anatomical arrangements which respectively minister to these.—*Dr. Carpenter, Principles of Human Physiology*, § 363: 1864.

2. That which is secreted.

The principal part of the *secretions* of plants is deposited in some permanent station in them; as in the roots of perennials, and the bark and heart-wood of trees and shrubs. It appears, however, that they have, besides this, the power of getting rid of superfluous or deleterious matter in a material form. In the Limnocharis Plumieri there is a large pore terminating the veins of the apex of the leaf, from which water is constantly distilled. The pitchers of Nepenthes, which are only a particular kind of leaves, *secrete* water enough to fill half their cavity. But besides this more subtle fluid, *secretions* of a grosser quality take place in plants. The honeydew ... is one instance ... the manna of the ash is another, and the gum ladanum that exudes from the Cistus ladaniferus is a third instance of this kind of perspiration.—*Lindley, Introduction to Botany*, b. ii. ch. xiv. p. 305: 1848.

Sécretist. *s.* Dealer in, affecter of, secrets.

Some things I have not yet thought fit so plainly to reveal, not out of any envious design of having them buried with me, but that I may barter with those *secretists*, that will not part with one secret but in exchange for another.—*Boyle.*

Secretítious. *adj.* Parted by animal secretion. *Rare.*

They have a similitude or contrariety to the *secretitious* humours in taste and quality.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

Sécretly. *adv.* In a secret manner.

1. Privately; privily; not openly; not publicly; with intention not to be known.

Give him this letter, do it *secretly*.
Shakespear, Merchant of Venice, ii. 3.

Some may place their chief satisfaction in giving *secretly* what is to be distributed; others, in being the open and avowed instruments of making such distributions.—*Bishop Atterbury.*

2. Latently; so as not to be obvious; not apparently.

Those thoughts are not wholly mine; but either they are *secretly* in the poet, or may be fairly deduced from him.—*Dryden.*

Sécretness. *s.* Attribute suggested by Secret.

1. State of being hidden; privacy; concealment.

This feeding tyme of the Lord in *secretness* hath bene somtyme shorter, somtyme longer.—*Bale, On the Revelations*, pt. ii.: 1550.

By reason of their said combination and *secretness* used, many things lie hid from those in authority.—*Bishop Bancroft, Dangerous Position*, b. i. ch. i.

2. Quality of keeping a secret.

I could muster up
My giants and my witches too,
Which are vast constancy and *secretness*. *Donne.*

Sécretory. *adj.* Performing the office of secretion, or animal separation.

All the glands are a congeries of vessels complicated together, whereby they give the blood time to separate through the capillary vessels into the *secretory*, which afterwards exonerate themselves into one duct.—*Ray.*

Sect. *s.* [Lat. *sectus.*] In *Gardening.* Cutting.

Of our unbitted lusts, I take this that you call love to be a *sect* or scion.—*Shakespear, Othello*, i. 3.

Sect. *s.* [Fr. *secte*; Lat. *secta.*] Body of men following some particular master, or united in some settled tenets.

We'll wear out
In a wall'd prison, packs and *sects* of great ones,
That ebb and flow by th' moon.
Shakespear, King Lear, v. 3.

The greatest vicissitude of things is the vicissitude of *sects* and religions; for those orbs rule in men's minds most. The true religion is built upon the rock; the rest are tossed upon the waves of time.—*Bacon, Essays, Of Vicissitude of Things.*

The academicks were willing to admit the goods of fortune into their notion of felicity; but no *sects* of old philosophers did ever leave a room for greatness. —*Dryden.*

The jealous *sects* that dare not trust their cause,
So far from their own will as to the laws,
You for their umpire and their synod take. *Id.*

A *sect* of freethinkers is a sum of cyphers.—*Bentley.*

Sectárian. *adj.* Belonging to sectaries.

He hatches and fosters a spirit of pride and *sectarian* insolence, (a sure and fatal divider,) under the specious pretence of religious strictness.—*Glanville, Sermons*, p. 390.

The dross of atheists and *sectarian* brass.
Dryden, Hind and Panther, iii. 739.

Zeal for some opinion, or some party, beareth out men of *sectarian* and factious spirits in such practices.—*Barrow, Sermons*, vol. i. serm. xviii.

Holy intercourse ... far from fanaticism, puritanism, or any *sectarian* odium.—*Goodman, Winter Evening Conference*, pt. i.

Sectárianism. *s.* System of division into sects.

That deluge of *sectarianism* ... is now inundating our land on every side.—*Daubeny, Appendix to his Guide to the Church*, letter ix.: 1799.

Séctarism. *s.* Disposition to petty sects in opposition to things established; (Sectarianism *commoner*).

Nothing hath more marks of schism and *sectarism* than this presbyterian way.—*Eikon Basilike.*

Séctarist. *s.* One who divides from public establishment; sectary: (the latter being the *commoner* word).

In a *sectarist* I flame,
Like the air of Amsterdam. *Jordan, Poems.*

Milton was certainly of that profession, or general principle, in which all *sectarists* agree; a departure from establishment.—*T. Warton, Notes on Milton's Smaller Poems.*

Séctary. *s.* [Fr. *sectaire.*]

1. One who divides from public establishment, and joins with those distinguished by some particular whims.

My lord, you are a *sectary*;
That's the plain truth.
Shakespear, Henry VIII. v. 2.

Romish catholick tenets are inconsistent, on the one hand, with the truth of religion professed and protested by the church of England, whence we are called protestants; and the anabaptists, separatists, and *sectaries*, on the other hand, whose tenets are full of schism, and inconsistent with monarchy.—*Bacon.*

The number of *sectaries* does not concern the clergy in point of interest or conscience.—*Swift.*

2. Follower; pupil.

The *sectaries* of my celestial skill,
That wont to be the world's chief ornament,
They under keep. *Spenser.*

Lucretius [was] the great admirer and *sectary* of Epicurus.—*Hakewill, Apology*, p. 59.

Galen, and all his *sectaries*, affirm, that fear and sadness are the true characters, and inseparable accidents of melancholy.—*Chilmead, Translation of Ferrand on Love Melancholy*, p. 36.

Sectátor. *s.* [Lat.; Fr. *sectateur*.] Follower; imitator; disciple.

Hereof the wiser sort and the best learned philosophers were not ignorant, as Cicero witnesseth, gathering the opinion of Aristotle and his *sectators*. —*Sir W. Raleigh.*

The philosopher busies himself in accommodating all her [nature's] appearances to the principles of a school, of which he has sworn himself the *sectator*. —*Bishop Warburton, An Enquiry into the Causes of Prodigies and Miracles*, p. 92.

Séction. *s.* [Fr.; Lat. *sectio, -onis*.]

1. Act of cutting or dividing.

In the *section* of bodies, man, of all sensible creatures, has the fullest brain to his proportion.—*Sir H. Wotton.*

2. Part divided from the rest.

A map, without accompanying *sections* to explain and interpret it, is of comparatively little value; as the object of the sections is to teach something of the internal structure, in addition to that knowledge of the surface, which is all that the map can convey. The natural *sections* of strata observable in the cliffs along a sea-coast and other similar cuttings made artificially through a hilly country, form but a very small and unimportant part of the *sections* upon which the geologist depends for information, although they offer, perhaps, the best specimens of the actual meaning of the word.—*Austed, Geology, Introductory, Descriptive and Practical*, vol. i. p. 45: 1844.

3. Small and distinct part of a writing or book.

Without breaking in upon the connection of his language, it is hardly possible to give a distinct view of his several arguments in distinct *sections*.—*Locke.*

Séctor. *s.* [Fr. *secteur*.] In *Geometry*. See extract.

Sector is an instrument made of wood or metal, with a joint, and sometimes a piece to turn out to make a true square, with lines of sines, tangents, secants, equal parts, rhumbs, polygons, hours, latitudes, metals, and solids. It is generally useful in all the practical parts of the mathematicks, and particularly contrived for navigation, surveying, astronomy, dialling, and projection of the sphere. All the lines of the *sector* can be accommodated to any radius, which is done by taking off all divisions parallelwise, and not lengthwise; the ground of which practice is this, that parallels to the base of any plain triangle bear the same proportion to it as the parts of the legs above the parallel do to the whole legs.—*Harris.*

Sectórial. *adj.* Cutting.

In some of the smaller species . . . the molars present a surface more cuspidated than *sectorial*.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 286.

Sécular. *adj.* [Fr. *séculaire*; Lat. *seculāris*.]

1. Not spiritual; relating to affairs of the present world; not holy; worldly.

This, in every several man's actions of common life, appertaineth unto moral; in public and politic *secular* affairs, unto civil wisdom.—*Hooker, Ecclesiastical Polity.*

Then shall they seek t' avail themselves of names,
Places and titles; and with these to join
Secular pow'r, though feigning still to act
By spiritual. *Milton, Paradise Lost*, xii. 515.

2. Not bound by monastic rules.

Those northern nations easily embraced the religion of those they subdued, and by their devotion gave great authority and reverence, and thereby ease to the clergy, both *secular* and regular.—*Sir W. Temple.*

In France, vast numbers of ecclesiasticks, *secular* and religious, live upon the labours of others.—*Addison.*

3. Happening or coming once in a secle or century.

The *secular* year was kept but once in a century. —*Addison.*

Sécular. *s.*

1. Not a spiritual person; layman.

The clergy thought that, if it pleased the *seculars*, it might be done.—*Hales, Letter from the Synod of Dort*, p. 6.

2. Ecclesiastic, in the Romish church, not bound by monastic rules.

Seculárity. *s.* Worldliness; attention to the things of the present life.

Littleness and *secularity* of spirit is the greatest enemy to contemplation.—*T. Burnet, Theory of the Earth.*

Secularizátion. *s.* Act of converting ecclesiastical property into secular.

Religions, that wont to be released of their vows, obtain briefs of *secularization* from the pope.—*Chambers.*

Sécundine. *s.* [Fr. *secondines, sécondes*; Lat. *secundæ* (i. e. *partes*).] In *Physiology*. After-birth.

The casting of the skin is by the ancients compared to the breaking of the *secundine*, or cawl, but not rightly; for the *secundine* is but a general cover, not shaped according to the parts, but the skin is.—*Bacon, Natural and Experimental History.*

Future ages lie
Wrapt in their sacred *secundine* asleep. *Cowley.*

If the fœtus be taken out of the womb inclosed in the *secundines*, it will continue to live, and the blood to circulate.—*Ray.*

Secúre. *adj.* [Lat. *securus*.]

1. Free from fear; exempt from terror; easy; assured.

Confidence then bore thee on *secure*
To meet no danger. *Milton, Paradise Lost*, ix. 1175.

The portion of their wealth they design for the uses of the poor, they may throw into one of these publick repositories, *secure* that it will be well employed.—*Bishop Atterbury.*

2. Confident; not distrustful: (with *of*).

But thou, *secure of* soul, unbent with woes;
The more thy fortune frowns, the more oppose.
Dryden.

One maid she had, beloved above the rest;
Secure of her, the secret she confess'd.
Id., Theodore and Honoria, 405.

3. Sure; not doubting: (with *of*).

It concerns the most *secure of* his strength, to pray to God not to expose him to an enemy.—*Rogers.*

Haply too *secure of* our discharge
From penalty. *Milton, Paradise Lost*, xi. 196.

In Lethe's lake [souls] long oblivion taste;
Of future life *secure*, forgetful of the past.
Dryden, Translation of the Æneid, vi. 968.

We live and act as if we were perfectly *secure of* the final event of things, however we may behave ourselves.—*Bishop Atterbury.*

4. Careless; wanting caution; wanting vigilance.

Gideon . . . smote the host, for the host was *secure*. —*Judges*, viii. 11.

5. Free from danger; safe.

Let us not then suspect our happy state,
As not *secure* to single or combined.
Milton, Paradise Lost, ix. 338.

Messapus next (great Neptune was his sire),
Secure of steel, and fated from the fire,
In pomp appears.
Dryden, Translation of the Æneid, vii. 955.

Secure from fortune's blows,
Secure of what I cannot lose,
In my small pinnace I can sail.
Id., Translation from Horace, b. i. ode xxix.

It has sometimes *of* before the object in all its senses; but more properly *from* before *evil*, or the *cause of evil*.

Secúre. *v. a.*

1. Make certain; put out of hazard; ascertain.

Nothing left
That might his happy state *secure*,
Secure from outward force.
Milton, Paradise Lost, ix. 346.

Actions have their preference, not according to the transient pleasure or pain that accompanies or follows them here, but as they serve to *secure* that perfect durable happiness hereafter.—*Locke.*

Truth and certainty are not *secured* by innate principles; but men are in the same uncertain floating estate with as without them.—*Id.*

That prince who shall be so wise as by established laws of liberty to *secure* protection to the honest industry of mankind, against the oppression of power, will quickly be too hard for his neighbours.—*Id.*

Deeper to wound, she shuns the fight;
She drops her arms to gain the field;
Secures her conquest by her flight,
And triumphs when she seems to yield.
Prior, To a Lady refusing to dispute with him.

Nothing can be more artful than the address of Ulysses: he *secures* himself of a powerful advocate, by paying an ingenuous and laudable deference to his friend.—*Broome.*

2. Protect; make safe.

I spread a cloud before the victor's sight,
Sustain'd the vanquish'd, and *secured* his flight;
Ev'n then *secured* him, when I sought with joy
The vow'd destruction of ungrateful Troy.
Dryden, Translation of the Æneid, v. 1060.

Where two or three sciences are pursued at the same time, if one of them be dry, as logick, let another be more entertaining, to *secure* the mind from weariness.—*Watts.*

Secúred. *part. adj.* Made certain; made safe.

When I say *secured*, I mean it in the sense in which the word should always be understood at courts, that is, insecurely.—*Lord Chesterfield.*

Secúrely. *adv.* In a secure manner.

1. Without fear; carelessly.

Love, that had now long time *securely* slept
In Venus' lap, unarmed then and naked,
Gan rear his head, by Clotho being waked.
Spenser.

'Tis done like Hector, but *securely* done,
A little proudly, and great deal misprizing
The knight opposed.
Shakespear, Troilus and Cressida, iv. 5.

His daring foe . . . *securely* him defied.
Milton, Paradise Lost, vi. 129.

A soul that can *securely* death defy,
And count it nature's privilege to die.
Dryden, Translation of Juvenal, x. 550.

Whether any of the reasonings are inconsistent, I *securely* leave to the judgement of the reader.—*Bishop Atterbury.*

2. Without danger; safely.

We upon our globe's last verge shall go,
And view the ocean leaning on the sky;
From thence our rolling neighbours we shall know,
And on the lunar world *securely* pry.
Dryden, Annus Mirabilis, clxiv.

Secúrement. *s.* Cause of safety; protection; defence.

They, like Judas, desire death; Cain, on the contrary, grew afraid thereof, and obtained a *securement* from it.—*Sir T. Browne, Vulgar Errours.*

Secúreness. *s.* Attribute suggested by Secure; want of vigilance; carelessness.

Which omission was a strange neglect and *secureness* to my understanding.—*Bacon, Letters*, p. 20: 1657.

Alas, my son, nor fate, nor heaven itself,
Can or would wrest my whole care of your good
To any least *secureness* in your ill.
Beaumont and Fletcher, Bloody Brother.

Secúrer. *s.* One who, that which, secures or protects.

Very excellent things are spoken of thee, O thou rich grace of God, the *securer* from sin, the deliverer from death.—*Dr. Clarke, Sermons*, p. 471: 1637.

Secúritan. *s.* One who lives in fancied security. *Rare.*

The sensuall *securitan* pleases himselfe in the conceit of his owne peace.—*Bishop Hall, Sermons.* (Ord MS.)

Secúrity. *s.* [Fr. *sécurité*; Lat. *securitas, -atis*.]

1. Carelessness; freedom from fear.

Marvellous *security* is always dangerous, when men will not believe any bees to be in a hive, until they have a sharp sense of their stings.—*Sir J. Hayward.*

2. Vicious carelessness; confidence; want of vigilance.

How senseless then, and dead a soul hath he,
Which thinks his soul doth with his body die;
Or thinks not so, but so would have it be,
That he might sin with more *security!*
Sir J. Davies, Immortality of the Soul.

3. Protection; defence.

If the providence of God be taken away, what *security* have we against those innumerable dangers to which human nature is continually exposed?—*Archbishop Tillotson.*

4. Anything given as a pledge or caution; insurance; assurance for anything; act of giving caution, or being bound.

When they had taken *security* of Jason, and of the other, they let them go.—*Acts*, xvii. 9.

There is scarce truth enough alive to make societies secure; but *security* enough to make fellowships accurst.—*Shakespear, Measure for Measure*, iii. 2.

It is possible for a man, who hath the appearance of religion, to be wicked and an hypocrite; but it is impossible for a man who openly declares against religion, to give any reasonable *security* that he will not be false and cruel.—*Swift.*

Exchequer bills have been generally reckoned the surest and most sacred of all *securities*.—*Id., Examiner.*

The chief objection to a pure monarchy is, that it leaves to chance the character of the sovereign; whereas, in an aristocracy and a democracy, some *securities* exist for a due selection of the persons exercising the supreme power. To which it may be added, that in a country in a low state of civilization, an enlightened despot would find his

measures counteracted by the resistance of the people, or marred in their operation by the want of fit instruments for their enforcement.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. viii.

5. Safety; certainty.

Some, who gave their advice for entering into a war, alleged that we should have no *security* for our trade, while Spain was subject to a prince of the Bourbon family.—*Swift.*

Sedán. *s.* Kind of portable coach; chair: (first made at Sedan; introduced into this country in the time of king Charles I.; the Duke of Buckingham is said to have occasioned the introduction of them. In 1634, Sir Sanders Duncomb had the sole privilege allowed, for fourteen years, of letting these portable chairs).

Some have learn'd the trick
To beg for absent persons, feign them sick,
Close mew'd in their *sedans* for want of air,
And for their wives produce an empty chair.
Dryden, Translation of Juvenal, i. 184.

Sedáte. *adj.* [Lat. *sedatus.*] Calm; quiet; still; unruffled; undisturbed; serene.

With countenance calm and soul *sedate*,
Thus Turnus.
Dryden, Translation of the Æneid, ix. 399

Disputation carries away the mind from that calm and *sedate* temper which is so necessary to contemplate truth.—*Watts.*

Sedátely. *adv.* In a sedate manner; calmly; without disturbance.

That has most weight with them that appears *sedately* to come from their parents' reason.—*Locke.*

Sedáteness. *s.* Attribute suggested by Sedate; calmness; tranquillity; serenity; freedom from disturbance.

There is a particular *sedateness* in their conversation and behaviour that qualifies them for council, with a great intrepidity that fits them for action.—*Addison, On the Present State of the War.*

Sedátion. *s.* Settling.

The unevenness of the earth is clearly Providence; for since it is not any fixed *sedation*, but a floating mild variety that pleaseth, the hills and valleys in it have all their special use.—*Felltham, Resolves*, 85. (Ord MS.)

Sédative. *adj.* Causing quiet, or settled, demeanour.

In such cases, small doses of this [the hydrocyanic] acid have a *sedative* effect.—*Paris, Pharmacologia.*

Sédative. *s.* That which quiets or settles: (common as a *medical* term).

In small doses this [hydrocyanic acid] is a *sedative.*—*Paris, Pharmacologia.*.

Sédentariness. *s.* State of being sedentary; inactivity.

Those that live in great towns, together with the wealthier sort in the country, are inclined to paleness, which may be imputed to their *sedentariness*, or want of motion; for they seldom stir abroad.—*L. Addison, West Barbary*, p. 113: 1671.

Sédentary. *adj.* [Fr. *sédentaire.*]

1. Passed in sitting still; wanting motion or action.

A *sedentary* life, appropriate to all students, crushes the bowels; and, for want of stirring the body, suffers the spirits to lie dormant.—*Harvey, Discourse on Consumptions.*

2. Torpid; inactive; sluggish; motionless.

The *sedentary* earth,
That better might with far less compass move,
Served by more noble than herself, attains
Her end without least motion.
Milton, Paradise Lost, viii. 32.

Till length of years,
And *sedentary* numbness, craze my limbs
To a contemptible old age obscure.
Id., Samson Agonistes, 570.

The soul, considered abstractedly from its passions, is of a remiss *sedentary* nature, slow in its resolves, and languishing in its executions.—*Addison, Spectator.*

Sedérunt. *s.* [Lat. = they sat; *sedeo* = I sit.] Sitting.

An Association ... met at the Baron d' Holbach's; there had its blue-light *sederunts*, and published transactions.—*Carlyle, Critical and Miscellaneous Essays, Diderot.*

Sedge. *s.* [A.S. *secg.*] In *Botany.* Plant, distinguished from the grass by having an angular and solid, instead of a round and hollow stem, chiefly of the genus Carex.

The current, that with gentle murmur glides,
Thou know'st, being stopp'd, impatiently doth rage;
But when his fair course is not hindered,
He makes sweet musick with the enamell'd stones,
Giving a gentle kiss to every *sedge*
He overtaketh in his pilgrimage;
And so by many winding nooks he strays,
With willing sport, to the wild ocean.
Shakespear, Two Gentlemen of Verona, ii. 7.

Adonis, painted by a running brook,
And Cytherea all in *sedges* hid;
Which seem to move and wanton with her breath,
Even as the waving *sedges* play with wind.
Id., Taming of the Shrew, induction, sc. 2.

In hotter countries a fly called lucciole, that shineth as the glow-worm, is chiefly upon fens and marshes; yet is not seen but in the height of summer, and *sedge* or other green of the fens give as good shade as bushes.—*Bacon.*

He hid himself in the *sedges* adjoining.—*Sandys.*

My bonds I brake,
Fled from my guards, and in a muddy lake,
Amongst the *sedges*, all the night lay hid.
Sir J. Denham, Destruction of Troy.

Niphates, with inverted urn,
And drooping *sedge*, shall his Armenia mourn.
Dryden, Translation of the Georgics, iii. 45.

Sédged. *adj.* Composed of flags.

You nymphs, call'd Naiads, of the wand'ring brooks.
With your *sedged* crowns and ever harmless looks,
Leave your crisp channels.
Shakespear, Tempest, iv. 1.

Sédgy. *adj.* Overgrown with narrow flags.

On the gentle Severn's *sedgy* bank,
In single opposition, hand to hand,
He did confound the best part of an hour,
In changing hardiment with great Glendower.
Shakespear, Henry IV. Part I. i. 3.

Old father Thames raised up his reverend head,
But fear'd the fate of Simois would return:
Deep in his ooze he sought his *sedgy* bed,
And shrunk his waters back into his urn.
Dryden, Annus Mirabilis, ccxxxii.

Sédiment. *s.* [Fr.; Lat. *sedimentum.*] That which subsides or settles at the bottom.

The salt water rises into a kind of scum on the top, and partly goeth into a *sediment* in the bottom, and so is rather a separation than an evaporation.—*Bacon, Natural and Experimental History.*

It is not bare agitation, but the *sediment* at the bottom, that troubles and defiles the water.—*South, Sermons.*

That matter sunk not down till last of all, settling at the surface of the *sediment*, and covering all the rest.—*Woodward.*

Sedítion. *s.* [Fr.; Lat. *seditio, -onis.*] Tumult; insurrection; popular commotion; uproar.

That sunshine brew'd a shower for him,
That wash'd his father's fortunes forth of France,
And heap'd *sedition* on his crown at home.
Shakespear, Henry VI. Part III. ii. 2.

In soothing them we nourish 'gainst our senate,
The cockle of rebellion, insolence, *sedition.*
Id., Coriolanus, iii. 1.

Sedítionary. *s.* Inciter to sedition; promoter of insurrection.

Barabbas was a thief, murderer, *seditionary.*—*Bishop Hall, Select Thoughts*, § 49.

A *seditionary* in a state, or a schismatick in the church, is like a sulphureous fiery vapour in the bowels of the earth, able to make that stable element reel again.—*Id., Remains*, p. 71.

Sedítious. *adj.* [Fr. *séditieux*; Lat. *seditiosus.*] Factious with tumult; turbulent.

The cause why I have brought this army hither,
Is to remove proud Somerset from the king,
Seditious to his grace and to the state.
Shakespear, Henry VI. Part II. v. 1.

Very many of the nobility in Edinborough, at that time, did not appear yet in this *seditious* behaviour.—*Lord Clarendon, History of the Grand Rebellion.*

Thou return'st
From flight, *seditious* angel.
Milton, Paradise Lost, vi. 151.

But if she has deform'd this earthly life
With murd'rous rapine and *seditious* strife ...
In everlasting darkness must she lie.
Prior, Solomon, iii. 607.

Sedítiously. *adv.* In a seditious manner; tumultuously; with factious turbulence.

Beware of such sectaries as (under their many both godly and goodly pretences) do thus *seditiously* endeavour to disturb the land.—*Bishop Bancroft, Dangerous Positions and Proceedings under Pretence of Reformation*, b. iv. ch. xv.

Sedítiousness. *s.* Attribute suggested by Seditious; turbulence; disposition to sedition.

Sedúce. *v. a.* [Lat. *seduco*, pass. part. *seductus*; *seductio, -onis.*] Draw aside from the right; tempt; corrupt; deprave; mislead; deceive.

'Tis meet
That noble minds keep ever with their likes;
For who so firm that cannot be *seduced?*
Shakespear, Julius Cæsar, i. 2.

Me the gold of France did not *seduce*,
Although I did admit it as a motive,
The sooner to effect what I intended.
Id., Henry V., ii. 2.

A beauty-waning and distressed widow,
Seduced the pitch and height of all his thoughts
To base declension.
Id., Richard III. iii. 7.

Subtle he needs must be, who could *seduce*
Angels.
Milton, Paradise Lost, ix. 307.

Nor let false friends *seduce* thy mind to fame,
By arrogating Jonson's hostile name;
Let father Flecknoe fire thy mind with praise,
And uncle Ogleby thy envy raise.
Dryden, Macflecnoe, 171.

Sedúcement. *s.* Practice of seduction; art or means used in order to seduce.

To season them, and win them early to the love of virtue and true labour, ere any flattering *seducement* or vain principle seize them wandering, some easy and delightful book of education should be read to them.—*Milton, Tractate on Education.*

Her hero's dangers touch'd the pitying power,
The nymph's *seducements*, and the magick bower.
Pope, Translation of the Odyssey, v. 10.

Sedúcer. *s.* One who seduces, draws away from the right; tempter; corrupter.

Grant it me, O king; otherwise a *seducer* flourishes, and a poor maid is undone.—*Shakespear, All's well that ends well*, v. 3.

There is a teaching by restraining *seducers*, and so removing the hindrances of knowledge.—*South, Sermons.*

The soft *seducer*, with enticing looks,
The bellowing rivals to the fight provokes.
Dryden, Translation of the Georgics, iii. 337.

He whose firm faith no reason could remove,
Will melt before that soft *seducer*, love.
Id., State of Innocence, iv. 2.

Sedúcible. *adj.* Capable of being seduced; of being drawn aside from the right.

The vicious example of ages past poisons the curiosity of the present, affording a hint of sin unto *seducible* spirits.—*Sir T. Browne.*

We owe much of our errour to the power which our affections have over our so easy *seducible* understandings.—*Glanville.*

Sedúcing. *part. adj.* Having a tendency to seduce.

In the latter times some shall depart from the faith, giving heed to *seducing* spirits.—*1 Timothy*, iv. 1.

Sedúction. *s.* [Fr.; Lat. *seductio, -onis.*] Act of seducing; act of drawing aside.

Whatsoever men's faith, patience, or perseverance were, any remarkable indulgence to this sin, the *seduction* of Balaam, were sure to bring judgments.—*Hammond.*

To procure the miseries of others in those extremities, wherein we hold an hope to have no society ourselves, is a strain above Lucifer, and a project beyond the primary *seduction* of hell.—*Sir T. Browne, Vulgar Errours.*

The deceiver soon found out this soft place of Adam's, and innocency itself did not secure him from this way of *seduction.*—*Glanville, Scepsis Scientifica.*

Helen ascribes her *seduction* to Venus, and mentions nothing of Paris.—*Pope.*

A woman who is above flattery, and despises all praise but that which flows from the approbation of her own heart, is, morally speaking, out of reach of *seduction.*—*Richardson, Clarissa.*

Sedúctive. *adj.* Apt to seduce; apt to mislead.

You ask me if I know such a word as *seductive.* It is used perpetually in conversation, and I feel a consciousness of having met it often in elegant writing.—*Seward, Letters*, ii. 154.

Sedúlity. *s.* [Lat. *sedulitas.*] Diligent assiduity; laboriousness; industry; application; intenseness of endeavour.

Man oftentimes pursues, with great *sedulity* and earnestness, that which cannot stand him in any stead for vital purpose.—*Hooker, Ecclesiastical Polity.*

Let there be but the same propensity and bent of will to religion, and there will be the same *sedulity* and indefatigable industry in men's enquiries into it.—*South, Sermons.*

Sédulous. *adj.* [Lat. *sedulus.*] Assiduous; industrious; laborious; persevering; diligent; painful.

Not *sedulous* by nature to indite
Wars, hitherto the only argument
Heroick deem'd.
Milton, Paradise Lost, ix. 27.

What signifies the sound of words in prayer, without the affection of the heart, and a *sedulous* application of the proper means that may naturally lead us to such an end?—*Sir R. L'Estrange.*

The goat, now bright amidst her fellow stars,
Kind Amalthæa, reach'd her teat, distent
With milk, thy early food: the *sedulous* bee
Distill'd her honey on thy purple lips.
Prior, First Hymn of Callimachus.

The bare majority of a few representatives is often procured by great industry and application, wherein those who engage in the pursuits of malice are much more *sedulous* than such as would prevent them.—*Swift.*

Sédulously. *adv.* In a sedulous manner; assiduously; industriously; diligently; painfully.

The ritual, preceptive, prophetick, and all other parts of sacred writ, were most *sedulously*, most religiously guarded by them.—*Dr. H. More, Government of the Tongue.*

All things by experience
Are most improved; then *sedulously* think
To meliorate thy stock, no way or rule
Be unessay'd. *J. Philips, Cyder*, i. 360.

Sédulousness. *s.* Attribute suggested by Sedulous; assiduity; assiduousness; industry; diligence.

By their *sedulousness* and their erudition they discovered difficulties.—*Boyle, Style of Holy Scripture*, p. 99.

See. *s.* [Lat. *sedes* = seat.] Seat of episcopal power; diocese of a bishop; formerly, the seat of power in a general sense.

Jove laugh'd on Venus from his soverayne *see*.
Spenser, Faerie Queen.

You, my lord archbishop,
Whose *see* is by a civil peace maintain'd,
Whose beard the silver hand of peace hath touch'd,
Whose learning and good letters peace hath tutor'd,
Whose white investments figure innocence,
The dove and very blessed spirit of peace;
Wherefore do you so ill translate yourself
Out of the speech of peace, that bears such grace,
Into the harsh and boist'rous tongue of war?
Shakespear, Henry IV. Part II. iv. 1.

It is a safe opinion for their *sees*, empires, and kingdoms; and for themselves, if they be wise.—*Bacon.*

The pope would use these treasures, in case of any great calamity that should endanger the holy *see*.—*Addison.*

Episcopal revenues were so low reduced, that three or four *sees* were often united to make a tolerable competency.—*Swift.*

See. *v. a.* preter. *saw*; part. pass. *seen.* [A.S. *seon.*]

1. Perceive by the eye.

I was bowed down at the hearing of it; I was dismayed at the *seeing* of it.—*Isaiah*, xxi. 3.

[Jesus] asked him if he *saw* ought. And he looked up, and said, I *see* men as trees walking.—*Mark*, viii. 23.

Dear son Edgar,
Might I but live to *see* thee in my touch,
I'd say I had eyes again.
Shakespear, King Lear, iv. 1.

He'll lead the life of gods, and be
By gods and heroes *seen*, and gods and heroes *see*.
Dryden.

It was a right answer of the physician to his patient, that had sore eyes: If you have more pleasure in the taste of wine than in the use of your sight, wine is good for you; but if the pleasure of *seeing* be greater to you than that of drinking, wine is naught.—*Locke.*

I *see* her sober over a sampler.—*Pope.*

2. Observe; find.

Seven other kine came up . . . lean fleshed, such as I never *saw* in all the land of Egypt for badness.—*Genesis*, xli. 19.

Such command we had,
To *see* that none thence issued forth a spy.
Milton, Paradise Lost, viii. 232.

Give them first one simple idea, and *see* that they perfectly comprehend it, before you go any farther.—*Locke.*

The thunderbolt we *see* used by the greatest poet of Augustus's age to express irresistible force in battle.—*Addison.*

3. Discover; descry.

Who is so gross
As cannot *see* this palpable device?
Yet who so bold but says he *sees* it not,
When such ill dealings must be *seen* in thought?
Shakespear, Richard III. iii. 6.

4. Converse with.

The main of them may be reduced to language, and to an improvement in wisdom and prudence by *seeing* men, and conversing with people of different tempers and customs.—*Locke.*

5. Attend; remark.

I had a mind to *see* him out, and therefore did not care for contradicting him.—*Addison, Freeholder.*

See. *v. n.*

1. Have the power of sight; have by the eye perception of things distant.

Air hath some secret degree of light; otherwise cats and owls could not *see* in the night.—*Bacon, Natural and Experimental History.*

2. Discern without deception.

Many sagacious persons will find us out, will look under our mask, and *see* through all our fine pretensions, and discern the absurdity of telling the world that we believe one thing when we do the contrary.—*Archbishop Tillotson.*

Could you *see* into my secret soul,
There you might read your own dominion doubled.
Dryden.

You may *see* into the spirit of them all, and form your pen from those general notions.—*Felton.*

3. Inquire; distinguish.

See now whether pure fear and entire cowardice doth make thee wrong this virtuous gentlewoman.—*Shakespear, Henry IV. Part II.* ii. 4.

4. Be attentive.

Mark and perform it, *seest* thou; for the fail
Of any point in't shall be death.
Shakespear, Winter's Tale, ii. 3.

5. Scheme; contrive.

Cassio's a proper man: let me *see* now:
To get his place. *Id., Othello*, i. 3.

A great altar to *see to*.—*Joshua*, xxii. 10.

A certain shepherd lad,
Of small regard to *see to*. *Milton, Comus*, 619.

See. *interj.* Lo; look; observe; behold.

See, see! upon the banks of Boyne he stands,
By his own view adjusting his commands.
Lord Halifax.

See! the sole bliss Heav'n could on all bestow,
Which who but feels can taste, but thinks can know?
Pope, Essay on Man, iv. 827.

See what it is to have a poet in your house!—*Id.*

Seed. *s.* [A.S. *sæd.*]

1. Organised particle produced by plants and animals, from which new plants and animals are generated.

If you can look into the *seeds* of time,
And say which grain will grow and which will not,
Speak then to me. *Shakespear, Macbeth*, i. 3.

Seed of a year old is the best, though some *seed* and grains last better than others.—*Bacon, Natural and Experimental History.*

That every plant has its *seed* is an evident sign of Divine Providence.—*Dr. H. More.*

Did they ever see any herbs, except those of the grass-leaved tribe, come up without two *seed* leaves; which to me is an argument that they came all of *seed*, there being no reason else why they should produce two *seed* leaves different from the subsequent.—*Ray.*

Just gods! all other things their like produce;
The vine arises from her mother's juice:
When feeble plants or tender flowers decay,
They to their *seed* their images convey. *Prior.*

Used *adjectivally.*

In the south part of Staffordshire they go to the north for *seed* corn.—*Mortimer, Husbandry.*

2. First principle; original.

The *seed* of whatsoever perfect virtue groweth from us, is a right opinion touching things divine.—*Hooker, Ecclesiastical Polity.*

3. Principle of production.

Praise of great acts he scatters as a *seed*,
Which may the like in coming ages breed. *Waller.*

4. Progeny; offspring; descendants.

Next him king Lear in happy peace long reign'd;
But had no issue male him to succeed,
But three fair daughters, which were well uptrain'd
In all that seemed fit for kingly *seed*.
Spenser, Faerie Queen.

The thing doth touch
The main of all your states, your blood, your *seed*.
Daniel.

When God gave Canaan to Abraham, he thought fit to put his *seed* into the grant too.—*Locke.*

5. Race; generation; birth.

Of mortal *seed* they were not held,
Which other mortals so excell'd;
And beauty too in such excess,
As yours, Zelinda! claims no less. *Waller.*

Seed. *v. n.*

1. Grow to perfect maturity so as to shed the seed.

Whate'er I plant, like corn on barren earth,
By an equivocal birth,
Seeds and runs up to poetry. *Swift.*

2. Shed the seed.

It hath already floured, so that I feare it will shortly *seede*.—*Lyte, Herbal*: 1578.

They pick up all the old roots, except what they design for seed, which they let stand to *seed* the next year.—*Mortimer, Husbandry.*

Seédcake. *s.* Sweet cake interspersed with warm aromatic seeds.

Remember, wife, therefore, though I do *it* not,
The *seedcake*, the pasties, and furmenty pot.
Tusser, Five Hundred Points of good Husbandry.

1. Bearing seed; covered thick with seeds.

Some hollow tree, or bed
Of *seeded* nettles. *Fletcher, Faithful Shepherdess.*

2. Interspersed as with seeds.

A blue mantle *seeded* with stars.—*B. Jonson, King James's Coronation.*

Seédfield. *s.* Field for sowing.

Sleep who will, cradled in hope and short vision, like Lafayette, who 'always in the danger done sees the last danger that will threaten him.'—Time is not sleeping, nor Time's *seedfield*.—*Carlyle, The French Revolution*, pt. ii. b. iii. ch. ii.

Seédiness. *s.* Attribute suggested by Seedy.

A casual visitor might suppose this place to be a Temple dedicated to the Genius of *Seediness*.—*Dickens, Pickwick Papers*, ch. xliii.

Seédling. *s.* Plant just risen from the seed.

Carry into the shade such *seedlings* or plants as are for their choiceness reserved in pots.—*Evelyn, Kalendar.*

Seédpearl. *s.* Grain of pearl, from its comparative smallness of size, or both, suggesting the notion of seeds.

In the dissolution of *seedpearl* in some acid menstruum, if a good quantity of the little pearls be cast in whole, they will be carried in swarms from the bottom to the top.—*Boyle.*

As *two words.*

'Emilia Wyndham, aged six years,' in small *seed pearl*, surrounding a lock of that golden hair.—*Emilia Wyndham*, ch. viii.

Seédplot. *s.* Ground on which plants are sowed to be afterwards transplanted.

To counsel others, a man must be furnished with an universal store in himself to the knowledge of all nature: that is, the matter and *seedplot*; there are the seats of all argument and invention.—*B. Jonson.*

Humility is a *seedplot* of virtue, especially Christian, which thrives best when 'tis deep rooted in the humble lowly heart.—*Hammond.*

It will not be unuseful to present a full narration of this rebellion, looking back to those passages by which the *seedplots* were made and framed, from whence those mischiefs have successively grown.—*Lord Clarendon, History of the Grand Rebellion.*

Seédtime. *s.* Season of sowing.

While the earth remaineth, *seedtime* and harvest . . . shall not cease.—*Genesis*, viii. 22.

If he would have two tributes in one year, he must give them two *seedtimes*, and two harvests.—*Bacon.*

The first rain fell upon the *seedtime* about October, and was to make the seed to root; the latter was to fill the ear.—*Sir T. Browne.*

Day and night,
Seedtime and harvest, heat and hoary frost,
Shall hold their course, till fire purge all things.
Milton, Paradise Lost, xi. 898.

Their very *seedtime* was their harvest, and by sowing tares they immediately reaped gold.—*Dr. H. More, Decay of Christian Piety.*

He that too curiously observes the face of the heavens, by missing his *seedtime*, will lose the hopes of his harvest.—*Bishop Atterbury.*

Seédness. *s.* Seedtime; time of sowing.

Blossoming time
From the *seedness* the bare fallow brings
To teeming foison.
Shakespear, Measure for Measure, i. 5.

Seédsman. *s.*

1. Sower; he who scatters the seed.

The higher Nilus swells
The more it promises: as it ebbs, the *seedsman*
Upon the slime and ooze scatters his grain,
And shortly comes to harvest.
Shakespear, Antony and Cleopatra, ii. 7.

2. One who sells seeds.

Seédy. *adj.*

1. Filled with seeds.

2. Shabby; threadbare.

'Step this way, Mr. Pickwick. Perker is in, and he'll see you, I know. Devilish cold,' he added, pettishly, 'standing at that door, wasting one's time with such *seedy* vagabonds.'—*Dickens, Pickwick Papers*, ch. xxx.

3. Suffering from recent intoxication. *Slang.*

Seéing. *verbal abs.* Sight; vision.

Love adds a precious *seeing* to the eye.
Shakespear, Love's Labour's lost, iv. 3.

Seéing. *part. used adverbially.* Since; it being so that.

Why should not they be as well victualled for so long time, as the ships are usually for a year, *seeing* it is easier to keep victuals on land than water?—*Spenser, View of the State of Ireland.*

How shall they have any trial of his doctrine, learning, and ability to preach, *seeing that* he may not publickly either teach or exhort, because he is not yet called to the ministry?—*Archbishop Whitgift.*

Seeing every nation affords not experience and tradition enough for all kind of learning, therefore we are taught the languages of those people who have been most industrious after wisdom.—*Milton, Tractate on Education.*

Seeing they explained the phenomena of vision, imagination, and thought, by certain thin fleeces of atoms that flow from the surfaces of bodies, and by their subtlety penetrate any obstacle, and yet retain the exact lineaments of the several bodies from which they proceed: in consequence of this hypothesis they maintained, that we could have no phantasy of any thing, but what did really subsist either intire or in its several parts.—*Bentley, Sermons.*

Seek. *v. a.* pret. *sought*; pass. part. *sought*. [A.S. *secan*, pret. *sohte*.]

1. Look for; search for: (often with *out*).

Because of the money that was returned in our sacks at the first time, are we brought in, that he may *seek* occasion against us, ... and take us for bondmen.—*Genesis*, xliii. 18.

He *seeketh* unto him a cunning workman, to prepare a graven image.—*Isaiah*, xl. 20.

Seek thee a man which may go with thee.—*Tobit*, v. 3.

He did range the town to *seek* me *out*.
Shakespear, Twelfth Night, iv. 3.

I have a venturous fairy, that shall *seek*
The squirrel's hoard, and fetch thee thence new nuts.
Id., Midsummer-Night's Dream, iv. 1.

Sweet peace, where dost thou dwell?
I humbly crave,
Let me once know;
I *sought* thee in a secret cave,
And ask'd if peace were there. *G. Herbert.*

The king meant not to *seek out* nor to decline fighting with them, if they put themselves in his way.—*Lord Clarendon, History of the Grand Rebellion.*

So fatal 'twas to *seek* temptations *out!*
Most confidence has still most cause to doubt.
Dryden.

We must *seek out* some other original of power for the government of politicks than this of Adam, or else there will be none at all in the world.—*Locke.*

2. Solicit; endeavour to gain.

Others tempting him, *sought* of him a sign.—*Luke*, xi. 16.

The young lions roar after their prey, and *seek* their meat from God.—*Psalms*, civ. 21.

God hath bid dwell far off all anxious cares,
And not molest us, unless we ourselves
Seek them with wandering thoughts.
Milton, Paradise Lost, x. 1001.

Oft our alliance other lands desired,
And what we *seek* of you, of us required.
Dryden, Translation of the Æneid, viii. 187.

3. Go to find.

Let us *seek* death, or, he not found, supply
His office. *Milton, Paradise Lost*, vii. 323.

Dardanus, though born
On Latian plains, yet *sought* the Phrygian shore.
Dryden, Translation of the Æneid, vii. 283.

Like fury seized the rest; the progress known,
All *seek* the mountains, and forsake the town.
Ibid. vii. 550.

Since great Ulysses *sought* the Phrygian plains,
Within these walls inglorious silence reigns.
Pope, Translation of the Odyssey.

Indulge one labour more,
And *seek* Atrides on the Spartan shore. *Ibid.*

4. Pursue by machinations.

I had a son,
Now outlaw'd from my blood; he *sought* my life.
Shakespear, King Lear, iii. 4.

David saw that Saul was come out to *seek* his life.—1 *Samuel*, xxiii. 15.

Seek. *v. n.*

1. Make search; make enquiry.

Seek ye out of the book of the Lord, and read.—*Isaiah*, xxxiv. 16.

I have been forced to relinquish that opinion, and have endeavoured to *seek* after some better reason.—*Addison, Spectator.*

2. Endeavour.

Why should he mean me ill, or *seek* to harm?
Milton, Paradise Lost, ix. 1152.

Ask not what pains, nor further *seek* to know
Their process, or the forms of law below.
Dryden, Translation of the Æneid, vi. 836.

3. Make pursuit.

Thou shalt not see thy brother's ox or sheep go astray ... it shall be with thee until thy brother *seek* after it.—*Deuteronomy*, xxii. 1.

Violent men have *sought* after my soul.—*Psalms*, lxxxvi. 14.

4. Apply to; use solicitation.

All the earth *sought* to Solomon, to hear his wisdom.—1 *Kings*, x. 24.

Unto his habitation shall ye *seek*, and thither thou shalt come.—*Deuteronomy*, xii. 5.

5. Endeavour after.

Being a man of experience, he wished by wisdom to order that which the young prince *sought* for by war.—*Knolles, History of the Turks.*

Seek. *adv.* At a loss; without measures, knowledge, or experience: (with *to*).

Being brought and transferred from other services abroad, though they be of good experience in those, yet in these they will be new *to seek*; and before they have gathered experience, they shall buy it with great loss to his majesty.—*Spenser, View of the State of Ireland.*

Unpractised, unprepared, and still *to seek.*
Milton, Paradise Lost, viii. 197.

But they misplace them all;
And are as much *to seek* in other things,
As he that only can design a tree,
Would be to draw a shipwreck. *Lord Roscommon.*

The following is a translation of Porson's imitation of Phocylides:

Νῆϊδές ἐστε μέτρων, ὦ Τεύτονες, οὐκ ὀ μὲν ὃς δ' οὐ·
Πάντες πλὴν Ἕρμαννος, ὁ δ' Ἕρμαννος σφόδρα Τεύτων.

The Germans in Greek
Are sadly *to seek*;
Not five in five score;
But ninety-five more;
All saving Hermann,
And Hermann's a German.
Dr. Goodhall, in *Museum of Criticism.*

Seéker. *s.* One who seeks.

1. Enquirer.

Though I confess that in philosophy I'm a *seeker*, yet I cannot believe that a sceptick in philosophy must be one in divinity.—*Glanville.*

A language of a very witty volatile people, *seekers* after novelty, and abounding with a variety of notions.—*Locke.*

Cato is represented to be a *seeker* to oracles.—*Phileleutherus Lipsiensis*, § 54.

2. Name of a sect which professed no determinate religion.

One is a ranter, another is a *seeker*, a third is a shaker!—*Bishop Hall, Remains*, p. 161.

The *seekers* deny that there is any true church, or any true minister, or any ordinance.—*Pagitt, Heresiography*, p. 128.

A sceptick [is] ever seeking, and never finds; like our new upstart sect of *seekers.*—*Bullokar, Expositor*: 1656.

Sir Henry Vane ... set up a form of religion in a way of his own; yet it consisted rather in a withdrawing from all other forms, than in any new or particular opinions or forms; from which he and his party were called *seekers.*—*Bishop Burnet, History of his own Time*, in 1661.

Seeksórrow. *s.* One who contrives to give himself vexation.

Afield they go, where many lookers be,
And thou *seeksorrow*, Klaius, them among:
Indeed thou saidst it was thy friend to see,
Strephon, whose absence seem'd unto thee long.
Sir P. Sidney.

Seel. *v. a.* [Fr. *siller*.] Close the eyes: (term of *Falconry*, the eyes of a wild or haggard hawk being for a time seeled or closed).

Now she brought them to see a *seeled* dove, who the blinder she was, the higher she strave.—*Sir P. Sidney.*

Mine eyes no more on vanity shall feed,
But *seeled* up with death shall have their deadly meed. *Spenser, Faerie Queen.*

Come, *seeling* night,
Scarf up the tender eye of pitiful day.
Shakespear, Macbeth, iii. 2.

To *seel* her father's eyes up, close as oak.
Id., Othello, iii. 3.

Some ambitious men seem as screens to princes in matters of danger and envy; for no man will take such parts, unless he be like the *seeled* dove, that mounts and mounts, because he cannot see about him.—*Bacon.*

Since, blinded with ambition, he did soar
Like a *seel'd* dove, his crimes shall be his punishment,
To be deprived of sight. *Sir J. Denham, The Sophy.*

Seel. *v. n.* [A.S. *syllan*.] Lean on one side.

When a ship *seels* or rolls in foul weather, the breaking loose of ordnance is a thing very dangerous.—*Sir W. Raleigh.*

Seel. *s.* Agitation of a ship in foul weather.

At His command black tempests rise;
Then mount they to the troubled skies:
Thence sinking to the depths below,
The ship hulls as the billows flow:
And all aboard, at every *seele*,
Like drunkards on the hatches reele.
Sandys, Paraphrase of the Psalms, p. 181: 1636.

Seel. *s.* [A.S. *sæl*.] Season; time. *Obsolete.*

It is a fair *seel* for you to come at, i. e. a fair season or time: spoken ironically to them that come late. What *seel* of day? i. e. what time of day? Essex.—*Ray, and Grose.*

Used as the *second element* in a *compound.*

Hay-seel, hay-time; *barley-seel, wheat-seel, bark-seel.* Norfolk.—*Grose.*

Seély. *adj.* [A.S. *sælig* = happy; this being the original meaning of the term; whence the notions of easiness, simplicity, silliness, in its present sense.]

1. Lucky; happy.

My *seely* sheep like well below,
For they been hale enough, I trow,
And liken their abode.
Spenser, Shepherd's Calendar.

2. Silly; foolish; simple; inoffensive.

If thee lust to holden chat
With *seely* shepherd's swayne,
Come downe, and learne the little what
That Thomalin can sayne.
Spenser. Shepherd's Calendar.

These, so wretchedly abused, resemble the butterfly, which flieth into the candle, and burneth himself; and those simple *seely* birds, which fly into the fire, thinking they are in the warm sun.—*Harmar, Translation of Beza*, p. 277.

Peacock and turkie, that nibbles off top,
Are very ill neighbours to *seely* poor hop.
Tusser, Five Hundred Points of Good Husbandry.

[She] did far surpass
The best in honest mirth that *seem'd* her well.
Spenser.

Seem. *v. n.* [Fr. *sembler*.]

1. Appear; have resemblance.

Speak: we will not trust our eyes
Without our ears: thou art not what thou *seem'st:*
Shakespear, Henry IV. Part II. v. 4.

So spake the Omnipotent; and with his words
All *seem'd* well pleased; all *seem'd*, but were not all.
Milton, Paradise Lost, v. 616.

She cast her eyes around the court, to find
A worthy subject suiting to her mind,
To him in holy nuptials to be tied,
A *seeming* widow, and a secret bride.
Dryden, Sigismunda and Guiscardo, 43.

The youth who first appears in sight,
And holds the nearest station to the light,
Already *seems* to snuff the vital air.
Id., Translation of the Æneid, vi. 1029.

2. Have the appearance of truth.

It *seems* to me, that the true reason why we have so few versions which are tolerable, is because there are so few who have all the talents requisite for translation.—*Dryden.*

It seems. This phrase sometimes signifies that there is an appearance, though no reality; but generally it is used ironically to condemn the thing mentioned, like the Latin *scilicet*, or the old English *forsooth*. 'Id mihi datur negotii *scilicet*' = 'This, *it seems*, is to be my task.'

The earth by these, 'tis said,
This single crop of men and women bred;
Who, grown adult, so chance, *it seems*, enjoin'd,
Did male and female propagate.
Sir R. Blackmore, Creation.

a. It is sometimes a slight affirmation.

A prince of Italy, *it seems*, entertained his mistress upon a great lake.—*Addison, Guardian.*

The raven, urged by such impertinence,
Grew passionate, *it seems*, and took offence.
Id., Translation from Ovid, Story of Coronis.

He had been a chief magistrate, and had, *it seems*, executed that high office justly and honourably.—*Bishop Atterbury.*

It seems that when first I was discovered sleeping on the ground, the emperor had early notice.—*Swift, Gulliver's Travels.*

b. It appears to be.

Here's another discontented paper,
Found in his pocket too; and this, *it seems*,
Roderigo meant to have sent.
Shakespear, Othello, v. 2.

It seems the camel's hair is taken by painters for the skin with the hair on.—*Sir T. Browne, Vulgar Errours.*

Seémer. *s.* One who, that which, carries an appearance.

Angelo scarce confesses
That his blood flows, or that his appetite
Is more to bread than stone: hence shall we see,
If pow'r change purpose, what our *seemers* be.
Shakespear, Measure for Measure, i. 4.

Seéming. *verbal abs.*

1. Appearance; show; semblance.

All good seeming;
By thy revolt, oh husband, shall be thought
Put on for villany. *Shakespear, Cymbeline*, iii. 4.

Give him heedful note;
And, after, we will both our judgements join
In censure of his *seeming*. *Shakespear, Hamlet*, iii. 2.

2. Fair appearance.

For you there's rosemary and rue; these keep
Seeming and savour all the winter long.
Shakespear, Winter's Tale, iv. 3.

3. Opinion.

Nothing more clear unto their *seeming*, than that a new Jerusalem, being often spoken of in Scripture, they undoubtedly were themselves that new Jerusalem.—*Hooker, Ecclesiastical Polity.*

His persuasive words impregn'd
With reason to her *seeming*.
Milton, Paradise Lost, ix. 737.

Seéming. *part. adj.* Looking like something which it is not; simulated; specious.

My lord, you've lost a friend, indeed;
And I dare swear, you borrow not that face
Of *seeming* sorrow; it is sure your own.
Shakespear, Henry IV. Part II. v. 2.

Sir, there she stands:
If aught within that little *seeming* substance
May fitly like your grace,
She's there, and she is yours.
Shakespear, King Lear, i. 1.

Pluck the borrowed veil of modesty from the so *seeming* mistress Page.—*Id., Merry Wives of Windsor*, iii. 2.

Seémingly. *adv.* In a seeming manner; in appearance; in show; in semblance.

To this her mother's plot,
She *seemingly* obedient, likewise hath
Made promise to the doctor.
Shakespear, Merry Wives of Windsor, iv. 6.

They to their viands fell, not *seemingly*
The angels, nor in mist.
Milton, Paradise Lost, v. 434.

I have touched upon them, though *seemingly* collateral to my scope; and yet I think they are more than *seemingly* so, since they pertinently illustrate my design.—*Glanville, Scepsis Scientifica.*

The city dame was so well bred, as *seemingly* to take all in good part.—*Sir R. L'Estrange.*

The king and haughty empress, to our wonder,
If not atoned, yet *seemingly* at peace. *Dryden.*

This the father *seemingly* complied with; but afterwards refusing, the son was likewise set aside.—*Addison, Freeholder.*

They depend often on remote and *seemingly* disproportioned causes.—*Bishop Atterbury.*

Seémingness. *s.* Attribute suggested by Seeming.

1. Plausibility; fair appearance.

The *seemingness* of those reasons persuades us on the other side.—*Sir K. Digby.*

2. Simply appearance.

Hypocrisy will obstruct, and put in a prejudice against all things, under the *seemingness* or appearance of evil, which are not only allowed of God, but necessary.—*Jeremy Taylor, Artificial Handsomeness*, p. 91.

Seémless. *adj.* Unseemly.

Thence he her drew
By the faire lockes, and fowly did array
Withouten pity of her goodly hew,
That Artegall himselfe her *seemlesse* plight did rew.
Spenser, Faerie Queen, vi. 2, 25.

Here I vow
Never to dream of *seemless* amorous toys.
B. Jonson, Case is Altered.

Seémliness. *s.* Attribute suggested by Seemly; decency; handsomeness; comeliness; grace; beauty.

When substantialness combineth with delightfulness, *seemliness* with portliness, and currentness with stayedness, how can the language sound other than full of sweetness?—*Camden.*

Seémly. *adj.* Decent; becoming; proper; fit.

Suspense of judgment and exercise of charity were safer and *seemlier* for Christian men than the hot pursuit of these controversies.—*Hooker, Ecclesiastical Polity.*

I am a woman, lacking wit
To make a *seemly* answer to such persons.
Shakespear, Henry VIII. iii. 1.

The wife
Safest and *seemliest* by her husband stays.
Milton, Paradise Lost, ix. 267.

May we enjoy
Our humid products, and with *seemly* draughts
Enkindle mirth and hospitable love.
J. Philips, Cyder, ii. 483.

Seémly. *adv.* In a decent or proper manner.

There, *seemly* ranged in peaceful order, stood
Ulysses' arms, now long disused to blood.
Pope, Translation of the Odyssey.

Seémlyhead, or **Seémlihood.** *s.* Decent, comely appearance.

Yet nathëmore his meaning she ared,
But wondered much at his so selcouth case;
And by his person's secret *seemlyhed*
Well weend, that he had beene some man of place
Before misfortune did his hew deface.
Spenser, Faerie Queen, iv. 8, 14.

Seen. *adj.* Skilled; versed: (with *in*). *Latinism, from spectatus.*

Petruchio shall offer me, disguised in sober robes,
To old Baptista as a schoolmaster
Well *seen in* musick.
Shakespear, Taming of the Shrew, i. 2.

Noble Boyle, not less in nature *seen*,
Than his great brother read in states and men.
Dryden, Epistles, To Dr. Charleton, 27.

Seér. *s.*

1. One who sees.

We are in hopes that you may prove a dreamer of dreams, and a *seer* of visions.—*Addison, Spectator.*

2. Prophet; one who foresees future events.

How soon hath *thy* prediction, *seer* blest!
Measured this transient world the race of time,
Till time stand fix'd.
Milton, Paradise Lost, xii. 553.

By day your frighted *seers*
Shall call for fountains to express their tears,
And wish their eyes were floods: by night from dreams
Of opening gulphs, black storms, and raging flames,
Starting amazed, shall to the people show
Emblems of heavenly wrath and mystick types of woe.
Prior, Solomon, iii. 804.

Seer. *adj.* See Sore (as in *full sore*).

They are gone *seer* ways.—*Ray, North Country Words, and Grose.*

Seésaw. *s.*

1. Reciprocating motion.

His wit all *seesaw*, between that and this;
Now high, now low, now master up, now miss,
And he himself one vile antithesis.
Pope, Epistle to Arbuthnot.

2. At *whist.* A double Ruff.

Seésaw. *v. n.* Move with a reciprocating motion; in a see-saw manner.

Sometimes they were like to pull John over, then it went all of a sudden again on John's side; so they went *seesawing* up and down, from one end of the room to the other.—*Arbuthnot.*

Seésaw. *v. a.* Move anything in a seesaw manner.

Softly dropped the yellow-dun on the water, and swiftly did it glide before the gaze of the latent trout; and now the trout seemed aroused from his apathy, behold he moved forward, balancing himself upon his fins; now he slowly ascended towards the surface; you might see all the speckles of his coat; the corporal's heart stood still—he is now at a convenient distance from the yellow-dun; lo, he surveys it steadily; he ponders, he *see-saws* himself to and fro.—*Lord Lytton, Eugene Aram*, b. i. ch. ix.

Seethe. *v. a.* pret. *sod* or *seethed*; part. pass. *sodden.* [A.S. *seoðan.*] Boil; decoct in hot liquor.

The Scythians used to *seethe* the flesh in the hide, and so do the northern Irish.—*Spenser, View of the State of Ireland.*

Set on the great pot, and *seethe* pottage for the sons of the prophets.—2 *Kings*, iv. 38.

Go, suck the subtle blood o' th' grape,
Till the high fever *seethe* your blood to froth,
And so 'scape hanging.
Shakespear, Timon of Athens, iv. 3.

Seethe. *v. n.* Be in a state of ebullition; be hot.

The boiling baths at Cairbadon,
Which *seethe* with secret fire eternally,
And in their entrails, full of quick brimston,
Nourish the flames, which they are warm'd upon.
Spenser, Faerie Queen.

I will make a complimental assault upon him; for my business *seethes*.—*Shakespear, Troilus and Cressida*, iii. 1.

Seéther. *s.* One who, that which, seethes.

The fire thus form'd, she sets the kettle on;
Like burnished gold the little *seether* shone.
Dryden, Translation from Ovid, Baucis and Philemon.

Seéthing. *part. adj.* Boiling.

Lovers and madmen have such *seething* brains,
Such shaping fantasies, that apprehend
More than cool reason ever comprehends.
Shakespear, Midsummer-Night's Dream, v. 1.

The species of lunacy which quickens and exalts the imagination of a lover, would, in one of so *seething* a brain as he was, strive to expend itself in all sorts of novel and wayward combinations.—*Craik, History of English Literature*, vol. i. p. 552.

Seéthing. *verbal abs.* State of boiling.

The priest's servant came, while the flesh was in *seething*, with a flesh-hook of three teeth in his hand; and he struck it into the pan.—1 *Samuel*, ii. 13.

Seg. *s.* Sedge.

A place where *segges* do grow.—*Barret, Alvearie*: 1580.

Seg. *s.* Castrated bull.

Segár, or **Cigár.** *s.* [Spanish, *cigarro.*] Small roll of tobacco, truncated at one end, and pointed at the other, permeable to air, and adapted for smoking; roll of tobacco, which the Spaniards smoke without a pipe.

Our hostess supplied us with plenty of fruit, and then obligingly smoked a *segar* with me.—*Twiss, Travels through Spain*: 1773.

Ségment. *s.* [Fr.; Lat. *segmentum.*] Figure contained between a chord and an arch of the circle, or so much of the circle as is cut off by that chord.

Unto a parallel sphere, and such as live under the poles for half a year, some *segments* may appear at any time, and under any quarter, the sun not setting, but walking round.—*Sir T. Browne.*

Their *segments* or arcs, which appeared so numerous, for the most part exceeded not the third part of a circle.—*Sir I. Newton.*

Ségregate. *v. a.* [Lat. *segrego*; pass. part. *segregatus; segregatio, -onis.*] Set apart; separate from others.

Nor does the black dissipate or *segregate* those purer atoms.—*Translation of Loredano*, p. 5: 1664.

Segregating heterogeneous bodies, and congregating those that are homogeneous.—*Bishop Berkeley, Siris*, § 190.

Ségregate. *adj.* Select.

A kind of *segregate* or cabinet senate.—*Sir H. Wotton, Remains*, p. 240.

Segregátion. *s.* Separation from others.

What shall we hear of this?—
A *segregation* of the Turkish fleet;
For do but stand upon the foaming shore,
The chiding billows seem to pelt the clouds.
Shakespear, Othello, ii. 1.

To decline offences, to be careful and conscionable in our several actions, is a purity that every man ought to labour for; which we may well do, without a sullen *segregation* from all society.—*Feltham.*

Seigneúrial. *adj.* Seignorial.

Those lands were *seigneurial*.—*Sir W. Temple.*

They were the statesmen, they were the lawyers; from them were often taken the bailiffs of the *seigneurial* courts.—*Burke, Abridgement of English History*, b. iii. ch. vi.

Seígnorage. *s.* [Fr. *seigneuriage.*]

1. Authority; acknowledgement of power.

They brought work to the mint, and a part of the money coined to the crown for *seignorage*.—*Locke.*

2. Payment made for the use of a patent.

The *seignorage*, if levied at all, must not be too high, else it affords an almost irresistible temptation to private coining, and as it must be high in order to form any important branch of revenue, it is generally no more than is thought sufficient to cover the cost of minting. The effect of a *seignorage* is to make coin more valuable than bullion. In this country no fixed *seignorage* is levied on gold, which is the standard of value. Any person may have standard gold coined in quantities of not less than 10,000*l.*, at the public cost. The short delay, indeed, during which the manufacture takes place would amount by the interest on the specie to a slight *seignorage*; but as the coinage is carried on through the agency of the Bank of England, and no private person can employ the agency of the mint for obtaining sovereigns, the loss is not really incurred, and such a *seignorage* as might affect the private individual does not take effect on the Bank issues of coin. In France, however, coin is worth more than bullion, by reason of the *seignorage*, and when monetary transactions take place between this country and France, coin must be treated as bullion. . . . A considerable *seignorage* is levied on the silver and copper currencies in this country.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Seígnorial. *adj.* Appertaining to the jurisdiction, or rights, of a seignior.

There was the most extraordinary variety of laws and usages throughout the realm, Roman Greek, Gothic, Lombard, Norman, Imperial-German institutes; old municipal and recent *seignorial* rights.—*Milman, History of Latin Christianity*, b. x. ch. iii.

Seígnorize. *v. a.* Lord over.

As fair he was as Cytherea's make,
As proud as he that *seignoriseth* hell. *Fairfax.*

Seígniory. *s.* [Fr. *seigneurie.*] Lordship; territory.

O'Neal never had any *seigniory* over that country, but what by encroachment he got upon the English.—*Spenser, View of the State of Ireland.*

Were you not restored
To all the duke of Norfolk's *seigniories*?
Shakespear, Henry IV. Part II. iv. 1.

Hosea, in the person of God, sayeth of the Jews, they have reigned, but not by me; they have set a *seigniory* over themselves: which place proveth plainly, that there are governments which God doth not avow.—*Bacon.*

William, earl of Pembroke, being lord of all Leinster, had royal jurisdiction throughout that province, and every one of his five sons enjoyed that *seigniory* successively.—*Sir J. Davies, Discourse on the State of Ireland.*

Seine. *s.* Sean; net.

They have cock-boats for passengers, and *seine* boats for taking of pilchards.—*Carew, Survey of Cornwall.*

Seíner. *s.* Fisher with nets.

Seiners complain with open mouth that these drovers work much prejudice to the commonwealth of fishermen, and reap small gain to themselves.—*Carew.*

Seísin. *s.* [Fr. *saisine.*]

1. In *Law.*

Seisin in fact, is when a corporal possession is taken; *seisin* in law, is when something is done which the law accounteth a *seisin*, as an inrolment. This is as much as a right to lands and tenements, though the owner be by wrong disseized of them.—*Cowell.*

2. Act of taking possession.

Every indulged sin gives Satan livery and *seisin* of his heart, and a power to dispose of it as he pleases.—*Dr. H. More, Decay of Christian Piety.*

Seisin is the same in the canon law as livery and *seisin* at the common law.—*Ayliffe, Parergon Juris Canonici.*

3. Things possessed.

Many recoveries were had, as well by heirs as successors, of the *seizin* of their predecessors.—*Sir M. Hale.*

Seísmic. *adj.* Belonging or relating to, connected with, earthquakes.

(For examples see under Seismology and Seismometry.)

Seísmologue. *s.* One engaged in Seismology.

(For example see under Seismology.)

Seismólogy. *s.* [Gr. σεισμὸς = shaking, earthquake + λόγος = word, principle.] Doctrine of earthquakes.

I [have derived] advantage from the contemporaneous labours of the few physicists who are engaged in *seismology*.... The labour of future *seismologues* will be in a great degree thrown away, unless the cultivators of science in all countries ... shall unite in agreeing to some one uniform system of *seismic* observation.—*R. Mallett, Report on the Facts and Theory of Earthquake Phenomena*, in *Transactions of the British Association for the Advancement of Science*: 1858.

Seismómeter. *s.* Instrument for measuring the impulse of an earthquake.

(For example see under Seismometry.)

Seismométric. *adj.* Connected with, relating to, Seismometry.)

(For example see under Seismometry.)

Seismómetry. *s.* Measurement of the impulse of earthquakes.

The *seismic* map of Berghaus ... is the most important attempt of this sort emanating from abroad. ... *Seismic* energy may become sensible at any part of the earth's surface. ... I proceed to some observations upon instrumental *seismometry*, and the construction of *seismometers*.... Twelve years ago the construction of *seismometric* instruments seemed a comparatively easy matter.—*R. Mallett, Report on the Facts and Theory of Earthquake Phenomena*, in *Transactions of the British Association for the Advancement of Science*: 1858.

Seismoscope. *s.* [Gr. σκοπέω = I spy, see, observe, descry.] Instrument for the purpose of rendering visible the very feeblest impulses of the shaken ground.

This instrument I have named the *seismoscope*.—*R. Mallet, Report on the Facts and Theory of Earthquake Phenomena*, in *Transactions of the British Association for the Advancement of Science*: 1851.

Seize. *v. a.* [Fr. *saisir.*]

1. Take hold of; gripe; grasp.

Then as a tiger who by chance hath spy'd
In some purlieu two gentle fawns at play,
Straight couches close, then rising, changes oft
His couchant watch, as one who chose his ground,
Whence rushing he might surest *seize* them both.
Milton, Paradise Lost, iv. 403.

2. Take possession of by force.

At last they *seize*
The sceptre, and regard not David's sons.
Milton, Paradise Lost, xii. 356.

3. Take possession of; lay hold on; invade suddenly.

In her sad breast the prince's fortunes roll,
And hope and doubt alternate *seize* her soul.
Pope, Translation of the Odyssey, iv. 1039.

4. Take forcible possession of by law.

An escheator of London had arrested a clothier that was outlawed, and *seized* his goods.—*Camden.*

It was judged by the highest kind of judgment, that he should be banished, and his whole estate confiscated and *seized*, and his houses pulled down.—*Bacon.*

5. Make possessed; put in possession of.

So th' one for wrong, the other strives for right:
As when a griffin, *seized* of his prey,
A dragon fierce encountreth in his flight,
Through wildest air making his idle way.
Spenser, Faerie Queen.

6. Fasten; fix: (with *on*).

So down he fell before the cruell beast,
Who *on* his neck his bloody claws did *seize*;
That life nigh crush'd out of his panting brest,
Spenser, Faerie Queen, i. 8, 15.

Fairest Cordelia,
Thee and thy virtues here I *seize upon*;
Be't lawful I take up what's cast away.
Shakespear, King Lear, i. 1.

Where there is a design of supplanting, that necessarily requires another of accusing: even Jezebel projects not to *seize on* Naboth's vineyard without a precedent charge.—*Dr. H. More, Decay of Christian Piety.*

Seízure. *s.*

1. Act of seizing.
2. Thing seized.

Sufficient that thy prayers are heard, and death,
Then due by sentence when thou didst transgress,
Defeated of his *seizure* many days
Given thee of grace. *Milton, Paradise Lost*, xi. 252.

3. Act of taking forcible possession.

Thy lands, and all things that thou dost call thine,
Worth *seizure*, do we *seize* into our hands.
Shakespear, As you like it, iii. 1.

In the general town he maintained a *seizure* and possession of the whole.—*Sir H. Wotton.*

Henry continued to burn protestants, after he had cast off the pope; and his *seizure* of ecclesiastical revenues cannot be reckoned as a mark of the church's liberty.—*Swift.*

The first of the three kinds of conquest, then, has for its object and effect the complete displacement of the ancient inhabitants. ... Under the second form of conquest the conquerors ... feel that they will gain most by foregoing something of their right to the wholesale *seizure* and appropriation of the soil, and neither wholly destroying or expelling its ancient possessors, nor even reducing them to a state of slavery, but only treating them as a lower caste... Finally, there is that kind of subjugation of one people or country by another which results simply in the overthrow of the independence of the former, and the substitution in it or over it of a foreign for a native government.—*Craik, History of English Literature*, vol. i. p. 43.

4. Gripe; possession.

And shall these hands so lately purged of blood,
Unyoke this *seizure* and this kind regret?
Shakespear, King John, iii. 1.

Make o'er thy honour by a deed of trust,
And give me *seizure* of the mighty wealth. *Dryden.*

5. Catch.

Let there be no sudden *seizure* of a lapsed syllable to play upon it.—*Watts.*

Séjant. *adj.* [N.Fr. *sitting.*] In *Heraldry.* Term to describe beasts in a sitting posture: (*sejant-rampant* means sitting with the feet lifted up).

Sejoín. *v. a.* [Lat. *sejungo.*] Separate.

There is a season when God, and nature, *sejoins* man and wife in this respect.—*Whately, Bride-Bush, or Wedding Sermons*, p. 44: 1617.

Sejúnction. *s.* Act of disjoining or separating.

The constitution of that people was made by a *sejunction* and separation of them from all other nations on the earth.—*Bishop Pearson, Exposition of the Creed*, art. ii.

Sejúngible. *adj.* Capable of being separated.

The spawn and egg are *sejungible* from the fish and fowl, and yet still retain the prolifick power of generation.—*Bishop Pearson, Exposition of the Creed*, art. i.

Sélcouth. *adj.* Rarely known; uncommon.

Yet nathëmore his meaning she ared,
But wondred much at his so *selcouth* case.
Spenser, Faerie Queen, iv. 8, 14.

Séldom. *adv.* [A.S. *seld, seldan.*] Rarely; not often; not frequently.

Wisdom and youth are *seldom* joined in one; and the ordinary course of the world is more according to Job's observation, who giveth men advice to seek wisdom amongst the ancients, and in the length of days understanding.—*Hooker, Ecclesiastical Polity.*

There is true joy conveyed to the heart by preventing grace, which pardoning grace *seldom* gives.—*South, Sermons.*

Where the flight of fancy is managed with good judgment, the *seldomer* it is seen it is the more valuable.—*Grew.*

Séldom. *adj.* Rare; not frequent.

The *seldom* discharge of a higher and more noble office.—*Milton, Reason of Church Government urged against Prelacy*, b. i. ch. iv.

By prayer is not meant a formal customary attendance upon the offices of the church, undertook only out of a sordid fear of the eye of man, and then performed with weariness and irreverence, with *seldom* access, and more *seldom* devotion.—*South, Sermons*, ix. 151.

His sickness in the later years of his life gave him but short and *seldom* truce.—*Bishop Fell, Life of Hammond.*

Séldomness. *s.* Attribute suggested by Seldom; uncommonness; infrequency; rareness; rarity.

Degrees of well-doing there could be none, except perhaps in the *seldomness* and oftenness of doing well.—*Hooker, Ecclesiastical Polity.*

The strength of delight is in its *seldomness* or rarity.—*Sir T. Browne, Christian Morals*, ii. 1.

Séldshown. *adj.* Seldom exhibited to view.

Seldshown flamens
Do press among the popular throngs.
Shakespear, Coriolanus, ii. 1.

Seléct. *v. a.* [Lat. *selectus.*] Choose in preference to others rejected.

The footmen, *selected* out of all the provinces, were greatly diminished, being now scarce eight thousand strong.—*Knolles, History of the Turks.*

The pious chief, who sought by peaceful ways
To found his empire, and his town to raise,
A hundred youths from all his train *selects*.
Dryden, Translation of the Æneid, vii. 208.

Seléct. *adj.* Nicely chosen; choice; culled out on account of superior excellence.

To the nuptial bow'r
I led her, blushing like the morn: all heaven,
And happy constellations on that hour
Shed their *selectest* influence.
Milton, Paradise Lost, viii. 510.

Select from vulgar herds, with garlands gay,
A hundred bulls ascend the sacred way.
Prior, Solomon, iii. 653.

Seléctedly. *adv.* In a selected manner; with care in selection.

Prime workmen of the kingdom, *selectedly* employed in this service.—*Heywood, Description of the King's Ship at Woolwich*, p. 48: 1637.

Seléction. *s.* Act of culling or choosing; choice.

While we single out several dishes, and reject others, the *selection* seems but arbitrary.—*Sir T. Browne, Vulgar Errours.*

Some of the best illustrations of functional heredity, are furnished by the mental characteristics of human races. Certain powers which mankind have gained in the course of civilization, cannot, I think, be accounted for, without admitting the inheritance of acquired modifications. The musical faculty is one of these. To say that 'natural *selection*' has developed it, by preserving the most musically endowed, seems an inadequate explanation.—*Herbert Spencer, Principles of Biology*, pt. ii. ch. viii.

Seléctive. *adj.* Exercising choice in the way of selection.

Who can enough wonder at the pitch of this *selective* providence of the Almighty.—*Bishop Hall.*

Being unable to accept the volitional hypothesis, or that of impulse from within, or the *selective* force exerted by outward circumstances, I deem an innate tendency to deviate from parental type, operating through periods of adequate duration, to be the most probable nature, or way of operation, of the secondary law, whereby species have been derived one from the other.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 807.

Sélenite. *s.* In *Mineralogy.* Variety (hydrated) of sulphate of lime, or crystalized and transparent gypsum.

Selenite is found,... in the London clay,... in the Eocene clays of the Isles of Wight,... in the Oxford clay of Shotover Hill, ... in the lias of Gloucestershire, the Gault of Folkestone, &c.—*Ansted*, in *Brande and Cox, Dictionary of Arts, Manufactures, and Mines.*

Selenítes. *s.* [Gr. σελενίτης, from σελήνη = moon.]

Your mentioning of a *selenites* that has the shape and appearance of a diamond, puts me in mind of what both you and Mr. Lhwyd have told me; that you have met with a sort of an opaque *selenite* among the stones I sent from hence.—*Bishop Nicholson to Dr. Woodward, Epistolary Correspondence*, i. 84: 1697.

Selénium. *s.* [Gr. σελήνη = the moon; the term, as one of Chemistry, being artificial.] Metalloid elementary substance so named by Berzelius, who discovered it.

Selenium ... occurs sparingly in combination with several metals, as lead, cobalt, copper, and quicksilver: in the Hartz, at Tilkerode; with copper and silver in Sweden; with tellurium and bismuth in Norway; with tellurium and gold in Siebenbürgen; in several copper and iron pyrites, and with sulphur in the volcanic products of the Lipari Islands.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Selénograph. *s.* Delineation, portrait, or picture of the surface, or part of the surface, of the moon.

My next attempt was made ... with a fine telescope by Cooke, of 6½-inch aperture and 11 feet sidereal focus, mounted equatorially, in the old English mode, and carried by clockwork. With this excellent arrangement I was enabled to use photography very successfully, and to obtain *selenographs* 2 inches across in 5 seconds of time. The drawing of Gassendi, No. 3, was made with this instrument. From these experiments the conclusion was obvious: —that for obtaining good drawings of the moon, convenient mounting was actually more important than great optical power; and that for such a purpose it was desirable to increase in every way the comfort of the observer, and furnish him with special arrangements for his own position and the placing of his drawing-board and light.—*J. Phillips, On some Parts of the Surface of the Moon,* in *Proceedings of the Royal Society,* Jan. 16. 1868.

Selenográphic. *adj.* Belonging to selenography.

Selenógraphy. *s.* [Gr. σελήνη = moon; γράφω = I write.] Description of the moon.

Hevelius, in his accurate *selenography,* or description of the moon, hath well translated the known appellations of regions, seas, and mountains, unto the parts of that luminary.—*Sir T. Browne.*

Self. In most languages the word which either has the same meaning as *self,* or constitutes an approximate equivalent, is more or less irregular; whilst in English the question as to its nature is one of more than ordinary difficulty.

In English, the fact which first commands attention is, to a great extent, a negative one. It affects the language, however, to a great extent. In Latin, and in all the languages derived from the Latin, there is what is called the Reflective Pronoun of the Third Person, viz., *se,* with its secondary forms, *sui, sibi, suus, sua, suum,* &c.; and with its compounds, *seipse, semet,* and others. It is the Greek ἑ in ἑαυτόν, the aspirate representing the *s.* In the Slavonic and Lithuanic the same word appears; and so it does in all the German languages and dialects *of the Continent.* It is the *sich* of the Teutonic, the *sik* and *sig* of the Scandinavian, tongues.

But *in English it is wanting*; wanting in the earlier epochs of the language, as well as in the later: all that the Anglo-Saxon stage gives us being a few instances of the possessive pronoun *sin* (= his, hers, or its) in poetry, and these in the single poem of Beowulf. In the Old Saxon, however, of Westphalia, it is as common as in the other German forms of speech. Without accounting for this remarkable instance of defect in English, we may note three points wherein it affects the language: — (1) From having nothing to coincide with the Latin *suus, sua, suum,* the German *seiner, seine, seines,* and the Norse *sin, sit* (forms giving us a difference of *gender*), we express possession on the part of an object in the third person, by the genitive cases *his, her,* and *its*; so that, when the name of the object possessing and that of the object possessed differ in gender, we get such combinations as *his mother,* and *her father.* (2) We have no *simple* reflective pronoun like the *se* of the classical, the *sie* of the Slavonic, and the *sik, sig, sich* of the German languages; an element which in the Scandinavian, or Norse, branch has developed a true passive voice—e.g. from the Old Norse *kalla mik* (= call myself), &c., we have *kalla sig* (= call one's self), for all three persons; *kallasc* (= call one's self and be called); *hallast, hallas, kalles* (= am called), the ordinary passives of the present Swedish and Danish. (3) We have the difficulties connected with the construction and the composition of the word *self,* which form the subject of the present notice.

There is no very easy way of giving the meaning of *self,* except in a general and approximate manner. It suggests the ideas of *personality, individuality,* and *identity*: and this gives, probably, its primary meaning. In these there is the notion of a *unit*; and as the act of a person who does anything to himself limits both the act and the result of it to a single object, a connection with the idea suggested by the term Reflective (Pronoun or Verb) is manifest. The complications increase, however, when, in coming to the details of certain constructions, we ask *how* the word, as a *Part of Speech,* has such or such an import. Thus—

1. We may say, 'I *one and individual, personal, or identical,* mean this;' in which case the construction is, purely and simply, adjectival.

2. We may say, 'I *the individual* mean this;' in which case the adjective is treated as a substantive.

3. We may say, 'My *individuality* means this.' This gives us a true substantive.

4. 'I, *myself,* mean this.' What have we here? That depends upon which of the two constructions we consider. Take *myself* as it is spelt, i.e. as a single word, and it means, I *individually, personally, actually, identically,* and the construction is adverbial. Analyze, however, the combination, and *self* becomes a substantive. Hence the construction is that of *my head, my body, my person,* and the like. To *I* it stands in apposition; just like, 'I, *your master*; I, *my father's son.*'

5. 'He hit *himself.*' Here, too, we may say there is an adverbial import; also that there is an apposition. But the apposition is that of *him* and *self*; not that of *himself* and *he.* This is as much as need be said in the introduction of the peculiarities of the word.

Johnson has entered the word as a pronoun, and that rightly; but he has (less rightly) followed up the entry by the remark that its primary signification seems to be that of an adjective.

The present Editor will deal with the word—I. When it stands alone; and II. When it enters into either Combination or Composition.

I.—*Standing alone.*

Self. *s.* Individuality; personality; identity. Its shades of meaning range from the metaphysical sense of *ego* (see Egoism), to the colloquial sense of *Number one*; as in, 'Take care of *number one,*' i.e. of *yourself.* The plural is *selves.*

Self is that conscious thinking thing, which is sensible or conscious of pleasure and pain, capable of happiness and misery, and so is concerned for itself as far as that consciousness extends.—*Locke.*

Since consciousness always accompanies thinking, and it is that that makes every one to be what he calls *self,* and thereby distinguishes himself from all other thinking things; in this alone consists personal identity, i.e. the sameness of a rational being. —*Locke.*

It is by the consciousness it has of its present thoughts and actions, that it is *self* to it *self* now, and so will be the same *self,* as far as the same consciousness can extend to actions past or to come.—*Id.*

The fondness we have for *self,* and the relation which other things have to our *selves, furnishes* another long rank of prejudices.—*Watts.*

I know ye; and these lakes and echoes know
The darkness and the clangour of your wings.
But why more hideous than your loathed *selves*
Gather ye up in legions from the deep?
Shelley, Prometheus Unbound.

Peace, wanton! thou art yet not old enough.
Think ye by gazing on each other's eyes
To multiply your lovely *selves,* and fill
With sphered fires the interlunar air? *Ibid.*

Martin ... had been bred up in his grandfather's house; and it will usually be found that the meaner domestic vices propagate themselves to be their own antagonists. Selfishness does this especially: so do suspicion, cunning, stealth, and covetous propensities. Martin had unconsciously reasoned as a child, 'My guardian takes so much thought of himself, that unless I do the like by myself, I shall be forgotten.' So he had grown selfish. But he had never known it. ... He never would have known it, but that being newly risen from a bed of dangerous sickness, to watch by such another couch, he felt how nearly *Self* had dropped into the grave, and what a poor dependent, miserable thing it was. It was natural for him to reflect—he had months to do it in—upon his own escape, and Mark's extremity. This led him to consider which of them could be the better spared, and why? Then the curtain slowly rose a very little way; and *Self, Self, Self,* was shown below. He asked himself, ... whether he had done his duty by him, and had deserved and made a good response to his fidelity and zeal. No. Short as their companionship had been, he felt in many, many instances, that there was blame against himself: and still inquiring why, the curtain slowly rose a little more, and *Self, Self, Self,* dilated on the scene.—*Dickens, Martin Chuzzlewit,* ch. xxxiii.

Self. *adj.*

1. In the extract, (her) own. *Barbarous.*

Calling home our exiled friends abroad,
That fled the snares of watchful tyranny
Producing forth the cruel ministers
Of this dead butcher and his fiendlike queen;
Who, as 'tis thought, by *self* and violent hands,
Took off her life. *Shakespear, Macbeth,* v. 7.

2. Same; selfsame.

In my school-days, when I had lost one shaft,
I shot his fellow of the selfsame flight
The selfsame way, with more advised watch,
To find the other forth. ... If you please
To shoot another arrow that *self* way
Which you did shoot the first.
Shakespear, Merchant of Venice, i. 1.

I'm made of that *self* metal as my sister,
And prize me at her worth. *Id., King Lear,* i. 1.

On these *self* hills the air is so thin, that it is not sufficient to bear up the body of a bird.—*Sir W. Raleigh.*

At that *self* moment enters Palamon
The gate of Venus.
Dryden, Palamon and Arcite, iii. 562.

Here the word is an adjectival pronoun rather than a true adjective. It has not, however, been thought necessary to make a separate entry.

Self. *pron.* This is what the word actually is, as a Part of Speech; whether we consider its inflection or its import. An objection has been made on the score of its having a plural—*selves* in the present, and *selven* in the older, stages of our language. The same applies to *others,* and *ones*; as, 'My wife and little *ones.*' In the way of import it expresses a relation; a relation, indeed, of a peculiar kind; but one which is generally recognised as a relation; viz. the relation of identity, as in the formula 'A is A.' As a pronoun, however, it is more substantival than adjectival, as may be seen by the preceding entries.

This pronominal character is by no means incompatible with the statement (under 5) that its import may be adverbial, indeed that it may be an actual adverb. The same is the case with *either, neither,* and other words: for which there are two renderings, as in '*Either* A or B is to blame,' which may be either '*One* or the

other,' or '*In the way of an alternative.*' See under Either. It is in composition, however, that the question as to its nature takes its chief importance.

II. *Combination and Composition.*

a. As the *first element.* Here the list of examples (which are arranged chronologically) stands as it was left by Johnson: Todd, before the present editor, having thought it unnecessary to extend it. The character of the compositions, however, may be noticed. The best and simplest are those where the second element is the *present* participle of a *transitive* verb; in which case the government is simply that of a verb and noun, the intervention of a preposition in the analysis of its import being unnecessary; e. g. *self-supporting, self-tormenting.* When the participle is *past*, i.e. *passive*, the intervention of *by* is required; *self-tormented* = tormented by (one's) self. With *tormentor*, or *supporter*, and the *verbal abstracts* in *-ing*, there is the similar implication of some preposition—'tormentor *of* (one's) self.'

As the transitive and verbal character of the first element becomes obscure, the compound becomes exceptionable; i. e. the preposition required for the full rendering of it and the import of the word *self* become uncertain. The remark that Shakespear's use of the word is harsh (the present editor would use a stronger term) is Johnson's, and it is one which the examples verify.

Then held she her tongue, and cast down a *self-accusing* look, finding that in herself she had shot out of the bow of her affection a more quick opening of her mind than she minded to have done.—*Sir P. Sidney.*

Alas! while we are wrapt in foggy mist
Of our *self-love*, so passions do deceive,
We think they hurt, when most they do assist. *Id.*

Till Strephon's plaining voice him nearer drew,
Where by his words his *self-like* case he knew. *Id.*

Ah! where was first that cruel cunning found,
To frame of earth a vessel of the mind,
Where it should be to *self-destruction* bound? *Id.*

Before the door sat *self-consuming* Care,
Day and night keeping wary watch and ward.
Spenser, Faerie Queen.

In their anger they slew a man, and in their *self-will* they digged down a wall.—*Genesis*, xlix. 6.

My strange and *self-abuse*,
Is the initiate fear that wants hard use.
Shakespear, Macbeth, iii. 4.

I have heard so much,
And with Demetrius thought to have spoke thereof:
But being over full of *self-affairs*,
My mind did lose it.
Id., Midsummer-Night's Dream, i. 1.

Nor know I aught
By me that's said or done amiss this night,
Unless *self-charity* be sometimes a vice,
And to defend ourselves it be a sin,
When violence assails us. *Id., Othello*, ii. 3.

He walks, and that *self-chain* about his neck,
Which he forswore. *Id., Comedy of Errors*, v. 1.

But lest myself be guilty of *self-wrong*,
I'll stop mine ears against the mermaid's song.
Ibid. iii. 2.

It is in my power, in one *self-born* hour,
To plant and o'erwhelm custom.
Id., Winter's Tale, iv. chorus.

His treasons will sit blushing in his face,
Not able to endure the sight of day,
But *self-affrighted* tremble at his sin.
Id., Richard II. iii. 2.

The stars above us govern our conditions;
Else one *self-mate* and mate could not beget
Such different issues. *Id., King Lear*, iv. 3.

Know if his last purpose hold,
Or whether since he is advised by aught
To change the course? He's full of alteration,
And *self-reproving*. *Ibid.* v. 1.

He conjunct and flattering his displeasure,
Tript me behind: being down, insulted, rail'd . . .
Got praises of the king,
For him attempting who was *self-subdued*.
Ibid. ii. 2.

He may do some good on her:

Bellona's bridegroom, lapt in proof,
Confronted him with *self-caparisons*,
Point against point. *Id., Macbeth*, i. 2.

Self-love, my liege, is not so vile a sin
As *self-neglecting*. *Id., Henry V.* ii. 4.

His lords desire him to have borne
His bruised helmet and his bended sword
Before him through the city; he forbids it,
Being free from vainness and *self-glorious* pride.
Ibid. v. chorus.

Anger is like
A full hot horse, who, being allow'd his way,
Self-mettle tires him. *Id., Henry VIII.* i. 1.

You promised
To lay aside *self-harming* heaviness,
And entertain a cheerful disposition.
Id., Richard III.

The most ordinary cause of a single life is liberty especially in certain *self-pleasing* and humorous minds, which are so sensible of every restraint as to think their girdles and garters to be bonds and shackles.—*Bacon.*

Hast thou set up nothing in competition with God: no pride, profit, *self-love*, or *self-interest* of thy own?—*Duppa.*

Up through the spacious palace passed she,
To where the king's proudly reposed head,
If any can be soft to tyranny
And *self-tormenting* sin, had a soft bed.
Crashaw.

With a joyful willingness these *self-loving* reformers took possession of all vacant preferments, and with reluctance others parted with their beloved colleges and subsistence.—*I. Walton.*

Repent the sin; but if the punishment
Thou canst avoid, *self-preservation* bids.
Milton, Samson Agonistes, 504.

So virtue given for lost,
Deprest and overthrown, as seem'd,
Like that *self-begotten* bird,
In the Arabian woods embost,
That no second knows nor third,
And lay ere while a holocaust,
From out her ashy womb now teem'd. *Ibid.* 1697.

Him fast sleeping soon he found,
In labyrinth of many a round *self-roll'd*.

No wonder such a spirit, in such a situation, is provoked beyond the regards of religion or *self-conviction*.—*Swift.*

b. As the *second element*, the *first* being a pronoun. Here the combinations are as follows:—1. With the pronouns of the first and second person. 2. With those of the third.

1. With *my-self*, *thy-self*, *our-selves* and *your-selves*, the construction is that of a substantive, preceded by either a possessive case or an adjective; in other words, by an equivalent to either *mei*, *tui*, *nostrum*, *vestrum*, or *meus*, *tuus*, *noster*, *vester*. The treatment of the two words as one is merely a piece of printing. When they come together they *may*, when any word comes between them they *must*, be separated—*my* own *self*, *our* noble *selves*, &c.

2. With *himself* and *themselves*.

(*a.*) In the *objective* (*accusative*) case the construction is either that of two pronouns in apposition, or of a pronoun followed by an adverb; the former view being the simpler, the latter being complicated by recognition of a plural number for adverbs. The sense, however, in both is adverbial.

(*b.*) With *herself*, the first element is ambiguous. It may answer to *my* and *thy*, or it may answer to *me* and *thee*. The analogy of *himself* would make it accusative.

(*c.*) With *it* and *one*, the analysis is complicated by the spelling; since, whether the combinations be *its* + *self* and *one's* + *self*, or *it* + *self* and *one* + *self*, the difference is one which in writing is likely to be neglected. It is probable, however, that the omission of the second *s* is correct; in other words that the rule stands as follows. With the first and second persons the first element is possessive; with the third (for the three genders and the two numbers) it is accusative.

But we not only say '*He hit himself*,' but '*He himself hit me*,' and the like; in other words we use an accusative form with a nominative sense. Whatever we may call this—irregularity, anomaly, paradox, solecism, &c.—it is as old as the Anglo-Saxon period, and it occurs in other languages.

Himself in the nominative case . . . has long been authorized by constant custom; and it is remarkable, that a solecism of the same sort has prevailed in the French language, in which *moi* and *toi*, the oblique case of *je* and *tu*, when combined with *même*, are used as ungrammatically as our *my* and *thy* have just been supposed to be when combined with *self*: *Je l'ai vu moi-même*, I have seen it myself: *Tu le verras toi-même*, thou shalt see it thyself: and so, in the accusative case, *moi-même* is added emphatically to *me*, and *toi-même* to *te*. It is probable, I think, that these departures from grammar, in both languages, have been made for the sake of fuller and more agreeable sounds. *Je-même*, *me-même*, and *te-même*, would certainly sound much thinner and more languid than *moi-même* and *toi-même*; and *myself*, *thyself*, &c., are as clearly preferable in point of pronunciation, to *Iself*, *meself*, *thouself*, *theeself*, &c., though not all, perhaps, in an equal degree. It should be observed, that *itself*, where a change of case in the pronoun would not have improved the sound, has never undergone any alteration.—*Tyrwhitt, Glossary to Chaucer, Self.*

For another view of this see under My; where the original objective character of *se*, *sig*, *sich* (i.e. the reflective pronoun) is supposed to have had the effect of excluding from composition the *nominative* altogether, and the other cases to a great degree.

In the way of *syntax* the omission of the simple pronoun is exceptional.

A horse well bitted which *himself* did dress.
Dryden.

And touched with miseries *myself* have known,

In full—*he himself, I myself.*

Self-heal. *s.* In *Botany*. Popular name of two native plants; (1) Sanicula; (2) Prunella. It is to this last that it is most generally applied. The first syllable is generally, looked upon as a corruption of *slough*. The extract, however, shows that this view (perhaps on insufficient grounds) has been objected to.

Selfheal, correctly so spelt, and not *slough-heal*. . . . It meant that with which one may cure one's self, without the help of a surgeon, to which effect Ruellius quotes a French proverb, that no one wants a surgeon who keeps Prunelle.—*Dr. A. Prior, Popular Names of British Plants*, in voce *Self-heal*.

Slough-heal [is] a supposed, but mistaken correction of *self-heal*, the slough being that which is thrown off from a foul sore, and not that which is healed, the wound itself. Besides, the term slough was not used in surgical language till long after the plant had been called *self-heal*, and applied as a remedy, not to sloughing sores, but to fresh cut wounds.—*Ibid.*, in voce *Slough-heal*.

Sélfish. *adj.* Attentive only to one's own interest; void of regard for others.

What could the most aspiring *selfish* man desire more, were he to form the notion of a being to whom he would recommend himself, than such a knowledge as can discover the least appearance of perfection, and such a goodness as will proportion a reward to it?—*Addison, Spectator.*

Passions, though *selfish*, if their means be fair,
List unto reason, and deserve her care;
Those that imparted court a nobler aim,
Exalt their kind, and take some virtue's name.
Pope, Essay on Man.

Sélfishly. *adv.* In a selfish manner; having regard only to self-interest; without love of others.

[He] can your merit *selfishly* approve,
And show the sense of it without the love.
Pope, Epistle to Arbuthnot.

Sélfishness. *s.* Attribute suggested by Selfish; attentive to one's own interest, regardless of others; self-love.

This sublimer love, being, by an intimate conjunction with its object, thoroughly refined from all base dross of *selfishness* and interest, nobly begets a perfect submission of our wills to the will of God.—*Boyle, Seraphick Love.*

Sélfness. *s.* Self-love; selfishness. *Obsolete.*

Wholly hers, all *selfness* he forbears.
Sir P. Sidney, Astrophel and Stella.

The simple good, without all *selfness* or straitness. —*Dr. H. More, Song of the Soul*, notes, p. 366.

O false and wicked colours of desire!
Eternal bondage unto him that seeks
To be possessed of all things that he likes!
Shall I, a son and subject, seem to dare,
For any *selfness*, to set realms on fire.
Lord Brooke, Mustapha.

Sélfsame. *adj.* Exactly the same; very same; identical.

I have no great cause to look for other than this *selfsame* portion and lot, which your manner hath been hitherto to lay on them that concur not in opinion with you.—*Hooker, Ecclesiastical Polity*, preface.

Flight pursued one way the *selfsame* hour.
Milton, Paradise Lost, xi. 203.

I have been base,
Base even to him from whom I did receive
All that a son could to a parent *give*:
Behold me punish'd in the *selfsame* kind;
Th' ungrateful does a more ungrateful find.
Dryden, Aurengzebe, iv. 1.

Sell. *s.* [Fr. *selle*; Lat. *sella*.]

1. Saddle. *Obsolete.*

Turning to that place, in which whilere
He left his lofty steed with golden *sell*
And goodly gorgeous barbes, him found not there.
Spenser, Faerie Queen.

2. Royal seat; throne.

The tyrant proud frown'd from his lofty *sell*.
Fairfax, Translation of Tasso, b. iv.

Sell. *v. a.* pret. *sold*. [A.S. *syllan* = give.]

1. Give for a price; vend,

Let us *sell* him to the Ishmaelites.—*Genesis*, xxxvii. 27.

The Midianites *sold* him into Egypt, unto Potiphar.—*Ibid.* xxxvii. 36.

This sense is likewise mistress of an art,
Which to soft people sweet perfumes doth *sell*.
Sir J. Davies, Immortality of the Soul.

All the inns and public-houses are obliged to furnish themselves with corn, which is *sold* out at a much dearer rate than 'tis bought up.—*Addison, Travels in Italy.*

You have made an order that ale should be *sold* for three half-pence a quart.—*Swift.*

2. Betray for money: (as, 'He *sold* his country').

You would have *sold* your king to slaughter,
His princes and his peers to servitude.
Shakespear, Henry V, ii. 2.

Sell. *v. n.*

1. Have commerce or traffic with one.

I will buy with you, *sell* with you, talk with you, walk with you, and so following; but I will not eat with you.—*Shakespear, Merchant of Venice*, i. 3.

Consult not . . . with a buyer of *selling*.—*Ecclesiasticus*, xxxvii. 11.

2. Be sold.

Few writings *sell*, which are not filled with gre names.—*Addison, Spectator*, no. 567.

Séllander. *s.* [?] Dry scab in a horse's hough or pastern.

Séller. *s.* One who sells; vendor.

To things of sale a *seller's* praise belongs.
Shakespear, Love's Labour's lost, iv. 3.

The same market as of old, crowded by the same buyers and *sellers*; brisk with the same business.—*Dickens, Martin Chuzzlewit*, ch. xxxvi.

Séltzer-water. *s.* Mineral water from Selters, one of the spas of Germany.

The ladies themselves soon withdrew; the gentlemen lingered for awhile; the Duke took up his candle, and bid his guests good night; Lord Everingham drank a glass of *Seltzer water*, nodded, and vanished.—*B. Disraeli, Coningsby.*

Sélvedge. *s.* [? *self-edge*.] Edge of cloth where it is closed by complicating the threads.

Many loops of blue upon the edge of the one curtain from the *selvedge* in the coupling.—*Exodus*, xxxvi. 4.

Meditation is like the *selvedge*, which keeps the cloth from ravelling.—*Echard, Observations on the Answer to the Contempt of the Clergy*, p. 110.

Sémaphore. *s.* [Gr. σῆμα, σημάτος = mark, signal.] Word of recent origin, used, with doubtful advantage, as an approximate equivalent to telegraph.

Hemoptysis, and *semaphore*, are instances of this irregularity; the compound being founded upon the nominatives αἷμα, and σῆμα, instead of the fuller and more fundamental forms αἱματ-, and σήματ-. . . . This laxity is as old as the best Greek writers; where we have δίστομος, from στόμα, rather than στόματ = mouth.—*Dr. R. G. Latham, English Language.*

Sémblable. *adj.* [Fr.] Like; resembling.

With *semblable* reason we might expect a regularity in the winds.—*Sir T. Browne, Vulgar Errours.*

Used *substantivally*.

Then he abhorr'd
All feasts, societies, and throngs of men!
His *semblable*, yea himself, Timon disdains.
Shakespear, Timon of Athens, iv. 3.

Sémblably. *adv.* In a semblable manner; with resemblance.

A gallant knight he was, his name was Blunt;
Semblably furnish'd like the king himself.
Shakespear, Henry IV. Part I. v. 3.

Sémblance. *s.*

1. Likeness; resemblance; similitude; representation.

Solicit Henry with her wond'rous praise:
Bethink thee on her virtues, that surmount
Her natural graces, that extinguish art:
Repeat their *semblance* often.
Shakespear, Henry VI. Part I. v. 3.

He with high words, that bore
Semblance of worth, not substance, gently raised
Their fainting courage, and dispell'd their fears.
Milton, Paradise Lost, i. 528.

It is not his meaning that we put on the outward face and *semblance* of virtue, only to conceal and disguise our vice.—*Rogers.*

Like to the mother plant in *semblance*, grew
A flower all gold. *Tennyson.*

2. Appearance; show; figure.

Be you the soldier; for you likest are,
For manly *semblance* and for skill in war.
Spenser.

Their *semblance* kind, and mild their gestures were,
Peace in their hands, and friendship in their face.
Fairfax.

All that fair and good in thy divine
Semblance, and in thy beauty's heav'nly ray,
United I beheld. *Milton, Paradise Lost*, ix. 606.

Sémblant. *adj.* [Fr.] Like; resembling; having the appearance of anything. *Rare.*

Thy picture, like thy fame,
Entire may last; that as their eyes survey
The *semblant* shade, men yet unborn may say,
Thus great, thus gracious look'd Britannia's queen;
Her brow thus smooth, her look was thus serene.
Prior, Epistle desiring the Queen's Picture.

Sémblant. *s.* Show; figure; resemblance; representation. *Obsolete.*

Her purpose was not such as she did feign,
Ne yet her person such as it was seen;
But under simple shew, and *semblant* plain,
Lurks false Duessa, secretly unseen.
Spenser, Faerie Queen.

Full lively is the *semblant*, tho' the substance dead. *Ibid.*

Sémblative. *adj.* Suitable; accommodate; fit; resembling. *Rare.*

Diana's lip
Is not more smooth and ruby; thy small pipe
Is as the maiden's organ, shrill and sound;
And all is *semblative* a woman's part.
Shakespear, Twelfth Night, i. 4.

Sémble. *v. n.* [Fr. *sembler.*] Represent; make a likeness. *Rare.*

Sémbling. *part. adj.* Representing; imitative,

Let Europe, saved, the column high erect
Than Trajan's higher, or than Antonine's,
Where *sembling* art may carve the fair effect,
And full achievement of thy great designs.
Prior.

Semeiótics. *s.* [Gr. σημεῖον = sign.] In *Medicine.* Doctrine of symptoms; symptomatology: (with several less usual congeners).

Semeiotic—semeiosis, semeiotia, semiotics [is] that part of medicine which considers the symptoms, or signs, of disease. It is divided into diagnosis . . . and prognosis.—*Hooper, Medical Dictionary.*

Sémen. *s.* [Lat.]

1. In *Botany.* Seed of a plant.
2. In *Physiology.* Secretion of a testicle; sperm.

Sémi. *s.* [Lat. = half.] As a *prefix* in composition; (as, *semicircle* = half a circle).

Semiánnular. *adj.* [Lat. *annularis* = like a ring, i.e. *annulus.*] Half circular.

Another boar tusk, somewhat slenderer, and of a *semiannular* figure.—*Grew, Museum.*

Sémibreve. *s.* [Fr.; Lat. *brevis* = short.] In *Music.* See first extract.

A *semibreve* is a note of half the quantity of a breve, containing two minims, four crotchets, &c. It is accounted one measure or time, or the integer infractions and multiples, whereby the time of the other notes is expressed.—*Musical Dictionary.*

The period, colon, semicolon, and comma, are in the same proportion to one another as the *semibrief*, the minim, the crotchet, and the quaver, in musick. —*Bishop Lowth, A short Introduction to English Grammar.*

Semicastrátion. *s.* Excision of one testicle.

One testicle sufficeth unto generation, as hath been observed in *semicastration*, and ofttimes in carneous ruptures.—*Sir T. Browne, Vulgar Errours.* (Ord MS.)

Semicírcle. *s.* Half round; part of a circle divided by the diameter.

Black brows
Become some women best, so they be in a *semicircle*,
Or a half-moon, made with a pen.
Shakespear, Winter's Tale, ii. 1.

Has he given the lye
In circle, or oblique, or *semicircle*,
Or direct parallel?
Beaumont and Fletcher, Queen of Corinth, iv. 1.

The chains that held my left leg gave me the liberty of walking backwards and forwards in a *semicircle.—Swift.*

Semicírcled. *adj.* Formed as a semicircle.

The firm fixture of thy foot would give an excellent motion to thy gait, in a *semicircled* farthingale.—*Shakespear, Merry Wives of Windsor*, iii. 3.

Semicírcular. *adj.* Half round.

The rainbow is caused by the rays of the sun falling upon a rorid and opposite cloud, whereof some reflected, others refracted, beget the *semicircular* variety we call the rainbow.—*Sir T. Browne, Vulgar Errours.*

The seas are inclosed between the two *semicircular* moles that surround it.—*Addison, Travels in Italy.*

Semicólon. *s.* Half a colon; point made thus [;] to note a greater pause than that of a comma.

A member of a sentence, whether simple or compounded, that requires a greater pause than a comma, yet does not of itself make a complete sentence, but is followed by something closely depending on it, may be distinguished by a *semicolon.*—*Bishop Lowth, A short Introduction to English Grammar.*

Semidiámeter. *s.* Half the line which, drawn through the centre of a circle, divides it into two equal parts; straight line drawn from the circumference to the centre of a circle.

Their difference is as little considerable as a *semidiameter* of the earth in two measures of the highest heaven, the one taken from the surface of the earth, the other from its centre; the disproportion is just nothing.—*Dr. H. More.*

The force of this instrument consists in the disproportion of distance betwixt the *semidiameter* of the cylinder and the *semidiameter* of the rundle with the spokes.—*Bishop Wilkins.*

Semidiaphanéity. *s.* Half transparency; imperfect transparency.

The transparency or *semidiaphaneity* of the superficial corpuscles of bigger bodies may have an interest in the production of their colours.—*Boyle, Experiments and Considerations touching Colours.*

Semidiáphanous. *adj.* Half transparent; imperfectly transparent.

Another plate, finely variegated with a *semidiaphanous* grey or sky, yellow and brown.—*Woodward, On Fossils.*

Sémidouble. *s.* Name given in the Romish breviary, to such offices and feasts as are celebrated with less solemnity than the double ones, but yet with more than the single ones.

Sémifluid. *adj.* Imperfectly fluid.

Phlegm, or pituite, is a sort of *semifluid*, it being so far solid that one part draws along several other parts adhering to it, which doth not happen in a perfect fluid, and yet no part will draw the whole mass, as happens in a perfect solid.—*Arbuthnot.*

Semilúnar. *adj.* Resembling in form a half moon.

The eyes are guarded with a *semilunar* ridge.—*Grew.*

Semilúnary. *adj.* Same as preceding.

This bay is of a *semilunary* form.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 13.

Sémimetal. *s.* Half metal; imperfect metal.

Semimetals are metallic fossils, heavy, opake, of a bright glittering surface, not malleable under the hammer; as quicksilver, antimony, cobalt, the arsenicks, bismuth, zink, with its ore calamine: to these may be added the semimetallick recrements, tutty and pampholyx.—*Sir J. Hill, Materia Medica.*

Séminal. *adj.* [Lat. *seminalis*, from *semen* = seed.]

1. Belonging to seed; contained in, having the nature of, seed.

Had our senses never presented us with those obvious *seminal* principles of apparent generations, we should never have suspected that a plant or animal would have proceeded from such unlikely materials. —*Glanville, Scepsis Scientifica.*

Though we cannot prolong the period of a commonwealth beyond the decree of heaven, or the date of its nature, any more than human life beyond the strength of the *seminal* virtue, yet we may manage a sickly constitution, and preserve a strong one.—*Swift.*

2. Spermatic.

Séminal. *s.* Seminal state.

The *seminals* of other iniquities.—*Sir T. Browne, Christian Morals*, iii. 4.

Seminálity. *s.*

1. Nature of seed.

As though there were a *seminality* in urine, or that, like the seed, it carried with it the idea of every part, they conceive we behold therein the anatomy of every particle.—*Sir T. Browne.*

2. Power of being produced.

In the seeds of wheat there lieth obscurely the *seminality* of darnel.—*Sir T. Browne, Vulgar Errours.*

Séminarist. *s.* Romish priest educated in a seminary.

Seminarists now come from Rome to pervert souls. —*Sheldon, Miracles of Antichrist*, p. 170: 1616.

Séminary. *s.*

1. Ground where anything is sown to be afterwards transplanted; seed-plot.

Some, at the first transplanting trees out of their *seminaries*, cut them off about an inch from the ground, and plant them like quickset.—*Mortimer, Husbandry.*

2. Place or original stock whence anything is brought.

This stratum is expanded, serving for a common integument, and being the *seminary* or promptuary that furnisheth forth matter for the formation and increment of animal and vegetable bodies.—*Woodward.*

3. Seminal state.

The hand of God, who first created the earth, hath wisely contrived them in their proper *seminaries*, and where they best maintain the intention of their species.—*Sir T. Browne.*

4. Principle; causality.

Nothing subministrates after matter to be converted into pestilent *seminaries*, sooner than steams of nasty folks and beggars.—*Harvey, On the Plague.*

5. Breeding-place; place of education, from whence scholars are transplanted into life.

It was the seat of the greatest monarchy, and the *seminary* of the greatest men of the world, whilst it was heathen.—*Bacon.*

The inns of court must be the worst instituted *seminaries* in any Christian country.—*Swift.*

6. Seminarist.

O' my conscience, a *seminary!* he kisses the stocks.—*B. Jonson, Bartholomew Fair.*

Used *adjectivally.*

But the oath of supremacy was not refused, the worship of the church was frequented by multitudes who secretly repined for a change; and the council, whose fear of open enmity had prompted their first severities, were led on by the fear of dissembled resentment to devise yet further measures of the same kind. Hence, in 1584 a law was enacted, enjoining all jesuits, *seminary* priests, and other priests, whether ordained within or without the kingdom, to depart from it within forty days, on pain of being adjudged traitors.—*Hallam, History of England*, ch. iii.

Séminary. *adj.* Seminal; belonging to seed.

Seminary vessels, both preparatory and ejaculatory.—*Smith, Portrait of Old Age*, p. 117: 1666.

Séminate. *v. a.* Sow; spread; propagate.

Thus all were doctors, who first *seminated* learning in the world by special instinct, and direction of God.—*Waterhouse, Apology for Learning*, p. 19: 1653.

Seminátion. *s.* Act of sowing; act of dispersing.

To do this there were but four means. 1. By the advantage of arms in time of action. 2. By open preaching. 3. By dispersion of books. 4. By secret *semination.—Sir H. Wotton, Remains*, p. 493.

If the place you sow in be too cold for an autumnal *semination.—Evelyn.*

Sémined. *adj.* Covered as with seeds. *Rare.*

Her garments blue, and *semined* with stars.— *B. Jonson, Masques at Court.*

Seminífical. *adj.* Productive of seed. *Rare.*

We are made to believe, that in the fourteenth year males are *seminifical* and pubescent; but he that shall inquire into the generality, will rather adhere unto Aristotle.—*Sir T. Browne.*

Seminificátion. *s.* See extract. *Rare.*

Seminification is the propagation from the seed or seminal parts.—*Sir M. Hale, Origination of Mankind.*

Semiopácous. *adj.* Half dark.

Semiopacous bodies are such as, looked upon in an ordinary light, and not held betwixt it and the eye, are not wont to be discriminated from the rest of opacous bodies.—*Boyle.*

Semiórdinate. *s.* See extract.

A *semiordinate* [is] a line drawn at right angles to and bissected by the axis, and reaching from one side of the section to another; the half of which is properly the *semiordinate*, but is now called the ordinate.—*Harris.*

Sémipede. *s.* Half a (metrical) foot.

Here the cæsura, after the first *semipede* day, stops as unexpectedly, and forcibly impresses the imagination with the greatness of the author's loss, the loss of sight.—*Murray, Grammar of the English Language.* (Ord MS.)

Semipellúcid. *adj.* Half clear; imperfectly transparent.

A light grey *semipellucid* flint, of much the same complexion with the common Indian agat.—*Woodward.*

Semiperspícuous. *adj.* Half transparent; imperfectly clear.

A kind of amethystine flint, not composed of crystals or grains; but one entire massy stone, *semiperspicuous*, and of a pale blue, almost of the colour of some cows' horns.—*Grew.*

Semiquártile. *s.* Aspect of the planets when distant from each other forty-five degrees, or one sign and a half.

Semiquadrate, or *semiquartile*, in the language of Astrology [is] an aspect of the planets when distant from each other half a right angle, or 45°. The terms *semiquintile* and *semisextile* have a similar meaning; the first denoting the half of a fifth of a complete circle, that is 36°; and the second the half of a sixth, or 30°.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Sémiquaver. *s.* Note having half the duration of the quaver.

Sémiquaver. *v. a.* Sing in, or as in, semiquavers.

Occiduus is a pastor of renown;
